AMERICAN AIRLINES REPORTS NOVEMBER TRAFFIC

FORT WORTH, Texas - American Airlines, the world's largest carrier, reported a November load factor of 73.4 percent, an increase of 2.8 points compared to November of last year. Traffic during the month grew by 8.2 percent, while capacity increased 4.1 percent year over year.

International traffic increased 9.5 percent relative to last year on 10 percent more capacity. Domestic traffic grew by 7.6 percent compared to last year on a 1.5 percent increase in capacity. Strong domestic traffic is partially attributable to the Thanksgiving holiday, which fell earlier in the month this year.

American boarded 7.3 million passengers in November.

Detailed traffic and capacity data are on the following pages:
