(US Airways Group), which survived as a wholly-owned subsidiary of AAG (the Merger). “AMR” or “AMR Corporation” refers to the Company during the period of time prior to its emergence from Chapter 11 and its acquisition of US Airways Group. Note Concerning Forward-Looking Statements

Certain of the statements contained in this report should be considered forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements may be identified by words such as “may,” “will,” “expect,” “intend,” “anticipate,” “believe,” “estimate,” “plan,” “project,” “could,” “should,” “would,” “continue,” “seek,” “target,” “guidance,” “outlook,” “if current trends continue,” “optimistic,” “forecast” and other similar words. Such statements include, but are not limited to, statements about the benefits of the Merger, including future financial and operating results, our plans, objectives, expectations and intentions, and other statements that are not historical facts, such as, without limitation, statements that discuss the possible future effects of current known trends or uncertainties, or which indicate that the future effects of known trends or uncertainties cannot be predicted, guaranteed or assured. These forward-looking statements are based on our current objectives, beliefs and expectations, and they are subject to significant risks and uncertainties that may cause actual results and financial position and timing of certain events to differ materially from the information in the forward-looking statements. These risks and uncertainties include, but are not limited to, those described below under Part II, Item 1A. Risk Factors and the following: significant operating losses in the future; downturns in economic conditions that adversely affect our business; the impact of continued periods of high volatility in fuel costs, increased fuel prices and significant disruptions in the supply of aircraft fuel; competitive practices in the industry, including the impact of low cost carriers, airline alliances and industry consolidation; the challenges and costs of integrating operations and realizing anticipated synergies and other benefits of the Merger; our substantial indebtedness and other obligations and the effect they could have on our business and liquidity; an inability to obtain sufficient financing or other capital to operate successfully and in accordance with our current business plan; increased costs of financing, a reduction in the availability of financing and fluctuations in interest rates; the effect our high level of fixed obligations may have on our ability to fund general corporate requirements, obtain additional financing and respond to competitive developments and adverse economic and industry conditions; our significant pension and other post-employment benefit funding obligations; the impact of any failure to comply with the covenants contained in financing arrangements; provisions in credit card processing and other commercial agreements that may materially reduce our liquidity; the impact of union disputes, employee strikes and other labor-related disruptions; any inability to maintain labor costs at competitive levels; interruptions or disruptions in service at one or more of our hub airports; costs of ongoing data security compliance requirements and the impact of any significant data security breach; any inability to obtain and maintain adequate facilities, infrastructure and Slots to operate our flight schedule and expand or change our route network; our reliance on third-party regional operators or third-party service providers that have the ability to affect our revenue and the public’s perception about our services; any inability to effectively manage the costs, rights and functionality of third-party distribution channels on which we rely; extensive government regulation, which may result in increases in our costs, disruptions to our operations, limits on our operating flexibility, reductions in the demand for air travel, and competitive disadvantages; the impact of the heavy taxation on the airline industry; changes to our business model that may not successfully increase revenues and may cause operational difficulties or decreased demand; the loss of key personnel or inability to attract and retain additional qualified personnel; the impact of conflicts overseas, terrorist attacks and ongoing security concerns; the global scope of our business and any associated economic and political instability or adverse effects of events, circumstances or government actions beyond our control, including the impact of foreign currency exchange rate fluctuations and limitations on the repatriation of cash held in foreign countries; the impact of environmental regulation; our reliance on technology and automated systems and the impact of any failure of these technologies or systems; challenges in integrating our computer, communications and other technology systems; losses and adverse publicity stemming from any accident involving any of our aircraft or the aircraft of our regional or codeshare operators; delays in scheduled aircraft deliveries, or other loss of anticipated fleet capacity, and failure of new aircraft to perform as expected; our dependence on a limited number of suppliers for aircraft, aircraft engines and parts; the impact of changing economic and other conditions beyond our control, including global events that affect travel behavior such as an outbreak of a contagious disease, and volatility and fluctuations in our results of operations due to seasonality; the effect of a higher than normal number of pilot retirements and a potential shortage of pilots; the impact of possible future increases in insurance costs or reductions in available insurance coverage; the effect of a lawsuit that was filed in connection with the Merger remains pending; an inability to use net operating losses (NOLs) carried over from prior taxable years (NOL Carryforwards); any impairment in the amount of goodwill we recorded as a result of the application of the acquisition method of accounting and an inability to realize the full value of AAG’s and American’s respective intangible or long-lived assets and any material impairment charges that would be recorded as a result; price volatility of our common stock; the effects of our capital deployment program and the limitation, suspension or discontinuation of our share repurchase program or dividend payments thereunder; delay or prevention of stockholders’ ability to change the composition of our Board of Directors and the effect this may have on takeover attempts that some of our stockholders might consider beneficial; the effect of provisions of our Restated Certificate

of Incorporation (the Certificate of Incorporation) and Amended and Restated Bylaws (the Bylaws) that limit ownership and voting of our equity interests, including our common stock; the effect of limitations in our Certificate of Incorporation on acquisitions and dispositions of our common stock designed to protect our NOL Carryforwards and certain other tax attributes, which may limit the liquidity of our common stock; other economic, business, competitive, and/or regulatory factors affecting our business, including those set forth in this Quarterly Report on Form 10-Q (especially in Part II, Item 1A. Risk Factors and Part I, Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations) and in our other filings with the Securities and Exchange Commission (the SEC), and other risks and uncertainties listed from time to time in our filings with the SEC.

All of the forward-looking statements are qualified in their entirety by reference to the factors discussed in Part II, Item 1A. Risk Factors and elsewhere in this report. There may be other factors of which we are not currently aware that may affect matters discussed in the forward-looking statements and may also cause actual results to differ materially from those discussed. We do not assume any obligation to publicly update or supplement any forward-looking statement to reflect actual results, changes in assumptions or changes in other factors affecting such statements other than as required by law. Forward-looking statements speak only as of the date of this Quarterly Report on Form 10-Q or as of the dates indicated in the statements.

**NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS OF AMERICAN AIRLINES GROUP INC.
(Unaudited)**

1. Basis of Presentation

The accompanying unaudited condensed consolidated financial statements of American Airlines Group Inc. (AAG or the Company) should be read in conjunction with the consolidated financial statements contained in AAG's Annual Report on Form 10-K for the year ended December 31, 2014. The accompanying unaudited condensed consolidated financial statements include the accounts of the Company and its wholly-owned subsidiaries. Principal subsidiaries include American Airlines, Inc. (American) and US Airways Group, Inc. (US Airways Group). All significant intercompany transactions have been eliminated.

On December 9, 2013 (the Effective Date), AMR Merger Sub, Inc. (Merger Sub) merged with and into US Airways Group (the Merger), with US Airways Group surviving as a wholly-owned subsidiary of AAG, a Delaware corporation (formerly known as AMR Corporation) following the Merger. "AMR" or "AMR Corporation" refers to the Company during the period of time prior to its emergence from Chapter 11 and the Effective Date of the Merger.

Management believes that all adjustments necessary for the fair presentation of results, consisting of normally recurring items, have been included in the unaudited condensed consolidated financial statements for the interim periods presented. The preparation of financial statements in accordance with accounting principles generally accepted in the United States (GAAP) requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates. The most significant areas of judgment relate to passenger revenue recognition, impairment of goodwill, impairment of long-lived and intangible assets, the frequent flyer program, pensions, retiree medical and other benefits and the deferred tax asset valuation allowance.

Recent Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, "Revenue from Contracts with Customers (Topic 606)." ASU 2014-09 completes the joint effort by the FASB and International Accounting Standards Board (IASB) to improve financial reporting by creating common revenue recognition guidance for GAAP and International Financial Reporting Standards (IFRS). ASU 2014-09 applies to all companies that enter into contracts with customers to transfer goods or services. ASU 2014-09 is effective for public entities for interim and annual reporting periods beginning after December 15, 2016. On July 9, 2015, the FASB deferred the effective date of this new standard to December 15, 2017 for public entities. Early application is permitted, but not before interim and annual reporting periods beginning after December 15, 2016. Entities have the choice to apply ASU 2014-09 either retrospectively to each reporting period presented or by recognizing the cumulative effect of applying ASU 2014-09 at the date of initial application and not adjusting comparative information. The Company is currently evaluating the requirements of ASU 2014-09 and has not yet determined its impact on the Company's condensed consolidated financial statements.

In April 2015, the FASB issued ASU 2015-03, "Interest - Imputation of Interest (Subtopic 835-30): Simplifying the Presentation of Debt Issuance Costs." The update requires debt issuance costs related to a recognized debt liability to be presented in the balance sheet as a direct deduction from the carrying amount of the related debt liability instead of being presented as an asset. Debt disclosures will include the face amount of the debt liability and the effective interest rate. The update requires retrospective application and represents a change in accounting principle. The update is effective for fiscal years beginning after December 15, 2015. Early adoption is permitted for financial statements that have not been previously issued. ASU 2015-03 is not expected to have a material impact on the Company's condensed consolidated financial statements.

2. Emergence from Chapter 11 and Merger with US Airways Group

Chapter 11 Reorganization

On November 29, 2011 (the Petition Date), AMR Corporation (AMR, renamed American Airlines Group Inc., upon the closing of the Merger), its principal subsidiary, American, and certain of AMR's other direct and indirect domestic subsidiaries (collectively, the Debtors), filed voluntary petitions for relief (the Chapter 11 Cases) under Chapter 11 of the United States Bankruptcy Code (the Bankruptcy Code) in the United States Bankruptcy Court for the Southern District of New York (the Bankruptcy Court). On October 21, 2013, the Bankruptcy Court entered an order (the Confirmation Order) approving and confirming the Debtors' fourth amended joint plan of reorganization (as amended, the Plan).

On the Effective Date, the Debtors consummated their reorganization pursuant to the Plan, principally through the transactions contemplated by an Agreement and Plan of Merger (as amended, the Merger Agreement), dated as of February 13, 2013, by and among AMR, Merger Sub and US Airways Group, pursuant to which Merger Sub merged with and into US Airways Group, with US Airways Group surviving as a wholly-owned subsidiary of the Company following the Merger.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS OF AMERICAN AIRLINES GROUP INC.
(Unaudited)

From the Petition Date through the Effective Date, pursuant to automatic stay provisions under the Bankruptcy Code and orders granted by the Bankruptcy Court, all actions to enforce or otherwise effect repayment of liabilities preceding the Petition Date as well as all pending litigation against the Debtors generally were stayed. Following the Effective Date, actions to enforce or otherwise effect repayment of liabilities preceding the Petition Date generally have been permanently enjoined. Any unresolved claims will continue to be subject to the claims reconciliation process under the supervision of the U.S. Bankruptcy Court. However, certain pending litigation related to pre-petition liabilities may proceed in courts other than the U.S. Bankruptcy Court to the extent the parties to such litigation have obtained relief from the permanent injunction.

In connection with the Chapter 11 Cases, trading in AMR's common stock and certain debt securities on the New York Stock Exchange (NYSE) was suspended on January 5, 2012, and AMR's common stock and such debt securities were delisted by the SEC from the NYSE on January 30, 2012. On January 5, 2012, AMR's common stock began trading under the symbol "AAMRQ" (CUSIP 001765106) on the OTCQB marketplace, operated by OTC Markets Group. Pursuant to the Plan, on the Effective Date (i) all existing shares of AAG's old common stock formerly traded under the symbol "AAMRQ" were canceled and (ii) the Company was authorized to issue up to approximately 544 million shares of common stock, par value \$0.01 per share, of AAG (AAG Common Stock) by operation of the Plan (excluding shares of AAG Common Stock issuable pursuant to the Merger Agreement). On the Effective Date, the AAG Common Stock was listed on the NASDAQ Global Select Market under the symbol "AAL," and AAMRQ ceased trading on the OTCQB marketplace.

Upon emergence from Chapter 11, AAG issued approximately 53 million shares of AAG Common Stock to AMR's old equity holders and certain of the Debtors' employees, and issued 168 million shares of AAG Series A Convertible Preferred Stock, par value \$0.01 per share (the AAG Series A Preferred Stock), which was mandatorily convertible into new AAG Common Stock during the 120-day period after the Effective Date, to certain creditors and employees of the Debtors (including shares deposited in the Disputed Claims Reserve (as defined in the Plan)). In accordance with the terms of the Plan, former holders of AMR common stock (previously traded under the symbol "AAMRQ") received, for each share of AMR common stock, an initial distribution of approximately 0.0665 shares of the AAG Common Stock as of the Effective Date. Following the Effective Date, former holders of AMR common stock and those deemed to be treated as such in connection with the elections made pursuant to the Plan have received through December 31, 2014, additional aggregate distributions of shares of AAG Common Stock of approximately 0.6776 shares of AAG Common Stock for each share of AMR common stock previously held, and may continue to receive additional distributions. As of the Effective Date, the adjusted total Double-Dip General Unsecured Claims (as defined in the Plan) were approximately \$2.5 billion and the Allowed Single-Dip General Unsecured Claims (as defined in the Plan) were approximately \$2.5 billion.

The Disputed Claims Reserve established under the Plan initially was issued 30.4 million shares, which shares are reserved for distributions to holders of disputed Single-Dip Unsecured Claims (Single-Dip Equity Obligations) whose claims ultimately become allowed as well as to certain AMR labor groups and employees who received a deemed claim amount based upon a fixed percentage of the distributions to be made to general unsecured claimholders. As of December 31, 2014, the Disputed Claims Reserve held 26.8 million shares of AAG Common Stock pending distribution of those shares in accordance with the Plan. On February 10, 2015, approximately 0.8 million shares of AAG Common Stock held in the Disputed Claims Reserve were distributed to holders of allowed Single-Dip Unsecured Claims, to holders of certain labor-related deemed claims, and to holders of certain non-management, non-union employee deemed claims as specified in the Plan, and the Company repurchased less than 0.1 million shares of AAG Common Stock for an aggregate of \$4 million from the Disputed Claims Reserve at the then-prevailing market price in order to fund cash tax obligations resulting from this distribution. As of June 30, 2015, there were approximately 26.0 million shares of AAG Common Stock remaining in the Disputed Claims Reserve. On July 14, 2015, approximately 0.6 million shares of AAG Common Stock held in the Disputed Claims Reserve were distributed to holders of allowed Single-Dip Unsecured Claims, to holders of certain labor-related deemed claims, and to holders of certain non-management, non-union employee deemed claims as specified in the Plan, and the Company repurchased 0.1 million shares of AAG Common Stock for an aggregate of \$2 million from the Disputed Claims Reserve at the then-prevailing market price in order to fund cash tax obligations resulting from this distribution. As disputed claims are resolved, the claimants will receive distributions of shares from the Disputed Claims Reserve on the same basis as if such distributions had been made on or about the Effective Date. To the extent that any of the reserved shares remain undistributed upon resolution of all remaining disputed claims, such shares will not be returned to the Company but rather will be distributed to former AMR shareholders as of the Effective Date. The Company is not required to distribute additional shares above the limits contemplated by the Plan.

Several parties have filed appeals seeking reconsideration of the Confirmation Order. See Note 13 for more information.

The reconciliation process with respect to the remaining claims is expected to take considerable time. The Company's estimate of the amounts of disputed claims that will ultimately become allowed Single-Dip Unsecured Claims are included in bankruptcy settlement obligations on the Company's condensed consolidated balance sheet as of June 30, 2015. As these claims are resolved, or where better information becomes available and is evaluated, the Company will make adjustments to the liabilities recorded on its condensed consolidated financial statements as appropriate. Any such adjustments could be material to the Company's financial position or results of operations in any given period.

Merger

Pursuant to the Merger Agreement and consistent with the Plan, each share of common stock, par value \$0.01 per share, of US Airways Group (the US Airways Group Common Stock) was converted into the right to receive one share of AAG Common Stock. The aggregate number of shares of AAG Common Stock issuable in the Merger to holders of US Airways Group equity instruments (including stockholders, holders of convertible notes, optionees, and holders of restricted stock units (RSUs)) represented 28% of the diluted equity ownership of AAG. The remaining 72% diluted equity ownership in AAG (up to approximately 544 million shares) was or is distributable, pursuant to the Plan, to stakeholders, labor unions, certain employees of AMR and the other Debtors, and former holders of AMR common stock (previously traded under the symbol "AAMRQ") such that the aggregate number of shares of AAG Common Stock issuable under the Plan will not exceed 72% of the diluted equity ownership of AAG as of the time of the Merger.

Availability and Utilization of Net Operating Losses

Upon emergence from bankruptcy, the Debtors experienced an "ownership change" as defined in Section 382 of the Internal Revenue Code of 1986, as amended (Section 382), which could potentially limit the ability to utilize certain tax attributes including the Debtors' substantial net operating losses (NOLs). The general limitation rules for a debtor in a bankruptcy case are liberalized where the ownership change occurs upon emergence from bankruptcy. The Debtors elected to be covered by certain special rules for federal income tax purposes that permit approximately \$9.0 billion of the federal NOL Carryforwards to be utilized without regard to the annual limitation generally imposed by Section 382.

Moreover, an ownership change subsequent to the Debtors' emergence from bankruptcy may further limit or effectively eliminate the ability to utilize the Debtors' NOL Carryforwards and other tax attributes. To reduce the risk of a potential adverse effect on the Debtors' ability to utilize the NOL Carryforwards, AAG's Certificate of Incorporation contains transfer restrictions applicable to certain substantial shareholders. Although the purpose of these transfer restrictions is to prevent an ownership change from occurring, there can be no assurance that an ownership change will not occur even with these transfer restrictions. A copy of AAG's Certificate of Incorporation was attached as Exhibit 3.1 to a Current Report on Form 8-K filed by the Company with the SEC on December 9, 2013.

3. Bankruptcy Settlement Obligations

The components of bankruptcy settlement obligations on the condensed consolidated balance sheets are as follows (in millions):

	June 30, 2015	December 31, 2014
Single-Dip Equity Obligations	\$ 159	\$ 248
Labor-related deemed claim	49	77
Total	<u>\$ 208</u>	<u>\$ 325</u>

The amount of the remaining Single-Dip Equity Obligations at June 30, 2015 is the Company's estimate of its obligation for disputed claims of \$159 million and is calculated based on the fair value of the shares expected to be issued, measured as if the obligations were settled using the closing price of AAG Common Stock at June 30, 2015. Additional allowed claims will receive 30.7553 shares, subject to reduction for expenses of the Disputed Claims Reserve, including tax liabilities, for each \$1,000 of allowed claims. For accounting purposes, the value of the shares expected to be issued is marked-to-market each period until issued. Accordingly, changes in the value of AAG Common Stock could result in future increases and decreases in this obligation.

In exchange for employees' contributions to the successful reorganization of the Company, including agreeing to reductions in pay and benefits, the Company agreed in the Plan to provide each employee group a deemed claim which was used to provide a distribution of a portion of the equity of the reorganized entity to those employees. Each employee group received a deemed claim amount based upon a fixed percentage of the distributions to be made to general unsecured claimholders. The fair value based on the expected number of shares to be distributed to satisfy this deemed claim, as adjusted, was approximately \$1.5 billion. As of June 30, 2015, the remaining liability to certain AMR labor groups and employees of \$49 million represents the estimated fair value of the remaining shares expected to be issued in satisfaction of such obligation, measured as if the obligation was settled using the closing price of AAG Common Stock at June 30, 2015. For accounting purposes, the value of the remaining shares expected to be issued to satisfy the labor claim is marked-to-market each period until issued. Accordingly, changes in the value of AAG Common Stock could result in future increases and decreases in this obligation.

On February 10, 2015 and July 14, 2015, approximately 0.8 million and 0.6 million shares, respectively, of AAG Common Stock held in the Disputed Claims Reserve were distributed to holders of allowed Single-Dip Unsecured Claims, to holders of certain labor-related deemed claims and to holders of certain non-management, non-union employee deemed claims as specified in the Plan, and 0.1 million shares were withheld or sold on account of related tax obligations.

4. Special Items

Special items, net on the condensed consolidated statements of operations are as follows (in millions):

	Three Months Ended June 30,		Six Months Ended June 30,

Mainline operating special items, net (a)	\$ 144	\$ 251	\$ 447	\$ 114

(a) The 2015 second quarter mainline operating special items totaled a net charge of \$144 million, which principally included \$221 million of merger integration expenses related to information technology, professional fees, severance, share-based compensation, fleet restructuring, re-branding of aircraft and airport facilities, relocation and training. These charges were offset in part by a net \$68 million credit for bankruptcy related items primarily consisting of fair value adjustments for bankruptcy settlement obligations. The 2015 six month period mainline operating special items totaled a net charge of \$447 million, which principally included \$437 million of merger integration expenses as described above and a net \$99 million charge related to the Company's new pilot joint collective bargaining agreement. These charges were offset in part by a net \$73 million credit for bankruptcy related items primarily consisting of fair value adjustments for bankruptcy settlement obligations.

The 2014 second quarter mainline operating special items totaled a net charge of \$251 million, which principally included \$163 million of merger integration expenses related to information technology, professional fees, severance, share-based compensation, re-branding of aircraft and airport facilities, relocation and training as well as a net \$38 million charge for bankruptcy related items primarily consisting of fair value adjustments for bankruptcy settlement obligations and \$37 million in charges related to the buyout of leases associated with certain aircraft. The 2014 six month period mainline operating special items totaled a net charge of \$114 million, which principally included \$365 million of merger integration expenses, \$40 million in charges primarily related to the buyout of leases associated with certain aircraft and a net \$5 million charge for bankruptcy related items, all as described above. These charges were offset in part by a \$309 million gain on the sale of Slots at Ronald Reagan Washington National Airport.

The following additional amounts are also included in the condensed consolidated statements of operations as follows (in millions):

	Three Months Ended June 30,		Six Months Ended June 30,	
	2015	2014	2015	2014

Income tax special items, net (c)	7	337	16	345

(a) The 2015 and 2014 second quarter and six month period regional operating special items principally related to merger integration expenses.

(b) The 2015 second quarter nonoperating special items totaled a net credit of \$11 million and primarily included a \$22 million gain associated with the sale of an investment, offset in part by \$11 million in charges principally related to non-cash write offs of unamortized debt discount and debt issuance costs associated with refinancing the Company's secured term loan facilities. The 2015 six month period nonoperating special items totaled a net credit of \$19 million and principally included the \$22 million gain associated with the sale of an investment as described above and a \$17 million early debt extinguishment gain associated with the repayment of American's AAdvantage loan with Citibank. These special credits were offset in part by \$20 million in charges principally related to non-cash write offs of unamortized debt discount and debt issuance costs associated with the debt refinancing as described above and the prepayment of certain aircraft financings.

The 2014 second quarter and six month period nonoperating special items were primarily due to non-cash interest accretion of \$2 million and \$33 million, respectively, on bankruptcy settlement obligations.

(c) The 2015 second quarter and six month period tax special items were the result of a non-cash deferred income tax provision related to certain indefinite-lived intangible assets.

During the 2014 second quarter, the Company sold its portfolio of fuel hedging contracts that were scheduled to settle on or after June 30, 2014. In connection with this sale, the Company recorded a special non-cash tax provision of \$330 million in the second quarter of 2014 that reversed the non-cash tax provision which was recorded in other comprehensive income (OCI), a subset of stockholders' equity, principally in 2009. This provision represents the tax effect associated with gains recorded in OCI principally in 2009 due to a net increase in the fair value of the Company's fuel hedging contracts. In accordance with GAAP, the Company retained the \$330 million tax provision in OCI until the last contract was settled or terminated. In addition, the Company recorded a special \$7 million non-cash deferred income tax provision related to certain indefinite-lived intangible assets

in the 2014 second quarter. The 2014 six month period included the \$330 million non-cash tax provision related to the settlement of fuel hedges discussed above as well as a special \$15 million non-cash deferred income tax provision related to certain indefinite-lived intangible assets.

(a) In March 2014, the Company notified the holders of US Airways Group's 7.25% convertible senior notes that it had elected to settle all future conversions solely in cash instead of shares of AAG Common Stock in accordance with the related indenture. Thus, the diluted shares included the weighted average impact of the 7.25% convertible senior notes only for the period from January 1, 2014 to March 12, 2014. For purposes of computing diluted earnings per share under GAAP, the Company was required to adjust the numerator by the change in fair value of the conversion feature from March 12, 2014 to May 15, 2014, which decreased GAAP net income by \$2 million for the three months ended June 30, 2014 and increased GAAP net income by \$3 million for the six months ended June 30, 2014.

6. Share Repurchase Program and Dividend

On January 27, 2015, the Company announced that its Board of Directors had authorized a new \$2.0 billion share repurchase program to be completed by the end of 2016. Shares repurchased under the program may be made through a variety of methods, which may include open market purchases, privately negotiated transactions, block trades or accelerated share repurchase transactions. Any such repurchases will be made from time to time subject to market and economic conditions, applicable legal requirements and other relevant factors. The program does not obligate the Company to repurchase any specific number of shares and may be suspended at any time at the Company's discretion. During the three months ended June 30, 2015, the Company repurchased 17.3 million shares of AAG Common Stock for \$753 million at a weighted average cost per share of \$43.53. During the six months ended June 30, 2015, the Company repurchased 21.1 million shares of AAG Common Stock for \$943 million at a weighted average cost per share of \$44.60.

Also on January 27, 2015, the Company announced that its Board of Directors had declared a \$0.10 per share dividend for shareholders of record on February 9, 2015, and payable on February 23, 2015.

In April 2015, the Company announced that its Board of Directors had declared a \$0.10 per share dividend for shareholders of record on May 4, 2015, and payable on May 18, 2015.

The total cash payment for dividends during the three and six months ended June 30, 2015 was \$70 million and \$140 million, respectively. Any future dividends that may be declared and paid from time to time under the Company's capital deployment program will be subject to market and economic conditions, applicable legal requirements and other relevant factors. The Company's capital deployment program does not obligate it to continue a dividend for any fixed period, and payment of dividends may be suspended at any time at the Company's discretion.

2013 Credit Facilities

On May 21, 2015, American refinanced its \$1.9 billion term loan facility (the \$1.9 billion 2015 Term Loan Facility and, together with a \$1.4 billion revolving credit facility, the 2013 Credit Facilities) to extend the maturity date to June 29, 2020 and reduce the LIBOR margin from 3.00% to 2.75%. In addition, American entered into certain amendments to reflect the ability for American to make future modifications to the collateral pledged, subject to certain restrictions. The LIBOR margin under the \$1.9 billion 2015 Term Loan Facility may vary based on American's credit ratings, and on June 30, 2015 the LIBOR margin was further reduced to 2.50% due to an improvement in American's credit ratings.

2014 Credit Facilities

On April 20, 2015, American refinanced its \$750 million term loan facility (the \$750 million 2015 Term Loan Facility and, together with a \$400 million revolving credit facility, the 2014 Credit Facilities) to reduce the LIBOR margin from 3.50% to 3.00% and entered into certain amendments to reflect the release of certain existing collateral and the addition of certain new collateral, as well as the ability for American to make future modifications to the collateral pledged, subject to certain restrictions. The LIBOR margin under the \$750 million 2015 Term Loan Facility may vary based on American's credit ratings, and on June 30, 2015 the LIBOR margin was further reduced to 2.75% due to an improvement in American's credit ratings.

2015-1 EETCs

In March 2015, American created two pass-through trusts which issued approximately \$1.2 billion aggregate face amount of Series 2015-1 Class A and Class B EETCs in connection with the financing of 28 aircraft currently owned or scheduled to be delivered from July 2015 to September 2015 (the 2015 EETC Aircraft). The 2015-1 EETCs represent fractional undivided interests in the respective pass-through trusts and are not obligations of American. Proceeds received from the sale of EETCs are initially held by a depository in escrow for the benefit of the certificate holders until American issues equipment notes to the pass-through trusts, which purchase the notes with a portion of the escrowed funds. These escrowed funds are not guaranteed by American and are not reported as debt on the Company's condensed consolidated balance sheet because the proceeds held by the depository are not American's assets.

**NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS OF AMERICAN AIRLINES GROUP INC.
(Unaudited)**

As of June 30, 2015, \$1.0 billion of the escrowed proceeds from the 2015-1 EETCs have been used to purchase equipment notes issued by American in two series: Series A equipment notes in the amount of \$796 million bearing interest at 3.375% per annum and Series B equipment notes in the amount of \$223 million bearing interest at 3.70% per annum. Interest and principal payments on the equipment notes are payable semi-annually in May and November of each year, beginning in November 2015. The final payments on the Series A and Series B equipment notes will be due in May 2027 and May 2023, respectively. These equipment notes are secured by liens on 19 of the 2015 EETC Aircraft. The remaining \$195 million of escrowed proceeds will be used to purchase equipment notes as the remaining nine new aircraft are delivered.

4.625% Senior Notes

In March 2015, the Company issued \$500 million aggregate principal amount of 4.625% senior notes due 2020 (the 4.625% senior notes). These notes bear interest at a rate of 4.625% per annum and are payable semi-annually in arrears on each March 1 and September 1, beginning on September 1, 2015. The 4.625% senior notes mature on March 1, 2020 and are fully and unconditionally guaranteed by American, US Airways Group and US Airways, Inc. (US Airways). The 4.625% senior notes are senior unsecured obligations of the Company. The indenture for the 4.625% senior notes contains covenants and events of default generally customary for similar financings. In addition, if the Company experiences specific kinds of changes of control, the Company must offer to repurchase the 4.625% senior notes in whole or in part at a repurchase price of 101% of the aggregate principal amount plus accrued and unpaid interest, if any, to (but not including) the repurchase date. Upon the occurrence of certain events of default, the 4.625% senior notes may be accelerated and become due and payable.

AAdvantage Loan

Effective January 2, 2015, American exercised its loan repayment right with respect to the full value of the outstanding balance of the AAdvantage Loan with Citibank for \$400 million. In connection with the repayment, in the first quarter of 2015, American recognized an early debt extinguishment gain of approximately \$17 million.

Obligations Associated with Special Facility Revenue Bonds

In December 2014, American acquired approximately \$112 million aggregate principal amount of special facility revenue bonds related to the Tulsa International Airport, when such bonds were mandatorily tendered to American. The acquisition of these bonds resulted in an \$11 million reduction of debt on the Company's consolidated balance sheet and a \$50 million reduction of a long-term operating lease obligation included in other long-term liabilities on the Company's consolidated balance sheet as of December 31, 2014. American exercised its option to remarket approximately \$104 million of these bonds in May 2015. The remarketed bonds will initially bear a coupon interest rate of 5% from the date of initial issuance and delivery of the bonds on May 27, 2015, until the day preceding June 1, 2025, on which date the bonds will be subject to mandatory tender. In connection with the remarketing of these special facility revenue bonds, American received cash proceeds of \$112 million and recognized a total obligation of \$62 million. Of that total obligation, \$11 million is reflected as a capital lease and \$51 million is reflected in other long-term liabilities on the Company's condensed consolidated balance sheet as of June 30, 2015.

In June 2015, American exercised its right to adjust the interest rate on approximately \$365 million aggregate principal amount of special facility revenue bonds, reflected as debt on the Company's condensed consolidated balance sheet related to the John F. Kennedy International Airport. In connection with the adjustment to a new interest rate, the bonds are required to be purchased by American on August 3, 2015. American is in the process of remarketing the bonds at the new interest rate. The remarketed bonds are expected to be subject to mandatory tender for purchase by American on August 1, 2016. As a result, American reclassified \$365 million to current maturities of long-term debt on its condensed consolidated balance sheet as of June 30, 2015.

Other Aircraft Financing Transactions

In the first six months of 2015, American prepaid \$72 million principal amount of outstanding debt secured by certain aircraft.

In the first six months of 2015, the Company entered into loan agreements to borrow \$465 million in connection with the financing of certain aircraft deliveries. The notes mature in 2025 through 2027 and bear interest at a rate of LIBOR plus an applicable margin.

8. Income Taxes

At December 31, 2014, the Company had approximately \$10.1 billion of gross NOL Carryforwards to reduce future federal taxable income, substantially all of which are expected to be available for use in 2015. The federal NOL Carryforwards will expire beginning

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS OF AMERICAN AIRLINES GROUP INC.
(Unaudited)

in 2022 if unused. These NOL Carryforwards include an unrealized tax benefit of \$867 million related to the implementation of share-based compensation accounting guidance that will be recorded in equity when realized. The Company also had approximately \$4.6 billion of NOL Carryforwards to reduce future state taxable income at December 31, 2014, which will expire in years 2015 through 2034 if unused. The Company's ability to deduct its NOL Carryforwards and to utilize certain other available tax attributes can be substantially constrained under the general annual limitation rules of Section 382 where an "ownership change" has occurred. The Company experienced an ownership change in connection with its emergence from the Chapter 11 Cases, and US Airways Group experienced an ownership change in connection with the Merger. As a result of the Merger, US Airways Group is now included in the AAG consolidated federal and state income tax return. The general limitation rules of Section 382 for a debtor in a bankruptcy case are liberalized where the ownership change occurs upon emergence from bankruptcy. The Company elected to be covered by certain special rules for federal income tax purposes that permit approximately \$9.0 billion of its federal NOL Carryforwards to be utilized without regard to the Section 382 annual limitation rules. Substantially all of the Company's remaining federal NOL Carryforwards (attributable to US Airways Group) are subject to limitation under Section 382; however, the Company's ability to utilize such NOL Carryforwards is not anticipated to be effectively constrained as a result of such limitation. Similar limitations may apply for state income tax purposes. The Company's ability to utilize any new NOL Carryforwards arising after the ownership changes is not affected by the annual limitation rules imposed by Section 382 unless another ownership change occurs.

At December 31, 2014, the Company had an Alternative Minimum Tax (AMT) credit carryforward of approximately \$341 million available for federal income tax purposes, which is available for an indefinite period. The Company's net deferred tax assets, which include the NOL Carryforwards, are subject to a full valuation allowance. At December 31, 2014, the federal and state valuation allowances were \$4.5 billion and \$264 million, respectively. In accordance with GAAP, utilization of the NOL Carryforwards after December 9, 2013 will result in a corresponding decrease in the valuation allowance and offset the Company's tax provision dollar for dollar.

The Company provides a valuation allowance for deferred tax assets when it is more likely than not that some portion, or all of its deferred tax assets, will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income. The Company considers all available positive and negative evidence and makes certain assumptions. The Company considers many factors in evaluating the realizability of its deferred tax assets including risks associated with merger integration as well as other factors, which continue to be affected by conditions beyond its control, such as the condition of the economy, the level and volatility of fuel prices and travel demand. The Company has concluded as of June 30, 2015 that the valuation allowance was still needed on its deferred tax asset based on the weight of the factors described above.

For the three and six months ended June 30, 2015, the Company recorded a special \$7 million and \$16 million, respectively, non-cash deferred income tax provision related to certain indefinite-lived intangible assets. In addition, for the three and six months ended June 30, 2015, the Company recorded \$8 million and \$10 million, respectively, of state and international income tax expense related to certain states and other jurisdictions where NOLs were limited or unavailable to be used.

During the second quarter of 2014, the Company sold its portfolio of fuel hedging contracts that were scheduled to settle on or after June 30, 2014. In connection with this sale, the Company recorded a special non-cash tax provision of \$330 million in the statement of operations for the second quarter of 2014 that reversed the non-cash tax provision which was recorded in OCI, a subset of stockholders' equity, principally in 2009. This provision represents the tax effect associated with gains recorded in OCI principally in 2009 due to a net increase in the fair value of the Company's fuel hedging contracts. In accordance with GAAP, the Company retained the \$330 million tax provision in OCI until the last contract was settled or terminated. In addition, the Company recorded a special \$7 million non-cash deferred income tax provision related to certain indefinite-lived intangible assets in the 2014 second quarter. The 2014 six month period included the \$330 million non-cash tax provision related to the settlement of fuel hedges discussed above as well as a special \$15 million non-cash deferred income tax provision related to certain indefinite-lived intangible assets.

For the three and six months ended June 30, 2014, the Company recorded \$3 million and \$8 million, respectively, of state and international income tax expense related to certain states and other jurisdictions where NOLs were limited or unavailable to be used.

9. Fair Value Measurements

Assets and Liabilities Measured at Fair Value on a Recurring Basis

The Company utilizes the market approach to measure fair value for its financial assets and liabilities. The market approach uses prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities. The Company's short-term investments classified as Level 2 primarily utilize broker quotes in a non-active market for valuation of these securities. No changes in valuation techniques or inputs occurred during the six months ended June 30, 2015.

Assets and liabilities measured at fair value on a recurring basis are summarized below (in millions):

	Fair Value Measurements as of June 30, 2015			
	Total	Level 1	Level 2	Level 3
Short-term investments (1), (2):				
Money market funds	\$ 376	\$ 376	\$ —	\$ —
Repurchase agreements	43	—	43	—
Corporate obligations	4,512	—	4,512	—
Bank notes / certificates of deposit / time deposits	3,036	—	3,036	—
	7,967	376	7,591	—
Restricted cash and short-term investments (1)	747	747	—	—
Total	<u>\$ 8,714</u>	<u>\$ 1,123</u>	<u>\$ 7,591</u>	<u>\$ —</u>

- (1) Unrealized gains or losses on short-term investments and restricted cash and short-term investments are recorded in accumulated other comprehensive loss at each measurement date.
- (2) All short-term investments are classified as available-for-sale and stated at fair value. In addition, all short-term investments mature in one year or less except for \$1.0 billion of corporate obligations and \$1.6 billion of bank notes/certificates of deposit/time deposits.

There were no Level 1 to Level 2 transfers during the six months ended June 30, 2015.

Venezuela Cash and Short-term Investments

As of June 30, 2015, the Company had approximately \$629 million of unrestricted cash and short-term investments held in Venezuelan bolivars. This balance includes approximately \$621 million valued at 6.3 bolivars to the U.S. dollar and approximately \$8 million valued at 12.8 bolivars to the U.S. dollar, with the rate depending on the date the Company submitted its repatriation request to the Venezuelan government. These rates are materially more favorable than the exchange rates currently prevailing for other transactions conducted outside of the Venezuelan government's currency exchange system.

During 2014, the Company significantly reduced capacity in the Venezuelan market and is no longer accepting bolivars as payment for airline tickets. The Company is monitoring this situation closely and continues to evaluate its holdings of Venezuelan bolivars for additional foreign currency losses or other accounting adjustments, which could be material, particularly in light of the additional uncertainty posed by the recent changes to the foreign exchange regulations and the continued deterioration of economic conditions in Venezuela. More generally, fluctuations in foreign currencies, including devaluations, cannot be predicted by the Company and can significantly affect the value of the Company's assets located outside the United States. These conditions, as well as any further delays, devaluations or imposition of more stringent repatriation restrictions, may materially adversely affect the Company's business, results of operations and financial condition. See Part II, Item 1A. Risk Factors – "We operate a global business with international operations that are subject to economic and political instability and have been, and in the future may continue to be, adversely affected by numerous events, circumstances or government actions beyond our control" for additional discussion of this and other currency risks.

Fair Value of Debt

The fair value of the Company's long-term debt was estimated using quoted market prices or discounted cash flow analyses, based on the Company's current estimated incremental borrowing rates for similar types of borrowing arrangements. If the Company's long-term debt was measured at fair value, it would have been classified as Level 2 in the fair value hierarchy.

The carrying value and estimated fair value of the Company's long-term debt, including current maturities, were as follows (in millions):

	June 30, 2015		December 31, 2014	
	Carrying Value	Fair Value	Carrying Value	Fair Value
Long-term debt, including current maturities	\$18,794	\$19,271	\$17,904	\$18,542

(1) The 2015 six month period prior service cost does not include amortization of \$1 million related to other post-employment benefits.

Effective November 1, 2012, the Company's defined benefit pension plans were frozen.

The Company is required to make minimum contributions to its defined benefit pension plans under the minimum funding requirements of the Employee Retirement Income Security Act of 1974 (ERISA), the Pension Funding Equity Act of 2004, the Pension Protection Act of 2006, the Pension Relief Act of 2010 and the Moving Ahead for Progress in the 21st Century Act of 2012. Based on current funding assumptions, the Company has no minimum required contributions until 2019. Currently, the Company's minimum funding obligation for its pension plans is subject to temporary favorable rules that are scheduled to expire at the end of 2017. Upon expiration of these rules, the Company's funding obligations are likely to increase materially. The amount of these obligations will depend on the performance of the Company's investments held in trust by the pension plans, interest rates for determining liabilities and the Company's actuarial experience.

13. Legal Proceedings

Chapter 11 Cases. As previously disclosed, on the Petition Date, November 29, 2011, the Debtors filed the Chapter 11 Cases. On October 21, 2013, the Bankruptcy Court entered the Confirmation Order confirming the Plan. On the Effective Date, December 9, 2013, the Debtors consummated their reorganization pursuant to the Plan, principally through the transactions contemplated by the Merger Agreement pursuant to which Merger Sub merged with and into US Airways Group, with US Airways Group surviving as a wholly-owned subsidiary of AAG. From the Petition Date through the Effective Date, pursuant to automatic stay provisions under the Bankruptcy Code and orders granted by the Bankruptcy Court, actions to enforce or otherwise effect repayment of liabilities preceding the Petition Date as well as all pending litigation against the Debtors generally were stayed. Following the Effective Date, actions to enforce or otherwise effect repayment of liabilities preceding the Petition Date, generally have been permanently enjoined. Any unresolved claims will continue to be subject to the claims reconciliation process under the supervision of the Bankruptcy Court. However, certain pending litigation related to pre-petition liabilities may proceed in courts other than the Bankruptcy Court to determine the amount, if any, of such litigation claims for purposes of treatment under the Plan.

**NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS OF AMERICAN AIRLINES GROUP INC.
(Unaudited)**

Pursuant to rulings of the Bankruptcy Court, the Plan established the Disputed Claims Reserve to hold shares of AAG Common Stock reserved for issuance to disputed claimholders at the Effective Date that ultimately become holders of allowed Single-Dip Unsecured Claims. The shares provided for under the Plan were determined based upon a Disputed Claims Reserve amount of claims of approximately \$755 million, representing the maximum amount of additional distributions to subsequently allowed Single-Dip Unsecured Claims under the Plan. As of December 31, 2014, the Disputed Claims Reserve held 26.8 million shares of AAG Common Stock pending distribution of those shares in accordance with the Plan. On February 10, 2015, approximately 0.8 million shares of AAG Common Stock held in the Disputed Claims Reserve were distributed to holders of allowed Single-Dip Unsecured Claims, to holders of certain labor-related deemed claims, and to holders of certain non-management, non-union employee deemed claims as specified in the Plan, and the Company repurchased less than 0.1 million shares of AAG Common Stock for an aggregate of \$4 million from the Disputed Claims Reserve at the then-prevailing market price in order to fund cash tax obligations resulting from this distribution. As of June 30, 2015, there were approximately 26.0 million shares of AAG Common Stock remaining in the Disputed Claims Reserve. On July 14, 2015, approximately 0.6 million shares of AAG Common Stock held in the Disputed Claims Reserve were distributed to holders of allowed Single-Dip Unsecured Claims, to holders of certain labor-related deemed claims, and to holders of certain non-management, non-union employee deemed claims as specified in the Plan, and the Company repurchased less than 0.1 million shares of AAG Common Stock for an aggregate of \$2 million from the Disputed Claims Reserve at the then-prevailing market price in order to fund cash tax obligations resulting from this distribution. As disputed claims are resolved, the claimants will receive distributions of shares from the Disputed Claims Reserve on the same basis as if such distributions had been made on or about the Effective Date. However, the Company is not required to distribute additional shares above the limits contemplated by the Plan, even if the shares remaining for distribution are not sufficient to fully pay any additional allowed unsecured claims. To the extent that any of the reserved shares remain undistributed upon resolution of all remaining disputed claims, such shares will not be returned to the Company but rather will be distributed to former AMR shareholders as of the Effective Date. However, resolution of disputed claims could have a material effect on recoveries by holders of additional allowed Single-Dip Unsecured Claims under the Plan and the amount of additional share distributions, if any, that are made to former AMR shareholders as the total number of shares of AAG Common Stock that remain available for distribution upon resolution of disputed claims is limited pursuant to the Plan.

There is also pending in the Bankruptcy Court an adversary proceeding relating to an action brought by American to seek a determination that certain non-pension, post-employee benefits (OPEB) are not vested benefits and thus may be modified or terminated without liability to American. On April 18, 2014, the Bankruptcy Court granted American's motion for summary judgment with respect to certain non-union employees, concluding that their benefits were not vested and could be terminated. The summary judgment motion was denied with respect to all other retirees. The Bankruptcy Court has not yet scheduled a trial on the merits concerning whether those retirees' benefits are vested, and American cannot predict whether it will receive relief from obligations to provide benefits to any of those retirees. The Company's financial statements presently reflect these retirement programs without giving effect to any modification or termination of benefits that may ultimately be implemented based upon the outcome of this proceeding. Separately, both the Association of Professional Flight Attendants and Transport Workers Union have filed grievances asserting that American was "successful" in its Chapter 11 with respect to matters related to OPEB and, accordingly, by operation of the underlying collective bargaining agreements, American's prior contributions to certain OPEB prefunding trusts attributable to active employees should be returned to those active employees. These amounts aggregate approximately \$212 million. The Company has denied both grievances and intends to defend these matters vigorously.

DOJ Civil Investigative Demand. In June 2015, the Company received a Civil Investigative Demand (CID) from the United States Department of Justice (DOJ) as part of an investigation into whether there have been illegal agreements or coordination of air passenger capacity. The CID seeks documents and other information from the Company, and other airlines have announced that they have received similar requests. The Company intends to cooperate fully with the DOJ investigation. In addition, subsequent to announcement of the delivery of CIDs by the DOJ, the Company, along with Delta Air Lines, Inc., Southwest Airlines Co., United Airlines, Inc. and, in the case of litigation filed in Canada, Air Canada, have been named as defendants in a number of putative class action lawsuits alleging unlawful agreements with respect to air passenger capacity. The U.S. lawsuits are the subject of multiple motions to consolidate them in a single forum. Both the DOJ process and these lawsuits are in their very early stages and the Company intends to defend the lawsuits vigorously.

Private Party Antitrust Action. On July 2, 2013, a lawsuit captioned Carolyn Fjord, et al., v. US Airways Group, Inc., et al., was filed in the United States District Court for the Northern District of California. The complaint named as defendants US Airways Group and US Airways, and alleged that the effect of the Merger may be to substantially lessen competition or tend to create a monopoly in violation of Section 7 of the Clayton Antitrust Act. The relief sought in the complaint included an injunction against the Merger, or divestiture. On August 6, 2013, the plaintiffs re-filed their complaint in the Bankruptcy Court, adding AMR and American as defendants, and on October 2, 2013, dismissed the initial California action. The Bankruptcy Court denied plaintiffs' motion to

preliminarily enjoin the Merger. On January 10, 2014, the plaintiffs moved to amend their complaint to add additional factual allegations, a claim for money damages and a request for preliminary injunctive relief requiring the carriers to hold separate their assets. On March 14, 2014, the Court allowed plaintiffs to add certain allegations but denied plaintiffs' requests to add a damages claim or seek preliminary injunctive relief requiring the carriers to hold separate their assets. On June 2, 2014, plaintiffs filed an amended motion for leave to file a second amended and supplemental complaint. On March 31, 2015, the Court denied plaintiffs' motion. There is currently no trial date set. The Company believes this lawsuit is without merit and intends to vigorously defend against the allegations.

US Airways Sabre Matter. On April 21, 2011, US Airways filed an antitrust lawsuit against Sabre Holdings Corporation, Sabre Inc. and Sabre Travel International Limited (collectively, Sabre) in the Federal District Court for the Southern District of New York. The lawsuit, as amended to date, alleges, among other things, that Sabre has engaged in anticompetitive practices to preserve its market power by restricting the Company's ability to distribute its products to its customers. The lawsuit also alleges that these actions have permitted Sabre to charge supracompetitive booking fees and to use technologies that are not as robust and as efficient as alternatives in a competitive market. The lawsuit seeks money damages. Sabre filed a motion to dismiss the case, which the court denied in part and granted in part in September 2011, allowing two of the four counts in the complaint to proceed. In January 2015, the court denied in part and granted in part Sabre's motions for summary judgment. A trial date is expected to be set soon. The Company intends to pursue its claims against Sabre vigorously, but there can be no assurance of the outcome of this litigation.

General. The Company and its subsidiaries are also engaged in other legal proceedings from time to time. Legal proceedings can be complex and take many months, or even years, to reach resolution, with the final outcome depending on a number of variables, some of which are not within the control of the Company. Therefore, although the Company will vigorously defend itself in each of the actions described above and such other legal proceedings, their ultimate resolution and potential financial and other impacts on the Company are uncertain.

14. Financial Information for Subsidiary Guarantors and Non-guarantor Subsidiaries

There are various cross-guarantees among the Company, American, US Airways Group and US Airways with respect to publicly held debt securities. In connection with the Merger, the Company and American entered into a second supplemental indenture under which they jointly and severally guaranteed the payment obligations of US Airways Group under the 6.125% senior notes. In addition, on March 31, 2014, the Company, US Airways Group and US Airways entered into amended and restated guarantees of the payment obligations of US Airways under the equipment notes relating to each of its Series 2010-1, 2011-1, 2012-1, 2012-2 and 2013-1 Pass Through Certificates the result of which was to add AAG as a guarantor of such equipment notes on a joint and several basis with US Airways Group.

In connection with the issuance of these guarantees, in accordance with Rule 3-10 of Regulation S-X and Rule 12h-5 under the Securities Exchange Act of 1934, as amended, US Airways Group and US Airways discontinued filing separate periodic and current reports with the SEC. As a result, in accordance with Rule 3-10, the Company is providing the following condensed consolidating financial information for the periods after Merger close for American Airlines Group (Parent Company Only), American, US Airways Group Parent, US Airways and all other non-guarantor subsidiaries, together with the consolidating adjustments necessary to present the Company's results on a consolidated basis.

On July 14, 2015, approximately 0.6 million shares of AAG Common Stock held in the Disputed Claims Reserve were distributed to holders of allowed Single-Dip Unsecured Claims, to holders of certain labor-related deemed claims and to holders of certain non-management, non-union employee deemed claims as specified in the Plan, and 0.1 million shares were withheld or sold on account of related tax obligations.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS OF AMERICAN AIRLINES, INC.
(Unaudited)

1. Basis of Presentation

The accompanying unaudited condensed consolidated financial statements of American Airlines, Inc. (American) should be read in conjunction with the consolidated financial statements contained in American's Annual Report on Form 10-K for the year ended December 31, 2014. American is a wholly-owned subsidiary of American Airlines Group Inc. (AAG). All significant intercompany transactions have been eliminated.

Management believes that all adjustments necessary for the fair presentation of results, consisting of normally recurring items, have been included in the unaudited condensed consolidated financial statements for the interim periods presented. The preparation of financial statements in accordance with accounting principles generally accepted in the United States (GAAP) requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates. The most significant areas of judgment relate to passenger revenue recognition, impairment of long-lived and intangible assets, the frequent flyer program, pensions, retiree medical and other benefits and the deferred tax asset valuation allowance.

Recent Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, "Revenue from Contracts with Customers (Topic 606)." ASU 2014-09 completes the joint effort by the FASB and International Accounting Standards Board (IASB) to improve financial reporting by creating common revenue recognition guidance for GAAP and International Financial Reporting Standards (IFRS). ASU 2014-09 applies to all companies that enter into contracts with customers to transfer goods or services. ASU 2014-09 is effective for public entities for interim and annual reporting periods beginning after December 15, 2016. On July 9, 2015, the FASB deferred the effective date of this new standard to December 15, 2017 for public entities. Early application is permitted, but not before interim and annual reporting periods beginning after December 15, 2016. Entities have the choice to apply ASU 2014-09 either retrospectively to each reporting period presented or by recognizing the cumulative effect of applying ASU 2014-09 at the date of initial application and not adjusting comparative information. American is currently evaluating the requirements of ASU 2014-09 and has not yet determined its impact on American's condensed consolidated financial statements.

In April 2015, the FASB issued ASU 2015-03, "Interest - Imputation of Interest (Subtopic 835-30): Simplifying the Presentation of Debt Issuance Costs." The update requires debt issuance costs related to a recognized debt liability to be presented in the balance sheet as a direct deduction from the carrying amount of the related debt liability instead of being presented as an asset. Debt disclosures will include the face amount of the debt liability and the effective interest rate. The update requires retrospective application and represents a change in accounting principle. The update is effective for fiscal years beginning after December 15, 2015. Early adoption is permitted for financial statements that have not been previously issued. ASU 2015-03 is not expected to have a material impact on American's condensed consolidated financial statements.

2. Emergence from Chapter 11

Chapter 11 Reorganization

On November 29, 2011 (the Petition Date), AMR Corporation (AMR, renamed American Airlines Group Inc., upon the closing of the Merger), its principal subsidiary, American, and certain of AMR's other direct and indirect domestic subsidiaries (collectively, the Debtors), filed voluntary petitions for relief (the Chapter 11 Cases) under Chapter 11 of the United States Bankruptcy Code (the Bankruptcy Code) in the United States Bankruptcy Court for the Southern District of New York (the Bankruptcy Court). On October 21, 2013, the Bankruptcy Court entered an order (the Confirmation Order) approving and confirming the Debtors' fourth amended joint plan of reorganization (as amended, the Plan).

On December 9, 2013 (the Effective Date), the Debtors consummated their reorganization pursuant to the Plan, principally through the transactions contemplated by an Agreement and Plan of Merger (as amended, the Merger Agreement), dated as of February 13, 2013, by and among AMR, AMR Merger Sub, Inc. (Merger Sub) and US Airways Group, Inc. (US Airways Group), pursuant to which Merger Sub merged with and into US Airways Group (the Merger), with US Airways Group surviving as a wholly-owned subsidiary of AAG following the Merger.

From the Petition Date through the Effective Date, pursuant to automatic stay provisions under the Bankruptcy Code and orders granted by the Bankruptcy Court, all actions to enforce or otherwise effect repayment of liabilities preceding the Petition Date as well as all pending litigation against the Debtors generally were stayed. Following the Effective Date, actions to enforce or otherwise effect repayment of liabilities preceding the Petition Date generally have been permanently enjoined. Any unresolved claims will continue to be subject to the claims reconciliation process under the supervision of the U.S. Bankruptcy Court. However, certain pending litigation related to pre-petition liabilities may proceed in courts other than the U.S. Bankruptcy Court to the extent the parties to such litigation have obtained relief from the permanent injunction.

In connection with the Chapter 11 Cases, trading in AMR's common stock and certain debt securities on the New York Stock Exchange (NYSE) was suspended on January 5, 2012, and AMR's common stock and such debt securities were delisted by the SEC from the NYSE on January 30, 2012. On January 5, 2012, AMR's common stock began trading under the symbol "AAMRQ" (CUSIP 001765106) on the OTCQB marketplace, operated by OTC Markets Group. Pursuant to the Plan, on the Effective Date (i) all existing shares of AAG's old common stock formerly traded under the symbol "AAMRQ" were canceled and (ii) AAG was authorized to issue up to approximately 544 million shares of common stock, par value \$0.01 per share, of AAG (AAG Common Stock) by operation of the Plan (excluding shares of AAG Common Stock issuable pursuant to the Merger Agreement). On the Effective Date, the AAG Common Stock was listed on the NASDAQ Global Select Market under the symbol "AAL," and AAMRQ ceased trading on the OTCQB marketplace.

Upon emergence from Chapter 11, AAG issued approximately 53 million shares of AAG Common Stock to AMR's old equity holders and certain of the Debtors' employees, and issued 168 million shares of AAG Series A Convertible Preferred Stock, par value \$0.01 per share (the AAG Series A Preferred Stock), which was mandatorily convertible into new AAG Common Stock during the 120-day period after the Effective Date, to certain creditors and employees of the Debtors (including shares deposited in the Disputed Claims Reserve (as defined in the Plan)). In accordance with the terms of the Plan, former holders of AMR common stock (previously traded under the symbol "AAMRQ") received, for each share of AMR common stock, an initial distribution of approximately 0.0665 shares of the AAG Common Stock as of the Effective Date. Following the Effective Date, former holders of AMR common stock and those deemed to be treated as such in connection with the elections made pursuant to the Plan have received through December 31, 2014, additional aggregate distributions of shares of AAG Common Stock of approximately 0.6776 shares of AAG Common Stock for each share of AMR common stock previously held, and may continue to receive additional distributions. As of the Effective Date, the adjusted total Double-Dip General Unsecured Claims (as defined in the Plan) were approximately \$2.5 billion and the Allowed Single-Dip General Unsecured Claims (as defined in the Plan) were approximately \$2.5 billion.

The Disputed Claims Reserve established under the Plan initially was issued 30.4 million shares, which shares are reserved for distributions to holders of disputed Single-Dip Unsecured Claims (Single-Dip Equity Obligations) whose claims ultimately become allowed as well as to certain AMR labor groups and employees who received a deemed claim amount based upon a fixed percentage of the distributions to be made to general unsecured claimholders. As of December 31, 2014, the Disputed Claims Reserve held 26.8 million shares of AAG Common Stock pending distribution of those shares in accordance with the Plan. On February 10, 2015, approximately 0.8 million shares of AAG Common Stock held in the Disputed Claims Reserve were distributed to holders of allowed Single-Dip Unsecured Claims, to holders of certain labor-related deemed claims, and to holders of certain non-management, non-union employee deemed claims as specified in the Plan, and American repurchased less than 0.1 million shares of AAG Common Stock for an aggregate of \$4 million from the Disputed Claims Reserve at the then-prevailing market price in order to fund cash tax obligations resulting from this distribution. As of June 30, 2015, there were approximately 26.0 million shares of AAG Common Stock remaining in the Disputed Claims Reserve. On July 14, 2015, approximately 0.6 million shares of AAG Common Stock held in the Disputed Claims Reserve were distributed to holders of allowed Single-Dip Unsecured Claims, to holders of certain labor-related deemed claims, and to holders of certain non-management, non-union employee deemed claims as specified in the Plan, and American repurchased 0.1 million shares of AAG Common Stock for an aggregate of \$2 million from the Disputed Claims Reserve at the then-prevailing market price in order to fund cash tax obligations resulting from this distribution. As disputed claims are resolved, the claimants will receive distributions of shares from the Disputed Claims Reserve on the same basis as if such distributions had been made on or about the Effective Date. To the extent that any of the reserved shares remain undistributed upon resolution of all remaining disputed claims, such shares will not be returned to AAG but rather will be distributed to former AMR shareholders as of the Effective Date. American is not required to distribute additional shares above the limits contemplated by the Plan.

Several parties have filed appeals seeking reconsideration of the Confirmation Order. See Note 12 for more information.

The reconciliation process with respect to the remaining claims is expected to take considerable time. American's estimate of the amounts of disputed claims that will ultimately become allowed Single-Dip Unsecured Claims are included in bankruptcy settlement obligations on American's condensed consolidated balance sheet as of June 30, 2015. As these claims are resolved, or where better information becomes available and is evaluated, American will make adjustments to the liabilities recorded on its condensed consolidated financial statements as appropriate. Any such adjustments could be material to American's financial position or results of operations in any given period.

Availability and Utilization of Net Operating Losses

Upon emergence from bankruptcy, American experienced an "ownership change" as defined in Section 382 of the Internal Revenue Code of 1986, as amended (Section 382), which could potentially limit the ability to utilize certain tax attributes including American's substantial net operating losses (NOLs). The general limitation rules for a debtor in a bankruptcy case are liberalized where the ownership change occurs upon emergence from bankruptcy. American elected to be covered by certain special rules for federal income tax purposes that permit approximately \$9.5 billion of the federal NOL Carryforwards to be utilized without regard to the annual limitation generally imposed by Section 382.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS OF AMERICAN AIRLINES, INC.
(Unaudited)

Moreover, an ownership change subsequent to American's emergence from bankruptcy may further limit or effectively eliminate the ability to utilize American's NOL Carryforwards and other tax attributes. To reduce the risk of a potential adverse effect on American's ability to utilize the NOL Carryforwards, AAG's Certificate of Incorporation contains transfer restrictions applicable to certain substantial shareholders. Although the purpose of these transfer restrictions is to prevent an ownership change from occurring, there can be no assurance that an ownership change will not occur even with these transfer restrictions. A copy of AAG's Certificate of Incorporation was attached as Exhibit 3.1 to a Current Report on Form 8-K filed by AAG with the SEC on December 9, 2013.

3. Bankruptcy Settlement Obligations

The components of bankruptcy settlement obligations on the condensed consolidated balance sheets are as follows (in millions):

	June 30, 2015	December 31, 2014
Single-Dip and Double-Dip Equity Obligations	\$ 159	\$ 248
Labor-related deemed claim	49	77
Total	\$ 208	\$ 325

The amount of the remaining Single-Dip Equity Obligations at June 30, 2015 is American's estimate of its obligation for disputed claims of \$159 million and is calculated based on the fair value of the shares expected to be issued, measured as if the obligations were settled using the closing price of AAG Common Stock at June 30, 2015. Additional allowed claims will receive 30.7553 shares, subject to reduction for expenses of the Disputed Claims Reserve, including tax liabilities, for each \$1,000 of allowed claims. For accounting purposes, the value of the shares expected to be issued is marked-to-market each period until issued. Accordingly, changes in the value of AAG Common Stock could result in future increases and decreases in this obligation.

In exchange for employees' contributions to the successful reorganization of AAG, including agreeing to reductions in pay and benefits, AAG and American agreed in the Plan to provide each employee group a deemed claim which was used to provide a distribution of a portion of the equity of the reorganized entity to those employees. Each employee group received a deemed claim amount based upon a fixed percentage of the distributions to be made to general unsecured claimholders. The fair value based on the expected number of shares to be distributed to satisfy this deemed claim, as adjusted, was approximately \$1.5 billion. As of June 30, 2015, the remaining liability to certain AMR labor groups and employees of \$49 million represents the estimated fair value of the remaining shares expected to be issued in satisfaction of such obligation, measured as if the obligation was settled using the closing price of AAG Common Stock at June 30, 2015. For accounting purposes, the value of the remaining shares expected to be issued to satisfy the labor claim is marked-to-market each period until issued. Accordingly, changes in the value of AAG Common Stock could result in future increases and decreases in this obligation.

On February 10, 2015 and July 14, 2015, approximately 0.8 million and 0.6 million shares, respectively, of AAG Common Stock held in the Disputed Claims Reserve were distributed to holders of allowed Single-Dip Unsecured Claims, to holders of certain labor-related deemed claims and to holders of certain non-management, non-union employee deemed claims as specified in the Plan, and 0.1 million shares were withheld or sold on account of related tax obligations.

4. Special Items

Special items, net on the condensed consolidated statements of operations are as follows (in millions):

	2015	2014	2015	2014
Mainline operating special items, net (a)	\$ 74	\$ 179	\$ 272	\$ (37)

(a) The 2015 second quarter mainline operating special items totaled a net charge of \$74 million, which principally included \$137 million of merger integration expenses related to information technology, professional fees, severance, share-based compensation, fleet restructuring, re-branding of aircraft and airport facilities, relocation and training. These charges were offset in part by a net \$68 million credit for bankruptcy related items primarily consisting of fair value adjustments for bankruptcy settlement obligations. The 2015 six month period mainline operating special items totaled a net charge of \$272 million, which principally included \$285 million of merger integration expenses as described above and a net \$64 million charge related to American's new pilot joint collective bargaining agreement. These charges were offset in part by a net \$73 million credit for bankruptcy related items primarily consisting of fair value adjustments for bankruptcy settlement obligations.

The 2014 second quarter mainline operating special items totaled a net charge of \$179 million, which principally included \$99 million of merger integration expenses related to information technology, professional fees, severance, share-based compensation,

re-branding of aircraft and airport facilities, relocation and training as well as a net \$40 million charge for bankruptcy related items primarily consisting of fair value adjustments for bankruptcy settlement obligations and \$26 million in charges related to the buyout of leases associated with certain aircraft. The 2014 six month period mainline operating special items totaled a net credit of \$37 million, which principally included a \$305 million gain on the sale of Slots at Ronald Reagan Washington National Airport and a net \$16 million credit for bankruptcy related items as described above. These special credits were offset in part by \$234 million of merger integration expenses as described above as well as \$29 million in charges primarily related to the buyout of leases associated with certain aircraft.

The following additional amounts are also included in the condensed consolidated statements of operations as follows (in millions):

	<u>Three Months Ended June 30,</u>		<u>Six Months Ended June 30,</u>	
	<u>2015</u>	<u>2014</u>	<u>2015</u>	<u>2014</u>

Nonoperating special items, net (b)	11	(4)	3	40
Income tax special items, net (c)	7	335	15	342

(a) The 2015 and 2014 second quarter and six month period regional operating special items principally related to merger integration expenses.

(b) The 2015 second quarter nonoperating special items totaled a net charge of \$11 million and primarily included non-cash write offs of unamortized debt discount and debt issuance costs associated with refinancing American's secured term loan facilities. The 2015 six month period nonoperating special items totaled a net charge of \$3 million and principally included \$20 million in charges primarily related to non-cash write offs of unamortized debt discount and debt issuance costs associated with the debt refinancing as described above and the prepayment of certain aircraft financings, offset in part by a \$17 million early debt extinguishment gain associated with the repayment of American's AAdvantage loan with Citibank.

The 2014 six month period nonoperating special charges of \$40 million were primarily due to non-cash interest accretion on bankruptcy settlement obligations.

(c) The 2015 second quarter and six month period tax special items were the result of a non-cash deferred income tax provision related to certain indefinite-lived intangible assets.

During the 2014 second quarter, American sold its portfolio of fuel hedging contracts that were scheduled to settle on or after June 30, 2014. In connection with this sale, American recorded a special non-cash tax provision of \$328 million in the second quarter of 2014 that reversed the non-cash tax provision which was recorded in other comprehensive income (OCI), a subset of stockholder's equity, principally in 2009. This provision represents the tax effect associated with gains recorded in OCI principally in 2009 due to a net increase in the fair value of American's fuel hedging contracts. In accordance with GAAP, American retained the \$328 million tax provision in OCI until the last contract was settled or terminated. In addition, American recorded a special \$7 million non-cash deferred income tax provision related to certain indefinite-lived intangible assets in the 2014 second quarter. The 2014 six month period included the \$328 million non-cash tax provision related to the settlement of fuel hedges discussed above as well as a special \$14 million non-cash deferred income tax provision related to certain indefinite-lived intangible assets.

2013 Credit Facilities

On May 21, 2015, American refinanced its \$1.9 billion term loan facility (the \$1.9 billion 2015 Term Loan Facility and, together with a \$1.4 billion revolving credit facility, the 2013 Credit Facilities) to extend the maturity date to June 29, 2020 and reduce the LIBOR margin from 3.00% to 2.75%. In addition, American entered into certain amendments to reflect the ability for American to make future modifications to the collateral pledged, subject to certain restrictions. The LIBOR margin under the \$1.9 billion 2015 Term Loan Facility may vary based on American's credit ratings, and on June 30, 2015 the LIBOR margin was further reduced to 2.50% due to an improvement in American's credit ratings.

2014 Credit Facilities

On April 20, 2015, American refinanced its \$750 million term loan facility (the \$750 million 2015 Term Loan Facility and, together with a \$400 million revolving credit facility, the 2014 Credit Facilities) to reduce the LIBOR margin from 3.50% to 3.00% and entered into certain amendments to reflect the release of certain existing collateral and the addition of certain new collateral, as well as the ability for American to make future modifications to the collateral pledged, subject to certain restrictions. The LIBOR margin under the \$750 million 2015 Term Loan Facility may vary based on American's credit ratings, and on June 30, 2015 the LIBOR margin was further reduced to 2.75% due to an improvement in American's credit ratings.

2015-1 EETCs

In March 2015, American created two pass-through trusts which issued approximately \$1.2 billion aggregate face amount of Series 2015-1 Class A and Class B EETCs in connection with the financing of 28 aircraft currently owned or scheduled to be delivered from July 2015 to September 2015 (the 2015 EETC Aircraft). The 2015-1 EETCs represent fractional undivided interests in the respective pass-through trusts and are not obligations of American. Proceeds received from the sale of EETCs are initially held by a depository in escrow for the benefit of the certificate holders until American issues equipment notes to the pass-through trusts, which purchase the notes with a portion of the escrowed funds. These escrowed funds are not guaranteed by American and are not reported as debt on American's condensed consolidated balance sheet because the proceeds held by the depository are not American's assets.

As of June 30, 2015, \$1.0 billion of the escrowed proceeds from the 2015-1 EETCs have been used to purchase equipment notes issued by American in two series: Series A equipment notes in the amount of \$796 million bearing interest at 3.375% per annum and Series B equipment notes in the amount of \$223 million bearing interest at 3.70% per annum. Interest and principal payments on the equipment notes are payable semi-annually in May and November of each year, beginning in November 2015. The final payments on the Series A and Series B equipment notes will be due in May 2027 and May 2023, respectively. These equipment notes are secured by liens on 19 of the 2015 EETC Aircraft. The remaining \$195 million of escrowed proceeds will be used to purchase equipment notes as the remaining nine new aircraft are delivered.

AAdvantage Loan

Effective January 2, 2015, American exercised its loan repayment right with respect to the full value of the outstanding balance of the AAdvantage Loan with Citibank for \$400 million. In connection with the repayment, in the first quarter of 2015, American recognized an early debt extinguishment gain of approximately \$17 million.

Obligations Associated with Special Facility Revenue Bonds

In December 2014, American acquired approximately \$112 million aggregate principal amount of special facility revenue bonds related to the Tulsa International Airport, when such bonds were mandatorily tendered to American. The acquisition of these bonds resulted in an \$11 million reduction of debt on American's consolidated balance sheet and a \$50 million reduction of a long-term operating lease obligation included in other long-term liabilities on American's consolidated balance sheet as of December 31, 2014. American exercised its option to remarket approximately \$104 million of these bonds in May 2015. The remarketed bonds will initially bear a coupon interest rate of 5% from the date of initial issuance and delivery of the bonds on May 27, 2015, until the day preceding June 1, 2025, on which date the bonds will be subject to mandatory tender. In connection with the remarketing of these special facility revenue bonds, American received cash proceeds of \$112 million and recognized a total obligation of \$62 million. Of that total obligation, \$11 million is reflected as a capital lease and \$51 million is reflected in other long-term liabilities on American's condensed consolidated balance sheet as of June 30, 2015.

In June 2015, American exercised its right to adjust the interest rate on approximately \$365 million aggregate principal amount of special facility revenue bonds, reflected as debt on its condensed consolidated balance sheet related to the John F. Kennedy International Airport. In connection with the adjustment to a new interest rate, the bonds are required to be purchased by American on August 3, 2015. American is in the process of remarketing the bonds at the new interest rate. The remarketed bonds are expected to be subject to mandatory tender for purchase by American on August 1, 2016. As a result, American reclassified \$365 million to current maturities of long-term debt on its condensed consolidated balance sheet as of June 30, 2015.

Other Aircraft Financing Transactions

In the first six months of 2015, American prepaid \$72 million principal amount of outstanding debt secured by certain aircraft.

In the first six months of 2015, American entered into loan agreements to borrow \$389 million in connection with the financing of certain aircraft deliveries. The notes mature in 2025 through 2027 and bear interest at a rate of LIBOR plus an applicable margin.

6. Income Taxes

At December 31, 2014, American had approximately \$10.3 billion of gross NOL Carryforwards to reduce future federal taxable income, substantially all of which are expected to be available for use in 2015. American is a member of AAG's consolidated federal and certain state income tax returns. The amount of federal and state NOL Carryforwards available in those returns is \$10.1 billion and \$4.6 billion, respectively, substantially all of which is expected to be available for use in 2015. The federal NOL Carryforwards will expire beginning in 2022 if unused. These NOL Carryforwards include an unrealized tax benefit of \$712 million related to the implementation of share-based compensation accounting guidance that will be recorded in equity when realized. American also had approximately \$3.9 billion of NOL Carryforwards to reduce future state taxable income at December 31, 2014, which will expire in years 2015 through 2034 if unused. American's ability to deduct its NOL Carryforwards and to utilize certain other available tax attributes can be substantially constrained under the general annual limitation rules of Section 382 where an "ownership change" has occurred. American experienced an ownership change in connection with its emergence from the Chapter 11 Cases. The general limitation rules of Section 382 for a debtor in a bankruptcy case are liberalized where the ownership change occurs upon emergence from bankruptcy. American elected to be covered by certain special rules for federal income tax purposes that permit approximately \$9.5 billion of its federal NOL Carryforwards to be utilized without regard to the Section 382 annual limitation rules. Similar limitations may apply for state income tax purposes. American's ability to utilize any new NOL Carryforwards arising after the ownership change is not affected by the annual limitation rules imposed by Section 382 unless another ownership change occurs.

At December 31, 2014, American had an Alternative Minimum Tax (AMT) credit carryforward of approximately \$435 million available for federal income tax purposes, which is available for an indefinite period. American's net deferred tax assets, which include the NOL Carryforwards, are subject to a full valuation allowance. At December 31, 2014, the federal and state valuation allowances were \$5.1 billion and \$208 million, respectively. In accordance with GAAP, utilization of the NOL Carryforwards after December 9, 2013 will result in a corresponding decrease in the valuation allowance and offset American's tax provision dollar for dollar.

American provides a valuation allowance for deferred tax assets when it is more likely than not that some portion, or all of its deferred tax assets, will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income. American considers all available positive and negative evidence and makes certain assumptions. American considers

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS OF AMERICAN AIRLINES, INC.
(Unaudited)

many factors in evaluating the realizability of its deferred tax assets including risks associated with merger integration as well as other factors, which continue to be affected by conditions beyond American's control, such as the condition of the economy, the level and volatility of fuel prices and travel demand. American has concluded as of June 30, 2015 that the valuation allowance was still needed on its deferred tax asset based on the weight of the factors described above.

For the three and six months ended June 30, 2015, American recorded a special \$7 million and \$15 million, respectively, non-cash deferred income tax provision related to certain indefinite-lived intangible assets. In addition, for the three and six months ended June 30, 2015, American recorded \$4 million and \$4 million, respectively, of state and international income tax expense related to certain states and other jurisdictions where NOLs were limited or unavailable to be used.

During the second quarter of 2014, American sold its portfolio of fuel hedging contracts that were scheduled to settle on or after June 30, 2014. In connection with this sale, American recorded a special non-cash tax provision of \$328 million in the statement of operations for the second quarter of 2014 that reversed the non-cash tax provision which was recorded in OCI, a subset of stockholder's equity, principally in 2009. This provision represents the tax effect associated with gains recorded in OCI principally in 2009 due to a net increase in the fair value of American's fuel hedging contracts. In accordance with GAAP, American retained the \$328 million tax provision in OCI until the last contract was settled or terminated. In addition, American recorded a special \$7 million non-cash deferred income tax provision related to certain indefinite-lived intangible assets in the 2014 second quarter. The 2014 six month period included the \$328 million non-cash tax provision related to the settlement of fuel hedges discussed above as well as a special \$14 million non-cash deferred income tax provision related to certain indefinite-lived intangible assets.

For the three and six months ended June 30, 2014, American recorded \$1 million and \$5 million, respectively, of state and international income tax expense related to certain states and other jurisdictions where NOLs were limited or unavailable to be used.

7. Fair Value Measurements

Assets and Liabilities Measured at Fair Value on a Recurring Basis

American utilizes the market approach to measure fair value for its financial assets and liabilities. The market approach uses prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities. American's short-term investments classified as Level 2 primarily utilize broker quotes in a non-active market for valuation of these securities. No changes in valuation techniques or inputs occurred during the six months ended June 30, 2015.

Assets and liabilities measured at fair value on a recurring basis are summarized below (in millions):

	Fair Value Measurements as of June 30, 2015			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Short-term investments (1), (2):				
Money market funds	\$ 207	\$ 207	\$ —	\$ —
Repurchase agreements	43	—	43	—
Corporate obligations	2,778	—	2,778	—
Bank notes / certificates of deposit / time deposits	2,164	—	2,164	—
	<u>5,192</u>	<u>207</u>	<u>4,985</u>	<u>—</u>
Restricted cash and short-term investments (1)	641	641	—	—
Total	<u>\$ 5,833</u>	<u>\$ 848</u>	<u>\$ 4,985</u>	<u>\$ —</u>

(1) Unrealized gains or losses on short-term investments and restricted cash and short-term investments are recorded in accumulated other comprehensive loss at each measurement date.

