If the Trustee resigns pursuant to the preceding sentence, the Company shall promptly appoint a successor Trustee of such Trust located in (including performing functions and activities in) a jurisdiction where there are no Avoidable Taxes. The Certificates are limited in right of payment, all as more specifically set forth on the face hereof and in the Agreement. All payments or distributions made to Certificateholders under the Agreement shall be made only from the Trust Property and only to the extent that the Trustee shall have sufficient income or proceeds from the Trust Property to make such payments in accordance with the terms of the Agreement. Each Certificateholder of this Certificate, by its acceptance hereof, agrees that it will look solely to the income and proceeds from the Trust Property to the extent available for distribution to such Certificateholder as provided in the Agreement. This Certificate does not purport to summarize the Agreement and reference is made to the Agreement for information with respect to the interests, rights, benefits, obligations, proceeds, and duties evidenced hereby. A copy of the Agreement may be examined during normal business hours at the principal office of the Trustee, and at such other places, if any, designated by the Trustee, by any Certificateholder upon request.

The Agreement permits, with certain exceptions therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Certificateholders under the Agreement at any time by the Company and the Trustee with the consent of the Certificateholders holding Certificates evidencing Fractional Undivided Interests aggregating not less than a majority in interest in the Trust. Any such consent by the Certificateholder of this Certificate shall be conclusive and binding on such Certificateholder and upon all future Certificateholders of this Certificate and of any Certificate issued upon the transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent is made upon this Certificate. The Agreement also permits the amendment thereof, in certain limited circumstances, without the consent of the Certificateholders of any of the Certificates.

As provided in the Agreement and subject to certain limitations therein set forth, the transfer of this Certificate is registrable in the Register upon surrender of this Certificate for registration of transfer at the offices or agencies maintained by the Trustee in its capacity as

Registrar, or by any successor Registrar, in the Borough of Manhattan, the City of New York, duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee and the Registrar duly executed by the Certificateholder hereof or such Certificateholder's attorney duly authorized in writing, and thereupon one or more new Certificates of authorized denominations evidencing the same aggregate Fractional Undivided Interest in the Trust will be issued to the designated transferee or transferees.

The Certificates are issuable only as registered Certificates without coupons in minimum denominations of \$1,000 Fractional Undivided Interest and integral multiples thereof. As provided in the Agreement and subject to certain limitations therein set forth, the Certificates are exchangeable for new Certificates of authorized denominations evidencing the same aggregate Fractional Undivided Interest in the Trust, as requested by the Certificateholder surrendering the same.

No service charge will be made for any such registration of transfer or exchange, but the Trustee shall require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

The Trustee, the Registrar, and any agent of the Trustee or the Registrar may treat the person in whose name this Certificate is registered as the owner hereof for all purposes, and neither the Trustee, the Registrar, nor any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Agreement and the Trust created thereby shall terminate upon the distribution to Certificateholders of all amounts required to be distributed to them pursuant to the Agreement and the disposition of all property held as part of the Trust Property.

#### HABENDUM CLAUSE

To HAVE AND TO HOLD all and singular the aforesaid property unto the Loan Trustee, its successors and assigns, in trust for the benefit and security of the Loan Participants from time to time, without any priority of any one Equipment Note over any other, and for the uses and purposes and subject to the terms and provisions set forth in this Agreement.

The Owner Trustee agrees that this Agreement is intended to and shall create and grant to the Loan Trustee a security interest in the Aircraft, which security interest shall attach on and as of the Delivery Date. The security interest created by this Agreement and granted to the Loan Trustee hereunder in the Indenture Estate other than in the Aircraft shall attach upon the delivery hereof.

It is expressly agreed that, anything herein contained to the contrary notwithstanding, the Owner Trustee shall remain liable under each of the Operative Documents to

which it is a party to perform all of the obligations assumed by it thereunder, all in accordance with and pursuant to the terms and provisions thereof, and the Loan Trustee and the Loan Participants shall have no obligation or liability under any of the Operative Documents to which the Owner Trustee is a party by reason of or arising out of the assignment hereunder, nor shall the Loan Trustee (except as to the Loan Trustee, if the Loan Trustee shall have become the "Lessor" under the Lease) be required or obligated in any manner to perform or fulfill any obligations of the Owner Trustee under or pursuant to any of the Operative Documents to which the Owner Trustee is a party or, except as herein or therein expressly provided, to make any payment, or to make any inquiry as to the nature or sufficiency of any payment received by it, or present or file any claim, or take any action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

Subject to the terms and conditions hereof, the Owner Trustee does hereby constitute the Loan Trustee the true and lawful attorney of the Owner Trustee, irrevocably with full power (in the name of the Owner Trustee or otherwise) to ask, require, demand, receive, compound and give acquittance for any and all moneys and claims for moneys due and to become due to the Owner Trustee (other than Excepted Property) under or arising out of the Lease (subject to the provisions of Section 11.06(b)(1)), the Purchase Agreement and the Purchase Agreement Assignment, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Loan Trustee may deem to be necessary or advisable in the premises. The Owner Trustee has directed the Company to make all payments of Rent (other than Excepted Property) payable to the Owner Trustee by the Company and all other amounts which are required to be paid to or deposited with the Owner Trustee pursuant to the Lease directly to the Loan Trustee at such address as the Loan Trustee shall specify, for application as provided in this Agreement. The Owner Trustee agrees that promptly on receipt thereof, it will transfer to the Loan Trustee any and all moneys from time to time received by it constituting part of the Indenture Estate, for distribution by the Loan Trustee pursuant to this Agreement, except that the Owner Trustee shall accept for distribution pursuant to the Trust Agreement any amounts distributed to it by the Loan Trustee as expressly provided in this Agreement and any Excepted Property.

The Owner Trustee agrees that at any time and from time to time, upon the written request of the Loan Trustee, the Owner Trustee will promptly and duly execute and deliver or cause to be duly executed and delivered to the Loan Trustee any and all such further instruments and documents as the Loan Trustee may reasonably deem desirable in obtaining the full benefits of the mortgage and security interest granted hereby and of the rights and powers herein granted.

The Owner Trustee does hereby warrant and represent that it has not mortgaged, assigned or pledged, and hereby covenants that it will not mortgage, assign or pledge, so long as the Lien of this Agreement shall or is intended to remain in effect, any of its right, title or interest subject to the mortgage and security interest hereby created, to anyone other than the Loan Trustee, and that it will not (other than in respect of Excepted Property), except as provided in or permitted by this Agreement, accept any payment from the Company, enter into an agreement amending or supplementing any of the Operative Documents to which it is a party, execute any waiver or modification of, or consent under the terms of any of the Operative Documents to which it is a party, settle or compromise any claim against the Company arising under any of the Operative Documents, or submit or consent to the submission of any dispute, difference or other matter arising under or in respect of any of the Operative Documents to which it is a party to arbitration thereunder.

If the Equipment Note being replaced has become mutilated, such Equipment Note shall be surrendered to the Loan Trustee. If the Equipment Note being replaced has been destroyed, lost or stolen, the related Loan Participant shall furnish to the Owner Trustee and the Loan Trustee such security or indemnity as may be required by each of them to save the Owner Trustee and the Loan Trustee harmless (it being understood

that an unsecured undertaking to indemnify each such party delivered in writing and in a form reasonably satisfactory to the Owner Trustee and the Loan Trustee by the Initial Bank Lender shall satisfy such requirement) and evidence satisfactory to the Owner Trustee and the Loan Trustee of the destruction, loss or theft of such Equipment Note and of the ownership thereof.

Section 2.07. Cancellation. The Registrar and any Paying Agent shall forward to the Loan Trustee all Equipment Notes surrendered to them for replacement, redemption, registration of transfer, exchange or payment. The Loan Trustee shall cancel all Equipment Notes surrendered for replacement, redemption, registration or transfer, exchange, payment or cancellation and shall destroy cancelled Equipment Notes.

Section 2.08. Payment on Equipment Notes; Defaulted Interest. (a) The Loan Trustee will arrange directly with any Paying Agent for the payment, or the Loan Trustee will make payment, all pursuant to Section 2.09, of the principal of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, and interest on or in respect of the Equipment Notes. Payments on the Equipment Notes in respect of interest and Installment Payment Amounts, if any, payable on an Installment Payment Date, shall be paid in immediately available funds in U.S. currency on each Interest Payment Date or Installment Payment Date, as the case may be, to the Loan Participant in whose name such Equipment Note is registered on the Register at the close of business on the relevant Record Date and, in the case of the Bank Equipment Notes, in such manner (by wire transfer of immediately available funds if not otherwise specified) as specified in Schedule I to the Refunding Agreement or as each Bank Lender shall have otherwise designated in writing to the Loan Trustee on or prior to such Record Date; provided, however, that, in the case of Pass Through Equipment Notes, the Paying Agent will, at the request of the Loan Trustee, and may, at its option, pay such interest or Installment Payment Amounts by check mailed to such Loan Participant's address as it appears on the Register. The Paying Agent shall cause each payment to the Bank Lenders to be made by 4:00 pm on the day the Paying Agent receives such payment, provided such payment is received in immediately available funds by the Paying Agent by 1:00 pm on such day. In the event the Paying Agent shall fail to make any such payment as provided in the immediately foregoing sentence after its receipt of funds at the place and time specified, Paying Agent, in its individual capacity

and not as Paying Agent, hereby agrees to compensate any Bank Lender for the loss of use of such funds.

Principal of each Pass Through Equipment Note payable on the Maturity Date of such Pass Through Equipment Note and Make-Whole Amount, if any, with respect thereto shall be payable only against presentation and surrender thereof at the principal corporate trust office of the Loan Trustee or at the office of the Paying Agent maintained for such purpose pursuant to Section 2.03.

Promptly following payment of all principal, Swap Breakage Loss, if any, and interest due and owing with respect to a Bank Equipment Note and all other sums due and payable to the Bank Lender in whose name such Bank Equipment Note is registered in the Register hereunder, under such Bank Equipment Note, under the Participation Agreement and under the Refunding Agreement, such Bank Lender shall surrender such Bank Equipment Note to the Loan Trustee for cancellation.

A Loan Participant shall have no further interest in, or other right with respect to, the Indenture Estate when and if the principal amount of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, and interest on all Equipment Notes held by such Loan Participant and all other sums due and payable to such Loan Participant hereunder, under such Equipment Notes, under the Participation Agreement and under the Refunding Agreement shall have been paid in full.

(b) Any Installment Payment Amount payable on an Installment Payment Date, or any interest payable on an Interest Payment Date on any Equipment Note which is not punctually paid on, or within 5 days after, such Installment Payment Date or such Interest Payment Date, as the case may be (herein called, respectively, a "Defaulted Installment" and "Defaulted Interest"), shall forthwith cease to be payable to the Loan Participant on the relevant Record Date by virtue of its having been such Loan Participant; and such Defaulted Installment or Defaulted Interest may be paid by the Loan Trustee, at its election in each case, as provided, in the case of the Pass Through Equipment Notes, in clause (1) or (2) below and, in the case of Bank Equipment Notes, in clause (3) below:

(1) The Loan Trustee may elect to make payment of any Defaulted Installment or Defaulted Interest to the Person in whose name a Pass Through Equipment Note is

registered at the close of business on a special record date for the payment of such Defaulted Installment or Defaulted Interest, which shall be fixed in the following manner. The Loan Trustee shall notify the Paying Agent in writing of the amount of the Defaulted Installment or Defaulted Interest proposed to be paid on each such Pass Through Equipment Note and the date of the proposed payment, and at the same time the Loan Trustee shall make arrangements to set aside an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Installment or Defaulted Interest, prior to the date of the proposed payment, to be held in trust for the benefit of the Persons entitled to such Defaulted Installment or Defaulted Interest as this clause provides and shall fix a special record date for the payment of such Defaulted Installment or Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment. The Loan Trustee shall promptly notify the Owner Trustee and the Registrar of such special record date and shall cause notice of the proposed payment of such Defaulted Installment or Defaulted Interest and the special record date therefor to be mailed, first class postage prepaid, to each Loan Participant entitled thereto at such Loan Participant's address as it appears in the Register, not less than 10 days prior to such special record date. Notice of the proposed payment of such Defaulted Installment or Defaulted Interest and the special record date therefor having been mailed, as aforesaid, such Defaulted Installment or Defaulted Interest shall be paid to the Persons in whose names the applicable Equipment Notes are registered on such special record date and shall no longer be payable pursuant to the following clause (2).

(2) The Loan Trustee may make, or cause to be made, payment of any Defaulted Installment or Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which Pass Through Equipment Notes may be listed, and upon such notice as may be required by such exchange, if such payment shall be deemed practicable by the Loan Trustee.

(3) In the case of a Bank Equipment Note, the Loan Trustee may elect to make payment of any Defaulted Installment or Defaulted Interest to the Bank Lender in

whose name such Bank Equipment Note is registered in the Register at the time of such payment.

(c) The Loan Trustee shall require each Paying Agent to agree in writing that such Paying Agent will hold in trust, for the benefit of the Loan Participants entitled thereto and the Loan Trustee, all money held by the Paying Agent for the payment of principal of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, or interest on, the Equipment Notes, or any other amount payable to the Loan Participants hereunder or under any other Operative Document, and shall give to the Loan Trustee notice of any default by any obligor upon the Equipment Notes in the making of any such payment upon the Equipment Notes. The Loan Trustee at any time may require a Paying Agent to repay to the Loan Trustee all money held by it. Upon so doing the Paying Agent shall have no further liability for the money so paid.

Section 2.09. Payment from Indenture Estate Only; Non-Recourse Obligations. Notwithstanding any other provision herein or in the Equipment Notes to the contrary, all amounts payable by the Loan Trustee and the Owner Trustee under the Equipment Notes and this Agreement shall be made only from the income and proceeds of the Indenture Estate and each Loan Participant, by its acceptance of such Equipment Note, agrees that (a) it will look solely to the income and proceeds of the Indenture Estate for the payment of such amounts, to the extent available for distribution to it as herein provided, and (b) none of the Owner Trustee, the Owner Participant or the Loan Trustee is or shall be personally liable to any Loan Participant for any amount payable under such Equipment Note or this Agreement or, except as expressly provided in this Agreement in the case of the Owner Trustee and the Loan Trustee, for any liability thereunder or hereunder.

Wilmington Trust Company is entering into this Agreement solely as Owner Trustee under the Trust Agreement and not in its individual capacity, and in no case whatsoever shall Wilmington Trust Company (or any entity acting as successor trustee under the Trust Agreement) be personally liable for, or for any loss in respect of, any statements, representations, warranties, agreements or obligations hereunder or thereunder; provided that Wilmington Trust Company shall be liable hereunder in its individual capacity, (i) for the performance of its agreements undertaken in its individual capacity under Section 8 of the Participation Agreement, (ii) for the performance of its

agreements undertaken in its individual capacity under Section 9 of the Refunding Agreement and (iii) for its own willful misconduct or gross negligence. If a successor Owner Trustee is appointed in accordance with the terms of the Trust Agreement and the Participation Agreement, such successor Owner Trustee shall, without any further act, succeed to all of the rights, duties, immunities and obligations hereunder, and its predecessor Owner Trustee and Wilmington Trust Company shall be released from all further duties and obligations hereunder, without prejudice to any claims against Wilmington Trust Company or such predecessor Owner Trustee for any default by Wilmington Trust Company or such predecessor Owner Trustee, respectively, in the performance of its obligations hereunder prior to such appointment.

Section 2.10. Execution and Delivery of Equipment Notes upon Original Issuance. The Owner Trustee shall issue and execute, and the Loan Trustee shall authenticate and deliver, the Equipment Notes for original issuance only upon Company Request and upon payment by the Loan Participants pursuant to the Refunding Agreement of an aggregate amount equal to the aggregate original principal amount of the Equipment Notes.

### ARTICLE 3

Section 3.02. Payment in Case of Termination of Lease or Redemption of Equipment Notes. In the event the Equipment Notes are redeemed (or purchased in lieu of redemption) in accordance with the provisions of Section 6.01 or 6.02, the Loan Trustee will apply on the Redemption Date, or in the event of amounts distributable to the Owner Trustee in accordance with clause fourth below, on the Lease Termination Date, any amounts then held by it in the Indenture Estate and received by it from or on behalf of the Company or the Owner Trustee (including, without limitation, Swap Breakage Loss, if any, payable in respect of the Bank Equipment Notes, whether or not constituting

part of the applicable Redemption Price), in the following order of priority:

first, so much thereof as was received by the Loan Trustee with respect to the amounts due to it pursuant to Section 9.05 shall be applied to pay the Loan Trustee such amounts;

second, so much thereof as shall be required to pay the Redemption Price on the Outstanding Equipment Notes pursuant to Section 6.01 or 6.02, as the case may be, on the Redemption Date shall be applied to the redemption (or purchase in lieu of redemption) of the Equipment Notes on the Redemption Date;

third, so much thereof as shall be required to pay the amounts described in clauses "fifth" and "eighth" of Section 3.05 shall be applied to pay such amounts; and

first, so much of such aggregate amount as shall be required to pay in full the principal of, and interest then due on all Outstanding Equipment Notes shall be distributed to the Persons entitled thereto;

second, so much of such aggregate amount remaining as shall be required to pay any amount due the Loan Trustee pursuant to Section 9.05 shall be applied to pay the Loan Trustee such amounts;

third, so much thereof as shall be required to pay the amounts described in clauses "fifth" and "eighth "

of Section 3.05 shall be applied to pay such amounts; and

fourth, the balance, if any, of such aggregate amount remaining thereafter shall be distributed to the Owner Trustee for distribution in accordance with the terms of the Trust Agreement.

Section 3.04. Application of Certain Payments in Case of Requisition or Event of Loss. Except as otherwise provided in Section 3.05, any amounts received directly or through the Company from any governmental authority or other Person pursuant to Section 10 of Lease with respect to the Airframe or the Airframe and the Engines or engines then installed on the Airframe as the result of an Event of Loss, to the extent that such amounts are not at the time required to be paid to the Company pursuant to said Section 10, and any amounts of insurance proceeds for damage to the Indenture Estate received directly or through the Company from any insurer pursuant to Section 11 of the Lease with respect thereto as the result of an Event of Loss, to the extent such amounts are not at the time required to be paid to the Company pursuant to said Section 11, shall, except as otherwise provided in the next sentence, be applied in reduction of the Company's obligations to pay Stipulated Loss Value as provided in the Lease and the remainder, if any, shall, except as provided in the next sentence, be distributed to the Owner Trustee to be held or distributed in accordance with the terms of the Lease. Notwithstanding Section 3.05 hereof, any amounts held by the Loan Trustee, including, without limitation, pursuant to Section 10 or 11 of the Lease, which are payable to the Lessee pursuant to the terms of the Lease or held by the Loan Trustee in accordance with Section 25 of the Lease shall be (i) so paid to the Lessee or (ii) held by the Loan Trustee as security for the obligations of the Lessee, in each case in accordance with the applicable provisions of the Lease.

Section 3.05. Payments During Continuance of Indenture Event of Default. Except as otherwise provided in Section 3.02 or the last sentence of Section 3.04, all payments (except Excepted Property) received and amounts held or realized by the Loan Trustee after an Indenture Event of Default shall have occurred and be continuing (including any amounts realized by the Loan Trustee from the exercise of any remedies pursuant to Article 8), as well as all payments or amounts then held or thereafter received by the Loan Trustee as part of the Indenture Estate while such Indenture Event of Default shall be continuing, shall be

distributed by the Loan Trustee in the following order of priority:

first, so much of such payments or amounts as shall be required to pay the Loan Trustee all amounts then due it pursuant to Section 9.05 shall be applied to pay the Loan Trustee such amounts;

second, so much of such payments or amounts remaining as shall be required to pay the expenses incurred (including unbilled expenses in respect of property delivered or contracted for or services rendered or contracted for if the amount of such expense is liquidated) in using, operating, storing, leasing, controlling or managing the Indenture Estate, and of all maintenance, insurance, repairs, replacements, alterations, additions and improvements of and to the Indenture Estate and to make all payments which the Loan Trustee may be required or may elect to make, if any, for taxes, assessments, insurance or other proper charges upon the Indenture Estate or any part thereof (including the employment of engineers and accountants to examine and make reports upon the properties, books and records of the Owner Trustee and, to the extent permitted under the Lease, the Company), all in accordance with Section 8.03(c), shall be applied for such purposes;

third, so much of such payments or amounts remaining as shall be required to pay the principal of and accrued interest on all Equipment Notes Outstanding payable to the Loan Participants then due and payable, whether by declaration of acceleration pursuant to Section 8.02 or otherwise, shall be applied ratably to the payment of such principal and interest; and in case the aggregate amount remaining shall be insufficient to pay in full the whole amount so due and unpaid, then such amount shall be applied to the payment of such principal and interest, without any preference or priority of one Equipment Note over another, ratably according to the aggregate amount so due for principal and interest, at the date fixed by the Loan Trustee for the distribution of such payments or amounts;

fourth, so much of such payments or amounts remaining as shall be required to pay the Make-Whole Amount, if any, and the Swap Breakage Loss, if any, as the case may be, then due and payable to any Loan Participant pursuant to Section 6.01 or 6.02 hereof but

unpaid shall be applied ratably to the payment of such Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be (but only to the extent that such Make-Whole Amount or Swap Breakage Loss is payable or arises in connection with the occurrence of an Indenture Event of Default that is not a Lease Event of Default); and, in case the aggregate amount remaining shall be insufficient to pay all such amounts in full, such amount shall be distributed ratably, without priority of any Loan Participant over any other Loan Participant, in the proportion that the aggregate amount due each such Loan Participant bears to the aggregate amount due all such Loan Participants under this clause fourth;

fifth, so much of such payments or amounts remaining as shall be required to pay to each Loan Participant all other amounts payable pursuant to the indemnification provisions of Section 7(b) or 7(c) of the Participation Agreement, pursuant to Section 14 of the Refunding Agreement or pursuant to any other provision of this Indenture or any Operative Document (excluding, in any case, any amounts payable pursuant to clause "second" or "third" of this Section 3.05 or amounts constituting a Make-Whole Amount or Swap Breakage Loss) to such Loan Participant or to its predecessors and remaining unpaid shall be distributed to such Loan Participant for distribution to itself and such predecessors, as their interests may appear, and if the aggregate amount remaining shall be insufficient to pay all such amounts in full, such amount shall be distributed ratably, without priority of any Loan Participant over any other Loan Participant, in the proportion that the aggregate amount due each such Loan Participant under this clause "fifth" bears to the aggregate amount due all such Loan Participants under this clause "fifth";

sixth, so much of such payments or amounts remaining thereafter shall be held by the Loan Trustee as collateral security for the obligations secured hereby until such time as no Indenture Event of Default shall be continuing hereunder or the Equipment Notes have been accelerated and all amounts due thereon (other than any Swap Breakage Loss) have been paid, at which time so much of such payments or amounts remaining as shall be required to pay an amount which, when aggregated with any prior distributions pursuant to this clause " sixth", shall be equal to the sum of

(a) the excess, if any, of (i) the Termination Value for the Aircraft, computed as of the date of distribution pursuant to this clause "sixth" (the "Distribution Date"), over (ii) the aggregate principal amount of the Outstanding Equipment Notes as of the Distribution Date, plus (b) all other Supplemental Rent then due and owing to the Owner Trustee or the Owner Participant shall be distributed to the Owner Trustee to be held or distributed in accordance with the provisions of the Trust Agreement; provided that at such time as one or more Lease Events of Default shall have occurred and any such Lease Event of Default shall have continued for a period of 180 days during which the Equipment Notes could, but shall not, have been accelerated pursuant to Section 8.02, the amounts which would have been payable to the Owner Trustee pursuant to this clause "sixth" but for the occurrence of such Lease Event of Default shall be so paid to the Owner Trustee;

seventh, so much of such payments or amounts remaining as shall be required to pay the Swap Breakage Loss, if any, then due and payable to the Bank Lenders (to the extent that such Swap Breakage Loss is payable or arises in connection with an Indenture Event of Default that is also a Lease Event of Default) shall be applied to the payment of such Swap Breakage Loss, if any; and in case the aggregate amount remaining shall be insufficient to pay all such amounts in full, such amount shall be distributed ratably without priority of any Bank Lender over any other Bank Lender, in the proportion that the aggregate amount due to each such Bank Lender bears to the aggregate amount due all such Bank Lenders under this clause "seventh"; and

eighth, so much of such payments or amounts remaining thereafter shall be distributed to the Owner Trustee to be held or distributed in accordance with the provisions of the Trust Agreement, so long as no Indenture Event of Default exists other than by virtue of such Lease Event of Default.

Section 3.06. Certain Payments. (a) Except as otherwise provided in this Agreement, any payment received by the Loan Trustee for which provision as to the application thereof is made in the Lease or the Participation Agreement shall be distributed to the Person for whose benefit such payments were made. Notwithstanding anything in this Article 3 or elsewhere in this Agreement to the con-

trary, the Loan Trustee shall be obligated to distribute and shall distribute to the Owner Participant or the Owner Trustee, as the case may be, any Excepted Property received by the Loan Trustee promptly upon receipt thereof by the Loan Trustee.

(b) Except as otherwise provided in Section 3.05, the Loan Trustee will distribute promptly upon receipt any indemnity or other payment received by it from the Owner Trustee or the Company in respect of the Loan Trustee in its individual capacity or any Loan Participant pursuant to Section 7(b) or 7(c) of the Participation Agreement or, in the case of any Bank Lender, Section 14(a) of the Refunding Agreement directly to the Person entitled thereto as such Person's interest may appear.

Section 3.07. Payments for Which No Application Is Otherwise Provided. Except as otherwise provided in Section 3.05:

(a) any payment received by the Loan Trustee for which no provision as to the application thereof is made elsewhere in this Agreement, and

(b) any payment received and amounts realized by the Loan Trustee with respect to the Aircraft to the extent received or realized at any time after the conditions set forth in Article 10 for the satisfaction and discharge of this Agreement or for the defeasance of the Equipment Notes shall have been satisfied, as well as any other amounts remaining as part of the Indenture Estate after such satisfaction shall be distributed by the Loan Trustee in the following order of priority:

first, so much of such aggregate amount as shall be required to pay the Loan Trustee all amounts then due it pursuant to Section 9.05 shall be applied to pay the Loan Trustee such amounts; and

second, the balance, if any, of such aggregate amount remaining thereafter shall be distributed to the Owner Trustee to be held or distributed in accordance with the terms of the Trust Agreement, the Lease or the Participation Agreement.

The Loan Trustee shall from time to time execute an appropriate written instrument or instruments to confirm the release of the security interest of the Loan Trustee in any Part as provided in this Section 5.01, in each case upon receipt by the Loan Trustee of a Company Request stating that said action was duly taken by the Company in conformity with this Section 5.01 and that the execution of such written instrument or instruments is appropriate to evidence such release of a security interest under this Section 5.01.

Section 7.02. Change in Registration. The Loan Trustee shall upon the request of the Company consent to the deregistration of the Aircraft under the laws of the jurisdiction in which it is at the time registered and the registration of the Aircraft under laws of another jurisdiction (herein called a "change in registration") provided that the following conditions are met:

(a) such change in registration complies with the provisions of the Lease;

(b) no Lease Event of Default and no event which, with lapse of time or notice, or both, would become a Lease Event of Default shall have occurred and be continuing at the date of such request or at the effective date of the change in registration, provided that it shall not be necessary to comply with this condition (b) if the change in registration results in the registration of the Aircraft under the laws of the United States of America or if the Loan Trustee in its discretion believes the change in registration would be advantageous to the Loan Participants;

(ii) the terms of the Lease and this Agreement (including the governing law clauses) are legal, valid and binding and enforceable in such jurisdiction, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and by general principles of equity, and except as limited by applicable laws which may affect the remedies provided in the Lease and this Agreement, respectively, which laws, however, do not in the opinion of such counsel make the remedies provided in the Lease and this Agreement, respectively, inadequate for the practical realization of the rights and benefits provided thereby;

(d) the Loan Trustee shall have received assurances reasonably satisfactory to it that the insurance provisions of the Lease will have been complied with after giving effect to such change in registration; and

(e) the Company shall have paid or made provision satisfactory to the Loan Trustee for the payment of all expenses connected with such change in registration.

(i) this Agreement constitutes the legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and by general principles of equity, and except as limited by applicable laws which may affect the remedies provided for in this Agreement, which laws, however, do not in the opinion of such counsel make the remedies provided for in this Agreement inadequate for the practical realization of the rights and benefits provided for in this Agreement;

(ii) the Aircraft is duly registered in compliance with applicable law under the laws of the jurisdiction in which the Aircraft was registered immediately prior to such purchase and assumption;

(iii) the Lien on the Aircraft constitutes a fully-perfected Lien and all filing, recording or other action (specifying the same) necessary to perfect and protect the Lien of this Agreement has been accomplished; and

(iv) the Loan Trustee should, for the reasons set forth in such opinion, be entitled to the benefits of Section 1110 of the Bankruptcy Code

with respect to the Aircraft; provided that such opinion need not be delivered to the extent that the benefits of Section 1110 of the Bankruptcy Code are not available to the Loan Trustee with respect to the Aircraft immediately prior to such assumption; and provided further that such opinion may contain qualifications of the tenor contained in the opinion of Debevoise & Plimpton delivered pursuant to Section 3(k) of the Refunding Agreement on the Refunding Date;

then, automatically and without the requirement of further action by any Person, effective as of the Relevant Date:

such failure and provided further that the Owner Trustee or the Owner Participant, as the case may be, shall have provided to the Loan Trustee adequate assurances of performance within such period); or

(e) any representation or warranty made by the Owner Participant, the Owner Trustee, in its individual capacity or as Owner Trustee, or the Owner Participant Guarantor herein, in the Participation Agreement, in the Refunding Agreement, or in the Owner Participant Guaranty shall prove at any time to have been false or incorrect when made and was and is in any respect materially adverse to the rights and interests of the Loan Participants; and if such misrepresentation and its consequences are capable of being corrected as of a subsequent date and if such correction is being sought diligently, such misrepresentation and its consequences shall continue unremedied for a period of 30 days after there has been given to the Owner Trustee and the Owner Participant, by registered or certified mail, a written notice specifying such incorrectness and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder by the Loan Trustee or by Loan Participants owning at least 25% in principal amount of Outstanding Equipment Notes; or

denture Estate (other than pursuant to and in accordance with the terms of Section 10.01); or

(k) any Owner Participant Guaranty ceases to be a valid and enforceable obligation of the Owner Participant Guarantor or otherwise shall not be in full force and effect.

Section 8.02. Acceleration; Rescission and Annulment. If an Indenture Event of Default occurs and is continuing, the Loan Trustee, by notice to the Company, the Owner Participant and the Owner Trustee, or Loan Participants owning at least 25% in aggregate principal amount of Outstanding Equipment Notes by notice to the Company, the Loan Trustee, the Owner Trustee and the Owner Participant, may declare the principal of all the Equipment Notes to be due and payable. Upon such declaration, the principal of all Equipment Notes, together with accrued interest thereon from the date in respect of which interest was last paid hereunder to the date payment of such principal has been made or duly provided for shall be immediately due and payable, together with Swap Breakage Loss, if any, on the Bank Equipment Notes. At any time after such declaration and prior to the sale or disposition of the Indenture Estate, Loan Participants owning a majority in aggregate principal amount of all of the Outstanding Equipment Notes, by notice to the Loan Trustee, the Owner Trustee and the Owner Participant, may rescind such a declaration and thereby annul its consequences if (i) an amount sufficient to pay all principal of, Make-Whole Amount, if any, and Swap Breakage Loss, if any, and interest on, such Equipment Notes, to the extent each such amount is due or past due, if any, in respect of the Outstanding Equipment Notes other than by reason of such acceleration and all sums due and payable to the Loan Trustee has been deposited with the Loan Trustee, (ii) the rescission would not conflict with any judgment or decree and (iii) all existing Indenture Defaults and Indenture Events of Default under this Agreement have been cured or waived except nonpayment of principal of, Swap Breakage Loss, if any, or interest on the Equipment Notes that has become due solely because of such acceleration. No Make-Whole Amount shall be payable on the Pass Through Equipment Notes as a result of the acceleration of the Equipment Notes.

Section 8.03. Other Remedies Available to Loan Trustee. (a) After an Indenture Event of Default shall have occurred and so long as such Indenture Event of Default shall be continuing, then and in every such case the Loan

Trustee, as trustee of an express trust and as assignee hereunder of the Lease or as holder of a security interest in the Aircraft, Airframe or Engines or otherwise, may, and when required pursuant to the provisions of Article 9 shall, exercise subject to Sections 8.03(b), 8.03(e), 8.03(f) and 8.03(h), upon ten (10) Business days' prior notice to the Owner Trustee and the Owner Participant (if not precluded by law or otherwise) any or all of the rights and powers and pursue any and all of the remedies accorded to the Owner Trustee pursuant to this Article 8 (and in the event that such Indenture Event of Default is also a Lease Event of Default, pursuant to Section 15 of the Lease), may recover judgment in its own name as Loan Trustee against the Indenture Estate and may take possession of all or any part of the Indenture Estate and may exclude the Owner Trustee and the Owner Participant and all persons claiming under any of them wholly or partly.

(b) After an Indenture Event of Default shall have occurred and so long as such Indenture Event of Default shall be continuing, subject to Sections 8.03(e), 8.03(f) and 8.03(h), the Loan Trustee may, if at the time such action may be lawful and always subject to compliance with any mandatory legal requirements, either with or without taking possession, and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Owner Trustee, the Owner Participant and the Company once at least 10 Business Days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of the Indenture Estate, or any part thereof, or interest therein, at public auction to the highest bidder, in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Loan Trustee may determine, and at any place (whether or not it be the location of the Indenture Estate or any part thereof) and time designated in the notice above referred to; provided, however, that, notwithstanding any provision herein to the contrary, the Loan Trustee may not provide the notice provided for above of its intention to sell any of the Indenture Estate, exercise remedies under the Lease or exercise other remedies against the Indenture Estate, in each case seeking to deprive the Owner Participant of its interest therein unless a declaration of acceleration has been made pursuant to Section 8.02. Any such sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or by announcement at the time and place appointed for any such adjourned sale or sales, without further notice, and the

Loan Trustee and any Loan Participant may bid and become the purchaser at any such sale. The Loan Trustee may exercise such right without possession or production of the Equipment Notes or proof of ownership thereof, and as representative of the Loan Participants may exercise such right without notice to the Loan Participants or including the Loan Participants as parties to any suit or proceeding relating to foreclosure of any property in the Indenture Estate. The Owner Trustee hereby irrevocably constitutes the Loan Trustee the true and lawful attorney-in-fact of the Owner Trustee (in the name of the Owner Trustee or otherwise) for the purpose of effectuating any sale, assignment, transfer or delivery for enforcement of the Lien created under this Agreement, whether pursuant to foreclosure or power of sale or otherwise, to execute and deliver all such bills of sale, assignments and other instruments as the Loan Trustee may consider necessary or appropriate, with full power of substitution, the Owner Trustee hereby ratifying and confirming all that such attorney or any substitute shall lawfully do by virtue hereof. Nevertheless, if so requested by the Loan Trustee or any purchaser, the Owner Trustee shall ratify and confirm any such sale, assignment, transfer or delivery, by executing and delivering to the Loan Trustee or such purchaser all bills of sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may be designated in any such request.

(c) Subject to Sections 8.03(b), 8.03(e), 8.03(f) and 8.03(h), if an Indenture Event of Default has occurred and is continuing, the Owner Trustee shall, at the request of the Loan Trustee, promptly execute and deliver to the Loan Trustee such instruments of title or other documents as the Loan Trustee may deem necessary or advisable to enable the Loan Trustee or an agent or representative designated by the Loan Trustee, at such time or times and place or places as the Loan Trustee may specify, to obtain possession of all or any part of the Indenture Estate. If the Owner Trustee shall for any reason fail to execute and deliver such instruments and documents after such request by the Loan Trustee, the Loan Trustee shall be entitled to a judgment for specific performance of the covenants contained in the foregoing sentence, conferring upon the Loan Trustee the right to immediate possession and requiring the Owner Trustee or the Company or both to execute and deliver such instruments and documents to the Loan Trustee. The Loan Trustee shall also be entitled to pursue all or any part of the Indenture Estate wherever it may be found and may enter any of the premises of the Owner Trustee or any other Person wherever the Indenture Estate may be or be supposed to be

and search for the Indenture Estate and take possession of any item of the Indenture Estate pursuant to this Section 8.03(c). The Loan Trustee may, from time to time, at the expense of the Indenture Estate, make all such expenditures for maintenance, insurance, repairs, replacements, alterations, additions and improvements to and of the Indenture Estate, as it may deem proper. In each such case, the Loan Trustee shall have the right to use, operate, store, lease, control or manage the Indenture Estate, and to exercise all rights and powers of the Owner Trustee relating to the Indenture Estate as the Loan Trustee shall deem appropriate, including the right to enter into any and all such agreements with respect to the use, operation, storage, leasing, control or management of the Indenture Estate or any part thereof; and the Loan Trustee shall be entitled to collect and receive directly all tolls, rents (including Rent), issues, profits, products, revenues and other income of the Indenture Estate and every part thereof, without prejudice, however, to the right of the Loan Trustee under any provision of this Agreement to collect and receive all cash held by, or required to be deposited with, the Loan Trustee hereunder. In accordance with the terms of this Section 8.03(c), such tolls, rents (including Rent), issues, profits, products, revenues and other income shall be applied to pay the expenses of using, operating, storing, leasing, controlling or managing the Indenture Estate, and of all maintenance, insurance, repairs, replacements, alterations, additions and improvements, and to make all payments which the Loan Trustee may be required or may elect to make, if any, for taxes, assessments, insurance or other proper charges upon the Indenture Estate or any part thereof (including the employment of engineers and accountants to examine, inspect and make reports upon the properties and books and records of the Owner Trustee and, to the extent permitted by the Lease, the Company), and all other payments which the Loan Trustee may be required or authorized to make under any provision of this Agreement, including this Section 8.03(c), as well as just and reasonable compensation for the services of the Loan Trustee, and of all persons properly engaged and employed by the Loan Trustee.

If an Indenture Event of Default occurs and is continuing and the Loan Trustee shall have obtained possession of or title to the Aircraft, the Loan Trustee shall not be obligated to use or operate the Aircraft or cause the Aircraft to be used or operated directly or indirectly by itself or through agents or other representatives or to lease, license or otherwise permit or provide for the use or operation of the Aircraft by any other Person unless (i) the

Loan Trustee shall have been able to obtain insurance in kinds, at rates and in amounts satisfactory to it in its discretion to protect the Indenture Estate and the Loan Trustee, as trustee and individually, against any and all liability for loss or damage to the Aircraft and for public liability and property damage resulting from use or operation of the Aircraft and (ii) funds are available in the Indenture Estate to pay for all such insurance or, in lieu of such insurance, the Loan Trustee is furnished with indemnification from the Loan Participants or any other Person upon terms and in amounts satisfactory to the Loan Trustee in its discretion to protect the Indenture Estate and the Loan Trustee, as trustee and individually, against any and all such liabilities.

(d) Subject to Sections 8.03(b), 8.03(e), 8.03(f) and 8.03(h), the Loan Trustee may proceed to protect and enforce this Agreement and the Equipment Notes by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Indenture Estate or any part thereof, or for the recovery of judgment for the indebtedness secured by the Lien created under this Agreement or for the enforcement of any other proper, legal or equitable remedy available under applicable law.

(e) (i) If the Company shall fail to make any payment of Basic Rent under the Lease when the same shall become due, and if such failure of the Company to make such payment of Basic Rent shall not constitute the fourth or subsequent consecutive such failure or the seventh or subsequent cumulative such failure, then as long as no Indenture Event of Default (other than arising from a Lease Event of Default) shall have occurred and be continuing, the Owner Participant or the Owner Trustee may (but need not) pay to the Loan Trustee, at any time prior to the day which is the thirtieth day subsequent to notice of such failure by the Loan Trustee to the Owner Trustee or the Owner Participant (and the Loan Trustee shall not (without the prior written consent of the Owner Trustee) declare the Lease in default pursuant to Section 15 thereof or exercise any of the rights, powers or remedies pursuant to such Section 15 or this Article 8 prior to the occurrence of such date), an amount equal to the full amount of such payment of Basic Rent, together with any interest due thereon on account of the delayed payment thereof to the date of such payment (without regard to any acceleration), and such payment by

the Owner Participant or the Owner Trustee shall be deemed to cure as of the date of such payment any Indenture Event of Default which arose from such failure of the Company (including any Lease Event of Default arising from the Company's failure to pay interest in respect of such overdue Basic Rent for the period commencing on the date of such payment), but such cure shall not relieve the Company of any of its obligations. If the Company shall fail to perform or observe any covenant, condition or agreement to be performed or observed by it under the Lease other than the payment of Basic Rent, and if (but only if) the performance or observance thereof can be effected by the payment of money alone (it being understood that actions such as the obtaining of insurance and the procurement of maintenance services can be so effected), then as long as no other Indenture Event of Default (other than those arising from a Lease Event of Default) shall have occurred and be continuing, the Owner Participant or the Owner Trustee may (but need not) pay to the Loan Trustee (or to such other person as may be entitled to receive the same), at any time prior to the day which is the thirtieth day subsequent to notice of such failure by the Loan Trustee to the Owner Trustee or the Owner Participant (or such longer period ending on the second day after the expiry of the applicable grace period specified in the Lease with respect to such default) (and the Loan Trustee shall not (without the prior written consent of the Owner Trustee) declare the Lease in default pursuant to Section 15 thereof or exercise any of the rights, powers or remedies pursuant to such Section 15 or this Article 8 prior to the occurrence of such date), all sums necessary to effect the performance or observance of such covenant or agreement of the Company, together with any interest due thereon on account of the delayed payment thereof to the date of such payment, and such payment by the Owner Participant or the Owner Trustee shall be deemed to cure as of the date of such payment any Indenture Event of Default which arose from such failure of the Company (including any Lease Event of Default arising from the Company's failure to pay interest in respect of such overdue payment for the period commencing on the date of such payment), but such cure shall not relieve the Company of any of its obligations. Upon any payment of Basic Rent by the Owner Participant or the Owner Trustee in accordance with the first sentence of this Section 8.03(e)(i), or upon any payment of any other sums by the Owner Participant or the Owner Trustee in accordance with the second sentence of this Section 8.03(e)(i), then any declaration pursuant to Section 15 of the Lease that the Lease is in default, and any declaration pursuant to this Indenture that the Equipment Notes are due and payable or

that an Indenture Event of Default exists, based upon such Lease Event of Default, shall be deemed rescinded, and the Owner Participant or the Owner Trustee shall, to the extent of their respective payments, be subrogated, in the case of any such payment in accordance with such first sentence, to the rights of the Loan Trustee, as assignee hereunder of the Owner Trustee, or, in the case of any such payment in accordance with such second sentence, to the rights of the Loan Trustee or such other person, as the case may be, which actually received such payment, to receive such payment of Basic Rent or such other payment, as the case may be (and any interest due thereon on account of the delayed payment thereof), and shall be entitled to receive such payment upon its receipt by the Loan Trustee or such other person, as aforesaid (but in each case only if all amounts of principal of, and interest at the time due and payable on, the Equipment Notes together with interest due thereon on account of the delayed payment thereof shall have been paid in full); provided that neither the Owner Participant nor the Owner Trustee shall attempt to recover any such amount paid by it on behalf of the Company pursuant to this Section 8.03(e)(i) except by demanding of the Company payment of such amount or by commencing an action against the Company to require the payment of such amount.

(ii) At any time (a) one or more Lease Events of Default shall have occurred and shall have continued for a period of 180 days or more or (b) the Equipment Notes shall have been accelerated pursuant to Section 8.02, the Owner Trustee or the Owner Participant may, at its option, give at least 30 days' prior irrevocable notice to the Loan Trustee that it will redeem (or purchase in lieu of redemption) all Equipment Notes then outstanding, which redemption or purchase shall be pursuant to Section 6.02 and concurrently with such notice, the Owner Trustee or the Owner Participant will deposit with the Loan Trustee an amount sufficient to redeem or purchase at the applicable Redemption Price determined consistently with the applicable provisions of Section 6.02 (including, without limitation, Swap Breakage Losses, if any, payable in respect of the Bank Equipment Notes in connection with any Indenture Event of Default that is not a Lease Event of Default, but excluding Swap Breakage Losses, if any, payable in respect of the Bank Equipment Notes in connection with an Indenture Event of Default that is also a Lease Event of Default) all Equipment Notes then Outstanding and to pay the Loan Trustee all amounts then due it hereunder, which funds shall be held by the Loan Trustee as provided in Section 9.03. Upon the giving of such notice and the receipt by the Loan Trustee of such deposit, the

Loan Trustee shall deem all instructions received from the Owner Trustee or the Owner Participant as having been given by the Loan Participants of 100% of the Outstanding principal amount of Equipment Notes for all purposes of this Indenture. If such notice is given, the Owner Trustee further agrees that it will, if necessary, deposit or cause to be deposited with the Loan Trustee, on or prior to the Business Day preceding the applicable Redemption Date, whether or not an Indenture Event of Default is then continuing, additional funds sufficient, when added to the funds already held by the Loan Trustee for such purpose, to redeem or purchase at the applicable Redemption Price on such Redemption Date all Equipment Notes then outstanding and to pay the Loan Trustee all amounts then due it hereunder. No Make-Whole Amount on the Pass Through Equipment Notes shall be payable by the Owner Trustee in connection with the redemption or the purchase of the Pass Through Equipment Notes pursuant to this Section. Upon the payment of all amounts by the Owner Trustee or the Owner Participant pursuant to this Section, the Loan Trustee shall transfer the Equipment Notes to the Owner Trustee.

(iii) It is further agreed and understood that if the Loan Trustee shall proceed to foreclose the Lien of this Agreement, it shall substantially simultaneously therewith, to the extent the Loan Trustee is then entitled to do so hereunder and under the Lease, and is not then stayed or otherwise prevented from doing so by operation of law, proceed (to the extent it has not already done so) to exercise one or more comparable or consistent remedies referred to in Section 15 of the Lease (but in any case, the exercise of such remedies shall be commercially reasonable); provided, that, if the Loan Trustee is stayed or otherwise prevented from exercising one or more of the remedies referred to in Section 15 of the Lease, the Loan Trustee shall not, if and so long as such stay or other prohibition shall remain in effect, foreclose the Lien of this Agreement (A) for a period of 60 days after the date of the order for relief in a chapter 11 case of the Company under the Bankruptcy Code unless the Company elects to return the Aircraft or to permit the repossession of the Aircraft before the expiration of such 60-day period and the Loan Trustee actually repossesses the Aircraft; (B) for so long as the Company has agreed with the approval of the relevant court to perform the Lease in compliance with the requirements of Section 1110(a) of the Bankruptcy Code and so long after such agreement as no Event of Default shall have occurred and be continuing that relates to the performance of the Lease (other than an Event of Default set forth in Section 14(g),

(h) or (i) of the Lease), provided that no such Event of Default shall be deemed to occur earlier than the expiration of the 30-day period referred to in Section 1110(a)(2)(B)(i) of the Bankruptcy Code, as such period may be extended with the approval, if required, of the Loan Trustee; (C) for so long as the 60-day period specified in Section 1110(b) of the Bankruptcy Code is extended pursuant to Section 1110(b) of the Bankruptcy Code with the consent of the Loan Trustee; (D) for such longer period of time after the expiration of the 60-day period referred to in, and as extended pursuant to, the preceding clause (C) (the "Period") that the issue of the applicability of Section 1110 to the Aircraft and Lease being disputed by the Company or the Owner Trustee or is subject to judicial determination or pending appeal, provided that such longer period of time shall not extend beyond 6 months after the Period unless there shall not be continuing any default by the Company in the payment of Basic Rent, other than a default as to which the 30-day period referred in, and as extended pursuant to, the preceding clause (B) has not expired (it being understood that if the Owner Trustee or the Owner Participant cures any such default, such cure shall not be considered an exercise of Lessor's cure rights for purposes of determining the number of cures permitted under Section 8.03(e)(i) hereof); or (E) from and after the Company's assumption with the approval of the relevant court of the Lease pursuant to Section 365 of the Bankruptcy Code and so long after such assumption as no Event of Default shall have occurred and be continuing that relates to the performance of the Lease (other than an Event of Default set forth in Section 14(g), (h) or (i) of the Lease), and other than a default as to which the 30-day period referred to in, and as extended pursuant to, the preceding clause (B) has not expired; provided, however, that if such assumption is in connection with an assignment of the Company's interest in the Lease pursuant to Section 365(f) of the Bankruptcy Code, this clause (E) shall have no effect unless the Loan Trustee has agreed that it has received adequate assurance of future performance as set forth in Section 365(f)(2)(B) of the Bankruptcy Code or (F) for so long as the Lessee retains possession of the Aircraft, the Airframe or any Engine even though such retention of possession is not attributable to the Lessee being in compliance with the provisions of Section 1110 of the Bankruptcy Code and the Loan Trustee agrees to (without the consent of the Owner Trustee and despite the ability of the Owner Trustee, or the Loan Trustee as the assignee of the Owner Trustee's rights, under applicable law, to repossess the Aircraft, Airframe or Engine) such retention of possession of the Aircraft,

Airframe or Engine. For the avoidance of doubt, it is expressly understood and agreed that, subject to the immediately preceding sentence, the above-described inability of the Loan Trustee to exercise any right or remedy under the Lease shall in no event and under no circumstances prevent the Loan Trustee from exercising all of its rights, powers and remedies under this Agreement, including, without limitation, this Article 8. References in this subsection (iii) to particular sections of the Bankruptcy Code as in effect on the date of the amendment and restatement of this Indenture shall include any substantially similar successor provisions.

(f) The Owner Trustee and the Loan Trustee acknowledge and agree that, notwithstanding any provision of this Agreement to the contrary, including, without limitation, the Granting Clause, Section 4.01 and Article 8, as long as no Lease Event of Default shall have occurred and be continuing, neither the Loan Trustee nor the Owner Trustee shall take any action contrary to, or disturb the Company's rights under, the Lease, including, without limitation, (x) the right to receive all monies due and payable to it in accordance with the provisions of the Lease and (y) the Company's rights to possession and use of, and to quiet enjoyment of, the Aircraft.

(g) Each and every right, power and remedy herein given to the Loan Trustee specifically or otherwise in this Agreement shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often in such order as may be deemed expedient by the Loan Trustee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Loan Trustee in the exercise of any right, remedy or power or in pursuing any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Owner Trustee or the Company or to be an acquiescence therein.

(h) Notwithstanding anything contained herein, so long as the Pass Through Trustee is the registered holder of any Equipment Note hereunder, the Loan Trustee is not authorized or empowered to acquire title to all or any portion of

the Indenture Estate (including the property subject to the Lien of this Indenture) or take any action with respect to all or any portion of the Indenture Estate (including the property subject to the Lien of this Indenture) so acquired by it if such acquisition or action would cause any Pass Through Trust to fail to qualify as a "grantor trust" for federal income tax purposes.

Section 8.04. Waiver of Owner Trustee. A delay or omission by the Loan Trustee or any Loan Participant in exercising any right or remedy accruing upon an Indenture Event of Default under this Agreement shall not impair the right or remedy or constitute a waiver of or acquiescence in such Indenture Event of Default.

Section 8.05. Waiver of Existing Defaults. The Loan Participants owning a majority in aggregate principal amount of the Outstanding Equipment Notes by notice to the Loan Trustee may waive on behalf of the Loan Participants an existing Indenture Default or Indenture Event of Default and its consequences except (i) an Indenture Default or Indenture Event of Default in the payment of the principal of, or interest on, any Equipment Note or (ii) in respect of a covenant or provision hereof that pursuant to Section 11.02 cannot be amended or modified without the consent of each Loan Participant affected thereby.

Section 8.06. Control by Majority. Loan Participants owning a majority in aggregate unpaid principal amount of the Outstanding Equipment Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Loan Trustee or exercising any trust or power conferred on it by this Agreement. However, the Loan Trustee may refuse to follow any direction that conflicts with law, the Lease or this Agreement, that is unduly prejudicial to the rights of the Loan Participants so affected, or that would subject the Loan Trustee to personal liability.

Section 8.07. Limitation on Suits by Loan Participants. A Loan Participant may pursue a remedy under this Agreement or under an Equipment Note only if:

(1) the Loan Participant gives to the Loan Trustee written notice of a continuing Indenture Event of Default under this Agreement;

(2) Loan Participants owning at least 25% in aggregate principal amount of the outstanding Equipment

Notes make a written request to the Loan Trustee to pursue the remedy;

(3) such Loan Participant or Loan Participants offer to the Loan Trustee indemnity satisfactory to the Loan Trustee against any loss, liability or expense to be, or which may be, incurred by the Loan Trustee in pursuing the remedy;

(4) the Loan Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and

(5) during such 60-day period, Loan Participants owning a majority in aggregate principal amount of the Outstanding Equipment Notes do not give the Loan Trustee a direction inconsistent with the request.

A Loan Participant may not use this Agreement to prejudice the rights of another Loan Participant or to obtain a preference or priority over another Loan Participant.

Section 8.08. Rights of Loan Participants to Receive Payment.

Notwithstanding any other provision of this Agreement, the right of any Loan Participant to receive payment of principal of, and Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, and interest on an Equipment Note on or after the respective due dates expressed in such Equipment Note, to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Loan Participant.

(c) The Loan Trustee may act through agents and shall not be responsible for the misconduct or negligence of any such agent appointed with due care; provided that, so long as no Lease Event of Default shall have occurred and be continuing, no such agents shall be appointed by the Loan Trustee without the consent of the Company and the Owner Trustee, which consent shall, in each case, not be unreasonably withheld.

(d) The Loan Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers.

(e) The Loan Trustee may refuse to perform any duty or exercise any right or power unless it receives indemnity satisfactory to it against any loss, liability or expense.

(f) Subject to the provisions of Section 9.03, the Loan Trustee shall not be liable for interest on any money received by it except as the Loan Trustee may otherwise agree in writing with the Company. Money held in trust by the Loan Trustee need not be segregated from other funds except to the extent required by law.

(g) If an Indenture Event of Default under this Agreement has occurred and is continuing, the Loan Trustee shall exercise its rights and powers under this Agreement, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(h) Except during the continuance of an Indenture Event of Default:

(2) In the absence of bad faith on its part, the Loan Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Loan Trustee and conforming to the requirements of this Agreement. However, the Loan Trustee shall examine the certificates and opinions to determine whether they conform to the requirements of this Agreement.

(i) The Loan Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) This paragraph does not limit the effect of paragraph (h) of this Section.

(2) The Loan Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or officers, unless it shall be proved that the Loan Trustee was negligent in ascertaining the pertinent facts.

(3) The Loan Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with the direction received by it pursuant to Section 8.06.

(j) Every provision of this Agreement that in any way relates to the Loan Trustee is subject to paragraphs (g), (h) and (i) of this Section.

Section 9.02. Individual Rights of Loan Trustee. The Loan Trustee in its individual or any other capacity may become the owner or pledgee of Equipment Notes and may otherwise deal with the Owner Trustee, the Company or an Affiliate of the Owner Trustee or the Company or a subsidiary of the Owner Trustee or the Company with the same rights it would have if it were not the Loan Trustee. Any Agent may do the same with like rights.

Section 9.03. Funds May Be Held by Loan Trustee or Paying Agent; Investments. (a) Subject to paragraph (b) below, any monies (including for the purpose of this subsection 9.03 any cash deposited with the Loan Trustee or Permitted Investments purchased by the use of such cash pursuant to this subsection 9.03 or any cash constituting the proceeds of the maturity, sale or other disposition of any Permitted Investment) held by the Loan Trustee or the

Paying Agent hereunder as part of the Indenture Estate, until paid out by the Loan Trustee or the Paying Agent as herein provided, at any time and from time to time, at the request of the Owner Trustee, shall be invested and reinvested in Permitted Investments as specified in such request (if such investments are reasonably available for purchase) and sold, in any case at such prices, including accrued interest or its equivalent, as are set forth in such request, and such Permitted Investments shall be held by the Trustee in trust as part of the Indenture Estate until so sold. Unless otherwise expressly provided in this Agreement, any profit, income, interest, dividend or gain realized upon maturity, sale or other disposition of any such Permitted Investment, net of the Loan Trustee's reasonable fees and expenses in making such Permitted Investment, shall be held and applied by the Loan Trustee in the same manner as the principal amount of such Permitted Investment is to be applied and any loss realized upon maturity, sale or other disposition of any such Permitted Investment shall be charged against the principal amount invested.

(b) Notwithstanding anything to the contrary contained in paragraph (a) above, any amounts held by the Loan Trustee or the Paying Agent hereunder as a part of the Indenture Estate, until paid out by the Loan Trustee or the paying Agent as herein provided, which are either (i) amounts held pursuant to Section 25 of the Lease or (ii) amounts held under Section 6.01(b)(1) in connection with termination of the Lease pursuant to Section 9(a) of the Lease, at any time and from time to time, so long as no Lease Event of Default shall have occurred and be continuing, at the request (given directly by the Company to the Loan Trustee) of the Company acting as the agent of the Owner Trustee, shall be invested and reinvested in Permitted Investments as specified in such request (if such investments are reasonably available for purchase) and sold, in any case at such prices, including accrued interest, or its equivalent, as are set forth in such request, and such Permitted Investments shall be held by the Loan Trustee in trust as a part of the Indenture Estate until so sold; provided that the Company, on behalf of the Owner Trustee, as agent of the Owner Trustee, shall upon demand pay to the Loan Trustee the amount of any loss realized upon maturity, sale or other disposition of any such Permitted Investment and, so long as no Lease Event of Default shall have occurred and be continuing, be entitled to receive from the Loan Trustee, and the Loan Trustee shall promptly pay to the Company, on behalf of the Owner Trustee, any profit, income, interest, dividend or gain realized upon maturity, sale or

other disposition of any such Permitted Investment. If any Lease Event of Default shall have occurred and be continuing, any net income, profit, interest, dividend or gain realized upon maturity, sale or other disposition of any Permitted Investment made pursuant to this paragraph (b) shall be held as part of the Indenture Estate and shall be applied by the Loan Trustee at the same time, on the same conditions and in the same manner as the amounts in respect of which such income, profit, interest, dividend or gain was realized are required to be distributed in accordance with the provisions hereof or of the Lease pursuant to which such amounts were required to be held.

(c) The Loan Trustee shall not be responsible for any losses on any investments or sales of Permitted Investments made pursuant to the procedure specified in this Section.

Section 9.04. Notice of Defaults. If an Indenture Event of Default under this Agreement occurs and is continuing and if it is actually known to a Responsible officer of the Loan Trustee, the Loan Trustee shall (i) promptly send written notice thereof to the Company, each Bank Lender, the Pass Through Trustee, the Owner Trustee and the Owner Participant and (ii) within 90 days after it occurs, mail to each Loan Participant notice of all uncured Indenture Events of Default under this Agreement. Except in the case of a default in the payment of the principal of, Swap Breakage Losses, if any, or interest on any Equipment Note, the Loan Trustee shall be protected in withholding the notice required under clause (ii) above if and so long as the executive committee or trust committee of directors of the Loan Trustee and/or Responsible Officers thereof in good faith determines that withholding such notice is in the interest of the Loan Participants. In addition, if an Indenture Default occurs and is continuing and if it is actually known to a Responsible Officer of the Loan Trustee, the Loan Trustee shall promptly send written notice thereof to the Company, each Bank Lender, the Pass Through Trustee, the Owner Trustee and the Owner Participant; provided that, with respect to any payment Indenture Default, the Loan Trustee shall send such notice no later than five days after a Responsible Officer of the Loan Trustee obtains actual knowledge thereof.

on compensation of a trustee of an express trust, (ii) reimbursement for all reasonable out-of-pocket expenses incurred by the Loan Trustee in connection with the performance of its duties under this Agreement (including the reasonable compensation and expenses of the Loan Trustee's counsel and any agent appointed in accordance with Section 9.01(c)) and (iii) indemnification against any loss or liability incurred by it arising out of or in connection with its acceptance or administration of the trust or trusts hereunder except (A) as such expenses or loss or liability might result from the negligence or willful misconduct of the Loan Trustee or the inaccuracy of any representation or warranty of the Loan Trustee in its individual capacity in Section 9 of the Refunding Agreement, (B) as otherwise provided in Section 9.09 and (C) as otherwise excluded by the terms of Sections 7(b) and 7(c) of the Participation Agreement from the Company's indemnities under said Sections; provided that, so long as the Lease is in effect, the Loan Trustee shall not make any claim under this Section 9.05 for any claim or expense indemnified against by the Company under the Participation Agreement without first making demand on the Company for payment of such claim or expense. The Loan Trustee shall notify the Owner Trustee and the Company promptly of any claim for which it may seek indemnity. The Owner Trustee shall have the right to defend the claim and the Loan Trustee shall cooperate in the defense. The Loan Trustee may have separate counsel and the Owner Trustee, subject to limitations set forth in the third preceding sentence, shall pay the reasonable fees and expenses of such counsel. The Owner Trustee need not pay for any settlement made without its and the Company's consent. If the Owner Trustee is required to make any payment under this Section 9.05(a), it shall be subrogated to the rights of the Loan Trustee with respect thereto.

(b) To secure the payment obligations of the Owner Trustee pursuant to this Section 9.05, the Loan Trustee shall have a Lien prior to that of the Loan Participants on all money or property held or collected by the Loan Trustee, except that held in trust to pay the principal of, Make-Whole Amount, if any, Swap Breakage Loss, if any, or interest on particular Equipment Notes.

Loan Participants holding a majority in aggregate principal amount of the Outstanding Equipment Notes may remove the Loan Trustee by giving at least 30 days' prior written notice to the Loan Trustee, the Owner Trustee, the Owner Participant and the Company and may appoint a successor Loan Trustee for such Equipment Notes so long as no Indenture Event of Default shall have occurred and be continuing with the Owner Trustee's and the Company's consent. The Owner Trustee (acting pursuant to instructions from the Company) may remove the Loan Trustee if:

(1) the Loan Trustee fails to comply with Section 9.08 hereof (or, as long as State Street Bank and Trust Company of Connecticut, National Association shall be the Loan Trustee, the requirement set forth in Section 9.08 hereof specifically applicable to such institution);

(2) the Loan Trustee is adjudged a bankrupt or an insolvent;

(3) a receiver or public officer takes charge of its property; or

(4) the Loan Trustee becomes incapable of acting.

(c) If the Loan Trustee resigns or is removed, or if a vacancy exists in the office of Loan Trustee for any reason and a new Loan Trustee has not been appointed pursuant to Section 9.06(b), the Owner Trustee shall promptly appoint a successor Loan Trustee.

(d) If a successor Loan Trustee does not take office within 30 days after the retiring Loan Trustee resigns or is removed, the retiring Loan Trustee, the Company, the Owner Trustee or Loan Participants holding a majority in aggregate principal amount of the Outstanding Equipment Notes may petition any court of competent jurisdiction for the appointment of a successor Loan Trustee.

(e) If the Loan Trustee fails to comply with Section 9.08, any Loan Participant may petition any court of competent jurisdiction for the removal of such Loan Trustee and the appointment of a successor Loan Trustee.

(f) A successor Loan Trustee shall deliver a written acceptance of its appointment to the retiring Loan Trustee, to the Company and to the Owner Trustee. Thereupon, the resignation or removal of the retiring Loan

Trustee shall become effective, and the successor Loan Trustee shall have all the rights, powers and duties of the retiring Loan Trustee for which the successor Loan Trustee is to be acting as Loan Trustee under this Agreement. The retiring Loan Trustee shall promptly transfer all property and all books and records relating to the administration of the Indenture Estate held by it as Loan Trustee to the successor Loan Trustee subject to the Lien provided for in Section 9.05. The Owner Trustee shall give notice of each appointment of a successor Loan Trustee if there are Equipment Notes outstanding, by mailing written notice of such event by first-class mail to the Loan Participants.

(g) All provisions of this Section 9.06 except subparagraphs (b)(1) and (e) and the words "subject to the Lien provided for in Section 9.05" in subparagraph (f) shall apply also to any Paying Agent.

Section 9.07. Successor Loan Trustee, Agents by Merger, Etc. Section 40102. If such corporation publishes reports of conditions at least annually, pursuant to law or to the requirements of Federal, State, Territorial or District of Columbia supervising or examining authority, then for the purposes of this Section 9.08, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as

set forth in its most recent report of conditions so published.

In case at any time the Loan Trustee shall cease to be eligible in accordance with the provisions of this Section 9.08, the Loan Trustee shall resign immediately in the manner and with the effect specified in Section 9.06.

Section 9.09. Trustee's Liens. The Loan Trustee in its individual capacity agrees that it will at its own cost and expense promptly take such action as may be necessary to duly discharge and satisfy in full all Liens ("Trustee's Liens") on the Indenture Estate which are either (i) attributable to the Loan Trustee in its individual capacity and which are unrelated to the transactions contemplated by the Operative Documents, or (ii) attributable to the Loan Trustee as trustee hereunder or in its individual capacity and which arise out of acts or omissions by it which are contrary to the terms of this Agreement.

Section 9.10. Withholding Taxes; Information Reporting. The Loan Trustee shall exclude and withhold from each distribution of principal, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, and interest and other amounts due hereunder or under the Equipment Notes any and all withholding taxes applicable thereto as required by law. The Loan Trustee agrees (i) to act as such withholding agent and, in connection therewith, whenever any present or future taxes or similar charges are required to be withheld with respect to any amounts payable in respect of the Equipment Notes, to withhold such amounts and timely pay the same to the appropriate authority in the name of and on behalf of the Loan Participants, (ii) that it will file any necessary withholding tax returns or statements when due and (iii) that, as promptly as possible after the payment of such amounts, it will deliver to each Loan Participant appropriate documentation showing the payment of such amounts, together with such additional documentary evidence as such Loan Participants may reasonably request from time to time. (2) to evidence the succession of another party as the Owner Trustee in accordance with the terms of the Trust Agreement or to evidence (in accordance with Article 9) the succession of a new trustee hereunder, the removal of the trustee hereunder or the appointment of any co-trustee or co-trustees or any separate or additional trustee or trustees;

(3) to convey, transfer, assign, mortgage or pledge any property to or with the Loan Trustee or to make any other provisions with respect to matters or questions arising hereunder so long as such action shall not adversely affect the interests of the Loan Participants;

(4) to correct or amplify the description of any property at any time subject to the Lien of this Agreement or better to assure, convey and confirm unto the Loan Trustee any property subject or required to be subject to the Lien of this Agreement or to subject to the Lien of this Agreement the Airframe or Engines or airframe or engines substituted for the Airframe or Engines in accordance herewith or with the Lease; provided that Trust Agreement and Indenture Supplements entered into for the purpose of subjecting to the Lien of this Agreement the Airframe or Engines in accordance with the Lease need only be executed by the Owner Trustee;

(5) to add to the covenants of the Owner Trustee for the benefit of the Loan Participants, or to sur-

render any rights or power herein conferred upon the Owner Trustee, the Owner Participant or the Company;

(6) to add to the rights of the Loan Participants;

(7) to provide for the assumption by the Company of the obligations of the Owner Trustee hereunder in accordance with the terms and conditions applicable thereto specified in Section 7.03 hereof, including, without limitation, such amendments to Exhibit D hereof as may be necessary or desirable in order to effectuate such assumption and accomplish the purposes thereof; or

(8) to include on the Equipment Notes any legend as may be required by law.

Section 11.02. Amendments to This Agreement with Consent of Loan Participants. (a) With the written consent of Loan Participants owning a majority of the aggregate principal amount of the Outstanding Equipment Notes, the Owner Trustee and the Loan Trustee may enter into such supplemental agreements to add any provisions to or to change or eliminate any provisions of this Agreement or of any such supplemental agreements or to modify the rights of the Loan Participants; provided, however, that, without the consent of each Loan Participant affected thereby, an amendment under this Section 11.02 may not:

(1) reduce the principal amount of, any Installment Payment Amount payable with respect to, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, or interest on, any Equipment Note; or

(2) change the date on which any principal of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, or interest on any Equipment Note, is due or payable; or

(3) create any Lien on the Indenture Estate prior to or pari passu with the Lien thereon under this Agreement except such as are permitted by this Agreement, or deprive any Loan Participant of all or any part of the benefit of the Lien on the Indenture Estate created by this Agreement; or

(4) reduce the percentage in principal amount of the Outstanding Equipment Notes, the consent of whose holders is required for any such supplemental agree-

ment, or the consent of whose holders is required for any waiver (of compliance with certain provisions of this Agreement or of certain defaults hereunder or their consequences) provided for in this Agreement; or

(5) make any change in Section 8.05, 8.08 or this Section 11.02(a); or

(6) change the definition of "Indenture Estate" or the amounts secured thereby.

(b) It is not necessary under this Section 11.02 for the Loan Participants to consent to the particular form of any proposed supplemental agreement, but it is sufficient if they consent to the substance thereof.

(c) Promptly after the execution by the Owner Trustee, the Company and the Loan Trustee of any supplemental agreement pursuant to the provisions of this Section 11.02, the Owner Trustee shall transmit by first-class mail a notice, setting forth in general terms the substance of such supplemental agreement, to all Loan Participants, as the names and addresses of such Loan Participants appear on the Register. Any failure of the Owner Trustee to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental agreement.

Section 11.03. Revocation and Effect of Consents. The Owner Trustee may at its option by delivery of an Officers' Certificate to the Loan Trustee set a record date to determine the Loan Participants entitled to give any consent, request, demand, authorization, direction, notice, waiver or other act. Such record date shall be the record date specified in such Officers' Certificate which shall be a date not more than 30 days prior to the first solicitation of Loan Participants in connection therewith. If such a record date is fixed, such consent, request, demand, authorization, direction, notice, waiver or other act may be given before or after such record date, but only the Loan Participants of record at the close of business on such record date shall be deemed to be Loan Participants for the purposes of determining whether Loan Participants holding the requisite proportion of Outstanding Equipment Notes have authorized or agreed or consented to such consent, request, demand, authorization, direction, notice, waiver or other act, and for that purpose the Outstanding Equipment Notes shall be computed as of such record date; provided that no such consent, request, demand, authorization, direction,

notice, waiver or other act by the Loan Participants on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Agreement not later than one year after the record date.

Section 11.04. Notation on or Exchange of Equipment Notes. The Loan Trustee may place an appropriate notation about an amendment or waiver on any Equipment Note thereafter executed. The Loan Trustee in exchange for such Equipment Notes may execute new Equipment Notes that reflect the amendment or waiver.

Section 11.05. Loan Trustee Protected. The Loan Trustee need not sign any supplemental agreement that adversely affects its rights, duties, immunities or indemnities.

Section 11.06. Amendments, Waivers, Etc. of Other Operative Documents.  
(a) Without the consent of the Loan Participants holding a majority in principal amount of Outstanding Equipment Notes, the respective parties to the Participation Agreement, the Lease, the Trust Agreement and the Purchase Agreement Assignment may not modify, amend or supplement any of said agreements, or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or modifying in any manner the rights of the respective parties thereunder; provided, however, that the actions specified in subsection (b) of this Section 11.06 may be taken without the consent of the Loan Trustee or any Loan Participant.

(b) Subject to the provisions of subsection (c) of this Section 11.06, the respective parties to the Participation Agreement, the Lease and the Trust Agreement, at any time and from time to time without the consent of the Loan Trustee or of any Loan Participant, may:

(1) so long as no Indenture Event of Default shall have occurred and be continuing, modify, amend or supplement the Lease, or give any consent, waiver, authorization or approval with respect thereto, except that without compliance with subsection (a) of this Section 11.06 the parties to the Lease shall not modify, amend or supplement, or give any consent, waiver, authorization or approval for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder,

with respect to the following provisions of the Lease as in effect on the Refunding Date: Section 2, Section 3(a) (if the result thereof would be to shorten the Term of the Lease to a period shorter than the period ending with the latest Maturity Date of any Equipment Notes), Section 3(b), Section 3(c) (except to the extent such Section relates to amounts payable (whether directly or pursuant to the Indenture) to Persons other than the Loan Participants and the Loan Trustee in its individual capacity), Section 3(d) (except insofar as it relates to the address or account information of the Owner Trustee or the Loan Trustee) (other than as such Sections 3(a) through 3(d) may be amended pursuant to Section 3(e) of the Lease in effect on the Refunding Date), Section 4, Section 6, Section 9 (except that further restrictions may be imposed on the ability of the Company to terminate the Lease with respect to the Aircraft or an Engine), Section 10 (except that additional requirements may be imposed on the Company), Section 11 (except for Section 11(d) and except that additional insurance requirements may be imposed on the Company), Section 12 (except in order to increase the Company's liabilities or enhance the Lessor's rights thereunder), Section 13 (except in the case of an assignment by the Lessor in circumstances where the Aircraft shall remain registrable under the Federal Aviation Act), Section 14 (except to impose additional or more stringent Lease Events of Default), Section 15 (except to impose additional remedies), Section 16, Section 17 (except to impose additional requirements on the Company), Section 19, Section 22, Section 25 and any definition of terms used in the Lease, to the extent that any modification of such definition would result in a modification of the Lease not permitted pursuant to this subsection (b); provided that, in the event an Indenture Event of Default shall have occurred and be continuing, the Loan Trustee shall have all rights of the Owner Trustee as "Lessor" under the Lease to modify, amend or supplement the Lease or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the "Lessor" thereunder; provided further that, without the prior consent of the Owner Trustee, and whether or not an Indenture Event of Default shall have occurred and be continuing, no such action shall be taken with respect to any of the provisions of Sections 1 (to the extent any modification of a

definition contained therein would result in a modification of the Lease not permitted by this proviso), 3, 5, 6 (to the extent such action would reduce the Company's obligations), 7, 8, 9, 10, 11 (except to increase the amounts or types of insurance the Company must provide thereunder at its expense), 12, 13, 14, 15, 17 (insofar as it relates to the Lessor), 19, 20 and 28 of the Lease, or any other section of the Lease to the extent such action shall affect the amount or timing of any amounts payable by the Company under the Lease as originally executed (or as subsequently modified with the consent of the Owner Trustee) which, absent the occurrence and continuance of an Indenture Event of Default, would be distributable to the Owner Trustee under Article 3 or otherwise materially and adversely affects the rights of the Owner Trustee or the Owner Participant; and provided further that the parties to the Lease may take any such action without the consent of the Loan Trustee or any Loan Participant to the extent such action relates to the payment of amounts constituting, or the Owner Trustee's, the Owner Participant's or the Company's rights or obligations with respect to, Excepted Property;

(2) modify, amend or supplement the Trust Agreement, or give any consent, waiver, authorization or approval with respect thereto, in each case only to the extent any such action shall not adversely impact the interests of the Loan Participants;

(3) modify, amend or supplement the Participation Agreement, or give any consent, waiver, authorization or approval with respect thereto, except that without the consent of the Loan Participants holding a majority in principal amount of Outstanding Pass Through Equipment Notes, the parties to the Participation Agreement shall not modify, amend or supplement, or give any consent, waiver, authorization or approval for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder, with respect to the following provisions of the Participation Agreement as in effect on the Refunding Date: Section 7 (insofar as such Section 7 relates to the Loan Trustee, the Indenture Estate and the Loan Participants holding the Pass Through Equipment Notes), Section 8, Sections 9(b) through 9(d), Section 10, Section 13, Section 16(b)

and, to the extent the Loan Participants holding the Pass Through Equipment Notes would be adversely affected thereby, Section 16(c) and Section 17 and any definition of terms used in the Participation Agreement, to the extent that any modification of such definition would result in a modification of the Participation Agreement not permitted pursuant to this subsection (b);

(4) modify, amend or supplement any of said agreements in order to cure any ambiguity, to correct or supplement any provisions thereof which may be defective or inconsistent with any other provision thereof or of any provision of this Indenture, or to make any other provision with respect to matters or questions arising thereunder or under this Agreement which shall not be inconsistent with the provisions of this Agreement, provided the making of any such other provision shall not adversely affect the interests of the Loan Participants unless such provision corrects a mistake or cures an ambiguity; and

(5) any indemnities solely in favor of the Owner Participant or any member of its Related Indemnitee Group may be modified, amended or supplemented in such manner as shall be agreed by the Owner Participant and the Lessee.

(c) No modification, amendment, supplement, consent, waiver, authorization or approval with respect to the Lease or the Participation Agreement, whether effected pursuant to subsection (a) or pursuant to subsection (b) of this Section 11.06 and anything in such subsections or elsewhere in this Agreement to the contrary notwithstanding, shall, without the consent of each Loan Participant affected thereby,

(1) modify, amend or supplement the Lease in such a way as to extend the time of payment of Basic Rent or Supplemental Rent payable in respect of the Make-Whole Amount or Swap Breakage Loss or Stipulated Loss Value or any other amounts payable upon the occurrence of an Event of Loss or Termination Value and any other amounts payable upon termination of the Lease with respect to the Aircraft, payable under, or as provided in, the Lease in effect on the Refunding Date, or reduce the amount of any installment of Basic Rent or Supplemental Rent payable in respect of the Make-Whole Amount or Swap Breakage Loss as in effect on the

Refunding Date so that the same is less than the payment of principal of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, and interest on the Equipment Notes, as the case may be, to be made from such installment of Basic Rent or Supplemental Rent payable in respect of the Make-Whole Amount or Swap Breakage Loss, or reduce the aggregate amount of Stipulated Loss Value or Swap Breakage Loss, or any other amounts payable under, or as provided in the Lease as in effect on the Refunding Date upon the occurrence of an Event of Loss so that the same is less than the accrued interest on and principal as of the Lease Loss Payment Date, and Make-Whole Amount, if any, or Swap Breakage Loss, if any, of the Equipment Notes at the time Outstanding or reduce the amount of Termination Value and any other amounts payable under, or as provided in, the Lease as in effect on the Refunding Date upon termination of the Lease with respect to the Aircraft so that the same is less than the accrued interest on and principal as of the Lease Termination Date and Make-Whole Amount, if any, or Swap Breakage Loss, if any, of Equipment Notes at the time Outstanding, or

(2) modify, amend or supplement the Lease in such a way as to, or consent to any assignment of the Lease or give any consent, waiver, authorization or approval which would, release the Company from its obligations in respect of payment of Basic Rent, Supplemental Rent payable in respect of the Make-Whole Amount or Swap Breakage Loss or Stipulated Loss Value and any other amounts payable upon the occurrence of an Event of Loss, or Termination Value and any other amounts payable upon termination of the Lease with respect to the Aircraft, payable under, or as provided in, the Lease as in effect on the Refunding Date, except for any such assignment pursuant to Section 13(E) of the Participation Agreement, and except as provided in the Lease as in effect on the Refunding Date.

##### ISSUANCE OF EQUIPMENT NOTES AFTER REDEMPTION

Section 14.01. Issuance of Equipment Notes After Redemption. Following a redemption of the Equipment Notes of any Maturity in accordance with Section 6.01(b)(2) or 6.01(b)(3), the Owner Trustee, with the consent of the Company, may issue and sell, and the Loan Trustee shall authenticate and deliver, one or more new series of Equipment Notes in an aggregate principal amount up to the aggregate principal amount of the Equipment Notes then being redeemed and having such terms and provisions (including, without limitation, interest rate, amortization schedule, maturity date and redemption provisions) as the Owner Trustee shall deem appropriate and as shall be approved by the Company; provided that if after such redemption any Equipment Notes remain outstanding, the new series of Equipment Notes:

(i) shall be denominated and payable in United States Dollars and shall not be in a principal amount greater than the Equipment Notes redeemed;

(ii) shall not rank senior in any respect to the Equipment Notes which remain outstanding; and

(iii) shall not have a maturity after or have a weighted average life longer than the Equipment Notes redeemed if any of the Equipment Notes which remain outstanding have a maturity date after or concurrent with the maturity date of the Equipment Notes redeemed; and provided further that prior to authentication of such new series of Equipment Notes the Loan Trustee shall have received (i) written evidence from Standard & Poor's Ratings Group, a division of McGraw-Hill, Inc., and Moody's Investors Service, Inc. to the effect that the issuance of such new series, by itself, would not result in a downgrading of the credit rating (if any) assigned to the Pass Through Certificates then outstanding and (ii) an Opinion of Counsel for the Company reasonably satisfactory to the Loan Trustee to the effect that the protection afforded by Section 1110 of the Bankruptcy Code to the existing Loan Participants would not be adversely affected by the issuance of such new series of Equipment Notes;

provided that such opinion need not be delivered to the extent that the benefits of such Section 1110 are not available to the Loan Participants with respect to the Aircraft immediately prior to such assumption; and provided further that such opinion may contain qualifications of the tenor contained in the opinion of Debevoise & Plimpton delivered pursuant to Section 3(k) of the Refunding Agreement on the Refunding Date.

IN WITNESS WHEREOF, the Owner Trustee and the Loan Trustee have caused this Indenture to be duly executed by their respective officers thereunto duly authorized, as of the day and year first above written.

As more fully provided in the Indenture, the Pass Through Equipment Notes are subject to redemption, on not less than 25 nor more than 60 days' notice by mail and under the circumstances set forth in the Indenture, at a redemption price equal to the unpaid principal amount thereof, Make-Whole Amount, if any, plus accrued interest thereon to the Redemption Date.

If an Indenture Event of Default shall occur and be continuing, the unpaid principal amount of the Equipment Notes may be declared due and payable in the manner and with the effect provided in the Indenture. If, and only if, such an event of default constitutes an event of default by the Company under the Lease, the Loan Trustee may declare the Lease to be in default, and may, to the exclusion of the Owner Trustee, exercise one or more of the remedies of the Owner Trustee provided in the Lease.

The right of the Loan Participant to institute action for any remedy under the Indenture, including the enforcement of payment of any amount due hereon, is subject to certain restrictions specified in the Indenture.

The Owner Trustee and the Loan Trustee will be discharged from their respective obligations in respect of the Equipment Notes (except for certain matters, including obligations to register the transfer or exchange of Equipment Notes, replace stolen, lost or mutilated Equipment Notes, maintain paying agencies and hold moneys for payment in trust), and the Loan Trustee may thereupon cause the release of the Indenture Estate from the lien of the Indenture, if (a) the Owner Trustee deposits or causes to be deposited irrevocably with the Loan Trustee, in trust, money or U.S. Government Obligations which through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay principal of, Make Whole Amount or Swap Breakage Loss, if any, as the case may be, and interest on the Outstanding Equipment Notes on the dates such payments are due in accordance with the terms of such Equipment Notes and (b) certain other conditions are satisfied, including the publication by the United States Internal Revenue Service of a ruling to the effect that the deposit and related defeasance would not cause the Loan Participants to recognize income, gain or loss for Federal income tax purposes.

As provided in the Indenture and subject to certain limitations therein set forth, this Pass Through Equipment Note is transferable, and upon surrender of this Pass

Through Equipment Note for registration of transfer at the principal corporate trust office of the Registrar, or at the office or agency maintained for such purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by, the Loan Participant or its attorney duly authorized in writing, one or more new Pass Through Equipment Notes of the same maturity and type and of authorized denominations and for the same aggregate principal amount will be issued to the designated transferee or transferees.

THIS PASS THROUGH EQUIPMENT NOTE HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED. NO REGISTRATION OF A TRANSFER OF THIS PASS THROUGH EQUIPMENT NOTE WILL BE MADE UNLESS SUCH TRANSFER IS MADE IN CONNECTION WITH AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT OR SUCH ACT DOES NOT APPLY.

The Pass Through Equipment Notes are issuable only as registered Equipment Notes. The Pass Through Equipment Notes are issuable in denominations of \$1,000 and integral multiples thereof except that one such Pass Through Equipment Note of each maturity does not need to be an integral multiple of \$1,000. As provided in the Indenture and subject to certain limitations therein set forth, Pass Through Equipment Notes are exchangeable for an equal aggregate principal amount of Pass Through Equipment Notes of the same type, having the same Maturity Date and of any authorized denominations or transferable upon surrender of the Pass Through Equipment Notes to be exchanged or transferred, as requested by the Loan Participant surrendering the same, upon presentation thereof for such purpose at the principal corporate trust office of the Registrar, or at any office or agency maintained for such purpose.

No service charge shall be made for any such registration of transfer or exchange, but the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment for registration of transfer of this Pass Through Equipment Note, the Owner Trustee, the Loan Trustee, the Paying Agent, the Registrar and the Company may deem and treat the person in whose name this Pass Through Equipment Note is registered as the absolute owner hereof for the purpose of receiving payment of the principal of and interest on this Pass Through Equipment Note and for all other purposes whatsoever whether

or not this Pass Through Equipment Note be overdue, and neither the Owner Trustee, the Loan Trustee, the Paying Agent, the Registrar nor the Company shall be affected by notice to the contrary.

AS PROVIDED IN THE INDENTURE, THE INDENTURE AND THIS PASS THROUGH EQUIPMENT NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

tered assigns the principal sum of \_\_\_\_\_ DOLLARS in installments on each Installment Payment Date as set forth on the reverse hereof with the final installment due and payable on the Maturity Date specified above and to pay interest on the original principal amount hereof remaining unpaid from time to time at the rate per annum specified above, from \_\_\_\_\_ or from the most recent date to which interest has been paid or duly provided for on January 2 and July 2 in each year, commencing July 2, 1995, until the principal hereof is paid or made available for payment in full. In the event any amount of principal or interest payable hereunder is not paid when due, to the extent permitted by applicable law, interest shall accrue on such amounts at the Past Due Rate. All computations of interest accruing on this Bank Equipment Note shall be made on the basis of a year of 360 days consisting of twelve 30-day months. All amounts payable by the Owner Trustee hereunder and under the Amended and Restated Trust Indenture and Security Agreement (AA 1995 PTC Series AA), dated as of June 15, 1995 (herein called the "Indenture," the defined terms therein not otherwise defined herein being used herein with the same meanings), by and between the Owner Trustee, and State Street Bank and Trust Company of Connecticut, National Association, as Loan Trustee thereunder, shall be made only from the income and proceeds of the Indenture Estate. Each Loan Participant, by its acceptance of this Bank Equipment Note, agrees that (a) it will look solely to the income and proceeds of the Indenture Estate for payment of such amounts, to the extent available for distribution to the Loan Participant as provided in the Indenture and (b) none of the Owner Participant, the Owner Trustee or the Loan Trustee is or shall be personally liable to the Loan Participant for any amount payable hereunder or under the Indenture or, except as provided in the Indenture in the case of the Loan Trustee and the Owner Trustee, for any liability under the Indenture.

The interest or Installment Payment Amount so payable, and punctually paid or duly provided for, on the applicable Interest Payment Date or Installment Payment Date, as the case may be, will, as provided in the Indenture, be paid to the Person in whose name this Bank Equipment Note (or one or more predecessor Bank Equipment Notes) is registered at the close of business on the Record Date for payment of such interest or Installment Payment Amount, which shall be the fifteenth day (whether or not a Business Day), as the case may be, next preceding such Interest Payment Date or Installment Payment Date, as the case may be. Any such interest or Installment Payment Amount not so

punctually paid or duly provided for shall be payable at the election of the Loan Trustee to the Bank Lender in whose name this Bank Equipment Note is registered in the Register on the date of such payment, all as more fully provided in the Indenture.

Payment of the principal of, Swap Breakage Loss, if any, and interest on this Bank Equipment Note will be made in immediately available funds at the principal corporate trust office of the Loan Trustee, or the office or agency maintained by the Loan Trustee for such purpose, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. The Paying Agent appointed under the Indenture shall remit all such amounts so received by it via wire transfer of immediately available funds to such address and in such manner as each Bank Lender shall have designated in writing to the Paying Agent. The Paying Agent shall cause each payment to the Bank Lender hereof to be made by 4:00 p.m. on the day the Paying Agent receives such payment. In the event the Paying Agent shall fail to make any such payment as provided in the immediately foregoing sentence after its receipt of funds at the place and by the time specified, the Paying Agent, in its individual capacity and not as Paying Agent, has agreed to compensate the Bank Lender holding this Bank Equipment Note for loss of use of such funds.

Promptly following payment of all principal, Swap Breakage Loss, if any, and interest due and owing with respect to this Bank Equipment Note and all other sums due and payable to the Bank Lender in whose name this Bank Equipment Note is registered in the Register under the Indenture, under this Bank Equipment Note, and under the Participation Agreement or Refunding Agreement, the Bank Lender holding this Bank Equipment Note shall surrender this Bank Equipment Note to the Loan Trustee for cancellation.

This Bank Equipment Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose unless this Bank Equipment Note has been executed on behalf of the Owner Trustee by the manual or facsimile signature of an authorized officer of the Owner Trustee, and authenticated by the Loan Trustee by the manual signature of an authorized officer or signatory of the Loan Trustee, in each case as specified in Section 2.02 of the Indenture.

Reference is made to the Participation Agreement, the Refunding Agreement, the Indenture and the other Operative Documents and all supplements and amendments to such documents (copies of which are on file with the Loan Trustee at its principal corporate trust office) for a more complete statement of the terms and provisions of such agreements, including a statement of the properties conveyed, pledged and assigned under the Indenture, the nature and extent of the security under the Indenture, the respective rights and obligations under such agreements of the Owner Trustee, the Company, the Loan Trustee and the Loan Participants, and the terms upon which the Equipment Notes are, and are to be, executed and delivered, as well as for a statement of the terms and conditions of the trust created by the Indenture, to all of which terms and conditions each Bank Lender agrees by its acceptance of this Bank Equipment Note. Each holder hereof, by its acceptance of this Bank Equipment Note, agrees to be bound by and to observe the provisions of the Operative Documents applicable to it.

The final installment of principal of this Bank Equipment Note shall under all circumstances equal the entire principal balance hereof outstanding on the Maturity Date.

As more fully provided in the Indenture, the Equipment Notes are subject to redemption, upon such notice and under the circumstances set forth in the Indenture, at the Redemption Price set forth for such circumstances therein.

If an Indenture Event of Default shall occur and be continuing, the unpaid principal amount of the Equipment Notes may be declared due and payable in the manner and with the effect provided in the Indenture. If, and only if, such an event of default constitutes an event of default by the Company under the Lease, the Loan Trustee may declare the Lease to be in default, and may, to the exclusion of the Owner Trustee, exercise one or more of the remedies of the Owner Trustee provided in the Lease.

The Owner Trustee and the Loan Trustee will be discharged from their respective obligations in respect of the Equipment Notes (except for certain matters, including obligations to register the transfer or exchange of Equipment Notes, replace stolen, lost or mutilated Equipment Notes, maintain paying agencies and hold moneys for payment in trust), and the Loan Trustee may thereupon cause the release of the Indenture Estate from the lien of the Indenture, if (a) the Owner Trustee deposits or causes to be deposited irrevocably with the Loan Trustee, in trust, money or U.S. Government Obligations which through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay principal of, Make-Whole Amount or Swap Breakage Loss, if any, as the case may be, and interest on the Outstanding Equipment Notes on the dates such payments are due in accordance with the terms of such Equipment Notes and (b) certain other conditions are satisfied, including the publication by the United States Internal Revenue Service of a ruling to the effect that the deposit and related defeasance would not cause the Loan Participants to recognize income, gain or loss for Federal income tax purposes.

As provided in the Indenture and in the Refunding Agreement and subject to certain limitations set forth herein and therein (including the limitations set forth in Section 10 of the Refunding Agreement), this Bank Equipment Note is transferable, and upon surrender of this Bank Equipment Note for registration of transfer at the principal corporate trust office of the Registrar, or at the office or agency maintained for such purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by, the Bank Lender or his attorney duly authorized in writing, one or more new Bank Equipment Notes of the same maturity and type and of authorized denominations and for the same aggregate principal amount will be issued to the designated transferee or transferees.

The Bank Equipment Notes are issuable only as registered Equipment Notes. The Bank Equipment Notes are issuable in denominations of not less than \$5,000,000 (or such lesser amount as shall constitute 100% of the aggregate unpaid principal amount of Bank Equipment Notes held by the Bank Lender holding such Bank Equipment Notes). As provided in the Indenture and subject to certain limitations set forth therein and in the Refunding Agreement, Bank Equipment Notes are exchangeable for an equal aggregate principal amount of Bank Equipment Notes of the same type, having the same Maturity Date and of any authorized denominations or transferable upon surrender of the Bank Equipment Notes to be exchanged or transferred, as requested by the Bank Lender surrendering the same, upon presentation thereof for such purpose at the principal corporate trust office of the Registrar, or at any office or agency maintained for such purpose.

No service charge shall be made for any such registration of transfer or exchange, but the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment for registration of transfer of this Bank Equipment Note, the Owner Trustee, the Loan Trustee, the Paying Agent, the Registrar and the Company may deem and treat the Bank Lender in whose name this Bank Equipment Note is registered as the absolute owner hereof for the purpose of receiving payment of the principal of and interest on this Bank Equipment Note and for all other purposes whatsoever whether or not this Bank Equipment Note be overdue, and neither the Owner Trustee, the Loan

For the purposes of this definition, "control" when used with respect to any specified Person means the power to direct the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise, and the terms "controlling" and "controlled" have meanings correlative to the foregoing.

The term Airframe shall include any Replacement Airframe substituted pursuant to Section 10(a) of Article 15 hereof. Except as otherwise set forth herein, at such time as a Replacement Airframe shall be so substituted and the Airframe for which the substitution is made shall be released from the Lien hereunder,

such replaced Airframe shall cease to be an Airframe hereunder.

"Business Day" means any day on which dealings in Dollar deposits are carried out in the London interbank market, other than a Saturday, Sunday or a day on which commercial banks are authorized or required by law, regulation or executive order to be closed in New York, New York, the city and state in which the principal corporate trust office of the Loan Trustee is located or the city and state in which the Loan Trustee disburses funds.

"Delivery Date" means the date of the Lease Supplement covering the Aircraft, which date shall be the date on which the Aircraft was delivered by the Company to, and accepted by, the Owner Trustee under the Purchase Agreement and the Purchase Agreement Assignment and was leased to and accepted by the Company under the Lease.

The following events shall constitute "Indenture Events of Default" under this Indenture (whether any such event shall be voluntary or involuntary or come about or be effected by operation of law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body) and each such Indenture Event of Default shall be deemed to exist and continue so long as, but only as long as, it shall not have been remedied:

(a) the Company shall fail to pay any installment of interest upon any Equipment Note, or the principal of any Equipment Note or of Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, in respect of any Equipment Note, in each case when the same shall be due and payable (whether upon redemption, final maturity, acceleration or otherwise), and, in each case, such failure shall continue for more than 15 days after the same shall have become due and payable; or

(b) the Company shall fail to carry and maintain insurance on or with respect to the Aircraft in accordance with the provisions of Section 11 of Article 15 hereof; provided that, in the case of insurance with respect to which cancellation, change or lapse for nonpayment of premium shall not be effective as to the Loan Trustee, the Bank Lenders or the Pass Through Trustee for 30 days (seven days, or such other period

as may from time to time be customarily obtainable in the industry, in the case of any war risk and allied perils coverage) after receipt of notice by the Loan Trustee of such cancellation, change or lapse, no such failure to carry and maintain insurance shall constitute an Indenture Event of Default hereunder until the earlier of (i) the date such failure shall have continued unremedied for a period of 20 days (five days in the case of any war risk and allied perils coverage) after receipt by the Loan Trustee of the notice of cancellation, change or lapse referred to in Section 11(a)(C) or 11(b)(C) of Article 15 hereof, or (ii) the date such insurance not being in effect as to the Loan Trustee or the Bank Lenders; or

(c) the Company shall operate the Aircraft at a time when public liability insurance required by Section 11(a) of Article 15 hereof shall not be in effect; or

(d) the Company shall fail to perform or observe any covenant or agreement to be performed or observed by it hereunder or under the Participation Agreement and such failure shall continue unremedied for a period of 30 days after written notice thereof has been given by the Loan Trustee; provided that, if such failure is capable of being remedied, so long as the Company is diligently proceeding to remedy such failure, no such failure shall constitute an Event of Default hereunder for a period of up to 365 days; or

(e) any material representation or warranty made by the Company in the Participation Agreement or in the Purchase Agreement (to the extent applicable to the Aircraft) or in any document or certificate furnished by the Company in connection herewith or therewith or pursuant hereto or thereto shall prove to have been incorrect in any material respect at the time made and such incorrectness shall continue to be material and shall continue unremedied for a period of 30 days after written notice thereof has been given by the Loan Trustee; or

(f) the Company shall consent to the appointment of a receiver, trustee or liquidator of itself or of a substantial part of its property or the Company shall admit in writing its inability to pay its debts generally as they come due, or shall make a general assignment for the benefit of creditors; or

(g) the Company shall file a voluntary petition in bankruptcy or a voluntary petition or an answer seeking reorganization in a proceeding under any bankruptcy laws (as now or hereafter in effect) or an answer admitting the material allegations of a petition filed against the Company in any such proceeding, or the Company shall by voluntary petition, answer or consent, seek relief under the provisions of any other now existing or future bankruptcy or other similar law providing for the reorganization or winding up of corporations, or providing for an agreement, composition, extension or adjustment with its creditors; or

(h) an order, judgment, or decree shall be entered by any court of competent jurisdiction appointing, without the consent of the Company, a receiver, trustee or liquidator of the Company or of any substantial part of its property, or sequestering any substantial part of the property of the Company, and any such order, judgment or decree of appointment or sequestration shall remain in force undismitted, unstayed or unvacated for a period of 90 days after the date of entry thereof; or

(i) a petition against the Company in a proceeding under the Federal bankruptcy laws or other insolvency laws, as now or hereafter in effect, shall be filed and shall not be withdrawn or dismissed within 90 days thereafter, or, under the provisions of any law providing for reorganization or winding-up of corporations which may apply to the Company, any court of competent jurisdiction shall assume jurisdiction, custody or control of the Company or of any substantial part of its property and such jurisdiction, custody or control shall remain in force unrelinquished, unstayed or unterminated for a period of 90 days;

provided that, notwithstanding anything to the contrary contained in this Indenture, any failure of the Company to perform or observe any covenant, condition, or agreement herein shall not constitute an Indenture Event of Default if such failure is caused solely by reason of an event referred to in the definition of "Event of Loss", so long as the Company is continuing to comply with the applicable terms of Section 10 of Article 15 hereof.

Section 8.02. Acceleration; Rescission and Annulment. If an Indenture Event of Default occurs and is continuing, the Loan Trustee, by notice to the Company, or the Loan Participants holding at least 25% in aggregate princi-

pal amount of outstanding Equipment Notes by notice to the Company and the Loan Trustee, may declare the principal of all the Equipment Notes to be due and payable. Upon such declaration, the principal of all Equipment Notes, together with accrued interest thereon from the date in respect of which interest was last paid hereunder to the date payment of such principal has been made or duly provided for shall be due and payable immediately, together with Swap Breakage Loss, if any, on the Bank Equipment Notes. At any time after such declaration and prior to the sale or disposition of the Indenture Estate, the Loan Participants in a majority in aggregate principal amount of all of the Outstanding Equipment Notes, by notice to the Loan Trustee and the Company, may rescind such a declaration and thereby annul its consequences if (i) an amount sufficient to pay all principal of, Make-Whole Amount, if any, and Swap Breakage Loss, if any, and interest thereon, at the rate prescribed therefor in such Equipment Note and interest due or past due, if any, in respect of the Outstanding Equipment Notes plus all other amounts payable to the Loan Participants, other than by reason of such acceleration, and all sums due and payable to the Loan Trustee has been deposited with the Loan Trustee, (ii) the rescission would not conflict with any judgment or decree and (iii) all existing Indenture Defaults and Indenture Events of Default under this Indenture have been cured or waived except nonpayment of principal of, Swap Breakage Loss, if any, or interest on the Equipment Notes that has become due solely because of such acceleration. No Make-Whole Amount shall be payable on the Pass Through Equipment Notes as a result of the acceleration of the Equipment Notes.

Section 8.03. Other Remedies Available to Loan Trustee. (a) After an Indenture Event of Default shall have occurred and so long as the same shall be continuing, then and in every such case the Loan Trustee, as trustee of an express trust and as holder of a security interest in the Aircraft or Engines or otherwise, may, at its option, declare this Indenture to be in default by a written notice to the Company; and at any time thereafter, so long as the Company shall not have remedied all outstanding Events of Default, the Loan Trustee may do one or more of the following with respect to all or any part of any Airframe or any Engines as the Loan Trustee in its sole discretion shall elect, to the extent permitted by, and subject to compliance with any mandatory requirements of, applicable law then in effect; provided, however, that, during any period when the Aircraft is subject to the Civil Reserve Air Fleet Program in accordance with the provisions of Section 7(b) of Article 15 hereof and in the possession of the United States

government or an instrumentality or agency thereof, and to the extent that any applicable law or contractual provision covering the Aircraft so requires, the Loan Trustee shall not, on account of any Indenture Event of Default, be entitled to do any of the following in such manner as to limit the Company's control (or any lessee's control, under any lease permitted by the terms of Section 7(b) of Article 15 hereof) of any Airframe or any Engines, unless at least 60 days' (or such lesser period as may then be applicable under the Military Airlift Command Program of the United States Government) prior written notice of default under this Indenture with respect to the Company's obligations hereunder shall have been given by the Loan Trustee by registered or certified mail to the Company (and, if applicable, any such lessee) with a copy addressed to the Contracting Office Representative for the Military Airlift Command of the United States Air Force under any contract with the Company (or any such lessee) relating to the Aircraft:

(i) cause the Company, upon the written demand of the Loan Trustee and at the Company's expense, to return promptly, and the Company shall return promptly, all or such part of any Airframe or any Engine as the Loan Trustee may so demand to the Loan Trustee or its order or the Loan Trustee, at its option, may enter upon the premises where all or any part of such Airframe or any Engine are located and take immediate possession of and remove the same (together with any engine which is not an Engine but which is installed on the Airframe, subject to all of the rights of the owner, lessor, lienor or secured party of such engine; provided that the Airframe with an engine (which is not an Engine) installed thereon may be flown or returned only to a location within the continental United States, and such engine shall be held for the account of any such owner, lessor, lienor or secured party or, if owned by the Company, may, at the option of the Loan Trustee, be exchanged with the Company for an Engine) all without liability accruing to the Loan Trustee for or by reason of such entry or taking of possession or removal, whether for the restoration of damage to property caused by taking or otherwise; or

(ii) sell all or any part of any Airframe and any Engine at public or private sale, whether or not the Loan Trustee shall at the time have possession thereof, as the Loan Trustee may determine, or otherwise dispose of, hold, use, operate, lease to others or keep idle all or any part of such Airframe or such Engine as the Loan Trustee, in its sole discretion, may determine,

all free and clear of any rights of the Company and without any duty to account to the Company with respect to such action or inaction or for any proceeds with respect thereto.

(b) Subject to Section 8.03(e) and Section 8.03(h), if an Indenture Event of Default has occurred and is continuing, the Loan Trustee may, if at the time such action may be lawful and always subject to compliance with any mandatory legal requirements, either with or without taking possession, and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Company once at least thirty days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of the Indenture Estate, or any part thereof, or interest therein, at public auction to the highest bidder, in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Loan Trustee may determine, and at any place (whether or not it be the location of the Indenture Estate or any part thereof) and time designated in the notice above referred to; provided, however, that, notwithstanding any provision herein to the contrary, the Loan Trustee shall not sell any of the Indenture Estate unless a declaration of acceleration has been made pursuant to Section 8.02. Any such sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or for any such adjourned sale or sales, without further notice, and the Loan Trustee and any Loan Participant may bid and become the purchaser at any such sale. The Loan Trustee may exercise such right without possession or production of the Equipment Notes or proof of ownership thereof, and as representative of the Loan Participants may exercise such right without notice to the Loan Participants or including the Loan Participants as parties to any suit or proceeding relating to foreclosure of any property in the Indenture Estate. The Company hereby irrevocably constitutes the Loan Trustee the true and lawful attorney-in-fact of the Company (in the name of the Company or otherwise) for the purpose of effectuating any sale, assignment, transfer or delivery for enforcement of the Lien created under this Indenture, whether pursuant to foreclosure or power of sale or otherwise, to execute and deliver all such bills of sale, assignments and other instruments as the Loan Trustee may consider necessary or appropriate, with full power of substitution, the Company hereby ratifying and confirming all that such attorney or any substitute shall lawfully do by virtue hereof. Nevertheless, if so requested by the Loan Trustee or any purchaser, the Company shall ratify and con-

firm any such sale, assignment, transfer or delivery, by executing and delivering to the Loan Trustee or such purchaser all bills of sale, assignments, releases and such proper instruments to effect such ratification and confirmation as may be designated in any such request.

(c) Subject to Section 8.03(e) and 8.03(h), if an Indenture Event of Default has occurred and is continuing, the Company shall, at the request the Loan Trustee, promptly execute and deliver to the Loan Trustee such instruments of title or other documents as the Loan Trustee may deem necessary or advisable to enable the Loan Trustee or an agent or representative designated by the Loan Trustee, at such time or times and place or places as the Loan Trustee may specify, to obtain possession of all or any part of the Indenture Estate. If the Company shall for any reason fail to execute and deliver such instruments and documents after such request by the Loan Trustee, the Loan Trustee shall be entitled, in a proceeding to which the Company will be a necessary party, to a judgment for specific performance of the covenants contained in the foregoing sentence, conferring upon the Loan Trustee the right to immediate possession and requiring the Company to execute and deliver such instruments and documents to the Loan Trustee. The Loan Trustee shall also be entitled to pursue all or any part of the Indenture Estate wherever it may be found and may enter any of the premises of the Company or any other Person wherever the Indenture Estate may be or is supposed to be and search for the Indenture Estate and take possession of any item of the Indenture Estate pursuant to this Section 8.03(c). The Loan Trustee may, from time to time, at the expense of the Indenture Estate, make all such expenditures for maintenance, insurance, repairs, replacements, alterations, additions and improvements to and of the Indenture Estate, as it may deem proper. In each such case, the Loan Trustee shall have the right to use, operate, store, lease, control or manage the Indenture Estate, and to exercise all rights and powers of the Company relating to the Indenture Estate as the Loan Trustee shall deem appropriate, including the right to enter into any and all such agreements with respect to the use, operation, storage, leasing, control or management of the Indenture Estate or any part thereof; and the Loan Trustee shall be entitled to collect and receive directly all tolls, rents, issues, profits, products, revenues and other income of the Indenture Estate and every part thereof, without prejudice, however, to the right of the Loan Trustee under any provision of this Indenture to collect and receive all cash held by, or required to be deposited with, the Loan Trustee hereunder. In accordance with the terms of this Section 8.03(c), such tolls,

rents, issues, profits, products, revenues and other income shall be applied to pay all expenses of using, operating, storing, leasing, controlling or managing the Indenture Estate, and of all maintenance, insurance, repairs, replacements, alterations, additions and improvements, and to make all payments which the Loan Trustee may be required or may elect to make, if any, for taxes, assessments, insurance or other proper charges upon the Indenture Estate or any part thereof (including the employment of engineers and accountants to examine, inspect and make reports upon the properties and books and records of the Company in accordance with this Section 8.03(c)), and all other payments which the Loan Trustee may be required or authorized to make under any provision of this Indenture, including this Section 8.03(c), as well as just and reasonable compensation for the services of the Loan Trustee, and of all Persons properly engaged and employed by the Loan Trustee.

If an Indenture Event of Default occurs and is continuing and the Loan Trustee shall have obtained possession of or title to the Aircraft, the Loan Trustee shall not be obligated to use or operate the Aircraft or cause the Aircraft to be used or operated directly or indirectly by itself or through agents or other representatives or to lease, license or otherwise permit or provide for the use or operation of the Aircraft by any other Person unless (i) the Loan Trustee shall have been able to obtain insurance in kinds, at rates and in amounts satisfactory to it in its discretion to protect the Indenture Estate and the Loan Trustee, as trustee and individually, against any and all liability for loss or damage to the Aircraft and for public liability and property damage resulting from use or operation of the Aircraft and (ii) funds are available in the Indenture Estate to pay for all such insurance or, in lieu of such insurance, the Loan Trustee is furnished with indemnification from the holders of the Equipment Notes or any other Person upon terms and in amounts satisfactory to the Loan Trustee in its discretion to protect the Indenture Estate and the Loan Trustee, as trustee and individually, against any and all such liabilities.

(d) Subject to Section 8.03(e) and 8.03(h), the Loan Trustee may proceed to protect and enforce this Indenture and the Equipment Notes by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted; or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Indenture Estate or any part thereof, or for the recovery in judgment for the

indebtedness secured by the Lien created under this Indenture or for the enforcement of any other proper, legal or equitable remedy available under applicable law.

(e) Notwithstanding any provision of this Indenture to the contrary, including, without limitation, Sections 8.03(b), 8.03(c) and 8.03(d), so long as no Indenture Event of Default shall have occurred and be continuing, the Loan Trustee shall not take any action contrary to, or disturb, the Company's rights to possession and use of, and quiet enjoyment of, the Aircraft.

(f) Each and every right, power and remedy herein given to the Loan Trustee specifically or otherwise in this Indenture shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often in such order as may be deemed expedient by the Loan Trustee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Loan Trustee in the exercise of any right, remedy or power or in pursuing any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Company or to be an acquiescence therein.

(g) Notwithstanding any provision hereof, if any payment of principal of any Equipment Note shall not be made when and as the same shall become due and payable, or if any payment of interest on any Equipment Note shall not be made when and as the same shall become due and payable, and such failure shall continue for the period prescribed in Section 8.01(a), the Loan Trustee shall be entitled to recover judgment, in its own name and as trustee of an express trust, upon the Equipment Note for the whole amount of such principal or interest, as the case may be, remaining unpaid.

