Item 5. Other Events.

The Boards of Directors of AMR Corporation (the "Corporation") and American Airlines, Inc. ("American") have approved a reorganization of The SABRE Group as a separate, wholly owned subsidiary of the Corporation subject to the receipt of a favorable tax ruling and certain other conditions. This reorganization will involve the dividend of American's SABRE Travel Information Network, SABRE Computer Services, SABRE Development Services and SABRE Interactive divisions to the Corporation. It is anticipated that upon completion of the reorganization approximately \$850 million of American's debt to the Corporation will be replaced by an equivalent amount of debt owed to the Corporation by The SABRE Group. The reorganization should be completed sometime during the third quarter.

The Corporation also continues to study, as it has in the past, other transactions which may involve The SABRE Group, such as strategic partnerships or an initial public offering of a portion of The SABRE Group's stock. No decisions have been made as to these other transactions, however, and the Corporation could determine that conducting the business activities of The SABRE Group within its new, reorganized structure is in the best interests of the Corporation's stockholders.