(2) All short-term investments are classified as available-for-sale and stated at fair value. In addition, all short-term investments mature in one year or less except for \$424 million of corporate obligations and \$1.3 billion of bank notes/certificates of deposit/time deposits.

There were no Level 1 to Level 2 transfers during the six months ended June 30, 2015.

Venezuela Cash and Short-term Investments

As of June 30, 2015, American had approximately \$629 million of unrestricted cash and short-term investments held in Venezuelan bolivars. This balance includes approximately \$621 million valued at 6.3 bolivars to the U.S. dollar and approximately \$8 million valued at 12.8 bolivars to the U.S. dollar, with the rate depending on the date American submitted its repatriation request to the Venezuelan government. These rates are materially more favorable than the exchange rates currently prevailing for other transactions conducted outside of the Venezuelan government's currency exchange system.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS OF AMERICAN AIRLINES, INC.
(Unaudited)

During 2014, American significantly reduced capacity in the Venezuelan market and is no longer accepting bolivars as payment for airline tickets. American is monitoring this situation closely and continues to evaluate its holdings of Venezuelan bolivars for additional foreign currency losses or other accounting adjustments, which could be material, particularly in light of the additional uncertainty posed by the recent changes to the foreign exchange regulations and the continued deterioration of economic conditions in Venezuela. More generally, fluctuations in foreign currencies, including devaluations, cannot be predicted by American and can significantly affect the value of American's assets located outside the United States. These conditions, as well as any further delays, devaluations or imposition of more stringent repatriation restrictions, may materially adversely affect American's business, results of operations and financial condition. See Part II, Item 1A. Risk Factors – "We operate a global business with international operations that are subject to economic and political instability and have been, and in the future may continue to be, adversely affected by numerous events, circumstances or government actions beyond our control" for additional discussion of this and other currency risks.

Fair Value of Debt

The fair value of American's long-term debt was estimated using quoted market prices or discounted cash flow analyses, based on American's current estimated incremental borrowing rates for similar types of borrowing arrangements. If American's long-term debt was measured at fair value, it would have been classified as Level 2 in the fair value hierarchy.

The carrying value and estimated fair value of American's long-term debt, including current maturities, were as follows (in millions):

	June 30, 2015		December 31, 2014	
	Carrying Value	Fair Value	Carrying Value	Fair Value
Long-term debt, including current maturities	\$11,767	\$12,050	\$11,234	\$11,618

(1) The 2015 six month period prior service cost does not include amortization of \$1 million related to other post-employment benefits.

Effective November 1, 2012, American's defined benefit pension plans were frozen.

American is required to make minimum contributions to its defined benefit pension plans under the minimum funding requirements of the Employee Retirement Income Security Act of 1974 (ERISA), the Pension Funding Equity Act of 2004, the Pension Protection Act of 2006, the Pension Relief Act of 2010 and the Moving Ahead for Progress in the 21st Century Act of 2012. Based on current funding assumptions, American has no minimum required contributions until 2019. Currently, American's minimum funding obligation for its pension plans is subject to temporary favorable rules that are scheduled to expire at the end of 2017. Upon expiration of these rules, American's funding obligations are likely to increase materially. The amount of these obligations will depend on the performance of American's investments held in trust by the pension plans, interest rates for determining liabilities and American's actuarial experience.

Frequent Flyer Program

In the first quarter of 2015, the US Airways Dividend Miles frequent flyer program was merged into American's AAdvantage program. Accordingly, as of March 31, 2015, the related frequent flyer deferred revenue and incremental cost liability for the Dividend Miles program has been transferred to American with a corresponding intercompany receivable from US Airways recorded by American. No gain or loss was incurred from the transaction as the liabilities were transferred at their respective net book values. American's intercompany receivable associated with the transfer of this obligation will be settled by US Airways through future redemptions by AAdvantage members on US Airways operated flights. For each of the three and six months ended June 30, 2015, \$222 million of total operating revenues was allocated from American to US Airways in connection with redemptions by AAdvantage members on US Airways operated flights as well as certain marketing services.

Allocated Expenses

Until American and US Airways are merged into one legal entity, revenue and expenses will continue to be recorded by each entity based on either specific identification of the related transaction where applicable or appropriate allocations based on metrics that are systematic and rational. The operating expenses of American reflect allocated expenses for certain services shared with US Airways. These allocated expenses include certain selling expenses, certain airport operating expenses at co-located airports, information technology expenses and corporate management and support functions. Shared selling expenses have been allocated primarily based on the passenger revenue of each respective carrier. Shared airport operating expenses have been allocated based on American's and US Airways' respective departures at those airports. Shared other expenses have been allocated primarily based on American's and US Airways' respective available seat miles (ASMs). For the three and six months ended June 30, 2015, \$247 million and \$419 million of total net operating expenses, respectively, was allocated from American to US Airways. There were no material allocations recorded during the three and six months ended June 30, 2014.

12. Legal Proceedings

Chapter 11 Cases. As previously disclosed, on the Petition Date, November 29, 2011, the Debtors filed the Chapter 11 Cases. On October 21, 2013, the Bankruptcy Court entered the Confirmation Order confirming the Plan. On the Effective Date, December 9, 2013, the Debtors consummated their reorganization pursuant to the Plan, principally through the transactions contemplated by the Merger Agreement pursuant to which Merger Sub merged with and into US Airways Group, with US Airways Group surviving as a wholly-owned subsidiary of AAG. From the Petition Date through the Effective Date, pursuant to automatic stay provisions under the Bankruptcy Code and orders granted by the Bankruptcy Court, actions to enforce or otherwise effect repayment of liabilities preceding the Petition Date as well as all pending litigation against the Debtors generally were stayed. Following the Effective Date, actions to enforce or otherwise effect repayment of liabilities preceding the Petition Date, generally have been permanently enjoined. Any unresolved claims will continue to be subject to the claims reconciliation process under the supervision of the Bankruptcy Court. However, certain pending litigation related to pre-petition liabilities may proceed in courts other than the Bankruptcy Court to determine the amount, if any, of such litigation claims for purposes of treatment under the Plan.

Pursuant to rulings of the Bankruptcy Court, the Plan established the Disputed Claims Reserve to hold shares of AAG Common Stock reserved for issuance to disputed claimholders at the Effective Date that ultimately become holders of allowed Single-Dip Unsecured Claims. The shares provided for under the Plan were determined based upon a Disputed Claims Reserve amount of claims of approximately \$755 million, representing the maximum amount of additional distributions to subsequently allowed Single-Dip Unsecured Claims under the Plan. As of December 31, 2014, the Disputed Claims Reserve held 26.8 million shares of AAG Common Stock pending distribution of those shares in accordance with the Plan. On February 10, 2015, approximately 0.8 million shares of AAG Common Stock held in the Disputed Claims Reserve were distributed to holders of allowed Single-Dip Unsecured Claims, to holders of certain labor-related deemed claims, and to holders of certain non-management, non-union employee deemed claims as specified in the Plan, and American repurchased less than 0.1 million shares of AAG Common Stock for an aggregate of \$4 million from the Disputed Claims Reserve at the then-prevailing market price in order to fund cash tax obligations resulting from this distribution. As of June 30, 2015, there were approximately 26.0 million shares of AAG Common Stock remaining in the Disputed Claims Reserve. On July 14, 2015, approximately 0.6 million shares of AAG Common Stock held in the Disputed Claims Reserve were distributed to holders of allowed Single-Dip Unsecured Claims, to holders of certain labor-related deemed claims, and to holders of certain non-management, non-union employee deemed claims as specified in the Plan, and American repurchased less than 0.1 million shares of AAG Common Stock for an aggregate of \$2 million from the Disputed Claims Reserve at the then-prevailing market price in order to fund cash tax obligations resulting from this distribution. As disputed claims are resolved, the claimants will receive distributions of shares from the Disputed Claims Reserve on the same basis as if such distributions had been made on or about the Effective Date. However, American is not required to distribute additional shares above the limits contemplated by the Plan, even if the shares remaining for distribution are not sufficient to fully pay any additional allowed unsecured claims. To the extent that any of the reserved shares remain undistributed upon resolution of all remaining disputed claims, such shares will not be returned to AAG but rather will be distributed to former AMR shareholders as of the Effective Date. However, resolution of disputed claims could have a

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS OF AMERICAN AIRLINES, INC.
(Unaudited)

material effect on recoveries by holders of additional allowed Single-Dip Unsecured Claims under the Plan and the amount of additional share distributions, if any, that are made to former AMR shareholders as the total number of shares of AAG Common Stock that remain available for distribution upon resolution of disputed claims is limited pursuant to the Plan.

There is also pending in the Bankruptcy Court an adversary proceeding relating to an action brought by American to seek a determination that certain non-pension, post-employee benefits (OPEB) are not vested benefits and thus may be modified or terminated without liability to American. On April 18, 2014, the Bankruptcy Court granted American's motion for summary judgment with respect to certain non-union employees, concluding that their benefits were not vested and could be terminated. The summary judgment motion was denied with respect to all other retirees. The Bankruptcy Court has not yet scheduled a trial on the merits concerning whether those retirees' benefits are vested, and American cannot predict whether it will receive relief from obligations to provide benefits to any of those retirees. American's financial statements presently reflect these retirement programs without giving effect to any modification or termination of benefits that may ultimately be implemented based upon the outcome of this proceeding. Separately, both the Association of Professional Flight Attendants and Transport Workers Union have filed grievances asserting that American was "successful" in its Chapter 11 with respect to matters related to OPEB and, accordingly, by operation of the underlying collective bargaining agreements, American's prior contributions to certain OPEB prefunding trusts attributable to active employees should be returned to those active employees. These amounts aggregate approximately \$212 million. American has denied both grievances and intends to defend these matters vigorously.

DOJ Civil Investigative Demand. In June 2015, American received a Civil Investigative Demand (CID) from the United States Department of Justice (DOJ) as part of an investigation into whether there have been illegal agreements or coordination of air passenger capacity. The CID seeks documents and other information from American, and other airlines have announced that they have received similar requests. American intends to cooperate fully with the DOJ investigation. In addition, subsequent to announcement of the delivery of CIDs by the DOJ, American, along with Delta Air Lines, Inc., Southwest Airlines Co., United Airlines, Inc. and, in the case of litigation filed in Canada, Air Canada, have been named as defendants in a number of putative class action lawsuits alleging unlawful agreements with respect to air passenger capacity. The U.S. lawsuits are the subject of multiple motions to consolidate them in a single forum. Both the DOJ process and these lawsuits are in their very early stages and American intends to defend the lawsuits vigorously.

Private Party Antitrust Action. On July 2, 2013, a lawsuit captioned Carolyn Fjord, et al., v. US Airways Group, Inc., et al., was filed in the United States District Court for the Northern District of California. The complaint named as defendants US Airways Group and US Airways, and alleged that the effect of the Merger may be to substantially lessen competition or tend to create a monopoly in violation of Section 7 of the Clayton Antitrust Act. The relief sought in the complaint included an injunction against the Merger, or divestiture. On August 6, 2013, the plaintiffs re-filed their complaint in the Bankruptcy Court, adding AMR and American as defendants, and on October 2, 2013, dismissed the initial California action. The Bankruptcy Court denied plaintiffs' motion to preliminarily enjoin the Merger. On January 10, 2014, the plaintiffs moved to amend their complaint to add additional factual allegations, a claim for money damages and a request for preliminary injunctive relief requiring the carriers to hold separate their assets. On March 14, 2014, the Court allowed plaintiffs to add certain allegations but denied plaintiffs' requests to add a damages claim or seek preliminary injunctive relief requiring the carriers to hold separate their assets. On June 2, 2014, plaintiffs filed an amended motion for leave to file a second amended and supplemental complaint. On March 31, 2015, the Court denied plaintiffs' motion. There is currently no trial date set. American believes this lawsuit is without merit and intends to vigorously defend against the allegations.

General. American is also engaged in other legal proceedings from time to time. Legal proceedings can be complex and take many months, or even years, to reach resolution, with the final outcome depending on a number of variables, some of which are not within the control of American. Therefore, although American will vigorously defend itself in each of the actions described above and such other legal proceedings, their ultimate resolution and potential financial and other impacts on American are uncertain.

13. Subsequent Events

Distribution of AAG Common Stock

On July 14, 2015, approximately 0.6 million shares of AAG Common Stock held in the Disputed Claims Reserve were distributed to holders of allowed Single-Dip Unsecured Claims, to holders of certain labor-related deemed claims and to holders of certain non-management, non-union employee deemed claims as specified in the Plan, and 0.1 million shares were withheld or sold on account of related tax obligations.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Part I, Item 2 of this report should be read in conjunction with Part II, Item 7 of AAG's and American's Annual Report on Form 10-K for the year ended December 31, 2014 (the 2014 Form 10-K). The information contained herein is not a comprehensive discussion and analysis of the financial condition and results of operations of the Company, but rather updates disclosures made in the 2014 Form 10-K.

American Airlines Group**Background**

We continue to move toward operating under the single brand name of "American Airlines" through our mainline operating subsidiaries, American and US Airways. Together with our wholly-owned regional airline subsidiaries and third-party regional carriers operating as American Eagle and US Airways Express, our airlines operate an average of nearly 6,700 flights per day to nearly 350 destinations in more than 50 countries from our hubs in Charlotte, Chicago, Dallas/Fort Worth, Los Angeles, Miami, New York, Philadelphia, Phoenix and Washington, D.C. In the second quarter of 2015, approximately 52 million passengers boarded our mainline and regional flights. As of June 30, 2015, we operated 963 mainline aircraft and were supported by our regional airline subsidiaries and third-party regional carriers, which operated 578 regional aircraft.

Since American and US Airways merged in December 2013, the airline has been making steady integration progress. In the second quarter of 2015, we received a single operating certificate from the Federal Aviation Administration (FAA) for American and US Airways, marking a major milestone in the integration of the two airlines. In July 2015, we set in motion the events that will allow us to merge our reservations systems in October 2015. The integration of our reservations systems is our final major customer milestone and will allow us to create a seamless travel experience for our customers.

The U.S. Airline Industry

During the second quarter of 2015, U.S. airline industry revenues declined as compared to the second quarter of 2014, while capacity as measured by available seat miles increased and certain foreign currencies experienced devaluation. In its most recent data available, Airlines for America, the trade association for U.S. airlines, reported the following changes in U.S. industry passenger revenues and yields:

	<u>April</u>	<u>May</u>	<u>June</u>
<u>2015 vs. 2014</u>			
Passenger Revenues	(0.3)%	(2.1)%	(3.3)%
Yields	(2.7)%	(4.9)%	(6.6)%
	<u>April</u>	<u>May</u>	<u>June</u>
<u>2014 vs. 2013</u>			
Passenger Revenues	7.8%	7.6%	6.6%
Yields	3.6%	4.6%	4.8%

Jet fuel prices closely follow the price of Brent crude oil. On average, Brent crude oil per barrel was approximately 43% lower in the second quarter of 2015 as compared to the second quarter of 2014. The average daily spot price for Brent crude oil during the second quarter of 2015 was \$62 per barrel as compared to an average daily spot price of \$109 per barrel during the second quarter of 2014. On a daily basis, Brent crude oil prices fluctuated during the quarter between a high of \$66 per barrel to a low of \$56 per barrel, and closed the quarter on June 30, 2015 at \$60 per barrel.

While jet fuel prices have declined year-over-year as described above, uncertainty exists regarding the economic conditions driving these factors. See Part II, Item 1A. Risk Factors – "Downturns in economic conditions adversely affect our business" and "Our business is dependent on the price and availability of aircraft fuel. Continued periods of high volatility in fuel costs, increased fuel prices and significant disruptions in the supply of aircraft fuel could have a significant negative impact on our operating results and liquidity."

Second Quarter 2015 Results

Driven by substantially lower fuel costs, we realized operating income of \$1.9 billion and net income of \$1.7 billion in the second quarter of 2015. This compares to operating income of \$1.4 billion and net income of \$864 million in the second quarter of 2014.

Excluding the effects of net special charges, we recognized operating income of \$2.1 billion and net income of \$1.9 billion in the second quarter of 2015 as compared to operating income of \$1.7 billion and net income of \$1.5 billion in the second quarter of 2014. This represents improvements of 26% and 27%, respectively, in operating income and net income during the second quarter of 2015.

(1) AAG's second quarter 2015 results were impacted by net special charges of \$150 million, consisting principally of \$231 million of mainline and regional merger integration expenses, offset in part by a \$68 million net special credit for bankruptcy related items. The second quarter of 2014 net special charges of \$592 million consisted principally of \$165 million of mainline and regional merger integration expenses and a \$330 million non-cash tax provision related to the sale of our portfolio of fuel hedging contracts. See Part I, Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations – "AAG's Results of Operations" of this report for more information on net special items.

Revenue

In the second quarter of 2015, we reported operating revenues of \$10.8 billion. Mainline and regional passenger revenues were \$9.4 billion, a decrease of \$506 million, or 5.1%, as compared to the second quarter of 2014. The decline in revenues was driven by a 6.1% decrease in passenger yield due to competitive growth, as well as weaker international yields due to foreign currency devaluation. Our mainline and regional passenger revenue per available seat mile (PRASM) was 13.57 cents in the second quarter of 2015, a 6.9% decrease as compared to 14.57 cents in the second quarter of 2014.

Fuel

Mainline and regional fuel expense totaled \$2.1 billion in the second quarter of 2015, which was \$1.2 billion, or 36.9%, lower as compared to the second quarter of 2014. This decrease was driven by a 37.3% decrease in the average price per gallon to \$1.90 in the second quarter of 2015 from \$3.03 in the 2014 period.

During the second quarter of 2014, we sold our portfolio of fuel hedging contracts that were scheduled to settle on or after June 30, 2014. We have not entered into any transactions to hedge our fuel consumption since December 9, 2013 and, accordingly, as of June 30, 2015, we did not have any fuel hedging contracts outstanding to hedge our fuel consumption. As such, and assuming we do not enter into any future transactions to hedge our fuel consumption, we will continue to be fully exposed to fluctuations in fuel prices. Our current policy is not to enter into transactions to hedge our fuel consumption, although we review that policy from time to time based on market conditions and other factors.

Cost Control

We remain committed to maintaining a low cost structure, which we believe is necessary in an industry whose economic prospects are heavily dependent upon two variables we cannot control: the health of the economy and the price of fuel. Our 2015 second quarter mainline cost per available seat mile (CASM) excluding special items and fuel was 8.77 cents, an increase of 2.5% as compared to the second quarter of 2014. The increase was primarily due to higher salaries, wages and benefits driven by new merger-related labor contracts.

The following table details our mainline CASM for the three months ended June 30, 2015 and 2014:

	Three Months Ended June 30,		Percent Increase (Decrease)
	2015	2014	
(In cents, except percentage changes)			
Mainline CASM excluding special items and aircraft fuel and related taxes:			
Total mainline CASM	11.87	13.61	(12.8)
Special items, net	(0.23)	(0.41)	(43.3)
Aircraft fuel and related taxes	(2.86)	(4.64)	(38.2)
Mainline operating expenses per ASM, excluding special items and aircraft fuel and related taxes (1)	8.77	8.55	2.5

(1) We believe that the presentation of mainline CASM excluding fuel is useful to investors because both the cost and availability of fuel are subject to many economic and political factors beyond our control, and the exclusion of special items provides investors the ability to measure financial performance in a way that is more indicative of our ongoing performance and that is more comparable to measures reported by other major airlines. Management uses mainline CASM excluding special items and fuel to evaluate our operating performance. Amounts may not recalculate due to rounding.

Customer Service

We are committed to consistently delivering safe, reliable and convenient service to our customers in every aspect of our operation. Our second quarter 2015 operating performance was impacted by severe weather conditions, particularly at our Dallas/Fort Worth hub.

We reported the following combined operating statistics to the U.S. Department of Transportation (DOT) for mainline operations for the second quarter of 2015 and 2014:

	2015			2014			Better (Worse)		
	April	May	June(e)	April	May	June	April	May	June

(d) Rate of customer complaints filed with the DOT per 100,000 enplanements.

Liquidity Position

As of June 30, 2015, our total cash, short-term investments and restricted cash was \$9.7 billion, of which \$747 million was restricted. We also had available \$1.8 billion under undrawn revolving line of credit facilities.

In the first six months of 2015, we utilized cash generated from operations to invest in our airline through our fleet renewal program and to return value to our shareholders through stock repurchases and payment of dividends. During this period we repurchased 21.1 million shares of AAG Common Stock for \$943 million. Additionally, we paid \$140 million in connection with quarterly cash dividends of \$0.10 per share declared in January and April 2015.

These cash outflows were offset in part by certain new debt issuances to further strengthen our liquidity position. In March 2015, we issued \$500 million aggregate principal amount of 4.625% senior notes due 2020. Also in March 2015, American issued \$1.0 billion in equipment notes related to the 2015-1 Enhanced Equipment Trust Certificates to finance certain unencumbered aircraft.

We have also completed transactions to pay down and refinance certain higher rate debt. In the first quarter of 2015, we repaid our \$400 million Citibank AAdvantage loan. In the second quarter of 2015, we refinanced and lowered the LIBOR margins on our \$1.9 billion and \$750 million term loan facilities.

The following table presents a summary of our cash and short-term investment balances:

	<u>June 30, 2015</u>	<u>December 31, 2014</u>
	(In millions)	
Cash and short-term investments (1)	\$ 8,919	\$ 7,303
Restricted cash and short-term investments (2)	747	774
Total cash and short-term investments	\$ 9,666	\$ 8,077

(1) As of June 30, 2015, we had approximately \$629 million of unrestricted cash and short-term investments held in Venezuelan bolivars. This balance includes approximately \$621 million valued at 6.3 bolivars to the U.S. dollar and approximately \$8 million valued at 12.8 bolivars to the U.S. dollar, with the rate depending on the date we submitted our repatriation request to the Venezuelan government. These rates are materially more favorable than the exchange rates currently prevailing for other transactions conducted outside of the Venezuelan government's currency exchange system.

During 2014, we significantly reduced capacity in the Venezuelan market and we are no longer accepting bolivars as payment for airline tickets. We are monitoring this situation closely and continue to evaluate our holdings of Venezuelan bolivars for additional foreign currency losses or other accounting adjustments, which could be material, particularly in light of the additional uncertainty posed by the recent changes to the foreign exchange regulations and the continued deterioration of economic conditions in Venezuela. More generally, fluctuations in foreign currencies, including devaluations, cannot be predicted by us and can significantly affect the value of our assets located outside the United States. These conditions, as well as any further delays, devaluations or imposition of more stringent repatriation restrictions, may materially adversely affect our business, results of operations and financial condition. See Part II, Item 1A. Risk Factors – “*We operate a global business with international operations that are subject to economic and political instability and have been, and in the future may continue to be, adversely affected by numerous events, circumstances or government actions beyond our control*” for additional discussion of this and other currency risks.

(2) Restricted cash and investments primarily include cash collateral to secure workers' compensation claims.

AAG's Results of Operations

In the second quarter of 2015, we realized operating income of \$1.9 billion and net income of \$1.7 billion. Our second quarter 2015 net income included net special operating charges of \$154 million and total net special charges of \$150 million. Excluding the effects of these special charges, we realized operating income of \$2.1 billion and net income of \$1.9 billion.

In the second quarter of 2014, we realized operating income of \$1.4 billion and net income of \$864 million. Our second quarter 2014 net income included net special operating charges of \$253 million and total net special charges of \$592 million. Excluding the effects of these special charges, we realized operating income of \$1.7 billion and net income of \$1.5 billion.

In the first six months of 2015, we realized operating income of \$3.1 billion and net income of \$2.6 billion. Our 2015 six month period net income included net special operating charges of \$465 million and total net special charges of \$462 million. Excluding the effects of these special charges, we realized operating income of \$3.6 billion and net income of \$3.1 billion.

[Table of Contents](#)

In the first six months of 2014, we realized operating income of \$2.1 billion and net income of \$1.3 billion. Our 2014 six month period net income included net special operating charges of \$120 million and total net special charges of \$515 million. Excluding the effects of these special charges, we realized operating income of \$2.2 billion and net income of \$1.9 billion.

The following table details our net income excluding special items (in millions):

Net income excluding special items	\$ 1,854	\$ 1,456	\$ 3,098	\$ 1,858

(1) The 2015 second quarter mainline operating special items totaled a net charge of \$144 million, which principally included \$221 million of merger integration expenses related to information technology, professional fees, severance, share-based compensation, fleet restructuring, re-branding of aircraft and airport facilities, relocation and training. These charges were offset in part by a net \$68 million credit for bankruptcy related items primarily consisting of fair value adjustments for bankruptcy settlement obligations. The 2015 six month period mainline operating special items totaled a net charge of \$447 million, which principally included \$437 million of merger integration expenses as described above and a net \$99 million charge related to our new pilot joint collective bargaining agreement. These charges were offset in part by a net \$73 million credit for bankruptcy related items primarily consisting of fair value adjustments for bankruptcy settlement obligations.

The 2014 second quarter mainline operating special items totaled a net charge of \$251 million, which principally included \$163 million of merger integration expenses related to information technology, professional fees, severance, share-based compensation, re-branding of aircraft and airport facilities, relocation and training as well as a net \$38 million charge for bankruptcy related items primarily consisting of fair value adjustments for bankruptcy settlement obligations and \$37 million in charges related to the buyout of leases associated with certain aircraft. The 2014 six month period mainline operating special items totaled a net charge of \$114 million, which principally included \$365 million of merger integration expenses, \$40 million in charges primarily related to the buyout of leases associated with certain aircraft and a net \$5 million charge for bankruptcy related items, all as described above. These charges were offset in part by a \$309 million gain on the sale of Slots at Ronald Reagan Washington National Airport (DCA).

(2) The 2015 and 2014 second quarter and six month period regional operating special items principally related to merger integration expenses.

(3) The 2015 second quarter nonoperating special items totaled a net credit of \$11 million and primarily included a \$22 million gain associated with the sale of an investment, offset in part by \$11 million in charges principally related to non-cash write offs of unamortized debt discount and debt issuance costs associated with refinancing our secured term loan facilities. The 2015 six month period nonoperating special items totaled a net credit of \$19 million and principally included the \$22 million gain associated with the sale of an investment as described above and a \$17 million early debt extinguishment gain associated with the repayment of American's AAdvantage loan with Citibank. These special credits were offset in part by \$20 million in charges principally related to non-cash write offs of unamortized debt discount and debt issuance costs associated with the debt refinancing as described above and the prepayment of certain aircraft financings.

The 2014 second quarter and six month period nonoperating special items were primarily due to non-cash interest accretion of \$2 million and \$33 million, respectively, on bankruptcy settlement obligations.

(4) The 2015 second quarter and six month period tax special items were the result of a non-cash deferred income tax provision related to certain indefinite-lived intangible assets.

During the 2014 second quarter, we sold our portfolio of fuel hedging contracts that were scheduled to settle on or after June 30, 2014. In connection with this sale, we recorded a special non-cash tax provision of \$330 million in the second quarter of 2014 that reversed the non-cash tax provision which was recorded in other comprehensive income (OCI), a subset of stockholders' equity, principally in 2009. This provision represents the tax effect associated with gains recorded in OCI principally in 2009 due to a net increase in the fair value of our fuel hedging contracts. In accordance with accounting principles generally accepted in the United States (GAAP), we retained the \$330 million tax provision in OCI until the last contract was settled or terminated. In addition, we recorded a special \$7 million non-cash deferred income tax provision related to certain indefinite-lived intangible assets in the

2014 second quarter. The 2014 six month period included the \$330 million non-cash tax provision related to the settlement of fuel hedges discussed above as well as a special \$15 million non-cash deferred income tax provision related to certain indefinite-lived intangible assets.

Income Taxes

At December 31, 2014, we had approximately \$10.1 billion of gross NOL Carryforwards to reduce future federal taxable income, substantially all of which are expected to be available for use in 2015. The federal NOL Carryforwards will expire beginning in 2022 if unused. These NOL Carryforwards include an unrealized tax benefit of \$867 million related to the implementation of share-based compensation accounting guidance that will be recorded in equity when realized. We also had approximately \$4.6 billion of NOL Carryforwards to reduce future state taxable income at December 31, 2014, which will expire in years 2015 through 2034 if unused. Our ability to deduct our NOL Carryforwards and to utilize certain other available tax attributes can be substantially constrained under the general annual limitation rules of Section 382 where an "ownership change" has occurred. We experienced an ownership change in connection with our emergence from the Chapter 11 Cases, and US Airways Group experienced an ownership change in connection with the Merger. As a result of the Merger, US Airways Group is now included in the AAG consolidated federal and state income tax return. The general limitation rules of Section 382 for a debtor in a bankruptcy case are liberalized where the ownership change occurs upon emergence from bankruptcy. We elected to be covered by certain special rules for federal income tax purposes that permit approximately \$9.0 billion of our federal NOL Carryforwards to be utilized without regard to the Section 382 annual limitation rules. Substantially all of our remaining federal NOL Carryforwards (attributable to US Airways Group) are subject to limitation under Section 382; however, our ability to utilize such NOL Carryforwards is not anticipated to be effectively constrained as a result of such limitation. Similar limitations may apply for state income tax purposes. Our ability to utilize any new NOL Carryforwards arising after the ownership changes is not affected by the annual limitation rules imposed by Section 382 unless another ownership change occurs.

At December 31, 2014, we had an Alternative Minimum Tax (AMT) credit carryforward of approximately \$341 million available for federal income tax purposes, which is available for an indefinite period. Our net deferred tax assets, which include the NOL Carryforwards, are subject to a full valuation allowance. At December 31, 2014, the federal and state valuation allowances were \$4.5 billion and \$264 million, respectively. In accordance with GAAP, utilization of the NOL Carryforwards after December 9, 2013 will result in a corresponding decrease in the valuation allowance and offset our tax provision dollar for dollar.

We provide a valuation allowance for deferred tax assets when it is more likely than not that some portion, or all of our deferred tax assets, will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income. We consider all available positive and negative evidence and make certain assumptions. We consider many factors in evaluating the realizability of our deferred tax assets including risks associated with merger integration as well as other factors, which continue to be affected by conditions beyond our control, such as the condition of the economy, the level and volatility of fuel prices and travel demand. We have concluded as of June 30, 2015 that the valuation allowance was still needed on our deferred tax asset based on the weight of the factors described above.

For the three and six months ended June 30, 2015, we recorded a special \$7 million and \$16 million, respectively, non-cash deferred income tax provision related to certain indefinite-lived intangible assets. In addition, for the three and six months ended June 30, 2015, we recorded \$8 million and \$10 million, respectively, of state and international income tax expense related to certain states and other jurisdictions where NOLs were limited or unavailable to be used.

During the second quarter of 2014, we recorded a special \$330 million non-cash income tax provision in connection with the settlement of our fuel hedges as discussed above. In addition, we recorded a special \$7 million and \$15 million non-cash deferred income tax provision related to certain indefinite-lived intangible assets in the 2014 second quarter and six month period, respectively.

For the three and six months ended June 30, 2014, we recorded \$3 million and \$8 million, respectively, of state and international income tax expense related to certain states and other jurisdictions where NOLs were limited or unavailable to be used.

Total operating revenues	\$ 10,827	\$ 11,355	(4.6)

Total operating revenues in the second quarter of 2015 decreased \$528 million, or 4.6%, from the 2014 period principally due to competitive growth, as well as weaker international yields due to foreign currency devaluation. Significant changes in the components of operating revenues are as follows:

- Mainline passenger revenues were \$7.7 billion in the second quarter of 2015 as compared to \$8.2 billion in the 2014 period. Mainline RPM's increased 0.4% as mainline capacity, as measured by ASMs, increased 1.5%, resulting in a 0.9 point decrease in load factor to 83.4%. Mainline passenger yield decreased 7.2% to 14.83 cents in the second quarter of 2015 from 15.98 cents in the 2014 period. Mainline PRASM decreased 8.2% to 12.36 cents in the second quarter of 2015 from 13.46 cents in the 2014 period.
- Regional passenger revenues were \$1.8 billion in the second quarter of 2015 as compared to \$1.7 billion in the 2014 period. Regional RPM's increased 6.9% as regional capacity, as measured by ASMs, increased 5.5%, resulting in a 1.1 point increase in load factor to 82.7%. Regional passenger yield decreased 3.6% to 28.42 cents in the second quarter of 2015 from 29.49 cents in the 2014 period. Regional PRASM decreased 2.3% to 23.51 cents in the second quarter of 2015 from 24.07 cents in the 2014 period.
- Cargo revenue decreased \$27 million, or 12.3%, in the second quarter of 2015 from the 2014 period driven primarily by a decrease in freight yield due in part to the devaluation of certain foreign currencies.

Total operating expenses were \$8.9 billion in the second quarter of 2015, a decrease of \$1.1 billion, or 10.5%, from the 2014 period. The decrease in operating expenses was primarily due to substantially lower aircraft fuel costs, offset in part by higher salaries, wages and benefits driven by new merger-related labor contracts. See detailed explanations below relating to changes in operating costs per ASM.

Mainline Operating Expenses per ASM

Our mainline CASM decreased 1.74 cents, or 12.8%, from 13.61 cents in the second quarter of 2014 to 11.87 cents in the second quarter of 2015. Excluding special items and aircraft fuel and related taxes, our mainline CASM increased 0.22 cents, or 2.5%, from 8.55 cents in the second quarter of 2014 to 8.77 cents in the second quarter of 2015, primarily due to higher salaries, wages and benefits driven by new merger-related labor contracts.

The table below sets forth the major components of our total mainline CASM and our mainline CASM excluding special items and aircraft fuel and related taxes for the three months ended June 30, 2015 and 2014:

(1) We believe that the presentation of mainline CASM excluding fuel is useful to investors because both the cost and availability of fuel are subject to many economic and political factors beyond our control, and the exclusion of special items provides investors the ability to measure financial performance in a way that is more indicative of our ongoing performance and that is more comparable to measures reported by other major airlines. Management uses mainline CASM excluding special items and fuel to evaluate our operating performance. Amounts may not recalculate due to rounding.

Table of Contents

Significant changes in the components of mainline operating expense per ASM are as follows:

- Aircraft fuel and related taxes per ASM decreased 38.2% primarily due to a 37.2% decrease in the average price per gallon to \$1.90 in the second quarter of 2015 from an average price per gallon of \$3.02 in the 2014 period.
- Salaries, wages and benefits per ASM increased 7.7% primarily due to increased costs associated with the new pilot and flight attendant joint collective bargaining agreements.
- Selling expenses per ASM decreased 14.3% primarily due to lower contractually negotiated rates for certain commissions and booking fees as well as lower revenues in the 2015 period.
- Depreciation and amortization per ASM increased 5.0% primarily due to new purchased aircraft deliveries since the end of the 2014 second quarter in connection with our fleet renewal program.

Regional Operating Expenses

Total regional expenses decreased \$100 million, or 6.0%, in the second quarter of 2015 to \$1.6 billion from \$1.7 billion in the 2014 period. The period-over-period decrease was primarily due to a \$186 million, or 34.8%, decrease in fuel costs, offset in part by an \$86 million, or 7.7%, increase in other regional operating expenses. The average price per gallon of fuel decreased 37.6% to \$1.91 in the second quarter of 2015 from \$3.07 in the 2014 period, on a 4.5% increase in consumption. The increase in other regional operating expenses was principally due to increased flying under capacity purchase agreements.

Significant changes in the components of mainline operating expense per ASM are as follows:

- Aircraft fuel and related taxes per ASM decreased 40.1% primarily due to a 39.1% decrease in the average price per gallon to \$1.86 in the first six months of 2015 from an average price per gallon of \$3.06 in the 2014 period.
- Salaries, wages and benefits per ASM increased 10.7% primarily due to increased costs associated with the new pilot and flight attendant joint collective bargaining agreements.

Regional Operating Expenses

Total regional expenses decreased \$232 million, or 7.2%, in the first six months of 2015 to \$3.0 billion from \$3.3 billion in the 2014 period. The period-over-period decrease was primarily due to a \$375 million, or 36.2%, decrease in fuel costs, offset in part by a \$143 million, or 6.4%, increase in other regional operating expenses. The average price per gallon of fuel decreased 38.8% to \$1.89 in the first six months of 2015 from \$3.08 in the 2014 period, on a 4.2% increase in consumption. The increase in other regional operating expenses was principally due to increased flying under capacity purchase agreements.

Interest income was \$19 million and \$15 million in the first six months of 2015 and 2014, respectively. Our short-term investments in each period consisted of highly liquid investments that provided nominal returns.

Interest expense, net of capitalized interest decreased \$25 million, or 5.3%, in the first six months of 2015 from the 2014 period. The 2014 six month period included \$33 million of special charges related to non-cash interest accretion on the bankruptcy settlement obligations.

Other nonoperating expense, net increased \$71 million in the first six months of 2015 from the 2014 period. The first six months of 2015 included \$82 million of foreign currency losses as compared to \$13 million of net foreign currency gains in the 2014 period. The increase in foreign currency losses during the first six months of 2015 was driven primarily by the strengthening of the U.S. dollar in foreign currency transactions relative to other currencies during the period, principally in Latin American and European markets, including a 14% decrease in the value of the Brazilian real, an 8% decrease in the value of the Euro and a 6% decrease in the value of the Canadian dollar.

American's Results of Operations

In the second quarter of 2015, American realized operating income of \$1.2 billion and net income of \$1.1 billion. American's second quarter 2015 net income included net special operating charges of \$75 million and total net special charges of \$93 million. Excluding the effects of these special charges, American realized operating income of \$1.3 billion and net income of \$1.1 billion.

In the second quarter of 2014, American realized operating income of \$718 million and net income of \$265 million. American's second quarter 2014 net income included net special operating charges of \$180 million and total net special charges of \$511 million. Excluding the effects of these special charges, American realized operating income of \$898 million and net income of \$776 million.

American's 2015 six month period net income included net special operating charges of \$276 million and total net special charges of \$294 million. Excluding the effects of these special charges, American realized operating income of \$2.2 billion and net income of \$1.9 billion.

In the first six months of 2014, American realized operating income of \$1.3 billion and net income of \$666 million. American's 2014 six month period net income included net special operating credits of \$35 million and total net special charges of \$347 million. Excluding the effects of these special items, American realized operating income of \$1.3 billion and net income of \$1.0 billion.

(1) The 2015 second quarter mainline operating special items totaled a net charge of \$74 million, which principally included \$137 million of merger integration expenses related to information technology, professional fees, severance, share-based compensation, fleet restructuring, re-branding of aircraft and airport facilities, relocation and training. These charges were offset in part by a net \$68 million credit for bankruptcy related items primarily consisting of fair value adjustments for bankruptcy settlement obligations. The 2015 six month period mainline operating special items totaled a net charge of \$272 million, which principally included \$285 million of merger integration expenses as described above and a net \$64 million charge related to American's new pilot joint collective bargaining agreement. These charges were offset in part by a net \$73 million credit for bankruptcy related items primarily consisting of fair value adjustments for bankruptcy settlement obligations.

The 2014 second quarter mainline operating special items totaled a net charge of \$179 million, which principally included \$99 million of merger integration expenses related to information technology, professional fees, severance, share-based compensation, re-branding of aircraft and airport facilities, relocation and training as well as a net \$40 million charge for bankruptcy related items primarily consisting of fair value adjustments for bankruptcy settlement obligations and \$26 million in charges related to the buyout of leases associated with certain aircraft. The 2014 six month period mainline operating special items totaled a net credit of \$37 million, which principally included a \$305 million gain on the sale of Slots at DCA and a net \$16 million credit for bankruptcy related items as described above. These special credits were offset in part by \$234 million of merger integration expenses as described above as well as \$29 million in charges primarily related to the buyout of leases associated with certain aircraft.

(2) The 2015 and 2014 second quarter and six month period regional operating special items principally related to merger integration expenses.

(3) The 2015 second quarter nonoperating special items totaled a net charge of \$11 million and primarily included non-cash write offs of unamortized debt discount and debt issuance costs associated with refinancing American's secured term loan facilities. The 2015 six month period nonoperating special items totaled a net charge of \$3 million and principally included \$20 million in charges primarily related to non-cash write offs of unamortized debt discount and debt issuance costs associated with the debt refinancing as described above and the prepayment of certain aircraft financings, offset in part by a \$17 million early debt extinguishment gain associated with the repayment of American's AAdvantage loan with Citibank.

The 2014 six month period nonoperating special charges of \$40 million were primarily due to non-cash interest accretion on bankruptcy settlement obligations.

(4) The 2015 second quarter and six month period tax special items were the result of a non-cash deferred income tax provision related to certain indefinite-lived intangible assets.

During the 2014 second quarter, American sold its portfolio of fuel hedging contracts that were scheduled to settle on or after June 30, 2014. In connection with this sale, American recorded a special non-cash tax provision of \$328 million in the second quarter of 2014 that reversed the non-cash tax provision which was recorded in other comprehensive income (OCI), a subset of stockholder's equity, principally in 2009. This provision represents the tax effect associated with gains recorded in OCI principally in 2009 due to a net increase in the fair value of American's fuel hedging contracts. In accordance with GAAP,

Table of Contents

American retained the \$328 million tax provision in OCI until the last contract was settled or terminated. In addition, American recorded a special \$7 million non-cash deferred income tax provision related to certain indefinite-lived intangible assets in the 2014 second quarter. The 2014 six month period included the \$328 million non-cash tax provision related to the settlement of fuel hedges discussed above as well as a special \$14 million non-cash deferred income tax provision related to certain indefinite-lived intangible assets.

Income Taxes

At December 31, 2014, American had approximately \$10.3 billion of gross NOL Carryforwards to reduce future federal taxable income, substantially all of which are expected to be available for use in 2015. American is a member of AAG's consolidated federal and certain state income tax returns. The amount of federal and state NOL Carryforwards available in those returns is \$10.1 billion and \$4.6 billion, respectively, substantially all of which is expected to be available for use in 2015. The federal NOL Carryforwards will expire beginning in 2022 if unused. These NOL Carryforwards include an unrealized tax benefit of \$712 million related to the implementation of share-based compensation accounting guidance that will be recorded in equity when realized. American also had approximately \$3.9 billion of NOL Carryforwards to reduce future state taxable income at December 31, 2014, which will expire in years 2015 through 2034 if unused. American's ability to deduct its NOL Carryforwards and to utilize certain other available tax attributes can be substantially constrained under the general annual limitation rules of Section 382 where an "ownership change" has occurred. American experienced an ownership change in connection with its emergence from the Chapter 11 Cases. The general limitation rules of Section 382 for a debtor in a bankruptcy case are liberalized where the ownership change occurs upon emergence from bankruptcy. American elected to be covered by certain special rules for federal income tax purposes that permit approximately \$9.5 billion of its federal NOL Carryforwards to be utilized without regard to the Section 382 annual limitation rules. Similar limitations may apply for state income tax purposes. American's ability to utilize any new NOL Carryforwards arising after the ownership change is not affected by the annual limitation rules imposed by Section 382 unless another ownership change occurs.

At December 31, 2014, American had an AMT credit carryforward of approximately \$435 million available for federal income tax purposes, which is available for an indefinite period. American's net deferred tax assets, which include the NOL Carryforwards, are subject to a full valuation allowance. At December 31, 2014, the federal and state valuation allowances were \$5.1 billion and \$208 million, respectively. In accordance with GAAP, utilization of the NOL Carryforwards after December 9, 2013 will result in a corresponding decrease in the valuation allowance and offset American's tax provision dollar for dollar.

American provides a valuation allowance for deferred tax assets when it is more likely than not that some portion, or all of its deferred tax assets, will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income. American considers all available positive and negative evidence and makes certain assumptions. American considers many factors in evaluating the realizability of its deferred tax assets including risks associated with merger integration as well as other factors, which continue to be affected by conditions beyond American's control, such as the condition of the economy, the level and volatility of fuel prices and travel demand. American has concluded as of June 30, 2015 that the valuation allowance was still needed on its deferred tax asset based on the weight of the factors described above.

For the three and six months ended June 30, 2015, American recorded a special \$7 million and \$15 million, respectively, non-cash deferred income tax provision related to certain indefinite-lived intangible assets. In addition, for the three and six months ended June 30, 2015, American recorded \$4 million and \$4 million, respectively, of state and international income tax expense related to certain states and other jurisdictions where NOLs were limited or unavailable to be used.

During the second quarter of 2014, American recorded a special \$328 million non-cash income tax provision in connection with the settlement of its fuel hedges as discussed above. In addition, American recorded a special \$7 million and \$14 million non-cash deferred income tax provision related to certain indefinite-lived intangible assets in the 2014 second quarter and six month period, respectively.

For the three and six months ended June 30, 2014, American recorded \$1 million and \$5 million, respectively, of state and international income tax expense related to certain states and other jurisdictions where NOLs were limited or unavailable to be used.

Regional Operating Expenses

Total regional expenses decreased \$16 million, or 2.0%, in the second quarter of 2015 to \$788 million from \$804 million in the 2014 period. The period-over-period decrease was primarily due to an \$86 million, or 32.0%, decrease in fuel costs, offset in part by a \$70 million, or 13.2%, increase in other regional operating expenses. The average price per gallon of fuel decreased in the second quarter of 2015 from the 2014 period. The increase in other regional operating expenses was principally due to increased flying under capacity purchase agreements.

In addition, the second quarter of 2015 included \$11 million in special charges principally related to non-cash write offs of unamortized debt discount and debt issuance costs associated with the refinancing of American's term loan facilities.

The first six months of 2015 included \$71 million of foreign currency losses as compared to \$15 million of net foreign currency gains in the 2014 period. The increase in foreign currency losses during the first six months of 2015 was driven primarily by the strengthening of the U.S. dollar in foreign currency transactions relative to other currencies during the period, principally in Latin American and European markets, including a 14% decrease in the value of the Brazilian real, an 8% decrease in the value of the Euro and a 6% decrease in the value of the Canadian dollar.

Liquidity and Capital Resources

Cash, Short-Term Investments and Restricted Cash

As of June 30, 2015, AAG's total cash, short-term investments and restricted cash and short-term investments was \$9.7 billion, of which \$747 million was restricted. Additional detail is provided in the table below (in millions):

	AAG		American	
	June 30, 2015	December 31, 2014	June 30, 2015	December 31, 2014

(1) Our restricted cash and short-term investments related primarily to collateral held to support projected workers' compensation obligations.

As of June 30, 2015, we had approximately \$629 million of unrestricted cash and short-term investments held in Venezuelan bolivars. This balance includes approximately \$621 million valued at 6.3 bolivars to the U.S. dollar and approximately \$8 million valued at 12.8 bolivars to the U.S. dollar, with the rate depending on the date we submitted our repatriation request to the Venezuelan government. These rates are materially more favorable than the exchange rates currently prevailing for other transactions conducted outside of the Venezuelan government's currency exchange system.

During 2014, we significantly reduced capacity in the Venezuelan market and we are no longer accepting bolivars as payment for airline tickets. We are monitoring this situation closely and continue to evaluate our holdings of Venezuelan bolivars for additional foreign currency losses or other accounting adjustments, which could be material, particularly in light of the additional uncertainty posed by the recent changes to the foreign exchange regulations and the continued deterioration of economic conditions in Venezuela. More generally, fluctuations in foreign currencies, including devaluations, cannot be predicted by us and can significantly affect the value of our assets located outside the United States. These conditions, as well as any further delays, devaluations or imposition of more stringent repatriation restrictions, may materially adversely affect our business, results of operations and financial condition. See Part II, Item 1A. Risk Factors – *"We operate a global business with international operations that are subject to economic and political instability and have been, and in the future may continue to be, adversely affected by numerous events, circumstances or government actions beyond our control"* for additional discussion of this and other currency risks.

Share Repurchase Program

On January 27, 2015, we announced that our Board of Directors had authorized a new \$2.0 billion share repurchase program to be completed by the end of 2016. Shares repurchased under the program may be made through a variety of methods, which may include open market purchases, privately negotiated transactions, block trades or accelerated share repurchase transactions. Any such repurchases will be made from time to time subject to market and economic conditions, applicable legal requirements and other relevant factors. The program does not obligate us to repurchase any specific number of shares and may be suspended at any time at our discretion. During the three months ended June 30, 2015, we repurchased 17.3 million shares of AAG Common Stock for \$753 million at a weighted average cost per share of \$43.53. During the six months ended June 30, 2015, we repurchased 21.1 million shares of AAG Common Stock for \$943 million at a weighted average cost per share of \$44.60.

In July 2015, we announced that our Board of Directors had authorized a new \$2.0 billion share repurchase program to be completed by the end of 2016. Shares repurchased under the program may be made through a variety of methods, which may include open market purchases, privately negotiated transactions, block trades or accelerated share repurchase transactions. Any such repurchases will be made from time to time subject to market and economic conditions, applicable legal requirements and other relevant factors. The program does not obligate us to repurchase any specific number of shares and may be suspended at any time at our discretion.

In April 2015, we announced that our Board of Directors had declared a \$0.10 per share dividend for shareholders of record on May 4, 2015, and payable on May 18, 2015.

The total cash payment for dividends during the three and six months ended June 30, 2015 was \$70 million and \$140 million, respectively. Any future dividends that may be declared and paid from time to time under our capital deployment program will be subject to market and economic conditions, applicable legal requirements and other relevant factors. Our capital deployment program does not obligate us to continue a dividend for any fixed period, and payment of dividends may be suspended at any time at our discretion.

In July 2015, we announced that our Board of Directors had declared a \$0.10 per share dividend for shareholders of record on August 10, 2015, and payable on August 24, 2015.

Commitments

Significant Indebtedness

As of June 30, 2015, AAG and American had \$18.8 billion and \$11.8 billion, respectively, in long-term debt and capital leases (including current maturities and before debt discount). See Note 7 to AAG's condensed consolidated financial statements in Part I, Item 1A and Note 5 to American's condensed consolidated financial statements in Part I, Item 1B for further information on all indebtedness as of June 30, 2015. Our significant indebtedness includes the 2013 Credit Facilities, the 2013 Citicorp Credit Facility and the 2014 Credit Facilities described below.

2013 Credit Facilities

On June 27, 2013, American and AAG entered into a Credit and Guaranty Agreement (as amended, the 2013 Credit Agreement) with certain lenders. The 2013 Credit Agreement originally provided for a \$1.9 billion term loan facility scheduled to mature on June 27, 2019 (the 2013 Term Loan Facility) and a \$1.0 billion revolving credit facility scheduled to mature on June 27, 2018 (the 2013 Revolving Facility).

The 2013 Revolving Facility provides that American may from time to time borrow, repay and reborrow loans thereunder and have letters of credit issued thereunder. On October 10, 2014, American and AAG amended the 2013 Credit Agreement to extend the maturity date of the 2013 Revolving Facility to October 10, 2019 and increased the commitments thereunder to an aggregate amount of \$1.4 billion while reducing the letter of credit commitments thereunder to \$300 million. As of June 30, 2015, there were no borrowings or letters of credit outstanding under the 2013 Revolving Facility.

Table of Contents

On May 21, 2015, American refinanced its \$1.9 billion term loan facility (the \$1.9 billion 2015 Term Loan Facility and, together with the 2013 Revolving Facility, the 2013 Credit Facilities) to extend the maturity date to June 29, 2020 and reduce the LIBOR margin from 3.00% to 2.75%. In addition, American entered into certain amendments to reflect the ability for American to make future modifications to the collateral pledged, subject to certain restrictions. The \$1.9 billion 2015 Term Loan Facility is repayable in annual installments on the amendment effective date thereof, with the first installment in an amount equal to 1.25% of the principal amount and installments thereafter, in an amount equal to 1.0% of the principal amount, with any unpaid balance due on the maturity date. As of June 30, 2015, \$1.9 billion was outstanding under the \$1.9 billion 2015 Term Loan Facility. Voluntary prepayments may be made by American at any time, with a premium of 1.00% applicable to certain prepayments made prior to the date that is six months following May 21, 2015.

The 2013 Credit Facilities bear interest at an index rate plus an applicable index margin or, at American's option, LIBOR (subject to a floor of 0.75%, with respect to the \$1.9 billion 2015 Term Loan Facility) plus an applicable LIBOR margin. If American's corporate credit rating is Ba3 or higher from Moody's and BB- or higher from S&P, the applicable LIBOR margin would be 2.50% for the \$1.9 billion 2015 Term Loan Facility. As of June 30, 2015, the applicable LIBOR margins were 2.50% and 3.00% for borrowings under the \$1.9 billion 2015 Term Loan Facility and the 2013 Revolving Facility, respectively. The 2013 Revolving Credit Facility is subject to an undrawn fee of 0.75%.

Upon consummation of the Merger, US Airways Group and US Airways joined the 2013 Credit Facilities as guarantors. Following the joinder, certain minimum dollar-thresholds under the negative and financial covenants in the 2013 Credit Facilities were automatically increased.

Subject to certain limitations and exceptions, the 2013 Credit Facilities are secured by certain collateral, including certain route authorities and certain take-off and landing rights and gate leaseholds at certain airports. American is required to maintain a certain minimum ratio of appraised value of the collateral to the outstanding loans under the 2013 Credit Facilities as further described below in "*Collateral Related Covenants.*"

The 2013 Credit Facilities contain events of default customary for similar financings, including cross default to other material indebtedness. Upon the occurrence of an event of default, the outstanding obligations under the 2013 Credit Facilities may be accelerated and become due and payable immediately. In addition, if a "change of control" (as defined in the 2013 Credit Agreement) occurs, American will (absent an amendment or waiver) be required to repay at par the loans outstanding under the 2013 Credit Facilities and terminate the 2013 Revolving Facility. The 2013 Credit Facilities also include covenants that, among other things, require AAG to maintain a minimum aggregate liquidity (as defined in the 2013 Credit Facilities) of not less than \$2.0 billion, and limit the ability of AAG and its restricted subsidiaries to pay dividends and make certain other payments, make certain investments, incur additional indebtedness, incur liens on the collateral, dispose of the collateral, enter into certain affiliate transactions and engage in certain business activities, in each case subject to certain exceptions.

2013 Citicorp Credit Facility

On May 23, 2013, US Airways entered into a term loan credit facility (the 2013 Citicorp Credit Facility) with Citicorp North America, Inc., as administrative agent, and a syndicate of lenders. US Airways Group and certain other subsidiaries of US Airways Group are guarantors of the 2013 Citicorp Credit Facility agreement. In connection with the closing of the Merger, AAG and American entered into a joinder to the 2013 Citicorp Credit Facility loan agreement pursuant to which AAG and American became guarantors under such agreement.

The 2013 Citicorp Credit Facility consists of tranche B-1 term loans (Tranche B-1) and tranche B-2 term loans (Tranche B-2). As of June 30, 2015, \$980 million was outstanding under Tranche B-1 and \$588 million was outstanding under Tranche B-2. Voluntary prepayments may be made at any time.

As of June 30, 2015, the 2013 Citicorp Credit Facility bears interest at an index rate plus an applicable index margin or, at US Airways' option, LIBOR (subject to a floor of 0.75%) plus an applicable LIBOR margin. The applicable LIBOR margin is 2.75% for Tranche B-1 and 2.25% for Tranche B-2.

Tranche B-1 and Tranche B-2 mature on May 23, 2019 and November 23, 2016, respectively (unless otherwise extended by the applicable parties), and each is repayable in annual installments to be paid on each anniversary of the closing date in an amount equal to 1.00% of the initial aggregate principal amount of the loans with any unpaid balance due on the maturity date of the respective tranche.

Subject to certain limitations and exceptions, the obligations of US Airways under the 2013 Citicorp Credit Facility are secured by liens on certain take-off and landing rights at certain airports, and certain other assets of US Airways. US Airways is required to maintain a certain minimum ratio of appraised value of the collateral to the outstanding loans under the 2013 Citicorp Credit Facility as further described below in "*Collateral Related Covenants.*"

Table of Contents

The 2013 Citicorp Credit Facility agreement contains events of default customary for similar financings, including a cross-default provision to certain other material indebtedness of US Airways and certain of its affiliates. Upon the occurrence of an event of default, the outstanding obligations under the 2013 Citicorp Credit Facility may be accelerated and become due and payable immediately. In addition, if a “change of control” (as defined in the 2013 Citicorp Credit Facility agreement) occurs, US Airways will (absent an amendment or waiver) be required to repay the outstanding loans in full together with accrued interest thereon to the date of such prepayment. The 2013 Citicorp Credit Facility agreement includes affirmative, negative and financial covenants that, among other things, (a) require AAG and its restricted subsidiaries to maintain unrestricted liquidity of not less than \$2.0 billion, with not less than \$750 million held in accounts subject to control agreements, and (b) restrict the ability of US Airways Group, its subsidiaries party to the 2013 Citicorp Credit Facility, AAG and American to make certain investments, pay dividends and make certain other payments, make certain acquisitions, incur liens on the collateral, dispose of collateral, enter into certain affiliate transactions, enter into certain hedging transactions, and engage in certain business activities, in each case subject to certain exceptions.

2014 Credit Facilities

On October 10, 2014, American, AAG, US Airways Group and US Airways entered into a Credit and Guaranty Agreement (the 2014 Credit Agreement) with certain lenders. The 2014 Credit Agreement provides for a \$750 million term loan facility (the 2014 Term Loan Facility) and a \$400 million revolving credit facility (the 2014 Revolving Facility). The 2014 Revolving Facility provides that American may from time to time borrow, repay and reborrow loans thereunder. American may have letters of credit issued under the 2014 Revolving Facility in an aggregate amount outstanding at any time up to \$300 million. As of June 30, 2015, there were no borrowings or letters of credit outstanding under the 2014 Revolving Facility.

On April 20, 2015, American refinanced its \$750 million term loan facility (the \$750 million 2015 Term Loan Facility and, together with the 2014 Revolving Facility, the 2014 Credit Facilities) to reduce the LIBOR margin from 3.50% to 3.00% and entered into certain amendments to reflect the release of certain existing collateral and the addition of certain new collateral, as well as the ability for American to make future modifications to the collateral pledged, subject to certain restrictions. As of June 30, 2015, \$750 million was outstanding under the \$750 million 2015 Term Loan Facility.

The \$750 million 2015 Term Loan Facility and 2014 Revolving Facility mature on October 10, 2021 and October 10, 2019, respectively, unless otherwise extended by the applicable parties. The \$750 million 2015 Term Loan Facility is repayable in annual installments in an amount equal to 1.00% of the original principal balance with any unpaid balance due on the maturity date. Voluntary prepayments may be made by American at any time, with a premium of 1.00% applicable to certain prepayments made prior to the date that is six months following April 20, 2015.

The 2014 Credit Facilities bear interest at an index rate plus an applicable index margin or, at American’s option, LIBOR (subject to a floor of 0.75% in the case of the \$750 million 2015 Term Loan Facility) plus an applicable LIBOR margin. If American’s corporate credit rating is Ba3 or higher from Moody’s and BB- or higher from S&P, the applicable LIBOR margin would be 2.75% for the \$750 million 2015 Term Loan Facility. As of June 30, 2015, the applicable LIBOR margins were 2.75% and 3.00% for borrowings under the \$750 million 2015 Term Loan Facility and the 2014 Revolving Facility, respectively.

Subject to certain limitations and exceptions, the 2014 Credit Facilities are secured by certain collateral, including certain route authorities and certain take-off and landing rights and gate leaseholds at certain airports. The obligations of American under the 2014 Credit Facilities are guaranteed by AAG, US Airways Group and US Airways. American is required to maintain a certain minimum ratio of appraised value of the collateral to the outstanding loans under the 2014 Credit Facilities as further described below in “*Collateral Related Covenants*.”

The 2014 Credit Facilities contain events of default customary for similar financings, including cross default to other material indebtedness. Upon the occurrence of an event of default, the outstanding obligations under the 2014 Credit Facilities may be accelerated and become due and payable immediately. In addition, if a “change of control” (as defined in the 2014 Credit Agreement) occurs with respect to AAG, American will (absent an amendment or waiver) be required to repay at par the loans outstanding under the 2014 Credit Facilities and terminate the 2014 Revolving Facility. The 2014 Credit Facilities also include covenants that, among other things, require AAG to maintain a minimum aggregate liquidity (as defined in the 2014 Credit Facilities) of not less than \$2.0 billion, and limit the ability of AAG and its restricted subsidiaries to pay dividends and make certain other payments, make certain investments, incur liens on the collateral, dispose of the collateral, enter into certain affiliate transactions and engage in certain business activities, in each case subject to certain exceptions.

2015-1 EETCs

In March 2015, American created two pass-through trusts which issued approximately \$1.2 billion aggregate face amount of Series 2015-1 Class A and Class B EETCs in connection with the financing of 28 aircraft currently owned or scheduled to be delivered from July 2015 to September 2015 (the 2015 EETC Aircraft). The 2015-1 EETCs represent fractional undivided interests in the respective pass-through trusts and are not obligations of American. Proceeds received from the sale of EETCs are initially held by a depository in

Table of Contents

escrow for the benefit of the certificate holders until American issues equipment notes to the pass-through trusts, which purchase the notes with a portion of the escrowed funds. These escrowed funds are not guaranteed by American and are not reported as debt on the Company's condensed consolidated balance sheet because the proceeds held by the depository are not American's assets.

As of June 30, 2015, \$1.0 billion of the escrowed proceeds from the 2015-1 EETCs have been used to purchase equipment notes issued by American in two series: Series A equipment notes in the amount of \$796 million bearing interest at 3.375% per annum and Series B equipment notes in the amount of \$223 million bearing interest at 3.70% per annum. Interest and principal payments on the equipment notes are payable semi-annually in May and November of each year, beginning in November 2015. The final payments on the Series A and Series B equipment notes will be due in May 2027 and May 2023, respectively. These equipment notes are secured by liens on 19 of the 2015 EETC Aircraft. The remaining \$195 million of escrowed proceeds will be used to purchase equipment notes as the remaining nine new aircraft are delivered.

4.625% Senior Notes

In March 2015, AAG issued \$500 million aggregate principal amount of 4.625% senior notes due 2020 (the 4.625% senior notes). These notes bear interest at a rate of 4.625% per annum and are payable semi-annually in arrears on each March 1 and September 1, beginning on September 1, 2015. The 4.625% senior notes mature on March 1, 2020 and are fully and unconditionally guaranteed by American, US Airways Group and US Airways. The 4.625% senior notes are senior unsecured obligations of AAG. The indenture for the 4.625% senior notes contains covenants and events of default generally customary for similar financings. In addition, if AAG experiences specific kinds of changes of control, AAG must offer to repurchase the 4.625% senior notes in whole or in part at a repurchase price of 101% of the aggregate principal amount plus accrued and unpaid interest, if any, to (but not including) the repurchase date. Upon the occurrence of certain events of default, the 4.625% senior notes may be accelerated and become due and payable.

AAdvantage Loan

Effective January 2, 2015, American exercised its loan repayment right with respect to the full value of the outstanding balance of the AAdvantage Loan with Citibank for \$400 million. In connection with the repayment, in the first quarter of 2015, American recognized an early debt extinguishment gain of approximately \$17 million.

Obligations Associated with Special Facility Revenue Bonds

In December 2014, American acquired approximately \$112 million aggregate principal amount of special facility revenue bonds related to the Tulsa International Airport, when such bonds were mandatorily tendered to American. The acquisition of these bonds resulted in an \$11 million reduction of debt on our consolidated balance sheet and a \$50 million reduction of a long-term operating lease obligation included in other long-term liabilities on our consolidated balance sheet as of December 31, 2014. American exercised its option to remarket approximately \$104 million of these bonds in May 2015. The remarketed bonds will initially bear a coupon interest rate of 5% from the date of initial issuance and delivery of the bonds on May 27, 2015, until the day preceding June 1, 2025, on which date the bonds will be subject to mandatory tender. In connection with the remarketing of these special facility revenue bonds, American received cash proceeds of \$112 million and recognized a total obligation of \$62 million. Of that total obligation, \$11 million is reflected as a capital lease and \$51 million is reflected in other long-term liabilities on our condensed consolidated balance sheet as of June 30, 2015.

In June 2015, American exercised its right to adjust the interest rate on approximately \$365 million aggregate principal amount of special facility revenue bonds, reflected as debt on our condensed consolidated balance sheet related to the John F. Kennedy International Airport. In connection with the adjustment to a new interest rate, the bonds are required to be purchased by American on August 3, 2015. American is in the process of remarketing the bonds at the new interest rate. The remarketed bonds are expected to be subject to mandatory tender for purchase by American on August 1, 2016. As a result, American reclassified \$365 million to current maturities of long-term debt on our condensed consolidated balance sheet as of June 30, 2015.

Other Aircraft Financing Transactions

In the first six months of 2015, American prepaid \$72 million principal amount of outstanding debt secured by certain aircraft.

In the first six months of 2015, we entered into loan agreements to borrow \$465 million in connection with the financing of certain aircraft deliveries. The notes mature in 2025 through 2027 and bear interest at a rate of LIBOR plus an applicable margin.

Collateral Related Covenants

Certain of our debt financing agreements contain loan to value ratio covenants and require us to periodically appraise the collateral. Pursuant to such agreements, if the loan to value ratio exceeds a specified threshold, we are required, as applicable, to pledge additional qualifying collateral (which in some cases may include cash collateral), or pay down such financing, in whole or in part,

Table of Contents

with premium (if any). Specifically, American is required to meet collateral coverage tests on a periodic basis on the 2013 Credit Facilities and the 2014 Credit Facilities, and US Airways is required to meet such tests on the 2013 Citicorp Credit Facility. We were in compliance with the collateral coverage tests for the 2013 Credit Facilities, 2013 Citicorp Credit Facility and the 2014 Credit Facilities as of the most recent measurement dates.

Credit Ratings

The following table details our credit ratings as of June 30, 2015:

	<u>S&P Local Issuer Credit Rating</u>	<u>Fitch Issuer Default Credit Rating</u>	<u>Moody's Corporate Family Rating</u>
American Airlines Group.	BB-	B+	Ba3
American Airlines	BB-	B+	*

* The credit agency does not rate this category for the respective entity.

A decrease in our credit ratings could cause our borrowing costs to increase, which would increase our interest expense and could affect our net income, and our credit ratings could adversely affect our ability to obtain additional financing. If our financial performance or industry conditions worsen, we may face future downgrades, which could negatively impact our borrowing costs and the prices of our equity or debt securities. In addition, any downgrade of our credit ratings may indicate a decline in our business and in our ability to satisfy our obligations under our indebtedness.

Aircraft and Engine Purchase Commitments

As of June 30, 2015, we had definitive purchase agreements with Airbus, Boeing and other manufacturers for the acquisition of the following mainline and regional aircraft:

We also have agreements for 59 spare engines to be delivered in 2015 and beyond. Under all of our aircraft and engine purchase agreements, our total future commitments as of June 30, 2015 are expected to be as follows (approximately, in millions):

	<u>Remainder of 2015</u>	<u>2016</u>	<u>2017</u>	<u>2018</u>	<u>2019</u>	<u>2020 and Thereafter</u>	<u>Total</u>

(1) These amounts are net of purchase deposits currently held by the manufacturers and include all commitments for regional aircraft. American has granted Boeing a security interest in its purchase deposits with Boeing. Our purchase deposits totaled \$1.1 billion as of June 30, 2015.

Table of Contents

In April 2015, we amended our delivery agreement with Boeing to defer four 787 aircraft from 2016 to 2017 and one 787 aircraft from 2017 to 2018. On June 11, 2015, we amended our delivery agreement with Airbus to defer delivery of 10 A320neo family aircraft in 2017 and 25 A320neo family aircraft in 2018 to years 2021 through 2023. These deferrals are reflected in the table above.

As of June 30, 2015, we did not have financing commitments for the following aircraft currently on order and scheduled to be delivered through 2017: 60 Airbus A320 family aircraft, 28 Boeing 787 family aircraft, 13 Boeing 737 family aircraft, six Airbus A350 XWB aircraft, three Boeing 737 MAX family aircraft and three Boeing 777-300 ER aircraft. In addition, we did not have financing commitments in place for aircraft currently on order and scheduled to be delivered in 2018 and beyond. See Part II, Item 1A. Risk Factors – “*We will need to obtain sufficient financing or other capital to operate successfully.*”

Credit Card Processing

We have agreements with companies that process customer credit card transactions for the sale of air travel and other services. Credit card processors have financial risk associated with tickets purchased for travel because, although the processor generally forwards the cash related to the purchase to us soon after the purchase is completed, the air travel generally occurs after that time, and the processor may have liability if we do not ultimately provide the air travel. Our agreements allow these processing companies, under certain conditions, to hold an amount of our cash (referred to as a “holdback”) equal to a portion of advance ticket sales that have been processed by that company, but for which we have not yet provided the air transportation. We are not currently required to maintain any holdbacks pursuant to these requirements. Certain of our agreements provide that these holdback requirements can be modified at the discretion of the processing companies, up to the estimated liability for future air travel purchased with the respective credit cards, upon the occurrence of specified events, including material adverse changes in our financial condition. The amount that the processing companies may withhold also varies as a result of changes in financial risk due to seasonal fluctuations in ticket volume. Additional holdback requirements will reduce our liquidity in the form of unrestricted cash by the amount of the holdbacks.

Pension Funding Obligation

We are required to make minimum contributions to our defined benefit pension plans under the minimum funding requirements of Employee Retirement Income Security Act of 1974 (ERISA), the Pension Funding Equity Act of 2004, the Pension Protection Act of 2006, the Pension Relief Act of 2010 and the Moving Ahead for Progress in the 21st Century Act of 2012.

Based on our current funding assumptions, we have no minimum required contributions until 2019. Currently, our minimum funding obligation for our pension plans is subject to temporary favorable rules that are scheduled to expire at the end of 2017. Upon expiration of these rules, our funding obligations are likely to increase materially. The amount of these obligations will depend on the performance of our investments held in trust by the pension plans, interest rates for determining liabilities and our actuarial experience.

Labor Agreements

On January 3, 2015, we reached a tentative agreement with the Allied Pilots Association on a five-year joint collective bargaining agreement, which was ratified on January 30, 2015. The new, higher pay rates were implemented retroactive to December 2, 2014. We estimate that the ratified contract will increase our 2015 cost of pilot compensation and benefits by approximately \$650 million, of which \$99 million has been reflected as a special charge in the first six months of 2015 condensed consolidated financial statements.

Off-Balance Sheet Arrangements

An off-balance sheet arrangement is any transaction, agreement or other contractual arrangement involving an unconsolidated entity under which a company has (1) made guarantees, (2) a retained or a contingent interest in transferred assets, (3) an obligation under derivative instruments classified as equity or (4) any obligation arising out of a material variable interest in an unconsolidated entity that provides financing, liquidity, market risk or credit risk support to us, or that engages in leasing, hedging or research and development arrangements with us.

There have been no material changes in our off-balance sheet arrangements as set forth in our 2014 AAG Form 10-K.

Capital Raising Activity and Other Possible Actions

In light of our significant financial commitments related to, among other things, new aircraft and the servicing and amortization of existing debt and equipment leasing arrangements, we and our subsidiaries will regularly consider, and enter into negotiations related to, capital raising activity, which may include the entry into leasing transactions and future issuances of secured or unsecured debt obligations or additional equity securities in public or private offerings or otherwise. The cash available from operations and these sources, however, may not be sufficient to cover cash contractual obligations because economic factors may reduce the amount of cash generated by operations or increase costs. For instance, an economic downturn or general global instability caused by military actions, terrorism, disease outbreaks or natural disasters could reduce the demand for air travel, which would reduce the amount of cash generated by operations. An increase in costs, either due to an increase in borrowing costs caused by a reduction in credit ratings or a general increase in interest rates, or due to an increase in the cost of fuel, maintenance, or aircraft, aircraft engines or parts, could decrease the amount of cash available to cover cash contractual obligations. Moreover, the 2013 Credit Facilities, the 2014 Credit

[Table of Contents](#)

Facilities, the 2013 Citicorp Credit Facility and certain of our other financing arrangements contain significant minimum cash balance requirements. As a result, we cannot use all of our available cash to fund operations, capital expenditures and cash obligations without violating these requirements.

In the past, we have from time to time refinanced, redeemed or repurchased our debt and taken other steps to reduce or otherwise manage the aggregate amount and cost of our debt or lease obligations or otherwise improve our balance sheet. Going forward, depending on market conditions, our cash position and other considerations, we may continue to take such actions.

Critical Accounting Policies and Estimates

In the second quarter of 2015, there were no changes to our critical accounting policies and estimates from those disclosed in the consolidated financial statements and accompanying notes contained in our 2014 Form 10-K.

Recent Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, "Revenue from Contracts with Customers (Topic 606)." ASU 2014-09 completes the joint effort by the FASB and International Accounting Standards Board (IASB) to improve financial reporting by creating common revenue recognition guidance for GAAP and International Financial Reporting Standards (IFRS). ASU 2014-09 applies to all companies that enter into contracts with customers to transfer goods or services. ASU 2014-09 is effective for public entities for interim and annual reporting periods beginning after December 15, 2016. On July 9, 2015, the FASB deferred the effective date of this new standard to December 15, 2017 for public entities. Early application is permitted, but not before interim and annual reporting periods beginning after December 15, 2016. Entities have the choice to apply ASU 2014-09 either retrospectively to each reporting period presented or by recognizing the cumulative effect of applying ASU 2014-09 at the date of initial application and not adjusting comparative information. We are currently evaluating the requirements of ASU 2014-09 and have not yet determined its impact on our condensed consolidated financial statements.

In April 2015, the FASB issued ASU 2015-03, "Interest - Imputation of Interest (Subtopic 835-30): Simplifying the Presentation of Debt Issuance Costs." The update requires debt issuance costs related to a recognized debt liability to be presented in the balance sheet as a direct deduction from the carrying amount of the related debt liability instead of being presented as an asset. Debt disclosures will include the face amount of the debt liability and the effective interest rate. The update requires retrospective application and represents a change in accounting principle. The update is effective for fiscal years beginning after December 15, 2015. Early adoption is permitted for financial statements that have not been previously issued. ASU 2015-03 is not expected to have a material impact on our condensed consolidated financial statements.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

AAG's Market Risk Sensitive Instruments and Positions

Our primary market risk exposures include the price of aircraft fuel, foreign currency exchange rates and interest rate risk. Our exposure to these market risks has not changed materially from our exposure discussed in our 2014 10-K except as updated below.

Aircraft Fuel

During the second quarter of 2014, we sold our portfolio of fuel hedging contracts that were scheduled to settle on or after June 30, 2014. We have not entered into any transactions to hedge our fuel consumption since December 9, 2013 and, accordingly, as of June 30, 2015, we did not have any fuel hedging contracts outstanding to hedge our fuel consumption. As such, and assuming we do not enter into any future transactions to hedge our fuel consumption, we will continue to be fully exposed to fluctuations in fuel prices. Our current policy is not to enter into transactions to hedge our fuel consumption, although we review that policy from time to time based on market conditions and other factors. Our 2015 forecasted mainline and regional fuel consumption is presently approximately 4.3 billion gallons, and based on this forecast, a one cent per gallon increase in aviation fuel price would result in a \$43 million increase in annual expense.

Foreign Currency

We are exposed to the effect of foreign exchange rate fluctuations on the U.S. dollar value of foreign currency-denominated operating revenues and expenses. Our largest exposure comes from the British pound, Euro, Canadian dollar, Japanese yen and various Latin American currencies, particularly the Venezuelan bolivar, Brazilian real and Argentine peso. We do not currently have a foreign currency hedge program related to our foreign currency-denominated ticket sales.

Venezuela Cash and Short-term Investments

As of June 30, 2015, we had approximately \$629 million of unrestricted cash and short-term investments held in Venezuelan bolivars. This balance includes approximately \$621 million valued at 6.3 bolivars to the U.S. dollar and approximately \$8 million valued at 12.8 bolivars to the U.S. dollar, with the rate depending on the date we submitted our repatriation request to the Venezuelan government. These rates are materially more favorable than the exchange rates currently prevailing for other transactions conducted outside of the Venezuelan government's currency exchange system.

During 2014, we significantly reduced capacity in the Venezuelan market and we are no longer accepting bolivars as payment for airline tickets. We are monitoring this situation closely and continue to evaluate our holdings of Venezuelan bolivars for additional foreign currency losses or other accounting adjustments, which could be material, particularly in light of the additional uncertainty posed by the recent changes to the foreign exchange regulations and the continued deterioration of economic conditions in Venezuela. More generally, fluctuations in foreign currencies, including devaluations, cannot be predicted by us and can significantly affect the value of our assets located outside the United States. These conditions, as well as any further delays, devaluations or imposition of more stringent repatriation restrictions, may materially adversely affect our business, results of operations and financial condition. See Part II, Item 1A. Risk Factors – *"We operate a global business with international operations that are subject to economic and political instability and have been, and in the future may continue to be, adversely affected by numerous events, circumstances or government actions beyond our control"* for additional discussion of this and other currency risks.