(h) Notwithstanding anything contained herein, so long as the Pass Through Trustee is the registered holder of any Equipment Note hereunder, the Loan Trustee is not authorized or empowered to acquire title to all or any portion of the Indenture Estate or take any action with respect to all or any portion of the Indenture Estate so acquired by it if such acquisition or action would cause any Pass Through Trust to fail to qualify as a "grantor trust" for Federal income tax purposes.

Section 8.04. Waiver of Company. To the extent now or at any time hereafter enforceable under applicable law, the Company covenants that it will not at any time insist upon or plead, or in any manner whatsoever claim or take any benefit or advantage of, any stay or extension law now or at any time hereafter in force, nor claim, take nor insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Indenture Estate or any part thereof, prior to any sale or sales thereof to be made pursuant to any provision herein contained, or to the decree, judgment or order of any court of competent jurisdiction; nor, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or otherwise to redeem the property so sold or any part thereof, and hereby expressly waives for itself and on behalf of each and every Person, except decree or judgment creditors of the Company acquiring any interest in or title to the Indenture Estate or any part thereof subsequent to the date of this Indenture, all benefit and advantage of any such law or laws, and covenants that it will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any power herein granted and delegated to the Loan Trustee, but will suffer and permit the execution of every such power as though no such law or laws had been made or enacted.

The Loan Trustee may maintain such a proceeding even if it does not possess any of the Equipment Notes or does not produce any of them in the proceeding. A delay or omission by the Loan Trustee or any Loan Participant in exercising any right or remedy accruing upon an Indenture Event of Default under this Indenture shall not impair the right or remedy or constitute a waiver of or acquiescence in such Indenture Event of Default.

(I) Section 9.11 thereof shall read as follows:

Section 9.11. Assumption of Certain Obligations. Notwithstanding any provision to the contrary contained herein, any reference in this Article 9 to the Owner Trustee or to any obligation of the Owner Trustee shall be deemed to be a reference to the Company or to an obligation of the Company, as the case may be, any reference to "Lease Event of Default" shall be deemed to be a reference to an "Indenture Event of Default," all provisions requiring notices to the Owner Trustee or the Owner Participant shall be deemed to be deleted for the purposes of this Article 9 and any provision in this Article 9 requiring the action or consent

of the Owner Trustee shall be deemed to require the action or approval of the Company.

(J) Sections 10.01 and 10.04 thereof shall read as follows:

Section 10.01. Satisfaction and Discharge of Agreement; Defeasance; Termination of Obligations. Subject to Section 10.02, this Indenture shall cease to be of further effect, and the Company and the Loan Trustee shall be deemed to have been discharged from their respective obligations with respect to the Equipment Notes (and the Loan Trustee, on demand and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture in respect of the Equipment Notes), when

(a) (i) all Equipment Notes theretofore executed and delivered (other than (A) Equipment Notes which have been mutilated, destroyed, lost or stolen and which have been replaced or exchanged as provided in Section 2.06 and (B) Equipment Notes for the payment of which money held in trust hereunder has been paid and discharged from such trust, as provided in Section 7.01) have been delivered to the Loan Trustee for cancellation; or

(ii) all Equipment Notes not theretofore delivered to the Loan Trustee for cancellation have become due and payable (whether upon stated maturity, as a result of redemption or upon acceleration), or will become due and payable (including as a result of redemption in respect of which irrevocable notice has been given to the Loan Trustee on or prior to the date of the deposit referred to below) at maturity within one year, and there has been deposited with the Loan Trustee in trust for the purpose of paying and discharging the entire indebtedness of the Equipment Notes not theretofore cancelled by the Loan Trustee or delivered to the Loan Trustee for cancellation, an amount in cash sufficient without reinvestment thereof to discharge such indebtedness, including the principal of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, and interest on the Equipment Notes to the date of such deposit (in the case of Equipment Notes which have become due and payable), or to the maturity thereof, as the case may be, plus all other amounts payable to the Loan Participants; or

(iii) (A) the Company has deposited or caused to be deposited irrevocably (except as provided in Section 10.04) with the Loan Trustee as trust funds in trust, specifically pledged as security for, and dedicated solely to, the benefit of the Loan Participants, (1) money in an amount, or (2) U.S. Government Obligations which, through the payment of interest and principal in respect thereof in accordance with their terms, will provide (not later than one Business Day before the due date of any payment referred to below in this clause) money in an amount, or (3) a combination of money and U.S. Government Obligations referred to in the foregoing clause (2), sufficient, in the opinion of a nationally recognized firm of independent certified public accountants expressed in a written certification thereof delivered to the Loan Trustee, to pay and discharge each installment of principal of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case maybe, and interest on the Outstanding Equipment Notes on the dates such payments of principal or interest are due (including as a result of redemption in respect of which irrevocable notice has been given to the Loan Trustee on or prior to the date of such deposit) and no Indenture Event of Default or Indenture Default under any of Sections 8.01(f) through 8.01(i) hereof shall have occurred and be continuing on the date of such deposit or at any time during the period ending on the 91st day after such date; provided further that, upon the making of the deposit referred to above in clause (A), the right of the Company to cause the redemption of Equipment Notes (except redemption in respect of which irrevocable notice has theretofore been given) shall terminate;

(B) such deposit will not result in a breach or violation of, or constitute an Indenture Default or Indenture Event of Default under, this Indenture or a default or event of default under any other agreement or instrument to which the Company is a party or by which it is bound; and

(C) the Company has delivered to the Loan Trustee an Officers' Certificate and an Opinion of Counsel to the effect that there has been published by the Internal Revenue Service a ruling to the effect that Loan Participants will not recognize income, gain or loss for Federal income tax purposes as a result of the exercise by the Company of its option under this Section 10.01(a)(iii) and will be subject to Federal income tax on the same amount and in the same manner and

at the same time as would have been the case if such option had not been exercised;

(b) all other amounts then due and payable hereunder have been paid; and

(c) the Company has delivered to the Loan Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for relating to the satisfaction and discharge of this Indenture contemplated by this Section 10.01 have been complied with.

Section 10.04. Monies to Be Returned to the Company. The Loan Trustee and any Paying Agent shall promptly pay or return to the Company upon request of the Company any money or U.S. Government Obligations held by them at any time that are not required for the payment of the amounts described above in Section 10.03 for which money or U.S. Government Obligations have been deposited pursuant to Section 10.01.

(K) Sections 11.01, 11.02 and 11.06 thereof shall read as follows:

Section 11.01. Amendments to This Agreement Without Consent of Loan Participants. The Company and the Loan Trustee may enter into one or more agreements supplemental hereto without the consent of any Loan Participant for any of the following purposes:

(1) (a) to cure any defect or inconsistency herein or in the Equipment Notes or to make any change not inconsistent with the provisions hereof (provided that such change does not adversely affect the interests of any Loan Participant) or (b) to cure any ambiguity or correct any mistake;

(2) to evidence the succession of another corporation to the Company, or to evidence (in accordance with Article 9) the succession of a new trustee hereunder, the removal of the trustee hereunder or the appointment of any co-trustee or co-trustees or any separate or additional trustee or trustees;

(3) to convey, transfer, assign, mortgage or pledge any property to or with the Loan Trustee or to make any other provisions with respect to matters or questions arising hereunder so long as such action

shall not adversely affect the interests of the Loan Participants;

(4) to correct or amplify the description of any property at any time subject to the Lien of this Indenture or better to assure, convey and confirm unto the Loan Trustee any property subject or required to be subject to the Lien of this Indenture or to subject to the Lien of this Indenture the Airframe or Engines or airframe or engines substituted for the Airframe or Engines in accordance herewith;

(5) to add to the covenants of the Company, for the benefit of the Loan Participants, or to surrender any rights or power herein conferred upon the Company;

(6) to add to the rights of the Loan Participants; or

(7) to include on the Equipment Notes any legend as may be required by law.

Section 11.02. Amendments to This Indenture with Consent of Loan Participants. (a) With the written consent of the Loan Participants holding a majority of the aggregate principal amount of the Outstanding Equipment Notes, the Company and the Loan Trustee may enter into such supplemental agreements to add any provisions to or to change or eliminate any provisions of this Indenture or of any such supplemental agreements or to modify the rights of the Loan Participants; provided, however, that without the consent of each Loan Participant affected thereby, an amendment under this Section 11.02 may not:

(1) reduce the principal amount of, any Installment Payment Amount payable with respect to, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, or interest on, any Equipment Note; or

(2) change the date on which any principal amount of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, or interest on, any Equipment Note is due or payable; or

(3) create any Lien on the Indenture Estate prior to or pari passu with the Lien thereon under this Indenture except such as are permitted by this Indenture, or deprive any Loan Participant all or any part of the benefit of the Lien on the Indenture Estate created by this Indenture; or

(4) reduce the percentage in principal amount of the Outstanding Equipment Notes, the consent of whose holders is required for any such supplemental agreement, or the consent of whose holders are required for any waiver (of compliance with certain provisions of this Indenture or of certain defaults hereunder or their consequences) provided for in this Indenture; or

(5) make any change in Section 8.05 or 8.08 or this Section 11.02(a);  
or

(6) change the definition of "Indenture Estate" or the amounts secured thereby.

(b) It is not necessary under this Section 11.02 for the Loan Participants to consent to the particular form of any proposed supplemental agreement, but it is sufficient if they consent to the substance thereof.

(c) Promptly after the execution by the Company and the Loan Trustee of any supplemental agreement pursuant to the provisions of this Section 11.02, the Company shall transmit by first-class mail a notice, setting forth in general terms the substance of such supplemental agreement, to all Loan Participants, as the names and addresses of such Loan Participants appear on the Register. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental agreement.

Section 11.06. Amendments, Waivers, etc. of Other Operative Documents.

(a) Without the consent of the Loan Participants holding a majority in principal amount of Outstanding Equipment Notes, the parties to the Participation Agreement may not modify, amend or supplement said agreement, or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder; provided, however, that the actions specified in subsection (b) of this Section 11.06 may be taken without the consent of the Loan Trustee or any Loan Participant.

(b) Subject to the provisions of subsection (c) of this Section 11.06, the parties to the Participation Agreement at any time and from time to time without the consent of the Loan Trustee or of any Loan Participant may:

(1) [Intentionally Omitted]

(2) [Intentionally Omitted]

(3) modify, amend or supplement the Participation Agreement, or give any consent, waiver, authorization or approval with respect thereto, except that without the consent of the Loan Participants holding a majority in principal amount of Outstanding Pass Through Equipment Notes, the parties to the Participation Agreement shall not modify, amend or supplement, or give any consent, waiver, authorization or approval for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder, with respect to the following provisions of the Participation Agreement as in effect on the Refunding Date: Section 7 (insofar as such Section 7 relates to the Loan Trustee, the Indenture Estate and the Loan Participants holding the Pass Through Equipment Notes), Section 8, Section 10, Section 13, Section 16(b) and, to the extent the Loan Participants holding the Pass Through Equipment Notes would be adversely affected thereby, Section 16(c) and Section 17 and any definition of terms used in the Participation Agreement, to the extent that any modification of such definition would result in a modification of the Participation Agreement not permitted pursuant to this subsection (b); and

(4) modify, amend or supplement said agreement in order to cure any ambiguity, a correct or supplement any provisions thereof which may be defective or inconsistent with any other provision thereof or of any provision of this Indenture, or to make any other provision with respect to matters or questions arising thereunder or under this Indenture which shall not be inconsistent with the provisions of this Indenture, provided the making of any such other provision shall not adversely affect the interests of the Loan Participants.

(c) [Intentionally Omitted]

(L) Sections 12.01, 12.02 and 12.06 thereof shall read as follows:

#### ARTICLE 13

##### ACTIONS TO BE TAKEN UPON REDEMPTION AND UPON SATISFACTION OF OBLIGATIONS HEREUNDER

Section 13.01. Actions to Be Taken upon Redemption and upon Satisfaction of Obligations Hereunder. Upon any of

(a) an Event of Loss suffered by the Airframe under circumstances where the Company does not exercise its option to substitute a Replacement Airframe therefor pursuant to Section 10(a)(i) of Article 15 hereof, and upon payment to the Loan Trustee of an amount equal

to the Redemption Price as at the Redemption Date of all Outstanding Equipment Notes, or

(b) a redemption of all Outstanding Equipment Notes pursuant to Section 6.02, and upon the payment to the Loan Trustee of an amount equal to the Redemption Price as at the Redemption Date of all Outstanding Equipment Notes, or

(c) satisfaction and discharge, defeasance and termination of the obligations under this Indenture in accordance with Section 10.01 hereof,

the Lien of this Indenture on the Indenture Estate shall terminate (except for the Lien on funds held by the Loan Trustee to pay the Equipment Notes or the Loan Trustee) and the Loan Trustee shall execute such instruments as may be reasonably requested by the Company to evidence such termination.

(N) Article 14 thereof shall read as follows:

#### ARTICLE 14

Section 14.01. Issuance of Equipment Notes After Redemption. Following a redemption of the Equipment Notes of any Maturity in accordance with Section 6.02(b) hereof the Company may issue and sell and the Loan Trustee shall authenticate, one or more new series of Equipment Notes in an aggregate principal amount up to the aggregate principal amount of the Equipment Notes then being redeemed and having such terms and provisions (including, without limitation, interest rate, amortization schedule, maturity date and redemption provisions) as the Company shall deem appropriate; provided that if after such redemption any Equipment Notes remain outstanding the new series of Equipment Notes:

(i) shall be denominated and payable in United States Dollars and shall not be in a principal amount greater than the Equipment Notes redeemed;

(ii) shall not rank senior in any respect to the Equipment Notes which remain outstanding; and

(iii) shall not have a maturity after or have a weighted average life longer than the Equipment Notes redeemed if any of the Equipment Notes remain outstanding have a maturity date after or concurrent with the maturity date of the Equipment Notes redeemed; and

provided further, that prior to authentication and delivery of such new series of Equipment Notes the Loan Trustee shall have received (i) written evidence from Standard & Poor's Rating Group, a division of McGraw-Hill, Inc. and Moody's Investors Service, Inc. to the effect that the issuance of such new series, by itself, would not result in a downgrading of the credit rating assigned to the Pass Through Certificates then outstanding (if any), and (ii) an Opinion of Counsel for the Company reasonably satisfactory to the Loan Trustee to the effect that the protection afforded by Section 1110 of the Bankruptcy Code to the existing Loan Participants would not be adversely affected by the issuance of such new series of Equipment Notes; provided that such opinion need not be delivered to the extent that the benefits of such Section 1110 are not available to the Loan Participants with respect to the Aircraft immediately prior to such Assumption; and provided further, that such opinion may contain qualifications of the tenor contained in the opinion of Debevoise & Plimpton delivered pursuant to Section 3(k) of the Refunding Agreement on the Refunding Date.

(0) The Indenture shall include the following Article 15:

This Article 15 consists of Sections 6, 7, 8, 10, 11, 12, 17, 24, 27, 28, 29 and 30. Sections 1 through 5, 9, 13 through 16, 18 through 23, 25 and 26 are intentionally omitted.

Section 6. Liens. The Company will not directly or indirectly create, incur, assume or suffer to exist any Lien on or with respect to the Airframe or any Engine, title thereto or any interest therein except (i) the respective rights of the Loan Trustee and the Company as herein provided and the Lien created hereunder, and the rights of each Loan Participant, the Loan Trustee and the Pass Through Trust Trustee under this Indenture, the Participation Agreement, the Refunding Agreement and the Pass Through Trust Agreements, (ii) the rights of others under agreements or arrangements to the extent expressly permitted by the terms of Sections 7(b) and 8(b) of this Article, (iii) Loan Participant Liens and Trustee's Liens, (iv) Liens for Taxes either not yet due or being contested in good faith (and for the payment of which adequate reserves have been provided) by appropriate proceedings so long as such proceedings do not involve any material danger of the sale, forfeiture or loss of the Airframe or any Engine or interest therein, (v) materialmen's, mechanics', workmen's, repairmen's, employees' or other like Liens arising in the ordinary course

of business for amounts the payment of which is either not yet delinquent or is being contested in good faith (and for the payment of which adequate reserves have been provided) by appropriate proceedings so long as such proceedings do not involve any material danger of the sale, forfeiture or loss of the Airframe or any Engine or interest therein, (vi) Liens arising out of judgments or awards against the Company with respect to which an appeal or proceeding for review is being prosecuted in good faith and with respect to which there shall have been secured a stay of execution pending such appeal or proceeding for review and (vii) salvage or similar rights of insurers under insurance policies maintained pursuant to Section 11 of this Article. The Company will promptly, at its own expense, take such action as may be necessary duly to discharge (by bonding or otherwise) any such Lien not excepted above if the same shall arise at any time.

Section 7. Registration, Maintenance and Operation; Possession; Insignia. (a) Registration, Maintenance and Operation. The Company, at its own cost and expense, shall:

(i) cause the Aircraft at all times to be duly registered, under the laws of the United States, in the name of the Company, as owner, except as otherwise required by the Federal Aviation Act; provided that the Loan Trustee shall execute and deliver all such documents as the Company shall reasonably request for the purpose of effecting and continuing such registration. Notwithstanding the preceding sentence, but subject always to the terms and conditions set forth in Section 7.02 of this Indenture, the Company may cause the Aircraft to be duly registered under the laws of any jurisdiction in which a lessee pursuant to Section 7(b)(ix) of this Article could be principally based and shall thereafter maintain such registration unless and until changed as provided herein and therein; and the Loan Trustee will cooperate with the company in effecting such foreign registration;

(ii) maintain, service, repair, overhaul and test the Aircraft in accordance with a maintenance program (as approved by the Federal Aviation Administration) for Boeing 767-300 series aircraft (or, at the Company's option, (x) in the event that the Aircraft is re-registered in another jurisdiction pursuant to Section 7(a)(i) of this Article, in accordance with an aircraft maintenance program approved by the central civil aviation authority of the jurisdiction of such

registration or (y) in the event of any lease to a foreign air carrier in accordance with Section 7(b)(ix) of this Article, approved by the central civil aviation authority of one of the jurisdictions specified in clause (y) of such Section 7(b)(ix)) and in the same manner and with the same care used by the Company with respect to comparable aircraft and engines owned or operated by the Company and utilized in similar circumstances so as to keep the Aircraft in as good operating condition as when delivered to the Company by the Manufacturer, ordinary wear and tear excepted, and in such condition as may be necessary to enable the airworthiness certification of the Aircraft to be maintained in good standing at all times (other than during temporary periods of storage in accordance with applicable regulations or during periods of grounding by applicable governmental authorities, except where such periods of grounding are the result of the failure by the Company to maintain the Aircraft as otherwise required herein) under the Federal Aviation Act or, if the Aircraft is registered under the laws of any other jurisdiction, the laws of such jurisdiction and in compliance with all applicable manufacturer's alert service bulletins;

(iii) maintain, in the English language, all records, logs and other materials required by the appropriate authorities in the jurisdiction where the Aircraft is registered to be maintained in respect of the Aircraft; and

(iv) promptly furnish to the Loan Trustee such information as may be required to enable the Loan Trustee to file any reports, returns or statements required to be filed by the Loan Trustee with any governmental authority because of the Loan Trustee's interest in the Aircraft.

The Company agrees that the Aircraft will not be maintained, used or operated in violation of any law or any rule, regulation or order of any government or governmental authority having jurisdiction (domestic or foreign), or in violation of any airworthiness certificate, license or registration relating to the Aircraft issued by any such authority; provided that the Company shall not be in default under this sentence if it is not possible for it to comply with the laws of a jurisdiction other than the United States (or other than any jurisdiction in which the Aircraft is then registered) because of a conflict with the applicable laws of the United States (or such jurisdiction in which the Aircraft is then registered). In the event that any such

law, rule, regulation or order requires alteration of the Aircraft, the Company will conform thereto or obtain conformance therewith at no expense to the Loan Trustee and will maintain the Aircraft in proper operating condition under such laws, rules, regulations and orders; provided, however, that the Company may, in good faith, contest the validity or application of any such law, rule, regulation or order in any reasonable manner which does not materially adversely affect the Loan Trustee, the Aircraft, the Loan Participants or the Lien of this Indenture. The Company also agrees not to operate or locate the Aircraft, or suffer the Aircraft to be operated or located, (i) in any area excluded from coverage by any insurance required by the terms of Section 11 of this Article, except in the case of a requisition for use by any Government where the Company obtains indemnity pursuant to Section 11 of this Article in lieu of such insurance from such Government against the risks and in the amounts required by Section 11 of this Article in lieu of such insurance from such Government against the risks and in the amounts required by Section 11 of this Article covering such area, or (ii) in any war zone or recognized or, in the Company's judgment, threatened area of hostilities unless covered by war risk insurance in accordance with Section 11 of this Article, but only so long as the same remains in effect while the Aircraft is so operated or located, or unless the Aircraft is operated or used under contract with any Government entered into pursuant to Section 11 of this Article, under which contract such Government assumes liability for any damage, loss, destruction or failure to return possession of the Aircraft at the end of the term of such contract or for injury to persons or damage to property of others.

(b) Possession. The Company will not, without the prior written consent of the Loan Trustee, lease or otherwise in any manner deliver, transfer or relinquish possession of the Airframe or any Engine or install any Engine, or permit any Engine to be installed, on any airframe other than the Airframe; provided that, so long as no Indenture Event of Default shall have occurred and be continuing, and so long as the action to be taken shall not deprive the Loan Trustee of the perfected lien of this Indenture on the Airframe or (subject to the subclause (B) of the "provided further" clause to subsection (i) of this Section 7(b)) any Engine, and in any event, so long as the company shall comply with the provisions of Section 11, the Company may, without the prior consent of the Loan Trustee:

(i) subject the Airframe to normal interchange agreements or any Engine to normal interchange or pooling agreements or arrangements in each case customary

in the airline industry and entered into by the Company in the ordinary course of its business with any other United States air carrier as to which there is in force a certificate issued pursuant to Section 401 of the Federal Aviation Act or any successor provision that gives like authority or with any "foreign air carrier" (as such term is defined in such Act) as to which there is in force a permit issued pursuant to Section 402 of said Act (any such United States certificated air carrier and any such foreign air carrier being hereinafter called a "Permitted Air Carrier"); provided that no transfer of the registration of such Airframe shall be effected in connection therewith; and provided, further, that (A) no such agreement or arrangement contemplates or requires the transfer of title to the Airframe and ( B) if the Company's title to any such Engine shall be divested under any such agreement or arrangement, such divestiture shall be deemed to be an Event of Loss with respect to such Engine and the Company shall comply with Section 10(b) of this Article in respect thereof;

(ii) deliver possession of the Airframe or any Engine to the manufacturer thereof for testing or other similar purposes or to any organization for service, repair, maintenance or overhaul work on the Airframe or such Engine or any part thereof or for alterations or modifications in or additions to the Airframe or such Engine to the extent required or permitted by the terms of Section 7(a) or 8(c) of this Article;

(iii) transfer possession of the Airframe or any Engine to the United States of America or any instrumentality or agency thereof pursuant to a sublease, contract or other instrument, a copy of which shall be furnished to the Loan Trustee;

(iv) transfer possession of the Airframe or any Engine to the United State of America or any instrumentality or agency thereof in accordance with applicable laws, rulings, regulations or orders (including, without limitation, the Civil Reserve Air Fleet Program authorized under 10 U.S.C. Section 9511 et seq. or any substantially similar program);

(v) install an Engine on an airframe owned by the Company free and clear of all Liens, except (A) those of the type permitted under clauses (i), (iii), (iv), (v), (vi) and (vii) of Section 6 of this Article and those which apply only to the engines (other than En-

gines), appliances, parts, instruments, appurtenances, accessories, furnishings and other equipment (other than Parts) installed on such airframe (but not to the airframe as an entirety) and (B) the rights of other Permitted Air Carriers under normal interchange agreements which are customary in the airline industry and do not contemplate, permit or require the transfer of title to the airframe or engines installed thereon;

(vi) install an Engine on an airframe leased to the Company or owned by the Company subject to a conditional sale or other security agreement; provided that (A) such airframe is free and clear of all Liens except the right of the parties to the lease or conditional sale or other security agreement covering such airframe and except Liens of the type permitted by clauses (A) and (B) of subparagraph (v) of this paragraph of Section 7(b) of this Article and (B) the Company shall have obtained from the lessor or secured party of such airframe a written agreement (which may be the lease or conditional sale or other security agreement covering such airframe), in form and substance satisfactory to the Loan Trustee (it being understood that an agreement from such lessor or secured party substantially in the form of the final sentence of the penultimate paragraph of this Section 7(b) of this Article shall be deemed to be satisfactory to the Loan Trustee), whereby such lessor or secured party expressly agrees that neither it nor its successors or assigns will acquire or claim any right, title or interest in any Engine by reason of such Engine being installed on such airframe at any time while such Engine is subject to the lien of the Trust Indenture;

(vii) install an Engine on an airframe owned by the Company, leased to the Company or owned by the Company subject to a conditional sale or other security agreement under circumstances where neither subparagraph (v) nor subparagraph (vi) of this Section 7(b) of this Article is applicable; provided that such installation shall be deemed an Event of Loss with respect to such Engine and the Company shall comply with Section 10(b) of this Article in respect thereof, the Loan Trustee not intending hereby to waive any right or interest it may have to or in such Engine under applicable law until compliance by the Company with such Section 10(b) of this Article;

(viii) lease any Engine or the Airframe and Engines or engines then installed on the Airframe to any United States air carrier as to which there is in force a certificate issued pursuant to Section 401 of the Federal Aviation Act or successor provision that gives like authority;

(ix) lease any Engine or the Airframe and Engines or engines then installed on the Airframe to (A) any foreign air carrier that is principally based in and a domiciliary of a country (other than Cuba, El Salvador, Iran, Iraq, Lebanon and Libya) that is at the inception of the lease a party to the Mortgage Convention, or (B) any foreign air carrier that is principally based in and a domiciliary of a country listed in Schedule I hereto, or (C) any foreign air carrier not described in clause (A) or (B) above; provided that (w) in the case only of a lease to a foreign air carrier under clause (C) above, the Loan Trustee receives at the time of such lease an opinion of counsel to the Company (which counsel shall be reasonably satisfactory to the Loan Trustee) to the effect that (a) the terms of the lease and the Operative Documents are legal, valid, binding and enforceable in the country in which such air carrier is principally based, to substantially the same extent as the Operative Documents are at that time enforceable in the United States, (b) it is not necessary for the Loan Trustee to qualify to do business in such country solely as a result of the proposed lease, (c) there is no tort liability of the Loan Trustee as a result of the Lien of this Indenture under the laws of such country other than tort liability no more extensive or onerous than that which might have been imposed on the Loan Trustee under the laws of the United States or any state thereof (it being understood that, in the event such opinion cannot be given in a form satisfactory to the Loan Trustee, such opinion shall be waived if insurance reasonably satisfactory to the Loan Trustee is provided by the Company to cover the risk of such liability), (d) the laws of such country require fair compensation by the government of such country for the loss of the use of the Aircraft in the event of the requisition by such government of the Aircraft (unless the Company shall have agreed to provide insurance reasonably satisfactory to the Loan Trustee covering the risk of requisition of use of the Aircraft by the government of such jurisdiction so long as the aircraft is leased in such country), and (e) there exist no possessory rights in favor of such lessee under the laws of such country which would, upon

bankruptcy of or other default by the Company or the lessee, prevent the return of such Engine or the Airframe and such Engine or engine to the Loan Trustee in accordance with and when permitted by the terms of this Indenture upon the exercise by the Loan Trustee of its remedies under this Indenture (x) in the case only of a lease to a foreign air carrier under clause (C) above, the Loan Trustee receives assurances reasonably satisfactory to it that the currency of such country is freely convertible into U.S. Dollars (unless the Company shall have agreed to provide the requisition insurance described in subclause (d) of clause (w) above), (y) in the case of any lease to a foreign air carrier, either the lease, or an arrangement existing between the Company, the lessee and/or one or more third parties that provide maintenance services, provides that the Aircraft will be maintained, serviced, repaired, overhauled and tested in accordance with maintenance standards for Boeing 767-300 series aircraft approved by, or substantially similar to those approved or required by, the Federal Aviation Administration or the central civil aviation authority of any of Brazil, Canada, France, The Federal Republic of Germany, Italy, Japan, the Netherlands, Sweden, Switzerland or the United Kingdom and (z) in the case of any lease to a foreign air carrier (other than a foreign air carrier principally based in Taiwan) the United States of America maintains diplomatic relations with the country in which such foreign air carrier is principally based at the time such lease is entered into;

provided that the rights of any transferee who receives possession by reason of a transfer permitted by this Section 7(b) (other than the transfer of an Engine which is deemed an Event of Loss) shall be subject and subordinate to, and any lease permitted by this Section 7(b) shall be made expressly subject and subordinate to, all the terms of this Indenture, including, without limitation, the Loan Trustee's rights to repossession pursuant to Article 8 hereof and to avoid such lease upon such repossession and the Loan Trustee's rights to possession pursuant to Section 8.03 of this Indenture, and the Company shall in all events remain primarily liable hereunder for the performance and observance of all of the terms and conditions of this Indenture to the same extent as if such lease or transfer had not occurred, and any such lease shall include appropriate provisions for the maintenance (subject to clause (y) of the proviso to Section 7(b)(ix) of this Article) and insurance of the Aircraft. The Company shall not lease the Air-

craft to an air carrier that at the inception of the lease is subject to bankruptcy, insolvency or other similar proceedings unless the lease shall have been approved by the receiver, liquidator, conservator, court or other governmental or administrative authority or entity responsible for the adjudication or administration of such proceedings. No interchange agreement, pooling agreement, lease or other relinquishment of possession of the Airframe or any Engine shall in any way discharge or diminish any of the Company's obligations to the Loan Trustee hereunder or under the Participation Agreement. With the prior written consent of the Loan Trustee, the Company may sublease the Airframe or Engines in connection with a transaction that involves such a sublease commencing at the inception of the transaction. The Loan Trustee hereby agrees, for the benefit of the lessor or secured party of any airframe leased by the Company or owned by the Company subject to a conditional sale or other security agreement, that the Loan Trustee will not acquire or claim, as against such lessor or secured party, any right, title or interest in any engine or engines owned by the lessor under such lease or subject to a security interest in favor of the secured party under such conditional sale or other security agreement as the result of such engine or engines being installed on the Airframe at any time while such engine or engines are subject to such lease or conditional sale or other security agreement.

The Loan Trustee acknowledges that any "wet lease" or other similar arrangement under which the Company maintains operational control of the Aircraft shall not constitute a delivery, transfer or relinquishment of possession for purposes of this Section 7(b).

(c) Insignia. The Company agrees to at all times maintain in the cockpit of the Airframe adjacent to the airworthiness certificate therein and (if not prevented by applicable law or regulations or by any governmental authority) on each Engine a nameplate bearing the inscription "STATE STREET BANK AND TRUST COMPANY OF CONNECTICUT, NATIONAL ASSOCIATION, AS LOAN TRUSTEE, MORTGAGEE" (such nameplate to be replaced, if necessary, with a nameplate reflecting the name of any successor Loan Trustee).

Section 8. Replacement and Pooling of Parts; Alterations, Modifications and Additions. (a) Replacement of Parts. The Company, at its own cost and expense, will promptly replace all Parts which may from time to time be incorporated or installed in or attached to the Airframe or any Engine and which may from time to time become worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond

repair or rendered permanently unfit for use for any reason whatsoever, except as otherwise provided in Section 8(c) of this Article. In addition, the Company may, at its own cost and expense, remove in the ordinary course of maintenance, service, repair, overhaul or testing, any Parts, whether or not worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or rendered permanently unfit for use; provided that the Company, except as otherwise provided in Section 8(c) of this Article, will, at its own cost and expense, replace such Parts as promptly as possible. All replacement Parts shall be free and clear of all Liens (except for pooling arrangements to the extent permitted by Section 8(b) of this Article and Permitted Liens) and shall be in as good operating condition as, and shall have a value and utility at least equal to, the Parts replaced, assuming such replaced Parts were in the condition and repair required to be maintained by the terms hereof. All Parts at any time removed from the Airframe or any Engine shall remain subject to the Lien of this Indenture, no matter where located, until such time as such Parts shall be replaced by Parts which have been incorporated or installed in or attached to the Airframe or such Engine and which meet the requirements for replacement Parts specified above. Immediately upon any replacement Part becoming incorporated or installed in or attached to the Airframe or any Engine as above provided without further act, (i) title to the replaced Part shall thereupon be free and clear of all rights of the Loan Trustee, and shall no longer be deemed a Part hereunder, (ii) title to such replacement Part shall thereupon be subject to the Lien of this Indenture, free and clear of all Liens (except for Permitted Liens) and (iii) such replacement Part shall become subject to this Indenture and be deemed part of the Airframe or such Engine for all purposes to the same extent as the Parts originally incorporated or installed in or attached to the Airframe or such Engine.

(b) Pooling of Parts. Any Part removed from the Airframe or any Engine as provided in Section 8(a) of this Article may be subjected by the Company to a normal pooling arrangement customary in the airline industry entered into in the ordinary course of the Company's business with Permitted Air Carriers; provided that the Part replacing such removed Part shall be incorporated or installed in or attached to the Airframe or such Engine in accordance with Section 8(a) of this Article as promptly as practicable after the removal of such removed Part. In addition, any replacement Part, when incorporated or installed in or attached to the Airframe or any Engine in accordance with Section 8(a) of this Article, may be owned by a Permitted Air

Carrier subject to such a normal pooling arrangement; provided that the Company, at its expense, as promptly thereafter as is practicable, either (i) causes title to such replacement Part to vest in the Company free and clear of all Liens except Permitted Liens, at which time such replacement Part shall, in accordance with Section 8(a) of this Article, become a Part and become subject to the Lien of this Indenture or (ii) replaces such replacement Part by incorporating or installing in or attaching to the Airframe or such Engine a further replacement Part owned by the Company free and clear of all Liens (other than Permitted Liens), which shall without further act be subject to the Lien of this Indenture.

(c) Alterations, Modifications and Additions. The Company, at its own expense, will make such alterations and modifications in and additions to the Airframe and the Engines as may be required from time to time to meet the standards of the Federal Aviation Administration or other governmental authority having jurisdiction in any country in or over which the Aircraft is flown, provided, however, that the Company may, in good faith, contest the validity or application of any such standard in any reasonable manner which does not materially adversely affect the Loan Trustee or the Lien of this Indenture, but only so long as such proceedings do not involve any material danger of criminal liability or material danger of civil liability to the Loan Trustee, or a material danger of the sale, forfeiture or loss of the Aircraft or any Engine or any interest therein. In addition, the Company, at its own expense, may from time to time make or cause to be made such alterations and modifications in and additions to the Airframe or any Engine as the Company may deem desirable in the proper conduct of its business, including, without limitation, removal of Parts; provided that no such alterations, modification, additional or removal shall materially diminish the value or utility of the Airframe or such Engine or of the Aircraft, or materially impair the condition or airworthiness thereof, below the value, utility, condition and airworthiness thereof immediately prior to such alteration, modification, addition or removal assuming the Airframe or such Engine was then of the value and utility and in the condition and airworthiness required to be maintained by the terms of this Indenture, except that the value (but not the utility, condition or airworthiness) of the Aircraft may be reduced by the value of Parts which the Company deems obsolete or no longer suitable or appropriate for use in the Airframe or any Engine which shall have been removed, if the aggregate value of such obsolete or unsuitable Parts removed from the Aircraft and not replaced shall not exceed \$500,000. All Parts in-

corporated or installed in or attached or added to the Airframe or any Engine as the result of such alteration, modification or addition shall, without further act, be subject to the Lien of this Indenture. Notwithstanding the foregoing, the Company may, at any time, remove any Part; provided that (i) such Part is in addition to, and not in replacement of or substitution for, any Part originally incorporated or installed in or attached to the Airframe or such Engine at the time of delivery thereof under the Lease or hereunder, or any Part in replacement of, or substitution for, any such Part, (ii) such Part is not required to be incorporated or installed in or attached or added to such Airframe or Engine pursuant to the first sentence of this Section 8(c), and (iii) such Part can be removed from the Airframe or such Engine without materially diminishing or impairing the value, utility, condition or airworthiness required to be maintained by the terms of this Indenture had such removal not occurred. Upon the removal by the Company of any Part as provided in the immediately preceding sentence, or the removal of any obsolete or unsuitable part permitted by this Section 8(c), such Part shall no longer be deemed part of the Airframe or the Engine from which it was removed and shall no longer be subject to the Lien of this Indenture. Any such Part not removed by the Company as provided in Section 8(c)(iii) of this Article shall remain subject to the Lien of this Indenture.

Section 10. Loss, Destruction, Requisition, Etc. Event of Loss with Respect to an Airframe. (a) Upon the occurrence of an Event of Loss with respect to the Airframe, the Company shall forthwith (and, in any event, within 30 days after such occurrence) give the Loan Trustee written notice of such Event of Loss and of its election to perform one of the following options (it being agreed that if the Company shall not have given notice of such election within such 30 days after such occurrence, the Company shall be deemed to have elected to perform the option set forth in the following clause (ii)):

i. as promptly as practicable, and in any event on or before the Business Day next preceding the 121st day next following the date of occurrence of such Event of Loss, in replacement for the Airframe, the Company shall convey or cause to be conveyed to the Loan Trustee a security interest in and to one or more Replacement Airframes (together with the same number of Replacement Engines as the Engines, if any, installed on the Airframe at the time such Event of Loss occurred), such Replacement Airframe and Replacement Engines to be duly certificated as airworthy by the

central aviation authority of the jurisdiction of the registry of such Replacement Airframes and Engines, free and clear of all Liens (other than Permitted Liens), to have a value and utility at least equal to, and to be in as good operating condition as, the Airframe and Engines, if any, so replaced (assuming such Airframe and Engines were in the condition and repair required by the terms of this Indenture); provided that, if the Company shall not perform its obligation to effect such replacement under this clause (i) during the period of time provided herein, then the Company shall promptly give notice to the Loan Trustee and shall pay on the Business Day next following the thirtieth day after the end of such period to the Loan Trustee, in U.S. currency, the amounts specified in clause (ii) below; or

ii. on or before the Loss Payment Date (as defined below) the Company shall pay to the Loan Trustee an amount in cash which is sufficient to redeem each Outstanding Equipment Note pursuant to Section 6.01 of the Indenture; provided that the Company may, to the extent provided and in accordance with Section 3.08 hereof, surrender, to the Loan Trustee for cancellation Equipment Notes held by the Company and in such event the Company shall be entitled to a credit against amounts otherwise payable pursuant to this clause (ii). As used herein, "Loss Payment Date" means the earliest of (x) 30 days following the date on which insurance proceeds are received with respect to such Event of Loss, (y) the Business Day next following the 121st day next following the date of occurrence of the Event of Loss and (z) an earlier Business Day irrevocably specified by the Company at least thirty days in advance by notice to the Loan Trustee; provided, however, the Loss Payment Date shall be the date specified in the proviso to clause (i) above if applicable.

Upon compliance by the Company with the requirements of this Section 10(a)(ii), the Loan Trustee shall execute such instruments as may be reasonably requested by the Company releasing the Airframe and Engines from the Lien of this Indenture and releasing the Purchase Agreement and the Purchase Agreement Assignment from the assignment and pledge thereof hereunder.

At the time of or prior to any replacement of the Airframe and such Engines pursuant to Section 10(a)(i) of this Article, if any, the Company, at its own expense, will (A) cause a Trust Agreement and Indenture Supplement, sub-

stantially in the form of Exhibit C hereto for such Replacement Airframe and Replacement Engines, if any, to be delivered to the Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Federal Aviation Act or, if necessary, pursuant to the applicable laws of the jurisdiction other than the United States of America in which such Replacement Aircraft and Replacement Engines, if any, are to be registered in accordance with Section 7(a) of this Article, as the case may be, (B) cause a financing statement or statements with respect to the Replacement Airframe and Replacement Engines, if any, or other requisite documents or instruments, to be filed in such place or places as necessary or advisable in order to perfect the security interest therein created by or pursuant to this Indenture, or, if necessary or advisable, pursuant to the applicable laws of the jurisdiction in which such Replacement Aircraft and Replacement Engines, if any, are to be registered in accordance with Section 7(a) of this Article, as the case may be, (C) furnish the Loan Trustee with a certificate of an independent aircraft engineer or appraiser reasonably satisfactory to the Loan Trustee certifying that the Replacement Airframe and Replacement Engines, if any, have a value and utility at least equal to, and are in as good operating condition as, the Airframe and Engines, if any, so replaced assuming the Airframe and Engines were in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss, (D) furnish the Loan Trustee with (i) such evidence of compliance with the insurance provisions of Section 11 of this Article with respect to such Replacement Airframe and Replacement Engines as the Loan Trustee may reasonably request and (ii) a certificate from a Responsible Officer of the Company certifying that at the time of such replacement, there is no continuing Indenture Event of Default, (E) furnish the Loan Trustee with an opinion of the Company's counsel (which may be the Company's General Counsel) addressed to the Loan Trustee that the substituted property will be subject to the Lien of this Indenture and the Loan Trustee should be entitled to the benefits of Section 1110 of the United States Bankruptcy Code of 1978, as amended, with respect to the Replacement Airframe, provided that (x) such opinion need not be delivered to the extent that the benefits of such Section 1110 were not, by reason of a change in law or governmental interpretation thereof, available to the Loan Trustee with respect to the Aircraft immediately prior to such substitution and (y) such opinion may contain qualifications of the tenor contained in the opinion of Debevoise & Plimpton delivered pursuant to Section 4(J) of the Participation Agreement on the Delivery Date. In the case of each Replacement Airframe and each Replacement En-

gine, if any, in which a security interest has been granted to the Loan Trustee under this Section 10(a), and each Replacement Engine, if any, in which a security interest has been granted to the Loan Trustee under this Section 10(a), promptly upon the recordation of the Trust Agreement and Indenture Supplement covering such Replacement Airframe and Replacement Engines, if any, or such Replacement Engine pursuant to the Federal Aviation Act (or pursuant to the applicable laws of the jurisdiction in which such Replacement Airframe and Replacement Engines, if any, or such Replacement Engine, are registered in accordance with Section 7(a) of this Article), the Company will cause to be delivered to the Loan Trustee a favorable opinion of counsel to the Company as to the due registration of such Replacement Aircraft, the due recordation of such Trust Agreement and Indenture Supplement or other requisite documents or instruments and the validity and perfection of the security interest in the Replacement Airframe, Replacement Engines or Replacement Engine, as the case may be, granted to the Loan Trustee under this Indenture.

For all purposes hereof, upon grant of a security interest therein to the Loan Trustee, each Replacement Aircraft and the Replacement Engines, if any, shall be deemed part of the property secured hereunder; each such Replacement Airframe shall be deemed an "Airframe" as defined herein, and each such Replacement Engine shall be deemed an "Engine" as defined herein. Upon full compliance with the terms of the previous paragraph, the Loan Trustee shall execute and deliver to the Company an appropriate instrument releasing such replaced airframe and engines (if any) installed thereon at the time such Event of Loss occurred from the Lien of this Indenture and releasing the Purchase Agreement and the Purchase Agreement Assignment from the assignment and pledge hereunder.

(b) Event of Loss with Respect to an Engine. Upon the occurrence of an Event of Loss with respect to an Engine under circumstances in which there has not occurred an Event of Loss with respect to the Airframe, the Company shall give the Loan Trustee prompt written notice thereof and shall, within 90 days after the occurrence of such Event of Loss, convey or cause to be conveyed to the Loan Trustee, as replacement for the Engine with respect to which such Event of Loss occurred, a security interest in and to a Replacement Engine free and clear of all Liens (other than Permitted Liens) and having a value and utility at least equal to, and being in as good operating condition as, the Engine with respect to which such Event of Loss occurred, assuming such Engine was of the value and utility and in the

condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss. Prior to or at the time of any such conveyance, the Company, at its own expense, will (i) cause a Trust Agreement and Indenture Supplement substantially in the form of Exhibit C hereto or other requisite documents or instruments for such Replacement Engine to be delivered to the Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Federal Aviation Act or, if necessary, pursuant to the applicable laws of such jurisdiction other than the United States of America in which the Aircraft is or is to be registered in accordance with Section 7(a), as the case may be, (ii) furnish the Loan Trustee with a certificate of an aircraft engineer or appraiser (who may be an employee of the Company) certifying that such Replacement Engine has a value and utility at least equal to, and is in as good operating condition as, the Engine so replaced, assuming such Engine was in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss and (iii) cause a financing statement or statements with respect to the Replacement Engine or other requisite documents or instruments to be filed in such place or places necessary or advisable in order to perfect the security interest in the Replacement Engine created by or pursuant to this Indenture, or, if necessary or advisable, pursuant to the applicable laws of the jurisdiction in which the Aircraft is or is to be registered in accordance with Section 7(a), as the case may be, and (iv) furnish the Loan Trustee with such evidence of compliance with the insurance provisions of Section 11 of this Article with respect to such Replacement Engine as the Loan Trustee may reasonably request, and (v) furnish the Loan Trustee with an opinion of the Company's counsel (which may be the Company's General Counsel) addressed to the Loan Trustee to the effect that such substituted property will be subjected to the Lien of this Indenture. Upon full compliance by the Company with the terms of this paragraph (b), the Loan Trustee will transfer to the Company, without recourse or warranty (except as to the Trustee's Liens), all of Loan Trustee's right, title and interest in and to the Engine with respect to which such Event of Loss occurred, and Loan Trustee will assign to or as directed by the Company all claims of Loan Trustee against third Persons relating to such Engine arising from such Event of Loss. In addition, upon such transfer the Loan Trustee shall execute and deliver to the Company an appropriate instrument releasing such Engine from the Lien of this Indenture and releasing the Purchase Agreement and the Purchase Agreement Assignment (in respect of such Engine) from the assignment and pledge under this Indenture. For all purposes hereof, each

such Replacement Engine shall, after such conveyance, be deemed part of the property secured hereunder and shall be deemed an "Engine" as defined herein.

(c) Application of Payments from Governmental Authorities for Requisition of Title or Use. Any payments (other than insurance proceeds the application of which is provided for in Section 11 of this Article) received at any time by the Loan Trustee or by the Company from any governmental authority or other Person with respect to an Event of Loss resulting from the condemnation, confiscation, theft or seizure of, or requisition of title to or use of, the Airframe or any Engine, other than a requisition for use by any Government or by the government of registry of the Aircraft not constituting an Event of Loss, will be applied as follows:

(i) if such payments are received with respect to the Airframe or the Airframe and the Engines or engines installed on the Airframe that has been or is being replaced by the Company pursuant to Section 10(a) of this Article, such payments shall be paid over to, or retained by, the Loan Trustee, and upon completion of such replacement be paid over to, or retained by, the Company;

(ii) if such payments are received with respect to the Airframe or the Airframe and the Engines or engines installed on the Airframe that has not been and will not be replaced pursuant to Section 10(a) of this Article, such payments shall, after reimbursement of the Loan Trustee for costs and expenses, be applied in reduction of the Company's obligation to pay the amounts required to be paid by the Company pursuant to Section 10(a) of this Article, if not already paid by the Company, or, if already paid by the Company, shall be applied to reimburse the Company for its payment of such amounts, and the balance, if any, of such payments remaining thereafter shall be paid over to, and retained by, the Company; and

(iii) if such payments are received with respect to an Engine under circumstances contemplated by Section 10(b) of this Article, so much of such payments remaining after reimbursement of the Loan Trustee for costs and expenses shall be paid over to, or retained by, the Company; provided that the Company shall have fully performed the terms of Section 10(b) of this Article with respect to the Event of Loss for which such payments are made.

(d) Requisition for Use by the Government of the Airframe and the Engines Installed Thereon. In the event of the requisition for use by any Government or by the government of the country of registry of the Aircraft (including for this purpose any agency or instrumentality thereof), including, without limitation, pursuant to the Civil Reserve Air Fleet Program referred to in Section 7(b)(iv) of this Article of the Airframe and the Engines or engines installed on the Airframe, the Company shall promptly notify the Loan Trustee of such requisition and, except as otherwise provided in this Indenture, such requisition shall not constitute an Event of Loss and all of the Company's obligations under this Indenture with respect to the Aircraft shall continue to the same extent as if such requisition had not occurred unless or until such requisition shall constitute an Event of Loss. All payments received by the Loan Trustee or the Company from the Government or government for the use of the Airframe and Engines or engines prior to the occurrence of an Event of Loss shall be paid over to, or retained by, the Company.

(e) Requisition for Use by the Government of an Engine. In the event of the requisition for use by any Government or by the government of the country of registry of the Aircraft (including for this purpose any agency or instrumentality thereof) of any Engine (but not the Airframe), the Company will replace such Engine hereunder by complying with the terms of Section 10(b) of this Article to the same extent as if an Event of Loss had occurred with respect to such Engine, and any payments received by the Loan Trustee or the Company from such Government or government with respect to such requisition shall be paid over to, or retained by, the Company.

(f) Application of Payments During Existence of Indenture Event of Default. Any amount referred to in clause (i), (ii) or (iii) of Section 10(c), Section 10(d) or Section 10(e) of this Article which is payable to the Company shall not be paid to the Company, or if it has been previously paid directly to the Company, shall not be retained by the Company, if at the time of such payment an Indenture Event of Default, or an Indenture Default which would constitute an Indenture Event of Default under Section 8.01(a), 8.01(f), 8.01(g), 8.01(h) or 8.01(i), shall have occurred and be continuing, but shall be paid to and held by the Loan Trustee as security for the obligations of the Company under this Indenture, and at such time as there shall not be continuing any such Indenture Event of Default or event, such amount shall be paid to the Company, provided that, if any such amount has been so held by the Loan

Trustee as security for more than 90 days after an Event of Default shall have occurred and during which period (x) the Loan Trustee shall not have been limited by operation of law or otherwise from exercising remedies hereunder and (y) the Loan Trustee shall not have commenced to exercise any remedy available to it under this Indenture, then such amount shall be paid to the Company.

Section 11. Insurance. Public Liability and Property Damage Insurance.

(a) Subject to the rights of the Company to establish and maintain self-insurance with respect to public liability and property damage liability insurance for aircraft and engines (including, the Aircraft and Engines) in the manner and to the extent specified in the next sentence, the Company will carry, or cause to be carried, at no expense to the Loan Trustee, any Bank Lender or the Pass Through Trustee, public liability (including, without limitation, contractual liability and passenger legal liability) and property damage liability insurance (exclusive of manufacturer's product liability insurance) with respect to the Aircraft (i) in amounts which are not less than the public liability and property damage insurance applicable to similar aircraft and engines which comprise the Company's fleet on which the Company carries insurance, provided that such liability insurance shall not be less than the amount certified to the Original Loan Participants on the Delivery Date, (ii) of the type usually carried by corporations engaged in the same or similar business, similarly situated with the Company, and owning or operating similar aircraft and engines and covering risks of the kind customarily insured against by the Company, and (iii) which is maintained in effect with insurers of recognized responsibility. The Company may self-insure, by way of deductible or premium adjustment provisions in insurance policies, the risks required to be insured against pursuant to the preceding sentence, but in no case shall the self-insurance (including, the self-insurance permitted by Section 11(b) of this Article) with respect to all of the aircraft and engines in the Company's fleet (including, without limitation, the Aircraft) exceed for any 12-month policy year the lesser of (x) 50% of the largest replacement value of any single aircraft in the Company's fleet or (y) 1-1/2% of the average aggregate insurable value (for the preceding year) of all aircraft (including, without limitation, the Aircraft) on which the Company carries insurance, provided that, in the event that there shall have occurred a material adverse change in the financial condition of the Company from such condition as is reflected in the consolidated financial statements of the Company at December 31, 1982, then, upon not less than 30 days' written notice from the Loan Trustee

to the Company, the Company will, until the Company's financial condition is on an overall basis equivalent to its financial condition at December 31, 1982, reduce the self-insurance permitted hereunder to such reasonable amount as the Loan Trustee may require; provided, further, that a deductible per occurrence utilized to reduce handling that, in the case of the Aircraft, is not in excess of the amount customarily allowed as a deductible in the industry, shall be permitted in addition to the above-mentioned self-insurance. Any policies of insurance carried in accordance with this Section 11(a) and any policies taken out in substitution or replacement for any of such policies (A) shall name the Loan Trustee, any Bank Lender or the Pass Through Trustee as additional insureds as their respective interests may appear, (B) shall provide that in respect of the respective interests of the Loan Trustee, any Bank Lender and the Pass Through Trustee in such policies the insurance shall not be invalidated by any action or inaction of the Company and shall insure the Loan Trustee's, such Bank Lender's and the Pass Through Trustee's Interests as they appear, regardless of any breach or violation of any warranty, declaration or condition contained in such policies by the Company, (C) shall provide that, if such insurance is cancelled for any reason whatever, or any substantial change is made in the policy which affects the coverage certified hereunder to the Loan Trustee, any Bank Lender or the Pass Through Trustee, or if such insurance is allowed to lapse for nonpayment of premium, such cancellation, change or lapse shall not be effective as to the Loan Trustee, such Bank Lender or the Pass Through Trustee for 30 days (seven days, or such other period as is customarily obtainable in the industry, in the case of any war risk and allied perils coverage) after receipt by the Loan Trustee, such Bank Lender or the Pass Through Trustee, respectively, of written notice from such insurers of such cancellation, change or lapse, (D) shall provide that neither the Loan Trustee, such Bank Lender nor the Pass Through Trustee shall have any obligation or liability for premiums, commissions, assessments or calls in connection with such insurance, (E) shall provide that the insurers shall waive (i) any rights of set-off, counterclaim or any other deduction, whether by attachment or otherwise, which they may have against the Loan Trustee, such Bank Lender and the Pass Through Trustee and (ii) any rights of subrogation against the Loan Trustee, such Bank Lender or the Pass Through Trustee to the extent that the Company has waived its rights by its agreements to indemnify any such party pursuant to this Indenture or the Participation Agreement; provided that the exercise by such insurers of rights of subrogation derived from the rights retained by the Company shall not, in any way, delay payment

of any claim that would otherwise be payable by such insurers but for the existence of rights of subrogation derived from rights retained by the Company, (F) shall be primary without right of contribution from any other insurance which may be carried by the Loan Trustee, any Bank Lender or the Pass Through Trustee with respect to its Interests as such in the Aircraft and (G) shall expressly provide that all of the provisions thereof, except the limits of liability, shall operate in the same manner as if there were a separate policy covering each insured. "Interests" as used in this Section 11(a) and Section 11(b) of this Article with respect to any person means the interests of such person in its capacity as Loan Trustee or Pass Through Trustee, as the case may be, in the transaction contemplated by the Participation Agreement and this Indenture. The Company shall arrange for appropriate certification that the requirements of this Section 11(a) have been met to be made to the Loan Trustee (and the Loan Trustee may furnish such certificates to each Loan Participant) as soon as practicable by each insurer or its authorized representative with respect thereto, provided that all information contained therein shall be held confidential by the Loan Trustee and each Loan Participant and shall not be furnished or disclosed by them to anyone other than their bank examiners, auditors, accountants, agents and legal counsel and any Person with whom any Loan Participant is in good faith conducting negotiations relating to the possible transfer and sale of such Loan Participant's Equipment Notes, if such person shall have entered into an agreement similar to that contained in this Section 11(a) whereby such person agrees to hold such information confidential, and except as may be required by an order of any court or administrative agency or by any statute, rule, regulation or order of any governmental authority. In the case of a lease or contract with any Government in respect of the Aircraft or any Engine or in the case of any requisition for use of the Aircraft or any Engine by any Government, a valid agreement, reasonably satisfactory to the Loan Trustee, to indemnify the Company against any of the risks which the Company is required hereunder to insure against by such Government shall be considered adequate insurance to the extent of the risks and in the amounts that are the subject of any such agreement to indemnify.

(b) Insurance Against Loss or Damage to Aircraft. Subject to the rights of the Company to establish and maintain self-insurance with respect to loss or damage to aircraft (including the Aircraft) in the manner and to the extent specified in the next sentence, the Company shall maintain, or cause to be maintained, in effect with insurers

of recognized responsibility, at no expense to the Loan Trustee, any Bank Lender or the Pass Through Trustee, all-risk aircraft hull insurance covering the Aircraft and all-risk coverage with respect to any Engines or parts while removed from the Aircraft (including, without limitation, war risk and allied perils insurance if and to the extent the same is maintained by the Company or any Permitted Air Carrier leasing the same with respect to other aircraft owned or operated by the Company or such Permitted Air Carrier, as the case may be, on the same routes) which is of the type and in substantially the amount usually carried by corporations engaged in the same or similar business and similarly situated with the Company; provided that (i) such insurance (including the permitted self-insurance) shall at all times while the Aircraft is subject to the Lien of this Indenture be for an amount not less than, at the date of determination thereof, the Outstanding principal amount of the Equipment Notes plus six months interest thereon and (ii) such insurance need not cover an Engine while attached to an airframe not owned, leased or operated by the Company. The Company may self-insure, by way of deductible or premium adjustment provisions in insurance policies, the risks required to be insured against pursuant to the preceding sentence, but in no case shall the self-insurance (including the self-insurance permitted by Section 11(a) of this Article) with respect to all of the aircraft and engines in the Company's fleet (including, without limitation, the Aircraft) exceed for any 12-month policy year the lesser of (i) 50% of the largest replacement value of any single aircraft in the Company's fleet of (ii) 1-1/2% of the average aggregate insurable value (for the preceding year) of all aircraft (including, without limitation, the Aircraft) on which the Company carries insurance; provided that, in the event that there shall have occurred a material adverse change in the financial condition of the Company from such condition as is reflected in the consolidated financial statements of the Company at December 31, 1982, then, upon not less than 30 days' written notice from the Loan Trustee to the Company, the Company will, until the Company's financial condition is on an overall basis equivalent to its financial condition at December 31, 1982, reduce the self-insurance permitted hereunder to such reasonable amount as the Loan Trustee may require; provided, further, that a deductible per occurrence utilized to reduce handling, that, in the case of the Aircraft, is not in excess of the amount customarily allowed as a deductible in the industry, shall be permitted in addition to the above-mentioned self-insurance. Any policies carried in accordance with this Section 11(b) and any policies taken out in substitution or replacement for any such policies (A) shall provided that any loss up to

the amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon, for any loss or damage constituting an Event of Loss with respect to the Aircraft, and any loss in excess of \$7,000,000, up to the amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon, for any loss or damage to the Aircraft (or Engines) not constituting an Event of Loss with respect to the Aircraft, shall be paid to the Loan Trustee as long as this Indenture shall not have been discharged pursuant to the terms and conditions thereof, and thereafter to the Company, unless, in each case, the insurer shall have received notice that an Indenture Event of Default exists, in which case all insurance proceeds up to an amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon shall be payable to the Loan Trustee, (B) shall provide that in respect of the respective interests of the Loan Trustee, any Bank Lender and of the Pass Through Trustee in such policies the insurance shall not be invalidated by any action or inaction of the Company and shall insure the Loan Trustee's, any Bank Lender's and the Pass Through Trustee's Interests, as they appear, regardless of any breach or violation of any warranty, declaration or condition contained in such policies by the Company, (C) shall provide that, if such insurance is cancelled for any reason whatever, or any material change is made in the policy which affects the coverage certified hereunder to the Loan Trustee, any Bank Lender and the Pass Through Trustee, or if such insurance is allowed to lapse for nonpayment of premium, such cancellation, change or lapse shall not be effective as to the Loan Trustee, any Bank Lender or the Pass Through Trustee, for 30 days (seven days, or such other period as may from time to time be customarily obtainable if the industry, in the case of any war risk and allied perils coverage) after receipt by the Loan Trustee, such Bank Lender or the Pass Through Trustee, respectively, of written notice from such insurers of such cancellation, change or lapse, (D) shall be primary without right of contribution from any other insurance which may be carried by the Loan Trustee, any Bank Lender and the Pass Through Trustee with respect to the Interests as such in the Aircraft and (E) shall provide that the insurers shall waive (i) any rights of set-off, counterclaim or any other deduction, whether by attachment or otherwise, which they may have against the Loan Trustee, such Bank Lender or the Pass Through Trustee and (ii) any rights of subrogation against the Loan Trustee, any Bank Lender or the Pass Through Trustee to the extent that the Company has waived its rights by its agreements to indemnify any such party pursuant to this indenture or the Participation Agreement; provided that the exercise by such insurers of rights of

subrogation derived from rights retained by the Company shall not, in any way, delay payment of any claim that would otherwise be payable by such insurers but for the existence of rights of subrogation derived from rights retained by the Company. The Company shall arrange for appropriate certification that the requirements of this Section 11(b) have been met to be made promptly to the Loan Trustee (and the Loan Trustee shall furnish such certification to each Loan Participant) by each insurer or its authorized representative with respect thereto, provided that all information contained therein shall be held confidential by the Loan Trustee and each Loan Participant and shall not be furnished or disclosed by them to anyone other than their bank examiners, auditors, accountants, agents and legal counsel and any person with whom any Loan Participant is in good faith conducting negotiations relating to the possible transfer and sale of such Loan Participant's Equipment Notes, if such person shall have entered into an agreement similar to that contained in Section 11(b) whereby such Person agrees to hold such information confidential, and except as may be required by an order of any court or administrative agency or by any statute, rule, regulation or order of any governmental authority. In the case of a lease or contract with any Government in respect of the Aircraft or any Engine, or in the case of any requisition for use of the Aircraft or any Engine by any Government, a valid agreement, reasonably satisfactory to the Loan Trustee, to indemnify the Company against any of the risks which the Company is required hereunder to insure against by such Government in an amount, as at the date of determination thereof, equal to the Outstanding principal amount of the Equipment Notes plus six months interest thereon from time to time shall be considered adequate insurance to the extent of the risks and in the amounts that are the subject of any such agreement to indemnify.

As between the Loan Trustee and the Company, it is agreed that all insurance payments received under policies required to be maintained by the Company hereunder, exclusive of any payments received in excess of an amount, as at the date of determination thereof, equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon from such policies, as the result of the occurrence of an Event of Loss with respect to the Airframe or an Engine will be applied as follows:

(x) if such payments are received with respect to the Airframe or the Airframe and any Engines or engines installed on the Airframe that has been or is being replaced by the Company as contemplated by Sec-

tion 10(a) of this Article, such payments shall be paid over to, or retained by, the Loan Trustee, and upon completion of such replacement be paid over to, or retained by, the Company;

(y) if such payments are received with respect to the Airframe or the Airframe and any Engines or engines installed thereon that has not been and will not be replaced as contemplated by Section 10(a) of this Article, so much of such payments remaining after reimbursement of the Loan Trustee for costs and expenses as shall not exceed an amount, as at the date of determination thereof, equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon required to be paid by the Company pursuant to Section 10(a) of this Article shall be applied in reduction of the Company's obligation to pay such amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon, if not already paid by the Company, or, if already paid by the Company, shall be applied to reimburse the Company for its payment of such amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon, and the balance, if any, of such payment remaining thereafter will be paid over to, or retained by, the Company; and

(z) if such payments are received with respect to an Engine under the circumstances contemplated by Section 10(b) of this Article, so much of the such payments remaining after reimbursement of the Loan Trustee for costs and expenses shall be paid over to, or retained by, the Company; provided that the Company shall have fully performed the terms of Section 10(b) of this Article with respect to the Event of Loss for which such payments are made.

As between the Loan Trustee and the Company the insurance payment of any property damage loss in excess of an amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon shall be paid to the Company.

As between the Loan Trustee and the Company the insurance payment of any property damage loss not constituting an Event of Loss with respect to the Airframe or an Engine will be applied in payment (or to reimburse the Company) for repairs or for replacement property in accordance with the terms of Sections 7 and 8 of this Article, and any balance remaining after compliance with such Sections with

respect to such loss shall be paid to the Company. Any amount referred to in the preceding sentence or in clause (x), (y) or (z) of the second preceding paragraph which is payable to the Company shall not be paid to the Company or, if it has been previously paid directly to the Company, shall not be retained by the Company, if at the time of such payment an Indenture Event of Default (or an Indenture Default that with lapse of time would constitute an Indenture Event of Default under Section 8.01(a), 8.01(f) 8.01(g) 8.01(h) 8.01(i) of this Indenture) shall have occurred and be continuing, but shall be paid to and held by the Loan Trustee, as security for the obligations of the Company under this Indenture, and at such time as there shall not be continuing any such Indenture Event of Default or event, such amount shall be paid to the Company, provided that is any such amount has been so held by the Loan Trustee as security for more than 90 days after an Indenture Event of Default shall have occurred and during which period (i) the Loan Trustee shall not have been limited by operation of law or otherwise from exercising remedies hereunder and (ii) the Loan Trustee shall not have exercised any remedy available to it under Section 15 of this Article, then such amount shall be paid to the Company.

(c) Reports, Etc. Annually upon renewal of the Company's insurance coverage, the Company will furnish to the Loan Trustee (and the Loan Trustee shall furnish to each Loan Participant) a report signed by a firm of independent aircraft insurance brokers appointed by the Company, stating the opinion of such firm that the insurance then carried and maintained on the Aircraft complies with the terms hereof; provided that all information contained in such report shall be held confidential by the Loan Trustee and each Loan Participant and shall not be furnished or disclosed by them to anyone other than their bank examiners, auditors, accountants, agents and legal counsel and any Person with whom any Loan Participants is in good faith conducting negotiations relating to the possible transfer and sale of such Loan Participant's Equipment Notes, if such Person shall have entered into an agreement similar to that contained in this Section 11(c) whereby such Person agrees to hold such information confidential, and except as may be required by an order of any court or administrative agency or by any statute, rule, regulation or order of any governmental authority. The Company will cause such firm to advise the Loan Trustee, any Bank Lender or the Pass Through Trustee, in writing promptly of any default in the payment of any premium and of any other act or omission on the part of the Company of which such firm has knowledge and which might invalidate or render unenforceable, in whole or in part, any

insurance on the Aircraft. The Company will also cause such firm to advise the Loan Trustee, any Bank Lender and the Pass Through Trustee, in writing as promptly as practicable after such firm acquires knowledge that an interruption or reduction of any insurance carried and maintained on the Aircraft pursuant to the provisions of this Section 11 will occur.

(d) Insurance for Own Account. Nothing in this Section 11 shall limit or prohibit the Loan Trustee or the Company from obtaining insurance for its own account with respect to the Airframe or any Engine and any proceeds payable thereunder shall be payable as provided in the insurance policy relating thereto, provided that (i) no such insurance may be obtained which would limit or otherwise adversely affect the coverage or amounts payable under insurance required to be maintained pursuant to this Section 11, it being understood that all salvage rights to the Airframe or such Engine shall remain with the Company's insurers at all times, and (ii) the Loan Trustee may obtain hull insurance on the Aircraft only to the extent the procurement of such insurance does not have an adverse effect on the Company's ability or cost to obtain such insurance, except that the limitation in the foregoing clause (i) on the Loan Trustee's right to obtain liability insurance shall not apply during any period in which the Company is providing a Government indemnity in lieu of the liability insurance required by Section 11(a) of this Article and the limitations in clauses (i) and (ii) on the Loan Trustee's rights to obtain hull insurance shall not apply during any period in which the Company is providing a Government indemnity in lieu of the hull insurance required by Section 11(b) of this Article.

Section 12. Inspection. At all reasonable times so long as any Equipment Notes are outstanding, but upon at least 5 days' prior written notice to the Company, the Loan Trustee, the Initial Bank Lender, the Pass Through Trustee or their authorized representatives may at their own expense and risk (including without limitation, any risk of personal injury or death) conduct a visual walk-around inspection of the Aircraft and any Engine and may inspect the books and records of the Company relating thereto; provided that (a) such representative shall be fully insured to the reasonable satisfaction of the Company at no cost to the Company with respect to any risks incurred in connection with any such inspection, (b) any such inspection shall be subject to the safety, security and workplace rules applicable at the location where such inspection is conducted and any applicable governmental rules or regulations and (c) in the case of an

inspection during a maintenance visit, such inspection shall not in any respect interfere with the normal conduct of such maintenance visit or extend the time required for such maintenance visit. All information obtained in connection with any such inspection shall be held confidential by the Loan Trustee and each Loan Participant and shall not be furnished or disclosed by them to anyone other than their accountants, agents and legal counsel and any Person with whom any such Loan Participant is in good faith conducting negotiations relating to the possible transfer and sale of such Loan Participant's Equipment Notes if such Person shall have entered into an agreement similar to that contained in this Section 12 whereby such Person agrees to hold such information confidential, and except as may be required by an order or administrative agency or by any statute, rule, regulation or order of any governmental authority. Upon the Loan Trustee's request, the Company will notify the Loan Trustee of the next scheduled "heavy maintenance" visit to be conducted by the Company in respect of the Aircraft; provided that the Company shall have the right in its sole discretion to reschedule, or change the location of, any maintenance visit of which it shall have notified the Loan Trustee pursuant to this sentence, the Company hereby agreeing to use reasonable efforts to notify the Loan Trustee of any such rescheduling or change. The Loan Trustee shall not have any duty to make such inspection and shall not incur any liability or obligation by reason of not making any such inspection. No inspection pursuant to this Section 12 shall interfere with the use, operation or maintenance of the Aircraft or the normal conduct of the Company's business, and the Company shall not be required to undertake or incur any additional liabilities in connection therewith.

Section 17. Further Assurances; Financial Information. Forthwith upon the execution and delivery of each Trust Agreement and Indenture Supplement, the Company will cause such Trust Agreement and Indenture Supplement to be duly filed and recorded in accordance with the Federal Aviation Act. In addition, the Company and the Loan Trustee will promptly and duly execute and deliver to the other party hereto such further documents and assurances and take such further action as such other party may from time to time reasonably request in order to effectively carry out the intent and purpose of this Indenture, including, without limitation, if requested by the Loan Trustee, the execution and delivery of supplements or amendments hereto, in recordable form, subjecting to this Indenture any Replacement Airframe or Replacement Engine and the recording or filing of counterparts hereof or thereof, in accordance with the laws of such jurisdictions as the Loan Trustee may from time

to time deem advisable; provided that this sentence is not intended to impose upon the Company any additional liabilities not otherwise contemplated by this Indenture. The Company agrees to furnish the Loan Trustee (i) within 60 days after the end of each of the first three quarterly fiscal periods in each fiscal year of the Company, a consolidated balance sheet of the Company and its consolidated subsidiaries prepared by it as of the close of such period, together with the related consolidated statements of income and cash flows for such period, (ii) within 120 days after the close of each fiscal year of the Company, a consolidated balance sheet of the Company and its consolidated subsidiaries as of the close of such fiscal year, together with the related consolidated statements of income and cash flows for such fiscal year, as certified by independent public accountants, (iii) within 120 days after the close of each fiscal year of the Company, a certificate of the Company signed by a Responsible Officer of the Company and addressed to the Loan Trustee to the effect that the signer has reviewed the relevant terms of this Indenture and the Participation Agreement and has made, or caused to be made under his supervision, a review of the transactions and condition of the Company during the accounting period covered by the financial statements referred to in clause (ii) above, and that such review has not disclosed the existence during such accounting period, nor does the signer have knowledge of the existence as at the date of such certificate, of any condition or event which constitutes an Indenture Event of Default or which, after notice or lapse of time or both, would constitute an Indenture Event of Default, or, if any such condition or event existed or exists, specifying the nature and period of existence thereof and what action the Company has taken or is taking or proposes to take with respect thereto, and (iv) from time to time such other non-confidential information as the Loan Trustee may reasonably request.

Section 24. Maintenance of Certain Engines. Notwithstanding anything to the contrary contained herein, an aircraft engine which is not an Engine, but which is installed on the Airframe, shall be maintained in accordance with Section 7(a) of this Article.

Section 27. Company's Performance and Rights. Any obligation imposed on the Company pursuant to Sections 7, 8, 11, 12 and 24 of this Article shall require only that the Company perform or cause to be performed such obligation, even if stated herein as a direct obligation, and the performance of any such obligation by any permitted assignee, lessee or transferee under an assignment, lease or transfer agreement then in effect shall constitute perfor-

mance by the Company and to the extent of such performance, discharge such obligation by the Company. Except as otherwise expressly provided herein, any right granted to the Company in this Indenture shall grant the Company the right to exercise such right or permit such right to be exercised by any such assignee, lessee or transferee; provided that no such assignee, lessee or transferee shall be permitted to exercise the self-insurance rights of the Company set forth in Section 11 of this Article. The inclusion of specific references to obligations or rights of any such assignee, lessee or transferee in certain provisions of this Indenture shall not in any way prevent or diminish the application of the provisions of the two sentences immediately preceding with respect to obligations or rights in respect of which specific reference to any such assignee, lessee or transferee has not been made in this Indenture.

Section 28. Statement of Intention. The Loan Trustee, the Company and the Owner Trustee acknowledge that the intent of the provisions contained in this Article 15 is, following the termination of the Lease pursuant to Section 9(e), 9(f) or 20(b) thereof, to provide for the Loan Trustee to have rights similar to those enjoyed by the Owner Trustee under the Lease and for the Company to have rights similar to those enjoyed by it under the Lease. The Loan Trustee and the Company hereby agree that this Article 15 shall be construed and interpreted in a manner consistent with the intent expressed in this Section 28.

Section 29. Amendment of Exhibit to the Indenture. (a) Each Pass Through Equipment Note issued after the Relevant Date shall be issued in substantially the form set forth in Exhibit A to this Indenture as originally executed, provided that the following legend shall be affixed to each such Pass Through Equipment Note:

"Pursuant to Section 7.03 of the Trust Indenture and Security Agreement, American Airlines, Inc. has assumed all of the obligations of the Owner Trustee under the Trust Indenture and Security Agreement and this Pass Through Equipment Note except such obligations as could necessarily be performed exclusively by an entity acting in the capacity of the Owner Trustee."

(b) Each Bank Equipment Note issued after the Relevant Date shall be issued in substantially the form set forth in Exhibit A-1 to this Indenture as originally executed, provided that the following legend shall be affixed to each such Bank Equipment Note:

"Pursuant to Section 7.03 of the Trust Indenture and Security Agreement, American Airlines, Inc. has assumed all of the obligations of the Owner Trustee under the Trust Indenture and Security Agreement and this Bank Equipment Note except such obligations as could necessarily be performed exclusively by an entity acting in the capacity of the Owner Trustee."

In lieu of issuing Equipment Notes with the appropriate legend as described in the immediately preceding sentence, at the option of the Loan Trustee or if requested by the Company, any Pass Through Equipment Note issued after the Relevant Date shall be substantially in the form set forth in Exhibit DA to this Indenture and any Bank Equipment Note issued after the Relevant Date shall be substantially in the form set forth in Exhibit DA-1 to this Indenture.

Section 30. General. Effective as of the Relevant Date the Company assumes on a full recourse basis all of the duties and obligations of the Owner Trustee under this Indenture and the Equipment Notes and shall be entitled to all the rights and benefits of the Owner Trustee hereunder and thereunder, in each case to the extent provided for in this Indenture, and the Owner Trustee is, effective upon the Relevant Date, released from all duties, obligations and rights under this Indenture and the Equipment Notes (other than any obligations or liabilities of the Owner Trustee in its individual capacity incurred on or prior to the Relevant Date or arising out of or based upon events occurring on or prior to the Relevant Date, which obligations and liabilities shall remain the responsibility of the Owner Trustee).

The Company confirms and ratifies the security interest which the Owner Trustee granted to the Loan Trustee pursuant to the Granting Clause of this Indenture in all of the Owner Trustee's right, title and interest in the Aircraft and its interest in the Purchase Agreement (to the extent assigned to the Owner Trustee pursuant to the Purchase Agreement Assignment) and the Company explicitly agrees that the Company is acquiring the Aircraft subject to such security interest, which shall remain in full force and effect until this Indenture is discharged in accordance with the terms hereof, and the Loan Trustee acknowledges that the Lease and the obligations of the Company hereunder as Company have been terminated, except as specifically provided for therein, and each of the Company and the Loan Trustee hereby agree that the Granting Clause hereof shall, subject always to the provisions of Section 28 of Article 15 hereof, be deemed to have been modified mutatis mutandis.

Any such interest or Installment Payment Amount not so punctually paid or duly provided for shall be payable at the election of the Loan Trustee to the Bank Lender in whose name this Bank Equipment Note is registered in the Register on the date of such payment, all as more fully provided in the Indenture.

In the event the Paying Agent shall fail to make any such payment as provided in the immediately foregoing sentence after its receipt of funds at the place and by the time specified, the Paying Agent, in its individual capacity and not as Paying Agent, has agreed to compensate the Bank

Lender holding this Bank Equipment Note for loss of use of such funds.

Promptly following payment of all principal, Swap Breakage Loss, if any, and interest due and owing with respect to this Bank Equipment Note and all other sums due and payable to the Bank Lender in whose name this Bank Equipment Note is registered in the Register under the Indenture, under this Bank Equipment Note, and under the Participation Agreement or Refunding Agreement, the Bank Lender holding this Bank Equipment Note shall surrender this Bank Equipment Note to the Loan Trustee for cancellation.

The final installment of principal of this Bank Equipment Note shall under all circumstances equal the entire principal balance hereof outstanding on the Maturity Date.

As more fully provided in the Indenture, the Equipment Notes are subject to redemption, upon such notice and under the circumstances set forth in the Indenture, at the Redemption Price set forth for such circumstances therein.

If an Indenture Event of Default shall occur and be continuing, the unpaid principal amount of the Equipment Notes may be declared due and payable in the manner and with the effect provided in the Indenture. Upon an Indenture Event of Default the Loan Trustee may exercise one or more of the remedies in the Indenture. The Company and the Loan Trustee will be discharged from their respective obligations in respect of the Equipment Notes (except for certain matters, including obligations to register the transfer or exchange of Equipment Notes, replace stolen, lost or mutilated Equipment Notes, maintain paying agencies and hold moneys for payment in trust), and the Loan Trustee may thereupon cause the release of the Indenture Estate from the lien of the Indenture, if (a) the Company deposits or causes to be deposited irrevocably with the Loan Trustee, in trust, money or U.S. Government Obligations which through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay principal of, Make-Whole Amount or Swap Breakage Loss, if any, as the case may be, and interest on the Outstanding Equipment Notes on the dates such payments are due in accordance with the terms of such Equipment Notes and (b) certain other conditions are satisfied, including the publication by the United States Internal Revenue Service of a ruling to the effect that the deposit and related defeasance would not cause the Loan Participants to recognize income, gain or loss for Federal income tax purposes.

As provided in the Indenture and in the Refunding Agreement and subject to certain limitations set forth herein and therein (including the limitations set forth in Section 10 of the Refunding Agreement), this Bank Equipment Note is transferable, and upon surrender of this Bank Equipment Note for registration of transfer at the principal corporate trust office of the Registrar, or at the office or agency maintained for such purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by, the Bank Lender or his attorney duly authorized in writing, one or more new Bank Equipment Notes of the same maturity and type and of authorized denominations and for the same aggregate principal amount will be issued to the designated transferee or transferees.

The Bank Equipment Notes are issuable only as registered Equipment Notes. The Bank Equipment Notes are issuable in denominations of not less than \$5,000,000 (or such lesser amount as shall constitute 100% of the aggregate unpaid principal amount of Bank Equipment Notes held by the Bank Lender holding such Bank Equipment Notes). As provided in the Indenture and subject to certain limitations set forth therein and in the Refunding Agreement, Bank Equipment Notes are exchangeable for an equal aggregate principal amount of Bank Equipment Notes of the same type, having the

same Maturity Date and of any authorized denominations or transferable upon surrender of the Bank Equipment Notes to be exchanged or transferred, as requested by the Bank Lender surrendering the same, upon presentation thereof for such purpose at the principal corporate trust office of the Registrar, or at any office or agency maintained for such purpose.

No service charge shall be made for any such registration of transfer or exchange, but the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Owner Trustee agrees that this Agreement is intended to and shall create and grant to the Loan Trustee a security interest in the Aircraft, which security interest shall attach on and as of the Delivery Date. It is expressly agreed that, anything herein contained to the contrary notwithstanding, the Owner Trustee shall remain liable under each of the Operative Documents to

which it is a party to perform all of the obligations assumed by it thereunder, all in accordance with and pursuant to the terms and provisions thereof, and the Loan Trustee and the Loan Participants shall have no obligation or liability under any of the Operative Documents to which the Owner Trustee is a party by reason of or arising out of the assignment hereunder, nor shall the Loan Trustee (except as to the Loan Trustee, if the Loan Trustee shall have become the "Lessor" under the Lease) be required or obligated in any manner to perform or fulfill any obligations of the Owner Trustee under or pursuant to any of the Operative Documents to which the Owner Trustee is a party or, except as herein or therein expressly provided, to make any payment, or to make any inquiry as to the nature or sufficiency of any payment received by it, or present or file any claim, or take any action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

Subject to the terms and conditions hereof, the Owner Trustee does hereby constitute the Loan Trustee the true and lawful attorney of the Owner Trustee, irrevocably, with full power (in the name of the Owner Trustee or otherwise) to ask, require, demand, receive, compound and give acquittance for any and all moneys and claims for moneys due and to become due to the Owner Trustee (other than Excepted Property) under or arising out of the Lease (subject to the provisions of Section 11.06(b)(1)), the Purchase Agreement and the Purchase Agreement Assignment, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Loan Trustee may deem to be necessary or advisable in the premises. The Owner Trustee agrees that promptly on receipt thereof, it will transfer to the Loan Trustee any and all moneys from time to time received by it constituting part of the Indenture Estate, for distribution by the Loan Trustee pursuant to this Agreement, except that the Owner Trustee shall accept for distribution pursuant to the Trust Agreement any amounts distributed to it by the Loan Trustee as expressly provided in this Agreement and any Excepted Property.

The Owner Trustee agrees that at any time and from time to time, upon the written request of the Loan Trustee, the Owner Trustee will promptly and duly execute and deliver or cause to be duly executed and delivered to the Loan Trustee any and all such further instruments and documents as the Loan Trustee may reasonably deem desirable in obtaining the full benefits of the mortgage and security interest granted hereby and of the rights and powers herein granted.

The Owner Trustee does hereby warrant and represent that it has not mortgaged, assigned or pledged, and hereby covenants that it will not mortgage, assign or pledge, so long as the Lien of this Agreement shall or is intended to remain in effect, any of its right, title or interest subject to the mortgage and security interest hereby created, to anyone other than the Loan Trustee, and that it will not (other than in respect of Excepted Property), except as provided in or permitted by this Agreement, accept any payment from the Company, enter into an agreement amending or supplementing any of the Operative Documents to which it is a party, execute any waiver or modification of, or consent under the terms of any of the Operative Documents to which it is a party, settle or compromise any claim against the Company arising under any of the Operative Documents, or submit or consent to the submission of any dispute, difference or other matter arising under or in respect of any of the Operative Documents to which it is a party to arbitration thereunder.

The Loan Trustee shall notify the Paying Agent in writing of the amount of the Defaulted Installment or Defaulted Interest proposed to be paid on each such Pass Through Equipment Note and the date of the proposed payment, and at the same time the Loan Trustee shall make arrangements to set aside an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Installment or Defaulted Interest, prior to the date of the proposed payment, to be held in trust for the benefit of the Persons entitled to such Defaulted Installment or Defaulted Interest as this clause provides and shall fix a special record date for the payment of such Defaulted Installment or Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment. fourth, so much of such payments or amounts remaining as shall be required to pay the Make-Whole Amount, if any, and the Swap Breakage Loss, if any, as the case may be, then due and payable to any Loan Participant pursuant to Section 6.01 or 6.02 hereof but

unpaid shall be applied ratably to the payment of such Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be (but only to the extent that such Make-Whole Amount or Swap Breakage Loss is payable or arises in connection with the occurrence of an Indenture Event of Default that is not a Lease Event of Default); and, in case the aggregate amount remaining shall be insufficient to pay all such amounts in full, such amount shall be distributed ratably, without priority of any Loan Participant over any other Loan Participant, in the proportion that the aggregate amount due each such Loan Participant bears to the aggregate amount due all such Loan Participants under this clause fourth;

fifth, so much of such payments or amounts remaining as shall be required to pay to each Loan Participant all other amounts payable pursuant to the indemnification provisions of Section 7(b) or 7(c) of the Participation Agreement, pursuant to Section 14 of the Refunding Agreement or pursuant to any other provision of this Indenture or any Operative Document (excluding, in any case, any amounts payable pursuant to clause "second" or "third" of this Section 3.05 or amounts constituting a Make-Whole Amount or Swap Breakage Loss) to such Loan Participant or to its predecessors and remaining unpaid shall be distributed to such Loan Participant for distribution to itself and such predecessors, as their interests may appear, and if the aggregate amount remaining shall be insufficient to pay all such amounts in full, such amount shall be distributed ratably, without priority of any Loan Participant over any other Loan Participant, in the proportion that the aggregate amount due each such Loan Participant under this clause "fifth" bears to the aggregate amount due all such Loan Participants under this clause "fifth";

sixth, so much of such payments or amounts remaining thereafter shall be held by the Loan Trustee as collateral security for the obligations secured hereby until such time as no Indenture Event of Default shall be continuing hereunder or the Equipment Notes have been accelerated and all amounts due thereon (other than any Swap Breakage Loss) have been paid, at which time so much of such payments or amounts remaining as shall be required to pay an amount which, when aggregated with any prior distributions pursuant to this clause "sixth", shall be equal to the sum of

seventh, so much of such payments or amounts remaining as shall be required to pay the Swap Breakage Loss, if any, then due and payable to the Bank Lenders (to the extent that such Swap Breakage Loss is payable or arises in connection with an Indenture Event of Default that is also a Lease Event of Default) shall be applied to the payment of such Swap Breakage Loss, if any; and in case the aggregate amount remaining shall be insufficient to pay all such amounts in full, such amount shall be distributed ratably without priority of any Bank Lender over any other Bank Lender, in the proportion that the aggregate amount due to each such Bank Lender bears to the aggregate amount due all such Bank Lenders under this clause "seventh"; and

eighth, so much of such payments or amounts remaining thereafter shall be distributed to the Owner Trustee to be held or distributed in accordance with the provisions of the Trust Agreement, so long as no Indenture Event of Default exists other than by virtue of such Lease Event of Default.

Section 3.06. Certain Payments. date specified therein, which shall not be less than 30 days from the date of mailing, any unclaimed balance of such money then remaining will be repaid to the Owner Trustee as provided herein.

Section 7.02. Change in Registration. The Loan Trustee shall upon the request of the Company consent to the deregistration of the Aircraft under the laws of the jurisdiction in which it is at the time registered and the registration of the Aircraft under laws of another jurisdiction (herein called a "change in registration") provided that the following conditions are met:

(a) such change in registration complies with the provisions of the Lease;

(b) no Lease Event of Default and no event which, with lapse of time or notice, or both, would become a Lease Event of Default shall have occurred and be continuing at the date of such request or at the effective date of the change in registration, provided that it shall not be necessary to comply with this condition (b) if the change in registration results in the registration of the Aircraft under the laws of the United States of America or if the Loan Trustee in its discretion believes the change in registration would be advantageous to the Loan Participants;

(c) the Loan Trustee shall have received an opinion of counsel reasonably satisfactory to it to the effect that:

(i) after giving effect to the change in registration, the Lien on the Aircraft and the other property included in the Indenture Estate shall continue as a fully-perfected Lien and all filing, recording or other action necessary to perfect and protect the Lien of this Indenture has been accomplished (or if such opinion cannot be given at the time by which the Loan Trustee has been requested to consent to a change in registration, (x) the opinion shall detail what filing, recording or other action is necessary and (y) the Loan Trustee shall have received a certificate from the Company that all possible preparations to accomplish such filing, recording and other action shall have been done, and such filing, recording and other action shall be accomplished and a supplemental opinion to that effect shall be de-

livered to the Loan Trustee on or prior to the effective date of the change in registration); and

(ii) the terms of the Lease and this Agreement (including the governing law clauses) are legal, valid and binding and enforceable in such jurisdiction, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and by general principles of equity, and except as limited by applicable laws which may affect the remedies provided in the Lease and this Agreement, respectively, which laws, however, do not in the opinion of such counsel make the remedies provided in the Lease and this Agreement, respectively, inadequate for the practical realization of the rights and benefits provided thereby;

(d) the Loan Trustee shall have received assurances reasonably satisfactory to it that the insurance provisions of the Lease will have been complied with after giving effect to such change in registration; and

(e) the Company shall have paid or made provision satisfactory to the Loan Trustee for the payment of all expenses connected with such change in registration.

The Loan Trustee shall execute such documents as the Company or the Owner Trustee shall reasonably request in order to satisfy the above conditions and upon satisfaction of such conditions to effect the change in registration.

Section 7.03. Assumption of Obligations of Owner Trustee by the Company. In the event that the Company shall have elected to assume all of the rights and obligations of the Owner Trustee under this Agreement in respect of the Equipment Notes in connection with the purchase by the Company of the Aircraft on a Lease Termination Date pursuant to Section 9(e) or Section 20(b) of the Lease (any such date being referred to hereinafter as the "Relevant Date") and, if on or prior to the Relevant Date:

(a) the Company shall have delivered to the Loan Trustee a certificate, dated the Relevant Date, of a Responsible Company Officer stating that the Company has paid to the Owner Trustee all amounts required to be paid to the Owner Trustee pursuant to the Lease, in connection with such purchase and assumption;

(b) no Indenture Default after giving effect to the Relevant Amendment (as defined below) pursuant to clause (x) below shall have occurred and be continuing immediately subsequent to such purchase or assumption and the Loan Trustee shall have received a certificate, dated the Relevant Date, of a Responsible Company Officer to such effect;

(c) the Loan Trustee shall have received, on or prior to the Relevant Date, evidence of all filings, recordings and other action referred to in the Opinion or Opinions of Counsel referred to below; and

(d) the Loan Trustee shall have received an Opinion or Opinions of Counsel for the Company, dated the Relevant Date, which without unusual qualification shall be to the effect that, after giving effect to the Relevant Amendment (as defined below):

(i) this Agreement constitutes the legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and by general principles of equity, and except as limited by applicable laws which may affect the remedies provided for in this Agreement, which laws, however, do not in the opinion of such counsel make the remedies provided for in this Agreement inadequate for the practical realization of the rights and benefits provided for in this Agreement;

(ii) the Aircraft is duly registered in compliance with applicable law under the laws of the jurisdiction in which the Aircraft was registered immediately prior to such purchase and assumption;

(iii) the Lien on the Aircraft constitutes a fully-perfected Lien and all filing, recording or other action (specifying the same) necessary to perfect and protect the Lien of this Agreement has been accomplished; and

(iv) the Loan Trustee should, for the reasons set forth in such opinion, be entitled to the benefits of Section 1110 of the Bankruptcy Code

with respect to the Aircraft; provided that such opinion need not be delivered to the extent that the benefits of Section 1110 of the Bankruptcy Code are not available to the Loan Trustee with respect to the Aircraft immediately prior to such assumption; and provided further that such opinion may contain qualifications of the tenor contained in the opinion of Debevoise & Plimpton delivered pursuant to Section 3(k) of the Refunding Agreement on the Refunding Date;

then, automatically and without the requirement of further action by any Person, effective as of the Relevant Date:

(x) this Agreement shall be deemed to have been amended as provided for in Exhibit D hereto (the "Relevant Amendment"); and

(y) the Owner Trustee shall be released from all of its obligations under this Agreement in respect of the Equipment Notes or otherwise (other than any obligations or liabilities of the Owner Trustee in its individual capacity incurred on or prior to the Relevant Date or arising out of or based upon events occurring on or prior to the Relevant Date, which obligations and liabilities shall remain the sole responsibility of the Owner Trustee).

## ARTICLE 8

### DEFAULTS AND REMEDIES

Section 8.01. Indenture Events of Default. "Indenture Event of Default" shall mean any of the following events (whatever the reason for such Indenture Event of Default and whether such event shall be voluntary or involuntary or come about or be effected by operation of law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body) and each such Indenture Event of Default shall be deemed to exist so long as, but only so long as, it shall not be remedied:

(a) any amount of interest upon any Equipment Note or of principal of any Equipment Note or of Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, in respect of any Equipment Note shall not be paid when due and payable (whether upon redemp-

(b) any failure by the Owner Trustee, in its individual capacity or as Owner Trustee, as the case may be, to observe any of its covenants or its agreements contained in the fifth paragraph of the Habendum Clause or Sections 4.01(d) and 4.01(e) if, but only if, such failure is not remedied within a period of 30 days after there has been given to the Owner Trustee and the Owner Participant, by registered or certified mail, a written notice specifying such failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder, by the Loan Trustee or by the Loan Participants owning at least 25% in principal amount of Outstanding Equipment Notes; or

(c) any failure by the Owner Participant or the Owner Trustee, in its individual capacity, to observe or perform any of its respective covenants in Section 9(b), 9(c), 9(d) or 16(c) of the Participation Agreement; or

such failure and provided further that the Owner Trustee or the Owner Participant, as the case may be, shall have provided to the Loan Trustee adequate assurances of performance within such period); or

(e) any representation or warranty made by the Owner Participant, the Owner Trustee, in its individual capacity or as Owner Trustee, or the Owner Participant Guarantor herein, in the Participation Agreement, in the Refunding Agreement, or in the Owner Participant Guaranty shall prove at any time to have been false or incorrect when made and was and is in any respect materially adverse to the rights and interests of the Loan Participants; and if such misrepresentation and its consequences are capable of being corrected as of a subsequent date and if such correction is being sought diligently, such misrepresentation and its consequences shall continue unremedied for a period of 30 days after there has been given to the Owner Trustee and the Owner Participant, by registered or certified mail, a written notice specifying such incorrectness and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder by the Loan Trustee or by Loan Participants owning at least 25% in principal amount of Outstanding Equipment Notes; or

(f) subject to Section 8.03(e)(i), any Lease Event of Default (other than any such Lease Event of Default in respect of any Excepted Property); provided that any Lease Event of Default shall be deemed to exist and continue so long as, but only so long as, it shall not be remedied; or

(g) either the Trust Estate or the Owner Trustee with respect thereto (and not in its individual capacity), the Owner Participant or the Owner Participant Guarantor, as the case may be, shall (i) file, or consent by answer or otherwise to the filing against it of a petition for relief or reorganization or arrangement or any other petition in bankruptcy, for liquidation or to take advantage of any bankruptcy or insolvency law of any jurisdiction, (ii) make an assignment for the benefit of its creditors, or (iii) consent to the appointment of a custodian, receiver, trustee or other officer with similar powers of itself or any substantial part of its property; or

(h) a court or governmental authority of competent jurisdiction shall enter an order appointing, without consent by the Trust Estate or the Owner Trustee with respect thereto (and not in its individual capacity), the Owner Participant, or the Owner Participant Guarantor, as the case may be, a custodian, receiver, trustee or other officer with similar powers with respect to it or with respect to any substantial part of its property, or constituting an order for relief or approving a petition for relief or reorganization or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy or insolvency law of any jurisdiction, or ordering the dissolution, winding-up or liquidation of the Trust Estate or the Owner Trustee with respect thereto (and not in its individual capacity), the Owner Participant, or the Owner Participant Guarantor, as the case may be, and any such order or petition is not dismissed or stayed within 90 days after the earlier of the entering of any such order or the approval of any such petition; or

(i) any Lessor's Lien required to be discharged by the Owner Participant or the Owner Trustee, in its individual capacity, pursuant to Section 16(b) of the Participation Agreement (in the case of the Owner Participant) or Section 9(c) of the Participation Agreement or Section 4.01(b) hereof (in the case of the Owner Trustee) shall remain undischarged for a period of 30 days after an officer in the Corporate Trust Department who has responsibility for, or familiarity with, the transactions contemplated by the Operative Documents or any Vice President in the Corporate Trust Department (with respect to a Lessor's Lien attributable to the Owner Trustee) or an officer of the Owner Participant who has responsibility for, or familiarity with, the transactions contemplated by the Operative Documents or any Vice President of the Owner Participant (with respect to a Lessor's Lien attributable to the Owner Participant) shall have actual knowledge of such Lien; or

(j) at any time when the Aircraft is registered under the laws of a country other than the United States of America, as a result of the gross negligence or wilful misconduct of the Owner Trustee or the Owner Participant, the Lien of this Agreement shall cease to constitute a valid and duly perfected Lien on the In-

denture Estate (other than pursuant to and in accordance with the terms of Section 10.01); or

(k) any Owner Participant Guaranty ceases to be a valid and enforceable obligation of the Owner Participant Guarantor or otherwise shall not be in full force and effect.

Section 8.02. Acceleration; Rescission and Annulment. If an Indenture Event of Default occurs and is continuing, the Loan Trustee, by notice to the Company, the Owner Participant and the Owner Trustee, or Loan Participants owning at least 25% in aggregate principal amount of Outstanding Equipment Notes by notice to the Company, the Loan Trustee, the Owner Trustee and the Owner Participant, may declare the principal of all the Equipment Notes to be due and payable. Upon such declaration, the principal of all Equipment Notes, together with accrued interest thereon from the date in respect of which interest was last paid hereunder to the date payment of such principal has been made or duly provided for shall be immediately due and payable, together with Swap Breakage Loss, if any, on the Bank Equipment Notes. At any time after such declaration and prior to the sale or disposition of the Indenture Estate, Loan Participants owning a majority in aggregate principal amount of all of the Outstanding Equipment Notes, by notice to the Loan Trustee, the Owner Trustee and the Owner Participant, may rescind such a declaration and thereby annul its consequences if (i) an amount sufficient to pay all principal of, Make-Whole Amount, if any, and Swap Breakage Loss, if any, and interest on, such Equipment Notes, to the extent each such amount is due or past due, if any, in respect of the Outstanding Equipment Notes other than by reason of such acceleration and all sums due and payable to the Loan Trustee has been deposited with the Loan Trustee, (ii) the rescission would not conflict with any judgment or decree and (iii) all existing Indenture Defaults and Indenture Events of Default under this Agreement have been cured or waived except nonpayment of principal of, Swap Breakage Loss, if any, or interest on the Equipment Notes that has become due solely because of such acceleration. No Make-Whole Amount shall be payable on the Pass Through Equipment Notes as a result of the acceleration of the Equipment Notes.

Section 8.03. Other Remedies Available to Loan Trustee. (a) After an Indenture Event of Default shall have occurred and so long as such Indenture Event of Default shall be continuing, then and in every such case the Loan

Trustee, as trustee of an express trust and as assignee hereunder of the Lease or as holder of a security interest in the Aircraft, Airframe or Engines or otherwise, may, and when required pursuant to the provisions of Article 9 shall, exercise subject to Sections 8.03(b), 8.03(e), 8.03(f) and 8.03(h), upon ten (10) Business days' prior notice to the Owner Trustee and the Owner Participant (if not precluded by law or otherwise) any or all of the rights and powers and pursue any and all of the remedies accorded to the Owner Trustee pursuant to this Article 8 (and in the event that such Indenture Event of Default is also a Lease Event of Default, pursuant to Section 15 of the Lease), may recover judgment in its own name as Loan Trustee against the Indenture Estate and may take possession of all or any part of the Indenture Estate and may exclude the Owner Trustee and the Owner Participant and all persons claiming under any of them wholly or partly.

(b) After an Indenture Event of Default shall have occurred and so long as such Indenture Event of Default shall be continuing, subject to Sections 8.03(e), 8.03(f) and 8.03(h), the Loan Trustee may, if at the time such action may be lawful and always subject to compliance with any mandatory legal requirements, either with or without taking possession, and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Owner Trustee, the Owner Participant and the Company once at least 10 Business Days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of the Indenture Estate, or any part thereof, or interest therein, at public auction to the highest bidder, in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Loan Trustee may determine, and at any place (whether or not it be the location of the Indenture Estate or any part thereof) and time designated in the notice above referred to; provided, however, that, notwithstanding any provision herein to the contrary, the Loan Trustee may not provide the notice provided for above of its intention to sell any of the Indenture Estate, exercise remedies under the Lease or exercise other remedies against the Indenture Estate, in each case seeking to deprive the Owner Participant of its interest therein unless a declaration of acceleration has been made pursuant to Section 8.02. Any such sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or by announcement at the time and place appointed for any such adjourned sale or sales, without further notice, and the

Loan Trustee and any Loan Participant may bid and become the purchaser at any such sale. The Loan Trustee may exercise such right without possession or production of the Equipment Notes or proof of ownership thereof, and as representative of the Loan Participants may exercise such right without notice to the Loan Participants or including the Loan Participants as parties to any suit or proceeding relating to foreclosure of any property in the Indenture Estate. The Owner Trustee hereby irrevocably constitutes the Loan Trustee the true and lawful attorney-in-fact of the Owner Trustee (in the name of the Owner Trustee or otherwise) for the purpose of effectuating any sale, assignment, transfer or delivery for enforcement of the Lien created under this Agreement, whether pursuant to foreclosure or power of sale or otherwise, to execute and deliver all such bills of sale, assignments and other instruments as the Loan Trustee may consider necessary or appropriate, with full power of substitution, the Owner Trustee hereby ratifying and confirming all that such attorney or any substitute shall lawfully do by virtue hereof. Nevertheless, if so requested by the Loan Trustee or any purchaser, the Owner Trustee shall ratify and confirm any such sale, assignment, transfer or delivery, by executing and delivering to the Loan Trustee or such purchaser all bills of sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may be designated in any such request.

(c) Subject to Sections 8.03(b), 8.03(e), 8.03(f) and 8.03(h), if an Indenture Event of Default has occurred and is continuing, the Owner Trustee shall, at the request of the Loan Trustee, promptly execute and deliver to the Loan Trustee such instruments of title or other documents as the Loan Trustee may deem necessary or advisable to enable the Loan Trustee or an agent or representative designated by the Loan Trustee, at such time or times and place or places as the Loan Trustee may specify, to obtain possession of all or any part of the Indenture Estate. If the Owner Trustee shall for any reason fail to execute and deliver such instruments and documents after such request by the Loan Trustee, the Loan Trustee shall be entitled to a judgment for specific performance of the covenants contained in the foregoing sentence, conferring upon the Loan Trustee the right to immediate possession and requiring the Owner Trustee or the Company or both to execute and deliver such instruments and documents to the Loan Trustee. The Loan Trustee shall also be entitled to pursue all or any part of the Indenture Estate wherever it may be found and may enter any of the premises of the Owner Trustee or any other Person wherever the Indenture Estate may be or be supposed to be

and search for the Indenture Estate and take possession of any item of the Indenture Estate pursuant to this Section 8.03(c). The Loan Trustee may, from time to time, at the expense of the Indenture Estate, make all such expenditures for maintenance, insurance, repairs, replacements, alterations, additions and improvements to and of the Indenture Estate, as it may deem proper. In each such case, the Loan Trustee shall have the right to use, operate, store, lease, control or manage the Indenture Estate, and to exercise all rights and powers of the Owner Trustee relating to the Indenture Estate as the Loan Trustee shall deem appropriate, including the right to enter into any and all such agreements with respect to the use, operation, storage, leasing, control or management of the Indenture Estate or any part thereof; and the Loan Trustee shall be entitled to collect and receive directly all tolls, rents (including Rent), issues, profits, products, revenues and other income of the Indenture Estate and every part thereof, without prejudice, however, to the right of the Loan Trustee under any provision of this Agreement to collect and receive all cash held by, or required to be deposited with, the Loan Trustee hereunder. In accordance with the terms of this Section 8.03(c), such tolls, rents (including Rent), issues, profits, products, revenues and other income shall be applied to pay the expenses of using, operating, storing, leasing, controlling or managing the Indenture Estate, and of all maintenance, insurance, repairs, replacements, alterations, additions and improvements, and to make all payments which the Loan Trustee may be required or may elect to make, if any, for taxes, assessments, insurance or other proper charges upon the Indenture Estate or any part thereof (including the employment of engineers and accountants to examine, inspect and make reports upon the properties and books and records of the Owner Trustee and, to the extent permitted by the Lease, the Company), and all other payments which the Loan Trustee may be required or authorized to make under any provision of this Agreement, including this Section 8.03(c), as well as just and reasonable compensation for the services of the Loan Trustee, and of all persons properly engaged and employed by the Loan Trustee.

If an Indenture Event of Default occurs and is continuing and the Loan Trustee shall have obtained possession of or title to the Aircraft, the Loan Trustee shall not be obligated to use or operate the Aircraft or cause the Aircraft to be used or operated directly or indirectly by itself or through agents or other representatives or to lease, license or otherwise permit or provide for the use or operation of the Aircraft by any other Person unless (i) the

Loan Trustee shall have been able to obtain insurance in kinds, at rates and in amounts satisfactory to it in its discretion to protect the Indenture Estate and the Loan Trustee, as trustee and individually, against any and all liability for loss or damage to the Aircraft and for public liability and property damage resulting from use or operation of the Aircraft and (ii) funds are available in the Indenture Estate to pay for all such insurance or, in lieu of such insurance, the Loan Trustee is furnished with indemnification from the Loan Participants or any other Person upon terms and in amounts satisfactory to the Loan Trustee in its discretion to protect the Indenture Estate and the Loan Trustee, as trustee and individually, against any and all such liabilities.

(d) Subject to Sections 8.03(b), 8.03(e), 8.03(f) and 8.03(h), the Loan Trustee may proceed to protect and enforce this Agreement and the Equipment Notes by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Indenture Estate or any part thereof, or for the recovery of judgment for the indebtedness secured by the Lien created under this Agreement or for the enforcement of any other proper, legal or equitable remedy available under applicable law.

(e) (i) If the Company shall fail to make any payment of Basic Rent under the Lease when the same shall become due, and if such failure of the Company to make such payment of Basic Rent shall not constitute the fourth or subsequent consecutive such failure or the seventh or subsequent cumulative such failure, then as long as no Indenture Event of Default (other than arising from a Lease Event of Default) shall have occurred and be continuing, the Owner Participant or the Owner Trustee may (but need not) pay to the Loan Trustee, at any time prior to the day which is the thirtieth day subsequent to notice of such failure by the Loan Trustee to the Owner Trustee or the Owner Participant (and the Loan Trustee shall not (without the prior written consent of the Owner Trustee) declare the Lease in default pursuant to Section 15 thereof or exercise any of the rights, powers or remedies pursuant to such Section 15 or this Article 8 prior to the occurrence of such date), an amount equal to the full amount of such payment of Basic Rent, together with any interest due thereon on account of the delayed payment thereof to the date of such payment (without regard to any acceleration), and such payment by

the Owner Participant or the Owner Trustee shall be deemed to cure as of the date of such payment any Indenture Event of Default which arose from such failure of the Company (including any Lease Event of Default arising from the Company's failure to pay interest in respect of such overdue Basic Rent for the period commencing on the date of such payment), but such cure shall not relieve the Company of any of its obligations. If the Company shall fail to perform or observe any covenant, condition or agreement to be performed or observed by it under the Lease other than the payment of Basic Rent, and if (but only if) the performance or observance thereof can be effected by the payment of money alone (it being understood that actions such as the obtaining of insurance and the procurement of maintenance services can be so effected), then as long as no other Indenture Event of Default (other than those arising from a Lease Event of Default) shall have occurred and be continuing, the Owner Participant or the Owner Trustee may (but need not) pay to the Loan Trustee (or to such other person as may be entitled to receive the same), at any time prior to the day which is the thirtieth day subsequent to notice of such failure by the Loan Trustee to the Owner Trustee or the Owner Participant (or such longer period ending on the second day after the expiry of the applicable grace period specified in the Lease with respect to such default) (and the Loan Trustee shall not (without the prior written consent of the Owner Trustee) declare the Lease in default pursuant to Section 15 thereof or exercise any of the rights, powers or remedies pursuant to such Section 15 or this Article 8 prior to the occurrence of such date), all sums necessary to effect the performance or observance of such covenant or agreement of the Company, together with any interest due thereon on account of the delayed payment thereof to the date of such payment, and such payment by the Owner Participant or the Owner Trustee shall be deemed to cure as of the date of such payment any Indenture Event of Default which arose from such failure of the Company (including any Lease Event of Default arising from the Company's failure to pay interest in respect of such overdue payment for the period commencing on the date of such payment), but such cure shall not relieve the Company of any of its obligations. Upon any payment of Basic Rent by the Owner Participant or the Owner Trustee in accordance with the first sentence of this Section 8.03(e)(i), or upon any payment of any other sums by the Owner Participant or the Owner Trustee in accordance with the second sentence of this Section 8.03(e)(i), then any declaration pursuant to Section 15 of the Lease that the Lease is in default, and any declaration pursuant to this Indenture that the Equipment Notes are due and payable or

that an Indenture Event of Default exists, based upon such Lease Event of Default, shall be deemed rescinded, and the Owner Participant or the Owner Trustee shall, to the extent of their respective payments, be subrogated, in the case of any such payment in accordance with such first sentence, to the rights of the Loan Trustee, as assignee hereunder of the Owner Trustee, or, in the case of any such payment in accordance with such second sentence, to the rights of the Loan Trustee or such other person, as the case may be, which actually received such payment, to receive such payment of Basic Rent or such other payment, as the case may be (and any interest due thereon on account of the delayed payment thereof), and shall be entitled to receive such payment upon its receipt by the Loan Trustee or such other person, as aforesaid (but in each case only if all amounts of principal of, and interest at the time due and payable on, the Equipment Notes together with interest due thereon on account of the delayed payment thereof shall have been paid in full); provided that neither the Owner Participant nor the Owner Trustee shall attempt to recover any such amount paid by it on behalf of the Company pursuant to this Section 8.03(e)(i) except by demanding of the Company payment of such amount or by commencing an action against the Company to require the payment of such amount.

