Explanation of Responses:

- Phantom stock units (PSUs) are deferred compensation under AMR's director retainers and fees deferral program. Under the program, the director's retainers and fees are converted into PSUs based on the average market value of AMR common stock during the month of deferral.
- The price will be determined on the date that is 30 days after the director ceases to be a director and ceases providing services.
- The exercise/expiration date of the PSUs is the date that is 30 days after the director ceases to be a director and ceases providing services.