American's Market Risk Sensitive Instruments and Positions

American's primary market risk exposures include the price of aircraft fuel, foreign currency exchange rates and interest rate risk. American's exposure to these market risks has not changed materially from its exposure discussed in its 2014 10-K except as updated below.

Aircraft Fuel

During the second quarter of 2014, American sold its portfolio of fuel hedging contracts that were scheduled to settle on or after June 30, 2014. American has not entered into any transactions to hedge its fuel consumption since December 9, 2013 and, accordingly, as of June 30, 2015, American did not have any fuel hedging contracts outstanding to hedge American's fuel consumption. As such, and assuming American does not enter into any future transactions to hedge its fuel consumption, American will continue to be fully exposed to fluctuations in fuel prices. American's current policy is not to enter into transactions to hedge its fuel consumption, although American reviews that policy from time to time based on market conditions and other factors. American's 2015 forecasted mainline and regional fuel consumption is presently approximately 2.8 billion gallons, and based on this forecast, a one cent per gallon increase in aviation fuel price would result in a \$28 million increase in annual expense.

Foreign Currency

American is exposed to the effect of foreign exchange rate fluctuations on the U.S. dollar value of foreign currency-denominated operating revenues and expenses. American's largest exposure comes from the British pound, Euro, Canadian dollar, Japanese yen and various Latin American currencies, particularly the Venezuelan bolivar, Brazilian real and Argentine peso. American does not currently have a foreign currency hedge program related to its foreign currency-denominated ticket sales.

Venezuela Cash and Short-term Investments

As of June 30, 2015, American had approximately \$629 million of unrestricted cash and short-term investments held in Venezuelan bolivars. This balance includes approximately \$621 million valued at 6.3 bolivars to the U.S. dollar and approximately \$8 million valued at 12.8 bolivars to the U.S. dollar, with the rate depending on the date American submitted its repatriation request to the Venezuelan government. These rates are materially more favorable than the exchange rates currently prevailing for other transactions conducted outside of the Venezuelan government's currency exchange system.

During 2014, American significantly reduced capacity in the Venezuelan market and is no longer accepting bolivars as payment for airline tickets. American is monitoring this situation closely and continues to evaluate its holdings of Venezuelan bolivars for additional foreign currency losses or other accounting adjustments, which could be material, particularly in light of the additional uncertainty posed by the recent changes to the foreign exchange regulations and the continued deterioration of economic conditions in Venezuela. More generally, fluctuations in foreign currencies, including devaluations, cannot be predicted by American and can significantly affect the value of American's assets located outside the United States. These conditions, as well as any further delays, devaluations or imposition of more stringent repatriation restrictions, may materially adversely affect American's business, results of operations and financial condition. See Part II, Item 1A. Risk Factors – *“We operate a global business with international operations that are subject to economic and political instability and have been, and in the future may continue to be, adversely affected by numerous events, circumstances or government actions beyond our control”* for additional discussion of this and other currency risks.

ITEM 4. CONTROLS AND PROCEDURES

Management's Evaluation of Disclosure Controls and Procedures

The term "disclosure controls and procedures" is defined in Rules 13a-15(e) and 15d-15(e) of the Exchange Act. This term refers to the controls and procedures of a company that are designed to ensure that information required to be disclosed by a company in the reports that it files under the Exchange Act is recorded, processed, summarized and reported within the time periods specified by the SEC. An evaluation of the effectiveness of AAG's and American's disclosure controls and procedures as of June 30, 2015 was performed under the supervision and with the participation of AAG's and American's management, including AAG's and American's Chief Executive Officer (CEO) and Chief Financial Officer (CFO). Based on that evaluation, AAG's and American's management, including AAG's and American's CEO and CFO, concluded that AAG's and American's disclosure controls and procedures were effective as of June 30, 2015.

Changes in Internal Control over Financial Reporting

On December 9, 2013, AAG acquired US Airways Group and its subsidiaries. We are in the process of integrating policies, processes, people, technology and operations for the post-Merger combined company, and we will continue to evaluate the impact of any related changes to our internal control over financial reporting. Except for any changes in internal controls related to the integration of US Airways Group and its subsidiaries into the post-Merger combined company, including the related adoption of common financial reporting and internal control practices for the combined company and associated updates and improvements to the combined control environment, during the quarter ended June 30, 2015, there has been no change in AAG's or American's internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, AAG's and American's internal control over financial reporting.

Limitation on the Effectiveness of Controls

We believe that a controls system, no matter how well designed and operated, cannot provide absolute assurance that the objectives of the controls system are met, and no evaluation of controls can provide absolute assurance that all control issues and instances of fraud, if any, within a company have been detected. Our disclosure controls and procedures are designed to provide reasonable assurance of achieving their objectives, and the CEO and CFO of AAG and American believe that our disclosure controls and procedures were effective at the "reasonable assurance" level as of June 30, 2015.

PART II: OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

Chapter 11 Cases. As previously disclosed, on the Petition Date, November 29, 2011, the Debtors filed the Chapter 11 Cases. On October 21, 2013, the Bankruptcy Court entered the Confirmation Order confirming the Plan. On the Effective Date, December 9, 2013, the Debtors consummated their reorganization pursuant to the Plan, principally through the transactions contemplated by the Merger Agreement pursuant to which Merger Sub merged with and into US Airways Group, with US Airways Group surviving as a wholly-owned subsidiary of AAG. From the Petition Date through the Effective Date, pursuant to automatic stay provisions under the Bankruptcy Code and orders granted by the Bankruptcy Court, actions to enforce or otherwise effect repayment of liabilities preceding the Petition Date as well as all pending litigation against the Debtors generally were stayed. Following the Effective Date, actions to enforce or otherwise effect repayment of liabilities preceding the Petition Date, generally have been permanently enjoined. Any unresolved claims will continue to be subject to the claims reconciliation process under the supervision of the Bankruptcy Court. However, certain pending litigation related to pre-petition liabilities may proceed in courts other than the Bankruptcy Court to determine the amount, if any, of such litigation claims for purposes of treatment under the Plan.

Pursuant to rulings of the Bankruptcy Court, the Plan established the Disputed Claims Reserve to hold shares of AAG Common Stock reserved for issuance to disputed claimholders at the Effective Date that ultimately become holders of allowed Single-Dip Unsecured Claims. The shares provided for under the Plan were determined based upon a Disputed Claims Reserve amount of claims of approximately \$755 million, representing the maximum amount of additional distributions to subsequently allowed Single-Dip Unsecured Claims under the Plan. As of December 31, 2014, the Disputed Claims Reserve held 26.8 million shares of AAG Common Stock pending distribution of those shares in accordance with the Plan. On February 10, 2015, approximately 0.8 million shares of AAG Common Stock held in the Disputed Claims Reserve were distributed to holders of allowed Single-Dip Unsecured Claims, to holders of certain labor-related deemed claims, and to holders of certain non-management, non-union employee deemed claims as specified in the Plan, and we repurchased less than 0.1 million shares of AAG Common Stock for an aggregate of \$4 million from the Disputed Claims Reserve at the then-prevailing market price in order to fund cash tax obligations resulting from this distribution. As of June 30, 2015, there were approximately 26.0 million shares of AAG Common Stock remaining in the Disputed Claims Reserve. On July 14, 2015, approximately 0.6 million shares of AAG Common Stock held in the Disputed Claims Reserve were distributed to holders of allowed Single-Dip Unsecured Claims, to holders of certain labor-related deemed claims, and to holders of certain non-management, non-union employee deemed claims as specified in the Plan, and we repurchased less than 0.1 million shares of AAG Common Stock for an aggregate of \$2 million from the Disputed Claims Reserve at the then-prevailing market price in order to fund cash tax obligations resulting from this distribution. As disputed claims are resolved, the claimants will receive distributions of shares from the Disputed Claims Reserve on the same basis as if such distributions had been made on or about the Effective Date. However, we are not required to distribute additional shares above the limits contemplated by the Plan, even if the shares remaining for distribution are not sufficient to fully pay any additional allowed unsecured claims. To the extent that any of the reserved shares remain undistributed upon resolution of all remaining disputed claims, such shares will not be returned to us but rather will be distributed to former AMR shareholders as of the Effective Date. However, resolution of disputed claims could have a material effect on recoveries by holders of additional allowed Single-Dip Unsecured Claims under the Plan and the amount of additional share distributions, if any, that are made to former AMR shareholders as the total number of shares of AAG Common Stock that remain available for distribution upon resolution of disputed claims is limited pursuant to the Plan.

There is also pending in the Bankruptcy Court an adversary proceeding relating to an action brought by American to seek a determination that certain non-pension, post-employee benefits (OPEB) are not vested benefits and thus may be modified or terminated without liability to American. On April 18, 2014, the Bankruptcy Court granted American's motion for summary judgment with respect to certain non-union employees, concluding that their benefits were not vested and could be terminated. The summary judgment motion was denied with respect to all other retirees. The Bankruptcy Court has not yet scheduled a trial on the merits concerning whether those retirees' benefits are vested, and American cannot predict whether it will receive relief from obligations to provide benefits to any of those retirees. Our financial statements presently reflect these retirement programs without giving effect to any modification or termination of benefits that may ultimately be implemented based upon the outcome of this proceeding. Separately, both the Association of Professional Flight Attendants and Transport Workers Union have filed grievances asserting that American was "successful" in its Chapter 11 with respect to matters related to OPEB and, accordingly, by operation of the underlying collective bargaining agreements, American's prior contributions to certain OPEB prefunding trusts attributable to active employees should be returned to those active employees. These amounts aggregate approximately \$212 million. We have denied both grievances and intend to defend these matters vigorously.

DOJ Civil Investigative Demand. In June 2015, we received a Civil Investigative Demand (CID) from the United States Department of Justice (DOJ) as part of an investigation into whether there have been illegal agreements or coordination of air passenger capacity. The CID seeks documents and other information from us, and other airlines have announced that they have received similar requests. We intend to cooperate fully with the DOJ investigation. In addition, subsequent to announcement of the delivery of CIDs by the DOJ, we, along with Delta Air Lines, Inc., Southwest Airlines Co., United Airlines, Inc. and, in the case of

[Table of Contents](#)

litigation filed in Canada, Air Canada, have been named as defendants in a number of putative class action lawsuits alleging unlawful agreements with respect to air passenger capacity. The U.S. lawsuits are the subject of multiple motions to consolidate them in a single forum. Both the DOJ process and these lawsuits are in their very early stages and we intend to defend the lawsuits vigorously.

Private Party Antitrust Action. On July 2, 2013, a lawsuit captioned Carolyn Fjord, et al., v. US Airways Group, Inc., et al., was filed in the United States District Court for the Northern District of California. The complaint named as defendants US Airways Group and US Airways, and alleged that the effect of the Merger may be to substantially lessen competition or tend to create a monopoly in violation of Section 7 of the Clayton Antitrust Act. The relief sought in the complaint included an injunction against the Merger, or divestiture. On August 6, 2013, the plaintiffs re-filed their complaint in the Bankruptcy Court, adding AMR and American as defendants, and on October 2, 2013, dismissed the initial California action. The Bankruptcy Court denied plaintiffs' motion to preliminarily enjoin the Merger. On January 10, 2014, the plaintiffs moved to amend their complaint to add additional factual allegations, a claim for money damages and a request for preliminary injunctive relief requiring the carriers to hold separate their assets. On March 14, 2014, the Court allowed plaintiffs to add certain allegations but denied plaintiffs' requests to add a damages claim or seek preliminary injunctive relief requiring the carriers to hold separate their assets. On June 2, 2014, plaintiffs filed an amended motion for leave to file a second amended and supplemental complaint. On March 31, 2015, the Court denied plaintiffs' motion. There is currently no trial date set. We believe this lawsuit is without merit and intend to vigorously defend against the allegations.

US Airways Sabre Matter. On April 21, 2011, US Airways filed an antitrust lawsuit against Sabre Holdings Corporation, Sabre Inc. and Sabre Travel International Limited (collectively, Sabre) in the Federal District Court for the Southern District of New York. The lawsuit, as amended to date, alleges, among other things, that Sabre has engaged in anticompetitive practices to preserve its market power by restricting our ability to distribute our products to our customers. The lawsuit also alleges that these actions have permitted Sabre to charge supracompetitive booking fees and to use technologies that are not as robust and as efficient as alternatives in a competitive market. The lawsuit seeks money damages. Sabre filed a motion to dismiss the case, which the court denied in part and granted in part in September 2011, allowing two of the four counts in the complaint to proceed. In January 2015, the court denied in part and granted in part Sabre's motions for summary judgment. A trial date is expected to be set soon. We intend to pursue our claims against Sabre vigorously, but there can be no assurance of the outcome of this litigation.

General. We and our subsidiaries are also engaged in other legal proceedings from time to time. Legal proceedings can be complex and take many months, or even years, to reach resolution, with the final outcome depending on a number of variables, some of which are not within our control. Therefore, although we will vigorously defend ourselves in each of the actions described above and such other legal proceedings, their ultimate resolution and potential financial and other impacts on us are uncertain.

ITEM 1A. RISK FACTORS

Below are certain risk factors that may affect our business, results of operations and financial condition, or the trading price of our common stock or our other securities. We caution the reader that these risk factors may not be exhaustive. We operate in a continually changing business environment, and new risks and uncertainties emerge from time to time. Management cannot predict such new risks and uncertainties, nor can it assess the extent to which any of the risk factors below or any such new risks and uncertainties, or any combination thereof, may impact our business.

Risk Factors Relating to the Company and Industry-Related Risks

We could experience significant operating losses in the future.

For a number of reasons, including those addressed in these risk factors, we might fail to maintain profitability and might experience significant losses. In particular, the condition of the economy, the level and volatility of fuel prices, the state of travel demand and intense competition in the airline industry have had and will continue to have an impact on our operating results, and may increase the risk that we will experience losses.

Downturns in economic conditions adversely affect our business.

Due to the discretionary nature of business and leisure travel spending, airline industry revenues are heavily influenced by the condition of the U.S. economy and economies in other regions of the world. Unfavorable conditions in these broader economies have resulted, and may result in the future, in decreased passenger demand for air travel and changes in booking practices, both of which in turn have had, and may have in the future, a strong negative effect on our revenues. In addition, during challenging economic times, actions by our competitors to increase their revenues can have an adverse impact on our revenues. See "*The airline industry is intensely competitive and dynamic*" below. Certain labor agreements to which we are a party limit our ability to reduce the number of aircraft in operation, and the utilization of such aircraft, below certain levels. As a result, we may not be able to optimize the number of aircraft in operation in response to a decrease in passenger demand for air travel.

Our business is dependent on the price and availability of aircraft fuel. Continued periods of high volatility in fuel costs, increased fuel prices and significant disruptions in the supply of aircraft fuel could have a significant negative impact on our operating results and liquidity.

Our operating results are materially impacted by changes in the availability, price volatility and cost of aircraft fuel, which represents one of the largest single cost items in our business. Jet fuel market prices have fluctuated substantially over the past several years and continue to be volatile.

Because of the amount of fuel needed to operate our business, even a relatively small increase in the price of fuel can have a material adverse aggregate effect on our operating results and liquidity. Due to the competitive nature of the airline industry and unpredictability of the market, we can offer no assurance that we may be able to increase our fares, impose fuel surcharges or otherwise increase revenues sufficiently to offset fuel price increases.

Although we are currently able to obtain adequate supplies of aircraft fuel, we cannot predict the future availability, price volatility or cost of aircraft fuel. Natural disasters, political disruptions or wars involving oil-producing countries, changes in fuel-related governmental policy, the strength of the U.S. dollar against foreign currencies, changes in access to petroleum product pipelines and terminals, speculation in the energy futures markets, changes in aircraft fuel production capacity, environmental concerns and other unpredictable events may result in fuel supply shortages, additional fuel price volatility and cost increases in the future.

We have a large number of older aircraft in our fleet, and these aircraft are not as fuel efficient as more recent models of aircraft, including those we have on order. We intend to continue to execute our fleet renewal plans to, among other things, improve the fuel efficiency of our fleet, and we are dependent on a limited number of major aircraft manufacturers to deliver aircraft on schedule. If we experience delays in delivery of the more fuel efficient aircraft that we have on order, we will be adversely affected.

Our aviation fuel purchase contracts generally do not provide meaningful price protection against increases in fuel costs. Prior to the closing of the Merger, we sought to manage the risk of fuel price increases by using derivative contracts. During the second quarter of 2014, we sold our portfolio of fuel hedging contracts that were scheduled to settle on or after June 30, 2014. We have not entered into any transactions to hedge our fuel consumption since December 9, 2013 and, accordingly, as of June 30, 2015, we did not have any fuel hedging contracts outstanding. As such, and assuming we do not enter into any future transactions to hedge our fuel consumption, we will continue to be fully exposed to fluctuations in fuel prices. Our current policy is not to enter into transactions to hedge our fuel consumption, although we review that policy from time to time based on market conditions and other factors.

There can be no assurance that, at any given time, we will have derivatives in place to provide any particular level of protection against increased fuel costs or that our counterparties will be able to perform under our derivative contracts. To the extent we use derivative contracts that have the potential to create an obligation to pay upon settlement if prices decline significantly, such derivative contracts may limit our ability to benefit from lower fuel costs in the future. Also, a rapid decline in the projected price of fuel at a time when we have fuel hedging contracts in place could adversely impact our short-term liquidity, because hedge counterparties could require that we post collateral in the form of cash or letters of credit. See also the discussion in Part I, Item 3. Quantitative and Qualitative Disclosures About Market Risk – “AAG Market Risk Sensitive Instruments and Positions – Aircraft Fuel” and “American Airlines Market Risk Sensitive Instruments and Positions – Aircraft Fuel.”

The airline industry is intensely competitive and dynamic.

Our competitors include other major domestic airlines and foreign, regional and new entrant airlines, as well as joint ventures formed by some of these airlines, many of which have more financial or other resources and/or lower cost structures than ours, as well as other forms of transportation, including rail and private automobiles. In many of our markets we compete with at least one low-cost air carrier. Our revenues are sensitive to the actions of other carriers in many areas including pricing, scheduling, capacity and promotions, which can have a substantial adverse impact not only on our revenues, but on overall industry revenues. These factors may become even more significant in periods when the industry experiences large losses, as airlines under financial stress, or in bankruptcy, may institute pricing structures intended to achieve near-term survival rather than long-term viability.

Low-cost carriers have a profound impact on industry revenues. Using the advantage of low unit costs, these carriers offer lower fares in order to shift demand from larger, more established airlines. Some low-cost carriers, which have cost structures lower than ours, have better recent financial performance and have announced growth strategies including commitments to acquire significant numbers of aircraft for delivery in the next few years. These low-cost carriers are expected to continue to increase their market share through growth and, potentially, consolidation, and could continue to have an impact on our overall performance. For example, as a result of divestitures completed in connection with gaining regulatory approval for the Merger, low-fare, low-cost carriers have gained additional access in a number of markets, including DCA, a Slot-controlled airport. In addition, the Wright Amendment Reform Act reduced, and has now eliminated all, domestic non-stop geographic restrictions on operations by Southwest Airlines and other carriers at Dallas Love Field (DAL). The two gates at DAL that we divested as part of our settlement of antitrust litigation related to the Merger have been allocated to Virgin America, a low-cost carrier. The changed operating rules at DAL and that divestiture have increased low-cost carrier competition for our hub at Dallas/Fort Worth (DFW). The actions of the low-cost carriers, including those described above, could have a material adverse effect on our operations and financial performance.

[Table of Contents](#)

Our presence in international markets is not as extensive as that of some of our competitors. We derived approximately 33% of our operating revenues in 2014 from operations outside of the U.S., as measured and reported to the DOT. In providing international air transportation, we compete with U.S. airlines to provide scheduled passenger and cargo service between the U.S. and various overseas locations, foreign investor-owned airlines, and foreign state-owned or state-affiliated airlines, including carriers based in the Middle East, the three largest of which we believe benefit from significant government subsidies. In addition, open skies agreements with an increasing number of countries around the world provide international airlines with open access to U.S. markets. During 2014, international capacity grew more quickly than domestic service creating a very competitive operating environment. See “*Our business is subject to extensive government regulation, which may result in increases in our costs, disruptions to our operations, limits on our operating flexibility, reductions in the demand for air travel, and competitive disadvantages*” below.

Certain airline alliances have been, or may in the future be, granted immunity from antitrust regulations by governmental authorities for specific areas of cooperation, such as joint pricing decisions. To the extent alliances formed by our competitors can undertake activities that are not available to us, our ability to effectively compete may be hindered. Our ability to attract and retain customers is dependent upon, among other things, our ability to offer our customers convenient access to desired markets. Our business could be adversely affected if we are unable to maintain or obtain alliance and marketing relationships with other air carriers in desired markets.

We have implemented a joint business agreement (JBA) with British Airways, Iberia and Finnair, and antitrust-immunized cooperation with British Airways, Iberia, Finnair and Royal Jordanian. In addition, we have implemented an antitrust-immunized JBA with Japan Airlines and a JBA with Qantas Airways. No assurances can be given as to any benefits that we may derive from such arrangements or any other arrangements that may ultimately be implemented.

Additional mergers and other forms of industry consolidation, including antitrust immunity grants, may take place and may not involve us as a participant. Depending on which carriers combine and which assets, if any, are sold or otherwise transferred to other carriers in connection with such combinations, our competitive position relative to the post-combination carriers or other carriers that acquire such assets could be harmed. In addition, as carriers combine through traditional mergers or antitrust immunity grants, their route networks will grow, and that growth will result in greater overlap with our network, which in turn could result in lower overall market share and revenues for us. Such consolidation is not limited to the U.S., but could include further consolidation among international carriers in Europe and elsewhere.

We may be unable to integrate operations successfully and realize the anticipated synergies and other benefits of the Merger.

The Merger involves the combination of two companies that operated as independent public companies prior to the Merger, and each of which operated its own international network airline. Historically, the integration of separate airlines has often proven to be more time consuming and to require more resources than initially estimated. Although we received a single operating certificate from the FAA for American and US Airways on April 8, 2015, we must devote significant management attention and resources to integrating our business practices, cultures and operations. Potential difficulties we may encounter as part of the integration process include the following:

- the inability to successfully combine our businesses in a manner that permits us to achieve the synergies and other benefits anticipated to result from the Merger;
- the challenge of integrating complex systems, operating procedures, regulatory compliance programs, technology, aircraft fleets, networks, and other assets in a manner that minimizes any adverse impact on customers, suppliers, employees, and other constituencies;
- the effects of divestitures and other operational commitments in connection with the settlement of the litigation brought by the Department of Justice (DOJ) and certain states prior to the closing of the Merger, including those involving DAL and DCA;
- the challenge of forming and maintaining an effective and cohesive management team;
- the diversion of the attention of our management and other key employees;
- the challenge of integrating workforces while maintaining focus on providing consistent, high quality customer service and running an efficient operation;

Table of Contents

- the risks relating to integrating various computer, communications and other technology systems, including designing and implementing an integrated customer reservations system, that will be necessary to operate American and US Airways as a single airline and to achieve cost synergies by eliminating redundancies in the businesses;
- the disruption of, or the loss of momentum in, our ongoing business;
- branding or rebranding initiatives may involve substantial costs and may not be favorably received by customers; and
- potential unknown liabilities, liabilities that are significantly larger than we currently anticipate and unforeseen increased expenses or delays associated with the Merger, including costs in excess of the cash transition costs that we currently anticipate.

See “*We face challenges in integrating our computer, communications and other technology systems*” below.

Accordingly, we may not be able to realize the contemplated benefits of the Merger fully, or at all, or it may take longer and cost more to realize such benefits than expected.

Our indebtedness and other obligations are substantial and could adversely affect our business and liquidity.

We have significant amounts of indebtedness and other obligations, including pension obligations, obligations to make future payments on flight equipment and property leases, and substantial non-cancelable obligations under aircraft and related spare engine purchase agreements. Moreover, currently a substantial portion of our assets are pledged to secure our indebtedness. Our substantial indebtedness and other obligations could have important consequences. For example, they:

- may make it more difficult for us to satisfy our obligations under our indebtedness;
- may limit our ability to obtain additional funding for working capital, capital expenditures, acquisitions, investments, integration costs, and general corporate purposes, and adversely affect the terms on which such funding can be obtained;
- require us to dedicate a substantial portion of our cash flow from operations to payments on our indebtedness and other obligations, thereby reducing the funds available for other purposes;
- make us more vulnerable to economic downturns, industry conditions and catastrophic external events;
- limit our ability to respond to business opportunities and to withstand operating risks that are customary in the industry; and
- contain restrictive covenants that could:
 - limit our ability to merge, consolidate, sell assets, incur additional indebtedness, issue preferred stock, make investments and pay dividends;
 - significantly constrain our ability to respond, or respond quickly, to unexpected disruptions in our own operations, the U.S. or global economies, or the businesses in which we operate, or to take advantage of opportunities that would improve our business, operations, or competitive position versus other airlines;
 - limit our ability to withstand competitive pressures and reduce our flexibility in responding to changing business and economic conditions; and
 - result in an event of default under our indebtedness.

We will need to obtain sufficient financing or other capital to operate successfully.

Our business plan contemplates significant investments in modernizing our fleet and integrating American and US Airways businesses. Significant capital resources will be required to execute this plan. We estimate that, based on our commitments as of June 30, 2015, our planned aggregate expenditures for aircraft purchase commitments and certain engines on a consolidated basis for calendar years 2015-2019 would be approximately \$18.0 billion, of which \$15.5 billion represents commitments by American. We also currently anticipate cash transition costs to integrate our businesses following the Merger to be approximately \$1.2 billion, although these costs could exceed our expectations. Accordingly, we will need substantial financing or other capital resources. In addition, as of the date of this report, we had not secured financing commitments for some of the aircraft that we have on order, and we cannot be assured of the availability or cost of that financing. In particular, as of June 30, 2015, we did not have financing commitments for the following aircraft currently on order and scheduled to be delivered through 2017: 60 Airbus A320 family aircraft, 28 Boeing 787 family aircraft, 13 Boeing 737 family aircraft, six Airbus A350 XWB aircraft, three Boeing 737 MAX family aircraft and three Boeing 777-300 ER aircraft. In addition, we did not have financing commitments in place for aircraft currently on order and

Table of Contents

scheduled to be delivered in 2018 and beyond. The number of aircraft for which we do not have financing may change as we exercise purchase options or otherwise change our purchase and delivery schedules. If we are unable to arrange financing for such aircraft at customary advance rates and on terms and conditions acceptable to us, we may need to use cash from operations or cash on hand to purchase such aircraft or may seek to negotiate deferrals for such aircraft with the aircraft manufacturers. Depending on numerous factors, many of which are out of our control, such as the state of the domestic and global economies, the capital and credit markets' view of our prospects and the airline industry in general, and the general availability of debt and equity capital at the time we seek capital, the financing or other capital resources that we will need may not be available to us, or may only be available on onerous terms and conditions. There can be no assurance that we will be successful in obtaining financing or other needed sources of capital to operate successfully. An inability to obtain necessary financing on acceptable terms would have a material adverse impact on our business, results of operations and financial condition.

Increased costs of financing, a reduction in the availability of financing and fluctuations in interest rates could adversely affect our liquidity, results of operations and financial condition.

Concerns about the systemic impact of inflation, the availability and cost of credit, energy costs and geopolitical issues, combined with continued changes in business activity levels and consumer confidence, increased unemployment and volatile oil prices, have in the past and may in the future contribute to volatility in the capital and credit markets. These market conditions could result in illiquid credit markets and wider credit spreads. Any such changes in the domestic and global financial markets may increase our costs of financing and adversely affect our ability to obtain financing needed for the acquisition of aircraft that we have contractual commitments to purchase and for other types of financings we may seek in order to refinance debt maturities, raise capital or fund other types of obligations. Any downgrades to our credit rating may likewise increase the cost and reduce the availability of financing.

Further, a substantial portion of our indebtedness bears interest at fluctuating interest rates, primarily based on the London interbank offered rate for deposits of U.S. dollars (LIBOR). LIBOR tends to fluctuate based on general economic conditions, general interest rates, rates set by the Federal Reserve and other central banks, and the supply of and demand for credit in the London interbank market. We have not hedged our interest rate exposure with respect to our 2013 Credit Facilities, the 2013 Citicorp Credit Facility, the 2014 Credit Facility and other of our floating rate debt, and accordingly, our interest expense for any particular period may fluctuate based on LIBOR and other variable interest rates. To the extent these interest rates increase, our interest expense will increase, in which event we may have difficulties making interest payments and funding our other fixed costs, and our available cash flow for general corporate requirements may be adversely affected.

Our high level of fixed obligations may limit our ability to fund general corporate requirements and obtain additional financing, may limit our flexibility in responding to competitive developments and causes our business to be vulnerable to adverse economic and industry conditions.

We have a significant amount of fixed obligations, including debt, pension costs, aircraft leases and financings, aircraft purchase commitments, leases and developments of airport and other facilities and other cash obligations. We also have certain guaranteed costs associated with our regional operations.

As a result of the substantial fixed costs associated with these obligations:

- a decrease in revenues results in a disproportionately greater percentage decrease in earnings;
- we may not have sufficient liquidity to fund all of these fixed obligations if our revenues decline or costs increase; and
- we may have to use our working capital to fund these fixed obligations instead of funding general corporate requirements, including capital expenditures.

These obligations also impact our ability to obtain additional financing, if needed, and our flexibility in the conduct of our business, and could materially adversely affect our liquidity, results of operations and financial condition.

We have significant pension and other post-employment benefit funding obligations, which may adversely affect our liquidity, results of operations and financial condition.

Our pension funding obligations are significant. The amount of these obligations will depend on the performance of investments held in trust by the pension plans, interest rates for determining liabilities and actuarial experience. Currently, our minimum funding obligation for our pension plans is subject to temporary favorable rules that are scheduled to expire at the end of 2017. Upon the expiration of those rules, our funding obligations are likely to increase materially. In addition, we may have significant obligations for other post-employment benefits, the ultimate amount of which depends on, among other things, the outcome of an adversary proceeding related to retiree medical and life insurance obligations filed in the Chapter 11 cases.

Any failure to comply with the covenants contained in our financing arrangements may have a material adverse effect on our business, results of operations and financial condition.

The terms of our 2013 Credit Facilities, the 2013 Citicorp Credit Facility and the 2014 Credit Facilities require us to ensure that AAG and its restricted subsidiaries maintain consolidated unrestricted cash and cash equivalents and amounts available to be drawn under revolving credit facilities in an aggregate amount not less than \$2.0 billion, and the 2013 Citicorp Credit Facility also requires us and the other obligors thereunder to hold not less than \$750 million (subject to partial reductions upon certain reductions in the outstanding amount of the loan) of that amount in accounts subject to control agreements.

Our ability to comply with these liquidity covenants while paying the fixed costs associated with our contractual obligations and our other expenses, including significant pension and other post-employment funding obligations and cash transition costs associated with the Merger, will depend on our operating performance and cash flow, which are seasonal, as well as factors including fuel costs and general economic and political conditions.

In addition, our credit facilities and certain other financing arrangements include covenants that, among other things, limit our ability to pay dividends and make certain other payments, make certain investments, incur additional indebtedness, enter into certain affiliate transactions and engage in certain business activities, in each case subject to certain exceptions.

The factors affecting our liquidity (and our ability to comply with related liquidity and other covenants) will remain subject to significant fluctuations and uncertainties, many of which are outside our control. Any breach of our liquidity and other covenants or failure to timely pay our obligations could result in a variety of adverse consequences, including the acceleration of our indebtedness, the withholding of credit card proceeds by our credit card processors and the exercise of remedies by our creditors and lessors. In such a situation, we may not be able to fulfill our contractual obligations, repay the accelerated indebtedness, make required lease payments or otherwise cover our fixed costs.

If our financial condition worsens, provisions in our credit card processing and other commercial agreements may adversely affect our liquidity.

We have agreements with companies that process customer credit card transactions for the sale of air travel and other services. These agreements allow these processing companies, under certain conditions (including, with respect to certain agreements, the failure of American to maintain certain levels of liquidity) to hold an amount of our cash (a holdback) equal to some or all of the advance ticket sales that have been processed by that company, but for which we have not yet provided the air transportation. We are not currently required to maintain any holdbacks pursuant to these requirements. These holdback requirements can be modified at the discretion of the processing companies upon the occurrence of specific events, including material adverse changes in our financial condition. An increase in the current holdback balances to higher percentages up to and including 100% of relevant advanced ticket sales could materially reduce our liquidity. Likewise, other of our commercial agreements contain provisions that allow other entities to impose less favorable terms, including the acceleration of amounts due, in the event of material adverse changes in our financial condition.

Union disputes, employee strikes and other labor-related disruptions may adversely affect our operations.

Relations between air carriers and labor unions in the U.S. are governed by the Railway Labor Act (RLA). Under the RLA, collective bargaining agreements generally contain “amendable dates” rather than expiration dates, and the RLA requires that a carrier maintain the existing terms and conditions of employment following the amendable date through a multi-stage and usually lengthy series of bargaining processes overseen by the National Mediation Board (NMB).

In the case of a CBA that is amendable under the RLA, if no agreement is reached during direct negotiations between the parties, either party may request that the NMB appoint a federal mediator. The RLA prescribes no timetable for the direct negotiation and mediation processes, and it is not unusual for those processes to last for many months or even several years. If no agreement is reached in mediation, the NMB in its discretion may declare that an impasse exists and proffer binding arbitration to the parties. Either party may decline to submit to arbitration, and if arbitration is rejected by either party, a 30-day “cooling off” period commences. During or after that period, a Presidential Emergency Board (PEB) may be established, which examines the parties’ positions and recommends a solution. The PEB process lasts for 30 days and is followed by another 30-day “cooling off” period. At the end of a “cooling off” period, unless an agreement is reached or action is taken by Congress, the labor organization may exercise “self-help,” such as a strike, which could materially adversely affect our business, results of operations and financial condition.

None of the unions representing our employees presently may lawfully engage in concerted refusals to work, such as strikes, slow-downs, sick-outs or other similar activity, against us. Nonetheless, there is a risk that disgruntled employees, either with or without union involvement, could engage in one or more concerted refusals to work that could individually or collectively harm the operation of our airline and impair our financial performance. See Part I, Item 1. Business – “*Employees and Labor Relations*” in our 2014 10-K.

The inability to maintain labor costs at competitive levels would harm our financial performance.

Currently, we believe our labor costs are competitive relative to the other large network carriers. However, we cannot provide assurance that labor costs going forward will remain competitive because some of our agreements are amendable now and others may become amendable, competitors may significantly reduce their labor costs or we may agree to higher-cost provisions in our current or future labor negotiations. As of December 31, 2014, approximately 82% of our employees were represented for collective bargaining purposes by labor unions. Some of our unions have brought and may continue to bring grievances to binding arbitration, including those related to wages. Unions may also bring court actions and may seek to compel us to engage in bargaining processes where we believe we have no such obligation. If successful, there is a risk these judicial or arbitral avenues could create material additional costs that we did not anticipate.

Interruptions or disruptions in service at one of our hub airports could have a material adverse impact on our operations.

We operate principally through hubs in Charlotte, Chicago, Dallas/Fort Worth, Los Angeles, Miami, New York City, Philadelphia, Phoenix and Washington, D.C. Substantially all of our flights either originate in or fly into one of these locations. A significant interruption or disruption in service at one of our hubs resulting from ATC delays, weather conditions, natural disasters, growth constraints, relations with third-party service providers, failure of computer systems, facility disruptions, labor relations, power supplies, fuel supplies, terrorist activities or otherwise could result in the cancellation or delay of a significant portion of our flights and, as a result, could have a severe impact on our business, results of operations and financial condition.

Ongoing data security compliance requirements could increase our costs, and any significant data breach could disrupt our operations and harm our reputation, business, results of operations and financial condition.

Our business requires the appropriate and secure utilization of customer, employee, business partner and other sensitive information. We cannot be certain that advances in criminal capabilities (including cyber-attacks or cyber intrusions over the Internet, malware, computer viruses and the like), discovery of new vulnerabilities or attempts to exploit existing vulnerabilities in our systems, other data thefts, physical system or network break-ins or inappropriate access, or other developments will not compromise or breach the technology protecting the networks that access and store sensitive information. The risk of a security breach or disruption, particularly through cyber-attack or cyber intrusion, including by computer hackers, foreign governments and cyber terrorists, has increased as the number, intensity and sophistication of attempted attacks and intrusions from around the world have increased. Furthermore, there has been heightened legislative and regulatory focus on data security in the U.S. and abroad (particularly in the EU), including requirements for varying levels of customer notification in the event of a data breach.

In addition, many of our commercial partners, including credit card companies, have imposed data security standards that we must meet. In particular, we are required by the Payment Card Industry Security Standards Council, founded by the credit card companies, to comply with their highest level of data security standards. While we continue our efforts to meet these standards, new and revised standards may be imposed that may be difficult for us to meet and could increase our costs.

A significant data security breach or our failure to comply with applicable U.S. or foreign data security regulations or other data security standards may expose us to litigation, claims for contract breach, fines, sanctions or other penalties, which could disrupt our operations, harm our reputation and materially and adversely affect our business, results of operations and financial condition. Failure to address these issues appropriately could also give rise to additional legal risks, which, in turn, could increase the size and number of litigation claims and damages asserted or subject us to enforcement actions, fines and penalties and cause us to incur further related costs and expenses.

If we are unable to obtain and maintain adequate facilities and infrastructure throughout our system and, at some airports, adequate Slots, we may be unable to operate our existing flight schedule and to expand or change our route network in the future, which may have a material adverse impact on our operations.

In order to operate our existing and proposed flight schedule and, where appropriate, add service along new or existing routes, we must be able to maintain and/or obtain adequate gates, ticketing facilities, operations areas, and office space. As airports around the world become more congested, we will not always be able to ensure that our plans for new service can be implemented in a commercially viable manner, given operating constraints at airports throughout our network, including due to inadequate facilities at desirable airports. Further, our operating costs at airports at which we operate, including our hubs, may increase significantly because of capital improvements at such airports that we may be required to fund, directly or indirectly. In some circumstances, such costs could be imposed by the relevant airport authority without our approval.

In addition, operations at four major domestic airports, certain smaller domestic airports and certain foreign airports served by us are regulated by governmental entities through the use of Slots or similar regulatory mechanisms which limit the rights of carriers to conduct operations at those airports. Each Slot represents the authorization to land at or take-off from the particular airport during a specified time period and may have other operational restrictions as well. In the U.S., the FAA currently regulates the allocation of

Table of Contents

Slot or Slot exemptions at DCA and three New York City airports: Newark Liberty, JFK and LaGuardia. Our operations at these airports generally require the allocation of Slots or similar regulatory authority. Similarly, our operations at international airports in Frankfurt, London Heathrow, Paris and other airports outside the U.S. are regulated by local Slot authorities pursuant to the International Air Transport Association's Worldwide Scheduling Guidelines and applicable local law. We cannot provide any assurance that regulatory changes regarding the allocation of Slots or similar regulatory authority will not have a material adverse impact on our operations.

In connection with the settlement of litigation relating to the Merger brought by the DOJ and certain states, we entered into settlement agreements that provide for certain asset divestitures including 52 slot pairs at DCA, 17 Slot pairs at LaGuardia and gates and related ground facilities necessary to operate those Slot pairs, and two gates at each of Boston Logan International Airport, Chicago O'Hare International Airport, DAL, Los Angeles International Airport and Miami International Airport. Our settlement agreements also require our airlines to maintain certain hub operations and continue to provide service to certain specified communities for limited periods of time. In addition, we entered into a related settlement with the U.S. Department of Transportation (DOT) related to small community service from DCA. Further, as a consequence of the Merger clearance process in the EU, we made one pair of London Heathrow Slots available for use by another carrier and, along with our JBA partners, we made one pair of London Heathrow Slots available to competitors for use for up to six years in different markets.

Our ability to provide service can also be impaired at airports, such as Chicago O'Hare and Los Angeles International, where the airport gate and other facilities are inadequate to accommodate all of the service that we would like to provide.

Any limitation on our ability to acquire or maintain adequate gates, ticketing facilities, operations areas, Slots (where applicable), or office space could have a material adverse effect on our business, results of operations and financial condition.

If we incur problems with any of our third-party regional operators or third-party service providers, our operations could be adversely affected by a resulting decline in revenue or negative public perception about our services.

A significant portion of our regional operations are conducted by third-party operators on our behalf, primarily under capacity purchase agreements. Due to our reliance on third parties to provide these essential services, we are subject to the risks of disruptions to their operations, which may result from many of the same risk factors disclosed in this report, such as the impact of adverse economic conditions, and other risk factors, such as a bankruptcy restructuring of any of the regional operators. We may also experience disruption to our regional operations if we terminate the capacity purchase agreement with one or more of our current operators and transition the services to another provider. As our regional segment provides revenues to us directly and indirectly (by providing flow traffic to our hubs), any significant disruption to our regional operations would have a material adverse effect on our business, results of operations and financial condition.

In addition, our reliance upon others to provide essential services on behalf of our operations may result in our relative inability to control the efficiency and timeliness of contract services. We have entered into agreements with contractors to provide various facilities and services required for our operations, including distribution and sale of airline seat inventory, provision of information technology and services, regional operations, aircraft maintenance, ground services and facilities, reservations and baggage handling. Similar agreements may be entered into in any new markets we decide to serve. These agreements are generally subject to termination after notice by the third-party service provider. We are also at risk should one of these service providers cease operations, and there is no guarantee that we could replace these providers on a timely basis with comparably priced providers. Volatility in fuel prices, disruptions to capital markets and adverse economic conditions in general have subjected certain of these third-party regional carriers to significant financial pressures, which have led to several bankruptcies among these carriers. Any material problems with the efficiency and timeliness of contract services, resulting from financial hardships or otherwise, could have a material adverse effect on our business, results of operations and financial condition.

We rely on third-party distribution channels and must manage effectively the costs, rights and functionality of these channels.

We rely on third-party distribution channels, including those provided by or through global distribution systems (GDSs) (e.g., Amadeus, Sabre and Travelport), conventional travel agents and online travel agents (OTAs) (e.g., Expedia and Orbitz and Travelocity, both of which will be owned by Expedia if previously announced transactions are completed), to distribute a significant portion of our airline tickets, and we expect in the future to continue to rely on these channels and hope to expand their ability to distribute and collect revenues for ancillary products (e.g., fees for selective seating). These distribution channels are more expensive and at present have less functionality in respect of ancillary product offerings than those we operate ourselves, such as our call centers and our website. Certain of these distribution channels also effectively restrict the manner in which we distribute our products generally. To remain competitive, we will need to manage successfully our distribution costs and rights, increase our distribution flexibility and improve the functionality of third-party distribution channels, while maintaining an industry-competitive cost structure. These imperatives may affect our relationships with GDSs and OTAs, including as consolidation of OTAs continues or is proposed to continue. Any inability to manage our third-party distribution costs, rights and functionality at a competitive level or any material diminishment or disruption in the distribution of our tickets could have a material adverse effect on our business, results of operations and financial condition.

Our business is subject to extensive government regulation, which may result in increases in our costs, disruptions to our operations, limits on our operating flexibility, reductions in the demand for air travel, and competitive disadvantages.

Airlines are subject to extensive domestic and international regulatory requirements. In the last several years, Congress has passed laws, and the DOT, the FAA, the U.S. Transportation Security Administration (TSA) and the Department of Homeland Security have issued a number of directives and other regulations, that affect the airline industry. These requirements impose substantial costs on us and restrict the ways we may conduct our business.

For example, the FAA from time to time issues directives and other regulations relating to the maintenance and operation of aircraft that require significant expenditures or operational restrictions. Our failure to timely comply with these requirements has in the past and may in the future result in fines and other enforcement actions by the FAA or other regulators. In addition, the FAA recently issued its final regulations governing pilot rest periods and work hours for all airlines certificated under Part 121 of the Federal Aviation Regulations. The rule, which became effective on January 4, 2014, impacts the required amount and timing of rest periods for pilots between work assignments and modifies duty and rest requirements based on the time of day, number of scheduled segments, flight types, time zones, and other factors. These regulations, or other regulations, could have a material adverse effect on us and the industry.

DOT consumer rules that took effect in 2010 require procedures for customer handling during long onboard delays, further regulate airline interactions with passengers through the reservations process, at the airport, and onboard the aircraft, and require new disclosures concerning airline fares and ancillary fees such as baggage fees. The DOT has been aggressively investigating alleged violations of these new rules. Other DOT rules apply to post-ticket purchase price increases and an expansion of tarmac delay regulations to international airlines.

The Aviation and Transportation Security Act mandates the federalization of certain airport security procedures and imposes additional security requirements on airports and airlines, most of which are funded by a per-ticket tax on passengers and a tax on airlines.

The results of our operations, demand for air travel, and the manner in which we conduct business each may be affected by changes in law and future actions taken by governmental agencies, including:

- changes in law which affect the services that can be offered by airlines in particular markets and at particular airports, or the types of fees that can be charged to passengers;
- the granting and timing of certain governmental approvals (including antitrust or foreign government approvals) needed for codesharing alliances and other arrangements with other airlines;
- restrictions on competitive practices (for example, court orders, or agency regulations or orders, that would curtail an airline's ability to respond to a competitor);
- the adoption of new passenger security standards or regulations that impact customer service standards (for example, a "passenger bill of rights");
- restrictions on airport operations, such as restrictions on the use of Slots at airports or the auction or reallocation of slot rights currently held by us; and
- the adoption of more restrictive locally-imposed noise restrictions.

Each additional regulation or other form of regulatory oversight increases costs and adds greater complexity to airline operations and, in some cases, may reduce the demand for air travel. There can be no assurance that our compliance with new rules, anticipated rules or other forms of regulatory oversight will not have a material adverse effect on us.

Any significant reduction in air traffic capacity at key airports in the U.S. or overseas could have a material adverse effect on our business, results of operations and financial condition. In addition, the ATC system is not successfully managing the growing demand for U.S. air travel. ATC towers are frequently understaffed in certain of our hubs, and air traffic controllers rely on outdated technologies that routinely overwhelm the system and compel airlines to fly inefficient, indirect routes. The ATC system's inability to handle existing travel demand has led government agencies to implement short-term capacity constraints during peak travel periods in certain markets, resulting in delays and disruptions of air traffic. The outdated technologies also cause the ATC to be less resilient in the event of a failure. For example, the ATC systems in Chicago took weeks to recover following a fire in the ATC tower at ORD, which resulted in thousands of cancelled flights.

Table of Contents

On February 14, 2012, the FAA Modernization and Reform Act of 2012 was signed. The law provides funding for the FAA to rebuild its ATC system, including switching from radar to a GPS-based system. It is uncertain when any improvements to the ATC system will take effect. Failure to update the ATC system in a timely manner and the substantial funding requirements that may be imposed on airlines of a modernized ATC system may have a material adverse effect on our business.

The ability of U.S. airlines to operate international routes is subject to change because the applicable arrangements between the U.S. and foreign governments may be amended from time to time and appropriate Slots or facilities may not be made available. We currently operate a number of international routes under government arrangements that limit the number of airlines permitted to operate on the route, the capacity of the airlines providing services on the route, or the number of airlines allowed access to particular airports. If an open skies policy were to be adopted for any of these routes, such an event could have a material adverse impact on us and could result in the impairment of material amounts of our related tangible and intangible assets. In addition, competition from revenue-sharing joint ventures, JBAs, and other alliance arrangements by and among other airlines could impair the value of our business and assets on the open skies routes. For example, the open skies air services agreement between the U.S. and the EU, which took effect in March 2008, provides airlines from the U.S. and EU member states open access to each other's markets, with freedom of pricing and unlimited rights to fly from the U.S. to any airport in the EU, including London Heathrow. As a result of the agreement, we face increased competition in these markets, including London Heathrow.

The airline industry is heavily taxed.

The airline industry is subject to extensive government fees and taxation that negatively impact our revenue. The U.S. airline industry is one of the most heavily taxed of all industries. These fees and taxes have grown significantly in the past decade for domestic flights, and various U.S. fees and taxes also are assessed on international flights. For example, as permitted by federal legislation, most major U.S. airports impose a passenger facility charge per passenger on us. In addition, the governments of foreign countries in which we operate impose on U.S. airlines, including us, various fees and taxes, and these assessments have been increasing in number and amount in recent years. Moreover, we are obligated to collect a federal excise tax, commonly referred to as the "ticket tax," on domestic and international air transportation. We collect the excise tax, along with certain other U.S. and foreign taxes and user fees on air transportation (such as TSA security screening fees, which were recently increased), and pass along the collected amounts to the appropriate governmental agencies. Although these taxes are not operating expenses, they represent an additional cost to our customers. There are continuing efforts in Congress and in other countries to raise different portions of the various taxes, fees, and charges imposed on airlines and their passengers. Increases in such taxes, fees and charges could negatively impact our business, results of operations and financial condition.

Under DOT regulations, all governmental taxes and fees must be included in the prices we quote or advertise to our customers. Due to the competitive revenue environment, many increases in these fees and taxes have been absorbed by the airline industry rather than being passed on to the customer. Further increases in fees and taxes may reduce demand for air travel, and thus our revenues.

Changes to our business model that are designed to increase revenues may not be successful and may cause operational difficulties or decreased demand.

We have recently implemented several measures designed to increase revenue and offset costs. These measures include charging separately for services that had previously been included within the price of a ticket and increasing other pre-existing fees. We may introduce additional initiatives in the future; however, as time goes on, we expect that it will be more difficult to identify and implement additional initiatives. We cannot assure you that these measures or any future initiatives will be successful in increasing our revenues. Additionally, the implementation of these initiatives may create logistical challenges that could harm the operational performance of our airline. Also, any new and increased fees might reduce the demand for air travel on our airline or across the industry in general, particularly if weakened economic conditions make our customers more sensitive to increased travel costs or provide a significant competitive advantage to other carriers that determine not to institute similar charges.

The loss of key personnel upon whom we depend to operate our business or the inability to attract additional qualified personnel could adversely affect our business.

We believe that our future success will depend in large part on our ability to retain or attract highly qualified management, technical and other personnel. We may not be successful in retaining key personnel or in attracting other highly qualified personnel. Any inability to retain or attract significant numbers of qualified management and other personnel would have a material adverse effect on our business, results of operations and financial condition.

We may be adversely affected by conflicts overseas or terrorist attacks; the travel industry continues to face ongoing security concerns.

Acts of terrorism or fear of such attacks, including elevated national threat warnings, wars or other military conflicts, may depress air travel, particularly on international routes, and cause declines in revenues and increases in costs. The attacks of September 11, 2001

[Table of Contents](#)

and continuing terrorist threats, attacks and attempted attacks materially impacted and continue to impact air travel. Increased security procedures introduced at airports since the attacks of September 11, 2001 and any other such measures that may be introduced in the future generate higher operating costs for airlines. The Aviation and Transportation Security Act mandated improved flight deck security, deployment of federal air marshals on board flights, improved airport perimeter access security, airline crew security training, enhanced security screening of passengers, baggage, cargo, mail, employees and vendors, enhanced training and qualifications of security screening personnel, additional provision of passenger data to the U.S. Customs and Border Protection Agency and enhanced background checks. A concurrent increase in airport security charges and procedures, such as restrictions on carry-on baggage, has also had and may continue to have a disproportionate impact on short-haul travel, which constitutes a significant portion of our flying and revenue.

We operate a global business with international operations that are subject to economic and political instability and have been, and in the future may continue to be, adversely affected by numerous events, circumstances or government actions beyond our control.

We operate a global business with operations outside of the U.S. from which AAG derived approximately 33% of its operating revenues in 2014, as measured and reported to the DOT. Our current international activities and prospects have been and in the future could be adversely affected by reversals or delays in the opening of foreign markets, increased competition in international markets, exchange controls or other restrictions on repatriation of funds, currency and political risks (including changes in exchange rates and currency devaluations, which are more likely in countries with exchange controls such as Venezuela and Argentina), environmental regulation, increases in taxes and fees and changes in international government regulation of our operations, including the inability to obtain or retain needed route authorities and/or Slots.

In particular, fluctuations in foreign currencies, including devaluations, exchange controls and other restrictions on the repatriation of funds, have significantly affected and may continue to significantly affect our operating performance, liquidity and the value of any cash held outside the U.S. in local currency. For example, the business environment in Venezuela has been challenging, with economic uncertainty fueled by currency devaluation, high inflation and governmental restrictions, including currency exchange and payment controls, price controls and the possibility of expropriation of property or other resources. As of June 30, 2015, we had approximately \$629 million of unrestricted cash and short-term investments held in Venezuelan bolivars. This balance includes approximately \$621 million valued at 6.3 bolivars to the U.S. dollar and approximately \$8 million valued at 12.8 bolivars to the U.S. dollar, with the rate depending on the date we submitted our repatriation request to the Venezuelan government. These rates are materially more favorable than the exchange rates currently prevailing for other transactions conducted outside of the Venezuelan government's currency exchange system.

During 2014, we significantly reduced capacity in the Venezuelan market and we are no longer accepting bolivars as payment for airline tickets. We are monitoring this situation closely and continue to evaluate our holdings of Venezuelan bolivars for additional foreign currency losses or other accounting adjustments, which could be material, particularly in light of the continued deterioration of economic conditions in Venezuela and the additional uncertainty posed by the recent changes to the foreign exchange regulations, which created three new additional markets, as well as a new exchange rate to be utilized in those markets. The new exchange rate for transactions effected on those markets is intended to fluctuate based on supply and demand and was approximately 197 bolivars to the dollar as of June 30, 2015 (as reported by the Venezuelan Central Bank). Although the new regulations do not abolish the prior exchange rates at which we are valuing our bolivar balances, it is still uncertain what impact these new regulations will have on the foreign exchange environment or whether the Venezuelan government will announce further changes to the foreign exchange regulations that may have the effect of materially adversely affecting our ability to repatriate the local currency we hold in Venezuela or the exchange rate applicable thereto.

More generally, fluctuations in foreign currencies, including devaluations, cannot be predicted by us and can significantly affect the value of our assets located outside the United States. These conditions, as well as any further delays, devaluations or imposition of more stringent repatriation restrictions, may materially adversely affect our business, results of operations and financial condition.

We are subject to many forms of environmental regulation and may incur substantial costs as a result.

We are subject to increasingly stringent federal, state, local and foreign laws, regulations and ordinances relating to the protection of the environment, including those relating to emissions to the air, discharges to surface and subsurface waters, safe drinking water, and the management of hazardous substances, oils and waste materials. Compliance with environmental laws and regulations can require significant expenditures, and violations can lead to significant fines and penalties.

The U.S. Environmental Protection Agency (EPA) has proposed changes to underground storage tank regulations that could affect certain airport fuel hydrant systems. A final rule has not yet been issued, but when implemented, airport systems that fall within threshold requirements may need to be modified in order to comply with applicable regulations. Additionally, the EPA has proposed the draft 2013 National Pollutant Discharge Elimination System General Permit for Stormwater Discharges from Industrial Activities. This permit would impose new limitations on certain discharges along with mandatory best management practices. Concurrently,

[Table of Contents](#)

California adopted a revised State Industrial General Permit for Stormwater Discharges on April 1, 2014, which becomes effective July 1, 2015. This permit places additional reporting and monitoring requirements on permittees and requires implementation of mandatory best management practices. Cost estimates to comply with the above permitting requirements have not been defined, but American and US Airways along with other airlines would share a portion of these costs at applicable airports. In addition to the proposed EPA and state regulations, several U.S. airport authorities are actively engaged in efforts to limit discharges of de-icing fluid to the environment, often by requiring airlines to participate in the building or reconfiguring of airport de-icing facilities. Such efforts are likely to impose additional costs and restrictions on airlines using those airports. We do not believe, however, that such environmental developments will have a material impact on our capital expenditures or otherwise materially adversely affect our operations, operating costs or competitive position.

We are also subject to other environmental laws and regulations, including those that require us to investigate and remediate soil or groundwater to meet certain remediation standards. Under federal law, generators of waste materials, and current and former owners or operators of facilities, can be subject to liability for investigation and remediation costs at locations that have been identified as requiring response actions. Liability under these laws may be strict, joint and several, meaning that we could be liable for the costs of cleaning up environmental contamination regardless of fault or the amount of wastes directly attributable to us. We have liability for investigation and remediation costs at various sites, although such costs are currently not expected to have a material adverse effect on our business.

We have various leases and agreements with respect to real property, tanks and pipelines with airports and other operators. Under these leases and agreements, we have agreed to indemnify the lessor or operator against environmental liabilities associated with the real property or operations described under the agreement, even if we are not the party responsible for the initial event that caused the environmental damage. We also participate in leases with other airlines in fuel consortiums and fuel committees at airports, where such indemnities are generally joint and several among the participating airlines.

There is increasing global regulatory focus on climate change and greenhouse gas (GHG) emissions. For example, the EU has established the Emissions Trading Scheme (ETS) to regulate GHG emissions in the EU. The EU adopted a directive in 2008 under which each EU member state is required to extend the ETS to aviation operations. This directive would have required us, beginning in 2012, to annually submit emission allowances in order to operate flights to and from airports in the European Economic Area (EEA), including flights between the U.S. and EU member states. However, in an effort to allow the International Civil Aviation Organization (ICAO) time to propose an alternate scheme to manage global aviation GHG emissions, in April 2013 the EU suspended for one year application of the ETS to flights entering and departing the EEA, limiting its application, for flights flown in 2012, to intra-EEA flights only. In October 2013, the ICAO Assembly adopted a resolution calling for the development through ICAO of a global, market-based scheme for aviation GHG emissions, to be finalized in 2016 and implemented in 2020. Subsequently, the EU amended the ETS so that the monitoring, reporting and submission of allowances for aviation GHG emissions will continue to be limited to only intra-EEA flights through 2016, at which time the EU will evaluate the progress made by ICAO and determine what, if any, measures to take related to aviation GHG emissions from 2017 onwards. The U.S. enacted legislation in November 2012 which encourages the DOT to seek an international solution through ICAO and that will allow the U.S. Secretary of Transportation to prohibit U.S. airlines from participating in the ETS. Ultimately, the scope and application of ETS or other emissions trading schemes to our operations, now or in the near future, remains uncertain. We do not anticipate any significant emissions allowance expenditures in 2015. Beyond 2015, compliance with the ETS or similar emissions-related requirements could significantly increase our operating costs. Further, the potential impact of ETS or other emissions-related requirements on our costs will ultimately depend on a number of factors, including baseline emissions, the price of emission allowances or offsets and the number of future flights subject to ETS or other emissions-related requirements. These costs have not been completely defined and could fluctuate.

Similarly, within the U.S., there is an increasing trend toward regulating GHG emissions directly under the Clean Air Act (CAA). In response to a 2012 ruling by the U.S. District Court for the District of Columbia, the EPA announced in June 2015 a proposed endangerment finding that aircraft GHG emissions cause or contribute to air pollution that may reasonably be anticipated to endanger public health or welfare. A public hearing regarding the proposed endangerment finding is expected to be held in August 2015. If the EPA makes a positive endangerment finding, the EPA is obligated under the CAA to set GHG emission standards for aircraft. In addition, several states have adopted or are considering initiatives to regulate emissions of GHGs, primarily through the planned development of GHG emissions inventories and/or regional GHG cap and trade programs. These regulatory efforts, both internationally and in the U.S. at the federal and state levels, are still developing, and we cannot yet determine what the final regulatory programs or their impact will be in the U.S., the EU or in other areas in which we do business. However, such climate change-related regulatory activity in the future may adversely affect our business and financial results by requiring us to reduce our emissions, purchase allowances or otherwise pay for our emissions. Such activity may also impact us indirectly by increasing our operating costs, including fuel costs.

Governmental authorities in several U.S. and foreign cities are also considering, or have already implemented, aircraft noise reduction programs, including the imposition of nighttime curfews and limitations on daytime take-offs and landings. We have been able to accommodate local noise restrictions imposed to date, but our operations could be adversely affected if locally-imposed regulations become more restrictive or widespread.

We rely heavily on technology and automated systems to operate our business, and any failure of these technologies or systems could harm our business, results of operations and financial condition.

We are highly dependent on technology and automated systems to operate our business and achieve low operating costs. These technologies and systems include our computerized airline reservation systems, flight operations systems, financial planning, management and accounting systems, telecommunications systems, website, maintenance systems and check-in kiosks. In order for our operations to work efficiently, our website and reservation system must be able to accommodate a high volume of traffic, maintain secure information and deliver flight information, as well as issue electronic tickets and process critical financial information in a timely manner. Substantially all of our tickets are issued to passengers as electronic tickets. We depend on our reservation system, which is hosted and maintained under a long-term contract by a third-party service provider, to be able to issue, track and accept these electronic tickets. If our automated systems are not functioning or if our third-party service providers were to fail to adequately provide technical support, system maintenance or timely software upgrades for any one of our key existing systems, we could experience service disruptions or delays, which could harm our business and result in the loss of important data, increase our expenses and decrease our revenues. In the event that one or more of our primary technology or systems vendors goes into bankruptcy, ceases operations or fails to perform as promised, replacement services may not be readily available on a timely basis, at competitive rates or at all, and any transition time to a new system may be significant.

Our automated systems cannot be completely protected against other events that are beyond our control, including natural disasters, power failures, terrorist attacks, cyber-attacks, data theft, equipment and software failures, computer viruses or telecommunications failures. Substantial or sustained system failures could cause service delays or failures and result in our customers purchasing tickets from other airlines. We cannot assure you that our security measures, change control procedures or disaster recovery plans are adequate to prevent disruptions or delays. Disruption in or changes to these systems could result in a disruption to our business and the loss of important data. Any of the foregoing could result in a material adverse effect on our business, results of operations and financial condition.

We face challenges in integrating our computer, communications and other technology systems.

Among the principal risks of integrating our businesses and operations are the risks relating to integrating various computer, communications and other technology systems, including designing and implementing an integrated customer reservations system, that will be necessary to operate US Airways and American as a single airline and to achieve cost synergies by eliminating redundancies in the businesses. The integration of these systems in a number of prior airline mergers has taken longer, been more disruptive and cost more than originally forecast. The implementation process to integrate these various systems will involve a number of risks that could adversely impact our business, results of operations and financial condition. New systems will replace multiple legacy systems and the related implementation will be a complex and time-consuming project involving substantial expenditures for implementation consultants, system hardware, software and implementation activities, as well as the transformation of business and financial processes.

As with any large project, there will be many factors that may materially affect the schedule, cost and execution of the integration of our computer, communications and other technology systems. These factors include, among others: problems during the design, implementation and testing phases; systems delays and/or malfunctions; the risk that suppliers and contractors will not perform as required under their contracts; the diversion of management attention from daily operations to the project; reworks due to unanticipated changes in business processes; challenges in simultaneously activating new systems throughout our global network; difficulty in training employees in the operations of new systems; the risk of security breach or disruption; and other unexpected events beyond our control. We cannot assure you that our security measures, change control procedures or disaster recovery plans will be adequate to prevent disruptions or delays. Disruptions in or changes to these systems could result in a disruption to our business and the loss of important data. Any of the foregoing could result in a material adverse effect on our business, results of operations and financial condition.

We are at risk of losses and adverse publicity stemming from any accident involving any of our aircraft or the aircraft of our regional or codeshare operators.

If one of our aircraft, an aircraft that is operated under our brand by one of our regional operators, or an aircraft that is operated by an airline with which we have a marketing alliance or codeshare relationship were to be involved in an accident, we could be exposed to significant tort liability. The insurance we carry to cover damages arising from any future accidents may be inadequate. In the event that our insurance is not adequate, we may be forced to bear substantial losses from an accident. In addition, any accident involving an aircraft that we operate, an aircraft that is operated under our brand by one of our regional operators or an aircraft that is operated by an airline that is one of our codeshare partners, could create a public perception that our aircraft or those of our regional operators or

Table of Contents

codeshare partners are not safe or reliable, which could harm our reputation, result in air travelers being reluctant to fly on our aircraft or those of our regional operators or codeshare partners, and adversely impact our business, results of operations and financial condition.

Delays in scheduled aircraft deliveries or other loss of anticipated fleet capacity, and failure of new aircraft to perform as expected, may adversely impact our business, results of operations and financial condition.

The success of our business depends on, among other things, effectively managing the number and types of aircraft we operate. In many cases, the aircraft we intend to operate are not yet in our fleet, but we have contractual commitments to purchase or lease them. If for any reason we were unable to accept or secure deliveries of new aircraft on contractually scheduled delivery dates, this could have a negative impact on our business, results of operations and financial condition. Our failure to integrate newly purchased aircraft into our fleet as planned might require us to seek extensions of the terms for some leased aircraft or otherwise delay the exit of certain aircraft from our fleet. Such unanticipated extensions or delays may require us to operate existing aircraft beyond the point at which it is economically optimal to retire them, resulting in increased maintenance costs. If new aircraft orders are not filled on a timely basis, we could face higher operating costs than planned. In addition, if the aircraft we receive do not meet expected performance or quality standards, including with respect to fuel efficiency and reliability, our business, results of operations and financial condition could be adversely impacted.

We depend on a limited number of suppliers for aircraft, aircraft engines and parts.

We depend on a limited number of suppliers for aircraft, aircraft engines and many aircraft and engine parts. As a result, we are vulnerable to any problems associated with the supply of those aircraft, parts and engines, including design defects, mechanical problems, contractual performance by the suppliers, or adverse perception by the public that would result in customer avoidance or in actions by the FAA resulting in an inability to operate our aircraft.

Our business has been and will continue to be affected by many changing economic and other conditions beyond our control, including global events that affect travel behavior, and our results of operations could be volatile and fluctuate due to seasonality.

Our business, results of operations and financial condition has been and will continue to be affected by many changing economic and other conditions beyond our control, including, among others:

- actual or potential changes in international, national, regional, and local economic, business and financial conditions, including recession, inflation, higher interest rates, wars, terrorist attacks, or political instability;
- changes in consumer preferences, perceptions, spending patterns, or demographic trends;
- changes in the competitive environment due to industry consolidation, changes in airline alliance affiliations, and other factors;
- actual or potential disruptions to the ATC systems;
- increases in costs of safety, security, and environmental measures;
- outbreaks of diseases that affect travel behavior; and
- weather and natural disasters.

In particular, an outbreak of a contagious disease such as the Ebola virus, Middle East Respiratory Syndrome, Severe Acute Respiratory Syndrome, H1N1 influenza virus, avian flu, or any other influenza-type illness, if it were to persist for an extended period, could materially affect the airline industry and us by reducing revenues and adversely impacting our operations and passengers' travel behavior. As a result of these or other conditions beyond our control, our results of operations could be volatile and subject to rapid and unexpected change. In addition, due to generally weaker demand for air travel during the winter, our revenues in the first and fourth quarters of the year could be weaker than revenues in the second and third quarters of the year.

A higher than normal number of pilot retirements and a potential shortage of pilots could adversely affect us.

We currently have a higher than normal number of pilots eligible for retirement. Among other things, the extension of pilot careers facilitated by the FAA's 2007 modification of the mandatory retirement age from age 60 to age 65 has now been fully implemented, resulting in large numbers of pilots in the industry approaching the revised mandatory retirement age. If pilot retirements were to exceed normal levels in the future, it may adversely affect us and our regional partners. On January 4, 2014, more stringent pilot flight and duty time requirements under Part 117 of the Federal Aviation Regulations took effect. The FAA also recently issued regulations

that increase the flight experience required for pilots working for airlines certificated under Part 121 of the Federal Aviation Regulations. These and other factors could contribute to a shortage of qualified pilots, particularly for our regional partners, which now face increased competition from large, mainline carriers to hire pilots. If we or our regional partners are unable to hire adequate numbers of pilots, we may experience disruptions, increased costs of operations and other adverse effects.

Increases in insurance costs or reductions in insurance coverage may adversely impact our operations and financial results.

The terrorist attacks of September 11, 2001 led to a significant increase in insurance premiums and a decrease in the insurance coverage available to commercial air carriers. Accordingly, our insurance costs increased significantly, and our ability to continue to obtain insurance even at current prices remains uncertain. If we are unable to maintain adequate insurance coverage, our business could be materially and adversely affected. Additionally, severe disruptions in the domestic and global financial markets could adversely impact the claims paying ability of some insurers. Future downgrades in the ratings of enough insurers could adversely impact both the availability of appropriate insurance coverage and its cost. Because of competitive pressures in our industry, our ability to pass additional insurance costs to passengers is limited. As a result, further increases in insurance costs or reductions in available insurance coverage could have an adverse impact on our financial results.

A lawsuit filed in connection with the Merger remains pending, and this lawsuit could have a material adverse impact on our business.

US Airways Group, US Airways, AMR and American were named as defendants in a private antitrust lawsuit in connection with the Merger. The complaint alleges that the effect of the Merger may be to substantially lessen competition or tend to create a monopoly in violation of Section 7 of the Clayton Antitrust Act. The relief sought in the complaint includes an injunction against the Merger, or divestiture. In January 2014, the complaint was amended to add a claim for money damages and to request injunctive relief requiring the carriers to hold separate their assets. In March 2014, the Court allowed plaintiffs to add certain allegations but denied plaintiffs' requests to add a damages claim or seek preliminary injunctive relief requiring the carriers to hold separate their assets, and in June 2014 plaintiffs filed an amended motion for leave to file a second amended and supplemental complaint. This lawsuit could result in an obligation to pay damages or terms, conditions, requirements, limitations, costs or restrictions that would impose additional material costs on or materially limit our revenues, or materially limit some of the synergies and other benefits we anticipate following the Merger.

Our ability to utilize our NOL Carryforwards may be limited.

Under the Internal Revenue Code of 1986, as amended (the Code), a corporation is generally allowed a deduction for NOL Carryforwards. As of December 31, 2014, we had available NOL Carryforwards of approximately \$10.1 billion for regular federal income tax purposes which will expire, if unused, beginning in 2022, and approximately \$4.6 billion for state income tax purposes which will expire, if unused, between 2015 and 2034. As of December 31, 2014, the amount of NOL Carryforwards for state income tax purposes that will expire, if unused, in 2015 is \$83 million. Our NOL Carryforwards are subject to adjustment on audit by the Internal Revenue Service and the respective state taxing authorities.

A corporation's ability to deduct its federal NOL Carryforwards and to utilize certain other available tax attributes can be substantially constrained under the general annual limitation rules of Section 382 of the Code (Section 382) if it undergoes an "ownership change" as defined in Section 382 (generally where cumulative stock ownership changes among material shareholders exceed 50 percent during a rolling three-year period). We experienced an ownership change in connection with our emergence from the Chapter 11 Cases and US Airways Group experienced an ownership change in connection with the Merger. The general limitation rules for a debtor in a bankruptcy case are liberalized where the ownership change occurs upon emergence from bankruptcy. We elected to be covered by certain special rules for federal income tax purposes that permit approximately \$9.0 billion of our federal NOL Carryforwards to be utilized without regard to the annual limitation generally imposed by Section 382. If the special rules do not apply, our ability to utilize such federal NOL Carryforwards may be subject to limitation. Substantially all of our remaining federal NOL Carryforwards (attributable to US Airways Group and its subsidiaries) are subject to limitation under Section 382 as a result of the Merger; however, our ability to utilize such NOL Carryforwards is not anticipated to be effectively constrained as a result of such limitation. Similar limitations may apply for state income tax purposes.

Notwithstanding the foregoing, an ownership change subsequent to our emergence from the Chapter 11 Cases may severely limit or effectively eliminate our ability to utilize our NOL Carryforwards and other tax attributes. To reduce the risk of a potential adverse effect on our ability to utilize our NOL Carryforwards, our Certificate of Incorporation contains transfer restrictions applicable to certain substantial shareholders. Although the purpose of these transfer restrictions is to prevent an ownership change from occurring, no assurance can be given that such an ownership change will not occur, in which case our ability to utilize our NOL Carryforwards and other tax attributes could be severely limited or effectively eliminated.

Our ability to use our NOL Carryforwards also will depend on the amount of taxable income generated in future periods. The NOL Carryforwards may expire before we can generate sufficient taxable income to use them.

The application of the acquisition method of accounting resulted in AAG recording a significant amount of goodwill, which amount is tested for impairment at least annually. In addition, AAG and American may never realize the full value of their respective intangible assets or long-lived assets, causing them to record material impairment charges.

In accordance with applicable acquisition accounting rules, AAG recorded goodwill on its consolidated balance sheet to the extent the US Airways Group acquisition purchase price exceeded the net fair value of US Airways Group's tangible and intangible assets and liabilities as of the acquisition date. Goodwill is not amortized, but is tested for impairment at least annually. Also, in accordance with applicable accounting standards, AAG and American will be required to test their respective indefinite-lived intangible assets for impairment on an annual basis, or more frequently if conditions indicate that an impairment may have occurred. In addition, AAG and American are required to test certain of their other assets for impairment if conditions indicate that an impairment may have occurred.

Future impairment of goodwill or other assets could be recorded in results of operations as a result of changes in assumptions, estimates, or circumstances, some of which are beyond our control. Factors which could result in an impairment could include, but are not limited to: (i) reduced passenger demand as a result of domestic or global economic conditions; (ii) higher prices for jet fuel; (iii) lower fares or passenger yields as a result of increased competition or lower demand; (iv) a significant increase in future capital expenditure commitments; and (v) significant disruptions to our operations as a result of both internal and external events such as terrorist activities, actual or threatened war, labor actions by employees, or further industry regulation. There can be no assurance that a material impairment charge of goodwill or tangible or intangible assets will be avoided. The value of our aircraft could be impacted in future periods by changes in supply and demand for these aircraft. Such changes in supply and demand for certain aircraft types could result from grounding of aircraft by us or other airlines. An impairment charge could have a material adverse effect on our business, results of operations and financial condition.

Risks Relating to AAG's Common Stock

The price of our common stock has recently been and may in the future be volatile.

The market price of AAG Common Stock may fluctuate substantially due to a variety of factors, many of which are beyond our control, including:

- AAG's operating and financial results failing to meet the expectations of securities analysts or investors;
- changes in financial estimates or recommendations by securities analysts;
- material announcements by us or our competitors;
- movements in fuel prices;
- new regulatory pronouncements and changes in regulatory guidelines;
- general and industry-specific economic conditions;
- the success or failure of AAG's integration efforts;
- changes in our key personnel;
- distributions of shares of AAG Common Stock pursuant to the Plan, including distributions from the Disputed Claims Reserve established under the plan of reorganization upon the resolution of the underlying claims;
- public sales of a substantial number of shares of AAG Common Stock or issuances of AAG Common Stock upon the exercise or conversion of convertible securities, options, warrants, RSUs, SARs, or similar rights;
- increases or decreases in reported holdings by insiders or other significant stockholders;
- fluctuations in trading volume;
- expectations regarding our capital deployment program, including our share repurchase program and any future dividend payments that may be declared by our Board of Directors; and
- changes in market values of airline companies as well as general market conditions.

We cannot guarantee that we will repurchase our common stock pursuant to our share repurchase program or continue to pay dividends on our common stock or that our capital deployment program will enhance long-term stockholder value. Our capital deployment program could increase the volatility of the price of our common stock and diminish our cash reserves.

As part of a capital deployment program, in July 2014, our Board of Directors authorized a \$1.0 billion share repurchase program, which was completed in 2014, and in January 2015, our Board of Directors authorized a \$2.0 billion share repurchase program to be completed no later than December 31, 2016. In addition, in July 2015, our Board of Directors authorized a new \$2.0 billion share repurchase program to be completed no later than December 31, 2016. Share repurchases under the share repurchase program may be made through a variety of methods, which may include open market purchases, privately negotiated transactions, block trades or accelerated share repurchase transactions. This share repurchase program does not obligate us to acquire any specific number of shares or to repurchase any specific number of shares for any fixed period, and may be suspended at any time at our discretion. The timing and amount of repurchases, if any, will be subject to market and economic conditions, applicable legal requirements and other relevant factors. The repurchase program may be limited, suspended or discontinued at any time without prior notice.