(ii) At any time (a) one or more Lease Events of Default shall have occurred and shall have continued for a period of 180 days or more or (b) the Equipment Notes shall have been accelerated pursuant to Section 8.02, the Owner Trustee or the Owner Participant may, at its option, give at least 30 days' prior irrevocable notice to the Loan Trustee that it will redeem (or purchase in lieu of redemption) all Equipment Notes then outstanding, which redemption or purchase shall be pursuant to Section 6.02 and concurrently with such notice, the Owner Trustee or the Owner Participant will deposit with the Loan Trustee an amount sufficient to redeem or purchase at the applicable Redemption Price determined consistently with the applicable provisions of Section 6.02 (including, without limitation, Swap Breakage Losses, if any, payable in respect of the Bank Equipment Notes in connection with any Indenture Event of Default that is not a Lease Event of Default, but excluding Swap Breakage Losses, if any, payable in respect of the Bank Equipment Notes in connection with an Indenture Event of Default that is also a Lease Event of Default) all Equipment Notes then Outstanding and to pay the Loan Trustee all amounts then due it hereunder, which funds shall be held by the Loan Trustee as provided in Section 9.03. Upon the giving of such notice and the receipt by the Loan Trustee of such deposit, the

Loan Trustee shall deem all instructions received from the Owner Trustee or the Owner Participant as having been given by the Loan Participants of 100% of the Outstanding principal amount of Equipment Notes for all purposes of this Indenture. If such notice is given, the Owner Trustee further agrees that it will, if necessary, deposit or cause to be deposited with the Loan Trustee, on or prior to the Business Day preceding the applicable Redemption Date, whether or not an Indenture Event of Default is then continuing, additional funds sufficient, when added to the funds already held by the Loan Trustee for such purpose, to redeem or purchase at the applicable Redemption Price on such Redemption Date all Equipment Notes then outstanding and to pay the Loan Trustee all amounts then due it hereunder. No Make-Whole Amount on the Pass Through Equipment Notes shall be payable by the Owner Trustee in connection with the redemption or the purchase of the Pass Through Equipment Notes pursuant to this Section. Upon the payment of all amounts by the Owner Trustee or the Owner Participant pursuant to this Section, the Loan Trustee shall transfer the Equipment Notes to the Owner Trustee.

(iii) It is further agreed and understood that if the Loan Trustee shall proceed to foreclose the Lien of this Agreement, it shall substantially simultaneously therewith, to the extent the Loan Trustee is then entitled to do so hereunder and under the Lease, and is not then stayed or otherwise prevented from doing so by operation of law, proceed (to the extent it has not already done so) to exercise one or more comparable or consistent remedies referred to in Section 15 of the Lease (but in any case, the exercise of such remedies shall be commercially reasonable); provided, that, if the Loan Trustee is stayed or otherwise prevented from exercising one or more of the remedies referred to in Section 15 of the Lease, the Loan Trustee shall not, if and so long as such stay or other prohibition shall remain in effect, foreclose the Lien of this Agreement (A) for a period of 60 days after the date of the order for relief in a chapter 11 case of the Company under the Bankruptcy Code unless the Company elects to return the Aircraft or to permit the repossession of the Aircraft before the expiration of such 60-day period and the Loan Trustee actually repossesses the Aircraft; (B) for so long as the Company has agreed with the approval of the relevant court to perform the Lease in compliance with the requirements of Section 1110(a) of the Bankruptcy Code and so long after such agreement as no Event of Default shall have occurred and be continuing that relates to the performance of the Lease (other than an Event of Default set forth in Section 14(g),

(h) or (i) of the Lease), provided that no such Event of Default shall be deemed to occur earlier than the expiration of the 30-day period referred to in Section 1110(a)(2)(B)(i) of the Bankruptcy Code, as such period may be extended with the approval, if required, of the Loan Trustee; (C) for so long as the 60-day period specified in Section 1110(b) of the Bankruptcy Code is extended pursuant to Section 1110(b) of the Bankruptcy Code with the consent of the Loan Trustee; (D) for such longer period of time after the expiration of the 60-day period referred to in, and as extended pursuant to, the preceding clause (C) (the "Period") that the issue of the applicability of Section 1110 to the Aircraft and Lease being disputed by the Company or the Owner Trustee or is subject to judicial determination or pending appeal, provided that such longer period of time shall not extend beyond 6 months after the Period unless there shall not be continuing any default by the Company in the payment of Basic Rent, other than a default as to which the 30-day period referred in, and as extended pursuant to, the preceding clause (B) has not expired (it being understood that if the Owner Trustee or the Owner Participant cures any such default, such cure shall not be considered an exercise of Lessor's cure rights for purposes of determining the number of cures permitted under Section 8.03(e)(i) hereof); or (E) from and after the Company's assumption with the approval of the relevant court of the Lease pursuant to Section 365 of the Bankruptcy Code and so long after such assumption as no Event of Default shall have occurred and be continuing that relates to the performance of the Lease (other than an Event of Default set forth in Section 14(g), (h) or (i) of the Lease), and other than a default as to which the 30-day period referred to in, and as extended pursuant to, the preceding clause (B) has not expired; provided, however, that if such assumption is in connection with an assignment of the Company's interest in the Lease pursuant to Section 365(f) of the Bankruptcy Code, this clause (E) shall have no effect unless the Loan Trustee has agreed that it has received adequate assurance of future performance as set forth in Section 365(f)(2)(B) of the Bankruptcy Code or (F) for so long as the Lessee retains possession of the Aircraft, the Airframe or any Engine even though such retention of possession is not attributable to the Lessee being in compliance with the provisions of Section 1110 of the Bankruptcy Code and the Loan Trustee agrees to (without the consent of the Owner Trustee and despite the ability of the Owner Trustee, or the Loan Trustee as the assignee of the Owner Trustee's rights, under applicable law, to repossess the Aircraft, Airframe or Engine) such retention of possession of the Aircraft,

Airframe or Engine. For the avoidance of doubt, it is expressly understood and agreed that, subject to the immediately preceding sentence, the above-described inability of the Loan Trustee to exercise any right or remedy under the Lease shall in no event and under no circumstances prevent the Loan Trustee from exercising all of its rights, powers and remedies under this Agreement, including, without limitation, this Article 8. References in this subsection (iii) to particular sections of the Bankruptcy Code as in effect on the date of the amendment and restatement of this Indenture shall include any substantially similar successor provisions.

(f) The Owner Trustee and the Loan Trustee acknowledge and agree that, notwithstanding any provision of this Agreement to the contrary, including, without limitation, the Granting Clause, Section 4.01 and Article 8, as long as no Lease Event of Default shall have occurred and be continuing, neither the Loan Trustee nor the Owner Trustee shall take any action contrary to, or disturb the Company's rights under, the Lease, including, without limitation, (x) the right to receive all monies due and payable to it in accordance with the provisions of the Lease and (y) the Company's rights to possession and use of, and to quiet enjoyment of, the Aircraft.

(g) Each and every right, power and remedy herein given to the Loan Trustee specifically or otherwise in this Agreement shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often in such order as may be deemed expedient by the Loan Trustee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Loan Trustee in the exercise of any right, remedy or power or in pursuing any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Owner Trustee or the Company or to be an acquiescence therein.

(h) Notwithstanding anything contained herein, so long as the Pass Through Trustee is the registered holder of any Equipment Note hereunder, the Loan Trustee is not authorized or empowered to acquire title to all or any portion of the Indenture Estate (including the property subject to the Lien of this Indenture) or take any action with respect to all or any portion of

the Indenture Estate (including the property subject to the Lien of this Indenture) so acquired by it if such acquisition or action would cause any Pass Through Trust to fail to qualify as a "grantor trust" for federal income tax purposes.

Section 8.04. Waiver of Owner Trustee. A delay or omission by the Loan Trustee or any Loan Participant in exercising any right or remedy accruing upon an Indenture Event of Default under this Agreement shall not impair the right or remedy or constitute a waiver of or acquiescence in such Indenture Event of Default.

Section 8.05. Waiver of Existing Defaults. The Loan Participants owning a majority in aggregate principal amount of the Outstanding Equipment Notes by notice to the Loan Trustee may waive on behalf of the Loan Participants an existing Indenture Default or Indenture Event of Default and its consequences except (i) an Indenture Default or Indenture Event of Default in the payment of the principal of, or interest on, any Equipment Note or (ii) in respect of a covenant or provision hereof that pursuant to Section 11.02 cannot be amended or modified without the consent of each Loan Participant affected thereby.

Section 8.06. Control by Majority. Loan Participants owning a majority in aggregate unpaid principal amount of the Outstanding Equipment Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Loan Trustee or exercising any trust or power conferred on it by this Agreement. However, the Loan Trustee may refuse to follow any direction that conflicts with law, the Lease or this Agreement, that is unduly prejudicial to the rights of the Loan Participants so affected, or that would subject the Loan Trustee to personal liability.

Section 8.07. Limitation on Suits by Loan Participants. A Loan Participant may pursue a remedy under this Agreement or under an Equipment Note only if:

(1) the Loan Participant gives to the Loan Trustee written notice of a continuing Indenture Event of Default under this Agreement;

(2) Loan Participants owning at least 25% in aggregate principal amount of the outstanding Equipment Notes make a written request to the Loan Trustee to pursue the remedy;

(3) such Loan Participant or Loan Participants offer to the Loan Trustee indemnity satisfactory to the Loan Trustee against any loss, liability or expense to be, or which may be, incurred by the Loan Trustee in pursuing the remedy;

(4) the Loan Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and

(5) during such 60-day period, Loan Participants owning a majority in aggregate principal amount of the Outstanding Equipment Notes do not give the Loan Trustee a direction inconsistent with the request.

A Loan Participant may not use this Agreement to prejudice the rights of another Loan Participant or to obtain a preference or priority over another Loan Participant.

Section 8.08. Rights of Loan Participants to Receive Payment.

Notwithstanding any other provision of this Agreement, the right of any Loan Participant to receive payment of principal of, and Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, and interest on an Equipment Note on or after the respective due dates expressed in such Equipment Note, to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Loan Participant.

ARTICLE 9.

The Loan Trustee shall not be liable for any action it takes or omits to take in good faith and in accordance herewith in reliance on a resolution of the Board of Directors of the Company, the written advice of counsel acceptable to the Owner Trustee, the Company and the Loan Trustee, officer's certificates or opinions of counsel provided by the Company or the Owner Trustee.

(c) The Loan Trustee may act through agents and shall not be responsible for the misconduct or negligence of any such agent appointed with due care; provided that, so long as no Lease Event of Default shall have occurred and be continuing, no such agents shall be appointed by the Loan Trustee without the consent of the Company and the Owner Trustee, which consent shall, in each case, not be unreasonably withheld.

(d) The Loan Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers.

(e) The Loan Trustee may refuse to perform any duty or exercise any right or power unless it receives indemnity satisfactory to it against any loss, liability or expense.

(f) Subject to the provisions of Section 9.03, the Loan Trustee shall not be liable for interest on any money received by it except as the Loan Trustee may otherwise agree in writing with the Company. Money held in trust by the Loan Trustee need not be segregated from other funds except to the extent required by law.

(g) If an Indenture Event of Default under this Agreement has occurred and is continuing, the Loan Trustee shall exercise its rights and powers under this Agreement, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(h) Except during the continuance of an Indenture Event of Default:

(1) The Loan Trustee need perform only those duties that are specifically set forth in this Agreement and no implied covenants or obligations shall be read into this Agreement against the Loan Trustee.

(2) In the absence of bad faith on its part, the Loan Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Loan Trustee and conforming to the requirements of this Agreement. However, the Loan Trustee shall examine the certificates and opinions to determine whether they conform to the requirements of this Agreement.

(i) The Loan Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) This paragraph does not limit the effect of paragraph (h) of this Section.

(2) The Loan Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or officers, unless it shall be proved that the Loan Trustee was negligent in ascertaining the pertinent facts.

(3) The Loan Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with the direction received by it pursuant to Section 8.06.

(j) Every provision of this Agreement that in any way relates to the Loan Trustee is subject to paragraphs (g), (h) and (i) of this Section.

Section 9.02. Individual Rights of Loan Trustee. The Loan Trustee in its individual or any other capacity may become the owner or pledgee of Equipment Notes and may otherwise deal with the Owner Trustee, the Company or an Affiliate of the Owner Trustee or the Company or a subsidiary of the Owner Trustee or the Company with the same rights it would have if it were not the Loan Trustee. Any Agent may do the same with like rights.

Section 9.03. Funds May Be Held by Loan Trustee or Paying Agent; Investments. (a) Subject to paragraph (b) below, any monies (including for the purpose of this subsection 9.03 any cash deposited with the Loan Trustee or Permitted Investments purchased by the use of such cash pursuant to this subsection 9.03 or any cash constituting the proceeds of the maturity, sale or other disposition of any Permitted Investment) held by the Loan Trustee or the Paying Agent hereunder as part of the Indenture Estate, until paid out by the Loan Trustee or the Paying Agent as herein provided, at any time and from time to time, at the request of the Owner Trustee, shall be invested and reinvested in Permitted Investments as specified in such request (if such investments are reasonably available for purchase) and sold, in any case at such prices, including accrued interest or its equivalent, as are set forth in such request, and such Permitted Investments shall be held by the Trustee in trust as part of the Indenture Estate until so sold. Unless otherwise expressly provided in this Agreement, any profit, income, interest, dividend or gain realized upon maturity, sale or other disposition of any such Permitted Investment, net of the Loan Trustee's reasonable fees and expenses in making such Permitted Investment, shall be held and applied by the Loan Trustee in the same manner as the principal amount of such Permitted Investment is to be applied and any loss realized upon maturity, sale or other disposition of any such Permitted Investment shall be charged against the principal amount invested.

(b) Notwithstanding anything to the contrary contained in paragraph (a) above, any amounts held by the Loan Trustee or the Paying Agent hereunder as a part of the Indenture Estate, until paid out by the Loan Trustee or the paying Agent as herein provided, which are either (i) amounts held pursuant to Section 25 of the Lease or (ii) amounts held under Section 6.01(b)(1) in connection with termination of the Lease pursuant to Section 9(a) of the Lease, at any time and from time to time, so long as no Lease Event of Default shall have occurred and be continuing, at the request (given directly by the Company to the Loan Trustee) of the Company acting as the agent of the Owner Trustee, shall be invested and reinvested in Permitted Investments as specified in such request (if such investments are reasonably available for purchase) and sold, in any case at such prices, including accrued interest, or its equivalent, as are set forth in such request, and such Permitted Investments shall be held by the Loan Trustee in trust as a part of the Indenture Estate until so sold; provided that the Company, on behalf of the Owner Trustee, as

agent of the Owner Trustee, shall upon demand pay to the Loan Trustee the amount of any loss realized upon maturity, sale or other disposition of any such Permitted Investment and, so long as no Lease Event of Default shall have occurred and be continuing, be entitled to receive from the Loan Trustee, and the Loan Trustee shall promptly pay to the Company, on behalf of the Owner Trustee, any profit, income, interest, dividend or gain realized upon maturity, sale or other disposition of any such Permitted Investment. If any Lease Event of Default shall have occurred and be continuing, any net income, profit, interest, dividend or gain realized upon maturity, sale or other disposition of any Permitted Investment made pursuant to this paragraph (b) shall be held as part of the Indenture Estate and shall be applied by the Loan Trustee at the same time, on the same conditions and in the same manner as the amounts in respect of which such income, profit, interest, dividend or gain was realized are required to be distributed in accordance with the provisions hereof or of the Lease pursuant to which such amounts were required to be held.

(c) The Loan Trustee shall not be responsible for any losses on any investments or sales of Permitted Investments made pursuant to the procedure specified in this Section.

Section 9.04. Notice of Defaults. If an Indenture Event of Default under this Agreement occurs and is continuing and if it is actually known to a Responsible officer of the Loan Trustee, the Loan Trustee shall (i) promptly send written notice thereof to the Company, each Bank Lender, the Pass Through Trustee, the Owner Trustee and the Owner Participant and (ii) within 90 days after it occurs, mail to each Loan Participant notice of all uncured Indenture Events of Default under this Agreement. Except in the case of a default in the payment of the principal of, Swap Breakage Losses, if any, or interest on any Equipment Note, the Loan Trustee shall be protected in withholding the notice required under clause (ii) above if and so long as the executive committee or trust committee of directors of the Loan Trustee and/or Responsible Officers thereof in good faith determines that withholding such notice is in the interest of the Loan Participants. In addition, if an Indenture Default occurs and is continuing and if it is actually known to a Responsible Officer of the Loan Trustee, the Loan Trustee shall promptly send written notice thereof to the Company, each Bank Lender, the Pass Through Trustee, the Owner Trustee and the Owner Participant; provided that, with respect to any payment Indenture

(a) The Owner Trustee shall pay to the Loan Trustee, from time to time, on demand, (i) reasonable compensation for its services, which compensation shall not be limited by any law on compensation of a trustee of an express trust, (ii) reimbursement for all reasonable out-of-pocket expenses incurred by the Loan Trustee in connection with the performance of its duties under this Agreement (including the reasonable compensation and expenses of the Loan Trustee's counsel and any agent appointed in accordance with Section 9.01(c)) and (iii) indemnification against any loss or liability incurred by it arising out of or in connection with its acceptance or administration of the trust or trusts hereunder except (A) as such expenses or loss or liability might result from the negligence or willful misconduct of the Loan Trustee or the inaccuracy of any representation or warranty of the Loan Trustee in its individual capacity in Section 9 of the Refunding Agreement, (B) as otherwise provided in Section 9.09 and (C) as otherwise excluded by the terms of Sections 7(b) and 7(c) of the Participation Agreement from the Company's indemnities under said Sections; provided that, so long as the Lease is in effect, the Loan Trustee shall not make any claim under this Section 9.05 for any claim or expense indemnified against by the Company under the Participation Agreement without first making demand on the Company for payment of such claim or expense. The Loan Trustee shall notify the Owner Trustee and the Company promptly of any claim for which it may seek indemnity. The Owner Trustee shall have the right to defend the claim and the Loan Trustee shall cooperate in the defense. The Loan Trustee may have separate counsel and the Owner Trustee, subject to limitations set forth in the third preceding sentence, shall pay the reasonable fees and expenses of such counsel. The Owner Trustee need not pay for any settlement made without its and the Company's consent. If the Owner Trustee is required to make any payment under this Section 9.05(a), it shall be subrogated to the rights of the Loan Trustee with respect thereto.

(b) To secure the payment obligations of the Owner Trustee pursuant to this Section 9.05, the Loan Trustee shall have a Lien prior to that of the Loan Participants on all money or property held or collected by the Loan Trustee, except that held in trust to pay the principal

of, Make-Whole Amount, if any, Swap Breakage Loss, if any, or interest on particular Equipment Notes.

Section 9.06. Replacement of Loan Trustee. (a) The resignation or removal of the Loan Trustee and the appointment of a successor Loan Trustee shall become effective only upon the successor Loan Trustee's acceptance of appointment as provided in this Section.

(b) The Loan Trustee may resign by giving at least 30 days' prior written notice to the Company and the Owner Trustee. Loan Participants holding a majority in aggregate principal amount of the Outstanding Equipment Notes may remove the Loan Trustee by giving at least 30 days' prior written notice to the Loan Trustee, the Owner Trustee, the Owner Participant and the Company and may appoint a successor Loan Trustee for such Equipment Notes so long as no Indenture Event of Default shall have occurred and be continuing with the Owner Trustee's and the Company's consent. The Owner Trustee (acting pursuant to instructions from the Company) may remove the Loan Trustee if:

(1) the Loan Trustee fails to comply with Section 9.08 hereof (or, as long as State Street Bank and Trust Company of Connecticut, National Association shall be the Loan Trustee, the requirement set forth in Section 9.08 hereof specifically applicable to such institution);

(2) the Loan Trustee is adjudged a bankrupt or an insolvent;

(3) a receiver or public officer takes charge of its property; or

(4) the Loan Trustee becomes incapable of acting.

(c) If the Loan Trustee resigns or is removed, or if a vacancy exists in the office of Loan Trustee for any reason and a new Loan Trustee has not been appointed pursuant to Section 9.06(b), the Owner Trustee shall promptly appoint a successor Loan Trustee.

(d) If a successor Loan Trustee does not take office within 30 days after the retiring Loan Trustee resigns or is removed, the retiring Loan Trustee, the Company, the Owner Trustee or Loan Participants holding a majority in aggregate principal amount of the Outstanding

Equipment Notes may petition any court of competent jurisdiction for the appointment of a successor Loan Trustee.

(e) If the Loan Trustee fails to comply with Section 9.08, any Loan Participant may petition any court of competent jurisdiction for the removal of such Loan Trustee and the appointment of a successor Loan Trustee.

(f) A successor Loan Trustee shall deliver a written acceptance of its appointment to the retiring Loan Trustee, to the Company and to the Owner Trustee. Thereupon, the resignation or removal of the retiring Loan Trustee shall become effective, and the successor Loan Trustee shall have all the rights, powers and duties of the retiring Loan Trustee for which the successor Loan Trustee is to be acting as Loan Trustee under this Agreement. The retiring Loan Trustee shall promptly transfer all property and all books and records relating to the administration of the Indenture Estate held by it as Loan Trustee to the successor Loan Trustee subject to the Lien provided for in Section 9.05. The Owner Trustee shall give notice of each appointment of a successor Loan Trustee if there are Equipment Notes outstanding, by mailing written notice of such event by first-class mail to the Loan Participants.

(g) All provisions of this Section 9.06 except subparagraphs (b)(1) and (e) and the words "subject to the Lien provided for in Section 9.05" in subparagraph (f) shall apply also to any Paying Agent.

Section 9.07. Successor Loan Trustee, Agents by Merger, Etc. If the Loan Trustee or any Agent consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business assets to, another corporation, the successor corporation, without any further act, shall be the successor Loan Trustee or Agent, as the case may be.

If such corporation publishes reports of conditions at least annually, pursuant to law or to the requirements of Federal, State, Territorial or District of Columbia supervising or examining authority, then for the purposes of this Section 9.08, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published.

In case at any time the Loan Trustee shall cease to be eligible in accordance with the provisions of this Section 9.08, the Loan Trustee shall resign immediately in the manner and with the effect specified in Section 9.06.

Section 9.09. Trustee's Liens. The Loan Trustee in its individual capacity agrees that it will at its own cost and expense promptly take such action as may be necessary to duly discharge and satisfy in full all Liens ("Trustee's Liens") on the Indenture Estate which are either (i) attributable to the Loan Trustee in its individual capacity and which are unrelated to the transactions contemplated by the Operative Documents, or (ii) attributable to the Loan Trustee as trustee hereunder or in its individual capacity and which arise out of acts or omissions by it which are contrary to the terms of this Agreement.

Section 9.10. Withholding Taxes; Information Reporting. The Loan Trustee shall exclude and withhold from each distribution of principal, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, and interest and other amounts due hereunder or under the Equipment Notes any and all withholding taxes applicable thereto as required by law. The Loan Trustee agrees (i) to act as such withholding agent and, in connection therewith, whenever any present or future taxes or similar charges are required to be withheld with respect to any amounts payable in respect of the Equipment Notes, to withhold such amounts and timely pay the same to the appropriate authority in the name of and on behalf of the Loan Participants, (ii) that it will file any necessary withholding tax returns or statements when due and (iii) that, as promptly as possible after the payment of such amounts, it will deliver to each Loan Participant appropriate documentation showing the payment of such amounts, together with such additional documentary evidence as such Loan Participants may reasonably request from time to time. The Loan Trustee agrees to file any

other information reports as it may be required to file under United States law.

for Federal income tax purposes as a result of the exercise by the Owner Trustee of its option under this Section 10.01(a)(iii) and will be subject to Federal income tax on the same amount and in the same manner and at the same times as would have been the case if such option had not been exercised;

(b) all other amounts then due and payable hereunder have been paid;  
and

(c) the Company has delivered to the Loan Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for relating to the satisfaction and discharge of this Agreement contemplated by this Section 10.01 have been complied with.

## ARTICLE 11.

Section 11.01. Amendments to This Agreement Without Consent of Loan Participants. The Owner Trustee and the Loan Trustee may enter into one or more agreements supplemental hereto without the consent of any Loan Participant for any of the following purposes:

(1) (a) to cure any defect or inconsistency herein or in the Equipment Notes, or to make any change not inconsistent with the provisions hereof (provided that such change does not adversely affect the interests of any Loan Participant) or (b) to cure any ambiguity or correct any mistake;

(2) to evidence the succession of another party as the Owner Trustee in accordance with the terms of the Trust Agreement or to evidence (in accordance with Article 9) the succession of a new trustee hereunder, the removal of the trustee hereunder or the appointment of any co-trustee or co-trustees or any separate or additional trustee or trustees;

(3) to convey, transfer, assign, mortgage or pledge any property to or with the Loan Trustee or to make any other provisions with respect to matters or questions arising hereunder so long as such action shall not adversely affect the interests of the Loan Participants;

(4) to correct or amplify the description of any property at any time subject to the Lien of this Agreement or better to assure, convey and confirm unto the Loan Trustee any property subject or required to be subject to the Lien of this Agreement or to subject to the Lien of this Agreement the Airframe or Engines or airframe or engines substituted for the Airframe or Engines in accordance herewith or with the Lease; provided that Trust Agreement and Indenture Supplements entered into for the purpose of subjecting to the Lien of this Agreement the Airframe or Engines in accordance with the Lease need only be executed by the Owner Trustee;

(5) to add to the covenants of the Owner Trustee for the benefit of the Loan Participants, or to surrender any rights or power herein conferred upon the Owner Trustee, the Owner Participant or the Company;

(6) to add to the rights of the Loan Participants;

(7) to provide for the assumption by the Company of the obligations of the Owner Trustee hereunder in accordance with the terms and conditions applicable thereto specified in Section 7.03 hereof, including, without limitation, such amendments to Exhibit D hereof as may be necessary or desirable in order to effectuate such assumption and accomplish the purposes thereof; or

(8) to include on the Equipment Notes any legend as may be required by law.

Section 11.02. Amendments to This Agreement with Consent of Loan Participants. (a) With the written consent of Loan Participants owning a majority of the aggregate principal amount of the Outstanding Equipment Notes, the Owner Trustee and the Loan Trustee may enter into such supplemental agreements to add any provisions to or to change or eliminate any provisions of this Agreement or of any such supplemental agreements or to modify the rights of the Loan Participants; provided, however, that, without the consent of each Loan Participant affected thereby, an amendment under this Section 11.02 may not:

(1) reduce the principal amount of, any Installment Payment Amount payable with respect to, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, or interest on, any Equipment Note; or

(2) change the date on which any principal of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, or interest on any Equipment Note, is due or payable; or

(3) create any Lien on the Indenture Estate prior to or pari passu with the Lien thereon under this Agreement except such as are permitted by this Agreement, or deprive any Loan Participant of all or any part of the benefit of the Lien on the Indenture Estate created by this Agreement; or

(4) reduce the percentage in principal amount of the Outstanding Equipment Notes, the consent of whose holders is required for any such supplemental agreement, or the consent of whose holders is required for any waiver (of compliance with certain provisions of this Agreement or of certain defaults hereunder or their consequences) provided for in this Agreement; or

(5) make any change in Section 8.05, 8.08 or this Section 11.02(a); or

(6) change the definition of "Indenture Estate" or the amounts secured thereby.

(b) It is not necessary under this Section 11.02 for the Loan Participants to consent to the particular form of any proposed supplemental agreement, but it is sufficient if they consent to the substance thereof.

(c) Promptly after the execution by the Owner Trustee, the Company and the Loan Trustee of any supplemental agreement pursuant to the provisions of this Section 11.02, the Owner Trustee shall transmit by first-class mail a notice, setting forth in general terms the substance of such supplemental agreement, to all Loan Participants, as the names and addresses of such Loan Participants appear on the Register. Any failure of the Owner Trustee to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental agreement.

Section 11.03. Revocation and Effect of Consents. The Owner Trustee may at its option by delivery of an Officers' Certificate to the Loan Trustee set a record date to determine the Loan Participants entitled to give any consent, request, demand, authorization, direction, notice, waiver or other act. Such record date shall be the record date specified in such Officers' Certificate which shall be a date not more than 30 days prior to the first solicitation of Loan Participants in connection therewith. If such a record date is fixed, such consent, request, demand, authorization, direction, notice, waiver or other act may be given before or after such record date, but only the Loan Participants of record at the close of business on such record date shall be deemed to be Loan Participants for the purposes of determining whether Loan Participants holding the requisite proportion of Outstanding Equipment Notes have authorized or agreed or consented to such consent, request, demand, authorization, direction, notice, waiver or other

act, and for that purpose the Outstanding Equipment Notes shall be computed as of such record date; provided that no such consent, request, demand, authorization, direction, notice, waiver or other act by the Loan Participants on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Agreement not later than one year after the record date.

Section 11.04. Notation on or Exchange of Equipment Notes. The Loan Trustee may place an appropriate notation about an amendment or waiver on any Equipment Note thereafter executed. The Loan Trustee in exchange for such Equipment Notes may execute new Equipment Notes that reflect the amendment or waiver.

Section 11.05. Loan Trustee Protected. The Loan Trustee need not sign any supplemental agreement that adversely affects its rights, duties, immunities or indemnities.

Section 11.06. Amendments, Waivers, Etc. of Other Operative Documents.

(a) Without the consent of the Loan Participants holding a majority in principal amount of Outstanding Equipment Notes, the respective parties to the Participation Agreement, the Lease, the Trust Agreement and the Purchase Agreement Assignment may not modify, amend or supplement any of said agreements, or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or modifying in any manner the rights of the respective parties thereunder; provided, however, that the actions specified in subsection (b) of this Section 11.06 may be taken without the consent of the Loan Trustee or any Loan Participant.

(b) Subject to the provisions of subsection (c) of this Section 11.06, the respective parties to the Participation Agreement, the Lease and the Trust Agreement, at any time and from time to time without the consent of the Loan Trustee or of any Loan Participant, may:

(1) so long as no Indenture Event of Default shall have occurred and be continuing, modify, amend or supplement the Lease, or give any consent, waiver, authorization or approval with respect thereto, except that without compliance with subsection (a) of this Section 11.06 the parties to the Lease shall not modify, amend or supplement, or give any consent, waiver, authorization or approval for the purpose of adding any

provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder, with respect to the following provisions of the Lease as in effect on the Refunding Date: Section 2, Section 3(a) (if the result thereof would be to shorten the Term of the Lease to a period shorter than the period ending with the latest Maturity Date of any Equipment Notes), Section 3(b), Section 3(c) (except to the extent such Section relates to amounts payable (whether directly or pursuant to the Indenture) to Persons other than the Loan Participants and the Loan Trustee in its individual capacity), Section 3(d) (except insofar as it relates to the address or account information of the Owner Trustee or the Loan Trustee) (other than as such Sections 3(a) through 3(d) may be amended pursuant to Section 3(e) of the Lease in effect on the Refunding Date), Section 4, Section 6, Section 9 (except that further restrictions may be imposed on the ability of the Company to terminate the Lease with respect to the Aircraft or an Engine), Section 10 (except that additional requirements may be imposed on the Company), Section 11 (except for Section 11(d) and except that additional insurance requirements may be imposed on the Company), Section 12 (except in order to increase the Company's liabilities or enhance the Lessor's rights thereunder), Section 13 (except in the case of an assignment by the Lessor in circumstances where the Aircraft shall remain registrable under the Federal Aviation Act), Section 14 (except to impose additional or more stringent Lease Events of Default), Section 15 (except to impose additional remedies), Section 16, Section 17 (except to impose additional requirements on the Company), Section 19, Section 22, Section 25 and any definition of terms used in the Lease, to the extent that any modification of such definition would result in a modification of the Lease not permitted pursuant to this subsection (b); provided that, in the event an Indenture Event of Default shall have occurred and be continuing, the Loan Trustee shall have all rights of the Owner Trustee as "Lessor" under the Lease to modify, amend or supplement the Lease or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the "Lessor" thereunder; provided further that, without the prior consent of the Owner Trustee, and whether or not an Indenture Event of Default shall

have occurred and be continuing, no such action shall be taken with respect to any of the provisions of Sections 1 (to the extent any modification of a definition contained therein would result in a modification of the Lease not permitted by this proviso), 3, 5, 6 (to the extent such action would reduce the Company's obligations), 7, 8, 9, 10, 11 (except to increase the amounts or types of insurance the Company must provide thereunder at its expense), 12, 13, 14, 15, 17 (insofar as it relates to the Lessor), 19, 20 and 28 of the Lease, or any other section of the Lease to the extent such action shall affect the amount or timing of any amounts payable by the Company under the Lease as originally executed (or as subsequently modified with the consent of the Owner Trustee) which, absent the occurrence and continuance of an Indenture Event of Default, would be distributable to the Owner Trustee under Article 3 or otherwise materially and adversely affects the rights of the Owner Trustee or the Owner Participant; and provided further that the parties to the Lease may take any such action without the consent of the Loan Trustee or any Loan Participant to the extent such action relates to the payment of amounts constituting, or the Owner Trustee's, the Owner Participant's or the Company's rights or obligations with respect to, Excepted Property;

(2) modify, amend or supplement the Trust Agreement, or give any consent, waiver, authorization or approval with respect thereto, in each case only to the extent any such action shall not adversely impact the interests of the Loan Participants;

(3) modify, amend or supplement the Participation Agreement, or give any consent, waiver, authorization or approval with respect thereto, except that without the consent of the Loan Participants holding a majority in principal amount of Outstanding Pass Through Equipment Notes, the parties to the Participation Agreement shall not modify, amend or supplement, or give any consent, waiver, authorization or approval for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder, with respect to the following provisions of the Participation Agreement as in effect on the Refunding Date: Section 7 (insofar as such Section 7 relates to the Loan Trustee, the Indenture Estate and the Loan Participants holding the Pass

Through Equipment Notes), Section 8, Sections 9(b) through 9(d), Section 10, Section 13, Section 16(b) and, to the extent the Loan Participants holding the Pass Through Equipment Notes would be adversely affected thereby, Section 16(c) and Section 17 and any definition of terms used in the Participation Agreement, to the extent that any modification of such definition would result in a modification of the Participation Agreement not permitted pursuant to this subsection (b);

(4) modify, amend or supplement any of said agreements in order to cure any ambiguity, to correct or supplement any provisions thereof which may be defective or inconsistent with any other provision thereof or of any provision of this Indenture, or to make any other provision with respect to matters or questions arising thereunder or under this Agreement which shall not be inconsistent with the provisions of this Agreement, provided the making of any such other provision shall not adversely affect the interests of the Loan Participants unless such provision corrects a mistake or cures an ambiguity; and

(5) any indemnities solely in favor of the Owner Participant or any member of its Related Indemnitee Group may be modified, amended or supplemented in such manner as shall be agreed by the Owner Participant and the Lessee.

(c) No modification, amendment, supplement, consent, waiver, authorization or approval with respect to the Lease or the Participation Agreement, whether effected pursuant to subsection (a) or pursuant to subsection (b) of this Section 11.06 and anything in such subsections or elsewhere in this Agreement to the contrary notwithstanding, shall, without the consent of each Loan Participant affected thereby,

(1) modify, amend or supplement the Lease in such a way as to extend the time of payment of Basic Rent or Supplemental Rent payable in respect of the Make-Whole Amount or Swap Breakage Loss or Stipulated Loss Value or any other amounts payable upon the occurrence of an Event of Loss or Termination Value and any other amounts payable upon termination of the Lease with respect to the Aircraft, payable under, or as provided in, the Lease in effect on the Refunding Date, or reduce the amount of any installment of Basic Rent or Supplemental Rent payable in respect of the Make- Whole Amount or Swap Breakage Loss as in effect on the Refunding Date so that the same is less than the payment of principal of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, and interest on the Equipment Notes, as the case may be, to be made from such installment of Basic Rent or

Supplemental Rent payable in respect of the Make-Whole Amount or Swap Breakage Loss, or reduce the aggregate amount of Stipulated Loss Value or Swap Breakage Loss or any other amounts payable under, or as provided in, the Lease as in effect on the Refunding Date upon the occurrence of an Event of Loss so that the same is less than the accrued interest on and principal as of the Lease Loss Payment Date, and Make-Whole Amount, if any, or Swap Breakage Loss, if any, of the Equipment Notes at the time Outstanding or reduce the amount of Termination Value and any other amounts payable under, or as provided in, the Lease as in effect on the Refunding Date upon termination of the Lease with respect to the Aircraft so that the same is less than the accrued interest on and principal as of the Lease Termination Date and Make-Whole Amount, if any, or Swap Breakage Loss, if any, of Equipment Notes at the time Outstanding, or

(2) modify, amend or supplement the Lease in such a way as to, or consent to any assignment of the Lease or give any consent, waiver, authorization or approval which would, release the Company from its obligations in respect of payment of Basic Rent, Supplemental Rent payable in respect of the Make-Whole Amount or Swap Breakage Loss or Stipulated Loss Value and any other amounts payable upon the occurrence of an Event of Loss, or Termination Value and any other amounts payable upon termination of the Lease with respect to the Aircraft, payable under, or as provided in, the Lease as in effect on the Refunding Date, except for any such assignment pursuant to Section 13(E) of the Participation Agreement, and except as provided in the Lease as in effect on the Refunding Date.

(b) the purchase of the Aircraft by the Company at its option pursuant to Section 9(e) of the Lease on the Lease Termination Date or pursuant to Section 20(b) of the Lease on the Special Purchase Option Date (unless the Company shall have elected to assume all of the rights and obligations of the Owner Trustee hereunder as provided for in Section 7.03), and upon payment to the Loan Trustee of an amount equal to the Redemption Price as at the applicable Redemption Date of all Outstanding Equipment Notes, or

(c) the termination of the Lease, on the Lease Loss Payment Date, following an Event of Loss suffered by the Airframe under circumstances where the Company does not exercise its option to substitute a Replacement Airframe therefor pursuant to Section 10(a)(i) of the Lease, and upon payment to the Loan Trustee of an amount equal to the Redemption Price as at the Redemption Date of all Outstanding Equipment Notes, or

ISSUANCE OF EQUIPMENT NOTES AFTER REDEMPTION

Section 14.01. Issuance of Equipment Notes After Redemption. Following a redemption of the Equipment Notes of any Maturity in accordance with Section 6.01(b)(2) or 6.01(b)(3), the Owner Trustee, with the consent of the Company, may issue and sell, and the Loan Trustee shall authenticate and deliver, one or more new series of Equipment Notes in an aggregate principal amount up to the aggregate principal amount of the Equipment Notes then being redeemed and having such terms and provisions (including, without limitation, interest rate, amortization schedule, maturity date and redemption provisions) as the Owner Trustee shall deem appropriate and as shall be approved by the Company; provided that if after such redemption any Equipment Notes remain outstanding, the new series of Equipment Notes:

(i) shall be denominated and payable in United States Dollars and shall not be in a principal amount greater than the Equipment Notes redeemed;

(ii) shall not rank senior in any respect to the Equipment Notes which remain outstanding; and

(iii) shall not have a maturity after or have a weighted average life longer than the Equipment Notes redeemed if any of the Equipment Notes which remain outstanding have a maturity date after or concurrent with the maturity date of the Equipment Notes redeemed; and provided further that prior to authentication of such new series of Equipment Notes the Loan Trustee shall have received (i) written evidence from Standard & Poor's Ratings Group, a division of McGraw-Hill, Inc., and Moody's Investors Service, Inc. to the effect that the issuance of such new series, by itself, would not result in a downgrading of the credit rating (if any) assigned to the Pass Through Certificates then outstanding and (ii) an Opinion of Counsel for the Company reasonably satisfactory to the Loan Trustee to the effect that the protection afforded by Section 1110 of the Bankruptcy Code to the existing Loan Participants would not be adversely affected by the issuance of such new series of Equipment Notes;

provided that such opinion need not be delivered to the extent that the benefits of such Section 1110 are not available to the Loan Participants with respect to the Aircraft immediately prior to such assumption; and provided further that such opinion may contain qualifications of the tenor contained in the opinion of Debevoise & Plimpton delivered pursuant to Section 3(k) of the Refunding Agreement on the Refunding Date.

In the event any amount of principal or interest payable hereunder is not paid when due, to the extent permitted by applicable law, interest shall accrue on such amounts at the Past Due Rate. All computations of interest accruing on this Bank Equipment Note shall be made on the basis of a year of 360 days consisting of twelve 30-day months. All amounts payable by the Owner Trustee hereunder and under the Amended and Restated Trust Indenture and Security Agreement (AA 1995 PTC Series AB), dated as of June 15, 1995 (herein called the "Indenture," the defined terms therein not otherwise defined herein being used herein with the same meanings), by and between the Owner Trustee, and State Street Bank and Trust Company of Connecticut, National Association, as Loan Trustee thereunder, shall be made only from the income and proceeds of the Indenture Estate. Each Loan Participant, by its acceptance of this Bank Equipment Note, agrees that (a) it will look solely to the income and proceeds of the Indenture Estate for payment of such amounts, to the extent available for distribution to the Loan Participant as provided in the Indenture and (b) none of the Owner Participant, the Owner Trustee or the Loan Trustee is or shall be personally liable to the Loan Participant for any amount payable hereunder or under the Indenture or, except as provided in the Indenture in the case of the Loan Trustee and the Owner Trustee, for any liability under the Indenture.

The interest or Installment Payment Amount so payable, and punctually paid or duly provided for the applicable Interest Payment Date or Installment Payment Date, as the case may be, will, as provided in the Indenture, be paid to the Person in whose name this Bank Equipment Note (or one or more predecessor Bank Equipment Notes) is registered at the close of business on the Record Date for payment of such interest or Installment Payment Amount, which shall be the fifteenth day (whether or not a Business Day), as the case may be, next preceding such Interest Payment Date or Installment Payment Date, as the case may be. Any such interest or Installment Payment Amount not so

Payment of the principal of, Swap Breakage Loss, if any, and interest on this Bank Equipment Note will be made in immediately available funds at the principal corporate trust office of the Loan Trustee, or the office or agency maintained by the Loan Trustee for such purpose, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. The Paying Agent appointed under the Indenture shall remit all such amounts so received by it via wire transfer of immediately available funds to such address and in such manner as each Bank Lender shall have designated in writing to the Paying Agent. The Paying Agent shall cause each payment to the Bank Lender hereof to be made by 4:00 p.m. on the day the Paying Agent receives such payment. In the event the Paying Agent shall fail to make any such payment as provided in the immediately foregoing sentence after its receipt of funds at the place and by the time specified, the Paying Agent, in its individual capacity and not as Paying Agent, has agreed to compensate the Bank Lender holding this Bank Equipment Note for loss of use of such funds.

Promptly following payment of all principal, Swap Breakage Loss, if any, and interest due and owing with respect to this Bank Equipment Note and all other sums due and payable to the Bank Lender in whose name this Bank Equipment Note is registered in the Register under the Indenture, under this Bank Equipment Note, and under the Participation Agreement or Refunding Agreement, the Bank Lender holding this Bank Equipment Note shall surrender this Bank Equipment Note to the Loan Trustee for cancellation.

This Bank Equipment Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose unless this Bank Equipment Note has been executed on behalf of the Owner Trustee by the manual or facsimile signature of an authorized officer of the Owner Trustee, and authenticated by the Loan Trustee by the manual signature of an authorized officer or signatory of the Loan Trustee, in each case as specified in Section 2.02 of the Indenture.

Reference is made to the Participation Agreement, the Refunding Agreement, the Indenture and the other Operative Documents and all supplements and amendments to such documents (copies of which are on file with the Loan Trustee at its principal corporate trust office) for a more complete statement of the terms and provisions of such agreements, including a statement of the properties conveyed, pledged and assigned under the Indenture, the nature and extent of the security under the Indenture, the respective rights and obligations under such agreements of the Owner Trustee, the Company, the Loan Trustee and the Loan Participants, and the terms upon which the Equipment Notes are, and are to be, executed and delivered, as well as for a statement of the terms and conditions of the trust created by the Indenture, to all of which terms and conditions each Bank Lender agrees by its acceptance of this Bank Equipment Note. The final installment of principal of this Bank Equipment Note shall under all circumstances equal the entire principal balance hereof outstanding on the Maturity Date.

As more fully provided in the Indenture, the Equipment Notes are subject to redemption, upon such notice and under the circumstances set forth in the Indenture, at the Redemption Price set forth for such circumstances therein.

If an Indenture Event of Default shall occur and be continuing, the unpaid principal amount of the Equipment Notes may be declared due and payable in the manner and with the effect provided in the Indenture. If, and only if, such an event of default constitutes an event of default by the Company under the Lease, the Loan Trustee may declare the Lease to be in default, and may, to the exclusion of the Owner Trustee, exercise one or more of the remedies of the Owner Trustee provided in the Lease.

The right of the Bank Lender to institute action for any remedy under the Indenture, including the enforcement of payment of any amount due hereon, is subject to certain restrictions specified in the Indenture.

The Owner Trustee and the Loan Trustee will be discharged from their respective obligations in respect of the Equipment Notes (except for certain matters, including obligations to register the transfer or exchange of Equipment Notes, replace stolen, lost or mutilated Equipment Notes, maintain paying agencies and hold moneys for payment in trust), and the Loan Trustee may thereupon cause the release of the Indenture Estate from the lien of the Indenture, if (a) the Owner Trustee deposits or causes to be deposited irrevocably with the Loan Trustee, in trust, money or U.S. Government Obligations which through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay principal of, Make-Whole Amount or Swap Breakage Loss, if any, as the case may be, and interest on the Outstanding Equipment Notes on the dates such payments are due in accordance with the terms of such Equipment Notes and (b) certain other conditions are satisfied, including the publication by the United States Internal Revenue Service of a ruling to the effect that the deposit and related defeasance would not cause the Loan Participants to recognize income, gain or loss for Federal income tax purposes.

As provided in the Indenture and in the Refunding Agreement and subject to certain limitations set forth herein and therein (including the limitations set forth in Section 10 of the Refunding Agreement), this Bank Equipment Note is transferable, and upon surrender of this Bank Equipment Note for registration of transfer at the principal corporate trust office of the Registrar, or at the office or agency maintained for such purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by, the Bank Lender or his attorney duly authorized in writing, one or more new Bank Equipment Notes of the same maturity and type and of authorized denominations and for the same aggregate principal amount will be issued to the designated transferee or transferees.

The Bank Equipment Notes are issuable only as registered Equipment Notes. The Bank Equipment Notes are issuable in denominations of not less than \$5,000,000 (or such lesser amount as shall constitute 100% of the aggregate unpaid principal amount of Bank Equipment Notes held by the Bank Lender holding such Bank Equipment Notes). As provided in the Indenture and subject to certain limitations set forth therein and in the Refunding Agreement, Bank Equipment Notes are exchangeable for an equal aggregate principal amount of Bank Equipment Notes of the same type, having the same Maturity Date and of any authorized denominations or transferable upon surrender of the Bank Equipment Notes to be exchanged or transferred, as requested by the Bank Lender surrendering the same, upon presentation thereof for such purpose at the principal corporate trust office of the Registrar, or at any office or agency maintained for such purpose.

No service charge shall be made for any such registration of transfer or exchange, but the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment for registration of transfer of this Bank Equipment Note, the Owner Trustee, the Loan Trustee, the Paying Agent, the Registrar and the Company may deem and treat the Bank Lender in whose name this Bank Equipment Note is registered as the absolute owner hereof for the purpose of receiving payment of the principal of and interest on this Bank Equipment Note and for all other purposes whatsoever whether or not this Bank Equipment Note be overdue, and neither the Owner Trustee, the Loan Trustee,

Section 7.03. [Intentionally Omitted]

(H) Sections 8.01, 8.02, 8.03 and 8.04 thereof shall read as follows:

Section 8.01. Indenture Events of Default. The following events shall constitute "Indenture Events of Default" under this Indenture (whether any such event shall be

voluntary or involuntary or come about or be effected by operation of law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body) and each such Indenture Event of Default shall be deemed to exist and continue so long as, but only as long as, it shall not have been remedied:

(a) the Company shall fail to pay any installment of interest upon any Equipment Note, or the principal of any Equipment Note or of Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, in respect of any Equipment Note, in each case when the same shall be due and payable (whether upon redemption, final maturity, acceleration or otherwise), and, in each case, such failure shall continue for more than 15 days after the same shall have become due and payable; or

(b) the Company shall fail to carry and maintain insurance on or with respect to the Aircraft in accordance with the provisions of Section 11 of Article 15 hereof; provided that, in the case of insurance with respect to which cancellation, change or lapse for nonpayment of premium shall not be effective as to the Loan Trustee, the Bank Lenders or the Pass Through Trustee for 30 days (seven days, or such other period as may from time to time be customarily obtainable in the industry, in the case of any war risk and allied perils coverage) after receipt of notice by the Loan Trustee of such cancellation, change or lapse, no such failure to carry and maintain insurance shall constitute an Indenture Event of Default hereunder until the earlier of (i) the date such failure shall have continued unremedied for a period of 20 days (five days in the case of any war risk and allied perils coverage) after receipt by the Loan Trustee of the notice of cancellation, change or lapse referred to in Section 11(a)(C) or 11(b)(C) of Article 15 hereof, or (ii) the date such insurance not being in effect as to the Loan Trustee or the Bank Lenders; or

(c) the Company shall operate the Aircraft at a time when public liability insurance required by Section 11(a) of Article 15 hereof shall not be in effect; or

(d) the Company shall fail to perform or observe any covenant or agreement to be performed or observed by it hereunder or under the Participation Agreement and such failure shall continue unremedied for a period of 30 days after written notice thereof has been given by the Loan Trustee; provided that, if such failure is capable of being remedied, so long as the Company is diligently proceeding to remedy such failure, no such failure shall constitute an Event of Default hereunder for a period of up to 365 days; or

(e) any material representation or warranty made by the Company in the Participation Agreement or in the Purchase Agreement (to the extent applicable to the Aircraft) or in any document or certificate furnished by the Company in connection herewith or therewith or pursuant hereto or thereto shall prove to have been incorrect in any material respect at the time made and such incorrectness shall continue to be material and shall continue unremedied for a period of 30 days after written notice thereof has been given by the Loan Trustee; or

(f) the Company shall consent to the appointment of a receiver, trustee or liquidator of itself or of a substantial part of its property or the Company shall admit in writing its inability to pay its debts generally as they come due, or shall make a general assignment for the benefit of creditors; or

(g) the Company shall file a voluntary petition in bankruptcy or a voluntary petition or an answer seeking reorganization in a proceeding under any bankruptcy laws (as now or hereafter in effect) or an answer admitting the material allegations of a petition filed against the Company in any such proceeding, or the Company shall by voluntary petition, answer or consent, seek relief under the provisions of any other now existing or future bankruptcy or other similar law providing for the reorganization or winding up of corporations, or providing for an agreement, composition, extension or adjustment with its creditors; or

(h) an order, judgment, or decree shall be entered by any court of competent jurisdiction appointing, without the consent of the Company, a receiver, trustee or liquidator of the Company or of any substantial part of its property, or sequestering any substan-

tial part of the property of the Company, and any such order, judgment or decree of appointment or sequestration shall remain in force undismissed, unstayed or unvacated for a period of 90 days after the date of entry thereof; or

(i) a petition against the Company in a proceeding under the Federal bankruptcy laws or other insolvency laws, as now or hereafter in effect, shall be filed and shall not be withdrawn or dismissed within 90 days thereafter, or, under the provisions of any law providing for reorganization or winding-up of corporations which may apply to the Company, any court of competent jurisdiction shall assume jurisdiction, custody or control of the Company or of any substantial part of its property and such jurisdiction, custody or control shall remain in force unrelinquished, unstayed or unterminated for a period of 90 days;

provided that, notwithstanding anything to the contrary contained in this Indenture, any failure of the Company to perform or observe any covenant, condition, or agreement herein shall not constitute an Indenture Event of Default if such failure is caused solely by reason of an event referred to in the definition of "Event of Loss", so long as the Company is continuing to comply with the applicable terms of Section 10 of Article 15 hereof.

Section 8.02. Acceleration; Rescission and Annulment. If an Indenture Event of Default occurs and is continuing, the Loan Trustee, by notice to the Company, or the Loan Participants holding at least 25% in aggregate principal amount of outstanding Equipment Notes by notice to the Company and the Loan Trustee, may declare the principal of all the Equipment Notes to be due and payable. Upon such declaration, the principal of all Equipment Notes, together with accrued interest thereon from the date in respect of which interest was last paid hereunder to the date payment of such principal has been made or duly provided for shall be due and payable immediately, together with Swap Breakage Loss,

if any, on the Bank Equipment Notes. At any time after such declaration and prior to the sale or disposition of the Indenture Estate, the Loan Participants in a majority in aggregate principal amount of all of the Outstanding Equipment Notes, by notice to the Loan Trustee and the Company, may rescind such a declaration and thereby annul its consequences if (i) an amount sufficient to pay all principal of, Make-Whole Amount, if any, and Swap Breakage Loss, if any, and interest thereon, at the rate prescribed therefor in such Equipment Note and interest due or past due, if any, in respect of the Outstanding Equipment Notes plus all other amounts payable to the Loan Participants, other than by reason of such acceleration, and all sums due and payable to the Loan Trustee has been deposited with the Loan Trustee, (ii) the rescission would not conflict with any judgment or decree and (iii) all existing Indenture Defaults and Indenture Events of Default under this Indenture have been cured or waived except nonpayment of principal of, Swap Breakage Loss, if any, or interest on the Equipment Notes that has become due solely because of such acceleration. No Make-Whole Amount shall be payable on the Pass Through Equipment Notes as a result of the acceleration of the Equipment Notes.

Section 8.03. Other Remedies Available to Loan Trustee. (a) After an Indenture Event of Default shall have occurred and so long as the same shall be continuing, then and in every such case the Loan Trustee, as trustee of an express trust and as holder of a security interest in the Aircraft or Engines or otherwise, may, at its option, declare this Indenture to be in default by a written notice to the Company; and at any time thereafter, so long as the Company shall not have remedied all outstanding Events of Default, the Loan Trustee may do one or more of the following with respect to all or any part of any Airframe or any Engines as the Loan Trustee in its sole discretion shall elect, to the extent permitted by, and subject to compliance with any mandatory requirements of, applicable law then in effect; provided, however, that, during any period when the Aircraft is subject to the Civil Reserve Air Fleet Program in accordance with the provisions of Section 7(b) of Article 15 hereof and in the possession of the United States government or an instrumentality or agency thereof, and to the extent that any applicable law or contractual provision covering the Aircraft so requires, the Loan Trustee shall not, on account of any Indenture Event of Default, be entitled to do any of the following in such manner as to limit the Company's control (or any lessee's control, under any lease permitted by the terms of Section 7(b) of Article 15 hereof) of any Airframe or any Engines, unless at least 60 days' (or such lesser period as may then be applicable under the Military Airlift Command Program of the United States Government) prior written notice of default under this Indenture with respect to the Company's obligations hereunder shall have been given by the Loan Trustee by registered or certified mail to the Company (and, if applicable, any such

lessee) with a copy addressed to the Contracting Office Representative for the Military Airlift Command of the United States Air Force under any contract with the Company (or any such lessee) relating to the Aircraft:

(i) cause the Company, upon the written demand of the Loan Trustee and at the Company's expense, to re- turn promptly, and the Company shall return promptly, all or such part of any Airframe or any Engine as the Loan Trustee may so demand to the Loan Trustee or its order or the Loan Trustee, at its option, may enter upon the premises where all or any part of such Air- frame or any Engine are located and take immediate possession of and remove the same (together with any engine which is not an Engine but which is installed on the Airframe, subject to all of the rights of the owner, lessor, lienor or secured party of such engine; provided that the Airframe with an engine (which is not an Engine) installed thereon may be flown or returned only to a location within the continental United States, and such engine shall be held for the account of any such owner, lessor, lienor or secured party or, if owned by the Company, may, at the option of the Loan Trustee, be exchanged with the Company for an Engine) all without liability accruing to the Loan Trustee for or by reason of such entry or taking of possession or removal, whether for the restoration of damage to prop- erty caused by taking or otherwise; or

(ii) sell all or any part of any Airframe and any Engine at public or private sale, whether or not the Loan Trustee shall at the time have possession thereof, as the Loan Trustee may determine, or otherwise dispose of, hold, use, operate, lease to others or keep idle all or any part of such Airframe or such Engine as the Loan Trustee, in its sole discretion, may determine, all free and clear of any rights of the Company and without any duty to account to the Company with respect to such action or inaction or for any proceeds with respect thereto.

(b) Subject to Section 8.03(e) and Section 8.03(h), if an Indenture Event of Default has occurred and is continuing, the Loan Trustee may, if at the time such action may be lawful and always subject to compliance with any mandatory legal requirements, either with or without taking possession, and either before or after taking possession, and without instituting any legal proceedings whatso-

ever, and having first given notice of such sale by registered mail to the Company once at least thirty days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of the Indenture Estate, or any part thereof, or interest therein, at public auction to the highest bidder, in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Loan Trustee may determine, and at any place (whether or not it be the location of the Indenture Estate or any part thereof) and time designated in the notice above referred to; provided, however, that, notwithstanding any provision herein to the contrary, the Loan Trustee shall not sell any of the Indenture Estate unless a declaration of acceleration has been made pursuant to Section 8.02. Any such sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or for any such adjourned sale or sales, without further notice, and the Loan Trustee and any Loan Participant may bid and become the purchaser at any such sale. The Loan Trustee may exercise such right without possession or production of the Equipment Notes or proof of ownership thereof, and as representative of the Loan Participants may exercise such right without notice to the Loan Participants or including the Loan Participants as parties to any suit or proceeding relating to foreclosure of any property in the Indenture Estate. The Company hereby irrevocably constitutes the Loan Trustee the true and lawful attorney-in-fact of the Company (in the name of the Company or otherwise) for the purpose of effectuating any sale, assignment, transfer or delivery for enforcement of the Lien created under this Indenture, whether pursuant to foreclosure or power of sale or otherwise, to execute and deliver all such bills of sale, assignments and other instruments as the Loan Trustee may consider necessary or appropriate, with full power of substitution, the Company hereby ratifying and confirming all that such attorney or any substitute shall lawfully do by virtue hereof. Nevertheless, if so requested by the Loan Trustee or any purchaser, the Company shall ratify and confirm any such sale, assignment, transfer or delivery, by executing and delivering to the Loan Trustee or such purchaser all bills of sale, assignments, releases and such proper instruments to effect such ratification and confirmation as may be designated in any such request.

(c) Subject to Section 8.03(e) and 8.03(h), if an Indenture Event of Default has occurred and is continuing, the Company shall, at the request the Loan Trustee, promptly execute and deliver to the Loan Trustee such instruments of

title or other documents as the Loan Trustee may deem necessary or advisable to enable the Loan Trustee or an agent or representative designated by the Loan Trustee, at such time or times and place or places as the Loan Trustee may specify, to obtain possession of all or any part of the Indenture Estate. If the Company shall for any reason fail to execute and deliver such instruments and documents after such request by the Loan Trustee, the Loan Trustee shall be entitled, in a proceeding to which the Company will be a necessary party, to a judgment for specific performance of the covenants contained in the foregoing sentence, conferring upon the Loan Trustee the right to immediate possession and requiring the Company to execute and deliver such instruments and documents to the Loan Trustee. The Loan Trustee shall also be entitled to pursue all or any part of the Indenture Estate wherever it may be found and may enter any of the premises of the Company or any other Person whenever the Indenture Estate may be or is supposed to be and search for the Indenture Estate and take possession of any item of the Indenture Estate pursuant to this Section 8.03(c). The Loan Trustee may, from time to time, at the expense of the Indenture Estate, make all such expenditures for maintenance, insurance, repairs, replacements, alterations, additions and improvements to and of the Indenture Estate, as it may deem proper. In each such case, the Loan Trustee shall have the right to use, operate, store, lease, control or manage the Indenture Estate, and to exercise all rights and powers of the Company relating to the Indenture Estate as the Loan Trustee shall deem appropriate, including the right to enter into any and all such agreements with respect to the use, operation, storage, leasing, control or management of the Indenture Estate or any part thereof; and the Loan Trustee shall be entitled to collect and receive directly all tolls, rents, issues, profits, products, revenues and other income of the Indenture Estate and every part thereof, without prejudice, however, to the right of the Loan Trustee under any provision of this Indenture to collect and receive all cash held by, or required to be deposited with, the Loan Trustee hereunder. In accordance with the terms of this Section 8.03(c), such tolls, rents, issues, profits, products, revenues and other income shall be applied to pay all expenses of using, operating, storing, leasing, controlling or managing the Indenture Estate, and of all maintenance, insurance, repairs, replacements, alterations, additions and improvements, and to make all payments which the Loan Trustee may be required or may elect to make, if any, for taxes, assessments, insurance or other proper charges upon the Indenture Estate or any part

thereof (including the employment of engineers and accountants to examine, inspect and make reports upon the properties and books and records of the Company in accordance with this Section 8.03(c)), and all other payments which the Loan Trustee may be required or authorized to make under any provision of this Indenture, including this Section 8.03(c), as well as just and reasonable compensation for the services of the Loan Trustee, and of all Persons properly engaged and employed by the Loan Trustee.

If an Indenture Event of Default occurs and is continuing and the Loan Trustee shall have obtained possession of or title to the Aircraft, the Loan Trustee shall not be obligated to use or operate the Aircraft or cause the Aircraft to be used or operated directly or indirectly by itself or through agents or other representatives or to lease, license or otherwise permit or provide for the use or operation of the Aircraft by any other Person unless (i) the Loan Trustee shall have been able to obtain insurance in kinds, at rates and in amounts satisfactory to it in its discretion to protect the Indenture Estate and the Loan Trustee, as trustee and individually, against any and all liability for loss or damage to the Aircraft and for public liability and property damage resulting from use or operation of the Aircraft and (ii) funds are available in the Indenture Estate to pay for all such insurance or, in lieu of such insurance, the Loan Trustee is furnished with indemnification from the holders of the Equipment Notes or any other Person upon terms and in amounts satisfactory to the Loan Trustee in its discretion to protect the Indenture Estate and the Loan Trustee, as trustee and individually, against any and all such liabilities.

(d) Subject to Section 8.03(e) and 8.03(h), the Loan Trustee may proceed to protect and enforce this Indenture and the Equipment Notes by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted; or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Indenture Estate or any part thereof, or for the recovery in judgment for the indebtedness secured by the Lien created under this Indenture or for the enforcement of any other proper, legal or equitable remedy available under applicable law.

(e) Notwithstanding any provision of this Indenture to the contrary, including, without limitation, Sec-

tions 8.03(b), 8.03(c) and 8.03(d), so long as no Indenture Event of Default shall have occurred and be continuing, the Loan Trustee shall not take any action contrary to, or disturb, the Company's rights to possession and use of, and quiet enjoyment of, the Aircraft.

(f) Each and every right, power and remedy herein given to the Loan Trustee specifically or otherwise in this Indenture shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often in such order as may be deemed expedient by the Loan Trustee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Loan Trustee in the exercise of any right, remedy or power or in pursuing any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Company or to be an acquiescence therein.

(g) Notwithstanding any provision hereof, if any payment of principal of any Equipment Note shall not be made when and as the same shall become due and payable, or if any payment of interest on any Equipment Note shall not be made when and as the same shall become due and payable, and such failure shall continue for the period prescribed in Section 8.01(a), the Loan Trustee shall be entitled to recover judgment, in its own name and as trustee of an express trust, upon the Equipment Note for the whole amount of such principal or interest, as the case may be, remaining unpaid.

(h) Notwithstanding anything contained herein, so long as the Pass Through Trustee is the registered holder of any Equipment Note hereunder, the Loan Trustee is not authorized or empowered to acquire title to all or any portion of the Indenture Estate or take any action with respect to all or any portion of the Indenture Estate so acquired by it if such acquisition or action would cause any Pass Through Trust to fail to qualify as a "grantor trust" for Federal income tax purposes.

Section 8.04. Waiver of Company. To the extent now or at any time hereafter enforceable under applicable law, the Company covenants that it will not at any time

insist upon or plead, or in any manner whatsoever claim or take any benefit or advantage of, any stay or extension law now or at any time hereafter in force, nor claim, take nor insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Indenture Estate or any part thereof, prior to any sale or sales thereof to be made pursuant to any provision herein contained, or to the decree, judgment or order of any court of competent jurisdiction; nor, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or otherwise to redeem the property so sold or any part thereof, and hereby expressly waives for itself and on behalf of each and every Person, except decree or judgment creditors of the Company acquiring any interest in or title to the Indenture Estate or any part thereof subsequent to the date of this Indenture, all benefit and advantage of any such law or laws, and covenants that it will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any power herein granted and delegated to the Loan Trustee, but will suffer and permit the execution of every such power as though no such law or laws had been made or enacted.

The Loan Trustee may maintain such a proceeding even if it does not possess any of the Equipment Notes or does not produce any of them in the proceeding. A delay or omission by the Loan Trustee or any Loan Participant in exercising any right or remedy accruing upon an Indenture Event of Default under this Indenture shall not impair the right or remedy or constitute a waiver of or acquiescence in such Indenture Event of Default.

(I) Section 9.11 thereof shall read as follows:

Section 9.11. Assumption of Certain Obligations.

Notwithstanding any provision to the contrary contained herein, any reference in this Article 9 to the Owner Trustee or to any obligation of the Owner Trustee shall be deemed to be a reference to the Company or to an obligation of the Company, as the case may be, any reference to "Lease Event of Default" shall be deemed to be a reference to an "Indenture Event of Default," all provisions requiring notices to the Owner Trustee or the Owner Participant shall be deemed to be deleted for the purposes of this Article 9 and any provision in this Article 9 requiring the action or consent of the Owner Trustee shall be deemed to require the action or approval of the Company.

(J) Sections 10.01 and 10.04 thereof shall read as follows:

Section 10.01. Satisfaction and Discharge of Agreement; Defeasance; Termination of Obligations. Subject to Section 10.02, this Indenture shall cease to be of further effect, and the Company and the Loan Trustee shall be deemed to have been discharged from their respective obligations with respect to the Equipment Notes (and the Loan Trustee, on demand and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture in respect of the Equipment Notes), when

(a) (i) all Equipment Notes theretofore executed and delivered (other than (A) Equipment Notes which have been mutilated, destroyed, lost or stolen and which have been replaced or exchanged as provided in Section 2.06 and (B) Equipment Notes for the payment of which money held in trust hereunder has been paid and discharged from such trust, as provided in Section 7.01) have been delivered to the Loan Trustee for cancellation; or

(ii) all Equipment Notes not theretofore delivered to the Loan Trustee for cancellation have become due and payable (whether upon stated maturity, as a result of redemption or upon acceleration), or will become due and payable (including as a result of redemption in respect of which irrevocable notice has been given to the Loan Trustee on or prior to the date of the deposit referred to below) at maturity within one year, and there has been deposited with the Loan Trustee in trust for the purpose of paying and discharging the entire indebtedness of the Equipment Notes not theretofore cancelled by the Loan Trustee or delivered to the Loan Trustee for cancellation, an amount in cash sufficient without reinvestment thereof to discharge such indebtedness, including the principal of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, and interest on the Equipment Notes to the date of such deposit (in the case of Equipment Notes which have become due and payable), or to the maturity thereof, as the case may be, plus all other amounts payable to the Loan Participants; or

(iii) (A) the Company has deposited or caused to be deposited irrevocably (except as provided in Sec-

tion 10.04) with the Loan Trustee as trust funds in trust, specifically pledged as security for, and dedicated solely to, the benefit of the Loan Participants, (1) money in an amount, or (2) U.S. Government Obligations which, through the payment of interest and principal in respect thereof in accordance with their terms, will provide (not later than one Business Day before the due date of any payment referred to below in this clause) money in an amount, or (3) a combination of money and U.S. Government Obligations referred to in the foregoing clause (2), sufficient, in the opinion of a nationally recognized firm of independent certified public accountants expressed in a written certification thereof delivered to the Loan Trustee, to pay and discharge each installment of principal of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case maybe, and interest on the Outstanding Equipment Notes on the dates such payments of principal or interest are due (including as a result of redemption in respect of which irrevocable notice has been given to the Loan Trustee on or prior to the date of such deposit) and no Indenture Event of Default or Indenture Default under any of Sections 8.01(f) through 8.01(i) hereof shall have occurred and be continuing on the date of such deposit or at any time during the period ending on the 91st day after such date; provided further that, upon the making of the deposit referred to above in clause (A), the right of the Company to cause the redemption of Equipment Notes (except redemption in respect of which irrevocable notice has theretofore been given) shall terminate;

(B) such deposit will not result in a breach or violation of, or constitute an Indenture Default or Indenture Event of Default under, this Indenture or a default or event of default under any other agreement or instrument to which the Company is a party or by which it is bound; and

(C) the Company has delivered to the Loan Trustee an Officers' Certificate and an Opinion of Counsel to the effect that there has been published by the Internal Revenue Service a ruling to the effect that Loan Participants will not recognize income, gain or loss for Federal income tax purposes as a result of the exercise by the Company of its option under this Section 10.01(a)(iii) and will be subject to Federal income tax on the same amount and in the same manner and

at the same time as would have been the case if such option had not been exercised;

(b) all other amounts then due and payable hereunder have been paid; and

(c) the Company has delivered to the Loan Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for relating to the satisfaction and discharge of this Indenture contemplated by this Section 10.01 have been complied with.

Section 10.04. Monies to Be Returned to the Company. The Loan Trustee and any Paying Agent shall promptly pay or return to the Company upon request of the Company any money or U.S. Government Obligations held by them at any time that are not required for the payment of the amounts described above in Section 10.03 for which money or U.S. Government Obligations have been deposited pursuant to Section 10.01.

(K) Sections 11.01, 11.02 and 11.06 thereof shall read as follows:

Section 11.01. Amendments to This Agreement Without Consent of Loan Participants. The Company and the Loan Trustee may enter into one or more agreements supplemental hereto without the consent of any Loan Participant for any of the following purposes:

(1) (a) to cure any defect or inconsistency herein or in the Equipment Notes or to make any change not inconsistent with the provisions hereof (provided that such change does not adversely affect the interests of any Loan Participant) or (b) to cure any ambiguity or correct any mistake;

(2) to evidence the succession of another corporation to the Company, or to evidence (in accordance with Article 9) the succession of a new trustee hereunder, the removal of the trustee hereunder or the appointment of any co-trustee or co-trustees or any separate or additional trustee or trustees;

(3) to convey, transfer, assign, mortgage or pledge any property to or with the Loan Trustee or to make any other provisions with respect to matters or

questions arising hereunder so long as such action shall not adversely affect the interests of the Loan Participants;

(4) to correct or amplify the description of any property at any time subject to the Lien of this Indenture or better to assure, convey and confirm unto the Loan Trustee any property subject or required to be subject to the Lien of this Indenture or to subject to the Lien of this Indenture the Airframe or Engines or airframe or engines substituted for the Airframe or Engines in accordance herewith;

(5) to add to the covenants of the Company, for the benefit of the Loan Participants, or to surrender any rights or power herein conferred upon the Company;

(6) to add to the rights of the Loan Participants; or

(7) to include on the Equipment Notes any legend as may be required by law.

Section 11.02. Amendments to This Indenture with Consent of Loan Participants. (a) With the written consent of the Loan Participants holding a majority of the aggregate principal amount of the Outstanding Equipment Notes, the Company and the Loan Trustee may enter into such supplemental agreements to add any provisions to or to change or eliminate any provisions of this Indenture or of any such supplemental agreements or to modify the rights of the Loan Participants; provided, however, that without the consent of each Loan Participant affected thereby, an amendment under this Section 11.02 may not:

(1) reduce the principal amount of, any Installment Payment Amount payable with respect to, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, or interest on, any Equipment Note; or

(2) change the date on which any principal amount of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, or interest on, any Equipment Note is due or payable; or

(3) create any Lien on the Indenture Estate prior to or pari passu with the Lien thereon under this Indenture except such as are permitted by this Indenture,

or deprive any Loan Participant all or any part of the benefit of the Lien on the Indenture Estate created by this Indenture; or

(4) reduce the percentage in principal amount of the Outstanding Equipment Notes, the consent of whose holders is required for any such supplemental agreement, or the consent of whose holders are required for any waiver (of compliance with certain provisions of this Indenture or of certain defaults hereunder or their consequences) provided for in this Indenture; or

(5) make any change in Section 8.05 or 8.08 or this Section 11.02(a); or

(6) change the definition of "Indenture Estate" or the amounts secured thereby.

(b) It is not necessary under this Section 11.02 for the Loan Participants to consent to the particular form of any proposed supplemental agreement, but it is sufficient if they consent to the substance thereof.

(c) Promptly after the execution by the Company and the Loan Trustee of any supplemental agreement pursuant to the provisions of this Section 11.02, the Company shall transmit by first-class mail a notice, setting forth in general terms the substance of such supplemental agreement, to all Loan Participants, as the names and addresses of such Loan Participants appear on the Register. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental agreement.

Section 11.06. Amendments, Waivers, etc. of Other Operative Documents. (a) Without the consent of the Loan Participants holding a majority in principal amount of Outstanding Equipment Notes, the parties to the Participation Agreement may not modify, amend or supplement said agreement, or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder; provided, however, that the actions specified in subsection (b) of this Section 11.06 may be taken without the consent of the Loan Trustee or any Loan Participant.

(b) Subject to the provisions of subsection (c) of this Section 11.06, the parties to the Participation Agreement at any time and from time to time without the consent of the Loan Trustee or of any Loan Participant may:

(1) [Intentionally Omitted]

(2) [Intentionally Omitted]

(3) modify, amend or supplement the Participation Agreement, or give any consent, waiver, authorization or approval with respect thereto, except that without the consent of the Loan Participants holding a majority in principal amount of Outstanding Pass Through Equipment Notes, the parties to the Participation Agreement shall not modify, amend or supplement, or give any consent, waiver, authorization or approval for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder, with respect to the following provisions of the Participation Agreement as in effect on the Refunding Date: Section 7 (insofar as such Section 7 relates to the Loan Trustee, the Indenture Estate and the Loan Participants holding the Pass Through Equipment Notes), Section 8, Section 10, Section 13, Section 16(b) and, to the extent the Loan Participants holding the Pass Through Equipment Notes would be adversely affected thereby, Section 16(c) and Section 17 and any definition of terms used in the Participation Agreement, to the extent that any modification of such definition would result in a modification of the Participation Agreement not permitted pursuant to this subsection (b); and

(4) modify, amend or supplement said agreement in order to cure any ambiguity, amend or supplement any provisions thereof which may be defective or inconsistent with any other provision thereof or of any provision of this Indenture, or to make any other provision with respect to matters or questions arising thereunder or under this Indenture which shall not be inconsistent with the provisions of this Indenture, provided the making of any such other provision shall not adversely affect the interests of the Loan Participants.

(c) [Intentionally Omitted]

(L) Sections 12.01, 12.02 and 12.06 thereof shall read as

follows:

Section 12.01. Notices. (M) Article 13 thereof shall read as follows:

## ARTICLE 13

ACTIONS TO BE TAKEN UPON REDEMPTION AND UPON  
SATISFACTION OF OBLIGATIONS HEREUNDER

Section 13.01. Actions to Be Taken upon Redemption and upon Satisfaction of Obligations Hereunder. Upon any of

(a) an Event of Loss suffered by the Airframe under circumstances where the Company does not exercise its option to substitute a Replacement Airframe therefor pursuant to Section 10(a)(i) of Article 15 hereof, and upon payment to the Loan Trustee of an amount equal to the Redemption Price as at the Redemption Date of all Outstanding Equipment Notes, or

(b) a redemption of all Outstanding Equipment Notes pursuant to Section 6.02, and upon the payment to the Loan Trustee of an amount equal to the Redemption Price as at the Redemption Date of all Outstanding Equipment Notes, or

(c) satisfaction and discharge, defeasance and termination of the obligations under this Indenture in accordance with Section 10.01 hereof,

the Lien of this Indenture on the Indenture Estate shall terminate (except for the Lien on funds held by the Loan Trustee to pay the Equipment Notes or the Loan Trustee) and the Loan Trustee shall execute such instruments as may be reasonably requested by the Company to evidence such termination.

(N) Article 14 thereof shall read as follows:

## ARTICLE 14

## Section 14.01. Issuance of Equipment Notes After Redemption.

Following a redemption of the Equipment Notes of any Maturity in accordance with Section 6.02(b) hereof the Company may issue and sell and the Loan Trustee shall authenticate, one or more new series of Equipment Notes in an aggregate principal amount up to the aggregate principal amount of the Equipment Notes then being redeemed and having such terms and provisions (including, without limitation, interest rate, amortization schedule, maturity date and redemption provisions) as the Company shall deem appropri-

ate; provided that if after such redemption any Equipment Notes remain outstanding the new series of Equipment Notes:

(i) shall be denominated and payable in United States Dollars and shall not be in a principal amount greater than the Equipment Notes redeemed;

(ii) shall not rank senior in any respect to the Equipment Notes which remain outstanding; and

(iii) shall not have a maturity after or have a weighted average life longer than the Equipment Notes redeemed if any of the Equipment Notes remain outstanding have a maturity date after or concurrent with the maturity date of the Equipment Notes redeemed; and

provided further, that prior to authentication and delivery of such new series of Equipment Notes the Loan Trustee shall have received (i) written evidence from Standard & Poor's Rating Group, a division of McGraw-Hill, Inc. and Moody's Investors Service, Inc. to the effect that the issuance of such new series, by itself, would not result in a downgrading of the credit rating assigned to the Pass Through Certificates then outstanding (if any), and (ii) an Opinion of Counsel for the Company reasonably satisfactory to the Loan Trustee to the effect that the protection afforded by Section 1110 of the Bankruptcy Code to the existing Loan Participants would not be adversely affected by the issuance of such new series of Equipment Notes; provided that such opinion need not be delivered to the extent that the benefits of such Section 1110 are not available to the Loan Participants with respect to the Aircraft immediately prior to such Assumption; and provided further, that such opinion may contain qualifications of the tenor contained in the opinion of Debevoise & Plimpton delivered pursuant to Section 3(k) of the Refunding Agreement on the Refunding Date.

(0) The Indenture shall include the following Article 15:

This Article 15 consists of Sections 6, 7, 8, 10, 11, 12, 17, 24, 27, 28, 29 and 30. Sections 1 through 5, 9, 13 through 16, 18 through 23, 25 and 26 are intentionally omitted.

Section 6. Liens. The Company will not directly or indirectly create, incur, assume or suffer to exist any

Lien on or with respect to the Airframe or any Engine, title thereto or any interest therein except (i) the respective rights of the Loan Trustee and the Company as herein provided and the Lien created hereunder, and the rights of each Loan Participant, the Loan Trustee and the Pass Through Trust Trustee under this Indenture, the Participation Agreement, the Refunding Agreement and the Pass Through Trust Agreements, (ii) the rights of others under agreements or arrangements to the extent expressly permitted by the terms of Sections 7(b) and 8(b) of this Article, (iii) Loan Participant Liens and Trustee's Liens, (iv) Liens for Taxes either not yet due or being contested in good faith (and for the payment of which adequate reserves have been provided) by appropriate proceedings so long as such proceedings do not involve any material danger of the sale, forfeiture or loss of the Airframe or any Engine or interest therein, (v) materialmen's, mechanics', workmen's, repairmen's, employees' or other like Liens arising in the ordinary course of business for amounts the payment of which is either not yet delinquent or is being contested in good faith (and for the payment of which adequate reserves have been provided) by appropriate proceedings so long as such proceedings do not involve any material danger of the sale, forfeiture or loss of the Airframe or any Engine or interest therein, (vi) Liens arising out of judgments or awards against the Company with respect to which an appeal or proceeding for review is being prosecuted in good faith and with respect to which there shall have been secured a stay of execution pending such appeal or proceeding for review and (vii) salvage or similar rights of insurers under insurance policies maintained pursuant to Section 11 of this Article. The Company will promptly, at its own expense, take such action as may be necessary duly to discharge (by bonding or otherwise) any such Lien not excepted above if the same shall arise at any time.

Section 7. Registration, Maintenance and Operation; Possession; Insignia. (a) Registration, Maintenance and Operation. The Company, at its own cost and expense, shall:

(i) cause the Aircraft at all times to be duly registered, under the laws of the United States, in the name of the Company, as owner, except as otherwise required by the Federal Aviation Act; provided that the Loan Trustee shall execute and deliver all such documents as the Company shall reasonably request for the purpose of effecting and continuing such registration.

Notwithstanding the preceding sentence, but subject always to the terms and conditions set forth in Section 7.02 of this Indenture, the Company may cause the Aircraft to be duly registered under the laws of any jurisdiction in which a lessee pursuant to Section 7(b)(ix) of this Article could be principally based and shall thereafter maintain such registration unless and until changed as provided herein and therein; and the Loan Trustee will cooperate with the company in effecting such foreign registration;

(ii) maintain, service, repair, overhaul and test the Aircraft in accordance with a maintenance program (as approved by the Federal Aviation Administration) for Boeing 767-300 series aircraft (or, at the Company's option, (x) in the event that the Aircraft is re-registered in another jurisdiction pursuant to Section 7(a)(i) of this Article, in accordance with an aircraft maintenance program approved by the central civil aviation authority of the jurisdiction of such registration or (y) in the event of any lease to a foreign air carrier in accordance with Section 7(b)(ix) of this Article, approved by the central civil aviation authority of one of the jurisdictions specified in clause (y) of such Section 7(b)(ix)) and in the same manner and with the same care used by the Company with respect to comparable aircraft and engines owned or operated by the Company and utilized in similar circumstances so as to keep the Aircraft in as good operating condition as when delivered to the Company by the Manufacturer, ordinary wear and tear excepted, and in such condition as may be necessary to enable the airworthiness certification of the Aircraft to be maintained in good standing at all times (other than during temporary periods of storage in accordance with applicable regulations or during periods of grounding by applicable governmental authorities, except where such periods of grounding are the result of the failure by the Company to maintain the Aircraft as otherwise required herein) under the Federal Aviation Act or, if the Aircraft is registered under the laws of any other jurisdiction, the laws of such jurisdiction and in compliance with all applicable manufacturer's alert service bulletins;

(iii) maintain, in the English language, all records, logs and other materials required by the appropriate authorities in the jurisdiction where the Air-

craft is registered to be maintained in respect of the Aircraft; and

(iv) promptly furnish to the Loan Trustee such information as may be required to enable the Loan Trustee to file any reports, returns or statements required to be filed by the Loan Trustee with any governmental authority because of the Loan Trustee's interest in the Aircraft.

The Company agrees that the Aircraft will not be maintained, used or operated in violation of any law or any rule, regulation or order of any government or governmental authority having jurisdiction (domestic or foreign), or in violation of any airworthiness certificate, license or registration relating to the Aircraft issued by any such authority; provided that the Company shall not be in default under this sentence if it is not possible for it to comply with the laws of a jurisdiction other than the United States (or other than any jurisdiction in which the Aircraft is then registered) because of a conflict with the applicable laws of the United States (or such jurisdiction in which the Aircraft is then registered). In the event that any such law, rule, regulation or order requires alteration of the Aircraft, the Company will conform thereto or obtain conformance therewith at no expense to the Loan Trustee and will maintain the Aircraft in proper operating condition under such laws, rules, regulations and orders; provided, however, that the Company may, in good faith, contest the validity or application of any such law, rule, regulation or order in any reasonable manner which does not materially adversely affect the Loan Trustee, the Aircraft, the Loan Participants or the Lien of this Indenture. The Company also agrees not to operate or locate the Aircraft, or suffer the Aircraft to be operated or located, (i) in any area excluded from coverage by any insurance required by the terms of Section 11 of this Article, except in the case of a requisition for use by any Government where the Company obtains indemnity pursuant to Section 11 of this Article in lieu of such insurance from such Government against the risks and in the amounts required by Section 11 of this Article in lieu of such insurance from such Government against the risks and in the amounts required by Section 11 of this Article covering such area, or (ii) in any war zone or recognized or, in the Company's judgment, threatened area of hostilities unless covered by war risk insurance in accordance with Section 11 of this Article, but only so long as the same remains in effect while the Aircraft is so operated or located, or unless the

Aircraft is operated or used under contract with any Government entered into pursuant to Section 11 of this Article, under which contract such Government assumes liability for any damage, loss, destruction or failure to return possession of the Aircraft at the end of the term of such contract or for injury to persons or damage to property of others.

(b) Possession. The Company will not, without the prior written consent of the Loan Trustee, lease or otherwise in any manner deliver, transfer or relinquish possession of the Airframe or any Engine or install any Engine, or permit any Engine to be installed, on any airframe other than the Airframe; provided that, so long as no Indenture Event of Default shall have occurred and be continuing, and so long as the action to be taken shall not deprive the Loan Trustee of the perfected lien of this Indenture on the Airframe or (subject to the subclause (B) of the "provided further" clause to subsection (i) of this Section 7(b)) any Engine, and in any event, so long as the company shall comply with the provisions of Section 11, the Company may, without the prior consent of the Loan Trustee:

(i) subject the Airframe to normal interchange agreements or any Engine to normal interchange or pooling agreements or arrangements in each case customary in the airline industry and entered into by the Company in the ordinary course of its business with any other United States air carrier as to which there is in force a certificate issued pursuant to Section 401 of the Federal Aviation Act or any successor provision that gives like authority or with any "foreign air carrier" (as such term is defined in such Act) as to which there is in force a permit issued pursuant to Section 402 of said Act (any such United States certificated air carrier and any such foreign air carrier being hereinafter called a "Permitted Air Carrier"); provided that no transfer of the registration of such Airframe shall be effected in connection therewith; and provided, further, that (A) no such agreement or arrangement contemplates or requires the transfer of title to the Airframe and (B) if the Company's title to any such Engine shall be divested under any such agreement or arrangement, such divestiture shall be deemed to be an Event of Loss with respect to such Engine and the Company shall comply with Section 10(b) of this Article in respect thereof;

(ii) deliver possession of the Airframe or any Engine to the manufacturer thereof for testing or other similar purposes or to any organization for service, repair, maintenance or overhaul work on the Airframe or such Engine or any part thereof or for alterations or modifications in or additions to the Airframe or such Engine to the extent required or permitted by the terms of Section 7(a) or 8(c) of this Article;

(iii) transfer possession of the Airframe or any Engine to the United States of America or any instrumentality or agency thereof pursuant to a sublease, contract or other instrument, a copy of which shall be furnished to the Loan Trustee;

(iv) transfer possession of the Airframe or any Engine to the United State of America or any instrumentality or agency thereof in accordance with applicable laws, rulings, regulations or orders (including, without limitation, the Civil Reserve Air Fleet Program authorized under 10 U.S.C. Section 9511 et seq. or any substantially similar program);

(v) install an Engine on an airframe owned by the Company free and clear of all Liens, except (A) those of the type permitted under clauses (i), (iii), (iv), (v), (vi) and (vii) of Section 6 of this Article and those which apply only to the engines (other than Engines), appliances, parts, instruments, appurtenances, accessories, furnishings and other equipment (other than Parts) installed on such airframe (but not to the airframe as an entirety) and ( B) the rights of other Permitted Air Carriers under normal interchange agreements which are customary in the airline industry and do not contemplate, permit or require the transfer of title to the airframe or engines installed thereon;

(vi) install an Engine on an airframe leased to the Company or owned by the Company subject to a conditional sale or other security agreement; provided that (A) such airframe is free and clear of all Liens except the right of the parties to the lease or conditional sale or other security agreement covering such airframe and except Liens of the type permitted by clauses (A) and (B) of subparagraph (v) of this paragraph of Section 7(b) of this Article and (B) the Company shall have obtained from the lessor or secured party of such airframe a written agreement (which may

be the lease or conditional sale or other security agreement covering such airframe), in form and substance satisfactory to the Loan Trustee (it being understood that an agreement from such lessor or secured party substantially in the form of the final sentence of the penultimate paragraph of this Section 7(b) of this Article shall be deemed to be satisfactory to the Loan Trustee), whereby such lessor or secured party expressly agrees that neither it nor its successors or assigns will acquire or claim any right, title or interest in any Engine by reason of such Engine being installed on such airframe at any time while such Engine is subject to the lien of the Trust Indenture;

(vii) install an Engine on an airframe owned by the Company, leased to the Company or owned by the Company subject to a conditional sale or other security agreement under circumstances where neither subparagraph (v) nor subparagraph (vi) of this Section 7(b) of this Article is applicable; provided that such installation shall be deemed an Event of Loss with respect to such Engine and the Company shall comply with Section 10(b) of this Article in respect thereof, the Loan Trustee not intending hereby to waive any right or interest it may have to or in such Engine under applicable law until compliance by the Company with such Section 10(b) of this Article;

(viii) lease any Engine or the Airframe and Engines or engines then installed on the Airframe to any United States air carrier as to which there is in force a certificate issued pursuant to Section 401 of the Federal Aviation Act or successor provision that gives like authority;

(ix) lease any Engine or the Airframe and Engines or engines then installed on the Airframe to ( A) any foreign air carrier that is principally based in and a domiciliary of a country (other than Cuba, El Salvador, Iran, Iraq, Lebanon and Libya) that is at the inception of the lease a party to the Mortgage Convention, or (B) any foreign air carrier that is principally based in and a domiciliary of a country listed in Schedule I hereto, or (C) any foreign air carrier not described in clause (A) or (B) above; provided that (w) in the case only of a lease to a foreign air carrier under clause (C) above, the Loan Trustee receives at the time of

such lease an opinion of counsel to the Company (which counsel shall be reasonably satisfactory to the Loan Trustee) to the effect that ( a) the terms of the lease and the Operative Documents are legal, valid, binding and enforceable in the country in which such air carrier is principally based, to substantially the same extent as the Operative Documents are at that time enforceable in the United States, (b) it is not necessary for the Loan Trustee to qualify to do business in such country solely as a result of the proposed lease, (c) there is no tort liability of the Loan Trustee as a result of the Lien of this Indenture under the laws of such country other than tort liability no more extensive or onerous than that which might have been imposed on the Loan Trustee under the laws of the United States or any state thereof (it being understood that, in the event such opinion cannot be given in a form satisfactory to the Loan Trustee, such opinion shall be waived if insurance reasonably satisfactory to the Loan Trustee is provided by the Company to cover the risk of such liability), (d) the laws of such country require fair compensation by the government of such country for the loss of the use of the Aircraft in the event of the requisition by such government of the Aircraft (unless the Company shall have agreed to provide insurance reasonably satisfactory to the Loan Trustee covering the risk of requisition of use of the Aircraft by the government of such jurisdiction so long as the aircraft is leased in such country), and (e) there exist no possessory rights in favor of such lessee under the laws of such country which would, upon bankruptcy of or other default by the Company or the lessee, prevent the return of such Engine or the Airframe and such Engine or engine to the Loan Trustee in accordance with and when permitted by the terms of this Indenture upon the exercise by the Loan Trustee of its remedies under this Indenture (x) in the case only of a lease to a foreign air carrier under clause (C) above, the Loan Trustee receives assurances reasonably satisfactory to it that the currency of such country is freely convertible into U.S. Dollars (unless the Company shall have agreed to provide the requisition insurance described in subclause (d) of clause (w) above), (y) in the case of any lease to a foreign air carrier, either the lease, or an arrangement existing between the Company, the lessee and/or one or more third parties that provide maintenance services, provides that the Aircraft will be maintained, serviced,

repaired, overhauled and tested in accordance with maintenance standards for Boeing 767-300 series aircraft approved by, or substantially similar to those approved or required by, the Federal Aviation Administration or the central civil aviation authority of any of Brazil, Canada, France, The Federal Republic of Germany, Italy, Japan, the Netherlands, Sweden, Switzerland or the United Kingdom and (z) in the case of any lease to a foreign air carrier (other than a foreign air carrier principally based in Taiwan) the United States of America maintains diplomatic relations with the country in which such foreign air carrier is principally based at the time such lease is entered into;

provided that the rights of any transferee who receives possession by reason of a transfer permitted by this Section 7(b) (other than the transfer of an Engine which is deemed an Event of Loss) shall be subject and subordinate to, and any lease permitted by this Section 7(b) shall be made expressly subject and subordinate to, all the terms of this Indenture, including, without limitation, the Loan Trustee's rights to repossession pursuant to Article 8 hereof and to avoid such lease upon such repossession and the Loan Trustee's rights to possession pursuant to Section 8.03 of this Indenture, and the Company shall in all events remain primarily liable hereunder for the performance and observance of all of the terms and conditions of this Indenture to the same extent as if such lease or transfer had not occurred, and any such lease shall include appropriate provisions for the maintenance (subject to clause (y) of the proviso to Section 7(b)(ix) of this Article) and insurance of the Aircraft. The Company shall not lease the Aircraft to an air carrier that at the inception of the lease is subject to bankruptcy, insolvency or other similar proceedings unless the lease shall have been approved by the receiver, liquidator, conservator, court or other governmental or administrative authority or entity responsible for the adjudication or administration of such proceedings. No interchange agreement, pooling agreement, lease or other relinquishment of possession of the Airframe or any Engine shall in any way discharge or diminish any of the Company's obligations to the Loan Trustee hereunder or under the Participation Agreement. With the prior written consent of the Loan Trustee, the Company may sublease the Airframe or Engines in connection with a transaction that involves such a sublease commencing at the inception of the transaction. The Loan Trustee hereby agrees, for the benefit of the les-

or secured party of any airframe leased by the Company or owned by the Company subject to a conditional sale or other security agreement, that the Loan Trustee will not acquire or claim, as against such lessor or secured party, any right, title or interest in any engine or engines owned by the lessor under such lease or subject to a security interest in favor of the secured party under such conditional sale or other security agreement as the result of such engine or engines being installed on the Airframe at any time while such engine or engines are subject to such lease or conditional sale or other security agreement.

The Loan Trustee acknowledges that any "wet lease" or other similar arrangement under which the Company maintains operational control of the Aircraft shall not constitute a delivery, transfer or relinquishment of possession for purposes of this Section 7(b).

(c) Insignia. The Company agrees to at all times maintain in the cockpit of the Airframe adjacent to the airworthiness certificate therein and (if not prevented by applicable law or regulations or by any governmental authority) on each Engine a nameplate bearing the inscription "STATE STREET BANK AND TRUST COMPANY OF CONNECTICUT, NATIONAL ASSOCIATION, AS LOAN TRUSTEE, MORTGAGEE" (such nameplate to be replaced, if necessary, with a nameplate reflecting the name of any successor Loan Trustee).

Section 8. Replacement and Pooling of Parts; Alterations, Modifications and Additions. (a) Replacement of Parts. The Company, at its own cost and expense, will promptly replace all Parts which may from time to time be incorporated or installed in or attached to the Airframe or any Engine and which may from time to time become worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or rendered permanently unfit for use for any reason whatsoever, except as otherwise provided in Section 8(c) of this Article. In addition, the Company may, at its own cost and expense, remove in the ordinary course of maintenance, service, repair, overhaul or testing, any Parts, whether or not worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or rendered permanently unfit for use; provided that the Company, except as otherwise provided in Section 8(c) of this Article, will, at its own cost and expense, replace such Parts as promptly as possible. All replacement Parts shall be free and clear of all Liens (except for pooling arrangements to the extent permitted by Section 8(b) of this Article and Permitted Liens) and shall

be in as good operating condition as, and shall have a value and utility at least equal to, the Parts replaced, assuming such replaced Parts were in the condition and repair required to be maintained by the terms hereof. All Parts at any time removed from the Airframe or any Engine shall remain subject to the Lien of this Indenture, no matter where located, until such time as such Parts shall be replaced by Parts which have been incorporated or installed in or attached to the Airframe or such Engine and which meet the requirements for replacement Parts specified above. Immediately upon any replacement Part becoming incorporated or installed in or attached to the Airframe or any Engine as above provided without further act, (i) title to the replaced Part shall thereupon be free and clear of all rights of the Loan Trustee, and shall no longer be deemed a Part hereunder, (ii) title to such replacement Part shall thereupon be subject to the Lien of this Indenture, free and clear of all Liens (except for Permitted Liens) and (iii) such replacement Part shall become subject to this Indenture and be deemed part of the Airframe or such Engine for all purposes to the same extent as the Parts originally incorporated or installed in or attached to the Airframe or such Engine.

(b) Pooling of Parts. Any Part removed from the Airframe or any Engine as provided in Section 8(a) of this Article may be subjected by the Company to a normal pooling arrangement customary in the airline industry entered into in the ordinary course of the Company's business with Permitted Air Carriers; provided that the Part replacing such removed Part shall be incorporated or installed in or attached to the Airframe or such Engine in accordance with Section 8(a) of this Article as promptly as practicable after the removal of such removed Part. In addition, any replacement Part, when incorporated or installed in or attached to the Airframe or any Engine in accordance with Section 8(a) of this Article, may be owned by a Permitted Air Carrier subject to such a normal pooling arrangement; provided that the Company, at its expense, as promptly thereafter as is practicable, either (i) causes title to such replacement Part to vest in the Company free and clear of all Liens except Permitted Liens, at which time such replacement Part shall, in accordance with Section 8(a) of this Article, become a Part and become subject to the Lien of this Indenture or (ii) replaces such replacement Part by incorporating or installing in or attaching to the Airframe or such Engine a further replacement Part owned by the Company free and clear of all Liens (other than Permitted

Liens), which shall without further act be subject to the Lien of this Indenture.

(c) Alterations, Modifications and Additions. The Company, at its own expense, will make such alterations and modifications in and additions to the Airframe and the Engines as may be required from time to time to meet the standards of the Federal Aviation Administration or other governmental authority having jurisdiction in any country in or over which the Aircraft is flown, provided, however, that the Company may, in good faith, contest the validity or application of any such standard in any reasonable manner which does not materially adversely affect the Loan Trustee or the Lien of this Indenture, but only so long as such proceedings do not involve any material danger of criminal liability or material danger of civil liability to the Loan Trustee, or a material danger of the sale, forfeiture or loss of the Aircraft or any Engine or any interest therein. In addition, the Company, at its own expense, may from time to time make or cause to be made such alterations and modifications in and additions to the Airframe or any Engine as the Company may deem desirable in the proper conduct of its business, including, without limitation, removal of Parts; provided that no such alterations, modification, additional or removal shall materially diminish the value or utility of the Airframe or such Engine or of the Aircraft, or materially impair the condition or airworthiness thereof, below the value, utility, condition and airworthiness thereof immediately prior to such alteration, modification, addition or removal assuming the Airframe or such Engine was then of the value and utility and in the condition and airworthiness required to be maintained by the terms of this Indenture, except that the value (but not the utility, condition or airworthiness) of the Aircraft may be reduced by the value of Parts which the Company deems obsolete or no longer suitable or appropriate for use in the Airframe or any Engine which shall have been removed, if the aggregate value of such obsolete or unsuitable Parts removed from the Aircraft and not replaced shall not exceed \$500,000. All Parts incorporated or installed in or attached or added to the Airframe or any Engine as the result of such alteration, modification or addition shall, without further act, be subject to the Lien of this Indenture. Notwithstanding the foregoing, the Company may, at any time, remove any Part; provided that (i) such Part is in addition to, and not in replacement of or substitution for, any Part originally incorporated or installed in or attached to the Airframe or such Engine at the time of delivery thereof under the Lease

or hereunder, or any Part in replacement of, or substitution for, any such Part, (ii) such Part is not required to be incorporated or installed in or attached or added to such Airframe or Engine pursuant to the first sentence of this Section 8(c), and (iii) such Part can be removed from the Airframe or such Engine without materially diminishing or impairing the value, utility, condition or airworthiness required to be maintained by the terms of this Indenture had such removal not occurred. Upon the removal by the Company of any Part as provided in the immediately preceding sentence, or the removal of any obsolete or unsuitable part permitted by this Section 8(c), such Part shall no longer be deemed part of the Airframe or the Engine from which it was removed and shall no longer be subject to the Lien of this Indenture. Any such Part not removed by the Company as provided in Section 8(c)(iii) of this Article shall remain subject to the Lien of this Indenture.

Section 10. Loss, Destruction, Requisition, Etc. Event of Loss with Respect to an Airframe. (a) Upon the occurrence of an Event of Loss with respect to the Airframe, the Company shall forthwith (and, in any event, within 30 days after such occurrence) give the Loan Trustee written notice of such Event of Loss and of its election to perform one of the following options (it being agreed that if the Company shall not have given notice of such election within such 30 days after such occurrence, the Company shall be deemed to have elected to perform the option set forth in the following clause (ii)):

i. as promptly as practicable, and in any event on or before the Business Day next preceding the 121st day next following the date of occurrence of such Event of Loss, in replacement for the Airframe, the Company shall convey or cause to be conveyed to the Loan Trustee a security interest in and to one or more Replacement Airframes (together with the same number of Replacement Engines as the Engines, if any, installed on the Airframe at the time such Event of Loss occurred), such Replacement Airframe and Replacement Engines to be duly certificated as airworthy by the central aviation authority of the jurisdiction of the registry of such Replacement Airframes and Engines, free and clear of all Liens (other than Permitted Liens), to have a value and utility at least equal to, and to be in as good operating condition as, the Airframe and Engines, if any, so replaced (assuming such Airframe and Engines were in the condition and repair

required by the terms of this Indenture); provided that, if the Company shall not perform its obligation to effect such replacement under this clause ( i) during the period of time provided herein, then the Company shall promptly give notice to the Loan Trustee and shall pay on the Business Day next following the thirtieth day after the end of such period to the Loan Trustee, in U.S. currency, the amounts specified in clause (ii) below; or

ii. on or before the Loss Payment Date (as defined below) the Company shall pay to the Loan Trustee an amount in cash which is sufficient to redeem each Outstanding Equipment Note pursuant to Section 6.01 of the Indenture; provided that the Company may, to the extent provided and in accordance with Section 3.08 hereof, surrender, to the Loan Trustee for cancellation Equipment Notes held by the Company and in such event the Company shall be entitled to a credit against amounts otherwise payable pursuant to this clause (ii). As used herein, "Loss Payment Date" means the earliest of ( x) 30 days following the date on which insurance proceeds are received with respect to such Event of Loss, (y) the Business Day next following the 121st day next following the date of occurrence of the Event of Loss and (z) an earlier Business Day irrevocably specified by the Company at least thirty days in advance by notice to the Loan Trustee; provided, however, the Loss Payment Date shall be the date specified in the proviso to clause (i) above if applicable.

Upon compliance by the Company with the requirements of this Section 10(a)(ii), the Loan Trustee shall execute such instruments as may be reasonably requested by the Company releasing the Airframe and Engines from the Lien of this Indenture and releasing the Purchase Agreement and the Purchase Agreement Assignment from the assignment and pledge thereof hereunder.

At the time of or prior to any replacement of the Airframe and such Engines pursuant to Section 10(a)(i) of this Article, if any, the Company, at its own expense, will (A) cause a Trust Agreement and Indenture Supplement, substantially in the form of Exhibit C hereto for such Replacement Airframe and Replacement Engines, if any, to be delivered to the Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Federal Aviation Act or, if necessary, pursuant to the applicable

laws of the jurisdiction other than the United States of America in which such Replacement Aircraft and Replacement Engines, if any, are to be registered in accordance with Section 7(a) of this Article, as the case may be, ( B ) cause a financing statement or statements with respect to the Replacement Airframe and Replacement Engines, if any, or other requisite documents or instruments, to be filed in such place or places as necessary or advisable in order to perfect the security interest therein created by or pursuant to this Indenture, or, if necessary or advisable, pursuant to the applicable laws of the jurisdiction in which such Replacement Aircraft and Replacement Engines, if any, are to be registered in accordance with Section 7(a) of this Article, as the case may be, ( C ) furnish the Loan Trustee with a certificate of an independent aircraft engineer or appraiser reasonably satisfactory to the Loan Trustee certifying that the Replacement Airframe and Replacement Engines, if any, have a value and utility at least equal to, and are in as good operating condition as, the Airframe and Engines, if any, so replaced assuming the Airframe and Engines were in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss, ( D ) furnish the Loan Trustee with ( i ) such evidence of compliance with the insurance provisions of Section 11 of this Article with respect to such Replacement Airframe and Replacement Engines as the Loan Trustee may reasonably request and ( ii ) a certificate from a Responsible Officer of the Company certifying that at the time of such replacement, there is no continuing Indenture Event of Default, ( E ) furnish the Loan Trustee with an opinion of the Company's counsel (which may be the Company's General Counsel) addressed to the Loan Trustee that the substituted property will be subject to the Lien of this Indenture and the Loan Trustee should be entitled to the benefits of Section 1110 of the United States Bankruptcy Code of 1978, as amended, with respect to the Replacement Airframe, provided that ( x ) such opinion need not be delivered to the extent that the benefits of such Section 1110 were not, by reason of a change in law or governmental interpretation thereof, available to the Loan Trustee with respect to the Aircraft immediately prior to such substitution and ( y ) such opinion may contain qualifications of the tenor contained in the opinion of Debevoise & Plimpton delivered pursuant to Section 4(J) of the Participation Agreement on the Delivery Date. In the case of each Replacement Airframe and each Replacement Engine, if any, in which a security interest has been granted to the Loan Trustee under this Section 10(a), and each Replacement Engine, if any, in which a security interest has

been granted to the Loan Trustee under this Section 10(a), promptly upon the recordation of the Trust Agreement and Indenture Supplement covering such Replacement Airframe and Replacement Engines, if any, or such Replacement Engine pursuant to the Federal Aviation Act (or pursuant to the applicable laws of the jurisdiction in which such Replacement Airframe and Replacement Engines, if any, or such Replacement Engine, are registered in accordance with Section 7(a) of this Article), the Company will cause to be delivered to the Loan Trustee a favorable opinion of counsel to the Company as to the due registration of such Replacement Aircraft, the due recordation of such Trust Agreement and Indenture Supplement or other requisite documents or instruments and the validity and perfection of the security interest in the Replacement Airframe, Replacement Engines or Replacement Engine, as the case may be, granted to the Loan Trustee under this Indenture.

For all purposes hereof, upon grant of a security interest therein to the Loan Trustee, each Replacement Aircraft and the Replacement Engines, if any, shall be deemed part of the property secured hereunder; each such Replacement Airframe shall be deemed an "Airframe" as defined herein, and each such Replacement Engine shall be deemed an "Engine" as defined herein. Upon full compliance with the terms of the previous paragraph, the Loan Trustee shall execute and deliver to the Company an appropriate instrument releasing such replaced airframe and engines (if any) installed thereon at the time such Event of Loss occurred from the Lien of this Indenture and releasing the Purchase Agreement and the Purchase Agreement Assignment from the assignment and pledge hereunder.

(b) Event of Loss with Respect to an Engine. Upon the occurrence of an Event of Loss with respect to an Engine under circumstances in which there has not occurred an Event of Loss with respect to the Airframe, the Company shall give the Loan Trustee prompt written notice thereof and shall, within 90 days after the occurrence of such Event of Loss, convey or cause to be conveyed to the Loan Trustee, as replacement for the Engine with respect to which such Event of Loss occurred, a security interest in and to a Replacement Engine free and clear of all Liens (other than Permitted Liens) and having a value and utility at least equal to, and being in as good operating condition as, the Engine with respect to which such Event of Loss occurred, assuming such Engine was of the value and utility and in the condition and repair required by the terms hereof immedi-

ately prior to the occurrence of such Event of Loss. Prior to or at the time of any such conveyance, the Company, at its own expense, will (i) cause a Trust Agreement and Indenture Supplement substantially in the form of Exhibit C hereto or other requisite documents or instruments for such Replacement Engine to be delivered to the Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Federal Aviation Act or, if necessary, pursuant to the applicable laws of such jurisdiction other than the United States of America in which the Aircraft is or is to be registered in accordance with Section 7(a), as the case may be, (ii) furnish the Loan Trustee with a certificate of an aircraft engineer or appraiser (who may be an employee of the Company) certifying that such Replacement Engine has a value and utility at least equal to, and is in as good operating condition as, the Engine so replaced, assuming such Engine was in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss and (iii) cause a financing statement or statements with respect to the Replacement Engine or other requisite documents or instruments to be filed in such place or places necessary or advisable in order to perfect the security interest in the Replacement Engine created by or pursuant to this Indenture, or, if necessary or advisable, pursuant to the applicable laws of the jurisdiction in which the Aircraft is or is to be registered in accordance with Section 7(a), as the case may be, and (iv) furnish the Loan Trustee with such evidence of compliance with the insurance provisions of Section 11 of this Article with respect to such Replacement Engine as the Loan Trustee may reasonably request, and (v) furnish the Loan Trustee with an opinion of the Company's counsel (which may be the Company's General Counsel) addressed to the Loan Trustee to the effect that such substituted property will be subjected to the Lien of this Indenture. Upon full compliance by the Company with the terms of this paragraph (b), the Loan Trustee will transfer to the Company, without recourse or warranty (except as to the Trustee's Liens), all of Loan Trustee's right, title and interest in and to the Engine with respect to which such Event of Loss occurred, and Loan Trustee will assign to or as directed by the Company all claims of Loan Trustee against third Persons relating to such Engine arising from such Event of Loss. In addition, upon such transfer the Loan Trustee shall execute and deliver to the Company an appropriate instrument releasing such Engine from the Lien of this Indenture and releasing the Purchase Agreement and the Purchase Agreement Assignment (in respect of such Engine) from the assignment and

pledge under this Indenture. For all purposes hereof, each such Replacement Engine shall, after such conveyance, be deemed part of the property secured hereunder and shall be deemed an "Engine" as defined herein.

