Item 5. Other Events

Today, American Airlines, Inc. ("American"), the principal subsidiary of AMR Corporation, gave notice that it is drawing \$1.0 billion under its existing \$1.0 billion credit facility agreement which expires in 2001.

American has also negotiated an additional \$1.0 billion credit facility agreement underwritten by Morgan Guaranty Trust Company of New York, The Chase Manhattan Bank, Citibank, N.A., and Credit Suisse First Boston, which will expire December 31, 1997. There are no borrowings outstanding under the new agreement at this time. Any borrowings under the new agreement will be secured by aircraft owned by American. To the extent that the value of such aircraft exceeds any claims due under the new agreement, the excess value will secure borrowings under American's existing \$1.0 billion credit facility agreement.