Although our Board of Directors declared cash dividends in July 2014, October 2014, January 2015, April 2015 and July 2015 as part of the capital deployment program, any future dividends that may be declared and paid from time to time under our capital deployment program will be subject to market and economic conditions, applicable legal requirements and other relevant factors. Our capital deployment program does not obligate us to continue a dividend for any fixed period, and payment of dividends may be suspended at any time at our discretion. We will continue to retain future earnings to develop our business, as opportunities arise, and evaluate on a quarterly basis the amount and timing of future dividends based on our operating results, financial condition, capital requirements and general business conditions. The amount and timing of any future dividends may vary, and the payment of any dividend does not assure that we will be able to pay dividends in the future.

In addition, repurchases of AAG Common Stock pursuant to our share repurchase program and any future dividends could affect our stock price and increase its volatility. The existence of a share repurchase program and any future dividends could cause our stock price to be higher than it would otherwise be and could potentially reduce the market liquidity for our stock. Additionally, our share repurchase program and any future dividends could diminish our cash reserves, which may impact our ability to finance future growth and to pursue possible future strategic opportunities and acquisitions. Further, our share repurchase program may fluctuate such that our cash flow may be insufficient to fully cover our share repurchases. Although our share repurchase program is intended to enhance long-term stockholder value, there is no assurance that it will do so because the market price of our common stock may decline below the levels at which we repurchased shares of stock and short-term stock price fluctuations could reduce the program's effectiveness.

Certain provisions of AAG's Certificate of Incorporation and Bylaws make it difficult for stockholders to change the composition of our Board of Directors and may discourage takeover attempts that some of our stockholders might consider beneficial.

Certain provisions of our Certificate of Incorporation and Bylaws may have the effect of delaying or preventing changes in control if our Board of Directors determines that such changes in control are not in our best interest and the best interest of our stockholders. These provisions include, among other things, the following:

- advance notice procedures for stockholder proposals to be considered at stockholders' meetings;
- the ability of our Board of Directors to fill vacancies on the Board;
- a prohibition against stockholders taking action by written consent;
- a prohibition against stockholders calling special meetings of stockholders;
- a requirement that holders of at least 80% of the voting power of the shares entitled to vote in the election of directors approve any amendment of our Bylaws submitted to stockholders for approval; and
- super-majority voting requirements to modify or amend specified provisions of our Certificate of Incorporation.

These provisions are not intended to prevent a takeover, but are intended to protect and maximize the value of the interests of our stockholders. While these provisions have the effect of encouraging persons seeking to acquire control of our company to negotiate with our Board of Directors, they could enable our Board of Directors to prevent a transaction that some, or a majority, of our stockholders might believe to be in their best interests and, in that case, may prevent or discourage attempts to remove and replace incumbent directors. In addition, we are subject to the provisions of Section 203 of the Delaware General Corporation Law, which prohibits business combinations with interested stockholders. Interested stockholders do not include stockholders whose acquisition of our securities is approved by the Board of Directors prior to the investment under Section 203.

AAG's Certificate of Incorporation and Bylaws include provisions that limit voting and acquisition and disposition of our equity interests.

Our Certificate of Incorporation and Bylaws include certain provisions that limit voting and ownership and disposition of our equity interests, including AAG Common Stock, AAG Series A Preferred Stock and convertible notes. These restrictions may adversely affect the ability of certain holders of AAG Common Stock and our other equity interests to vote such interests and adversely affect the ability of persons to acquire shares of AAG Common Stock and our other equity interests.

In order to protect AAG's NOL Carryforwards and certain other tax attributes, AAG's Certificate of Incorporation includes certain limitations on acquisitions and dispositions of AAG's Common Stock, which may limit the liquidity of our common stock.

To reduce the risk of a potential adverse effect on our ability to use our NOL Carryforwards and certain other tax attributes for federal income tax purposes, our Certificate of Incorporation contains certain restrictions on the acquisition and disposition of AAG Common Stock by substantial stockholders. These restrictions may adversely affect the ability of certain holders of AAG Common Stock to dispose of or acquire shares of AAG Common Stock. Although the purpose of these transfer restrictions is to prevent an "ownership change" (as defined in Section 382) from occurring, no assurance can be given that an ownership change will not occur even with these restrictions in place.

ITEM 2. UNREGISTERED SALES OF EQUITY SECURITIES AND USE OF PROCEEDS

The following table displays information with respect to our purchases of shares of AAG Common Stock during the three months ended June 30, 2015.

May 2015	4,388,313	\$ 45.18	4,388,313	\$ 1,460
June 2015	9,797,669	\$ 41.04	9,797,669	\$ 1,057

- (a) On January 27, 2015, we announced that our Board of Directors had authorized a new \$2.0 billion share repurchase program to be completed by the end of 2016. Share repurchases under the share repurchase program may be made through a variety of methods, which may include open market purchases, privately negotiated transactions, block trades or accelerated share repurchase transactions. Any such repurchases will be made from time to time subject to market and economic conditions, applicable legal requirements and other relevant factors. This share repurchase program does not obligate us to repurchase any specific number of shares for any fixed period and may be suspended at any time at our discretion.

6. Election of Actions.

Upon Boeing's receipt of any notice that the Cumulative Fleet Average Fuel Mileage Deterioration exceeds, or is likely to exceed the Aircraft Commitment, Boeing and Customer, as appropriate, will take the following actions:

6.1 Data.

Boeing will evaluate the Basic Data. At its option, Boeing may accomplish such evaluation by analysis of Customer's raw ACMS data or by obtaining additional performance data on such Covered Aircraft in accordance with Attachment B. Such additional data may include data acquired during revenue service with Boeing personnel aboard as observers. The Basic Data and any additional data obtained by Boeing in its evaluation shall be appropriately adjusted to reflect any material changes elected by Customer to the Covered Aircraft which have occurred subsequent to delivery of the Covered Aircraft, including any replacement of one or more of the engines installed on a Covered Aircraft. Additionally, adjustments will be applied for any relevant factors as agreed by Customer and Boeing (e.g., inaccuracies in flight deck instrumentation, a sudden increase in deterioration that is attributed to a foreign object damage event such as severe hail and the additional rate of deterioration for Aircraft used for pilot training). If Boeing and Customer are in disagreement as to such evaluation of the Basic Data, such disagreement shall be resolved by good faith technical negotiation between the parties including, as necessary, the Engine Manufacturer.

6.2 Surveys.

[*CTR]

6.3 Weight.

Boeing may request that Customer weigh such Covered Aircraft, in which event Customer agrees to weigh such Covered Aircraft in conjunction with its normally scheduled maintenance and will report its findings to Boeing.

6.4 Corrective Actions.

Boeing shall promptly make such recommendations to Customer that Boeing believes would result in improvement of the cruise fuel mileage performance of such Covered Aircraft based on analysis of the surveys and available data pursuant to Paragraphs 6.1 - 6.3. Boeing, Engine Manufacturer and Customer shall thereafter mutually agree on the appropriate corrective action to be taken based on any such recommendations. Corrective actions, which involve maintenance and/or refurbishment, as described in paragraph 6.2, both on-wing and off-wing, shall be performed at no cost to Boeing and/or Engine Manufacturer.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is agreed as follows:

SECTION 1. 2015 Term Loans.

(a) (i) Subject to the satisfaction of the conditions set forth in Section 5 hereof, the 2015 Term Loan Lenders hereby agree to make 2015 Term Loans to the Borrower in the aggregate principal

amount of \$750.0 million to refinance all Existing Term Loans. It is understood and agreed that the Existing Term Loans shall constitute “Refinanced Term Loans” pursuant to Section 10.08(e) of the Credit Agreement and that the 2015 Term Loans shall constitute “Replacement Term Loans” pursuant to such Section 10.08(e).

(ii) The Administrative Agent has prepared a schedule (the “**2015 Term Loan Commitment Schedule**”) which sets forth the allocated commitments received by it (the “**2015 Term Loan Commitments**”) from the 2015 Term Loan Lenders. The Administrative Agent has notified each 2015 Term Loan Lender of its allocated 2015 Term Loan Commitment, and each of the 2015 Term Loan Lenders is listed as a signatory to this First Amendment and Restatement Agreement. On the Restatement Effective Date (as defined below), all Existing Term Loans shall be refinanced in full as follows:

- (x) Each Person with a 2015 Term Loan Commitment (each a “**2015 Term Loan Lender**” and collectively, the “**2015 Term Loan Lenders**”) severally, and not jointly with the other 2015 Term Loan Lenders, agrees, upon the terms and subject to the conditions set forth herein and in the Credit Agreement, to make a term loan denominated in Dollars (each a “**2015 Term Loan**” and collectively, the “**2015 Term Loans**”) to the Borrower on the Restatement Effective Date (as defined below) in an aggregate principal amount equal to the 2015 Term Loan Commitment of such 2015 Term Loan Lender. Each 2015 Term Lender’s 2015 Term Loan Commitment shall terminate immediately and without further action on the Restatement Effective Date after giving effect to the funding (including funding by way of a Term Loan Conversion (as defined below) pursuant to clause (b) below) by such 2015 Term Loan Lender of the 2015 Term Loans to be made by it on such date.
- (y) Each 2015 Term Loan Lender shall make available 2015 Term Loans in an aggregate principal amount equal to its 2015 Term Loan Commitment in Dollars to the Administrative Agent as provided in the Credit Agreement; provided, that in the event that any 2015 Term Loan Lender holds Existing Term Loans immediately prior to the Restatement Effective Date, a portion of the Existing Term Loans in a principal amount equal to the lesser of (i) such 2015 Term Lender’s 2015 Term Loan Commitment and (ii) the aggregate principal amount of such 2015 Term Lender’s Existing Term Loans shall automatically be converted on the Restatement Effective Date into 2015 Term Loans of like principal amount (and to the extent of the amount of such converted Existing Term Loans, such 2015 Term Loan Lender shall not be required to make Dollars available to the Administrative Agent as provided in this clause (b)) (each such conversion, a “**Term Loan Conversion**”).

(iv) Notwithstanding anything to the contrary in this Section 1(a) or in Section 2.15 of the Credit Agreement, each 2015 Term Loan Lender irrevocably waives, any entitlement to any breakage loss or expenses due under Section 2.15 of the Credit Agreement with respect to the repayment of any Existing Term Loans it holds as a Term Lender which have been replaced or repaid with 2015 Term Loans on the Restatement Effective Date.

(b) Promptly following the Restatement Effective Date, all promissory notes, if any, evidencing the Existing Term Loans shall be cancelled, and any 2015 Term Loan Lender may request that its 2015 Term Loans be evidenced by a promissory note pursuant to Section 2.10(f) of the Amended and Restated Credit Agreement.

(c) Notwithstanding anything to the contrary contained in the Credit Agreement, all proceeds of the 2015 Term Loans (if any) will be used solely to repay outstanding Existing Term Loans on the Restatement Effective Date.

(d) On the Restatement Effective Date (after giving effect to this First Amendment and Restatement Agreement), the aggregate outstanding principal amount of the 2015 Term Loans shall be \$750.0 million.

SECTION 2. Amendment and Restatement of the Credit Agreement. Effective as of the Restatement Effective Date, the Credit Agreement, including all schedules and exhibits thereto, is hereby amended and restated in its entirety in the form of the amended and restated Credit Agreement set forth as Exhibit A hereto (the Credit Agreement so amended and restated is referred to herein as the “**Amended and Restated Credit Agreement**”).

SECTION 9. Execution in Counterparts. This First Amendment and Restatement Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. At no time shall the sum of the then outstanding aggregate principal amount of the Revolving Loans plus the LC Exposure exceed the Total Revolving Commitment.

(ii) Each Borrowing of a Revolving Loan shall be made from the Revolving Lenders pro rata in accordance with their respective Revolving Commitments; provided, however, that the failure of any Revolving Lender to make any Revolving Loan shall not in itself relieve the other Revolving Lenders of their obligations to lend.

(b) *2015 Term Loan Commitments.* Each 2015 Term Loan Lender has made the 2015 Term Loans pursuant to the First Amendment and Restatement Agreement. The 2015 Term Loans, shall constitute Term Loans for all purposes of this Agreement and shall be repaid in accordance with the provisions of this Agreement.

(c) *Type of Borrowing.* Each Borrowing shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement. There may be multiple Borrowings incurred, converted or continued on the same day.

(d) *Amount of Borrowing.* At the commencement of each Interest Period for any Eurodollar Borrowing, such Borrowing shall be in an aggregate amount that is in an integral multiple of \$1,000,000 and not less than \$1,000,000. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of \$100,000 and not less than \$1,000,000; provided that an ABR Borrowing may be in an aggregate amount that is equal to the entire Unused Total Revolving Commitment or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.02(e). Borrowings of more than one Type may be outstanding at the same time.

(e) *Limitation on Interest Period.* Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, (i) any Borrowing of a Revolving Loan if the Interest Period requested with respect thereto would end after the Revolving Facility Maturity Date with respect to the applicable Revolving Commitments or (ii) any Borrowing of a Term Loan if the Interest Period requested with respect thereto would end after the applicable Term Loan Maturity Date.

SECTION 2.02. Letters of Credit.

(a) *LC Commitment.* Subject to the terms and conditions set forth herein, the Borrower may request the issuance of and (subject to the representation in the second sentence of clause (b) below being true and correct) each Issuing Lender agrees to issue Letters of Credit in Dollars upon request of the Borrower at any time and from time to time from the Closing Date to but excluding the date that is five (5) Business Days prior to the Revolving Facility Maturity Date, for the Borrower's own account or the account of any other Subsidiary of Parent; provided that no Issuing Lender shall issue (or amend, renew or extend) any Letter of Credit if, after giving effect to such issuance (or amendment, renewal or extension), (i) the LC Exposure in respect of Letters of Credit issued by it would exceed its LC Commitment or (ii) the aggregate amount of the Unused Total Revolving Commitment would be less than zero.

(b) *Notice of Issuance, Amendment, Renewal, Extension.* The Borrower may request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit) by delivering (i) telephonic notice promptly followed by written Letter of Credit Request or (ii) hand deliver or teletype (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable Issuing Lender (which approval shall not be unreasonably withheld, delayed or conditioned)) to the applicable Issuing Lender and the Administrative Agent (at least two (2) Business Days in advance of the requested date of issuance, amendment, renewal or extension) a written Letter of

Credit Request requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying (1) the date of issuance, amendment, renewal or extension (which shall be a Business Day), (2) the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section 2.02), (3) the amount of such Letter of Credit, (4) the name and address of the beneficiary thereof and (5) such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. Upon the issuance, amendment, renewal or extension of each Letter of Credit, the Borrower shall be deemed to represent and warrant that, after giving effect to such issuance, amendment, renewal or extension, (x) the LC Exposure shall not exceed the LC Commitment and (y) the aggregate amount of the Unused Total Revolving Commitment shall not be less than zero. If requested by the applicable Issuing Lender, the Borrower also shall submit a letter of credit application on such Issuing Lender's standard form in connection with any request for a Letter of Credit; provided that, to the extent such standard form (and/or any related reimbursement agreement) is inconsistent with the Loan Documents, the Loan Documents shall control. Upon receipt of a written notice from the Administrative Agent that the applicable conditions in Section 4.02 have been satisfied, the Issuing Lender shall issue the requested Letter of Credit in accordance with its usual and customary procedures. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, an Issuing Lender relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(c) *Expiration Date.* Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date that is (x) one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) or (y) such later date as may be agreed by the Borrower and the Issuing Lender, and (ii) the date that is five (5) Business Days prior to the Revolving Facility Maturity Date with respect to the applicable Revolving Commitments (provided that, to the extent that all of the participations in such Letter of Credit held by the holders of such Revolving Commitments have been re-allocated or Cash Collateralized pursuant to the terms of any Extension Amendment, such Revolving Commitments shall be disregarded for purposes of this clause (ii)).

(d) *Participations.* By the issuance of a Letter of Credit (or an amendment, renewal or extension of a Letter of Credit, including any amendment increasing the amount thereof), and without any further action on the part of the applicable Issuing Lender or the Revolving Lenders, such Issuing Lender hereby grants to each Revolving Lender (other than such Issuing Lender), and each Revolving Lender (other than such Issuing Lender) hereby acquires from such Issuing Lender, a participation in such Letter of Credit equal to such Revolving Lender's Revolving Commitment Percentage of the amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender (other than the applicable Issuing Lender) hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of such Issuing Lender, such Revolving Lender's Revolving Commitment Percentage of the amount of each LC Disbursement made by such Issuing Lender and not reimbursed by the Borrower on the date due as provided in Section 2.02(e), or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Revolving Lender (other than the applicable Issuing Lender) acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph

in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence of an Event of Default or reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) *Reimbursement.*

(i) If an Issuing Lender shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement (whether or not such Letter of Credit was issued for the Borrower's own account or in its name for the account or name of any other Subsidiary of the Parent) by paying to the Administrative Agent an amount equal to the amount of such LC Disbursement not later than the first Business Day following the date the Borrower receives notice from the Issuing Lender of such LC Disbursement; provided that, in the case of any LC Disbursement, to the extent not reimbursed and, subject to the satisfaction (or waiver) of the conditions to borrowing set forth herein, including, without limitation, making a request in accordance with Section 2.03(a) that such payment shall be financed with a Borrowing of ABR Revolving Loans, as the case may be, in an equivalent amount, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting Borrowing of ABR Revolving Loans.

(ii) If the Borrower fails to make any payment due under the preceding paragraph (i) with respect to a Letter of Credit when due (including by a Borrowing), the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Revolving Lender's Revolving Commitment Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Revolving Commitment Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.04 with respect to Revolving Loans made by such Revolving Lender (and Section 2.04 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the Issuing Lender the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this Section 2.02(e) with respect to any LC Disbursement, the Administrative Agent shall distribute such payment to the applicable Issuing Lender or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Lender, then to such Revolving Lenders and such Issuing Lender as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse the applicable Issuing Lender for any LC Disbursement (other than the funding of ABR Loans as contemplated above) shall not constitute a Revolving Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(f) *Obligations Absolute.* The Borrower's obligation to reimburse LC Disbursements as provided in Section 2.02(e) shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein or herein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in

any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the applicable Issuing Lender under a Letter of Credit against presentation of a draft or other document that does not comply strictly with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.02, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. Neither the Administrative Agent, the Revolving Lenders, nor the applicable Issuing Lender, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the applicable Issuing Lender. Nothing in the preceding two sentences shall be construed to excuse an Issuing Lender from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower (i) that are caused by such Issuing Lender's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof or (ii) that result from such Issuing Lender's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of such Letter of Credit (as finally determined by a court of competent jurisdiction). The parties hereto expressly agree that, in the absence of gross negligence, bad faith or willful misconduct on the part of the applicable Issuing Lender (as finally determined by a court of competent jurisdiction), the applicable Issuing Lender shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the applicable Issuing Lender may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) *Disbursement Procedures.* The applicable Issuing Lender shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The applicable Issuing Lender shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by teletype) of such demand for payment, whether the applicable Issuing Lender has made or will make an LC Disbursement thereunder and the amount of such LC Disbursement; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse the applicable Issuing Lender and the Revolving Lenders with respect to any such LC Disbursement in accordance with the terms herein.

(h) *Interim Interest.* If the applicable Issuing Lender shall make any LC Disbursement, then, unless the Borrower shall reimburse (including by a Borrowing) such LC Disbursement in full not later than the first Business Day following the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and

including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Revolving Loans; provided that, if the Borrower fails to reimburse (including by a Borrowing) such LC Disbursement when due pursuant to Section 2.02(e), then Section 2.08 shall apply. Interest accrued pursuant to this paragraph shall be for the account of the applicable Issuing Lender, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to Section 2.02(e) to reimburse the applicable Issuing Lender shall be for the account of such Lender to the extent of such payment.

(i) *Replacement of the Issuing Lender.* Any Issuing Lender may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Issuing Lender and the successor Issuing Lender. The Administrative Agent shall notify the Revolving Lenders of any such replacement of an Issuing Lender. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Lender pursuant to Section 2.21. From and after the effective date of any such replacement, (i) the successor Issuing Lender shall have all the rights and obligations of the Issuing Lender under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Lender" shall be deemed to refer to such successor or to any previous Issuing Lender, or to such successor and all previous Issuing Lenders, as the context shall require. After the replacement of an Issuing Lender hereunder, the replaced Issuing Lender shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Lender under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(j) *Replacement of Letters of Credit; Cash Collateralization.* The Borrower shall (i) upon or prior to the occurrence of the earlier of (A) the Revolving Facility Maturity Date with respect to all Revolving Commitments and (B) the acceleration of the Revolving Loans (if any) and the termination of the Revolving Commitments in accordance with the terms hereof, (x) cause all Letters of Credit which expire after the earlier to occur of (A) the Revolving Facility Maturity Date with respect to all Revolving Commitments and (B) the acceleration of the Revolving Loans (if any) and the termination of the Revolving Commitments in accordance with the terms hereof (the "*Outstanding Letters of Credit*") to be returned to the applicable Issuing Lender undrawn and marked "cancelled" or (y) if the Borrower does not do so in whole or in part either (A) provide one or more "back-to-back" letters of credit to each applicable Issuing Lender with respect to any such Outstanding Letters of Credit in a form reasonably satisfactory to each such Issuing Lender and the Administrative Agent, issued by a bank reasonably satisfactory to each such Issuing Lender and the Administrative Agent, and/or (B) deposit cash in the Letter of Credit Account, as collateral security for the Borrower's reimbursement obligations in connection with any such Outstanding Letters of Credit, such cash (or any applicable portion thereof) to be promptly remitted to the Borrower upon the expiration, cancellation or other termination or satisfaction of the Borrower's reimbursement obligations with respect to such Outstanding Letters of Credit, in whole or in part, in an aggregate principal amount for all such "back-to-back" letters of credit and any such Cash Collateralization equal to 102% of the then outstanding amount of all LC Exposure (less the amount, if any, on deposit in the Letter of Credit Account prior to taking any action pursuant to clauses (A) or (B) above), and (ii) if required pursuant to Section 2.02(l), 2.12(c), 2.12(d), 2.12(e), 2.12(g), 2.26(d)(ii), 2.26(e)(ii), 2.26(f) or 7.01 or pursuant to any Extension Amendment, deposit in the Letter of Credit Account

The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over the Letter of Credit Account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent (in accordance with its usual and customary practices for investments of this type) and at the Borrower’s risk and reasonable expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account and shall be paid to the Borrower on its request. Moneys in such account shall be applied by the Administrative Agent to reimburse the applicable Issuing Lender for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time. If the Borrower is required to provide Cash Collateralization hereunder pursuant to Section 2.02(l), 2.12(c), 2.12(d), 2.12(e), 2.12(g), 2.26(d)(ii), 2.26(e)(ii) or 2.26(f), or the terms of any Extension Amendment, such Cash Collateralization (to the extent not applied as contemplated by the applicable section) shall be returned to the Borrower within three (3) Business Days after the applicable section (or Extension Amendment) no longer requires the provision of such Cash Collateralization.

(k) *Issuing Lender Agreements.* Unless otherwise requested by the Administrative Agent, each Issuing Lender shall report in writing to the Administrative Agent (i) on the first Business Day of each week, the daily activity (set forth by day) in respect of Letters of Credit during the immediately preceding week, including all issuances, extensions, amendments and renewals, all expirations and cancellations and all disbursements and reimbursements, (ii) on or prior to each Business Day on which such Issuing Lender expects to issue, amend, renew or extend any Letter of Credit, the date of such issuance, amendment, renewal or extension, the aggregate face amount of the Letters of Credit to be issued, amended, renewed, or extended by it (and whether, subject to Section 2.02(b), the face amount of any such Letter of Credit was changed thereby) and the aggregate face amount of such Letters of Credit outstanding after giving effect to such issuance, amendment, renewal or extension, (iii) on each Business Day on which such Issuing Lender makes any LC Disbursement, the date of such LC Disbursement and the amount of such LC Disbursement, (iv) on any Business Day on which the Borrower fails to reimburse an LC Disbursement required to be reimbursed to such Issuing Lender on such day, the date of such failure, and the amount of such LC Disbursement and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request. The Issuing Lender shall furnish a copy of each Letter of Credit to the Borrower and the Administrative Agent promptly following the issuance, amendment, renewal and extension thereof.

(l) *Provisions Related to Extended Revolving Commitments.* If the Revolving Facility Maturity Date in respect of any tranche of Revolving Commitments occurs prior to the expiration of any Letter of Credit with respect to which Lenders holding such Revolving Commitments hold participation interests, then (i) if one or more other tranches of Revolving

Commitments in respect of which the Revolving Facility Maturity Date shall not have occurred are then in effect, such Letters of Credit automatically shall be deemed to have been issued (including for purposes of the obligations of the Revolving Lenders to purchase participations therein and to make payments in respect thereof pursuant to Section 2.02(d) or (e) and for any reallocations required pursuant to Section 2.26(d)(i)) under (and ratably participated in by Revolving Lenders pursuant to) the Revolving Commitments in respect of such non-terminating tranches up to an aggregate amount not to exceed the aggregate principal amount of the Unused Total Revolving Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to the immediately preceding clause (i), the Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.02(j). For the avoidance of doubt, commencing with the Revolving Facility Maturity Date of any tranche of Revolving Commitments, the sublimit for Letters of Credit under any tranche of Revolving Commitments that has not so then matured shall be as agreed in the relevant Extension Amendment with such Revolving Lenders (to the extent such Extension Amendment so provides).

SECTION 2.03. Requests for Loans.

(a) *Revolving Loans.* Unless otherwise agreed to by the Administrative Agent in connection with making the initial Revolving Loans, to request a Revolving Loan, the Borrower shall notify the Administrative Agent of such request by (i) telephone or (ii) by hand or by facsimile delivery of a written Loan Request (A) in the case of a Eurodollar Loan, not later than 2:00 p.m., New York City time, three (3) Business Days before proposed Borrowing Date and (B) in the case of an ABR Loan, not later than 11:00 a.m., New York City time, on the proposed Borrowing Date. Each such telephonic Revolving Loan request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Loan Request signed by the Borrower. Each such telephonic Revolving Loan request and written Loan Request shall specify the following information in compliance with Section 2.01:

- (i) the aggregate amount of the requested Revolving Loan (which shall comply with Section 2.01(d));
- (ii) the Borrowing Date of such Revolving Loan, which shall be a Business Day;
- (iii) whether such Revolving Loan is to be an ABR Loan or a Eurodollar Loan; and
- (iv) in the case of a Eurodollar Loan, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period."

If no election as to the Type of Revolving Loan is specified, then the requested Revolving Loan shall be an ABR Loan. If no Interest Period is specified with respect to any requested Eurodollar Loan, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Loan Request in accordance with this Section 2.03(a), the Administrative Agent shall advise each Revolving Lender of the details thereof and of the amount of such Revolving Lender's Loan to be made as part of the requested Revolving Loan.

(b) *Term Loans*. Unless otherwise agreed to by the Administrative Agent, to request the Term Loans, the Borrower shall notify the Administrative Agent of such request by telephone (i) in the case of a Eurodollar Loan, not later than 2:00 p.m., New York City time, two (2) Business Days before the Closing Date and (ii) in the case of an ABR Loan, not later than 1:00 p.m., New York City time one (1) Business Day before the Closing Date. Each such telephonic Term Loan request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Loan Request signed by the Borrower. Each such telephonic and written Loan Request shall specify the following information in compliance with Section 2.01:

- (i) the aggregate amount of the requested Term Loan (which shall comply with Section 2.01(d));
- (ii) the Borrowing Date of such Term Loan, which shall be a Business Day;
- (iii) whether such Term Loan is to be an ABR Loan or a Eurodollar Loan; and
- (iv) in the case of a Eurodollar Loan, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period."

If no election as to the Type of Term Loan is specified, then the requested Term Loan shall be an ABR Loan. If no Interest Period is specified with respect to any requested Eurodollar Loan, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Loan Request in accordance with this Section 2.03(b), the Administrative Agent shall advise each Term Lender of the details thereof and of the amount of such Term Lender's Loan to be made as part of the requested Term Loan.

SECTION 2.04. Funding of Loans.

(a) Each Revolving Lender shall make each Revolving Loan to be made by it hereunder on the proposed Borrowing Date by wire transfer of immediately available funds by 12:00 noon, New York City time, or such earlier time as may be reasonably practicable, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. Upon satisfaction or waiver of the conditions precedent specified herein, the Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account designated by the Borrower in the applicable Loan Request; provided that ABR Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.02(e) shall be remitted by the Administrative Agent to the relevant Issuing Lender.

(b) Each Term Lender shall make each Term Loan to be made by it hereunder on the Borrowing Date by wire transfer of immediately available funds by 12:00 p.m., New York City time, or such earlier time as may be reasonably practicable, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders.

Upon satisfaction or waiver of the conditions precedent specified herein, the Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account designated by the Borrower in the applicable Loan Request.

(c) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed Borrowing Date (or, with respect to any ABR Loan made on same-day notice, prior to 11:00 a.m., New York City time, on the Borrowing Date of such Loan) that such Lender will not make available to the Administrative Agent such Lender's share of such Loan, the Administrative Agent may assume that such Lender has made such share available on such Borrowing Date in accordance with paragraph (a) and/or (b) of this Section 2.04 and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Loan available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith upon written demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate otherwise applicable to such Loan. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Loan and the Borrower shall not be obligated to repay such amount pursuant to the preceding sentence if not previously repaid.

SECTION 2.05. Interest Elections.

(a) The Borrower may elect from time to time to (i) convert ABR Loans to Eurodollar Loans, (ii) convert Eurodollar Loans to ABR Loans; provided that any such conversion of Eurodollar Loans may be made only on the last day of an Interest Period with respect thereto or (iii) continue any Eurodollar Loan as such upon the expiration of the then current Interest Period with respect thereto.

(b) To make an Interest Election Request pursuant to this Section 2.05, the Borrower shall notify the Administrative Agent of such election by telephone or by hand or facsimile delivery or by electronic mail of a written Interest Election Request by the time that a Loan Request would be required under Section 2.03(a) or Section 2.03(b) if the Borrower were requesting a Loan of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery, electronic mail or telecopy to the Administrative Agent of a written Interest Election Request in substantially the same form as a Loan Request signed by the Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.01:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

- (ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;
- (iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and
- (iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a one-month Eurodollar Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing, and upon the request of the Required Lenders, (i) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing and (ii) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.06. Limitation on Eurodollar Tranches. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions and continuations of Eurodollar Loans and all selections of Interest Periods shall be in such amounts and be made pursuant to such elections so that, (a) after giving effect thereto, the aggregate principal amount of the Eurodollar Loans comprising each Eurodollar Tranche shall be equal to \$1,000,000 or a whole multiple of \$1,000,000 in excess thereof and (b) no more than twenty Eurodollar Tranches shall be outstanding at any one time.

SECTION 2.07. Interest on Loans.

(a) Subject to the provisions of Section 2.08, each ABR Loan shall bear interest (computed on the basis of the actual number of days elapsed over a year of 365 days or 366 days in a leap year) at a rate per annum equal to the Alternate Base Rate plus the Applicable Margin.

(b) Subject to the provisions of Section 2.08, each Eurodollar Loan shall bear interest (computed on the basis of the actual number of days elapsed over a year of 360 days) at a rate per annum equal, during each Interest Period applicable thereto, to the LIBO Rate for such Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Accrued interest on all Loans shall be payable in arrears on each Interest Payment Date applicable thereto, on the Termination Date with respect to such Loans and thereafter on written demand and upon any repayment or prepayment thereof (on the amount repaid or prepaid); provided that in the event of any conversion of any Eurodollar Loan to an ABR Loan, accrued interest on such Loan shall be payable on the effective date of such conversion.

SECTION 2.08. Default Interest. If the Borrower or any Guarantor, as the case may be, shall default in the payment of the principal of or interest on any Loan or in the payment of any other amount becoming due hereunder (including, without limitation, the reimbursement pursuant to Section 2.02(e) of any LC Disbursements), whether at Stated Maturity, by acceleration or otherwise, the Borrower or such Guarantor, as the case may be, shall on written demand of the Administrative Agent from time to time pay interest, to the extent permitted by law, on all overdue amounts up to (but not including) the date of actual payment (after as well as before judgment) at a rate per annum (computed on the basis of the actual number of days elapsed over a year of 360 days or, when the Alternate Base Rate is applicable, a year of 365 days or 366 days in a leap year) equal to (a) with respect to the principal amount of any Loan, the rate then applicable for such Borrowings plus 2.0%, and (b) in the case of all other amounts, the rate applicable for ABR Loans plus 2.0%.

SECTION 2.09. Alternate Rate of Interest. In the event, and on each occasion, that on the date that is two (2) Business Days prior to the commencement of any Interest Period for a Eurodollar Loan, the Administrative Agent shall have reasonably determined (which determination shall be conclusive and binding upon the Borrower absent manifest error) that reasonable means do not exist for ascertaining the applicable LIBO Rate, the Administrative Agent shall, as soon as practicable thereafter, give written, facsimile or telegraphic notice of such determination to the Borrower and the Lenders and, until the circumstances giving rise to such notice no longer exist, any request by the Borrower for a Borrowing of Eurodollar Loans hereunder (including pursuant to a refinancing with Eurodollar Loans and including any request to continue, or to convert to, Eurodollar Loans) shall be deemed a request for a Borrowing of ABR Loans.

SECTION 2.10. Amortization of Term Loans; Repayment of Loans; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the ratable account of each Revolving Lender the then unpaid principal amount of each Revolving Loan then outstanding on the Revolving Facility Termination Date applicable to such Revolving Loan.

(b) The principal amounts of the 2015 Term Loans shall be repaid in consecutive annual installments (each, an "Installment") of 1.00% of the sum of (i) the original aggregate principal amount of the 2015 Term Loans made on the Restatement Effective Date plus (ii) the original aggregate principal amount of any Incremental Term Loans of the same

Class as the 2015 Term Loans from time to time after the Restatement Effective Date, on each anniversary of the Closing Date occurring prior to the Term Loan Maturity Date with respect to such 2015 Term Loans. Notwithstanding the foregoing, (1) such Installments shall be reduced in connection with any mandatory or voluntary prepayments of the 2015 Term Loans in accordance with Sections 2.12 and 2.13, as applicable, and (2) the Term Loans, together with all other amounts owed hereunder with respect thereto, shall, in any event, be paid in full no later than the applicable Term Loan Termination Date.

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof. The Borrower shall have the right, upon reasonable notice, to request information regarding the accounts referred to in the preceding sentence.

(e) The entries made in the accounts maintained pursuant to paragraph (c) or (d) of this Section 2.10 shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

(f) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrower shall promptly execute and deliver to such Lender a promissory note payable to such Lender and its registered assigns in a form furnished by the Administrative Agent and reasonably acceptable to the Borrower. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 10.02) be represented by one or more promissory notes in such form payable to such payee and its registered assigns.

SECTION 2.11. Optional Termination or Reduction of Revolving Commitments. Upon at least one (1) Business Day prior written notice to the Administrative Agent, the Borrower may at any time in whole permanently terminate the Total Revolving Commitment (subject to compliance with Section 2.12(e)), or from time to time in part permanently reduce the Unused Total Revolving Commitment; provided that each such notice shall be revocable at any time prior to such reduction or termination, as the case may be, or to the extent such termination or reduction would have resulted from a refinancing of the Obligations, which refinancing shall not be consummated or shall otherwise be delayed. Each such reduction of the Unused Total Revolving Commitment shall be in the principal amount not less than \$1,000,000 and in an integral multiple of \$1,000,000. Simultaneously with each reduction or termination of the Revolving Commitment, the Borrower shall pay to the Administrative Agent for the account of each Revolving Lender the Commitment Fee accrued and unpaid on the

amount of the Revolving Commitment of such Revolving Lender so terminated or reduced through the date thereof. Any reduction of the Unused Total Revolving Commitment pursuant to this Section 2.11 shall be applied to reduce the Revolving Commitment of each Revolving Lender on a pro rata basis.

SECTION 2.12. Mandatory Prepayment of Loans; Commitment Termination.

(a) If, as a result of a Disposition of Collateral or Recovery Event (which for the purposes of Section 6.04 shall be deemed to be a Disposition that is not a voluntary Disposition), the Borrower is not in compliance with Section 6.04 within the time periods set forth in Section 6.04, the Borrower shall deposit, on the next Business Day (or, if later, within five (5) Business Days of Parent or any of its Subsidiaries receiving any Net Proceeds as a result of such Disposition of Collateral or Recovery Event), cash in an amount (the "*Net Proceeds Amount*") equal to the amount of such received Net Proceeds (solely to the extent necessary to maintain compliance with Section 6.04) into the Collateral Proceeds Account that is maintained with the Collateral Agent for such purpose and subject to an Account Control Agreement and thereafter such Net Proceeds Amount shall be applied (to the extent not otherwise applied pursuant to the immediately succeeding proviso and solely to the extent the Borrower is not in compliance with Section 6.04) in accordance with the requirements of Section 2.12(c); provided that (i) the Borrower may use such Net Proceeds Amount to replace with Qualified Replacement Assets or, solely in the case of any Net Proceeds Amount in respect of any Recovery Event, repair the assets which are the subject of such Disposition of Collateral or Recovery Event within 365 days after such deposit is made, (ii) all such Net Proceeds Amounts shall be subject to release as provided in Section 6.09(c) or, at the option of the Borrower at any time, may be applied in accordance with the requirements of Section 2.12(c) and (iii) upon the occurrence of an Event of Default, the amount of any such deposit may be applied by the Administrative Agent in accordance with Section 2.12(c); provided, further that any release of any Net Proceeds Amount pursuant to clause (ii) of this Section 2.12(a) shall be conditioned on the Borrower being in compliance with Section 6.04 after giving effect thereto (it being understood that the failure to be in compliance with Section 6.04 shall not prevent the release of any Net Proceeds Amount in connection with any repair or replacement of assets permitted hereunder so long as no decrease in the Collateral Coverage Ratio will result therefrom).

(b) The Borrower shall prepay the Loans (without, in the case of any Revolving Loan, any corresponding reduction in Revolving Commitments) when and in an amount necessary to comply with Section 6.09(b)(x)(B).

(c) Amounts required to be applied to the prepayment of Loans pursuant to Sections 2.12(a), (b), (h) and (i) shall be applied to prepay the outstanding Term Loans in accordance with Section 2.17(e)(i) and/or the outstanding Revolving Loans in accordance with Section 2.17(e)(ii) (and to provide Cash Collateralization for the outstanding LC Exposure following the repayment of all outstanding Revolving Loans), in an amount necessary to comply with Section 6.04 or 6.09(b), as the case may be, in each case as directed by the Borrower. Any such prepayments of Revolving Loans (and Cash Collateralization of the outstanding LC Exposure) shall not result in a corresponding permanent reduction in the Revolving Commitments. Any Cash Collateralization of outstanding LC Exposure shall be consummated in accordance with Section 2.02(j). The application of any prepayment pursuant to this Section 2.12 shall be made, *first*, to ABR Loans and, *second*, to Eurodollar Loans. Term Loans prepaid pursuant to this Section 2.12 may not be reborrowed.

(d) If at any time the Total Revolving Extensions of Credit for any reason exceed the Total Revolving Commitment at such time, the Borrower shall prepay Revolving Loans on a pro rata basis in an amount sufficient to eliminate such excess. If, after giving effect to the prepayment of all outstanding Revolving Loans, the Total Revolving Extensions of Credit exceed the Total Revolving Commitment then in effect, the Borrower shall Cash Collateralize outstanding Letters of Credit to the extent of such excess.

(e) Upon the Revolving Facility Termination Date applicable to any Revolving Commitment, such Revolving Commitment shall be terminated in full and the Borrower shall repay the applicable Revolving Loans in full and, except as the Administrative Agent may otherwise agree in writing, if any Letter of Credit remains outstanding, comply with Section 2.02(j) in accordance therewith.

(f) All prepayments under this Section 2.12 shall be accompanied by accrued but unpaid interest on the principal amount being prepaid to (but not including) the date of prepayment, plus, if applicable, any accrued and unpaid Fees and any losses, costs and expenses, as more fully described in Section 2.15.

(g) If a Change of Control occurs within thirty (30) days following the occurrence of such Change of Control, the Borrower (or Parent (or any third party on behalf of the Borrower)) shall (i) prepay all of the outstanding Loans at a prepayment price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of prepayment, (ii) discharge all of the LC Exposure, if any, by Cash Collateralizing such LC Exposure and (iii) terminate all of the Unused Total Revolving Commitment, if any, in accordance with this Section 2.12.

(h) If at any time it is determined that a Core Collateral Failure has occurred, and the Borrower has not granted (or caused another Grantor to grant), within the time period specified in Section 6.09(b)(y), a security interest in Additional Collateral such that following such grant the Collateral shall include at least one category of Core Collateral, the Borrower shall (i) prepay all of the outstanding Loans at a prepayment price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of prepayment, (ii) discharge all of the LC Exposure, if any, by Cash Collateralizing such LC Exposure and (iii) terminate all of the Unused Total Revolving Commitment, if any, in accordance with this Section 2.12.

(i) If, after giving effect to any Borrower Release, there would be a Collateral Coverage Ratio Failure, the Borrower shall do one or more of the following: (1) grant (or cause another Grantor to grant) a security interest in Additional Collateral and/or (2) prepay or cause to be prepaid the Loans and (if required by its terms) any Pari Passu Senior Secured Debt (on a ratable basis with the Loans) such that following such actions in clauses (1) and/or (2) above, the Collateral Coverage Ratio, calculated by adding the Appraised Value of any such Additional Collateral in clause (i) of the definition of Collateral Coverage Ratio and subtracting any such prepaid Loans and prepaid Pari Passu Senior Secured Debt from clause (ii) of the definition of Collateral Coverage Ratio, shall be no less than 1.6 to 1.0

SECTION 2.13. Optional Prepayment of Loans.

(a) The Borrower shall have the right, at any time and from time to time, to prepay any Loans, in whole or in part, (i) with respect to Eurodollar Loans, upon (A) telephonic notice (followed promptly by written or facsimile notice or notice by electronic mail) (which notice may be conditional notice) to the Administrative Agent or (B) written or facsimile notice (or notice by electronic mail) (which notice may be conditional notice) to the Administrative Agent, in any case received by 1:00 p.m., New York City time, three (3) Business Days prior to the proposed date of prepayment and (ii) with respect to ABR Loans, upon written or facsimile notice (or notice by electronic mail) (which notice may be conditional notice) to the Administrative Agent received by 1:00 p.m., New York City time, one (1) Business Day prior to the proposed date of prepayment; provided that ABR Loans may be prepaid on the same day notice is given if such notice is received by the Administrative Agent by 12:00 noon, New York City time; provided, further, that any revocation of such conditional notice occurs within the applicable notice period plus 5 Business Days; provided, further, however, that (A) each such partial prepayment shall be in an amount not less than \$1,000,000 and in integral multiples of \$1,000,000 in the case of Eurodollar Loans and integral multiples of \$100,000 in the case of ABR Loans, (B) no prepayment of Eurodollar Loans shall be permitted pursuant to this Section 2.13(a) other than on the last day of an Interest Period applicable thereto unless such prepayment is accompanied by the payment of the amounts described in Section 2.15, and (C) no partial prepayment of a Eurodollar Tranche shall result in the aggregate principal amount of the Eurodollar Loans remaining outstanding pursuant to such Eurodollar Tranche being less than \$1,000,000.

(b) Any prepayments under Section 2.13(a) shall be applied, at the option of the Borrower, to (i) repay the outstanding Revolving Loans of the Revolving Lenders (without any reduction in the Total Revolving Commitment) until all Revolving Loans shall have been paid in full (plus any accrued but unpaid interest and fees thereon) and/or (ii) prepay the Term Loans, in each case as the Borrower shall specify. All such prepayments of Term Loans shall be applied in the manner directed by the Borrower (or, if no such direction is given, in direct order of maturity) to the remaining scheduled Installments of the applicable Class of Term Loans being prepaid. All prepayments under Section 2.13(a) shall be accompanied by accrued but unpaid interest on the principal amount being prepaid to (but not including) the date of prepayment, plus, if applicable, any Fees and any losses, costs and expenses, as more fully described in Section 2.15. Term Loans prepaid pursuant to Section 2.13(a) may not be reborrowed.

(c) Each notice of prepayment shall specify the prepayment date, the principal amount of the Loans to be prepaid and, in the case of Eurodollar Loans, the Borrowing or Borrowings to be prepaid and shall commit the Borrower to prepay such Loan by the amount and on the date stated therein; provided that the Borrower may revoke any notice of prepayment under this Section 2.13 if such prepayment would have resulted from a refinancing of any or all of the Obligations hereunder, which refinancing shall not be consummated or shall otherwise be delayed, or in accordance with Section 2.13(a) if the notice of prepayment was a conditional notice. The Administrative Agent shall, promptly after receiving notice from the Borrower hereunder, notify each Lender of the principal amount of the Loans held by such Lender which are to be prepaid, the prepayment date and the manner of application of the prepayment.

(d) In the event that, prior to the date that is six months after the Restatement Effective Date, there shall occur any Repricing Event, the Borrower shall pay to the Administrative Agent, for the ratable account of each of the Term Lenders holding 2015 Term Loans subject to such Repricing Event, (i) in the case of a Repricing Event of the type described in clause (a) of the definition thereof, a prepayment premium of 1% of the aggregate principal amount of the 2015 Term Loans subject to such Repricing Event and (ii) in the case of a Repricing Event of the type described in clause (b) of the definition thereof, an amount equal to 1% of the aggregate principal amount of the 2015 Term Loans subject to such Repricing Event outstanding immediately prior to the effectiveness thereof, in each case unless such fee is waived by the applicable Term Lender. Any Term Lender that is a non-consenting Lender in respect of a Repricing Event may be replaced in accordance with Section 10.08(d) to the extent permitted thereby; provided that any such Term Lender so replaced shall be entitled to the prepayment premium set forth in clause (i) of the preceding sentence with respect to its 2015 Term Loans so assigned unless such fee is waived by such Term Lender.

SECTION 2.14. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or Issuing Lender (except any such reserve requirement subject to Section 2.14(c)); or

(ii) impose on any Lender or Issuing Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Eurodollar Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting into, continuing or maintaining any Eurodollar Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Lender of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or Issuing Lender hereunder with respect to any Eurodollar Loan or Letter of Credit (whether of principal, interest or otherwise), then, upon the request of such Lender or Issuing Lender, the Borrower will pay to such Lender or Issuing Lender, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Lender, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender or Issuing Lender reasonably determines in good faith that any Change in Law affecting such Lender or Issuing Lender or such Lender's or Issuing Lender's holding company regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or Issuing Lender's capital or on the capital of such Lender's or Issuing Lender's holding company, if any, as a consequence of this Agreement or the Eurodollar Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Lender, to a level below that which such Lender or Issuing Lender or such Lender's or Issuing Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuing

Lender's policies and the policies of such Lender's or Issuing Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender or Issuing Lender, as the case may be, such additional amount or amounts, in each case as documented by such Lender or Issuing Lender to the Borrower as will compensate such Lender or Issuing Lender or such Lender's or Issuing Lender's holding company for any such reduction suffered; it being understood that this Section 2.14(b) shall not apply to Taxes.

(c) Solely to the extent arising from a Change in Law, the Borrower shall pay to each Lender (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurodollar funds or deposits, additional interest on the unpaid principal amount of each Eurodollar Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error) and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Eurodollar Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan; provided that the Borrower shall have received at least fifteen (15) days' prior written notice (with a copy to the Administrative Agent, and which notice shall specify the Statutory Reserve Rate, if any, applicable to such Lender) of such additional interest or cost from such Lender. If a Lender fails to give written notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen (15) days from receipt of such notice.

(d) A certificate of a Lender or Issuing Lender setting forth the amount or amounts necessary to compensate such Lender or Issuing Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 2.14 and the basis for calculating such amount or amounts shall be delivered to the Borrower and shall be *prima facie* evidence of the amount due. The Borrower shall pay such Lender or Issuing Lender, as the case may be, the amount due within fifteen (15) days after receipt of such certificate.

(e) Failure or delay on the part of any Lender or Issuing Lender to demand compensation pursuant to this Section 2.14 shall not constitute a waiver of such Lender's or Issuing Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or Issuing Lender pursuant to this Section 2.14 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or Issuing Lender, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Lender's intention to claim compensation therefor; provided, further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. The protection of this Section 2.14 shall be available to each Lender regardless of any possible contention as to the invalidity or inapplicability of the law, rule, regulation, guideline or other change or condition which shall have occurred or been imposed.

(f) The Borrower shall not be required to make payments under this Section 2.14 to any Lender or Issuing Lender if (A) a claim hereunder arises solely through circumstances peculiar to such Lender or Issuing Lender and which do not affect commercial banks in the jurisdiction of organization of such Lender or Issuing Lender generally, (B) the claim arises out of a voluntary relocation by such Lender or Issuing Lender of its applicable lending office (it being understood that any such relocation effected pursuant to Section 2.18 is not “voluntary”), or (C) such Lender or Issuing Lender is not seeking similar compensation for such costs to which it is entitled from its borrowers generally in commercial loans of a similar size.

(g) Notwithstanding anything herein to the contrary, regulations, requests, rules, guidelines or directives implemented after the Closing Date pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act or Basel III shall be deemed to be a Change in Law; provided, however, that any determination by a Lender or Issuing Lender of amounts owed pursuant to this Section 2.14 to such Lender or Issuing Lender due to any such Change in Law shall be made in good faith in a manner generally consistent with such Lender’s or Issuing Lender’s standard practice.

SECTION 2.15. Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of the occurrence and continuance of an Event of Default), (b) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto or (c) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.18, Section 2.27(d) or Section 10.08(d), then, in any such event, at the request of such Lender, the Borrower shall compensate such Lender for the loss, cost and expense sustained by such Lender attributable to such event; provided that in no case shall this Section 2.15 apply to any payment of an Installment pursuant to Section 2.10(b). Such loss, cost or expense to any Lender shall be deemed to include an amount reasonably determined in good faith by such Lender or Issuing Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the applicable rate of interest for such Loan (excluding, however the Applicable Margin included therein, if any), for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest (as reasonably determined by such Lender) which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. A certificate of any Lender setting forth any amount or amounts (and the basis for requesting such amount or amounts) that such Lender is entitled to receive pursuant to this Section 2.15 shall be delivered to the Borrower and shall be *prima facie* evidence of the amount due. The Borrower shall pay such Lender the amount due within fifteen (15) days after receipt of such certificate.

SECTION 2.16. Taxes.

(a) Any and all payments by or on account of any Obligation of the Borrower or any Guarantor hereunder or under any other Loan Document shall be made free and clear of and without deduction for any Taxes except as required by applicable law; provided that if any Taxes are required to be withheld from any amounts payable to the Administrative Agent, any Lender or any Issuing Lender, as determined in good faith by the applicable Withholding Agent, then (i) if such Taxes are Indemnified Taxes or Other Taxes, the sum payable by the Borrower or applicable Guarantor shall be increased as necessary so that after making all required deductions for any Indemnified Taxes or Other Taxes (including deductions for any Indemnified Taxes or Other Taxes applicable to additional sums payable under this Section 2.16), the Administrative Agent, Lender, Issuing Lender or any other recipient of such payments (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable Withholding Agent shall make such deductions and (iii) the applicable Withholding Agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Borrower or any Guarantor, as applicable, shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) The Borrower shall indemnify the Administrative Agent, each Lender and each Issuing Lender, within ten (10) days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by or on behalf of or withheld or deducted from payments owing to the Administrative Agent, such Lender or such Issuing Lender, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrower or any Guarantor hereunder or under any other Loan Document (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.16) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender or Issuing Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender or Issuing Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment to the extent available, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Each Lender shall, within ten (10) days after written demand therefor, indemnify the Administrative Agent (to the extent the Administrative Agent has not been reimbursed by the Borrower) for the full amount of any Taxes imposed by any Governmental Authority that are attributable to such Lender and that are payable or paid by the Administrative Agent, together with all interest, penalties, reasonable costs and expenses arising therefrom or with respect thereto, as determined by the Administrative Agent in good faith. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error.

(f) Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law and as reasonably requested by the Borrower, such properly completed and executed documentation prescribed by applicable law or requested by the Borrower as will permit such payments to be made without withholding or at a reduced rate; provided that a Foreign Lender shall not be required to deliver any documentation pursuant to this Section 2.16(f) that such Foreign Lender is not legally able to deliver. For purposes of this paragraph (f) and paragraphs (g) and (h), the term “Lender” includes any Issuing Lender.

(g) (1) Without limiting the generality of the foregoing, each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter when the previously delivered certificates and/or forms expire, or upon request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(i) two (2) duly executed originals of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable, claiming eligibility for benefits of an income tax treaty to which the United States is a party;

(ii) two (2) duly executed originals of Internal Revenue Service Form W-8ECI;

(iii) two (2) duly executed originals of Internal Revenue Service Form W-8IMY, together with the forms for its beneficiaries, partners or members described in clauses (i), (ii), (iii) or (iv) of this subparagraph (g)(1) or in subparagraph (g)(2) and other applicable attachments;

(iv) in the case of a Foreign Lender claiming the benefits of exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not (A) a “bank” within the meaning of Section 881(c)(3)(A) of the Code, (B) a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, (C) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code or (D) conducting a trade or business in the United States with which the relevant interest payments are effectively connected and (y) two (2) duly executed originals of the Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable; or

(v) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax and reasonably requested by the Borrower or the Administrative Agent to permit the Borrower to determine the withholding or required deduction to be made.

A Foreign Lender shall not be required to deliver any form or statement pursuant to this Section 2.16(g) that such Foreign Lender is not legally able to deliver.

(2) Any Lender that is a "United States Person" (as such term is defined in Section 7701(a)(30) of the Code) shall deliver to the Administrative Agent and the Borrower, on or prior to the date on which such Lender becomes a party to this Agreement (and from time to time thereafter when the previously delivered certificates and/or forms expire, or upon request of the Borrower or the Administrative Agent), two (2) copies of Internal Revenue Service Form W-9 (or any successor form), properly completed and duly executed by such Lender, certifying that such Lender is entitled to an exemption from United States backup withholding tax.

(3) The Administrative Agent shall deliver to the Borrower on or prior to the date on which it becomes the Administrative Agent under this Agreement (and from time to time thereafter when the previously delivered forms expire, or upon request of the Borrower) executed originals of Internal Revenue Service Form W-9. The Administrative Agent represents that it is a financial institution within the meaning of U.S. Treasury Regulation § 1.1441-1(c)(5).

(4) If a payment made to a Lender under this Agreement or any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower or the Administrative Agent to comply with its obligations under FATCA, to determine that such Lender has or has not complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment.

(h) If the Administrative Agent or a Lender determines, in its sole discretion, that it has received a refund of any Taxes or Other Taxes from the Governmental Authority to which such Taxes or Other Taxes were paid and as to which it has been indemnified by the Borrower or a Guarantor or with respect to which the Borrower or a Guarantor has paid additional amounts pursuant to this Section 2.16, it shall pay over such refund to the Borrower or such Guarantor (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower or such Guarantor under this Section 2.16 with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender incurred in obtaining such refund (including Taxes imposed with respect to such refund) and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower or such Guarantor, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower or such Guarantor (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the Administrative Agent or any Lender be required to pay any amount to the Borrower pursuant to

this paragraph (h) if, and then only to the extent, the payment of such amount would place the Administrative Agent or such Lender in a less favorable net after-Tax position than the Administrative Agent or such Lender would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 2.16 shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrower or any other Person.

SECTION 2.17. Payments Generally; Pro Rata Treatment.

(a) The Borrower shall make each payment or prepayment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.14 or 2.15, or otherwise) prior to 1:00 p.m., New York City time, on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the reasonable discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 1615 Brett Road, Ops III, New Castle, DE 19720, pursuant to wire instructions to be provided by the Administrative Agent, except payments to be made directly to an Issuing Lender as expressly provided herein and except that payments pursuant to Sections 2.14, 2.15 and 10.04 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it (including, subject to the terms of any Intercreditor Agreement or any Other Intercreditor Agreement, any payment received from the sale or disposal of Collateral pursuant to any Collateral Document) for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all Obligations then due hereunder, such funds shall be applied, subject to the terms of any Intercreditor Agreement or any Other Intercreditor Agreement, as applicable, (i) *first*, towards payment of Fees and expenses then due under Sections 2.19 and 10.04 payable to each Agent and any trustee appointed pursuant to Section 8.01(d), to the extent applicable, (ii) *second*, towards payment of Fees and expenses then due under Sections 2.20, 2.21 and 10.04 payable to the Lenders and the Issuing Lenders and towards payment of interest then due on account of the Revolving Loans, Term Loans and Letters of Credit, ratably among the parties entitled thereto in accordance with the amounts of such Fees and expenses and interest then due to such parties and (iii) *third*, towards payment of (A) principal of the Revolving Loans, Term Loans and unreimbursed LC Disbursements then due hereunder, (B) any Designated Banking Product Obligations then due, to the extent such Designated Banking Product Obligations constitute "Obligations" hereunder, and (C) any Designated Hedging Obligations then due, to the extent such Designated Hedging Obligations constitute "Obligations" hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal, unreimbursed LC Disbursements, Designated Banking Product Obligations constituting Obligations and Designated Hedging Obligations constituting

Obligations then due to such parties. Excluded Swap Obligations with respect to any Guarantor shall not be paid with amounts received from such Guarantor or its assets, but appropriate adjustment shall be made with respect to payments from the Borrower or other Guarantors to preserve the allocations to Obligations otherwise set forth above in this Section 2.17(b).

(c) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the applicable Issuing Lender, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the applicable Issuing Lender, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(d) If any Lender shall fail to make any payment or Extension of Credit required to be made by it pursuant to Section 2.02(d), 2.02(e), 2.04(a), 2.04(b), 2.04(c), 8.04 or 10.04(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

(e) *Pro Rata Treatment.*

(i) Each payment (including each prepayment) by the Borrower on account of principal of and interest on any Class of Term Loans shall be made pro rata according to the respective outstanding principal amounts of such Class of Term Loans then held by the applicable Term Lenders (except that assignments to the Borrower pursuant to Section 10.02(g) shall not be subject to this Section 2.17(e)(i)). All such prepayments of Term Loans shall be applied in the manner directed by the Borrower (or, if no such direction is given, in direct order of maturity) to the remaining scheduled Installments of the applicable Class of Term Loans being prepaid.

(ii) Each payment (including each prepayment) by the Borrower on account of principal of and interest on any Class of Revolving Loans shall be made pro rata according to the respective outstanding principal amounts of such Class of Revolving Loans then held by the Revolving Lenders.

For the avoidance of doubt, the provisions of this Section 2.17 shall not be constructed to apply to (A) Cash Collateralization provided for in this Agreement, (B) assignments and participations (including by means of a Dutch Auction or open-market purchase) described in Section 10.02, (C) any circumstance contemplated by Section 2.18(b), 2.26, 2.27, 2.28, 10.08(d), 10.08(e) or 10.08(f), (D) the application of funds resulting from the existence of a Defaulting Lender, or (E) any other circumstance expressly provided for herein.

SECTION 2.18. Mitigation Obligations; Replacement of Lenders.

(a) If the Borrower is required to pay any additional amount to any Lender under Section 2.14 or to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder, to assign its rights and obligations hereunder to another of its offices, branches or affiliates, to file any certificate or document reasonably requested by the Borrower or to take other reasonable measures, if, in the judgment of such Lender, such designation, assignment, filing or other measures (i) would eliminate or reduce amounts payable pursuant to Section 2.14 or 2.16, as the case may be, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment. Nothing in this Section 2.18 shall affect or postpone any of the obligations of the Borrower or the rights of any Lender pursuant to Section 2.14 or 2.16.

(b) If, after the date hereof, any Lender requests compensation under Section 2.14 or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, (i) terminate such Lender's Revolving Commitment, prepay such Lender's outstanding Loans and provide Cash Collateralization for such Lender's LC Exposure, as applicable, or (ii) require such Lender to assign, without recourse (in accordance with and subject to the restrictions contained in Section 10.02), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), in any case as of a Business Day specified in such notice from the Borrower; provided that (i) such terminated or assigning Lender shall have received payment of an amount equal to the outstanding principal of its Loans and unreimbursed payments attributable to its participations in LC Disbursements, as applicable, accrued interest thereon, accrued fees and all other amounts due, owing and payable to it hereunder at the time of such termination or assignment, from the assignee (to the extent of such outstanding principal and accrued interest and fees in the case of an assignment) or the Borrower (in the case of all other amounts) and (ii) in the case of an assignment due to payments required to be made pursuant to Section 2.16, such assignment will result in a reduction in such compensation or payments.

SECTION 2.19. Certain Fees. The Borrower shall pay (i) to the Administrative Agent the fees set forth in that certain Administrative Agent Fee Letter, dated as of September 10, 2014, between the Administrative Agent and the Borrower as amended, restated, modified, supplemented or replaced from time to time (the "*Administrative Agent Fee Letter*"), (ii) to the Administrative Agent on behalf of the Administrative Agent and the Joint Lead Arrangers and Bookrunners the fees set forth in that certain Joint Lead Arranger Fee Letter dated as of September 10, 2014, as amended, restated, modified, supplemented or replaced from time to time and between the Administrative Agent, the Joint Lead Arrangers and Bookrunners, and the

Borrower (the “*Joint Lead Arranger Fee Letter*”) at the times set forth therein and (iii) the fees set forth in the certain Engagement Letter dated as of April 14, 2015 by and between the Borrower and the Joint Lead Arrangers and Bookrunners (the “*Engagement Letter*”) at the times and to the entities set forth therein.

SECTION 2.20. Commitment Fee.

The Borrower shall pay to the Administrative Agent for the accounts of the Revolving Lenders a commitment fee (the “*Commitment Fee*”) for the period commencing on the Closing Date to the Revolving Facility Termination Date with respect to the applicable Revolving Commitments or the earlier date of termination of the applicable Revolving Commitment, computed (on the basis of the actual number of days elapsed over a year of 360 days) at the Commitment Fee Rate on the average daily Unused Total Revolving Commitment. Such Commitment Fee, to the extent then accrued, shall be payable quarterly in arrears (a) following the Closing Date on the last Business Day of each March, June, September and December, (b) on the Revolving Facility Termination Date with respect to the applicable Revolving Commitments and (c) as provided in Section 2.11, upon any reduction or termination in whole or in part of the Total Revolving Commitment.

SECTION 2.21. Letter of Credit Fees. The Borrower shall pay with respect to each Letter of Credit (i) to the Administrative Agent for the account of the Revolving Lenders a fee calculated (on the basis of the actual number of days elapsed over a year of 360 days) at the per annum rate equal to the Applicable Margin then in effect with respect to Eurodollar Loans under the Revolving Facility on the daily average LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements), to be shared ratably among the Revolving Lenders and (ii) to each Issuing Lender (with respect to each Letter of Credit issued by it), such Issuing Lender’s customary and reasonable fees as may be agreed by the Issuing Lender and the Borrower for issuance, amendments and processing referred to in Section 2.02. In addition, the Borrower agrees to pay each Issuing Lender for its account a fronting fee of 0.125% per annum in respect of each Letter of Credit issued by such Issuing Lender, for the period from and including the date of issuance of such Letter of Credit to and including the date of termination or expiration of such Letter of Credit. Accrued fees described in this paragraph in respect of each Letter of Credit shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December and on the Revolving Facility Termination Date with respect to the applicable Revolving Commitments. Fees accruing on any Letter of Credit outstanding after the applicable Revolving Facility Termination Date shall be payable quarterly in the manner described in the immediately preceding sentence and on the date of expiration or termination of any such Letter of Credit.

SECTION 2.22. Nature of Fees. All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent, the Issuing Lenders and the Joint Lead Arrangers and Bookrunners, as provided herein and in the Fee Letters. Once paid, none of the Fees shall be refundable or creditable under any circumstances, except as otherwise provided in the Fee Letters.

SECTION 2.23. Right of Set-Off. Upon the occurrence and during the continuance of any Event of Default pursuant to Section 7.01(b), the Administrative Agent, the

Collateral Agent, each Issuing Lender and each Lender (and their respective banking Affiliates) are hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final but excluding deposits in the Escrow Accounts, Payroll Accounts and other accounts, in each case, held in trust for an identified beneficiary) at any time held and other Indebtedness at any time owing by the Administrative Agent, each such Issuing Lender and each such Lender (or any of such banking Affiliates) to or for the credit or the account of the Borrower or any Guarantor against any and all of any such overdue amounts owing under the Loan Documents, irrespective of whether or not the Administrative Agent or such Lender shall have made any demand under any Loan Document; provided that in the event that any Defaulting Lender exercises any such right of setoff, (x) all amounts so set off will be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.26(g) and, pending such payment, will be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Lenders and the Lenders and (y) the Defaulting Lender will provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender, each Issuing Lender and the Administrative Agent agree promptly to notify the Borrower and Guarantors after any such set-off and application made by such Lender, such Issuing Lender or the Administrative Agent (or any of such banking Affiliates), as the case may be; provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Lender, each Issuing Lender and the Administrative Agent under this Section 2.23 are in addition to other rights and remedies which such Lender and the Administrative Agent may have upon the occurrence and during the continuance of any Event of Default.

SECTION 2.24. Security Interest in Letter of Credit Account. The Borrower and the Guarantors hereby pledge to the Collateral Agent, for its benefit and for the benefit of the other Secured Parties, and hereby grant to the Collateral Agent, for its benefit and for the benefit of the other Secured Parties, a first priority security interest, senior to all other Liens, if any, in all of the Borrower's and the Guarantors' right, title and interest in and to the Letter of Credit Account, any direct investment of the funds contained therein and any proceeds thereof. Cash held in the Letter of Credit Account shall not be available for use by the Borrower, and shall be released to the Borrower only as described in Section 2.02(j).

SECTION 2.25. Payment of Obligations. Subject to the provisions of Section 7.01, upon the maturity (whether by acceleration or otherwise) of any of the Obligations under this Agreement or any of the other Loan Documents of the Borrower and the Guarantors, the Lenders shall be entitled to immediate payment of such Obligations.

SECTION 2.26. Defaulting Lenders.

(a) If at any time any Lender becomes a Defaulting Lender, then the Borrower may, provided no Event of Default shall have occurred and be continuing, on ten (10) Business Days' prior written notice to the Administrative Agent and such Lender, (i) terminate such Lender's Revolving Commitment, prepay such Lender's outstanding Loans and provide Cash Collateralization for such Lender's LC Exposure, as applicable, or (ii) replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to

Section 10.02(b) (with the assignment fee to be waived in such instance and subject to any consents required by such Section) all of its rights and obligations under this Agreement to one or more assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person.

(b) Any Lender being replaced pursuant to Section 2.26(a) shall (i) execute and deliver an Assignment and Acceptance with respect to such Lender's outstanding Commitments, Loans and participations in Letters of Credit and (ii) deliver any documentation evidencing such Loans to the Borrower or the Administrative Agent. Pursuant to such Assignment and Acceptance, (A) the assignee Lender shall acquire all or a portion, as specified by the Borrower and such assignee, of the assigning Lender's outstanding Commitments, Loans and participations in Letters of Credit, (B) all obligations of the Borrower owing to the assigning Lender relating to the Commitments, Loans and participations so assigned shall be paid in full by the assignee Lender to such assigning Lender concurrently with such Assignment and Acceptance (including, without limitation, any amounts owed under Section 2.15 due to such replacement occurring on a day other than the last day of an Interest Period), and (C) upon such payment and, if so requested by the assignee Lender, delivery to the assignee Lender of the appropriate documentation executed by the Borrower in connection with previous Borrowings, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Commitments, Loans and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender; provided that an assignment contemplated by this Section 2.26(b) shall become effective notwithstanding the failure by the Lender being replaced to deliver the Assignment and Acceptance contemplated by this Section 2.26(b), so long as the other actions specified in this Section 2.26(b) shall have been taken.

(c) Anything herein to the contrary notwithstanding, if a Revolving Lender becomes, and during the period it remains, a Defaulting Lender, during such period, such Defaulting Lender shall not be entitled to any fees accruing during such period pursuant to Section 2.20 and 2.21 (without prejudice to the rights of the Non-Defaulting Lenders in respect of such fees); provided that (a) to the extent that all or a portion of the LC Exposure of such Defaulting Lender is reallocated to the Non-Defaulting Lenders pursuant to Section 2.26(d)(i), such fees that would have accrued for the benefit of such Defaulting Lender shall instead accrue for the benefit of and be payable to such Non-Defaulting Lenders and (b) to the extent that all or any portion of such LC Exposure cannot be so reallocated and is not Cash Collateralized in accordance with Section 2.26(d)(ii), such fees shall instead accrue for the benefit of and be payable to the Issuing Lenders as their interests appear (and the applicable pro rata payment provisions under this Agreement shall automatically be deemed adjusted to reflect the provisions of this Section 2.26).

(d) If any LC Exposure exists at the time a Revolving Lender becomes a Defaulting Lender then:

(i) the LC Exposure of such Defaulting Lender will, upon at least two (2) Business Days prior notice to the Borrower and the Non-Defaulting Lenders by the Administrative Agent, and subject in any event to the limitation in the first proviso below, automatically be reallocated (effective on the day specified in such notice) among

the Non-Defaulting Lenders pro rata in accordance with their respective Revolving Commitments; provided that (A) the Revolving Extensions of Credit of each such Non-Defaulting Lender may not in any event exceed the Revolving Commitment of such Non-Defaulting Lender as in effect at the time of such reallocation, (B) such reallocation will not constitute a waiver or release of any claim the Borrower, the Administrative Agent, the Issuing Lenders or any other Lender may have against such Defaulting Lender, (C) at the time of such reallocation, no Event of Default pursuant to Section 7.01(b), (e)(B), (f) or (g) has occurred and is continuing and (D) neither such reallocation nor any payment by a Non-Defaulting Lender as a result thereof will cause such Defaulting Lender to be a Non-Defaulting Lender; and

(ii) to the extent that any portion (the “*unreallocated portion*”) of the Defaulting Lender’s LC Exposure cannot be so reallocated, whether by reason of the first proviso in clause (i) above or otherwise, the Borrower will, not later than three (3) Business Days after demand by the Administrative Agent, (A) Cash Collateralize the obligations of the Borrower to the Issuing Lenders in respect of such LC Exposure in an amount at least equal to the aggregate amount of the unreallocated portion of such LC Exposure or (B) make other arrangements satisfactory to the Administrative Agent and the Issuing Lenders in their sole discretion to protect them against the risk of non-payment by such Defaulting Lender.

(e) In addition to the other conditions precedent set forth in this Agreement, if any Revolving Lender becomes, and during the period it remains, a Defaulting Lender, no Issuing Lender shall be required to issue any Letter of Credit or to amend any outstanding Letter of Credit, unless:

(i) in the case of a Defaulting Lender, the LC Exposure of such Defaulting Lender is reallocated, as to outstanding and future Letters of Credit, to the Non-Defaulting Lenders as provided in Section 2.26(d)(i), except as provided in clause (ii) below, and

(ii) to the extent full reallocation does not occur as provided in clause (i) above, without limiting the provisions of Section 2.26(f), the Borrower shall Cash Collateralize the obligations of the Borrower in respect of such Letter of Credit in an amount at least equal to the aggregate amount of the obligations (contingent or otherwise) of such Defaulting Lender in respect of such Letter of Credit, or makes other arrangements satisfactory to the Administrative Agent and such Issuing Lenders in their sole discretion to protect them against the risk of non-payment by such Defaulting Lender, or

(iii) to the extent that neither reallocation nor Cash Collateralization occurs pursuant to clauses (i) or (ii), then in the case of a proposed issuance of a Letter of Credit, by an instrument or instruments in form and substance reasonably satisfactory to the Administrative Agent, and to such Issuing Lender, as the case may be, (A) the Borrower agrees that the face amount of such requested Letter of Credit will be reduced by an amount equal to the portion thereof as to which such Defaulting Lender would otherwise be liable, and (B) the Non-Defaulting Lenders’ obligations in respect of such Letter of

Credit shall be on a pro rata basis in accordance with the Revolving Commitments of the Non-Defaulting Lenders, and that the applicable pro rata payment provisions under this Agreement will be deemed adjusted to reflect this provision (provided that nothing in this clause (iii) will be deemed to increase the Revolving Commitments of any Lender, nor to constitute a waiver or release of any claim the Borrower, the Administrative Agent, any Issuing Lender or any other Lender may have against such Defaulting Lender, nor to cause such Defaulting Lender to be a Non-Defaulting Lender).

(f) If any Revolving Lender becomes, and during the period it remains, a Defaulting Lender and if any Letter of Credit is at the time outstanding, the applicable Issuing Lender may (except to the extent the Revolving Commitments of such Defaulting Lender have been fully reallocated pursuant to Section 2.26(d)(i)), by notice to the Borrower and such Defaulting Lender through the Administrative Agent, require the Borrower to Cash Collateralize, not later than three (3) Business Days after receipt by the Borrower of such notice, the obligations of the Borrower to such Issuing Lender in respect of such Letter of Credit in an amount equal to the aggregate amount of the obligations (contingent or otherwise) of such Defaulting Lender in respect thereof, or to make other arrangements satisfactory to the Administrative Agent and such Issuing Lender in their sole discretion to protect them against the risk of non-payment by such Defaulting Lender.

(g) Any amount paid by the Borrower or otherwise received by the Administrative Agent for the account of any Lender that is a Defaulting Lender (whether on account of principal, interest, fees, indemnity payments or other amounts) will not be paid or distributed to such Defaulting Lender, but shall instead be retained by the Administrative Agent in a segregated account until (subject to Section 2.26(i)) the termination of the Revolving Commitments and payment in full of all obligations of the Borrower hereunder and will be applied by the Administrative Agent, to the fullest extent permitted by law, to the making of payments from time to time in the following order of priority:

first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent;

second, to the payment of any amounts owing by such Defaulting Lender to the Issuing Lenders under this Agreement;

third, to the payment of the default interest and then current interest due and payable to the Revolving Lenders which are Non-Defaulting Lenders hereunder, ratably among them in accordance with the amounts of such interest then due and payable to them;

fourth, to the payment of fees then due and payable to the Non-Defaulting Lenders hereunder, ratably among them in accordance with the amounts of such fees then due and payable to them;

fifth, to pay principal and unreimbursed LC Disbursements then due and payable to the Non-Defaulting Lenders hereunder ratably in accordance with the amounts thereof then due and payable to them;

sixth, to the ratable payment of other amounts then due and payable to the Non-Defaulting Lenders;

seventh, to the funding of any Loan or the funding or Cash Collateralization of any participation in any Letter of Credit in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent;

eighth, if so determined by the Administrative Agent and the Borrower, held in such account as Cash Collateral for future funding obligations of the Defaulting Lender under this Agreement;

ninth, pro rata, to the payment of any amounts owing to the Borrower or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by a Borrower or any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and

tenth, after the termination of the Revolving Commitments and payment in full of all obligations of the Borrower hereunder, to pay amounts owing under this Agreement to such Defaulting Lender or as a court of competent jurisdiction may otherwise direct.

(h) The Borrower may terminate the unused amount of the Commitment of any Lender that is a Defaulting Lender upon not less than ten (10) Business Days' prior notice to the Administrative Agent (which shall promptly notify the Lenders thereof), and in such event the provisions of Section 2.26(g) will apply to all amounts thereafter paid by the Borrower for the account of such Defaulting Lender under this Agreement (whether on account of principal, interest, fees, indemnity or other amounts); provided that (i) no Event of Default shall have occurred and be continuing and (ii) such termination shall not be deemed to be a waiver or release of any claim the Borrower, the Administrative Agent, any Issuing Lender, or any Lender may have against such Defaulting Lender.

(i) If the Borrower, the Administrative Agent and (in the case of Revolving Lender) the Issuing Lenders agree in writing that a Lender that is a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any amounts then held in the segregated account referred to in Section 2.26(g)), such Lender, to the extent applicable, shall purchase at par such portions of outstanding Loans of the other Lenders, and/or make such other adjustments, as the Administrative Agent may determine to be necessary to cause the Lenders to hold Loans on a pro rata basis in accordance with their ratable shares, whereupon such Lender shall cease to be a Defaulting Lender and will be a Non-Defaulting Lender (and the LC Exposure of each Revolving Lender shall automatically be adjusted on a prospective basis to reflect the foregoing); provided that no adjustments shall be made retroactively with respect to fees accrued while such Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Non-Defaulting Lender shall constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

(j) Notwithstanding anything to the contrary herein, any Lender that is an Issuing Lender hereunder may not be replaced in its capacity as an Issuing Lender at any time that it has a Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such Issuing Lender have been made with respect to such outstanding Letters of Credit.