(c) Application of Payments from Governmental Authorities for Requisition of Title or Use. Any payments (other than insurance proceeds the application of which is provided for in Section 11 of this Article) received at any time by the Loan Trustee or by the Company from any governmental authority or other Person with respect to an Event of Loss resulting from the condemnation, confiscation, theft or seizure of, or requisition of title to or use of, the Airframe or any Engine, other than a requisition for use by any Government or by the government of registry of the Aircraft not constituting an Event of Loss, will be applied as follows:

(i) if such payments are received with respect to the Airframe or the Airframe and the Engines or engines installed on the Airframe that has been or is being replaced by the Company pursuant to Section 10(a) of this Article, such payments shall be paid over to, or retained by, the Loan Trustee, and upon completion of such replacement be paid over to, or retained by, the Company;

(ii) if such payments are received with respect to the Airframe or the Airframe and the Engines or engines installed on the Airframe that has not been and will not be replaced pursuant to Section 10(a) of this Article, such payments shall, after reimbursement of the Loan Trustee for costs and expenses, be applied in reduction of the Company's obligation to pay the amounts required to be paid by the Company pursuant to Section 10(a) of this Article, if not already paid by the Company, or, if already paid by the Company, shall be applied to reimburse the Company for its payment of such amounts, and the balance, if any, of such payments remaining thereafter shall be paid over to, and retained by, the Company; and

(iii) if such payments are received with respect to an Engine under circumstances contemplated by Section 10(b) of this Article, so much of such payments remaining after reimbursement of the Loan Trustee for costs and expenses shall be paid over to, or retained by, the Company; provided that the Company shall have

fully performed the terms of Section 10(b) of this Article with respect to the Event of Loss for which such payments are made.

(d) Requisition for Use by the Government of the Airframe and the Engines Installed Thereon. In the event of the requisition for use by any Government or by the government of the country of registry of the Aircraft (including for this purpose any agency or instrumentality thereof), including, without limitation, pursuant to the Civil Reserve Air Fleet Program referred to in Section 7(b)(iv) of this Article of the Airframe and the Engines or engines installed on the Airframe, the Company shall promptly notify the Loan Trustee of such requisition and, except as otherwise provided in this Indenture, such requisition shall not constitute an Event of Loss and all of the Company's obligations under this Indenture with respect to the Aircraft shall continue to the same extent as if such requisition had not occurred unless or until such requisition shall constitute an Event of Loss. All payments received by the Loan Trustee or the Company from the Government or government for the use of the Airframe and Engines or engines prior to the occurrence of an Event of Loss shall be paid over to, or retained by, the Company.

(e) Requisition for Use by the Government of an Engine. In the event of the requisition for use by any Government or by the government of the country of registry of the Aircraft (including for this purpose any agency or instrumentality thereof) of any Engine (but not the Airframe), the Company will replace such Engine hereunder by complying with the terms of Section 10(b) of this Article to the same extent as if an Event of Loss had occurred with respect to such Engine, and any payments received by the Loan Trustee or the Company from such Government or government with respect to such requisition shall be paid over to, or retained by, the Company.

(f) Application of Payments During Existence of Indenture Event of Default. Any amount referred to in clause (i), (ii) or (iii) of Section 10(c), Section 10(d) or Section 10(e) of this Article which is payable to the Company shall not be paid to the Company, or if it has been previously paid directly to the Company, shall not be retained by the Company, if at the time of such payment an Indenture Event of Default, or an Indenture Default which would constitute an Indenture Event of Default under Section 8.01(a), 8.01(f), 8.01(g), 8.01(h) or 8.01(i), shall

have occurred and be continuing, but shall be paid to and held by the Loan Trustee as security for the obligations of the Company under this Indenture, and at such time as there shall not be continuing any such Indenture Event of Default or event, such amount shall be paid to the Company, provided that, if any such amount has been so held by the Loan Trustee as security for more than 90 days after an Event of Default shall have occurred and during which period (x) the Loan Trustee shall not have been limited by operation of law or otherwise from exercising remedies hereunder and (y) the Loan Trustee shall not have commenced to exercise any remedy available to it under this Indenture, then such amount shall be paid to the Company.

Section 11. Insurance. Public Liability and Property Damage Insurance. (a) Subject to the rights of the Company to establish and maintain self-insurance with respect to public liability and property damage liability insurance for aircraft and engines (including, the Aircraft and Engines) in the manner and to the extent specified in the next sentence, the Company will carry, or cause to be carried, at no expense to the Loan Trustee, any Bank Lender or the Pass Through Trustee, public liability (including, without limitation, contractual liability and passenger legal liability) and property damage liability insurance (exclusive of manufacturer's product liability insurance) with respect to the Aircraft (i) in amounts which are not less than the public liability and property damage insurance applicable to similar aircraft and engines which comprise the Company's fleet on which the Company carries insurance, provided that such liability insurance shall not be less than the amount certified to the Original Loan Participants on the Delivery Date, (ii) of the type usually carried by corporations engaged in the same or similar business, similarly situated with the Company, and owning or operating similar aircraft and engines and covering risks of the kind customarily insured against by the Company, and (iii) which is maintained in effect with insurers of recognized responsibility. The Company may self-insure, by way of deductible or premium adjustment provisions in insurance policies, the risks required to be insured against pursuant to the preceding sentence, but in no case shall the self-insurance (including, the self- insurance permitted by Section 11(b) of this Article) with respect to all of the aircraft and engines in the Company's fleet (including, without limitation, the Aircraft) exceed for any 12-month policy year the lesser of (x) 50% of the largest replacement value of any single aircraft in the Company's fleet or (y) 1-1/2% of the average

aggregate insurable value (for the preceding year) of all aircraft (including, without limitation, the Aircraft) on which the Company carries insurance, provided that, in the event that there shall have occurred a material adverse change in the financial condition of the Company from such condition as is reflected in the consolidated financial statements of the Company at December 31, 1982, then, upon not less than 30 days' written notice from the Loan Trustee to the Company, the Company will, until the Company's financial condition is on an overall basis equivalent to its financial condition at December 31, 1982, reduce the self-insurance permitted hereunder to such reasonable amount as the Loan Trustee may require; provided, further, that a deductible per occurrence utilized to reduce handling that, in the case of the Aircraft, is not in excess of the amount customarily allowed as a deductible in the industry, shall be permitted in addition to the above-mentioned self-insurance. Any policies of insurance carried in accordance with this Section 11(a) and any policies taken out in substitution or replacement for any of such policies (A) shall name the Loan Trustee, any Bank Lender or the Pass Through Trustee as additional insureds as their respective interests may appear, (B) shall provide that in respect of the respective interests of the Loan Trustee, any Bank Lender and the Pass Through Trustee in such policies the insurance shall not be invalidated by any action or inaction of the Company and shall insure the Loan Trustee's, such Bank Lender's and the Pass Through Trustee's Interests as they appear, regardless of any breach or violation of any warranty, declaration or condition contained in such policies by the Company, (C) shall provide that, if such insurance is cancelled for any reason whatever, or any substantial change is made in the policy which affects the coverage certified hereunder to the Loan Trustee, any Bank Lender or the Pass Through Trustee, or if such insurance is allowed to lapse for nonpayment of premium, such cancellation, change or lapse shall not be effective as to the Loan Trustee, such Bank Lender or the Pass Through Trustee for 30 days (seven days, or such other period as is customarily obtainable in the industry, in the case of any war risk and allied perils coverage) after receipt by the Loan Trustee, such Bank Lender or the Pass Through Trustee, respectively, of written notice from such insurers of such cancellation, change or lapse, (D) shall provide that neither the Loan Trustee, such Bank Lender nor the Pass Through Trustee shall have any obligation or liability for premiums, commissions, assessments or calls in connection with such insurance, (E) shall provide that the insurers shall waive (i) any rights

of set-off, counterclaim or any other deduction, whether by attachment or otherwise, which they may have against the Loan Trustee, such Bank Lender and the Pass Through Trustee and (ii) any rights of subrogation against the Loan Trustee, such Bank Lender or the Pass Through Trustee to the extent that the Company has waived its rights by its agreements to indemnify any such party pursuant to this Indenture or the Participation Agreement; provided that the exercise by such insurers of rights of subrogation derived from the rights retained by the Company shall not, in any way, delay payment of any claim that would otherwise be payable by such insurers but for the existence of rights of subrogation derived from rights retained by the Company, (F) shall be primary without right of contribution from any other insurance which may be carried by the Loan Trustee, any Bank Lender or the Pass Through Trustee with respect to its Interests as such in the Aircraft and (G) shall expressly provide that all of the provisions thereof, except the limits of liability, shall operate in the same manner as if there were a separate policy covering each insured. "Interests" as used in this Section 11(a) and Section 11(b) of this Article with respect to any person means the interests of such person in its capacity as Loan Trustee or Pass Through Trustee, as the case may be, in the transaction contemplated by the Participation Agreement and this Indenture. The Company shall arrange for appropriate certification that the requirements of this Section 11(a) have been met to be made to the Loan Trustee (and the Loan Trustee may furnish such certificates to each Loan Participant) as soon as practicable by each insurer or its authorized representative with respect thereto, provided that all information contained therein shall be held confidential by the Loan Trustee and each Loan Participant and shall not be furnished or disclosed by them to anyone other than their bank examiners, auditors, accountants, agents and legal counsel and any Person with whom any Loan Participant is in good faith conducting negotiations relating to the possible transfer and sale of such Loan Participant's Equipment Notes, if such person shall have entered into an agreement similar to that contained in this Section 11(a) whereby such person agrees to hold such information confidential, and except as may be required by an order of any court or administrative agency or by any statute, rule, regulation or order of any governmental authority. In the case of a lease or contract with any Government in respect of the Aircraft or any Engine or in the case of any requisition for use of the Aircraft or any Engine by any Government, a valid agreement, reasonably satisfactory to the Loan Trustee, to

indemnify the Company against any of the risks which the Company is required hereunder to insure against by such Government shall be considered adequate insurance to the extent of the risks and in the amounts that are the subject of any such agreement to indemnify.

(b) Insurance Against Loss or Damage to Aircraft. Subject to the rights of the Company to establish and maintain self-insurance with respect to loss or damage to aircraft (including the Aircraft) in the manner and to the extent specified in the next sentence, the Company shall maintain, or cause to be maintained, in effect with insurers of recognized responsibility, at no expense to the Loan Trustee, any Bank Lender or the Pass Through Trustee, all-risk aircraft hull insurance covering the Aircraft and all-risk coverage with respect to any Engines or parts while removed from the Aircraft (including, without limitation, war risk and allied perils insurance if and to the extent the same is maintained by the Company or any Permitted Air Carrier leasing the same with respect to other aircraft owned or operated by the Company or such Permitted Air Carrier, as the case may be, on the same routes) which is of the type and in substantially the amount usually carried by corporations engaged in the same or similar business and similarly situated with the Company; provided that (i) such insurance (including the permitted self-insurance) shall at all times while the Aircraft is subject to the Lien of this Indenture be for an amount not less than, at the date of determination thereof, the Outstanding principal amount of the Equipment Notes plus six months interest thereon and (ii) such insurance need not cover an Engine while attached to an airframe not owned, leased or operated by the Company. The Company may self-insure, by way of deductible or premium adjustment provisions in insurance policies, the risks required to be insured against pursuant to the preceding sentence, but in no case shall the self-insurance (including the self-insurance permitted by Section 11(a) of this Article) with respect to all of the aircraft and engines in the Company's fleet (including, without limitation, the Aircraft) exceed for any 12-month policy year the lesser of (i) 50% of the largest replacement value of any single aircraft in the Company's fleet or (ii) 1-1/2% of the average aggregate insurable value (for the preceding year) of all aircraft (including, without limitation, the Aircraft) on which the Company carries insurance; provided that, in the event that there shall have occurred a material adverse change in the financial condition of the Company from such condition as is reflected in the consolidated financial statements of

the Company at December 31, 1982, then, upon not less than 30 days' written notice from the Loan Trustee to the Company, the Company will, until the Company's financial condition is on an overall basis equivalent to its financial condition at December 31, 1982, reduce the self-insurance permitted hereunder to such reasonable amount as the Loan Trustee may require; provided, further, that a deductible per occurrence utilized to reduce handling, that, in the case of the Aircraft, is not in excess of the amount customarily allowed as a deductible in the industry, shall be permitted in addition to the above-mentioned self-insurance. Any policies carried in accordance with this Section 11(b) and any policies taken out in substitution or replacement for any such policies (A) shall provided that any loss up to the amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon, for any loss or damage constituting an Event of Loss with respect to the Aircraft, and any loss in excess of \$7,000,000, up to the amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon, for any loss or damage to the Aircraft (or Engines) not constituting an Event of Loss with respect to the Aircraft, shall be paid to the Loan Trustee as long as this Indenture shall not have been discharged pursuant to the terms and conditions thereof, and thereafter to the Company, unless, in each case, the insurer shall have received notice that an Indenture Event of Default exists, in which case all insurance proceeds up to an amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon shall be payable to the Loan Trustee, (B) shall provide that in respect of the respective interests of the Loan Trustee, any Bank Lender and of the Pass Through Trustee in such policies the insurance shall not be invalidated by any action or inaction of the Company and shall insure the Loan Trustee's, any Bank Lender's and the Pass Through Trustee's Interests, as they appear, regardless of any breach or violation of any warranty, declaration or condition contained in such policies by the Company, (C) shall provide that, if such insurance is cancelled for any reason whatever, or any material change is made in the policy which affects the coverage certified hereunder to the Loan Trustee, any Bank Lender and the Pass Through Trustee, or if such insurance is allowed to lapse for nonpayment of premium, such cancellation, change or lapse shall not be effective as to the Loan Trustee, any Bank Lender or the Pass Through Trustee, for 30 days (seven days, or such other period as may from time to time be customarily obtainable if the industry, in the case of any war risk and allied perils coverage) after receipt by

the Loan Trustee, such Bank Lender or the Pass Through Trustee, respectively, of written notice from such insurers of such cancellation, change or lapse, (D) shall be primary without right of contribution from any other insurance which may be carried by the Loan Trustee, any Bank Lender and the Pass Through Trustee with respect to the Interests as such in the Aircraft and (E) shall provide that the insurers shall waive (i) any rights of set-off, counterclaim or any other deduction, whether by attachment or otherwise, which they may have against the Loan Trustee, such Bank Lender or the Pass Through Trustee and (ii) any rights of subrogation against the Loan Trustee, any Bank Lender or the Pass Through Trustee to the extent that the Company has waived its rights by its agreements to indemnify any such party pursuant to this indenture or the Participation Agreement; provided that the exercise by such insurers of rights of subrogation derived from rights retained by the Company shall not, in any way, delay payment of any claim that would otherwise be payable by such insurers but for the existence of rights of subrogation derived from rights retained by the Company. The Company shall arrange for appropriate certification that the requirements of this Section 11(b) have been met to be made promptly to the Loan Trustee (and the Loan Trustee shall furnish such certification to each Loan Participant) by each insurer or its authorized representative with respect thereto, provided that all information contained therein shall be held confidential by the Loan Trustee and each Loan Participant and shall not be furnished or disclosed by them to anyone other than their bank examiners, auditors, accountants, agents and legal counsel and any person with whom any Loan Participant is in good faith conducting negotiations relating to the possible transfer and sale of such Loan Participant's Equipment Notes, if such person shall have entered into an agreement similar to that contained in Section 11(b) whereby such Person agrees to hold such information confidential, and except as may be required by an order of any court or administrative agency or by any statute, rule, regulation or order of any governmental authority. In the case of a lease or contract with any Government in respect of the Aircraft or any Engine, or in the case of any requisition for use of the Aircraft or any Engine by any Government, a valid agreement, reasonably satisfactory to the Loan Trustee, to indemnify the Company against any of the risks which the Company is required hereunder to insure against by such Government in an amount, as at the date of determination thereof, equal to the Outstanding principal amount of the Equipment Notes plus six months interest thereon from time to time shall be considered ade-

quate insurance to the extent of the risks and in the amounts that are the subject of any such agreement to indemnify.

As between the Loan Trustee and the Company, it is agreed that all insurance payments received under policies required to be maintained by the Company hereunder, exclusive of any payments received in excess of an amount, as at the date of determination thereof, equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon from such policies, as the result of the occurrence of an Event of Loss with respect to the Airframe or an Engine will be applied as follows:

(x) if such payments are received with respect to the Airframe or the Airframe and any Engines or engines installed on the Airframe that has been or is being replaced by the Company as contemplated by Section 10(a) of this Article, such payments shall be paid over to, or retained by, the Loan Trustee, and upon completion of such replacement be paid over to, or retained by, the Company;

(y) if such payments are received with respect to the Airframe or the Airframe and any Engines or engines installed thereon that has not been and will not be replaced as contemplated by Section 10(a) of this Article, so much of such payments remaining after reimbursement of the Loan Trustee for costs and expenses as shall not exceed an amount, as at the date of determination thereof, equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon required to be paid by the Company pursuant to Section 10(a) of this Article shall be applied in reduction of the Company's obligation to pay such amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon, if not already paid by the Company, or, if already paid by the Company, shall be applied to reimburse the Company for its payment of such amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon, and the balance, if any, of such payment remaining thereafter will be paid over to, or retained by, the Company; and

(z) if such payments are received with respect to an Engine under the circumstances contemplated by Section 10(b) of this Article, so much of the such pay-

ments remaining after reimbursement of the Loan Trustee for costs and expenses shall be paid over to, or retained by, the Company; provided that the Company shall have fully performed the terms of Section 10(b) of this Article with respect to the Event of Loss for which such payments are made.

As between the Loan Trustee and the Company the insurance payment of any property damage loss in excess of an amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon shall be paid to the Company.

As between the Loan Trustee and the Company the insurance payment of any property damage loss not constituting an Event of Loss with respect to the Airframe or an Engine will be applied in payment (or to reimburse the Company) for repairs or for replacement property in accordance with the terms of Sections 7 and 8 of this Article, and any balance remaining after compliance with such Sections with respect to such loss shall be paid to the Company. Any amount referred to in the preceding sentence or in clause (x), (y) or (z) of the second preceding paragraph which is payable to the Company shall not be paid to the Company or, if it has been previously paid directly to the Company, shall not be retained by the Company, if at the time of such payment an Indenture Event of Default (or an Indenture Default that with lapse of time would constitute an Indenture Event of Default under Section 8.01(a), 8.01(f) 8.01(g) 8.01(h) 8.01(i) of this Indenture) shall have occurred and be continuing, but shall be paid to and held by the Loan Trustee, as security for the obligations of the Company under this Indenture, and at such time as there shall not be continuing any such Indenture Event of Default or event, such amount shall be paid to the Company, provided that is any such amount has been so held by the Loan Trustee as security for more than 90 days after an Indenture Event of Default shall have occurred and during which period (i) the Loan Trustee shall not have been limited by operation of law or otherwise from exercising remedies hereunder and (ii) the Loan Trustee shall not have exercised any remedy available to it under Section 15 of this Article, then such amount shall be paid to the Company.

(c) Reports, Etc. Annually upon renewal of the Company's insurance coverage, the Company will furnish to the Loan Trustee (and the Loan Trustee shall furnish to each Loan Participant) a report signed by a firm of independent

aircraft insurance brokers appointed by the Company, stating the opinion of such firm that the insurance then carried and maintained on the Aircraft complies with the terms hereof; provided that all information contained in such report shall be held confidential by the Loan Trustee and each Loan Participant and shall not be furnished or disclosed by them to anyone other than their bank examiners, auditors, accountants, agents and legal counsel and any Person with whom any Loan Participant is in good faith conducting negotiations relating to the possible transfer and sale of such Loan Participant's Equipment Notes, if such Person shall have entered into an agreement similar to that contained in this Section 11(c) whereby such Person agrees to hold such information confidential, and except as may be required by an order of any court or administrative agency or by any statute, rule, regulation or order of any governmental authority. The Company will cause such firm to advise the Loan Trustee, any Bank Lender or the Pass Through Trustee, in writing promptly of any default in the payment of any premium and of any other act or omission on the part of the Company of which such firm has knowledge and which might invalidate or render unenforceable, in whole or in part, any insurance on the Aircraft. The Company will also cause such firm to advise the Loan Trustee, any Bank Lender and the Pass Through Trustee, in writing as promptly as practicable after such firm acquires knowledge that an interruption or reduction of any insurance carried and maintained on the Aircraft pursuant to the provisions of this Section 11 will occur.

(d) Insurance for Own Account. Nothing in this Section 11 shall limit or prohibit the Loan Trustee or the Company from obtaining insurance for its own account with respect to the Airframe or any Engine and any proceeds payable thereunder shall be payable as provided in the insurance policy relating thereto, provided that (i) no such insurance may be obtained which would limit or otherwise adversely affect the coverage or amounts payable under insurance required to be maintained pursuant to this Section 11, it being understood that all salvage rights to the Airframe or such Engine shall remain with the Company's insurers at all times, and (ii) the Loan Trustee may obtain hull insurance on the Aircraft only to the extent the procurement of such insurance does not have an adverse effect on the Company's ability or cost to obtain such insurance, except that the limitation in the foregoing clause (i) on the Loan Trustee's right to obtain liability insurance shall not apply during any period in which the Company is provid-

ing a Government indemnity in lieu of the liability insurance required by Section 11(a) of this Article and the limitations in clauses (i) and (ii) on the Loan Trustee's rights to obtain hull insurance shall not apply during any period in which the Company is providing a Government indemnity in lieu of the hull insurance required by Section 11(b) of this Article.

Section 12. Inspection. At all reasonable times so long as any Equipment Notes are outstanding, but upon at least 5 days' prior written notice to the Company, the Loan Trustee, the Initial Bank Lender, the Pass Through Trustee or their authorized representatives may at their own expense and risk (including without limitation, any risk of personal injury or death) conduct a visual walk-around inspection of the Aircraft and any Engine and may inspect the books and records of the Company relating thereto; provided that (a) such representative shall be fully insured to the reasonable satisfaction of the Company at no cost to the Company with respect to any risks incurred in connection with any such inspection, (b) any such inspection shall be subject to the safety, security and workplace rules applicable at the location where such inspection is conducted and any applicable governmental rules or regulations and (c) in the case of an inspection during a maintenance visit, such inspection shall not in any respect interfere with the normal conduct of such maintenance visit or extend the time required for such maintenance visit. All information obtained in connection with any such inspection shall be held confidential by the Loan Trustee and each Loan Participant and shall not be furnished or disclosed by them to anyone other than their accountants, agents and legal counsel and any Person with whom any such Loan Participant is in good faith conducting negotiations relating to the possible transfer and sale of such Loan Participant's Equipment Notes if such Person shall have entered into an agreement similar to that contained in this Section 12 whereby such Person agrees to hold such information confidential, and except as may be required by an order or administrative agency or by any statute, rule, regulation or order of any governmental authority. Upon the Loan Trustee's request, the Company will notify the Loan Trustee of the next scheduled "heavy maintenance" visit to be conducted by the Company in respect of the Aircraft; provided that the Company shall have the right in its sole discretion to reschedule, or change the location of, any maintenance visit of which it shall have notified the Loan Trustee pursuant to this sentence, the Company hereby agreeing to use reasonable efforts to notify the Loan Trustee of

any such rescheduling or change. The Loan Trustee shall not have any duty to make such inspection and shall not incur any liability or obligation by reason of not making any such inspection. No inspection pursuant to this Section 12 shall interfere with the use, operation or maintenance of the Aircraft or the normal conduct of the Company's business, and the Company shall not be required to undertake or incur any additional liabilities in connection therewith.

Section 17. Further Assurances; Financial Information. Forthwith upon the execution and delivery of each Trust Agreement and Indenture Supplement, the Company will cause such Trust Agreement and Indenture Supplement to be duly filed and recorded in accordance with the Federal Aviation Act. In addition, the Company and the Loan Trustee will promptly and duly execute and deliver to the other party hereto such further documents and assurances and take such further action as such other party may from time to time reasonably request in order to effectively carry out the intent and purpose of this Indenture, including, without limitation, if requested by the Loan Trustee, the execution and delivery of supplements or amendments hereto, in recordable form, subjecting to this Indenture any Replacement Airframe or Replacement Engine and the recording or filing of counterparts hereof or thereof, in accordance with the laws of such jurisdictions as the Loan Trustee may from time to time deem advisable; provided that this sentence is not intended to impose upon the Company any additional liabilities not otherwise contemplated by this Indenture. The Company agrees to furnish the Loan Trustee (i) within 60 days after the end of each of the first three quarterly fiscal periods in each fiscal year of the Company, a consolidated balance sheet of the Company and its consolidated subsidiaries prepared by it as of the close of such period, together with the related consolidated statements of income and cash flows for such period, (ii) within 120 days after the close of each fiscal year of the Company, a consolidated balance sheet of the Company and its consolidated subsidiaries as of the close of such fiscal year, together with the related consolidated statements of income and cash flows for such fiscal year, as certified by independent public accountants, (iii) within 120 days after the close of each fiscal year of the Company, a certificate of the Company signed by a Responsible Officer of the Company and addressed to the Loan Trustee to the effect that the signer has reviewed the relevant terms of this Indenture and the Participation Agreement and has made, or caused to be made under his supervision, a review of the transactions and condition

of the Company during the accounting period covered by the financial statements referred to in clause (ii) above, and that such review has not disclosed the existence during such accounting period, nor does the signer have knowledge of the existence as at the date of such certificate, of any condition or event which constitutes an Indenture Event of Default or which, after notice or lapse of time or both, would constitute an Indenture Event of Default, or, if any such condition or event existed or exists, specifying the nature and period of existence thereof and what action the Company has taken or is taking or proposes to take with respect thereto, and (iv) from time to time such other non-confidential information as the Loan Trustee may reasonably request.

Section 24. Maintenance of Certain Engines. Notwithstanding anything to the contrary contained herein, an aircraft engine which is not an Engine, but which is installed on the Airframe, shall be maintained in accordance with Section 7(a) of this Article.

Section 27. Company's Performance and Rights. Any obligation imposed on the Company pursuant to Sections 7, 8, 11, 12 and 24 of this Article shall require only that the Company perform or cause to be performed such obligation, even if stated herein as a direct obligation, and the performance of any such obligation by any permitted assignee, lessee or transferee under an assignment, lease or transfer agreement then in effect shall constitute performance by the Company and to the extent of such performance, discharge such obligation by the Company. Except as otherwise expressly provided herein, any right granted to the Company in this Indenture shall grant the Company the right to exercise such right or permit such right to be exercised by any such assignee, lessee or transferee; provided that no such assignee, lessee or transferee shall be permitted to exercise the self-insurance rights of the Company set forth in Section 11 of this Article. The inclusion of specific references to obligations or rights of any such assignee, lessee or transferee in certain provisions of this Indenture shall not in any way prevent or diminish the application of the provisions of the two sentences immediately preceding with respect to obligations or rights in respect of which specific reference to any such assignee, lessee or transferee has not been made in this Indenture.

Section 28. Statement of Intention. The Loan Trustee, the Company and the Owner Trustee acknowledge that the intent of the provisions contained in this Article 15

is, following the termination of the Lease pursuant to Section 9(e), 9(f) or 20(b) thereof, to provide for the Loan Trustee to have rights similar to those enjoyed by the Owner Trustee under the Lease and for the Company to have rights similar to those enjoyed by it under the Lease. The Loan Trustee and the Company hereby agree that this Article 15 shall be construed and interpreted in a manner consistent with the intent expressed in this Section 28.

Section 29. Amendment of Exhibit to the Indenture. (a) Each Pass Through Equipment Note issued after the Relevant Date shall be issued in substantially the form set forth in Exhibit A to this Indenture as originally executed, provided that the following legend shall be affixed to each such Pass Through Equipment Note:

"Pursuant to Section 7.03 of the Trust Indenture and Security Agreement, American Airlines, Inc. has assumed all of the obligations of the Owner Trustee under the Trust Indenture and Security Agreement and this Pass Through Equipment Note except such obligations as could necessarily be performed exclusively by an entity acting in the capacity of the Owner Trustee."

(b) Each Bank Equipment Note issued after the Relevant Date shall be issued in substantially the form set forth in Exhibit A-1 to this Indenture as originally executed, provided that the following legend shall be affixed to each such Bank Equipment Note:

"Pursuant to Section 7.03 of the Trust Indenture and Security Agreement, American Airlines, Inc. has assumed all of the obligations of the Owner Trustee under the Trust Indenture and Security Agreement and this Bank Equipment Note except such obligations as could necessarily be performed exclusively by an entity acting in the capacity of the Owner Trustee."

In lieu of issuing Equipment Notes with the appropriate legend as described in the immediately preceding sentence, at the option of the Loan Trustee or if requested by the Company, any Pass Through Equipment Note issued after the Relevant Date shall be substantially in the form set forth in Exhibit DA to this Indenture and any Bank Equipment Note issued after the Relevant Date shall be substantially in the form set forth in Exhibit DA-1 to this Indenture.

Section 30. General. Effective as of the Relevant Date the Company assumes on a full recourse basis all of the duties and obligations of the Owner Trustee under this Indenture and the Equipment Notes and shall be entitled to all the rights and benefits of the Owner Trustee hereunder and thereunder, in each case to the extent provided for in this Indenture, and the Owner Trustee is, effective upon the Relevant Date, released from all duties, obligations and rights under this Indenture and the Equipment Notes (other than any obligations or liabilities of the Owner Trustee in its individual capacity incurred on or prior to the Relevant Date or arising out of or based upon events occurring on or prior to the Relevant Date, which obligations and liabilities shall remain the responsibility of the Owner Trustee).

The Company confirms and ratifies the security interest which the Owner Trustee granted to the Loan Trustee pursuant to the Granting Clause of this Indenture in all of the Owner Trustee's right, title and interest in the Aircraft and its interest in the Purchase Agreement (to the extent assigned to the Owner Trustee pursuant to the Purchase Agreement Assignment) and the Company explicitly agrees that the Company is acquiring the Aircraft subject to such security interest, which shall remain in full force and effect until this Indenture is discharged in accordance with the terms hereof, and the Loan Trustee acknowledges that the Lease and the obligations of the Company hereunder as Company have been terminated, except as specifically provided for therein, and each of the Company and the Loan Trustee hereby agree that the Granting Clause hereof shall, subject always to the provisions of Section 28 of Article 15 hereof, be deemed to have been modified *mutatis mutandis*.

If an Indenture Event of Default shall occur and be continuing, the unpaid principal amount of the Equipment Notes may be declared due and payable in the manner and with the effect provided in the Indenture. Upon an Indenture Event of Default the Loan Trustee may exercise one or more of the remedies in the Indenture. The final installment of principal of this Bank Equipment Note shall under all circumstances equal the entire principal balance hereof outstanding on the Maturity Date.

As more fully provided in the Indenture, the Equipment Notes are subject to redemption, upon such notice and under the circumstances set forth in the Indenture, at the Redemption Price set forth for such circumstances therein.

If an Indenture Event of Default shall occur and be continuing, the unpaid principal amount of the Equipment Notes may be declared due and payable in the manner and with the effect provided in the Indenture. Upon an Indenture Event of Default the Loan Trustee may exercise one or more of the remedies in the Indenture. The right of the Bank Lender to institute action for any remedy under the Indenture, including the enforcement of payment of any amount due hereon, is subject to certain restrictions specified in the Indenture.

The Company and the Loan Trustee will be discharged from their respective obligations in respect of the Equipment Notes (except for certain matters, including obligations to register the transfer or exchange of Equipment Notes, replace stolen, lost or mutilated Equipment Notes, maintain paying agencies and hold moneys for payment in trust), and the Loan Trustee may thereupon cause the release of the Indenture Estate from the lien of the Indenture, if (a) the Company deposits or causes to be deposited irrevocably with the Loan Trustee, in trust, money or U.S. Government Obligations which through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay principal of, Make- Whole Amount or Swap Breakage Loss, if any, as the case may be, and interest on the Outstanding Equipment Notes on the dates such payments are due in accordance with the terms of such Equipment Notes and (b) certain other conditions are satisfied, including the publication by the United States Internal Revenue Service of a ruling to the effect that the deposit and related defeasance would not cause the Loan Participants to recognize income, gain or loss for Federal income tax purposes.

As provided in the Indenture and in the Refunding Agreement and subject to certain limitations set forth herein and therein (including the limitations set forth in Section 10 of the Refunding Agreement), this Bank Equipment Note is transferable, and upon surrender of this Bank Equipment Note for registration of transfer at the principal corporate trust office of the Registrar, or at the office or agency maintained for such purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by, the Bank Lender or his attorney duly authorized in writing, one or more new Bank Equipment Notes of the same maturity and type and of authorized denominations and for the same aggregate principal amount will be issued to the designated transferee or transferees.

The Bank Equipment Notes are issuable only as registered Equipment Notes. The Bank Equipment Notes are issuable in denominations of not less than \$5,000,000 (or such lesser amount as shall constitute 100% of the aggregate unpaid principal amount of Bank Equipment Notes held by the Bank Lender holding such Bank Equipment Notes). As provided in the Indenture and subject to certain limitations set forth therein and in the Refunding Agreement, Bank Equipment Notes are exchangeable for an equal aggregate principal amount of Bank Equipment Notes of the same type, having the

same Maturity Date and of any authorized denominations or transferable upon surrender of the Bank Equipment Notes to be exchanged or transferred, as requested by the Bank Lender surrendering the same, upon presentation thereof for such purpose at the principal corporate trust office of the Registrar, or at any office or agency maintained for such purpose.

No service charge shall be made for any such registration of transfer or exchange, but the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Owner Trustee agrees that promptly on receipt thereof, it will transfer to the Loan Trustee any and all moneys from time to time received by it constituting part of the Indenture Estate, for distribution by the Loan Trustee pursuant to this Agreement, except that the Owner Trustee shall accept for distribution pursuant to the Trust Agreement any amounts distributed to it by the Loan Trustee

as expressly provided in this Agreement and any Excepted Property.

The Owner Trustee agrees that at any time and from time to time, upon the written request of the Loan Trustee, the Owner Trustee will promptly and duly execute and deliver or cause to be duly executed and delivered to the Loan Trustee any and all such further instruments and documents as the Loan Trustee may reasonably deem desirable in obtaining the full benefits of the mortgage and security interest granted hereby and of the rights and powers herein granted.

The Owner Trustee does hereby warrant and represent that it has not mortgaged, assigned or pledged, and hereby covenants that it will not mortgage, assign or pledge, so long as the Lien of this Agreement shall or is intended to remain in effect, any of its right, title or interest subject to the mortgage and security interest hereby created, to anyone other than the Loan Trustee, and that it will not (other than in respect of Excepted Property), except as provided in or permitted by this Agreement, accept any payment from the Company, enter into an agreement amending or supplementing any of the Operative Documents to which it is a party, execute any waiver or modification of, or consent under the terms of any of the Operative Documents to which it is a party, settle or compromise any claim against the Company arising under any of the Operative Documents, or submit or consent to the submission of any dispute, difference or other matter arising under or in respect of any of the Operative Documents to which it is a party to arbitration thereunder.

sixth, so much of such payments or amounts remaining thereafter shall be held by the Loan Trustee as collateral security for the obligations secured hereby

until such time as no Indenture Event of Default shall be continuing hereunder or the Equipment Notes have been accelerated and all amounts due thereon (other than any Swap Breakage Loss) have been paid, at which time so much of such payments or amounts remaining as shall be required to pay an amount which, when aggregated with any prior distributions pursuant to this clause " sixth", shall be equal to the sum of (a) the excess, if any, of (i) the Termination Value for the Aircraft, computed as of the date of distribution pursuant to this clause " sixth" (the "Distribution Date"), over (ii) the aggregate principal amount of the Outstanding Equipment Notes as of the Distribution Date, plus (b) all other Supplemental Rent then due and owing to the Owner Trustee or the Owner Participant shall be distributed to the Owner Trustee to be held or distributed in accordance with the provisions of the Trust Agreement; provided that at such time as one or more Lease Events of Default shall have occurred and any such Lease Event of Default shall have continued for a period of 180 days during which the Equipment Notes could, but shall not, have been accelerated pursuant to Section 8.02, the amounts which would have been payable to the Owner Trustee pursuant to this clause " sixth" but for the occurrence of such Lease Event of Default shall be so paid to the Owner Trustee;

eighth, so much of such payments or amounts remaining thereafter shall be distributed to the Owner Trustee to be held or distributed in accordance with the provisions of the Trust Agreement, so long as no Indenture Event of Default exists other than by virtue of such Lease Event of Default.

pants entitled to payment thereon shall thereafter, as unsecured general creditors, look only to the Company on behalf of the Owner Trustee for payment thereof, and all liability of the Loan Trustee or any such Paying Agent with respect to such trust money shall thereupon cease; provided that the Loan Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be mailed to each such Loan Participant notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of mailing, any unclaimed balance of such money then remaining will be repaid to the Owner Trustee as provided herein.

Section 7.02. Change in Registration. The Loan Trustee shall upon the request of the Company consent to the deregistration of the Aircraft under the laws of the jurisdiction in which it is at the time registered and the registration of the Aircraft under laws of another jurisdiction (herein called a "change in registration") provided that the following conditions are met:

(a) such change in registration complies with the provisions of the Lease;

(b) no Lease Event of Default and no event which, with lapse of time or notice, or both, would become a Lease Event of Default shall have occurred and be continuing at the date of such request or at the effective date of the change in registration, provided that it shall not be necessary to comply with this condition (b) if the change in registration results in the registration of the Aircraft under the laws of the United States of America or if the Loan Trustee in its discretion believes the change in registration would be advantageous to the Loan Participants;

(c) the Loan Trustee shall have received an opinion of counsel reasonably satisfactory to it to the effect that:

(i) after giving effect to the change in registration, the Lien on the Aircraft and the other property included in the Indenture Estate shall continue as a fully-perfected Lien and all filing, recording or other action necessary to perfect and protect the Lien of this Indenture has been accomplished (or if such opinion cannot be given at the time by which the Loan Trustee has

been requested to consent to a change in registration, (x) the opinion shall detail what filing, recording or other action is necessary and (y) the Loan Trustee shall have received a certificate from the Company that all possible preparations to accomplish such filing, recording and other action shall have been done, and such filing, recording and other action shall be accomplished and a supplemental opinion to that effect shall be delivered to the Loan Trustee on or prior to the effective date of the change in registration); and

(ii) the terms of the Lease and this Agreement (including the governing law clauses) are legal, valid and binding and enforceable in such jurisdiction, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and by general principles of equity, and except as limited by applicable laws which may affect the remedies provided in the Lease and this Agreement, respectively, which laws, however, do not in the opinion of such counsel make the remedies provided in the Lease and this Agreement, respectively, inadequate for the practical realization of the rights and benefits provided thereby;

(d) the Loan Trustee shall have received assurances reasonably satisfactory to it that the insurance provisions of the Lease will have been complied with after giving effect to such change in registration; and

(e) the Company shall have paid or made provision satisfactory to the Loan Trustee for the payment of all expenses connected with such change in registration.

The Loan Trustee shall execute such documents as the Company or the Owner Trustee shall reasonably request in order to satisfy the above conditions and upon satisfaction of such conditions to effect the change in registration.

Section 7.03. Assumption of Obligations of Owner Trustee by the Company. In the event that the Company shall have elected to assume all of the rights and obligations of the Owner Trustee under this Agreement in respect of the Equipment Notes in connection with the purchase by the Company of the Aircraft on a Lease Termination Date pursuant to Section 9(e) or Section 20(b) of the Lease (any such date

being referred to hereinafter as the "Relevant Date") and, if on or prior to the Relevant Date:

(a) the Company shall have delivered to the Loan Trustee a certificate, dated the Relevant Date, of a Responsible Company Officer stating that the Company has paid to the Owner Trustee all amounts required to be paid to the Owner Trustee pursuant to the Lease, in connection with such purchase and assumption;

(b) no Indenture Default after giving effect to the Relevant Amendment (as defined below) pursuant to clause (x) below shall have occurred and be continuing immediately subsequent to such purchase or assumption and the Loan Trustee shall have received a certificate, dated the Relevant Date, of a Responsible Company Officer to such effect;

(c) the Loan Trustee shall have received, on or prior to the Relevant Date, evidence of all filings, recordings and other action referred to in the Opinion or Opinions of Counsel referred to below; and

(d) the Loan Trustee shall have received an Opinion or Opinions of Counsel for the Company, dated the Relevant Date, which without unusual qualification shall be to the effect that, after giving effect to the Relevant Amendment (as defined below):

(i) this Agreement constitutes the legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and by general principles of equity, and except as limited by applicable laws which may affect the remedies provided for in this Agreement, which laws, however, do not in the opinion of such counsel make the remedies provided for in this Agreement inadequate for the practical realization of the rights and benefits provided for in this Agreement;

(ii) the Aircraft is duly registered in compliance with applicable law under the laws of the jurisdiction in which the Aircraft was registered immediately prior to such purchase and assumption;

(iii) the Lien on the Aircraft constitutes a fully-perfected Lien and all filing, recording or other action (specifying the same) necessary to perfect and protect the Lien of this Agreement has been accomplished; and

(iv) the Loan Trustee should, for the reasons set forth in such opinion, be entitled to the benefits of Section 1110 of the Bankruptcy Code with respect to the Aircraft; provided that such opinion need not be delivered to the extent that the benefits of Section 1110 of the Bankruptcy Code are not available to the Loan Trustee with respect to the Aircraft immediately prior to such assumption; and provided further that such opinion may contain qualifications of the tenor contained in the opinion of Debevoise & Plimpton delivered pursuant to Section 3(k) of the Refunding Agreement on the Refunding Date;

then, automatically and without the requirement of further action by any Person, effective as of the Relevant Date:

(x) this Agreement shall be deemed to have been amended as provided for in Exhibit D hereto (the "Relevant Amendment "); and

(y) the Owner Trustee shall be released from all of its obligations under this Agreement in respect of the Equipment Notes or otherwise (other than any obligations or liabilities of the Owner Trustee in its individual capacity incurred on or prior to the Relevant Date or arising out of or based upon events occurring on or prior to the Relevant Date, which obligations and liabilities shall remain the sole responsibility of the Owner Trustee).

#### ARTICLE 8

##### DEFAULTS AND REMEDIES

Section 8.01. Indenture Events of Default. "Indenture Event of Default" shall mean any of the following events (whatever the reason for such Indenture Event of Default and whether such event shall be voluntary or involuntary or come about or be effected by operation of law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any

administrative or governmental body) and each such Indenture Event of Default shall be deemed to exist so long as, but only so long as, it shall not be remedied:

(a) any amount of interest upon any Equipment Note or of principal of any Equipment Note or of Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, in respect of any Equipment Note shall not be paid when due and payable (whether upon redemption or purchase, final maturity, acceleration or otherwise) and such default in payment shall continue for more than 15 days after such amount shall have become due and payable; or

(b) any failure by the Owner Trustee, in its individual capacity or as Owner Trustee, as the case may be, to observe any of its covenants or its agreements contained in the fifth paragraph of the Habendum Clause or Sections 4.01(d) and 4.01(e) if, but only if, such failure is not remedied within a period of 30 days after there has been given to the Owner Trustee and the Owner Participant, by registered or certified mail, a written notice specifying such failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder, by the Loan Trustee or by the Loan Participants owning at least 25% in principal amount of Outstanding Equipment Notes; or

(c) any failure by the Owner Participant or the Owner Trustee, in its individual capacity, to observe or perform any of its respective covenants in Section 9(b), 9(c), 9(d) or 16(c) of the Participation Agreement; or

(d) any failure by the Owner Trustee, in its individual capacity or as Owner Trustee, to observe or perform any other covenant or obligation of the Owner Trustee contained in this Agreement, in the Participation Agreement or any failure by the Owner Participant to observe or perform any other covenant or obligation of the Owner Participant contained in the Participation Agreement which failure, in any case and either individually or together with other then existing failures, shall have a material adverse effect on the rights and interests of the Loan Participants and is not remedied within a period of 30 days after there has been given to the Owner Trustee and the Owner Participant, by registered or certified mail, a written notice specifying such failure and requiring it to be remedied and

stating that such notice is a "Notice of Default" hereunder, by the Loan Trustee or by Loan Participants owning at least 25% in principal amount of outstanding Equipment Notes (provided that if such failure is capable of being remedied, no such failure shall constitute an Indenture Event of Default hereunder for such longer period (not to exceed 180 days) during which the Owner Trustee or the Owner Participant, as the case may be, is diligently proceeding to remedy such failure and provided further that the Owner Trustee or the Owner Participant, as the case may be, shall have provided to the Loan Trustee adequate assurances of performance within such period); or

(e) any representation or warranty made by the Owner Participant, the Owner Trustee, in its individual capacity or as Owner Trustee, or the Owner Participant Guarantor herein, in the Participation Agreement, in the Refunding Agreement, or in the Owner Participant Guaranty shall prove at any time to have been false or incorrect when made and was and is in any respect materially adverse to the rights and interests of the Loan Participants; and if such misrepresentation and its consequences are capable of being corrected as of a subsequent date and if such correction is being sought diligently, such misrepresentation and its consequences shall continue unremedied for a period of 30 days after there has been given to the Owner Trustee and the Owner Participant, by registered or certified mail, a written notice specifying such incorrectness and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder by the Loan Trustee or by Loan Participants owning at least 25% in principal amount of Outstanding Equipment Notes; or

(f) subject to Section 8.03(e)(i), any Lease Event of Default (other than any such Lease Event of Default in respect of any Excepted Property); provided that any Lease Event of Default shall be deemed to exist and continue so long as, but only so long as, it shall not be remedied; or

(g) either the Trust Estate or the Owner Trustee with respect thereto (and not in its individual capacity), the Owner Participant or the Owner Participant Guarantor, as the case may be, shall (i) file, or consent by answer or otherwise to the filing against it of a petition for relief or reorganization or arrangement or any other petition in bankruptcy, for liquidation or

to take advantage of any bankruptcy or insolvency law of any jurisdiction, (ii) make an assignment for the benefit of its creditors, or (iii) consent to the appointment of a custodian, receiver, trustee or other officer with similar powers of itself or any substantial part of its property; or

(h) a court or governmental authority of competent jurisdiction shall enter an order appointing, without consent by the Trust Estate or the Owner Trustee with respect thereto (and not in its individual capacity), the Owner Participant, or the Owner Participant Guarantor, as the case may be, a custodian, receiver, trustee or other officer with similar powers with respect to it or with respect to any substantial part of its property, or constituting an order for relief or approving a petition for relief or reorganization or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy or insolvency law of any jurisdiction, or ordering the dissolution, winding-up or liquidation of the Trust Estate or the Owner Trustee with respect thereto (and not in its individual capacity), the Owner Participant, or the Owner Participant Guarantor, as the case may be, and any such order or petition is not dismissed or stayed within 90 days after the earlier of the entering of any such order or the approval of any such petition; or

(i) any Lessor's Lien required to be discharged by the Owner Participant or the Owner Trustee, in its individual capacity, pursuant to Section 16(b) of the Participation Agreement (in the case of the Owner Participant) or Section 9(c) of the Participation Agreement or Section 4.01(b) hereof (in the case of the Owner Trustee) shall remain undischarged for a period of 30 days after an officer in the Corporate Trust Department who has responsibility for, or familiarity with, the transactions contemplated by the Operative Documents or any Vice President in the Corporate Trust Department (with respect to a Lessor's Lien attributable to the Owner Trustee) or an officer of the Owner Participant who has responsibility for, or familiarity with, the transactions contemplated by the Operative Documents or any Vice President of the Owner Participant (with respect to a Lessor's Lien attributable to the Owner Participant) shall have actual knowledge of such Lien; or

(j) at any time when the Aircraft is registered under the laws of a country other than the United States of America, as a result of the gross negligence or wilful misconduct of the Owner Trustee or the Owner Participant, the Lien of this Agreement shall cease to constitute a valid and duly perfected Lien on the Indenture Estate (other than pursuant to and in accordance with the terms of Section 10.01); or

(k) any Owner Participant Guaranty ceases to be a valid and enforceable obligation of the Owner Participant Guarantor or otherwise shall not be in full force and effect.

Section 8.02. Acceleration; Rescission and Annulment. If an Indenture Event of Default occurs and is continuing, the Loan Trustee, by notice to the Company, the Owner Participant and the Owner Trustee, or Loan Participants owning at least 25% in aggregate principal amount of Outstanding Equipment Notes by notice to the Company, the Loan Trustee, the Owner Trustee and the Owner Participant, may declare the principal of all the Equipment Notes to be due and payable. Upon such declaration, the principal of all Equipment Notes, together with accrued interest thereon from the date in respect of which interest was last paid hereunder to the date payment of such principal has been made or duly provided for shall be immediately due and payable, together with Swap Breakage Loss, if any, on the Bank Equipment Notes. At any time after such declaration and prior to the sale or disposition of the Indenture Estate, Loan Participants owning a majority in aggregate principal amount of all of the Outstanding Equipment Notes, by notice to the Loan Trustee, the Owner Trustee and the Owner Participant, may rescind such a declaration and thereby annul its consequences if (i) an amount sufficient to pay all principal of, Make-Whole Amount, if any, and Swap Breakage Loss, if any, and interest on, such Equipment Notes, to the extent each such amount is due or past due, if any, in respect of the Outstanding Equipment Notes other than by reason of such acceleration and all sums due and payable to the Loan Trustee has been deposited with the Loan Trustee, (ii) the rescission would not conflict with any judgment or decree and (iii) all existing Indenture Defaults and Indenture Events of Default under this Agreement have been cured or waived except nonpayment of principal of, Swap Breakage Loss, if any, or interest on the Equipment Notes that has become due solely because of such acceleration. No Make-Whole Amount shall be payable on the Pass Through

Equipment Notes as a result of the acceleration of the Equipment Notes.

Section 8.03. Other Remedies Available to Loan Trustee. (a) After an Indenture Event of Default shall have occurred and so long as such Indenture Event of Default shall be continuing, then and in every such case the Loan Trustee, as trustee of an express trust and as assignee hereunder of the Lease or as holder of a security interest in the Aircraft, Airframe or Engines or otherwise, may, and when required pursuant to the provisions of Article 9 shall, exercise subject to Sections 8.03(b), 8.03(e), 8.03(f) and 8.03(h), upon ten (10) Business days' prior notice to the Owner Trustee and the Owner Participant (if not precluded by law or otherwise) any or all of the rights and powers and pursue any and all of the remedies accorded to the Owner Trustee pursuant to this Article 8 (and in the event that such Indenture Event of Default is also a Lease Event of Default, pursuant to Section 15 of the Lease), may recover judgment in its own name as Loan Trustee against the Indenture Estate and may take possession of all or any part of the Indenture Estate and may exclude the Owner Trustee and the Owner Participant and all persons claiming under any of them wholly or partly.

(b) After an Indenture Event of Default shall have occurred and so long as such Indenture Event of Default shall be continuing, subject to Sections 8.03(e), 8.03(f) and 8.03(h), the Loan Trustee may, if at the time such action may be lawful and always subject to compliance with any mandatory legal requirements, either with or without taking possession, and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Owner Trustee, the Owner Participant and the Company once at least 10 Business Days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of the Indenture Estate, or any part thereof, or interest therein, at public auction to the highest bidder, in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Loan Trustee may determine, and at any place (whether or not it be the location of the Indenture Estate or any part thereof) and time designated in the notice above referred to; provided, however, that, notwithstanding any provision herein to the contrary, the Loan Trustee may not provide the notice provided for above of its intention to sell any of the Indenture Estate, exercise remedies under the Lease or exercise other remedies against the Indenture Estate, in

each case seeking to deprive the Owner Participant of its interest therein unless a declaration of acceleration has been made pursuant to Section 8.02. Any such sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or by announcement at the time and place appointed for any such adjourned sale or sales, without further notice, and the Loan Trustee and any Loan Participant may bid and become the purchaser at any such sale. The Loan Trustee may exercise such right without possession or production of the Equipment Notes or proof of ownership thereof, and as representative of the Loan Participants may exercise such right without notice to the Loan Participants or including the Loan Participants as parties to any suit or proceeding relating to foreclosure of any property in the Indenture Estate. The Owner Trustee hereby irrevocably constitutes the Loan Trustee the true and lawful attorney-in-fact of the Owner Trustee (in the name of the Owner Trustee or otherwise) for the purpose of effectuating any sale, assignment, transfer or delivery for enforcement of the Lien created under this Agreement, whether pursuant to foreclosure or power of sale or otherwise, to execute and deliver all such bills of sale, assignments and other instruments as the Loan Trustee may consider necessary or appropriate, with full power of substitution, the Owner Trustee hereby ratifying and confirming all that such attorney or any substitute shall lawfully do by virtue hereof. Nevertheless, if so requested by the Loan Trustee or any purchaser, the Owner Trustee shall ratify and confirm any such sale, assignment, transfer or delivery, by executing and delivering to the Loan Trustee or such purchaser all bills of sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may be designated in any such request.

(c) Subject to Sections 8.03(b), 8.03(e), 8.03(f) and 8.03(h), if an Indenture Event of Default has occurred and is continuing, the Owner Trustee shall, at the request of the Loan Trustee, promptly execute and deliver to the Loan Trustee such instruments of title or other documents as the Loan Trustee may deem necessary or advisable to enable the Loan Trustee or an agent or representative designated by the Loan Trustee, at such time or times and place or places as the Loan Trustee may specify, to obtain possession of all or any part of the Indenture Estate. If the Owner Trustee shall for any reason fail to execute and deliver such instruments and documents after such request by the Loan Trustee, the Loan Trustee shall be entitled to a judgment for specific performance of the covenants contained in the foregoing sentence, conferring upon the Loan Trustee the

right to immediate possession and requiring the Owner Trustee or the Company or both to execute and deliver such instruments and documents to the Loan Trustee. The Loan Trustee shall also be entitled to pursue all or any part of the Indenture Estate wherever it may be found and may enter any of the premises of the Owner Trustee or any other Person wherever the Indenture Estate may be or be supposed to be and search for the Indenture Estate and take possession of any item of the Indenture Estate pursuant to this Section 8.03(c). The Loan Trustee may, from time to time, at the expense of the Indenture Estate, make all such expenditures for maintenance, insurance, repairs, replacements, alterations, additions and improvements to and of the Indenture Estate, as it may deem proper. In each such case, the Loan Trustee shall have the right to use, operate, store, lease, control or manage the Indenture Estate, and to exercise all rights and powers of the Owner Trustee relating to the Indenture Estate as the Loan Trustee shall deem appropriate, including the right to enter into any and all such agreements with respect to the use, operation, storage, leasing, control or management of the Indenture Estate or any part thereof; and the Loan Trustee shall be entitled to collect and receive directly all tolls, rents (including Rent), issues, profits, products, revenues and other income of the Indenture Estate and every part thereof, without prejudice, however, to the right of the Loan Trustee under any provision of this Agreement to collect and receive all cash held by, or required to be deposited with, the Loan Trustee hereunder. In accordance with the terms of this Section 8.03(c), such tolls, rents (including Rent), issues, profits, products, revenues and other income shall be applied to pay the expenses of using, operating, storing, leasing, controlling or managing the Indenture Estate, and of all maintenance, insurance, repairs, replacements, alterations, additions and improvements, and to make all payments which the Loan Trustee may be required or may elect to make, if any, for taxes, assessments, insurance or other proper charges upon the Indenture Estate or any part thereof (including the employment of engineers and accountants to examine, inspect and make reports upon the properties and books and records of the Owner Trustee and, to the extent permitted by the Lease, the Company), and all other payments which the Loan Trustee may be required or authorized to make under any provision of this Agreement, including this Section 8.03(c), as well as just and reasonable compensation for the services of the Loan Trustee, and of all persons properly engaged and employed by the Loan Trustee.

If an Indenture Event of Default occurs and is continuing and the Loan Trustee shall have obtained possession of or title to the Aircraft, the Loan Trustee shall not be obligated to use or operate the Aircraft or cause the Aircraft to be used or operated directly or indirectly by itself or through agents or other representatives or to lease, license or otherwise permit or provide for the use or operation of the Aircraft by any other Person unless (i) the Loan Trustee shall have been able to obtain insurance in kinds, at rates and in amounts satisfactory to it in its discretion to protect the Indenture Estate and the Loan Trustee, as trustee and individually, against any and all liability for loss or damage to the Aircraft and for public liability and property damage resulting from use or operation of the Aircraft and (ii) funds are available in the Indenture Estate to pay for all such insurance or, in lieu of such insurance, the Loan Trustee is furnished with indemnification from the Loan Participants or any other Person upon terms and in amounts satisfactory to the Loan Trustee in its discretion to protect the Indenture Estate and the Loan Trustee, as trustee and individually, against any and all such liabilities.

(d) Subject to Sections 8.03(b), 8.03(e), 8.03(f) and 8.03(h), the Loan Trustee may proceed to protect and enforce this Agreement and the Equipment Notes by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Indenture Estate or any part thereof, or for the recovery of judgment for the indebtedness secured by the Lien created under this Agreement or for the enforcement of any other proper, legal or equitable remedy available under applicable law.

(e) (i) If the Company shall fail to make any payment of Basic Rent under the Lease when the same shall become due, and if such failure of the Company to make such payment of Basic Rent shall not constitute the fourth or subsequent consecutive such failure or the seventh or subsequent cumulative such failure, then as long as no Indenture Event of Default (other than arising from a Lease Event of Default) shall have occurred and be continuing, the Owner Participant or the Owner Trustee may (but need not) pay to the Loan Trustee, at any time prior to the day which is the thirtieth day subsequent to notice of such failure by the Loan Trustee to the Owner Trustee or the Owner Participant (and the Loan Trustee shall not (without the prior written

consent of the Owner Trustee) declare the Lease in default pursuant to Section 15 thereof or exercise any of the rights, powers or remedies pursuant to such Section 15 or this Article 8 prior to the occurrence of such date), an amount equal to the full amount of such payment of Basic Rent, together with any interest due thereon on account of the delayed payment thereof to the date of such payment (without regard to any acceleration), and such payment by the Owner Participant or the Owner Trustee shall be deemed to cure as of the date of such payment any Indenture Event of Default which arose from such failure of the Company (including any Lease Event of Default arising from the Company's failure to pay interest in respect of such overdue Basic Rent for the period commencing on the date of such payment), but such cure shall not relieve the Company of any of its obligations. If the Company shall fail to perform or observe any covenant, condition or agreement to be performed or observed by it under the Lease other than the payment of Basic Rent, and if (but only if) the performance or observance thereof can be effected by the payment of money alone (it being understood that actions such as the obtaining of insurance and the procurement of maintenance services can be so effected), then as long as no other Indenture Event of Default (other than those arising from a Lease Event of Default) shall have occurred and be continuing, the Owner Participant or the Owner Trustee may (but need not) pay to the Loan Trustee (or to such other person as may be entitled to receive the same), at any time prior to the day which is the thirtieth day subsequent to notice of such failure by the Loan Trustee to the Owner Trustee or the Owner Participant (or such longer period ending on the second day after the expiry of the applicable grace period specified in the Lease with respect to such default) (and the Loan Trustee shall not (without the prior written consent of the Owner Trustee) declare the Lease in default pursuant to Section 15 thereof or exercise any of the rights, powers or remedies pursuant to such Section 15 or this Article 8 prior to the occurrence of such date), all sums necessary to effect the performance or observance of such covenant or agreement of the Company, together with any interest due thereon on account of the delayed payment thereof to the date of such payment, and such payment by the Owner Participant or the Owner Trustee shall be deemed to cure as of the date of such payment any Indenture Event of Default which arose from such failure of the Company (including any Lease Event of Default arising from the Company's failure to pay interest in respect of such overdue payment for the period commencing on the date of such payment), but such cure shall not relieve the Company of any of its obligations. Upon any payment of

Basic Rent by the Owner Participant or the Owner Trustee in accordance with the first sentence of this Section 8.03(e)(i), or upon any payment of any other sums by the Owner Participant or the Owner Trustee in accordance with the second sentence of this Section 8.03(e)(i), then any declaration pursuant to Section 15 of the Lease that the Lease is in default, and any declaration pursuant to this Indenture that the Equipment Notes are due and payable or that an Indenture Event of Default exists, based upon such Lease Event of Default, shall be deemed rescinded, and the Owner Participant or the Owner Trustee shall, to the extent of their respective payments, be subrogated, in the case of any such payment in accordance with such first sentence, to the rights of the Loan Trustee, as assignee hereunder of the Owner Trustee, or, in the case of any such payment in accordance with such second sentence, to the rights of the Loan Trustee or such other person, as the case may be, which actually received such payment, to receive such payment of Basic Rent or such other payment, as the case may be (and any interest due thereon on account of the delayed payment thereof), and shall be entitled to receive such payment upon its receipt by the Loan Trustee or such other person, as aforesaid (but in each case only if all amounts of principal of, and interest at the time due and payable on, the Equipment Notes together with interest due thereon on account of the delayed payment thereof shall have been paid in full); provided that neither the Owner Participant nor the Owner Trustee shall attempt to recover any such amount paid by it on behalf of the Company pursuant to this Section 8.03(e)(i) except by demanding of the Company payment of such amount or by commencing an action against the Company to require the payment of such amount.

(ii) At any time (a) one or more Lease Events of Default shall have occurred and shall have continued for a period of 180 days or more or (b) the Equipment Notes shall have been accelerated pursuant to Section 8.02, the Owner Trustee or the Owner Participant may, at its option, give at least 30 days' prior irrevocable notice to the Loan Trustee that it will redeem (or purchase in lieu of redemption) all Equipment Notes then outstanding, which redemption or purchase shall be pursuant to Section 6.02 and concurrently with such notice, the Owner Trustee or the Owner Participant will deposit with the Loan Trustee an amount sufficient to redeem or purchase at the applicable Redemption Price determined consistently with the applicable provisions of Section 6.02 (including, without limitation, Swap Breakage Losses, if any, payable in respect of the Bank Equipment Notes in connection with any Indenture Event of Default that

is not a Lease Event of Default, but excluding Swap Breakage Losses, if any, payable in respect of the Bank Equipment Notes in connection with an Indenture Event of Default that is also a Lease Event of Default) all Equipment Notes then Outstanding and to pay the Loan Trustee all amounts then due it hereunder, which funds shall be held by the Loan Trustee as provided in Section 9.03. Upon the giving of such notice and the receipt by the Loan Trustee of such deposit, the Loan Trustee shall deem all instructions received from the Owner Trustee or the Owner Participant as having been given by the Loan Participants of 100% of the Outstanding principal amount of Equipment Notes for all purposes of this Indenture. If such notice is given, the Owner Trustee further agrees that it will, if necessary, deposit or cause to be deposited with the Loan Trustee, on or prior to the Business Day preceding the applicable Redemption Date, whether or not an Indenture Event of Default is then continuing, additional funds sufficient, when added to the funds already held by the Loan Trustee for such purpose, to redeem or purchase at the applicable Redemption Price on such Redemption Date all Equipment Notes then outstanding and to pay the Loan Trustee all amounts then due it hereunder. No Make-Whole Amount on the Pass Through Equipment Notes shall be payable by the Owner Trustee in connection with the redemption or the purchase of the Pass Through Equipment Notes pursuant to this Section. Upon the payment of all amounts by the Owner Trustee or the Owner Participant pursuant to this Section, the Loan Trustee shall transfer the Equipment Notes to the Owner Trustee.

(iii) It is further agreed and understood that if the Loan Trustee shall proceed to foreclose the Lien of this Agreement, it shall substantially simultaneously therewith, to the extent the Loan Trustee is then entitled to do so hereunder and under the Lease, and is not then stayed or otherwise prevented from doing so by operation of law, proceed (to the extent it has not already done so) to exercise one or more comparable or consistent remedies referred to in Section 15 of the Lease (but in any case, the exercise of such remedies shall be commercially reasonable); provided, that, if the Loan Trustee is stayed or otherwise prevented from exercising one or more of the remedies referred to in Section 15 of the Lease, the Loan Trustee shall not, if and so long as such stay or other prohibition shall remain in effect, foreclose the Lien of this Agreement (A) for a period of 60 days after the date of the order for relief in a chapter 11 case of the Company under the Bankruptcy Code unless the Company elects to return the Aircraft or to permit the repossession of the Aircraft before the expiration

of such 60-day period and the Loan Trustee actually repossesses the Aircraft; (B) for so long as the Company has agreed with the approval of the relevant court to perform the Lease in compliance with the requirements of Section 1110(a) of the Bankruptcy Code and so long after such agreement as no Event of Default shall have occurred and be continuing that relates to the performance of the Lease (other than an Event of Default set forth in Section 14(g), (h) or (i) of the Lease), provided that no such Event of Default shall be deemed to occur earlier than the expiration of the 30-day period referred to in Section 1110(a)(2)(B)(i) of the Bankruptcy Code, as such period may be extended with the approval, if required, of the Loan Trustee; (C) for so long as the 60-day period specified in Section 1110(b) of the Bankruptcy Code is extended pursuant to Section 1110(b) of the Bankruptcy Code with the consent of the Loan Trustee; (D) for such longer period of time after the expiration of the 60-day period referred to in, and as extended pursuant to, the preceding clause (C) (the "Period") that the issue of the applicability of Section 1110 to the Aircraft and Lease being disputed by the Company or the Owner Trustee or is subject to judicial determination or pending appeal, provided that such longer period of time shall not extend beyond 6 months after the Period unless there shall not be continuing any default by the Company in the payment of Basic Rent, other than a default as to which the 30-day period referred in, and as extended pursuant to, the preceding clause (B) has not expired (it being understood that if the Owner Trustee or the Owner Participant cures any such default, such cure shall not be considered an exercise of Lessor's cure rights for purposes of determining the number of cures permitted under Section 8.03(e)(i) hereof); or (E) from and after the Company's assumption with the approval of the relevant court of the Lease pursuant to Section 365 of the Bankruptcy Code and so long after such assumption as no Event of Default shall have occurred and be continuing that relates to the performance of the Lease (other than an Event of Default set forth in Section 14(g), (h) or (i) of the Lease), and other than a default as to which the 30-day period referred to in, and as extended pursuant to, the preceding clause (B) has not expired; provided, however, that if such assumption is in connection with an assignment of the Company's interest in the Lease pursuant to Section 365(f) of the Bankruptcy Code, this clause (E) shall have no effect unless the Loan Trustee has agreed that it has received adequate assurance of future performance as set forth in Section 365(f)(2)(B) of the Bankruptcy Code or (F) for so long as the Lessee retains possession of the Aircraft, the Airframe or any Engine even

though such retention of possession is not attributable to the Lessee being in compliance with the provisions of Section 1110 of the Bankruptcy Code and the Loan Trustee agrees to (without the consent of the Owner Trustee and despite the ability of the Owner Trustee, or the Loan Trustee as the assignee of the Owner Trustee's rights, under applicable law, to repossess the Aircraft, Airframe or Engine) such retention of possession of the Aircraft, Airframe or Engine. For the avoidance of doubt, it is expressly understood and agreed that, subject to the immediately preceding sentence, the above-described inability of the Loan Trustee to exercise any right or remedy under the Lease shall in no event and under no circumstances prevent the Loan Trustee from exercising all of its rights, powers and remedies under this Agreement, including, without limitation, this Article 8. References in this subsection (iii) to particular sections of the Bankruptcy Code as in effect on the date of the amendment and restatement of this Indenture shall include any substantially similar successor provisions.

(f) The Owner Trustee and the Loan Trustee acknowledge and agree that, notwithstanding any provision of this Agreement to the contrary, including, without limitation, the Granting Clause, Section 4.01 and Article 8, as long as no Lease Event of Default shall have occurred and be continuing, neither the Loan Trustee nor the Owner Trustee shall take any action contrary to, or disturb the Company's rights under, the Lease, including, without limitation, (x) the right to receive all monies due and payable to it in accordance with the provisions of the Lease and (y) the Company's rights to possession and use of, and to quiet enjoyment of, the Aircraft.

(g) Each and every right, power and remedy herein given to the Loan Trustee specifically or otherwise in this Agreement shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often in such order as may be deemed expedient by the Loan Trustee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Loan Trustee in the exercise of any right, remedy or power or in pursuing any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the

Owner Trustee or the Company or to be an acquiescence therein.

(h) Notwithstanding anything contained herein, so long as the Pass Through Trustee is the registered holder of any Equipment Note hereunder, the Loan Trustee is not authorized or empowered to acquire title to all or any portion of the Indenture Estate (including the property subject to the Lien of this Indenture) or take any action with respect to all or any portion of the Indenture Estate (including the property subject to the Lien of this Indenture) so acquired by it if such acquisition or action would cause any Pass Through Trust to fail to qualify as a "grantor trust" for federal income tax purposes.

Section 8.04. Waiver of Owner Trustee. A delay or omission by the Loan Trustee or any Loan Participant in exercising any right or remedy accruing upon an Indenture Event of Default under this Agreement shall not impair the right or remedy or constitute a waiver of or acquiescence in such Indenture Event of Default.

Section 8.05. Waiver of Existing Defaults. The Loan Participants owning a majority in aggregate principal amount of the Outstanding Equipment Notes by notice to the Loan Trustee may waive on behalf of the Loan Participants an existing Indenture Default or Indenture Event of Default and its consequences except (i) an Indenture Default or Indenture Event of Default in the payment of the principal of, or interest on, any Equipment Note or (ii) in respect of a covenant or provision hereof that pursuant to Section 11.02 cannot be amended or modified without the consent of each Loan Participant affected thereby.

Section 8.06. Control by Majority. Loan Participants owning a majority in aggregate unpaid principal amount of the Outstanding Equipment Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Loan Trustee or exercising any trust or power conferred on it by this Agreement. However, the Loan Trustee may refuse to follow any direction that conflicts with law, the Lease or this Agreement, that is unduly prejudicial to the rights of the Loan Participants so affected, or that would subject the Loan Trustee to personal liability.

Section 8.07. Limitation on Suits by Loan Participants. A Loan Participant may pursue a remedy under this Agreement or under an Equipment Note only if:

(1) the Loan Participant gives to the Loan Trustee written notice of a continuing Indenture Event of Default under this Agreement;

(2) Loan Participants owning at least 25% in aggregate principal amount of the outstanding Equipment Notes make a written request to the Loan Trustee to pursue the remedy;

(3) such Loan Participant or Loan Participants offer to the Loan Trustee indemnity satisfactory to the Loan Trustee against any loss, liability or expense to be, or which may be, incurred by the Loan Trustee in pursuing the remedy;

(4) the Loan Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and

(5) during such 60-day period, Loan Participants owning a majority in aggregate principal amount of the Outstanding Equipment Notes do not give the Loan Trustee a direction inconsistent with the request.

A Loan Participant may not use this Agreement to prejudice the rights of another Loan Participant or to obtain a preference or priority over another Loan Participant.

Section 8.08. Rights of Loan Participants to Receive Payment. Notwithstanding any other provision of this Agreement, the right of any Loan Participant to receive payment of principal of, and Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, and interest on an Equipment Note on or after the respective due dates expressed in such Equipment Note, to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Loan Participant.

(d) If a successor Loan Trustee does not take office within 30 days after the retiring Loan Trustee resigns or is removed, the retiring Loan Trustee, the Company, the Owner Trustee or Loan Participants holding a majority in aggregate principal amount of the Outstanding Equipment Notes may petition any court of competent jurisdiction for the appointment of a successor Loan Trustee.

(e) If the Loan Trustee fails to comply with Section 9.08, any Loan Participant may petition any court of competent jurisdiction for the removal of such Loan Trustee and the appointment of a successor Loan Trustee.

(f) A successor Loan Trustee shall deliver a written acceptance of its appointment to the retiring Loan Trustee, to the Company and to the Owner Trustee. Thereupon, the resignation or removal of the retiring Loan Trustee shall become effective, and the successor Loan Trustee shall have all the rights, powers and duties of the retiring Loan Trustee for which the successor Loan Trustee is to be acting as Loan Trustee under this Agreement. The retiring Loan Trustee shall promptly transfer all property and all books and records relating to the administration of the Indenture Estate held by it as Loan Trustee to the successor Loan Trustee subject to the Lien provided for in Section 9.05. (2) to evidence the succession of another party as the Owner Trustee in accordance with the terms of the Trust Agreement or to evidence (in accordance with Article 9) the succession of a new trustee hereunder, the removal of the trustee hereunder or the appointment of any co-trustee or co-trustees or any separate or additional trustee or trustees;

(3) to convey, transfer, assign, mortgage or pledge any property to or with the Loan Trustee or to make any other provisions with respect to matters or questions arising hereunder so long as such action shall not adversely affect the interests of the Loan Participants;

(4) to correct or amplify the description of any property at any time subject to the Lien of this Agreement or better to assure, convey and confirm unto the Loan Trustee any property subject or required to be subject to the Lien of this Agreement or to subject to the Lien of this Agreement the Airframe or Engines or airframe or engines substituted for the Airframe or Engines in accordance herewith or with the Lease; provided that Trust Agreement and Indenture Supplements entered into for the purpose of subjecting to the Lien of this Agreement the Airframe or Engines in accordance with the Lease need only be executed by the Owner Trustee;

(5) to add to the covenants of the Owner Trustee for the benefit of the Loan Participants, or to surrender any rights or power herein conferred upon the Owner Trustee, the Owner Participant or the Company;

(6) to add to the rights of the Loan Participants;

(7) to provide for the assumption by the Company of the obligations of the Owner Trustee hereunder in accordance with the terms and conditions applicable thereto specified in Section 7.03 hereof, including, without limitation, such amendments to Exhibit D hereof as may be necessary or desirable in order to effectuate such assumption and accomplish the purposes thereof; or

(8) to include on the Equipment Notes any legend as may be required by law.

Section 11.02. Amendments to This Agreement with Consent of Loan Participants. (a) With the written consent of Loan Participants owning a majority of the aggregate principal amount of the Outstanding Equipment Notes, the Owner Trustee and the Loan Trustee may enter into such supplemental agreements to add any provisions to or to change or eliminate any provisions of this Agreement or of any such supplemental agreements or to modify the rights of the Loan Participants; provided, however, that, without the consent of each Loan Participant affected thereby, an amendment under this Section 11.02 may not:

(1) reduce the principal amount of, any Installment Payment Amount payable with respect to, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, or interest on, any Equipment Note; or

(2) change the date on which any principal of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, or interest on any Equipment Note, is due or payable; or

(3) create any Lien on the Indenture Estate prior to or pari passu with the Lien thereon under this Agreement except such as are permitted by this Agreement, or deprive any Loan Participant of all or any part of the benefit of the Lien on the Indenture Estate created by this Agreement; or

(4) reduce the percentage in principal amount of the Outstanding Equipment Notes, the consent of whose holders is required for any such supplemental agreement, or the consent of whose holders is required for any waiver (of compliance with certain provisions of this Agreement or of certain defaults hereunder or their consequences) provided for in this Agreement; or

- (5) make any change in Section 8.05, 8.08 or this Section 11.02(a); or
- (6) change the definition of "Indenture Estate" or the amounts secured thereby.

(b) It is not necessary under this Section 11.02 for the Loan Participants to consent to the particular form of any proposed supplemental agreement, but it is sufficient if they consent to the substance thereof.

(c) Promptly after the execution by the Owner Trustee, the Company and the Loan Trustee of any supplemental agreement pursuant to the provisions of this Section 11.02, the Owner Trustee shall transmit by first-class mail a notice, setting forth in general terms the substance of such supplemental agreement, to all Loan Participants, as the names and addresses of such Loan Participants appear on the Register. Any failure of the Owner Trustee to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental agreement.

Section 11.03. Revocation and Effect of Consents. The Owner Trustee may at its option by delivery of an Officers' Certificate to the Loan Trustee set a record date to determine the Loan Participants entitled to give any consent, request, demand, authorization, direction, notice, waiver or other act. Such record date shall be the record date specified in such Officers' Certificate which shall be a date not more than 30 days prior to the first solicitation of Loan Participants in connection therewith. If such a record date is fixed, such consent, request, demand, authorization, direction, notice, waiver or other act may be given before or after such record date, but only the Loan Participants of record at the close of business on such record date shall be deemed to be Loan Participants for the purposes of determining whether Loan Participants holding the requisite proportion of Outstanding Equipment Notes have authorized or agreed or consented to such consent, request, demand, authorization, direction, notice, waiver or other act, and for that purpose the Outstanding Equipment Notes shall be computed as of such record date; provided that no such consent, request, demand, authorization, direction, notice, waiver or other act by the Loan Participants on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Agreement not later than one year after the record date.

Section 11.04. Notation on or Exchange of Equipment Notes.

The Loan Trustee may place an appropriate notation about an amendment or waiver on any Equipment Note thereafter executed. The Loan Trustee in exchange for such Equipment Notes may execute new Equipment Notes that reflect the amendment or waiver.

Section 11.05. Loan Trustee Protected. The Loan Trustee need

not sign any supplemental agreement that adversely affects its rights, duties, immunities or indemnities.

Section 11.06. Amendments, Waivers, Etc. of Other Operative

Documents. (a) Without the consent of the Loan Participants holding a majority in principal amount of Outstanding Equipment Notes, the respective parties to the Participation Agreement, the Lease, the Trust Agreement and the Purchase Agreement Assignment may not modify, amend or supplement any of said agreements, or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or modifying in any manner the rights of the respective parties thereunder; provided, however, that the actions specified in subsection (b) of this Section 11.06 may be taken without the consent of the Loan Trustee or any Loan Participant.

(b) Subject to the provisions of subsection (c) of this

Section 11.06, the respective parties to the Participation Agreement, the Lease and the Trust Agreement, at any time and from time to time without the consent of the Loan Trustee or of any Loan Participant, may:

(1) so long as no Indenture Event of Default shall have

occurred and be continuing, modify, amend or supplement the Lease, or give any consent, waiver, authorization or approval with respect thereto, except that without compliance with subsection (a) of this Section 11.06 the parties to the Lease shall not modify, amend or supplement, or give any consent, waiver, authorization or approval for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder, with respect to the following provisions of the Lease as in effect on the Refunding Date: Section 2, Section 3(a) (if the result thereof would be to shorten the Term of the Lease to a period shorter than the period ending with the latest Maturity Date of any

Equipment Notes), Section 3(b), Section 3(c) (except to the extent such Section relates to amounts payable (whether directly or pursuant to the Indenture) to Persons other than the Loan Participants and the Loan Trustee in its individual capacity), Section 3(d) (except insofar as it relates to the address or account information of the Owner Trustee or the Loan Trustee) (other than as such Sections 3(a) through 3(d) may be amended pursuant to Section 3(e) of the Lease in effect on the Refunding Date), Section 4, Section 6, Section 9 (except that further restrictions may be imposed on the ability of the Company to terminate the Lease with respect to the Aircraft or an Engine), Section 10 (except that additional requirements may be imposed on the Company), Section 11 (except for Section 11(d) and except that additional insurance requirements may be imposed on the Company), Section 12 (except in order to increase the Company's liabilities or enhance the Lessor's rights thereunder), Section 13 (except in the case of an assignment by the Lessor in circumstances where the Aircraft shall remain registrable under the Federal Aviation Act), Section 14 (except to impose additional or more stringent Lease Events of Default), Section 15 (except to impose additional remedies), Section 16, Section 17 (except to impose additional requirements on the Company), Section 19, Section 22, Section 25 and any definition of terms used in the Lease, to the extent that any modification of such definition would result in a modification of the Lease not permitted pursuant to this subsection (b); provided that, in the event an Indenture Event of Default shall have occurred and be continuing, the Loan Trustee shall have all rights of the Owner Trustee as "Lessor" under the Lease to modify, amend or supplement the Lease or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the "Lessor" thereunder; provided further that, without the prior consent of the Owner Trustee, and whether or not an Indenture Event of Default shall have occurred and be continuing, no such action shall be taken with respect to any of the provisions of Sections 1 (to the extent any modification of a definition contained therein would result in a modification of the Lease not permitted by this proviso), 3, 5, 6 (to the extent such action would reduce the Company's obligations), 7, 8, 9, 10, 11 (except to increase the amounts or types of insurance the Company

must provide thereunder at its expense), 12, 13, 14, 15, 17 (insofar as it relates to the Lessor), 19, 20 and 28 of the Lease, or any other section of the Lease to the extent such action shall affect the amount or timing of any amounts payable by the Company under the Lease as originally executed (or as subsequently modified with the consent of the Owner Trustee) which, absent the occurrence and continuance of an Indenture Event of Default, would be distributable to the Owner Trustee under Article 3 or otherwise materially and adversely affects the rights of the Owner Trustee or the Owner Participant; and provided further that the parties to the Lease may take any such action without the consent of the Loan Trustee or any Loan Participant to the extent such action relates to the payment of amounts constituting, or the Owner Trustee's, the Owner Participant's or the Company's rights or obligations with respect to, Excepted Property;

(2) modify, amend or supplement the Trust Agreement, or give any consent, waiver, authorization or approval with respect thereto, in each case only to the extent any such action shall not adversely impact the interests of the Loan Participants;

(3) modify, amend or supplement the Participation Agreement, or give any consent, waiver, authorization or approval with respect thereto, except that without the consent of the Loan Participants holding a majority in principal amount of Outstanding Pass Through Equipment Notes, the parties to the Participation Agreement shall not modify, amend or supplement, or give any consent, waiver, authorization or approval for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder, with respect to the following provisions of the Participation Agreement as in effect on the Refunding Date: Section 7 (insofar as such Section 7 relates to the Loan Trustee, the Indenture Estate and the Loan Participants holding the Pass Through Equipment Notes), Section 8, Sections 9(b) through 9(d), Section 10, Section 13, Section 16(b) and, to the extent the Loan Participants holding the Pass Through Equipment Notes would be adversely affected thereby, Section 16(c) and Section 17 and any definition of terms used in the Participation Agreement, to the extent that any modification of such definition would result in a modification of the Par-

Participation Agreement not permitted pursuant to this subsection (b);

(4) modify, amend or supplement any of said agreements in order to cure any ambiguity, to correct or supplement any provisions thereof which may be defective or inconsistent with any other provision thereof or of any provision of this Indenture, or to make any other provision with respect to matters or questions arising thereunder or under this Agreement which shall not be inconsistent with the provisions of this Agreement, provided the making of any such other provision shall not adversely affect the interests of the Loan Participants unless such provision corrects a mistake or cures an ambiguity; and

(5) any indemnities solely in favor of the Owner Participant or any member of its Related Indemnatee Group may be modified, amended or supplemented in such manner as shall be agreed by the Owner Participant and the Lessee.

(c) No modification, amendment, supplement, consent, waiver, authorization or approval with respect to the Lease or the Participation Agreement, whether effected pursuant to subsection (a) or pursuant to subsection (b) of this Section 11.06 and anything in such subsections or elsewhere in this Agreement to the contrary notwithstanding, shall, without the consent of each Loan Participant affected thereby,

(1) modify, amend or supplement the Lease in such a way as to extend the time of payment of Basic Rent or Supplemental Rent payable in respect of the Make-Whole Amount or Swap Breakage Loss or Stipulated Loss Value or any other amounts payable upon the occurrence of an Event of Loss or Termination Value and any other amounts payable upon termination of the Lease with respect to the Aircraft, payable under, or as provided in, the Lease in effect on the Refunding Date, or reduce the amount of any installment of Basic Rent or Supplemental Rent payable in respect of the Make-Whole Amount or Swap Breakage Loss as in effect on the Refunding Date so that the same is less than the payment of principal of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, and interest on the Equipment Notes, as the case may be, to be made from such installment of Basic Rent or Supplemental Rent payable in respect of the Make-Whole Amount or Swap Breakage

Loss, or reduce the aggregate amount of Stipulated Loss Value or Swap Breakage Loss or any other amounts payable under, or as provided in, the Lease as in effect on the Refunding Date upon the occurrence of an Event of Loss so that the same is less than the accrued interest on and principal as of the Lease Loss Payment Date, and Make-Whole Amount, if any, or Swap Breakage Loss, if any, of the Equipment Notes at the time Outstanding or reduce the amount of Termination Value and any other amounts payable under, or as provided in, the Lease as in effect on the Refunding Date upon termination of the Lease with respect to the Aircraft so that the same is less than the accrued interest on and principal as of the Lease Termination Date and Make-Whole Amount, if any, or Swap Breakage Loss, if any, of Equipment Notes at the time Outstanding, or

(2) modify, amend or supplement the Lease in such a way as to, or consent to any assignment of the Lease or give any consent, waiver, authorization or approval which would, release the Company from its obligations in respect of payment of Basic Rent, Supplemental Rent payable in respect of the Make-Whole Amount or Swap Breakage Loss or Stipulated Loss Value and any other amounts payable upon the occurrence of an Event of Loss, or Termination Value and any other amounts payable upon termination of the Lease with respect to the Aircraft, payable under, or as provided in, the Lease as in effect on the Refunding Date, except for any such assignment pursuant to Section 13(E) of the Participation Agreement, and except as provided in the Lease as in effect on the Refunding Date.

##### ISSUANCE OF EQUIPMENT NOTES AFTER REDEMPTION

###### Section 14.01. Issuance of Equipment Notes After Redemption.

Following a redemption of the Equipment Notes of any Maturity in accordance with Section 6.01(b)(2) or 6.01(b)(3), the Owner Trustee, with the consent of the Company, may issue and sell, and the Loan Trustee shall authenticate and deliver, one or more new series of Equipment Notes in an aggregate principal amount up to the aggregate principal amount of the Equipment Notes then being redeemed and having such terms and provisions (including, without limitation, interest rate, amortization schedule, maturity date and redemption provisions) as the Owner Trustee shall deem appropriate and as shall be approved by the Company; provided that if after such redemption any Equipment Notes remain outstanding, the new series of Equipment Notes:

(i) shall be denominated and payable in United States Dollars and shall not be in a principal amount greater than the Equipment Notes redeemed;

(ii) shall not rank senior in any respect to the Equipment Notes which remain outstanding; and

(iii) shall not have a maturity after or have a weighted average life longer than the Equipment Notes redeemed if any of the Equipment Notes which remain outstanding have a maturity date after or concurrent with the maturity date of the Equipment Notes redeemed; and provided further that prior to authentication of such new series of Equipment Notes the Loan Trustee shall have received (i) written evidence from Standard & Poor's Ratings Group, a division of McGraw-Hill, Inc., and Moody's Investors Service, Inc. to the effect that the issuance of such new series, by itself, would not result in a downgrading of the credit rating (if any) assigned to the Pass Through Certificates then outstanding and (ii) an Opinion of Counsel for the Company reasonably satisfactory to the Loan Trustee to the effect that the protection afforded by Section 1110 of the Bankruptcy Code to the existing Loan Participants would not be adversely affected by the issuance of such new series of Equipment Notes;

provided that such opinion need not be delivered to the extent that the benefits of such Section 1110 are not available to the Loan Participants with respect to the Aircraft immediately prior to such assumption; and provided further that such opinion may contain qualifications of the tenor contained in the opinion of Debevoise & Plimpton delivered pursuant to Section 3(k) of the Refunding Agreement on the Refunding Date.

IN WITNESS WHEREOF, the Owner Trustee and the Loan Trustee have caused this Indenture to be duly executed by their respective officers thereunto duly authorized, as of the day and year first above written.

Make-Whole Amount, if any, plus accrued interest thereon to the Redemption Date.

If an Indenture Event of Default shall occur and be continuing, the unpaid principal amount of the Equipment Notes may be declared due and payable in the manner and with the effect provided in the Indenture. In the event any amount of principal or interest payable hereunder is not paid when due, to the extent permitted by applicable law, interest shall accrue on such amounts at the Past Due Rate. All computations of interest accruing on this Bank Equipment Note shall be made on the basis of a year of 360 days consisting of twelve 30-day months. All amounts payable by the Owner Trustee hereunder and under the Amended and Restated Trust Indenture and Security Agreement (AA 1995 PTC Series AC), dated as of June 15, 1995 (herein called the "Indenture," the defined terms therein not otherwise defined herein being used herein with the same meanings), by and between the Owner Trustee, and State Street Bank and Trust Company of Connecticut, National Association, as Loan Trustee thereunder, shall be made only from the income and proceeds of the Indenture Estate. Each Loan Participant, by its acceptance of this Bank Equipment Note, agrees that (a) it will look solely to the income and proceeds of the Indenture Estate for payment of such amounts, to the extent available for distribution to the Loan Participant as provided in the Indenture and (b) none of the Owner Participant, the Owner Trustee or the Loan Trustee is or shall be personally liable to the Loan Participant for any amount payable hereunder or under the Indenture or, except as provided in the Indenture in the case of the Loan Trustee and the Owner Trustee, for any liability under the Indenture.

The interest or Installment Payment Amount so payable, and punctually paid or duly provided for the applicable Interest Payment Date or Installment Payment Date, as the case may be, will, as provided in the Indenture, be paid to the Person in whose name this Bank Equipment Note (or one or more predecessor Bank Equipment Notes) is registered at the close of business on the Record Date for payment of such interest or Installment Payment Amount, which shall be the fifteenth day (whether or not a Business Day), as the case may be, next preceding such Interest Payment Date or Installment Payment Date, as the case may be. Any such interest or Installment Payment Amount not so

punctually paid or duly provided for shall be payable at the election of the Loan Trustee to the Bank Lender in whose name this Bank Equipment Note is registered in the Register on the date of such payment, all as more fully provided in the Indenture.

Payment of the principal of, Swap Breakage Loss, if any, and interest on this Bank Equipment Note will be made in immediately available funds at the principal corporate trust office of the Loan Trustee, or the office or agency maintained by the Loan Trustee for such purpose, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. The Paying Agent appointed under the Indenture shall remit all such amounts so received by it via wire transfer of immediately available funds to such address and in such manner as each Bank Lender shall have designated in writing to the Paying Agent. The Paying Agent shall cause each payment to the Bank Lender hereof to be made by 4:00 p.m. on the day the Paying Agent receives such payment. In the event the Paying Agent shall fail to make any such payment as provided in the immediately foregoing sentence after its receipt of funds at the place and by the time specified, the Paying Agent, in its individual capacity and not as Paying Agent, has agreed to compensate the Bank Lender holding this Bank Equipment Note for loss of use of such funds.

This Bank Equipment Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose unless this Bank Equipment Note has been executed on behalf of the Owner Trustee by the manual or facsimile signature of an authorized officer of the Owner Trustee, and authenticated by the Loan Trustee by the manual signature of an authorized officer or signatory of the Loan Trustee, in each case as specified in Section 2.02 of the Indenture.

Reference is made to the Participation Agreement, the Refunding Agreement, the Indenture and the other Operative Documents and all supplements and amendments to such documents (copies of which are on file with the Loan Trustee at its principal corporate trust office) for a more complete statement of the terms and provisions of such agreements, including a statement of the properties conveyed, pledged and assigned under the Indenture, the nature and extent of the security under the Indenture, the respective rights and obligations under such agreements of the Owner Trustee, the Company, the Loan Trustee and the Loan Participants, and the terms upon which the Equipment Notes are, and are to be, executed and delivered, as well as for a statement of the terms and conditions of the trust created by the Indenture, to all of which terms and conditions each Bank Lender agrees by its acceptance of this Bank Equipment Note. The final installment of principal of this Bank Equipment Note shall under all circumstances equal the entire principal balance hereof outstanding on the Maturity Date.

As more fully provided in the Indenture, the Equipment Notes are subject to redemption, upon such notice and under the circumstances set forth in the Indenture, at the Redemption Price set forth for such circumstances therein.

If an Indenture Event of Default shall occur and be continuing, the unpaid principal amount of the Equipment Notes may be declared due and payable in the manner and with the effect provided in the Indenture. As provided in the Indenture and in the Refunding Agreement and subject to certain limitations set forth herein and therein (including the limitations set forth in Section 10 of the Refunding Agreement), this Bank Equipment Note is transferable, and upon surrender of this Bank Equipment Note for registration of transfer at the principal corporate trust office of the Registrar, or at the office or agency maintained for such purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by, the Bank Lender or his attorney duly authorized in writing, one or more new Bank Equipment Notes of the same maturity and type and of authorized denominations and for the same aggregate principal amount will be issued to the designated transferee or transferees.

The Bank Equipment Notes are issuable only as registered Equipment Notes. The Bank Equipment Notes are issuable in denominations of not less than \$5,000,000 (or such lesser amount as shall constitute 100% of the aggregate unpaid principal amount of Bank Equipment Notes held by the Bank Lender holding such Bank Equipment Notes). As provided in the Indenture and subject to certain limitations set forth therein and in the Refunding Agreement, Bank Equipment Notes are exchangeable for an equal aggregate principal amount of Bank Equipment Notes of the same type, having the same Maturity Date and of any authorized denominations or transferable upon surrender of the Bank Equipment Notes to be exchanged or transferred, as requested by the Bank Lender surrendering the same, upon presentation thereof for such purpose at the principal corporate trust office of the Registrar, or at any office or agency maintained for such purpose.

No service charge shall be made for any such registration of transfer or exchange, but the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment for registration of transfer of this Bank Equipment Note, the Owner Trustee, the Loan Trustee, the Paying Agent, the Registrar and the Company may deem and treat the Bank Lender in whose name this Bank Equipment Note is registered as the absolute owner hereof for the purpose of receiving payment of the principal of and interest on this Bank Equipment Note and for all other purposes whatsoever whether or not this Bank Equipment Note be overdue, and neither the Owner Trustee, the Loan

(d) the Company shall fail to perform or observe any covenant or agreement to be performed or observed by it hereunder or under the Participation Agreement and such failure shall continue unremedied for a period of 30 days after written notice thereof has been given by the Loan Trustee; provided that, if such failure is capable of being remedied, so long as the Company is diligently proceeding to remedy such failure, no such failure shall constitute an Event of Default hereunder for a period of up to 365 days; or

(e) any material representation or warranty made by the Company in the Participation Agreement or in the Purchase Agreement (to the extent applicable to the Aircraft) or in any document or certificate furnished by the Company in connection herewith or therewith or pursuant hereto or thereto shall prove to have been

incorrect in any material respect at the time made and such incorrectness shall continue to be material and shall continue unremedied for a period of 30 days after written notice thereof has been given by the Loan Trustee; or

(f) the Company shall consent to the appointment of a receiver, trustee or liquidator of itself or of a substantial part of its property or the Company shall admit in writing its inability to pay its debts generally as they come due, or shall make a general assignment for the benefit of creditors; or

(g) the Company shall file a voluntary petition in bankruptcy or a voluntary petition or an answer seeking reorganization in a proceeding under any bankruptcy laws (as now or hereafter in effect) or an answer admitting the material allegations of a petition filed against the Company in any such proceeding, or the Company shall by voluntary petition, answer or consent, seek relief under the provisions of any other now existing or future bankruptcy or other similar law providing for the reorganization or winding up of corporations, or providing for an agreement, composition, extension or adjustment with its creditors; or

(h) an order, judgment, or decree shall be entered by any court of competent jurisdiction appointing, without the consent of the Company, a receiver, trustee or liquidator of the Company or of any substantial part of its property, or sequestering any substantial part of the property of the Company, and any such order, judgment or decree of appointment or sequestration shall remain in force undischarged, unstayed or unvacated for a period of 90 days after the date of entry thereof; or

(i) a petition against the Company in a proceeding under the Federal bankruptcy laws or other insolvency laws, as now or hereafter in effect, shall be filed and shall not be withdrawn or dismissed within 90 days thereafter, or, under the provisions of any law providing for reorganization or winding-up of corporations which may apply to the Company, any court of competent jurisdiction shall assume jurisdiction, custody or control of the Company or of any substantial part of its property and such jurisdiction, custody or control shall remain in force unrelinquished, unstayed or unexpired for a period of 90 days;

provided that, notwithstanding anything to the contrary contained in this Indenture, any failure of the Company to perform or observe any covenant, condition, or agreement herein shall not constitute an Indenture Event of Default if such failure is caused solely by reason of an event referred to in the definition of "Event of Loss", so long as the Company is continuing to comply with the applicable terms of Section 10 of Article 15 hereof.

Section 8.02. Acceleration; Rescission and Annulment. If an Indenture Event of Default occurs and is continuing, the Loan Trustee, by notice to the Company, or the Loan Participants holding at least 25% in aggregate principal amount of outstanding Equipment Notes by notice to the Company and the Loan Trustee, may declare the principal of all the Equipment Notes to be due and payable. Upon such declaration, the principal of all Equipment Notes, together with accrued interest thereon from the date in respect of which interest was last paid hereunder to the date payment of such principal has been made or duly provided for shall be due and payable immediately, together with Swap Breakage Loss, if any, on the Bank Equipment Notes. At any time after such declaration and prior to the sale or disposition of the Indenture Estate, the Loan Participants in a majority in aggregate principal amount of all of the Outstanding Equipment Notes, by notice to the Loan Trustee and the Company, may rescind such a declaration and thereby annul its consequences if (i) an amount sufficient to pay all principal of, Make-Whole Amount, if any, and Swap Breakage Loss, if any, and interest thereon, at the rate prescribed therefor in such Equipment Note and interest due or past due, if any, in respect of the Outstanding Equipment Notes plus all other amounts payable to the Loan Participants, other than by reason of such acceleration, and all sums due and payable to the Loan Trustee has been deposited with the Loan Trustee, (ii) the rescission would not conflict with any judgment or decree and (iii) all existing Indenture Defaults and Indenture Events of Default under this Indenture have been cured or waived except nonpayment of principal of, Swap Breakage Loss, if any, or interest on the Equipment Notes that has become due solely because of such acceleration. No Make-Whole Amount shall be payable on the Pass Through Equipment Notes as a result of the acceleration of the Equipment Notes.

Section 8.03. Other Remedies Available to Loan Trustee. (a) After an Indenture Event of Default shall have occurred and so long as the same shall be continuing, then and in every such case the Loan Trustee, as trustee of

an express trust and as holder of a security interest in the Aircraft or Engines or otherwise, may, at its option, declare this Indenture to be in default by a written notice to the Company; and at any time thereafter, so long as the Company shall not have remedied all outstanding Events of Default, the Loan Trustee may do one or more of the following with respect to all or any part of any Airframe or any Engines as the Loan Trustee in its sole discretion shall elect, to the extent permitted by, and subject to compliance with any mandatory requirements of, applicable law then in effect; provided, however, that, during any period when the Aircraft is subject to the Civil Reserve Air Fleet Program in accordance with the provisions of Section 7(b) of Article 15 hereof and in the possession of the United States government or an instrumentality or agency thereof, and to the extent that any applicable law or contractual provision covering the Aircraft so requires, the Loan Trustee shall not, on account of any Indenture Event of Default, be entitled to do any of the following in such manner as to limit the Company's control (or any lessee's control, under any lease permitted by the terms of Section 7(b) of Article 15 hereof) of any Airframe or any Engines, unless at least 60 days' (or such lesser period as may then be applicable under the Military Airlift Command Program of the United States Government) prior written notice of default under this Indenture with respect to the Company's obligations hereunder shall have been given by the Loan Trustee by registered or certified mail to the Company (and, if applicable, any such lessee) with a copy addressed to the Contracting Office Representative for the Military Airlift Command of the United States Air Force under any contract with the Company (or any such lessee) relating to the Aircraft:

(i) cause the Company, upon the written demand of the Loan Trustee and at the Company's expense, to return promptly, and the Company shall return promptly, all or such part of any Airframe or any Engine as the Loan Trustee may so demand to the Loan Trustee or its order or the Loan Trustee, at its option, may enter upon the premises where all or any part of such Airframe or any Engine are located and take immediate possession of and remove the same (together with any engine which is not an Engine but which is installed on the Airframe, subject to all of the rights of the owner, lessor, lienor or secured party of such engine; provided that the Airframe with an engine (which is not an Engine) installed thereon may be flown or returned only to a location within the continental United States, and such engine shall be held for the account

of any such owner, lessor, lienor or secured party or, if owned by the Company, may, at the option of the Loan Trustee, be exchanged with the Company for an Engine) all without liability accruing to the Loan Trustee for or by reason of such entry or taking of possession or removal, whether for the restoration of damage to property caused by taking or otherwise; or

(ii) sell all or any part of any Airframe and any Engine at public or private sale, whether or not the Loan Trustee shall at the time have possession thereof, as the Loan Trustee may determine, or otherwise dispose of, hold, use, operate, lease to others or keep idle all or any part of such Airframe or such Engine as the Loan Trustee, in its sole discretion, may determine, all free and clear of any rights of the Company and without any duty to account to the Company with respect to such action or inaction or for any proceeds with respect thereto.

(b) Subject to Section 8.03(e) and Section 8.03(h), if an Indenture Event of Default has occurred and is continuing, the Loan Trustee may, if at the time such action may be lawful and always subject to compliance with any mandatory legal requirements, either with or without taking possession, and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Company once at least thirty days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of the Indenture Estate, or any part thereof, or interest therein, at public auction to the highest bidder, in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Loan Trustee may determine, and at any place (whether or not it be the location of the Indenture Estate or any part thereof) and time designated in the notice above referred to; provided, however, that, notwithstanding any provision herein to the contrary, the Loan Trustee shall not sell any of the Indenture Estate unless a declaration of acceleration has been made pursuant to Section 8.02. Any such sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or for any such adjourned sale or sales, without further notice, and the Loan Trustee and any Loan Participant may bid and become the purchaser at any such sale. The Loan Trustee may exercise such right without possession or production of the Equipment Notes or proof of ownership thereof, and as representative of the Loan Participants may

exercise such right without notice to the Loan Participants or including the Loan Participants as parties to any suit or proceeding relating to foreclosure of any property in the Indenture Estate. The Company hereby irrevocably constitutes the Loan Trustee the true and lawful attorney-in-fact of the Company (in the name of the Company or otherwise) for the purpose of effectuating any sale, assignment, transfer or delivery for enforcement of the Lien created under this Indenture, whether pursuant to foreclosure or power of sale or otherwise, to execute and deliver all such bills of sale, assignments and other instruments as the Loan Trustee may consider necessary or appropriate, with full power of substitution, the Company hereby ratifying and confirming all that such attorney or any substitute shall lawfully do by virtue hereof. Nevertheless, if so requested by the Loan Trustee or any purchaser, the Company shall ratify and confirm any such sale, assignment, transfer or delivery, by executing and delivering to the Loan Trustee or such purchaser all bills of sale, assignments, releases and such proper instruments to effect such ratification and confirmation as may be designated in any such request.

(c) Subject to Section 8.03(e) and 8.03(h), if an Indenture Event of Default has occurred and is continuing, the Company shall, at the request the Loan Trustee, promptly execute and deliver to the Loan Trustee such instruments of title or other documents as the Loan Trustee may deem necessary or advisable to enable the Loan Trustee or an agent or representative designated by the Loan Trustee, at such time or times and place or places as the Loan Trustee may specify, to obtain possession of all or any part of the Indenture Estate. If the Company shall for any reason fail to execute and deliver such instruments and documents after such request by the Loan Trustee, the Loan Trustee shall be entitled, in a proceeding to which the Company will be a necessary party, to a judgment for specific performance of the covenants contained in the foregoing sentence, conferring upon the Loan Trustee the right to immediate possession and requiring the Company to execute and deliver such instruments and documents to the Loan Trustee. The Loan Trustee shall also be entitled to pursue all or any part of the Indenture Estate wherever it may be found and may enter any of the premises of the Company or any other Person wherever the Indenture Estate may be or is supposed to be and search for the Indenture Estate and take possession of any item of the Indenture Estate pursuant to this Section 8.03(c). The Loan Trustee may, from time to time, at the expense of the Indenture Estate, make all such expenditures for maintenance, insurance, repairs, replacements,

alterations, additions and improvements to and of the Indenture Estate, as it may deem proper. In each such case, the Loan Trustee shall have the right to use, operate, store, lease, control or manage the Indenture Estate, and to exercise all rights and powers of the Company relating to the Indenture Estate as the Loan Trustee shall deem appropriate, including the right to enter into any and all such agreements with respect to the use, operation, storage, leasing, control or management of the Indenture Estate or any part thereof; and the Loan Trustee shall be entitled to collect and receive directly all tolls, rents, issues, profits, products, revenues and other income of the Indenture Estate and every part thereof, without prejudice, however, to the right of the Loan Trustee under any provision of this Indenture to collect and receive all cash held by, or required to be deposited with, the Loan Trustee hereunder. In accordance with the terms of this Section 8.03(c), such tolls, rents, issues, profits, products, revenues and other income shall be applied to pay all expenses of using, operating, storing, leasing, controlling or managing the Indenture Estate, and of all maintenance, insurance, repairs, replacements, alterations, additions and improvements, and to make all payments which the Loan Trustee may be required or may elect to make, if any, for taxes, assessments, insurance or other proper charges upon the Indenture Estate or any part thereof (including the employment of engineers and accountants to examine, inspect and make reports upon the properties and books and records of the Company in accordance with this Section 8.03(c)), and all other payments which the Loan Trustee may be required or authorized to make under any provision of this Indenture, including this Section 8.03(c), as well as just and reasonable compensation for the services of the Loan Trustee, and of all Persons properly engaged and employed by the Loan Trustee.

If an Indenture Event of Default occurs and is continuing and the Loan Trustee shall have obtained possession of or title to the Aircraft, the Loan Trustee shall not be obligated to use or operate the Aircraft or cause the Aircraft to be used or operated directly or indirectly by itself or through agents or other representatives or to lease, license or otherwise permit or provide for the use or operation of the Aircraft by any other Person unless (i) the Loan Trustee shall have been able to obtain insurance in kinds, at rates and in amounts satisfactory to it in its discretion to protect the Indenture Estate and the Loan Trustee, as trustee and individually, against any and all liability for loss or damage to the Aircraft and for public liability and property damage resulting from use or opera-

tion of the Aircraft and (ii) funds are available in the Indenture Estate to pay for all such insurance or, in lieu of such insurance, the Loan Trustee is furnished with indemnification from the holders of the Equipment Notes or any other Person upon terms and in amounts satisfactory to the Loan Trustee in its discretion to protect the Indenture Estate and the Loan Trustee, as trustee and individually, against any and all such liabilities.

(d) Subject to Section 8.03(e) and 8.03(h), the Loan Trustee may proceed to protect and enforce this Indenture and the Equipment Notes by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted; or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Indenture Estate or any part thereof, or for the recovery in judgment for the indebtedness secured by the Lien created under this Indenture or for the enforcement of any other proper, legal or equitable remedy available under applicable law.

(e) Notwithstanding any provision of this Indenture to the contrary, including, without limitation, Sections 8.03(b), 8.03(c) and 8.03(d), so long as no Indenture Event of Default shall have occurred and be continuing, the Loan Trustee shall not take any action contrary to, or disturb, the Company's rights to possession and use of, and quiet enjoyment of, the Aircraft.

(f) Each and every right, power and remedy herein given to the Loan Trustee specifically or otherwise in this Indenture shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often in such order as may be deemed expedient by the Loan Trustee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Loan Trustee in the exercise of any right, remedy or power or in pursuing any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Company or to be an acquiescence therein.

(g) Notwithstanding any provision hereof, if any payment of principal of any Equipment Note shall not be made when and as the same shall become due and payable, or if any payment of interest on any Equipment Note shall not be made when and as the same shall become due and payable, and such failure shall continue for the period prescribed in Section 8.01(a), the Loan Trustee shall be entitled to recover judgment, in its own name and as trustee of an express trust, upon the Equipment Note for the whole amount of such principal or interest, as the case may be, remaining unpaid.

(h) Notwithstanding anything contained herein, so long as the Pass Through Trustee is the registered holder of any Equipment Note hereunder, the Loan Trustee is not authorized or empowered to acquire title to all or any portion of the Indenture Estate or take any action with respect to all or any portion of the Indenture Estate so acquired by it if such acquisition or action would cause any Pass Through Trust to fail to qualify as a "grantor trust" for Federal income tax purposes.

Section 8.04. Waiver of Company. To the extent now or at any time hereafter enforceable under applicable law, the Company covenants that it will not at any time insist upon or plead, or in any manner whatsoever claim or take any benefit or advantage of, any stay or extension law now or at any time hereafter in force, nor claim, take nor insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Indenture Estate or any part thereof, prior to any sale or sales thereof to be made pursuant to any provision herein contained, or to the decree, judgment or order of any court of competent jurisdiction; nor, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or otherwise to redeem the property so sold or any part thereof, and hereby expressly waives for itself and on behalf of each and every Person, except decree or judgment creditors of the Company acquiring any interest in or title to the Indenture Estate or any part thereof subsequent to the date of this Indenture, all benefit and advantage of any such law or laws, and covenants that it will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any power herein granted and delegated to the Loan Trustee, but will suffer and permit the execution of every such power as though no such law or laws had been made or enacted.

The Loan Trustee may maintain such a proceeding even if it does not possess any of the Equipment Notes or does not produce any of them in the proceeding. A delay or omission by the Loan Trustee or any Loan Participant in exercising any right or remedy accruing upon an Indenture Event of Default under this Indenture shall not impair the right or remedy or constitute a waiver of or acquiescence in such Indenture Event of Default.

(I) Section 9.11 thereof shall read as follows:

Section 9.11. Assumption of Certain Obligations.