SECTION 2.27. Increase in Commitment.

(a) *Borrower Request.* The Borrower may by written notice to the Administrative Agent request (x) prior to the Revolving Facility Maturity Date, an increase to the existing Revolving Commitments and/or LC Commitment or to establish one or more new Revolving Commitments and/or LC Commitments (each, an “*Incremental Revolving Commitment*”) and/or (y) at any time the establishment of one or more new Term Loan Commitments (each, an “*Incremental Term Loan Commitment*”, and together with the Incremental Revolving Commitments, the “*Incremental Commitments*”) by an amount not less than \$50,000,000 individually. Each such notice shall specify (i) the date (each, an “*Increase Effective Date*”) on which the Borrower proposes that the Incremental Commitments shall be effective, which shall be a date not less than 10 Business Days after the date on which such notice is delivered to the Administrative Agent (or such earlier date agreed by the Administrative Agent) and (ii) the identity of each Eligible Assignee or other lender reasonably acceptable to the Administrative Agent (and, in the case of any Incremental Revolving Commitment that contains an LC Commitment, each Issuing Lender) to whom the Borrower proposes any portion of such Incremental Commitments be allocated (each, a “*New Lender*”) and the amounts of such allocations; provided that any existing Lender approached to provide all or a portion of the Incremental Commitments may elect or decline, in its sole discretion, to provide such Incremental Commitment.

(b) *Conditions.* The Incremental Commitments shall become effective, as of such Increase Effective Date; provided that:

(i) each of the conditions set forth in Section 4.02 shall be satisfied on or prior to such Increase Effective Date before and after giving effect to such Incremental Commitments;

(ii) no Default or Event of Default shall have occurred and be continuing or would result from giving effect to the Incremental Commitments on, or the making of any new Loans on, such Increase Effective Date; and

(iii) the Borrower shall provide an Officer’s Certificate demonstrating in reasonable detail that, after giving pro forma effect to (1) the Incremental Commitments, (2) any new Loans to be made on such Increase Effective Date and (3) the pledge of any Additional Collateral, the Collateral Coverage Ratio shall be no less than 1.6 to 1.0 and the aggregate amount of Liquidity shall be no less than \$2,000,000,000.

(c) *Terms of New Loans and Commitments.* The terms and provisions of Loans made pursuant to the new Commitments shall be as follows:

(i) terms and provisions with respect to interest rates, maturity date and amortization schedule of Loans made pursuant to any Incremental Term Loan

Commitments (“*Incremental Term Loans*”) shall be as agreed upon between the Borrower and the applicable Lenders providing such Loans (it being understood that the Incremental Term Loans may be part of the 2015 Term Loans or any other Class of Term Loans);

(ii) the maturity date of any Loans made pursuant to Incremental Term Loan Commitments shall be no earlier than the Term Loan Maturity Date applicable to the 2015 Term Loans that have not been extended pursuant to Section 2.28;

(iii) the Weighted Average Life to Maturity of any Loans made pursuant to Incremental Term Loan Commitments shall be no shorter than the Weighted Average Life to Maturity of the Term Loan Commitments made on the Closing Date;

(iv) the interest rate margins for the Incremental Term Loans shall be determined by the Borrower and the applicable Lenders providing such Loans; provided, however, that, with respect to any Class of Incremental Term Loans, if the All-In Initial Yield on such Class of Incremental Term Loans exceeds the All-In Initial Yield on the 2015 Term Loans funded hereunder (the “*Original Term Loans*”) by more than 50 basis points (the amount of such excess, if any, above 50 basis points being referred to herein as the “*Yield Differential*”), then the interest rate margin (and, as provided in the following proviso, the LIBO Rate floor) then in effect for the Original Term Loans shall be increased to eliminate such Yield Differential; provided that, to the extent any portion of the Yield Differential is attributable to any LIBO Rate floor applicable to such Class of Incremental Term Loans exceeding the LIBO Rate floor applicable to the Original Term Loans, the LIBO Rate floor applicable to the Original Term Loans shall first be increased to eliminate such Yield Differential to an amount not to exceed the LIBO Rate floor applicable to such Class of Incremental Term Loans prior to any increase in the interest rate margin applicable to such Original Term Loans;

(v) the maturity date of any Revolving Loans extended pursuant to such new Commitments shall be no earlier than the Revolving Facility Maturity Date applicable to the Revolving Commitments that have not been extended pursuant to Section 2.28;

(vi) any Revolving Commitments established pursuant to such Incremental Revolving Commitments shall not require any scheduled amortization or mandatory commitment reduction prior to the Revolving Facility Maturity Date; and

(vii) to the extent that the terms and provisions of Incremental Term Loans or the Revolving Loans made pursuant to Incremental Revolving Commitments are not consistent with an outstanding Class of Term Loans or to the outstanding Revolving Loans, as applicable (except to the extent permitted by clauses (i), (ii), (iii), (iv), (v) and (vi) above), such terms and conditions shall be reasonably satisfactory to the Administrative Agent and the Borrower.

The Incremental Commitments shall be effected by a joinder agreement (the “*Increase Joinder*”) executed by the Borrower, the Administrative Agent and each Lender making such Incremental Commitment, in form and substance reasonably satisfactory to each of them. Notwithstanding

anything else to the contrary in this Agreement or the other Loan Documents, the Increase Joinder may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.27. In addition, unless otherwise specifically provided herein, all references in the Loan Documents to Revolving Loans or Term Loans shall be deemed, unless the context otherwise requires, to include references to Revolving Loans made pursuant to any increased Revolving Commitments and any Incremental Term Loans that are Term Loans, respectively, made pursuant to this Agreement.

(d) *Adjustment of Revolving Loans.* To the extent the Commitments being increased on the relevant Increase Effective Date are Revolving Commitments, each of the existing Revolving Lenders shall assign to each of the applicable New Lenders, and each of the New Lenders shall purchase from each of the existing Revolving Lenders, at the principal amount thereof (together with accrued interest), such interests in the Revolving Loans outstanding on such Increase Effective Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Loans will be held by the existing Revolving Lenders and New Lenders ratably in accordance with their Revolving Commitments after giving effect to the increased Revolving Commitments on such Increase Effective Date. If there is a new Borrowing of Revolving Loans on such Increase Effective Date, the Revolving Lenders after giving effect to such increased Revolving Commitments shall make such Revolving Loans in accordance with Section 2.01(a).

(e) *Making of New Term Loans.* On any Increase Effective Date on which one or more Incremental Term Loan Commitments becomes effective, subject to the satisfaction of the foregoing terms and conditions, each Lender of such Incremental Term Loan Commitment shall make an Incremental Term Loan to the Borrower in an amount equal to its Incremental Term Loan Commitment.

(f) *Security and Guaranty.* The Incremental Commitments will be secured on a *pari passu* or (at the Borrower's option) junior basis by the same Collateral securing the obligations under the Facilities, and the Incremental Commitments and any incremental loans drawn thereunder shall rank *pari passu* in right of payment with or (at the Borrower's option) junior to the obligations under the Facilities (it being understood any such junior liens shall be subject to any Intercreditor Agreement or any Other Intercreditor Agreement). Incremental Commitments shall benefit from the same guarantees as the Facilities.

SECTION 2.28. Extension of Term Loans; Extension of the Revolving Facility.

(a) *Extension of Term Loans.* Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, a "Term Loan Extension Offer"), made from time to time by the Borrower to all Term Lenders holding Term Loans with like maturity date, on a pro rata basis (based on the aggregate Term Loan Commitments with like maturity date) and on the same terms to each such Term Lender, the Borrower is hereby permitted to consummate from time to time transactions with individual Term Lenders that accept the terms contained in such Term Loan Extension Offers to extend the scheduled maturity date with respect to all or a portion of any outstanding principal amount of such Term Lender's Term Loans and otherwise

modify the terms of such Term Loans pursuant to the terms of the relevant Term Loan Extension Offer (including, without limitation, by changing the interest rate or fees payable in respect of such Term Loan Commitments) (each, a “*Term Loan Extension*,” and each group of Term Loans, as so extended, as well as the original Term Loans not so extended, being a “*tranche of Term Loans*,” and subject to the last sentence of the definition of “*Class*,” any Extended Term Loan shall constitute a separate tranche of Term Loans from the tranche of Term Loans from which they were converted), so long as the following terms are satisfied:

(i) no Event of Default pursuant to Section 7.01(b), (e)(B), (f) or (g) shall have occurred and be continuing at the time the offering document in respect of a Term Loan Extension Offer is delivered to the applicable Term Lenders;

(ii) except as to interest rates, fees, scheduled amortization payments of principal and final maturity (which shall be as set forth in the relevant Term Loan Extension Offer), the Term Loan of any Term Lender that agrees to a Term Loan Extension with respect to such Term Loan extended pursuant to an Extension Amendment (an “*Extended Term Loan*”), shall be a Term Loan with the same terms as the original Class of Term Loans being extended; provided that (1) the permanent repayment of Extended Term Loans after the applicable Term Loan Extension shall be made on a pro rata basis with all other Term Loans, except that the Borrower shall be permitted to permanently repay any such tranche of Term Loans on a better than a pro rata basis as compared to any other tranche of Term Loans with a later maturity date than such tranche of Term Loans (it being understood that amortization payments and prepayments of Term Loans shall not be required to be on a pro rata basis), (2) assignments and participations of Extended Term Loans shall be governed by the same assignment and participation provisions applicable to Term Loans or, at the Borrower’s discretion, governed by more restrictive assignment and participation provisions, (3) the relevant Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of such Extension Amendment (immediately prior to the establishment of such Extended Term Loans), (4) Extended Term Loans may have call protection as may be agreed by the Borrower and the applicable Term Lenders of such Extended Term Loans, (5) no Extended Term Loans may be optionally prepaid prior to the date on which all Term Loans with an earlier Term Loan Maturity Date are repaid in full, unless such optional prepayment is accompanied by a pro rata optional prepayment of such other Term Loans and (6) at no time shall there be Term Loans hereunder (including Extended Term Loans and any original Term Loans) which have more than five different maturity dates;

(iii) all documentation in respect of such Term Loan Extension shall be consistent with the foregoing;

(iv) the Borrower may amend, revoke or replace a Term Loan Extension Offer at any time prior to the date on which Lenders under the tranche of Term Loans are requested to respond to the offer; and

(v) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower. For the avoidance of doubt, no Term Lender shall be obligated to accept any Term Loan Extension Offer.

(b) *Extension of the Revolving Facility*. Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, a “*Revolver Extension Offer*”) made from time to time by the Borrower to all Revolving Lenders holding Revolving Commitments with a like maturity date, on a pro rata basis (based on the aggregate Revolving Commitments with a like maturity date) and on the same terms to each such Revolving Lender, the Borrower is hereby permitted to consummate from time to time transactions with individual Revolving Lenders that accept the terms contained in such Revolver Extension Offers to extend the maturity date of all or a portion of each such Revolving Lender’s Revolving Commitments and otherwise modify the terms of such Revolving Commitments pursuant to the terms of the relevant Revolver Extension Offer (including, without limitation, by the changing interest rate or fees payable in respect of such Revolving Commitments (and related outstandings)) (each, a “*Revolver Extension*,” and each group of Revolving Commitments, as so extended, as well as the original Revolving Commitments not so extended, being a “*tranche of Revolving Loans*,” and any subject to the last sentence of the definition of “*Class*,” Extended Revolving Commitments shall constitute a separate tranche of Revolving Commitments from the tranche of Revolving Commitments from which they were converted), so long as the following terms are satisfied:

(i) No Event of Default pursuant to Section 7.01(b), (e)(B), (f) or (g) shall have occurred and be continuing at the time the offering document in respect of a Revolver Extension Offer is delivered to the applicable Revolving Lenders (the “*Revolver Extension Offer Date*”);

(ii) except as to interest rates, fees and final maturity (which shall be set forth in the relevant Revolver Extension Offer), the Revolving Commitment of any Revolving Lender that agrees to a Revolver Extension with respect to such Revolving Commitment extended pursuant to an Extension Amendment (an “*Extended Revolving Commitment*”), and the related outstandings, shall be a Revolving Commitment (or related outstandings, as the case may be) with the same terms as the original Class of Revolving Commitments being extended (and related outstandings); provided that (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on Extended Revolving Commitments (and related outstandings), (B) repayments required upon the maturity date of the non-extending Revolving Commitments and (C) repayment made in connection with a permanent repayment and termination of commitments) of Revolving Loans with respect to Extended Revolving Commitments after the applicable Revolver Extension Offer Date shall be made on a pro rata basis with all other Revolving Commitments (it being understood that (a) prepayments of Revolving Loans other than in connection with a termination of commitments shall not be required to be on a pro rata basis and (b) the Borrower shall be permitted to permanently repay and terminate commitments of any such tranche of Revolving Loans on a better than pro rata basis as compared to any other tranche of Revolving Loans with a later maturity date than such tranche of Revolving Loans), (2) assignments and participations of Extended Revolving Commitments and extended Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Commitments and Revolving Loans

or, at the Borrower's discretion, governed by more restrictive assignment and participation provisions and (3) at no time shall there be Revolving Commitments hereunder (including Extended Revolving Commitments and any original Revolving Commitments) which have more than five different maturity dates;

(iii) if the aggregate principal amount of Revolving Commitments in respect of which Revolving Lenders shall have accepted the relevant Revolver Extension Offer shall exceed the maximum aggregate principal amount of Revolving Commitments, as the case may be, offered to be extended by the Borrower pursuant to such Revolver Extension Offer, then the Revolving Loans of such Revolving Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Revolving Lenders have accepted such Revolver Extension Offer;

(iv) if the aggregate principal amount of Revolving Commitments in respect of which Revolving Lenders shall have accepted the relevant Revolver Extension Offer shall be less than the maximum aggregate principal amount of Revolving Commitments, as the case may be, offered to be extended by the Borrower pursuant to such Revolver Extension Offer, then the Borrower may require each Revolving Lender that does not accept such Revolver Extension Offer to assign pursuant to Section 10.02 its pro rata share (or any portion thereof) of the outstanding Revolving Commitments, Revolving Loans and/or participations in Letters of Credit (as applicable) offered to be extended pursuant to such Revolver Extension Offer to one or more assignees which have agreed to such assignment and to extend the applicable Revolving Facility Maturity Date; provided that (1) each Revolving Lender that does not respond affirmatively by the deadline set forth in the Revolver Extension Offer shall be deemed not to have accepted such Revolver Extension Offer, (2) each assigning Revolving Lender shall have received payment of an amount equal to the outstanding principal of its Revolving Loans and unreimbursed funded participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees or portion thereof that has been assigned pursuant to this Section 2.28(b)(iv), if applicable) or the Borrower (in the case of all other amounts), (3) the processing and recordation fee specified in Section 10.02(b)(ii)(D) shall be paid by the Borrower or such assignee and (4) the assigning Revolving Lender shall continue to be entitled to the rights under Section 10.04 for any period prior to the effectiveness of such assignment;

(v) all documentation in respect of such Revolver Extension shall be consistent with the foregoing unless otherwise agreed by the Administrative Agent and the Borrower;

(vi) the Borrower may amend, revoke or replace a Revolver Extension Offer at any time prior to the date on which Lenders under the tranche of Revolving Loans are requested to respond to the offer; and

(vii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower. For the avoidance of doubt, no Revolving Lender shall be obligated to accept any Revolver Extension Offer.

(c) *Minimum Extension Condition.* With respect to all Extensions consummated by the Borrower pursuant to this Section 2.28, (i) such Extensions shall not constitute mandatory or voluntary payments or prepayments for purposes of Section 2.12 or Section 2.13 and (ii) each Extension Offer shall specify the minimum amount of Term Loans or Revolving Commitments (if any), as the case may be, to be tendered, which shall be a minimum amount approved by the Administrative Agent (a “*Minimum Extension Condition*”). The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.28 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans or Extended Revolving Commitments on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 2.11, 2.12, 2.17 and 8.08) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.28.

(d) *Extension Amendment.* The consent of the Administrative Agent shall be required to effectuate any Extension, such consent not to be unreasonably withheld. No consent of any Lender shall be required to effectuate any Extension, other than (A) in the case of a Revolver Extension, (i) the consent of each Lender agreeing to such Extension with respect to all or a portion of its Revolving Commitments (or, in the case of an Extension pursuant to clause (iv) of Section 2.28(b), the consent of the assignee agreeing to the assignment of one or more Revolving Commitments, Revolving Loans and/or participations in Letters of Credit) and (ii) the consent of each Issuing Lender, which consent shall not be unreasonably withheld or delayed and (B) in the case of a Term Loan Extension, the consent of each Lender agreeing to such Extension with respect to all or a portion of its Term Loans, as applicable. All Extended Term Loans and Extended Revolving Commitments and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are secured by the Collateral on a *pari passu* basis with all other applicable Obligations under this Agreement and the other Loan Documents. Notwithstanding anything else to the contrary set forth in this Agreement or the other Loan Documents, the Lenders hereby irrevocably authorize each Agent to enter into amendments to this Agreement and the other Loan Documents (each, an “*Extension Amendment*”) with the Borrower as may be necessary in order to establish new tranches or sub-tranches or Classes in respect of Term Loans or Revolving Commitments so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new tranches or sub-tranches or Classes, in each case on terms consistent with this Section 2.28. In addition, if so provided in such Extension Amendment relating to a Revolver Extension and with the consent of the Issuing Lenders, participations in Letters of Credit expiring on or after the Revolving Facility Maturity Date with respect to Revolving Commitments not so extended shall be re-allocated from Revolving Lenders holding Revolving Commitments to Revolving Lenders holding Extended Revolving Commitments in accordance with the terms of such Extension Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding Extended Revolving Commitments, be deemed to be participation interests in respect of such Extended Revolving Commitments and the terms of such

participation interests (including, without limitation, the commission applicable thereto) shall be adjusted accordingly; and provided, further, that the Borrower shall have the right (without limitation of its rights pursuant to Section 2.28(b)(iv) above) to (i) replace any non-extending Lender with respect to all or a portion of its Loans or Commitments, as applicable, in connection with either a Revolver Extension or a Term Loan Extension by having such Loans or Revolving Commitments (or any portion thereof) assigned, in accordance with Sections 2.28(b)(iv) and Section 10.02, at par, to one or more other Eligible Assignees or (ii) terminate all or a portion of the Commitments of, and repay the Obligations owing to any such non-extending Lender.

Subject to the next succeeding sentence, information delivered pursuant to this Section 5.01 to the Administrative Agent may be made available by the Administrative Agent to the Lenders by posting such information on the Intralinks website on the Internet at <http://www.intralinks.com>. Information required to be delivered pursuant to this Section 5.01 by the Borrower (and solely in the case of Section 5.01(a) or (b) above to the extent not made available on EDGAR) shall be delivered pursuant to Section 10.01 or as set forth in the following sentence. Information required to be delivered pursuant to this Section 5.01 (to the extent not made available as set forth above) shall be deemed to have been delivered to the Administrative Agent on the date on which the Borrower provides written notice to the Administrative Agent that such information has been posted on the Borrower's general commercial website on the Internet (to the extent such information has been posted or is

SECTION 5.02. Taxes. Parent shall pay, and shall cause each of its Subsidiaries to pay, all material taxes, assessments and governmental levies imposed or assessed on any of them or any of their assets before the same shall become more than 90 days delinquent, other than taxes, assessments and levies (i) being contested in good faith by appropriate proceedings or (ii) the failure to effect such payment of which are not reasonably be expected to have, individually or collectively, a Material Adverse Effect on Parent.

(1) its corporate existence, and the corporate, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of Parent or any such Restricted Subsidiary; and

(2) the rights (charter and statutory) and material franchises of Parent and its Restricted Subsidiaries; provided, however, that Parent shall not be required to preserve any such right or franchise, or the corporate, partnership or other existence of it or any of its Restricted Subsidiaries, if a Responsible Officer of the Borrower or Parent shall, in such officer's reasonable judgment, determine that the preservation thereof is no longer desirable in the conduct of the business of Parent and its Subsidiaries, taken as a whole, and that the loss thereof would not, individually or in the aggregate, have a Material Adverse Effect.

For the avoidance of doubt, this Section 5.03 shall not prohibit any actions permitted by Section 6.10 or described in Section 6.10(b).

SECTION 5.04. Compliance with Laws. Except for laws, rules, regulations and orders applicable to Route Authorities, Slots and Foreign Gate Leaseholds (it being understood that Section 5.09 applies, to the extent set forth therein, to laws, rules, regulations and orders applicable to Route Authorities, Slots and Foreign Gate Leaseholds), Parent shall comply, and cause each of its Restricted Subsidiaries to comply, with all applicable laws, rules, regulations and orders of any Governmental Authority applicable to it or its property, except where such noncompliance, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

SECTION 5.05. Designation of Restricted and Unrestricted Subsidiaries.

(a) Parent may designate any Restricted Subsidiary of it (other than the Borrower) to be an Unrestricted Subsidiary if that designation would not cause a Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by Parent and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation. That designation will be permitted only if the Investment would be permitted at that time under Section 6.01 and if the Restricted Subsidiary otherwise meets the definition of an "Unrestricted Subsidiary." Parent may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause a Default.

(b) Parent may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of Parent; provided that such designation will be permitted only if no Default or Event of Default would be in existence following such designation.

(18) [Reserved];

(19) so long as no Default or Event of Default has occurred and is continuing, Restricted Payments (i) made to purchase or redeem Equity Interests of Parent or (ii) consisting of payments in respect of any Indebtedness (whether for purchase or prepayment thereof or otherwise);

(20) payment of dividends in respect of Parent's Capital Stock in each fiscal year in an amount up to 50% of Excess Cash Flow for the immediately preceding fiscal year, so long as, both immediately before and after giving effect to such payment, (A) no Default or Event of Default has occurred and is continuing at the time of and immediately after giving effect to the payment of such dividends, and (B) the Borrower is in pro forma compliance with the financial covenants in Section 6.09 at such times;

Notwithstanding anything in this Agreement or any other Loan Document to the contrary, if a Restricted Payment is made (or any other action is taken or omitted under this Agreement or any other Loan Document) at a time when a Default or Event of Default has occurred and is continuing and such Default or Event of Default is subsequently cured, any Default or Event of Default arising from the making of such Restricted Payment (or the taking or omission of such other action) during the existence of such Default or Event of Default shall simultaneously be deemed cured.

(A) not materially more restrictive, taken as a whole, than those contained in this Agreement or (B)(i) customary for instruments of such type and (ii) will not materially adversely impact the ability of the Borrower to make required principal and interest payments on the Loans or any reimbursement obligation with respect to LC Disbursements;

the contracts, instruments or obligations referred to in clauses (1) through (13) of this Section 6.02(b); provided that such amendment, modification, restatement, renewal, extension, increase, supplement, refunding, replacement or refinancing is, in the good faith judgment of a senior financial officer of the Borrower, taken together as a whole, not materially more restrictive with respect to such dividend and other payment restrictions than those contained in (A) the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, extension, increase, supplement, refunding, replacement or refinancing or (B) this Agreement; and

(14) any encumbrance or restriction existing under or by reason of Indebtedness or other contractual requirements of a Receivables Subsidiary or any Standard Securitization Undertaking, in each case, in connection with a Qualified Receivables Transaction; provided that such restrictions apply only to such Receivables Subsidiary.

The Administrative Agent may perform any of its respective duties hereunder by or through its officers, directors, employees or affiliates.

(b) Each of the Lenders and each Issuing Lender hereby authorizes each of the Administrative Agent and the Collateral Agent, in its sole discretion, where applicable:

(i) (A) in connection with the sale or other disposition or request for release in compliance with Section 6.09(c) of any asset that is part of the Collateral of the Borrower or any other Grantor, as the case may be, to the extent permitted by the terms of this Agreement, to release a Lien granted to the Collateral Agent, for the benefit of the Secured Parties, on such asset and (B) (x) upon termination of the Commitments and payment and satisfaction of all of the Obligations (other than inchoate indemnification obligations) at any time arising under or in respect of this Agreement or the Loan Documents or the transactions contemplated hereby or thereby, (y) if approved, authorized or ratified in writing by the Required Lenders (or all of the Lenders hereunder, to the extent required by this Agreement) or (z) as otherwise may be expressly provided in the relevant Collateral Documents, to release a Lien granted to the Collateral Agent, for the benefit of the Secured Parties, on any asset that is part of the Collateral of the Borrower or any other Grantor, as the case may be;

(ii) to determine that the cost to the Borrower or any other Grantor, as the case may be, is disproportionate to the benefit to be realized by the Secured Parties by perfecting a Lien in a given asset or group of assets included in the Collateral and that the Borrower or such other Grantor, as the case may be, should not be required to perfect such Lien in favor of the Collateral Agent, for the benefit of the Secured Parties;

(iii) to enter into the other Loan Documents on terms acceptable to the Administrative Agent or the Collateral Agent, as applicable, and to perform its respective obligations thereunder;

(iv) to execute any documents or instruments necessary to release any Guarantor from the guarantees provided herein pursuant to Section 9.05;

(v) to enter into the Collateral Documents, any Intercreditor Agreement or any Other Intercreditor Agreement (and/or subordination agreements on terms reasonably acceptable to the Collateral Agent and the Administrative Agent) and in each case to perform its obligations thereunder and to take such action and to exercise the powers, rights and remedies granted to it thereunder and with respect thereto; and

(vi) to enter into any other agreements in the forms contemplated hereby or otherwise reasonably satisfactory to the Administrative Agent granting Liens to the Collateral Agent, for the benefit of the Secured Parties, on any assets of the Borrower or any other Grantor to secure the Obligations.

(c) The Collateral Agent may appoint the Administrative Agent as its agent for the purposes of holding any Collateral and/or perfecting the Collateral Agent's security interest therein and for the purpose of taking such other action with respect to the Collateral as such Agents may from time to time agree.

(d) In the event any property described in clause (d) of the definition of "Additional Collateral" is to be pledged by the Borrower or any other Grantor as Additional Collateral, the Collateral Agent will appoint Wilmington Trust Company or another trustee designated by the Borrower and reasonably acceptable to the Collateral Agent to serve as the security trustee under the applicable Aircraft Security Agreement with respect to such Additional Collateral, and in such event, references herein to the "Collateral Agent" with respect to such Additional Collateral and such Aircraft Security Agreement, as the context requires, shall be deemed to refer to such security trustee. The Collateral Agent will cause such trustee to join any Intercreditor Agreements and/or any Other Intercreditor Agreements.

SECTION 8.02. Rights of Agents. Each institution serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and such bank and its respective Affiliates may accept deposits from, lend money to, act in any advisor capacity, and generally engage in any kind of business with the Borrower, Parent or any Subsidiary or other Affiliate of Parent as if it were not an Agent hereunder and without any duty to account therefor to the Lenders.

SECTION 8.03. Liability of Agents.

(a) No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (i) no Agent shall be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing, (ii) no Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers

expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 10.08 or in the other Loan Documents), (iii) except as expressly set forth herein, no Agent shall have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower, Parent or any of Parent's Subsidiaries that is communicated to or obtained by the institution serving as an Agent or any of its respective Affiliates in any capacity and (iv) no Agent will be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt, any action that may be in violation of the automatic stay under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect. No Agent shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 10.08 or in the other Loan Documents) or in the absence of its own gross negligence, bad faith or willful misconduct, as determined in a final non-appealable judgment by a court of competent jurisdiction. No Agent shall be deemed to have knowledge of any Event of Default unless and until written notice thereof is given to such Agent by the Borrower, Parent or a Lender, and no Agent shall be responsible for, or have any duty to ascertain or inquire into, (A) any statement, warranty or representation made in or in connection with this Agreement, (B) the contents of any certificate, report or other document delivered hereunder or in connection herewith, (C) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein, (D) the validity, enforceability, effectiveness or genuineness of this Agreement or any other agreement, instrument or document or (E) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to each Agent.

(b) Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. Each Agent may consult with legal counsel (who may be counsel for the Borrower or Parent), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

(c) Each Agent may perform any and all of its duties and exercise its rights and powers by or through any one or more sub-agents appointed by it (including the Collateral Agent, in the case of the Administrative Agent). Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers through its Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent or Collateral Agent.

(d) Anything herein to the contrary notwithstanding, none of the Left Lead Arranger, Syndication Agent, Documentation Agents or Joint Lead Arrangers and Bookrunners listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, Collateral Agent, a Lender or the Issuing Lender.

(e) No Agent shall have any obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by the applicable Grantor or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Agents in this Article VIII or in any of the Collateral Documents, it being understood and agreed that (as between the Collateral Agent and the Lenders) in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct, as determined in a final non-appealable judgment by a court of competent jurisdiction.

(f) Any assignor of a Loan or seller of a participation hereunder shall be entitled to rely conclusively on a representation of the assignee Lender or Participant in the relevant Assignment and Acceptance or participation agreement, as applicable, that such assignee or purchaser is not a Disqualified Institution. No Agent shall have any responsibility or liability for monitoring the list or identities of, or enforcing provisions relating to, Disqualified Institutions.

SECTION 8.04. Reimbursement and Indemnification. Each Lender agrees (a) to reimburse on demand each Agent for such Lender's Aggregate Exposure Percentage of any expenses and fees incurred for the benefit of the Lenders under this Agreement and any of the Loan Documents, including, without limitation, counsel fees and compensation of agents and employees paid for services rendered on behalf of the Lenders, and any other expense incurred in connection with the operations or enforcement thereof, not reimbursed by the Borrower or the Guarantors and (b) to indemnify and hold harmless each Agent and any of its Related Parties, on demand, in the amount equal to such Lender's Aggregate Exposure Percentage, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against it or any of them in any way relating to or arising out of this Agreement or any of the Loan Documents or any action taken or omitted by it or any of them under this Agreement or any of the Loan Documents to the extent not reimbursed by the Borrower or the Guarantors (except such as shall result from its gross negligence or willful misconduct, as determined in a final non-appealable judgment by a court of competent jurisdiction). Notwithstanding the foregoing, so long as no Event of Default shall have occurred and be continuing, the Borrower shall not be responsible for the fees and expenses of more than one primary counsel for the Administrative Agent, the Collateral Agent or the Joint Lead Arrangers and Bookrunners and, only with respect to fees and expenses incurred in connection with the enforcement of the Loan Documents, one local counsel for each relevant jurisdiction, and, in each case, if necessary in the case of an actual conflict of interest, an additional counsel in each such applicable jurisdiction.

SECTION 8.05. Successor Agents. Subject to the appointment and acceptance of a successor agent as provided in this paragraph, (i) each Agent may be removed by the Borrower or the Required Lenders if such Agent or a controlling affiliate of such Agent is a Defaulting Lender and (ii) any Agent may resign upon ten (10) days' notice to the Lenders, the Issuing Lenders and the Borrower. Upon any such removal or resignation by any Agent, the Required Lenders shall appoint, with the consent (provided that no Event of Default or Default has occurred and is continuing) of the Borrower (such consent not to be unreasonably withheld or delayed if such successor is a commercial bank with consolidated combined capital and surplus of at least \$5,000,000,000), to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation, then the retiring Agent may, with the consent (provided that no Event of Default or Default has occurred or is continuing) of the Borrower (such consent not to be unreasonably withheld or delayed), appoint a successor Agent which shall be a bank institution with an office in New York, New York, or an Affiliate of any such bank, in each case, with consolidated combined capital and surplus of at least \$5,000,000,000). Upon the acceptance of its appointment as Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder, the provisions of this Article and Section 10.04 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as an Agent.

SECTION 8.06. Independent Lenders. Each Lender acknowledges that it has, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon either Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any related agreement or any document furnished hereunder or thereunder.

SECTION 8.07. Advances and Payments.

(a) On the date of each Loan, the Administrative Agent shall be authorized (but not obligated) to advance, for the account of each of the Lenders, the amount of the Loan to be made by it in accordance with its Term Loan Commitment or Revolving Commitment, as applicable, hereunder. Should the Administrative Agent do so, each of the Lenders agrees forthwith to reimburse the Administrative Agent in immediately available funds for the amount so advanced on its behalf by the Administrative Agent, together with interest at the Federal Funds Effective Rate if not so reimbursed on the date due from and including such date but not including the date of reimbursement.

(b) Any amounts received by the Administrative Agent in connection with this Agreement (other than amounts to which the Administrative Agent is entitled pursuant to Sections 2.19, 2.20, 8.04 and 10.04), the application of which is not otherwise provided for in this Agreement, shall be applied in accordance with Section 2.17(b). All amounts to be paid to a Lender by the Administrative Agent shall be credited to that Lender, after collection by the Administrative Agent, in immediately available funds either by wire transfer or deposit in that Lender's correspondent account with the Administrative Agent, as such Lender and the Administrative Agent shall from time to time agree.

SECTION 8.08. Sharing of Setoffs. Each Lender agrees that, except to the extent this Agreement expressly provides for payments to be allocated to a particular Lender, if it shall, through the exercise either by it or any of its banking Affiliates of a right of banker's lien, setoff or counterclaim against the Borrower or a Guarantor, including, but not limited to, a secured claim under Section 506 of the Bankruptcy Code or other security or interest arising from, or in lieu of, such secured claim and received by such Lender (or any of its banking Affiliates) under any applicable bankruptcy, insolvency or other similar law, or otherwise, obtain payment in respect of its Loans or LC Exposure as a result of which the unpaid portion of its Loans or LC Exposure is proportionately less than the unpaid portion of the Loans or LC Exposure of any other Lender (a) it shall promptly purchase at par (and shall be deemed to have thereupon purchased) from such other Lender a participation in the Loans or LC Exposure of such other Lender, so that the aggregate unpaid principal amount of each Lender's Loans and LC Exposure and its participation in Loans and LC Exposure of the other Lenders shall be in the same proportion to the aggregate unpaid principal amount of all Loans then outstanding and LC Exposure as the principal amount of its Loans and LC Exposure prior to the obtaining of such payment was to the principal amount of all Loans outstanding and LC Exposure prior to the obtaining of such payment and (b) such other adjustments shall be made from time to time as shall be equitable to ensure that the Lenders share such payment pro rata; provided that if any such non-pro-rata payment is thereafter recovered or otherwise set aside, such purchase of participations shall be rescinded (without interest). The provisions of this Section 8.08 shall not be construed to apply to (a) any payment made by the Borrower or a Guarantor pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender) or (b) any payment obtained by any Lender as consideration for the assignment or sale of a participation in any of its Loans or other Obligations owed to it.

SECTION 8.09. Withholding Taxes. To the extent required by any applicable law, each Agent may withhold from any payment to any Lender an amount equivalent to any withholding tax applicable to such payment. If the Internal Revenue Service or any other Governmental Authority asserts a claim that any Agent did not properly withhold tax from amounts paid to or for the account of any Lender for any reason, or any Agent has paid over to the Internal Revenue Service applicable withholding tax relating to a payment to a Lender but no deduction has been made from such payment, without duplication of any indemnification obligations set forth in Section 8.04, such Lender shall indemnify such Agent fully for all amounts paid, directly or indirectly, by such Agent as tax or otherwise, including any penalties or interest and together with any expenses incurred.

SECTION 8.10. Appointment by Secured Parties. Each Secured Party that is not a party to this Agreement shall be deemed to have appointed each of the Administrative Agent and the Collateral Agent as its agent under the Loan Documents in accordance with the terms of this Article VIII and to have acknowledged that the provisions of this Article VIII apply to such Secured Party *mutatis mutandis* as though it were a party hereto (and any acceptance by such Secured Party of the benefits of this Agreement or any other Loan Document shall be deemed an acknowledgment of the foregoing).

SECTION 8.11. Delivery of Information. The Administrative Agent shall not be required to deliver to any Lender originals or copies of any documents, instruments, notices, communications or other information received by the Administrative Agent from any Loan Party, any Subsidiary, the Required Lenders, any Lender or any other Person under or in connection with this Agreement or any other Loan Document except (i) as specifically provided in this Agreement or any other Loan Document and (ii) subject to all confidentiality provisions and other obligations of the Lenders under the Loan Documents, as specifically requested from time to time in writing by any Lender with respect to a specific document, instrument, notice or other written communication received by and in the possession of the Administrative Agent at the time of receipt of such request and then only in accordance with such specific request.

ARTICLE IX GUARANTY

SECTION 9.01. Guaranty.

(a) Each of the Guarantors unconditionally and irrevocably guarantees the due and punctual payment by the Borrower of the Obligations (including interest accruing on and after the filing of any petition in bankruptcy or of reorganization of the obligor whether or not post filing interest is allowed in such proceeding) (collectively, the “*Guaranteed Obligations*” and the obligations of each Guarantor in respect thereof, its “*Guaranty Obligations*”). Each of the Guarantors further agrees that, to the extent permitted by applicable law, the Obligations may be extended or renewed, in whole or in part, without notice to or further assent from such Guarantor, and it will remain bound upon this Guaranty notwithstanding any extension or renewal of any of the Obligations. The Obligations of the Guarantors shall be joint and several. Each of the Guarantors further agrees that its guaranty hereunder is a primary obligation of such Guarantor and not merely a contract of surety.

(b) Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the other Loan Documents shall in no event exceed the amount that can be guaranteed by such Guarantor under applicable law, including applicable federal and state laws relating to the insolvency of debtors; provided that, to the maximum extent permitted under applicable law, it is the intent of the parties hereto that the rights of contribution of each Guarantor provided in Section 9.02 be included as an asset of the respective Guarantor in determining the maximum liability of such Guarantor hereunder.

(c) To the extent permitted by applicable law, each of the Guarantors waives presentation to, demand for payment from and protest to the Borrower or any other Guarantor,

and also waives notice of protest for nonpayment. The obligations of the Guarantors hereunder shall not, to the extent permitted by applicable law, be affected by (i) the failure of any Agent or a Lender to assert any claim or demand or to enforce any right or remedy against the Borrower or any other Guarantor under the provisions of this Agreement or any other Loan Document or otherwise; (ii) any extension or renewal of any provision hereof or thereof; (iii) any rescission, waiver, compromise, acceleration, amendment or modification of any of the terms or provisions of any of the Loan Documents other than pursuant to a written agreement in compliance with Section 10.08; (iv) the release, exchange, waiver or foreclosure of any security held by the Collateral Agent for the Obligations or any of them; (v) by any default, failure or delay, willful or otherwise, in the performance of the Obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of the Guarantors or would otherwise operate as a discharge of the Guarantors as a matter of law; or (vi) the release or substitution of any Collateral or any other Guarantor. To the extent permitted by applicable law, each of the Guarantors further agrees that this Guaranty constitutes a guaranty of payment when due and not just of collection.

(d) To the extent permitted by applicable law, each of the Guarantors hereby waives any defense that it might have based on a failure to remain informed of the financial condition of the Borrower and of any other Guarantor and any circumstances affecting the ability of the Borrower to perform under this Agreement, and waives any right to require that any resort be had by any Agent or a Lender to any security held for payment of the Obligations or to any balance of any deposit, account or credit on the books of any Agent or a Lender in favor of the Borrower or any other Guarantor, or to any other Person.

(e) To the extent permitted by applicable law, each Guarantor's guaranty shall not be affected by the genuineness, validity, legality, regularity or enforceability of the Obligations or any other instrument evidencing any Obligations, or by the existence, validity, enforceability, perfection, or extent of any collateral therefor or by any other circumstance relating to the Obligations which might otherwise constitute a defense to this Guaranty (other than payment in full in cash of the Obligations in accordance with the terms of this Agreement (other than those that constitute unasserted contingent indemnification obligations)). Neither the Administrative Agent nor any of the Lenders makes any representation or warranty in respect to any such circumstances or shall have any duty or responsibility whatsoever to any Guarantor in respect of the management and maintenance of the Obligations.

(f) Upon the occurrence of the Obligations becoming due and payable (by acceleration or otherwise), the Lenders shall be entitled to prompt and complete payment of such Obligations by the Guarantors upon written demand by the Administrative Agent.

SECTION 9.02. Right of Contribution. Each Guarantor hereby agrees amongst themselves only that to the extent that a Guarantor shall have paid more than its proportionate share (based, to the maximum extent permitted by law, on the respective Adjusted Net Worths (as defined below) of the Guarantors on the date the respective payment is made) of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder that has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 9.04. The provisions of this Section 9.02 shall in no respect limit the obligations and

liabilities of any Guarantor to the Administrative Agent and the other Secured Parties, and each Guarantor shall remain liable to the Administrative Agent and the other Secured Parties for the full amount guaranteed by such Guarantor hereunder. “Adjusted Net Worth” of any Guarantor shall mean at any time, the greater of (x) \$0 and (y) the amount by which the fair saleable value of such Guarantor’s assets on the date of the respective payment hereunder exceeds its debts and other liabilities (including contingent liabilities, but without giving effect to any of its obligations under this Agreement or any other Loan Documents) on such date.

SECTION 9.03. Continuation and Reinstatement, etc. Each Guarantor further agrees that its guaranty hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Obligation is rescinded or must otherwise be restored by the Administrative Agent, the Issuing Lenders, any Lender or any other Secured Party upon the bankruptcy or reorganization of the Borrower or a Guarantor, or otherwise.

SECTION 9.04. Subrogation. Upon payment by any Guarantor of any sums to the Administrative Agent or a Lender hereunder, all rights of such Guarantor against the Borrower arising as a result thereof by way of right of subrogation or otherwise, shall in all respects be subordinate and junior in right of payment to the prior payment in full of all the Obligations (including interest accruing on and after the filing of any petition in bankruptcy or of reorganization of an obligor whether or not post-filing interest is allowed in such proceeding). If any amount shall be paid to such Guarantor for the account of the Borrower relating to the Obligations prior to payment in full of the Obligations, such amount shall be held in trust for the benefit of the Administrative Agent and the Lenders and shall forthwith be paid to the Administrative Agent and the Lenders to be credited and applied to the Obligations, whether matured or unmatured.

SECTION 9.05. Discharge of Guaranty.

(a) In the event of any sale or other disposition of all or substantially all of the assets of any Guarantor (other than Parent), by way of merger, consolidation or otherwise, or a sale or other disposition of all Capital Stock of any Guarantor (other than Parent), in each case to a Person that is not (either before or after giving effect to such transactions) Parent or a Restricted Subsidiary of Parent or the merger or consolidation of a Guarantor with or into the Borrower or another Guarantor, in each case, in a transaction permitted under this Agreement, then such Guarantor (in the event of a sale or other disposition, by way of merger, consolidation or otherwise, of all of the Capital Stock of such Guarantor) or the corporation acquiring the property (in the event of a sale or other disposition of all or substantially all of the assets of such Guarantor) will be automatically released and relieved of any obligations under its Guarantee of the Guaranteed Obligations.

(b) Upon designation of any Guarantor as an Unrestricted Subsidiary in accordance with the terms of this Agreement, such Guarantor will be automatically released and relieved of any obligations under its Guarantee of the Guaranteed Obligations. In addition, upon the request of the Borrower, the guarantee of any Guarantor that is or becomes an Immaterial Subsidiary, a Receivables Subsidiary or an Excluded Subsidiary shall be promptly released; provided that (i) no Event of Default shall have occurred and be continuing or shall result therefrom and (ii) the Borrower shall have delivered an Officer’s Certificate certifying that such

Subsidiary is an Immaterial Subsidiary, a Receivables Subsidiary or an Excluded Subsidiary, as applicable; provided, further that a Subsidiary that is considered not to be an Immaterial Subsidiary solely pursuant to clause (1) of the proviso of the definition thereof shall, solely for purposes of this clause (b), be considered an Immaterial Subsidiary so long as any applicable guarantee, pledge or other obligation of such Subsidiary with respect to any Junior Secured Debt shall be irrevocably released and discharged substantially simultaneously with the release of such guarantee hereunder.

(c) The Administrative Agent shall use commercially reasonable efforts to execute and deliver, at the Borrower's expense, such documents as the Borrower or any such Guarantor may reasonably request to evidence the release of the guaranty of such Guarantor provided herein.

(d) Each Guarantor will be automatically released and relieved of any obligations under its Guarantee of the Guaranteed Obligations upon the first date on which all of the Loans and Obligations (other than any Obligations owing to a Non-Lender Secured Party) then due and owing shall have been satisfied by payment in full in cash, no Letter of Credit shall be outstanding (except for Letters of Credit that have been Cash Collateralized or otherwise provided for in a manner reasonably satisfactory to the Administrative Agent) and the Commitments shall be terminated.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Lender that issues any Letter of Credit), except that (i) neither Parent nor the Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by Parent or the Borrower without such consent shall be null and void); provided that the foregoing shall not restrict any transaction permitted by Section 6.10 and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 10.02. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Lender that issues any Letter of Credit), Participants (to the extent provided in paragraph (d) of this Section 10.02) and, to the extent expressly contemplated hereby, the Related Parties of the Administrative Agent, the Issuing Lenders and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender, in the ordinary course of business and in accordance with applicable law, may assign (other than to any Defaulting Lender, Disqualified Institution or natural person) to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a

portion of its Revolving Commitment and the Loans at the time owing to it), pursuant to an Assignment and Acceptance with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment (I) if the assignee is a Lender, an Affiliate of a Lender or an Approved Fund of a Lender, in each case so long as such assignee is an Eligible Assignee, (II) of Term Loans to the Borrower pursuant to Section 10.02(g) and (III) of Loans made pursuant to Section 2.18(b) or 2.26(a);

(B) the Borrower; provided that no consent of the Borrower shall be required for an assignment (I) other than with respect to an assignment to any Defaulting Lender, Disqualified Institution or natural person, if an Event of Default under Section 7.01(b), (f) or (g) has occurred and is continuing or (II) if the assignee is a Lender, an Affiliate of a Lender or an Approved Fund of a Lender, in each case so long as such assignee is an Eligible Assignee; provided, further, that the Borrower's consent will be deemed given with respect to a proposed assignment if no response is received within ten (10) Business Days after having received a written request from such Lender pursuant to this Section 10.02(b)(i)(B); and

(C) each Issuing Lender; provided that no consent of any Issuing Lender shall be required for an assignment of all or any portion of a Term Loan.

(ii) Assignments shall be subject to the following additional conditions:

(A) any assignment of any portion of the Total Revolving Commitment, Revolving Loans, LC Exposure and Term Loans shall be made to an Eligible Assignee;

(B) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund of a Lender or an assignment of the entire remaining amount of the assigning Lender's Revolving Commitment or Loans, the amount of such Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000, and after giving effect to such assignment, the portion of the Loan or Commitment held by the assigning Lender of the same tranche as the assigned portion of the Loan or Commitment shall not be less than \$5,000,000, in each case unless the Borrower and the Administrative Agent otherwise consent; provided that no consent of the Borrower shall be required with respect to such assignment if an Event of Default has occurred and is continuing; provided, further, that any such assignment shall be in increments of \$500,000 in excess of the minimum amount described above;

(C) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(D) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee of \$3,500 (unless waived by the Administrative Agent in any given case)

for the account of the Administrative Agent; provided that for concurrent assignments to two or more Approved Funds such assignment fee shall be required to be paid only once in respect of and at the time of such assignment;

(E) the assignee, if it was not a Lender immediately prior to such assignment, shall deliver to the Administrative Agent an administrative questionnaire in a form as the Administrative Agent may require; and

(F) notwithstanding anything to the contrary herein, any assignment of any Term Loans to the Borrower shall be subject to the requirements of Section 10.02(g).

For the purposes of this Section 10.02(b), the term “*Approved Fund*” shall mean, with respect to any Lender, any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the Ordinary Course of Business and that is administered or managed by (a) such Lender, (b) an Affiliate of such Lender or (c) an entity or an Affiliate of an entity that administers or manages such Lender. Notwithstanding the foregoing, no Lender shall be permitted to make assignments under this Agreement to any Defaulting Lender, Disqualified Institution or natural person and any such assignment shall be void *ab initio*, except to the extent the Borrower, the Administrative Agent and each Issuing Lender have consented to such assignment in writing (in which case such Lender will not be considered a Defaulting Lender, Disqualified Institution or natural person solely for that particular assignment).

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section 10.02, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Revolving Lender and/or a Term Lender, as the case may be, under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.14, 2.16 and 10.04). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.02 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section 10.02.

(iv) The Administrative Agent shall maintain at its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the “*Register*”). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Guarantors, the Administrative Agent, the Issuing Lenders and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Issuing Lenders and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Notwithstanding anything to the contrary contained herein no assignment may be made hereunder to any Defaulting Lender, Disqualified Institution or natural person or any of their respective subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (v). Any assignment by a Lender to any of the foregoing Persons described in this clause (v) shall be deemed null and void *ab initio* and the Register shall be modified to reflect a reversal of such assignment, and the Borrower shall be entitled to pursue any remedy available to it (whether at law or in equity, including specific performance to unwind such assignment) against the Lender and such Person.

(vi) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment will be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Borrower, the Administrative Agent, the Issuing Lender and each other Revolving Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit in accordance with its Aggregate Exposure Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder becomes effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest will be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(c) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed administrative questionnaire in a form as the Administrative Agent may require (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 10.02 and any written consent to such assignment required by paragraph (b) of this Section 10.02, the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.02(d) or (e), 2.04(a) or (b), 8.04 or 10.04(d), the Administrative Agent shall have no obligation to accept such Assignment and Acceptance and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(d) (i) Any Lender may, without the consent of the Borrower, the Administrative Agent or any Issuing Lender, sell participations (other than to any Defaulting Lender, Disqualified Institution or natural person) to one or more banks or other entities (a "*Participant*") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall

remain solely responsible to the other parties hereto for the performance of such obligations, (C) such Lender shall remain the holder of any such Loan for all purposes under this Agreement and the other Loan Documents and (D) the Borrower, the Administrative Agent, the Issuing Lenders and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 10.08(a) that affects such Participant. Subject to Section 10.02(d)(ii), the Borrower agrees that each Participant shall be entitled to the benefits of (and shall have the related obligations under) Sections 2.14 and 2.16 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.02(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 8.08 as though it were a Lender; provided that such Participant agrees to be subject to the requirements of Section 8.08 as though it were a Lender. Each Lender that sells a participation, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "*Participant Register*"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under this Agreement or any Loan Document), except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender, the Borrower, a Guarantor and the Administrative Agent shall treat each person whose name is recorded in the Participant Register pursuant to the terms hereof as the owner of such participation for all purposes of this Agreement, notwithstanding notice to the contrary. Notwithstanding the foregoing, no Lender shall be permitted to sell participations under this Agreement to any Defaulting Lender, Disqualified Institution or natural person and any such participation shall be void *ab initio*, except to the extent that the Borrower has consented to such participation in writing (in which case such Lender will not be considered a Defaulting Lender, Disqualified Institution or natural person solely for that particular participation). Any attempted participation which does not comply with Section 10.02 shall be null and void.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.14 or 2.16 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant and shall be subject to the terms of Section 2.18(a). The Lender selling the participation to such Participant shall be subject to the terms of Section 2.18(b) if such Participant requests compensation or additional amounts pursuant to Section 2.14 or 2.16. A Participant shall not be entitled to the benefits of Section 2.16 unless such Participant agrees, for the benefit of the Borrower, to comply with Sections 2.16(f), 2.16(g) and 2.16(h) as though it were a Lender.

(e) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender, and this Section 10.02 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) Any Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 10.02, disclose to the assignee or participant or proposed assignee or participant, any information relating to the Borrower or any of the Guarantors furnished to such Lender by or on behalf of the Borrower or any of the Guarantors; provided that prior to any such disclosure, each such assignee or participant or proposed assignee or participant provides to the Administrative Agent its agreement in writing to be bound for the benefit of the Borrower by either the provisions of Section 10.03 or other provisions at least as restrictive as Section 10.03.

(g) Notwithstanding anything else to the contrary contained in this Agreement, any Lender may assign all or a portion of its Term Loans of any Class to the Borrower in accordance with Section 10.02(b) pursuant to a Dutch Auction or open market purchase by the Borrower; provided that:

(i) the assigning Lender and the Borrower purchasing such Lender's Term Loans, as applicable, shall execute and deliver to the Administrative Agent an Assignment and Acceptance;

(ii) any Term Loans assigned to the Borrower shall be automatically and permanently cancelled upon the effectiveness of such assignment and will thereafter no longer be outstanding for any purpose hereunder;

(iii) no Event of Default has occurred or is continuing; and

(iv) the assignment to the Borrower and cancellation of Term Loans shall not constitute a mandatory or voluntary payment for purposes of Section 2.12 or 2.13 and shall not be subject to Section 8.08, but the aggregate outstanding principal amount of the Term Loans shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans purchased pursuant to this Section 10.02(g), and each principal repayment installment with respect to the Term Loans of such Class shall be reduced pro rata by the aggregate principal amount of Term Loans of such Class purchased hereunder.

Each Lender making an assignment to the Borrower acknowledges and agrees that in connection with such assignment, (1) the Borrower then may have, and later may come into possession of, information regarding the Term Loans or the Loan Parties hereunder that is not known to such Lender and that may be material to a decision by such Lender to assign the Term Loans ("*Excluded Information*"), (2) such Lender has independently and, without reliance on the Borrower, the Administrative Agent or any of their respective Affiliates, made its own

analysis and determination to enter into such assignment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of the Borrower, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Borrower, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender entering into such an assignment further acknowledges that the Excluded Information may not be available to the Administrative Agent or the other Lenders.

(h) No assignment or participation made or purported to be made to any assignee or Participant shall be effective without the prior written consent of the Borrower if it would require the Borrower to make any filing with any Governmental Authority or qualify any Loan under the laws of any jurisdiction, and the Borrower shall be entitled to request and receive such information and assurances as it may reasonably request from any Lender or any assignee or Participant to determine whether any such filing or qualification is required or whether any assignment or participation is otherwise in accordance with applicable law.

(i) If the Borrower wishes to replace any Loans under any Facility hereunder with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three (3) Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loan to be replaced, to (i) require the Lenders under such Facility to assign such Loans to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 10.08. Pursuant to any such assignment, all Loans to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid by the Borrower), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 10.04(b). By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans under such Facility pursuant to the terms of the form of the Assignment and Acceptance, the Administrative Agent shall record such assignment in the Register and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this clause (i) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(j) In connection with any replacement of a Lender pursuant to Section 2.18, 2.26(a), 10.08(b) or other provision hereof (collectively, a "Replaceable Lender"), if any such Replaceable Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Acceptance reflecting such replacement within one (1) Business Day of the date on which the assignee Lender executes and delivers such Assignment and Acceptance to such Replaceable Lender, then such Replaceable Lender shall be deemed to have executed and delivered such Assignment and Acceptance without any action on the part of the Replaceable Lender.

SECTION 10.03. Confidentiality. Each Agent and each Lender agrees to keep confidential any information (i) delivered or made available by Parent, the Borrower or any of the Guarantors or any of their respective Subsidiaries or (ii) obtained by any Agent or such Lender based on a review of the books and records of Parent or the Borrower or any of their

respective Subsidiaries to them, in accordance with their customary procedures, from anyone other than persons employed or retained by each Agent or such Lender who are or are expected to become engaged in evaluating, approving, structuring or administering the Loans, and who are advised by such Lender of the confidential nature of such information; provided that nothing herein shall prevent any Agent or any Lender from disclosing such information (a) to any of its Affiliates and their respective agents and advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information under this Section 10.03 and instructed to keep such information confidential) or to any other Lender, (b) upon the order of any court or administrative agency, (c) upon the request or demand of any regulatory agency or authority (including any self-regulatory authority), (d) which has been publicly disclosed other than as a result of a disclosure by any Agent or any Lender which is not permitted by this Agreement, (e) in connection with any litigation to which any Agent, any Lender or their respective Affiliates may be a party to the extent reasonably required under applicable rules of discovery, (f) to the extent reasonably required in connection with the exercise of any remedy hereunder, (g) to such Lender's legal counsel and independent auditors, (h) on a confidential basis to any rating agency in connection with rating Parent and its Subsidiaries or any Facility, (i) with the consent of the Borrower, (j) to any actual or proposed participant or assignee of all or part of its rights hereunder or to any direct or indirect contractual counterparty (or the professional advisors thereto) to any swap or derivative transaction relating to the Borrower and its obligations, in each case, subject to the proviso in Section 10.02(f) (with any reference to any assignee or participant set forth in such proviso being deemed to include a reference to such contractual counterparty for purposes of this Section 10.03(j)), (k) to the extent that such information is or was received by such Lender from a third party that is not, to such Lender's knowledge, subject to confidentiality obligations to the Borrower and (l) to the extent that such information is independently developed by such Lender. If any Lender is in any manner requested or required to disclose any of the information delivered or made available to it by the Borrower or any of the Guarantors under clauses (b), (c) (unless such disclosure is made in connection with a routine examination or audit) or (e) of this Section 10.03, such Lender will, to the extent permitted by law, provide the Borrower or Guarantor with prompt notice, to the extent reasonable, so that the Borrower or Guarantor may seek, at its sole expense, a protective order or other appropriate remedy or may waive compliance with this Section 10.03.

SECTION 10.04. Expenses; Indemnity; Damage Waiver.

(a) (i) The Borrower shall pay or reimburse: (A) all reasonable fees and reasonable and documented out-of-pocket expenses of each Agent and the Joint Lead Arrangers and Bookrunners (including the reasonable fees, disbursements and other charges of White & Case LLP, special counsel to the Agents) associated with the syndication of the credit facilities provided for herein, and the preparation, execution and delivery of the Loan Documents and (in the case of the Administrative Agent) any amendments, modifications or supplements of the provisions hereof requested by the Borrower (whether or not the transactions contemplated hereby or thereby shall be consummated) and the reasonable fees and expenses of any trustee appointed pursuant to Section 8.01(d) in connection with its services under the applicable Aircraft Security Agreement, as separately agreed between the Borrower and such trustee; and (B) in connection with any enforcement of the Loan Documents, all fees and documented out-of-pocket expenses of each Agent and any trustee appointed pursuant to Section 8.01(d) (including the reasonable fees, disbursements and other charges of counsel for the Agents and

such trustee and one local counsel and one regulatory counsel, in each case, for each relevant jurisdiction, and, in each case, if necessary in the case of an actual or perceived conflict of interest, an additional local and regulatory counsel in each such applicable jurisdiction) and each Lender (including the reasonable fees, disbursements and other charges of counsel for such Lender) incurred during the continuance of a Default and (C) all reasonable, documented, out-of-pocket costs, expenses, taxes, assessments and other charges (including the reasonable fees, disbursements and other charges of counsel for the Collateral Agent) incurred by the Collateral Agent or any trustee appointed pursuant to Section 8.01(d) in connection with any filing, registration, recording or perfection of any security interest as required by the applicable Collateral Document or incurred in connection with any release or addition of Collateral after the Closing Date; provided, however, that, so long as no Event of Default shall have occurred and be continuing, the Borrower shall not, in connection with this Section 10.04(a), be responsible hereunder for the reasonable fees and expenses of more than one such firm of separate counsel and one regulatory counsel, in addition to any local counsel.

(ii) All payments or reimbursements pursuant to the foregoing clause (a)(i) shall be paid within thirty (30) days of written demand together with back-up documentation supporting such reimbursement request.

(b) The Borrower shall indemnify each Agent, any trustee appointed pursuant to Section 8.01(d), the Issuing Lenders and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "*Indemnitee*") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of one firm counsel for all Indemnitees and, if necessary, one regulatory counsel and one firm of local counsel in each appropriate jurisdiction, arising out of, in connection with, or as a result of any actual or prospective claim, litigation, investigation or proceeding (including any investigating, preparing for or defending any such claims, actions, suits, investigations or proceedings, whether or not in connection with pending or threatened litigation in which such Indemnitee is a party), whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto and whether or not any such claim, litigation, investigation or proceeding is brought by the Borrower, its equity holders, its Affiliates, its creditors or any other person, relating to (i) the execution or delivery of this Agreement or any agreement or instrument contemplated hereby, the performance by the parties hereto of their respective obligations hereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any Issuing Lender to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit) or (iii) any actual or alleged presence or Release of Hazardous Materials on or from any property owned or operated by Parent or any of its Subsidiaries, or any Environmental Liability related in any way to, or asserted against, Parent or any of its Subsidiaries; provided that the foregoing indemnity will not, as to any Indemnitee (or any of its Related Parties), be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of, or material breach of any Loan Document by, such Indemnitee (or of any of its Related Parties), and in such case such Indemnitee (and its Related Parties) shall repay the Borrower the amount of any expenses previously reimbursed by the

Borrower in connection with any such loss, claims, damages, expenses or liability to such Indemnitee and, to the extent not repaid by any of them, such Indemnitee's Related Parties not a party to this Agreement or (y) result from any proceeding between or among Indemnitees that does not involve an action or omission by the Borrower or its Affiliates (other than claims against any Indemnitee in its capacity or in fulfilling its role as an Agent, trustee or Joint Lead Arranger or any other similar role under the Facilities (excluding its role as a Lender)). This Section 10.04(b) shall not apply with respect to Taxes other than Taxes that represent losses or damages arising from any non-Tax claim. Neither the Borrower nor any Indemnitee shall be liable for any indirect, special, punitive or consequential damages hereunder; provided that nothing contained in this sentence shall limit the Borrower's indemnity or reimbursement obligations under this Section 10.04 to the extent such indirect, special, punitive or consequential damages are included in any third party claim in connection with which such Indemnitee is entitled to indemnification hereunder.

(c) In case any action or proceeding shall be brought or asserted against an Indemnitee in respect of which indemnity may be sought against the Borrower under the provisions of any Loan Document, such Indemnitee shall promptly notify the Borrower in writing and the Borrower shall, if the Borrower desires to do so, assume the defense thereof, including the employment of counsel reasonably satisfactory to such Indemnitee but only if (i) no Event of Default shall have occurred and be continuing and (ii) such action or proceeding does not involve any risk of criminal liability or material risk of material civil money penalties being imposed on such Indemnitee. The Borrower shall not enter into any settlement of any action or proceeding unless such settlement (x) includes an unconditional release of such Indemnitees from all liability or claims that are the subject matter of such action or proceeding and (y) does not include any statement as to fault or culpability. The failure to so notify the Borrower shall not affect any obligations the Borrower may have to such Indemnitee under the Loan Documents or otherwise other than to the extent that the Borrower is materially adversely affected by such failure. The Indemnitees shall have the right to employ separate counsel in such action or proceeding and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of the Indemnitees unless: (i) the Borrower has agreed to pay such fees and expenses or (ii) the Indemnitees shall have been advised in writing by counsel that under prevailing ethical standards there may be a conflict between the positions of the Borrower and the Indemnitees in conducting the defense of such action or proceeding or that there may be legal defenses available to the Indemnitees different from or in addition to those available to the Borrower, in which case, if the Indemnitees notify the Borrower in writing that they elect to employ separate counsel at the expense of the Borrower, the Borrower shall not have the right to assume the defense of such action or proceeding on behalf of the Indemnitees; provided, however, that the Borrower shall not, in connection with any one such action or proceeding or separate but substantially similar or related actions or proceedings in the same jurisdiction arising out of the same general allegations or circumstances, be responsible hereunder for the reasonable fees and expenses of more than one such firm of separate counsel, in addition to any regulatory counsel and any local counsel. The Borrower shall not be liable for any settlement of any such action or proceeding effected without the written consent of the Borrower (which shall not be unreasonably withheld or delayed).

(d) To the extent that the Borrower fails to pay any amount required to be paid to an Issuing Lender under paragraph (a) or (b) of this Section 10.04, each Lender severally

agrees to pay to the applicable Issuing Lender, as the case may be, such portion of the unpaid amount equal to such Lender's Aggregate Exposure Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the applicable Issuing Lender in its capacity as such.

(e) To the extent permitted by applicable law, each party hereto shall not assert, and hereby waives, any claim against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

SECTION 10.05. Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York and appellate courts from either of them, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State court or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall, to the extent permitted by law, be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in Section 10.05(b). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party hereto hereby irrevocably and unconditionally consents to service of process in the manner provided for notices in Section 10.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 10.06. No Waiver. No failure on the part of the Administrative Agent or any of the Lenders to exercise, and no delay in exercising, any right, power or remedy hereunder or any of the other Loan Documents shall operate as a waiver thereof, nor shall any

single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy. All remedies hereunder are cumulative and are not exclusive of any other remedies provided by law.

SECTION 10.07. Extension of Maturity. Should any payment of principal or interest or any other amount due hereunder become due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day and, in the case of principal, interest shall be payable thereon at the rate herein specified during such extension.

SECTION 10.08. Amendments, etc.

(a) Except as set forth in clause (d)(iii) below, no modification, amendment or waiver of any provision of this Agreement or any Collateral Document (other than the Account Control Agreement), and no consent to any departure by the Borrower or any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Required Lenders or Required Class Lenders (as applicable) (or signed by the Administrative Agent with the consent of the Required Lenders), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given; provided, however, that no such modification or amendment shall without the prior written consent of:

(i) each Lender directly and adversely affected thereby, (A) increase the Commitment of any Lender or extend the termination date of the Commitment of any Lender (it being understood that a waiver of an Event of Default shall not constitute an increase in or extension of the termination date of the Commitment of a Lender), or (B) reduce the principal amount of any Loan, any reimbursement obligation in respect of any Letter of Credit, or the rate of interest payable on any Loan (provided that only the consent of the Required Lenders shall be necessary for a waiver of default interest referred to in Section 2.08), or extend any date for the payment of principal, interest or Fees hereunder or reduce any Fees payable hereunder or extend the final maturity of the Borrower's obligations hereunder, (C) amend this Section 10.08 with the effect of changing the number or percentage of Lenders that must approve any modification, amendment, waiver or consent, or (D) amend or modify the terms of Section 2.17(e) in any manner that would alter the pro rata sharing of payments required thereby;

(ii) all of the Lenders, (A) amend or modify any provision of this Agreement which provides for the unanimous consent or approval of the Lenders, (B) release all or substantially all of the Liens granted to the Collateral Agent hereunder or under any other Loan Document (except to the extent contemplated by Section 6.09(c) on the date hereof or by the terms of the Collateral Documents), or release all or substantially all of the Guarantors (except to the extent contemplated by Section 9.05) or (C) amend or modify the definition of "Required Lenders"; and

(iii) all Revolving Lenders, change the definition of the term "Required Revolving Lenders" or the percentage of Lenders which shall be required for Revolving Lenders to take any action hereunder.

(b) No such amendment or modification shall adversely affect the rights and obligations of the Administrative Agent or any Issuing Lender hereunder without its prior written consent.

(c) No notice to or demand on the Borrower or any Guarantor shall entitle the Borrower or any Guarantor to any other or further notice or demand in the same, similar or other circumstances. Each assignee under Section 10.02(b) shall be bound by any amendment, modification, waiver, or consent authorized as provided herein, and any consent by a Lender shall bind any Person subsequently acquiring an interest on the Loans held by such Lender. No amendment to this Agreement shall be effective against the Borrower or any Guarantor unless signed by the Borrower or such Guarantor, as the case may be.

(d) Notwithstanding anything to the contrary contained in Section 10.08(a), (i) in the event that the Borrower requests that this Agreement be modified or amended in a manner which would require the unanimous consent of all of the Lenders or the consent of all Lenders directly and adversely affected thereby or all the Lenders with respect to a certain class of Loans and, in each case, such modification or amendment is agreed to by the Required Lenders, Required Revolving Lenders or Required Class Lenders, as applicable, or the relevant affected Lender, as the case may be, then the Borrower (A) may replace any non-consenting Lender with respect to all or a portion of its Loans or Commitments, as applicable, in accordance with Section 10.02; provided that such amendment or modification can be effected as a result of the assignment contemplated by such Section (together with all other such assignments required by the Borrower to be made pursuant to this clause (i)); provided, further, that any assignment made pursuant to this Section 10.08(d) shall be subject to the processing and recordation fee specified in Section 10.02(b)(ii)(D) or (B) upon notice to the Administrative Agent, prepay the Loans and, at the Borrower's option, terminate all or a portion of the Commitments of such non-consenting Lender in whole or in part, without premium or penalty, subject to Sections 2.13(d) and 10.04(b) and reallocate the LC Exposure of such non-consenting Lender under Section 2.26(d) (as if such Lender were a Defaulting Lender); provided that all obligations of the Borrower owing to the non-consenting Lender relating to such Commitments, Loans and participations so prepaid or terminated shall be paid in full by the Borrower to such non-consenting Lender concurrently with such prepayment and termination; and provided, further, that no such termination of Commitments shall be permitted pursuant to this clause (B) if, after giving effect thereto and to any Revolving Extension of Credit, any prepayment of any Loan and any maturity of any Letter of Credit on the effective date thereof, the aggregate principal amount of Revolving Loans then outstanding, when added to the sum of the then outstanding LC Exposure (other than Commitments that have been Cash Collateralized in accordance with Section 2.02(j)), would exceed the Revolving Commitments then in effect; (ii) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended without the consent of such Lender (it being understood that the Commitment and the outstanding Loans or other extensions of credit held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders); (iii) notwithstanding anything to the contrary herein, any modifications or amendments under any Increase Joinder entered into in connection with Section 2.27 or any Extension Amendment entered in accordance with Section 2.28 or any Replacement Loans entered into in accordance with Section 10.08(e) may be made without the consent of the Required Lenders and (iv) if the

Administrative Agent and the Borrower shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature in any provision of the Loan Documents, then the Administrative Agent and the Borrower shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document if the same is not objected to in writing by the Required Lenders within five (5) Business Days after written notice thereof to the Lenders.

(e) Notwithstanding anything to the contrary contained in Section 10.08(a), this Agreement and, as appropriate, the other Loan Documents may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Loans (as defined below) as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower (x) to permit the refinancing, replacement or modification of all or a portion of the outstanding Term Loans of any tranche (“*Refinanced Term Loans*”) with a replacement term loan tranche (“*Replacement Term Loans*”) or the refinancing, replacement or modification of all or a portion of the outstanding Revolving Loans of any tranche (“*Refinanced Revolving Loans*”) and, together with the Refinanced Term Loans, the “*Refinanced Loans*”) with a replacement revolving loan tranche (“*Replacement Revolving Loans*”) and, together with the “*Replacement Term Loans*,” the “*Replacement Loans*”) hereunder and (y) to include appropriately the Lenders holding such credit facilities in any determination of Required Lenders, Required Class Lenders, Required Term Lenders in Required Revolving Lenders, as applicable; provided that (a) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Refinanced Loans, (b) the Applicable Margin for such Replacement Loans shall not be higher than the Applicable Margin for such Refinanced Loans, (c) in the case of Replacement Term Loans, the Weighted Average Life to Maturity of such Replacement Term Loans shall not be shorter than the Weighted Average Life to Maturity of such Refinanced Term Loans at the time of such refinancing (except to the extent of nominal amortization for periods where amortization has been eliminated as a result of prepayment of the applicable Term Loans) and (d) all other terms applicable to such Replacement Loans shall be substantially identical to or less favorable to the Lenders providing such Replacement Loans than those applicable to the Lenders of such Refinanced Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the Latest Maturity Date in effect immediately prior to such refinancing. Notwithstanding anything to the contrary set forth in this Agreement or the other Loan Documents, the Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower as may be necessary in order to establish new tranches or sub-tranches in respect of Replacement Loans and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such Replacement Loans.

(f) Notwithstanding anything to the contrary contained in Section 10.08(a), this Agreement and, as appropriate, the other Loan Documents, may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement (whether pursuant to Section 2.27 or otherwise) and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the Revolving Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders, Required Revolving Lenders and/or Required Term Lenders, as applicable.

(g) In addition, notwithstanding anything to the contrary contained in Section 7.01 or Section 10.08(a), following the consummation of any Extension pursuant to Section 2.28, no modification, amendment or waiver (including, for the avoidance of doubt, any forbearance agreement entered into with respect to this Agreement) shall limit the right of any non-extending Lender (each, a “*Non-Extending Lender*”) to enforce its right to receive payment of amounts due and owing to such Non-Extending Lender on the applicable Revolving Facility Maturity Date and/or Term Loan Maturity Date, as the case may be, applicable to the Loans of such Non-Extending Lenders without the prior written consent of Non-Extending Lenders that would constitute the Required Class Lenders with respect to any affected Class of such Loans if the Non-Extending Lenders were the only Lenders hereunder at the time.

(h) It is understood that the amendment provisions of this Section 10.08 shall not apply to extensions of the Revolving Facility Maturity Date, the Term Loan Maturity Date or the maturity date of any tranche of Revolving Commitments, in each case, made in accordance with Section 2.28.

(i) Notwithstanding anything to the contrary contained in Section 10.08(a), this Agreement and, as appropriate, the other Loan Documents, may be amended (or amended and restated) by each Agent and the Borrower to comply with any collateral trust agreement entered into after the Closing Date among the Borrower, the other Grantors, the Administrative Agent, the collateral trustee party thereto and the other financial institutions party thereto, including, without limitation, amending (or amending and restating) this Agreement and the other Loan Documents to provide for the assignment of the security interest in the Collateral from the Collateral Agent to such collateral trustee.

(j) Notwithstanding anything to the contrary contained in Section 10.08(a), any Collateral Document may be amended, supplemented or otherwise modified without the consent of any Lender (i) to add assets (or categories of assets) to the Collateral covered by such Collateral Document, as contemplated by the definition of “Additional Collateral” set forth in Section 1.01 or (ii) to remove any asset or type or category of asset (including after-acquired assets of that type or category) from the Collateral covered by such Collateral Document to the extent the release thereof is permitted by Section 6.09(c) or constitutes a Permitted Disposition.

SECTION 10.09. Severability. To the extent permitted by applicable law, any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 10.10. Headings. Section headings used herein are for convenience only and are not to affect the construction of or be taken into consideration in interpreting this Agreement.

SECTION 10.11. Survival. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that any Agent, any Issuing Lender or any Lender may have had notice or knowledge of any Event of Default or incorrect representation or warranty at the time any credit is extended hereunder. The provisions of Sections 2.14, 2.15, 2.16 and 10.04 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments, or the termination of this Agreement or any provision hereof.

SECTION 10.12. Execution in Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement constitutes the entire contract among the parties relating to the subject matter hereof and supersedes any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or electronic .pdf copy shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 10.13. USA Patriot Act. Each Lender that is subject to the requirements of the Patriot Act hereby notifies the Borrower and each Guarantor that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrower and each Guarantor, which information includes the name and address of the Borrower and each Guarantor and other information that will allow such Lender to identify the Borrower and each Guarantor in accordance with the Patriot Act.

SECTION 10.14. New Value. It is the intention of the parties hereto that any provision of Collateral by a Grantor as a condition to, or in connection with, the making of any Loan or the issuance of any Letter of Credit hereunder, shall be made as a contemporaneous exchange for new value given by the Lenders or Issuing Lenders, as the case may be, to the Borrower.

SECTION 10.15. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY OF THE LOAN DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER

PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.15.

SECTION 10.16. No Fiduciary Duty. Each Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the “Lenders”), may have economic interests that conflict with those of the Borrower, its stockholders and/or its affiliates. The Borrower agrees that nothing in the Loan Documents or otherwise related to the Transactions will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and the Borrower, its stockholders or its affiliates, on the other hand. The parties hereto acknowledge and agree that (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Lenders, on the one hand, and the Borrower and the Guarantors, on the other hand, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of the Borrower, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise the Borrower, its stockholders or its affiliates on other matters) or any other obligation to the Borrower except the obligations expressly set forth in the Loan Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of the Borrower, its management, stockholders, affiliates, creditors or any other Person. The Borrower acknowledges and agrees that the Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower, in connection with such transaction or the process leading thereto.

SECTION 10.17. Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against the Borrower, any Guarantor or any other obligor under any of the Loan Documents (including the exercise of any right of setoff, rights on account of any banker’s lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of the Borrower or any Guarantor, unless expressly provided for herein or in any other Loan Document, without the prior written consent of the Administrative Agent. The provisions of this Section 10.17 are solely as between the Lenders and shall not afford any right to, or constitute a defense available to, the Borrower or any Guarantor and shall not limit any right or defense available to the Borrower or any Guarantor.