Notwithstanding any provision to the contrary contained herein, any reference in this Article 9 to the Owner Trustee or to any obligation of the Owner Trustee shall be deemed to be a reference to the Company or to an obligation of the Company, as the case may be, any reference to "Lease Event of Default" shall be deemed to be a reference to an "Indenture Event of Default," all provisions requiring notices to the Owner Trustee or the Owner Participant shall be deemed to be deleted for the purposes of this Article 9 and any provision in this Article 9 requiring the action or consent of the Owner Trustee shall be deemed to require the action or approval of the Company.

(J) Sections 10.01 and 10.04 thereof shall read as follows:

Section 10.01. Satisfaction and Discharge of Agreement; Defeasance; Termination of Obligations. Subject to Section 10.02, this Indenture shall cease to be of further effect, and the Company and the Loan Trustee shall be deemed to have been discharged from their respective obligations with respect to the Equipment Notes (and the Loan Trustee, on demand and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture in respect of the Equipment Notes), when

(a) (i) all Equipment Notes theretofore executed and delivered (other than (A) Equipment Notes which have been mutilated, destroyed, lost or stolen and which have been replaced or exchanged as provided in Section 2.06 and (B) Equipment Notes for the payment of which money held in trust hereunder has been paid and discharged from such trust, as provided in Section 7.01) have been delivered to the Loan Trustee for cancellation; or

(ii) all Equipment Notes not theretofore delivered to the Loan Trustee for cancellation have become due and payable (whether upon stated maturity, as a result of redemption or upon acceleration), or will become due and payable (including as a result of redemption in respect of which irrevocable notice has been given to the Loan Trustee on or prior to the date of the deposit referred to below) at maturity within one year, and there has been deposited with the Loan Trustee in trust for the purpose of paying and discharging the entire indebtedness of the Equipment Notes not theretofore cancelled by the Loan Trustee or delivered to the Loan Trustee for cancellation, an amount in cash sufficient without reinvestment thereof to discharge such indebtedness, including the principal of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, and interest on the Equipment Notes to the date of such deposit (in the case of Equipment Notes which have become due and payable), or to the maturity thereof, as the case may be, plus all other amounts payable to the Loan Participants; or

(iii) (A) the Company has deposited or caused to be deposited irrevocably (except as provided in Section 10.04) with the Loan Trustee as trust funds in trust, specifically pledged as security for, and dedicated solely to, the benefit of the Loan Participants, (1) money in an amount, or (2) U.S. Government Obligations which, through the payment of interest and principal in respect thereof in accordance with their terms, will provide (not later than one Business Day before the due date of any payment referred to below in this clause) money in an amount, or (3) a combination of money and U.S. Government Obligations referred to in the foregoing clause (2), sufficient, in the opinion of a nationally recognized firm of independent certified public accountants expressed in a written certification thereof delivered to the Loan Trustee, to pay and discharge each installment of principal of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case maybe, and interest on the Outstanding Equipment Notes on the dates such payments of principal or interest are due (including as a result of redemption in respect of which irrevocable notice has been given to the Loan Trustee on or prior to the date of such deposit) and no Indenture Event of Default or Indenture Default under any of Sections 8.01(f) through 8.01(i) hereof shall have occurred and be continuing on the date of such deposit or at any time during the period

ending on the 91st day after such date; provided further that, upon the making of the deposit referred to above in clause (A), the right of the Company to cause the redemption of Equipment Notes (except redemption in respect of which irrevocable notice has theretofore been given) shall terminate;

(B) such deposit will not result in a breach or violation of, or constitute an Indenture Default or Indenture Event of Default under, this Indenture or a default or event of default under any other agreement or instrument to which the Company is a party or by which it is bound; and

(C) the Company has delivered to the Loan Trustee an Officers' Certificate and an Opinion of Counsel to the effect that there has been published by the Internal Revenue Service a ruling to the effect that Loan Participants will not recognize income, gain or loss for Federal income tax purposes as a result of the exercise by the Company of its option under this Section 10.01(a)(iii) and will be subject to Federal income tax on the same amount and in the same manner and at the same time as would have been the case if such option had not been exercised;

(b) all other amounts then due and payable hereunder have been paid; and

(c) the Company has delivered to the Loan Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for relating to the satisfaction and discharge of this Indenture contemplated by this Section 10.01 have been complied with.

Section 10.04. Monies to Be Returned to the Company. The Loan Trustee and any Paying Agent shall promptly pay or return to the Company upon request of the Company any money or U.S. Government Obligations held by them at any time that are not required for the payment of the amounts described above in Section 10.03 for which money or U.S. Government Obligations have been deposited pursuant to Section 10.01.

(K) Sections 11.01, 11.02 and 11.06 thereof shall read as follows:

Section 11.01. Amendments to This Agreement Without Consent of Loan Participants. The Company and the Loan Trustee may enter into one or more agreements supplemental hereto without the consent of any Loan Participant for any of the following purposes:

(1) (a) to cure any defect or inconsistency herein or in the Equipment Notes or to make any change not inconsistent with the provisions hereof (provided that such change does not adversely affect the interests of any Loan Participant) or (b) to cure any ambiguity or correct any mistake;

(2) to evidence the succession of another corporation to the Company, or to evidence (in accordance with Article 9) the succession of a new trustee hereunder, the removal of the trustee hereunder or the appointment of any co-trustee or co-trustees or any separate or additional trustee or trustees;

(3) to convey, transfer, assign, mortgage or pledge any property to or with the Loan Trustee or to make any other provisions with respect to matters or questions arising hereunder so long as such action shall not adversely affect the interests of the Loan Participants;

(4) to correct or amplify the description of any property at any time subject to the Lien of this Indenture or better to assure, convey and confirm unto the Loan Trustee any property subject or required to be subject to the Lien of this Indenture or to subject to the Lien of this Indenture the Airframe or Engines or airframe or engines substituted for the Airframe or Engines in accordance herewith;

(5) to add to the covenants of the Company, for the benefit of the Loan Participants, or to surrender any rights or power herein conferred upon the Company;

(6) to add to the rights of the Loan Participants; or

(7) to include on the Equipment Notes any legend as may be required by law.

Section 11.02. Amendments to This Indenture with Consent of Loan Participants. (a) With the written consent of the Loan Participants holding a majority of the aggregate

principal amount of the Outstanding Equipment Notes, the Company and the Loan Trustee may enter into such supplemental agreements to add any provisions to or to change or eliminate any provisions of this Indenture or of any such supplemental agreements or to modify the rights of the Loan Participants; provided, however, that without the consent of each Loan Participant affected thereby, an amendment under this Section 11.02 may not:

(1) reduce the principal amount of, any Installment Payment Amount payable with respect to, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, or interest on, any Equipment Note; or

(2) change the date on which any principal amount of, Make-Whole Amount, if any, or Swap Breakage Loss, if any, as the case may be, or interest on, any Equipment Note is due or payable; or

(3) create any Lien on the Indenture Estate prior to or pari passu with the Lien thereon under this Indenture except such as are permitted by this Indenture, or deprive any Loan Participant all or any part of the benefit of the Lien on the Indenture Estate created by this Indenture; or

(4) reduce the percentage in principal amount of the Outstanding Equipment Notes, the consent of whose holders is required for any such supplemental agreement, or the consent of whose holders are required for any waiver (of compliance with certain provisions of this Indenture or of certain defaults hereunder or their consequences) provided for in this Indenture; or

(5) make any change in Section 8.05 or 8.08 or this Section 11.02(a); or

(6) change the definition of "Indenture Estate" or the amounts secured thereby.

(b) It is not necessary under this Section 11.02 for the Loan Participants to consent to the particular form of any proposed supplemental agreement, but it is sufficient if they consent to the substance thereof.

(c) Promptly after the execution by the Company and the Loan Trustee of any supplemental agreement pursuant to the provisions of this Section 11.02, the Company shall transmit by first-class mail a notice, setting forth in

general terms the substance of such supplemental agreement, to all Loan Participants, as the names and addresses of such Loan Participants appear on the Register. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental agreement.

Section 11.06. Amendments, Waivers, etc. of Other Operative Documents. (a) Without the consent of the Loan Participants holding a majority in principal amount of Outstanding Equipment Notes, the parties to the Participation Agreement may not modify, amend or supplement said agreement, or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder; provided, however, that the actions specified in subsection (b) of this Section 11.06 may be taken without the consent of the Loan Trustee or any Loan Participant.

(b) Subject to the provisions of subsection (c) of this Section 11.06, the parties to the Participation Agreement at any time and from time to time without the consent of the Loan Trustee or of any Loan Participant may:

(1) [Intentionally Omitted]

(2) [Intentionally Omitted]

(3) modify, amend or supplement the Participation Agreement, or give any consent, waiver, authorization or approval with respect thereto, except that without the consent of the Loan Participants holding a majority in principal amount of Outstanding Pass Through Equipment Notes, the parties to the Participation Agreement shall not modify, amend or supplement, or give any consent, waiver, authorization or approval for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder, with respect to the following provisions of the Participation Agreement as in effect on the Refunding Date: Section 7 (insofar as such Section 7 relates to the Loan Trustee, the Indenture Estate and the Loan Participants holding the Pass Through Equipment Notes), Section 8, Section 10, Section 13, Section 16(b) and, to the extent the Loan Participants holding the Pass Through Equipment Notes would be ad-

versely affected thereby, Section 16(c) and Section 17 and any definition of terms used in the Participation Agreement, to the extent that any modification of such definition would result in a modification of the Participation Agreement not permitted pursuant to this subsection (b); and

(4) modify, amend or supplement said agreement in order to cure any ambiguity, a correct or supplement any provisions thereof which may be defective or inconsistent with any other provision thereof or of any provision of this Indenture, or to make any other provision with respect to matters or questions arising thereunder or under this Indenture which shall not be inconsistent with the provisions of this Indenture, provided the making of any such other provision shall not adversely affect the interests of the Loan Participants.

(c) [Intentionally Omitted]

Each Loan Participant by accepting an Equipment Note waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Equipment Notes.

(M) Article 13 thereof shall read as follows:

ARTICLE 13

SATISFACTION OF OBLIGATIONS HEREUNDER

Section 13.01. Actions to Be Taken upon Redemption and upon Satisfaction of Obligations Hereunder. Upon any of

(a) an Event of Loss suffered by the Airframe under circumstances where the Company does not exercise its option to substitute a Replacement Airframe therefor pursuant to Section 10(a)(i) of Article 15 hereof, and upon payment to the Loan Trustee of an amount equal to the Redemption Price as at the Redemption Date of all Outstanding Equipment Notes, or

(b) a redemption of all Outstanding Equipment Notes pursuant to Section 6.02, and upon the payment to the Loan Trustee of an amount equal to the Redemption Price as at the Redemption Date of all Outstanding Equipment Notes, or

(c) satisfaction and discharge, defeasance and termination of the obligations under this Indenture in accordance with Section 10.01 hereof,

the Lien of this Indenture on the Indenture Estate shall terminate (except for the Lien on funds held by the Loan Trustee to pay the Equipment Notes or the Loan Trustee) and the Loan Trustee shall execute such instruments as may be reasonably requested by the Company to evidence such termination.

(N) Article 14 thereof shall read as follows:

ARTICLE 14

Section 14.01. Issuance of Equipment Notes After Redemption.

Following a redemption of the Equipment Notes of any Maturity in accordance with Section 6.02(b) hereof the Company may issue and sell and the Loan Trustee shall authenticate, one or more new series of Equipment Notes in an aggregate principal amount up to the aggregate principal amount of the Equipment Notes then being redeemed and having such terms and provisions (including, without limitation, interest rate, amortization schedule, maturity date and redemption provisions) as the Company shall deem appropriate; provided that if after such redemption any Equipment Notes remain outstanding the new series of Equipment Notes:

- (i) shall be denominated and payable in United States Dollars and shall not be in a principal amount greater than the Equipment Notes redeemed;
- (ii) shall not rank senior in any respect to the Equipment Notes which remain outstanding; and
- (iii) shall not have a maturity after or have a weighted average life longer than the Equipment Notes redeemed if any of the Equipment Notes remain outstanding have a maturity date after or concurrent with the maturity date of the Equipment Notes redeemed; and

provided further, that prior to authentication and delivery of such new series of Equipment Notes the Loan Trustee shall have received (i) written evidence from Standard & Poor's Rating Group, a division of McGraw-Hill, Inc. and Moody's Investors Service, Inc. to the effect that the issuance of such new series, by itself, would not result in a downgrading of the credit rating assigned to the Pass Through Certificates then outstanding (if any), and (ii) an Opinion of Counsel for the Company reasonably satisfactory to the Loan Trustee to the effect that the protection afforded by Section 1110 of the Bankruptcy Code to the existing Loan Participants would not be adversely affected by the issuance of such new series of Equipment Notes; provided that such opinion need not be delivered to the extent that the benefits of such Section 1110 are not available to the Loan Participants with respect to the Aircraft immediately prior to such Assumption; and provided further, that such opinion may contain qualifications of the tenor contained in the opinion of Debevoise & Plimpton delivered

pursuant to Section 3(k) of the Refunding Agreement on the Refunding Date.

(0) The Indenture shall include the following Article 15:

This Article 15 consists of Sections 6, 7, 8, 10, 11, 12, 17, 24, 27, 28, 29 and 30. Sections 1 through 5, 9, 13 through 16, 18 through 23, 25 and 26 are intentionally omitted.

Section 6. Liens. The Company will not directly or indirectly create, incur, assume or suffer to exist any Lien on or with respect to the Airframe or any Engine, title thereto or any interest therein except (i) the respective rights of the Loan Trustee and the Company as herein provided and the Lien created hereunder, and the rights of each Loan Participant, the Loan Trustee and the Pass Through Trust Trustee under this Indenture, the Participation Agreement, the Refunding Agreement and the Pass Through Trust Agreements, (ii) the rights of others under agreements or arrangements to the extent expressly permitted by the terms of Sections 7(b) and 8(b) of this Article, (iii) Loan Participant Liens and Trustee's Liens, (iv) Liens for Taxes either not yet due or being contested in good faith (and for the payment of which adequate reserves have been provided) by appropriate proceedings so long as such proceedings do not involve any material danger of the sale, forfeiture or loss of the Airframe or any Engine or interest therein, (v) materialmen's, mechanics', workmen's, repairmen's, employees' or other like Liens arising in the ordinary course of business for amounts the payment of which is either not yet delinquent or is being contested in good faith (and for the payment of which adequate reserves have been provided) by appropriate proceedings so long as such proceedings do not involve any material danger of the sale, forfeiture or loss of the Airframe or any Engine or interest therein, (vi) Liens arising out of judgments or awards against the Company with respect to which an appeal or proceeding for review is being prosecuted in good faith and with respect to which there shall have been secured a stay of execution pending such appeal or proceeding for review and (vii) salvage or similar rights of insurers under insurance policies maintained pursuant to Section 11 of this Article. The Company will promptly, at its own expense, take such action as may be necessary duly to discharge (by bonding or otherwise) any such Lien not excepted above if the same shall arise at any time.

Section 7. Registration, Maintenance and Operation;  
Possession; Insignia. (a) Registration, Maintenance and Operation. The  
Company, at its own cost and expense, shall:

(i) cause the Aircraft at all times to be duly registered, under the laws of the United States, in the name of the Company, as owner, except as otherwise required by the Federal Aviation Act; provided that the Loan Trustee shall execute and deliver all such documents as the Company shall reasonably request for the purpose of effecting and continuing such registration. Notwithstanding the preceding sentence, but subject always to the terms and conditions set forth in Section 7.02 of this Indenture, the Company may cause the Aircraft to be duly registered under the laws of any jurisdiction in which a lessee pursuant to Section 7(b)(ix) of this Article could be principally based and shall thereafter maintain such registration unless and until changed as provided herein and therein; and the Loan Trustee will cooperate with the company in effecting such foreign registration;

(ii) maintain, service, repair, overhaul and test the Aircraft in accordance with a maintenance program (as approved by the Federal Aviation Administration) for Boeing 767-300 series aircraft (or, at the Company's option, (x) in the event that the Aircraft is re-registered in another jurisdiction pursuant to Section 7(a)(i) of this Article, in accordance with an aircraft maintenance program approved by the central civil aviation authority of the jurisdiction of such registration or (y) in the event of any lease to a foreign air carrier in accordance with Section 7(b)(ix) of this Article, approved by the central civil aviation authority of one of the jurisdictions specified in clause (y) of such Section 7(b)(ix)) and in the same manner and with the same care used by the Company with respect to comparable aircraft and engines owned or operated by the Company and utilized in similar circumstances so as to keep the Aircraft in as good operating condition as when delivered to the Company by the Manufacturer, ordinary wear and tear excepted, and in such condition as may be necessary to enable the airworthiness certification of the Aircraft to be maintained in good standing at all times (other than during temporary periods of storage in accordance with applicable regulations or during periods of grounding by applicable governmental authorities, except where such periods of

grounding are the result of the failure by the Company to maintain the Aircraft as otherwise required herein) under the Federal Aviation Act or, if the Aircraft is registered under the laws of any other jurisdiction, the laws of such jurisdiction and in compliance with all applicable manufacturer's alert service bulletins;

(iii) maintain, in the English language, all records, logs and other materials required by the appropriate authorities in the jurisdiction where the Aircraft is registered to be maintained in respect of the Aircraft; and

(iv) promptly furnish to the Loan Trustee such information as may be required to enable the Loan Trustee to file any reports, returns or statements required to be filed by the Loan Trustee with any governmental authority because of the Loan Trustee's interest in the Aircraft.

The Company agrees that the Aircraft will not be maintained, used or operated in violation of any law or any rule, regulation or order of any government or governmental authority having jurisdiction (domestic or foreign), or in violation of any airworthiness certificate, license or registration relating to the Aircraft issued by any such authority; provided that the Company shall not be in default under this sentence if it is not possible for it to comply with the laws of a jurisdiction other than the United States (or other than any jurisdiction in which the Aircraft is then registered) because of a conflict with the applicable laws of the United States (or such jurisdiction in which the Aircraft is then registered). In the event that any such law, rule, regulation or order requires alteration of the Aircraft, the Company will conform thereto or obtain conformance therewith at no expense to the Loan Trustee and will maintain the Aircraft in proper operating condition under such laws, rules, regulations and orders; provided, however, that the Company may, in good faith, contest the validity or application of any such law, rule, regulation or order in any reasonable manner which does not materially adversely affect the Loan Trustee, the Aircraft, the Loan Participants or the Lien of this Indenture. The Company also agrees not to operate or locate the Aircraft, or suffer the Aircraft to be operated or located, (i) in any area excluded from coverage by any insurance required by the terms of Section 11 of this Article, except in the case of a requisition for use by any Government where the Company obtains indemnity pursuant to Section 11 of this Article in lieu of such insurance from

such Government against the risks and in the amounts required by Section 11 of this Article in lieu of such insurance from such Government against the risks and in the amounts required by Section 11 of this Article covering such area, or (ii) in any war zone or recognized or, in the Company's judgment, threatened area of hostilities unless covered by war risk insurance in accordance with Section 11 of this Article, but only so long as the same remains in effect while the Aircraft is so operated or located, or unless the Aircraft is operated or used under contract with any Government entered into pursuant to Section 11 of this Article, under which contract such Government assumes liability for any damage, loss, destruction or failure to return possession of the Aircraft at the end of the term of such contract or for injury to persons or damage to property of others.

(b) Possession. The Company will not, without the prior written consent of the Loan Trustee, lease or otherwise in any manner deliver, transfer or relinquish possession of the Airframe or any Engine or install any Engine, or permit any Engine to be installed, on any airframe other than the Airframe; provided that, so long as no Indenture Event of Default shall have occurred and be continuing, and so long as the action to be taken shall not deprive the Loan Trustee of the perfected lien of this Indenture on the Airframe or (subject to the subclause (B) of the "provided further" clause to subsection (i) of this Section 7(b)) any Engine, and in any event, so long as the company shall comply with the provisions of Section 11, the Company may, without the prior consent of the Loan Trustee:

(i) subject the Airframe to normal interchange agreements or any Engine to normal interchange or pooling agreements or arrangements in each case customary in the airline industry and entered into by the Company in the ordinary course of its business with any other United States air carrier as to which there is in force a certificate issued pursuant to Section 401 of the Federal Aviation Act or any successor provision that gives like authority or with any "foreign air carrier" (as such term is defined in such Act) as to which there is in force a permit issued pursuant to Section 402 of said Act (any such United States certificated air carrier and any such foreign air carrier being hereinafter called a "Permitted Air Carrier"); provided that no transfer of the registration of such Airframe shall be effected in connection therewith; and provided, further, that (A) no such agreement or arrangement contemplates or requires the transfer of title to the

Airframe and (B) if the Company's title to any such Engine shall be divested under any such agreement or arrangement, such divestiture shall be deemed to be an Event of Loss with respect to such Engine and the Company shall comply with Section 10(b) of this Article in respect thereof;

(ii) deliver possession of the Airframe or any Engine to the manufacturer thereof for testing or other similar purposes or to any organization for service, repair, maintenance or overhaul work on the Airframe or such Engine or any part thereof or for alterations or modifications in or additions to the Airframe or such Engine to the extent required or permitted by the terms of Section 7(a) or 8(c) of this Article;

(iii) transfer possession of the Airframe or any Engine to the United States of America or any instrumentality or agency thereof pursuant to a sublease, contract or other instrument, a copy of which shall be furnished to the Loan Trustee;

(iv) transfer possession of the Airframe or any Engine to the United State of America or any instrumentality or agency thereof in accordance with applicable laws, rulings, regulations or orders (including, without limitation, the Civil Reserve Air Fleet Program authorized under 10 U.S.C. Section 9511 et seq. or any substantially similar program);

(v) install an Engine on an airframe owned by the Company free and clear of all Liens, except (A) those of the type permitted under clauses (i), (iii), (iv), (v), (vi) and (vii) of Section 6 of this Article and those which apply only to the engines (other than Engines), appliances, parts, instruments, appurtenances, accessories, furnishings and other equipment (other than Parts) installed on such airframe (but not to the airframe as an entirety) and (B) the rights of other Permitted Air Carriers under normal interchange agreements which are customary in the airline industry and do not contemplate, permit or require the transfer of title to the airframe or engines installed thereon;

(vi) install an Engine on an airframe leased to the Company or owned by the Company subject to a conditional sale or other security agreement; provided that (A) such airframe is free and clear of all Liens except the right of the parties to the lease or con-

ditional sale or other security agreement covering such airframe and except Liens of the type permitted by clauses (A) and (B) of subparagraph (v) of this paragraph of Section 7(b) of this Article and (B) the Company shall have obtained from the lessor or secured party of such airframe a written agreement (which may be the lease or conditional sale or other security agreement covering such airframe), in form and substance satisfactory to the Loan Trustee (it being understood that an agreement from such lessor or secured party substantially in the form of the final sentence of the penultimate paragraph of this Section 7(b) of this Article shall be deemed to be satisfactory to the Loan Trustee), whereby such lessor or secured party expressly agrees that neither it nor its successors or assigns will acquire or claim any right, title or interest in any Engine by reason of such Engine being installed on such airframe at any time while such Engine is subject to the lien of the Trust Indenture;

(vii) install an Engine on an airframe owned by the Company, leased to the Company or owned by the Company subject to a conditional sale or other security agreement under circumstances where neither subparagraph (v) nor subparagraph (vi) of this Section 7(b) of this Article is applicable; provided that such installation shall be deemed an Event of Loss with respect to such Engine and the Company shall comply with Section 10(b) of this Article in respect thereof, the Loan Trustee not intending hereby to waive any right or interest it may have to or in such Engine under applicable law until compliance by the Company with such Section 10(b) of this Article;

(viii) lease any Engine or the Airframe and Engines or engines then installed on the Airframe to any United States air carrier as to which there is in force a certificate issued pursuant to Section 401 of the Federal Aviation Act or successor provision that gives like authority;

(ix) lease any Engine or the Airframe and Engines or engines then installed on the Airframe to (A) any foreign air carrier that is principally based in and a domiciliary of a country (other than Cuba, El Salvador, Iran, Iraq, Lebanon and Libya) that is at the inception of the lease a party to the Mortgage Convention, or (B) any foreign air carrier that is principally based

in and a domiciliary of a country listed in Schedule I hereto, or (C) any foreign air carrier not described in clause (A) or (B) above; provided that (w) in the case only of a lease to a foreign air carrier under clause (C) above, the Loan Trustee receives at the time of such lease an opinion of counsel to the Company (which counsel shall be reasonably satisfactory to the Loan Trustee) to the effect that (a) the terms of the lease and the Operative Documents are legal, valid, binding and enforceable in the country in which such air carrier is principally based, to substantially the same extent as the Operative Documents are at that time enforceable in the United States, (b) it is not necessary for the Loan Trustee to qualify to do business in such country solely as a result of the proposed lease, (c) there is no tort liability of the Loan Trustee as a result of the Lien of this Indenture under the laws of such country other than tort liability no more extensive or onerous than that which might have been imposed on the Loan Trustee under the laws of the United States or any state thereof (it being understood that, in the event such opinion cannot be given in a form satisfactory to the Loan Trustee, such opinion shall be waived if insurance reasonably satisfactory to the Loan Trustee is provided by the Company to cover the risk of such liability), (d) the laws of such country require fair compensation by the government of such country for the loss of the use of the Aircraft in the event of the requisition by such government of the Aircraft (unless the Company shall have agreed to provide insurance reasonably satisfactory to the Loan Trustee covering the risk of requisition of use of the Aircraft by the government of such jurisdiction so long as the aircraft is leased in such country), and (e) there exist no possessory rights in favor of such lessee under the laws of such country which would, upon bankruptcy of or other default by the Company or the lessee, prevent the return of such Engine or the Airframe and such Engine or engine to the Loan Trustee in accordance with and when permitted by the terms of this Indenture (x) in the case only of a lease to a foreign air carrier under clause (C) above, the Loan Trustee receives assurances reasonably satisfactory to it that the currency of such country is freely convertible into U.S. Dollars (unless the Company shall have agreed to provide the requisition insurance described in subclause (d) of clause (w) above), (y) in the case of any lease to a foreign air

carrier, either the lease, or an arrangement existing between the Company, the lessee and/or one or more third parties that provide maintenance services, provides that the Aircraft will be maintained, serviced, repaired, overhauled and tested in accordance with maintenance standards for Boeing 767-300 series aircraft approved by, or substantially similar to those approved or required by, the Federal Aviation Administration or the central civil aviation authority of any of Brazil, Canada, France, The Federal Republic of Germany, Italy, Japan, the Netherlands, Sweden, Switzerland or the United Kingdom and (z) in the case of any lease to a foreign air carrier (other than a foreign air carrier principally based in Taiwan) the United States of America maintains diplomatic relations with the country in which such foreign air carrier is principally based at the time such lease is entered into;

provided that the rights of any transferee who receives possession by reason of a transfer permitted by this Section 7(b) (other than the transfer of an Engine which is deemed an Event of Loss) shall be subject and subordinate to, and any lease permitted by this Section 7(b) shall be made expressly subject and subordinate to, all the terms of this Indenture, including, without limitation, the Loan Trustee's rights to repossession pursuant to Article 8 hereof and to avoid such lease upon such repossession and the Loan Trustee's rights to possession pursuant to Section 8.03 of this Indenture, and the Company shall in all events remain primarily liable hereunder for the performance and observance of all of the terms and conditions of this Indenture to the same extent as if such lease or transfer had not occurred, and any such lease shall include appropriate provisions for the maintenance (subject to clause (y) of the proviso to Section 7(b)(ix) of this Article) and insurance of the Aircraft. The Company shall not lease the Aircraft to an air carrier that at the inception of the lease is subject to bankruptcy, insolvency or other similar proceedings unless the lease shall have been approved by the receiver, liquidator, conservator, court or other governmental or administrative authority or entity responsible for the adjudication or administration of such proceedings. No interchange agreement, pooling agreement, lease or other relinquishment of possession of the Airframe or any Engine shall in any way discharge or diminish any of the Company's obligations to the Loan Trustee hereunder or under the Participation Agreement. With the prior written consent of the Loan Trustee, the Company may sublease the Airframe or En-

gines in connection with a transaction that involves such a sublease commencing at the inception of the transaction. The Loan Trustee hereby agrees, for the benefit of the lessor or secured party of any airframe leased by the Company or owned by the Company subject to a conditional sale or other security agreement, that the Loan Trustee will not acquire or claim, as against such lessor or secured party, any right, title or interest in any engine or engines owned by the lessor under such lease or subject to a security interest in favor of the secured party under such conditional sale or other security agreement as the result of such engine or engines being installed on the Airframe at any time while such engine or engines are subject to such lease or conditional sale or other security agreement.

The Loan Trustee acknowledges that any "wet lease" or other similar arrangement under which the Company maintains operational control of the Aircraft shall not constitute a delivery, transfer or relinquishment of possession for purposes of this Section 7(b).

(c) Insignia. The Company agrees to at all times maintain in the cockpit of the Airframe adjacent to the airworthiness certificate therein and (if not prevented by applicable law or regulations or by any governmental authority) on each Engine a nameplate bearing the inscription "STATE STREET BANK AND TRUST COMPANY OF CONNECTICUT, NATIONAL ASSOCIATION, AS LOAN TRUSTEE, MORTGAGEE" (such nameplate to be replaced, if necessary, with a nameplate reflecting the name of any successor Loan Trustee).

Section 8. Replacement and Pooling of Parts; Alterations, Modifications and Additions. (a) Replacement of Parts. The Company, at its own cost and expense, will promptly replace all Parts which may from time to time be incorporated or installed in or attached to the Airframe or any Engine and which may from time to time become worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or rendered permanently unfit for use for any reason whatsoever, except as otherwise provided in Section 8(c) of this Article. In addition, the Company may, at its own cost and expense, remove in the ordinary course of maintenance, service, repair, overhaul or testing, any Parts, whether or not worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or rendered permanently unfit for use; provided that the Company, except as otherwise provided in Section 8(c) of this Article, will, at its own cost and expense, replace such Parts as promptly as possible. All replacement Parts shall be free and clear of all Liens (ex-

cept for pooling arrangements to the extent permitted by Section 8(b) of this Article and Permitted Liens) and shall be in as good operating condition as, and shall have a value and utility at least equal to, the Parts replaced, assuming such replaced Parts were in the condition and repair required to be maintained by the terms hereof. All Parts at any time removed from the Airframe or any Engine shall remain subject to the Lien of this Indenture, no matter where located, until such time as such Parts shall be replaced by Parts which have been incorporated or installed in or attached to the Airframe or such Engine and which meet the requirements for replacement Parts specified above. Immediately upon any replacement Part becoming incorporated or installed in or attached to the Airframe or any Engine as above provided without further act, (i) title to the replaced Part shall thereupon be free and clear of all rights of the Loan Trustee, and shall no longer be deemed a Part hereunder, (ii) title to such replacement Part shall thereupon be subject to the Lien of this Indenture, free and clear of all Liens (except for Permitted Liens) and (iii) such replacement Part shall become subject to this Indenture and be deemed part of the Airframe or such Engine for all purposes to the same extent as the Parts originally incorporated or installed in or attached to the Airframe or such Engine.

(b) Pooling of Parts. Any Part removed from the Airframe or any Engine as provided in Section 8(a) of this Article may be subjected by the Company to a normal pooling arrangement customary in the airline industry entered into in the ordinary course of the Company's business with Permitted Air Carriers; provided that the Part replacing such removed Part shall be incorporated or installed in or attached to the Airframe or such Engine in accordance with Section 8(a) of this Article as promptly as practicable after the removal of such removed Part. In addition, any replacement Part, when incorporated or installed in or attached to the Airframe or any Engine in accordance with Section 8(a) of this Article, may be owned by a Permitted Air Carrier subject to such a normal pooling arrangement; provided that the Company, at its expense, as promptly thereafter as is practicable, either (i) causes title to such replacement Part to vest in the Company free and clear of all Liens except Permitted Liens, at which time such replacement Part shall, in accordance with Section 8(a) of this Article, become a Part and become subject to the Lien of this Indenture or (ii) replaces such replacement Part by incorporating or installing in or attaching to the Airframe or such Engine a further replacement Part owned by the Com-

pany free and clear of all Liens (other than Permitted Liens), which shall without further act be subject to the Lien of this Indenture.

(c) Alterations, Modifications and Additions. The Company, at its own expense, will make such alterations and modifications in and additions to the Airframe and the Engines as may be required from time to time to meet the standards of the Federal Aviation Administration or other governmental authority having jurisdiction in any country in or over which the Aircraft is flown, provided, however, that the Company may, in good faith, contest the validity or application of any such standard in any reasonable manner which does not materially adversely affect the Loan Trustee or the Lien of this Indenture, but only so long as such proceedings do not involve any material danger of criminal liability or material danger of civil liability to the Loan Trustee, or a material danger of the sale, forfeiture or loss of the Aircraft or any Engine or any interest therein. In addition, the Company, at its own expense, may from time to time make or cause to be made such alterations and modifications in and additions to the Airframe or any Engine as the Company may deem desirable in the proper conduct of its business, including, without limitation, removal of Parts; provided that no such alterations, modification, additional or removal shall materially diminish the value or utility of the Airframe or such Engine or of the Aircraft, or materially impair the condition or airworthiness thereof, below the value, utility, condition and airworthiness thereof immediately prior to such alteration, modification, addition or removal assuming the Airframe or such Engine was then of the value and utility and in the condition and airworthiness required to be maintained by the terms of this Indenture, except that the value (but not the utility, condition or airworthiness) of the Aircraft may be reduced by the value of Parts which the Company deems obsolete or no longer suitable or appropriate for use in the Airframe or any Engine which shall have been removed, if the aggregate value of such obsolete or unsuitable Parts removed from the Aircraft and not replaced shall not exceed \$500,000. All Parts incorporated or installed in or attached or added to the Airframe or any Engine as the result of such alteration, modification or addition shall, without further act, be subject to the Lien of this Indenture. Notwithstanding the foregoing, the Company may, at any time, remove any Part; provided that (i) such Part is in addition to, and not in replacement of or substitution for, any Part originally incorporated or installed in or attached to the Airframe or such Engine at the time of delivery thereof under the Lease

or hereunder, or any Part in replacement of, or substitution for, any such Part, (ii) such Part is not required to be incorporated or installed in or attached or added to such Airframe or Engine pursuant to the first sentence of this Section 8(c), and (iii) such Part can be removed from the Airframe or such Engine without materially diminishing or impairing the value, utility, condition or airworthiness required to be maintained by the terms of this Indenture had such removal not occurred. Upon the removal by the Company of any Part as provided in the immediately preceding sentence, or the removal of any obsolete or unsuitable part permitted by this Section 8(c), such Part shall no longer be deemed part of the Airframe or the Engine from which it was removed and shall no longer be subject to the Lien of this Indenture. Any such Part not removed by the Company as provided in Section 8(c)(iii) of this Article shall remain subject to the Lien of this Indenture.

Section 10. Loss, Destruction, Requisition, Etc. Event of Loss with Respect to an Airframe. (a) Upon the occurrence of an Event of Loss with respect to the Airframe, the Company shall forthwith (and, in any event, within 30 days after such occurrence) give the Loan Trustee written notice of such Event of Loss and of its election to perform one of the following options (it being agreed that if the Company shall not have given notice of such election within such 30 days after such occurrence, the Company shall be deemed to have elected to perform the option set forth in the following clause (ii)):

i. as promptly as practicable, and in any event on or before the Business Day next preceding the 121st day next following the date of occurrence of such Event of Loss, in replacement for the Airframe, the Company shall convey or cause to be conveyed to the Loan Trustee a security interest in and to one or more Replacement Airframes (together with the same number of Replacement Engines as the Engines, if any, installed on the Airframe at the time such Event of Loss occurred), such Replacement Airframe and Replacement Engines to be duly certificated as airworthy by the central aviation authority of the jurisdiction of the registry of such Replacement Airframes and Engines, free and clear of all Liens (other than Permitted Liens), to have a value and utility at least equal to, and to be in as good operating condition as, the Airframe and Engines, if any, so replaced (assuming such Airframe and Engines were in the condition and repair required by the terms of this Indenture); provided

that, if the Company shall not perform its obligation to effect such replacement under this clause (i) during the period of time provided herein, then the Company shall promptly give notice to the Loan Trustee and shall pay on the Business Day next following the thirtieth day after the end of such period to the Loan Trustee, in U.S. currency, the amounts specified in clause (ii) below; or

ii. on or before the Loss Payment Date (as defined below) the Company shall pay to the Loan Trustee an amount in cash which is sufficient to redeem each Outstanding Equipment Note pursuant to Section 6.01 of the Indenture; provided that the Company may, to the extent provided and in accordance with Section 3.08 hereof, surrender, to the Loan Trustee for cancellation Equipment Notes held by the Company and in such event the Company shall be entitled to a credit against amounts otherwise payable pursuant to this clause (ii). As used herein, "Loss Payment Date" means the earliest of (x) 30 days following the date on which insurance proceeds are received with respect to such Event of Loss, (y) the Business Day next following the 121st day next following the date of occurrence of the Event of Loss and (z) an earlier Business Day irrevocably specified by the Company at least thirty days in advance by notice to the Loan Trustee; provided, however, the Loss Payment Date shall be the date specified in the proviso to clause (i) above if applicable.

Upon compliance by the Company with the requirements of this Section 10(a)(ii), the Loan Trustee shall execute such instruments as may be reasonably requested by the Company releasing the Airframe and Engines from the Lien of this Indenture and releasing the Purchase Agreement and the Purchase Agreement Assignment from the assignment and pledge thereof hereunder.

At the time of or prior to any replacement of the Airframe and such Engines pursuant to Section 10(a)(i) of this Article, if any, the Company, at its own expense, will (A) cause a Trust Agreement and Indenture Supplement, substantially in the form of Exhibit C hereto for such Replacement Airframe and Replacement Engines, if any, to be delivered to the Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Federal Aviation Act or, if necessary, pursuant to the applicable laws of the jurisdiction other than the United States of America in which such Replacement Aircraft and Replacement

Engines, if any, are to be registered in accordance with Section 7(a) of this Article, as the case may be, (B) cause a financing statement or statements with respect to the Replacement Airframe and Replacement Engines, if any, or other requisite documents or instruments, to be filed in such place or places as necessary or advisable in order to perfect the security interest therein created by or pursuant to this Indenture, or, if necessary or advisable, pursuant to the applicable laws of the jurisdiction in which such Replacement Aircraft and Replacement Engines, if any, are to be registered in accordance with Section 7(a) of this Article, as the case may be, (C) furnish the Loan Trustee with a certificate of an independent aircraft engineer or appraiser reasonably satisfactory to the Loan Trustee certifying that the Replacement Airframe and Replacement Engines, if any, have a value and utility at least equal to, and are in as good operating condition as, the Airframe and Engines, if any, so replaced assuming the Airframe and Engines were in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss, (D) furnish the Loan Trustee with (i) such evidence of compliance with the insurance provisions of Section 11 of this Article with respect to such Replacement Airframe and Replacement Engines as the Loan Trustee may reasonably request and (ii) a certificate from a Responsible Officer of the Company certifying that at the time of such replacement, there is no continuing Indenture Event of Default, (E) furnish the Loan Trustee with an opinion of the Company's counsel (which may be the Company's General Counsel) addressed to the Loan Trustee that the substituted property will be subject to the Lien of this Indenture and the Loan Trustee should be entitled to the benefits of Section 1110 of the United States Bankruptcy Code of 1978, as amended, with respect to the Replacement Airframe, provided that (x) such opinion need not be delivered to the extent that the benefits of such Section 1110 were not, by reason of a change in law or governmental interpretation thereof, available to the Loan Trustee with respect to the Aircraft immediately prior to such substitution and (y) such opinion may contain qualifications of the tenor contained in the opinion of Debevoise & Plimpton delivered pursuant to Section 4(J) of the Participation Agreement on the Delivery Date. In the case of each Replacement Airframe and each Replacement Engine, if any, in which a security interest has been granted to the Loan Trustee under this Section 10(a), and each Replacement Engine, if any, in which a security interest has been granted to the Loan Trustee under this Section 10(a), promptly upon the recordation of the Trust Agreement and Indenture Supplement covering such Replacement Airframe and

Replacement Engines, if any, or such Replacement Engine pursuant to the Federal Aviation Act (or pursuant to the applicable laws of the jurisdiction in which such Replacement Airframe and Replacement Engines, if any, or such Replacement Engine, are registered in accordance with Section 7(a) of this Article), the Company will cause to be delivered to the Loan Trustee a favorable opinion of counsel to the Company as to the due registration of such Replacement Aircraft, the due recordation of such Trust Agreement and Indenture Supplement or other requisite documents or instruments and the validity and perfection of the security interest in the Replacement Airframe, Replacement Engines or Replacement Engine, as the case may be, granted to the Loan Trustee under this Indenture.

For all purposes hereof, upon grant of a security interest therein to the Loan Trustee, each Replacement Aircraft and the Replacement Engines, if any, shall be deemed part of the property secured hereunder; each such Replacement Airframe shall be deemed an "Airframe" as defined herein, and each such Replacement Engine shall be deemed an "Engine" as defined herein. Upon full compliance with the terms of the previous paragraph, the Loan Trustee shall execute and deliver to the Company an appropriate instrument releasing such replaced airframe and engines (if any) installed thereon at the time such Event of Loss occurred from the Lien of this Indenture and releasing the Purchase Agreement and the Purchase Agreement Assignment from the assignment and pledge hereunder.

(b) Event of Loss with Respect to an Engine. Upon the occurrence of an Event of Loss with respect to an Engine under circumstances in which there has not occurred an Event of Loss with respect to the Airframe, the Company shall give the Loan Trustee prompt written notice thereof and shall, within 90 days after the occurrence of such Event of Loss, convey or cause to be conveyed to the Loan Trustee, as replacement for the Engine with respect to which such Event of Loss occurred, a security interest in and to a Replacement Engine free and clear of all Liens (other than Permitted Liens) and having a value and utility at least equal to, and being in as good operating condition as, the Engine with respect to which such Event of Loss occurred, assuming such Engine was of the value and utility and in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss. Prior to or at the time of any such conveyance, the Company, at its own expense, will (i) cause a Trust Agreement and Indenture Supplement substantially in the form of Exhibit C

hereto or other requisite documents or instruments for such Replacement Engine to be delivered to the Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Federal Aviation Act or, if necessary, pursuant to the applicable laws of such jurisdiction other than the United States of America in which the Aircraft is or is to be registered in accordance with Section 7(a), as the case may be, (ii) furnish the Loan Trustee with a certificate of an aircraft engineer or appraiser (who may be an employee of the Company) certifying that such Replacement Engine has a value and utility at least equal to, and is in as good operating condition as, the Engine so replaced, assuming such Engine was in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss and (iii) cause a financing statement or statements with respect to the Replacement Engine or other requisite documents or instruments to be filed in such place or places necessary or advisable in order to perfect the security interest in the Replacement Engine created by or pursuant to this Indenture, or, if necessary or advisable, pursuant to the applicable laws of the jurisdiction in which the Aircraft is or is to be registered in accordance with Section 7(a), as the case may be, and (iv) furnish the Loan Trustee with such evidence of compliance with the insurance provisions of Section 11 of this Article with respect to such Replacement Engine as the Loan Trustee may reasonably request, and (v) furnish the Loan Trustee with an opinion of the Company's counsel (which may be the Company's General Counsel) addressed to the Loan Trustee to the effect that such substituted property will be subjected to the Lien of this Indenture. Upon full compliance by the Company with the terms of this paragraph (b), the Loan Trustee will transfer to the Company, without recourse or warranty (except as to the Trustee's Liens), all of Loan Trustee's right, title and interest in and to the Engine with respect to which such Event of Loss occurred, and Loan Trustee will assign to or as directed by the Company all claims of Loan Trustee against third Persons relating to such Engine arising from such Event of Loss. In addition, upon such transfer the Loan Trustee shall execute and deliver to the Company an appropriate instrument releasing such Engine from the Lien of this Indenture and releasing the Purchase Agreement and the Purchase Agreement Assignment (in respect of such Engine) from the assignment and pledge under this Indenture. For all purposes hereof, each such Replacement Engine shall, after such conveyance, be deemed part of the property secured hereunder and shall be deemed an "Engine" as defined herein.

(c) Application of Payments from Governmental Authorities for Requisition of Title or Use. Any payments (other than insurance proceeds the application of which is provided for in Section 11 of this Article) received at any time by the Loan Trustee or by the Company from any governmental authority or other Person with respect to an Event of Loss resulting from the condemnation, confiscation, theft or seizure of, or requisition of title to or use of, the Airframe or any Engine, other than a requisition for use by any Government or by the government of registry of the Aircraft not constituting an Event of Loss, will be applied as follows:

(i) if such payments are received with respect to the Airframe or the Airframe and the Engines or engines installed on the Airframe that has been or is being replaced by the Company pursuant to Section 10(a) of this Article, such payments shall be paid over to, or retained by, the Loan Trustee, and upon completion of such replacement be paid over to, or retained by, the Company;

(ii) if such payments are received with respect to the Airframe or the Airframe and the Engines or engines installed on the Airframe that has not been and will not be replaced pursuant to Section 10(a) of this Article, such payments shall, after reimbursement of the Loan Trustee for costs and expenses, be applied in reduction of the Company's obligation to pay the amounts required to be paid by the Company pursuant to Section 10(a) of this Article, if not already paid by the Company, or, if already paid by the Company, shall be applied to reimburse the Company for its payment of such amounts, and the balance, if any, of such payments remaining thereafter shall be paid over to, and retained by, the Company; and

(iii) if such payments are received with respect to an Engine under circumstances contemplated by Section 10(b) of this Article, so much of such payments remaining after reimbursement of the Loan Trustee for costs and expenses shall be paid over to, or retained by, the Company; provided that the Company shall have fully performed the terms of Section 10(b) of this Article with respect to the Event of Loss for which such payments are made.

(d) Requisition for Use by the Government of the Airframe and the Engines Installed Thereon. In the event of

the requisition for use by any Government or by the government of the country of registry of the Aircraft (including for this purpose any agency or instrumentality thereof), including, without limitation, pursuant to the Civil Reserve Air Fleet Program referred to in Section 7(b)(iv) of this Article of the Airframe and the Engines or engines installed on the Airframe, the Company shall promptly notify the Loan Trustee of such requisition and, except as otherwise provided in this Indenture, such requisition shall not constitute an Event of Loss and all of the Company's obligations under this Indenture with respect to the Aircraft shall continue to the same extent as if such requisition had not occurred unless or until such requisition shall constitute an Event of Loss. All payments received by the Loan Trustee or the Company from the Government or government for the use of the Airframe and Engines or engines prior to the occurrence of an Event of Loss shall be paid over to, or retained by, the Company.

(e) Requisition for Use by the Government of an Engine. In the event of the requisition for use by any Government or by the government of the country of registry of the Aircraft (including for this purpose any agency or instrumentality thereof) of any Engine (but not the Airframe), the Company will replace such Engine hereunder by complying with the terms of Section 10(b) of this Article to the same extent as if an Event of Loss had occurred with respect to such Engine, and any payments received by the Loan Trustee or the Company from such Government or government with respect to such requisition shall be paid over to, or retained by, the Company.

(f) Application of Payments During Existence of Indenture Event of Default. Any amount referred to in clause (i), (ii) or (iii) of Section 10(c), Section 10(d) or Section 10(e) of this Article which is payable to the Company shall not be paid to the Company, or if it has been previously paid directly to the Company, shall not be retained by the Company, if at the time of such payment an Indenture Event of Default, or an Indenture Default which would constitute an Indenture Event of Default under Section 8.01(a), 8.01(f), 8.01(g), 8.01(h) or 8.01(i), shall have occurred and be continuing, but shall be paid to and held by the Loan Trustee as security for the obligations of the Company under this Indenture, and at such time as there shall not be continuing any such Indenture Event of Default or event, such amount shall be paid to the Company, provided that, if any such amount has been so held by the Loan Trustee as security for more than 90 days after an Event of

Default shall have occurred and during which period (x) the Loan Trustee shall not have been limited by operation of law or otherwise from exercising remedies hereunder and (y) the Loan Trustee shall not have commenced to exercise any remedy available to it under this Indenture, then such amount shall be paid to the Company.

Section 11. Insurance. Public Liability and Property Damage Insurance. (a) Subject to the rights of the Company to establish and maintain self-insurance with respect to public liability and property damage liability insurance for aircraft and engines (including, the Aircraft and Engines) in the manner and to the extent specified in the next sentence, the Company will carry, or cause to be carried, at no expense to the Loan Trustee, any Bank Lender or the Pass Through Trustee, public liability (including, without limitation, contractual liability and passenger legal liability) and property damage liability insurance (exclusive of manufacturer's product liability insurance) with respect to the Aircraft (i) in amounts which are not less than the public liability and property damage insurance applicable to similar aircraft and engines which comprise the Company's fleet on which the Company carries insurance, provided that such liability insurance shall not be less than the amount certified to the Original Loan Participants on the Delivery Date, (ii) of the type usually carried by corporations engaged in the same or similar business, similarly situated with the Company, and owning or operating similar aircraft and engines and covering risks of the kind customarily insured against by the Company, and (iii) which is maintained in effect with insurers of recognized responsibility. The Company may self-insure, by way of deductible or premium adjustment provisions in insurance policies, the risks required to be insured against pursuant to the preceding sentence, but in no case shall the self-insurance (including, the self-insurance permitted by Section 11(b) of this Article) with respect to all of the aircraft and engines in the Company's fleet (including, without limitation, the Aircraft) exceed for any 12-month policy year the lesser of (x) 50% of the largest replacement value of any single aircraft in the Company's fleet or (y) 1-1/2% of the average aggregate insurable value (for the preceding year) of all aircraft (including, without limitation, the Aircraft) on which the Company carries insurance, provided that, in the event that there shall have occurred a material adverse change in the financial condition of the Company from such condition as is reflected in the consolidated financial statements of the Company at December 31, 1982, then, upon not less than 30 days' written notice from the Loan Trustee

to the Company, the Company will, until the Company's financial condition is on an overall basis equivalent to its financial condition at December 31, 1982, reduce the self-insurance permitted hereunder to such reasonable amount as the Loan Trustee may require; provided, further, that a deductible per occurrence utilized to reduce handling that, in the case of the Aircraft, is not in excess of the amount customarily allowed as a deductible in the industry, shall be permitted in addition to the above-mentioned self-insurance. Any policies of insurance carried in accordance with this Section 11(a) and any policies taken out in substitution or replacement for any of such policies (A) shall name the Loan Trustee, any Bank Lender or the Pass Through Trustee as additional insureds as their respective interests may appear, (B) shall provide that in respect of the respective interests of the Loan Trustee, any Bank Lender and the Pass Through Trustee in such policies the insurance shall not be invalidated by any action or inaction of the Company and shall insure the Loan Trustee's, such Bank Lender's and the Pass Through Trustee's Interests as they appear, regardless of any breach or violation of any warranty, declaration or condition contained in such policies by the Company, (C) shall provide that, if such insurance is cancelled for any reason whatever, or any substantial change is made in the policy which affects the coverage certified hereunder to the Loan Trustee, any Bank Lender or the Pass Through Trustee, or if such insurance is allowed to lapse for nonpayment of premium, such cancellation, change or lapse shall not be effective as to the Loan Trustee, such Bank Lender or the Pass Through Trustee for 30 days (seven days, or such other period as is customarily obtainable in the industry, in the case of any war risk and allied perils coverage) after receipt by the Loan Trustee, such Bank Lender or the Pass Through Trustee, respectively, of written notice from such insurers of such cancellation, change or lapse, (D) shall provide that neither the Loan Trustee, such Bank Lender nor the Pass Through Trustee shall have any obligation or liability for premiums, commissions, assessments or calls in connection with such insurance, (E) shall provide that the insurers shall waive (i) any rights of set-off, counterclaim or any other deduction, whether by attachment or otherwise, which they may have against the Loan Trustee, such Bank Lender and the Pass Through Trustee and (ii) any rights of subrogation against the Loan Trustee, such Bank Lender or the Pass Through Trustee to the extent that the Company has waived its rights by its agreements to indemnify any such party pursuant to this Indenture or the Participation Agreement; provided that the exercise by such insurers of rights of subrogation derived from the rights

retained by the Company shall not, in any way, delay payment of any claim that would otherwise be payable by such insurers but for the existence of rights of subrogation derived from rights retained by the Company, (F) shall be primary without right of contribution from any other insurance which may be carried by the Loan Trustee, any Bank Lender or the Pass Through Trustee with respect to its Interests as such in the Aircraft and (G) shall expressly provide that all of the provisions thereof, except the limits of liability, shall operate in the same manner as if there were a separate policy covering each insured.

"Interests" as used in this Section 11(a) and Section 11(b) of this Article with respect to any person means the interests of such person in its capacity as Loan Trustee or Pass Through Trustee, as the case may be, in the transaction contemplated by the Participation Agreement and this Indenture. The Company shall arrange for appropriate certification that the requirements of this Section 11(a) have been met to be made to the Loan Trustee (and the Loan Trustee may furnish such certificates to each Loan Participant) as soon as practicable by each insurer or its authorized representative with respect thereto, provided that all information contained therein shall be held confidential by the Loan Trustee and each Loan Participant and shall not be furnished or disclosed by them to anyone other than their bank examiners, auditors, accountants, agents and legal counsel and any Person with whom any Loan Participant is in good faith conducting negotiations relating to the possible transfer and sale of such Loan Participant's Equipment Notes, if such person shall have entered into an agreement similar to that contained in this Section 11(a) whereby such person agrees to hold such information confidential, and except as may be required by an order of any court or administrative agency or by any statute, rule, regulation or order of any governmental authority. In the case of a lease or contract with any Government in respect of the Aircraft or any Engine or in the case of any requisition for use of the Aircraft or any Engine by any Government, a valid agreement, reasonably satisfactory to the Loan Trustee, to indemnify the Company against any of the risks which the Company is required hereunder to insure against by such Government shall be considered adequate insurance to the extent of the risks and in the amounts that are the subject of any such agreement to indemnify.

(b) Insurance Against Loss or Damage to Aircraft. Subject to the rights of the Company to establish and maintain self-insurance with respect to loss or damage to aircraft (including the Aircraft) in the manner and to the

extent specified in the next sentence, the Company shall maintain, or cause to be maintained, in effect with insurers of recognized responsibility, at no expense to the Loan Trustee, any Bank Lender or the Pass Through Trustee, all-risk aircraft hull insurance covering the Aircraft and all-risk coverage with respect to any Engines or parts while removed from the Aircraft (including, without limitation, war risk and allied perils insurance if and to the extent the same is maintained by the Company or any Permitted Air Carrier leasing the same with respect to other aircraft owned or operated by the Company or such Permitted Air Carrier, as the case may be, on the same routes) which is of the type and in substantially the amount usually carried by corporations engaged in the same or similar business and similarly situated with the Company; provided that (i) such insurance (including the permitted self-insurance) shall at all times while the Aircraft is subject to the Lien of this Indenture be for an amount not less than, at the date of determination thereof, the Outstanding principal amount of the Equipment Notes plus six months interest thereon and (ii) such insurance need not cover an Engine while attached to an airframe not owned, leased or operated by the Company. The Company may self-insure, by way of deductible or premium adjustment provisions in insurance policies, the risks required to be insured against pursuant to the preceding sentence, but in no case shall the self-insurance (including the self-insurance permitted by Section 11(a) of this Article) with respect to all of the aircraft and engines in the Company's fleet (including, without limitation, the Aircraft) exceed for any 12-month policy year the lesser of (i) 50% of the largest replacement value of any single aircraft in the Company's fleet or (ii) 1-1/2% of the average aggregate insurable value (for the preceding year) of all aircraft (including, without limitation, the Aircraft) on which the Company carries insurance; provided that, in the event that there shall have occurred a material adverse change in the financial condition of the Company from such condition as is reflected in the consolidated financial statements of the Company at December 31, 1982, then, upon not less than 30 days' written notice from the Loan Trustee to the Company, the Company will, until the Company's financial condition is on an overall basis equivalent to its financial condition at December 31, 1982, reduce the self-insurance permitted hereunder to such reasonable amount as the Loan Trustee may require; provided, further, that a deductible per occurrence utilized to reduce handling, that, in the case of the Aircraft, is not in excess of the amount customarily allowed as a deductible in the industry, shall be permitted in addition to the above-mentioned self-insurance.

Any policies carried in accordance with this Section 11(b) and any policies taken out in substitution or replacement for any such policies (A) shall provided that any loss up to the amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon, for any loss or damage constituting an Event of Loss with respect to the Aircraft, and any loss in excess of \$7,000,000, up to the amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon, for any loss or damage to the Aircraft (or Engines) not constituting an Event of Loss with respect to the Aircraft, shall be paid to the Loan Trustee as long as this Indenture shall not have been discharged pursuant to the terms and conditions thereof, and thereafter to the Company, unless, in each case, the insurer shall have received notice that an Indenture Event of Default exists, in which case all insurance proceeds up to an amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon shall be payable to the Loan Trustee, (B) shall provide that in respect of the respective interests of the Loan Trustee, any Bank Lender and of the Pass Through Trustee in such policies the insurance shall not be invalidated by any action or inaction of the Company and shall insure the Loan Trustee's, any Bank Lender's and the Pass Through Trustee's Interests, as they appear, regardless of any breach or violation of any warranty, declaration or condition contained in such policies by the Company, (C) shall provide that, if such insurance is cancelled for any reason whatever, or any material change is made in the policy which affects the coverage certified hereunder to the Loan Trustee, any Bank Lender and the Pass Through Trustee, or if such insurance is allowed to lapse for nonpayment of premium, such cancellation, change or lapse shall not be effective as to the Loan Trustee, any Bank Lender or the Pass Through Trustee, for 30 days (seven days, or such other period as may from time to time be customarily obtainable if the industry, in the case of any war risk and allied perils coverage) after receipt by the Loan Trustee, such Bank Lender or the Pass Through Trustee, respectively, of written notice from such insurers of such cancellation, change or lapse, (D) shall be primary without right of contribution from any other insurance which may be carried by the Loan Trustee, any Bank Lender and the Pass Through Trustee with respect to the Interests as such in the Aircraft and (E) shall provide that the insurers shall waive (i) any rights of set-off, counterclaim or any other deduction, whether by attachment or otherwise, which they may have against the Loan Trustee, such Bank Lender or the Pass Through Trustee and (ii) any rights of subrogation against the Loan Trustee, any Bank Lender or the Pass

Through Trustee to the extent that the Company has waived its rights by its agreements to indemnify any such party pursuant to this indenture or the Participation Agreement; provided that the exercise by such insurers of rights of subrogation derived from rights retained by the Company shall not, in any way, delay payment of any claim that would otherwise be payable by such insurers but for the existence of rights of subrogation derived from rights retained by the Company. The Company shall arrange for appropriate certification that the requirements of this Section 11(b) have been met to be made promptly to the Loan Trustee (and the Loan Trustee shall furnish such certification to each Loan Participant) by each insurer or its authorized representative with respect thereto, provided that all information contained therein shall be held confidential by the Loan Trustee and each Loan Participant and shall not be furnished or disclosed by them to anyone other than their bank examiners, auditors, accountants, agents and legal counsel and any person with whom any Loan Participant is in good faith conducting negotiations relating to the possible transfer and sale of such Loan Participant's Equipment Notes, if such person shall have entered into an agreement similar to that contained in Section 11(b) whereby such Person agrees to hold such information confidential, and except as may be required by an order of any court or administrative agency or by any statute, rule, regulation or order of any governmental authority. In the case of a lease or contract with any Government in respect of the Aircraft or any Engine, or in the case of any requisition for use of the Aircraft or any Engine by any Government, a valid agreement, reasonably satisfactory to the Loan Trustee, to indemnify the Company against any of the risks which the Company is required hereunder to insure against by such Government in an amount, as at the date of determination thereof, equal to the Outstanding principal amount of the Equipment Notes plus six months interest thereon from time to time shall be considered adequate insurance to the extent of the risks and in the amounts that are the subject of any such agreement to indemnify.

As between the Loan Trustee and the Company, it is agreed that all insurance payments received under policies required to be maintained by the Company hereunder, exclusive of any payments received in excess of an amount, as at the date of determination thereof, equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon from such policies, as the result of the occurrence of an Event of Loss with respect to the Airframe or an Engine will be applied as follows:

(x) if such payments are received with respect to the Airframe or the Airframe and any Engines or engines installed on the Airframe that has been or is being replaced by the Company as contemplated by Section 10(a) of this Article, such payments shall be paid over to, or retained by, the Loan Trustee, and upon completion of such replacement be paid over to, or retained by, the Company;

(y) if such payments are received with respect to the Airframe or the Airframe and any Engines or engines installed thereon that has not been and will not be replaced as contemplated by Section 10(a) of this Article, so much of such payments remaining after reimbursement of the Loan Trustee for costs and expenses as shall not exceed an amount, as at the date of determination thereof, equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon required to be paid by the Company pursuant to Section 10(a) of this Article shall be applied in reduction of the Company's obligation to pay such amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon, if not already paid by the Company, or, if already paid by the Company, shall be applied to reimburse the Company for its payment of such amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon, and the balance, if any, of such payment remaining thereafter will be paid over to, or retained by, the Company; and

(z) if such payments are received with respect to an Engine under the circumstances contemplated by Section 10(b) of this Article, so much of the such payments remaining after reimbursement of the Loan Trustee for costs and expenses shall be paid over to, or retained by, the Company; provided that the Company shall have fully performed the terms of Section 10(b) of this Article with respect to the Event of Loss for which such payments are made.

As between the Loan Trustee and the Company the insurance payment of any property damage loss in excess of an amount equal to the Outstanding principal amount of the Equipment Notes plus accrued interest thereon shall be paid to the Company.

As between the Loan Trustee and the Company the insurance payment of any property damage loss not constitut-

ing an Event of Loss with respect to the Airframe or an Engine will be applied in payment (or to reimburse the Company) for repairs or for replacement property in accordance with the terms of Sections 7 and 8 of this Article, and any balance remaining after compliance with such Sections with respect to such loss shall be paid to the Company. Any amount referred to in the preceding sentence or in clause (x), (y) or (z) of the second preceding paragraph which is payable to the Company shall not be paid to the Company or, if it has been previously paid directly to the Company, shall not be retained by the Company, if at the time of such payment an Indenture Event of Default (or an Indenture Default that with lapse of time would constitute an Indenture Event of Default under Section 8.01(a), 8.01(f) 8.01(g) 8.01(h) 8.01(i) of this Indenture) shall have occurred and be continuing, but shall be paid to and held by the Loan Trustee, as security for the obligations of the Company under this Indenture, and at such time as there shall not be continuing any such Indenture Event of Default or event, such amount shall be paid to the Company, provided that is any such amount has been so held by the Loan Trustee as security for more than 90 days after an Indenture Event of Default shall have occurred and during which period (i) the Loan Trustee shall not have been limited by operation of law or otherwise from exercising remedies hereunder and (ii) the Loan Trustee shall not have exercised any remedy available to it under Section 15 of this Article, then such amount shall be paid to the Company.

(c) Reports, Etc. Annually upon renewal of the Company's insurance coverage, the Company will furnish to the Loan Trustee (and the Loan Trustee shall furnish to each Loan Participant) a report signed by a firm of independent aircraft insurance brokers appointed by the Company, stating the opinion of such firm that the insurance then carried and maintained on the Aircraft complies with the terms hereof; provided that all information contained in such report shall be held confidential by the Loan Trustee and each Loan Participant and shall not be furnished or disclosed by them to anyone other than their bank examiners, auditors, accountants, agents and legal counsel and any Person with whom any Loan Participants is in good faith conducting negotiations relating to the possible transfer and sale of such Loan Participant's Equipment Notes, if such Person shall have entered into an agreement similar to that contained in this Section 11(c) whereby such Person agrees to hold such information confidential, and except as may be required by an order of any court or administrative agency or by any statute, rule, regulation or order of any governmental author-

ity. The Company will cause such firm to advise the Loan Trustee, any Bank Lender or the Pass Through Trustee, in writing promptly of any default in the payment of any premium and of any other act or omission on the part of the Company of which such firm has knowledge and which might invalidate or render unenforceable, in whole or in part, any insurance on the Aircraft. The Company will also cause such firm to advise the Loan Trustee, any Bank Lender and the Pass Through Trustee, in writing as promptly as practicable after such firm acquires knowledge that an interruption or reduction of any insurance carried and maintained on the Aircraft pursuant to the provisions of this Section 11 will occur.

(d) Insurance for Own Account. Nothing in this Section 11 shall limit or prohibit the Loan Trustee or the Company from obtaining insurance for its own account with respect to the Airframe or any Engine and any proceeds payable thereunder shall be payable as provided in the insurance policy relating thereto, provided that (i) no such insurance may be obtained which would limit or otherwise adversely affect the coverage or amounts payable under insurance required to be maintained pursuant to this Section 11, it being understood that all salvage rights to the Airframe or such Engine shall remain with the Company's insurers at all times, and (ii) the Loan Trustee may obtain hull insurance on the Aircraft only to the extent the procurement of such insurance does not have an adverse effect on the Company's ability or cost to obtain such insurance, except that the limitation in the foregoing clause (i) on the Loan Trustee's right to obtain liability insurance shall not apply during any period in which the Company is providing a Government indemnity in lieu of the liability insurance required by Section 11(a) of this Article and the limitations in clauses (i) and (ii) on the Loan Trustee's rights to obtain hull insurance shall not apply during any period in which the Company is providing a Government indemnity in lieu of the hull insurance required by Section 11(b) of this Article.

Section 12. Inspection. At all reasonable times so long as any Equipment Notes are outstanding, but upon at least 5 days' prior written notice to the Company, the Loan Trustee, the Initial Bank Lender, the Pass Through Trustee or their authorized representatives may at their own expense and risk (including without limitation, any risk of personal injury or death) conduct a visual walk-around inspection of the Aircraft and any Engine and may inspect the books and records of the Company relating thereto; provided that (a)

such representative shall be fully insured to the reasonable satisfaction of the Company at no cost to the Company with respect to any risks incurred in connection with any such inspection, (b) any such inspection shall be subject to the safety, security and workplace rules applicable at the location where such inspection is conducted and any applicable governmental rules or regulations and (c) in the case of an inspection during a maintenance visit, such inspection shall not in any respect interfere with the normal conduct of such maintenance visit or extend the time required for such maintenance visit. All information obtained in connection with any such inspection shall be held confidential by the Loan Trustee and each Loan Participant and shall not be furnished or disclosed by them to anyone other than their accountants, agents and legal counsel and any Person with whom any such Loan Participant is in good faith conducting negotiations relating to the possible transfer and sale of such Loan Participant's Equipment Notes if such Person shall have entered into an agreement similar to that contained in this Section 12 whereby such Person agrees to hold such information confidential, and except as may be required by an order or administrative agency or by any statute, rule, regulation or order of any governmental authority. Upon the Loan Trustee's request, the Company will notify the Loan Trustee of the next scheduled "heavy maintenance" visit to be conducted by the Company in respect of the Aircraft; provided that the Company shall have the right in its sole discretion to reschedule, or change the location of, any maintenance visit of which it shall have notified the Loan Trustee pursuant to this sentence, the Company hereby agreeing to use reasonable efforts to notify the Loan Trustee of any such rescheduling or change. The Loan Trustee shall not have any duty to make such inspection and shall not incur any liability or obligation by reason of not making any such inspection. No inspection pursuant to this Section 12 shall interfere with the use, operation or maintenance of the Aircraft or the normal conduct of the Company's business, and the Company shall not be required to undertake or incur any additional liabilities in connection therewith.

Section 17. Further Assurances; Financial Information.

Forthwith upon the execution and delivery of each Trust Agreement and Indenture Supplement, the Company will cause such Trust Agreement and Indenture Supplement to be duly filed and recorded in accordance with the Federal Aviation Act. In addition, the Company and the Loan Trustee will promptly and duly execute and deliver to the other party hereto such further documents and assurances and take such further action as such other party may from time to

time reasonably request in order to effectively carry out the intent and purpose of this Indenture, including, without limitation, if requested by the Loan Trustee, the execution and delivery of supplements or amendments hereto, in recordable form, subjecting to this Indenture any Replacement Airframe or Replacement Engine and the recording or filing of counterparts hereof or thereof, in accordance with the laws of such jurisdictions as the Loan Trustee may from time to time deem advisable; provided that this sentence is not intended to impose upon the Company any additional liabilities not otherwise contemplated by this Indenture. The Company agrees to furnish the Loan Trustee (i) within 60 days after the end of each of the first three quarterly fiscal periods in each fiscal year of the Company, a consolidated balance sheet of the Company and its consolidated subsidiaries prepared by it as of the close of such period, together with the related consolidated statements of income and cash flows for such period, (ii) within 120 days after the close of each fiscal year of the Company, a consolidated balance sheet of the Company and its consolidated subsidiaries as of the close of such fiscal year, together with the related consolidated statements of income and cash flows for such fiscal year, as certified by independent public accountants, (iii) within 120 days after the close of each fiscal year of the Company, a certificate of the Company signed by a Responsible Officer of the Company and addressed to the Loan Trustee to the effect that the signer has reviewed the relevant terms of this Indenture and the Participation Agreement and has made, or caused to be made under his supervision, a review of the transactions and condition of the Company during the accounting period covered by the financial statements referred to in clause (ii) above, and that such review has not disclosed the existence during such accounting period, nor does the signer have knowledge of the existence as at the date of such certificate, of any condition or event which constitutes an Indenture Event of Default or which, after notice or lapse of time or both, would constitute an Indenture Event of Default, or, if any such condition or event existed or exists, specifying the nature and period of existence thereof and what action the Company has taken or is taking or proposes to take with respect thereto, and (iv) from time to time such other non-confidential information as the Loan Trustee may reasonably request.

Section 24. Maintenance of Certain Engines. Notwithstanding anything to the contrary contained herein, an aircraft engine which is not an Engine, but which is installed on the Airframe, shall be maintained in accordance with Section 7(a) of this Article.

Section 27. Company's Performance and Rights. Any obligation imposed on the Company pursuant to Sections 7, 8, 11, 12 and 24 of this Article shall require only that the Company perform or cause to be performed such obligation, even if stated herein as a direct obligation, and the performance of any such obligation by any permitted assignee, lessee or transferee under an assignment, lease or transfer agreement then in effect shall constitute performance by the Company and to the extent of such performance, discharge such obligation by the Company. Except as otherwise expressly provided herein, any right granted to the Company in this Indenture shall grant the Company the right to exercise such right or permit such right to be exercised by any such assignee, lessee or transferee; provided that no such assignee, lessee or transferee shall be permitted to exercise the self-insurance rights of the Company set forth in Section 11 of this Article. The inclusion of specific references to obligations or rights of any such assignee, lessee or transferee in certain provisions of this Indenture shall not in any way prevent or diminish the application of the provisions of the two sentences immediately preceding with respect to obligations or rights in respect of which specific reference to any such assignee, lessee or transferee has not been made in this Indenture.

Section 28. Statement of Intention. The Loan Trustee, the Company and the Owner Trustee acknowledge that the intent of the provisions contained in this Article 15 is, following the termination of the Lease pursuant to Section 9(e), 9(f) or 20(b) thereof, to provide for the Loan Trustee to have rights similar to those enjoyed by the Owner Trustee under the Lease and for the Company to have rights similar to those enjoyed by it under the Lease. The Loan Trustee and the Company hereby agree that this Article 15 shall be construed and interpreted in a manner consistent with the intent expressed in this Section 28.

Section 29. Amendment of Exhibit to the Indenture. (a) Each Pass Through Equipment Note issued after the Relevant Date shall be issued in substantially the form set forth in Exhibit A to this Indenture as originally executed, provided that the following legend shall be affixed to each such Pass Through Equipment Note:

"Pursuant to Section 7.03 of the Trust Indenture and Security Agreement, American Airlines, Inc. has assumed all of the obligations of the Owner Trustee under the Trust Indenture and Security Agreement and this Pass Through Equipment Note except such obligations as could

necessarily be performed exclusively by an entity acting in the capacity of the Owner Trustee."

(b) Each Bank Equipment Note issued after the Relevant Date shall be issued in substantially the form set forth in Exhibit A-1 to this Indenture as originally executed, provided that the following legend shall be affixed to each such Bank Equipment Note:

"Pursuant to Section 7.03 of the Trust Indenture and Security Agreement, American Airlines, Inc. has assumed all of the obligations of the Owner Trustee under the Trust Indenture and Security Agreement and this Bank Equipment Note except such obligations as could necessarily be performed exclusively by an entity acting in the capacity of the Owner Trustee."

In lieu of issuing Equipment Notes with the appropriate legend as described in the immediately preceding sentence, at the option of the Loan Trustee or if requested by the Company, any Pass Through Equipment Note issued after the Relevant Date shall be substantially in the form set forth in Exhibit DA to this Indenture and any Bank Equipment Note issued after the Relevant Date shall be substantially in the form set forth in Exhibit DA-1 to this Indenture.

Section 30. General. Effective as of the Relevant Date the Company assumes on a full recourse basis all of the duties and obligations of the Owner Trustee under this Indenture and the Equipment Notes and shall be entitled to all the rights and benefits of the Owner Trustee hereunder and thereunder, in each case to the extent provided for in this Indenture, and the Owner Trustee is, effective upon the Relevant Date, released from all duties, obligations and rights under this Indenture and the Equipment Notes (other than any obligations or liabilities of the Owner Trustee in its individual capacity incurred on or prior to the Relevant Date or arising out of or based upon events occurring on or prior to the Relevant Date, which obligations and liabilities shall remain the responsibility of the Owner Trustee).

The Company confirms and ratifies the security interest which the Owner Trustee granted to the Loan Trustee pursuant to the Granting Clause of this Indenture in all of the Owner Trustee's right, title and interest in the Aircraft and its interest in the Purchase Agreement (to the extent assigned to the Owner Trustee pursuant to the Purchase Agreement Assignment) and the Company explicitly

agrees that the Company is acquiring the Aircraft subject to such security interest, which shall remain in full force and effect until this Indenture is discharged in accordance with the terms hereof, and the Loan Trustee acknowledges that the Lease and the obligations of the Company hereunder as Company have been terminated, except as specifically provided for therein, and each of the Company and the Loan Trustee hereby agree that the Granting Clause hereof shall, subject always to the provisions of Section 28 of Article 15 hereof, be deemed to have been modified mutatis mutandis.

If an Indenture Event of Default shall occur and be continuing, the unpaid principal amount of the Equipment Notes may be declared due and payable in the manner and with the effect provided in the Indenture. (a) the Company deposits or causes to be deposited irrevocably with the Loan Trustee, in trust, money or U.S. Government Obligations which through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay principal of, Make Whole Amount or Swap Breakage Loss, if any, as the case may be, and interest on the Outstanding Equipment Notes on the dates such payments are due in accordance with the terms of such Equipment Notes and (b) certain other conditions are satisfied, including the publication by the United States Internal Revenue Service of a ruling to the effect that the deposit and related defeasance would not cause the Loan Participants to recognize income, gain or loss for Federal income tax purposes.

As provided in the Indenture and subject to certain limitations therein set forth, this Pass Through Equipment Note is transferable, and upon surrender of this Pass Through Equipment Note for registration of transfer at the principal corporate trust office of the Registrar, or at the office or agency maintained for such purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by, the Loan Participant or its attorney duly authorized in writing, one or more new Pass Through Equipment Notes of the same maturity and type and of authorized denominations and for the same aggregate principal amount will be issued to the designated transferee or transferees.

The Pass Through Equipment Notes are issuable only as registered Equipment Notes. The Pass Through Equipment Notes are issuable in denominations of \$1,000 and integral multiples thereof except that one such Pass Through Equipment Note of each maturity does not need to be an integral multiple of \$1,000. The final installment of principal of this Bank Equipment Note shall under all circumstances equal the entire principal balance hereof outstanding on the Maturity Date.

As more fully provided in the Indenture, the Equipment Notes are subject to redemption, upon such notice and under the circumstances set forth in the Indenture, at the Redemption Price set forth for such circumstances therein.

If an Indenture Event of Default shall occur and be continuing, the unpaid principal amount of the Equipment Notes may be declared due and payable in the manner and with the effect provided in the Indenture. Upon an Indenture Event of Default the Loan Trustee may exercise one or more of the remedies in the Indenture. Such remedies include the right to repossess and use or operate the Aircraft and to sell or relet the Aircraft free and clear of the Company's rights and retain the proceeds.

The right of the Bank Lender to institute action for any remedy under the Indenture, including the enforcement of payment of any amount due hereon, is subject to certain restrictions specified in the Indenture.

The Company and the Loan Trustee will be discharged from their respective obligations in respect of the Equipment Notes (except for certain matters, including obligations to register the transfer or exchange of Equipment Notes, replace stolen, lost or mutilated Equipment Notes, maintain paying agencies and hold moneys for payment in trust), and the Loan Trustee may thereupon cause the release of the Indenture Estate from the lien of the Indenture, if (a) the Company deposits or causes to be deposited irrevocably with the Loan Trustee, in trust, money or U.S. Government Obligations which through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay principal of, Make-Whole Amount or Swap Breakage Loss, if any, as the case may be, and interest on the Outstanding Equipment Notes on the dates such payments are due in accordance with the terms of such Equipment Notes and (b) certain other conditions are satisfied, including the publication by the United States Internal Revenue Service of a ruling to the effect that the deposit and related defeasance would not cause the Loan Participants to recognize income, gain or loss for Federal income tax purposes.

As provided in the Indenture and in the Refunding Agreement and subject to certain limitations set forth herein and therein (including the limitations set forth in Section 10 of the Refunding Agreement), this Bank Equipment Note is transferable, and upon surrender of this Bank Equipment Note for registration of transfer at the principal corporate trust office of the Registrar, or at the office or agency maintained for such purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by, the Bank Lender or his attorney duly authorized in writing, one or more new Bank Equipment Notes of the same maturity and type and of authorized denominations and for the same aggregate principal amount will be issued to the designated transferee or transferees.

The Bank Equipment Notes are issuable only as registered Equipment Notes. The Bank Equipment Notes are issuable in denominations of not less than \$5,000,000 (or such lesser amount as shall constitute 100% of the aggregate unpaid principal amount of Bank Equipment Notes held by the Bank Lender holding such Bank Equipment Notes). As provided in the Indenture and subject to certain limitations set forth therein and in the Refunding Agreement, Bank Equipment Notes are exchangeable for an equal aggregate principal amount of Bank Equipment Notes of the same type, having the

same Maturity Date and of any authorized denominations or transferable upon surrender of the Bank Equipment Notes to be exchanged or transferred, as requested by the Bank Lender surrendering the same, upon presentation thereof for such purpose at the principal corporate trust office of the Registrar, or at any office or agency maintained for such purpose.

No service charge shall be made for any such registration of transfer or exchange, but the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment for registration of transfer of this Bank Equipment Note, the Loan Trustee, the Paying Agent, the Registrar and the Company may deem and treat the Bank Lender in whose name this Bank Equipment Note is registered as the absolute owner hereof for the purpose of receiving payment of the principal of and interest on this Bank Equipment Note and for all other purposes whatsoever whether or not this Bank Equipment Note be overdue, and neither the Loan Trustee, the Paying Agent, the Registrar nor the Company shall be affected by notice to the contrary.

(c) Prepayment of Certificates; Determination of Debt Rate. Each of the Loan Participants and the Owner Participant hereby agrees that, notwithstanding anything to the contrary contained in this Participation Agreement, the Lease, the Trust Indenture, the Certificates, or the Trust Agreement, without the prior written consent of the Lessee, the Owner Trustee shall not take any action with respect to the Certificates concerning the optional prepayment of such Certificates (except as provided in Section 2.13 of the Trust Indenture), or the selection of the Debt Rate to be borne at any time or from time to time by such Certificates, or the Interest Periods to be applicable to the calculation of interest on the Certificates. (New York City time) on the New York Business Day immediately preceding the beginning of the applicable Interest Period, in the case of a Short Period Rate Loan, specifying the duration of such Interest Period and whether the Debt Rate for such Interest Period shall be determined by reference to the LIBOR Rate or the Short Period Rate. The Indenture Trustee shall provide to each Loan Participant other than the Original Loan Participant a copy of any notice provided by the Lessee pursuant to the immediately preceding sentence promptly after receipt thereof. Notwithstanding the foregoing, the Lessee may only select a Short Period Rate (i) during any period, and from time to time during such period, in which the Lessee is in contemplation of a proposed prepayment of the Loan Certificates pursuant to Section 2.12 or 2.14 of the Trust Indenture (whether or not a notice of prepayment has been given pursuant to Section 2.12 or 2.14 of the Trust Indenture) or (ii) at any time when the selection of a LIBOR Rate would result in the succeeding Interest Period commencing on a day other than the second day of a calendar month. The Original Loan Participant (whether or not it at the time holds any Loan Certificates) shall provide to each of the Owner Participant, the Owner Trustee, each other Loan Participant, the Indenture Trustee and the Lessee an officer's certificate setting forth the applicable interest rate and the interest expected to accrue on the Loan Certificates during the applicable Interest Period promptly after the commencement of such Interest Period and, as soon as practicable prior to each Lease Period Date (but in no event later than 11:00 A.M. New York City time on the Business Day immediately preceding such Lease Period Date), shall provide such notification of the aggregate amount of interest that will be actually due and payable on the Loan Certificates on such Lease Period Date.

(P) Each of the Owner Participant and the Original Loan Participant shall have received a certificate signed by the chief financial or accounting officer, any Senior Vice President, the Treasurer, any Vice President, any Assistant Treasurer, the Secretary or any Assistant Secretary of the Lessee, dated the Delivery Date, certifying as to the correctness of each of the matters stated in paragraph (I) (except insofar as the same relate to the Owner Trustee, the Indenture Trustee, the Original Loan Participant or the Owner Participant) of this Section 4.

(Q) Each of the Lessee and the Original Loan Participant shall have received a certificate from the Owner Participant, dated the Delivery Date, signed by the President, any Senior Vice President or any Vice President of the Owner Participant, certifying that no Lessor's Liens attributable to the Owner Participant exist, and further certifying as to the correctness of each of the matters stated in clause (i) of paragraph (I) (insofar as the same relate to the Owner Participant) of this Section 4.

(R) Each of the Owner Participant, the Lessee and the Original Loan Participant shall have received a certificate from the Owner Trustee, dated the Delivery Date, signed by an authorized officer of the Owner Trustee, certifying that no Lessor's Liens attributable to the Owner Trustee exist, that Wilmington Trust Company has duly delivered to the Office of the Superintendent of the Banking Department of the State of New York an application for qualification under Section 131(3) of the New York Banking Law with respect to its functioning as Owner Trustee under the Trust Agreement, and further cer-

tifying as to the correctness of each of the matters stated in clause (i) of paragraph (I) (insofar as the same relate to the Owner Trustee in its individual capacity or as Owner Trustee) of this Section 4.

(S) The Owner Participant, the Owner Trustee, the Lessee and the Original Loan Participant shall have received a certificate from the Indenture Trustee, dated the Delivery Date, signed by an authorized officer of the Indenture Trustee, certifying that no Trustee's Liens exist, and further certifying as to the correctness of each of the matters stated in clause (i) of paragraph (I) (insofar as the same relate to the Indenture Trustee) of this Section 4.

(T) The Owner Participant shall have received from Sidley & Austin, special counsel to the Owner Participant, a favorable opinion, in form and substance satisfactory to the Owner Participant, with respect to certain Federal income tax aspects of the transactions contemplated by the Operative Documents.

(U) The Owner Participant shall have received an opinion, in form and substance reasonably satisfactory to the Owner Participant, from BK Associates, Inc., independent aircraft appraisers, or such other recognized aircraft appraiser selected by the Owner Participant, to the effect that (A) the Aircraft will have, at the end of the Term and the first Renewal Term, (i) at least 20% of its economic life remaining and (ii) a fair market value of at least 20% of Lessor's Cost (without taking into account any increase or decrease for inflation or deflation during the Term and the first Renewal Term); (B) the fair market value of the Aircraft on the Delivery Date is equal to Lessor's Cost; and (C) the Special Purchase Price, prior to any adjustment thereto, equals or exceeds a reasonable current estimate of the fair market value (taking into account a reasonable estimate for inflation and deflation) of the Aircraft as of July 2, 2012.

(V) The Original Loan Participant shall have received a copy of the opinion described in clause (U) above (provided that the Original Loan Participant shall have executed a written waiver satisfactory to the Owner Participant of any claim it may

have against the Owner Participant arising therefrom) and such opinion shall be in form and substance reasonably satisfactory to it.

(W) All appropriate action required to have been taken on or prior to the Delivery Date in connection with the transactions contemplated by this Participation Agreement and the other Operative Documents shall have been taken by the Federal Aviation Administration, or any governmental or political agency, subdivision or instrumentality of the United States, and all orders, permits, waivers, authorizations, exemptions and approvals of such entities required to be in effect on the Delivery Date in connection with the transactions contemplated by this Participation Agreement and the other Operative Documents shall have been issued, and all such orders, permits, waivers, authorizations, exemptions and approvals shall be in full force and effect on the Delivery Date.

(X) In the opinion of the Owner Participant and its special counsel, there shall have been since January 1, 1992, no amendment, modification, addition, or change in or to the provisions of the Code (including for this purpose, any non-Code provisions of legislation affecting the Code such as transition rules or effective date provisions) and the regulations promulgated under the Code (including temporary regulations), Internal Revenue Service Revenue Procedures or Revenue Rulings, or other administrative interpretations, applicable judicial precedents or Executive Orders of the President of the United States, as in effect on the date hereof, the effect of which might preclude the Owner Participant from obtaining any of the income tax benefits and consequences assumed to be available to the Owner Participant as set forth in Section 1 of the Tax Indemnity Agreement.

(Y) No action or proceeding shall have been instituted nor shall governmental action be threatened before any court or governmental agency, nor shall any order, judgment or decree have been issued or proposed to be issued by any court or governmental agency at the time of the Delivery Date to set aside, restrain, enjoin or prevent the completion and consummation of this Participation Agreement and the

other Operative Documents or the transactions contemplated hereby and thereby.

(Z) The Indenture Trustee, on behalf of the Original Loan Participant, shall have a duly perfected first priority security interest in the Indenture Estate, subject only to Permitted Liens (other than Lessor's Liens and Trustee's Liens).

Promptly upon the registration of the Aircraft and the recording of the Manufacturer's FAA Bill of Sale, the Manufacturer's Subsidiary's FAA Bill of Sale, the FAA Bill of Sale, the Lease (with the Lease Supplement covering the Aircraft, the Trust Indenture and the Trust Agreement and Indenture Supplement covering the Aircraft attached) and the Trust Indenture (with such Lease Supplement and such Trust Agreement and Indenture Supplement attached) pursuant to the Federal Aviation Act, the Lessee will cause Crowe & Dunlevy, P.C., special counsel in Oklahoma City, Oklahoma, to deliver to each Participant, the Owner Trustee, the Indenture Trustee and the Lessee an opinion as to the due registration of the Aircraft, and the due recording of such instruments and the lack of filing of any intervening documents with respect to the Aircraft.

SECTION 5. Postponement of Delivery Date. (a) In the event that (i) the Original Loan Participant shall for any reason fail or refuse to make the full amount of its Commitment for the Aircraft available to the Owner Trustee in accordance with the terms of Section 2 hereof, or (ii) the Owner Participant shall for any reason fail or refuse to make the full amount of its Commitment for the Aircraft available to the Owner Trustee in accordance with the terms of Section 2 hereof, the Owner Trustee will forthwith give each party hereto telex, facsimile or telegraphic notice of such default and the Delivery Date for the Aircraft will be postponed up to the fifth succeeding Business Day as the Lessee may direct (and the term "Delivery Date" as used in this Agreement shall thereafter mean such postponed "Delivery Date"); provided that such postponed Delivery Date shall not be a date later than June 30, 1992. During such period, the Lessee shall have the right to find another leasing or financial institution to be substituted for the non-participating Original Loan Participant or Owner Participant, as the case may be; provided that in either event the institution so substituted shall sign and deliver an agreement, in

form and substance satisfactory to the Lessee, by which it will assume the balance of the Commitment of the non-participating Original Loan Participant or Owner Participant, as the case may be. Upon the execution and delivery of such agreement, the institution so substituted shall become the Original Loan Participant or the Owner Participant, as the case may be, and shall be deemed substituted for the non-participating Participant, for all purposes of this Agreement, the Trust Agreement, the Trust Indenture, and the Lease and to have assumed all obligations of the non-participating Participant thereunder which accrue after the date of execution and delivery. No action by the Lessee under this Section 5(a) shall be deemed to constitute a waiver or release of any right which the Lessee may have against the defaulting Participant. In the event that the Lessee cannot find another institution to be substituted for the non-participating Participant within such five Business Day period, then, in such event (i) the Owner Trustee shall not accept delivery of the Aircraft and (ii) this Agreement, the Trust Agreement, the Trust Indenture, the Lease and the Purchase Agreement Assignment and the other Operative Documents shall terminate and be of no further force or effect except as expressly provided herein or therein.

(b) A scheduled Delivery Date for the Aircraft may be postponed from time to time for any reason (but no later than June 30, 1992), other than pursuant to Section 5(a) hereof, if the Lessee gives the Owner Participant, the Original Loan Participant, the Indenture Trustee and the Owner Trustee telex, telegraphic, facsimile or telephonic (confirmed in writing) notice of such postponement and notice of the date to which such Delivery Date has been postponed, such notice of postponement to be received by each party no later than 2:00 P.M., New York City time, on the originally scheduled Delivery Date (and the term "Delivery Date" as used in this Agreement shall thereafter mean such postponed "Delivery Date").

(c) In the event of any postponement of the Delivery Date pursuant to Section 5(a) or 5(b) hereof, or if on an originally scheduled Delivery Date not postponed as above provided the Aircraft is not delivered to the Lessor by 3:00 P.M. or, if delivered, is not accepted by the Owner Trustee for any reason, the Owner Trustee will return by 4:00 P.M. on such date, any funds which it shall have received from any Participant as its Commitment for the Aircraft, absent joint instruction from the Lessee

and such Participant to retain funds until the specified date of postponement established under Section 5(a) or 5(b).

(d) Notwithstanding the provisions of this Section 5, no Participant shall be under any obligation to make its Commitment available beyond 3:00 P.M., New York City time, on June 30, 1992.

SECTION 6. Extent of Interest of Loan Participants. A Loan Participant shall have no further interest in, or other right with respect to, the Indenture Estate when and if the principal of, premium, if any, and interest on all Certificates held by such Loan Participant and all other sums payable to such Loan Participant hereunder, under the Trust Indenture and under such Certificates shall have been paid in full. By acceptance of a Certificate, each Loan Participant agrees that it will look solely to the income and proceeds from the Indenture Estate to the extent available for distribution to such Loan Participant as provided in Section 2.05 of the Trust Indenture and that neither the Owner Participant nor the Owner Trustee shall be personally liable to such Loan Participant for any amounts payable under the Certificates, the Trust Indenture or hereunder, except as expressly provided in the Operative Documents.

SECTION 7. Lessee's Representations, Warranties and Indemnities. (a) In General. The Lessee represents and warrants that:

(i) the Lessee is a corporation duly organized and validly existing in good standing under the laws of the State of Delaware, is an "air carrier" within the meaning of the Federal Aviation Act, operating under certificates issued under Section 401 of such Act, is a "citizen of the United States" as defined in Section 101(16) of the Federal Aviation Act, and has the corporate power and authority to own or hold under lease its properties and to enter into and perform its obligations under the Operative Documents to which it is a party, and is duly qualified to do business as a foreign corporation in good standing in each state in which it has intrastate routes or has a principal office or a major overhaul facility, and its chief executive office (as such term is used in Article 9 of the Uniform Commercial Code as in effect

in the State of Texas) is located in Fort Worth, Texas;

(ii) the execution, delivery and performance of the Operative Documents to which the Lessee is a party have been duly authorized by all necessary corporate action on the part of the Lessee, do not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of the Lessee, and do not contravene any law, governmental rule, regulation or order binding on the Lessee or the Certificate of Incorporation or By-Laws of the Lessee or contravene the provisions of, or constitute a default under, or result in the creation of any Lien (other than as permitted under the Lease) upon the property of the Lessee or on the Aircraft under, any indenture, mortgage, contract or other agreement to which the Lessee is a party or by which it or any of its properties may be bound or affected;

(iii) neither the execution and delivery by the Lessee of the Operative Documents to which it is a party, nor the consummation of any of the transactions by the Lessee contemplated hereby or thereby, requires the consent or approval of, the giving of notice to, or the registration with, or the taking of any other action in respect of, the Department of Transportation, the Federal Aviation Administration, or any other Federal, state, local or foreign governmental authority or agency, other than the registration and filings referred to in Section 7(a)(viii);

(iv) this Agreement has been duly executed and delivered and constitutes, and each other Operative Document to which the Lessee is a party has been duly executed and delivered and constitutes, a legal, valid and binding obligation of the Lessee enforceable against the Lessee in accordance with its terms except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and by general principles of equity and except, in the case of the Lease, as limited by applicable laws which may affect the remedies provided in the Lease, which laws, however, do not make the remedies provided in the Lease inadequate for the practical

realization of the rights and benefits provided thereby;

(v) there are no pending or threatened actions or proceedings before any court, governmental authority or administrative agency or arbitrator which would materially adversely affect the consolidated financial condition of the Lessee and its consolidated subsidiaries, taken as a whole, or the ability of the Lessee to perform its obligations under the Operative Documents to which it is a party;

(vi) the Lessee and its subsidiaries have filed or caused to be filed all Federal, state, local and foreign tax returns which are required to be filed and have paid or caused to be paid all taxes shown to be due and payable on such returns or (except to the extent being contested in good faith and for the payment of which adequate reserves have been provided) on any assessment received by the Lessee or any of its subsidiaries, to the extent that such taxes have become due and payable; the Federal income tax liability, if any, of the Lessee has been determined by the Internal Revenue Service (or the statute of limitations has expired with respect to a redetermination of such liability) and (except to the extent being contested in good faith and for the payment of which adequate reserves have been provided) paid for all years prior to and including the fiscal year ended December 31, 1984; the Federal income tax returns of the Lessee for the fiscal years ended December 31, 1985 to December 31, 1990, inclusive, are subject to examination by the Internal Revenue Service;

(vii) the audited consolidated balance sheet of the Lessee and its subsidiaries as of the end of each of its last three fiscal years, and the related consolidated statements of operations and cash flows for the three fiscal years then ended, fairly present the consolidated financial position of the Lessee and its consolidated subsidiaries as at the end of each such fiscal year and the consolidated results of their operations and cash flows for each such fiscal year in accordance with generally accepted accounting principles applied on a consistent basis (except as may be noted in such financial statements); since December 31, 1991, there has been no material adverse

change in such consolidated financial position of the Lessee and its consolidated subsidiaries, taken as a whole;

(viii) except for the registration of the Aircraft, pursuant to the Federal Aviation Act, and except for the filing for recording pursuant to said Act of the Manufacturer's FAA Bill of Sale, the Manufacturer's Subsidiary's FAA Bill of Sale and the FAA Bill of Sale, the Lease (with the Lease Supplement covering the Aircraft, the Trust Indenture and the Trust Agreement and Indenture Supplement covering the Aircraft attached), the Trust Agreement and the Trust Indenture (with such Lease Supplement and such Trust Agreement and Indenture Supplement attached), no further action, including any filing or recording of any document (including any financing statement in respect thereof under Article 9 of the Uniform Commercial Code of any applicable jurisdiction), is necessary or advisable in order to establish and perfect the Owner Trustee's interest in the Aircraft as against the Lessee and any third parties (other than the filing of a financing statement in respect thereof under Article 9 of the Uniform Commercial Code as in effect in the State of Texas), or to perfect the security interest in the Owner Trustee's interest in the Aircraft created under the Trust Indenture in favor of the Indenture Trustee (with respect to such portion of the Aircraft as is covered by the recording system established by the Federal Aviation Administration pursuant to Section 503(a) of the Federal Aviation Act) and in the Lease (to the extent that the Lease does not constitute chattel paper as such term is defined in the Uniform Commercial Code) in any applicable jurisdiction in the United States;

(ix) the Lessee is not an investment company or a company controlled by an investment company within the meaning of the Investment Company Act of 1940, as amended;

(x) the Lessee is not in default in the performance of any term or condition of the Purchase Agreement which materially adversely impairs the transactions contemplated hereby;

(xi) none of the proceeds from the issuance of the Certificates or from the acquisition by the Owner Participant of its beneficial interest in the Trust Estate will be used directly or indirectly by the Lessee to purchase or carry any "margin stock" as such term is defined in Regulation G of the Board of Governors of the Federal Reserve System; and

(xii) the Lessee has not voluntarily subjected the Aircraft to any lease or mortgage, the existence of which has not been disclosed to the Lessor.

NOTWITHSTANDING ANYTHING CONTAINED HEREIN, IN THE PURCHASE AGREEMENT ASSIGNMENT, OR IN THE LEASE TO THE CONTRARY, EXCEPT TO THE EXTENT SPECIFICALLY PROVIDED IN THE WARRANTY BILL OF SALE REFERRED TO IN Section 4(E)(x), THE LESSEE DOES NOT MAKE NOR SHALL THE LESSEE BE DEEMED TO HAVE MADE, AND THE LESSEE HEREBY DISCLAIMS, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE WORKMANSHIP, DESIGN, PATENT INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR USE OF THE AIRCRAFT AS OF THE DELIVERY DATE. NOTHING CONTAINED IN THE PRECEDING SENTENCE SHALL BE INTERPRETED TO BE IN DEROGATION OF OR CONSTRUED TO LIMIT THE LESSEE'S INDEMNITY OBLIGATIONS HEREUNDER OR TO EXCUSE THE PERFORMANCE BY THE LESSEE OF ITS OBLIGATIONS UNDER THIS AGREEMENT, ANY OTHER OPERATIVE DOCUMENT OR THE BILLS OF SALE.

(b) General Indemnity. (1) Claims Defined. For the purposes of this Section 7(b), "Claims" shall mean any and all liabilities, obligations, losses, damages, penalties, claims, actions or suits of whatsoever kind and nature (whether or not on the basis of negligence, strict or absolute liability or liability in tort) which may be imposed on, incurred by, suffered by, or asserted against an Indemnitee, as defined herein, and, except as otherwise expressly provided in this Section 7(b), shall include all costs, disbursements and expenses (including reasonable legal fees and expenses) of an Indemnitee in connection therewith or related thereto.

(2) Indemnitee Defined. For the purposes of this Section 7(b), "Indemnitee" means the Owner Trustee (in both its individual capacity and as Owner Trustee), the Owner Participant (and, so long as the Owner Participant is a direct or indirect subsidiary of American Telephone and Telegraph Company, AT&T Capital Corporation, American Telephone and Telegraph Company and each Affiliate thereof), any Loan Participant, the Indenture Trustee

(in both its individual capacity and as Indenture Trustee), Credit (as defined in the Tax Indemnity Agreement) and their respective successors and permitted assigns, directors, officers, employees, agents and servants (the respective successors and permitted assigns, directors, officers, employees, agents and servants of (a) the Owner Trustee, together with the Owner Trustee, (b) the Owner Participant (and, if applicable, AT&T Capital Corporation, American Telephone and Telegraph Company and each Affiliate thereof), together with the Owner Participant (and, if applicable, AT&T Capital Corporation, American Telephone and Telegraph Company and each Affiliate thereof), (c) any Loan Participant, together with such Loan Participant, (d) the Indenture Trustee, together with the Indenture Trustee, and (e) Credit, together with Credit, being in each case referred to herein collectively as the "Related Indemnitee Group" for each such party).

(3) Claims Indemnified. Subject to the exclusions stated in subsection (4) below, whether or not any of the transactions contemplated hereby shall be consummated, the Lessee agrees to indemnify, protect, defend and hold harmless on an After-Tax Basis each Indemnitee against Claims in any way resulting from or arising out of (i) the Operative Documents or any sublease under the Lease or the enforcement of any of the terms thereof, or any amendment, modification or waiver in respect thereof or any of the transactions contemplated hereby or thereby, (ii) the purchase, acceptance or rejection of the Aircraft, the Airframe, any Engine, engine or Part (or any portion thereof) hereunder, (iii) the manufacture, design, purchase, resale, acceptance, non-acceptance or rejection of the Aircraft hereunder or under the Lease, (iv) the Aircraft, whether or not arising out of the ownership, delivery, non-delivery, lease, sublease, possession, use, non-use, substitution, airworthiness, state of airworthiness, control, maintenance, repair, operation, registration, condition, sale, storage, modification, alteration, return, transfer or other disposition of the Aircraft, the Airframe, any Engine, any engine installed on the Airframe or any Part (or portion thereof) (including, without limitation, latent or other defects, whether or not discoverable, strict tort liability, and any claim for patent, trademark or copyright infringement), (v) any breach of or failure to perform or observe, or any other non-compliance with, any covenant, condition or agreement or other obligations to be performed by the Lessee under any Operative Document or the falsity of any

representation or warranty of the Lessee in any of the Operative Documents, other than covenants, conditions, agreements, obligations, representations and warranties in the Tax Indemnity Agreement, or (vi) the offer, sale or delivery of any Certificates or any interest in the Trust Estate. Without limitation of the foregoing, the Lessee agrees to pay the reasonable ongoing fees, and the reasonable ongoing out-of-pocket costs and expenses (including, without limitation, reasonable attorney's fees and disbursements and, to the extent payable as provided in the Trust Indenture, reasonable compensation and expenses of the Indenture Trustee's agents), of the Owner Trustee and the Indenture Trustee in connection with the transactions contemplated by the Operative Documents.

(4) Claims Excluded. The following are excluded from the Lessee's agreement to indemnify any Indemnatee under this Section 7(b):

(i) Any Claim to the extent caused by acts or events occurring after the earlier of (x) the return of the Aircraft under the Lease (it being understood that the date of the placement of the Aircraft in storage as provided in Section 5(d) of the Lease constitutes the date of return of the Aircraft under the Lease), and (y) the expiration or earlier termination of the Lease under circumstances not requiring the return of the Aircraft, unless and to the extent such Claim is attributable to acts occurring in connection with the exercise of remedies pursuant to Section 15 of the Lease following the occurrence and continuance of an Event of Default thereunder;

(ii) Any Claim to the extent attributable to a Tax, or any Claim of the Owner Participant to the extent attributable to a Loss, whether or not Lessee is required to indemnify therefor under Section 7(c) of this Participation Agreement or the Tax Indemnity Agreement, provided that this Section 7(b)(4)(ii) shall not exclude the reasonable out-of-pocket costs, disbursements and expenses incurred with respect to Taxes for which the Lessee is required to indemnify under Section 7(c) of this Participation Agreement;

(iii) Any Claim to the extent caused by the gross negligence or willful misconduct of such Indemnatee or any of its Related Indemnatee Group (other than any gross negligence or willful misconduct imputed as

a matter of law to such Indemnatee solely by reason of its status as a party to any of the Operative Documents);

(iv) Any Claim to the extent caused by the noncompliance by such Indemnatee or any of its Related Indemnatee Group with any of the terms of, or any misrepresentation by such Indemnatee or any of its Related Indemnatee Group contained in, this Participation Agreement or any other Operative Document to which such Indemnatee or any of its Related Indemnatee Group is a party or any agreement relating hereto or thereto (except if such representation or warranty was based on an inaccurate representation or warranty of the Lessee);

(v) Any Claim that constitutes a Permitted Lien attributable to such Indemnatee;

(vi) Any Claim to the extent caused by the offer, sale or disposition (voluntary or involuntary) by or on behalf of such Indemnatee of any Certificates or any interest in the Trust Estate or the Trust Agreement, or any similar security, other than a transfer by such Indemnatee of its interests in the Aircraft pursuant to Section 9, 10, 15 or 20 of the Lease and any related provision of the Trust Indenture including, without limitation, Article IV thereof (it being understood that (1) the cancellation of any Loan Certificates in connection with a refinancing under Section 17 or 20 shall not constitute a disposition of Loan Certificates for purposes of this Section 7(b)(4)(vi) and (2) this Section 7(b)(4)(vi) shall not be construed to exclude a Claim against or incurred by the Original Loan Participant by a holder of a participation in the Original Loan Participant's Loan Certificates which arises as a result of a Claim against or incurred by such holder of a participation which would otherwise be an indemnified Claim (as defined in Section 7(b)(1) and not otherwise excluded pursuant to Section 7(b)(4)) if such Claim had been brought directly against or incurred directly by the Original Loan Participant; provided that the Lessee's liability hereunder with respect to any such Claim shall under no circumstances be any greater than such liability would have been had the Original Loan Participant not granted any such participation);

(vii) Any Claim to the extent caused by a failure on the part of the Owner Trustee to distribute in accordance with the Trust Agreement any amounts received and distributable by it thereunder;

(viii) Any Claim (other than to the extent any such Claim is brought against the Owner Participant or the Owner Trustee and the Related Indemnitee Group of such Indemnitee) to the extent caused by a failure on the part of the Indenture Trustee to distribute in accordance with the Trust Indenture any amounts received and distributable by it thereunder;

(ix) Any Claim to the extent caused by the authorization or giving or withholding by such Indemnitee of any future amendments, supplements, waivers or consents with respect to any of this Participation Agreement and the other Operative Documents, other than such as have been requested by or consented to by the Lessee, or such that occur as a result of an Event of Default that shall have occurred and is continuing, or such as are required or contemplated by (and, if contemplated by, in compliance with) the provisions of the Operative Documents in order to give effect thereto;

(x) Any Claim to the extent caused by an Indenture Default that does not also constitute an Event of Default under the Lease;

(xi) Any Claim that would not have arisen but for the appointment of a successor or an additional Owner Trustee without the consent of the Lessee;

(xii) Any Claim to the extent caused by the failure of a Person other than the Lessee to pay a cost, fee or expense payable by such Person in accordance with Section 9(a), 9(b), 9(c), 9(e), 9(f), 9(g), 9(j), 16(b), 16(c), or 18(b) hereof, or Section 5(d), 5(f), 9, 10, 11 or 25 of the Lease;

(xiii) Any Claim that is an ordinary and usual operating or overhead expense other than to the extent caused by (a) the occurrence of an Event of Default or an Event of Loss or (b) circumstances beyond the scope of routine portfolio administration (such routine portfolio administration to be deemed to include tax preparation and other normally oc-

curing administrative tasks but shall not include any administrative obligations of the Lessee under the Operative Documents performed by any Indemnitee);

(xiv) Any Claim to the extent that such Claim relates to amounts payable by the Owner Trustee to the Indenture Trustee in respect of the Break Amount, if any, payable with respect to the Certificates as a result of (x) any prepayment of the Certificates or purchase of the Certificates pursuant to Section 2.13 of the Trust Indenture as a result of an Indenture Default that does not also constitute an Event of Default or (y) an Indenture Default that does not also constitute an Event of Default; and

(xv) Any Claim made by American Telephone and Telegraph Company, AT&T Capital Corporation or any Affiliate of either thereof (other than the Owner Participant), to the extent that such Claim is based on losses suffered by or any decline in the net worth of the Owner Participant (but only to the extent that any such losses or decline in net worth are caused by events for which the Owner Participant is not indemnifiable by the Lessee under the Operative Documents).

A limitation on the Claims of one Indemnitee under this Section 7(b)(4) shall not provide a basis for limiting any Claim of any other Indemnitee.

(5) Insured Claims. In the case of any Claim indemnified by the Lessee hereunder which is covered by a policy of insurance maintained by the Lessee pursuant to Section 11 of the Lease, each Indemnitee agrees to cooperate, at the Lessee's expense, with the insurers in the exercise of their rights to investigate, defend or compromise such Claim as may be required to retain the benefits of such insurance with respect to such Claim.