SECTION 10.18. Intercreditor Agreements. Notwithstanding anything to the contrary contained in this Agreement, if at any time the Administrative Agent or the Collateral Agent shall enter into any Intercreditor Agreement, pursuant to and as permitted by the terms of

this Agreement or any Other Intercreditor Agreement and such Intercreditor Agreement or such Other Intercreditor Agreement shall remain outstanding, the rights granted to the Secured Parties hereunder and under the other Loan Documents, the Liens and security interest granted to the Collateral Agent pursuant to this Agreement or any other Loan Document and the exercise of any right or remedy by any Agent hereunder or under any other Loan Document shall be subject to the terms and conditions of such Intercreditor Agreement or such Other Intercreditor Agreement. In the event of any conflict between the terms of this Agreement, any other Loan Document and such Intercreditor Agreement or such Other Intercreditor Agreements, the terms of such Intercreditor Agreement or such Other Intercreditor Agreement shall govern and control with respect to any right or remedy, and no right, power or remedy granted to any Agent hereunder or under any other Loan Document shall be exercised by such Agent, and no direction shall be given by such Agent, in contravention of such Intercreditor Agreement or such Other Intercreditor Agreement.

IN WITNESS WHEREOF, the signatories hereto have caused this Credit and Guaranty Agreement to be executed by their respective officers thereunto duly authorized as of the day and year first above written.

AMENDED AND RESTATED SECURITY AGREEMENT

(SLOTS, FOREIGN GATE LEASEHOLDS AND ROUTE AUTHORITIES)

This AMENDED AND RESTATED SECURITY AGREEMENT (Slots, Foreign Gate Leaseholds and Route Authorities), dated as of October 10, 2014 and amended and restated on April 20, 2015 (as amended, restated, amended and restated, supplemented and/ or otherwise modified from time to time, this “SGR Security Agreement”), by and among the Persons listed in the signature pages hereto and those Persons that become a Party hereto pursuant to Section 27 (together with their respective successors and permitted assigns, the “Grantors”) and CITIBANK N.A., as collateral agent (in such capacity, and together with its successors and permitted assigns in such capacity, the “Collateral Agent”), for its benefit and the benefit of the other Secured Parties. Capitalized terms used herein without other definition are used as defined and interpreted in Section 17.

WITNESSETH:

WHEREAS, the Grantors and the Collateral Agent are parties to that certain Amended and Restated Credit and Guaranty Agreement dated as of October 10, 2014 and amended and restated on April 20, 2015 (the “Credit Agreement”), by and among American Airlines, Inc., as Borrower, American Airlines Group Inc., (“Parent”), as guarantor party thereto, the other guarantors from time to time party thereto, the lenders from time to time party thereto (collectively, the “Lenders”), the Collateral Agent and the Administrative Agent;

WHEREAS, the Grantors may establish one or more accounts for cash and to hold securities and other financial assets (each an “Account”) that will be subject to one or more Account Control Agreements;

WHEREAS, each Grantor has agreed to grant a continuing Lien on the Collateral (as defined below) to secure the Obligations; and

WHEREAS, the Collateral Agent and one or more Additional Agents may in the future enter into one or more Intercreditor Agreements and/or Other Intercreditor Agreements;

NOW, THEREFORE, in consideration of the premises, the mutual agreements set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties to this SGR Security Agreement hereby agree as follows:

Section 1. Grant of Security Interest. To secure all of the Obligations, each Grantor hereby pledges, grants and creates a security interest and mortgage in favor of

the Collateral Agent for its benefit and the benefit of the other Secured Parties in all of the following assets, rights and properties, whether real or personal and whether tangible or intangible (the "Collateral"):

(a) all of the right, title and interest of such Grantor in, to and under the Route Authorities, the Slots and the Foreign Gate Leaseholds, whether now owned or held or hereafter acquired and whether such assets, rights or properties constitute General Intangibles or another type or category of collateral under the NY UCC or any other type of asset, right or property;

(b) all of the right, title and interest of such Grantor in, to and under each Account and all cash, checks, money orders and other items of value of such Grantor now or hereafter paid, deposited, credited or held (whether for collection, provisionally or otherwise) in each Account (the "Account Collateral"); and

(c) all of the right, title and interest of such Grantor in, to and under all Proceeds of any and all of the foregoing (including, without limitation, all Proceeds (of any kind) received or to be received by such Grantor upon the transfer or other disposition of any of the assets, rights and properties described in clause (a), notwithstanding whether the mortgage, pledge and grant of the security interest in any such asset, right or property is legally effective under applicable law);

provided, however, that notwithstanding the foregoing or any other provision of this SGR Security Agreement, (1) (x) if a Transfer Restriction would be applicable to the pledge, grant or creation of a security interest in or mortgage on any asset, right or property described above (other than in the Route Authorities or Proceeds thereof), then so long as such Transfer Restriction is in effect, or (y) if any asset, right or property is at any time subject to a security interest or mortgage in favor of any secured party pursuant to that certain Security Agreement (Slots, Foreign Gate Leaseholds and Route Authorities), dated as of June 27, 2013 between American Airlines, Inc., and Deutsche Bank AG New York Branch pursuant to the terms thereof in effect as of October 10, 2014 (and not pursuant to a specific election made by the Borrower after the October 10, 2014 to add any such asset, right or property as collateral thereunder pursuant to any supplement or amendment thereto), then, this SGR Security Agreement shall not pledge, grant or create any security interest in or mortgage on, and the term "Collateral" shall not include, any such asset, right or property, and (2) if any Transfer Restriction applies to the transfer or assignment (other than the pledge, grant or creation of a security interest or mortgage) of any Collateral, any provision of this SGR Security Agreement permitting the Collateral Agent to cause a Grantor to transfer or assign to it or any other Person any of such Collateral (and any right the Collateral Agent may have under applicable law to do so by virtue of the security interest and mortgage pledged or granted to it under this SGR Security Agreement) shall be subject to such Transfer Restriction; provided,

however, that following an Event of Default, at the direction of the Collateral Agent, such Grantor shall use commercially reasonable efforts to obtain all approvals and consents that would be required to transfer or assign Collateral subject to such a Transfer Restriction referred to in clause (2) of the preceding proviso. As used herein, "Transfer Restriction" means any prohibition, restriction or consent requirement, whether arising under contract, applicable law, rule or regulation, or otherwise, relating to the transfer or assignment by a Grantor of, or the pledge, grant, or creation by a Grantor of a security interest or mortgage in, any right, title or interest in any asset, right or property, or any claim, right or benefit arising thereunder or resulting therefrom, if any such transfer or assignment thereof (or any pledge, grant or creation of a security interest or mortgage therein) or any attempt to so transfer, assign, pledge, grant or create, in contravention or violation of any such prohibition or restriction or without any required consent of any Person would (i) constitute a violation of the terms under which such Grantor was granted such right, title or interest or give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy with respect thereto, (ii) entitle any Governmental Authority or other Person to terminate or suspend any such right, title or interest (or such Grantor's interest in any agreement or license related thereto), or (iii) be prohibited by or violate any applicable law, rule or regulation, except, in any case, to the extent such "Transfer Restriction" shall be rendered ineffective (both to the extent that it (x) prohibits, restricts or requires consent and (y) gives rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy) by virtue of any applicable law, including, but not limited to Sections 9-406, 9-407, 9-408 or 9-409 of the NY UCC, to the extent applicable (or any corresponding sections of the UCC in a jurisdiction other than the State of New York to the extent applicable).

Section 2. Security for Obligations; Intercreditor Relations.

(a) This SGR Security Agreement secures, and the Collateral is collateral security for, the Obligations.

(b) Notwithstanding anything herein to the contrary, it is the understanding of the parties hereto that the Liens granted pursuant to Section 1 shall, prior to the Discharge of Additional Obligations that are Senior Priority Obligations, be pari passu and equal in priority to the Liens granted to any Additional Agent for the benefit of the holders of the applicable Additional Obligations that are Senior Priority Obligations to secure such Additional Obligations that are Senior Priority Obligations pursuant to the applicable Additional Collateral Documents (except as may be separately otherwise agreed between the Collateral Agent, on behalf of itself and the Secured Parties, and any Additional Agent, on behalf of itself and the Additional Credit Facility Secured Parties represented thereby). The Collateral Agent acknowledges and agrees that, in the event that it enters into an Intercreditor Agreement or an Other Intercreditor Agreement, the relative priority

of the Liens granted to the Collateral Agent, the Administrative Agent and any Additional Agent shall be determined solely (as between the parties to such Intercreditor Agreement or Other Intercreditor Agreement and except as otherwise provided therein) pursuant to the applicable Intercreditor Agreements and Other Intercreditor Agreements, and not by priority as a matter of law or otherwise. Notwithstanding anything herein to the contrary, the Liens granted to the Collateral Agent pursuant to this SGR Security Agreement and the exercise of any right or remedy by the Collateral Agent hereunder are subject to the provisions of the applicable Intercreditor Agreements and Other Intercreditor Agreements. In the event of any conflict between the terms of any Intercreditor Agreement or any Other Intercreditor Agreement and this SGR Security Agreement, the terms of such Intercreditor Agreement or Other Intercreditor Agreement, as applicable, shall govern and control as among (i) the Collateral Agent and any Additional Agent, in the case of the Intercreditor Agreement, and (ii) the Collateral Agent and any other secured creditor (or agent therefor) party thereto, in the case of any Other Intercreditor Agreement. In the event of any such conflict, the Grantors may act (or omit to act) in accordance with such Intercreditor Agreement or such Other Intercreditor Agreement, as applicable, and shall not be in breach, violation or default of its obligations hereunder by reason of doing so. Notwithstanding any other provision hereof, for so long as any Additional Obligations that are Senior Priority Obligations remain outstanding, any obligation hereunder to deliver, transfer or assign to the Collateral Agent any Collateral shall be satisfied by causing such Collateral to be delivered, transferred or assigned to the applicable Senior Priority Representative to be held in accordance with the Intercreditor Agreement.

Section 3. No Release.

(a) Other than as provided in clause (2) of the proviso to Section 1, nothing set forth in this SGR Security Agreement shall relieve any Grantor from the performance of any term, covenant, condition or agreement on such Grantor's part to be performed or observed under or in respect of any of the Collateral or from any liability to any Person under or in respect of any of the Collateral.

(b) Nothing set forth in this SGR Security Agreement shall impose any obligation on the Collateral Agent or any Secured Party to perform or observe any such term, covenant, condition or agreement on any Grantor's part to be so performed or observed or impose any liability on the Collateral Agent or any Secured Party for any act or omission on the part of such Grantor relating thereto or for any breach of any representation or warranty on the part of such Grantor contained in this SGR Security Agreement, or in respect of the Collateral or made in connection herewith or therewith. This Section 3(b) shall survive the termination of this SGR Security Agreement and the discharge of the Grantors' obligations hereunder and under the Loan Documents.

Section 4. Representations and Warranties. Each Grantor represents and warrants as follows as of the date hereof:

(a) All UCC filings necessary or reasonably requested by the Collateral Agent to create, preserve, protect and perfect the security interests granted by such Grantor to the Collateral Agent for the benefit of the Secured Parties in respect of the Collateral (other than the Account Collateral) have been accomplished by such Grantor to the extent that such security interests can be perfected by filings under the UCC and all actions necessary to obtain control of the Account Collateral as provided in Sections 9-104 and 9-106 of the UCC have been taken by such Grantor to the extent that such security interests can be perfected on or before the date hereof by execution and delivery of the Account Control Agreement. Subject to any Intercreditor Agreement and any Other Intercreditor Agreement, the security interests granted to the Collateral Agent for the benefit of the Secured Parties pursuant to this SGR Security Agreement in and to the Collateral constitute and hereafter at all times shall constitute a perfected security interest therein superior and prior to the rights of all other Persons therein (subject, in the case of priority only, only to Permitted Liens) to the extent such perfection and priority can be obtained by filings under the UCC and by the execution and delivery of the Account Control Agreement, and the Collateral Agent is entitled with respect to such perfected security interest to all the rights, priorities and benefits afforded by the UCC to perfected security interests.

(b) There are no filings, registrations or recordings under Title 49 necessary to create, preserve, protect or perfect the security interests granted by such Grantor to the Collateral Agent for the benefit of the Secured Parties in respect of the Collateral.

(c) Such Grantor is, and as to Collateral acquired by it from time to time after the date hereof such Grantor will be, the holder of all such Collateral free from any Lien except for (1) the Lien and security interest created by this SGR Security Agreement and (2) Permitted Liens.

(d) There is no UCC financing statement (or, to the knowledge of such Grantor, any similar statement or instrument of registration of a security interest under the law of any jurisdiction) in effect on the date hereof, covering or purporting to cover any security interest in the Collateral (other than those relating to Permitted Liens).

(e) The chief executive office of such Grantor is located at the address listed opposite such Grantor's name in Schedule I hereto.

(f) With respect to its Pledged Route Authorities relating to the Scheduled Services, such Grantor holds the requisite authority to operate over such Pledged Route Authorities pursuant to Title 49 and all rules and regulations promulgated

thereunder, subject only to the regulations of the DOT, the FAA and the applicable Foreign Aviation Authorities and applicable treaties and bilateral and multilateral air transportation agreements, and there exists no material violation by such Grantor of any certificate or order issued by the DOT authorizing such Grantor to operate over such Pledged Route Authorities, the rules and regulations of any applicable Foreign Aviation Authority with respect to such Pledged Route Authorities or the provisions of Title 49 and rules and regulations promulgated thereunder applicable to such Pledged Route Authorities that gives the FAA, DOT or any applicable Foreign Aviation Authority the right to modify in any material respect, terminate, cancel or withdraw the rights of such Grantor in any such Pledged Route Authorities.

(g) Set forth in Schedule II is a true, correct and complete list of the Slots at IATA Level 3 airports as of the last calendar week prior to the Restatement Effective Date. Set forth in Schedule III is a true, correct and complete list of the Scheduled Services as of the last calendar week prior to the Restatement Effective Date.

(h) Such Grantor holds each of its Pledged Slots pursuant to authority granted by the applicable Governmental Authorities and Foreign Aviation Authorities, and there exists no material violation by such Grantor of the terms, conditions or limitations of any rule, regulation or order of the applicable Governmental Authorities or Foreign Aviation Authorities regarding such Pledged Slots or any provisions of law applicable to such Pledged Slots that gives any applicable Governmental Authority or Foreign Aviation Authority the right to modify in any material respect, terminate, cancel or withdraw the rights of such Grantor in any such Pledged Slots.

(i) Such Grantor holds each of its Pledged Foreign Gate Leaseholds pursuant to authority granted by the applicable Airport Authority or Foreign Aviation Authority, and there exists no material violation by such Grantor of the regulations, terms, conditions or limitations of the relevant Airport Authority or Foreign Aviation Authority applicable to any such Pledged Foreign Gate Leasehold or any provision of law applicable to any such Pledged Foreign Gate Leasehold that gives any applicable Airport Authority or Foreign Aviation Authority the right to modify in any material respect, terminate, cancel or withdraw the rights of such Grantor in any such Pledged Foreign Gate Leasehold.

(j) Such Grantor is an "air carrier" within the meaning of Section 40102 of Title 49 and holds or co-holds a certificate under Section 41102 of Title 49. Such Grantor holds or co-holds an air carrier operating certificate issued pursuant to Chapter 447 of Title 49. Such Grantor is a United States Citizen. Such Grantor possesses all necessary certificates, franchises, licenses, permits, rights, designations, authorizations, exemptions, concessions, frequencies and consents of any Governmental Authority which relate to the operation of the Scheduled Services and the conduct of its business and operations as currently conducted, except where failure to so possess would not, individually or in the aggregate, have a Material Adverse Effect.

(k) Such Grantor has full corporate power and authority and legal right to pledge all of the Collateral pursuant to, and as provided in, this SGR Security Agreement.

(l) Except for any Transfer Restriction, the execution, delivery and performance by such Grantor of this SGR Security Agreement do not require the consent, authorization by or approval of or notice to or filing or registration with any Governmental Authority or any other Person, other than (i) the filing of financing statements under the UCC or any continuation statement required or contemplated to be filed hereby, (ii) such as may be required in order to perfect and register the security interests and liens purported to be created by this SGR Security Agreement, (iii) approvals, consents and exemptions that have been obtained on or prior to the Restatement Effective Date and remain in full force and effect, (iv) consents, approvals and exemptions that the failure to obtain in the aggregate would not be reasonably expected to result in a Material Adverse Effect and (v) routine reporting obligations.

(m) This SGR Security Agreement is made with full recourse to such Grantor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Grantor contained herein.

Section 5. Covenants. Each Grantor covenants and agrees with the Collateral Agent that so long as this SGR Security Agreement is in effect:

(a) Such Grantor shall use commercially reasonable efforts to defend the Collateral against any and all claims and demands of all Persons at any time claiming any interest therein adverse to the Collateral Agent or any Secured Party (other than Permitted Liens); provided that, for the avoidance of doubt, such Grantor's only obligations with respect to any Transfer Restriction described in clause (2) of the first proviso to Section 1 shall be as stated in the second proviso to Section 1.

(b) Such Grantor shall not execute or authorize to be filed in any public office any UCC financing statement (or similar statement or instrument of registration of a security interest under the law of any jurisdiction) relating to the Collateral, except UCC financing statements (or similar statements or instruments of registration of a security interest under the law of any jurisdiction) filed or to be filed in respect of and covering the security interests granted hereby by such Grantor and except with respect to Permitted Liens.

(c) Such Grantor shall give to the Collateral Agent timely written notice (but in any event not later than 30 days prior to the expiration of the period of time

specified under applicable law to prevent lapse of perfection) of any (i) change in its jurisdiction of incorporation, or (ii) change in its name, identity or corporate or other organizational structure to such an extent that any UCC financing statement filed by the Collateral Agent in connection with this SGR Security Agreement would become seriously misleading; and such Grantor shall, in each case, provide such other information in connection therewith as the Collateral Agent may reasonably request and shall make all filings under the UCC reasonably requested by the Collateral Agent to maintain the perfection and priority of the security interests of the Collateral Agent on behalf of the Secured Parties in the Collateral intended to be granted hereby.

Section 6. Supplements, Further Assurances.

(a) Any Grantor may, at any time and from time to time, execute and deliver to the Collateral Agent, and upon receipt the Collateral Agent shall execute and deliver, a supplement to this SGR Security Agreement in substantially the form of Exhibit A hereto (each such supplement, an “SGR Security Agreement Supplement”) designating any non-stop scheduled air carrier service being operated by such Grantor at such time (each, a “Designated Service”) as an additional Scheduled Service, identifying one or more airports (or if applicable, designating airports within a particular region) outside the United States that is an origin and/or destination point for such Designated Service and, if applicable, identifying one or more route authorities to operate such Designated Service as an additional Route Authority. Upon the execution and delivery of such SGR Security Agreement Supplement, (i) each such Designated Service shall be included in the definition of “Scheduled Services”, (ii) each such route authority shall be included in the definition of “Route Authorities” and (iii) the Additional Collateral (as defined in such SGR Security Agreement Supplement) shall be Collateral hereunder.

(b) Each Grantor agrees that at any time and from time to time, upon the reasonable request of the Collateral Agent and at the reasonable expense of such Grantor, such Grantor will (i) take, or cause to be taken, such action with respect to the due and timely recording, filing, re-recording and re-filing of any financing statements and any continuation statements under the UCC as are necessary to maintain the perfection of any security interest granted or purported to be granted or intended to be granted hereby, subject, in each case, to Permitted Liens, or (ii) furnish the Collateral Agent with such financing statements and continuation statements, as may be required to enable the Collateral Agent to take such action.

Section 7. Provisions Concerning Collateral.

(a) UCC Financing Statements. Each Grantor hereby authorizes the Collateral Agent, at any time and from time to time, to file or record such UCC financing statements which reasonably describe the Collateral and amendments thereto, in the form provided to it by such Grantor, as may from time to time be required or necessary to

grant, continue and maintain a valid, enforceable, first priority security interest in the Collateral as provided herein, subject to Permitted Liens (to the extent such perfection and priority can be obtained by filing a UCC financing statement), all in accordance with the UCC. Each Grantor shall pay any applicable filing fees and other reasonable out-of-pocket expenses related to the filing of such UCC financing statements and amendments thereto. The Collateral Agent hereby authorizes each Grantor to file (i) UCC financing statements and amendments to UCC financing statements filed on or prior to the date hereof in each case adding Collateral pursuant to an SGR Security Agreement Supplement and (ii) continuation statements of any UCC financing statement naming the Collateral Agent, as secured party, and such Grantor, as debtor, in each case filed pursuant to the terms of this SGR Security Agreement, any SGR Security Agreement Supplement and the other Loan Documents. Notwithstanding the foregoing and for the avoidance of doubt, no Grantor shall be responsible for the filing of any continuation statements of any UCC financing statements referred to herein unless such filing is requested by, and expressly authorized by, the Collateral Agent.

(b) Compliance with Laws and Regulations. Except for matters that would not reasonably be expected to result in a Material Adverse Effect, each Grantor shall comply with all laws, ordinances, orders, rules, regulations, and requirements of all federal, state, municipal or other governmental or quasi-governmental authorities or bodies including, without limitation, Foreign Aviation Authorities, then applicable to the Collateral (or any part thereof) and/or the use thereof by such Grantor, of every nature and kind (the "Requirements"), whether or not such Requirements shall now exist or shall hereafter be enacted or promulgated and whether or not the same may be said to be within the present contemplation of the parties hereto. Notwithstanding the foregoing, if any Grantor in good faith contests a Requirement, it shall not be obligated to comply with such Requirement to the extent such non-compliance or deferral is consistent with law and does not have a Material Adverse Effect.

(c) Notice of Violations. Each Grantor agrees to give the Collateral Agent notice of any violations of any Requirement with respect to the Collateral or such Grantors' use thereof that may reasonably be expected to have a Material Adverse Effect within fifteen (15) Business Days after a Responsible Officer of such Grantor obtains knowledge of such violation.

(d) Disposition of Collateral. Any or all of the Collateral may be sold, leased, conveyed, transferred or otherwise disposed of by any Grantor, subject to the terms of the Credit Agreement and each applicable Intercreditor Agreement and Other Intercreditor Agreement.

Section 8. Collateral Agent Appointed Attorney-in-Fact. The Grantors hereby appoint the Collateral Agent as each Grantor's attorney-in-fact, with full authority in the place and stead of each Grantor and in the name of each Grantor or otherwise, from

time to time in the Collateral Agent's discretion, upon the occurrence and during the continuation of an Event of Default, and in accordance with and subject to any Intercreditor Agreement and any Other Intercreditor Agreement, to take any action and to execute any instrument which the Collateral Agent may reasonably deem necessary or advisable to accomplish the purposes of this SGR Security Agreement, which appointment as attorney-in-fact is coupled with an interest.

Section 9. Collateral Agent May Perform. If any Grantor fails to perform any agreement contained herein within a reasonable time after receipt of a written request to do so from the Collateral Agent, upon two (2) Business Days prior written notice the Collateral Agent may itself perform, or cause performance of, such agreement, and the reasonable expenses of the Collateral Agent, including, without limitation, the reasonable fees and out-of-pocket expenses of its counsel, incurred in connection therewith, shall be payable by the Borrower in accordance with Section 10.04 of the Credit Agreement and shall constitute Obligations.

Section 10. The Collateral Agent. Each Grantor acknowledges that the rights and responsibilities of the Collateral Agent under this SGR Security Agreement with respect to any action taken by the Collateral Agent or the exercise or non-exercise by the Collateral Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this SGR Security Agreement or any amendment, supplement or other modification of this SGR Security Agreement shall, as between the Collateral Agent and the Secured Parties, be governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Collateral Agent and each Grantor, the Collateral Agent shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

Section 11. Events of Default, Remedies.

(a) Remedies: Obtaining the Collateral Upon Event of Default. In each case, subject to the requirements of applicable law (including without limitation the UCC and Title 49) and subject to the approval of all necessary Governmental Authorities, Foreign Aviation Authorities and Airport Authorities, if any Event of Default shall have occurred and be continuing, then and in every such case, the Collateral Agent may, subject to any Intercreditor Agreement and any Other Intercreditor Agreement, at any time or from time to time during the continuance of such Event of Default:

(i) Declare the entire right, title and interest of any Grantor in and to the Collateral (other than the Account Collateral) vested, in which event such right, title and interest shall immediately vest in the Collateral Agent, in which case such Grantor agrees to execute and deliver such deeds of conveyance,

assignments and other documents or instruments (including any notices or applications to the DOT, the FAA, applicable Foreign Aviation Authorities, Governmental Authorities or Airport Authorities having jurisdiction over any such Collateral or the use thereof) as shall be requested by the Collateral Agent in order to effectuate the transfer of such Collateral, together with copies of the certificates or orders issued by the DOT and the Foreign Aviation Authorities representing same and any other rights of such Grantor with respect thereto, to any designee or designees selected by the Collateral Agent and approved by all necessary Governmental Authorities, Foreign Aviation Authorities and Airport Authorities (provided that if any of the foregoing is not permitted under applicable law or by the DOT or applicable Governmental Authority, Foreign Aviation Authority and/or Airport Authority, the Collateral Agent for the benefit of the Secured Parties shall nevertheless continue to have all of such Grantor's right, title and interest in and to all of the Proceeds (of any kind) received or to be received by such Grantor upon the transfer or other disposition of such Collateral); it being understood that each Grantor's obligation to deliver such Collateral and such documents and instruments with respect thereto, subject to the aforesaid limitations, is of the essence of this SGR Security Agreement;

(ii) Sell or otherwise liquidate, or direct any Grantor to sell or otherwise liquidate, any or all of the Collateral or any part thereof and take possession of the Proceeds of any such sale or liquidation; and

(iii) Without notice to any Grantor except as required by law and at any time or from time to time, deliver a Notice of Exclusive Control (as defined in the Account Control Agreement), and charge, set off and otherwise apply all or any part of the Obligations against any funds held with respect to the Account Collateral.

(b) Remedies; Disposition of the Collateral. In each case, subject to the requirements of applicable law (including without limitation the UCC and Title 49), subject to the Credit Agreement, and subject to any Intercreditor Agreement and any Other Intercreditor Agreement, and subject to the approval of all necessary Governmental Authorities, Foreign Aviation Authorities and Airport Authorities, if any Event of Default shall have occurred and be continuing:

(i) (A) the Collateral Agent may from time to time exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, and all the rights and remedies of a secured party on default under the UCC at the time of such Event of Default, and the Collateral Agent may also in its sole discretion, without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any exchange, broker's board or at any of the Collateral Agent's offices or

elsewhere, for cash, on credit or for future delivery, and at such price or prices and upon such other terms as the Collateral Agent may deem commercially reasonable, (B) the Collateral Agent or any other Secured Party may be the purchasers of any or all of the Collateral at any such sale and shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at such sale, to use and apply any of the Obligations owed to such Person as a credit on account of the purchase price of any Collateral payable by such Person at such sale, (C) each purchaser at any such sale shall acquire the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives, to the fullest extent permitted by law, all rights of redemption, stay or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted, (D) each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days' notice to the Borrower of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification, (E) the Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given, (F) the Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned and (G) each Grantor hereby waives, to the full extent permitted by law, any claims against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale;

(ii) (A) except as otherwise provided herein, each Grantor hereby waives, to the fullest extent permitted by applicable law: (w) notice or judicial hearing in connection with the Collateral Agent's taking possession or the Collateral Agent's disposition of any of the Collateral, including, without limitation, any and all prior notice and hearing for any prejudgment remedy or remedies and any such right which such Grantor would otherwise have under law; (x) all damages occasioned by such taking of possession; (y) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Collateral Agent's rights hereunder; and (z) all rights of redemption, appraisal, valuation, stay, extension or moratorium now or hereafter in force under any applicable law and (B) any sale of, or the grant of options to purchase, or any other realization upon, any Collateral shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of any Grantor therein and thereto, and shall be a perpetual bar both at law and in equity against any Grantor and against any and all Persons claiming or attempting to claim the Collateral so sold, optioned or realized upon, or any part thereof, from, through and under each Grantor; and

(iii) With respect to any Collateral other than Account Collateral, in connection with any foreclosure, collection, sale or other enforcement of Liens granted to the Collateral Agent in this SGR Security Agreement, each Grantor will reasonably cooperate in good faith with the Collateral Agent in transferring the right to use such Collateral to any designee of the Collateral Agent that is an air carrier or any other Person otherwise permitted to hold and use properties or rights as such Collateral and will, at the reasonable request of the Collateral Agent and in good faith, continue to operate and manage such Collateral and maintain such Grantor's applicable regulatory licenses with respect to such Collateral until such time as such designee obtains such licenses and governmental approvals as may be necessary or (in the reasonable opinion of the Collateral Agent or its designee specified above) advisable to conduct aviation operations with respect to such Collateral.

Section 12. Non-Lender Secured Parties.

(a) Rights to Collateral.

(i) The Non-Lender Secured Parties shall not have any right whatsoever to do any of the following: (A) exercise any rights or remedies with respect to the Collateral or to direct the Collateral Agent to do the same, including, without limitation, the right to (1) enforce any Liens or sell or otherwise foreclose on any portion of the Collateral, (2) request any action, institute any proceedings, exercise any voting rights, give any instructions, make any election or make collections with respect to all or any portion of the Collateral or (3) release any Grantor under this SGR Security Agreement or release any Collateral from the Liens of any Collateral Document or consent to or otherwise approve any such release; (B) demand, accept or obtain any Lien on any Collateral (except for Liens arising under, and subject to the terms of, this SGR Security Agreement); (C) vote in any Bankruptcy Case or similar proceeding in respect of Parent or any of its Subsidiaries (any such proceeding, for purposes of this clause (i), a "Bankruptcy") with respect to, or take any other actions concerning the Collateral; (D) receive any proceeds from any sale, transfer or other disposition of any of the Collateral (except in accordance with this SGR Security Agreement); (E) oppose any sale, transfer or other disposition of the Collateral; (F) object to any debtor-in-possession financing in any Bankruptcy which is provided by one or more Lenders among others (including on a priming basis under Section 364(d) of the Bankruptcy Code); (G) object to the use of cash collateral in respect of the Collateral in any Bankruptcy; or (H) seek, or object to the Lenders, the Administrative Agent or the Collateral Agent seeking on an equal and ratable basis, any adequate protection or relief from the automatic stay with respect to the Collateral in any Bankruptcy.

(ii) Each Non-Lender Secured Party, by its acceptance of the benefits of this SGR Security Agreement and the other Collateral Documents, agrees that in exercising rights and remedies with respect to the Collateral, the Collateral Agent and the Lenders, with the consent of the Collateral Agent, may enforce the provisions of the Collateral Documents and exercise remedies thereunder and under any other Loan Documents (or refrain from enforcing rights and exercising remedies), all in such order and in such manner as they may determine in the exercise of their sole business judgment and subject to the terms of any Intercreditor Agreement and any Other Intercreditor Agreement. Such exercise and enforcement shall include, without limitation, the rights to collect, sell, dispose of or otherwise realize upon all or any part of the Collateral, to incur expenses in connection with such collection, sale, disposition or other realization and to exercise all the rights and remedies of a secured lender under the UCC. The Non-Lender Secured Parties by their acceptance of the benefits of this SGR Security Agreement and the other Collateral Documents hereby agree not to contest or otherwise challenge any such collection, sale, disposition or other realization of or upon all or any of the Collateral. Whether or not a Bankruptcy Case has been commenced, the Non-Lender Secured Parties shall be deemed to have consented to any sale or other disposition of any property, business or assets of Parent or any of its Subsidiaries and the release of any or all of the Collateral from the Liens of any Collateral Document in connection therewith.

(iii) Notwithstanding any provision of this Section 12(a), the Non-Lender Secured Parties shall be entitled, subject to any Intercreditor Agreement and any Other Intercreditor Agreement, to file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleadings (A) in order to prevent any Person from seeking to foreclose on the Collateral or supersede the Non-Lender Secured Parties' claim thereto or (B) in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims of the Non-Lender Secured Parties. Each Non-Lender Secured Party, by its acceptance of the benefits of this SGR Security Agreement, agrees to be bound by and to comply with any Intercreditor Agreement and any Other Intercreditor Agreement and authorizes the Collateral Agent to enter into the Intercreditor Agreements and Other Intercreditor Agreements on its behalf.

(iv) Each Non-Lender Secured Party, by its acceptance of the benefits of this SGR Security Agreement, agrees that the Collateral Agent and the Lenders may deal with the Collateral, including any exchange, taking or release of Collateral, may change or increase the amount of the Obligations, and may release any Grantor from its Obligations hereunder, all without any liability or obligation (except as may be otherwise expressly provided herein) to the Non-Lender Secured Parties.

(b) Appointment of Agent. Each Non-Lender Secured Party, by its acceptance of the benefits of this SGR Security Agreement and the other Collateral Documents, shall be deemed irrevocably to make, constitute and appoint the Collateral Agent, as agent under the Credit Agreement (and all officers, employees or agents designated by the Collateral Agent) as such Person's true and lawful agent and attorney-in-fact, and in such capacity, the Collateral Agent shall have the right, with power of substitution for the Non-Lender Secured Parties and in each such Person's name or otherwise, to effectuate any sale, transfer or other disposition of the Collateral. It is understood and agreed that the appointment of the Collateral Agent as the agent and attorney-in-fact of the Non-Lender Secured Parties for the purposes set forth herein is coupled with an interest and is irrevocable. It is understood and agreed that the Collateral Agent has appointed the Administrative Agent as its agent for purposes of perfecting certain of the security interests created hereunder and for otherwise carrying out certain of its obligations hereunder.

(c) Waiver of Claims. To the maximum extent permitted by law, each Non-Lender Secured Party waives any claim it might have against the Collateral Agent or the Lenders with respect to, or arising out of, any action or failure to act or any error of judgment, negligence, or mistake or oversight whatsoever on the part of the Collateral Agent or the Lenders or their respective directors, officers, employees or agents with respect to any exercise of rights or remedies under the Loan Documents or any transaction relating to the Collateral (including, without limitation, any such exercise described in Section 12(a)(ii)), except for any such action or failure to act that constitutes willful misconduct or gross negligence of such Person. To the maximum extent permitted by applicable law, none of the Collateral Agent or any Lender or any of their respective directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of Parent, any Subsidiary of Parent, any Non-Lender Secured Party or any other Person or to take any other action or forbear from doing so whatsoever with regard to the Collateral or any part thereof, except for any such action or failure to act that constitutes willful misconduct or gross negligence of such Person.

Section 13. Application of Proceeds.

(a) Any cash held by the Collateral Agent as Collateral and all cash Proceeds received (including a distribution of Collateral in connection with any Bankruptcy Case or similar proceeding) by the Collateral Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral pursuant to the exercise by the Collateral Agent of its remedies as a secured creditor as provided in Section 11 of this SGR Security Agreement shall, subject to the terms of any Intercreditor Agreement and any Other Intercreditor Agreement, be applied from time to time by the Collateral Agent in accordance with the terms of the Credit Agreement.

(b) It is understood that, to the extent permitted by applicable law, each Grantor shall remain liable to the extent of any deficiency between the amount of the Proceeds of the Collateral and the aggregate amount of the outstanding Obligations.

Section 14. No Waiver; Discontinuance of Proceeding.

(a) Each and every right, power and remedy hereby specifically given to the Collateral Agent or otherwise in this SGR Security Agreement shall be cumulative and shall be in addition to every other right, power and remedy specifically given under this SGR Security Agreement or the other Loan Documents now or hereafter existing at law, in equity or by statute and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time or simultaneously and as often and in such order as may be deemed expedient by the Collateral Agent. All such rights, powers and remedies shall be cumulative and the exercise or the beginning of the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Collateral Agent in the exercise of any such right, power or remedy and no renewal or extension of any of the Obligations shall impair any such right, power or remedy or shall be construed to be a waiver of any default or Event of Default or an acquiescence therein. No notice to or demand on any Grantor in any case shall entitle it to any other or further notice or demand in similar or other circumstances or constitute a waiver of any of the rights of the Collateral Agent to any other or further action in any circumstances without notice or demand. In the event that the Collateral Agent shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Collateral Agent may recover reasonable out-of-pocket expenses, including reasonable attorneys' fees, and the amounts thereof shall be included in such judgment.

(b) In the event the Collateral Agent shall have instituted any proceeding to enforce any right, power or remedy under this SGR Security Agreement by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Collateral Agent, then and in every such case each Grantor, the Collateral Agent and each Secured Party shall, to the extent permitted by applicable law, be restored to their respective former positions and rights hereunder with respect to the Collateral, and all rights, remedies and powers of the Collateral Agent and the Secured Parties shall continue as if no such proceeding had been instituted.

Section 15. Amendments, etc. This SGR Security Agreement may not be amended, modified or waived except with the written consent of each Grantor and the Collateral Agent (who shall act pursuant to and in accordance with the terms of Section 10.08 of the Credit Agreement); provided that unless separately agreed in writing between each Grantor and any Non-Lender Secured Party, no such waiver and no such amendment or modification shall amend, modify or waive Section 12 (or the definition of

“Non-Lender Secured Party” or “Secured Party” to the extent relating thereto) if such waiver, amendment, or modification would disproportionately directly and adversely affect a Non-Lender Secured Party as compared to the Lenders without the written consent of such affected Non-Lender Secured Party. Any amendment, modification or supplement of or to any provision of this SGR Security Agreement, any termination or waiver of any provision of this SGR Security Agreement and any consent to any departure by any Grantor from the terms of any provision of this SGR Security Agreement shall be effective only in the specific instance and for the specific purpose for which made or given. No notice to or demand upon any Grantor in any instance hereunder shall entitle such Grantor to any other or further notice or demand in similar or other circumstances. For the avoidance of doubt, it is understood and agreed that any amendment, amendment and restatement, waiver, supplement or other modification of or to any Intercreditor Agreement or any Other Intercreditor Agreement that would have the effect, directly or indirectly, through any reference herein to any Intercreditor Agreement or any Other Intercreditor Agreement or otherwise, of waiving, amending, supplementing or otherwise modifying this SGR Security Agreement, or any term or provision hereof, or any right or obligation of any Grantor hereunder or in respect hereof, shall not be given such effect except pursuant to a written instrument executed by such Grantor and the Collateral Agent in accordance with this Section 15. Notwithstanding the foregoing, the Grantors may cause the Schedules hereto to be amended, supplemented or otherwise modified without the consent of any Person in order to (i) evidence the addition of Collateral pursuant to Section 6(a) or the release of Collateral pursuant to Section 16, or (ii) otherwise evidence the release or addition of Collateral in accordance with this SGR Security Agreement and the Credit Agreement; provided that, in the case of the addition or release of any Collateral consisting of Route Authorities, the Borrower shall, at the written request of the Collateral Agent, promptly amend, supplement or otherwise modify Schedule III to reflect such addition or release.

Section 16. Termination; Release.

(a) At such time as the Obligations (other than any Obligations owing to a Non-Lender Secured Party) then due and owing shall have been paid in full, the Commitments under the Credit Agreement have been terminated and no Letters of Credit shall be outstanding (except for Letters of Credit that have been cash collateralized or otherwise provided for in a manner reasonably satisfactory to the Administrative Agent), all Collateral shall be automatically released from the Liens created hereby, and this SGR Security Agreement and all obligations (other than those expressly stated to survive such termination) of the Collateral Agent and each Grantor shall automatically terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the applicable Grantor. At the request and sole expense of any Grantor following any such termination, the Collateral Agent shall promptly execute, acknowledge and deliver to such Grantor such releases, instruments or other documents (including without limitation UCC termination statements), and do or cause to be done all other acts, as such Grantor shall reasonably request to evidence such termination.

(b) Upon any Permitted Disposition of Collateral (whether by way of the sale of assets or the sale of Capital Stock of a Grantor of such Collateral) of the type described in items (1), (2) (provided the requirements set forth in the first proviso to such section are satisfied), (4) and (5) of the definition of "Permitted Disposition" or any other type of Permitted Disposition involving divestiture of any Grantor's title to the related Collateral under the Credit Agreement, the Lien pursuant to this SGR Security Agreement on such sold or disposed of Collateral shall be automatically released. In connection with any other Disposition of Collateral not covered by the preceding sentence (whether by way of the sale of assets or the sale of Capital Stock of a Grantor of such Collateral) permitted under the Credit Agreement, the Collateral Agent shall, upon receipt from such Grantor of a written request for the release of the Collateral subject to such sale or other disposition (or in the case of a sale of Capital Stock of such Grantor, the release of such Grantor's Collateral), at such Grantor's sole cost and expense, promptly execute, acknowledge and deliver to such Grantor such releases, instruments or other documents (including without limitation UCC termination statements), and do or cause to be done all other acts, as such Grantor shall reasonably request to evidence or effect the release of the Liens created hereby (if any) on such Collateral.

(c) For the avoidance of doubt, (i) if any Slot ceases to be included in the Collateral because it ceases to be actually utilized in connection with the Scheduled Services or any Foreign Gate Leasehold ceases to be included in the Collateral because it ceases to be used for servicing the Scheduled Services relating to the airport at which such Foreign Gate Leasehold is located, such Slot or Foreign Gate Leasehold shall be automatically released from the Lien of this SGR Security Agreement and (ii) subject to clause (1) of the first proviso to Section 1 hereof, if any FAA Slot or Foreign Slot now held or hereafter acquired by any Grantor becomes an FAA Route Slot or a Foreign Route Slot, respectively, or any right, title, privilege, interest and authority now held or hereafter acquired by such Grantor in connection with the right to use or occupy space in an airport terminal becomes a Foreign Gate Leasehold, such FAA Slot, Foreign Slot or right, title, privilege, interest and authority shall be automatically subject to the Lien of this SGR Security Agreement.

(d) The Liens on any Account Collateral that is withdrawn from any Account (in each case, in compliance with the Credit Agreement) prior to receipt of a Notice of Exclusive Control (as defined in the applicable Account Control Agreement) by the Securities Intermediary or after receipt of a Rescission Notice (as defined in the Account Control Agreement) by the Securities Intermediary shall be automatically released upon such withdrawal.

(e) Upon the release of any Grantor from its guarantee of the Obligations pursuant to Section 9.05 of the Credit Agreement, such Grantor shall cease to be a Grantor hereunder and the items of Collateral owned by such Grantor shall be released from the Lien and security interest granted hereby, and in connection therewith, the Collateral Agent will, at the applicable Grantor's expense, execute and deliver to such Grantor such documents as it shall reasonably request (without recourse and without any representation or warranty), including, without limitation, any UCC termination statements and any amendment or modification of this SGR Security Agreement pursuant to a SGR Security Agreement Supplement or otherwise, to evidence the release of such Grantor and such Grantor's Collateral from the Lien and security interest granted hereby and reassignment of all right, title and interest of the Collateral Agent in all of such Grantor's Collateral to such Grantor. For the avoidance of doubt, upon any merger or consolidation pursuant to Section 6.10(d) of the Credit Agreement, the Collateral shall not be released pursuant to this Section 16(e), so long as following such merger or consolidation, the surviving entity is another Grantor party to this SGR Security Agreement.

(f) Upon the direction of the Borrower pursuant to and in accordance with Section 6.09(c) of the Credit Agreement, such items of Collateral as may be specified by the Borrower shall be released from the Lien and security interest granted hereby, and in connection therewith, the Collateral Agent will, at the applicable Grantor's expense, execute and deliver to such Grantor such documents as it shall reasonably request (without recourse and without any representation or warranty), including, without limitation, any UCC termination statements and any amendment or modification of this SGR Security Agreement pursuant to a SGR Security Agreement Supplement or otherwise, to evidence the release of such items of Collateral from the Lien and security interest granted hereby and reassignment of all right, title and interest of the Collateral Agent in all of such Grantor's specified Collateral to such Grantor.

(g) If the Borrower or any other Grantor requests release documentation with respect to any Collateral released as provided in this Section 16, including UCC termination statements or other release-related documentation, the Borrower or other Grantor requesting such documentation shall deliver to the Collateral Agent an Officer's Certificate stating that the release of such Grantor's respective Collateral that is to be evidenced by such UCC termination statements or other instruments is permitted pursuant to this Section 16 and the relevant provisions of the Credit Agreement (~~provided~~ that an Officer's Certificate delivered to the Administrative Agent pursuant to Section 6.09(c) of the Credit Agreement shall be deemed to satisfy the requirements of this clause (g)). (b) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this SGR Security Agreement in any court referred to in Section 21(a). Section 24. Severability of Provisions. To the extent permitted by applicable law, any provision of this SGR Security Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality

and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 25. Headings. Section headings used herein are for convenience only and are not to affect the construction of or be taken into consideration in interpreting this SGR Security Agreement.

Section 26. Execution in Counterparts. This SGR Security Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Section 27. Additional Grantors. If, at the option of the Borrower or as required pursuant to Section 5.09 of the Credit Agreement, the Borrower shall cause any Affiliate that is not a Grantor to become a Grantor hereunder, such Affiliate shall execute and deliver to the Collateral Agent a Joinder Agreement substantially in the form of Exhibit B and shall thereafter for all purposes be a party hereto and have the same rights, benefits and obligations as a Grantor party hereto on the Restatement Effective Date, it being understood that Section 1 shall apply to, and the representations and warranties contained in Section 4 shall be made by, such Affiliate only after such Affiliate executes and delivers to the Administrative Agent a Joinder Agreement.

Section 29. Limited Obligations. It is the desire and intent of each Grantor, the Collateral Agent and the Secured Parties that this SGR Security Agreement shall be enforced against each Grantor to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. If and to the extent that the obligations of any Grantor under this SGR Security Agreement shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation,

because of any applicable state or federal law relating to fraudulent conveyances or transfers, which laws would determine the solvency of such Grantor by reference to the full amount of the Obligations at the time of the execution and delivery of this SGR Security Agreement), then the amount of the Obligations of such Grantor shall be deemed to be reduced and such Grantor shall pay the maximum amount of the Obligations which would be permissible under the applicable law.

Section 30. Construction of Schedules. It is understood and agreed that Schedule II is intended to be descriptive of the Slots listed on such Schedule as of the last calendar week prior to the date hereof and that Schedule III is intended to be descriptive of the Scheduled Services listed on such Schedule as of the date hereof, and such Schedules shall not be construed as expanding or limiting in any way the Collateral subject to this SGR Security Agreement.

Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Morgan Stanley Senior Funding, Inc., BNP Paribas Securities Corp. and Credit Agricole Corporate and Investment Bank have agreed to act as the joint lead arrangers (the “**Lead Arrangers**”) with respect to this First Amendment and Restatement Agreement and the 2015 Term Loans provided for hereunder.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is agreed as follows:

SECTION 1. 2015 Term Loans.

(a) (i) Subject to the satisfaction of the conditions set forth in Section 4 hereof, the 2015 Term Loan Lenders hereby agree to make 2015 Term Loans (as defined below) to the Borrower in the aggregate principal amount of \$1,866,750,000 to refinance all Existing Term Loans. It is understood and agreed that the Existing Term Loans shall constitute "Refinanced Term Loans" pursuant to Section 10.08(e) of the Credit Agreement and that the 2015 Term Loans shall constitute "Replacement Term Loans" pursuant to such Section 10.08(e) of the Credit Agreement.

(ii) The Administrative Agent has prepared a schedule (the "**2015 Term Loan Commitment Schedule**") which sets forth the allocated commitments received by it (the "**2015 Term Loan Commitments**") from the 2015 Term Loan Lenders. The Administrative Agent has notified each 2015 Term Loan Lender of its allocated 2015 Term Loan Commitment, and each of the 2015 Term Loan Lenders is listed as a signatory to this First Amendment and Restatement Agreement. On the Restatement Effective Date (as defined below), all Existing Term Loans shall be refinanced in full as follows:

- (x) Each Person with a 2015 Term Loan Commitment (each a "**2015 Term Loan Lender**" and collectively, the "**2015 Term Loan Lenders**") severally, and not jointly with the other 2015 Term Loan Lenders, agrees, upon the terms and subject to the conditions set forth herein and in the Credit Agreement, to make a term loan denominated in Dollars (each a "**2015 Term Loan**" and collectively, the "**2015 Term Loans**") to the Borrower on the Restatement Effective Date (as defined below) in an aggregate principal amount equal to the 2015 Term Loan Commitment of such 2015 Term Loan Lender. Each 2015 Term Lender's 2015 Term Loan Commitment shall terminate immediately and without further action on the Restatement Effective Date after giving effect to the funding (including funding by way of a Term Loan Conversion (as defined below) pursuant to clause (b) below) by such 2015 Term Loan Lender of the 2015 Term Loans to be made by it on such date.
- (y) Each 2015 Term Loan Lender shall make available 2015 Term Loans in an aggregate principal amount equal to its 2015 Term Loan Commitment in Dollars to the Administrative Agent as provided in the Credit Agreement; provided, that in the event that any 2015 Term Loan Lender holds Existing Term Loans immediately prior to the Restatement Effective Date, a portion of the Existing Term Loans in a principal amount equal to the lesser of (i) such 2015 Term Lender's 2015 Term Loan Commitment and (ii) the aggregate principal amount of such 2015 Term Lender's Existing Term Loans shall automatically be converted on the Restatement Effective Date into 2015 Term Loans of like principal amount (and to the extent of the amount of such converted Existing Term Loans, such 2015 Term Loan Lender shall not be required to make Dollars available to the Administrative Agent as provided in this clause (b)) (each such conversion, a "**Term Loan Conversion**").

(iii) The initial Interest Period applicable to the 2015 Term Loans shall commence on the Restatement Effective Date and shall expire on the date on which the Interest Period applicable to the Existing Term Loans immediately prior to the Restatement Effective Date was due to expire.

(iv) Notwithstanding anything to the contrary in this Section 1(a) or in Section 2.15 of the Credit Agreement, each 2015 Term Loan Lender irrevocably waives any entitlement to any breakage loss or expenses due under Section 2.15 of the Credit Agreement with respect to the repayment of any Existing Term Loans it holds as a Term Lender which have been replaced or repaid with 2015 Term Loans on the Restatement Effective Date.

(b) Promptly following the Restatement Effective Date, all promissory notes, if any, evidencing the Existing Term Loans shall be cancelled, and any 2015 Term Loan Lender may request that its 2015 Term Loans be evidenced by a promissory note pursuant to Section 2.10(f) of the Amended and Restated Credit Agreement.

(c) Notwithstanding anything to the contrary contained in the Credit Agreement, all proceeds of the 2015 Term Loans (if any) will be used solely to repay outstanding Existing Term Loans on the Restatement Effective Date.

(d) On the Restatement Effective Date (after giving effect to this First Amendment and Restatement Agreement), the aggregate outstanding principal amount of the 2015 Term Loans shall be \$1,866,750,000.

SECTION 2. Amendment and Restatement of the Credit Agreement. Effective as of the Restatement Effective Date, the Credit Agreement, including all schedules and exhibits thereto, is hereby amended and restated in its entirety in the form of the amended and restated Credit Agreement set forth as Exhibit A hereto (the Credit Agreement so amended and restated is referred to herein as the “**Amended and Restated Credit Agreement**”).

SECTION 3. Amendment and Restatement of the SGR Security Agreement. Effective as of the Restatement Effective Date, the Security Agreement (Slots, Foreign Gate Leaseholds and Route Authorities), dated June 27, 2013 by and between Borrower and the Collateral Agent (the “**SGR Security Agreement**”) shall be amended and restated in its entirety in the form of the amended and restated SGR Security Agreement set forth as Exhibit B hereto (the SGR Security Agreement so amended and restated is referred to herein as the “**Amended and Restated SGR Security Agreement**”).

SECTION 4. Conditions of Effectiveness of this First Amendment and Restatement Agreement. This First Amendment and Restatement Agreement shall become effective on the date when the following conditions shall have been satisfied (such date, the “**Restatement Effective Date**”):

(a) The Borrower, Parent and each other Guarantor, the Administrative Agent, the Collateral Agent, the Revolving Lenders and each of the 2015 Term Loan Lenders, shall have signed a counterpart hereof (whether the same or different counterparts) and shall have delivered the same to White & Case LLP, Attention: Jason Pham (ProjectAmerican2015@whitecase.com), counsel to the Administrative Agent.

(b) All reasonable and documented expenses and other compensation payable to the Lead Arrangers and the Administrative Agent pursuant to Section 10.04 of the Credit Agreement or the First Amendment and Restatement Engagement Letter (including reasonable fees of counsel) shall have been paid to the extent earned, due and owing and otherwise reimbursable pursuant to the terms thereof and otherwise invoiced at least three (3) Business Days prior to the Restatement Effective Date.

(c) The Borrower shall have paid to the Administrative Agent (for the account of the Lenders) all fees and interest accrued and accruing pursuant to Sections 2.07, 2.15 and 2.16 (subject to the provisions of Section 1(a)(iv) hereof) of the Credit Agreement in respect of all Borrowings of Existing Term Loans outstanding immediately prior to the Restatement Effective Date, regardless of whether payment would otherwise be required under the Credit Agreement.

(d) The Administrative Agent shall have received a certificate of the Secretary or Assistant Secretary (or similar Responsible Officer), dated the Restatement Effective Date (i) certifying as to the incumbency and specimen signature of each Responsible Officer of the Borrower and each Guarantor

executing this First Amendment and Restatement Agreement or any other document delivered by it in connection herewith (such certificate to contain a certification of another Responsible Officer of that entity as to the incumbency and signature of the Responsible Officer signing the certificate referred to in this clause (i)), (ii) certifying that each constitutional document and the resolutions of each Loan Party previously delivered on the Third Amendment Effective Date (as defined in the Third Amendment) has not been amended, supplemented, rescinded or otherwise modified and remains in full force and effect as of the date hereof and (iii) attaching a certificate of good standing for the Borrower and each Guarantor of the state of such entity's incorporation or formation, dated as of a recent date, as to the good standing of that entity (to the extent available in the applicable jurisdiction).

(e) The Administrative Agent shall have received a certificate of a Responsible Officer of the Borrower (i) demonstrating that, using the Appraised Value listed in the Appraisal delivered on November 21, 2014 pursuant to the Credit Agreement, on the Restatement Effective Date and after giving effect to this First Amendment and Restatement Agreement, the Collateral Coverage Ratio shall be no less than 1.6 to 1.0 and (ii) certifying that the Collateral includes at least one category of Core Collateral.

(f) The Administrative Agent shall have received a customary written opinion of Latham & Watkins LLP, special counsel for Parent, the Borrower and each other Guarantor addressed to the Administrative Agent, the Revolving Lenders and the 2015 Term Loan Lenders, and dated the Restatement Effective Date.

(g) The Administrative Agent shall have received an Officer's Certificate certifying (A) the truth in all material respects of the representations and warranties set forth in the Amended and Restated Credit Agreement and the other Loan Documents (other than representations and warranties set forth in Sections 3.05(b), 3.06, 3.09(a) and 3.19 of the Amended and Restated Credit Agreement) and made by it as though made on the date hereof, except to the extent that any such representation and warranty relates to a specified date, in which case as of such date (provided, that any representation or warranty that is qualified by materiality (it being understood that any representation or warranty that excludes circumstances that would not result in a "Material Adverse Change" or "Material Adverse Effect" shall not be considered (for purposes of this proviso) to be qualified by materiality) shall be true and correct in all respects as of the applicable date, before and after giving effect to this First Amendment and Restatement Agreement) and (B) as to the absence of any event occurring and continuing, or resulting from this First Amendment and Restatement Agreement on, the Restatement Effective Date, that constitutes a Default or Event of Default).

SECTION 5. No Default; Representations and Warranties. In order to induce the Revolving Lenders, the 2015 Term Loan Lenders, the Administrative Agent and the Collateral Agent to enter into this First Amendment and Restatement Agreement, the Borrower represents and warrants to each of the Revolving Lenders, the 2015 Term Loan Lenders, the Administrative Agent and the Collateral Agent that, on and as of the date hereof after giving effect to this First Amendment and Restatement Agreement, (i) no Default or Event of Default has occurred and is continuing or would result from giving effect to this First Amendment and Restatement Agreement and (ii) the representations and warranties contained in the Amended and Restated Credit Agreement and the other Loan Documents (other than representations and warranties set forth in Sections 3.05(b), 3.06, 3.09(a) and 3.19 of the Amended and Restated Credit Agreement) are true and correct in all material respects on and as of the date hereof with the same effect as if made on and as of the date hereof except to the extent that such representations and warranties expressly relate to an earlier date and in such case as of such date; provided, that any representation or warranty that is qualified by materiality (it being understood that any representation or warranty that excludes circumstances that would not result in a "Material Adverse Change" or "Material Adverse Effect" shall not be considered (for purposes of this proviso) to be qualified by materiality) shall be true and correct in all respects as of the applicable date, before and after giving effect to this First Amendment and Restatement Agreement.

SECTION 6. Confirmation. The Borrower and each Guarantor hereby confirm that all of their obligations under the Credit Agreement and the other Loan Documents (as amended and restated hereby) are and shall continue to be, in full force and effect. The parties hereto (i) confirm and agree that the term “Obligations” and “Guaranteed Obligations” as used in the Credit Agreement and the other Loan Documents, shall include, without limitation, all obligations of the Borrower (as amended and restated pursuant to this First Amendment and Restatement Agreement) and all obligations of the Guarantors with respect of the guarantee of such obligations, respectively, and (ii) subject to the release of Liens contained herein, reaffirm the grant of Liens on the Collateral to secure the Obligations pursuant to the Collateral Documents (as amended and restated pursuant to this First Amendment and Restatement Agreement).

SECTION 7. Reference to and Effect on the Credit Agreement. On and after the Restatement Effective Date, each reference in the Credit Agreement to “this Agreement,” “hereunder,” “hereof” or words of like import referring to the Credit Agreement, shall mean and be a reference to the Amended and Restated Credit Agreement. The Credit Agreement and each of the other Loan Documents, as specifically amended by this First Amendment and Restatement Agreement, are and shall continue to be in full force and effect and are hereby in all respects ratified and confirmed. This First Amendment and Restatement Agreement shall be deemed to be a “Loan Document” for all purposes of the Amended and Restated Credit Agreement and the other Loan Documents. The execution, delivery and effectiveness of this First Amendment and Restatement Agreement shall not, except as expressly provided herein, operate as an amendment or waiver of any right, power or remedy of any Lender or any Agent under any of the Loan Documents, nor constitute an amendment or waiver of any provision of any of the Loan Documents.

SECTION 8. Execution in Counterparts. This First Amendment and Restatement Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This First Amendment and Restatement Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this First Amendment and Restatement Agreement by facsimile or electronic .pdf copy shall be effective as delivery of a manually executed counterpart of this First Amendment and Restatement Agreement.

SECTION 9. Governing Law. THIS FIRST AMENDMENT AND RESTATEMENT AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS FIRST AMENDMENT AND RESTATEMENT AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(b) For purposes of determining withholding Taxes imposed under FATCA, from and after the effective date of this First Amendment and Restatement Agreement, the Borrower and the Administrative Agent shall treat (and the Lenders party hereto hereby authorize the Administrative Agent to treat) the 2015 Term Loans as not qualifying as a “grandfathered obligation” within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

IN WITNESS WHEREOF, the parties hereto have caused this First Amendment and Restatement Agreement to be duly executed as of the date first above written.

ARTICLE II

AMOUNT AND TERMS OF CREDIT

SECTION 2.01. Commitments of the Lenders; Term Loans.

(a) *Revolving Commitments.*

(i) Each Revolving Lender severally, and not jointly with the other Revolving Lenders, agrees, upon the terms and subject to the conditions herein set forth, to make revolving credit loans denominated in Dollars (each a “*Revolving Loan*” and collectively, the “*Revolving Loans*”) to the Borrower at any time and from time to time during the Revolving Availability Period in an aggregate principal amount not to exceed, when added to such Revolving Lender’s LC Exposure, the Revolving Commitment of such Revolving Lender, which Revolving Loans may be repaid and reborrowed in accordance with the provisions of this Agreement. At no time shall the sum of the then outstanding aggregate principal amount of the Revolving Loans plus the LC Exposure exceed the Total Revolving Commitment.

(ii) Each Borrowing of a Revolving Loan shall be made from the Revolving Lenders pro rata in accordance with their respective Revolving Commitments; provided, however, that the failure of any Revolving Lender to make any Revolving Loan shall not in itself relieve the other Revolving Lenders of their obligations to lend.

(b) *2015 Term Loan Commitments.* Each 2015 Term Loan Lender has made the 2015 Term Loans pursuant to the First Amendment and Restatement Agreement. The 2015 Term Loans shall constitute Term Loans for all purposes of this Agreement and shall be repaid in accordance with the provisions of this Agreement.

(c) *Type of Borrowing.* Each Borrowing shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement. There may be multiple Borrowings incurred, converted or continued on the same day.

(d) *Amount of Borrowing.* At the commencement of each Interest Period for any Eurodollar Borrowing, such Borrowing shall be in an aggregate amount that is in an integral multiple of \$1,000,000 and not less than \$1,000,000. At the time that each ABR Borrowing is

made, such Borrowing shall be in an aggregate amount that is an integral multiple of \$100,000 and not less than \$1,000,000; provided that an ABR Borrowing may be in an aggregate amount that is equal to the entire Unused Total Revolving Commitment or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.02(e). Borrowings of more than one Type may be outstanding at the same time.

(e) *Limitation on Interest Period.* Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, (i) any Borrowing of a Revolving Loan if the Interest Period requested with respect thereto would end after the Revolving Facility Maturity Date with respect to the applicable Revolving Commitments or (ii) any Borrowing of a Term Loan if the Interest Period requested with respect thereto would end after the applicable Term Loan Maturity Date.

SECTION 2.02. Letters of Credit.

(a) *LC Commitment.* Subject to the terms and conditions set forth herein, the Borrower may request the issuance of and (subject to the representation in the second sentence of clause (b) below being true and correct) each Issuing Lender agrees to issue Letters of Credit in Dollars upon request of the Borrower at any time and from time to time from the Revolver Availability Date to but excluding the date that is five (5) Business Days prior to the Revolving Facility Maturity Date, for the Borrower's own account or the account of any other Subsidiary of Parent; provided that no Issuing Lender shall issue (or amend, renew or extend) any Letter of Credit if, after giving effect to such issuance (or amendment, renewal or extension), (i) the LC Exposure in respect of Letters of Credit issued by it would exceed its LC Commitment or (ii) the aggregate amount of the Unused Total Revolving Commitment would be less than zero.

(b) *Notice of Issuance, Amendment, Renewal, Extension.* The Borrower may request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit) by delivering (i) telephonic notice promptly followed by written Letter of Credit Request or (ii) hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable Issuing Lender (which approval shall not be unreasonably withheld, delayed or conditioned)) to the applicable Issuing Lender and the Administrative Agent (at least two (2) Business Days in advance of the requested date of issuance, amendment, renewal or extension) a written Letter of Credit Request requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying (1) the date of issuance, amendment, renewal or extension (which shall be a Business Day), (2) the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section 2.02), (3) the amount of such Letter of Credit, (4) the name and address of the beneficiary thereof and (5) such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. Upon the issuance, amendment, renewal or extension of each Letter of Credit, the Borrower shall be deemed to represent and warrant that, after giving effect to such issuance, amendment, renewal or extension, (x) the LC Exposure shall not exceed the LC Commitment and (y) the aggregate amount of the Unused Total Revolving Commitment shall not be less than zero. If requested by the applicable Issuing Lender, the Borrower also shall submit a letter of credit application on such Issuing Lender's standard form in connection with any request for a Letter of Credit; provided that, to the extent such standard form (and/or any related reimbursement agreement) is

inconsistent with the Loan Documents, the Loan Documents shall control. Upon receipt of a written notice from the Administrative Agent that the applicable conditions in Section 4.02 have been satisfied, the Issuing Lender shall issue the requested Letter of Credit in accordance with its usual and customary procedures. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, an Issuing Lender relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(c) *Expiration Date.* Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date that is (x) one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) or (y) such later date as may be agreed by the Borrower and the Issuing Lender, and (ii) the date that is five (5) Business Days prior to the Revolving Facility Maturity Date with respect to the applicable Revolving Commitments (provided that, to the extent that all of the participations in such Letter of Credit held by the holders of such Revolving Commitments have been re-allocated or Cash Collateralized pursuant to the terms of any Extension Amendment, such Revolving Commitments shall be disregarded for purposes of this clause (ii)).

(d) *Participations.* By the issuance of a Letter of Credit (or an amendment, renewal or extension of a Letter of Credit, including any amendment increasing the amount thereof), and without any further action on the part of the applicable Issuing Lender or the Revolving Lenders, such Issuing Lender hereby grants to each Revolving Lender (other than such Issuing Lender), and each Revolving Lender (other than such Issuing Lender) hereby acquires from such Issuing Lender, a participation in such Letter of Credit equal to such Revolving Lender's Revolving Commitment Percentage of the amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender (other than the applicable Issuing Lender) hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of such Issuing Lender, such Revolving Lender's Revolving Commitment Percentage of the amount of each LC Disbursement made by such Issuing Lender and not reimbursed by the Borrower on the date due as provided in Section 2.02(e), or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Revolving Lender (other than the applicable Issuing Lender) acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence of an Event of Default or reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) *Reimbursement.*

(i) If an Issuing Lender shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement (whether or not such Letter of Credit was issued for the Borrower's own account or in its name for the account or name of any other Subsidiary of the Parent) by paying to the Administrative Agent an amount equal to the amount of such LC Disbursement not later than the first Business Day following the date the

Borrower receives notice from the Issuing Lender of such LC Disbursement; provided that, in the case of any LC Disbursement, to the extent not reimbursed and, subject to the satisfaction (or waiver) of the conditions to borrowing set forth herein, including, without limitation, making a request in accordance with Section 2.03(a) that such payment shall be financed with a Borrowing of ABR Revolving Loans, as the case may be, in an equivalent amount, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting Borrowing of ABR Revolving Loans.

(ii) If the Borrower fails to make any payment due under the preceding paragraph (i) with respect to a Letter of Credit when due (including by a Borrowing), the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Revolving Lender's Revolving Commitment Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Revolving Commitment Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.04 with respect to Revolving Loans made by such Revolving Lender (and Section 2.04 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the Issuing Lender the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this Section 2.02(e) with respect to any LC Disbursement, the Administrative Agent shall distribute such payment to the applicable Issuing Lender or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Lender, then to such Revolving Lenders and such Issuing Lender as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse the applicable Issuing Lender for any LC Disbursement (other than the funding of ABR Loans as contemplated above) shall not constitute a Revolving Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(f) *Obligations Absolute.* The Borrower's obligation to reimburse LC Disbursements as provided in Section 2.02(e) shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein or herein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the applicable Issuing Lender under a Letter of Credit against presentation of a draft or other document that does not comply strictly with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.02, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. Neither the Administrative Agent, the Revolving Lenders, nor the applicable Issuing Lender, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes

beyond the control of the applicable Issuing Lender. Nothing in the preceding two sentences shall be construed to excuse an Issuing Lender from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower (i) that are caused by such Issuing Lender's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof or (ii) that result from such Issuing Lender's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of such Letter of Credit (as finally determined by a court of competent jurisdiction). The parties hereto expressly agree that, in the absence of gross negligence, bad faith or willful misconduct on the part of the applicable Issuing Lender (as finally determined by a court of competent jurisdiction), the applicable Issuing Lender shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the applicable Issuing Lender may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) *Disbursement Procedures.* The applicable Issuing Lender shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The applicable Issuing Lender shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by telecopy) of such demand for payment, whether the applicable Issuing Lender has made or will make an LC Disbursement thereunder and the amount of such LC Disbursement; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse the applicable Issuing Lender and the Revolving Lenders with respect to any such LC Disbursement in accordance with the terms herein.

(h) *Interim Interest.* If the applicable Issuing Lender shall make any LC Disbursement, then, unless the Borrower shall reimburse (including by a Borrowing) such LC Disbursement in full not later than the first Business Day following the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Revolving Loans; provided that, if the Borrower fails to reimburse (including by a Borrowing) such LC Disbursement when due pursuant to Section 2.02(e), then Section 2.08 shall apply. Interest accrued pursuant to this paragraph shall be for the account of the applicable Issuing Lender, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to Section 2.02(e) to reimburse the applicable Issuing Lender shall be for the account of such Lender to the extent of such payment.

(i) *Replacement of the Issuing Lender.* Any Issuing Lender may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Issuing Lender and the successor Issuing Lender. The Administrative Agent shall notify the Revolving Lenders of any such replacement of an Issuing Lender. At the time any such

replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Lender pursuant to Section 2.21. From and after the effective date of any such replacement, (i) the successor Issuing Lender shall have all the rights and obligations of the Issuing Lender under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Lender" shall be deemed to refer to such successor or to any previous Issuing Lender, or to such successor and all previous Issuing Lenders, as the context shall require. After the replacement of an Issuing Lender hereunder, the replaced Issuing Lender shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Lender under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(j) *Replacement of Letters of Credit; Cash Collateralization.* The Borrower shall (i) upon or prior to the occurrence of the earlier of (A) the Revolving Facility Maturity Date with respect to all Revolving Commitments and (B) the acceleration of the Revolving Loans (if any) and the termination of the Revolving Commitments in accordance with the terms hereof, (x) cause all Letters of Credit which expire after the earlier to occur of (A) the Revolving Facility Maturity Date with respect to all Revolving Commitments and (B) the acceleration of the Revolving Loans (if any) and the termination of the Revolving Commitments in accordance with the terms hereof (the "*Outstanding Letters of Credit*") to be returned to the applicable Issuing Lender undrawn and marked "cancelled" or (y) if the Borrower does not do so in whole or in part either (A) provide one or more "back-to-back" letters of credit to each applicable Issuing Lender with respect to any such Outstanding Letters of Credit in a form reasonably satisfactory to each such Issuing Lender and the Administrative Agent, issued by a bank reasonably satisfactory to each such Issuing Lender and the Administrative Agent, and/or (B) deposit cash in the Letter of Credit Account, as collateral security for the Borrower's reimbursement obligations in connection with any such Outstanding Letters of Credit, such cash (or any applicable portion thereof) to be promptly remitted to the Borrower upon the expiration, cancellation or other termination or satisfaction of the Borrower's reimbursement obligations with respect to such Outstanding Letters of Credit, in whole or in part, in an aggregate principal amount for all such "back-to-back" letters of credit and any such Cash Collateralization equal to 102% of the then outstanding amount of all LC Exposure (less the amount, if any, on deposit in the Letter of Credit Account prior to taking any action pursuant to clauses (A) or (B) above), and (ii) if required pursuant to Section 2.02(l), 2.12(c), 2.12(d), 2.12(e), 2.12(g), 2.26(d)(ii), 2.26(e)(ii), 2.26(f) or 7.01 or pursuant to any Extension Amendment, deposit in the Letter of Credit Account an amount required pursuant to Section 2.02(l), 2.12(c), 2.12(d), 2.12(e), 2.12(g), 2.26(d)(ii), 2.26(e)(ii), 2.26(f) or 7.01, or pursuant to any such Extension Amendment, as applicable (any such deposit or provision of "back-to-back" letters of credit described in the preceding clause (i) or clause (ii), "*Cash Collateralization*" (it being understood that any LC Exposure shall be deemed to be "*Cash Collateralized*" only to the extent a deposit or provision of "back-to-back" letters of credit as described above is made in an amount equal to 102% of the amount of such LC Exposure)). The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over the Letter of Credit Account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent (in accordance with its usual and customary practices for investments of this type) and at the Borrower's risk and reasonable expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account and shall be paid to the Borrower on its request. Moneys in such account shall be

applied by the Administrative Agent to reimburse the applicable Issuing Lender for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time. If the Borrower is required to provide Cash Collateralization hereunder pursuant to Section 2.02(l), 2.12(c), 2.12(d), 2.12(e), 2.12(g), 2.26(d)(ii), 2.26(e)(ii) or 2.26(f), or the terms of any Extension Amendment, such Cash Collateralization (to the extent not applied as contemplated by the applicable section) shall be returned to the Borrower within three (3) Business Days after the applicable section (or Extension Amendment) no longer requires the provision of such Cash Collateralization.

(k) *Issuing Lender Agreements.* Unless otherwise requested by the Administrative Agent, each Issuing Lender shall report in writing to the Administrative Agent (i) on the first Business Day of each week, the daily activity (set forth by day) in respect of Letters of Credit during the immediately preceding week, including all issuances, extensions, amendments and renewals, all expirations and cancellations and all disbursements and reimbursements, (ii) on or prior to each Business Day on which such Issuing Lender expects to issue, amend, renew or extend any Letter of Credit, the date of such issuance, amendment, renewal or extension, the aggregate face amount of the Letters of Credit to be issued, amended, renewed, or extended by it (and whether, subject to Section 2.02(b), the face amount of any such Letter of Credit was changed thereby) and the aggregate face amount of such Letters of Credit outstanding after giving effect to such issuance, amendment, renewal or extension, (iii) on each Business Day on which such Issuing Lender makes any LC Disbursement, the date of such LC Disbursement and the amount of such LC Disbursement, (iv) on any Business Day on which the Borrower fails to reimburse an LC Disbursement required to be reimbursed to such Issuing Lender on such day, the date of such failure, and the amount of such LC Disbursement and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request. The Issuing Lender shall furnish a copy of each Letter of Credit to the Borrower and the Administrative Agent promptly following the issuance, amendment, renewal and extension thereof.

(l) *Provisions Related to Extended Revolving Commitments.* If the Revolving Facility Maturity Date in respect of any tranche of Revolving Commitments occurs prior to the expiration of any Letter of Credit with respect to which Lenders holding such Revolving Commitments hold participation interests, then (i) if one or more other tranches of Revolving Commitments in respect of which the Revolving Facility Maturity Date shall not have occurred are then in effect, such Letters of Credit automatically shall be deemed to have been issued (including for purposes of the obligations of the Revolving Lenders to purchase participations therein and to make payments in respect thereof pursuant to Section 2.02(d) or (e) and for any reallocations required pursuant to Section 2.26(d)(i) under (and ratably participated in by Revolving Lenders pursuant to) the Revolving Commitments in respect of such non-terminating tranches up to an aggregate amount not to exceed the aggregate principal amount of the Unused Total Revolving Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to the immediately preceding clause (i), the Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.02(j). For the avoidance of doubt, commencing with the Revolving Facility Maturity Date of any tranche of Revolving Commitments, the sublimit for Letters of Credit under any tranche of Revolving Commitments that has not so then matured shall be as agreed in the relevant Extension Amendment with such Revolving Lenders (to the extent such Extension Amendment so provides).

SECTION 2.03. Requests for Loans.

(a) *Revolving Loans.* Unless otherwise agreed to by the Administrative Agent in connection with making the initial Revolving Loans, to request a Revolving Loan, the Borrower shall notify the Administrative Agent of such request by (i) telephone or (ii) by hand or by facsimile delivery of a written Loan Request (A) in the case of a Eurodollar Loan, not later than 2:00 p.m., New York City time, three (3) Business Days before proposed Borrowing Date and (B) in the case of an ABR Loan, not later than 11:00 a.m., New York City time, on the proposed Borrowing Date. Each such telephonic Revolving Loan request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Loan Request signed by the Borrower. Each such telephonic Revolving Loan request and written Loan Request shall specify the following information in compliance with Section 2.01:

- (i) the aggregate amount of the requested Revolving Loan (which shall comply with Section 2.01(d));
- (ii) the Borrowing Date of such Revolving Loan, which shall be a Business Day;
- (iii) whether such Revolving Loan is to be an ABR Loan or a Eurodollar Loan; and
- (iv) in the case of a Eurodollar Loan, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period."

If no election as to the Type of Revolving Loan is specified, then the requested Revolving Loan shall be an ABR Loan. If no Interest Period is specified with respect to any requested Eurodollar Loan, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Loan Request in accordance with this Section 2.03(a), the Administrative Agent shall advise each Revolving Lender of the details thereof and of the amount of such Revolving Lender's Loan to be made as part of the requested Revolving Loan.

(b) *Term Loans.* Unless otherwise agreed to by the Administrative Agent, to request the Term Loans, the Borrower shall notify the Administrative Agent of such request by telephone (i) in the case of a Eurodollar Loan, not later than 2:00 p.m., New York City time, two (2) Business Days before the Closing Date (or the Restatement Effective Date, as applicable) and (ii) in the case of an ABR Loan, not later than 1:00 p.m., New York City time one (1) Business Day before the Closing Date (or the Restatement Effective Date, as applicable). Each such telephonic Term Loan request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Loan Request signed by the Borrower. Each such telephonic and written Loan Request shall specify the following information in compliance with Section 2.01:

- (i) the aggregate amount of the requested Term Loan (which shall comply with Section 2.01(d));

- (ii) the Borrowing Date of such Term Loan, which shall be a Business Day;
- (iii) whether such Term Loan is to be an ABR Loan or a Eurodollar Loan; and
- (iv) in the case of a Eurodollar Loan, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period."