(6) Claims Procedure. An Indemnitee shall promptly notify the Lessee of any Claim as to which indemnification is sought provided that the failure to provide such prompt notice shall not release the Lessee from any of its obligations to indemnify hereunder. Any amount payable to any Indemnitee pursuant to this Section 7(b) shall be paid within thirty days after receipt of a written demand therefor from such Indemnitee accompanied by a written statement describing in reasonable detail the

Claims which are the subject of and basis for such indemnity and the computation of the amount so payable. Subject to the rights of insurers under policies of insurance maintained pursuant to Section 11 of the Lease, so long as no Event of Default under Section 14(f), 14(g), 14(h) or 14(i) of the Lease shall have occurred and be continuing, the Lessee (at its sole cost and expense) shall have the right to investigate, and the right in its sole discretion to defend or compromise, any Claim for which indemnification is sought under this Section 7(b), and the Indemnitee shall cooperate, at the Lessee's expense, with all reasonable requests of the Lessee in connection therewith; provided, however, that so long as an Event of Default under Section 14(a) of the Lease has occurred and is continuing, such Indemnitee shall have the right, along with the concomitant right of the Lessee, to investigate, defend or compromise any such Claim. The Lessee will provide the Indemnitee with such information not within the control of such Indemnitee, as is in the Lessee's control or as reasonably available to the Lessee, which such Indemnitee may reasonably request and shall otherwise cooperate with such Indemnitee so as to enable such Indemnitee to fulfill its obligations under this Section 7(b)(6). Where the Lessee or the insurers under a policy of insurance maintained by the Lessee undertake the defense of an Indemnitee with respect to a Claim, and so long as the Lessee is entitled to control such defense, no additional legal fees or expenses of such Indemnitee in connection with the defense of such Claim shall be indemnified hereunder unless such fees or expenses were incurred at the request of the Lessee or such insurers; provided, however, that if (i) in the written opinion of counsel to such Indemnitee an actual or potential material conflict of interest exists where it is advisable for such Indemnitee to be represented by separate counsel or (ii) such Indemnitee has been indicted or otherwise charged in a criminal complaint and such Indemnitee informs the Lessee that such Indemnitee desires to be represented by separate counsel, the reasonable fees and expenses of any such separate counsel shall be borne by the Lessee. Subject to the requirements of any policy of insurance, an Indemnitee may participate at its own expense in any judicial proceeding controlled by the Lessee pursuant to the preceding provisions; provided that such party's participation does not, in the reasonable opinion of the independent counsel appointed by the Lessee or its insurers to conduct such proceedings, significantly interfere with such control; and such participation shall not constitute a waiver of

the indemnification provided in this Section 7(b). Notwithstanding anything to the contrary contained herein, (x) the Lessee shall not under any circumstances be liable for the fees and expenses of more than one counsel for each of (i) the Owner Participant and the Owner Trustee (and their respective successors and permitted assigns, agents and servants and other members of their respective Related Indemnitee Groups) and (ii) the Loan Participants and the Indenture Trustee (and their respective successors and permitted assigns, agents and servants) except in the case specified in the proviso to the third sentence of this paragraph (6) and (y) the Lessee shall not defend or compromise any Claim if such proceedings will involve a material risk of the sale, forfeiture or loss of, or the creation of any Lien (other than a Permitted Lien) on the Airframe, any Engine or any part of any thereof, or the Indenture Estate or the Trust Estate or any part of any thereof, unless the Lessee shall have provided security for Lessee's obligations under this Section 7(b) with respect to such Claim reasonably satisfactory to the relevant Indemnitees in respect to such risk.

(7) Subrogation. To the extent that a Claim indemnified by the Lessee under this Section 7(b) is in fact paid in full by the Lessee and/or an insurer under a policy of insurance maintained by the Lessee pursuant to Section 11 of the Lease, the Lessee and/or such insurer, as the case may be, shall be subrogated to the rights and remedies of the Indemnitee on whose behalf such Claim was paid (other than rights of such Indemnitee under insurance policies maintained at its own expense) with respect to the transaction or event giving rise to such Claim, except that the Lessee shall not be subrogated to any rights or remedies that the Owner Trustee may have against the Owner Participant under Section 7.01 of the Trust Agreement or that the Indenture Trustee may have against the Owner Trustee under Section 7.01 of the Trust Indenture. So long as no Event of Default (or event that with lapse of time would constitute an Event of Default under Section 14(a), 14(g), 14(h) or 14(i) of the Lease) shall have occurred and be continuing, should an Indemnitee receive any refund, in whole or in part, with respect to any Claim paid by the Lessee hereunder, it shall promptly pay the amount refunded (but not an amount in excess of the amount the Lessee or any of its insurers has paid in respect of such Claim) over to the Lessee. Moreover, if, by reason of any Claim that the Lessee has paid or indemnified against pursuant to this Section 7(b), an Indem-

nitee realizes an actual reduction in any Taxes that was not previously taken into account in computing a payment by the Lessee pursuant to this Section 7(b), then such Indemnatee shall promptly pay to the Lessee an amount equal to the actual net reduction in Taxes realized by such Indemnatee attributable thereto plus the actual reduction in Taxes realized by such Indemnatee as a result of any payment to the Lessee pursuant to this sentence. Each Indemnatee shall in good faith use reasonable diligence in filing its tax returns and in dealing with taxing authorities to seek and claim any tax benefits that would result in such net reductions in Taxes.

(8) No Guaranty. Nothing set forth in this Section 7(b) shall constitute a guarantee by the Lessee that the Aircraft shall have any particular useful life or residual value or a guarantee to the Indenture Trustee or the Loan Participants that the Certificates will be paid. Each of the Loan Participants agrees that the provisions of Section 2.18 of the Trust Indenture constitute its sole remedy for the reimbursement of Increased Costs described therein and that nothing in this Section 7(b) shall constitute an indemnity for any Increased Cost or any cost or loss in the nature of an Increased Cost.

(c) General Tax Indemnity. (1) Indemnity. Except as provided in Section 7(c)(2) hereof, the Lessee shall pay or indemnify and hold harmless on an After-Tax Basis each Tax Indemnatee from and against any and all fees (including without limitation license, documentation and registration fees) and all taxes, whether now existing or hereafter adopted (including, without limitation, income, gross receipts, sales, use, value-added, property (tangible and intangible), excise and stamp taxes), levies, imposts, duties, charges or withholdings, together with any penalties, fines or interest thereon or other additions thereto (hereinafter collectively called "Taxes" and individually called a "Tax") imposed against or payable by any Tax Indemnatee (including amounts so payable by any such Tax Indemnatee solely as withholding agent), the Lessee, any sublessee, sub-sublessee or other user of the Aircraft, any Engine, or any Part, or any Affiliate of any such user, or imposed against the Aircraft, any Engine or any Part, by any Federal, state or local government or other taxing authority in the United States or by any foreign government or by any territory or possession of the United States or by any international authority or by any political subdivision or taxing authority of any of

the foregoing (hereinafter, a "Taxing Authority") in connection with or relating to (a) the construction, mortgaging, financing, refinancing, purchase, acquisition, acceptance, rejection, delivery, nondelivery, transport, location, ownership, control, insurance, registration, reregistration, deregistration, assembly, possession, repossession, operation, use, condition, maintenance, repair, sale, return, abandonment, replacement, preparation, installation, storage, redelivery, manufacture, leasing, subleasing, modification, rebuilding, importation, transfer of title, transfer of registration, exportation or other application or disposition of, the Aircraft, any Engine or any Part or any interest in any thereof, (b) payments of Rent or the receipts, income or earnings arising therefrom or received with respect to the Aircraft, any Engine or any Part or any interest in any thereof or payable pursuant to the Lease, (c) any amount paid or payable pursuant to any Operative Document, (d) the Aircraft, any Engine or any Part or any interest in any thereof or the applicability of the Lease to the Aircraft, any Engine or any Part or any interest in any thereof, (e) any or all of the Operative Documents, any or all of the Certificates or any interest in any or all thereof, or the offering, registration, reregistration, issuance, acquisition, assumption, modification, reissuance, refinancing or refunding of any or all thereof, and any other documents contemplated hereby or thereby and amendments and supplements hereto and thereto, (f) the payment of the principal of, or interest or premium on, or other amounts payable with respect to, any or all of the Certificates, whether as originally issued or pursuant to any refinancing, refunding, assumption, modification or reissuance, or any other obligation evidencing any loan in replacement of the loan evidenced by any or all of the Certificates, (g) any change in the Owner Trustee or the situs of the Trust Estate made pursuant to Section 9(d) hereof, (h) the property, or the income, earnings, receipts or other proceeds received with respect to the property, held by the Indenture Trustee under the Trust Indenture or (i) otherwise with respect to or in connection with the transactions contemplated by the Operative Documents.

(2) Exclusions. The provisions of Section 7(c)(1) hereof shall not apply to:

(i) Taxes (other than Taxes in the nature of property, sales, use or rental Taxes) imposed on the

Owner Participant by the United States Federal government that are on, based on or measured by gross or net income or gross or net receipts of the Owner Participant or any related Tax Indemnitee (including any minimum Taxes and any Taxes on or measured by any items of tax preference) or that are franchise Taxes, Taxes on doing business or Taxes on, based on or measured by capital or net worth of the Owner Participant or any related Tax Indemnitee;

(ii) Taxes (other than Taxes in the nature of property, sales, use or rental Taxes) imposed on the Owner Participant by any state or local taxing jurisdiction in the United States ("State or Local Taxing Authority") that are on, based on or measured by net or gross income or net or gross receipts of the Owner Participant or any related Tax Indemnitee (including any minimum Taxes and any Taxes on or measured by any items of tax preference) or that are franchise Taxes, Taxes on doing business or Taxes on, based on or measured by capital or net worth of the Owner Participant or any related Tax Indemnitee, provided that there shall not be excluded under this clause (ii) any Taxes on, based on or measured by gross income or gross receipts imposed by any State or Local Taxing Authority to the extent such Taxes would have been imposed had the operation or presence of the Aircraft, any Engine, any Part or the Lessee in, or the Lessee's making payments under the Lease from, the jurisdiction imposing such Taxes been the sole connection between the Owner Participant (and any such related Tax Indemnitee) and such jurisdiction;

(iii) Taxes (other than Taxes in the nature of property, sales, use or rental Taxes) imposed on the Owner Participant by any taxing jurisdiction other than the United States Federal government and other than any State or Local Taxing Authority ("Foreign Taxing Authority") that are on, based on or measured by net or gross income or net or gross receipts of the Owner Participant or any related Tax Indemnitee (including any minimum Taxes, withholding Taxes and any Taxes on or measured by any items of tax preference) or that are franchise Taxes, Taxes on doing business or Taxes on, based on or measured by capital or net worth of the Owner Participant or any related Tax Indemnitee; provided that there shall not be excluded under this subparagraph (iii) any Taxes

imposed by any Foreign Taxing Authority if, and to the extent, such Taxes would have been imposed had the only connections between the Owner Participant (and any such related Tax Indemnitee) and such jurisdiction been (w) the operation or presence in such jurisdiction of the Aircraft, any Engine or any Part, (x) the operation or presence in such jurisdiction of any other items of transportation equipment usable in international commerce owned by the Owner Participant and leased to unrelated lessees in long term net leases, (y) the presence of the Lessee in, or the Lessee's making payments under the Lease from, such jurisdiction or (z) any combination of the preceding clauses (w), (x) and (y);

(iv) Taxes imposed on a Tax Indemnitee on or with respect to any transfer (other than any transfer that occurs as a result of an Event of Default that has occurred and is continuing or as a result of the substitution, replacement, modification, pooling or improvement of the Aircraft or any part thereof or interest therein, any Engine or any Part or pursuant to Section 8, 9, 10, or 20 of the Lease) (x) by such Tax Indemnitee or any Related Tax Indemnitee of any interest in the Aircraft, any Engine, any Part or any Certificate or any interest arising under the Operative Documents (for the avoidance of doubt, the assumption by the Lessee of the rights and obligations of the Owner Trustee under the Indenture and the Certificates pursuant to Section 2.16 of the Indenture shall not be considered a transfer described in this clause (x)) or (y) of any interest in such Tax Indemnitee or any Related Tax Indemnitee;

(v) Taxes imposed on a Tax Indemnitee to the extent of the excess of such Taxes over the amount of such Taxes that would have been imposed and indemnified against had there not been a transfer (other than any transfer that occurs as a result of an Event of Default that has occurred and is continuing) (x) by such Tax Indemnitee or any Related Tax Indemnitee of any interest in the Aircraft, any Engine, any Part or any Certificate or any interest arising under the Operative Documents (for the avoidance of doubt, the assumption by the Lessee of the rights and obligations of the Owner Trustee under the Indenture and the Certificates pursuant to Section 2.16 of the Indenture shall not be considered a transfer de-

scribed in this clause (x)) or (y) of any interest in such Tax Indemnatee or any Related Tax Indemnatee;

(vi) Taxes imposed on the Owner Trustee or the Indenture Trustee that are on, based on or measured by any trustee fees for services rendered by the Owner Trustee in its capacity as trustee under the Trust Agreement, or by the Indenture Trustee in its capacity as trustee under the Trust Indenture, as the case may be;

(vii) Taxes for so long as such Taxes are being contested in accordance with the provisions of Section 7(c)(4) hereof;

(viii) Taxes attributable to the Aircraft or any Engine that are imposed with respect to any period after the earlier of (x) the return of the Aircraft (or such Engine) under the Lease (it being understood that the date of the placement of the Aircraft in storage as provided in Section 5(d) of the Lease constitutes the date of return of the Aircraft and Engines under the Lease) and (y) the expiration or earlier termination of the Lease under circumstances not requiring the return of the Aircraft; provided that the exclusion set forth in this subparagraph (viii) shall not apply to Taxes to the extent such Taxes relate to events or conditions occurring or matters arising prior to or simultaneously with such time;

(ix) Taxes that would not have been imposed but for (A) in the case of Taxes imposed on or with respect to the Owner Trustee, the Trust Estate, the Owner Participant or any related Tax Indemnatee with respect to any of the foregoing, the existence of any Lessor's Liens, (B) in the case of Taxes imposed on or with respect to any Tax Indemnatee (other than Wilmington Trust Company or NationsBank of Georgia, National Association, their respective successors and assigns (including, without limitation, each and any Person who is at any time a replacement Owner Trustee or Indenture Trustee), their respective officers, directors, servants and agents and their respective Affiliates), any act or omission of such Tax Indemnatee or any Tax Indemnatee related to such Tax Indemnatee that is in violation of any of the terms of the Operative Documents, (C) in the case of Taxes

imposed on or with respect to any Tax Indemnitee, any act or omission of such Tax Indemnitee or any Tax Indemnitee related to such Tax Indemnitee that constitutes gross negligence or willful misconduct, or the inaccuracy of any representation, warranty or covenant by such Tax Indemnitee or such related Tax Indemnitee, but only if, in any such case described in the immediately preceding clause (B) or (C), such act, omission or inaccuracy is not a result in whole or in part of (I) any act or omission of the Lessee or any sublessee or Person (other than a Tax Indemnitee) that is a user of the Aircraft or any Engine or any Affiliate of any thereof or (II) the breach or inaccuracy of any representation, warranty or covenant of the Lessee or any Affiliate, or (D) in the case of Taxes imposed on or with respect to the Indenture Trustee, the Indenture Estate, any Loan Participant or any related Tax Indemnitee with respect to any of the foregoing, the existence of any Loan Participant Lien;

(x) Taxes imposed on any Tax Indemnitee (other than any Loan Participant, the Indenture Trustee or the Indenture Estate) to the extent such Taxes are increased (A) as a result of a change in the situs of the Trust Estate (other than a change at the Lessee's request or a change that is consented to by the Lessee in writing, which consent shall not unreasonably be withheld and the request for which shall have specified this subparagraph (x)) or (B) as a result of the unreasonable failure of the Owner Participant to comply or the gross negligence of the Owner Trustee in complying with the Lessee's request pursuant to Section 9(d) hereof to move the situs of the Trust Estate to another jurisdiction;

(xi) Taxes imposed on a Tax Indemnitee (other than the Indenture Trustee or the Indenture Estate) that would not have been imposed upon such Tax Indemnitee but for any failure of such Tax Indemnitee or any related Tax Indemnitee to comply with (x) certification, information, documentation, reporting or other similar requirements concerning the nationality, residence, identity or connection with the jurisdiction imposing such Taxes, if such Tax Indemnitee's or any related Tax Indemnitee's compliance is required by statute or by regulation of the jurisdiction imposing such Taxes as a precondition to relief

or exemption from such Taxes and the Tax Indemnitee or such related Tax Indemnitee was eligible for such relief or exemption or (y) any other certification, information, documentation, reporting or other similar requirements under the Tax laws or regulations of the jurisdiction imposing such Taxes that would establish entitlement to otherwise applicable relief or exemption from such Taxes, provided that the exclusion set forth in this subparagraph (xi) shall not apply if such failure to comply was due to a failure of the Lessee (A) timely to notify such Tax Indemnitee of such requirement or (B) to provide reasonable assistance in complying with such requirement or, in the case of the Owner Participant, if such failure was the result of the Owner Trustee's negligence or the Owner Trustee's actions or failure to act in accordance with instructions of the Owner Participant or, in the case of any Loan Participant, if such failure was the result of the Indenture Trustee's negligence or the Indenture Trustee's actions or failure to act in accordance with instructions of such Loan Participant;

(xii) Taxes imposed on any Tax Indemnitee other than any Loan Participant, the Indenture Trustee or the Indenture Estate in the nature of any intangible or similar tax upon or with respect to the value of the interest of the Owner Participant in the Trust Estate imposed by any government or taxing authority in which the Owner Participant is subject to tax without regard to the ownership or lease of the Aircraft;

(xiii) Taxes that would not have been imposed but for an amendment to any Operative Documents not consented to by the Lessee in writing (other than any amendment that occurs after an Event of Default has occurred and while it is continuing);

(xiv) Taxes imposed on the Owner Participant, the Owner Trustee or the Trust Estate by the United States or by any state or local government or taxing authority in the United States (including any territory or possession thereof) by reason of the trust described in the Trust Agreement being taxed in the same manner as a corporation;

(xv) Taxes (other than Taxes in the nature of property, sales, use or rental Taxes) imposed on any Loan Participant that are on, based on or measured by gross or net income or gross or net receipts of such Loan Participant or any related Tax Indemnitee (including any minimum Taxes and any Taxes on or measured by any items of tax preference) or that are franchise Taxes, Taxes on doing business or Taxes on, based on or measured by capital or net worth of such Loan Participant or any related Tax Indemnitee by (x) the Federal government of the United States or (y) any state or local government or taxing authority in the United States or any foreign government or any territory or possession of the United States or any international authority or any political subdivision or taxing authority of any of the foregoing except to the extent that such Taxes would have been due had the transactions contemplated by the Operative Documents been the sole connection between the jurisdiction imposing such Taxes and such Loan Participant, provided that there shall not be excluded under clause (x) or (y) of this subparagraph (xv) Taxes to the extent imposed by reason of such Loan Participant being treated as having a taxable exchange as a result of an assumption by the Lessee of the rights and obligations of the Owner Trustee under the Indenture and the Certificates pursuant to Section 2.16 of the Indenture; and

(xvi) Taxes imposed on any Loan Participant in the nature of any intangible or similar tax upon or with respect to the value of the interest of such Loan Participant in any Certificate or the loan evidenced thereby, except to the extent that such Taxes would have been due had the transactions contemplated by the Operative Documents been the sole connection between the jurisdiction imposing such Taxes and such Loan Participant.

(3) Tax Benefit Payback. If, by reason of the payment or accrual of any Taxes indemnified hereunder, a Tax Indemnitee realizes an actual reduction in any Taxes, which reduction in Taxes was not taken into account in calculating any indemnity payments made by the Lessee hereunder, then such Tax Indemnitee shall promptly pay to the Lessee an amount equal to such actual reduction in Taxes, if any, plus the actual reduction in Taxes realized by such Tax Indemnitee or any related Tax Indemnitee as

the result of any payment made by such Tax Indemnatee pursuant to this sentence. Each Tax Indemnatee shall in good faith use diligence in filing its tax returns and in dealing with Taxing Authorities to seek and claim any tax benefit that would result in any such reduction in Taxes or any refund of any Taxes payable or indemnifiable by the Lessee hereunder, provided that no Loan Participant shall have any obligation to claim any credit or any deduction in priority to any other claims, reliefs, credits or deductions available to it. Any Taxes that are imposed on any Tax Indemnatee as a result of the disallowance or reduction of any reduction in Taxes referred to in the second preceding sentence as to which (and to the extent) such Tax Indemnatee has made any payment to the Lessee required hereby shall be treated as a Tax for which the Lessee is obligated to indemnify such Tax Indemnatee pursuant to the provisions of this Section 7(c) without regard to the exclusions set forth in Section 7(c)(2). For the purposes of this Section 7(c)(3), items of foreign Tax of any Tax Indemnatee (other than any Loan Participant) shall be deemed to be utilized by such Tax Indemnatee as credits or deductions in any taxable year in accordance with the following:

- (i) First, all available foreign Taxes other than those arising out of leveraged lease transactions; and
  - (ii) Second, foreign Taxes arising from leveraged lease transactions for which such Tax Indemnatee was not indemnified or held harmless by anyone; and
  - (iii) Third, all available foreign Taxes for which such Tax Indemnatee was indemnified or held harmless by the Lessee and all other available foreign Taxes indemnified under any other leveraged lease transactions (other than those arising from any transaction in which there is an express agreement that such Taxes shall be utilized last), on a pari passu basis; and
  - (iv) Fourth, any remaining foreign Taxes arising from any transaction in which there is an express agreement that such Taxes shall be utilized after such Taxes described above.
- (4) Contests. If a written claim shall be made against any Tax Indemnatee for any Tax for which the

Lessee is obligated pursuant to this Section 7(c), such Tax Indemnatee shall notify the Lessee in writing promptly of such claim, provided that the Lessee shall not be relieved of its obligations hereunder by reason of a failure by the Tax Indemnatee to give such notice unless such failure materially interferes with or prevents the Lessee from exercising its contest rights hereunder. If the Lessee shall so request in writing within 30 days after receipt of such notice, such Tax Indemnatee shall in good faith at the Lessee's expense contest the imposition of such Tax (including taking an appeal of any adverse judicial decision) by (a) resisting payment of such Tax, (b) paying such Tax under protest or (c) paying such Tax and seeking a refund or other repayment thereof, provided that, at such Tax Indemnatee's option, such contest shall be conducted by the Lessee in the name of such Tax Indemnatee or, if permitted by law, in the name of the Lessee, and that in no event shall such Tax Indemnatee be required to contest, or the Lessee permitted to contest in the name of such Tax Indemnatee or the Lessee, the imposition of any Tax for which the Lessee is obligated pursuant to this Section 7(c) unless (v) the Lessee shall have delivered a written opinion of its internal counsel or outside counsel to the effect that there is a reasonable basis (consistent with Formal Opinion 85-352 of the American Bar Association) for contesting such claim, (w) if an Event of Default shall have occurred or be continuing, the Lessee shall have provided security for its obligations hereunder reasonably satisfactory to the Tax Indemnatee, (x) the Lessee shall have agreed to pay such Tax Indemnatee on demand all reasonable out-of-pocket costs and expenses that such Tax Indemnatee may incur in connection with contesting such claim (including, without limitation, all reasonable legal and accounting fees and disbursements), (y) the action to be taken will not result in any material danger of sale, forfeiture or loss of the Aircraft, Airframe, any Engine or any material Part or any interest in any thereof and (z) if such contest shall be conducted in a manner requiring the payment of the claim, the Lessee shall pay such claim or shall advance to the Tax Indemnatee on an interest-free basis and with no additional net after-tax cost to the Tax Indemnatee sufficient funds to pay the claim. Except as otherwise provided herein, the contest shall be conducted in the manner determined by the Lessee unless it involves issues with respect to which the Lessee would not be required to indemnify such Tax Indemnatee hereunder which can not be severed by reasonable efforts of such Tax Indemnatee from all issues with re-

spect to which the Lessee would be liable hereunder. If the contest involves issues with respect to which the Lessee would not be required to indemnify such Tax Indemnatee hereunder that can not be severed by reasonable efforts of such Tax Indemnatee from all issues with respect to which the Lessee would be liable hereunder, such Tax Indemnatee may in its sole discretion select the forum for such contest and determine the manner in which such contest shall be conducted, provided that such Tax Indemnatee shall afford the Lessee and its counsel a reasonable opportunity to discuss with such Tax Indemnatee the Lessee's interests with respect to such contest. No contest of any issue with respect to which the Lessee would be required to indemnify hereunder shall be settled without the prior written consent of the Lessee unless the Tax Indemnatee waives (by written notice to the Lessee) the payment by the Lessee of any amount that might otherwise be payable by the Lessee under this Section 7(c) in respect of such issue and any related issue the contest of which is effectively foreclosed by the settlement of such issue, including any payment arising from such issue in subsequent years or which arises by reason of the fact that such issue is of a continuing nature, and promptly pays to the Lessee any amount previously paid or advanced by the Lessee with respect to such issue or the contest of such issue, provided that if there has been an adverse judicial decision with respect to such issue or related issue the Tax Indemnatee, in determining whether it will terminate the contest of such issue, shall afford the Lessee and its counsel a reasonable opportunity to discuss with such Tax Indemnatee the Lessee's interests with respect to such contest. If any Tax Indemnatee shall obtain a refund of all or any part of any Tax paid by the Lessee or with funds provided by the Lessee, such Tax Indemnatee shall pay the Lessee, net of any payments theretofore due to such Tax Indemnatee pursuant to this Section 7(c) but unpaid and any other payments theretofore due to such Tax Indemnatee under any of the Operative Documents but unpaid, an amount equal to the amount of such refund, including interest received attributable thereto, reduced by any Taxes incurred by such Tax Indemnatee or a related Tax Indemnatee by reason of the receipt or accrual of such refund and interest, and increased by any tax benefit realized by such Tax Indemnatee or a related Tax Indemnatee as a result of any payment by such Tax Indemnatee made pursuant to this sentence.

(5) Reports. If any report, return or statement is required to be filed with respect to any Tax that is a property tax (or a tax in the nature of a property tax) subject to indemnification under this Section 7(c), the Lessee shall timely file the same (except for any such report, return or statement which the Tax Indemnitee has notified the Lessee that the Tax Indemnitee intends to file, provided that such Tax Indemnitee shall have furnished the Lessee, at the Lessee's request and expense, with such information, not within the control of the Lessee, as is in such Tax Indemnitee's control and is reasonably available to such Tax Indemnitee and reasonably necessary to file such returns. The Lessee shall either file such report, return or statement so as to show the ownership of the Aircraft in the Owner Trustee and send a copy of such report, return or statement to the Tax Indemnitee, and the Owner Trustee if the Tax Indemnitee is not the Owner Trustee, or, where the Lessee is not permitted to so file, shall notify the Tax Indemnitee of such requirement and prepare and deliver such report, return or statement to the Tax Indemnitee in a manner satisfactory to such Tax Indemnitee within a reasonable time prior to the time such report, return or statement is to be filed. The Lessee shall also furnish promptly upon written request such data in its possession or otherwise reasonably available to it as any Tax Indemnitee may reasonably request to enable such Tax Indemnitee to comply with the requirements of any Taxing Authority. The Lessee shall hold each Tax Indemnitee harmless from and against the penalties, additions to tax and fines arising from any insufficiency or inaccuracy in any such report, return or statement or fairly attributable to the inaccuracy of any data supplied to any Tax Indemnitee by the Lessee, without regard to whether such penalties, additions to tax and fines are otherwise indemnifiable under this Section 7(c). If any report, return or statement is required to be filed with respect to any Tax (other than a property tax or a tax in the nature of a property tax) subject to indemnification under this Section 7(c), the Lessee will promptly notify the appropriate Tax Indemnitee upon the Lessee's obtaining actual knowledge of such requirement. If the Lessee receives written notice from a Taxing Authority of a Tax that is imposed upon a Tax Indemnitee but not indemnified against by the Lessee hereunder, the Lessee will forward a copy of such notice to such Tax Indemnitee.

(6) Payment. The Lessee shall pay any Tax for which it is liable pursuant to this Section 7(c), directly to the appropriate taxing authority or upon demand of a Tax Indemnatee to such Tax Indemnatee, within 30 Business Days of a written demand, but in no event prior to the date such Tax is due (including all extensions), or, in the case of Taxes which are being contested, the time such contest is finally resolved. Any such demand shall specify in reasonable detail the calculation to the payment and the facts upon which the right to payment is based. Each Tax Indemnatee shall promptly forward to the Lessee any notice, bill or advice received by it concerning any Tax which the Lessee may be required to indemnify against hereunder. Upon the written request of an appropriate Tax Indemnatee, the Lessee shall furnish such Tax Indemnatee the original or a certified copy of a receipt (if any is available to the Lessee) for the Lessee's payment of any Tax that is subject to indemnification pursuant to this Section 7(c), or such other evidence of payment of such Tax as is acceptable to such Tax Indemnatee (and available to the Lessee).

(7) Application of Payments During Existence of Event of Default. Any amount payable to the Lessee pursuant to the terms of this Section 7(c) shall not be paid to the Lessee if at the time such payment would otherwise be made an Event of Default or event that with lapse of time would constitute an Event of Default under Section 14(a), 14(g), 14(h) or 14(i) of the Lease shall have occurred and be continuing but shall be held by the Tax Indemnatee as security for the obligations of the Lessee under the Operative Documents and, if the Lessor declares the Lease to be in default pursuant to Section 15 thereof (or the Lease is deemed to be declared in default), applied against the Lessee's obligations under the Operative Documents as and when due, provided that no such amount shall be held as security for more than 180 days unless the Lessor or the Indenture Trustee shall be precluded by law or court order from exercising remedies under Section 15 of the Lease. At such time as there shall not be continuing any such Event of Default or other event or such 180-day period shall have elapsed, such amount shall be paid to the Lessee to the extent not previously applied in accordance with the preceding sentence.

(8) Forms, Etc. Each Tax Indemnatee agrees to furnish from time to time to the Lessee or to such other person as the Lessee may designate, at the Lessee's re-

quest in writing and expense, such duly executed and properly completed forms as may be necessary or appropriate in order to claim any reduction of or exemption from any withholding or other Tax imposed by any Taxing Authority which the Lessee may be required to indemnify against hereunder, if (x) such reduction or exemption is available to such Tax Indemnitee and (y) the Lessee has provided such Tax Indemnitee with any information necessary to complete such form not otherwise reasonably available to such Tax Indemnitee.

(9) Non-Parties. If a Tax Indemnitee is not a party to this Agreement, the Lessee may require the Tax Indemnitee to agree in writing, in a form reasonably acceptable to the Lessee, to the terms of this Section 7(c) prior to making any payment to such Tax Indemnitee under this Section 7(c).

(10) Verification. At the Lessee's request, the amount of any indemnity payment by the Lessee pursuant to this Section 7 or any payment by a Tax Indemnitee to the Lessee pursuant to this Section 7 shall be verified and certified by either the independent public accounting firm that audits the financial statements of such Tax Indemnitee (provided that such firm shall have its headquarters in the United States) or another independent public accounting firm selected by such Tax Indemnitee and reasonably satisfactory to the Lessee, provided that, in the case of any Loan Participant, the amount of any payment by such Loan Participant to the Lessee pursuant to this Section 7 shall be verified and certified by the independent public accounting firm that audits the financial statements of such Loan Participant. The fee of such independent public accounting firm shall be paid by the Lessee unless such verification shall disclose an error in such Tax Indemnitee's favor exceeding 10% of the amount of such payment determined by the Tax Indemnitee, in which case such fee shall be paid by such Tax Indemnitee. The Lessee will have no right to examine the tax returns of the Tax Indemnitee in connection with the verification procedure described in this Section 7(c)(10); each Tax Indemnitee agrees to cooperate with the independent public accounting firm performing the verification and to supply such firm with all information reasonably necessary to permit it to accomplish such verification, provided that the information provided to such firm by such Tax Indemnitee shall be for its confidential use.

(11) Definition. For purposes of this Section 7(c), "Tax Indemnitee" shall mean the Owner Participant, the Owner Trustee, in its individual capacity and as trustee, the Trust Estate, each Loan Participant, the Indenture Trustee, in its individual capacity and as trustee, and the Indenture Estate, and any reference to a Tax Indemnitee, the Owner Participant, the Owner Trustee, the Trust Estate, any Loan Participant, the Indenture Trustee or the Indenture Estate shall include its respective successors, permitted assigns, officers, directors, agents, servants and Affiliates and shall also include any member of the Affiliated Group of which such Tax Indemnitee, the Owner Participant, the Owner Trustee, the Trust Estate, such Loan Participant, the Indenture Trustee, or the Indenture Estate, as the case may be, is a member. For purposes of this Section 7(c), "Related Tax Indemnitee" shall mean (i) with respect to each of the Owner Participant, the Owner Trustee and the Trust Estate, such other Tax Indemnitees, and (ii) with respect to any Loan Participant, the Indenture Trustee and the Indenture Estate, such other Tax Indemnitees.

(12) Subrogation. Upon payment of any Tax by the Lessee pursuant to this Section 7(c) to or on behalf of a Tax Indemnitee, the Lessee, without any further action, shall be subrogated (unless a court of competent jurisdiction shall have entered a final judgment ordering the return of such payment to the Lessee) to any claims that such Tax Indemnitee may have relating thereto other than claims in respect of insurance policies maintained by such Tax Indemnitee at its own expense. Such Tax Indemnitee shall give such further reasonable assurances or agreements and cooperate with the Lessee to permit the Lessee to pursue such claims; provided that the Lessee shall reimburse such Tax Indemnitee for all reasonable out-of-pocket costs associated with such assurances, agreements or cooperation.

(d) Survival. The representations, warranties, indemnities and agreements of the Lessee provided for in this Section 7 and the Lessee's obligations under any and all thereof, and the obligations of any Indemnitee or Tax Indemnitee under this Section 7, shall survive the Owner Participant's and the Original Loan Participants making of their respective Commitments, the delivery of the Aircraft and the expiration or other termination of the Operative Documents.

(e) Payments; Interest. Any payments made pursuant to this Section 7 directly to an Indemnitee or a Tax Indemnitee or to the Lessee, as the case may be, shall be made in immediately available funds at such bank or to such account as is specified by the payee in written directions to the payor or, if no such directions shall have been given, by certified check of the payor payable to the order of the payee and mailed to the payee by certified mail, return receipt requested, postage prepaid to its address referred to in Section 15(c) of this Agreement (or, in the case of an Indemnitee or Tax Indemnitee that is not a party to this Agreement, to such address as shall have been furnished by it in writing to the Lessee). To the extent permitted by applicable law, interest at the Overdue Rate shall be paid, on demand, on any amount or indemnity not paid when due pursuant to this Section 7 until the same shall be paid. Such interest shall be paid in the same manner as the unpaid amount in respect of which such interest is due.

(f) Effect of Other Indemnities. ## SECTION 9. Certain Covenants. (a) The Owner

Participant agrees promptly to pay or, if previously paid by the Lessee, to reimburse the Lessee for, (x) the initial fees of the Owner Trustee and the Indenture Trustee in connection with the transactions contemplated hereby and (y) all the reasonable out-of-pocket costs and expenses incurred by the Indenture Trustee, the Owner Trustee, the Owner Participant and the Original Loan Participant in connection with the negotiation, preparation, execution and delivery of this Agreement, the other Operative Documents and any other documents or instruments referred to herein or therein, including, without limitation,

(ii) the reasonable fees, expenses and disbursements of Sidley & Austin, special counsel for the Owner Participant;

(iii) the reasonable fees, expenses and disbursements of Debevoise & Plimpton, special counsel for the Lessee, and the fees and expenses of Babcock & Brown, the Lessee's financial advisor, in amounts separately agreed; and

(iv) all other reasonable expenses incurred in connection with such actions and transactions, including, without limitation, the fees and expenses of one (but only one) aircraft appraiser in respect of the appraisal referred to in Section 4, printing and document production or reproduction expenses and all fees, taxes and other charges payable in connection with the recording or filing of the instruments and financing statements described in this Agreement.

Each of the Owner Trustee, the Lessee, the Original Loan Participant and the Indenture Trustee shall promptly submit to the Owner Participant copies of the invoices in respect of the foregoing transaction costs as they are received, and in all events not later than Decem-

ber 31, 1992. The Owner Participant prior to the payment thereof will send copies of any invoices received by it with respect to any of the foregoing fees, expenses and disbursements constituting transaction costs to the Lessee for the Lessee's review and approval, such approval not to be unreasonably withheld or delayed.

In the event that the transactions contemplated by this Agreement and the agreements referred to herein are not consummated, the Lessee shall bear and pay all costs, expenses and fees referred to above; provided that if the transaction fails to be consummated as a result of failure of the Owner Participant to act in good faith in consummating the transactions, or to fulfill its funding obligations or otherwise to comply with the terms hereof or thereof, the Owner Participant shall bear and pay its own fees, costs and expenses (including, without limitation, the fees and expenses of its special counsel), and the Lessee shall pay all other reasonable fees, costs and expenses as aforesaid.

(b) The Owner Participant covenants that if (i) it ceases to be a "citizen of the United States" within the meaning of Section 101(16) of the Federal Aviation Act and (ii) either (A) the Aircraft shall or would thereupon become ineligible for registration in the name of the Owner Trustee under the Federal Aviation Act as in effect at such time, or under the law of the current jurisdiction of registry of the Aircraft, as the case may be, and the regulations then applicable thereunder, or (B) the Aircraft is registered in a jurisdiction other than the United States in circumstances in which clause (A) does not apply and the Lessee at any time proposes to register the Aircraft within four months in any jurisdiction to which clause (A) would apply upon such reregistration, then the Owner Participant at its own expense shall promptly (and, in any event, within a period of 30 days) either transfer, pursuant to Article VIII of the Trust Agreement and Section 16(c) hereof, such of its right, title and interest in and to the Trust Agreement, the Trust Estate, and this Agreement, or take such other action, as may be necessary to prevent any deregistration of the Aircraft or to make possible its registration in the United States. Each party hereto agrees to take such steps, at the Owner Participant's expense, as the Owner Participant shall reasonably request in order to assist the Owner Participant in complying with its obligations under this Section 9(b). The Owner Participant hereby

agrees to indemnify the Lessee, the Indenture Trustee and each Loan Participant against any and all losses, liabilities and expenses incurred by the Lessee, the Indenture Trustee or any Loan Participant to the extent that any such losses, liabilities or expenses are caused by the Aircraft's so becoming ineligible or ceasing to remain eligible for such registration.

(c) The Owner Trustee in its individual capacity covenants that if at any time it shall cease to be a "citizen of the United States" within the meaning of Section 101(16) of the Federal Aviation Act, it will resign immediately as Owner Trustee (if and so long as such citizenship is necessary under the Federal Aviation Act, or the law of the current jurisdiction of the registry of the Aircraft, as the case may be, as in effect at such time or, if it is not necessary, if and so long as the Owner Trustee's citizenship (in its individual capacity) would have any adverse effect on the Lessee or any Loan Participant). The Owner Trustee in its individual capacity hereby unconditionally agrees with and for the benefit of the parties to this Agreement that the Owner Trustee in its individual capacity will not directly or indirectly create, incur, assume or suffer to exist any Lessor's Liens on or against any part of the Trust Estate, the Indenture Estate or the Aircraft arising out of any act or omission of or claim against or affecting the Owner Trustee in its individual capacity, and the Owner Trustee in its individual capacity agrees that it will at its own cost and expense promptly take such action as may be necessary to duly discharge and satisfy in full (i) all Lessor's Liens attributable to the Owner Trustee in its individual capacity and (ii) any other Liens attributable to the Owner Trustee in its individual capacity on any part of the Trust Estate or the Indenture Estate which result from claims against the Owner Trustee in its individual capacity not related to the ownership of the Aircraft, the administration of the Trust Estate or the Indenture Estate or the transactions contemplated by the Operative Documents. The Owner Trustee, in its individual capacity, hereby agrees to indemnify and hold harmless the Lessee, the Indenture Trustee and each Participant from and against any loss, cost or expense (including reasonable legal fees and expenses) which may be suffered or incurred by any of them as a result of the failure of the Owner Trustee to discharge and satisfy any such Lessor's Lien or other lien or encumbrance.

(d) Each of the Owner Participant and the Owner Trustee (in its individual capacity and as Owner Trustee) agrees with the Lessee, the Indenture Trustee and each Loan Participant that it will comply with all of the terms of the Trust Agreement (as the same may hereafter be amended or supplemented from time to time in accordance with the terms thereof) applicable to it in its respective capacity, the noncompliance with which would adversely affect any such party and shall not take any action, or cause any action to be taken, which would amend, modify or supplement any provision of the Trust Agreement in a manner adversely affecting any such party without the prior written consent of such party, which consent shall not be unreasonably withheld. The Owner Trustee confirms for the benefit of the Lessee, the Indenture Trustee and each Loan Participant that it will comply with the provisions of Article IV of the Trust Agreement. The Owner Participant agrees not to terminate or revoke the trust created by the Trust Agreement without the prior written consent of the Lessee and (so long as the Trust Indenture shall not have been discharged) the Indenture Trustee and the Loan Participant, which consent shall not be unreasonably withheld. The Owner Participant further agrees not to remove the institution acting as Owner Trustee, and not to replace the institution acting as Owner Trustee in the event that such institution resigns as Owner Trustee, unless the Owner Participant shall have consulted in good faith with the Lessee, the Indenture Trustee and the Original Loan Participant prior to such removal or replacement as to the identity, location and fee schedules of the proposed successor trustee, provided that (i) the Owner Participant shall retain the right, notwithstanding any such consultation, to act in its sole discretion (provided that the Owner Participant shall not choose a replacement Owner Trustee which, in the good faith opinion of the Lessee, may result in additional liability to the Lessee pursuant to Section 7(c) hereof, except in the case of a mandatory or voluntary resignation of the Owner Trustee where the Lessee has not proposed an alternative Owner Trustee which is reasonably satisfactory to the Owner Participant) and (ii) no such consultation shall be required if an Event of Default shall have occurred and be continuing. So long as no Event of Default shall occur and be continuing, the Owner Trustee and the Owner Participant agree that no co-trustee or separate trustee

shall be appointed pursuant to Section 9.02 of the Trust Agreement without the Lessee's and the Original Loan Participant's prior written consent, such consent not to be unreasonably withheld. The Owner Participant agrees that if, at any time, so long as no Event of Default has occurred and is continuing, the Lessee certifies that the Lessee has, or in the good faith opinion of the Lessee will, become obligated to pay an amount pursuant to Section 7(c) hereof and the amount that has or will become payable would be reduced or eliminated if the situs of the Trust Estate were changed and if, as a consequence thereof, the Lessee should request that the situs of the trust be moved to another state in the United States from the state in which it is then located, the Owner Participant shall direct such change in situs of the Trust Estate as may be specified in writing by the Lessee and the Owner Participant will take whatever action as may be reasonably necessary to accomplish such change; provided that the Lessee shall provide such additional indemnification for Taxes imposed by the jurisdiction to which the Trust Estate is to be moved as the Owner Participant may reasonably request. The Indenture Trustee shall execute such documents and take such action as may be necessary to effect such change in the situs of the Trust Estate; provided that the Lien created by the Indenture shall continue to be perfected.

(e) So long as no Event of Default has occurred and is continuing, the Owner Trustee shall promptly pay to the Lessee any amounts received by it in respect of Break Funding Gain under Section 2.17 of the Trust Indenture (other than any Break Funding Gain payable with respect to the Certificates as a result of (A) any prepayment of the Certificates or purchase of the Certificates pursuant to Section 2.13 of the Trust Indenture as a result of an Indenture Default that does not also constitute an Event of Default or (B) an Indenture Default that does not also constitute an Event of Default, it being agreed that any such Break Funding Gain shall be for the account of the Owner Participant); provided that if any such amount has been so held by the Owner Trustee as security for more than 90 days after an Event of Default shall have occurred and during which period (x) the Owner Trustee shall not have been limited by operation of law or otherwise from exercising remedies under the Lease or (y) the Owner Trustee shall not have commenced to exercise any remedy available to it under Section 15 of the Lease, then the

Owner Trustee shall promptly pay such amount to the Lessee.

(f) The Owner Participant agrees that, in the event of the termination of the Lease pursuant to Section 9 thereof, the Owner Participant will pay any fees and commissions of any broker or finder appointed by the Owner Trustee or the Owner Participant, or any fees and commissions payable to the Lessee pursuant to such Section 9, in connection with the sale of the Aircraft. In addition, the Owner Participant agrees to pay or cause to be paid to the Owner Trustee such amounts as may be necessary to enable the Owner Trustee to pay any amounts to the Lessee pursuant to Section 9 or 15 of the Lease as a rebate of any Basic Rent theretofore paid under the Lease.

(g) Each Loan Participant hereby unconditionally agrees to perform its respective obligations under the Trust Indenture (including, without limitation, those contained in Sections 2.17 and 2.18 of the Trust Indenture) as though such obligations were fully set forth herein.

(h) The Owner Trustee, in its capacity as Owner Trustee, will not incur any indebtedness for money borrowed, or enter into any business or other activity, except as contemplated hereby and by the other Operative Documents.

(i) The Indenture Trustee in its individual capacity hereby unconditionally agrees with and for the benefit of the parties to this Agreement that the Indenture Trustee in its individual capacity or as Indenture Trustee will not directly or indirectly create, incur, assume or suffer to exist any Liens on or against any part of the Trust Estate, the Indenture Estate or Aircraft arising out of any act or omission of or claim against the Indenture Trustee in its individual capacity, and the Indenture Trustee in its individual capacity agrees that it will at its own cost and expense promptly take such action as may be necessary duly to discharge and satisfy in full (i) all such Liens attributable to the Indenture Trustee in its individual capacity and (ii) any other liens or encumbrances attributable to the Indenture Trustee in its individual capacity on any part of the Trust Estate or the Indenture Estate which result from claims against the Indenture Trustee in its individual capacity not related to the administration of the Indenture Estate. The Indenture Trustee hereby agrees to indemnify and hold

harmless the Lessee, the Owner Trustee and each Participant from and against any loss, cost or expense (including reasonable legal fees and expenses) which may be suffered or incurred by any of them as a result of the failure of the Indenture Trustee to discharge and satisfy any such Lien or such other lien or encumbrance.

(j) The Owner Trustee agrees that any profit, income, interest, dividend or gain realized upon the maturity, sale or other disposition of any Permitted Investment made by the Indenture Trustee pursuant to Section 3.07(b) of the Trust Indenture, and paid to the Lessee on behalf of the Owner Trustee by the Indenture Trustee in accordance with the terms of such Section 3.07(b), shall be entirely for the account of, and the sole property of, the Lessee who, for such purposes, shall not be deemed to be acting as agent of the Owner Trustee, and the Lessee shall have no obligation to pay over such income, interest, dividend or gain to the Owner Trustee.

(k) Each of the Indenture Trustee and each Loan Participant, by its acceptance of a Certificate, hereby irrevocably agree, to the maximum extent permitted by law, that, in any case in which any Person (other than the Lessee alone) is the debtor or one of the debtors under the Bankruptcy Code, each of the Indenture Trustee and each Loan Participant shall be deemed to have made a timely election pursuant to Section 1111(b)(1)(A)(i) of the Bankruptcy Code (or any substantively comparable provision which is the successor thereto) as to the Indenture Estate (which is acknowledged and agreed not to include Excepted Property).

(l) [intentionally omitted].

(m) Each of the Owner Participant and the Owner Trustee hereby agrees, for the benefit of the Lessee, to cooperate with the Lessee in effecting any foreign registration of the Aircraft pursuant to Section 7(a)(i) of the Lease; provided that prior to any such change in the country of registry of the Aircraft (other than a change in the country of registry that results in the registration of the Aircraft under the laws of the United States of America), the Owner Participant, the Owner Trustee,

the Indenture Trustee and the Loan Participants shall have received from counsel to the Lessee reasonably satisfactory to the Owner Participant, the Owner Trustee, the Indenture Trustee and the Loan Participants an opinion to the effect that (i) the terms of any relevant sublease and the Lease are legal, valid, binding and enforceable in such country to substantially the same extent as such documents are at that time enforceable in the United States, (ii) there is no statutory, regulatory or case law in such country imposing tort liability on the owner of an aircraft not in possession thereof, or on a lender providing funds for the purchase of an aircraft, under the laws of such country other than tort liability no more extensive or onerous than that which might have been imposed on such an owner or lender under the laws of the United States or any state thereof (it being understood that, in the event such opinion cannot be given in a form satisfactory to the Owner Participant, such opinion shall be waived if insurance reasonably satisfactory to the Owner Participant is provided by the Lessee to cover the risk of such liability), (iii) such re-registration will not result in the imposition by such country of any Taxes on the Owner Trustee, the Owner Participant, the Indenture Trustee or any Loan Participant for which the Lessee is not required to indemnify the Owner Participant, the Owner Trustee, the Indenture Trustee or any Loan Participant, as the case may be (provided that in lieu of the opinion referred to in this clause (iii) the Lessee may indemnify the Owner Participant, the Owner Trustee or the Loan Participants, as the case may be, for any Taxes imposed by such country in connection with or relating to the transactions contemplated by the Operative Documents which would not have been imposed but for such re-registration); (iv) there exist no possessory rights in favor of the Lessee or any sublessee under the laws of such country which would, upon bankruptcy of or other default by the Lessee or any sublessee, prevent the return of the Aircraft to the Owner Trustee in accordance with and when permitted by the terms of Sections 14 and 15(a) of the Lease upon the exercise by the Owner Trustee of its remedies under Section 15(a) of the Lease; (v) it is not necessary for the Owner Participant or the Owner Trustee to qualify to do business in such jurisdiction solely as a result of the proposed re-registration; (vi) the laws of such country require fair compensation by the government of such country for the loss of use of the Aircraft in the event of the requisition by such government of the Aircraft (unless the Lessee shall have provided contemporaneously with such re-registration insurance reasonably satisfactory to the Lessor and the Owner Participant covering the risk of requisition of use of the Aircraft by

the government of such country so long as the Aircraft is registered under the laws of such country); and (vii) the Lessee shall have paid or made provision for the payment of all expenses of the Owner Participant, the Owner Trustee and the Loan Participants in connection with such change in registration; and provided, further, that (x) the Owner Trustee, the Owner Participant and the Loan Participants shall have received prior to or contemporaneously with such re-registration (1) a certificate of insurance signed by an independent insurance broker to the effect that the Aircraft is and after such re-registration will continue to be insured in such country in accordance with the requirements of Section 11 of the Lease, (2) a certificate signed by a duly authorized officer of the Lessee stating that no Event of Default exists as of the date of such certificate and no Event of Default will occur or exist upon or resulting from such re-registration, (3) evidence and assurances reasonably satisfactory to such parties, that the aircraft and engine maintenance standards under the laws of such country of reregistration are substantially similar to those required by the central civil aviation authority of any of the United States, the United Kingdom, the Federal Republic of Germany, France, Canada or Japan, and (4) in the case of the Owner Participant only, assurances reasonably satisfactory to it that the currency of such country is freely convertible into U.S. Dollars (unless the Lessee shall have agreed to provide the requisition insurance described in clause (vi) above) and (y) the Lessee shall not cause the Aircraft to be registered pursuant to Section 7(a)(i) of the Lease under the laws of any foreign jurisdiction without the prior written consent of the Owner Participant if (1) the civil aviation laws of such foreign jurisdiction impose unusual requirements on registrants of civil aircraft, and (2) the Owner Participant would be required to comply with such unusual requirements upon the registration of the Aircraft in such foreign jurisdiction, and the Owner Participant's compliance therewith would result in a material burden on the Owner Participant's business activities.

(n) Each of the Indenture Trustee and each Loan Participant hereby agrees, subject to the terms of Section 7(m) hereof, for the benefit of the Lessee, to cooperate with the Lessee in effecting any foreign registration of the Aircraft pursuant to Section 7(a)(i) of the Lease.

(o) The Indenture Trustee hereby agrees to give the Lessee notice (the "Notice") not later than the date that is 5 Business Days prior to January 1 of each year in which the Indenture shall be in effect, commencing on December 24, 1992, whether (x) there are any undistributed funds held in either the Trust Estate or the Indenture Estate, except such funds as shall be invested in those types of obligations or evidences of debt as are described in Section 48-6-22(1), O.C.G.A., i.e., obligations or evidences of debt of the United States, including obligations of the United States government agencies and corporations established by acts of the Congress of the United States, and obligations or evidences of debt of the State of Georgia or its political subdivisions or public institutions, including industrial development revenue bonds issued pursuant to the laws of the State of Georgia, (y) there are receivables then due and owing to the Indenture Estate and unpaid, or (z) the Indenture Estate or the Indenture Trustee holds legal title to any intangible personal property not expressly contemplated by the Operative Documents other than intangible personal property which is exempt from taxation under the provisions of Section 48-6-22, O.C.G.A., and, if the Notice would on any date thereafter and prior to such January 1 be untrue, immediately to so notify the Lessee.

SECTION 11. Conditions Precedent to the Lessee's Obligations. (a) The Lessee's obligation to sell the Aircraft to the Owner Trustee and to lease the Aircraft on the Delivery Date is subject to the fulfillment to the satisfaction of the Lessee prior to or on the Delivery Date of the following conditions precedent, which fulfillment to the satisfaction of the Lessee shall be evidenced by acceptance of the Aircraft by the Lessee under the Lease:

(i) the documents referred to in clauses (i) through (xi) of Section 4(E) shall have been duly authorized, executed and delivered by the respective party or parties thereto (other than the Lessee), shall be in full force and effect and copies thereof shall have been delivered to the Lessee, and the Lessee shall have received such documents and evidence with respect to the Owner Participant, the Owner Trustee and the Indenture Trustee as the Lessee may reasonably request in order to establish the consummation of the transactions contemplated by this

Agreement, the taking of all corporate and other proceedings in connection therewith and compliance with the conditions herein or therein set forth;

(ii) the Owner Trustee shall have whatever title was conveyed to it by the Lessee pursuant to the Bills of Sale (subject to filing and recording of the Manufacturer's FAA Bill of Sale, the Manufacturer's Subsidiary's FAA Bill of Sale and the FAA Bill of Sale with the Federal Aviation Administration) to the Aircraft, free and clear of Liens, except Liens permitted by the terms of the Lease, the lien of, and security interest created by, the Trust Indenture and the beneficial interest of the Owner Participant created by the Trust Agreement and the Trust Agreement and Indenture Supplement covering the Aircraft, the rights of the Owner Trustee as registered owner with the Federal Aviation Administration and the rights of the Lessee under the Lease and the Lease Supplement covering the Aircraft;

(v) on the Delivery Date the representations and warranties of the Original Loan Participant, the Owner Participant and the Owner Trustee contained in Section 8 hereof and the representations and warranties of the Owner Trustee contained in Section 4 of the Lease shall be correct as though made on and as of such date, or if such representations and warranties relate solely to an earlier date, as of such earlier date, and each of such parties shall have so certified to the Lessee;

(vi) the Lessee shall have received each opinion referred to in paragraphs (K) through (O) of Section 4 (other than the opinion of King & Spalding, referred to in clause (M)(y) of Section 4), each such opinion addressed to the Lessee or accompanied by a letter from the counsel rendering such opinion authorizing the Lessee to rely on such opinion as if it were addressed to the Lessee, and the certificates referred to in paragraphs (Q), (R) and (S) of Section 4;

(vii) in the event of a Change in Tax Law which has occurred since the date of execution hereof, any proposed adjustment to the payments of Basic Rent pursuant to Section 3(e) of the Lease and Section 18 hereof shall not have resulted in an increase in the present value of all payments of Basic Rent which in Lessee's sole judgment shall have caused the transaction to be uneconomic; and

(viii) no change shall have occurred after the date of this Agreement in applicable law or regulations thereunder or interpretations thereof by appropriate regulatory authorities or any court that would make it illegal for the Lessee to enter into any transaction contemplated by the Operative Documents.

Notwithstanding any of the foregoing, the Lessee's performance under this Agreement shall not be subject to the satisfaction of any condition within its control or any condition which may have been satisfied by the performance of the Lessee hereunder.

(b) In the event that (i) the foregoing conditions precedent shall not have been fulfilled on or prior to the Delivery Date (or waived by the Lessee) as provided above, or (ii) either the Owner Participant or the Original Loan Participant shall not have delivered its Commitment to the Owner Trustee on the Delivery Date notwithstanding the satisfaction of the conditions (other than those within the control of the Owner Participant or the Original Loan Participant, as applicable) set forth in Section 4 hereof, if the Lessee so elects, this Agreement, the Lease, the Tax Indemnity Agreement and the Purchase Agreement Assignment shall thereupon terminate and be of no further force and effect, except to the extent other-

wise provided herein or therein. Promptly following the termination of this Agreement, the Lessee shall notify the other parties hereto in writing of such termination.

SECTION 12. Liabilities of the Owner Participant and the Loan Participants. Neither the Owner Participant nor any Loan Participant shall have any obligation or duty to the Lessee with respect to the transactions contemplated hereby except those obligations or duties expressly set forth in this Agreement or, in the case of the Owner Participant, the Tax Indemnity Agreement. Without limiting the generality of the foregoing, under no circumstances whatsoever shall the Owner Participant, as such, or any Loan Participant, as such, be liable to the Lessee for any action or inaction on the part of the Owner Trustee or the Indenture Trustee in connection with the Trust Indenture, the Trust Agreement, the Lease, the Aircraft, the administration of the Trust Estate or the Indenture Estate or otherwise, whether or not such action or inaction is caused by the willful misconduct or gross negligence of the Owner Trustee or the Indenture Trustee unless such action or inaction is at the direction of the Owner Participant (in the case of action or inaction on the part of the Owner Trustee) or such Loan Participant (in the case of action or inaction on the part of the Indenture Trustee).

SECTION 13. Certain Covenants of the Lessee. The Lessee covenants and agrees with the Owner Participant, each Loan Participant, the Indenture Trustee and the Owner Trustee as follows:

(A) Upon the delivery and acceptance of the Aircraft under the Lease, the Lessee will cause to be done, executed, acknowledged and delivered all and every such further acts, conveyances and assurances as the Owner Trustee, the Owner Participant, the Original Loan Participant or the Indenture Trustee shall require for accomplishing the purposes of this Agreement and the other Operative Documents. The Lessee forthwith upon delivery of the Aircraft under the Lease shall cause the Aircraft to be duly registered and at all times thereafter to remain duly registered, in the name of the Owner Trustee, except as otherwise required or permitted hereunder or under the Lease, under the Federal Aviation Act, or shall furnish to the Owner Trustee such information as may be required to enable the Owner Trustee to make

application for such registration, and shall promptly furnish to the Owner Trustee such information as may be required to enable the Owner Trustee to timely file any reports required to be filed by it as the Lessor under the Lease or as the owner of the Aircraft with any governmental authority because of the Owner Trustee's ownership of the Aircraft.

(B) The Lessee will cause the Manufacturer's FAA Bill of Sale, the Manufacturer's Subsidiary's FAA Bill of Sale, the FAA Bill of Sale, the Lease and the Lease Supplement covering the Aircraft, the Trust Agreement, the Trust Indenture and the Trust Agreement and Indenture Supplement covering the Aircraft to be promptly filed and recorded, or filed for recording, to the extent permitted under the Federal Aviation Act, and the rules and regulations of the Federal Aviation Administration thereunder, or required under any other applicable law. Upon the execution and delivery of the Manufacturer's FAA Bill of Sale, the Manufacturer's Subsidiary's FAA Bill of Sale, the FAA Bill of Sale, the Lease and the Lease Supplement covering the Aircraft, the Trust Agreement, the Trust Indenture and the Trust Agreement and Indenture Supplement covering the Aircraft shall be filed for recording with the Federal Aviation Administration in the following order of priority: first, the Manufacturer's FAA Bill of Sale, the Manufacturer's Subsidiary's FAA Bill of Sale and the FAA Bill of Sale, second, the Lease, to be effected by so filing the Lease with such Lease Supplement, the Trust Indenture and such Trust Agreement and Indenture Supplement attached thereto, and third, the Trust Indenture and the Trust Agreement, to be effected by so filing the Trust Indenture with such Trust Agreement and Indenture Supplement, such Lease Supplement and the Trust Agreement attached thereto. The Lessee shall, upon request from any of the parties hereto, provide photocopies of the file-stamped copies of all documents filed or recorded with the FAA.

(C) The Lessee will furnish to the Owner Trustee and the Indenture Trustee annually after the execution hereof (but not later than March 15th of each year), commencing with the year 1993, an opinion of Crowe & Dunlevy, P.C., or other counsel reasonably

acceptable to the Owner Trustee and the Indenture Trustee, stating either:

(i) that in the opinion of such counsel such action has been taken with respect to the recording, filing, re-recording and re-filing of the Lease, the Trust Indenture, the Trust Agreement and any supplements thereto, including any financing or continuation statements, and such other filings and recordings as is necessary to maintain, for the 15-month period succeeding the date of such opinion, the rights and interests of the Owner Trustee in and to the Aircraft, and, with respect to the Trust Indenture, the perfection of the security interests created thereby and reciting the details of such action; or

(ii) that in the opinion of such counsel no such action is necessary to maintain, for the 15-month period succeeding the date of such opinion, the perfection of such rights and interests and security interests.

(D) The Lessee shall at all times maintain its corporate existence except as permitted by Section 13(E) hereof. The Lessee will do or cause to be done all things necessary to preserve and keep in full force and effect its rights (charter and statutory) and franchises; provided, however, that the Lessee shall not be required to preserve any right or franchise if its Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Lessee. The Lessee shall, for so long as and to the extent required under Section 1110 of the Bankruptcy Code in order that the Owner Trustee and the Indenture Trustee be entitled to the benefits of Section 1110 of the Bankruptcy Code with respect to the right to repossess the Airframe, Engines and Parts as provided in the Lease, remain an "air carrier" within the meaning of Section 101(16) of the Federal Aviation Act.

(E) The Lessee shall not consolidate with or merge into any other corporation or convey, transfer or lease substantially all of its assets as an entirety to any Person, unless:

(i) the corporation formed by such consolidation or into which the Lessee is merged or the Person which acquires by conveyance, transfer or lease substantially all of the assets of the Lessee as an entirety shall be a corporation organized and existing under the laws of the United States of America or any State or the District of Columbia, shall be a "citizen of the United States" as defined in Section 101(16) of the Federal Aviation Act, and shall execute and deliver to the Owner Trustee, the Owner Participant, and the Indenture Trustee an agreement in form reasonably satisfactory to each thereof containing the assumption by such successor corporation of the due and punctual performance and observance of each covenant and condition of this Agreement, the Lease, the Purchase Agreement Assignment and the Tax Indemnity Agreement, and each other Operative Document to which the Lessee is a party, to be performed or observed by the Lessee;

(ii) immediately after giving effect to such transaction, no Event of Default under the Lease, and no event which, after notice or lapse of time, or both, would become such an Event of Default, shall have occurred and be continuing; and

(iii) the Lessee shall have delivered to the Owner Trustee, the Owner Participant and the Indenture Trustee a certificate signed by a Responsible Officer of the Lessee, and an opinion of counsel to the Lessee (which may be Lessee's General Counsel), each stating that such consolidation, merger, conveyance, transfer or lease and the assumption agreement mentioned in clause (i) comply with this Section 13(E) and that all conditions precedent herein provided for relating to such transaction have been complied with (except that such opinion need not cover the matters referred to in clause (ii) above and may rely, as to factual matters, on a certificate of an officer of the Lessee) and, in the case of such opinion, that such assumption agreement has been duly authorized, executed and delivered by such successor corporation and is enforceable against such successor corporation

in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and by general principles of equity.

Upon any consolidation or merger, or any conveyance, transfer or lease of substantially all of the assets of the Lessee as an entirety in accordance with this Section 13(E), the successor corporation formed by such consolidation or into which the Lessee is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Lessee under this Agreement and the other Operative Documents with the same effect as if such successor corporation had been named as the Lessee herein. No such conveyance, transfer or lease of substantially all of the assets of the Lessee as an entirety shall have the effect of releasing the Lessee or any successor corporation which shall theretofore have become such in the manner prescribed in this Section 13(E) from its liability hereunder. Nothing contained herein shall permit any lease, sublease or other arrangement for the use, operation or possession of the Aircraft except in compliance with the applicable provisions of the Lease.

(F) The provisions of the penultimate paragraph of Section 3(b) and Sections 3(c), 17 and 22 of the Lease are hereby incorporated by reference herein for the express benefit of each Loan Participant. The Lessee shall notify the Indenture Trustee and the Owner Trustee thirty days prior to any change in the location of the chief executive office of the Lessee. In the event the Aircraft is requisitioned for use by the Government pursuant to the Civil Reserve Air Fleet Program referred to in Section 7(b)(iv) of the Lease, the Lessee shall provide the Owner Trustee and the Indenture Trustee with the name and address of the Contracting Office Representative for the Military Airlift Command of the United States Air Force for notification as required under Section 15 of the Lease.

SECTION 14. Owner for Tax Purposes. It is hereby agreed among the Lessee, the Owner Trustee and the Owner Participant that for Federal income tax purposes

during the Term the Owner Participant will be the owner of the Aircraft and the Lessee will be the lessee thereof. Nothing contained in this Section 14 shall be construed to limit Lessee's use and operation of the Aircraft under the Lease or constitute a representation by the Lessee as to tax consequences.

## SECTION 16. Certain Covenants of the Owner Participant.

(a) The Owner Participant hereby agrees to notify the Lessee or cause the Lessee to be notified by telephone, telecopier or telegram not later than 1:00 p.m. New York City time, on the third Business Day prior to the Base Lease Commencement Date stating whether or not the Owner Participant intends to pay an amount equal to \$2,534,836.99 (the "Excess Payment Amount", subject to adjustment pursuant to the following paragraph) in full by 1:00 p.m., New York City time, on the Base Lease Commencement Date. The Owner Participant shall also have the right to reimburse the Lessee at any time for all or any portion of the Reimbursement Amount for which the Lessee has not received an offset pursuant to Section 3(f) of the Lease.

Although the amount of the Excess Payment Amount has been computed on the assumption that each Certificate will bear interest at the Assumed Debt Rate for such Certificate throughout the Interim Period, the Owner Participant and the Lessee recognize that the actual rate of interest on each Certificate may be a rate from time to time which may be greater or less than the Assumed Debt Rate for such Certificate and that the related basis upon which interest on the Certificates will be computed will be as provided in the Trust Indenture. Accordingly, the Excess Payment Amount shall be increased or decreased (but not below zero), as the case may be, by an amount (the "Excess Payment Differential Amount") equal to, as of the Base Lease Commencement Date, the difference between (i) the aggregate amount of interest actually due and payable on the Base Lease Commencement Date on the Certificates for the period from and including the Delivery Date to but excluding the Base Lease Commencement Date, determined as provided in the Trust Indenture, and (ii) the aggregate amount of interest on the Loan Certificates that would have been due and payable on the Base Lease Commencement Date if the outstanding principal amount of such Loan Certificates had borne interest at the Assumed Debt Rate for the period from and including the Delivery Date to but excluding the Base Lease Commencement Date. If, as of the Base Lease Commencement Date, the amount determined in accordance with clause (i) of the immediately preceding sentence shall be greater than the amount determined in accordance with clause (ii) of such sentence, the Excess Payment Amount shall be increased by the Excess Payment Differential Amount. If, as of the Base Lease Commence-

ment Date, the amount determined in accordance with such clause (ii) shall be greater than the amount determined in accordance with such clause (i), the Excess Payment Amount shall be decreased by the Excess Payment Differential Amount. The interest actually accruing with respect to the Certificates shall be as specified by the notification to be delivered by the Original Loan Participant (whether or not it at the time holds any Loan Certificates) to each of the Owner Participant, the Owner Trustee, each other Loan Participant, the Indenture Trustee and the Lessee as provided in Section 1(c) hereof.

(b) The Owner Participant hereby unconditionally agrees with and for the benefit of the other parties to this Agreement that the Owner Participant will not directly or indirectly create, incur, assume or suffer to exist any Lessor's Liens on or against any part of the Trust Estate or the Aircraft arising out of any act or omission of or claim against or affecting any part of the Trust Estate or the Aircraft arising out of any act or omission of or claim against the Owner Participant, and the Owner Participant agrees that it will, at its own cost and expense, take such action as may be necessary to duly discharge and satisfy in full any such Lessor's Lien (by bonding or otherwise, so long as Lessee's operation and use of the Aircraft is not impaired and the lien of the Indenture is not impaired). The Owner Participant hereby agrees to indemnify and hold harmless the Lessee, the Indenture Trustee and each Loan Participant against any loss, cost or expense (including reasonable legal fees and expenses) which may be suffered or incurred by any of them as the result of the failure of the Owner Participant to discharge and satisfy any such Lessor's Lien. In addition, the Owner Participant agrees to indemnify, protect, save and keep harmless each Loan Participant from and against any reduction in the amount payable out of the Indenture Estate to such Loan Participant in respect of the Certificates held by such Loan Participant or any other loss, cost or expenses (including reasonable legal fees and expenses) incurred by such Loan Participant, as a result of the imposition or enforcement of, or the Owner Participant's failure to satisfy, any Lessor's Lien or claim against the Indenture Estate by any taxing authority because of the nonpayment by the Owner Participant of any Taxes imposed on or measured by the net income or revenues of the Owner Participant or the Trust Estate that are not required to be indemnified against by the Lessee.

(c) The Owner Participant shall not directly or indirectly assign, convey or otherwise transfer any of its right, title or interest in and to all or any part of this Agreement, the Tax Indemnity Agreement, the Trust Agreement, the Trust Estate, the Indenture Estate, the Purchase Agreement Assignment, the Purchase Agreement or any of the other Operative Documents except that the Owner Participant may assign, convey or otherwise transfer all (but not less than all) thereof if:

(i) (A) the Person to whom such transfer is made (the "Transferee") is a "citizen of the United States" within the meaning of Section 101(16) of the Federal Aviation Act (without the utilization of a voting trust agreement, voting powers agreement or similar arrangement by the Transferee or any Affiliate thereof unless the Owner Participant obtains the consent of the Lessee, which consent shall not be unreasonably withheld), and has the requisite power, authority and legal right to enter into and carry out the transactions contemplated hereby; (B) such conveyance does not violate any provisions of the Federal Aviation Act, the Securities Act of 1933, as amended (and no registration pursuant to such Act or the rules and regulations thereunder shall be required in connection with such conveyance), or any other applicable law, or create a relationship which would be in violation thereof, or result in a "prohibited transaction" under ERISA or the Code; (C) the Transferee enters into an agreement or agreements, in form and substance reasonably satisfactory to the Lessee, the Owner Trustee and the Indenture Trustee (the "Assumption Agreement") for the benefit of the Lessee, the Owner Trustee, the Indenture Trustee and the Loan Participants, whereby the Transferee confirms that it shall be deemed a party to this Participation Agreement, the Trust Agreement, the Tax Indemnity Agreement and each other Operative Document to which the Owner Participant is a party, and the party named as the "Owner Participant" in the Trust Agreement, the Lease and the Trust Indenture and agrees to be bound by all of the terms of, and to undertake all of the obligations of the Owner Participant contained in, this Agreement, the Trust Agreement, the Tax Indemnity Agreement and each other Operative Document to which the Owner Participant is a party or by which the Owner Participant is bound, and in which the Transferee shall, as a precondition

to any such transfer, make representations and warranties substantially equivalent to those of the Owner Participant contained herein and, in the event such Transferee is a partnership, such additional documents and/or amendments to the Operative Documents (in form and substance reasonably satisfactory to the Lessee, the Owner Trustee and the Indenture Trustee) as the Lessee, the Owner Trustee or the Indenture Trustee may reasonably request; (D) after giving effect to such assignment, conveyance or transfer, there would be no more than one Owner Participant with respect to the Aircraft; (E) the Owner Participant shall deliver to the Owner Trustee, the Indenture Trustee (unless the lien of the Trust Indenture is discharged) and the Lessee an opinion of counsel (which shall be the general counsel of the Transferee or other counsel reasonably satisfactory to the Lessee and the Indenture Trustee), that the Assumption Agreement has been duly authorized, executed and delivered by the Transferee and is enforceable against such Transferee in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally or by general principles of equity; (F) the Owner Participant shall deliver to the Owner Trustee, the Indenture Trustee (unless the lien of the Trust Indenture is discharged) and the Lessee one or more certificates of a duly authorized officer of the transferor and if necessary transferee Owner Participant concerning, when taken together, all of the matters contained in clauses (A) and (D) of this paragraph (i) and (except in connection with any such assignment, transfer or conveyance to a direct or indirect wholly-owned subsidiary of American Telephone and Telegraph Company) an opinion delivered by counsel of the type referred to in clause (E) to the effect that such transfer complies with the provisions of clauses (A) (except as to citizenship), (B) and (D) of this paragraph (i); and (G) the transferor and/or transferee Owner Participant assumes by an instrument in form and substance reasonably satisfactory to the Lessee and the Indenture Trustee the risk of any adverse tax consequences to any Tax Indemnitee resulting from such conveyance; and

(ii) either (A) the Transferee is a bank or lending institution with a combined capital and

surplus of at least \$75,000,000, or is a corporation or domestic partnership with net worth of at least \$75,000,000, exclusive of goodwill, all of the foregoing determined in accordance with generally accepted accounting principles (hereinafter referred to as a "Qualifying Institution"), or (B) if the Transferee is not itself a Qualifying Institution, a parent corporation of the Transferee which qualifies as a Qualifying Institution shall have executed and delivered to the Owner Trustee, the Indenture Trustee (unless the lien of the Trust Indenture is discharged) and the Lessee an absolute and unconditional guaranty, in form and substance satisfactory to the Lessee and the Indenture Trustee, with respect to the obligations of the Transferee as the Owner Participant assumed by the Transferee under the Assumption Agreement referred to above, and the Transferee shall deliver to the Indenture Trustee (unless the lien of the Trust Indenture is discharged), the Owner Trustee and the Lessee an opinion of counsel (which shall be the general counsel of the Qualifying Institution providing such guaranty or other counsel reasonably satisfactory to the Lessee and the Indenture Trustee) that such guaranty is enforceable against the guarantor in accordance with its terms.

In the event that the Owner Participant is neither American Telephone and Telegraph Company, AT&T Credit Corporation nor any other Affiliate of American Telephone and Telegraph Company, any transfer by direct sale, consolidation, merger or otherwise of 50% or more of the capital stock of the Owner Participant (including, for this purpose, any such transfer of the capital stock of any one of its direct or indirect parent companies or other parent entities, other than its ultimate parent entity) (any such transfer being referred to as a "Change in Control") shall be deemed to be a conveyance by such Owner Participant of its interests in the transactions contemplated by this Agreement subject to this Section 16(c), and accordingly no such Change in Control shall take place without the Lessee's consent unless it satisfies the terms and conditions set forth in this Section 16(c), including without limitation those set forth in paragraphs (i) and (ii) above; provided that no such transfer of the capital stock of an Owner Participant that is American Telephone and Telegraph Company, AT&T Credit Corporation or any other Affiliate of American Telephone and Telegraph Company (or any of the direct or indirect

parent companies or other parent entities of any thereof) shall be prohibited by or subject to the terms of this Section 16(c). Notwithstanding the foregoing sentence, if (x) the obligations of such Owner Participant were guaranteed at the time such Owner Participant became the Owner Participant hereunder by a parent entity that was at such time a Qualifying Institution (the "Parent Guarantor"), and (y) following a Change in Control, the Transferee remains both a member of the controlled or consolidated group of companies of which the Parent Guarantor is a part and a subsidiary of the Parent Guarantor, such Transferee shall comply with the conditions set forth in paragraph (i) above, but shall not be required to satisfy the conditions set forth in paragraph (ii) above; provided that such guaranty of the Parent Guarantor is amended to remain in full force and effect in respect of the Transferee and the Transferee delivers to the Indenture Trustee (unless the lien of the Trust Indenture is discharged), the Owner Trustee and the Lessee an opinion of counsel (which shall be the general counsel of the Parent Guarantor or other counsel reasonably satisfactory to the Lessee) in form and substance satisfactory to the Lessee and the Owner Trustee as to the continued legality, validity and enforceability of such guaranty.

Notwithstanding the foregoing, so long as the Lease is in effect, there shall not be more than five transfers (not including any transfer to any Affiliate of American Telephone and Telegraph Company) by the Owner Participant (including its successors and permitted assigns) pursuant to this Section 16(c) without the prior written consent of the Lessee, such consent not to be unreasonably withheld. Any fees, charges and expenses incurred by the Owner Trustee, the Indenture Trustee or the Lessee in connection with any transfer pursuant to this Section 16(c), including, without limitation the out-of-pocket expenses of the Lessee and reasonable legal fees and expenses, will be paid by the transferring Owner Participant and in no case will the Lessee be responsible for any such fees, charges or expenses. Without the consent of the Lessee, no transfer shall be permitted pursuant to this Section 16(c) to a Transferee that is (i) an airline or other commercial operator of aircraft that is a competitor of the Lessee or any of its Affiliates or (ii) a corporation or other entity that is an Affiliate of any such airline or other commercial operator of aircraft.

Upon any such conveyance by the Owner Participant to a Transferee permitted by this Section 16(c), the Transferee shall be deemed the "Owner Participant" for all purposes hereof (unless the context is inappropriate) and shall be deemed to have made all the investments in beneficial ownership of the Aircraft previously made by the Owner Participant in respect of the right, title and interest so conveyed; and each reference in this Agreement, the Trust Agreement, the Lease, the Tax Indemnity Agreement, the Trust Indenture and the other Operative Documents to the Owner Participant making the transfer shall thereafter be deemed a reference to the Transferee as the Owner Participant (unless the context is inappropriate). Upon any such conveyance by the Owner Participant to a Transferee permitted by the foregoing provisions of this Section 16(c), the transferor Owner Participant shall be relieved of all of its liabilities and obligations hereunder and under the Trust Agreement to the extent of the interest so transferred, provided that in no event will any such conveyance release the transferor Owner Participant from any liability to the extent caused by any breach existing at the time of such conveyance by the Owner Participant of any of its representations, warranties, covenants or obligations contained herein or in the Trust Agreement. If the Owner Participant proposes to transfer its interests pursuant to this Section 16(c), it shall give 20 days' (or, in the case of a transfer where the Transferee is an Affiliate of the Owner Participant making the transfer, 10 days') prior written notice thereof to the Owner Trustee, the Indenture Trustee and the Lessee, specifying the name and address of the transferee and specifying the facts necessary to determine whether the conditions of this Section 16(c) have been or shall be satisfied.

SECTION 17. Optional Redemption of Certificates. (a) So long as no Event of Default shall have occurred and be continuing, the Lessee shall have the right to request the Owner Participant and the Owner Trustee to effect an optional redemption of all of the Certificates (the "Outstanding Certificates") (such term to include the Certificates originally issued under the Trust Indenture and any refunding indebtedness issued pursuant to this Section 17 or Section 20) pursuant to the Trust Indenture as part of a refunding or refinancing operation. Promptly on receipt of such request, the Owner Participant will negotiate promptly in good faith to conclude an agreement

with the Lessee as to the terms of such refunding or refinancing operation and upon such agreement:

(i) the Lessee, the Owner Participant, the Indenture Trustee, the Owner Trustee, and any other appropriate parties will enter into a financing or loan agreement (which may involve an underwriting agreement in connection with a public offering; provided, however, that in the case of a refunding or refinancing involving a public offering of debt securities, the Lessee shall have the right to purchase such debt securities and apply such debt securities as a credit against its obligations to pay Rent to the extent permitted by the Tax Indemnity Agreement) providing for (x) the issuance and sale by the Owner Trustee or such other party as may be appropriate to such institution or institutions on the date specified in such agreement (for the purposes of this Section 17, the "Refunding Date") of United States Dollar-denominated debt securities in an aggregate principal amount equal to the sum of the principal amount of the Outstanding Certificates on the Refunding Date and, subject to clause (w) of Section 17(a)(ii), all interest accrued thereon to the Refunding Date and (y) the application of the proceeds of the sale of such debt securities to the redemption of all such Certificates on the Refunding Date;

(ii) the Lessee and the Owner Trustee will amend the Lease such that (w) if the Refunding Date is not a Lease Period Date, the Lessee shall on the Refunding Date prepay that portion of the next succeeding installment of Basic Rent as shall equal the aggregate interest accrued on the Outstanding Certificates to the Refunding Date in the event that such interest is not financed through the issuance of debt securities on the Refunding Date (provided that if the Refunding Date occurs on or prior to the Base Lease Commencement Date, the Owner Participant may, pursuant to Section 16(a) hereof on the Refunding Date prepay the Excess Payment Amount), (x) Basic Rent payable in respect of the period from and after the Refunding Date shall be recalculated to preserve the Owner Participant's Net Economic Return (or, in the case of any recalculation hereunder subsequent to any Section 20 Refinancing, the Owner Participant's Revised Net Economic Return), (y) amounts payable in

respect of Stipulated Loss Value and Termination Value from and after the Refunding Date shall be appropriately recalculated to preserve the Owner Participant's Net Economic Return (or, in the case of any recalculation hereunder subsequent to the Section 20 Refinancing, the Owner Participant's Revised Net Economic Return) and (z) the Special Purchase Price and the Special Purchase Option Date shall be recalculated as provided in Section 18;

(iii) the Owner Trustee will enter into an agreement to provide for the securing thereunder of the debt securities issued by the Owner Trustee pursuant to clause (a) of this Section 17 in like manner as the Certificates issuable under the Trust Indenture and/or will enter into such amendments and supplements to the Trust Indenture as may be necessary to effect such refunding or refinancing, provided that no such amendment or supplement will materially increase the liabilities of or impair the rights of the Owner Participant under the Operative Documents without the consent of the Owner Participant; and

(iv) unless otherwise agreed by the Owner Participant, the Lessee shall pay as Supplemental Rent on an After-Tax Basis all reasonable fees, costs, and expenses of such refunding or refinancing;

provided, however, that (w) there shall be no more than two such refundings or refinancings (not including the Section 20 Refinancing), (x) if within 15 days after receipt of a request from the Lessee to effect a refunding or refinancing pursuant to this Section 17, which request specifies the proposed structural terms and the amount thereof, the Owner Participant provides the Lessee with a written notice to the effect that there will be a risk of adverse tax consequences to the Owner Participant resulting from the refunding or refinancing and, if then requested by the Lessee in writing, within 15 days after receipt of such request, the Owner Participant provides the Lessee with a written opinion of independent tax counsel selected by the Owner Participant and reasonably acceptable to the Lessee to the effect that there will be a risk of such adverse tax consequences to the Owner Participant resulting from the refunding or refinancing (other than the consequence that the refinanced loan constitutes "qualified nonrecourse indebtedness" within

the meaning of Temporary Regulations Section 1.861-10T(b) for the purpose of the computation of the FSC Benefits (as defined in the Tax Indemnity Agreement)), then the Owner Trustee and the Owner Participant shall be required to effect such refunding or refinancing only if the Lessee shall have agreed to indemnify the Owner Participant against such identified adverse tax consequences in a manner reasonably satisfactory to the Owner Participant; provided, however, the parties agree that in the absence of a change in applicable laws, regulations, revenue rulings, revenue procedures or judicial precedents enacted, adopted or decided after the Delivery Date, a refinancing or refunding will not be deemed for this purpose to result in a risk of the Owner Participant not being considered the owner of the Aircraft, Airframe, any Engine or any Part for Federal or other income tax purposes, (y) no such refinancing or refunding shall require an increase in the amount of the Owner Participant's investment in the beneficial ownership of the Aircraft or shall cause the ratio of the newly issued debt to the Owner Participant's then outstanding investment in the Aircraft to be more than 4 to 1 and (z) except with respect to matters relating to taxes, no such refunding or refinancing will materially increase the liabilities of or impair the rights of the Owner Participant. In addition, if any such refunding or refinancing occurs after the Section 20 Refinancing, neither the refunding or refinancing, nor any related adjustment of Basic Rent, shall increase or decrease the periodic FASB 13 earnings of the Owner Participant for any calendar year in the period (if any) from the date of such refunding or refinancing to December 31, 1998 each by an amount greater than 10% of the amount of earnings expected for each such calendar year immediately prior to such refunding or refinancing.

(b) The Certificates, and any other debt instruments issued in connection with any refunding or refinancing operation permitted by this Section 17, shall not be subject to optional redemption by the Owner Trustee without the consent of the Lessee (except as provided in Section 2.13 of the Trust Indenture).

SECTION 18. Calculation of Adjustments to Basic Rent, Stipulated Loss Value, Termination Value, etc.; Confirmation and Verification.  
(a) Calculation of Adjustments. In the event that (A) the expenses paid by the Owner Participant pursuant to Section 9(a) hereof (except for any expenses paid or payable to any financial advisor

to the Owner Participant) and such other expenses as the Lessee shall expressly agree in writing shall be deemed to be "Transaction Costs" (collectively, the "Transaction Costs") are less or more than 1.0% of Lessor's Cost, or (B) prior to the acceptance of the Aircraft on the Delivery Date: (1) there shall have occurred a Change in Tax Law and (2) after having been advised in writing by the Owner Participant of such Change in Tax Law and the proposed adjustment to the payments of Basic Rent resulting therefrom, Lessee shall have waived its right under Section 11 hereof to decline to proceed with the transaction, or (C) a refinancing or refunding as contemplated by Section 17 hereof occurs (it being understood that if the Refunding Date occurs on or prior to the Base Lease Commencement Date, any recalculations pursuant to this clause (C) shall take into account any prepayment by the Owner Participant on such Refunding Date of the Excess Payment Amount pursuant to Section 16(a) hereof under clause (w) of Section 17(a)(ii) hereof or under clause (w) of Section 20(a)(ii) hereof), or (D) the Delivery Date is other than June 17, 1992, or (E) if the Certificates are not refunded or refinanced on or prior to the Base Lease Commencement Date, the Excess Payment Amount (after adjustment for any Excess Payment Differential Amount) is other than \$2,534,836.99, then, in each case, the Owner Participant shall recalculate the payments of Basic Rent and Stipulated Loss Values, Termination Values and the Excess Payment Amount with respect to the Term (i) to preserve the Owner Participant's Net Economic Return (or, in the case of any recalculation hereunder subsequent to the Section 20 Refinancing, the Owner Participant's Revised Net Economic Return) and (ii) to minimize to the greatest extent possible, consistent with the foregoing clause (i), the present value (discounted semiannually at an interest rate per annum to be supplied by the Lessee) of the payments of Basic Rent. In addition, in the event of a refinancing or refunding referred to in clause (C) of the preceding sentence, the Special Purchase Price Percentage and the Special Purchase Option Date shall be recalculated in a manner consistent with the procedures specified in the second sentence of Section 20(c). In performing any such recalculations, the Owner Participant shall utilize the same methods and assumptions originally used to calculate the payments of Basic Rent, Stipulated Loss Values, Termination Values and Special Purchase Price Percentage with respect to the Term (or, in the case of any recalculation hereunder subsequent to the Section 20 Refinancing, the same methods and assumptions originally used by

the original Owner Participant in the calculation of the alternate schedules referred to in the definition of the Owner Participant's Revised Net Economic Return and the Special Purchase Price Percentage and held in escrow by Sidley & Austin pursuant to Section 18(d)) (in each case as such assumptions may be changed as a result of the event described in clause (A), (B), (C) or (D) of the second preceding sentence necessitating such recalculation or due to the prior occurrence of any such event or the prior occurrence of the Section 20 Refinancing); provided that, Basic Rent, as so recomputed, shall comply with the requirements of Sections 4.02(5) and 4.07(1) of Revenue Procedure 75-28, 1975-1 C.B. 752, and shall not present a greater risk that Section 467(b)(2) of the Code would apply than the risk that Section 467(b)(2) applied prior to such recomputation, it being agreed that the requirements of clause (i) of Section 5.01 of Rev. Proc. 75-21, 1975-1 C.B. 715, shall be applied on a prospective basis.

(b) Confirmation and Verification. Upon completion of any recalculation described above in Section 18(a), a duly authorized officer of the Owner Participant shall provide a certificate to the Lessee either (x) stating that the payments of Basic Rent, Stipulated Loss Values and Termination Values with respect to the Term and, in the case of the second sentence of Section 18(a), the Special Purchase Price Percentage as are then applicable do not require change, or (y) setting forth such adjustments to the payments of Basic Rent, Stipulated Loss Values or Termination Values with respect to the Term and, in the case of the second sentence of Section 18(a), the Special Purchase Price Percentage as have been calculated by the Owner Participant in accordance with Section 18(a) above and Section 3(e) of the Lease. Such certificate shall describe in reasonable detail the basis for any such adjustments. If the Lessee shall so request, the recalculation of any such adjustments described in this Section 18 shall be verified by a nationally recognized firm of independent public accountants jointly selected by the Lessee and the Owner Participant (provided that such firm of independent public accountants shall not be regularly retained by either the Lessee or the Owner Participant). A representative of such firm shall be shown, on a confidential basis, the original assumptions used by the Owner Participant and held in escrow by Sidley & Austin pursuant to Section 18(d) and the methods used by the Owner Participant in the original calculation of, and any recalculation of,

Basic Rent, Stipulated Loss Values and Termination Values and, in the case of the second sentence of Section 18(a), the Special Purchase Price Percentage (or, in the case of any recalculation hereunder subsequent to the Section 20 Refinancing, the same methods and assumptions originally used by the original Owner Participant in the calculation of the alternate schedules referred to in the definition of the Owner Participant's Revised Net Economic Return and the Special Purchase Price Percentage held in escrow by Sidley & Austin pursuant to Section 18(d)). The reasonable costs of such verification shall be borne by the Lessee, unless as a result of such verification process the payments of Basic Rent are adjusted and such adjustment causes (i) the present value of the payments of Basic Rent, discounted semi-annually at the Assumed Debt Rate, to decline by five basis points or more from the present value of the payments of Basic Rent, discounted semi-annually at the Assumed Debt Rate, certified by the Owner Participant pursuant to this Section 18(b) or (ii) any Stipulated Loss Value or Termination Value percentage or, in the case of the second sentence of Section 18(a), the Special Purchase Price Percentage, to be significantly below that certified by the Owner Participant pursuant to this Section 18(b), in which case the Owner Participant shall be responsible for the reasonable costs of such verification. In connection with any adjustment pursuant to this Section 18 or Section 20, the Owner Participant, the Lessee, the Owner Trustee and the Indenture Trustee shall enter into an appropriately revised Rent Schedule.

(c) Payment of Debt Service. No adjustment may be made to the payments of Basic Rent or to Stipulated Loss Values or Termination Values with respect to the Term, unless (i) each installment of Basic Rent (or, in the case of the Base Lease Commencement Date, the Excess Payment Amount), as so adjusted, under any circumstances and in any event, will be in an amount at least sufficient for the Owner Trustee to pay in full as of the due date of such installment any payment of principal or interest on the Certificates required to be paid on the due date of such installment of Basic Rent (or on the Base Lease Commencement Date, as the case may be) and (ii) Stipulated Loss Value and Termination Value, as so adjusted, under any circumstances and in any event, will be an amount which, together with any other amounts required to be paid by the Lessee under the Lease in connection with an Event of Loss or a termination of the Lease, as the case may be,

will be at least sufficient to pay in full, as of the date of payment thereof, the aggregate unpaid principal of and all unpaid interest on the Certificates accrued to the date on which Stipulated Loss Value or Termination Value, as the case may be, is paid in accordance with the terms of the Lease.

(d) Escrow. The Owner Participant agrees to place in escrow with Sidley & Austin, and to cause Sidley & Austin to retain, (i) the assumptions and methods utilized by the Owner Participant in the calculation of the schedules of Basic Rent, Termination Value and Stipulated Loss Value referred to the definition of the Owner Participant's Net Economic Return, and in the calculation of the Special Purchase Price Percentage as of the Delivery Date, (ii) the assumptions and methods utilized by the Owner Participant in the calculation of the alternate schedules of Basic Rent, Termination Value and Stipulated Loss Value referred to in the definition of the Owner Participant's Revised Net Economic Return, together with such alternate schedules, and the Special Purchase Price Percentage applicable to a lease financing accomplished pursuant to such alternate schedules (calculated to preserve the Special Purchase Price Yield to the applicable Special Purchase Option Date in accordance with the methodology described in the second sentence to Section 20(c)), copies of which alternate schedules and such Special Purchase Price Percentage have been provided to the Lessee, and (iii) any adjustments made to any of the assumptions referred to in clause (i) or (ii) of this sentence to take into account the effect of any change of the type specified in Section 3(e) of the Lease which theretofore has resulted in an adjustment of the percentages of Basic Rent, Stipulated Loss Value, Termination Value or Special Purchase Price Percentage. In connection with the foregoing, the Owner Participant will provide Sidley & Austin with such supporting documents and materials, and access to such computer programs and/or software, as would be complete and sufficient, without more, to enable the verification, as contemplated by Section 18(b), of any calculations made by the Owner Participant under this Section 18 or Section 20.

SECTION 19. Concerning the Owner Trustee.

Wilmington Trust Company is entering into this Agreement solely in its capacity as Owner Trustee under the Trust Agreement and not in its individual capacity (except as expressly stated herein) and in no case shall Wilmington

Trust Company (or any entity acting as successor Owner Trustee under the Trust Agreement) be personally liable for or on account of any of the statements, representations, warranties, covenants or obligations stated to be those of the Owner Trustee hereunder, provided, however, that Wilmington Trust Company (or any such successor Owner Trustee) shall be personally liable hereunder for its own gross negligence or willful misconduct or for its breach of its covenants, representations and warranties contained herein, to the extent covenanted or made in its individual capacity.

SECTION 20. Section 20 Refinancing. (a) In addition to the provisions set forth in Section 17, whether or not a refunding or refinancing pursuant to such Section 17 shall have previously occurred, and with regard to the role of Credit (as defined in the Tax Indemnity Agreement) in the transactions contemplated by the Operative Agreements, at any time the Lessee shall have the right to request the Owner Participant and the Owner Trustee to effect an optional redemption of all of the Outstanding Certificates as part of a refunding or refinancing operation with refinancing indebtedness with respect to which the refinancing indebtedness has a final maturity date of at least six months after the final maturity date of the Outstanding Certificates and has a weighted average life to maturity at least 90 days longer than the remaining weighted average life to maturity of the outstanding Certificates (such refinancing hereinafter referred to as the "Section 20 Refinancing"). Promptly on receipt of such request (which request shall specifically designate such refinancing as the Section 20 Refinancing), the Owner Participant will, in good faith, use all reasonable efforts to conclude an agreement with the Lessee as to the terms of such Section 20 Refinancing and upon such agreement:

(i) the Lessee, the Owner Participant, the Indenture Trustee, the Owner Trustee, and any other appropriate parties will enter into a financing or loan agreement (which may involve an underwriting agreement in connection with a public offering; provided, however, that in the case of a refunding or refinancing involving a public offering of debt securities, the Lessee shall have the right to purchase such debt securities and apply such debt securities as a credit against its obligations to pay Rent to the extent permitted by the Tax Indemnity

Agreement) providing for (x) the issuance and sale by the Owner Trustee or such other party as may be appropriate to such institution or institutions on the date specified in such agreement (for the purposes of this Section 20, the "Section 20 Refunding Date") of United States Dollar-denominated debt securities in an aggregate principal amount at least equal to the principal amount of the Outstanding Certificates on the Section 20 Refunding Date and, subject to clause (w) of Section 20(a)(ii), all interest accrued thereon to the Section 20 Refunding Date and (y) the application of the proceeds of the sale of such debt securities to the redemption of all such Certificates on the Section 20 Refunding Date;

(ii) the Lessee and the Owner Trustee will amend the Lease such that (w) if the Section 20 Refunding Date is not a Lease Period Date, the Lessee shall on the Section 20 Refunding Date prepay that portion of the next succeeding installment of Basic Rent as shall equal the aggregate interest accrued on the Outstanding Certificates to the Section 20 Refunding Date in the event that such interest is not financed through the issuance of debt securities on the Section 20 Refunding Date, provided that if the Section 20 Refunding Date occurs on or prior to the Base Lease Commencement Date, the Owner Participant may, pursuant to Section 16(a), prepay the Excess Payment Amount or such portion thereof on the Section 20 Refunding Date as the Lessee and the Owner Participant shall agree is advisable in order to optimize the revised rental schedules to be calculated pursuant to Section 20(c), (x) Basic Rent payable in respect of the period from and after the Section 20 Refunding Date shall be recalculated pursuant to Section 20(c) to preserve the Owner Participant's Revised Net Economic Return, (y) amounts payable in respect of Stipulated Loss Value and Termination Value from and after the Section 20 Refunding Date shall be appropriately recalculated pursuant to Section 20(c) to preserve the Owner Participant's Revised Net Economic Return and (z) the Special Purchase Price Percentage and the Special Purchase Option Date shall be recalculated pursuant to Section 20(c);

(iii) the Owner Trustee will enter into an agreement to provide for the securing thereunder of the

debt securities issued by the Owner Trustee pursuant to clause (a) of this Section 20 in like manner as the Certificates issuable under the Trust Indenture and/or will enter into such amendments and supplements to the Trust Indenture as may be necessary to effect such refunding or refinancing; and

(iv) unless otherwise agreed by the Owner Participant, the Lessee shall pay as Supplemental Rent on an After-Tax Basis all reasonable fees, costs, and expenses of such refunding or refinancing;

provided, however, that if within 15 days after receipt of a request from the Lessee to effect the Section 20 Refinancing, which request specifies the proposed structural terms of such refinancing and the amount of refinancing indebtedness, the Owner Participant provides the Lessee with a written notice to the effect that there will be a risk of adverse tax consequences to the Owner Participant resulting from the Section 20 Refinancing and, if then requested by the Lessee in writing, within 15 days after receipt of such request, the Owner Participant provides the Lessee with a written opinion of independent tax counsel selected by the Owner Participant and reasonably acceptable to the Lessee to the effect that there will be a risk of such adverse tax consequences to the Owner Participant resulting from the Section 20 Refinancing (other than the consequence that the refinanced loan constitutes "qualified nonrecourse indebtedness" within the meaning of Temporary Regulations Section 1.861-10T(b) for the purpose of the computation of the FSC Benefits (as defined in the Tax Indemnity Agreement)), then the Owner Trustee and the Owner Participant shall be required to effect the Section 20 Refinancing only if the Lessee shall have agreed to indemnify the Owner Participant against such identified adverse tax consequences in a manner reasonably satisfactory to the Owner Participant; provided, however, the parties agree that in the absence of a change in applicable laws, regulations, revenue rulings, revenue procedures or judicial precedents enacted, adopted or decided after the Delivery Date, the Section 20 Refinancing will not be deemed for this purpose to result in a risk of the Owner Participant not being considered the owner of the Aircraft, Airframe, any Engine or any Part for Federal or other income tax purposes.

Each of the Owner Participant, the Owner Trustee, each Loan Participant and the Indenture Trustee agrees

to use all reasonable efforts to facilitate the Section 20 Refinancing, including, without limitation, by making such modifications to, or entering into such amendments and supplements to, the Operative Documents as may be appropriate or necessary to effect the Section 20 Refinancing.

(b) The Section 20 Refinancing shall not constitute a refunding or refinancing for the purposes of Section 17. Any debt instruments issued in connection with the Section 20 Refinancing shall not be subject to optional redemption by the Owner Trustee without the consent of the Lessee (except as provided in Section 2.13 of the Trust Indenture).

(c) In connection with the Section 20 Refinancing, the Owner Participant shall recalculate the payments of Basic Rent, Stipulated Loss Values and Termination Values with respect to the Term and, if the Section 20 Refunding Date occurs on or prior to the Base Lease Commencement Date, the Excess Payment Amount payable pursuant to Section 16(a) hereof (such recalculation of the Excess Payment Amount to take into account any prepayment by the Owner Participant on such Section 20 Refunding Date of all or part of the Excess Payment Amount under clause (w) of Section 20(a)(ii)), (i) to achieve the Owner Participant's Revised Net Economic Return, and (ii) to minimize, to the greatest extent possible consistent with the foregoing clause (i), the present value (discounted semiannually at an interest rate per annum to be supplied by the Lessee) of the payments of Basic Rent. In addition, in such event, the Special Purchase Price Percentage shall be recalculated in order to preserve the Special Purchase Price Yield to the Special Purchase Option Date of July 2, 2012; provided that the Special Purchase Price Percentage for the Special Purchase Option Date, as so adjusted, shall not be less than 56.9%. Notwithstanding the foregoing, the Owner Participant, the Owner Trustee and the Lessee agree that, at the Lessee's option, the Lessee may request that the Special Purchase Option Date be changed (and that the Special Purchase Price Percentage be recalculated as of such changed date) to whichever of the four Lease Period Dates preceding the Special Purchase Option Date or the two Lease Period Dates following the Special Purchase Option Date (each, an "Alternate Special Purchase Option Date") would result in the lowest possible sum of (1) the present value (discounted semiannually at an interest rate per annum to be supplied by the Lessee) of the payments of Basic Rent for the period from the Sec-

tion 20 Refunding Date to and including the applicable Alternate Special Purchase Option Date (but excluding any Basic Rent designated as payable in advance on such Alternate Special Purchase Option Date) and (2) the present value (discounted semiannually at an interest rate per annum to be supplied by the Lessee) of the Special Purchase Price as of such Alternate Special Purchase Option Date, and that, if necessary, the Lease shall be amended to reflect the change in the Special Purchase Option Date from July 2, 2012 to whichever of the Alternate Special Purchase Option Dates as would give rise to the lowest such sum; provided that upon any such request by the Lessee to change the Special Purchase Option Date to an Alternate Special Purchase Option Date, the Owner Participant shall, at its cost and expense, obtain an estimate of the fair market value (taking into account a reasonable estimate for inflation and deflation) of the Aircraft, as of any Alternate Special Purchase Option Dates specified by the Lessee, from BK Associates, Inc. or, if BK Associates, Inc. shall not then be an independent aircraft appraiser, from an independent aircraft appraiser selected by mutual agreement of the Owner Participant and the Lessee or, if they shall be unable to agree, from an appraiser selected pursuant to an Independent Appraisal (except that all costs and expenses of such appraiser shall be borne by the Owner Participant) and, if the estimated fair market value of the Aircraft determined by such appraiser (expressed as a percentage of Lessor's Cost) is more than the Special Purchase Price Percentage calculated for the Alternate Special Purchase Option Date as provided above in this sentence to which the Lessee has requested the Special Purchase Option Date be changed, the Special Purchase Option Date shall remain unchanged and the Special Purchase Price Percentage shall be the percentage determined in accordance with the preceding sentence, unless the Lessee elects that the Special Purchase Price Percentage as of such Alternate Special Purchase Option Date shall be equal to such estimated fair market value (computed as a percentage of Lessor's Cost), in which case the Lease shall be amended to reflect such Alternate Special Purchase Option Date. In performing any such recalculations in respect of Basic Rent, Stipulated Loss Value and Termination Value, the Owner Participant shall utilize the same methods and assumptions originally used to calculate the alternate schedules of Basic Rent, Stipulated Loss Values and Termination Values referred to in the definition of the Owner Participant's Revised Net Economic Return and in performing any such recalculations

in respect of the Special Purchase Price Percentage, the Owner Participant shall, subject to the proviso to the preceding sentence, utilize the same methods and assumptions originally used to calculate the Special Purchase Price Percentage held in escrow by Sidley & Austin pursuant to Section 18(d) (other than, in each case, those assumptions changed as a result of the Section 20 Refinancing; it being agreed that such recalculation shall reflect solely any changes of assumptions or facts resulting directly from such Section 20 Refinancing or due to the prior occurrence of any event taken into account in a recalculation pursuant to Section 18), provided that, Basic Rent, as so recomputed, shall comply with the requirements of Sections 4.02(5) and 4.07(1) of Revenue Procedure 75-28, 1975-1 C.B. 752, and shall not present a greater risk that Section 467(b)(2) of the Code would apply than the risk that Section 467(b)(2) applied prior to such recomputation, it being agreed that the requirements of clause (i) of Section 5.01 of Rev. Proc. 75-21, 1975-1 C.B. 715, shall be applied on a prospective basis.

Upon completion of any recalculation described above in this Section 20(c), a duly authorized officer of the Owner Participant shall provide a certificate to the Lessee either (x) stating that the payments of Basic Rent, Stipulated Loss Values and Termination Values with respect to the Term, and the Special Purchase Price Percentage and the Special Purchase Option Date, as are then set forth in the Lease do not require change, or (y) setting forth such adjustments to the payments of Basic Rent, Stipulated Loss Values or Termination Values with respect to the Term and the Special Purchase Price Percentage and the Special Purchase Option Date, as have been calculated by the Owner Participant in accordance with the above provisions. Such certificate shall describe in reasonable detail the basis for any such adjustments. If the Lessee shall so request, the recalculation of any such adjustments described in this Section 20 shall be verified by procedures substantially identical to the verification procedures set forth in Section 18(b). No adjustment may be made to the payments of Basic Rent, Stipulated Loss Values or Termination Values with respect to the Term pursuant to this Section 20 except in accordance with the provisions of Section 18(c).

Section 21. Miscellaneous. (a) Nothing contained in this Agreement, or in the Lease, the Trust Indenture, the Trust Agreement or the Tax Indemnity Agree-

ment shall be construed as a guarantee by the Lessee of payments due pursuant to the Certificates or of the residual value or useful life of the Aircraft or any portion thereof.

(b) Any provision of this Agreement which is prohibited and unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. Neither this Agreement nor any of the terms hereof may be terminated, amended, supplemented, waived or modified orally, but only by an instrument in writing signed by the party against which the enforcement of the termination, amendment, supplement, waiver or modification is sought. The section and paragraph headings in this Agreement and the index preceding this Agreement are for convenience of reference only and shall not modify, define, expand or limit any of the terms or provisions hereof and all references herein to numbered sections, unless otherwise indicated, are to sections of this Agreement.

(c) The terms of this Agreement shall be binding upon, and shall inure to the benefit of, the Lessee and, subject to the terms of Section 13(E) hereof, its successors and permitted assigns, the Indenture Trustee and its successors as Indenture Trustee under the Trust Indenture, the Owner Trustee and its successors as Owner Trustee under the Trust Agreement, the Owner Participant and, subject to the provisions of Section 16(c) hereof, its successors and permitted assigns, and the Original Loan Participant and, subject to the provisions of Section 9(p) hereof, the other Loan Participants. Each Loan Participant other than the Original Loan Participant, by its acceptance of any Certificate, shall be deemed to have irrevocably and unconditionally agreed to perform the obligations of a Loan Participant hereunder and under the Trust Indenture.

(d) With respect to any opinion required to be delivered under any Operative Document by counsel to any

party hereto, each party hereto hereby irrevocably instructs its applicable counsel to deliver such opinion to and for the benefit of the parties that are the addressees of such opinion.

THIS AGREEMENT HAS BEEN DELIVERED IN THE STATE OF NEW YORK AND SHALL IN ALL RESPECTS BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective officers thereunto duly authorized as of the day and year first above written.

NOW, THEREFORE, in consideration of the mutual agreements herein contained and other good and valuable consideration, receipt of which is acknowledged, the parties hereto agree as follows:

SECTION 1. Sale and Purchase; Participation in Lessor's Cost for Aircraft; Terms of Certificates. (a) Sale and Purchase. Subject to the terms and conditions of this Agreement, the Lessee agrees to sell to the Owner Trustee, and the Owner Trustee agrees to purchase from the Lessee, the Aircraft on the Delivery Date, and, in connection therewith, the Owner Trustee agrees to pay to the Lessee the purchase price of \$69,000,000 ("Lessor's Cost").

(b) Participation in Lessor's Cost. Subject to the terms and conditions of this Agreement, (i) the Owner Participant hereby agrees to participate in the payment of Lessor's Cost for the Aircraft by making an investment in the beneficial ownership of the Aircraft in the amount set forth opposite its name in Schedule I hereto, and (ii) the Original Loan Participant hereby agrees to participate in the payment of Lessor's Cost for the Aircraft by making a non-recourse secured loan to the Owner Trustee

in the amount set forth opposite its name in Schedule I hereto, such loan to be evidenced by one or more Certificates issued to the Original Loan Participant by the Owner Trustee in the manner described herein and in the Indenture. The amount of the Owner Participant's participation required to be made as above provided in the payment of Lessor's Cost is hereinafter called the Owner Participant's "Commitment" for the Aircraft and the amount of the Original Loan Participant's participation required to be made as above provided in the payment of Lessor's Cost is hereinafter called the Original Loan Participant's "Commitment" for the Aircraft.

(c) Prepayment of Certificates; Determination of Debt Rate.

Each of the Loan Participants and the Owner Participant hereby agrees that, notwithstanding anything to the contrary contained in this Participation Agreement, the Lease, the Trust Indenture, the Certificates, or the Trust Agreement, without the prior written consent of the Lessee, the Owner Trustee shall not take any action with respect to the Certificates concerning the optional prepayment of such Certificates (except as provided in Section 2.13 of the Trust Indenture), or the selection of the Debt Rate to be borne at any time or from time to time by such Certificates, or the Interest Periods to be applicable to the calculation of interest on the Certificates. The Owner Trustee hereby irrevocably appoints and authorizes the Lessee to act as its exclusive agent (and agrees that it will not act other than through the Lessee, as such agent) for the purpose of selecting the durations of the Interest Periods to be applicable from time to time to calculations of interest on the Certificates and designating the Debt Rate from time to time to be borne on the Certificates. Each of the Indenture Trustee, the Owner Participant and each Loan Participant hereby consents to such appointment and authorization. In taking any actions as agent of the Owner Trustee as aforesaid, the Lessee shall be authorized to deal directly with the Indenture Trustee and the Loan Participants, and the Owner Participant, the Owner Trustee, each Loan Participant and the Indenture Trustee each agrees to cooperate with the Lessee and the Original Loan Participant and otherwise to do all things and take all actions reasonably necessary to effect the actions taken by the Lessee as the agent of the Owner Trustee under this Section 1(c). Except to the extent otherwise provided in Section 2.01 of the Trust Indenture, the Debt Rate applicable to the Loan Certificates for each Interest Period shall be determined by election of the

Lessee (as agent for the Owner Trustee) by delivering telephonic notice to the Original Loan Participant (at all times prior to July 9, 1995, and, subsequent to such date, for so long as it holds any Loan Certificates, and thereafter to each Loan Participant), followed in each case by telexed, telecopied or other written confirmation given so as to be effective by 1:00 p.m. (New York City time) on the date of such telephonic notice (with a copy to the Indenture Trustee and the Owner Trustee), not less than three London Business Days prior to the beginning of the applicable Interest Period, in the case of a LIBOR Loan, and not later than 11:00 A.M. (New York City time) on the second New York Business Day preceding the beginning of the applicable Interest Period, in the case of a Short Period Rate Loan, specifying the duration of such Interest Period and whether the Debt Rate for such Interest Period shall be determined by reference to the LIBOR Rate or the Short Period Rate. The Indenture Trustee shall provide to each Loan Participant other than the Original Loan Participant a copy of any notice provided by the Lessee to the Original Loan Participant pursuant to the immediately preceding sentence promptly after receipt thereof. Notwithstanding the foregoing, the Lessee may only select a Short Period Rate (i) during any period, and from time to time during such period, in which the Lessee is in contemplation of a proposed prepayment of the Loan Certificates pursuant to Section 2.12 or 2.14 of the Trust Indenture (whether or not a notice of prepayment has been given pursuant to Section 2.12 or 2.14 of the Trust Indenture) or (ii) at any time when the selection of a LIBOR Rate would result in the succeeding Interest Period commencing on a day other than the ninth day of a calendar month. The Original Loan Participant (at all times prior to July 9, 1995, and, subsequent to such date, for so long as it holds any Loan Certificates, and thereafter to each Loan Participant) shall provide to each of the Owner Participant, the Owner Trustee, each other Loan Participant, the Indenture Trustee and the Lessee an officer's certificate setting forth the applicable interest rate and the interest expected to accrue on the Loan Certificates during the applicable Interest Period promptly after the commencement of such Interest Period and, as soon as practicable prior to each Lease Period Date (but in no event later than 11:00 A.M. New York City time on the Business Day immediately preceding such Lease Period Date), shall provide such notification of the aggregate amount of interest that will be actually due and payable on the Loan Certificates on such Lease Period Date.

SECTION 2. Delivery Date; Procedure for Participation in Payment of Lessor's Cost for the Aircraft. (a) Delivery Date. The Lessee agrees to give the Owner Participant, the Original Loan Participant, the Indenture Trustee and the Owner Trustee notice by telex, telegraph, facsimile or other form of telecommunication or telephone (to be promptly confirmed in writing) of the Delivery Date for the Aircraft not later than 5:00 P.M., New York City time, on the second Business Day preceding the Delivery Date for the Aircraft, which notice shall specify the amount of Lessor's Cost for the Aircraft. Subject to the terms and conditions of this Agreement, prior to 11:00 A.M., New York City time, on the Delivery Date specified in such notice, the Owner Participant will make the amount of its Commitment available to the Owner Trustee, and the Original Loan Participant will make the amount of its Commitment available to the Owner Trustee, by transferring or delivering such amount, in funds immediately available on the Delivery Date, to the Owner Trustee, either directly to, or for deposit in, the Owner Trustee's account at The Chase Manhattan Bank, N.A., Account No. 920-1-014363.

(b) Procedure for Participation in Payment of Lessor's Cost for the Aircraft. Upon receipt by the Owner Trustee of the full amount of the Owner Participant's Commitment and the Original Loan Participant's Commitment in respect of the Aircraft on the Delivery Date, the Owner Trustee shall, subject to the conditions set forth in Section 4 having been fulfilled to the satisfaction of (or waived in writing by) the Owner Participant and the Original Loan Participant (as the case may be), pay to the Lessee from the funds then held by it, in immediately available funds, an amount equal to the Lessor's Cost payable to the Lessee on the Delivery Date by the Owner Trustee pursuant hereto, and simultaneously therewith the Lessee shall deliver the Aircraft to the Owner Trustee, and the Owner Trustee shall accept the Aircraft, under the Lease. The acceptance of the Aircraft by the Owner Trustee and the Lessee, respectively, shall be conclusively evidenced by the execution and delivery of the Lease Supplement by the Owner Trustee and the Lessee. Each of the Indenture Trustee, the Owner Trustee and the Lessee shall take all actions required to be taken by it in connection therewith and pursuant to this Section 2(b).

SECTION 3. Owner Participant's Instructions to the Owner Trustee; Confirmation of Authorizations. (a) Owner Participant's Instructions to the Owner Trustee. The Owner Participant agrees that the making of the amount of its Commitment for the Aircraft available to the Owner Trustee in accordance with the terms of Section 2 hereof shall constitute, without further act, authorization and direction by the Owner Participant to the Owner Trustee, subject to the conditions set forth in Section 4 having been fulfilled to the satisfaction of the Owner Participant or waived by the Owner Participant, to take the actions specified in Section 3.01 of the Trust Agreement with respect to the Aircraft.

(b) Confirmation of Authorizations. SECTION 5. Postponement of Delivery Date. (a) In the event that (i) the Original Loan Participant shall for any reason fail or refuse to make the full amount of its Commitment for the Aircraft available to the Owner Trustee in accordance with the terms of Section 2 hereof, or (ii) the Owner Participant shall for any reason fail or refuse to make the full amount of its Commitment for the Aircraft available to the Owner Trustee in accordance with the terms of Section 2 hereof, the Owner Trustee will forthwith give each party hereto telex, facsimile or telegraphic notice of such default and the Delivery Date for the Aircraft will be postponed up to the fifth succeeding Business Day as the Lessee may direct (and the term "Delivery Date" as used in this Agreement shall thereafter mean such postponed "Delivery Date"); provided that such postponed Delivery Date shall not be a date later than July 31, 1992. During such period, the Lessee shall have the right to find another leasing or financial institution to be substituted for the non-participating Original Loan Participant or Owner Participant, as the case may be; provided that in either event the institution so substituted shall sign and deliver an agreement, in

form and substance satisfactory to the Lessee, by which it will assume the balance of the Commitment of the non-participating Original Loan Participant or Owner Participant, as the case may be. Upon the execution and delivery of such agreement, the institution so substituted shall become the Original Loan Participant or the Owner Participant, as the case may be, and shall be deemed substituted for the non-participating Participant, for all purposes of this Agreement, the Trust Agreement, the Trust Indenture, and the Lease and to have assumed all obligations of the non-participating Participant thereunder which accrue after the date of execution and delivery. No action by the Lessee under this Section 5(a) shall be deemed to constitute a waiver or release of any right which the Lessee may have against the defaulting Participant. In the event that the Lessee cannot find another institution to be substituted for the non-participating Participant within such five Business Day period, then, in such event (i) the Owner Trustee shall not accept delivery of the Aircraft and (ii) this Agreement, the Trust Agreement, the Trust Indenture, the Lease and the Purchase Agreement Assignment and the other Operative Documents shall terminate and be of no further force or effect except as expressly provided herein or therein.

(c) In the event of any postponement of the Delivery Date pursuant to Section 5(a) or 5(b) hereof, or if on an originally scheduled Delivery Date not postponed as above provided the Aircraft is not delivered to the Lessor by 3:00 P.M. or, if delivered, is not accepted by the Owner Trustee for any reason, the Owner Trustee will return by 4:00 P.M. on such date any funds which it shall have received from any Participant as its Commitment for the Aircraft, absent joint instruction from the Lessee and

such Participant to retain funds until the specified date of postponement established under Section 5(a) or 5(b).

(d) Notwithstanding the provisions of this Section 5, no Participant shall be under any obligation to make its Commitment available beyond 3:00 P.M., New York City time, on July 31, 1992.

SECTION 6. Extent of Interest of Loan Participants. A Loan Participant shall have no further interest in, or other right with respect to, the Indenture Estate when and if the principal of, premium, if any, and interest on all Certificates held by such Loan Participant and all other sums payable to such Loan Participant hereunder, under the Trust Indenture and under such Certificates shall have been paid in full. By acceptance of a Certificate, each Loan Participant agrees that it will look solely to the income and proceeds from the Indenture Estate to the extent available for distribution to such Loan Participant as provided in Section 2.05 of the Trust Indenture and that neither the Owner Participant nor the Owner Trustee shall be personally liable to such Loan Participant for any amounts payable under the Certificates, the Trust Indenture or hereunder, except as expressly provided in the Operative Documents.

(ii) the execution, delivery and performance of the Operative Documents to which the Lessee is a party have been duly authorized by all necessary corporate action on the part of the Lessee, do not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of the Lessee, and do not contravene any law, governmental rule, regulation or order binding on the Lessee or the Certificate of Incorporation or By-Laws of the Lessee or contravene the provisions of, or constitute a default under, or result in the creation of any Lien (other than as permitted under the Lease) upon the property of the Lessee or on the Aircraft under, any indenture, mortgage, contract or other agreement to which the Lessee is a party or by which it or any of its properties may be bound or affected;

(iii) neither the execution and delivery by the Lessee of the Operative Documents to which it is a party, nor the consummation of any of the transactions by the Lessee contemplated hereby or thereby, requires the consent or approval of, the giving of notice to, or the registration with, or the taking of any other action in respect of, the Department of Transportation, the Federal Aviation Administration, or any other Federal, state, local or foreign governmental authority or agency, other than the registration and filings referred to in Section 7(a)(viii);

(iv) this Agreement has been duly executed and delivered and constitutes, and each other Operative Document to which the Lessee is a party has been duly executed and delivered and constitutes, a legal, valid and binding obligation of the Lessee enforceable against the Lessee in accordance with its terms except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and by general principles of equity and except, in the case of the Lease, as limited by applicable laws which may affect the remedies provided in the Lease, which laws, however, do not make the remedies provided in the Lease inadequate for the practical realization of the rights and benefits provided thereby;

(v) there are no pending or threatened actions or proceedings before any court, governmental authority or administrative agency or arbitrator which would materially adversely affect the consolidated financial condition of the Lessee and its consolidated subsidiaries, taken as a whole, or the ability of the Lessee to perform its obligations under the Operative Documents to which it is a party;

(vi) the Lessee and its subsidiaries have filed or caused to be filed all Federal, state, local and foreign tax returns which are required to be filed and have paid or caused to be paid all taxes shown to be due and payable on such returns or (except to the extent being contested in good faith and for the payment of which adequate reserves have been provided) on any assessment received by the Lessee or any of its subsidiaries, to the extent that such taxes have become due and payable; the Federal income tax liability, if any, of the Lessee has been determined by the Internal Revenue Service (or the statute of limitations has expired with respect to a redetermination of such liability) and (except to the extent being contested in good faith and for the payment of which adequate reserves have been provided) paid for all years prior to and including the fiscal year ended December 31, 1984; the Federal income tax returns of the Lessee for the fiscal years ended December 31, 1985 to December 31, 1990, inclusive, are subject to examination by the Internal Revenue Service;

(vii) the audited consolidated balance sheet of the Lessee and its subsidiaries as of the end of each of its last three fiscal years, and the related consolidated statements of operations and cash flows for the three fiscal years then ended, fairly present the consolidated financial position of the Lessee and its consolidated subsidiaries as at the end of each such fiscal year and the consolidated results of their operations and cash flows for each such fiscal year in accordance with generally accepted accounting principles applied on a consistent basis (except as may be noted in such financial statements); since December 31, 1991, there has been no material adverse change in such consolidated financial position of the Lessee and its consolidated subsidiaries, taken as a whole;

(viii) except for the registration of the Aircraft, pursuant to the Federal Aviation Act, and except for the filing for recording pursuant to said Act of the Manufacturer's FAA Bill of Sale, the Manufacturer's Subsidiary's FAA Bill of Sale and the FAA Bill of Sale, the Lease (with the Lease Supplement covering the Aircraft, the Trust Indenture and the Trust Agreement and Indenture Supplement covering the Aircraft attached), the Trust Agreement and the Trust Indenture (with such Lease Supplement and such Trust Agreement and Indenture Supplement attached), no further action, including any filing or recording of any document (including any financing statement in respect thereof under Article 9 of the Uniform Commercial Code of any applicable jurisdiction), is necessary or advisable in order to establish and perfect the Owner Trustee's interest in the Aircraft as against the Lessee and any third parties (other than the filing of a financing statement in respect thereof under Article 9 of the Uniform Commercial Code as in effect in the State of Texas), or to perfect the security interest in the Owner Trustee's interest in the Aircraft created under the Trust Indenture in favor of the Indenture Trustee (with respect to such portion of the Aircraft as is covered by the recording system established by the Federal Aviation Administration pursuant to Section 503(a) of the Federal Aviation Act) and in the Lease (to the extent that the Lease does not constitute chattel paper as such term is defined in the Uniform Commercial Code) in any applicable jurisdiction in the United States;

(ix) the Lessee is not an investment company or a company controlled by an investment company within the meaning of the Investment Company Act of 1940, as amended;

(x) the Lessee is not in default in the performance of any term or condition of the Purchase Agreement which materially adversely impairs the transactions contemplated hereby;

(xi) none of the proceeds from the issuance of the Certificates or from the acquisition by the Owner Participant of its beneficial interest in the Trust Estate will be used directly or indirectly by the

Lessee to purchase or carry any "margin stock" as such term is defined in Regulation G of the Board of Governors of the Federal Reserve System; and

(xii) the Lessee has not voluntarily subjected the Aircraft to any lease or mortgage, the existence of which has not been disclosed to the Lessor.

NOTWITHSTANDING ANYTHING CONTAINED HEREIN, IN THE PURCHASE AGREEMENT ASSIGNMENT, OR IN THE LEASE TO THE CONTRARY, EXCEPT TO THE EXTENT SPECIFICALLY PROVIDED IN THE WARRANTY BILL OF SALE REFERRED TO IN Section 4(E)(x), THE LESSEE DOES NOT MAKE NOR SHALL THE LESSEE BE DEEMED TO HAVE MADE, AND THE LESSEE HEREBY DISCLAIMS, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE WORKMANSHIP, DESIGN, PATENT INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR USE OF THE AIRCRAFT AS OF THE DELIVERY DATE. NOTHING CONTAINED IN THE PRECEDING SENTENCE SHALL BE INTERPRETED TO BE IN DEROGATION OF OR CONSTRUED TO LIMIT THE LESSEE'S INDEMNITY OBLIGATIONS HEREUNDER OR TO EXCUSE THE PERFORMANCE BY THE LESSEE OF ITS OBLIGATIONS UNDER THIS AGREEMENT, ANY OTHER OPERATIVE DOCUMENT OR THE BILLS OF SALE.

(b) General Indemnity. (1) Claims Defined. For the purposes of this Section 7(b), "Claims" shall mean any and all liabilities, obligations, losses, damages, penalties, claims, actions or suits of whatsoever kind and nature (whether or not on the basis of negligence, strict or absolute liability or liability in tort) which may be imposed on, incurred by, suffered by, or asserted against an Indemnitee, as defined herein, and, except as otherwise expressly provided in this Section 7(b), shall include all costs, disbursements and expenses (including reasonable legal fees and expenses) of an Indemnitee in connection therewith or related thereto.

respective successors and permitted assigns, directors, officers, employees, agents and servants of (a) the Owner Trustee, together with the Owner Trustee, (b) the Owner Participant (and, if applicable, AT&T Capital Corporation, American Telephone and Telegraph Company and each Affiliate thereof), together with the Owner Participant (and, if applicable, AT&T Capital Corporation, American Telephone and Telegraph Company and each Affiliate thereof), (c) any Loan Participant, together with such Loan Participant, (d) the Indenture Trustee, together with the Indenture Trustee, and (e) Credit, together with Credit, being in each case referred to herein collectively as the "Related Indemnitee Group" for each such party).

(3) Claims Indemnified. Subject to the exclusions stated in subsection (4) below, whether or not any of the transactions contemplated hereby shall be consummated, the Lessee agrees to indemnify, protect, defend and hold harmless on an After-Tax Basis each Indemnitee against Claims in any way resulting from or arising out of (i) the Operative Documents or any sublease under the Lease or the enforcement of any of the terms thereof, or any amendment, modification or waiver in respect thereof or any of the transactions contemplated hereby or thereby, (ii) the purchase, acceptance or rejection of the Aircraft, the Airframe, any Engine, engine or Part (or any portion thereof) hereunder, (iii) the manufacture, design, purchase, resale, acceptance, non-acceptance or rejection of the Aircraft hereunder or under the Lease, (iv) the Aircraft, whether or not arising out of the ownership, delivery, non-delivery, lease, sublease, possession, use, non-use, substitution, airworthiness, state of airworthiness, control, maintenance, repair, operation, registration, condition, sale, storage, modification, alteration, return, transfer or other disposition of the Aircraft, the Airframe, any Engine, any engine installed on the Airframe or any Part (or portion thereof) (including, without limitation, latent or other defects, whether or not discoverable, strict tort liability, and any claim for patent, trademark or copyright infringement), (v) any breach of or failure to perform or observe, or any other non-compliance with, any covenant, condition or agreement or other obligations to be performed by the Lessee under any Operative Document or the falsity of any representation or warranty of the Lessee in any of the Operative Documents, other than covenants, conditions, agreements, obligations, representations and warranties in the Tax Indemnity Agreement, or (vi) the offer, sale or

delivery of any Certificates or any interest in the Trust Estate. Without limitation of the foregoing, the Lessee agrees to pay the reasonable ongoing fees, and the reasonable ongoing out-of-pocket costs and expenses (including, without limitation, reasonable attorney's fees and disbursements and, to the extent payable as provided in the Trust Indenture, reasonable compensation and expenses of the Indenture Trustee's agents), of the Owner Trustee and the Indenture Trustee in connection with the transactions contemplated by the Operative Documents.

(4) Claims Excluded. The following are excluded from the Lessee's agreement to indemnify any Indemnatee under this Section 7(b):

(i) Any Claim to the extent caused by acts or events occurring after the earlier of (x) the return of the Aircraft under the Lease (it being understood that the date of the placement of the Aircraft in storage as provided in Section 5(d) of the Lease constitutes the date of return of the Aircraft under the Lease), and (y) the expiration or earlier termination of the Lease under circumstances not requiring the return of the Aircraft, unless and to the extent such Claim is attributable to acts occurring in connection with the exercise of remedies pursuant to Section 15 of the Lease following the occurrence and continuance of an Event of Default thereunder;

(ii) Any Claim to the extent attributable to a Tax, or any Claim of the Owner Participant to the extent attributable to a Loss, whether or not Lessee is required to indemnify therefor under Section 7(c) of this Participation Agreement or the Tax Indemnity Agreement, provided that this Section 7(b)(4)(ii) shall not exclude the reasonable out-of-pocket costs, disbursements and expenses incurred with respect to Taxes for which the Lessee is required to indemnify under Section 7(c) of this Participation Agreement;

(iii) Any Claim to the extent caused by the gross negligence or willful misconduct of such Indemnatee or any of its Related Indemnatee Group (other than any gross negligence or willful misconduct imputed as a matter of law to such Indemnatee solely by reason of its status as a party to any of the Operative Documents);

(iv) Any Claim to the extent caused by the noncompliance by such Indemnatee or any of its Related Indemnatee Group with any of the terms of, or any misrepresentation by such Indemnatee or any of its Related Indemnatee Group contained in, this Participation Agreement or any other Operative Document to which such Indemnatee or any of its Related Indemnatee Group is a party or any agreement relating hereto or thereto (except if such representation or warranty was based on an inaccurate representation or warranty of the Lessee);

(v) Any Claim that constitutes a Permitted Lien attributable to such Indemnatee;

(vi) Any Claim to the extent caused by the offer, sale or disposition (voluntary or involuntary) by or on behalf of such Indemnatee of any Certificates or any interest in the Trust Estate or the Trust Agreement, or any similar security, other than a transfer by such Indemnatee of its interests in the Aircraft pursuant to Section 9, 10, 15 or 20 of the Lease and any related provision of the Trust Indenture including, without limitation, Article IV thereof (it being understood that (1) the cancellation of any Loan Certificates in connection with a refinancing under Section 17 or 20 shall not constitute a disposition of Loan Certificates for purposes of this Section 7(b)(4)(vi) and (2) this Section 7(b)(4)(vi) shall not be construed to exclude a Claim against or incurred by the Original Loan Participant by a holder of a participation in the Original Loan Participant's Loan Certificates which arises as a result of a Claim against or incurred by such holder of a participation which would otherwise be an indemnified Claim (as defined in Section 7(b)(1) and not otherwise excluded pursuant to Section 7(b)(4)) if such Claim had been brought directly against or incurred directly by the Original Loan Participant; provided that (except in the case of any participation granted by the Original Loan Participant to NMB Lease N.V.) the Lessee's liability hereunder with respect to any such Claim shall under no circumstances be any greater than such liability would have been had the Original Loan Participant not granted any such participation);

(vii) Any Claim (other than to the extent any such Claim is brought against any Loan Participant or

the Indenture Trustee or the Related Indemnatee of any such Indemnatee) to the extent caused by a failure on the part of the Owner Trustee to distribute in accordance with the Trust Agreement any amounts received and distributable by it thereunder;

(viii) Any Claim (other than to the extent any such Claim is brought against the Owner Participant or the Owner Trustee and the Related Indemnatee Group of such Indemnatee) to the extent caused by a failure on the part of the Indenture Trustee to distribute in accordance with the Trust Indenture any amounts received and distributable by it thereunder;

(ix) Any Claim to the extent caused by the authorization or giving or withholding by such Indemnatee of any future amendments, supplements, waivers or consents with respect to any of this Participation Agreement and the other Operative Documents, other than such as have been requested by or consented to by the Lessee, or such that occur as a result of an Event of Default that shall have occurred and is continuing, or such as are required or contemplated by (and, if contemplated by, in compliance with) the provisions of the Operative Documents in order to give effect thereto;

(x) Any Claim to the extent caused by an Indenture Default that does not also constitute an Event of Default under the Lease;

(xi) Any Claim (other than to the extent any such Claim is brought against any Loan Participant or the Indenture Trustee or the Related Indemnatee of any such Indemnatee) that would not have arisen but for the appointment of a successor or an additional Owner Trustee without the consent of the Lessee;

(xii) Any Claim to the extent caused by the failure of a Person other than the Lessee to pay a cost, fee or expense payable by such Person in accordance with Section 9(a), 9(b), 9(c), 9(e), 9(f), 9(g), 9(j), 16(b), 16(c), or 18(b) hereof, or Section 5(d), 5(f), 9, 10, 11 or 25 of the Lease;

(xiii) Any Claim that is an ordinary and usual operating or overhead expense other than to the extent caused by (a) the occurrence of an Event of

Default or an Event of Loss or (b) circumstances beyond the scope of routine portfolio administration (such routine portfolio administration to be deemed to include tax preparation and other normally occurring administrative tasks but shall not include any administrative obligations of the Lessee under the Operative Documents performed by any Indemnitee);

(xiv) Any Claim to the extent that such Claim relates to amounts payable by the Owner Trustee to the Indenture Trustee in respect of the Break Amount, if any, payable with respect to the Certificates as a result of (x) any prepayment of the Certificates or purchase of the Certificates pursuant to Section 2.13 of the Trust Indenture as a result of an Indenture Default that does not also constitute an Event of Default or (y) an Indenture Default that does not also constitute an Event of Default; and

(xv) Any Claim made by American Telephone and Telegraph Company, AT&T Capital Corporation or any Affiliate of either thereof (other than the Owner Participant), to the extent that such Claim is based on losses suffered by or any decline in the net worth of the Owner Participant (but only to the extent that any such losses or decline in net worth are caused by events for which the Owner Participant is not indemnifiable by the Lessee under the Operative Documents).

A limitation on the Claims of one Indemnitee under this Section 7(b)(4) shall not provide a basis for limiting any Claim of any other Indemnitee.

(5) Insured Claims. In the case of any Claim indemnified by the Lessee hereunder which is covered by a policy of insurance maintained by the Lessee pursuant to Section 11 of the Lease, each Indemnitee agrees to cooperate, at the Lessee's expense, with the insurers in the exercise of their rights to investigate, defend or compromise such Claim as may be required to retain the benefits of such insurance with respect to such Claim.

(6) Claims Procedure. An Indemnitee shall promptly notify the Lessee of any Claim as to which indemnification is sought, provided that the failure to provide such prompt notice shall not release the Lessee from any of its obligations to indemnify hereunder. Any amount

payable to any Indemnitee pursuant to this Section 7(b) shall be paid within thirty days after receipt of a written demand therefor from such Indemnitee accompanied by a written statement describing in reasonable detail the Claims which are the subject of and basis for such indemnity and the computation of the amount so payable. Subject to the rights of insurers under policies of insurance maintained pursuant to Section 11 of the Lease, so long as no Event of Default under Section 14(f), 14(g), 14(h) or 14(i) of the Lease shall have occurred and be continuing, the Lessee (at its sole cost and expense) shall have the right to investigate, and the right in its sole discretion to defend or compromise, any Claim for which indemnification is sought under this Section 7(b), and the Indemnitee shall cooperate, at the Lessee's expense, with all reasonable requests of the Lessee in connection therewith; provided, however, that so long as an Event of Default under Section 14(a) of the Lease has occurred and is continuing, such Indemnitee shall have the right, along with the concomitant right of the Lessee, to investigate, defend or compromise any such Claim. The Lessee will provide the Indemnitee with such information not within the control of such Indemnitee, as is in the Lessee's control or as reasonably available to the Lessee, which such Indemnitee may reasonably request and shall otherwise cooperate with such Indemnitee so as to enable such Indemnitee to fulfill its obligations under this Section 7(b)(6). Where the Lessee or the insurers under a policy of insurance maintained by the Lessee undertake the defense of an Indemnitee with respect to a Claim, and so long as the Lessee is entitled to control such defense, no additional legal fees or expenses of such Indemnitee in connection with the defense of such Claim shall be indemnified hereunder unless such fees or expenses were incurred at the request of the Lessee or such insurers; provided, however, that if (i) in the written opinion of counsel to such Indemnitee an actual or potential material conflict of interest exists where it is advisable for such Indemnitee to be represented by separate counsel or (ii) such Indemnitee has been indicted or otherwise charged in a criminal complaint and such Indemnitee informs the Lessee that such Indemnitee desires to be represented by separate counsel, the reasonable fees and expenses of any such separate counsel shall be borne by the Lessee. Subject to the requirements of any policy of insurance, an Indemnitee may participate at its own expense in any judicial proceeding controlled by the Lessee pursuant to the preceding provisions; provided that such party's participation does not,

in the reasonable opinion of the independent counsel appointed by the Lessee or its insurers to conduct such proceedings, significantly interfere with such control; and such participation shall not constitute a waiver of the indemnification provided in this Section 7(b). Notwithstanding anything to the contrary contained herein, (x) the Lessee shall not under any circumstances be liable for the fees and expenses of more than one counsel for each of (i) the Owner Participant and the Owner Trustee (and their respective successors and permitted assigns, agents and servants and other members of their respective Related Indemnitee Groups) and (ii) the Loan Participants and the Indenture Trustee (and their respective successors and permitted assigns, agents and servants) except in the case specified in the proviso to the third sentence of this paragraph (6) and (y) the Lessee shall not defend or compromise any Claim if such proceedings will involve a material risk of the sale, forfeiture or loss of, or the creation of any Lien (other than a Permitted Lien) on the Airframe, any Engine or any part of any thereof, or the Indenture Estate or the Trust Estate or any part of any thereof, unless the Lessee shall have provided security for Lessee's obligations under this Section 7(b) with respect to such Claim reasonably satisfactory to the relevant Indemnitees in respect to such risk.

(7) Subrogation. To the extent that a Claim indemnified by the Lessee under this Section 7(b) is in fact paid in full by the Lessee and/or an insurer under a policy of insurance maintained by the Lessee pursuant to Section 11 of the Lease, the Lessee and/or such insurer, as the case may be, shall be subrogated to the rights and remedies of the Indemnitee on whose behalf such Claim was paid (other than rights of such Indemnitee under insurance policies maintained at its own expense) with respect to the transaction or event giving rise to such Claim, except that the Lessee shall not be subrogated to any rights or remedies that the Owner Trustee may have against the Owner Participant under Section 7.01 of the Trust Agreement or that the Indenture Trustee may have against the Owner Trustee under Section 7.01 of the Trust Indenture. So long as no Event of Default (or event that with lapse of time would constitute an Event of Default under Section 14(a), 14(g), 14(h) or 14(i) of the Lease) shall have occurred and be continuing, should an Indemnitee receive any refund, in whole or in part, with respect to any Claim paid by the Lessee hereunder, it shall promptly pay the amount refunded (but not an amount in excess of

the amount the Lessee or any of its insurers has paid in respect of such Claim) over to the Lessee. Moreover, if, by reason of any Claim that the Lessee has paid or indemnified against pursuant to this Section 7(b), an Indemnatee realizes an actual reduction in any Taxes that was not previously taken into account in computing a payment by the Lessee pursuant to this Section 7(b), then such Indemnatee shall promptly pay to the Lessee an amount equal to the actual net reduction in Taxes realized by such Indemnatee attributable thereto plus the actual reduction in Taxes realized by such Indemnatee as a result of any payment to the Lessee pursuant to this sentence. Each Indemnatee shall in good faith use reasonable diligence in filing its tax returns and in dealing with taxing authorities to seek and claim any tax benefits that would result in such net reductions in Taxes.

(8) No Guaranty. Nothing set forth in this Section 7(b) shall constitute a guaranty by the Lessee that the Aircraft shall have any particular useful life or residual value or a guaranty to the Indenture Trustee or the Loan Participants that the Certificates will be paid. Each of the Loan Participants agrees that nothing in the Operative Documents other than the provisions of Section 2.18 of the Trust Indenture constitute an indemnity for any Increased Cost or any cost or loss in the nature of an Increased Cost.

(c) General Tax Indemnity. (1) Indemnity. Except as provided in Section 7(c)(2) hereof, the Lessee shall pay or indemnify and hold harmless on an After-Tax Basis each Tax Indemnatee from and against any and all fees (including without limitation license, documentation and registration fees) and all taxes, whether now existing or hereafter adopted (including, without limitation, income, gross receipts, sales, use, value-added, property (tangible and intangible), excise and stamp taxes), levies, imposts, duties, charges or withholdings, together with any penalties, fines or interest thereon or other additions thereto (hereinafter collectively called "Taxes" and individually called a "Tax") imposed against or payable by any Tax Indemnatee (including amounts so payable by any such Tax Indemnatee solely as withholding agent), the Lessee, any sublessee, sub-sublessee or other user of the Aircraft, any Engine, or any Part, or any Affiliate of any such user, or imposed against the Aircraft, any Engine or any Part, by any Federal, state or local government or other taxing authority in the United States or by any

foreign government or by any territory or possession of the United States or by any international authority or by any political subdivision or taxing authority of any of the foregoing (hereinafter, a "Taxing Authority") in connection with or relating to (a) the construction, mortgaging, financing, refinancing, purchase, acquisition, acceptance, rejection, delivery, nondelivery, transport, location, ownership, control, insurance, registration, reregistration, deregistration, assembly, possession, repossession, operation, use, condition, maintenance, repair, sale, return, abandonment, replacement, preparation, installation, storage, redelivery, manufacture, leasing, subleasing, modification, rebuilding, importation, transfer of title, transfer of registration, exportation or other application or disposition of, the Aircraft, any Engine or any Part or any interest in any thereof, (b) payments of Rent or the receipts, income or earnings arising therefrom or received with respect to the Aircraft, any Engine or any Part or any interest in any thereof or payable pursuant to the Lease, (c) any amount paid or payable pursuant to any Operative Document, (d) the Aircraft, any Engine or any Part or any interest in any thereof or the applicability of the Lease to the Aircraft, any Engine or any Part or any interest in any thereof, (e) any or all of the Operative Documents, any or all of the Certificates or any interest in any or all thereof, or the offering, registration, reregistration, issuance, acquisition, assumption, modification, reissuance, refinancing or refunding of any or all thereof, and any other documents contemplated hereby or thereby and amendments and supplements hereto and thereto, (f) the payment of the principal of, or interest or premium on, or other amounts payable with respect to, any or all of the Certificates, whether as originally issued or pursuant to any refinancing, refunding, assumption, modification or reissuance, or any other obligation evidencing any loan in replacement of the loan evidenced by any or all of the Certificates, (g) any change in the Owner Trustee or the situs of the Trust Estate made pursuant to Section 9(d) hereof, (h) the property, or the income, earnings, receipts or other proceeds received with respect to the property, held by the Indenture Trustee under the Trust Indenture or (i) otherwise with respect to or in connection with the transactions contemplated by the Operative Documents.

(2) Exclusions. The provisions of Section 7(c)(1) hereof shall not apply to:

(i) Taxes (other than Taxes in the nature of property, sales, use or rental Taxes) imposed on the Owner Participant by the United States Federal government that are on, based on or measured by gross or net income or gross or net receipts of the Owner Participant or any related Tax Indemnatee (including any minimum Taxes and any Taxes on or measured by any items of tax preference) or that are franchise Taxes, Taxes on doing business or Taxes on, based on or measured by capital or net worth of the Owner Participant or any related Tax Indemnatee;

(ii) Taxes (other than Taxes in the nature of property, sales, use or rental Taxes) imposed on the Owner Participant by any state or local taxing jurisdiction in the United States ("State or Local Taxing Authority") that are on, based on or measured by net or gross income or net or gross receipts of the Owner Participant or any related Tax Indemnatee (including any minimum Taxes and any Taxes on or measured by any items of tax preference) or that are franchise Taxes, Taxes on doing business or Taxes on, based on or measured by capital or net worth of the Owner Participant or any related Tax Indemnatee, provided that there shall not be excluded under this clause (ii) any Taxes on, based on or measured by gross income or gross receipts imposed by any State or Local Taxing Authority to the extent such Taxes would have been imposed had the operation or presence of the Aircraft, any Engine, any Part or the Lessee in, or the Lessee's making payments under the Lease from, the jurisdiction imposing such Taxes been the sole connection between the Owner Participant (and any such related Tax Indemnatee) and such jurisdiction;

(iii) Taxes (other than Taxes in the nature of property, sales, use or rental Taxes) imposed on the Owner Participant by any taxing jurisdiction other than the United States Federal government and other than any State or Local Taxing Authority ("Foreign Taxing Authority") that are on, based on or measured by net or gross income or net or gross receipts of the Owner Participant or any related Tax Indemnatee (including any minimum Taxes, withholding Taxes and any Taxes on or measured by any items of tax prefer-

ence) or that are franchise Taxes, Taxes on doing business or Taxes on, based on or measured by capital or net worth of the Owner Participant or any related Tax Indemnatee; provided that there shall not be excluded under this subparagraph (iii) any Taxes imposed by any Foreign Taxing Authority if, and to the extent, such Taxes would have been imposed had the only connections between the Owner Participant (and any such related Tax Indemnatee) and such jurisdiction been (w) the operation or presence in such jurisdiction of the Aircraft, any Engine or any Part, (x) the operation or presence in such jurisdiction of any other items of transportation equipment usable in international commerce owned by the Owner Participant and leased to unrelated lessees in long term net leases, (y) the presence of the Lessee in, or the Lessee's making payments under the Lease from, such jurisdiction or (z) any combination of the preceding clauses (w), (x) and (y);

(iv) Taxes imposed on a Tax Indemnatee on or with respect to any transfer (other than any transfer that occurs as a result of an Event of Default that has occurred and is continuing or as a result of the substitution, replacement, modification, pooling or improvement of the Aircraft or any part thereof or interest therein, any Engine or any Part or pursuant to Section 8, 9, 10, or 20 of the Lease) (x) by such Tax Indemnatee or any Related Tax Indemnatee of any interest in the Aircraft, any Engine, any Part or any Certificate or any interest arising under the Operative Documents (for the avoidance of doubt, the assumption by the Lessee of the rights and obligations of the Owner Trustee under the Indenture and the Certificates pursuant to Section 2.16 of the Indenture shall not be considered a transfer described in this clause (x)) or (y) of any interest in such Tax Indemnatee or any Related Tax Indemnatee;

(v) Taxes imposed on a Tax Indemnatee to the extent of the excess of such Taxes over the amount of such Taxes that would have been imposed and indemnified against had there not been a transfer (other than any transfer that occurs as a result of an Event of Default that has occurred and is continuing) (x) by such Tax Indemnatee or any Related Tax Indemnatee of any interest in the Aircraft, any Engine, any Part or any Certificate or any interest arising

under the Operative Documents (for the avoidance of doubt, the assumption by the Lessee of the rights and obligations of the Owner Trustee under the Indenture and the Certificates pursuant to Section 2.16 of the Indenture shall not be considered a transfer described in this clause (x)) or (y) of any interest in such Tax Indemnitee or any Related Tax Indemnitee;

(vi) Taxes imposed on the Owner Trustee or the Indenture Trustee that are on, based on or measured by any trustee fees for services rendered by the Owner Trustee in its capacity as trustee under the Trust Agreement, or by the Indenture Trustee in its capacity as trustee under the Trust Indenture, as the case may be;

(vii) Taxes for so long as such Taxes are being contested in accordance with the provisions of Section 7(c)(4) hereof;

(viii) Taxes attributable to the Aircraft or any Engine that are imposed with respect to any period after the earlier of (x) the return of the Aircraft (or such Engine) under the Lease (it being understood that the date of the placement of the Aircraft in storage as provided in Section 5(d) of the Lease constitutes the date of return of the Aircraft and Engines under the Lease) and (y) the expiration or earlier termination of the Lease under circumstances not requiring the return of the Aircraft; provided that the exclusion set forth in this subparagraph (viii) shall not apply to Taxes to the extent such Taxes relate to events or conditions occurring or matters arising prior to or simultaneously with such time;

(ix) Taxes that would not have been imposed but for (A) in the case of Taxes imposed on or with respect to the Owner Trustee, the Trust Estate, the Owner Participant or any related Tax Indemnitee with respect to any of the foregoing, the existence of any Lessor's Liens, (B) in the case of Taxes imposed on or with respect to any Tax Indemnitee (other than Wilmington Trust Company or NationsBank of Georgia, National Association, their respective successors and assigns (including, without limitation, each and any Person who is at any time a replacement Owner Trustee or Indenture Trustee), their respective officers,

directors, servants and agents and their respective Affiliates), any act or omission of such Tax Indemnatee or any Tax Indemnatee related to such Tax Indemnatee that is in violation of any of the terms of the Operative Documents, (C) in the case of Taxes imposed on or with respect to any Tax Indemnatee, any act or omission of such Tax Indemnatee or any Tax Indemnatee related to such Tax Indemnatee that constitutes gross negligence or willful misconduct, or the inaccuracy of any representation, warranty or covenant by such Tax Indemnatee or such related Tax Indemnatee, but only if, in any such case described in the immediately preceding clause (B) or (C), such act, omission or inaccuracy is not a result in whole or in part of (I) any act or omission of the Lessee or any sublessee or Person (other than a Tax Indemnatee) that is a user of the Aircraft or any Engine or any Affiliate of any thereof or (II) the breach or inaccuracy of any representation, warranty or covenant of the Lessee or any Affiliate, or (D) in the case of Taxes imposed on or with respect to the Indenture Trustee, the Indenture Estate, any Loan Participant or any related Tax Indemnatee with respect to any of the foregoing, the existence of any Loan Participant Lien;

(x) Taxes imposed on any Tax Indemnatee (other than any Loan Participant, the Indenture Trustee or the Indenture Estate) to the extent such Taxes are increased (A) as a result of a change in the situs of the Trust Estate (other than a change at the Lessee's request or a change that is consented to by the Lessee in writing, which consent shall not unreasonably be withheld and the request for which shall have specified this subparagraph (x)) or (B) as a result of the unreasonable failure of the Owner Participant to comply or the gross negligence of the Owner Trustee in complying with the Lessee's request pursuant to Section 9(d) hereof to move the situs of the Trust Estate to another jurisdiction;

(xi) Taxes imposed on a Tax Indemnatee (other than the Indenture Trustee or the Indenture Estate) that would not have been imposed upon such Tax Indemnatee but for any failure of such Tax Indemnatee or any related Tax Indemnatee to comply with (x) certification, information, documentation, reporting or other similar requirements concerning the national-

ity, residence, identity or connection with the jurisdiction imposing such Taxes, if such Tax Indemnitee's or any related Tax Indemnitee's compliance is required by statute or by regulation of the jurisdiction imposing such Taxes as a precondition to relief or exemption from such Taxes and the Tax Indemnitee or such related Tax Indemnitee was eligible for such relief or exemption or (y) any other certification, information, documentation, reporting or other similar requirements under the Tax laws or regulations of the jurisdiction imposing such Taxes that would establish entitlement to otherwise applicable relief or exemption from such Taxes, provided that the exclusion set forth in this subparagraph (xi) shall not apply if such failure to comply was due to a failure of the Lessee (A) timely to notify such Tax Indemnitee of such requirement or (B) to provide reasonable assistance in complying with such requirement or, in the case of the Owner Participant, if such failure was the result of the Owner Trustee's negligence or the Owner Trustee's actions or failure to act in accordance with instructions of the Owner Participant or, in the case of any Loan Participant, if such failure was the result of the Indenture Trustee's negligence or the Indenture Trustee's actions or failure to act in accordance with instructions of such Loan Participant;

(xii) Taxes imposed on any Tax Indemnitee other than any Loan Participant, the Indenture Trustee or the Indenture Estate in the nature of any intangible or similar tax upon or with respect to the value of the interest of the Owner Participant in the Trust Estate imposed by any government or taxing authority in which the Owner Participant is subject to tax without regard to the ownership or lease of the Aircraft;

(xiii) Taxes that would not have been imposed but for an amendment to any Operative Documents not consented to by the Lessee in writing (other than any amendment that occurs after an Event of Default has occurred and while it is continuing);

(xiv) Taxes imposed on the Owner Participant, the Owner Trustee or the Trust Estate by the United States or by any state or local government or taxing authority in the United States (including any ter-

ritory or possession thereof) by reason of the trust described in the Trust Agreement being taxed in the same manner as a corporation;

(xv) Taxes (other than Taxes in the nature of property, sales, use or rental Taxes) imposed on any Loan Participant that are on, based on or measured by gross or net income or gross or net receipts of such Loan Participant or any related Tax Indemnitee (including any minimum Taxes and any Taxes on or measured by any items of tax preference) or that are franchise Taxes, Taxes on doing business or Taxes on, based on or measured by capital or net worth of such Loan Participant or any related Tax Indemnitee by (x) the Federal government of the United States or (y) any state or local government or taxing authority in the United States or any foreign government or any territory or possession of the United States or any international authority or any political subdivision or taxing authority of any of the foregoing except to the extent that such Taxes would have been due had the transactions contemplated by the Operative Documents been the sole connection between the jurisdiction imposing such Taxes and such Loan Participant, provided that there shall not be excluded under clause (x) or (y) of this subparagraph (xv) Taxes to the extent imposed by reason of such Loan Participant being treated as having a taxable exchange as a result of an assumption by the Lessee of the rights and obligations of the Owner Trustee under the Indenture and the Certificates pursuant to Section 2.16 of the Indenture (for the avoidance of doubt, nothing in this clause (xv) shall affect any obligation of the Owner Trustee under Section 2.04 of the Indenture); and

(xvi) Taxes imposed on any Loan Participant in the nature of any intangible or similar tax upon or with respect to the value of the interest of such Loan Participant in any Certificate or the loan evidenced thereby, except to the extent that such Taxes would have been due had the transactions contemplated by the Operative Documents been the sole connection between the jurisdiction imposing such Taxes and such Loan Participant.

(3) Tax Benefit Payback. If, by reason of the payment or accrual of any Taxes indemnified hereunder, a

Tax Indemnitee realizes an actual reduction in any Taxes, which reduction in Taxes was not taken into account in calculating any indemnity payments made by the Lessee hereunder, then such Tax Indemnitee shall promptly pay to the Lessee an amount equal to such actual reduction in Taxes, if any, plus the actual reduction in Taxes realized by such Tax Indemnitee or any related Tax Indemnitee as the result of any payment made by such Tax Indemnitee pursuant to this sentence. Each Tax Indemnitee shall in good faith use diligence in filing its tax returns and in dealing with Taxing Authorities to seek and claim any tax benefit that would result in any such reduction in Taxes or any refund of any Taxes payable or indemnifiable by the Lessee hereunder, provided that no Loan Participant shall have any obligation to claim any credit or any deduction in priority to any other claims, reliefs, credits or deductions available to it. Any Taxes that are imposed on any Tax Indemnitee as a result of the disallowance or reduction of any reduction in Taxes referred to in the second preceding sentence as to which (and to the extent) such Tax Indemnitee has made any payment to the Lessee required hereby shall be treated as a Tax for which the Lessee is obligated to indemnify such Tax Indemnitee pursuant to the provisions of this Section 7(c) without regard to the exclusions set forth in Section 7(c)(2). For the purposes of this Section 7(c)(3), items of foreign Tax of any Tax Indemnitee (other than any Loan Participant) shall be deemed to be utilized by such Tax Indemnitee as credits or deductions in any taxable year in accordance with the following:

- (i) First, all available foreign Taxes other than those arising out of leveraged lease transactions; and
- (ii) Second, foreign Taxes arising from leveraged lease transactions for which such Tax Indemnitee was not indemnified or held harmless by anyone; and
- (iii) Third, all available foreign Taxes for which such Tax Indemnitee was indemnified or held harmless by the Lessee and all other available foreign Taxes indemnified under any other leveraged lease transactions (other than those arising from any transaction in which there is an express agreement that such Taxes shall be utilized last), on a pari passu basis; and

(iv) Fourth, any remaining foreign Taxes arising from any transaction in which there is an express agreement that such Taxes shall be utilized after such Taxes described above.

(4) Contests. If a written claim shall be made against any Tax Indemnitee for any Tax for which the Lessee is obligated pursuant to this Section 7(c), such Tax Indemnitee shall notify the Lessee in writing promptly of such claim. If the Lessee shall so request in writing within 30 days after receipt of such notice, such Tax Indemnitee shall in good faith at the Lessee's expense contest the imposition of such Tax (including taking an appeal of any adverse judicial decision) by (a) resisting payment of such Tax, (b) paying such Tax under protest or (c) paying such Tax and seeking a refund or other repayment thereof, provided that, at such Tax Indemnitee's option, such contest shall be conducted by the Lessee in the name of such Tax Indemnitee or, if permitted by law, in the name of the Lessee, and that in no event shall such Tax Indemnitee be required to contest, or the Lessee permitted to contest in the name of such Tax Indemnitee or the Lessee, the imposition of any Tax for which the Lessee is obligated pursuant to this Section 7(c) unless (v) the Lessee shall have delivered a written opinion of its internal counsel or outside counsel to the effect that there is a reasonable basis (consistent with Formal Opinion 85-352 of the American Bar Association) for contesting such claim, (w) if an Event of Default shall have occurred or be continuing, the Lessee shall have provided security for its obligations hereunder reasonably satisfactory to the Tax Indemnitee, (x) the Lessee shall have agreed to pay such Tax Indemnitee on demand all reasonable out-of-pocket costs and expenses that such Tax Indemnitee may incur in connection with contesting such claim (including, without limitation, all reasonable legal and accounting fees and disbursements), (y) the action to be taken will not result in any material danger of sale, forfeiture or loss of the Aircraft, Airframe, any Engine or any material Part or any interest in any thereof and (z) if such contest shall be conducted in a manner requiring the payment of the claim, the Lessee shall pay such claim or shall advance to the Tax Indemnitee on an interest-free basis and with no additional net after-tax cost to the Tax Indemnitee sufficient funds to pay the claim. Except as otherwise provided herein, the contest shall be conducted in the manner determined by the Lessee unless it involves issues with respect to which the Lessee would not

be required to indemnify such Tax Indemnitee hereunder which can not be severed by reasonable efforts of such Tax Indemnitee from all issues with respect to which the Lessee would be liable hereunder. If the contest involves issues with respect to which the Lessee would not be required to indemnify such Tax Indemnitee hereunder that can not be severed by reasonable efforts of such Tax Indemnitee from all issues with respect to which the Lessee would be liable hereunder, such Tax Indemnitee may in its sole discretion select the forum for such contest and determine the manner in which such contest shall be conducted, provided that such Tax Indemnitee shall afford the Lessee and its counsel a reasonable opportunity to discuss with such Tax Indemnitee the Lessee's interests with respect to such contest. No contest of any issue with respect to which the Lessee would be required to indemnify hereunder shall be settled without the prior written consent of the Lessee unless the Tax Indemnitee waives (by written notice to the Lessee) the payment by the Lessee of any amount that might otherwise be payable by the Lessee under this Section 7(c) in respect of such issue and any related issue the contest of which is effectively foreclosed by the settlement of such issue, including any payment arising from such issue in subsequent years or which arises by reason of the fact that such issue is of a continuing nature, and promptly pays to the Lessee any amount previously paid or advanced by the Lessee with respect to such issue or the contest of such issue, provided that if there has been an adverse judicial decision with respect to such issue or related issue the Tax Indemnitee, in determining whether it will terminate the contest of such issue, shall afford the Lessee and its counsel a reasonable opportunity to discuss with such Tax Indemnitee the Lessee's interests with respect to such contest. If any Tax Indemnitee shall obtain a refund of all or any part of any Tax paid by the Lessee or with funds provided by the Lessee, such Tax Indemnitee shall pay the Lessee, net of any payments theretofore due to such Tax Indemnitee pursuant to this Section 7(c) but unpaid and any other payments theretofore due to such Tax Indemnitee under any of the Operative Documents but unpaid, an amount equal to the amount of such refund, including interest received attributable thereto, reduced by any Taxes incurred by such Tax Indemnitee or a related Tax Indemnitee by reason of the receipt or accrual of such refund and interest, and increased by any tax benefit realized by such Tax Indem-

nitee or a related Tax Indemnatee as a result of any payment by such Tax Indemnatee made pursuant to this sentence.

(5) Reports. If any report, return or statement is required to be filed with respect to any Tax that is a property tax (or a tax in the nature of a property tax) subject to indemnification under this Section 7(c), the Lessee shall timely file the same (except for any such report, return or statement which the Tax Indemnatee has notified the Lessee that the Tax Indemnatee intends to file, provided that such Tax Indemnatee shall have furnished the Lessee, at the Lessee's request and expense, with such information, not within the control of the Lessee, as is in such Tax Indemnatee's control and is reasonably available to such Tax Indemnatee and reasonably necessary to file such returns. The Lessee shall either file such report, return or statement so as to show the ownership of the Aircraft in the Owner Trustee and send a copy of such report, return or statement to the Tax Indemnatee, and the Owner Trustee if the Tax Indemnatee is not the Owner Trustee, or, where the Lessee is not permitted to so file, shall notify the Tax Indemnatee of such requirement and prepare and deliver such report, return or statement to the Tax Indemnatee in a manner satisfactory to such Tax Indemnatee within a reasonable time prior to the time such report, return or statement is to be filed. The Lessee shall also furnish promptly upon written request such data in its possession or otherwise reasonably available to it as any Tax Indemnatee may reasonably request to enable such Tax Indemnatee to comply with the requirements of any Taxing Authority. The Lessee shall hold each Tax Indemnatee harmless from and against the penalties, additions to tax and fines arising from any insufficiency or inaccuracy in any such report, return or statement or fairly attributable to the inaccuracy of any data supplied to any Tax Indemnatee by the Lessee, without regard to whether such penalties, additions to tax and fines are otherwise indemnifiable under this Section 7(c). If any report, return or statement is required to be filed with respect to any Tax (other than a property tax or a tax in the nature of a property tax) subject to indemnification under this Section 7(c), the Lessee will promptly notify the appropriate Tax Indemnatee upon the Lessee's obtaining actual knowledge of such requirement. If the Lessee receives written notice from a Taxing Authority of a Tax that is imposed upon a Tax Indemnatee but not indemnified against by the Lessee hereunder, the

Lessee will forward a copy of such notice to such Tax Indemnitee.

(6) Payment. The Lessee shall pay any Tax for which it is liable pursuant to this Section 7(c), directly to the appropriate taxing authority or upon demand of a Tax Indemnitee to such Tax Indemnitee, within 30 Business Days of a written demand, but in no event prior to the date such Tax is due (including all extensions), or, in the case of Taxes which are being contested, the time such contest is finally resolved. Any such demand shall specify in reasonable detail the calculation to the payment and the facts upon which the right to payment is based. Each Tax Indemnitee shall promptly forward to the Lessee any notice, bill or advice received by it concerning any Tax which the Lessee may be required to indemnify against hereunder. Upon the written request of an appropriate Tax Indemnitee, the Lessee shall furnish such Tax Indemnitee the original or a certified copy of a receipt (if any is available to the Lessee) for the Lessee's payment of any Tax that is subject to indemnification pursuant to this Section 7(c), or such other evidence of payment of such Tax as is acceptable to such Tax Indemnitee (and available to the Lessee).

(7) Application of Payments During Existence of Event of Default. Any amount payable to the Lessee pursuant to the terms of this Section 7(c) shall not be paid to the Lessee if at the time such payment would otherwise be made an Event of Default or event that with lapse of time would constitute an Event of Default under Section 14(a), 14(g), 14(h) or 14(i) of the Lease shall have occurred and be continuing but shall be held by the Tax Indemnitee as security for the obligations of the Lessee under the Operative Documents and, if the Lessor declares the Lease to be in default pursuant to Section 15 thereof (or the Lease is deemed to be declared in default), applied against the Lessee's obligations under the Operative Documents as and when due, provided that no such amount shall be held as security for more than 180 days unless the Lessor or the Indenture Trustee shall be precluded by law or court order from exercising remedies under Section 15 of the Lease. At such time as there shall not be continuing any such Event of Default or other event or such 180-day period shall have elapsed, such amount shall be paid to the Lessee to the extent not previously applied in accordance with the preceding sentence.

(8) Forms, Etc. Each Tax Indemnitee agrees to furnish from time to time to the Lessee or to such other person as the Lessee may designate, at the Lessee's request in writing and expense, such duly executed and properly completed forms as may be necessary or appropriate in order to claim any reduction of or exemption from any withholding or other Tax imposed by any Taxing Authority which the Lessee may be required to indemnify against hereunder, if (x) such reduction or exemption is available to such Tax Indemnitee and (y) the Lessee has provided such Tax Indemnitee with any information necessary to complete such form not otherwise reasonably available to such Tax Indemnitee.

(9) Non-Parties. If a Tax Indemnitee is not a party to this Agreement, the Lessee may require the Tax Indemnitee to agree in writing, in a form reasonably acceptable to the Lessee, to the terms of this Section 7(c) prior to making any payment to such Tax Indemnitee under this Section 7(c).

(10) Verification. At the Lessee's request, the amount of any indemnity payment by the Lessee pursuant to this Section 7 or any payment by a Tax Indemnitee to the Lessee pursuant to this Section 7 shall be verified and certified by either the independent public accounting firm that audits the financial statements of such Tax Indemnitee (provided that such firm shall have its headquarters in the United States) or another independent public accounting firm selected by such Tax Indemnitee and reasonably satisfactory to the Lessee, provided that, in the case of any Loan Participant, the amount of any payment by such Loan Participant to the Lessee pursuant to this Section 7 shall be verified and certified by the independent public accounting firm that audits the financial statements of such Loan Participant. The fee of such independent public accounting firm shall be paid by the Lessee unless such verification shall disclose an error in such Tax Indemnitee's favor exceeding 10% of the amount of such payment determined by the Tax Indemnitee, in which case such fee shall be paid by such Tax Indemnitee. The Lessee will have no right to examine the tax returns of the Tax Indemnitee in connection with the verification procedure described in this Section 7(c)(10); each Tax Indemnitee agrees to cooperate with the independent public accounting firm performing the verification and to supply such firm with all information reasonably necessary to permit it to accomplish such verification, provided that

the information provided to such firm by such Tax Indemnitee shall be for its confidential use.

(11) Definition. For purposes of this Section 7(c), "Tax Indemnitee" shall mean the Owner Participant, the Owner Trustee, in its individual capacity and as trustee, the Trust Estate, each Loan Participant, the Indenture Trustee, in its individual capacity and as trustee, and the Indenture Estate, and any reference to a Tax Indemnitee, the Owner Participant, the Owner Trustee, the Trust Estate, any Loan Participant, the Indenture Trustee or the Indenture Estate shall include its respective successors, permitted assigns, officers, directors, agents, servants and Affiliates and shall also include any member of the Affiliated Group of which such Tax Indemnitee, the Owner Participant, the Owner Trustee, the Trust Estate, such Loan Participant, the Indenture Trustee, or the Indenture Estate, as the case may be, is a member. For purposes of this Section 7(c), "Related Tax Indemnitee" shall mean (i) with respect to each of the Owner Participant, the Owner Trustee and the Trust Estate, such other Tax Indemnitees, and (ii) with respect to any Loan Participant, the Indenture Trustee and the Indenture Estate, such other Tax Indemnitees.

(12) Subrogation. Upon payment of any Tax by the Lessee pursuant to this Section 7(c) to or on behalf of a Tax Indemnitee, the Lessee, without any further action, shall be subrogated (unless a court of competent jurisdiction shall have entered a final judgment ordering the return of such payment to the Lessee) to any claims that such Tax Indemnitee may have relating thereto other than claims in respect of insurance policies maintained by such Tax Indemnitee at its own expense. Such Tax Indemnitee shall give such further reasonable assurances or agreements and cooperate with the Lessee to permit the Lessee to pursue such claims; provided that the Lessee shall reimburse such Tax Indemnitee for all reasonable out-of-pocket costs associated with such assurances, agreements or cooperation.

(d) Survival. The representations, warranties, indemnities and agreements of the Lessee provided for in this Section 7 and the Lessee's obligations under any and all thereof, and the obligations of any Indemnitee or Tax Indemnitee under this Section 7, shall survive the Owner Participant's and the Original Loan Participant's making of their respective Commitments, the delivery of the

Aircraft and the expiration or other termination of the Operative Documents.

(e) Payments; Interest. Any payments made pursuant to this Section 7 directly to an Indemnitee or a Tax Indemnitee or to the Lessee, as the case may be, shall be made in immediately available funds at such bank or to such account as is specified by the payee in written directions to the payor or, if no such directions shall have been given, by certified check of the payor payable to the order of the payee and mailed to the payee by certified mail, return receipt requested, postage prepaid to its address referred to in Section 15(c) of this Agreement (or, in the case of an Indemnitee or Tax Indemnitee that is not a party to this Agreement, to such address as shall have been furnished by it in writing to the Lessee). To the extent permitted by applicable law, interest at the Overdue Rate shall be paid, on demand, on any amount or indemnity not paid when due pursuant to this Section 7 until the same shall be paid. Such interest shall be paid in the same manner as the unpaid amount in respect of which such interest is due.

(f) Effect of Other Indemnities. The Lessee's obligations under the indemnities provided for in this Agreement shall be those of a primary obligor whether or not the Person indemnified shall also be indemnified with respect to the same matter under the terms of this Agreement, the Lease, the Trust Indenture, the Trust Agreement or any other document or instrument, and the Person seeking indemnification from the Lessee pursuant to any provisions of this Agreement may proceed directly against the Lessee without first seeking to enforce any other right of indemnification.

Section 8. Representations and Warranties. (a) The Owner Participant represents and warrants that neither it nor any Person authorized by it to act on its behalf has directly or indirectly offered any Certificates or any interest in and to the Trust Estate, the Trust Agreement, or any similar security for sale, or solicited any offer to acquire any of the same other than in a manner required or permitted by the Securities Act of 1933, as amended, and by the rules and regulations thereunder. The Owner Participant represents and warrants that its interest in and to the Trust Estate and the Trust Agreement is being acquired for its own account and it is being purchased for investment and not with a view to any

resale or distribution thereof; provided, however, that such representation shall in no way limit the Owner Participant's right to transfer such interest pursuant to, and in accordance with all the terms and conditions of, Section 16(c) hereof.

SECTION 9. Certain Covenants. (a) The Owner Participant agrees promptly to pay or, if previously paid by the Lessee, to reimburse the Lessee for, (x) the initial fees of the Owner Trustee and the Indenture Trustee in connection with the transactions contemplated hereby and (y) all the reasonable out-of-pocket costs and expenses incurred by the Indenture Trustee, the Owner Trustee, the Owner Participant and the Original Loan Participant in connection with the negotiation, preparation, execution and delivery of this Agreement, the other Operative Documents and any other documents or instruments referred to herein or therein, including, without limitation,

(i) the reasonable fees, expenses and disbursements of (A) Vedder, Price, Kaufman & Kammholz, special counsel for the Original Loan Participant, (B) Powell, Goldstein, Frazer & Murphy, special counsel for the Indenture Trustee, (C) Potter Anderson & Corroon, special counsel for the Owner Trustee, and (D) Crowe & Dunlevy, P.C., special counsel in Oklahoma City, Oklahoma;

(ii) the reasonable fees, expenses and disbursements of Sidley & Austin, special counsel for the Owner Participant;

(iii) the reasonable fees, expenses and disbursements of Debevoise & Plimpton, special counsel for the Lessee, and the fees and expenses of Babcock & Brown, the Lessee's financial advisor, in amounts separately agreed; and

(iv) all other reasonable expenses incurred in connection with such actions and transactions, including, without limitation, the fees and expenses of one (but only one) aircraft appraiser in respect of the appraisal referred to in Section 4, printing and document production or reproduction expenses and all fees, taxes and other charges payable in connection with the recording or filing of the instruments and financing statements described in this Agreement.

Each of the Owner Trustee, the Lessee, the Original Loan Participant and the Indenture Trustee shall promptly submit to the Owner Participant copies of the invoices in respect of the foregoing transaction costs as they are received, and in all events not later than December 31, 1992. The Owner Participant prior to the payment thereof will send copies of any invoices received by it with respect to any of the foregoing fees, expenses and disbursements constituting transaction costs to the Lessee for the Lessee's review and approval, such approval not to be unreasonably withheld or delayed.

In the event that the transactions contemplated by this Agreement and the agreements referred to herein are not consummated, the Lessee shall bear and pay all costs, expenses and fees referred to above; provided that if the transaction fails to be consummated as a result of failure of the Owner Participant to act in good faith in consummating the transactions, or to fulfill its funding obligations or otherwise to comply with the terms hereof or thereof, the Owner Participant shall bear and pay its own fees, costs and expenses (including, without limitation, the fees and expenses of its special counsel), and the Lessee shall pay all other reasonable fees, costs and expenses as aforesaid.

(b) The Owner Participant covenants that if (i) it ceases to be a "citizen of the United States" within the meaning of Section 101(16) of the Federal Aviation Act and (ii) either (A) the Aircraft shall or would thereupon become ineligible for registration in the name of the Owner Trustee under the Federal Aviation Act as in effect at such time, or under the law of the current jurisdiction of registry of the Aircraft, as the case may be, and the regulations then applicable thereunder, or (B) the Aircraft is registered in a jurisdiction other than the United States in circumstances in which clause (A) does not apply and the Lessee at any time proposes to register the Aircraft within four months in any jurisdiction to which clause (A) would apply upon such reregistration, then the Owner Participant at its own expense shall promptly (and, in any event, within a period of 30 days) either transfer, pursuant to Article VIII of the Trust Agreement and Section 16(c) hereof, such of its right, title and interest in and to the Trust Agreement, the Trust Estate, and this Agreement, or take such other action, as may be necessary to prevent any deregistration

of the Aircraft or to make possible its registration in the United States. Each party hereto agrees to take such steps, at the Owner Participant's expense, as the Owner Participant shall reasonably request in order to assist the Owner Participant in complying with its obligations under this Section 9(b). The Owner Participant hereby agrees to indemnify the Lessee, the Indenture Trustee and each Loan Participant against any and all losses, liabilities and expenses incurred by the Lessee, the Indenture Trustee or any Loan Participant to the extent that any such losses, liabilities or expenses are caused by the Aircraft's so becoming ineligible or ceasing to remain eligible for such registration.

(c) The Owner Trustee in its individual capacity covenants that if at any time it shall cease to be a "citizen of the United States" within the meaning of Section 101(16) of the Federal Aviation Act, it will resign immediately as Owner Trustee (if and so long as such citizenship is necessary under the Federal Aviation Act, or the law of the current jurisdiction of the registry of the Aircraft, as the case may be, as in effect at such time or, if it is not necessary, if and so long as the Owner Trustee's citizenship (in its individual capacity) would have any adverse effect on the Lessee or any Loan Participant). The Owner Trustee in its individual capacity hereby unconditionally agrees with and for the benefit of the parties to this Agreement that the Owner Trustee in its individual capacity will not directly or indirectly create, incur, assume or suffer to exist any Lessor's Liens on or against any part of the Trust Estate, the Indenture Estate or the Aircraft arising out of any act or omission of or claim against or affecting the Owner Trustee in its individual capacity, and the Owner Trustee in its individual capacity agrees that it will at its own cost and expense promptly take such action as may be necessary to duly discharge and satisfy in full (i) all Lessor's Liens attributable to the Owner Trustee in its individual capacity and (ii) any other Liens attributable to the Owner Trustee in its individual capacity on any part of the Trust Estate or the Indenture Estate which result from claims against the Owner Trustee in its individual capacity not related to the ownership of the Aircraft, the administration of the Trust Estate or the Indenture Estate or the transactions contemplated by the Operative Documents. The Owner Trustee, in its individual capacity, hereby agrees to indemnify and hold harmless the Lessee, the Indenture Trustee and each Participant from

and against any loss, cost or expense (including reasonable legal fees and expenses) which may be suffered or incurred by any of them as a result of the failure of the Owner Trustee to discharge and satisfy any such Lessor's Lien or other lien or encumbrance.

(d) Each of the Owner Participant and the Owner Trustee (in its individual capacity and as Owner Trustee) agrees with the Lessee, the Indenture Trustee and each Loan Participant that it will comply with all of the terms of the Trust Agreement (as the same may hereafter be amended or supplemented from time to time in accordance with the terms thereof) applicable to it in its respective capacity, the noncompliance with which would adversely affect any such party and shall not take any action, or cause any action to be taken, which would amend, modify or supplement any provision of the Trust Agreement in a manner adversely affecting any such party without the prior written consent of such party, which consent shall not be unreasonably withheld. The Owner Trustee confirms for the benefit of the Lessee, the Indenture Trustee and each Loan Participant that it will comply with the provisions of Article IV of the Trust Agreement. The Owner Participant agrees not to terminate or revoke the trust created by the Trust Agreement without the prior written consent of the Lessee and (so long as the Trust Indenture shall not have been discharged) the Indenture Trustee and each Loan Participant, which consent shall not be unreasonably withheld. The Owner Participant further agrees not to remove the institution acting as Owner Trustee, and not to replace the institution acting as Owner Trustee in the event that such institution resigns as Owner Trustee, unless the Owner Participant shall have consulted in good faith with the Lessee, the Indenture Trustee and the Original Loan Participant prior to such removal or replacement as to the identity, location and fee schedules of the proposed successor trustee, provided that (i) the Owner Participant shall retain the right, notwithstanding any such consultation, to act in its sole discretion (provided that the Owner Participant shall not choose a replacement Owner Trustee which, in the good faith opinion of the Lessee, may result in additional liability to the Lessee pursuant to Section 7(c) hereof, except in the case of a mandatory or voluntary resignation of the Owner Trustee where the Lessee has not proposed an alternative Owner Trustee which is reasonably satisfactory to the Owner Participant) and (ii) no such consultation with the Lessee shall be required if an Event of Default shall have

occurred and be continuing. The Owner Trustee and the Owner Participant agree that no co-trustee or separate trustee shall be appointed pursuant to Section 9.02 of the Trust Agreement without the Lessee's (so long as no Event of Default shall have occurred and be continuing) and the Original Loan Participant's prior written consent, such consent not to be unreasonably withheld. The Owner Participant agrees that if, at any time, so long as no Event of Default has occurred and is continuing, the Lessee certifies that the Lessee has, or in the good faith opinion of the Lessee will, become obligated to pay an amount pursuant to Section 7(c) hereof and the amount that has or will become payable would be reduced or eliminated if the situs of the Trust Estate were changed and if, as a consequence thereof, the Lessee should request that the situs of the trust be moved to another state in the United States from the state in which it is then located, the Owner Participant shall direct such change in situs of the Trust Estate as may be specified in writing by the Lessee and the Owner Participant will take whatever action as may be reasonably necessary to accomplish such change; provided that the Lessee shall provide such additional indemnification for Taxes imposed by the jurisdiction to which the Trust Estate is to be moved as the Owner Participant may reasonably request. The Indenture Trustee shall execute such documents and take such action as may be necessary to effect such change in the situs of the Trust Estate; provided that the Lien created by the Indenture shall continue to be perfected and shall not be otherwise adversely affected by such change.

(e) So long as no Event of Default has occurred and is continuing, the Owner Trustee shall promptly pay to the Lessee any amounts received by it (i) pursuant to Section 2.04 of the Indenture or (ii) in respect of Break Funding Gain under Section 2.17 of the Trust Indenture (other than any Break Funding Gain payable with respect to the Certificates as a result of (A) any prepayment of the Certificates or purchase of the Certificates pursuant to Section 2.13 of the Trust Indenture as a result of an Indenture Default that does not also constitute an Event of Default or (B) an Indenture Default that does not also constitute an Event of Default, it being agreed that any such Break Funding Gain shall be for the account of the Owner Participant); provided that if any such amount has been so held by the Owner Trustee as security for more than 90 days after an Event of Default shall have occurred and during which period (x) the Owner Trustee shall not

have been limited by operation of law or otherwise from exercising remedies under the Lease or (y) the Owner Trustee shall not have commenced to exercise any remedy available to it under Section 15 of the Lease, then the Owner Trustee shall promptly pay such amount to the Lessee.

(f) The Owner Participant agrees that, in the event of the termination of the Lease pursuant to Section 9 thereof, the Owner Participant will pay any fees and commissions of any broker or finder appointed by the Owner Trustee or the Owner Participant, or any fees and commissions payable to the Lessee pursuant to such Section 9, in connection with the sale of the Aircraft. In addition, the Owner Participant agrees to pay or cause to be paid to the Owner Trustee such amounts as may be necessary to enable the Owner Trustee to pay any amounts to the Lessee pursuant to Section 9 or 15 of the Lease as a rebate of any Basic Rent theretofore paid under the Lease.

(g) Each Loan Participant hereby unconditionally agrees to perform its respective obligations under the Trust Indenture (including, without limitation, those contained in Sections 2.04, 2.17 and 2.18 of the Trust Indenture) as though such obligations were fully set forth herein.

(h) The Owner Trustee, in its capacity as Owner Trustee, will not incur any indebtedness for money borrowed, or enter into any business or other activity, except as contemplated hereby and by the other Operative Documents.

(i) The Indenture Trustee in its individual capacity hereby unconditionally agrees with and for the benefit of the parties to this Agreement that the Indenture Trustee in its individual capacity or as Indenture Trustee will not directly or indirectly create, incur, assume or suffer to exist any Liens on or against any part of the Trust Estate, the Indenture Estate or the Aircraft arising out of any act or omission of or claim against the Indenture Trustee in its individual capacity, and the Indenture Trustee in its individual capacity agrees that it will at its own cost and expense promptly take such action as may be necessary duly to discharge and satisfy in full (i) all such Liens attributable to the Indenture Trustee in its individual capacity and (ii) any other liens or encumbrances attributable to the Indenture Trust-

ee in its individual capacity on any part of the Trust Estate or the Indenture Estate which result from claims against the Indenture Trustee in its individual capacity not related to the administration of the Indenture Estate. The Indenture Trustee hereby agrees to indemnify and hold harmless the Lessee, the Owner Trustee and each Participant from and against any loss, cost or expense (including reasonable legal fees and expenses) which may be suffered or incurred by any of them as a result of the failure of the Indenture Trustee to discharge and satisfy any such Lien or such other lien or encumbrance.

(j) The Owner Trustee agrees that any profit, income, interest, dividend or gain realized upon the maturity, sale or other disposition of any Permitted Investment made by the Indenture Trustee pursuant to Section 3.07(b) of the Trust Indenture, and paid to the Lessee on behalf of the Owner Trustee by the Indenture Trustee in accordance with the terms of such Section 3.07(b), shall be entirely for the account of, and the sole property of, the Lessee who, for such purposes, shall not be deemed to be acting as agent of the Owner Trustee, and the Lessee shall have no obligation to pay over such income, interest, dividend or gain to the Owner Trustee.

(k) Each of the Indenture Trustee and each Loan Participant, by its acceptance of a Certificate, hereby irrevocably agree, to the maximum extent permitted by law, that, in any case in which any Person (other than the Lessee alone) is the debtor or one of the debtors under the Bankruptcy Code, each of the Indenture Trustee and each Loan Participant shall be deemed to have made a timely election pursuant to Section 1111(b)(1)(A)(i) of the Bankruptcy Code (or any substantively comparable provision which is the successor thereto) as to the Indenture Estate (which is acknowledged and agreed not to include Excepted Property).

(l) [intentionally omitted].

(m) Each of the Owner Participant and the Owner Trustee hereby agrees, for the benefit of the Lessee, to cooperate with the Lessee in effecting any foreign registration of the Aircraft pursuant to Section 7(a)(i) of the Lease; provided that prior to any such change in the country of registry of the Aircraft (other than a change in the country of registry that results in the

registration of the Aircraft under the laws of the United States of America), the Owner Participant, the Owner Trustee, the Indenture Trustee and the Loan Participants shall have received from counsel to the Lessee reasonably satisfactory to the Owner Participant, the Owner Trustee, the Indenture Trustee and the Loan Participants an opinion to the effect that (i) the terms of any relevant sublease and the Lease are legal, valid, binding and enforceable in such country to substantially the same extent as such documents are at that time enforceable in the United States, (ii) there is no statutory, regulatory or case law in such country imposing tort liability on the owner of an aircraft not in possession thereof, or on a lender providing funds for the purchase of an aircraft, under the laws of such country other than tort liability no more extensive or onerous than that which might have been imposed on such an owner or lender under the laws of the United States or any state thereof (it being understood that, in the event such opinion cannot be given in a form satisfactory to the Owner Participant, such opinion shall be waived if insurance reasonably satisfactory to the Owner Participant and the Indenture Trustee is provided by the Lessee to cover the risk of such liability), (iii) such re-registration will not result in the imposition by such country of any Taxes on the Owner Trustee, the Owner Participant, the Indenture Trustee or any Loan Participant for which the Lessee is not required to indemnify the Owner Participant, the Owner Trustee, the Indenture Trustee or any Loan Participant, as the case may be (provided that in lieu of the opinion referred to in this clause (iii) the Lessee may indemnify the Owner Participant, the Owner Trustee or the Loan Participants, as the case may be, for any Taxes imposed by such country in connection with or relating to the transactions contemplated by the Operative Documents which would not have been imposed but for such re-registration); (iv) there exist no possessory rights in favor of the Lessee or any sublessee under the laws of such country which would, upon bankruptcy of or other default by the Lessee or any sublessee, prevent the return of the Aircraft to the Owner Trustee in accordance with and when permitted by the terms of Sections 14 and 15(a) of the Lease upon the exercise by the Owner Trustee of its remedies under Section 15(a) of the Lease; (v) it is not necessary for the Owner Participant or the Owner Trustee to qualify to do business in such jurisdiction solely as a result of the proposed re-registration; (vi) the laws of such country require fair compensation by the government of such country for the

loss of use of the Aircraft in the event of the requisition by such government of the Aircraft (unless the Lessee shall have provided contemporaneously with such re-registration insurance reasonably satisfactory to the Lessor, the Owner Participant and the Indenture Trustee covering the risk of requisition of use of the Aircraft by the government of such country so long as the Aircraft is registered under the laws of such country); (vii) the Lessee shall have paid or made provision for the payment of all expenses of the Owner Participant, the Owner Trustee and the Loan Participants in connection with such change in registration; and (viii) solely in the case of the Indenture Trustee, after giving effect to such change in registration, the Lien on the Aircraft and the other property included in the Indenture Estate shall continue as a valid and duly perfected lien and that all filing, recording or other action necessary to perfect and protect the Lien of the Indenture has been accomplished (or if such opinion cannot be given at the time by which the Indenture Trustee has been requested to consent to a change in registration, (I) the opinion shall detail what filing, recording or other action is necessary and (II) the Indenture Trustee shall have received a certificate from the Lessee that all possible preparations to accomplish such filing, recording and other action shall have been done, and such filing, recording and other action shall be accomplished and a supplemental opinion to that effect shall be delivered to the Indenture Trustee on or prior to the effective date of such change in registration); and provided, further, that (x) the Owner Trustee, the Owner Participant and the Loan Participants shall have received prior to or contemporaneously with such re-registration (1) a certificate of insurance signed by an independent insurance broker to the effect that the Aircraft is and after such re-registration will continue to be insured in such country in accordance with the requirements of Section 11 of the Lease, (2) a certificate signed by a duly authorized officer of the Lessee stating that no Event of Default exists as of the date of such certificate and no Event of Default will occur or exist upon or resulting from such re-registration, (3) evidence and assurances reasonably satisfactory to such parties, that the aircraft and engine maintenance standards under the laws of such country of reregistration are substantially similar to those required by the central civil aviation authority of any of the United States, the United Kingdom, the Federal Republic of Germany, France, Canada or Japan, and (4) in the case of the Owner Participant only, as-

surances reasonably satisfactory to it that the currency of such country is freely convertible into U.S. Dollars (unless the Lessee shall have made arrangements reasonably satisfactory to the Owner Participant that all payments to be made by or on behalf of the Lessee under the Operative Documents and by any sublessee under the relevant sublease will be paid in U.S. Dollars) and (y) the Lessee shall not cause the Aircraft to be registered pursuant to Section 7(a)(i) of the Lease under the laws of any foreign jurisdiction without the prior written consent of the Owner Participant if (1) the civil aviation laws of such foreign jurisdiction impose unusual requirements on registrants of civil aircraft, and (2) the Owner Participant would be required to comply with such unusual requirements upon the registration of the Aircraft in such foreign jurisdiction, and the Owner Participant's compliance therewith would result in a material burden on the Owner Participant's business activities.

(n) Each of the Indenture Trustee and each Loan Participant hereby agrees, subject to the terms of Section 7(m) hereof, for the benefit of the Lessee, to cooperate with the Lessee in effecting any foreign registration of the Aircraft pursuant to Section 7(a)(i) of the Lease.

(o) The Indenture Trustee hereby agrees to give the Lessee notice (the "Notice") not later than the date that is five Business Days prior to January 1 of each year in which the Indenture shall be in effect, commencing on December 24, 1992, whether (x) there are any undistributed funds held in either the Trust Estate or the Indenture Estate, except such funds as shall be invested in those types of obligations or evidences of debt as are described in Section 48-6-22(1), O.C.G.A., i.e., obligations or evidences of debt of the United States, including obligations of the United States government agencies and corporations established by acts of the Congress of the United States, and obligations or evidences of debt of the State of Georgia or its political subdivisions or public institutions, including industrial development revenue bonds issued pursuant to the laws of the State of Georgia, (y) there are receivables then due and owing to the Indenture Estate and unpaid, or (z) the Indenture Estate or the Indenture Trustee holds legal title to any intangible personal property not expressly contemplated by the Operative Documents other than intangible personal property which is exempt from taxation under the pro-

visions of Section 48-6-22, O.C.G.A., and, if the Notice would on any date thereafter and prior to such January 1 be untrue, immediately to so notify the Lessee.

(p) Except to the extent provided in the following sentence and in Section 9(q) hereof and except for a purchase of the Loan Certificates pursuant to Section 2.13 of the Trust Indenture, each Loan Participant agrees that it will not sell, assign, pledge or otherwise transfer all or any portion of any Certificate or the indebtedness evidenced thereby without the prior written consent of the Lessee, which consent shall not be unreasonably withheld, provided that under no circumstances may any such sale, assignment, pledge or transfer (other than a purchase of the Certificates pursuant to Section 2.13 of the Trust Indenture) be made to any Person not meeting the requirements set forth in clause (c) of the definition of Permitted Transferee. Notwithstanding the foregoing, each Loan Participant may sell, assign, pledge or otherwise transfer all or any portion of any of its Certificates or the indebtedness evidenced thereby to a Permitted Transferee without such consent, provided that such sale, assignment, pledge or transfer does not violate any applicable laws and such Loan Participant and such Permitted Transferee shall have executed and delivered a transfer agreement in the form attached as Exhibit XII hereto, and provided, further, that no Loan Participant may grant participations in any Loan Certificate or Certificates unless such grant shall be made in accordance with Section 9(q). Each Loan Participant hereby agrees that (x) any such sale, assignment, pledge, transfer or grant of participation shall be made in accordance with this Section 9(p) or Section 9(q), as the case may be, and so as not to violate any applicable laws, including without limitation the Securities Act of 1933, as amended, the Trust Indenture Act of 1939, as amended, and any other applicable laws relating to the transfer of similar interests and (y) no such sale, assignment, pledge, transfer or grant of participation shall be made under circumstances that require registration under such Securities Act or qualification of an indenture under such Trust Indenture Act.

(q) Each Loan Participant agrees that it will not grant participations (including, without limitation, "risk participations") in or to all or a portion of its rights and obligations in respect of the Certificates and any amounts from time to time payable to it in respect

thereof, unless (A) in the case of each such participation, such participation is made to a Permitted Transferee, (B) such Loan Participant's obligations under the Operative Documents shall remain unchanged, including, without limitation, under Section 2.13 of the Trust Indenture, (C) such Loan Participant shall remain solely responsible to the other parties to the Operative Documents for the performance of such obligations and (D) such Loan Participant shall remain the Holder of its Loan Certificates, and the other parties to the Operative Documents shall continue to deal solely and directly with such Loan Participant in connection with its Loan Certificates and the Loan Participant's rights and obligations under the Operative Documents. The liability of the Owner Trustee in respect of increased costs, Break Amount and taxes under Section 2.04, 2.17 or 2.18 of the Trust Indenture, and the liability of the Lessee under Section 7(c) hereof in respect of amounts payable directly to the Loan Participants, shall not, as a result of any participation granted by any Loan Participant, exceed what would have been its liability thereunder if such Loan Participant had not granted any such participation. Each Loan Participant may, in connection with any participation or proposed participation pursuant to this Section 9(q), disclose to the participant or proposed participant any information relating to the Operative Documents or to the parties thereto furnished to such Loan Participant thereunder or in connection therewith and permitted to be disclosed by such Loan Participant; provided, however, that prior to any such disclosure, the participant or proposed participant shall agree in writing for the benefit of the Owner Participant and the Lessee to preserve the confidentiality of any confidential information included therein.

(r) NationsBank of Georgia, National Association, hereby agrees that it will perform all of its administrative duties under this Agreement and the other Operative Documents (whether in its individual capacity or as Indenture Trustee) solely in the State of Georgia, except to the extent necessary to exercise any of its rights or remedies to the extent permitted by applicable laws in connection with an Indenture Event of Default, an Indenture Default, an Event of Default or an event that with notice or lapse of time or both would become an Event of Default.

(s) The Owner Trustee and the Owner Participant agree with the Lessee that, so long as no Event of Default

under Section 14(a), (f), (g), (h) or (i) of the Lease shall have occurred and be continuing, the Owner Trustee will exercise its rights under Section 2.04(g) of the Trust Indenture solely at the Lessee's request and direction.

Section 10. Other Documents. The Owner Participant agrees to comply with all of the terms of the Trust Agreement (as the same may hereafter be amended from time to time in accordance with the terms thereof) applicable to it and with Sections 7, 9, 11, 12 and 15 of the Lease.

SECTION 11. Conditions Precedent to the Lessee's Obligations.

(a) The Lessee's obligation to sell the Aircraft to the Owner Trustee and to lease the Aircraft on the Delivery Date is subject to the fulfillment to the satisfaction of the Lessee prior to or on the Delivery Date of the following conditions precedent, which fulfillment to the satisfaction of the Lessee shall be evidenced by acceptance of the Aircraft by the Lessee under the Lease:

(i) the documents referred to in clauses (i) through (xi) of Section 4(E) shall have been duly authorized, executed and delivered by the respective party or parties thereto (other than the Lessee), shall be in full force and effect and copies thereof shall have been delivered to the Lessee, and the Lessee shall have received such documents and evidence with respect to the Owner Participant, the Owner Trustee and the Indenture Trustee as the Lessee may reasonably request in order to establish the consummation of the transactions contemplated by this Agreement, the taking of all corporate and other proceedings in connection therewith and compliance with the conditions herein or therein set forth;

(ii) the Owner Trustee shall have whatever title was conveyed to it by the Lessee pursuant to the Bills of Sale (subject to filing and recording of the Manufacturer's FAA Bill of Sale, the Manufacturer's Subsidiary's FAA Bill of Sale and the FAA Bill of Sale with the Federal Aviation Administration) to the Aircraft, free and clear of Liens, except Liens permitted by the terms of the Lease, the lien of, and security interest created by, the Trust Indenture and the beneficial interest of the Owner Participant

created by the Trust Agreement and the Trust Agreement and Indenture Supplement covering the Aircraft, the rights of the Owner Trustee as registered owner with the Federal Aviation Administration and the rights of the Lessee under the Lease and the Lease Supplement covering the Aircraft;

(iii) the Manufacturer's FAA Bill of Sale, the Manufacturer's Subsidiary's FAA Bill of Sale, the FAA Bill of Sale, the Lease and the Lease Supplement covering the Aircraft, the Trust Agreement, the Trust Indenture and the Trust Agreement and Indenture Supplement covering the Aircraft shall have been duly filed for recordation (or shall be in the process of being so duly filed for recordation) with the Federal Aviation Administration pursuant to the Federal Aviation Act;

(iv) an application for registration of the Aircraft in the name of the Owner Trustee shall have been duly made with the Federal Aviation Administration and the Lessee shall have authority to operate the Aircraft;

(v) on the Delivery Date the representations and warranties of the Original Loan Participant, the Owner Participant and the Owner Trustee contained in Section 8 hereof and the representations and warranties of the Owner Trustee contained in Section 4 of the Lease shall be correct as though made on and as of such date, or if such representations and warranties relate solely to an earlier date, as of such earlier date, and each of such parties shall have so certified to the Lessee;

(vi) the Lessee shall have received each opinion referred to in paragraphs (K) through (O) of Section 4 (other than the opinion of Vedder, Price, Kaufman & Kammholz, referred to in clause (M)(y) of Section 4), each such opinion addressed to the Lessee or accompanied by a letter from the counsel rendering such opinion authorizing the Lessee to rely on such opinion as if it were addressed to the Lessee, and the certificates referred to in paragraphs (Q), (R) and (S) of Section 4;

(vii) in the event of a Change in Tax Law which has occurred since the date of execution hereof, any

proposed adjustment to the payments of Basic Rent pursuant to Section 3(e) of the Lease and Section 18 hereof shall not have resulted in an increase in the present value of all payments of Basic Rent which in the Lessee's sole judgment shall have caused the transaction to be uneconomic; and

(viii) no change shall have occurred after the date of this Agreement in applicable law or regulations thereunder or interpretations thereof by appropriate regulatory authorities or any court that would make it illegal for the Lessee to enter into any transaction contemplated by the Operative Documents.

Notwithstanding any of the foregoing, the Lessee's performance under this Agreement shall not be subject to the satisfaction of any condition within its control or any condition which may have been satisfied by the performance of the Lessee hereunder.

(b) In the event that (i) the foregoing conditions precedent shall not have been fulfilled on or prior to the Delivery Date (or waived by the Lessee) as provided above, or (ii) either the Owner Participant or the Original Loan Participant shall not have delivered its Commitment to the Owner Trustee on the Delivery Date notwithstanding the satisfaction of the conditions (other than those within the control of the Owner Participant or the Original Loan Participant, as applicable) set forth in Section 4 hereof, if the Lessee so elects, this Agreement, the Lease, the Tax Indemnity Agreement and the Purchase Agreement Assignment shall thereupon terminate and be of no further force and effect, except to the extent otherwise provided herein or therein. Promptly following the termination of this Agreement, the Lessee shall notify the other parties hereto in writing of such termination.

SECTION 12. Liabilities of the Owner Participant and the Loan Participants. Neither the Owner Participant nor any Loan Participant shall have any obligation or duty to the Lessee with respect to the transactions contemplated hereby except those obligations or duties expressly set forth in this Agreement or, in the case of the Owner Participant, the Tax Indemnity Agreement. Without limiting the generality of the foregoing, under no circumstances whatsoever shall the Owner Participant, as such, or any Loan Participant, as such, be

liable to the Lessee for any action or inaction on the part of the Owner Trustee or the Indenture Trustee in connection with the Trust Indenture, the Trust Agreement, the Lease, the Aircraft, the administration of the Trust Estate or the Indenture Estate or otherwise, whether or not such action or inaction is caused by the willful misconduct or gross negligence of the Owner Trustee or the Indenture Trustee unless such action or inaction is at the direction of the Owner Participant (in the case of action or inaction on the part of the Owner Trustee) or such Loan Participant (in the case of action or inaction on the part of the Indenture Trustee).

SECTION 13. Certain Covenants of the Lessee. The Lessee covenants and agrees with the Owner Participant, each Loan Participant, the Indenture Trustee and the Owner Trustee as follows:

(A) Upon the delivery and acceptance of the Aircraft under the Lease, the Lessee will cause to be done, executed, acknowledged and delivered all and every such further acts, conveyances and assurances as the Owner Trustee, the Owner Participant, the Original Loan Participant or the Indenture Trustee shall require for accomplishing the purposes of this Agreement and the other Operative Documents. The Lessee forthwith upon delivery of the Aircraft under the Lease shall cause the Aircraft to be duly registered and at all times thereafter to remain duly registered, in the name of the Owner Trustee, except as otherwise required or permitted hereunder or under the Lease, under the Federal Aviation Act, or shall furnish to the Owner Trustee such information as may be required to enable the Owner Trustee to make application for such registration, and shall promptly furnish to the Owner Trustee such information as may be required to enable the Owner Trustee to timely file any reports required to be filed by it as the Lessor under the Lease or as the owner of the Aircraft with any governmental authority because of the Owner Trustee's ownership of the Aircraft.

(B) The Lessee will cause the Manufacturer's FAA Bill of Sale, the Manufacturer's Subsidiary's FAA Bill of Sale, the FAA Bill of Sale, the Lease and the Lease Supplement covering the Aircraft, the Trust Agreement, the Trust Indenture and the Trust Agreement and Indenture Supplement covering the Aircraft

to be promptly filed and recorded, or filed for recording, to the extent permitted under the Federal Aviation Act, and the rules and regulations of the Federal Aviation Administration thereunder, or required under any other applicable law. Upon the execution and delivery of the Manufacturer's FAA Bill of Sale, the Manufacturer's Subsidiary's FAA Bill of Sale, the FAA Bill of Sale, the Lease and the Lease Supplement covering the Aircraft, the Trust Agreement, the Trust Indenture and the Trust Agreement and Indenture Supplement covering the Aircraft shall be filed for recording with the Federal Aviation Administration in the following order of priority: first, the Manufacturer's FAA Bill of Sale, the Manufacturer's Subsidiary's FAA Bill of Sale and the FAA Bill of Sale, second, the Lease, to be effected by so filing the Lease with such Lease Supplement, the Trust Indenture and such Trust Agreement and Indenture Supplement attached thereto, and third, the Trust Indenture, to be effected by so filing the Trust Indenture with the Trust Agreement and such Trust Agreement and Indenture Supplement attached thereto. The Lessee shall, upon request from any of the parties hereto, provide photocopies of the file-stamped copies of all documents filed or recorded with the FAA.

(C) The Lessee will furnish to the Owner Trustee and the Indenture Trustee annually after the execution hereof (but not later than March 15th of each year), commencing with the year 1993, an opinion of Crowe & Dunlevy, P.C., or other counsel reasonably acceptable to the Owner Trustee and the Indenture Trustee, stating either:

(i) that in the opinion of such counsel such action has been taken with respect to the recording, filing, re-recording and re-filing of the Lease, the Trust Indenture, the Trust Agreement and any supplements thereto, including any financing or continuation statements, and such other filings and recordings as is necessary to maintain, for the 15-month period succeeding the date of such opinion, the rights and interests of the Owner Trustee in and to the Aircraft, and, with respect to the Trust Indenture, the perfection of the security interests created

thereby and reciting the details of such action; or

(ii) that in the opinion of such counsel no such action is necessary to maintain, for the 15-month period succeeding the date of such opinion, the perfection of such rights and interests and security interests.

(D) The Lessee shall at all times maintain its corporate existence except as permitted by Section 13(E) hereof. The Lessee will do or cause to be done all things necessary to preserve and keep in full force and effect its rights (charter and statutory) and franchises; provided, however, that the Lessee shall not be required to preserve any right or franchise if its Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Lessee. The Lessee shall, for so long as and to the extent required under Section 1110 of the Bankruptcy Code in order that the Owner Trustee and the Indenture Trustee be entitled to the benefits of Section 1110 of the Bankruptcy Code with respect to the right to repossess the Airframe, Engines and Parts as provided in the Lease, remain an "air carrier" within the meaning of Section 101(16) of the Federal Aviation Act.

(E) The Lessee shall not consolidate with or merge into any other corporation or convey, transfer or lease substantially all of its assets as an entirety to any Person, unless:

(i) the corporation formed by such consolidation or into which the Lessee is merged or the Person which acquires by conveyance, transfer or lease substantially all of the assets of the Lessee as an entirety shall be a corporation organized and existing under the laws of the United States of America or any State or the District of Columbia, shall be a "citizen of the United States" as defined in Section 101(16) of the Federal Aviation Act, and shall execute and deliver to the Owner Trustee, the Owner Participant, and the Indenture Trustee an agreement in form reasonably satisfactory to each thereof containing the assumption by such successor corporation of the due and punctual performance

and observance of each covenant and condition of this Agreement, the Lease, the Purchase Agreement Assignment and the Tax Indemnity Agreement, and each other Operative Document to which the Lessee is a party, to be performed or observed by the Lessee;

(ii) immediately after giving effect to such transaction, no Event of Default under the Lease, and no event which, after notice or lapse of time, or both, would become such an Event of Default, shall have occurred and be continuing; and

(iii) the Lessee shall have delivered to the Owner Trustee, the Owner Participant and the Indenture Trustee a certificate signed by a Responsible Officer of the Lessee, and an opinion of counsel to the Lessee (which may be Lessee's General Counsel), each stating that such consolidation, merger, conveyance, transfer or lease and the assumption agreement mentioned in clause (i) comply with this Section 13(E) and that all conditions precedent herein provided for relating to such transaction have been complied with (except that such opinion need not cover the matters referred to in clause (ii) above and may rely, as to factual matters, on a certificate of an officer of the Lessee) and, in the case of such opinion, that such assumption agreement has been duly authorized, executed and delivered by such successor corporation and is enforceable against such successor corporation in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and by general principles of equity.

Upon any consolidation or merger, or any conveyance, transfer or lease of substantially all of the assets of the Lessee as an entirety in accordance with this Section 13(E), the successor corporation formed by such consolidation or into which the Lessee is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Lessee under this Agreement and the other Operative Docu-

ments with the same effect as if such successor corporation had been named as the Lessee herein. No such conveyance, transfer or lease of substantially all of the assets of the Lessee as an entirety shall have the effect of releasing the Lessee or any successor corporation which shall theretofore have become such in the manner prescribed in this Section 13(E) from its liability hereunder. Nothing contained herein shall permit any lease, sublease or other arrangement for the use, operation or possession of the Aircraft except in compliance with the applicable provisions of the Lease.

(F) The provisions of the penultimate paragraph of Section 3(b) and Sections 3(c), 17 and 22 of the Lease are hereby incorporated by reference herein for the express benefit of each Loan Participant. The Lessee shall notify the Indenture Trustee and the Owner Trustee thirty days prior to any change in the location of the chief executive office of the Lessee. In the event the Aircraft is requisitioned for use by the Government pursuant to the Civil Reserve Air Fleet Program referred to in Section 7(b)(iv) of the Lease, the Lessee shall provide the Owner Trustee and the Indenture Trustee with the name and address of the Contracting Office Representative for the Military Airlift Command of the United States Air Force for notification as required under Section 15 of the Lease.

SECTION 14. Owner for Tax Purposes. The Lessee, the Owner Trustee and the Owner Participant hereby agree that for Federal income tax purposes during the Term the Owner Participant will be the owner of the Aircraft and the Lessee will be the lessee thereof. Nothing contained in this Section 14 shall be construed to limit Lessee's use and operation of the Aircraft under the Lease or constitute a representation by the Lessee as to tax consequences.

Section 16. Certain Covenants of the Owner Participant. (a) The Owner Participant hereby agrees to notify the Lessee or cause the Lessee to be notified by telephone, telecopier or telegram not later than 1:00 p.m. New York City time, on the third Business Day prior to the Base Lease Commencement Date stating whether or not the Owner Participant intends to pay an amount equal to \$2,553,000.00 (the "Excess Payment Amount", subject to adjustment pursuant to the following paragraph) in full by 1:00 p.m., New York City time, on the Base Lease Commence-

ment Date. The Owner Participant shall also have the right to reimburse the Lessee at any time for all or any portion of the Reimbursement Amount for which the Lessee has not received an offset pursuant to Section 3(f) of the Lease.

Although the amount of the Excess Payment Amount has been computed on the assumption that each Certificate will bear interest at the Assumed Debt Rate for such Certificate throughout the Interim Period, the Owner Participant and the Lessee recognize that the actual rate of interest on each Certificate may be a rate from time to time which may be greater or less than the Assumed Debt Rate for such Certificate and that the related basis upon which interest on the Certificates will be computed will be as provided in the Trust Indenture. Accordingly, the Excess Payment Amount shall be increased or decreased (but not below zero), as the case may be, by an amount (the "Excess Payment Differential Amount") equal to, as of the Base Lease Commencement Date, the difference between (i) the aggregate amount of interest actually due and payable on the Base Lease Commencement Date on the Certificates for the period from and including the Delivery Date to but excluding the Base Lease Commencement Date, determined as provided in the Trust Indenture, and (ii) the aggregate amount of interest on the Loan Certificates that would have been due and payable on the Base Lease Commencement Date if the outstanding principal amount of such Loan Certificates had borne interest at the Assumed Debt Rate for the period from and including the Delivery Date to but excluding the Base Lease Commencement Date. If, as of the Base Lease Commencement Date, the amount determined in accordance with clause (i) of the immediately preceding sentence shall be greater than the amount determined in accordance with clause (ii) of such sentence, the Excess Payment Amount shall be increased by the Excess Payment Differential Amount. If, as of the Base Lease Commencement Date, the amount determined in accordance with such clause (ii) shall be greater than the amount determined in accordance with such clause (i), the Excess Payment Amount shall be decreased by the Excess Payment Differential Amount. The interest actually accruing with respect to the Certificates shall be as specified by the notification to be delivered by the Original Loan Participant (whether or not it at the time holds any Loan Certificates) to each of the Owner Participant, the Owner Trustee, each other Loan Participant, the Indenture Trustee and the Lessee as provided in Section 1(c) hereof.

(b) The Owner Participant hereby unconditionally agrees with and for the benefit of the other parties to this Agreement that the Owner Participant will not directly or indirectly create, incur, assume or suffer to exist any Lessor's Liens on or against any part of the Trust Estate or the Aircraft arising out of any act or omission of or claim against or affecting any part of the Trust Estate or the Aircraft arising out of any act or omission of or claim against the Owner Participant, and the Owner Participant agrees that it will, at its own cost and expense, take such action as may be necessary to duly discharge and satisfy in full any such Lessor's Lien (by bonding or otherwise, so long as Lessee's operation and use of the Aircraft is not impaired and the lien of the Indenture is not impaired). The Owner Participant hereby agrees to indemnify and hold harmless the Lessee, the Indenture Trustee and each Loan Participant against any loss, cost or expense (including reasonable legal fees and expenses) which may be suffered or incurred by any of them as the result of the failure of the Owner Participant to discharge and satisfy any such Lessor's Lien. In addition, the Owner Participant agrees to indemnify, protect, save and keep harmless each Loan Participant from and against any reduction in the amount payable out of the Indenture Estate to such Loan Participant in respect of the Certificates held by such Loan Participant or any other loss, cost or expenses (including reasonable legal fees and expenses) incurred by such Loan Participant, as a result of the imposition or enforcement of, or the Owner Participant's failure to satisfy, any Lessor's Lien or claim against the Indenture Estate by any taxing authority because of the nonpayment by the Owner Participant of any Taxes imposed on or measured by the net income or revenues of the Owner Participant or the Trust Estate that are not required to be indemnified against by the Lessee.

(c) The Owner Participant shall not directly or indirectly assign, convey or otherwise transfer any of its right, title or interest in and to all or any part of this Agreement, the Tax Indemnity Agreement, the Trust Agreement, the Trust Estate, the Indenture Estate, the Purchase Agreement Assignment, the Purchase Agreement or any of the other Operative Documents except that the Owner Participant may assign, convey or otherwise transfer all (but not less than all) thereof if:

(i) (A) the Person to whom such transfer is made (the "Transferee") is a "citizen of the United States" within the meaning of Section 101(16) of the Federal Aviation Act (without the utilization of a voting trust agreement, voting powers agreement or similar arrangement by the Transferee or any Affiliate thereof unless the Owner Participant obtains the consent of the Lessee and the Indenture Trustee, which consent shall not be unreasonably withheld), and has the requisite power, authority and legal right to enter into and carry out the transactions contemplated hereby; (B) such conveyance does not violate any provisions of the Federal Aviation Act, the Securities Act of 1933, as amended (and no registration pursuant to such Act or the rules and regulations thereunder shall be required in connection with such conveyance), or any other applicable law, or create a relationship which would be in violation thereof, or result in a "prohibited transaction" under ERISA or the Code; (C) the Transferee enters into an agreement or agreements, in form and substance reasonably satisfactory to the Lessee, the Owner Trustee and the Indenture Trustee (the "Assumption Agreement") for the benefit of the Lessee, the Owner Trustee, the Indenture Trustee and the Loan Participants, whereby the Transferee confirms that it shall be deemed a party to this Participation Agreement, the Trust Agreement, the Tax Indemnity Agreement and each other Operative Document to which the Owner Participant is a party, and the party named as the "Owner Participant" in the Trust Agreement, the Lease and the Trust Indenture and agrees to be bound by all of the terms of, and to undertake all of the obligations of the Owner Participant contained in, this Agreement, the Trust Agreement, the Tax Indemnity Agreement and each other Operative Document to which the Owner Participant is a party or by which the Owner Participant is bound, and in which the Transferee shall, as a precondition to any such transfer, make representations and warranties substantially equivalent to those of the Owner Participant contained herein and, in the event such Transferee is a partnership, such additional documents and/or amendments to the Operative Documents (in form and substance reasonably satisfactory to the Lessee, the Owner Trustee and the Indenture Trustee) as the Lessee, the Owner Trustee or the Indenture Trustee may reasonably request; (D) after giving effect to

such assignment, conveyance or transfer, there would be no more than one Owner Participant with respect to the Aircraft; (E) the Owner Participant shall deliver to the Owner Trustee, the Indenture Trustee (unless the lien of the Trust Indenture is discharged) and the Lessee an opinion of counsel (which shall be the general counsel of the Transferee or other counsel reasonably satisfactory to the Lessee and the Indenture Trustee), that the Assumption Agreement has been duly authorized, executed and delivered by the Transferee and is enforceable against such Transferee in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally or by general principles of equity; (F) the Owner Participant shall deliver to the Owner Trustee, the Indenture Trustee (unless the lien of the Trust Indenture is discharged) and the Lessee one or more certificates of a duly authorized officer of the transferor and if necessary transferee Owner Participant concerning, when taken together, all of the matters contained in clauses (A) and (D) of this paragraph (i) and (except in connection with any such assignment, transfer or conveyance to a direct or indirect wholly-owned subsidiary of American Telephone and Telegraph Company) an opinion delivered by counsel of the type referred to in clause (E) to the effect that such transfer complies with the provisions of clauses (A) (except as to citizenship), (B) and (D) of this paragraph (i); and (G) the transferor and/or transferee Owner Participant assumes by an instrument in form and substance reasonably satisfactory to the Lessee and the Indenture Trustee the risk of any adverse tax consequences to any Tax Indemnitee resulting from such conveyance; and

(ii) either (A) the Transferee is a bank or lending institution with a combined capital and surplus of at least \$75,000,000, or is a corporation or domestic partnership with net worth of at least \$75,000,000, exclusive of goodwill, all of the foregoing determined in accordance with generally accepted accounting principles (hereinafter referred to as a "Qualifying Institution"), or (B) if the Transferee is not itself a Qualifying Institution, a parent corporation of the Transferee which qualifies as a Qualifying Institution shall have executed and

delivered to the Owner Trustee, the Indenture Trustee (unless the lien of the Trust Indenture is discharged) and the Lessee an absolute and unconditional guaranty, in form and substance satisfactory to the Lessee and the Indenture Trustee, with respect to the obligations of the Transferee as the Owner Participant assumed by the Transferee under the Assumption Agreement referred to above, and the Transferee shall deliver to the Indenture Trustee (unless the lien of the Trust Indenture is discharged), the Owner Trustee and the Lessee an opinion of counsel (which shall be the general counsel of the Qualifying Institution providing such guaranty or other counsel reasonably satisfactory to the Lessee and the Indenture Trustee) that such guaranty is enforceable against the guarantor in accordance with its terms.

In the event that the Owner Participant is neither American Telephone and Telegraph Company, AT&T Credit Corporation nor any other Affiliate of American Telephone and Telegraph Company, any transfer by direct sale, consolidation, merger or otherwise of 50% or more of the capital stock of the Owner Participant (including, for this purpose, any such transfer of the capital stock of any one of its direct or indirect parent companies or other parent entities, other than its ultimate parent entity) (any such transfer being referred to as a "Change in Control") shall be deemed to be a conveyance by such Owner Participant of its interests in the transactions contemplated by this Agreement subject to this Section 16(c), and accordingly no such Change in Control shall take place without the Lessee's consent unless it satisfies the terms and conditions set forth in this Section 16(c), including without limitation those set forth in paragraphs (i) and (ii) above; provided that no such transfer of the capital stock of an Owner Participant that is American Telephone and Telegraph Company, AT&T Credit Corporation or any other Affiliate of American Telephone and Telegraph Company (or any of the direct or indirect parent companies or other parent entities of any thereof) shall be prohibited by or subject to the terms of this Section 16(c). Notwithstanding the foregoing sentence, if (x) the obligations of such Owner Participant were guaranteed at the time such Owner Participant became the Owner Participant hereunder by a parent entity that was at such time a Qualifying Institution (the "Parent Guarantor"), and (y) following a Change in Control, the Transferee remains both a member of the controlled or consolidated

group of companies of which the Parent Guarantor is a part and a subsidiary of the Parent Guarantor, such Transferee shall comply with the conditions set forth in paragraph (i) above, but shall not be required to satisfy the conditions set forth in paragraph (ii) above; provided that such guaranty of the Parent Guarantor is amended to remain in full force and effect in respect of the Transferee and the Transferee delivers to the Indenture Trustee (unless the lien of the Trust Indenture is discharged), the Owner Trustee and the Lessee an opinion of counsel (which shall be the general counsel of the Parent Guarantor or other counsel reasonably satisfactory to the Lessee) in form and substance satisfactory to the Lessee and the Owner Trustee as to the continued legality, validity and enforceability of such guaranty.

Notwithstanding the foregoing, so long as the Lease is in effect, there shall not be more than five transfers (not including any transfer to any Affiliate of American Telephone and Telegraph Company) by the Owner Participant (including its successors and permitted assigns) pursuant to this Section 16(c) without the prior written consent of the Lessee, such consent not to be unreasonably withheld. Any fees, charges and expenses incurred by the Owner Trustee, the Indenture Trustee, any Loan Participant or the Lessee in connection with any transfer pursuant to this Section 16(c), including, without limitation the out-of-pocket expenses of the Lessee and reasonable legal fees and expenses, will be paid by the transferring Owner Participant and in no case will the Lessee be responsible for any such fees, charges or expenses; provided that the transferring Owner Participant shall be obligated to pay the reasonable fees and expenses of only one counsel to the Loan Participants. Without the consent of the Lessee, no transfer shall be permitted pursuant to this Section 16(c) to a Transferee that is (i) an airline or other commercial operator of aircraft that is a competitor of the Lessee or any of its Affiliates or (ii) a corporation or other entity that is an Affiliate of any such airline or other commercial operator of aircraft.

Upon any such conveyance by the Owner Participant to a Transferee permitted by this Section 16(c), the Transferee shall be deemed the "Owner Participant" for all purposes hereof (unless the context is inappropriate) and shall be deemed to have made all the investments in beneficial ownership of the Aircraft previously made by the

Owner Participant in respect of the right, title and interest so conveyed; and each reference in this Agreement, the Trust Agreement, the Lease, the Tax Indemnity Agreement, the Trust Indenture and the other Operative Documents to the Owner Participant making the transfer shall thereafter be deemed a reference to the Transferee as the Owner Participant (unless the context is inappropriate). Upon any such conveyance by the Owner Participant to a Transferee permitted by the foregoing provisions of this Section 16(c), the transferor Owner Participant shall be relieved of all of its liabilities and obligations hereunder and under the Trust Agreement to the extent of the interest so transferred, provided that in no event will any such conveyance release the transferor Owner Participant from any liability to the extent caused by any breach existing at the time of such conveyance by the Owner Participant of any of its representations, warranties, covenants or obligations contained herein or in the Trust Agreement. If the Owner Participant proposes to transfer its interests pursuant to this Section 16(c), it shall give 20 days' (or, in the case of a transfer where the Transferee is an Affiliate of the Owner Participant making the transfer, 10 days') prior written notice thereof to the Owner Trustee, the Indenture Trustee and the Lessee, specifying the name and address of the transferee and specifying the facts necessary to determine whether the conditions of this Section 16(c) have been or shall be satisfied.