If no election as to the Type of Term Loan is specified, then the requested Term Loan shall be an ABR Loan. If no Interest Period is specified with respect to any requested Eurodollar Loan, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Loan Request in accordance with this Section 2.03(b), the Administrative Agent shall advise each Term Lender of the details thereof and of the amount of such Term Lender's Loan to be made as part of the requested Term Loan.

SECTION 2.04. Funding of Loans.

(a) Each Revolving Lender shall make each Revolving Loan to be made by it hereunder on the proposed Borrowing Date by wire transfer of immediately available funds by 12:00 noon, New York City time, or such earlier time as may be reasonably practicable, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. Upon satisfaction or waiver of the conditions precedent specified herein, the Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account designated by the Borrower in the applicable Loan Request; provided that ABR Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.02(e) shall be remitted by the Administrative Agent to the relevant Issuing Lender.

(b) Each Term Lender shall make each Term Loan to be made by it hereunder on the Borrowing Date by wire transfer of immediately available funds by 12:00 p.m., New York City time, or such earlier time as may be reasonably practicable, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. Upon satisfaction or waiver of the conditions precedent specified herein, the Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account designated by the Borrower in the applicable Loan Request.

(c) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed Borrowing Date (or, with respect to any ABR Loan made on same-day notice, prior to 11:00 a.m., New York City time, on the Borrowing Date of such Loan) that such Lender will not make available to the Administrative Agent such Lender's share of such Loan, the Administrative Agent may assume that such Lender has made such share available on such Borrowing Date in accordance with paragraph (a) and/or (b) of this Section 2.04 and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Loan available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the

Administrative Agent forthwith upon written demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate otherwise applicable to such Loan. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Loan and the Borrower shall not be obligated to repay such amount pursuant to the preceding sentence if not previously repaid.

SECTION 2.05. Interest Elections.

(a) The Borrower may elect from time to time to (i) convert ABR Loans to Eurodollar Loans, (ii) convert Eurodollar Loans to ABR Loans; provided that any such conversion of Eurodollar Loans may be made only on the last day of an Interest Period with respect thereto or (iii) continue any Eurodollar Loan as such upon the expiration of the then current Interest Period with respect thereto.

(b) To make an Interest Election Request pursuant to this Section 2.05, the Borrower shall notify the Administrative Agent of such election by telephone or by hand or facsimile delivery or by electronic mail of a written Interest Election Request by the time that a Loan Request would be required under Section 2.03(a) or Section 2.03(b) if the Borrower were requesting a Loan of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery, electronic mail or telecopy to the Administrative Agent of a written Interest Election Request in substantially the same form as a Loan Request signed by the Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.01:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a one-month Eurodollar Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing, and upon the request of the Required Lenders, (i) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing and (ii) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.06. Limitation on Eurodollar Tranches. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions and continuations of Eurodollar Loans and all selections of Interest Periods shall be in such amounts and be made pursuant to such elections so that, (a) after giving effect thereto, the aggregate principal amount of the Eurodollar Loans comprising each Eurodollar Tranche shall be equal to \$1,000,000 or a whole multiple of \$1,000,000 in excess thereof and (b) no more than twenty Eurodollar Tranches shall be outstanding at any one time.

SECTION 2.07. Interest on Loans.

(a) Subject to the provisions of Section 2.08, each ABR Loan shall bear interest (computed on the basis of the actual number of days elapsed over a year of 365 days or 366 days in a leap year) at a rate per annum equal to the Alternate Base Rate plus the Applicable Margin.

(b) Subject to the provisions of Section 2.08, each Eurodollar Loan shall bear interest (computed on the basis of the actual number of days elapsed over a year of 360 days) at a rate per annum equal, during each Interest Period applicable thereto, to the LIBO Rate for such Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Accrued interest on all Loans shall be payable in arrears on each Interest Payment Date applicable thereto, on the Termination Date with respect to such Loans and thereafter on written demand and upon any repayment or prepayment thereof (on the amount repaid or prepaid); provided that in the event of any conversion of any Eurodollar Loan to an ABR Loan, accrued interest on such Loan shall be payable on the effective date of such conversion.

SECTION 2.08. Default Interest. If the Borrower or any Guarantor, as the case may be, shall default in the payment of the principal of or interest on any Loan or in the payment of any other amount becoming due hereunder (including, without limitation, the reimbursement pursuant to Section 2.02(e) of any LC Disbursements), whether at Stated Maturity, by

acceleration or otherwise, the Borrower or such Guarantor, as the case may be, shall on written demand of the Administrative Agent from time to time pay interest, to the extent permitted by law, on all overdue amounts up to (but not including) the date of actual payment (after as well as before judgment) at a rate per annum (computed on the basis of the actual number of days elapsed over a year of 360 days or, when the Alternate Base Rate is applicable, a year of 365 days or 366 days in a leap year) equal to (a) with respect to the principal amount of any Loan, the rate then applicable for such Borrowings plus 2.0%, and (b) in the case of all other amounts, the rate applicable for ABR Loans plus 2.0%.

SECTION 2.09. Alternate Rate of Interest. In the event, and on each occasion, that on the date that is two (2) Business Days prior to the commencement of any Interest Period for a Eurodollar Loan, the Administrative Agent shall have reasonably determined (which determination shall be conclusive and binding upon the Borrower absent manifest error) that reasonable means do not exist for ascertaining the applicable LIBO Rate, the Administrative Agent shall, as soon as practicable thereafter, give written, facsimile or telegraphic notice of such determination to the Borrower and the Lenders and, until the circumstances giving rise to such notice no longer exist, any request by the Borrower for a Borrowing of Eurodollar Loans hereunder (including pursuant to a refinancing with Eurodollar Loans and including any request to continue, or to convert to, Eurodollar Loans) shall be deemed a request for a Borrowing of ABR Loans.

SECTION 2.10. Amortization of Term Loans; Repayment of Loans; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the ratable account of each Revolving Lender the then unpaid principal amount of each Revolving Loan then outstanding on the Revolving Facility Termination Date applicable to such Revolving Loan.

(b) The principal amounts of the 2015 Term Loans shall be repaid in consecutive annual installments (each, an “*Installment*”) of 1.00% of the sum of (i) the original aggregate principal amount hereunder as of the Restatement Effective Date *plus* (ii) the original aggregate principal amount of any Incremental Term Loans of the same Class as the 2015 Term Loans from time to time after the Restatement Effective Date, on each anniversary of the Closing Date occurring prior to the Term Loan Maturity Date with respect to such 2015 Term Loans commencing on June 27, 2016 (and for the first such payment only, the percentage indicated above shall be 1.25%). Notwithstanding the foregoing, (1) such Installments shall be reduced in connection with any mandatory or voluntary prepayments of the 2015 Term Loans in accordance with Sections 2.12 and 2.13, as applicable and (2) the Term Loans, together with all other amounts owed hereunder with respect thereto, shall, in any event, be paid in full no later than the applicable Term Loan Termination Date.

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof. The Borrower shall have the right, upon reasonable notice, to request information regarding the accounts referred to in the preceding sentence.

(e) The entries made in the accounts maintained pursuant to paragraph (c) or (d) of this Section 2.10 shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

(f) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrower shall promptly execute and deliver to such Lender a promissory note payable to such Lender and its registered assigns in a form furnished by the Administrative Agent and reasonably acceptable to the Borrower. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 10.02) be represented by one or more promissory notes in such form payable to such payee and its registered assigns.

SECTION 2.11. Optional Termination or Reduction of Revolving Commitments. Upon at least one (1) Business Day prior written notice to the Administrative Agent, the Borrower may at any time in whole permanently terminate the Total Revolving Commitment (subject to compliance with Section 2.12(e)), or from time to time in part permanently reduce the Unused Total Revolving Commitment; provided that each such notice shall be revocable at any time prior to such reduction or termination, as the case may be, or to the extent such termination or reduction would have resulted from a refinancing of the Obligations, which refinancing shall not be consummated or shall otherwise be delayed. Each such reduction of the Unused Total Revolving Commitment shall be in the principal amount not less than \$1,000,000 and in an integral multiple of \$1,000,000. Simultaneously with each reduction or termination of the Revolving Commitment, the Borrower shall pay to the Administrative Agent for the account of each Revolving Lender the Commitment Fee accrued and unpaid on the amount of the Revolving Commitment of such Revolving Lender so terminated or reduced through the date thereof. Any reduction of the Unused Total Revolving Commitment pursuant to this Section 2.11 shall be applied to reduce the Revolving Commitment of each Revolving Lender on a pro rata basis.

SECTION 2.12. Mandatory Prepayment of Loans; Commitment Termination.

(a) If, as a result of a Disposition of Collateral or Recovery Event (which for the purposes of Section 6.04 shall be deemed to be a Disposition that is not a voluntary Disposition), the Borrower is not in compliance with Section 6.04 within the time periods set forth in Section 6.04, the Borrower shall deposit, on the next Business Day (or, if later, within five (5) Business Days of Parent or any of its Subsidiaries receiving any Net Proceeds as a result of such Disposition of Collateral or Recovery Event), cash in an amount (the "*Net Proceeds*")

Amount”) equal to the amount of such received Net Proceeds (solely to the extent necessary to maintain compliance with Section 6.04) into the Collateral Proceeds Account that is maintained with the Collateral Agent for such purpose and subject to an Account Control Agreement and thereafter such Net Proceeds Amount shall be applied (to the extent not otherwise applied pursuant to the immediately succeeding proviso and solely to the extent the Borrower is not in compliance with Section 6.04) in accordance with the requirements of Section 2.12(c); provided that (i) the Borrower may use such Net Proceeds Amount to replace with Qualified Replacement Assets or, solely in the case of any Net Proceeds Amount in respect of any Recovery Event, repair the assets which are the subject of such Disposition of Collateral or Recovery Event within 365 days after such deposit is made, (ii) all such Net Proceeds Amounts shall be subject to release as provided in Section 6.09(c) or, at the option of the Borrower at any time, may be applied in accordance with the requirements of Section 2.12(c) and (iii) upon the occurrence of an Event of Default, the amount of any such deposit may be applied by the Administrative Agent in accordance with Section 2.12(c); provided, further that any release of any Net Proceeds Amount pursuant to clause (ii) of this Section 2.12(a) shall be conditioned on the Borrower being in compliance with Section 6.04 after giving effect thereto (it being understood that the failure to be in compliance with Section 6.04 shall not prevent the release of any Net Proceeds Amount in connection with any repair or replacement of assets permitted hereunder so long as no decrease in the Collateral Coverage Ratio will result therefrom).

(b) The Borrower shall prepay the Loans (without, in the case of any Revolving Loan, any corresponding reduction in Revolving Commitments) when and in an amount necessary to comply with Section 6.09(b).

(c) Amounts required to be applied to the prepayment of Loans pursuant to Sections 2.12(a), (b), (h) and (i) shall be applied to prepay the outstanding Term Loans in accordance with Section 2.17(e)(i) and/or the outstanding Revolving Loans in accordance with Section 2.17(e)(ii) (and to provide Cash Collateralization for the outstanding LC Exposure following the repayment of all outstanding Revolving Loans), in an amount necessary to comply with Section 6.04 or 6.09(b), as the case may be, in each case as directed by the Borrower. Any such prepayments of Revolving Loans (and Cash Collateralization of the outstanding LC Exposure) shall not result in a corresponding permanent reduction in the Revolving Commitments. Any Cash Collateralization of outstanding LC Exposure shall be consummated in accordance with Section 2.02(j). The application of any prepayment pursuant to this Section 2.12 shall be made, *first*, to ABR Loans and, *second*, to Eurodollar Loans. Term Loans prepaid pursuant to this Section 2.12 may not be reborrowed.

(d) If at any time the Total Revolving Extensions of Credit for any reason exceed the Total Revolving Commitment at such time, the Borrower shall prepay Revolving Loans on a pro rata basis in an amount sufficient to eliminate such excess. If, after giving effect to the prepayment of all outstanding Revolving Loans, the Total Revolving Extensions of Credit exceed the Total Revolving Commitment then in effect, the Borrower shall Cash Collateralize outstanding Letters of Credit to the extent of such excess.

(e) Upon the Revolving Facility Termination Date applicable to any Revolving Commitment, such Revolving Commitment shall be terminated in full and the Borrower shall repay the applicable Revolving Loans in full and, except as the Administrative Agent may otherwise agree in writing, if any Letter of Credit remains outstanding, comply with Section 2.02(j) in accordance therewith.

(f) All prepayments under this Section 2.12 shall be accompanied by accrued but unpaid interest on the principal amount being prepaid to (but not including) the date of prepayment, plus, if applicable, any accrued and unpaid Fees and any losses, costs and expenses, as more fully described in Section 2.15.

(g) If a Change of Control occurs, within thirty (30) days following the occurrence of such Change of Control, the Borrower (or Parent (or any third party on behalf of the Borrower)) shall (i) prepay all of the outstanding Loans at a prepayment price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of prepayment, (ii) discharge all of the LC Exposure, if any, by Cash Collateralizing such LC Exposure and (iii) terminate all of the Unused Total Revolving Commitment, if any, in accordance with this Section 2.12.

(h) If, at any time on or after Initial Collateral Release Date, it is determined that a Core Collateral Failure has occurred, and the Borrower has not granted (or caused another Grantor to grant), within the time period specified in Section 6.09(b)(y), a security interest in Additional Collateral such that following such grant the Collateral shall include at least one category of Core Collateral, the Borrower shall (i) prepay all of the outstanding Loans at a prepayment price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of prepayment, (ii) discharge all of the LC Exposure, if any, by Cash Collateralizing such LC Exposure and (iii) terminate all of the Unused Total Revolving Commitment, if any, in accordance with this Section 2.12.

(i) If, immediately after giving effect to any Borrower Release, there would be a Collateral Coverage Ratio Failure, the Borrower shall do one or more of the following: (1) grant (or cause another Grantor to grant) a security interest in Additional Collateral and/or (2) prepay or cause to be prepaid the Loans and (if required by its terms) any Pari Passu Senior Secured Debt (on a ratable basis with the Loans) such that following such actions in clauses (1) and/or (2) above, the Collateral Coverage Ratio, calculated by adding the Appraised Value of any such Additional Collateral in clause (i) of the definition of Collateral Coverage Ratio and subtracting any such prepaid Loans and prepaid Pari Passu Senior Secured Debt from clause (ii) of the definition of Collateral Coverage Ratio, shall be no less than 1.6 to 1.0.

SECTION 2.13. Optional Prepayment of Loans.

(a) The Borrower shall have the right, at any time and from time to time, to prepay any Loans, in whole or in part, (i) with respect to Eurodollar Loans, upon (A) telephonic notice (followed promptly by written or facsimile notice or notice by electronic mail) (which notice may be conditional notice) to the Administrative Agent or (B) written or facsimile notice (or notice by electronic mail) (which notice may be conditional notice) to the Administrative Agent, in any case received by 1:00 p.m., New York City time, three (3) Business Days prior to the proposed date of prepayment and (ii) with respect to ABR Loans, upon written or facsimile notice (or notice by electronic mail) (which notice may be conditional notice) to the Administrative Agent received by 1:00 p.m., New York City time, one (1) Business Day prior to

the proposed date of prepayment; provided that ABR Loans may be prepaid on the same day notice is given if such notice is received by the Administrative Agent by 12:00 noon, New York City time; provided, further, that any revocation of such conditional notice occurs within the applicable notice period plus 5 Business Days; provided, further, however, that (A) each such partial prepayment shall be in an amount not less than \$1,000,000 and in integral multiples of \$1,000,000 in the case of Eurodollar Loans and integral multiples of \$100,000 in the case of ABR Loans, (B) no prepayment of Eurodollar Loans shall be permitted pursuant to this Section 2.13(a) other than on the last day of an Interest Period applicable thereto unless such prepayment is accompanied by the payment of the amounts described in Section 2.15, and (C) no partial prepayment of a Eurodollar Tranche shall result in the aggregate principal amount of the Eurodollar Loans remaining outstanding pursuant to such Eurodollar Tranche being less than \$1,000,000.

(b) Any prepayments under Section 2.13(a) shall be applied, at the option of the Borrower, to (i) repay the outstanding Revolving Loans of the Revolving Lenders (without any reduction in the Total Revolving Commitment) until all Revolving Loans shall have been paid in full (plus any accrued but unpaid interest and fees thereon) and/or (ii) prepay the Term Loans, in each case as the Borrower shall specify. All such prepayments of Term Loans shall be applied in the manner directed by the Borrower (or, if no such direction is given, in direct order of maturity) to the remaining scheduled Installments of the applicable Class of Term Loans being prepaid. All prepayments under Section 2.13(a) shall be accompanied by accrued but unpaid interest on the principal amount being prepaid to (but not including) the date of prepayment, plus, if applicable, any Fees and any losses, costs and expenses, as more fully described in Section 2.15. Term Loans prepaid pursuant to Section 2.13(a) may not be reborrowed.

(c) Each notice of prepayment shall specify the prepayment date, the principal amount of the Loans to be prepaid and, in the case of Eurodollar Loans, the Borrowing or Borrowings to be prepaid and shall commit the Borrower to prepay such Loan by the amount and on the date stated therein; provided that the Borrower may revoke any notice of prepayment under this Section 2.13 if such prepayment would have resulted from a refinancing of any or all of the Obligations hereunder, which refinancing shall not be consummated or shall otherwise be delayed, or in accordance with Section 2.13(a) if the notice of prepayment was a conditional notice. The Administrative Agent shall, promptly after receiving notice from the Borrower hereunder, notify each Lender of the principal amount of the Loans held by such Lender which are to be prepaid, the prepayment date and the manner of application of the prepayment.

(d) In the event that, prior to the date that is six months after the Restatement Effective Date, there shall occur any Repricing Event, the Borrower shall pay to the Administrative Agent, for the ratable account of each of the Term Lenders holding 2015 Term Loans subject to such Repricing Event, (i) in the case of a Repricing Event of the type described in clause (a) of the definition thereof, a prepayment premium of 1% of the aggregate principal amount of the 2015 Term Loans subject to such Repricing Event and (ii) in the case of a Repricing Event of the type described in clause (b) of the definition thereof, an amount equal to 1% of the aggregate principal amount of the 2015 Term Loans subject to such Repricing Event outstanding immediately prior to the effectiveness thereof, in each case unless such fee is waived by the applicable Term Lender. Any Term Lender that is a non-consenting Lender in respect of a Repricing Event may be replaced in accordance with Section 10.08(d) to the extent permitted

thereby; provided that any such Term Lender so replaced shall be entitled to the prepayment premium set forth in clause (i) of the preceding sentence with respect to its 2015 Term Loans so assigned unless such fee is waived by such Term Lender.

SECTION 2.14. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or Issuing Lender (except any such reserve requirement subject to Section 2.14(c)); or

(ii) impose on any Lender or Issuing Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Eurodollar Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting into, continuing or maintaining any Eurodollar Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Lender of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or Issuing Lender hereunder with respect to any Eurodollar Loan or Letter of Credit (whether of principal, interest or otherwise), then, upon the request of such Lender or Issuing Lender, the Borrower will pay to such Lender or Issuing Lender, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Lender, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender or Issuing Lender reasonably determines in good faith that any Change in Law affecting such Lender or Issuing Lender or such Lender's or Issuing Lender's holding company regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or Issuing Lender's capital or on the capital of such Lender's or Issuing Lender's holding company, if any, as a consequence of this Agreement or the Eurodollar Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Lender, to a level below that which such Lender or Issuing Lender or such Lender's or Issuing Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuing Lender's policies and the policies of such Lender's or Issuing Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender or Issuing Lender, as the case may be, such additional amount or amounts, in each case as documented by such Lender or Issuing Lender to the Borrower as will compensate such Lender or Issuing Lender or such Lender's or Issuing Lender's holding company for any such reduction suffered; it being understood that this Section 2.14(b) shall not apply to Taxes.

(c) Solely to the extent arising from a Change in Law, the Borrower shall pay to each Lender (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurodollar funds or deposits, additional interest on the unpaid principal amount of each Eurodollar Loan equal to the actual costs of such reserves

allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error) and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Eurodollar Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan; provided that the Borrower shall have received at least fifteen (15) days' prior written notice (with a copy to the Administrative Agent, and which notice shall specify the Statutory Reserve Rate, if any, applicable to such Lender) of such additional interest or cost from such Lender. If a Lender fails to give written notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen (15) days from receipt of such notice.

(d) A certificate of a Lender or Issuing Lender setting forth the amount or amounts necessary to compensate such Lender or Issuing Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 2.14 and the basis for calculating such amount or amounts shall be delivered to the Borrower and shall be *prima facie* evidence of the amount due. The Borrower shall pay such Lender or Issuing Lender, as the case may be, the amount due within fifteen (15) days after receipt of such certificate.

(e) Failure or delay on the part of any Lender or Issuing Lender to demand compensation pursuant to this Section 2.14 shall not constitute a waiver of such Lender's or Issuing Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or Issuing Lender pursuant to this Section 2.14 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or Issuing Lender, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Lender's intention to claim compensation therefor; provided, further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. The protection of this Section 2.14 shall be available to each Lender regardless of any possible contention as to the invalidity or inapplicability of the law, rule, regulation, guideline or other change or condition which shall have occurred or been imposed.

(f) The Borrower shall not be required to make payments under this Section 2.14 to any Lender or Issuing Lender if (A) a claim hereunder arises solely through circumstances peculiar to such Lender or Issuing Lender and which do not affect commercial banks in the jurisdiction of organization of such Lender or Issuing Lender generally, (B) the claim arises out of a voluntary relocation by such Lender or Issuing Lender of its applicable lending office (it being understood that any such relocation effected pursuant to Section 2.18 is not "voluntary"), or (C) such Lender or Issuing Lender is not seeking similar compensation for such costs to which it is entitled from its borrowers generally in commercial loans of a similar size.

(g) Notwithstanding anything herein to the contrary, regulations, requests, rules, guidelines or directives implemented after the Closing Date pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act or Basel III shall be deemed to be a Change in Law; provided, however, that any determination by a Lender or Issuing Lender of amounts owed pursuant to this Section 2.14 to such Lender or Issuing Lender due to any such Change in Law shall be made in good faith in a manner generally consistent with such Lender's or Issuing Lender's standard practice.

SECTION 2.15. Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of the occurrence and continuance of an Event of Default), (b) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto or (c) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.18, Section 2.27(d) or Section 10.08(d), then, in any such event, at the request of such Lender, the Borrower shall compensate such Lender for the loss, cost and expense sustained by such Lender attributable to such event; provided that in no case shall this Section 2.15 apply to any payment of an Installment pursuant to Section 2.10(b). Such loss, cost or expense to any Lender shall be deemed to include an amount reasonably determined in good faith by such Lender or Issuing Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the applicable rate of interest for such Loan (excluding, however the Applicable Margin included therein, if any), for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest (as reasonably determined by such Lender) which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. A certificate of any Lender setting forth any amount or amounts (and the basis for requesting such amount or amounts) that such Lender is entitled to receive pursuant to this Section 2.15 shall be delivered to the Borrower and shall be *prima facie* evidence of the amount due. The Borrower shall pay such Lender the amount due within fifteen (15) days after receipt of such certificate.

SECTION 2.16. Taxes.

(a) Any and all payments by or on account of any Obligation of the Borrower or any Guarantor hereunder or under any other Loan Document shall be made free and clear of and without deduction for any Taxes except as required by applicable law; provided that if any Taxes are required to be withheld from any amounts payable to the Administrative Agent, any Lender or any Issuing Lender, as determined in good faith by the applicable Withholding Agent, then (i) if such Taxes are Indemnified Taxes or Other Taxes, the sum payable by the Borrower or applicable Guarantor shall be increased as necessary so that after making all required deductions for any Indemnified Taxes or Other Taxes (including deductions for any Indemnified Taxes or Other Taxes applicable to additional sums payable under this Section 2.16), the Administrative Agent, Lender, Issuing Lender or any other recipient of such payments (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made,

(ii) the applicable Withholding Agent shall make such deductions and (iii) the applicable Withholding Agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Borrower or any Guarantor, as applicable, shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) The Borrower shall indemnify the Administrative Agent, each Lender and each Issuing Lender, within ten (10) days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by or on behalf of or withheld or deducted from payments owing to the Administrative Agent, such Lender or such Issuing Lender, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrower or any Guarantor hereunder or under any other Loan Document (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.16) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender or Issuing Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender or Issuing Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment to the extent available, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Each Lender shall, within ten (10) days after written demand therefor, indemnify the Administrative Agent (to the extent the Administrative Agent has not been reimbursed by the Borrower) for the full amount of any Taxes imposed by any Governmental Authority that are attributable to such Lender and that are payable or paid by the Administrative Agent, together with all interest, penalties, reasonable costs and expenses arising therefrom or with respect thereto, as determined by the Administrative Agent in good faith. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error.

(f) Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law and as reasonably requested by the Borrower, such properly completed and executed documentation prescribed by applicable law or requested by the Borrower as will permit such payments to be made without withholding or at a reduced rate; provided that a Foreign Lender shall not be required to deliver any documentation pursuant to this Section 2.16(f) that such Foreign Lender is not legally able to deliver. For purposes of this paragraph (f) and paragraphs (g) and (h), the term "Lender" includes any Issuing Lender.

(g) (1) Without limiting the generality of the foregoing, each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter when the previously delivered certificates and/or forms expire, or upon request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(i) two (2) duly executed originals of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable, claiming eligibility for benefits of an income tax treaty to which the United States is a party;

(ii) two (2) duly executed originals of Internal Revenue Service Form W-8ECI;

(iii) two (2) duly executed originals of Internal Revenue Service Form W 8IMY, together with the forms for its beneficiaries, partners or members described in clauses (i), (ii), (iii) or (iv) of this subparagraph (g)(1) or in subparagraph (g)(2) and other applicable attachments;

(iv) in the case of a Foreign Lender claiming the benefits of exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not (A) a “bank” within the meaning of Section 881(c)(3)(A) of the Code, (B) a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, (C) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code or (D) conducting a trade or business in the United States with which the relevant interest payments are effectively connected and (y) two (2) duly executed originals of the Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable; or

(v) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax and reasonably requested by the Borrower or the Administrative Agent to permit the Borrower to determine the withholding or required deduction to be made.

A Foreign Lender shall not be required to deliver any form or statement pursuant to this Section 2.16(g) that such Foreign Lender is not legally able to deliver.

(2) Any Lender that is a “United States Person” (as such term is defined in Section 7701(a)(30) of the Code) shall deliver to the Administrative Agent and the Borrower, on or prior to the date on which such Lender becomes a party to this Agreement (and from time to time thereafter when the previously delivered certificates and/or forms expire, or upon request of the Borrower or the Administrative Agent), two (2) copies of Internal Revenue Service Form W-9 (or any successor form), properly completed and duly executed by such Lender, certifying that such Lender is entitled to an exemption from United States backup withholding tax.

(3) The Administrative Agent shall deliver to the Borrower on or prior to the date on which it becomes the Administrative Agent under this Agreement (and from time to time thereafter when the previously delivered forms expire, or upon request of the Borrower) executed originals of Internal Revenue Service Form W-9. The Administrative Agent represents that it is a financial institution within the meaning of U.S. Treasury Regulation § 1.1441-1(c)(5).

(4) If a payment made to a Lender under this Agreement or any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower or the Administrative Agent to comply with its obligations under FATCA, to determine that such Lender has or has not complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment.

(h) If the Administrative Agent or a Lender determines, in its sole discretion, that it has received a refund of any Taxes or Other Taxes from the Governmental Authority to which such Taxes or Other Taxes were paid and as to which it has been indemnified by the Borrower or a Guarantor or with respect to which the Borrower or a Guarantor has paid additional amounts pursuant to this Section 2.16, it shall pay over such refund to the Borrower or such Guarantor (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower or such Guarantor under this Section 2.16 with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender incurred in obtaining such refund (including Taxes imposed with respect to such refund) and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower or such Guarantor, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower or such Guarantor (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the Administrative Agent or any Lender be required to pay any amount to the Borrower pursuant to this paragraph (h) if, and then only to the extent, the payment of such amount would place the Administrative Agent or such Lender in a less favorable net after-Tax position than the Administrative Agent or such Lender would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 2.16 shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrower or any other Person.

SECTION 2.17. Payments Generally; Pro Rata Treatment.

(a) The Borrower shall make each payment or prepayment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.14 or 2.15, or otherwise) prior to 1:00 p.m., New York City time, on the date when due, in immediately available funds, without

set-off or counterclaim. Any amounts received after such time on any date may, in the reasonable discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 60 Wall Street, New York, New York 10005, pursuant to wire instructions to be provided by the Administrative Agent, except payments to be made directly to an Issuing Lender as expressly provided herein and except that payments pursuant to Sections 2.14, 2.15 and 10.04 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it (including, subject to the terms of any Intercreditor Agreement or any Other Intercreditor Agreement, any payment received from the sale or disposal of Collateral pursuant to any Collateral Document) for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all Obligations then due hereunder, such funds shall be applied, subject to the terms of any Intercreditor Agreement or any Other Intercreditor Agreement, as applicable, (i) *first*, towards payment of Fees and expenses then due under Sections 2.19 and 10.04 payable to each Agent and any trustee appointed pursuant to Section 8.01(d), to the extent applicable, (ii) *second*, towards payment of Fees and expenses then due under Sections 2.20, 2.21 and 10.04 payable to the Lenders and the Issuing Lenders and towards payment of interest then due on account of the Revolving Loans, Term Loans and Letters of Credit, ratably among the parties entitled thereto in accordance with the amounts of such Fees and expenses and interest then due to such parties and (iii) *third*, towards payment of (A) principal of the Revolving Loans, Term Loans and unreimbursed LC Disbursements then due hereunder, (B) any Designated Banking Product Obligations then due, to the extent such Designated Banking Product Obligations constitute "Obligations" hereunder, and (C) any Designated Hedging Obligations then due, to the extent such Designated Hedging Obligations constitute "Obligations" hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal, unreimbursed LC Disbursements, Designated Banking Product Obligations constituting Obligations and Designated Hedging Obligations constituting Obligations then due to such parties. Excluded Swap Obligations with respect to any Guarantor shall not be paid with amounts received from such Guarantor or its assets, but appropriate adjustment shall be made with respect to payments from the Borrower or other Guarantors to preserve the allocations to Obligations otherwise set forth above in this Section 2.17(b).

(c) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the applicable Issuing Lender, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the applicable Issuing Lender, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Lender with interest

thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(d) If any Lender shall fail to make any payment or Extension of Credit required to be made by it pursuant to Section 2.02(d), 2.02(e), 2.04(a), 2.04(b), 2.04(c), 8.04 or 10.04(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

(e) *Pro Rata Treatment.*

(i) Each payment (including each prepayment) by the Borrower on account of principal of and interest on any Class of Term Loans shall be made pro rata according to the respective outstanding principal amounts of such Class of Term Loans then held by the applicable Term Lenders (except that assignments to the Borrower pursuant to Section 10.02(g) shall not be subject to this Section 2.17(e)(i)). All such prepayments of Term Loans shall be applied in the manner directed by the Borrower (or, if no such direction is given, in direct order of maturity) to the remaining scheduled Installments of the applicable Class of Term Loans being prepaid.

(ii) Each payment (including each prepayment) by the Borrower on account of principal of and interest on any Class of Revolving Loans shall be made pro rata according to the respective outstanding principal amounts of such Class of Revolving Loans then held by the Revolving Lenders.

For the avoidance of doubt, the provisions of this Section 2.17 shall not be constructed to apply to (A) Cash Collateralization provided for in this Agreement, (B) assignments and participations (including by means of a Dutch Auction or open-market purchase) described in Section 10.02, (C) any circumstance contemplated by Section 2.18(b), 2.26, 2.27, 2.28, 10.08(d), 10.08(e) or 10.08(f), (D) the application of funds resulting from the existence of a Defaulting Lender, or (E) any other circumstance expressly provided for herein.

SECTION 2.18. Mitigation Obligations; Replacement of Lenders.

(a) If the Borrower is required to pay any additional amount to any Lender under Section 2.14 or to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder, to assign its rights and obligations hereunder to another of its offices, branches or affiliates, to file any certificate or document reasonably requested by the Borrower or to take other reasonable measures, if, in the judgment of such Lender, such designation, assignment, filing or other measures (i) would eliminate or reduce amounts payable pursuant to Section 2.14 or 2.16, as the case may be, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and

expenses incurred by any Lender in connection with any such designation or assignment. Nothing in this Section 2.18 shall affect or postpone any of the obligations of the Borrower or the rights of any Lender pursuant to Section 2.14 or 2.16.

(b) If, after the date hereof, any Lender requests compensation under Section 2.14 or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, (i) terminate such Lender's Revolving Commitment, prepay such Lender's outstanding Loans and provide Cash Collateralization for such Lender's LC Exposure, as applicable, or (ii) require such Lender to assign, without recourse (in accordance with and subject to the restrictions contained in Section 10.02), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), in any case as of a Business Day specified in such notice from the Borrower; provided that (i) such terminated or assigning Lender shall have received payment of an amount equal to the outstanding principal of its Loans and unreimbursed payments attributable to its participations in LC Disbursements, as applicable, accrued interest thereon, accrued fees and all other amounts due, owing and payable to it hereunder at the time of such termination or assignment, from the assignee (to the extent of such outstanding principal and accrued interest and fees in the case of an assignment) or the Borrower (in the case of all other amounts) and (ii) in the case of an assignment due to payments required to be made pursuant to Section 2.16, such assignment will result in a reduction in such compensation or payments.

SECTION 2.19. Certain Fees. The Borrower shall pay (i) to the Administrative Agent the fees set forth in that certain Administrative Agent Fee Letter, dated as of June 27, 2013, between the Administrative Agent and the Borrower as amended, restated, modified, supplemented or replaced from time to time (the "*Administrative Agent Fee Letter*"), (ii) to the Administrative Agent on behalf of the Administrative Agent and the Joint Lead Arrangers and Bookrunners the fees set forth in that certain Joint Lead Arranger Fee Letter dated as of April 25, 2013, between the Administrative Agent, the Joint Lead Arrangers and Bookrunners and the Borrower as amended, restated, modified, supplemented or replaced from time to time (the "*Joint Lead Arranger Fee Letter*") at the times set forth therein and (iii) the fees set forth in the certain Engagement Letter dated as of May 6, 2015 by and between the Borrower and the Joint Lead Arrangers and Bookrunners (the "*Engagement Letter*") at the times and to the entities set forth therein.

SECTION 2.20. Commitment Fee and Upfront Fee.

(a) The Borrower shall pay to the Administrative Agent for the accounts of the Revolving Lenders a commitment fee (the "*Commitment Fee*") for the period commencing on the Closing Date to the Revolving Facility Termination Date with respect to the applicable Revolving Commitments or the earlier date of termination of the applicable Revolving Commitment, computed (on the basis of the actual number of days elapsed over a year of 360 days) at the Commitment Fee Rate on the average daily Unused Total Revolving Commitment. Such Commitment Fee, to the extent then accrued, shall be payable quarterly in arrears (a) following the Revolver Availability Date on the last Business Day of each March,

June, September and December, (b) on the Revolving Facility Termination Date with respect to the applicable Revolving Commitments and (c) as provided in Section 2.11, upon any reduction or termination in whole or in part of the Total Revolving Commitment.

(b) The Borrower shall pay on the Revolver Availability Date to each Revolving Lender as of such date, an upfront fee (the “*Upfront Fee*”) in an amount equal to 1.0% of the amount of such Lender’s Revolving Commitment (if any) on the Closing Date.

SECTION 2.21. Letter of Credit Fees. The Borrower shall pay with respect to each Letter of Credit (i) to the Administrative Agent for the account of the Revolving Lenders a fee calculated (on the basis of the actual number of days elapsed over a year of 360 days) at the per annum rate equal to the Applicable Margin then in effect with respect to Eurodollar Loans under the Revolving Facility on the daily average LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements), to be shared ratably among the Revolving Lenders and (ii) to each Issuing Lender (with respect to each Letter of Credit issued by it), such Issuing Lender’s customary and reasonable fees as may be agreed by the Issuing Lender and the Borrower for issuance, amendments and processing referred to in Section 2.02. In addition, the Borrower agrees to pay each Issuing Lender for its account a fronting fee of 0.125% per annum in respect of each Letter of Credit issued by such Issuing Lender, for the period from and including the date of issuance of such Letter of Credit to and including the date of termination or expiration of such Letter of Credit. Accrued fees described in this paragraph in respect of each Letter of Credit shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December and on the Revolving Facility Termination Date with respect to the applicable Revolving Commitments. Fees accruing on any Letter of Credit outstanding after the applicable Revolving Facility Termination Date shall be payable quarterly in the manner described in the immediately preceding sentence and on the date of expiration or termination of any such Letter of Credit.

SECTION 2.22. Nature of Fees. All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent, the Issuing Lenders and the Joint Lead Arrangers and Bookrunners, as provided herein and in the Fee Letters. Once paid, none of the Fees shall be refundable or creditable under any circumstances, except as otherwise provided in the Fee Letters and Engagement Letter.

SECTION 2.23. Right of Set-Off. Upon the occurrence and during the continuance of any Event of Default pursuant to Section 7.01(b), the Administrative Agent, the Collateral Agent, each Issuing Lender and each Lender (and their respective banking Affiliates) are hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final but excluding deposits in the Escrow Accounts, Payroll Accounts and other accounts, in each case, held in trust for an identified beneficiary) at any time held and other Indebtedness at any time owing by the Administrative Agent, each such Issuing Lender and each such Lender (or any of such banking Affiliates) to or for the credit or the account of the Borrower or any Guarantor against any and all of any such overdue amounts owing under the Loan Documents, irrespective of whether or not the Administrative Agent or such Lender shall have made any demand under any Loan Document; provided that in the event that any Defaulting Lender exercises any such right of setoff, (x) all amounts so set off will be paid over immediately to the Administrative

Agent for further application in accordance with the provisions of Section 2.26(g) and, pending such payment, will be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Lenders and the Lenders and (y) the Defaulting Lender will provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender, each Issuing Lender and the Administrative Agent agree promptly to notify the Borrower and Guarantors after any such set-off and application made by such Lender, such Issuing Lender or the Administrative Agent (or any of such banking Affiliates), as the case may be; provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Lender, each Issuing Lender and the Administrative Agent under this Section 2.23 are in addition to other rights and remedies which such Lender and the Administrative Agent may have upon the occurrence and during the continuance of any Event of Default.

SECTION 2.24. Security Interest in Letter of Credit Account. The Borrower and the Guarantors hereby pledge to the Collateral Agent, for its benefit and for the benefit of the other Secured Parties, and hereby grant to the Collateral Agent, for its benefit and for the benefit of the other Secured Parties, a first priority security interest, senior to all other Liens, if any, in all of the Borrower's and the Guarantors' right, title and interest in and to the Letter of Credit Account, any direct investment of the funds contained therein and any proceeds thereof. Cash held in the Letter of Credit Account shall not be available for use by the Borrower, and shall be released to the Borrower only as described in Section 2.02(j).

SECTION 2.25. Payment of Obligations. Subject to the provisions of Section 7.01, upon the maturity (whether by acceleration or otherwise) of any of the Obligations under this Agreement or any of the other Loan Documents of the Borrower and the Guarantors, the Lenders shall be entitled to immediate payment of such Obligations.

SECTION 2.26. Defaulting Lenders.

(a) If at any time any Lender becomes a Defaulting Lender, then the Borrower may, on ten (10) Business Days' prior written notice to the Administrative Agent and such Lender, (i) terminate such Lender's Revolving Commitment, prepay such Lender's outstanding Loans and provide Cash Collateralization for such Lender's LC Exposure, as applicable, or (ii) replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.02(b) (with the assignment fee to be waived in such instance and subject to any consents required by such Section) all of its rights and obligations under this Agreement to one or more assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person.

(b) Any Lender being replaced pursuant to Section 2.26(a) shall (i) execute and deliver an Assignment and Acceptance with respect to such Lender's outstanding Commitments, Loans and participations in Letters of Credit and (ii) deliver any documentation evidencing such Loans to the Borrower or the Administrative Agent. Pursuant to such Assignment and Acceptance, (A) the assignee Lender shall acquire all or a portion, as specified by the Borrower and such assignee, of the assigning Lender's outstanding Commitments, Loans and participations in Letters of Credit, (B) all obligations of the Borrower owing to the assigning

Lender relating to the Commitments, Loans and participations so assigned shall be paid in full by the assignee Lender to such assigning Lender concurrently with such Assignment and Acceptance (including, without limitation, any amounts owed under Section 2.15 due to such replacement occurring on a day other than the last day of an Interest Period), and (C) upon such payment and, if so requested by the assignee Lender, delivery to the assignee Lender of the appropriate documentation executed by the Borrower in connection with previous Borrowings, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Commitments, Loans and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender; provided that an assignment contemplated by this Section 2.26(b) shall become effective notwithstanding the failure by the Lender being replaced to deliver the Assignment and Acceptance contemplated by this Section 2.26(b), so long as the other actions specified in this Section 2.26(b) shall have been taken.

(c) Anything herein to the contrary notwithstanding, if a Revolving Lender becomes, and during the period it remains, a Defaulting Lender, during such period, such Defaulting Lender shall not be entitled to any fees accruing during such period pursuant to Section 2.20 and 2.21 (without prejudice to the rights of the Non-Defaulting Lenders in respect of such fees); provided that (a) to the extent that all or a portion of the LC Exposure of such Defaulting Lender is reallocated to the Non-Defaulting Lenders pursuant to Section 2.26(d)(i), such fees that would have accrued for the benefit of such Defaulting Lender shall instead accrue for the benefit of and be payable to such Non-Defaulting Lenders and (b) to the extent that all or any portion of such LC Exposure cannot be so reallocated and is not Cash Collateralized in accordance with Section 2.26(d)(ii), such fees shall instead accrue for the benefit of and be payable to the Issuing Lenders as their interests appear (and the applicable pro rata payment provisions under this Agreement shall automatically be deemed adjusted to reflect the provisions of this Section 2.26).

(d) If any LC Exposure exists at the time a Revolving Lender becomes a Defaulting Lender then:

(i) the LC Exposure of such Defaulting Lender will, upon at least two (2) Business Days prior notice to the Borrower and the Non-Defaulting Lenders by the Administrative Agent, and subject in any event to the limitation in the first proviso below, automatically be reallocated (effective on the day specified in such notice) among the Non-Defaulting Lenders pro rata in accordance with their respective Revolving Commitments; provided that (A) the Revolving Extensions of Credit of each such Non-Defaulting Lender may not in any event exceed the Revolving Commitment of such Non-Defaulting Lender as in effect at the time of such reallocation, (B) such reallocation will not constitute a waiver or release of any claim the Borrower, the Administrative Agent, the Issuing Lenders or any other Lender may have against such Defaulting Lender, (C) at the time of such reallocation, no Event of Default pursuant to Section 7.01(b), (e)(B), (f) or (g) has occurred and is continuing and (D) neither such reallocation nor any payment by a Non-Defaulting Lender as a result thereof will cause such Defaulting Lender to be a Non-Defaulting Lender; and

(ii) to the extent that any portion (the “*unreallocated portion*”) of the Defaulting Lender’s LC Exposure cannot be so reallocated, whether by reason of the first proviso in clause (i) above or otherwise, the Borrower will, not later than three (3) Business Days after demand by the Administrative Agent, (A) Cash Collateralize the obligations of the Borrower to the Issuing Lenders in respect of such LC Exposure in an amount at least equal to the aggregate amount of the unreallocated portion of such LC Exposure or (B) make other arrangements satisfactory to the Administrative Agent and the Issuing Lenders in their sole discretion to protect them against the risk of non-payment by such Defaulting Lender.

(e) In addition to the other conditions precedent set forth in this Agreement, if any Revolving Lender becomes, and during the period it remains, a Defaulting Lender, no Issuing Lender shall be required to issue any Letter of Credit or to amend any outstanding Letter of Credit, unless:

(i) in the case of a Defaulting Lender, the LC Exposure of such Defaulting Lender is reallocated, as to outstanding and future Letters of Credit, to the Non-Defaulting Lenders as provided in Section 2.26(d)(i), except as provided in clause (ii) below, and

(ii) to the extent full reallocation does not occur as provided in clause (i) above, without limiting the provisions of Section 2.26(f), the Borrower shall Cash Collateralize the obligations of the Borrower in respect of such Letter of Credit in an amount at least equal to the aggregate amount of the obligations (contingent or otherwise) of such Defaulting Lender in respect of such Letter of Credit, or makes other arrangements satisfactory to the Administrative Agent and such Issuing Lenders in their sole discretion to protect them against the risk of non-payment by such Defaulting Lender, or

(iii) to the extent that neither reallocation nor Cash Collateralization occurs pursuant to clauses (i) or (ii), then in the case of a proposed issuance of a Letter of Credit, by an instrument or instruments in form and substance reasonably satisfactory to the Administrative Agent, and to such Issuing Lender, as the case may be, (A) the Borrower agrees that the face amount of such requested Letter of Credit will be reduced by an amount equal to the portion thereof as to which such Defaulting Lender would otherwise be liable, and (B) the Non-Defaulting Lenders' obligations in respect of such Letter of Credit shall be on a pro rata basis in accordance with the Revolving Commitments of the Non-Defaulting Lenders, and that the applicable pro rata payment provisions under this Agreement will be deemed adjusted to reflect this provision (provided that nothing in this clause (iii) will be deemed to increase the Revolving Commitments of any Lender, nor to constitute a waiver or release of any claim the Borrower, the Administrative Agent, any Issuing Lender or any other Lender may have against such Defaulting Lender, nor to cause such Defaulting Lender to be a Non-Defaulting Lender).

(f) If any Revolving Lender becomes, and during the period it remains, a Defaulting Lender and if any Letter of Credit is at the time outstanding, the applicable Issuing Lender may (except to the extent the Revolving Commitments of such Defaulting Lender have

been fully reallocated pursuant to Section 2.26(d)(i)), by notice to the Borrower and such Defaulting Lender through the Administrative Agent, require the Borrower to Cash Collateralize, not later than three (3) Business Days after receipt by the Borrower of such notice, the obligations of the Borrower to such Issuing Lender in respect of such Letter of Credit in an amount equal to the aggregate amount of the obligations (contingent or otherwise) of such Defaulting Lender in respect thereof, or to make other arrangements satisfactory to the Administrative Agent and such Issuing Lender in their sole discretion to protect them against the risk of non-payment by such Defaulting Lender.

(g) Any amount paid by the Borrower or otherwise received by the Administrative Agent for the account of any Lender that is a Defaulting Lender (whether on account of principal, interest, fees, indemnity payments or other amounts) will not be paid or distributed to such Defaulting Lender, but shall instead be retained by the Administrative Agent in a segregated account until (subject to Section 2.26(i)) the termination of the Revolving Commitments and payment in full of all obligations of the Borrower hereunder and will be applied by the Administrative Agent, to the fullest extent permitted by law, to the making of payments from time to time in the following order of priority:

first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent;

second, to the payment of any amounts owing by such Defaulting Lender to the Issuing Lenders under this Agreement;

third, to the payment of the default interest and then current interest due and payable to the Revolving Lenders which are Non-Defaulting Lenders hereunder, ratably among them in accordance with the amounts of such interest then due and payable to them;

fourth, to the payment of fees then due and payable to the Non-Defaulting Lenders hereunder, ratably among them in accordance with the amounts of such fees then due and payable to them;

fifth, to pay principal and unreimbursed LC Disbursements then due and payable to the Non-Defaulting Lenders hereunder ratably in accordance with the amounts thereof then due and payable to them;

sixth, to the ratable payment of other amounts then due and payable to the Non-Defaulting Lenders;

seventh, to the funding of any Loan or the funding or Cash Collateralization of any participation in any Letter of Credit in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent;

eighth, if so determined by the Administrative Agent and the Borrower, held in such account as Cash Collateral for future funding obligations of the Defaulting Lender under this Agreement;

ninth, pro rata, to the payment of any amounts owing to the Borrower or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by a Borrower or any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and

tenth, after the termination of the Revolving Commitments and payment in full of all obligations of the Borrower hereunder, to pay amounts owing under this Agreement to such Defaulting Lender or as a court of competent jurisdiction may otherwise direct.

(h) The Borrower may terminate the unused amount of the Commitment of any Lender that is a Defaulting Lender upon not less than ten (10) Business Days' prior notice to the Administrative Agent (which shall promptly notify the Lenders thereof), and in such event the provisions of Section 2.26(g) will apply to all amounts thereafter paid by the Borrower for the account of such Defaulting Lender under this Agreement (whether on account of principal, interest, fees, indemnity or other amounts); provided that (i) no Event of Default shall have occurred and be continuing and (ii) such termination shall not be deemed to be a waiver or release of any claim the Borrower, the Administrative Agent, any Issuing Lender, or any Lender may have against such Defaulting Lender.

(i) If the Borrower, the Administrative Agent and (in the case of Revolving Lender) the Issuing Lenders agree in writing that a Lender that is a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any amounts then held in the segregated account referred to in Section 2.26(g)), such Lender, to the extent applicable, shall purchase at par such portions of outstanding Loans of the other Lenders, and/or make such other adjustments, as the Administrative Agent may determine to be necessary to cause the Lenders to hold Loans on a pro rata basis in accordance with their ratable shares, whereupon such Lender shall cease to be a Defaulting Lender and will be a Non-Defaulting Lender (and the LC Exposure of each Revolving Lender shall automatically be adjusted on a prospective basis to reflect the foregoing); provided that no adjustments shall be made retroactively with respect to fees accrued while such Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Non-Defaulting Lender shall constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

(j) Notwithstanding anything to the contrary herein, any Lender that is an Issuing Lender hereunder may not be replaced in its capacity as an Issuing Lender at any time that it has a Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such Issuing Lender have been made with respect to such outstanding Letters of Credit.

SECTION 2.27. Increase in Commitment.

(a) *Borrower Request.* The Borrower may by written notice to the Administrative Agent request (x) prior to the Revolving Facility Maturity Date, an increase to the existing Revolving Commitments and/or LC Commitment or to establish one or more new Revolving Commitments and/or LC Commitments (each, an "*Incremental Revolving*

Commitment”) and/or (y) at any time the establishment of one or more new Term Loan Commitments (each, an “*Incremental Term Loan Commitment*”, and together with the Incremental Revolving Commitments, the “*Incremental Commitments*”) by an amount not less than \$50,000,000 individually. Each such notice shall specify (i) the date (each, an “*Increase Effective Date*”) on which the Borrower proposes that the Incremental Commitments shall be effective, which shall be a date not less than 10 Business Days after the date on which such notice is delivered to the Administrative Agent (or such earlier date agreed by the Administrative Agent) and (ii) the identity of each Eligible Assignee or other lender reasonably acceptable to the Administrative Agent (and, in the case of any Incremental Revolving Commitment that contains an LC Commitment, each Issuing Lender) to whom the Borrower proposes any portion of such Incremental Commitments be allocated (each, a “*New Lender*”) and the amounts of such allocations; provided that any existing Lender approached to provide all or a portion of the Incremental Commitments may elect or decline, in its sole discretion, to provide such Incremental Commitment.

(b) *Conditions.* The Incremental Commitments shall become effective, as of such Increase Effective Date; provided that:

(i) each of the conditions set forth in Section 4.02 shall be satisfied on or prior to such Increase Effective Date before and after giving effect to such Incremental Commitments;

(ii) no Default or Event of Default shall have occurred and be continuing or would result from giving effect to the Incremental Commitments on, or the making of any new Loans on, such Increase Effective Date; and

(iii) the Borrower shall provide an Officer’s Certificate demonstrating in reasonable detail that, after giving pro forma effect to (1) the Incremental Commitments, (2) any new Loans to be made on such Increase Effective Date and (3) the pledge of any Additional Collateral, the Collateral Coverage Ratio shall be no less than 1.6 to 1.0 and the aggregate amount of Liquidity shall be no less than \$2,000,000,000.

(c) *Terms of New Loans and Commitments.* The terms and provisions of Loans made pursuant to the new Commitments shall be as follows:

(i) terms and provisions with respect to interest rates, maturity date and amortization schedule of Loans made pursuant to any Incremental Term Loan Commitments (“*Incremental Term Loans*”) shall be as agreed upon between the Borrower and the applicable Lenders providing such Loans (it being understood that the Incremental Term Loans may be part of the 2015 Term Loans or any other Class of Term Loans);

(ii) the maturity date of any Loans made pursuant to Incremental Term Loan Commitments shall be no earlier than the Term Loan Maturity Date applicable to the 2015 Term Loans that have not been extended pursuant to Section 2.28;

(iii) the Weighted Average Life to Maturity of any Loans made pursuant to Incremental Term Loan Commitments shall be no shorter than the Weighted Average Life to Maturity of the 2015 Term Loans made on the Restatement Effective Date;

(iv) the interest rate margins for new Incremental Term Loans shall be determined by the Borrower and the applicable Lenders providing such Loans; provided, however, that, with respect to any Class of Incremental Term Loans, if the All-In Initial Yield on such Class of Incremental Term Loans exceeds the All-In Initial Yield on the 2015 Term Loans funded hereunder (the “*Original Term Loans*”) by more than 50 basis points (the amount of such excess, if any, above 50 basis points being referred to herein as the “*Yield Differential*”), then the interest rate margin (and, as provided in the following proviso, the LIBO Rate floor) then in effect for the Original Term Loans shall be increased to eliminate such Yield Differential; provided that, to the extent any portion of the Yield Differential is attributable to any LIBO Rate floor applicable to such Class of Incremental Term Loans exceeding the LIBO Rate floor applicable to the Original Term Loans, the LIBO Rate floor applicable to the Original Term Loans shall first be increased to eliminate such Yield Differential to an amount not to exceed the LIBO Rate floor applicable to such Class of Incremental Term Loans prior to any increase in the interest rate margin applicable to such Original Term Loans.

(v) the maturity date of any Revolving Loans extended pursuant to such new Commitments shall be no earlier than the Revolving Facility Maturity Date applicable to the Revolving Commitments that have not been extended pursuant to Section 2.28;

(vi) any Revolving Commitments established pursuant to such Incremental Revolving Commitments shall not require any scheduled amortization or mandatory commitment reduction prior to the Revolving Facility Maturity Date; and

(vii) to the extent that the terms and provisions of Incremental Term Loans or the Revolving Loans made pursuant to Incremental Revolving Commitments are not consistent with an outstanding Class of Term Loans or to the outstanding Revolving Loans, as applicable (except to the extent permitted by clauses (i), (ii), (iii), (iv), (v) and (vi) above), such terms and conditions shall be reasonably satisfactory to the Administrative Agent and the Borrower.

The Incremental Commitments shall be effected by a joinder agreement (the “*Increase Joinder*”) executed by the Borrower, the Administrative Agent and each Lender making such Incremental Commitment, in form and substance reasonably satisfactory to each of them. Notwithstanding anything else to the contrary in this Agreement or the other Loan Documents, the Increase Joinder may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.27. In addition, unless otherwise specifically provided herein, all references in the Loan Documents to Revolving Loans or Term Loans shall be deemed, unless the context otherwise requires, to include references to Revolving Loans made pursuant to any increased Revolving Commitments and any Incremental Term Loans that are Term Loans, respectively, made pursuant to this Agreement.

(d) *Adjustment of Revolving Loans.* To the extent the Commitments being increased on the relevant Increase Effective Date are Revolving Commitments, each of the existing Revolving Lenders shall assign to each of the applicable New Lenders, and each of the New Lenders shall purchase from each of the existing Revolving Lenders, at the principal amount thereof (together with accrued interest), such interests in the Revolving Loans outstanding on such Increase Effective Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Loans will be held by the existing Revolving Lenders and New Lenders ratably in accordance with their Revolving Commitments after giving effect to the increased Revolving Commitments on such Increase Effective Date. If there is a new Borrowing of Revolving Loans on such Increase Effective Date, the Revolving Lenders after giving effect to such Increase Effective Date shall make such Revolving Loans in accordance with Section 2.01(a).

(e) *Making of New Term Loans.* On any Increase Effective Date on which one or more Incremental Term Loan Commitments becomes effective, subject to the satisfaction of the foregoing terms and conditions, each Lender of such Incremental Term Loan Commitment shall make an Incremental Term Loan to the Borrower in an amount equal to its Incremental Term Loan Commitment.

(f) *Security and Guaranty.* The Incremental Commitments will be secured on a *pari passu* or (at the Borrower's option) junior basis by the same Collateral securing the obligations under the Facilities, and the Incremental Commitments and any incremental loans drawn thereunder shall rank *pari passu* in right of payment with or (at the Borrower's option) junior to the obligations under the Facilities (it being understood any such junior liens shall be subject to any Intercreditor Agreement or any Other Intercreditor Agreement). Incremental Commitments shall benefit from the same guarantees as the Facilities.

SECTION 2.28. Extension of Term Loans; Extension of the Revolving Facility.

(a) *Extension of Term Loans.* Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, a "*Term Loan Extension Offer*"), made from time to time by the Borrower to all Term Lenders holding Term Loans with like maturity date, on a pro rata basis (based on the aggregate Term Loan Commitments with like maturity date) and on the same terms to each such Term Lender, the Borrower is hereby permitted to consummate from time to time transactions with individual Term Lenders that accept the terms contained in such Term Loan Extension Offers to extend the scheduled maturity date with respect to all or a portion of any outstanding principal amount of such Term Lender's Term Loans and otherwise modify the terms of such Term Loans pursuant to the terms of the relevant Term Loan Extension Offer (including, without limitation, by changing the interest rate or fees payable in respect of such Term Loan Commitments) (each, a "*Term Loan Extension*," and each group of Term Loans, as so extended, as well as the original Term Loans not so extended, being a "*tranche of Term Loans*," and subject to the last sentence of the definition of "Class," any Extended Term Loan shall constitute a separate tranche of Term Loans from the tranche of Term Loans from which they were converted), so long as the following terms are satisfied:

(i) no Event of Default pursuant to Section 7.01(b), (e)(B), (f) or (g) shall have occurred and be continuing at the time the offering document in respect of a Term Loan Extension Offer is delivered to the applicable Term Lenders;

(ii) except as to interest rates, fees, scheduled amortization payments of principal and final maturity (which shall be as set forth in the relevant Term Loan Extension Offer), the Term Loan of any Term Lender that agrees to a Term Loan Extension with respect to such Term Loan extended pursuant to an Extension Amendment (an “*Extended Term Loan*”), shall be a Term Loan with the same terms as the original Class of Term Loans being extended; provided that (1) the permanent repayment of Extended Term Loans after the applicable Term Loan Extension shall be made on a pro rata basis with all other Term Loans, except that the Borrower shall be permitted to permanently repay any such tranche of Term Loans on a better than a pro rata basis as compared to any other tranche of Term Loans with a later maturity date than such tranche of Term Loans (it being understood that amortization payments and prepayments of Term Loans shall not be required to be on a pro rata basis), (2) assignments and participations of Extended Term Loans shall be governed by the same assignment and participation provisions applicable to Term Loans or, at the Borrower’s discretion, governed by more restrictive assignment and participation provisions, (3) the relevant Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of such Extension Amendment (immediately prior to the establishment of such Extended Term Loans), (4) Extended Term Loans may have call protection as may be agreed by the Borrower and the applicable Term Lenders of such Extended Term Loans, (5) no Extended Term Loans may be optionally prepaid prior to the date on which all Term Loans with an earlier Term Loan Maturity Date are repaid in full, unless such optional prepayment is accompanied by a pro rata optional prepayment of such other Term Loans and (6) at no time shall there be Term Loans hereunder (including Extended Term Loans and any original Term Loans) which have more than five different maturity dates;

(iii) all documentation in respect of such Term Loan Extension shall be consistent with the foregoing;

(iv) the Borrower may amend, revoke or replace a Term Loan Extension Offer at any time prior to the date on which Lenders under the tranche of Term Loans are requested to respond to the offer; and

(v) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower. For the avoidance of doubt, no Term Lender shall be obligated to accept any Term Loan Extension Offer.

(b) *Extension of the Revolving Facility.* Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, a “*Revolver Extension Offer*”) made from time to time by the Borrower to all Revolving Lenders holding Revolving Commitments with a like maturity date, on a pro rata basis (based on the aggregate Revolving Commitments with a like maturity date) and on the same terms to each such Revolving Lender,

the Borrower is hereby permitted to consummate from time to time transactions with individual Revolving Lenders that accept the terms contained in such Revolver Extension Offers to extend the maturity date of all or a portion of each such Revolving Lender's Revolving Commitments and otherwise modify the terms of such Revolving Commitments pursuant to the terms of the relevant Revolver Extension Offer (including, without limitation, by the changing interest rate or fees payable in respect of such Revolving Commitments (and related outstandings)) (each, a "*Revolver Extension*," and each group of Revolving Commitments, as so extended, as well as the original Revolving Commitments not so extended, being a "*tranche of Revolving Loans*," and any, subject to the last sentence of the definition of "Class," Extended Revolving Commitments shall constitute a separate tranche of Revolving Commitments from the tranche of Revolving Commitments from which they were converted), so long as the following terms are satisfied:

(i) No Event of Default pursuant to Section 7.01(b), (e)(B), (f) or (g) shall have occurred and be continuing at the time the offering document in respect of a Revolver Extension Offer is delivered to the applicable Revolving Lenders (the "*Revolver Extension Offer Date*");

(ii) except as to interest rates, fees and final maturity (which shall be set forth in the relevant Revolver Extension Offer), the Revolving Commitment of any Revolving Lender that agrees to a Revolver Extension with respect to such Revolving Commitment extended pursuant to an Extension Amendment (an "*Extended Revolving Commitment*"), and the related outstandings, shall be a Revolving Commitment (or related outstandings, as the case may be) with the same terms as the original Class of Revolving Commitments being extended (and related outstandings); provided that (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on Extended Revolving Commitments (and related outstandings), (B) repayments required upon the maturity date of the non-extending Revolving Commitments and (C) repayment made in connection with a permanent repayment and termination of commitments) of Revolving Loans with respect to Extended Revolving Commitments after the applicable Revolver Extension Offer Date shall be made on a pro rata basis with all other Revolving Commitments (it being understood that (a) prepayments of Revolving Loans other than in connection with a termination of commitments shall not be required to be on a pro rata basis and (b) the Borrower shall be permitted to permanently repay and terminate commitments of any such tranche of Revolving Loans on a better than pro rata basis as compared to any other tranche of Revolving Loans with a later maturity date than such tranche of Revolving Loans), (2) assignments and participations of Extended Revolving Commitments and extended Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Commitments and Revolving Loans or, at the Borrower's discretion, governed by more restrictive assignment and participation provisions and (3) at no time shall there be Revolving Commitments hereunder (including Extended Revolving Commitments and any original Revolving Commitments) which have more than five different maturity dates;

(iii) if the aggregate principal amount of Revolving Commitments in respect of which Revolving Lenders shall have accepted the relevant Revolver Extension Offer shall exceed the maximum aggregate principal amount of Revolving Commitments, as the case may be, offered to be extended by the Borrower pursuant to such Revolver

Extension Offer, then the Revolving Loans of such Revolving Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Revolving Lenders have accepted such Revolver Extension Offer;

(iv) if the aggregate principal amount of Revolving Commitments in respect of which Revolving Lenders shall have accepted the relevant Revolver Extension Offer shall be less than the maximum aggregate principal amount of Revolving Commitments, as the case may be, offered to be extended by the Borrower pursuant to such Revolver Extension Offer, then the Borrower may require each Revolving Lender that does not accept such Revolver Extension Offer to assign pursuant to Section 10.02 its pro rata share (or any portion thereof) of the outstanding Revolving Commitments, Revolving Loans and/or participations in Letters of Credit (as applicable) offered to be extended pursuant to such Revolver Extension Offer to one or more assignees which have agreed to such assignment and to extend the applicable Revolving Facility Maturity Date; provided that (1) each Revolving Lender that does not respond affirmatively by the deadline set forth in the Revolver Extension Offer shall be deemed not to have accepted such Revolver Extension Offer, (2) each assigning Revolving Lender shall have received payment of an amount equal to the outstanding principal of its Revolving Loans and unreimbursed funded participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees or portion thereof that has been assigned pursuant to this Section 2.28(b)(iv), if applicable) or the Borrower (in the case of all other amounts), (3) the processing and recordation fee specified in Section 10.02(b)(ii)(D) shall be paid by the Borrower or such assignee and (4) the assigning Revolving Lender shall continue to be entitled to the rights under Section 10.04 for any period prior to the effectiveness of such assignment;

(v) all documentation in respect of such Revolver Extension shall be consistent with the foregoing unless otherwise agreed by the Administrative Agent and the Borrower;

(vi) the Borrower may amend, revoke or replace a Revolver Extension Offer at any time prior to the date on which Lenders under the tranche of Revolving Loans are requested to respond to the offer; and

(vii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower. For the avoidance of doubt, no Revolving Lender shall be obligated to accept any Revolver Extension Offer.

(c) *Minimum Extension Condition.* With respect to all Extensions consummated by the Borrower pursuant to this Section 2.28, (i) such Extensions shall not constitute mandatory or voluntary payments or prepayments for purposes of Section 2.12 or Section 2.13 and (ii) each Extension Offer shall specify the minimum amount of Term Loans or Revolving Commitments (if any), as the case may be, to be tendered, which shall be a minimum amount approved by the Administrative Agent (a "*Minimum Extension Condition*"). The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this

Section 2.28 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans or Extended Revolving Commitments on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 2.11, 2.12, 2.17 and 8.08) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.28.

(d) *Extension Amendment.* The consent of the Administrative Agent shall be required to effectuate any Extension, such consent not to be unreasonably withheld. No consent of any Lender shall be required to effectuate any Extension, other than (A) in the case of a Revolver Extension, (i) the consent of each Lender agreeing to such Extension with respect to all or any portion of its Revolving Commitments (or, in the case of an Extension pursuant to clause (iv) of Section 2.28(b), the consent of the assignee agreeing to the assignment of one or more Revolving Commitments, Revolving Loans and/or participations in Letters of Credit) and (ii) the consent of each Issuing Lender, which consent shall not be unreasonably withheld or delayed and (B) in the case of a Term Loan Extension, the consent of each Lender agreeing to such Extension with respect to all or any portion of its Term Loans, as applicable. All Extended Term Loans and Extended Revolving Commitments and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are secured by the Collateral on a *pari passu* basis with all other applicable Obligations under this Agreement and the other Loan Documents. Notwithstanding anything else to the contrary set forth in this Agreement or the other Loan Documents, the Lenders hereby irrevocably authorize each Agent to enter into amendments to this Agreement and the other Loan Documents (each, an “*Extension Amendment*”) with the Borrower as may be necessary in order to establish new tranches or sub-tranches or Classes in respect of Term Loans or Revolving Commitments so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new tranches or sub-tranches or Classes, in each case on terms consistent with this Section 2.28. In addition, if so provided in such Extension Amendment relating to a Revolver Extension and with the consent of the Issuing Lenders, participations in Letters of Credit expiring on or after the Revolving Facility Maturity Date with respect to Revolving Commitments not so extended shall be re-allocated from Revolving Lenders holding Revolving Commitments to Revolving Lenders holding Extended Revolving Commitments in accordance with the terms of such Extension Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding Extended Revolving Commitments, be deemed to be participation interests in respect of such Extended Revolving Commitments and the terms of such participation interests (including, without limitation, the commission applicable thereto) shall be adjusted accordingly; and provided, further, that the Borrower shall have the right (without limitation of its rights pursuant to Section 2.28(b)(iv) above) to (i) replace any non-extending Lender with respect to all or a portion of its Loans or Commitments, as applicable, in connection with either a Revolver Extension or a Term Loan Extension by having such Loans or Revolving Commitments (or any portion thereof) assigned, in accordance with Sections 2.28(b)(iv) and Section 10.02, at par, to one or more other Eligible Assignees or (ii) terminate all or a portion of the Commitments of, and repay the Obligations owing to any such non-extending Lender.

(e) In connection with any Extension, the Borrower shall provide the Administrative Agent at least five (5) Business Days (or such shorter period as may be agreed by

the Administrative Agent) prior written notice thereof, and shall agree to such procedures (including, without limitation, regarding timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.28.

ARTICLE III

REPRESENTATIONS AND WARRANTIES

To induce the Lenders and any Issuing Lender to make Extensions of Credit requested by the Borrower to be made on the Closing Date and on each Borrowing Date (if any) thereafter, each of the Borrower and the Guarantors jointly and severally represents and warrants, on the Closing Date and other than with respect to Sections 3.05(b), 3.06, 3.09(a) and 3.19 on each Borrowing Date (if any) thereafter, as follows:

SECTION 3.01. Organization and Authority. The Borrower and each Guarantor (a) is duly organized, validly existing and in good standing (to the extent such concept is applicable in the applicable jurisdiction) under the laws of the jurisdiction of its organization and is duly qualified and in good standing in each other jurisdiction in which the failure to so qualify would have a Material Adverse Effect and (b) has the requisite corporate or limited liability company power and authority under the laws of the jurisdiction of its organization, to effect the Transactions, to own or lease and operate its properties and to conduct its business as now or currently proposed to be conducted.

SECTION 3.02. Air Carrier Status. As of the date hereof, the Borrower is an “air carrier” within the meaning of Section 40102 of Title 49 and holds a certificate under Section 41102 of Title 49. The Borrower holds or, following the AMR/US Airways Merger, co-holds an air carrier operating certificate issued pursuant to Chapter 447 of Title 49. The Borrower is a “citizen of the United States” as defined in Section 40102(a)(15) of Title 49 and as that statutory provision has been interpreted by the DOT pursuant to its policies (a “*United States Citizen*”). The Borrower possesses or, following the AMR/US Airways Merger, co-possesses all necessary certificates, franchises, licenses, permits, rights, designations, authorizations, exemptions, concessions, frequencies and consents of any Governmental Authority which relate to the operation of the Scheduled Services and the conduct of its business and operations as currently conducted, except where failure to so possess would not, individually or in the aggregate, have a Material Adverse Effect.

SECTION 3.03. Due Execution. Except (other than with respect to clause (a)(i) below) for any Transfer Restriction, the execution, delivery and performance by each of the Borrower and the Guarantors of each of the Loan Documents to which it is a party (a) are within the respective corporate or limited liability company powers of each of the Borrower and the Guarantors, have been duly authorized by all necessary corporate or limited liability company action, including the consent of shareholders or members where required, and do not (i) contravene the charter, by-laws or limited liability company agreement (or equivalent documentation) of any of the Borrower or the Guarantors, (ii) violate any applicable law (including, without limitation, the Exchange Act) or regulation (including, without limitation,

Regulations T, U or X of the Board), or any order or decree of any court or Governmental Authority, other than violations by the Borrower or the Guarantors which would not reasonably be expected to have a Material Adverse Effect, (iii) conflict with or result in a breach of, or constitute a default under, any material indenture, mortgage or deed of trust or any material lease, agreement or other instrument binding on the Borrower or the Guarantors or any of their properties, which, in the aggregate, would reasonably be expected to have a Material Adverse Effect or (iv) result in or require the creation or imposition of any Lien upon any of the property of any of the Borrower or the other Grantors other than the Liens granted pursuant to this Agreement or the other Loan Documents and (b) do not require the consent, authorization by or approval of or notice to or filing or registration with any Governmental Authority or any other Person, other than (i) the filing of financing statements under the UCC, (ii) such as may be required in order to perfect and register the security interests and liens purported to be created by the Collateral Documents, (iii) approvals, consents and exemptions that have been obtained on or prior to the Closing Date and remain in full force and effect, (iv) consents, approvals and exemptions that the failure to obtain in the aggregate would not be reasonably expected to result in a Material Adverse Effect and (v) routine reporting obligations. Each Loan Document to which the Borrower or any Guarantor is a party has been duly executed and delivered by each of the Borrower and the Guarantors party thereto. Each of this Agreement and the other Loan Documents to which the Borrower or any of the Guarantors is a party, is a legal, valid and binding obligation of the Borrower and each Guarantor party thereto, enforceable against the Borrower and the Guarantors, as the case may be, in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.04. Statements Made.

the Borrower will deliver to the Administrative Agent one or more Appraisals establishing the Appraised Value of the Collateral (other than any cash or Cash Equivalents in the Collateral).

For the avoidance of doubt, the Appraised Value of any Qualified Replacement Assets or Additional Collateral (other than any cash or Cash Equivalents) pledged by the Borrower or another Grantor that has not previously been included in an Appraisal shall be deemed to be zero until an Appraisal of such Qualified Replacement Assets or Additional Collateral has been delivered to the Administrative Agent.

Subject to the next succeeding sentence, the Borrower shall deliver the Appraisals described above to the Administrative Agent and the Administrative Agent shall make such Appraisals available to the Lenders by posting such information on the confidential, non-public portion of DebtDomain website on the Internet at www.debtomain.com. Information required to be delivered pursuant to this Section 5.06 by the Borrower shall be delivered pursuant to Section 10.01 and shall be deemed to contain material non-public information.

SECTION 5.07. Regulatory Matters; Utilization; Reporting.

(a) The Borrower will:

- (1) maintain at all times its status as an “air carrier” within the meaning of Section 40102(a)(2) of Title 49 and hold or co-hold a certificate under Section 41102(a)(1) of Title 49;
- (2) maintain at all times its status at the FAA as an “air carrier” and hold or co-hold an air carrier operating certificate under Section 44705 of Title 49 and operations specifications issued by the FAA pursuant to Parts 119 and 121 of Title 14;

(3) possess and maintain all certificates, exemptions, licenses, permits, designations, authorizations, frequencies and consents required by the FAA, the DOT or any applicable Foreign Aviation Authority or Airport Authority or any other Governmental Authority that are material to the operation of the Pledged Route Authorities and Pledged Slots operated by it, and to the conduct of its business and operations as currently conducted, in each case, to the extent necessary for the Borrower's operation of the Scheduled Services, except to the extent that any failure to possess or maintain would not reasonably be expected to result in a Material Adverse Effect;

(4) maintain Pledged Foreign Gate Leaseholds sufficient to ensure its ability to operate the Scheduled Services and to preserve its right in and to its Pledged Slots, except to the extent that any failure to maintain would not reasonably be expected to result in a Material Adverse Effect;

(5) utilize its Pledged Slots in a manner consistent with applicable regulations, rules, foreign law and contracts in order to preserve its right to hold and use its Pledged Slots, taking into account any waivers or other relief granted to it by the FAA, the DOT, any Foreign Aviation Authority or any Airport Authority, except to the extent that any failure to utilize would not reasonably be expected to result in a Material Adverse Effect;

(6) cause to be done all things reasonably necessary to preserve and keep in full force and effect its rights in and to use its Pledged Slots, including, without limitation, satisfying any applicable Use or Lose Rule, except to the extent that any failure to do so would not reasonably be expected to result in a Material Adverse Effect;

(7) utilize its Pledged Route Authorities in a manner consistent with Title 49, applicable foreign law, the applicable rules and regulations of the FAA, the DOT and any applicable Foreign Aviation Authorities, and any applicable treaty in order to preserve its rights to operate the Scheduled Services, except to the extent that any failure to utilize would not reasonably be expected to result in a Material Adverse Effect; and

(8) cause to be done all things reasonably necessary to preserve and keep in full force and effect its authority to operate the Scheduled Services, except to the extent that any failure to do so would not reasonably be expected to result in a Material Adverse Effect.

(b) Without in any way limiting Section 5.07(a), the Borrower will promptly take all such steps as may be necessary to obtain renewal of its Pledged Route Authorities from the DOT and any applicable Foreign Aviation Authorities, in each case to the extent necessary to operate the Scheduled Services, within a reasonable time prior to the expiration of such authority (as prescribed by law or regulation, if any), and promptly notify the Administrative Agent if it has been informed that such authority will not be renewed, except to the extent that any failure to take such steps would not reasonably be expected to result in a Material Adverse Effect. The Borrower will pay any applicable filing fees and other expenses related to the submission of applications, renewal requests, and other filings as may be reasonably necessary to maintain or obtain its rights in its Pledged Route Authorities and have access to its Pledged Foreign Gate Leaseholds in each case to the extent necessary to operate the Scheduled Services.