SECTION 17. Optional Redemption of Certificates. (a) So long as no Event of Default shall have occurred and be continuing, the Lessee shall have the right to request the Owner Participant and the Owner Trustee to effect an optional redemption of all of the Certificates (the "Outstanding Certificates") (such term to include the Certificates originally issued under the Trust Indenture and any refunding indebtedness issued pursuant to this Section 17 or Section 20) pursuant to the Trust Indenture as part of a refunding or refinancing operation. Promptly on receipt of such request, the Owner Participant will negotiate promptly in good faith to conclude an agreement with the Lessee as to the terms of such refunding or refinancing operation and upon such agreement:

(i) the Lessee, the Owner Participant, the Indenture Trustee, the Owner Trustee, and any other appropriate parties will enter into a financing or loan agreement (which may involve an underwriting

agreement in connection with a public offering; provided, however, that in the case of a refunding or refinancing involving a public offering of debt securities, the Lessee shall have the right to purchase such debt securities and apply such debt securities as a credit against its obligations to pay Rent to the extent permitted by the Tax Indemnity Agreement) providing for (x) the issuance and sale by the Owner Trustee or such other party as may be appropriate to such institution or institutions on the date specified in such agreement (for the purposes of this Section 17, the "Refunding Date") of United States Dollar-denominated debt securities in an aggregate principal amount equal to the sum of the principal amount of the Outstanding Certificates on the Refunding Date and, subject to clause (w) of Section 17(a)(ii), all interest accrued thereon to the Refunding Date and (y) the application of the proceeds of the sale of such debt securities to the redemption of all such Certificates on the Refunding Date;

(ii) the Lessee and the Owner Trustee will amend the Lease such that (w) if the Refunding Date is not a Lease Period Date, the Lessee shall on the Refunding Date prepay that portion of the next succeeding installment of Basic Rent as shall equal the aggregate interest accrued on the Outstanding Certificates to the Refunding Date in the event that such interest is not financed through the issuance of debt securities on the Refunding Date (provided that if the Refunding Date occurs on or prior to the Base Lease Commencement Date, the Owner Participant may, pursuant to Section 16(a) hereof on the Refunding Date prepay the Excess Payment Amount), (x) Basic Rent payable in respect of the period from and after the Refunding Date shall be recalculated to preserve the Owner Participant's Net Economic Return (or, in the case of any recalculation hereunder subsequent to any Section 20 Refinancing, the Owner Participant's Revised Net Economic Return), (y) amounts payable in respect of Stipulated Loss Value and Termination Value from and after the Refunding Date shall be appropriately recalculated to preserve the Owner Participant's Net Economic Return (or, in the case of any recalculation hereunder subsequent to the Section 20 Refinancing, the Owner Participant's Revised Net Economic Return) and (z) the Special Purchase

Price and the Special Purchase Option Date shall be recalculated as provided in Section 18;

(iii) the Owner Trustee will enter into an agreement to provide for the securing thereunder of the debt securities issued by the Owner Trustee pursuant to clause (a) of this Section 17 in like manner as the Certificates issuable under the Trust Indenture and/or will enter into such amendments and supplements to the Trust Indenture as may be necessary to effect such refunding or refinancing, provided that no such amendment or supplement will materially increase the liabilities of or impair the rights of the Owner Participant under the Operative Documents without the consent of the Owner Participant; and

(iv) unless otherwise agreed by the Owner Participant, the Lessee shall pay as Supplemental Rent on an After-Tax Basis all reasonable fees, costs, and expenses of such refunding or refinancing;

provided, however, that (w) there shall be no more than two such refundings or refinancings (not including the Section 20 Refinancing), (x) if within 15 days after receipt of a request from the Lessee to effect a refunding or refinancing pursuant to this Section 17, which request specifies the proposed structural terms and the amount thereof, the Owner Participant provides the Lessee with a written notice to the effect that there will be a risk of adverse tax consequences to the Owner Participant resulting from the refunding or refinancing and, if then requested by the Lessee in writing, within 15 days after receipt of such request, the Owner Participant provides the Lessee with a written opinion of independent tax counsel selected by the Owner Participant and reasonably acceptable to the Lessee to the effect that there will be a risk of such adverse tax consequences to the Owner Participant resulting from the refunding or refinancing (other than the consequence that the refinanced loan constitutes "qualified nonrecourse indebtedness" within the meaning of Temporary Regulations Section 1.861-10T(b) for the purpose of the computation of the FSC Benefits (as defined in the Tax Indemnity Agreement)), then the Owner Trustee and the Owner Participant shall be required to effect such refunding or refinancing only if the Lessee shall have agreed to indemnify the Owner Participant against such identified adverse tax consequences in a manner reasonably satisfactory to the Owner Participant;

provided, however, the parties agree that in the absence of a change in applicable laws, regulations, revenue rulings, revenue procedures or judicial precedents enacted, adopted or decided after the Delivery Date, a refinancing or refunding will not be deemed for this purpose to result in a risk of the Owner Participant not being considered the owner of the Aircraft, Airframe, any Engine or any Part for Federal or other income tax purposes, (y) no such refinancing or refunding shall require an increase in the amount of the Owner Participant's investment in the beneficial ownership of the Aircraft or shall cause the ratio of the newly issued debt to the Owner Participant's then outstanding investment in the Aircraft to be more than 4 to 1 and (z) except with respect to matters relating to taxes, no such refunding or refinancing will materially increase the liabilities of or impair the rights of the Owner Participant. In addition, if any such refunding or refinancing occurs after the Section 20 Refinancing, neither the refunding or refinancing, nor any related adjustment of Basic Rent, shall increase or decrease the periodic earnings (as defined in Statement of Financial Accounting Standards No. 13 issued by the Financial Accounting Standards Board) of the Owner Participant for any calendar year in the period (if any) from the date of such refunding or refinancing to December 31, 1998 each by an amount greater than 10% of the amount of earnings expected for each such calendar year immediately prior to such refunding or refinancing.

(c) The Certificates, and any other debt instruments issued in connection with any refunding or refinancing operation permitted by this Section 17, shall not be subject to optional redemption by the Owner Trustee without the consent of the Lessee (except as provided in Section 2.13 of the Trust Indenture).

SECTION 18. Calculation of Adjustments to Basic Rent, Stipulated Loss Value, Termination Value, etc.; Confirmation and Verification.  
(a) Calculation of Adjustments. In the event that (A) the expenses paid by the Owner Participant pursuant to Section 9(a) hereof (except for any expenses paid or payable to any financial advisor to the Owner Participant) and such other expenses as the Lessee shall expressly agree in writing shall be deemed to be "Transaction Costs" (collectively, the "Transaction Costs") are less or more than 0.5% of Lessor's Cost, or (B) prior to the acceptance of the Aircraft on the Delivery Date: (1) there shall have occurred a Change in Tax

Law and (2) after having been advised in writing by the Owner Participant of such Change in Tax Law and the proposed adjustment to the payments of Basic Rent resulting therefrom, Lessee shall have waived its right under Section 11 hereof to decline to proceed with the transaction, or (C) a refinancing or refunding as contemplated by Section 17 hereof occurs (it being understood that if the Refunding Date occurs on or prior to the Base Lease Commencement Date, any recalculations pursuant to this clause (C) shall take into account any prepayment by the Owner Participant on such Refunding Date of the Excess Payment Amount pursuant to Section 16(a) hereof under clause (w) of Section 17(a)(ii) hereof or under clause (w) of Section 20(a)(ii) hereof), or (D) the Delivery Date is other than July 9, 1992, or (E) if the Certificates are not refunded or refinanced on or prior to the Base Lease Commencement Date, the Excess Payment Amount (after adjustment for any Excess Payment Differential Amount) is other than \$2,553,000.00, then, in each case, the Owner Participant shall recalculate the payments of Basic Rent and Stipulated Loss Values, Termination Values and the Excess Payment Amount with respect to the Term (i) to preserve the Owner Participant's Net Economic Return (or, in the case of any recalculation hereunder subsequent to the Section 20 Refinancing, the Owner Participant's Revised Net Economic Return) and (ii) to minimize to the greatest extent possible, consistent with the foregoing clause (i), the present value (discounted semiannually at an interest rate per annum to be supplied by the Lessee) of the payments of Basic Rent. In addition, in the event of a refinancing or refunding referred to in clause (C) of the preceding sentence, the Special Purchase Price Percentage and the Special Purchase Option Date shall be recalculated in a manner consistent with the procedures specified in the second sentence of Section 20(c). In performing any such recalculations, the Owner Participant shall utilize the same methods and assumptions originally used to calculate the payments of Basic Rent, Stipulated Loss Values, Termination Values and Special Purchase Price Percentage with respect to the Term (or, in the case of any recalculation hereunder subsequent to the Section 20 Refinancing, the same methods and assumptions originally used by the original Owner Participant in the calculation of the alternate schedules referred to in the definition of the Owner Participant's Revised Net Economic Return and the Special Purchase Price Percentage and held in escrow by Sidley & Austin pursuant to Section 18(d)) (in each case as such assumptions may be changed as a result of the

event described in clause (A), (B), (C) or (D) of the second preceding sentence necessitating such recalculation or due to the prior occurrence of any such event or the prior occurrence of the Section 20 Refinancing); provided that, Basic Rent, as so recomputed, shall comply with the requirements of Sections 4.02(5) and 4.07(1) of Revenue Procedure 75-28, 1975-1 C.B. 752, and shall not present a greater risk that Section 467(b)(2) of the Code would apply than the risk that Section 467(b)(2) applied prior to such recomputation, it being agreed that the requirements of clause (i) of Section 5.01 of Rev. Proc. 75-21, 1975-1 C.B. 715, shall be applied on a prospective basis.

(b) Confirmation and Verification. Upon completion of any recalculation described above in Section 18(a), a duly authorized officer of the Owner Participant shall provide a certificate to the Lessee either (x) stating that the payments of Basic Rent, Stipulated Loss Values and Termination Values with respect to the Term and, in the case of the second sentence of Section 18(a), the Special Purchase Price Percentage as are then applicable do not require change, or (y) setting forth such adjustments to the payments of Basic Rent, Stipulated Loss Values or Termination Values with respect to the Term and, in the case of the second sentence of Section 18(a), the Special Purchase Price Percentage as have been calculated by the Owner Participant in accordance with Section 18(a) above and Section 3(e) of the Lease. Such certificate shall describe in reasonable detail the basis for any such adjustments. If the Lessee shall so request, the recalculation of any such adjustments described in this Section 18 shall be verified by a nationally recognized firm of independent public accountants jointly selected by the Lessee and the Owner Participant (provided that such firm of independent public accountants shall not be regularly retained by either the Lessee or the Owner Participant). A representative of such firm shall be shown, on a confidential basis, the original assumptions used by the Owner Participant and held in escrow by Sidley & Austin pursuant to Section 18(d) and the methods used by the Owner Participant in the original calculation of, and any recalculation of, Basic Rent, Stipulated Loss Values and Termination Values and, in the case of the second sentence of Section 18(a), the Special Purchase Price Percentage (or, in the case of any recalculation hereunder subsequent to the Section 20 Refinancing, the same methods and assumptions originally used by the original Owner Participant in the calculation

of the alternate schedules referred to in the definition of the Owner Participant's Revised Net Economic Return and the Special Purchase Price Percentage held in escrow by Sidley & Austin pursuant to Section 18(d)). The reasonable costs of such verification shall be borne by the Lessee, unless as a result of such verification process the payments of Basic Rent are adjusted and such adjustment causes (i) the present value of the payments of Basic Rent, discounted semi-annually at the Assumed Debt Rate, to decline by five basis points or more from the present value of the payments of Basic Rent, discounted semi-annually at the Assumed Debt Rate, certified by the Owner Participant pursuant to this Section 18(b) or (ii) any Stipulated Loss Value or Termination Value percentage or, in the case of the second sentence of Section 18(a), the Special Purchase Price Percentage, to be significantly below that certified by the Owner Participant pursuant to this Section 18(b), in which case the Owner Participant shall be responsible for the reasonable costs of such verification. In connection with any adjustment pursuant to this Section 18 or Section 20, the Owner Participant, the Lessee, the Owner Trustee and the Indenture Trustee shall enter into an appropriately revised Rent Schedule.

(c) Payment of Debt Service. No adjustment may be made to the payments of Basic Rent or to Stipulated Loss Values or Termination Values with respect to the Term, unless (i) each installment of Basic Rent (or, in the case of the Base Lease Commencement Date, the Excess Payment Amount), as so adjusted, under any circumstances and in any event, will be in an amount at least sufficient for the Owner Trustee to pay in full as of the due date of such installment any payment of principal or interest on the Certificates required to be paid on the due date of such installment of Basic Rent (or on the Base Lease Commencement Date, as the case may be) and (ii) Stipulated Loss Value and Termination Value, as so adjusted, under any circumstances and in any event, will be an amount which, together with any other amounts required to be paid by the Lessee under the Lease in connection with an Event of Loss or a termination of the Lease, as the case may be, will be at least sufficient to pay in full, as of the date of payment thereof, the aggregate unpaid principal of and all unpaid interest on the Certificates accrued to the date on which Stipulated Loss Value or Termination Value, as the case may be, is paid in accordance with the terms of the Lease.

(d) Escrow. The Owner Participant agrees to place in escrow with Sidley & Austin, and to cause Sidley & Austin to retain, (i) the assumptions and methods utilized by the Owner Participant in the calculation of the schedules of Basic Rent, Termination Value and Stipulated Loss Value referred to the definition of the Owner Participant's Net Economic Return, and in the calculation of the Special Purchase Price Percentage as of the Delivery Date, (ii) the assumptions and methods utilized by the Owner Participant in the calculation of the alternate schedules of Basic Rent, Termination Value and Stipulated Loss Value referred to the definition of the Owner Participant's Revised Net Economic Return, together with such alternate schedules, and the Special Purchase Price Percentage applicable to a lease financing accomplished pursuant to such alternate schedules (calculated to preserve the Special Purchase Price Yield to the applicable Special Purchase Option Date in accordance with the methodology described in the second sentence to Section 20(c)), copies of which alternate schedules and such Special Purchase Price Percentage have been provided to the Lessee, and (iii) any adjustments made to any of the assumptions referred to in clause (i) or (ii) of this sentence to take into account the effect of any change of the type specified in Section 3(e) of the Lease which theretofore has resulted in an adjustment of the percentages of Basic Rent, Stipulated Loss Value, Termination Value or Special Purchase Price Percentage. In connection with the foregoing, the Owner Participant will provide Sidley & Austin with such supporting documents and materials, and access to such computer programs and/or software, as would be complete and sufficient, without more, to enable the verification, as contemplated by Section 18(b), of any calculations made by the Owner Participant under this Section 18 or Section 20.

SECTION 19. Concerning the Owner Trustee. Wilmington Trust Company is entering into this Agreement solely in its capacity as Owner Trustee under the Trust Agreement and not in its individual capacity (except as expressly stated herein) and in no case shall Wilmington Trust Company (or any entity acting as successor Owner Trustee under the Trust Agreement) be personally liable for or on account of any of the statements, representations, warranties, covenants or obligations stated to be those of the Owner Trustee hereunder, provided, however, that Wilmington Trust Company (or any such successor Owner

Trustee) shall be personally liable hereunder for its own gross negligence or willful misconduct or for its breach of its covenants, representations and warranties contained herein, to the extent covenanted or made in its individual capacity.

SECTION 20. Section 20 Refinancing. (a) In addition to the provisions set forth in Section 17, whether or not a refunding or refinancing pursuant to such Section 17 shall have previously occurred, and with regard to the role of Credit (as defined in the Tax Indemnity Agreement) in the transactions contemplated by the Operative Agreements, at any time the Lessee shall have the right to request the Owner Participant and the Owner Trustee to effect an optional redemption of all of the Outstanding Certificates as part of a refunding or refinancing operation with refinancing indebtedness with respect to which the refinancing indebtedness has a final maturity date of at least six months after the final maturity date of the Outstanding Certificates and has a weighted average life to maturity at least 90 days longer than the remaining weighted average life to maturity of the Outstanding Certificates (such refinancing hereinafter referred to as the "Section 20 Refinancing"). Promptly on receipt of such request (which request shall specifically designate such refinancing as the Section 20 Refinancing), the Owner Participant will, in good faith, use all reasonable efforts to conclude an agreement with the Lessee as to the terms of such Section 20 Refinancing and upon such agreement:

(i) the Lessee, the Owner Participant, the Indenture Trustee, the Owner Trustee, and any other appropriate parties will enter into a financing or loan agreement (which may involve an underwriting agreement in connection with a public offering; provided, however, that in the case of a refunding or refinancing involving a public offering of debt securities, the Lessee shall have the right to purchase such debt securities and apply such debt securities as a credit against its obligations to pay Rent to the extent permitted by the Tax Indemnity Agreement) providing for (x) the issuance and sale by the Owner Trustee or such other party as may be appropriate to such institution or institutions on the date specified in such agreement (for the purposes of this Section 20, the "Section 20 Refunding Date") of United States Dollar-denominated debt

securities in an aggregate principal amount at least equal to the principal amount of the Outstanding Certificates on the Section 20 Refunding Date and, subject to clause (w) of Section 20(a)(ii), all interest accrued thereon to the Section 20 Refunding Date and (y) the application of the proceeds of the sale of such debt securities to the redemption of all such Certificates on the Section 20 Refunding Date;

(ii) the Lessee and the Owner Trustee will amend the Lease such that (w) if the Section 20 Refunding Date is not a Lease Period Date, the Lessee shall on the Section 20 Refunding Date prepay that portion of the next succeeding installment of Basic Rent as shall equal the aggregate interest accrued on the Outstanding Certificates to the Section 20 Refunding Date in the event that such interest is not financed through the issuance of debt securities on the Section 20 Refunding Date, provided that if the Section 20 Refunding Date occurs on or prior to the Base Lease Commencement Date, the Owner Participant may, pursuant to Section 16(a), prepay the Excess Payment Amount or such portion thereof on the Section 20 Refunding Date as the Lessee and the Owner Participant shall agree is advisable in order to optimize the revised rental schedules to be calculated pursuant to Section 20(c), (x) Basic Rent payable in respect of the period from and after the Section 20 Refunding Date shall be recalculated pursuant to Section 20(c) to preserve the Owner Participant's Revised Net Economic Return, (y) amounts payable in respect of Stipulated Loss Value and Termination Value from and after the Section 20 Refunding Date shall be appropriately recalculated pursuant to Section 20(c) to preserve the Owner Participant's Revised Net Economic Return and (z) the Special Purchase Price Percentage and the Special Purchase Option Date shall be recalculated pursuant to Section 20(c);

(iii) the Owner Trustee will enter into an agreement to provide for the securing thereunder of the debt securities issued by the Owner Trustee pursuant to clause (a) of this Section 20 in like manner as the Certificates issuable under the Trust Indenture and/or will enter into such amendments and supplements to the Trust Indenture as may be necessary to effect such refunding or refinancing; and

(iv) unless otherwise agreed by the Owner Participant, the Lessee shall pay as Supplemental Rent on an After-Tax Basis all reasonable fees, costs, and expenses of such refunding or refinancing;

provided, however, that if within 15 days after receipt of a request from the Lessee to effect the Section 20 Refinancing, which request specifies the proposed structural terms of such refinancing and the amount of refinancing indebtedness, the Owner Participant provides the Lessee with a written notice to the effect that there will be a risk of adverse tax consequences to the Owner Participant resulting from the Section 20 Refinancing and, if then requested by the Lessee in writing, within 15 days after receipt of such request, the Owner Participant provides the Lessee with a written opinion of independent tax counsel selected by the Owner Participant and reasonably acceptable to the Lessee to the effect that there will be a risk of such adverse tax consequences to the Owner Participant resulting from the Section 20 Refinancing (other than the consequence that the refinanced loan constitutes "qualified nonrecourse indebtedness" within the meaning of Temporary Regulations Section 1.861-10T(b) for the purpose of the computation of the FSC Benefits (as defined in the Tax Indemnity Agreement)), then the Owner Trustee and the Owner Participant shall be required to effect the Section 20 Refinancing only if the Lessee shall have agreed to indemnify the Owner Participant against such identified adverse tax consequences in a manner reasonably satisfactory to the Owner Participant; provided, however, the parties agree that in the absence of a change in applicable laws, regulations, revenue rulings, revenue procedures or judicial precedents enacted, adopted or decided after the Delivery Date, the Section 20 Refinancing will not be deemed for this purpose to result in a risk of the Owner Participant not being considered the owner of the Aircraft, Airframe, any Engine or any Part for Federal or other income tax purposes.

Each of the Owner Participant, the Owner Trustee, each Loan Participant and the Indenture Trustee agrees to use all reasonable efforts to facilitate the Section 20 Refinancing, including, without limitation, by making such modifications to, or entering into such amendments and supplements to, the Operative Documents as may be appropriate or necessary to effect the Section 20 Refinancing.

(b) The Section 20 Refinancing shall not constitute a refunding or refinancing for the purposes of Section 17. Any debt instruments issued in connection with the Section 20 Refinancing shall not be subject to optional redemption by the Owner Trustee without the consent of the Lessee (except as provided in Section 2.13 of the Trust Indenture).

(c) In connection with the Section 20 Refinancing, the Owner Participant shall recalculate the payments of Basic Rent, Stipulated Loss Values and Termination Values with respect to the Term and, if the Section 20 Refunding Date occurs on or prior to the Base Lease Commencement Date, the Excess Payment Amount payable pursuant to Section 16(a) hereof (such recalculation of the Excess Payment Amount to take into account any prepayment by the Owner Participant on such Section 20 Refunding Date of all or part of the Excess Payment Amount under clause (w) of Section 20(a)(ii)), (i) to achieve the Owner Participant's Revised Net Economic Return, and (ii) to minimize, to the greatest extent possible consistent with the foregoing clause (i), the present value (discounted semiannually at an interest rate per annum to be supplied by the Lessee) of the payments of Basic Rent. In addition, in such event, the Special Purchase Price Percentage shall be recalculated in order to preserve the Special Purchase Price Yield to the Special Purchase Option Date of July 9, 2012; provided that the Special Purchase Price Percentage for the Special Purchase Option Date, as so adjusted, shall not be less than 56.9%. Notwithstanding the foregoing, the Owner Participant, the Owner Trustee and the Lessee agree that, at the Lessee's option, the Lessee may request that the Special Purchase Option Date be changed (and that the Special Purchase Price Percentage be recalculated as of such changed date) to whichever of the four Lease Period Dates preceding the Special Purchase Option Date or the two Lease Period Dates following the Special Purchase Option Date (each, an "Alternate Special Purchase Option Date") would result in the lowest possible sum of (1) the present value (discounted semiannually at an interest rate per annum to be supplied by the Lessee) of the payments of Basic Rent for the period from the Section 20 Refunding Date to and including the applicable Alternate Special Purchase Option Date (but excluding any Basic Rent designated as payable in advance on such Alternate Special Purchase Option Date) and (2) the present value (discounted semiannually at an interest rate per annum to be supplied by the Lessee) of the Special Pur-

chase Price as of such Alternate Special Purchase Option Date, and that, if necessary, the Lease shall be amended to reflect the change in the Special Purchase Option Date from July 9, 2012 to whichever of the Alternate Special Purchase Option Dates as would give rise to the lowest such sum; provided that upon any such request by the Lessee to change the Special Purchase Option Date to an Alternate Special Purchase Option Date, the Owner Participant shall, at its cost and expense, obtain an estimate of the fair market value (taking into account a reasonable estimate for inflation and deflation) of the Aircraft, as of any Alternate Special Purchase Option Dates specified by the Lessee, from BK Associates, Inc. or, if BK Associates, Inc. shall not then be an independent aircraft appraiser, from an independent aircraft appraiser selected by mutual agreement of the Owner Participant and the Lessee or, if they shall be unable to agree, from an appraiser selected pursuant to an Independent Appraisal (except that all costs and expenses of such appraiser shall be borne by the Owner Participant) and, if the estimated fair market value of the Aircraft determined by such appraiser (expressed as a percentage of Lessor's Cost) is more than the Special Purchase Price Percentage calculated for the Alternate Special Purchase Option Date as provided above in this sentence to which the Lessee has requested the Special Purchase Option Date be changed, the Special Purchase Option Date shall remain unchanged and the Special Purchase Price Percentage shall be the percentage determined in accordance with the preceding sentence, unless the Lessee elects that the Special Purchase Price Percentage as of such Alternate Special Purchase Option Date shall be equal to such estimated fair market value (computed as a percentage of Lessor's Cost), in which case the Lease shall be amended to reflect such Alternate Special Purchase Option Date. In performing any such recalculations in respect of Basic Rent, Stipulated Loss Value and Termination Value, the Owner Participant shall utilize the same methods and assumptions originally used to calculate the alternate schedules of Basic Rent, Stipulated Loss Values and Termination Values referred to in the definition of the Owner Participant's Revised Net Economic Return and in performing any such recalculations in respect of the Special Purchase Price Percentage, the Owner Participant shall, subject to the proviso to the preceding sentence, utilize the same methods and assumptions originally used to calculate the Special Purchase Price Percentage held in escrow by Sidley & Austin pursuant to Section 18(d) (other than, in each case, those

assumptions changed as a result of the Section 20 Refinancing; it being agreed that such recalculation shall reflect solely any changes of assumptions or facts resulting directly from such Section 20 Refinancing or due to the prior occurrence of any event taken into account in a recalculation pursuant to Section 18), provided that, Basic Rent, as so recomputed, shall comply with the requirements of Sections 4.02(5) and 4.07(1) of Revenue Procedure 75-28, 1975-1 C.B. 752, and shall not present a greater risk that Section 467(b)(2) of the Code would apply than the risk that Section 467(b)(2) applied prior to such recomputation, it being agreed that the requirements of clause (i) of Section 5.01 of Rev. Proc. 75-21, 1975-1 C.B. 715, shall be applied on a prospective basis.

Upon completion of any recalculation described above in this Section 20(c), a duly authorized officer of the Owner Participant shall provide a certificate to the Lessee either (x) stating that the payments of Basic Rent, Stipulated Loss Values and Termination Values with respect to the Term, and the Special Purchase Price Percentage and the Special Purchase Option Date, as are then set forth in the Lease do not require change, or (y) setting forth such adjustments to the payments of Basic Rent, Stipulated Loss Values or Termination Values with respect to the Term and the Special Purchase Price Percentage and the Special Purchase Option Date, as have been calculated by the Owner Participant in accordance with the above provisions. Such certificate shall describe in reasonable detail the basis for any such adjustments. If the Lessee shall so request, the recalculation of any such adjustments described in this Section 20 shall be verified by procedures substantially identical to the verification procedures set forth in Section 18(b). No adjustment may be made to the payments of Basic Rent, Stipulated Loss Values or Termination Values with respect to the Term pursuant to this Section 20 except in accordance with the provisions of Section 18(c).

Section 21. Miscellaneous. (a) Nothing contained in this Agreement, or in the Lease, the Trust Indenture, the Trust Agreement or the Tax Indemnity Agreement shall be construed as a guarantee by the Lessee of payments due pursuant to the Certificates or of the residual value or useful life of the Aircraft or any portion thereof.

(b) Any provision of this Agreement which is prohibited and unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. Neither this Agreement nor any of the terms hereof may be terminated, amended, supplemented, waived or modified orally, but only by an instrument in writing signed by the party against which the enforcement of the termination, amendment, supplement, waiver or modification is sought. The section and paragraph headings in this Agreement and the index preceding this Agreement are for convenience of reference only and shall not modify, define, expand or limit any of the terms or provisions hereof and all references herein to numbered sections, unless otherwise indicated, are to sections of this Agreement.

(c) The terms of this Agreement shall be binding upon, and shall inure to the benefit of, the Lessee and, subject to the terms of Section 13(E) hereof, its successors and permitted assigns, the Indenture Trustee and its successors as Indenture Trustee under the Trust Indenture, the Owner Trustee and its successors as Owner Trustee under the Trust Agreement, the Owner Participant and, subject to the provisions of Section 16(c) hereof, its successors and permitted assigns, and the Original Loan Participant and, subject to the provisions of Section 9(p) hereof, the other Loan Participants. Each Loan Participant other than the Original Loan Participant, by its acceptance of any Certificate, shall be deemed to have irrevocably and unconditionally agreed to perform the obligations of a Loan Participant hereunder and under the Trust Indenture.

(d) With respect to any opinion required to be delivered under any Operative Document by counsel to any party hereto, each party hereto hereby irrevocably instructs its applicable counsel to deliver such opinion to and for the benefit of the parties that are the addressees of such opinion.

THIS AGREEMENT HAS BEEN DELIVERED IN THE STATE OF NEW YORK AND SHALL IN ALL RESPECTS BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE.

(c) Prepayment of Certificates; Determination of Debt Rate.

Each of the Loan Participants and the Owner Participant hereby agrees that, notwithstanding anything to the contrary contained in this Participation Agreement, the Lease, the Trust Indenture, the Certificates, or the Trust Agreement, without the prior written consent of the Lessee, the Owner Trustee shall not take any action with respect to the Certificates concerning the optional prepayment of such Certificates (except as provided in Section 2.13 of the Trust Indenture), or the selection of the Debt Rate to be borne at any time or from time to time by such Certificates, or the Interest Periods to be applicable to the calculation of interest on the Certificates. The Owner Trustee hereby irrevocably appoints and authorizes the Lessee to act as its exclusive agent (and agrees that it will not act other than through the Lessee, as such agent) for the purpose of selecting the durations of the Interest Periods to be applicable from time to time to calculations of interest on the Certificates and designating the Debt Rate from time to time to be borne on the Certificates. Each of the Indenture Trustee, the Owner Participant and each Loan Participant hereby consents to such appointment and authorization. In taking any actions as agent of the Owner Trustee as aforesaid, the Lessee shall be authorized to deal directly with the Indenture Trustee and the Loan Participants, and the Owner Participant, the Owner Trustee, each Loan Participant and the Indenture Trustee each agrees to cooperate with the Lessee and the Original Loan Participant and otherwise to do all things and take all actions reasonably necessary to effect the actions taken by the Lessee as the agent of the Owner Trustee under this Section 1(c). Interest Period shall be determined by election of the Lessee (as agent for the Owner Trustee) by delivering telephonic notice to the Original Loan Participant (whether or not it at the time holds any Loan Certificates), followed in each case by telexed, telecopied or other written confirmation given as to be effective by 1:00 p.m. (New York City time) on the date of such telephonic notice (with a copy to the Indenture Trustee and the Owner Trustee), not less than three London Business Days prior to the beginning of the applicable Interest Period, in the case of a LIBOR Loan, and not later than 11:00 A.M. (New York City time) on the New York Business Day immediately preceding the beginning of the applicable Interest Period, in the case of a Short Period Rate Loan, specifying the duration of such Interest Period and whether the Debt Rate for such Interest Period shall be determined by reference to the LIBOR Rate or the Short Period Rate. The Indenture Trustee shall provide to each Loan Participant other than the Original Loan Participant a copy of any notice provided by the Lessee pursuant to the immediately preceding sentence promptly after receipt thereof. Notwithstanding the foregoing, the Lessee may only select a Short Period Rate (i) during any period, and from time to time during such period, in which the Lessee is in contemplation of a proposed prepayment of the Loan Certificates pursuant to Section 2.12 or 2.14 of the Trust Indenture (whether or not a notice of prepayment has been given pursuant to Section 2.12 or 2.14 of the Trust Indenture) or (ii) at any time when the selection of a LIBOR Rate would result in the succeeding Interest Period commencing on a day other than the eleventh day of a calendar month. The Original Loan Participant (whether or not it at the time holds any Loan Certificates) shall provide to each of the Owner Participant, the Owner Trustee, each other Loan Participant, the Indenture Trustee and the Lessee an officer's certificate setting forth the applicable interest rate and the interest expected to accrue on the Loan Certificates during the applicable Interest Period promptly after the commencement of such Interest Period and, as soon as practicable prior to each Lease Period Date (but in no event later than 11:00 A.M. New York City time on the Business Day immediately preceding such Lease Period Date), shall provide such notification of the aggregate amount of interest that will be actually due and payable on the Loan Certificates on such Lease Period Date.

The Owner Participant agrees, in the case of any Replacement Aircraft or Replacement Engine substituted pursuant to clause (i) of Section 10(a) of the Lease or pursuant to Section 9(g) or 10(b) of the Lease, that it will authorize and direct the Owner Trustee to take the actions specified in such Sections of the Lease with respect to such Replacement Aircraft or Replacement Engine upon due compliance with the terms and conditions set forth in such Sections of the Lease with respect to such Replacement Aircraft or Replacement Engine.

(W) All appropriate action required to have been taken on or prior to the Delivery Date in connection with the transactions contemplated by this Participation Agreement shall have been taken by the Federal Aviation Administration, or any governmental or political agency, subdivision or instrumentality of the United States, and all orders, permits, waivers, authorizations, exemptions and approvals of such entities required to be in effect on the Delivery Date in connection with the transactions contemplated by this Participation Agreement shall have been issued, and all such orders, permits, waivers, authorizations, exemptions and approvals shall be in full force and effect on the Delivery Date.

(X) In the opinion of the Owner Participant and its special counsel, there shall have been since January 1, 1992, no amendment, modification, addition, or change in or to the provisions of the Code (including for this purpose, any non-Code provisions of legislation affecting the Code such as transition rules or effective date provisions) and the regulations promulgated under the Code (including temporary regulations), Internal Revenue Service Revenue Procedures or Revenue Rulings, or other administrative interpretations, applicable judicial precedents or Executive Orders of the President of the United States, as in effect on the date hereof, the effect of which might preclude the Owner Participant from obtaining any of the income tax benefits and consequences assumed to be available to the Owner Participant as set forth in Section 1 of the Tax Indemnity Agreement.

(Y) No action or proceeding shall have been instituted nor shall governmental action be threatened before any court or governmental agency, nor shall any order, judgment or decree have been issued or proposed to be issued by any court or governmental agency at the time of the Delivery Date to set aside, restrain, enjoin or prevent the completion and consummation of this Participation Agreement or the transactions contemplated hereby.

Promptly upon the registration of the Aircraft and the recording of the Manufacturer's FAA Bill of Sale, the Manufacturer's Subsidiary's FAA Bill of Sale, the FAA Bill of Sale, the Lease (with the Lease Supplement covering the Aircraft, the Trust Indenture and the Trust Agreement and Indenture Supplement covering the Aircraft attached) and the Trust Indenture (with the Trust Agreement and such Trust Agreement and Indenture Supplement attached) pursuant to the Federal Aviation Act, the Lessee will cause Crowe & Dunlevy, P.C., special counsel in Oklahoma City, Oklahoma, to deliver to each Participant, the Owner Trustee, the Indenture Trustee and the Lessee an opinion as to the due registration of the Aircraft, and the due recording of such instruments and the lack of filing of any intervening documents with respect to the Aircraft.

SECTION 5. Postponement of Delivery Date. (a) In the event that (i) the Original Loan Participant shall for any reason fail or refuse to make the full amount of its Commitment for the Aircraft available to the Owner Trustee in accordance with the terms of Section 2 hereof, or (ii) the Owner Participant shall for any reason fail or refuse to make the full amount of its Commitment for the Aircraft available to the Owner Trustee in accordance with the terms of Section 2 hereof, the Owner Trustee will forthwith give each party hereto telex, facsimile or telegraphic notice of such default and the Delivery Date for the Aircraft will be postponed up to the fifth succeeding Business Day as the Lessee may direct (and the term "Delivery Date" as used in this Agreement shall thereafter mean such postponed "Delivery Date"); provided that such postponed Delivery Date shall not be a date later than August 31, 1992. During such period, the Lessee shall have the right to find another leasing or financial institution to be substituted for the non-participating Original Loan Participant or Owner Participant, as the case may be; provided that in either event the institution so substituted shall sign and deliver an agreement, in form and substance satisfactory to the Lessee, by which it will assume the balance of the Commitment of the non-participating Original Loan Participant or Owner Participant, as the case may be. Upon the execution and delivery of such agreement, the institution so substituted shall become the Original Loan Participant or the Owner Participant, as the case may be, and shall be deemed substituted for the non-participating Participant, for all purposes of this Agreement, the Trust Agreement, the Trust

Indenture, and the Lease and to have assumed all obligations of the non-participating Participant thereunder which accrue after the date of execution and delivery. No action by the Lessee under this Section 5(a) shall be deemed to constitute a waiver or release of any right which the Lessee may have against the defaulting Participant. In the event that the Lessee cannot find another institution to be substituted for the non-participating Participant within such five Business Day period, then, in such event (i) the Owner Trustee shall not accept delivery of the Aircraft and (ii) this Agreement, the Trust Agreement, the Trust Indenture, the Lease and the Purchase Agreement Assignment and the other Operative Documents shall terminate and be of no further force or effect except as expressly provided herein or therein.

(b) A scheduled Delivery Date for the Aircraft may be postponed from time to time for any reason (but no later than August 31, 1992), other than pursuant to Section 5(a) hereof, if the Lessee gives the Owner Participant, the Original Loan Participant, the Indenture Trustee and the Owner Trustee telex, telegraphic, facsimile or telephonic (confirmed in writing) notice of such postponement and notice of the date to which such Delivery Date has been postponed, such notice of postponement to be received by each party no later than 2:00 P.M., New York City time, on the originally scheduled Delivery Date (and the term "Delivery Date" as used in this Agreement shall thereafter mean such postponed "Delivery Date").

(c) In the event of any postponement of the Delivery Date pursuant to Section 5(a) or 5(b) hereof, or if on an originally scheduled Delivery Date not postponed as above provided the Aircraft is not delivered to the Lessor by 3:00 P.M. or, if delivered, is not accepted by the Owner Trustee for any reason, the Owner Trustee will return by 4:00 P.M. on such date, any funds which it shall have received from any Participant as its Commitment for the Aircraft, absent joint instruction from the Lessee and such Participant to retain funds until the specified date of postponement established under Section 5(a) or 5(b).

(d) Notwithstanding the provisions of this Section 5, no Participant shall be under any obligation to make its Commitment available beyond 3:00 P.M., New York City time, on August 31, 1992.

SECTION 6. Extent of Interest of Loan Participants. A Loan Participant shall have no further interest in, or other right with respect to, the Indenture Estate when and if the principal of and interest on all Certificates held by such Loan Participant and all other sums payable to such Loan Participant hereunder, under the Trust Indenture and under such Certificates shall have been paid in full. By acceptance of a Certificate, each Loan Participant agrees that it will look solely to the income and proceeds from the Indenture Estate to the extent available for distribution to such Loan Participant as provided in Section 2.05 of the Trust Indenture and that neither the Owner Participant nor the Owner Trustee shall be personally liable to such Loan Participant for any amounts payable under the Certificates, the Trust Indenture or hereunder, except as expressly provided in the Operative Documents.

SECTION 7. Lessee's Representations, Warranties and Indemnities. (a) In General. The Lessee represents and warrants that:

(i) the Lessee is a corporation duly organized and validly existing in good standing under the laws of the State of Delaware, is an "air carrier" within the meaning of the Federal Aviation Act, operating under certificates issued under Section 401 of such Act, is a "citizen of the United States" as defined in Section 101(16) of the Federal Aviation Act, and has the corporate power and authority to own or hold under lease its properties and to enter into and perform its obligations under the Operative Documents to which it is a party, and is duly qualified to do business as a foreign corporation in good standing in each state in which it has intrastate routes or has a principal office or a major overhaul facility, and its chief executive office (as such term is used in Article 9 of the Uniform Commercial Code as in effect in the State of Texas) is located in Fort Worth, Texas;

(ii) the execution, delivery and performance of the Operative Documents to which the Lessee is a party have been duly authorized by all necessary corporate action on the part of the Lessee, do not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of the Lessee, and do not contravene

any law, governmental rule, regulation or order binding on the Lessee or the Certificate of Incorporation or By-Laws of the Lessee or contravene the provisions of, or constitute a default under, or result in the creation of any Lien (other than as permitted under the Lease) upon the property of the Lessee or on the Aircraft under, any indenture, mortgage, contract or other agreement to which the Lessee is a party or by which it or any of its properties may be bound or affected;

(iii) neither the execution and delivery by the Lessee of the Operative Documents to which it is a party, nor the consummation of any of the transactions by the Lessee contemplated hereby or thereby, requires the consent or approval of, the giving of notice to, or the registration with, or the taking of any other action in respect of, the Department of Transportation, the Federal Aviation Administration, or any other Federal, state, local or foreign governmental authority or agency, other than the registration and filings referred to in Section 7(a)(viii);

(iv) this Agreement has been duly executed and delivered and constitutes, and each other Operative Document to which the Lessee is a party has been duly executed and delivered and constitutes, a legal, valid and binding obligation of the Lessee enforceable against the Lessee in accordance with its terms except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and by general principles of equity and except, in the case of the Lease, as limited by applicable laws which may affect the remedies provided in the Lease, which laws, however, do not make the remedies provided in the Lease inadequate for the practical realization of the rights and benefits provided thereby;

(v) there are no pending or threatened actions or proceedings before any court, governmental authority or administrative agency or arbitrator which would materially adversely affect the consolidated financial condition of the Lessee and its consolidated subsidiaries, taken as a whole, or the ability of the Lessee to perform its obligations under the Operative Documents to which it is a party;

(vi) the Lessee and its subsidiaries have filed or caused to be filed all Federal, state, local and foreign tax returns which are required to be filed and have paid or caused to be paid all taxes shown to be due and payable on such returns or (except to the extent being contested in good faith and for the payment of which adequate reserves have been provided) on any assessment received by the Lessee or any of its subsidiaries, to the extent that such taxes have become due and payable; the Federal income tax liability, if any, of the Lessee has been determined by the Internal Revenue Service (or the statute of limitations has expired with respect to a redetermination of such liability) and (except to the extent being contested in good faith and for the payment of which adequate reserves have been provided) paid for all years prior to and including the fiscal year ended December 31, 1984; the Federal income tax returns of the Lessee for the fiscal years ended December 31, 1985 to December 31, 1990, inclusive, are subject to examination by the Internal Revenue Service;

(vii) the audited consolidated balance sheet of the Lessee and its subsidiaries as of the end of each of its last three fiscal years, and the related consolidated statements of operations and cash flows for the three fiscal years then ended, fairly present the consolidated financial position of the Lessee and its consolidated subsidiaries as at the end of each such fiscal year and the consolidated results of their operations and cash flows for each such fiscal year in accordance with generally accepted accounting principles applied on a consistent basis (except as may be noted in such financial statements); since December 31, 1991, there has been no material adverse change in such consolidated financial position of the Lessee and its consolidated subsidiaries, taken as a whole;

(viii) except for the registration of the Aircraft, pursuant to the Federal Aviation Act, and except for the filing for recording pursuant to said Act of the Manufacturer's FAA Bill of Sale, the Manufacturer's Subsidiary's FAA Bill of Sale and the FAA Bill of Sale, the Lease (with the Lease Supplement covering the Aircraft, the Trust Indenture and

the Trust Agreement and Indenture Supplement covering the Aircraft attached), the Trust Agreement and the Trust Indenture (with such Lease Supplement and such Trust Agreement and Indenture Supplement attached), no further action, including any filing or recording of any document (including any financing statement in respect thereof under Article 9 of the Uniform Commercial Code of any applicable jurisdiction), is necessary or advisable in order to establish and perfect the Owner Trustee's interest in the Aircraft as against the Lessee and any third parties (other than the filing of a financing statement in respect thereof under Article 9 of the Uniform Commercial Code as in effect in the State of Texas), or to perfect the security interest in the Owner Trustee's interest in the Aircraft created under the Trust Indenture in favor of the Indenture Trustee (with respect to such portion of the Aircraft as is covered by the recording system established by the Federal Aviation Administration pursuant to Section 503(a) of the Federal Aviation Act) in any applicable jurisdiction in the United States;

(ix) the Lessee is not an investment company or a company controlled by an investment company within the meaning of the Investment Company Act of 1940, as amended;

(x) the Lessee is not in default in the performance of any term or condition of the Purchase Agreement which materially adversely impairs the transactions contemplated hereby;

(xi) none of the proceeds from the issuance of the Certificates or from the acquisition by the Owner Participant of its beneficial interest in the Trust Estate will be used directly or indirectly by the Lessee to purchase or carry any "margin stock" as such term is defined in Regulation G of the Board of Governors of the Federal Reserve System; and

(xii) the Lessee has not voluntarily subjected the Aircraft to any lease or mortgage, the existence of which has not been disclosed to the Lessor and the Original Loan Participant.

NOTWITHSTANDING ANYTHING CONTAINED HEREIN, IN THE PURCHASE AGREEMENT ASSIGNMENT, OR IN THE LEASE TO THE CONTRARY,

EXCEPT TO THE EXTENT SPECIFICALLY PROVIDED IN THE WARRANTY BILL OF SALE REFERRED TO IN SECTION 4(E)(X) ABOVE, THE LESSEE DOES NOT MAKE NOR SHALL THE LESSEE BE DEEMED TO HAVE MADE, AND THE LESSEE HEREBY DISCLAIMS, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE WORKMANSHIP, DESIGN, PATENT INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR USE OF THE AIRCRAFT AS OF THE DELIVERY DATE. NOTHING CONTAINED IN THE PRECEDING SENTENCE SHALL BE INTERPRETED TO BE IN DEROGATION OF OR CONSTRUED TO LIMIT THE LESSEE'S INDEMNITY OBLIGATIONS HEREUNDER OR TO EXCUSE THE PERFORMANCE BY THE LESSEE OF ITS OBLIGATIONS UNDER THIS AGREEMENT, ANY OTHER OPERATIVE DOCUMENT OR THE BILLS OF SALE.

(b) General Indemnity. (1) Claims Defined. For the purposes of this Section 7(b), "Claims" shall mean any and all liabilities, obligations, losses, damages, penalties, claims, actions or suits of whatsoever kind and nature (whether or not on the basis of negligence, strict or absolute liability or liability in tort) which may be imposed on, incurred by, suffered by, or asserted against an Indemnitee, as defined herein, and, except as otherwise expressly provided in this Section 7(b), shall include all reasonable costs, disbursements and expenses (including reasonable legal fees and expenses) of an Indemnitee in connection therewith or related thereto.

(2) Indemnitee Defined. For the purposes of this Section 7(b), "Indemnitee" means the Owner Trustee (in both its individual capacity and as Owner Trustee), the Owner Participant (and, so long as the Owner Participant is a direct or indirect subsidiary of American Telephone and Telegraph Company, AT&T Capital Corporation, American Telephone and Telegraph Company and each Affiliate thereof), any Loan Participant, the Indenture Trustee (in both its individual capacity and as Indenture Trustee), Credit (as defined in the Tax Indemnity Agreement) and their respective successors and permitted assigns, directors, officers, employees, agents and servants (the respective successors and permitted assigns, directors, officers, employees, agents and servants of (a) the Owner Trustee, together with the Owner Trustee, (b) the Owner Participant (and, if applicable, AT&T Capital Corporation, American Telephone and Telegraph Company and each Affiliate thereof), together with the Owner Participant (and, if applicable, AT&T Capital Corporation, American Telephone and Telegraph Company and each Affiliate there-

of), (c) any Loan Participant, together with such Loan Participant, (d) the Indenture Trustee, together with the Indenture Trustee, and (e) Credit, together with Credit, being in each case referred to herein collectively as the "Related Indemnatee Group" for each such party).

(3) Claims Indemnified. Subject to the exclusions stated in subsection (4) below, whether or not any of the transactions contemplated hereby shall be consummated, the Lessee agrees to indemnify, protect, defend and hold harmless on an After-Tax Basis each Indemnatee against Claims in any way resulting from or arising out of (i) the Operative Documents, the Bills of Sale or any sublease under the Lease or the enforcement of any of the terms thereof, or any amendment, modification or waiver in respect thereof or any of the transactions contemplated hereby or thereby, (ii) the purchase, acceptance or rejection of the Aircraft, the Airframe, any Engine, engine or Part (or any portion thereof) hereunder, (iii) the manufacture, design, purchase, resale, acceptance, non-acceptance or rejection of the Aircraft, the Airframe, any Engine, engine or Part (or any portion thereof) hereunder or under the Lease, (iv) the Aircraft, whether or not arising out of the ownership, delivery, non-delivery, lease, sublease, possession, use, non-use, substitution, airworthiness, state of airworthiness, control, maintenance, repair, operation, registration, condition, sale, storage, modification, alteration, return, transfer or other disposition of the Aircraft, the Airframe, any Engine, any engine installed on the Airframe or any Part (or portion thereof) (including, without limitation, latent or other defects, whether or not discoverable, strict tort liability, and any claim for patent, trademark or copyright infringement), (v) any breach of or failure to perform or observe, or any other non-compliance with, any covenant, condition or agreement or other obligations to be performed by the Lessee under any Operative Document or the Bills of Sale or the falsity of any representation or warranty of the Lessee in any of the Operative Documents or the Bills of Sale, other than covenants, conditions, agreements, obligations, representations and warranties in the Tax Indemnity Agreement, or (vi) the offer, sale or delivery of any Certificates or any interest in the Trust Estate. Without limitation of the foregoing, the Lessee agrees to pay the reasonable ongoing fees, and the reasonable ongoing out-of-pocket costs and expenses (including, without limitation, reasonable attorney's fees and disbursements and, to the extent

payable as provided in the Trust Indenture, reasonable compensation and expenses of the Indenture Trustee's agents), of the Owner Trustee and the Indenture Trustee in connection with the transactions contemplated by the Operative Documents.

(4) Claims Excluded. The following are excluded from the Lessee's agreement to indemnify any Indemnatee under this Section 7(b):

(i) Any Claim to the extent caused by acts or events occurring after the earlier of (x) the return of the Aircraft under the Lease (it being understood that the date of the placement of the Aircraft in storage as provided in Section 5(d) of the Lease constitutes the date of return of the Aircraft under the Lease), and (y) the expiration or earlier termination of the Lease under circumstances not requiring the return of the Aircraft unless and to the extent such Claim is attributable to acts occurring in connection with the exercise of remedies pursuant to Section 15 of the Lease following the occurrence and continuance of an Event of Default thereunder;

(ii) Any Claim to the extent attributable to a Tax or a Loss, whether or not Lessee is required to indemnify therefor under Section 7(c) of this Participation Agreement or the Tax Indemnity Agreement, provided that this Section 7(b)(4)(ii) shall not exclude the reasonable out-of-pocket costs, disbursements and expenses incurred with respect to Taxes for which the Lessee is required to indemnify under Section 7(c) of this Participation Agreement;

(iii) Any Claim to the extent caused by the gross negligence or willful misconduct of such Indemnatee or any of its Related Indemnatee Group (other than any gross negligence or willful misconduct imputed as a matter of law to such Indemnatee solely by reason of its status as a party to any of the Operative Documents);

(iv) Any Claim to the extent caused by the noncompliance by such Indemnatee or any of its Related Indemnatee Group with any of the terms of, or any misrepresentation by such Indemnatee or any of its Related Indemnatee Group contained in, this Participation Agreement or any other Operative Document to

which such Indemnitee or any of its Related Indemnitee Group is a party or any agreement relating hereto or thereto (except if such representation or warranty was based on an inaccurate representation or warranty of the Lessee);

(v) Any Claim that constitutes a Permitted Lien attributable to such Indemnitee;

(vi) Any Claim to the extent caused by the offer, sale or disposition (voluntary or involuntary) by or on behalf of such Indemnitee of any Certificates or any interest in the Trust Estate or the Trust Agreement, or any similar security, other than a transfer by such Indemnitee of its interests in the Aircraft pursuant to Section 9, 10, 15 or 20 of the Lease;

(vii) Any Claim to the extent caused by a failure on the part of the Owner Trustee to distribute in accordance with the Trust Agreement any amounts received and distributable by it thereunder;

(viii) Any Claim (other than to the extent any such Claim is brought against the Owner Participant or the Owner Trustee and the Related Indemnitee Group of such Indemnitee) to the extent caused by a failure on the part of the Indenture Trustee to distribute in accordance with the Trust Indenture any amounts received and distributable by it thereunder;

(ix) Any Claim to the extent caused by the authorization or giving or withholding by such Indemnitee of any future amendments, supplements, waivers or consents with respect to any of this Participation Agreement and the other Operative Documents, other than such as have been requested by or consented to by the Lessee, or such that occur as a result of an Event of Default that shall have occurred and is continuing, or such as are required or contemplated by (and, if contemplated by, in compliance with) the provisions of the Operative Documents in order to give effect thereto;

(x) Any Claim to the extent caused by an Indenture Default that does not also constitute an Event of Default under the Lease;

(xi) Any Claim that would not have arisen but for the appointment of a successor or an additional Owner Trustee without the consent of the Lessee;

(xii) Any Claim to the extent caused by the failure of a Person other than the Lessee to pay a cost, fee or expense payable by such Person in accordance with Section 9(a), 9(b), 9(c), 9(f), 9(g), 9(j), 16(b), 16(c), or 18(b) hereof, or Section 5(d), 5(f), 9, 10, 11 or 25 of the Lease;

(xiii) Any Claim that is an ordinary and usual operating or overhead expense other than to the extent caused by (a) the occurrence of an Event of Default or an Event of Loss or (b) circumstances beyond the scope of routine portfolio administration (such routine portfolio administration to be deemed to include tax preparation and other normally occurring administrative tasks but shall not include any administrative obligations of the Lessee under the Operative Documents performed by any Indemnitee);

(xiv) Any Claim to the extent that such Claim relates to amounts payable by the Owner Trustee to the Indenture Trustee in respect of the Break Amount, if any, payable with respect to the Certificates as a result of (x) any prepayment of the Certificates or purchase of the Certificates pursuant to Section 2.13 of the Trust Indenture as a result of an Indenture Default that does not also constitute an Event of Default or (y) an Indenture Default that does not also constitute an Event of Default; and

(xv) Any Claim made by American Telephone and Telegraph Company, AT&T Capital Corporation or any Affiliate of either thereof (other than the Owner Participant), to the extent that such Claim is based on losses suffered by or any decline in the net worth of the Owner Participant (but only to the extent that any such losses or decline in net worth are caused by events for which the Owner Participant is not indemnifiable by the Lessee under the Operative Documents).

A limitation on the Claims of one Indemnitee under this Section 7(b)(4) shall not provide a basis for limiting any Claim of any other Indemnitee.

(5) Insured Claims. In the case of any Claim indemnified by the Lessee hereunder which is covered by a policy of insurance maintained by the Lessee pursuant to Section 11 of the Lease, each Indemnatee agrees to cooperate, at the Lessee's expense, with the insurers in the exercise of their rights to investigate, defend or compromise such Claim as may be required to retain the benefits of such insurance with respect to such Claim.

(6) Claims Procedure. An Indemnatee shall promptly notify the Lessee of any Claim as to which indemnification is sought provided that the failure to provide such prompt notice shall not release the Lessee from any of its obligations to indemnify hereunder. Any amount payable to any Indemnatee pursuant to this Section 7(b) shall be paid within thirty days after receipt of a written demand therefor from such Indemnatee accompanied by a written statement describing in reasonable detail the Claims which are the subject of and basis for such indemnity and the computation of the amount so payable. Subject to clause (x) of the final sentence of this Section 7(b)(6) and to the rights of insurers under policies of insurance maintained pursuant to Section 11 of the Lease, so long as no Event of Default under Section 14(f), 14(g), 14(h) or 14(i) of the Lease shall have occurred and be continuing, the Lessee (at its sole cost and expense) shall have the right to investigate, and the right in its sole discretion to defend or compromise, any Claim for which indemnification is sought under this Section 7(b), and the Indemnatee shall cooperate, at the Lessee's expense, with all reasonable requests of the Lessee in connection therewith; provided, however, that so long as an Event of Default under Section 14(a) of the Lease has occurred and is continuing, such Indemnatee shall have the right, along with the concomitant right of the Lessee, to investigate, defend or compromise any such Claim. The Lessee will provide the Indemnatee with such information not within the control of such Indemnatee, as is in the Lessee's control or as reasonably available to the Lessee, which such Indemnatee may reasonably request and shall otherwise cooperate with such Indemnatee so as to enable such Indemnatee to fulfill its obligations under this Section 7(b)(6). Where the Lessee or the insurers under a policy of insurance maintained by the Lessee undertake the defense of an Indemnatee with respect to a Claim, and so long as the Lessee is entitled to control such defense, no additional legal fees or expenses of such Indemnatee in connection with the defense of such Claim shall be indem-

nified hereunder unless such fees or expenses were incurred at the request of the Lessee or such insurers; provided, however, that if (i) in the written opinion of counsel to such Indemnitee an actual or potential material conflict of interest exists where it is advisable for such Indemnitee to be represented by separate counsel or (ii) such Indemnitee has been indicted or otherwise charged in a criminal complaint and such Indemnitee informs the Lessee that such Indemnitee desires to be represented by separate counsel, the reasonable fees and expenses of any such separate counsel shall be borne by the Lessee. Subject to the requirements of any policy of insurance, an Indemnitee may participate at its own expense in any judicial proceeding controlled by the Lessee pursuant to the preceding provisions; provided that such party's participation does not, in the reasonable opinion of the independent counsel appointed by the Lessee or its insurers to conduct such proceedings, significantly interfere with such control; and such participation shall not constitute a waiver of the indemnification provided in this Section 7(b). Notwithstanding anything to the contrary contained herein, (w) the Lessee shall not under any circumstances be liable for the fees and expenses of more than one counsel for each of (i) the Owner Participant and the Owner Trustee (and their respective successors and permitted assigns, agents and servants and other members of their respective Related Indemnitee Groups) and (ii) the Loan Participants and the Indenture Trustee (and their respective successors and permitted assigns, agents and servants) except in the case specified in the proviso to the fourth sentence of this paragraph (6) and (x) the Lessee shall not be entitled to defend or compromise any Claim if such proceedings will involve a material risk of the sale, forfeiture or loss of, or the creation of any Lien (other than a Permitted Lien) or the Airframe, any Engine or any part of any thereof, or the Indenture Estate or the Trust Estate or any part of any thereof, unless the Lessee shall have provided security for Lessee's obligations under this Section 7(b) with respect to such Claim reasonably satisfactory to the relevant Indemnitees in respect to such risk.

(7) Subrogation. To the extent that a Claim indemnified by the Lessee under this Section 7(b) is in fact paid in full by the Lessee and/or an insurer under a policy of insurance maintained by the Lessee pursuant to Section 11 of the Lease, the Lessee and/or such insurer, as the case may be, shall be subrogated to the rights and

remedies of the Indemnitee on whose behalf such Claim was paid (other than rights of such Indemnitee under insurance policies maintained at its own expense) with respect to the transaction or event giving rise to such Claim, except that the Lessee shall not be subrogated to any rights or remedies that the Owner Trustee may have against the Owner Participant under Section 7.01 of the Trust Agreement or that the Indenture Trustee may have against the Owner Trustee under Section 7.01 of the Trust Indenture. So long as no Event of Default (or event that with lapse of time would constitute an Event of Default under Section 14(a), 14(g), 14(h) or 14(i) of the Lease) shall have occurred and be continuing, should an Indemnitee receive any refund, in whole or in part, with respect to any Claim paid by the Lessee hereunder, it shall promptly pay the amount refunded (but not an amount in excess of the amount the Lessee or any of its insurers has paid in respect of such Claim) over to the Lessee. Moreover, if, by reason of any Claim that the Lessee has paid or indemnified against pursuant to this Section 7(b), an Indemnitee realizes an actual reduction in any Taxes that was not previously taken into account in computing a payment by the Lessee pursuant to this Section 7(b), then such Indemnitee shall promptly pay to the Lessee an amount equal to the actual net reduction in Taxes realized by such Indemnitee attributable thereto plus the actual reduction in Taxes realized by such Indemnitee as a result of any payment to the Lessee pursuant to this sentence. Each Indemnitee shall in good faith use reasonable diligence in filing its tax returns and in dealing with taxing authorities to seek and claim any tax benefits that would result in such net reductions in Taxes.

(8) No Guaranty; Increased Costs. Nothing set forth in this Section 7(b) shall constitute a guarantee by the Lessee that the Aircraft shall have any particular useful life or residual value or a guarantee to the Indenture Trustee or the Loan Participants that the Certificates will be paid. Each of the Loan Participants agrees that the provisions of Section 2.18 of the Trust Indenture constitute its sole remedy for the reimbursement of Increased Costs described therein and that nothing in this Section 7(b) shall constitute an indemnity for any Increased Cost or any cost or loss in the nature of an Increased Cost.

(c) General Tax Indemnity. (1) Indemnity. Except as provided in Section 7(c)(2) hereof, the Lessee

shall pay or indemnify and hold harmless on an After-Tax Basis each Tax Indemnitee from and against any and all fees (including without limitation license, documentation and registration fees) and all taxes, whether now existing or hereafter adopted (including, without limitation, income, gross receipts, sales, use, value-added, property (tangible and intangible), excise and stamp taxes), levies, imposts, duties, charges or withholdings, together with any penalties, fines or interest thereon or other additions thereto (hereinafter collectively called "Taxes" and individually called a "Tax") imposed against or payable by any Tax Indemnitee (including amounts so payable by any such Tax Indemnitee solely as withholding agent), the Lessee, any sublessee, sub-sublessee or other user of the Aircraft, any Engine, or any Part, or any Affiliate of any such user, or imposed against the Aircraft, any Engine or any Part, by any Federal, state or local government or other taxing authority in the United States or by any foreign government or by any territory or possession of the United States or by any international authority or by any political subdivision or taxing authority of any of the foregoing (hereinafter, a "Taxing Authority") in connection with or relating to (a) the construction, mortgaging, financing, refinancing, purchase, acquisition, acceptance, rejection, delivery, nondelivery, transport, location, ownership, control, insurance, registration, reregistration, deregistration, assembly, possession, repossession, operation, use, condition, maintenance, repair, sale, return, abandonment, replacement, preparation, installation, storage, redelivery, manufacture, leasing, subleasing, modification, rebuilding, importation, transfer of title, transfer of registration, exportation or other application or disposition of, the Aircraft, any Engine or any Part or any interest in any thereof, (b) payments of Rent or the receipts, income or earnings arising therefrom or received with respect to the Aircraft, any Engine or any Part or any interest in any thereof or payable pursuant to the Lease, (c) any amount paid or payable pursuant to any Operative Document, (d) the Aircraft, any Engine or any Part or any interest in any thereof or the applicability of the Lease to the Aircraft, any Engine or any Part or any interest in any thereof, (e) any or all of the Operative Documents, any or all of the Certificates or any interest in any or all thereof, or the offering, registration, reregistration, issuance, acquisition, assumption, modification, reissuance, refinancing or refunding of any or all thereof, and any other documents contemplated hereby or thereby and

amendments and supplements hereto and thereto, (f) the payment of the principal of, or interest or premium on, or other amounts payable with respect to, any or all of the Certificates, whether as originally issued or pursuant to any refinancing, refunding, assumption, modification or reissuance, or any other obligation evidencing any loan in replacement of the loan evidenced by any or all of the Certificates, (g) any change in the Owner Trustee or the situs of the Trust Estate made pursuant to Section 9(d) hereof, (h) the property, or the income, earnings, receipts or other proceeds received with respect to the property, held by the Indenture Trustee under the Trust Indenture or (i) otherwise with respect to or in connection with the transactions contemplated by the Operative Documents.

(2) Exclusions. The provisions of Section 7(c)(1) hereof shall not apply to:

respect to any of the foregoing, the existence of any Lessor's Liens, (B) in the case of Taxes imposed on or with respect to any Tax Indemnatee (other than Wilmington Trust Company or NationsBank of Georgia, National Association, their respective successors and assigns (including, without limitation, each and any Person who is at any time a replacement Owner Trustee or Indenture Trustee), their respective officers, directors, servants and agents and their respective Affiliates), any act or omission of such Tax Indemnatee or any Tax Indemnatee related to such Tax Indemnatee that is in violation of any of the terms of the Operative Documents, (C) in the case of Taxes imposed on or with respect to any Tax Indemnatee, any act or omission of such Tax Indemnatee or any Tax Indemnatee related to such Tax Indemnatee that constitutes gross negligence or willful misconduct, or the inaccuracy of any representation, warranty or covenant by such Tax Indemnatee or such related Tax Indemnatee, but only if, in any such case described in the immediately preceding clause (B) or (C), such act, omission or inaccuracy is not a result in whole or in part of (I) any act or omission of the Lessee or any sublessee or Person (other than a Tax Indemnatee) that is a user of the Aircraft or any Engine or any Affiliate of any thereof or (II) the breach or inaccuracy of any representation, warranty or covenant of the Lessee or any Affiliate, or (D) in the case of Taxes imposed on or with respect to the Indenture Trustee, the Indenture Estate, any Loan Participant or any related Tax Indemnatee with respect to any of the foregoing, the existence of any Loan Participant Lien;

(xi) Taxes imposed on a Tax Indemnitee that would not have been imposed upon such Tax Indemnitee but for any failure of such Tax Indemnitee or any related Tax Indemnitee to comply with (x) certification, information, documentation, reporting or other similar requirements concerning the nationality, residence, identity or connection with the jurisdiction imposing such Taxes, if such Tax Indemnitee's or any related Tax Indemnitee's compliance is reasonably within its control, can be accomplished without material unindemnified cost or risk and is required by statute or by regulation of the jurisdiction imposing such Taxes as a precondition to relief or exemption from such Taxes and the Tax Indemnitee or such related Tax Indemnitee was eligible for such relief or exemption or (y) any other certification, information, documentation, reporting or other similar requirements under the Tax laws or regulations of the jurisdiction imposing such Taxes that would establish entitlement to otherwise applicable relief or exemption from such Taxes for which such Tax Indemnitee is eligible and that are reasonably within such Tax Indemnitee's ability to provide in a timely fashion and can be accomplished without material unindemnified cost or risk, provided that the exclusion set forth in this subparagraph (xi) shall not apply if such failure to comply was due to a failure of the Lessee (A) timely to notify such Tax Indemnitee of such requirement or (B) to provide reasonable assistance in complying with such requirement or, in the case of the Owner Participant, if such failure was the result of the Owner Trustee's negligence or the Owner Trustee's actions or failure to act in accordance with instructions of the Owner Participant;

(xii) Taxes imposed on any Tax Indemnitee in the nature of any intangible or similar tax upon or with respect to the value of the interest of the Owner Participant in the Trust Estate imposed by any government or taxing authority in which the Owner Participant is subject to tax without regard to the ownership or lease of the Aircraft;

(xiii) Taxes that would not have been imposed but for an amendment to any Operative Documents not consented to by the Lessee in writing (other than any

amendment that occurs after an Event of Default has occurred and while it is continuing);

(xiv) Taxes imposed on the Owner Participant, the Owner Trustee or the Trust Estate by the United States or by any state or local government or taxing authority in the United States (including any territory or possession thereof) by reason of the trust described in the Trust Agreement being taxed in the same manner as a corporation;

(xv) Taxes imposed on any Loan Participant that are on, based on or measured by gross or net income or gross or net receipts of such Loan Participant or any related Tax Indemnitee (including any minimum Taxes and any Taxes on or measured by any items of tax preference) or that are franchise Taxes, Taxes on doing business or Taxes on, based on or measured by capital or net worth of such Loan Participant or any related Tax Indemnitee by (x) the Federal government of the United States or (y) any state or local government or taxing authority in the United States or any foreign government or any territory or possession of the United States or any international authority or any political subdivision or taxing authority of any of the foregoing except to the extent that such Taxes would have been due had the use or operation of the Aircraft in the jurisdiction imposing such Taxes been the sole connection between the jurisdiction imposing such Taxes and such Loan Participant (for the avoidance of doubt, nothing in this subparagraph (xv) shall affect the obligation of the Lessee to indemnify on an After-Tax Basis), provided that there shall not be excluded under clause (x) or (y) of this subparagraph (xv) Taxes to the extent imposed by reason of such Loan Participant being treated as having a taxable exchange as a result of the assumption by the Lessee of the rights and obligations of the Owner Trustee under the Indenture and the Certificates pursuant to Section 2.16 of the Indenture; and

(xvi) Taxes imposed on any Loan Participant in the nature of any intangible or similar tax upon or with respect to the value of the interest of such Loan Participant in any Certificate or the loan evidenced thereby.

(3) Tax Benefit Payback. If, by reason of the payment or accrual of any Taxes indemnified hereunder, a Tax Indemnitee realizes an actual reduction in any Taxes, which reduction in Taxes was not taken into account in calculating any indemnity payments made by the Lessee hereunder, then such Tax Indemnitee shall promptly pay to the Lessee an amount equal to such actual reduction in Taxes, if any, plus the actual reduction in Taxes realized by such Tax Indemnitee or any related Tax Indemnitee as the result of any payment made by such Tax Indemnitee pursuant to this sentence. Each Tax Indemnitee shall in good faith use diligence in filing its tax returns and in dealing with Taxing Authorities to seek and claim any tax benefit that would result in any such reduction in Taxes or any refund of any Taxes payable or indemnifiable by the Lessee hereunder. Any Taxes that are imposed on any Tax Indemnitee as a result of the disallowance or reduction of any reduction in Taxes referred to in the second preceding sentence as to which (and to the extent) such Tax Indemnitee has made any payment to the Lessee required hereby shall be treated as a Tax for which the Lessee is obligated to indemnify such Tax Indemnitee pursuant to the provisions of this Section 7(c) without regard to the exclusions set forth in Section 7(c)(2). For the purposes of this Section 7(c)(3), items of foreign Tax of any Tax Indemnitee (other than a Loan Participant) shall be deemed to be utilized by such Tax Indemnitee as credits or deductions in any taxable year in accordance with the following:

(i) First, all available foreign Taxes other than those arising out of leveraged lease transactions; and

(ii) Second, foreign Taxes arising from leveraged lease transactions for which such Tax Indemnitee was not indemnified or held harmless by anyone; and

(iii) Third, all available foreign Taxes for which such Tax Indemnitee was indemnified or held harmless by the Lessee and all other available foreign Taxes indemnified under any other leveraged lease transactions (other than those arising from any transaction in which there is an express agreement that such Taxes shall be utilized last), on a pari passu basis; and

(iv) Fourth, any remaining foreign Taxes arising from any transaction in which there is an express agreement that such Taxes shall be utilized after such Taxes described above.

Notwithstanding anything in this Section 7(c)(3) to the contrary, but without limitation of Section 7(c)(10), in the case of each Tax Indemnitee that is a Loan Participant all determinations as to any tax credits, offsets, deductions or other tax benefits resulting from the payment or accrual of Taxes indemnified hereunder shall be made by such Loan Participant in its sole control.

(4) Contests. If a written claim shall be made against any Tax Indemnitee for any Tax for which the Lessee is obligated pursuant to this Section 7(c), such Tax Indemnitee shall notify the Lessee in writing promptly of such claim, provided that the Lessee shall not be relieved of its obligations hereunder by reason of a failure by the Tax Indemnitee to give such notice unless such failure materially interferes with or prevents the Lessee from exercising its contest rights hereunder. If the Lessee shall so request in writing within 30 days after receipt of such notice, such Tax Indemnitee shall in good faith at the Lessee's expense contest the imposition of such Tax (including taking an appeal of any adverse judicial decision) by (a) resisting payment of such Tax, (b) paying such Tax under protest or (c) paying such Tax and seeking a refund or other repayment thereof, provided that, at such Tax Indemnitee's option, such contest shall be conducted by the Lessee in the name of such Tax Indemnitee or, if permitted by law, in the name of the Lessee, and that in no event shall such Tax Indemnitee be required to contest, or the Lessee permitted to contest in the name of such Tax Indemnitee or the Lessee, the imposition of any Tax for which the Lessee is obligated pursuant to this Section 7(c) unless (v) the Lessee shall have delivered a written opinion of its internal counsel or outside counsel to the effect that there is a reasonable basis (consistent with Formal Opinion 85-352 of the American Bar Association) for contesting such claim, (w) if an Event of Default shall have occurred or be continuing, the Lessee shall have provided security for its obligations hereunder reasonably satisfactory to the Tax Indemnitee, (x) the Lessee shall have agreed to pay such Tax Indemnitee on demand all reasonable out-of-pocket costs and expenses that such Tax Indemnitee may incur in connection with contesting such claim (including, without limitation, all

reasonable legal and accounting fees and disbursements), (y) the action to be taken will not result in any material danger of sale, forfeiture or loss of the Aircraft, Airframe, any Engine or any material Part or any interest in any thereof and (z) if such contest shall be conducted in a manner requiring the payment of the claim, the Lessee shall pay such claim or shall advance to the Tax Indemnitee on an interest-free basis and with no additional net after-tax cost to the Tax Indemnitee sufficient funds to pay the claim. Except as otherwise provided herein, the contest shall be conducted in the manner determined by the Lessee unless it involves issues with respect to which the Lessee would not be required to indemnify such Tax Indemnitee hereunder which can not be severed by reasonable efforts of such Tax Indemnitee from all issues with respect to which the Lessee would be liable hereunder. If the contest involves issues with respect to which the Lessee would not be required to indemnify such Tax Indemnitee hereunder that can not be severed by reasonable efforts of such Tax Indemnitee from all issues with respect to which the Lessee would be liable hereunder, such Tax Indemnitee may in its sole discretion select the forum for such contest and determine the manner in which such contest shall be conducted, provided that such Tax Indemnitee shall afford the Lessee and its counsel a reasonable opportunity to discuss with such Tax Indemnitee the Lessee's interests with respect to such contest. No contest of any issue with respect to which the Lessee would be required to indemnify hereunder shall be settled without the prior written consent of the Lessee unless the Tax Indemnitee waives (by written notice to the Lessee) the payment by the Lessee of any amount that might otherwise be payable by the Lessee under this Section 7(c) in respect of such issue and any related issue the contest of which is effectively foreclosed by the settlement of such issue, including any payment arising from such issue in subsequent years or which arises by reason of the fact that such issue is of a continuing nature, and promptly pays to the Lessee any amount previously paid or advanced by the Lessee with respect to such issue or the contest of such issue, provided that if there has been an adverse judicial decision with respect to such issue or related issue the Tax Indemnitee, in determining whether it will terminate the contest of such issue, shall afford the Lessee and its counsel a reasonable opportunity to discuss with such Tax Indemnitee the Lessee's interests with respect to such contest. If any Tax Indemnitee shall obtain a refund of all or any part of any Tax paid by the

Lessee or with funds provided by the Lessee, such Tax Indemnitee shall pay the Lessee, net of any payments theretofore due to such Tax Indemnitee pursuant to this Section 7(c) but unpaid and any other payments theretofore due to such Tax Indemnitee under any of the Operative Documents but unpaid, an amount equal to the amount of such refund, including interest received attributable thereto, reduced by any Taxes incurred by such Tax Indemnitee or a related Tax Indemnitee by reason of the receipt or accrual of such refund and interest, and increased by any tax benefit realized by such Tax Indemnitee or a related Tax Indemnitee as a result of any payment by such Tax Indemnitee made pursuant to this sentence.

(5) Reports. If any report, return or statement is required to be filed with respect to any Tax that is a property tax (or a tax in the nature of a property tax) subject to indemnification under this Section 7(c), the Lessee shall timely file the same (except for any such report, return or statement which the Tax Indemnitee has notified the Lessee that the Tax Indemnitee intends to file, provided that such Tax Indemnitee shall have furnished the Lessee, at the Lessee's request and expense, with such information, not within the control of the Lessee, as is in such Tax Indemnitee's control and is reasonably available to such Tax Indemnitee and reasonably necessary to file such returns. The Lessee shall either file such report, return or statement so as to show the ownership of the Aircraft in the Owner Trustee and send a copy of such report, return or statement to the Tax Indemnitee, and the Owner Trustee if the Tax Indemnitee is not the Owner Trustee, or, where the Lessee is not permitted to so file, shall notify the Tax Indemnitee of such requirement and prepare and deliver such report, return or statement to the Tax Indemnitee in a manner satisfactory to such Tax Indemnitee within a reasonable time prior to the time such report, return or statement is to be filed. The Lessee shall also furnish promptly upon written request such data in its possession or otherwise reasonably available to it as any Tax Indemnitee may reasonably request to enable such Tax Indemnitee to comply with the requirements of any Taxing Authority. The Lessee shall hold each Tax Indemnitee harmless from and against the penalties, additions to tax and fines arising from any insufficiency or inaccuracy in any such report, return or statement or fairly attributable to the inaccuracy of any data supplied to any Tax Indemnitee by the Lessee, without regard to whether such penalties, additions to tax and

finances are otherwise indemnifiable under this Section 7(c). If any report, return or statement is required to be filed with respect to any Tax (other than a property tax or a tax in the nature of a property tax) subject to indemnification under this Section 7(c), the Lessee will promptly notify the appropriate Tax Indemnitee upon the Lessee's obtaining actual knowledge of such requirement. If the Lessee receives written notice from a Taxing Authority of a Tax that is imposed upon a Tax Indemnitee but not indemnified against by the Lessee hereunder, the Lessee will forward a copy of such notice to such Tax Indemnitee.

(6) Payment. The Lessee shall pay any Tax for which it is liable pursuant to this Section 7(c), directly to the appropriate taxing authority or upon demand of a Tax Indemnitee to such Tax Indemnitee, within 30 Business Days of a written demand, but in no event prior to the date such Tax is due (including all extensions), or, in the case of Taxes which are being contested, the time such contest is finally resolved. Any such demand shall specify in reasonable detail the calculation to the payment and the facts upon which the right to payment is based. Each Tax Indemnitee shall promptly forward to the Lessee any notice, bill or advice received by it concerning any Tax which the Lessee may be required to indemnify against hereunder. Upon the written request of an appropriate Tax Indemnitee, the Lessee shall furnish such Tax Indemnitee the original or a certified copy of a receipt (if any is available to the Lessee) for the Lessee's payment of any Tax that is subject to indemnification pursuant to this Section 7(c), or such other evidence of payment of such Tax as is acceptable to such Tax Indemnitee (and available to the Lessee).

(7) Application of Payments During Existence of Event of Default. Any amount payable to the Lessee pursuant to the terms of this Section 7(c) shall not be paid to the Lessee if at the time such payment would otherwise be made an Event of Default or event that with lapse of time would constitute an Event of Default under Section 14(a), 14(g), 14(h) or 14(i) of the Lease shall have occurred and be continuing but shall be held by the Tax Indemnitee as security for the obligations of the Lessee under the Operative Documents and, if the Lessor declares the Lease to be in default pursuant to Section 15 thereof (or the Lease is deemed to be declared in default), applied against the Lessee's obligations under the Operative Docu-

ments as and when due, provided that no such amount shall be held as security for more than 180 days unless the Lessor or the Indenture Trustee shall be precluded by law or court order from exercising remedies under Section 15 of the Lease. At such time as there shall not be continuing any such Event of Default or other event or such 180-day period shall have elapsed, such amount shall be paid to the Lessee to the extent not previously applied in accordance with the preceding sentence.

(8) Forms, Etc. Each Tax Indemnitee agrees to furnish from time to time to the Lessee or to such other person as the Lessee may designate, at the Lessee's request in writing and expense, such duly executed and properly completed forms as may be necessary or appropriate in order to claim any reduction of or exemption from any withholding or other Tax imposed by any Taxing Authority which the Lessee may be required to indemnify against hereunder, if (x) such reduction or exemption is available to such Tax Indemnitee and (y) the Lessee has provided such Tax Indemnitee with any information necessary to complete such form not otherwise reasonably available to such Tax Indemnitee.

(9) Non-Parties. If a Tax Indemnitee is not a party to this Agreement, the Lessee may require the Tax Indemnitee to agree in writing, in a form reasonably acceptable to the Lessee, to the terms of this Section 7(c) prior to making any payment to such Tax Indemnitee under this Section 7(c).

(10) Verification. At the Lessee's request, the amount of any indemnity payment by the Lessee pursuant to this Section 7 or any payment by a Tax Indemnitee to the Lessee pursuant to this Section 7 shall be verified and certified by either the independent public accounting firm that audits the financial statements of such Tax Indemnitee (provided that such firm shall have its headquarters in the United States) or another independent public accounting firm selected by such Tax Indemnitee and reasonably satisfactory to the Lessee, provided that, in the case of any Loan Participant, the amount of any payment by such Loan Participant to the Lessee pursuant to this Section 7 shall be verified and certified by the independent public accounting firm that audits the financial statements of such Loan Participant. The fee of such independent public accounting firm shall be paid by the Lessee unless such verification shall disclose an error in

such Tax Indemnitee's favor exceeding 10% of the amount of such payment determined by the Tax Indemnitee, in which case such fee shall be paid by such Tax Indemnitee. The Lessee will have no right to examine the tax returns of the Tax Indemnitee in connection with the verification procedure described in this Section 7(c)(10); each Tax Indemnitee agrees to cooperate with the independent public accounting firm performing the verification and to supply such firm with all information reasonably necessary to permit it to accomplish such verification, provided that the information provided to such firm by such Tax Indemnitee shall be for its confidential use.

(11) Definition. For purposes of this Section 7(c), "Tax Indemnitee" shall mean the Owner Participant, the Owner Trustee, in its individual capacity and as trustee, the Trust Estate, each Loan Participant, the Indenture Trustee, in its individual capacity and as trustee, and the Indenture Estate, and any reference to a Tax Indemnitee, the Owner Participant, the Owner Trustee, the Trust Estate, any Loan Participant, the Indenture Trustee or the Indenture Estate shall include its respective successors, permitted assigns, officers, directors, agents, servants and Affiliates and shall also include any member of the Affiliated Group of which such Tax Indemnitee, the Owner Participant, the Owner Trustee, the Trust Estate, such Loan Participant, the Indenture Trustee, or the Indenture Estate, as the case may be, is a member.

(12) Subrogation. Upon payment of any Tax by the Lessee pursuant to this Section 7(c) to or on behalf of a Tax Indemnitee, the Lessee, without any further action, shall be subrogated (unless a court of competent jurisdiction shall have entered a final judgment ordering the return of such payment to the Lessee) to any claims that such Tax Indemnitee may have relating thereto other than claims in respect of insurance policies maintained by such Tax Indemnitee at its own expense. Such Tax Indemnitee shall give such further reasonable assurances or agreements and cooperate with the Lessee to permit the Lessee to pursue such claims; provided that the Lessee shall reimburse such Tax Indemnitee for all reasonable out-of-pocket costs associated with such assurances, agreements or cooperation.

(d) Survival. The representations, warranties, indemnities and agreements of the Lessee provided for in

this Section 7 and the Lessee's obligations under any and all thereof, and the obligations of any Indemnitee or Tax Indemnitee under this Section 7, shall survive the Owner Participant's and the Original Loan Participant's making of their respective Commitments, the delivery of the Aircraft and the expiration or other termination of the Operative Documents.

(e) Payments; Interest. Any payments made pursuant to this Section 7 directly to an Indemnitee or a Tax Indemnitee or to the Lessee, as the case may be, shall be made in immediately available funds at such bank or to such account as is specified by the payee in written directions to the payor or, if no such directions shall have been given, by certified check of the payor payable to the order of the payee and mailed to the payee by certified mail, return receipt requested, postage prepaid to its address referred to in Section 15(c) of this Agreement (or, in the case of an Indemnitee or Tax Indemnitee that is not a party to this Agreement, to such address as shall have been furnished by it in writing to the Lessee). To the extent permitted by applicable law, interest at the Overdue Rate shall be paid, on demand, on any amount or indemnity not paid when due pursuant to this Section 7 until the same shall be paid. Such interest shall be paid in the same manner as the unpaid amount in respect of which such interest is due.

(f) Effect of Other Indemnities. The Lessee's obligations under the indemnities provided for in this Agreement shall be those of a primary obligor whether or not the Person indemnified shall also be indemnified with respect to the same matter under the terms of this Agreement, the Lease, the Trust Indenture, the Trust Agreement or any other document or instrument, and the Person seeking indemnification from the Lessee pursuant to any provisions of this Agreement may proceed directly against the Lessee without first seeking to enforce any other right of indemnification.

Section 8. Representations and Warranties. (a) The Owner Participant represents and warrants that neither it nor any Person authorized by it to act on its behalf has directly or indirectly offered any Certificates or any interest in and to the Trust Estate, the Trust Agreement, or any similar security for sale, or solicited any offer to acquire any of the same other than in a manner required or permitted by the Securities Act of

1933, as amended, and by the rules and regulations thereunder. The Owner Participant represents and warrants that its interest in and to the Trust Estate and the Trust Agreement is being acquired for its own account and it is being purchased for investment and not with a view to any resale or distribution thereof; provided, however, that such representation shall in no way limit the Owner Participant's right to transfer such interest pursuant to, and in accordance with all the terms and conditions of, Section 16(c) hereof.

(b) The Lessee represents that neither it nor any Person authorized to act on its behalf has (i) directly or indirectly offered any interest in or to the Trust Estate or the Trust Agreement to, or solicited any offer to acquire any of the same from, anyone other than the Owner Participant and not more than 35 other institutional investors, (ii) directly or indirectly offered the Certificates for sale to, or solicited any offer to acquire any of the same from, anyone other than the Original Loan Participant and not more than 35 other institutional investors or (iii) offered any interest in the Trust Estate or any Certificate in a manner that would violate the Securities Act of 1933, as amended, the regulations thereunder or judicial or administrative interpretations thereof having the force of law.

(c) The Owner Trustee represents and warrants, both in its individual capacity and as trustee, that it has not directly or indirectly offered any Certificates or any interest in or to the Trust Estate, the Trust Agreement, or any similar security, for sale to, or solicited any offer to acquire any of the same from, anyone.

(d) The Indenture Trustee, in its individual capacity (except with respect to enforceability as set forth in clause (iii) below) and as trustee, represents and warrants that:

(i) it is a national banking association duly organized and validly existing and holding a valid certificate to do business as a national banking association with trust powers under the laws of the United States in good standing under the laws of the United States, is a "citizen of the United States" within the meaning of Section 101(16) of the Federal Aviation Act and the rules and regulations of the

Federal Aviation Administration thereunder without the use of any voting trust agreement or similar arrangement, and will resign as Indenture Trustee promptly after an officer in its corporate trust department obtains actual knowledge that it has ceased to be such a citizen, and has the full corporate power, authority and legal right under the laws of the State of Georgia and the laws of the United States pertaining to its banking, trust and fiduciary powers to execute, deliver and carry out the terms of each of the Operative Documents to which it is a party;

(ii) the execution, delivery and performance by the Indenture Trustee of each of the Operative Documents to which the Indenture Trustee is a party have been duly authorized by the Indenture Trustee and will not violate its articles of association or by-laws or the provisions of any indenture, mortgage, contract or other agreement or instrument to which it is a party or by which it is bound or by which its properties may be bound or affected; and

(iii) each Operative Document to which it is a party has been duly executed and delivered and constitutes its legal, valid and binding obligation enforceable against it in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and by general principles of equity.

(e) The Owner Trustee, in its individual capacity (except with respect to clauses (iii) and (v) below) and as Owner Trustee, represents and warrants that:

(i) the Owner Trustee, in its individual capacity, is a Delaware banking corporation duly organized and validly existing in good standing under the laws of the State of Delaware, has full corporate power and authority to carry on its business as now conducted and to enter into and perform its obligations hereunder and under the Trust Agreement and (assuming due authorization, execution and delivery of the Trust Agreement by the Owner Participant) has full power and authority, as Owner Trustee and/or, to the extent expressly provided herein or therein, in its individual capacity, to enter into and perform its

obligations under each of the Operative Documents to which it is a party;

SECTION 9. Certain Covenants. (a) The Owner Participant agrees promptly to pay or, if previously paid by the Lessee, to reimburse the Lessee for, (x) the initial fees of the Owner Trustee and the Indenture Trustee in connection with the transactions contemplated hereby and (y) all the reasonable out-of-pocket costs and ex-

penses incurred by the Indenture Trustee, the Owner Trustee, the Owner Participant and the Original Loan Participant in connection with the negotiation, preparation, execution and delivery of this Agreement, the other Operative Documents and any other documents or instruments referred to herein or therein, including, without limitation,

(i) the reasonable fees, expenses and disbursements of (A) White & Case, special counsel for the Original Loan Participant, (B) Powell, Goldstein, Frazer & Murphy, special counsel for the Indenture Trustee, (C) Potter Anderson & Corroon, special counsel for the Owner Trustee, and (D) Crowe & Dunlevy, P.C., special counsel in Oklahoma City, Oklahoma;

(ii) the reasonable fees, expenses and disbursements of Sidley & Austin, special counsel for the Owner Participant;

(iii) the reasonable fees, expenses and disbursements of Debevoise & Plimpton, special counsel for the Lessee, and the fees and expenses of Babcock & Brown, the Lessee's financial advisor, in amounts separately agreed; and

(iv) all other reasonable expenses incurred in connection with such actions and transactions, including, without limitation, the fees and expenses of one (but only one) aircraft appraiser in respect of the appraisal referred to in Section 4, printing and document production or reproduction expenses and all fees, taxes and other charges payable in connection with the recording or filing of the instruments and financing statements described in this Agreement.

Each of the Owner Trustee, the Lessee, the Original Loan Participant and the Indenture Trustee shall promptly submit to the Owner Participant copies of the invoices in respect of the foregoing transaction costs as they are received, and in all events not later than December 31, 1992. The Owner Participant prior to the payment thereof will send copies of any invoices received by it with respect to any of the foregoing fees, expenses and disbursements constituting transaction costs to the Lessee for the Lessee's review and approval, such approval not to be unreasonably withheld or delayed.

In the event that the transactions contemplated by this Agreement and the agreements referred to herein are not consummated, the Lessee shall bear and pay all costs, expenses and fees referred to above; provided that (x) if the transaction fails to be consummated as a result of failure of the Owner Participant to act in good faith in consummating the transactions, or to fulfill its funding obligations or otherwise to comply with the terms hereof or thereof, the Owner Participant shall bear and pay its own fees, costs and expenses (including, without limitation, the fees and expenses of its special counsel), and (y) if the transaction fails to be consummated as a result of failure of the Original Loan Participant to act in good faith in consummating the transaction, or to fulfill its funding obligations or otherwise to comply with the terms hereof or thereof, the Original Loan Participant shall bear and pay its own fees, costs and expenses (including, without limitation, the fees and expenses of its special counsel) and the Lessee shall, in either such case, pay all other reasonable fees, costs and expenses as aforesaid.

(b) The Owner Participant covenants that if (i) it ceases to be a "citizen of the United States" within the meaning of Section 101(16) of the Federal Aviation Act and (ii) either (A) the Aircraft shall or would thereupon become ineligible for registration in the name of the Owner Trustee under the Federal Aviation Act as in effect at such time, or under the law of the current jurisdiction of registry of the Aircraft, as the case may be, and the regulations then applicable thereunder, or (B) the Aircraft is registered in a jurisdiction other than the United States in circumstances in which clause (A) does not apply and the Lessee at any time proposes to register the Aircraft within four months in any jurisdiction to which clause (A) would apply upon such reregistration, then the Owner Participant at its own expense shall promptly (and, in any event, within a period of 30 days) either transfer, pursuant to Article VIII of the Trust Agreement and Section 16(c) hereof, such of its right, title and interest in and to the Trust Agreement, the Trust Estate, and this Agreement, or take such other action, as may be necessary to prevent any deregistration of the Aircraft or to make possible its registration in the United States. Each party hereto agrees to take such steps as the Owner Participant shall reasonably request in order to assist the Owner Participant in complying with its obligations under this Section 9(b). The Owner Participant hereby agrees to indemnify the Lessee and the

Indenture Trustee against any and all losses, liabilities and expenses incurred by the Lessee or the Indenture Trustee to the extent that any such losses, liabilities or expenses are caused by the Aircraft's so becoming ineligible or ceasing to remain eligible for such registration.

(c) The Owner Trustee in its individual capacity covenants that if at any time it shall cease to be a "citizen of the United States" within the meaning of Section 101(16) of the Federal Aviation Act, it will resign immediately as Owner Trustee (if and so long as such citizenship is necessary under the Federal Aviation Act, or the law of the current jurisdiction of the registry of the Aircraft, as the case may be, as in effect at such time or, if it is not necessary, if and so long as the Owner Trustee's citizenship (in its individual capacity) would have any adverse effect on the Lessee). The Owner Trustee in its individual capacity hereby unconditionally agrees with and for the benefit of the parties to this Agreement that the Owner Trustee in its individual capacity will not directly or indirectly create, incur, assume or suffer to exist any Lessor's Liens on or against any part of the Trust Estate, the Indenture Estate or the Aircraft arising out of any act or omission of or claim against the Owner Trustee in its individual capacity, and the Owner Trustee in its individual capacity agrees that it will at its own cost and expense promptly take such action as may be necessary to duly discharge and satisfy in full (i) all Lessor's Liens attributable to the Owner Trustee in its individual capacity and (ii) any other liens or encumbrances attributable to the Owner Trustee in its individual capacity on any part of the Trust Estate or the Indenture Estate which result from claims against the Owner Trustee in its individual capacity not related to the ownership of the Aircraft, the administration of the Trust Estate or the Indenture Estate or the transactions contemplated by the Operative Documents. The Owner Trustee, in its individual capacity, hereby agrees to indemnify and hold harmless the Lessee, the Indenture Trustee and each Participant from and against any loss, cost or expense (including reasonable legal fees and expenses) which may be suffered or incurred by any of them as a result of the failure of the Owner Trustee to discharge and satisfy any such Lessor's Lien or other lien or encumbrance.

(d) Each of the Owner Participant and the Owner Trustee (in its individual capacity and as Owner Trustee) agrees with the Lessee that it shall not take

any action, or cause any action to be taken, which would amend, modify or supplement any provision of the Trust Agreement in a manner adversely affecting the Lessee without the prior written consent of the Lessee and (so long as the Trust Indenture shall not have been discharged) the Indenture Trustee, which consent shall not be unreasonably withheld. The Owner Trustee confirms for the benefit of the Lessee that it will comply with the provisions of Article IV of the Trust Agreement. The Owner Participant agrees not to terminate or revoke the trust created by the Trust Agreement without the prior written consent of the Lessee and (so long as the Trust Indenture shall not have been discharged) the Indenture Trustee, which consent shall not be unreasonably withheld. The Owner Participant further agrees not to remove the institution acting as Owner Trustee, and not to replace the institution acting as Owner Trustee in the event that such institution resigns as Owner Trustee, unless the Owner Participant shall have consulted in good faith with the Lessee prior to such removal or replacement as to the identity, location and fee schedules of the proposed successor trustee, provided that (i) the Owner Participant shall retain the right, notwithstanding any such consultation, to act in its sole discretion (provided that the Owner Participant shall not choose a replacement Owner Trustee which, in the good faith opinion of the Lessee, may result in additional liability to the Lessee pursuant to Section 7(c) hereof, except in the case of a mandatory or voluntary resignation of the Owner Trustee where the Lessee has not proposed an alternative Owner Trustee which is reasonably satisfactory to the Owner Participant) and (ii) no such consultation shall be required if an Event of Default shall have occurred and be continuing. So long as no Event of Default shall occur and be continuing, the Owner Trustee and the Owner Participant agree that no co-trustee or separate trustee shall be appointed pursuant to Section 9.02 of the Trust Agreement without the Lessee's prior written consent, such consent not to be unreasonably withheld. The Owner Participant agrees that if, at any time, so long as no Event of Default has occurred and is continuing, the Lessee certifies that the Lessee has, or in the good faith opinion of the Lessee will, become obligated to pay an amount pursuant to Section 7(c) hereof and the amount that has or will become payable would be reduced or eliminated if the situs of the Trust Estate were changed and if, as a consequence thereof, the Lessee should request that the situs of the trust be moved to another state in the United States from the state in which it is then located, the Owner Participant

shall direct such change in situs of the Trust Estate as may be specified in writing by the Lessee and the Owner Participant will take whatever action as may be reasonably necessary to accomplish such change; provided that the Lessee shall provide such additional indemnification for Taxes imposed by the jurisdiction to which the Trust Estate is to be moved as the Owner Participant may reasonably request. The Indenture Trustee shall execute such documents and take such action as may be necessary to effect such change in the situs of the Trust Estate; provided that the Lien created by the Indenture shall continue to be perfected.

(e) [Intentionally omitted].

(f) The Owner Participant agrees that, in the event of the termination of the Lease pursuant to Section 9 thereof, the Owner Participant will pay any fees and commissions of any broker or finder appointed by the Owner Trustee or the Owner Participant, or any fees and commissions payable to the Lessee pursuant to such Section 9, in connection with the sale of the Aircraft. In addition, the Owner Participant agrees to pay or cause to be paid to the Owner Trustee such amounts as may be necessary to enable the Owner Trustee to pay any amounts to the Lessee pursuant to Section 9 or 15 of the Lease as a rebate of any Basic Rent theretofore paid under the Lease.

(g) Each Loan Participant hereby unconditionally agrees to perform its respective obligations under the Trust Indenture (including, without limitation, those contained in Sections 2.17 and 2.18 of the Trust Indenture) as though such obligations were fully set forth herein.

(h) The Owner Trustee, in its capacity as Owner Trustee, will not incur any indebtedness for money borrowed, or enter into any business or other activity, except as contemplated hereby and by the other Operative Documents.

(i) The Indenture Trustee in its individual capacity hereby unconditionally agrees with and for the benefit of the parties to this Agreement that the Indenture Trustee in its individual capacity or as Indenture Trustee will not directly or indirectly create, incur, assume or suffer to exist any Liens on or against any part of the Trust Estate, the Indenture Estate or Aircraft

arising out of any act or omission of or claim against the Indenture Trustee in its individual capacity, and the Indenture Trustee in its individual capacity agrees that it will at its own cost and expense promptly take such action as may be necessary duly to discharge and satisfy in full (i) all such Liens attributable to the Indenture Trustee in its individual capacity and (ii) any other liens or encumbrances attributable to the Indenture Trustee in its individual capacity on any part of the Trust Estate or the Indenture Estate which result from claims against the Indenture Trustee in its individual capacity not related to the administration of the Indenture Estate. The Indenture Trustee hereby agrees to indemnify and hold harmless the Lessee, the Owner Trustee and each Participant from and against any loss, cost or expense (including reasonable legal fees and expenses) which may be suffered or incurred by any of them as a result of the failure of the Indenture Trustee to discharge and satisfy any such Lien or such other lien or encumbrance.

(j) The Owner Trustee agrees that any profit, income, interest, dividend or gain realized upon the maturity, sale or other disposition of any Permitted Investment made by the Indenture Trustee pursuant to Section 3.07(b) of the Trust Indenture, and paid to the Lessee on behalf of the Owner Trustee by the Indenture Trustee in accordance with the terms of such Section 3.07(b), shall be entirely for the account of, and the sole property of, the Lessee who, for such purposes, shall not be deemed to be acting as agent of the Owner Trustee, and the Lessee shall have no obligation to pay over such income, interest, dividend or gain to the Owner Trustee.

(k) Each of the Indenture Trustee and each Loan Participant, by its acceptance of a Certificate, hereby irrevocably agree, to the maximum extent permitted by law, that, in any case in which any Person (other than the Lessee alone) is the debtor or one of the debtors under the Bankruptcy Code, each of the Indenture Trustee and each Loan Participant shall be deemed to have made a timely election pursuant to Section 1111(b)(1)(A)(i) of the Bankruptcy Code (or any substantively comparable provision which is the successor thereto) as to the Indenture Estate (which is acknowledged and agreed not to include Excepted Property).

(l) Each Loan Participant hereby unconditionally agrees with and for the benefit of the parties to this Agreement that it will not directly or indirectly create, incur, assume or suffer to exist any Loan Participant Liens attributable to it on or against any part of the Trust Estate, the Indenture Estate or the Aircraft, and each Loan Participant agrees that it will, at its own cost and expense, promptly take such action as may be necessary duly to discharge and satisfy in full any such Lien attributable to it; and each Loan Participant hereby indemnifies and holds harmless the Lessee, the Indenture Trustee, the Owner Participant, and any subsequent holders of Certificates or any subsequent Owner Participant from and against any loss, cost, expense or damages (excluding consequential damages) which may be suffered by any of them as a result of its failure to discharge and satisfy any such Lien attributable to it.

(m) Each of the Owner Participant and the Owner Trustee hereby agrees, for the benefit of the Lessee, to cooperate with the Lessee in effecting any foreign registration of the Aircraft pursuant to Section 7(a)(i) of the Lease; provided that prior to any such change in the country of registry of the Aircraft (other than a change in the country of registry that results in the registration of the Aircraft under the laws of the United States of America), the Owner Participant and the Owner Trustee shall have received from counsel to the Lessee reasonably satisfactory to the Owner Participant an opinion to the effect that (i) the terms of any relevant sublease and the Lease are legal, valid, binding and enforceable in such country to substantially the same extent as such documents are at that time enforceable in the United States, (ii) there is no statutory, regulatory or case law in such country imposing tort liability on the owner of an aircraft not in possession thereof under the laws of such country other than tort liability no more extensive or onerous than that which might have been imposed on such an owner under the laws of the United States or any state thereof (it being understood that, in the event such opinion cannot be given in a form satisfactory to the Owner Participant, such opinion shall be waived if insurance reasonably satisfactory to the Owner Participant is provided by the Lessee to cover the risk of such liability), (iii) such re-registration will not result in the imposition by such country of any Taxes on the Owner Trustee or the Owner Participant for which the Lessee is not required to indemnify the Owner Participant or the Owner Trustee, as the case may be (provided that in lieu of the opinion referred to in this clause (iii) the Lessee may indemnify the Owner Participant

or the Owner Trustee, as the case may be, for any Taxes imposed by such country in connection with or relating to the transactions contemplated by the Operative Documents which would not have been imposed but for such re-registration); (iv) there exist no possessory rights in favor of the Lessee or any sublessee under the laws of such country which would, upon bankruptcy of or other default by the Lessee or any sublessee, prevent the return of the Aircraft to the Owner Trustee in accordance with and when permitted by the terms of Sections 14 and 15(a) of the Lease upon the exercise by the Owner Trustee of its remedies under Section 15(a) of the Lease; (v) it is not necessary for the Owner Participant or the Owner Trustee to qualify to do business in such jurisdiction solely as a result of the proposed re-registration; (vi) the laws of such country require fair compensation by the government of such country for the loss of use of the Aircraft in the event of the requisition by such government of the Aircraft (unless the Lessee shall have provided contemporaneously with such re-registration insurance reasonably satisfactory to the Lessor and the Owner Participant covering the risk of requisition of use of the Aircraft by the government of such country so long as the Aircraft is registered under the laws of such country); and (vii) the Lessee shall have paid or made provision for the payment of all expenses of the Owner Participant and the Owner Trustee in connection with such change in registration; and provided, further, that (x) the Owner Trustee and the Owner Participant shall have received prior to or contemporaneously with such re-registration (1) a certificate of insurance signed by an independent insurance broker to the effect that the Aircraft is and after such re-registration will continue to be insured in such country in accordance with the requirements of Section 11 of the Lease, (2) a certificate signed by a duly authorized officer of the Lessee stating that no Event of Default exists as of the date of such certificate and no Event of Default will occur or exist upon or resulting from such re-registration, (3) evidence and assurances reasonably satisfactory to such parties, that the aircraft and engine maintenance standards under the laws of such country of reregistration are substantially similar to those required by the central civil aviation authority of any of the United States, the United Kingdom, the Federal Republic of Germany, France, Canada or Japan, and (4) in the case of the Owner Par-

ticipant only, assurances reasonably satisfactory to it that the currency of such country is freely convertible into U.S. Dollars (unless the Lessee shall have agreed to provide the requisition insurance described in clause (vi) above) and (y) the Lessee shall not cause the Aircraft to be registered pursuant to Section 7(a)(i) of the Lease under the laws of any foreign jurisdiction without the prior written consent of the Owner Participant if (1) the civil aviation laws of such foreign jurisdiction impose unusual requirements on registrants of civil aircraft, and (2) the Owner Participant would be required to comply with such unusual requirements upon the registration of the Aircraft in such foreign jurisdiction, and the Owner Participant's compliance therewith would result in a material burden on the Owner Participant's business activities.

(n) Each of the Indenture Trustee and each Loan Participant hereby agrees, for the benefit of the Lessee, to cooperate with the Lessee in effecting any foreign registration of the Aircraft pursuant to Section 7(a)(i) of the Lease; provided that prior to any such change in the country of registry of the Aircraft (other than a change in the country of registry that results in the registration of the Aircraft under the laws of the United States) the following conditions are met, or are waived by the Indenture Trustee acting under the direction of a Majority in Interest of Certificate Holders: (i) no Lease Event of Default shall have occurred and be continuing at the date of such request or at the effective date of the change in registration; (ii) the Indenture Trustee shall have received from counsel to the Lessee reasonably satisfactory to the Indenture Trustee acting under the direction of a Majority in Interest of Certificate Holders an opinion to the effect that: (A) after giving effect to such change in registration, all filing, recording or other action necessary to protect the security interest of the Indenture in the jurisdiction in which the Aircraft is being registered has been accomplished (or if such opinion cannot be given at the time by which the Indenture Trustee has been requested to consent to a change in registration, (x) the opinion shall detail what filing, recording or other action is necessary and (y) the Indenture Trustee shall have received a certificate from the Lessee that all possible preparations to accomplish such filing, recording and other action shall be accomplished and a supplemental opinion to that effect shall be delivered to the Indenture Trustee on or prior to the effective date of such change

in registration); and (B) the terms of any relevant sublease, the Lease, the Participation Agreement and the Indenture being legal, valid and binding and enforceable in such jurisdiction (subject to customary exceptions) to substantially the same extent as such documents are at the time enforceable in the United States; (iii) the Owner Participant Guaranty will remain in full force and effect after such change in registration; (iv) the Indenture Trustee acting under the direction of a Majority in Interest of Certificate Holders shall have received assurances reasonably satisfactory to it that the insurance provisions of the Lease will have been complied with after giving effect to such change in registration; (v) such re-registration will not result in the imposition by such country of any Taxes on the Loan Participants for which the Lessee is not required to indemnify the Loan Participants unless the Lessee agrees to indemnify the Loan Participants for any Taxes imposed by such country in connection with or relating to the transactions contemplated by the Operative Documents that would not have been imposed but for such re-registration; (vi) any import or export permits necessary to take the Aircraft into or out of such country of registry shall have been obtained; (vii) the Indenture Trustee shall have received assurances reasonably satisfactory to the Indenture Trustee acting under the direction of a Majority of Interest of Certificate Holders that the currency of such country is freely convertible into U.S. Dollars (unless the Lessee shall have made assurances reasonably satisfactory to the Indenture Trustee acting under the direction of a Majority of Interest of Certificate Holders that all payments to be made by or on behalf of the Lessee under the Operative Documents and by any sublessee under the relevant sublease will be paid in U.S. Dollars); and (viii) the Lessee shall have paid or made provision for the payment of all expenses of the Indenture Trustee and the Loan Participants in connection with such change in registration.

(o) The Indenture Trustee hereby agrees to give the Lessee notice (the "Notice") not later than the date that is five Business Days prior to January 1 of each year in which the Indenture shall be in effect, commencing on December 24, 1992, whether (x) there are any undistributed funds held in either the Trust Estate or the Indenture Estate, except such funds as shall be invested in those types of obligations or evidences of debt as are described in Section 48-6-22(1), O.C.G.A., i.e., obligations or evidences of debt of the United States, including obli-

gations of the United States government agencies and corporations established by acts of the Congress of the United States, and obligations or evidences of debt of the State of Georgia or its political subdivisions or public institutions, including industrial development revenue bonds issued pursuant to the laws of the State of Georgia, (y) there are receivables then due and owing to the Indenture Estate and unpaid, or (z) the Indenture Estate or the Indenture Trustee holds legal title to any intangible personal property not expressly contemplated by the Operative Documents other than intangible personal property which is exempt from taxation under the provisions of Section 48-6-22, O.C.G.A., and, if the Notice would on any date thereafter and prior to such January 1 be untrue, immediately to so notify the Lessee.

(p) Each Loan Participant shall have the right to sell, assign, pledge or otherwise transfer all or any portion of any Certificate or the indebtedness evidenced thereby to any Person, provided that under no circumstances shall any such sale, assignment, pledge or transfer (other than a purchase of the Certificates pursuant to Section 2.13 of the Trust Indenture) be made unless (i) such Person is a Permitted Transferee, (ii) such sale, assignment, pledge or transfer is made in accordance with all applicable laws, (iii) such Loan Participant and such Permitted Transferee shall have executed and delivered a transfer agreement in the form attached as Exhibit XII hereto and (iv) such sale, assignment, pledge or transfer shall be made under circumstances that do not require registration under such Securities Act or qualification of an indenture under such Trust Indenture Act.

(q) Each Loan Participant shall have the right to grant participations (including, without limitation, "risk participations") in or to all or a portion of its rights and obligations in respect of the Certificates and any amounts from time to time payable to it in respect thereof to any Person, provided that (A) such participation is made in accordance with all applicable laws to a Person that is a Permitted Transferee, (B) such Loan Participant's obligations under the Operative Documents shall remain unchanged, including, without limitation, under Section 2.13 of the Trust Indenture, (C) such Loan Participant shall remain solely responsible to the other parties to the Operative Documents for the performance of such obligations, (D) such Loan Participant

shall remain the Holder of its Loan Certificates, and the other parties to the Operative Documents shall continue to deal solely and directly with such Loan Participant in connection with its Loan Certificates and the Loan Participant's rights and obligations under the Operative Documents and (E) such participation shall be made under circumstances that do not require registration under the Securities Act or qualification of an indenture under the Trust Indenture Act. The liability of the Owner Trustee in respect of increased costs, Break Amount and taxes under Section 2.17 or 2.18 of the Trust Indenture, and the liability of the Lessee under Section 7(c) hereof in respect of amounts payable directly to the Loan Participants, shall not, as a result of any participation granted by any Loan Participant, exceed what would have been its liability thereunder if such Loan Participant had not granted any such participation.