Notwithstanding any provision of this Section 5.07 or anything else in this Agreement or any other Loan Document to the contrary, (x) for the avoidance of doubt, any Disposition of Collateral permitted by Section 6.04 shall be permitted by the provisions described above, and nothing herein shall prohibit the Borrower or any Grantor from reducing the frequency of flight operations over any Scheduled Service or suspending or cancelling any Scheduled Service, (y) nothing shall restrict or prohibit or require the Borrower or any other Grantor to contest any retiming or other adjustment of the time or time period for landing or takeoff or any adjustment with respect to terminal access or seating capacity, in each case with respect to any Pledged Slot (whether accomplished by modification, substitution or exchange) for which no consideration is received by the Borrower or any of its Affiliates; provided that any other Slot received by the Borrower or any of its Affiliates in connection with any such retiming or other adjustment of the time or time period for landing or takeoff with respect to any Pledged Slot shall not constitute consideration and (z) neither the Borrower nor any other Grantor shall have any obligation to contest the application of, challenge the interpretation of, or take or refrain from taking any action to influence the enactment or the implementation of any legislation, regulation, policy or other action of the FAA, the DOT, any applicable Foreign Aviation Authority, Airport Authority or any other Governmental Authority that affects the existence, availability or value of properties or rights of the same type as the Route Authorities, Additional Route Authorities, Slots, Gate Leaseholds or Foreign Gate Leaseholds to air carriers generally (and not solely to the Borrower or solely to any other applicable Grantor), including any such legislation, regulation, policy or action relating to the applicability of Foreign Slots or FAA Slots to flight operations at any airport.

SECTION 5.08. Maintenance of Ratings. The Borrower will use commercially reasonable efforts to maintain a rating of the Facilities by each of S&P and Moody's after such ratings are obtained (but not to obtain or maintain a specific rating).

SECTION 5.09. Additional Guarantors; Additional Collateral.

(a) If (x) Parent or any of its Restricted Subsidiaries acquires or creates another Domestic Subsidiary after the Closing Date or (y) Parent, in its sole discretion, elects to cause a Domestic Subsidiary that is not a Guarantor to become a Guarantor, then Parent will promptly cause such Domestic Subsidiary to become a party to the Guaranty by executing an Instrument of Assumption and Joinder substantially in the form attached hereto as Exhibit B; provided, that any Domestic Subsidiary that constitutes an Immaterial Subsidiary, a Receivables Subsidiary or an Excluded Subsidiary need not become a Guarantor unless and until 30 Business Days after such time as it ceases to be (and is no longer any of) an Immaterial Subsidiary, a Receivables Subsidiary or an Excluded Subsidiary or such time as it guarantees, or pledges any property or assets to secure, any other Obligations.

(b) If any Domestic Subsidiary that constitutes an Immaterial Subsidiary, a Receivables Subsidiary or an Excluded Subsidiary on the Closing Date ceases to be (and is no longer any of) an Immaterial Subsidiary, a Receivables Subsidiary or an Excluded Subsidiary or at such time as it guarantees, or pledges any property or assets to secure, any Obligations

(c) Notwithstanding the provisions in Section 5.09(a) and 5.09(b), no Regional Airline shall be required to become a Guarantor hereunder at any time, provided however that a Regional Airline may become a Guarantor at the sole discretion of the Borrower.

(d) At any time, with prior written notice to the Administrative Agent and the Collateral Agent, the Borrower may, and may cause any other Guarantor to, at its sole discretion, pledge additional assets as Additional Collateral.

SECTION 5.10. Access to Books and Records.

(a) The Borrower and the Guarantors will make and keep books, records and accounts in which full, true and correct entries in conformity with GAAP are made of all financial dealings and transactions in relation to its business and activities, including, without limitation, an accurate and fair reflection of the transactions and dispositions of the assets of the Borrower and the Guarantors.

All confidential or proprietary information obtained in connection with any such visit, inspection or discussion shall be held confidential by the Administrative Agent and each agent or representative thereof and shall not be furnished or

disclosed by any of them to anyone other than their respective bank examiners, auditors, accountants, agents and legal counsel, and except as may be required by an order of any court or administrative agency or by any statute, rule, regulation or order of any Governmental Authority.

In the case of any Restricted Payment that is not cash, the amount of such non-cash Restricted Payment will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by Parent or such Restricted Subsidiary of Parent, as the case may be, pursuant to the Restricted Payment. The Fair Market Value of any assets or securities that are required to be valued by this Section 6.01 will be determined by a Responsible Officer of the Borrower and, if greater than \$10,000,000, set forth in an Officer's Certificate delivered to the Administrative Agent.

For purposes of determining compliance with this Section 6.01, if a proposed Restricted Payment (or portion thereof) meets the criteria of more than one of the categories of Restricted Payments described in clauses (1) through (22) of subparagraph (b) of this Section 6.01, or is entitled to be made pursuant to subparagraph (a) of this Section 6.01, Parent will be entitled to classify on the date of its payment or later reclassify such Restricted Payment (or portion thereof) in any manner that complies with this Section 6.01.

For the avoidance of doubt, the payment on or with respect to, or purchase, redemption, defeasance or other acquisition or retirement for value of any Indebtedness (including any Convertible Indebtedness) of Parent or any Restricted Subsidiary of Parent that is not contractually subordinated in right of payment to the Obligations shall not constitute Restricted Payment and therefore will not be subject to any of the restrictions described in this Section 6.01.

Notwithstanding anything in this Agreement or any other Loan Document to the contrary, if a Restricted Payment is made (or any other action is taken or omitted under this

Agreement or any other Loan Document) at a time when a Default or Event of Default has occurred and is continuing and such Default or Event of Default is subsequently cured, any Default or Event of Default arising from the making of such Restricted Payment (or the taking or omission of such other action) during the existence of such Default or Event of Default shall simultaneously be deemed cured.

SECTION 6.02. Restrictions on Ability of Restricted Subsidiaries to Pay Dividends and Make Certain Other Payments.

(a) Parent will not, and will not permit any of its Restricted Subsidiaries other than the Borrower to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any such Restricted Subsidiary to:

- (1) pay dividends or make any other distributions on its Capital Stock to Parent or any of its Restricted Subsidiaries or with respect to any other interest or participation in the profits of such Restricted Subsidiary, or measured by the profits of such Restricted Subsidiary;
- (2) pay any Indebtedness owed to Parent or any of its Restricted Subsidiaries;
- (3) make loans or advances to Parent or any of its Restricted Subsidiaries; or
- (4) sell, lease or transfer any of its properties or assets to Parent or any of its Restricted Subsidiaries.

(b) The restrictions in Section 6.02(a) will not apply to encumbrances or restrictions existing under or by reason of:

(2) this Agreement and the Collateral Documents, including any Intercreditor Agreement and any Other Intercreditor Agreement;

(3) agreements governing other Indebtedness or shares of preferred stock; provided, that if such Restricted Subsidiary incurring or issuing such Indebtedness or shares of preferred stock is not a Guarantor, the restrictions therein are either (in each case, as determined in good faith by a senior financial officer of Parent or the Borrower) (A) not materially more restrictive, taken as a whole, than those contained in this Agreement or (B) (i) customary for instruments of such type and (ii) will not materially adversely impact the ability of the Borrower to make required principal and interest payments on the Loans or any reimbursement obligation with respect to LC Disbursements;

(4) applicable law, rule, regulation or order;

(5) any instrument governing Indebtedness or Capital Stock of a Person acquired by Parent or any of its Restricted Subsidiaries (including by way of merger, consolidation or amalgamation of Parent or any of its Restricted Subsidiaries) as in effect at the time of such acquisition (except to the extent such Indebtedness or Capital Stock was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired;

(6) customary provisions in contracts, licenses, leases and asset sale agreements entered into in the Ordinary Course of Business;

The Administrative Agent may perform any of its respective duties hereunder by or through its officers, directors, employees or affiliates.

(b) Each of the Lenders and each Issuing Lender hereby authorizes each of the Administrative Agent and the Collateral Agent, in its sole discretion, where applicable:

(i) (A) in connection with the sale or other disposition or request for release in compliance with Section 6.09(c) of any asset that is part of the Collateral of the Borrower or any other Grantor, as the case may be, to the extent permitted by the terms of this Agreement, to release a Lien granted to the Collateral Agent, for the benefit of the Secured Parties, on such asset and (B) (x) upon termination of the Commitments and payment and satisfaction of all of the Obligations (other than inchoate indemnification obligations) at any time arising under or in respect of this Agreement or the Loan Documents or the transactions contemplated hereby or thereby, (y) if approved, authorized or ratified in writing by the Required Lenders (or all of the Lenders hereunder, to the extent required by this Agreement) or (z) as otherwise may be expressly provided in the relevant Collateral Documents, to release a Lien granted to the Collateral Agent, for the benefit of the Secured Parties, on any asset that is part of the Collateral of the Borrower or any other Grantor, as the case may be;

(ii) to determine that the cost to the Borrower or any other Grantor, as the case may be, is disproportionate to the benefit to be realized by the Secured Parties by perfecting a Lien in a given asset or group of assets included in the Collateral and that the Borrower or such other Grantor, as the case may be, should not be required to perfect such Lien in favor of the Collateral Agent, for the benefit of the Secured Parties;

(iii) to enter into the other Loan Documents on terms acceptable to the Administrative Agent or the Collateral Agent, as applicable, and to perform its respective obligations thereunder;

(iv) to execute any documents or instruments necessary to release any Guarantor from the guarantees provided herein pursuant to Section 9.05;

(vi) to enter into any other agreements in the forms contemplated hereby or otherwise reasonably satisfactory to the Administrative Agent granting Liens to the Collateral Agent, for the benefit of the Secured Parties, on any assets of the Borrower or any other Grantor to secure the Obligations.

(c) The Collateral Agent may appoint the Administrative Agent as its agent for the purposes of holding any Collateral and/or perfecting the Collateral Agent's security interest therein and for the purpose of taking such other action with respect to the Collateral as such Agents may from time to time agree.

(d) In the event any property described in clause (d) of the definition of "Additional Collateral" is to be pledged by the Borrower or any other Grantor as Additional Collateral, the Collateral Agent will appoint Wilmington Trust Company or another trustee designated by the Borrower and reasonably acceptable to the Collateral Agent to serve as the security trustee under the applicable Aircraft Security Agreement with respect to such Additional Collateral, and in such event, references herein to the "Collateral Agent" with respect to such Additional Collateral and such Aircraft Security Agreement, as the context requires, shall be deemed to refer to such security trustee. The Collateral Agent will cause such trustee to join any Intercreditor Agreements and/or any Other Intercreditor Agreements.

SECTION 8.02. Rights of Agents. Each institution serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and such bank and its respective Affiliates may accept deposits from, lend money to, act in any advisor capacity, and generally engage in any kind of business with the Borrower, Parent or any Subsidiary or other Affiliate of Parent as if it were not an Agent hereunder and without any duty to account therefor to the Lenders.

SECTION 8.03. Liability of Agents.

(a) No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (i) no Agent shall be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing, (ii) no Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 10.08 or in the other Loan Documents), (iii) except as expressly set forth herein, no Agent shall have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower, Parent or any of Parent's Subsidiaries that is communicated to or obtained by the institution serving as an Agent or any of its respective Affiliates in any capacity and (iv) no Agent will be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt, any action that may be in violation of the automatic stay under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect. No Agent shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 10.08 or in the other Loan Documents) or in the absence of its own gross negligence, bad faith or willful misconduct, as determined in a final non-appealable judgment by a court of competent jurisdiction. No Agent shall be deemed to have knowledge of any Event of Default unless and until written notice thereof is given to such Agent by the Borrower, Parent or a Lender, and no Agent shall be responsible for, or have any duty to ascertain or inquire into, (A) any statement, warranty or representation made in or in connection with this Agreement, (B) the contents of any certificate, report or other document delivered hereunder or in connection herewith, (C) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein, (D) the validity, enforceability, effectiveness or genuineness of this Agreement or any other agreement, instrument or document or (E) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to each Agent.

(b) Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. Each Agent may consult with legal counsel (who may be counsel for the Borrower or Parent), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

(c) Each Agent may perform any and all of its duties and exercise its rights and powers by or through any one or more sub-agents appointed by it (including the Collateral Agent, in the case of the Administrative Agent). Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers through its Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent or Collateral Agent.

(d) Anything herein to the contrary notwithstanding, none of the Syndication Agent, Documentation Agents or Joint Lead Arrangers and Bookrunners listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, Collateral Agent, a Lender or the Issuing Lender.

(e) No Agent shall have any obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by the applicable Grantor or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Agents in this Article VIII or in any of the Collateral Documents, it being understood and agreed that (as between the Collateral Agent and the Lenders) in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct, as determined in a final non-appealable judgment by a court of competent jurisdiction.

(f) Any assignor of a Loan or seller of a participation hereunder shall be entitled to rely conclusively on a representation of the assignee Lender or Participant in the relevant Assignment and Acceptance or participation agreement, as applicable, that such assignee Lender or Participant is not a Disqualified Institution. No Agent shall have any responsibility or liability for monitoring the list or identities of, or enforcing provisions relating to, Disqualified Institutions.

SECTION 8.04. Reimbursement and Indemnification. Each Lender agrees (a) to reimburse on demand each Agent for such Lender's Aggregate Exposure Percentage of any expenses and fees incurred for the benefit of the Lenders under this Agreement and any of the Loan Documents, including, without limitation, counsel fees and compensation of agents and employees paid for services rendered on behalf of the Lenders, and any other expense incurred in connection with the operations or enforcement thereof, not reimbursed by the Borrower or the Guarantors and (b) to indemnify and hold harmless each Agent and any of its Related Parties, on demand, in the amount equal to such Lender's Aggregate Exposure Percentage, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against it or any of them in any way relating to or arising out of this Agreement or

any of the Loan Documents or any action taken or omitted by it or any of them under this Agreement or any of the Loan Documents to the extent not reimbursed by the Borrower or the Guarantors (except such as shall result from its gross negligence or willful misconduct, as determined in a final non-appealable judgment by a court of competent jurisdiction). Notwithstanding the foregoing, so long as no Event of Default shall have occurred and be continuing, the Borrower shall not be responsible for the fees and expenses of more than one primary counsel for the Administrative Agent, the Collateral Agent or the Joint Lead Arrangers and Bookrunners and, only with respect to fees and expenses incurred in connection with the enforcement of the Loan Documents, one local counsel for each relevant jurisdiction, and, in each case, if necessary in the case of an actual conflict of interest, an additional counsel in each such applicable jurisdiction.

SECTION 8.05. Successor Agents. Subject to the appointment and acceptance of a successor agent as provided in this paragraph, (i) each Agent may be removed by the Borrower or the Required Lenders if such Agent or a controlling affiliate of such Agent is a Defaulting Lender and (ii) any Agent may resign upon ten (10) days' notice to the Lenders, the Issuing Lenders and the Borrower. Upon any such removal or resignation by any Agent, the Required Lenders shall appoint, with the consent (provided that no Event of Default or Default has occurred and is continuing) of the Borrower (such consent not to be unreasonably withheld or delayed if such successor is a commercial bank with consolidated combined capital and surplus of at least \$5,000,000,000), to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation, then the retiring Agent may, with the consent (provided that no Event of Default or Default has occurred or is continuing) of the Borrower (such consent not to be unreasonably withheld or delayed), appoint a successor Agent which shall be a bank institution with an office in New York, New York, or an Affiliate of any such bank, in each case, with consolidated combined capital and surplus of at least \$5,000,000,000). Upon the acceptance of its appointment as Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder, the provisions of this Article and Section 10.04 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as an Agent.

SECTION 8.06. Independent Lenders. Each Lender acknowledges that it has, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon either Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any related agreement or any document furnished hereunder or thereunder.

SECTION 8.07. Advances and Payments.

(a) On the date of each Loan, the Administrative Agent shall be authorized (but not obligated) to advance, for the account of each of the Lenders, the amount of the Loan to be made by it in accordance with its Term Loan Commitment or Revolving Commitment, as applicable, hereunder. Should the Administrative Agent do so, each of the Lenders agrees forthwith to reimburse the Administrative Agent in immediately available funds for the amount so advanced on its behalf by the Administrative Agent, together with interest at the Federal Funds Effective Rate if not so reimbursed on the date due from and including such date but not including the date of reimbursement.

(b) Any amounts received by the Administrative Agent in connection with this Agreement (other than amounts to which the Administrative Agent is entitled pursuant to Sections 2.19, 2.20(a), 8.04 and 10.04), the application of which is not otherwise provided for in this Agreement, shall be applied in accordance with Section 2.17(b). All amounts to be paid to a Lender by the Administrative Agent shall be credited to that Lender, after collection by the Administrative Agent, in immediately available funds either by wire transfer or deposit in that Lender's correspondent account with the Administrative Agent, as such Lender and the Administrative Agent shall from time to time agree.

SECTION 8.08. Sharing of Setoffs. Each Lender agrees that, except to the extent this Agreement expressly provides for payments to be allocated to a particular Lender, if it shall, through the exercise either by it or any of its banking Affiliates of a right of banker's lien, setoff or counterclaim against the Borrower or a Guarantor, including, but not limited to, a secured claim under Section 506 of the Bankruptcy Code or other security or interest arising from, or in lieu of, such secured claim and received by such Lender (or any of its banking Affiliates) under any applicable bankruptcy, insolvency or other similar law, or otherwise, obtain payment in respect of its Loans or LC Exposure as a result of which the unpaid portion of its Loans or LC Exposure is proportionately less than the unpaid portion of the Loans or LC Exposure of any other Lender (a) it shall promptly purchase at par (and shall be deemed to have thereupon purchased) from such other Lender a participation in the Loans or LC Exposure of such other Lender, so that the aggregate unpaid principal amount of each Lender's Loans and LC Exposure and its participation in Loans and LC Exposure of the other Lenders shall be in the same proportion to the aggregate unpaid principal amount of all Loans then outstanding and LC Exposure as the principal amount of its Loans and LC Exposure prior to the obtaining of such payment was to the principal amount of all Loans outstanding and LC Exposure prior to the obtaining of such payment and (b) such other adjustments shall be made from time to time as shall be equitable to ensure that the Lenders share such payment pro rata; provided that if any such non-pro-rata payment is thereafter recovered or otherwise set aside, such purchase of participations shall be rescinded (without interest). The provisions of this Section 8.08 shall not be construed to apply to (a) any payment made by the Borrower or a Guarantor pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender) or (b) any payment obtained by any Lender as consideration for the assignment or sale of a participation in any of its Loans or other Obligations owed to it.

SECTION 8.09. Withholding Taxes. To the extent required by any applicable law, each Agent may withhold from any payment to any Lender an amount equivalent to any withholding tax applicable to such payment. If the Internal Revenue Service or any other Governmental Authority asserts a claim that any Agent did not properly withhold tax from amounts paid to or for the account of any Lender for any reason, or any Agent has paid over to the Internal Revenue Service applicable withholding tax relating to a payment to a Lender but no deduction has been made from such payment, without duplication of any indemnification obligations set forth in Section 8.04, such Lender shall indemnify such Agent fully for all amounts paid, directly or indirectly, by such Agent as tax or otherwise, including any penalties or interest and together with any expenses incurred.

SECTION 8.10. Appointment by Secured Parties. Each Secured Party that is not a party to this Agreement shall be deemed to have appointed each of the Administrative Agent and the Collateral Agent as its agent under the Loan Documents in accordance with the terms of this Article VIII and to have acknowledged that the provisions of this Article VIII apply to such Secured Party *mutatis mutandis* as though it were a party hereto (and any acceptance by such Secured Party of the benefits of this Agreement or any other Loan Document shall be deemed an acknowledgment of the foregoing).

SECTION 8.11. Delivery of Information. The Administrative Agent shall not be required to deliver to any Lender originals or copies of any documents, instruments, notices, communications or other information received by the Administrative Agent from any Loan Party, any Subsidiary, the Required Lenders, any Lender or any other Person under or in connection with this Agreement or any other Loan Document except (i) as specifically provided in this Agreement or any other Loan Document and (ii) subject to all confidentiality provisions and other obligations of the Lenders under the Loan Documents, as specifically requested from time to time in writing by any Lender with respect to a specific document, instrument, notice or other written communication received by and in the possession of the Administrative Agent at the time of receipt of such request and then only in accordance with such specific request.

ARTICLE IX

GUARANTY

SECTION 9.01. Guaranty.

(a) Each of the Guarantors unconditionally and irrevocably guarantees the due and punctual payment by the Borrower of the Obligations (including interest accruing on and after the filing of any petition in bankruptcy or of reorganization of the obligor whether or not post filing interest is allowed in such proceeding) (collectively, the “*Guaranteed Obligations*” and the obligations of each Guarantor in respect thereof, its “*Guaranty Obligations*”). Each of the Guarantors further agrees that, to the extent permitted by applicable law, the Obligations may be extended or renewed, in whole or in part, without notice to or further assent from such Guarantor, and it will remain bound upon this Guaranty notwithstanding any extension or renewal of any of the Obligations. The Obligations of the Guarantors shall be joint and several. Each of the Guarantors further agrees that its guaranty hereunder is a primary obligation of such Guarantor and not merely a contract of surety.

(b) Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the other Loan Documents shall in no event exceed the amount that can be guaranteed by such Guarantor under applicable law, including applicable federal and state laws relating to the insolvency of debtors; provided that, to the maximum extent permitted under applicable law, it is the intent of the parties hereto that the rights of contribution of each Guarantor provided in Section 9.02 be included as an asset of the respective Guarantor in determining the maximum liability of such Guarantor hereunder.

(c) To the extent permitted by applicable law, each of the Guarantors waives presentation to, demand for payment from and protest to the Borrower or any other Guarantor, and also waives notice of protest for nonpayment. The obligations of the Guarantors hereunder shall not, to the extent permitted by applicable law, be affected by (i) the failure of any Agent or a Lender to assert any claim or demand or to enforce any right or remedy against the Borrower or any other Guarantor under the provisions of this Agreement or any other Loan Document or otherwise; (ii) any extension or renewal of any provision hereof or thereof; (iii) any rescission, waiver, compromise, acceleration, amendment or modification of any of the terms or provisions of any of the Loan Documents other than pursuant to a written agreement in compliance with Section 10.08; (iv) the release, exchange, waiver or foreclosure of any security held by the Collateral Agent for the Obligations or any of them; (v) by any default, failure or delay, willful or otherwise, in the performance of the Obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of the Guarantors or would otherwise operate as a discharge of the Guarantors as a matter of law; or (vi) the release or substitution of any Collateral or any other Guarantor. To the extent permitted by applicable law, each of the Guarantors further agrees that this Guaranty constitutes a guaranty of payment when due and not just of collection.

(d) To the extent permitted by applicable law, each of the Guarantors hereby waives any defense that it might have based on a failure to remain informed of the financial condition of the Borrower and of any other Guarantor and any circumstances affecting the ability of the Borrower to perform under this Agreement, and waives any right to require that any resort be had by any Agent or a Lender to any security held for payment of the Obligations or to any balance of any deposit, account or credit on the books of any Agent or a Lender in favor of the Borrower or any other Guarantor, or to any other Person.

(e) To the extent permitted by applicable law, each Guarantor's guaranty shall not be affected by the genuineness, validity, legality, regularity or enforceability of the Obligations or any other instrument evidencing any Obligations, or by the existence, validity, enforceability, perfection, or extent of any collateral therefor or by any other circumstance relating to the Obligations which might otherwise constitute a defense to this Guaranty (other than payment in full in cash of the Obligations in accordance with the terms of this Agreement (other than those that constitute unasserted contingent indemnification obligations)). Neither the Administrative Agent nor any of the Lenders makes any representation or warranty in respect to any such circumstances or shall have any duty or responsibility whatsoever to any Guarantor in respect of the management and maintenance of the Obligations.

(f) Upon the occurrence of the Obligations becoming due and payable (by acceleration or otherwise), the Lenders shall be entitled to prompt and complete payment of such Obligations by the Guarantors upon written demand by the Administrative Agent.

SECTION 9.02. Right of Contribution. Each Guarantor hereby agrees amongst themselves only that to the extent that a Guarantor shall have paid more than its proportionate share (based, to the maximum extent permitted by law, on the respective Adjusted Net Worths (as defined below) of the Guarantors on the date the respective payment is made) of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder that has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 9.04. The provisions of this Section 9.02 shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent and the other Secured Parties, and each Guarantor shall remain liable to the Administrative Agent and the other Secured Parties for the full amount guaranteed by such Guarantor hereunder. "*Adjusted Net Worth*" of any Guarantor shall mean at any time, the greater of (x) \$0 and (y) the amount by which the fair saleable value of such Guarantor's assets on the date of the respective payment hereunder exceeds its debts and other liabilities (including contingent liabilities, but without giving effect to any of its obligations under this Agreement or any other Loan Documents) on such date.

SECTION 9.03. Continuation and Reinstatement, etc. Each Guarantor further agrees that its guaranty hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Obligation is rescinded or must otherwise be restored by the Administrative Agent, the Issuing Lenders, any Lender or any other Secured Party upon the bankruptcy or reorganization of the Borrower or a Guarantor, or otherwise.

SECTION 9.04. Subrogation. Upon payment by any Guarantor of any sums to the Administrative Agent or a Lender hereunder, all rights of such Guarantor against the Borrower arising as a result thereof by way of right of subrogation or otherwise, shall in all respects be subordinate and junior in right of payment to the prior payment in full of all the Obligations (including interest accruing on and after the filing of any petition in bankruptcy or of reorganization of an obligor whether or not post-filing interest is allowed in such proceeding). If any amount shall be paid to such Guarantor for the account of the Borrower relating to the Obligations prior to payment in full of the Obligations, such amount shall be held in trust for the benefit of the Administrative Agent and the Lenders and shall forthwith be paid to the Administrative Agent and the Lenders to be credited and applied to the Obligations, whether matured or unmatured.

SECTION 9.05. Discharge of Guaranty.

(a) In the event of any sale or other disposition of all or substantially all of the assets of any Guarantor (other than Parent), by way of merger, consolidation or otherwise, or a sale or other disposition of all Capital Stock of any Guarantor (other than Parent), in each case to a Person that is not (either before or after giving effect to such transactions) Parent or a Restricted Subsidiary of Parent or the merger or consolidation of a Guarantor with or into the Borrower or another Guarantor, in each case, in a transaction permitted under this Agreement, then such Guarantor (in the event of a sale or other disposition, by way of merger, consolidation

or otherwise, of all of the Capital Stock of such Guarantor) or the corporation acquiring the property (in the event of a sale or other disposition of all or substantially all of the assets of such Guarantor) will be automatically released and relieved of any obligations under its Guarantee of the Guaranteed Obligations.

(b) Upon designation of any Guarantor as an Unrestricted Subsidiary in accordance with the terms of this Agreement, such Guarantor will be automatically released and relieved of any obligations under its Guarantee of the Guaranteed Obligations. In addition, upon the request of the Borrower, the guarantee of any Guarantor that is or becomes an Immaterial Subsidiary, a Receivables Subsidiary or an Excluded Subsidiary shall be promptly released; provided that (i) no Event of Default shall have occurred and be continuing or shall result therefrom and (ii) the Borrower shall have delivered an Officer's Certificate certifying that such Subsidiary is an Immaterial Subsidiary, a Receivables Subsidiary or an Excluded Subsidiary, as applicable; provided, further that a Subsidiary that is considered not to be an Immaterial Subsidiary solely pursuant to clause (1) of the proviso of the definition thereof shall, solely for purposes of this clause (b), be considered an Immaterial Subsidiary so long as any applicable guarantee, pledge or other obligation of such Subsidiary with respect to any Junior Secured Debt shall be irrevocably released and discharged substantially simultaneously with the release of such guarantee hereunder.

(c) The Administrative Agent shall use commercially reasonable efforts to execute and deliver, at the Borrower's expense, such documents as the Borrower or any such Guarantor may reasonably request to evidence the release of the guaranty of such Guarantor provided herein.

(d) Each Guarantor will be automatically released and relieved of any obligations under its Guarantee of the Guaranteed Obligations upon the first date on which all of the Loans and Obligations (other than any Obligations owing to a Non-Lender Secured Party) then due and owing shall have been satisfied by payment in full in cash, no Letter of Credit shall be outstanding (except for Letters of Credit that have been Cash Collateralized or otherwise provided for in a manner reasonably satisfactory to the Administrative Agent) and the Commitments shall be terminated.

SECTION 10.02. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Lender that issues any Letter of Credit), except that (i) neither Parent nor the Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by Parent or the Borrower without such consent shall be null and void); provided that the foregoing shall not restrict any transaction permitted by Section 6.10 and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance

with this Section 10.02. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Lender that issues any Letter of Credit), Participants (to the extent provided in paragraph (d) of this Section 10.02) and, to the extent expressly contemplated hereby, the Related Parties of the Administrative Agent, the Issuing Lenders and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender, in the ordinary course of business and in accordance with applicable law, may assign (other than to any Defaulting Lender, Disqualified Institution or natural person) to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Revolving Commitment and the Loans at the time owing to it), pursuant to an Assignment and Acceptance with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment (I) if the assignee is a Lender, an Affiliate of a Lender or an Approved Fund of a Lender, in each case so long as such assignee is an Eligible Assignee, (II) of Term Loans to the Borrower pursuant to Section 10.02(g) and (III) of Loans made pursuant to Section 2.18(b) or 2.26(a);

(B) the Borrower; provided that no consent of the Borrower shall be required for an assignment (I) other than with respect to an assignment to any Defaulting Lender, Disqualified Institution or natural person, if an Event of Default under Section 7.01(b), (f) or (g) has occurred and is continuing or (II) if the assignee is a Lender, an Affiliate of a Lender or an Approved Fund of a Lender, in each case so long as such assignee is an Eligible Assignee; provided, further, that the Borrower's consent will be deemed given with respect to a proposed assignment if no response is received within ten (10) Business Days after having received a written request from such Lender pursuant to this Section 10.02(b)(i)(B); and

(C) each Issuing Lender; provided that no consent of any Issuing Lender shall be required for an assignment of all or any portion of a Term Loan.

(ii) Assignments shall be subject to the following additional conditions:

(A) any assignment of any portion of the Total Revolving Commitment, Revolving Loans, LC Exposure and Term Loans shall be made to an Eligible Assignee;

(B) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund of a Lender or an assignment of the entire remaining amount of the assigning Lender's Revolving Commitment or Loans, the amount of such Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000, and after giving effect to such assignment, the portion of the Loan or Commitment held by the assigning Lender of the

same tranche as the assigned portion of the Loan or Commitment shall not be less than \$5,000,000, in each case unless the Borrower and the Administrative Agent otherwise consent; provided that no consent of the Borrower shall be required with respect to such assignment if an Event of Default has occurred and is continuing; provided, further, that any such assignment shall be in increments of \$500,000 in excess of the minimum amount described above;

(C) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(D) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee of \$3,500 (unless waived by the Administrative Agent in any given case) for the account of the Administrative Agent; provided that for concurrent assignments to two or more Approved Funds such assignment fee shall be required to be paid only once in respect of and at the time of such assignment;

(E) the assignee, if it was not a Lender immediately prior to such assignment, shall deliver to the Administrative Agent an administrative questionnaire in a form as the Administrative Agent may require; and

(F) notwithstanding anything to the contrary herein, any assignment of any Term Loans to the Borrower shall be subject to the requirements of Section 10.02(g).

For the purposes of this Section 10.02(b), the term "*Approved Fund*" shall mean, with respect to any Lender, any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the Ordinary Course of Business and that is administered or managed by (a) such Lender, (b) an Affiliate of such Lender or (c) an entity or an Affiliate of an entity that administers or manages such Lender. Notwithstanding the foregoing, no Lender shall be permitted to make assignments under this Agreement to any Defaulting Lender, Disqualified Institution or natural person and any such assignment shall be void *ab initio*, except to the extent the Borrower, the Administrative Agent and each Issuing Lender have consented to such assignment in writing (in which case such Lender will not be considered a Defaulting Lender, Disqualified Institution or natural person solely for that particular assignment).

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section 10.02, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Revolving Lender and/or a Term Lender, as the case may be, under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.14, 2.16 and 10.04). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.02 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section 10.02.

(iv) The Administrative Agent shall maintain at its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Guarantors, the Administrative Agent, the Issuing Lenders and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Issuing Lenders and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Notwithstanding anything to the contrary contained herein no assignment may be made hereunder to any Defaulting Lender, Disqualified Institution or natural person or any of their respective subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (v). Any assignment by a Lender to any of the foregoing Persons described in this clause (v) shall be deemed null and void *ab initio* and the Register shall be modified to reflect a reversal of such assignment, and the Borrower shall be entitled to pursue any remedy available to it (whether at law or in equity, including specific performance to unwind such assignment) against the Lender and such Person.

(vi) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment will be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Borrower, the Administrative Agent, the Issuing Lender and each other Revolving Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit in accordance with its Aggregate Exposure Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder becomes effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest will be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(c) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee’s completed administrative questionnaire in a form as the Administrative Agent may require (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 10.02 and any written consent to such assignment required by paragraph (b) of this Section 10.02, the Administrative Agent shall accept such Assignment and Acceptance and

record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.02(d) or (e), 2.04(a) or (b), 8.04 or 10.04(d), the Administrative Agent shall have no obligation to accept such Assignment and Acceptance and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(d) (i) Any Lender may, without the consent of the Borrower, the Administrative Agent or any Issuing Lender, sell participations (other than to any Defaulting Lender, Disqualified Institution or natural person) to one or more banks or other entities (a "*Participant*") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) such Lender shall remain the holder of any such Loan for all purposes under this Agreement and the other Loan Documents and (D) the Borrower, the Administrative Agent, the Issuing Lenders and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 10.08(a) that affects such Participant. Subject to Section 10.02(d)(ii), the Borrower agrees that each Participant shall be entitled to the benefits of (and shall have the related obligations under) Sections 2.14 and 2.16 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.02(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 8.08 as though it were a Lender; provided that such Participant agrees to be subject to the requirements of Section 8.08 as though it were a Lender. Each Lender that sells a participation, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "*Participant Register*"); provided, further that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under this Agreement or any Loan Document), except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender, the Borrower, a Guarantor and the Administrative Agent shall treat each person whose name is recorded in the Participant Register pursuant to the terms hereof as the owner of such participation for all purposes of this Agreement, notwithstanding notice to the contrary. Notwithstanding the foregoing, no Lender shall be permitted to sell participations under this Agreement to any Defaulting Lender, Disqualified Institution or natural person and any such participation shall be void *ab initio*, except to the extent that the Borrower has consented to such participation in writing (in which

case such Lender will not be considered a Defaulting Lender, Disqualified Institution or natural person solely for that particular participation). Any attempted participation which does not comply with Section 10.02 shall be null and void.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.14 or 2.16 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant and shall be subject to the terms of Section 2.18(a). The Lender selling the participation to such Participant shall be subject to the terms of Section 2.18(b) if such Participant requests compensation or additional amounts pursuant to Section 2.14 or 2.16. A Participant shall not be entitled to the benefits of Section 2.16 unless such Participant agrees, for the benefit of the Borrower, to comply with Sections 2.16(f), 2.16(g) and 2.16(h) as though it were a Lender.

(e) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender, and this Section 10.02 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) Any Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 10.02, disclose to the assignee or participant or proposed assignee or participant, any information relating to the Borrower or any of the Guarantors furnished to such Lender by or on behalf of the Borrower or any of the Guarantors; provided that prior to any such disclosure, each such assignee or participant or proposed assignee or participant provides to the Administrative Agent its agreement in writing to be bound for the benefit of the Borrower by either the provisions of Section 10.03 or other provisions at least as restrictive as Section 10.03.

(g) Notwithstanding anything else to the contrary contained in this Agreement, any Lender may assign all or a portion of its Term Loans of any Class to the Borrower in accordance with Section 10.02(b) pursuant to a Dutch Auction or open market purchase by the Borrower; provided that:

(i) the assigning Lender and the Borrower purchasing such Lender's Term Loans, as applicable, shall execute and deliver to the Administrative Agent an Assignment and Acceptance;

(ii) any Term Loans assigned to the Borrower shall be automatically and permanently cancelled upon the effectiveness of such assignment and will thereafter no longer be outstanding for any purpose hereunder;

(iii) no Event of Default has occurred or is continuing; and

(iv) the assignment to the Borrower and cancellation of Term Loans shall not constitute a mandatory or voluntary payment for purposes of Section 2.12 or 2.13 and shall not be subject to Section 8.08, but the aggregate outstanding principal amount of the

Term Loans shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans purchased pursuant to this Section 10.02(g), and each principal repayment installment with respect to the Term Loans of such Class shall be reduced pro rata by the aggregate principal amount of Term Loans of such Class purchased hereunder.

Each Lender making an assignment to the Borrower acknowledges and agrees that in connection with such assignment, (1) the Borrower then may have, and later may come into possession of, information regarding the Term Loans or the Loan Parties hereunder that is not known to such Lender and that may be material to a decision by such Lender to assign the Term Loans (“*Excluded Information*”), (2) such Lender has independently and, without reliance on the Borrower, the Administrative Agent or any of their respective Affiliates, made its own analysis and determination to enter into such assignment notwithstanding such Lender’s lack of knowledge of the Excluded Information and (3) none of the Borrower, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Borrower, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender entering into such an assignment further acknowledges that the Excluded Information may not be available to the Administrative Agent or the other Lenders.

(h) No assignment or participation made or purported to be made to any assignee or Participant shall be effective without the prior written consent of the Borrower if it would require the Borrower to make any filing with any Governmental Authority or qualify any Loan under the laws of any jurisdiction, and the Borrower shall be entitled to request and receive such information and assurances as it may reasonably request from any Lender or any assignee or Participant to determine whether any such filing or qualification is required or whether any assignment or participation is otherwise in accordance with applicable law.

(i) If the Borrower wishes to replace any Loans under any Facility hereunder with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three (3) Business Days’ advance notice to the Lenders under such Facility, instead of prepaying the Loan to be replaced, to (i) require the Lenders under such Facility to assign such Loans to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 10.08. Pursuant to any such assignment, all Loans to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid by the Borrower), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 10.04(b). By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans under such Facility pursuant to the terms of the form of the Assignment and Acceptance, the Administrative Agent shall record such assignment in the Register and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this clause (i) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(j) In connection with any replacement of a Lender pursuant to Section 2.18, 2.26(a), 10.08(b) or other provision hereof (collectively, a “*Replaceable Lender*”), if any such Replaceable Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Acceptance reflecting such replacement within one (1) Business Day of the date on which the assignee Lender executes and delivers such Assignment and Acceptance to such Replaceable Lender, then such Replaceable Lender shall be deemed to have executed and delivered such Assignment and Acceptance without any action on the part of the Replaceable Lender.

SECTION 10.03. Confidentiality. Each Agent and each Lender agrees to keep confidential any information (i) delivered or made available by Parent, the Borrower or any of the Guarantors or any of their respective Subsidiaries or (ii) obtained by any Agent or such Lender based on a review of the books and records of Parent or the Borrower or any of their respective Subsidiaries to them, in accordance with their customary procedures, from anyone other than persons employed or retained by each Agent or such Lender who are or are expected to become engaged in evaluating, approving, structuring or administering the Loans, and who are advised by such Lender of the confidential nature of such information; provided that nothing herein shall prevent any Agent or any Lender from disclosing such information (a) to any of its Affiliates and their respective agents and advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information under this Section 10.03 and instructed to keep such information confidential) or to any other Lender, (b) upon the order of any court or administrative agency, (c) upon the request or demand of any regulatory agency or authority (including any self-regulatory authority), (d) which has been publicly disclosed other than as a result of a disclosure by any Agent or any Lender which is not permitted by this Agreement, (e) in connection with any litigation to which any Agent, any Lender or their respective Affiliates may be a party to the extent reasonably required under applicable rules of discovery, (f) to the extent reasonably required in connection with the exercise of any remedy hereunder, (g) to such Lender's legal counsel and independent auditors, (h) on a confidential basis to any rating agency in connection with rating Parent and its Subsidiaries or any Facility, (i) with the consent of the Borrower, (j) to any actual or proposed participant or assignee of all or part of its rights hereunder or to any direct or indirect contractual counterparty (or the professional advisors thereto) to any swap or derivative transaction relating to the Borrower and its obligations, in each case, subject to the proviso in Section 10.02(f) (with any reference to any assignee or participant set forth in such proviso being deemed to include a reference to such contractual counterparty for purposes of this Section 10.03(j)), (k) to the extent that such information is or was received by such Lender from a third party that is not, to such Lender's knowledge, subject to confidentiality obligations to the Borrower and (l) to the extent that such information is independently developed by such Lender. If any Lender is in any manner requested or required to disclose any of the information delivered or made available to it by the Borrower or any of the Guarantors under clauses (b), (c) (unless such disclosure is made in connection with a routine examination or audit) or (e) of this Section 10.03, such Lender will, to the extent permitted by law, provide the Borrower or Guarantor with prompt notice, to the extent reasonable, so that the Borrower or Guarantor may seek, at its sole expense, a protective order or other appropriate remedy or may waive compliance with this Section 10.03.

SECTION 10.04. Expenses; Indemnity; Damage Waiver.

(a) (i) The Borrower shall pay or reimburse: (A) all reasonable fees and reasonable and documented out-of-pocket expenses of each Agent and the Joint Lead Arrangers and Bookrunners (including the reasonable fees, disbursements and other charges of White & Case LLP, special counsel to the Agents) associated with the syndication of the credit facilities provided for herein, and the preparation, execution and delivery of the Loan Documents and (in the case of the Administrative Agent) any amendments, modifications or supplements of the provisions hereof requested by the Borrower (whether or not the transactions contemplated hereby or thereby shall be consummated) and the reasonable fees and expenses of any trustee appointed pursuant to Section 8.01(d) in connection with its services under the applicable Aircraft Security Agreement, as separately agreed between the Borrower and such trustee; and (B) in connection with any enforcement of the Loan Documents, all fees and documented out-of-pocket expenses of each Agent and any trustee appointed pursuant to Section 8.01(d) (including the reasonable fees, disbursements and other charges of counsel for the Agents and such trustee and one local counsel for each relevant jurisdiction, and, in each case, if necessary in the case of an actual conflict of interest, an additional counsel in each such applicable jurisdiction) and each Lender (including the reasonable fees, disbursements and other charges of counsel for such Lender) incurred during the continuance of a Default and (C) all reasonable, documented, out-of-pocket costs, expenses, taxes, assessments and other charges (including the reasonable fees, disbursements and other charges of counsel for the Collateral Agent) incurred by the Collateral Agent or any trustee appointed pursuant to Section 8.01(d) in connection with any filing, registration, recording or perfection of any security interest as required by the applicable Collateral Document or incurred in connection with any release or addition of Collateral after the Closing Date; provided, however, that, so long as no Event of Default shall have occurred and be continuing, the Borrower shall not, in connection with this Section 10.04(a), be responsible hereunder for the reasonable fees and expenses of more than one such firm of separate counsel, in addition to any local counsel.

(ii) All payments or reimbursements pursuant to the foregoing clause (a)(i) shall be paid within thirty (30) days of written demand together with back-up documentation supporting such reimbursement request.

(b) The Borrower shall indemnify each Agent, any trustee appointed pursuant to Section 8.01(d), the Issuing Lenders and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "*Indemnitee*") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of one firm counsel for all Indemnitees and, if necessary, one firm of local counsel in each appropriate jurisdiction, arising out of, in connection with, or as a result of any actual or prospective claim, litigation, investigation or proceeding (including any investigating, preparing for or defending any such claims, actions, suits, investigations or proceedings, whether or not in connection with pending or threatened litigation in which such Indemnitee is a party), whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto and whether or not any such claim, litigation, investigation or proceeding is brought by the Borrower, its equity holders, its Affiliates, its creditors or any other person, relating to (i) the execution or delivery of this Agreement or any agreement or instrument contemplated hereby, the performance by the parties

hereto of their respective obligations hereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any Issuing Lender to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit) or (iii) any actual or alleged presence or Release of Hazardous Materials on or from any property owned or operated by Parent or any of its Subsidiaries, or any Environmental Liability related in any way to, or asserted against, Parent or any of its Subsidiaries; provided that the foregoing indemnity will not, as to any Indemnitee (or any of its Related Parties), be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of, or material breach of any Loan Document by, such Indemnitee (or of any of its Related Parties), and in such case such Indemnitee (and its Related Parties) shall repay the Borrower the amount of any expenses previously reimbursed by the Borrower in connection with any such loss, claims, damages, expenses or liability to such Indemnitee and, to the extent not repaid by any of them, such Indemnitee's Related Parties not a party to this Agreement or (y) result from any proceeding between or among Indemnitees that does not involve an action or omission by the Borrower or its Affiliates (other than claims against any Indemnitee in its capacity or in fulfilling its role as an Agent, trustee or Joint Lead Arranger and Bookrunner or any other similar role under the Facilities (excluding its role as a Lender)). This Section 10.04(b) shall not apply with respect to Taxes other than Taxes that represent losses or damages arising from any non-Tax claim. Neither the Borrower nor any Indemnitee shall be liable for any indirect, special, punitive or consequential damages hereunder; provided that nothing contained in this sentence shall limit the Borrower's indemnity or reimbursement obligations under this Section 10.04 to the extent such indirect, special, punitive or consequential damages are included in any third party claim in connection with which such Indemnitee is entitled to indemnification hereunder.

(c) In case any action or proceeding shall be brought or asserted against an Indemnitee in respect of which indemnity may be sought against the Borrower under the provisions of any Loan Document, such Indemnitee shall promptly notify the Borrower in writing and the Borrower shall, if the Borrower desires to do so, assume the defense thereof, including the employment of counsel reasonably satisfactory to such Indemnitee but only if (i) no Event of Default shall have occurred and be continuing and (ii) such action or proceeding does not involve any risk of criminal liability or material risk of material civil money penalties being imposed on such Indemnitee. The Borrower shall not enter into any settlement of any such action or proceeding unless such settlement (x) includes an unconditional release of such Indemnitees from all liability or claims that are the subject matter of such action or proceeding and (y) does not include any statement as to fault or culpability. The failure to so notify the Borrower shall not affect any obligations the Borrower may have to such Indemnitee under the Loan Documents or otherwise other than to the extent that the Borrower is materially adversely affected by such failure. The Indemnitees shall have the right to employ separate counsel in such action or proceeding and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of the Indemnitees unless: (i) the Borrower has agreed to pay such fees and expenses or (ii) the Indemnitees shall have been advised in writing by counsel that under prevailing ethical standards there may be a conflict between the positions of the Borrower and the Indemnitees in conducting the defense of such action or proceeding or that there may be

legal defenses available to the Indemnitees different from or in addition to those available to the Borrower, in which case, if the Indemnitees notify the Borrower in writing that they elect to employ separate counsel at the expense of the Borrower, the Borrower shall not have the right to assume the defense of such action or proceeding on behalf of the Indemnitees; provided, however, that the Borrower shall not, in connection with any one such action or proceeding or separate but substantially similar or related actions or proceedings in the same jurisdiction arising out of the same general allegations or circumstances, be responsible hereunder for the reasonable fees and expenses of more than one such firm of separate counsel, in addition to any regulatory counsel and any local counsel. The Borrower shall not be liable for any settlement of any such action or proceeding effected without the written consent of the Borrower (which shall not be unreasonably withheld or delayed).

(d) To the extent that the Borrower fails to pay any amount required to be paid to an Issuing Lender under paragraph (a) or (b) of this Section 10.04, each Lender severally agrees to pay to the applicable Issuing Lender, as the case may be, such portion of the unpaid amount equal to such Lender's Aggregate Exposure Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the applicable Issuing Lender in its capacity as such.

(e) To the extent permitted by applicable law, each party hereto shall not assert, and hereby waives, any claim against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

SECTION 10.05. Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York and appellate courts from either of them, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State court or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall, to the extent permitted by law, be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in Section 10.05(b). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party hereto hereby irrevocably and unconditionally consents to service of process in the manner provided for notices in Section 10.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 10.06. No Waiver. No failure on the part of the Administrative Agent or any of the Lenders to exercise, and no delay in exercising, any right, power or remedy hereunder or any of the other Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy. All remedies hereunder are cumulative and are not exclusive of any other remedies provided by law.

SECTION 10.07. Extension of Maturity. Should any payment of principal of or interest or any other amount due hereunder become due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day and, in the case of principal, interest shall be payable thereon at the rate herein specified during such extension.

SECTION 10.08. Amendments, etc.

(a) Except as set forth in clause (d)(iii) below, no modification, amendment or waiver of any provision of this Agreement or any Collateral Document (other than the Account Control Agreement), and no consent to any departure by the Borrower or any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Required Lenders or Required Class Lenders (as applicable) (or signed by the Administrative Agent with the consent of the Required Lenders), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given; provided, however, that no such modification or amendment shall without the prior written consent of:

(i) each Lender directly and adversely affected thereby, (A) increase the Commitment of any Lender or extend the termination date of the Commitment of any Lender (it being understood that a waiver of an Event of Default shall not constitute an increase in or extension of the termination date of the Commitment of a Lender), or (B) reduce the principal amount of any Loan, any reimbursement obligation in respect of any Letter of Credit, or the rate of interest payable on any Loan (provided that only the consent of the Required Lenders shall be necessary for a waiver of default interest referred to in Section 2.08), or extend any date for the payment of principal, interest or Fees hereunder or reduce any Fees payable hereunder or extend the final maturity of the Borrower's obligations hereunder (C) amend this Section 10.08 with the effect of changing the number or percentage of Lenders that must approve any modification, amendment, waiver or consent, or (D) amend or modify the terms of Section 2.17(e) in any manner that would alter the pro rata sharing of payments required thereby;

(ii) all of the Lenders, (A) amend or modify any provision of this Agreement which provides for the unanimous consent or approval of the Lenders, (B) release all or substantially all of the Liens granted to the Collateral Agent hereunder or under any other Loan Document (except to the extent contemplated by Section 6.09(c) on the date hereof or by the terms of the Collateral Documents), or release all or substantially all of the Guarantors (except to the extent contemplated by Section 9.05) or (C) amend or modify the definition of "Required Lenders"; and

(iii) all Revolving Lenders, change the definition of the term "Required Revolving Lenders" or the percentage of Lenders which shall be required for Revolving Lenders to take any action hereunder.

(b) No such amendment or modification shall adversely affect the rights and obligations of the Administrative Agent or any Issuing Lender hereunder without its prior written consent.

(c) No notice to or demand on the Borrower or any Guarantor shall entitle the Borrower or any Guarantor to any other or further notice or demand in the same, similar or other circumstances. Each assignee under Section 10.02(b) shall be bound by any amendment, modification, waiver, or consent authorized as provided herein, and any consent by a Lender shall bind any Person subsequently acquiring an interest on the Loans held by such Lender. No amendment to this Agreement shall be effective against the Borrower or any Guarantor unless signed by the Borrower or such Guarantor, as the case may be.

(d) Notwithstanding anything to the contrary contained in Section 10.08(a), (i) in the event that the Borrower requests that this Agreement be modified or amended in a manner which would require the unanimous consent of all of the Lenders or the consent of all Lenders directly and adversely affected thereby or all the Lenders with respect to a certain class of Loans and, in each case, such modification or amendment is agreed to by the Required Lenders, Required Revolving Lenders or Required Class Lenders, as applicable, or the relevant affected Lender, as the case may be, then the Borrower (A) may replace any non-consenting Lender with respect to all or a portion of its Loans or Commitments, as applicable, in accordance with Section 10.02; provided that such amendment or modification can be effected as a result of the assignment contemplated by such Section (together with all other such assignments required by the Borrower to be made pursuant to this clause (i)); provided, further, that any assignment made pursuant to this Section 10.08(d) shall be subject to the processing and recordation fee specified in Section 10.02(b)(ii)(D) or (B) upon notice to the Administrative Agent, prepay the Loans and, at the Borrower's option, terminate all or a portion of the Commitments of such non-consenting Lender in whole or in part, without premium or penalty, subject to Sections 2.13(d) and 10.04(b) and reallocate the LC Exposure of such non-consenting Lender under Section 2.26(d) (as if such Lender were a Defaulting Lender); provided that all obligations of the Borrower owing to the non-consenting Lender relating to such Commitments, Loans and participations so prepaid or terminated shall be paid in full by the Borrower to such non-consenting Lender concurrently with such prepayment and termination; and provided,

further, that no such termination of Commitments shall be permitted pursuant to this clause (B) if, after giving effect thereto and to any Revolving Extension of Credit, any prepayment of any Loan and any maturity of any Letter of Credit on the effective date thereof, the aggregate principal amount of Revolving Loans then outstanding, when added to the sum of the then outstanding LC Exposure (other than Commitments that have been Cash Collateralized in accordance with Section 2.02(j)), would exceed the Revolving Commitments then in effect; (ii) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended without the consent of such Lender (it being understood that the Commitment and the outstanding Loans or other extensions of credit held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders); (iii) notwithstanding anything to the contrary herein, any modifications or amendments under any Increase Joinder entered into in connection with Section 2.27 or any Extension Amendment entered in accordance with Section 2.28 or any Replacement Loans entered into in accordance with Section 10.08(e) may be made without the consent of the Required Lenders and (iv) if the Administrative Agent and the Borrower shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature in any provision of the Loan Documents, then the Administrative Agent and the Borrower shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document if the same is not objected to in writing by the Required Lenders within five (5) Business Days after written notice thereof to the Lenders.

(e) Notwithstanding anything to the contrary contained in Section 10.08(a), this Agreement and, as appropriate, the other Loan Documents may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Loans (as defined below) as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower (x) to permit the refinancing, replacement or modification of all or a portion of the outstanding Term Loans of any tranche (“*Refinanced Term Loans*”) with a replacement term loan tranche (“*Replacement Term Loans*”) or the refinancing, replacement or modification of all or a portion of the outstanding Revolving Loans of any tranche (“*Refinanced Revolving Loans*”) and, together with the Refinanced Term Loans, the “*Refinanced Loans*”) with a replacement revolving loan tranche (“*Replacement Revolving Loans*”) and, together with the “*Replacement Term Loans*,” the “*Replacement Loans*”) hereunder and (y) to include appropriately the Lenders holding such credit facilities in any determination of Required Lenders, Required Class Lenders, Required Term Lenders in Required Revolving Lenders, as applicable; provided that (a) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Refinanced Loans, (b) the Applicable Margin for such Replacement Loans shall not be higher than the Applicable Margin for such Refinanced Loans, (c) in the case of Replacement Term Loans, the Weighted Average Life to Maturity of such Replacement Term Loans shall not be shorter than the Weighted Average Life to Maturity of such Refinanced Term Loans at the time of such refinancing (except to the extent of nominal amortization for periods where amortization has been eliminated as a result of prepayment of the applicable Term Loans) and (d) all other terms applicable to such Replacement Loans shall be substantially identical to or less favorable to the Lenders providing such Replacement Loans than those applicable to the Lenders of such Refinanced Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the Latest Maturity Date in effect immediately prior to such refinancing. Notwithstanding anything

to the contrary set forth in this Agreement or the other Loan Documents, the Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower as may be necessary in order to establish new tranches or sub-tranches in respect of Replacement Loans and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such Replacement Loans.

(f) Notwithstanding anything to the contrary contained in Section 10.08(a), this Agreement and, as appropriate, the other Loan Documents, may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement (whether pursuant to Section 2.27 or otherwise) and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the Revolving Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders, Required Revolving Lenders and/or Required Term Lenders, as applicable.

(g) In addition, notwithstanding anything to the contrary contained in Section 7.01 or Section 10.08(a), following the consummation of any Extension pursuant to Section 2.28, no modification, amendment or waiver (including, for the avoidance of doubt, any forbearance agreement entered into with respect to this Agreement) shall limit the right of any non-extending Lender (each, a “*Non-Extending Lender*”) to enforce its right to receive payment of amounts due and owing to such Non-Extending Lender on the applicable Revolving Facility Maturity Date and/or Term Loan Maturity Date, as the case may be, applicable to the Loans of such Non-Extending Lenders without the prior written consent of Non-Extending Lenders that would constitute the Required Class Lenders with respect to any affected Class of such Loans if the Non-Extending Lenders were the only Lenders hereunder at the time.

(h) It is understood that the amendment provisions of this Section 10.08 shall not apply to extensions of the Revolving Facility Maturity Date, the Term Loan Maturity Date or the maturity date of any tranche of Revolving Commitments, in each case, made in accordance with Section 2.28.

(i) Notwithstanding anything to the contrary contained in Section 10.08(a), this Agreement and, as appropriate, the other Loan Documents, may be amended (or amended and restated) by each Agent and the Borrower to comply with any collateral trust agreement entered into after the Closing Date among the Borrower, the other Grantors, the Administrative Agent, the collateral trustee party thereto and the other financial institutions party thereto, including, without limitation, amending (or amending and restating) this Agreement and the other Loan Documents to provide for the assignment of the security interest in the Collateral from the Collateral Agent to such collateral trustee.

(j) Notwithstanding anything to the contrary contained in Section 10.08(a), any Collateral Document may be amended, supplemented or otherwise modified without the consent of any Lender (i) to add assets (or categories of assets) to the Collateral covered by such Collateral Document, as contemplated by the definition of “Additional Collateral” set forth in

Section 1.01 or (ii) to remove any asset or type or category of asset (including after-acquired assets of that type or category) from the Collateral covered by such Collateral Document to the extent the release thereof is permitted by Section 6.09(c) or constitutes a Permitted Disposition.

SECTION 10.09. Severability. To the extent permitted by applicable law, any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 10.10. Headings. Section headings used herein are for convenience only and are not to affect the construction of or be taken into consideration in interpreting this Agreement.

SECTION 10.11. Survival. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that any Agent, any Issuing Lender or any Lender may have had notice or knowledge of any Event of Default or incorrect representation or warranty at the time any credit is extended hereunder. The provisions of Sections 2.14, 2.15, 2.16 and 10.04 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments, or the termination of this Agreement or any provision hereof.

SECTION 10.12. Execution in Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement constitutes the entire contract among the parties relating to the subject matter hereof and supersedes any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or electronic .pdf copy shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 10.13. USA Patriot Act. Each Lender that is subject to the requirements of the Patriot Act hereby notifies the Borrower and each Guarantor that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrower and each Guarantor, which information includes the name and address of the Borrower and each Guarantor and other information that will allow such Lender to identify the Borrower and each Guarantor in accordance with the Patriot Act.

SECTION 10.14. New Value. It is the intention of the parties hereto that any provision of Collateral by a Grantor as a condition to, or in connection with, the making of any Loan or the issuance of any Letter of Credit hereunder, shall be made as a contemporaneous exchange for new value given by the Lenders or Issuing Lenders, as the case may be, to the Borrower.

SECTION 10.15. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY OF THE LOAN DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.15.

SECTION 10.16. No Fiduciary Duty. Each Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the “Lenders”), may have economic interests that conflict with those of the Borrower, its stockholders and/or its affiliates. The Borrower agrees that nothing in the Loan Documents or otherwise related to the Transactions will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and the Borrower, its stockholders or its affiliates, on the other hand. The parties hereto acknowledge and agree that (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Lenders, on the one hand, and the Borrower and the Guarantors, on the other hand, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of the Borrower, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise the Borrower, its stockholders or its affiliates on other matters) or any other obligation to the Borrower except the obligations expressly set forth in the Loan Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of the Borrower, its management, stockholders, affiliates, creditors or any other Person. The Borrower acknowledges and agrees that the Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower, in connection with such transaction or the process leading thereto.

SECTION 10.17. Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against the Borrower, any Guarantor or any other obligor under any of the Loan Documents (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of the Borrower or any Guarantor, unless expressly provided for herein or in any other Loan Document, without the prior written consent of the Administrative Agent. The provisions of this Section 10.17 are solely as between the Lenders and shall not afford any right to, or constitute a defense available to, the Borrower or any Guarantor and shall not limit any right or defense available to the Borrower or any Guarantor.

SECTION 10.18. Intercreditor Agreements. Notwithstanding anything to the contrary contained in this Agreement, if at any time the Administrative Agent or the Collateral Agent shall enter into any Intercreditor Agreement, pursuant to and as permitted by the terms of this Agreement or any Other Intercreditor Agreement and such Intercreditor Agreement or such Other Intercreditor Agreement shall remain outstanding, the rights granted to the Secured Parties hereunder and under the other Loan Documents, the Liens and security interest granted to the Collateral Agent pursuant to this Agreement or any other Loan Document and the exercise of any right or remedy by any Agent hereunder or under any other Loan Document shall be subject to the terms and conditions of such Intercreditor Agreement or such Other Intercreditor Agreement. In the event of any conflict between the terms of this Agreement, any other Loan Document and such Intercreditor Agreement or such Other Intercreditor Agreements, the terms of such Intercreditor Agreement or such Other Intercreditor Agreement shall govern and control with respect to any right or remedy, and no right, power or remedy granted to any Agent hereunder or under any other Loan Document shall be exercised by such Agent, and no direction shall be given by such Agent, in contravention of such Intercreditor Agreement or such Other Intercreditor Agreement.

IN WITNESS WHEREOF, the signatories hereto have caused this Credit and Guaranty Agreement to be executed by their respective officers thereunto duly authorized as of the day and year first above written.

- (b) For the purposes of all powers implied by law, the Secured Obligations are deemed to have become due and payable on the date of this Debenture.
- (c) Any restriction imposed by law on the power of sale (including under section 103 of the Act) does not apply to the Security created by this Debenture.

6.2 Appointment of Receiver

- (a) Except as provided below, the Collateral Agent may appoint any one or more persons to be a Receiver of all or any part of the Collateral if:
 - (i) the Security created by this Debenture has become enforceable in accordance with Clause 6.1 (*General*); or
 - (ii) requested to do so by the Chargor.
- (b) Any appointment under paragraph (a) above may be by deed, under seal or in writing under its hand.
- (c) Except as provided below, any restriction imposed by law on the right to appoint a Receiver (including an appointment under section 109(1) of the Act) does not apply to this Debenture. If the Collateral Agent appoints more than one person as Receiver, the Collateral Agent may give those persons power to act either jointly or severally.
- (d) The Collateral Agent shall not be entitled to appoint a Receiver solely as a result of the obtaining of a moratorium (or anything done with a view to obtaining a moratorium) under section 1A to the Insolvency Act 1986.
- (e) The Collateral Agent may not appoint an administrative receiver (as defined in section 29(2) of the Insolvency Act 1986) over the Collateral if the Collateral Agent is prohibited from so doing by section 72A of the Insolvency Act 1986.

6.3 Agent of the Chargor

- (a) A Receiver shall for all purposes be deemed to be the agent of the Chargor. The Chargor is solely responsible for the contracts, engagements, acts, omissions, defaults and losses and for all liabilities incurred by a Receiver.
- (b) No Secured Party will incur any liability (either to the Chargor or to any other person) by reason of the appointment of a Receiver or for any other reason.

6.4 Removal and Replacement

The Collateral Agent may by writing under its hand remove any Receiver appointed by it and may, whenever it thinks fit, appoint a new Receiver in the place of any Receiver whose appointment has terminated.

6.5 Remuneration

The Collateral Agent may fix the remuneration of any Receiver appointed by it without the limitations imposed by section 109(6) of the Act.

6.6 **Relationship with the Collateral Agent**

To the fullest extent allowed by law, any right, power or discretion conferred by this Debenture (either expressly or impliedly) or by law on a Receiver may, after the Security created by this Debenture becomes enforceable, be exercised by the Collateral Agent in relation to any Collateral without first appointing a Receiver or notwithstanding the appointment of a Receiver.

6.7 **No Liability as Mortgagee in Possession**

Neither the Collateral Agent nor any Receiver shall, by reason of entering into possession of all or any part of the Collateral or taking any action permitted by this Debenture, be liable:

- (a) to account as mortgagee in possession or for any loss on realisation; or
- (b) for any default or omission for which a mortgagee in possession might be liable.

6.8 **Redemption of Prior Mortgages**

- (a) At any time after the occurrence of an Enforcement Event, the Collateral Agent may:
 - (i) redeem any prior Security against the Collateral or any part of it;
 - (ii) procure the transfer of that Security to itself; and/or
 - (iii) settle and pass the accounts of the prior mortgagee, chargee or encumbrancer; any accounts so settled and passed will be, in the absence of manifest error, conclusive and binding on the Chargor.
- (b) The Chargor shall pay to the Collateral Agent, immediately on demand, the costs and expenses incurred by the Collateral Agent in connection with any such redemption and/or transfer, including the payment of any principal or interest.

6.9 **Privileges**

Each Receiver and the Collateral Agent is entitled to all the rights, powers, privileges and immunities conferred by law (including by the Act) on mortgagees and receivers duly appointed under any law (including the Act) save that section 103 of the Act shall not apply.

6.10 **Contingencies**

If the Security created by this Debenture is enforced at a time when no amount is due under the Loan Documents but at a time when amounts may or will become due, the Collateral Agent (or the Receiver) may pay the proceeds of any recoveries effected by it into such number of suspense accounts as it considers appropriate.

6.11 **Protection of Third Parties**

No person (including a purchaser) dealing with the Collateral Agent or a Receiver or its delegate will be concerned to enquire:

- (a) whether the Secured Obligations have become payable;
- (b) whether any power which the Collateral Agent or a Receiver is purporting to exercise has become exercisable or is being properly exercised;
- (c) whether any money remains due under the Loan Documents; or
- (d) how any money paid to the Collateral Agent or that Receiver is to be applied.

7. Receiver

7.1 Powers of Receiver

A Receiver shall have all the rights, powers, privileges and immunities conferred from time to time on receivers by law (including the Act and the Insolvency Act 1986) and the provisions set out in Schedule 1 to the Insolvency Act 1986 shall extend to every Receiver.

7.2 Additional Powers

A Receiver shall have all the additional powers set out in Schedule 1 (*Additional Rights of Receivers*).

7.3 Several Powers

If there is more than one Receiver holding office at the same time, each Receiver may (unless the document appointing him states otherwise) exercise all the powers conferred on a Receiver under this Debenture individually and to the exclusion of any other Receiver.

8. Non-Lender Secured Parties

8.1 Rights to Collateral

The Non-Lender Secured Parties shall not be permitted to do any of the following:

- (d) oppose any sale, transfer or other disposition of the Collateral.

8.2 Each Non-Lender Secured Party, by its acceptance of the provisions of this Debenture, agrees that, in exercising rights and remedies with respect to the Collateral, the Collateral Agent and the Lenders, with the consent of the Collateral Agent, may enforce the provisions of this Debenture and exercise remedies thereunder and under any other Loan Document (or refrain from enforcing rights and exercising remedies), all in such order and in such manner as they may determine in the exercise of their sole business judgment and subject to the terms of any Intercreditor Agreement and any Other Intercreditor Agreement. Such exercise and enforcement shall include, without limitation, the rights to collect, sell, dispose of or otherwise realise all or any part of the Collateral and to incur expenses in connection with such collection, sale, disposition or other realisation. The Non-Lender Secured Parties by their acceptance of the provisions of this Debenture hereby agree not to contest or otherwise challenge any such collection, sale, disposition or other realisation of or upon all or any of the Collateral. Whether

or not bankruptcy proceedings have been commenced, the Non-Lender Secured Parties shall be deemed to have consented to any sale or other disposition of any property, business or assets of the Parent or any of its Subsidiaries and the release of any or all of the Collateral from the Security in connection therewith.

- 8.3 Notwithstanding any provision of this Clause 8, the Non-Lender Secured Parties shall be entitled, subject to any Intercreditor Agreement and any Other Intercreditor Agreement, to file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleadings:
- (a) in order to prevent any Person from seeking to foreclose on the Collateral or supersede the Non-Lender Secured Parties' claim thereto; or
 - (b) in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims of the Non-Lender Secured Parties.

Each Non-Lender Secured Party, by its acceptance of the provisions of this Debenture, agrees to be bound by and to comply with any Intercreditor Agreement and any Other Intercreditor Agreement and authorises the Collateral Agent to enter into the Intercreditor Agreements and Other Intercreditor Agreements on its behalf.

- 8.4 Each Non-Lender Secured Party, by its acceptance of the provisions of this Debenture, agrees that the Collateral Agent and the Lenders may deal with the Collateral, including any exchange, taking of or release of the Collateral, may change or increase the amount of the Secured Obligations, and may release any Grantor from its Secured Obligations hereunder, all without any liability or obligation (except as may be otherwise expressly provided herein) to the Non-Lender Secured Parties.

8.5 **Appointment of Agent**

Each Non-Lender Secured Party, by way of security, irrevocably and severally appoints the Collateral Agent, each Receiver and each of their respective delegates and sub delegates to be its attorney (with full power of substitution) to effectuate any sale, transfer or other disposition of the Collateral in accordance with and subject to this Debenture, any Intercreditor Agreement and any Other Intercreditor Agreement.

8.6 **Waiver of Claims**

To the extent permitted by law, each Non-Lender Secured Party waives any claim it might have against the Collateral Agent or the Lenders with respect to, or arising out of, any action or failure to act or any error of judgment, negligence, or mistake or oversight whatsoever on the part of the Collateral Agent or the Lenders or their respective directors, officers, employees or agents with respect to any exercise of rights or remedies under the Loan Documents or any transaction relating to the Collateral (including, without limitation, any such exercise described in Clause 8.2, except for any such action or failure to act that constitutes wilful misconduct or gross negligence of such Person. To the extent permitted by applicable law, none of the Collateral Agent or any Lender or any of their respective directors, officers, employees or agents shall be liable for failure to demand, collect or realise upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of the Parent, any Subsidiary of the Parent, any Non-Lender Secured Party or any other Person or to take any other action or forbear from doing so whatsoever with regard to the Collateral or any part thereof, except for any such action or failure to act that constitutes wilful misconduct or gross negligence of such Person.

9. **Application of Proceeds**

Any monies held or received by the Collateral Agent or a Receiver after the occurrence of an Enforcement Event shall, subject to the terms of any Intercreditor Agreement and any Other Intercreditor Agreement, be applied from time to time by the Collateral Agent in accordance with the terms of the Credit Agreement.

10. **Delegation**

The Collateral Agent or any Receiver may delegate by power of attorney or in any other manner to any person any right, power or discretion exercisable by it under this Debenture in which case such person shall be entitled to all the rights and protection of a Collateral Agent or Receiver as if it were a party to this Debenture. Neither the Collateral Agent nor any Receiver will be in any way liable or responsible to the Chargor for any loss or liability arising from any act, default, omission or misconduct on the part of any such delegate or sub-delegate. Any such delegation may be made upon any terms (including power to sub-delegate) which the Collateral Agent or any Receiver may think fit.

11. **Power of Attorney**

11.1 **Appointment**

The Chargor, by way of security, irrevocably and severally appoints the Collateral Agent, each Receiver and each of their respective delegates and sub-delegates to be its attorney (with full power of substitution) to take any action which the Chargor is obliged to take under this Debenture and in accordance with and subject to any Intercreditor Agreement and any Other Intercreditor Agreement.

11.2 **Ratification**

The Chargor ratifies and confirms whatever any attorney does or purports to do under its appointment under this Clause 11.

12. Preservation of Security

12.1 Continuing Security

The Security created by this Debenture is continuing security and will extend to the ultimate balance of the Secured Obligations, regardless of any intermediate payment or discharge in whole or in part.

12.2 Immediate Recourse

The Chargor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other right or security or claim payment from any person or file any proof or claim in any insolvency, administration, winding-up or liquidation proceedings relative to any other Grantor or any other person before claiming from the Chargor under this Debenture. This waiver applies irrespective of any law or any provision of any Loan Document to the contrary.

12.3 Waiver of Defences

The Chargor shall be deemed to be a principal debtor, and not only a surety. The obligations of the Chargor under this Debenture shall not be affected by any act, omission or thing which, but for this provision, would reduce, release or prejudice any of its obligations under this Debenture (whether or not known to it or any Secured Party). This includes:

- (a) any time or waiver granted to, or composition with, any person;
- (b) any release of any person under the terms of any composition or arrangement;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any person;
- (d) any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (e) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any person;
- (f) any amendment of a Loan Document or any other document or security;
- (g) any unenforceability, illegality, invalidity or non-provability of any obligation of any person under any Loan Document or any other document or security or the failure by any member of the Group to enter into or be bound by any Loan Document; or
- (h) any insolvency or similar proceedings.

12.4 Appropriations

Until all amounts which may be or become payable by the Borrower and/or the Chargor under or in connection with the Loan Documents have been irrevocably paid in full, each Secured Party (or any trustee or agent on its behalf) may without affecting the liability of the Chargor under this Debenture:

- (a)
 - (i) refrain from applying or enforcing any other monies, security or rights held or received by that Secured Party (or any trustee or agent on its behalf) against those amounts; or
 - (ii) apply and enforce them in such manner and order as it sees fit (whether against those amounts or otherwise); and
- (b) hold in an interest-bearing suspense account any moneys received from the Chargor or on account of the Chargor's liability under this Debenture.

12.5 Non-Competition

Unless:

- (a) the Collateral Agent is satisfied that all amounts which may be or become payable by the Grantors under or in connection with the Loan Documents have been irrevocably paid in full; or
- (b) the Collateral Agent otherwise directs,

the Chargor will not, after a claim has been made or by virtue of any payment or performance by it under this Debenture:

- (i) be subrogated to any rights, security or monies held, received or receivable by any Secured Party (or any trustee or agent on its behalf);
- (ii) be entitled to any right of contribution or indemnity in respect of any payment made or monies received on account of the Chargor's liability under this Debenture;
- (iii) claim, rank, prove or vote as a creditor of any Grantor or its estate in competition with any Secured Party (or any trustee or agent on its behalf); or
- (iv) receive, claim or have the benefit of any payment, distribution or security from or on account of any Grantor, or exercise any right of set-off as against any Grantor.

The Chargor shall hold in trust for and shall immediately pay or transfer to the Collateral Agent for the Secured Party any payment or distribution or benefit of security received by it contrary to this Clause or in accordance with any directions given by the Collateral Agent under this Clause.

12.6 Additional Security

- (a) This Debenture is in addition to and is not in any way prejudiced by any other security or guarantees now or subsequently held by any Secured Party.
- (b) No other security held by any Secured Party (in its capacity as such or otherwise) or right of set-off over the Collateral or any part of it shall merge into or otherwise prejudice the Security created by this Debenture or right of set-off contained herein.

12.7 Security held by the Chargor

The Chargor may not, without the prior consent of the Collateral Agent, hold any security from any other Chargor in respect of the Chargor's liability under this Debenture. The Chargor shall hold any security held by it in breach of this provision on trust for the Collateral Agent.

13. Release of Security

13.1 Final Redemption

Subject to Clause 13.4 (*Retention of Security*), once the Collateral Agent is satisfied that all the Secured Obligations (other than any Secured Obligations owing to a Non-Lender Secured Party) have been irrevocably paid in full, that the Secured Parties have no actual or contingent obligation under the Credit Agreement and that no Letters of Credit are outstanding (except for Letters of Credit that have been cash collateralised or otherwise provided for in a manner

reasonably satisfactory to the Administrative Agent and each Issuing Lender), the Security hereunder shall be automatically discharged and such Collateral shall be released from any trust constituted by this Debenture, and in connection therewith, the Collateral Agent and each other Secured Party shall, at the request and cost of the Chargor, promptly take any action which may be necessary to evidence or give effect to any such discharge and release.

13.2 Other Releases

(i) Upon any sale, transfer, trade, lease or other disposition of any item of Collateral of the Chargor in connection with a disposition that is not prohibited by the Credit Agreement or is otherwise permitted under the Credit Agreement and that results in the divesting of the Chargor's title to such Collateral, or (ii) upon any other release of any item of Collateral pursuant to and in accordance with the terms of the Credit Agreement and the SGR Security Agreement, in either case, the Security over such Collateral shall automatically be released and such Collateral shall be released from any trust constituted by this Debenture, and in connection therewith, the Collateral Agent and each other Secured Party will, at the cost of the Chargor, promptly take any action which may be necessary to evidence or give effect to any such release.

13.3 Avoidance of Payments

If the Collateral Agent considers that any amounts paid or credited to any Secured Party is capable of being avoided, reduced or otherwise set aside as a result of insolvency or any similar event, the liability of the Chargor under this Debenture and the Security constituted by this Debenture shall continue as if the avoidance, reduction or setting-aside had not occurred.

13.4 Retention of Security

If the Collateral Agent reasonably considers that any amount paid or credited to any Secured Party under any Loan Document is capable of being avoided or otherwise set aside, that amount shall not be considered to have been paid for the purposes of determining whether all the Secured Obligations have been irrevocably paid.

14. Indemnity

The Chargor shall indemnify and hold harmless the Collateral Agent and any and every Receiver, attorney, manager, agent or other person appointed by the Collateral Agent under this Debenture (each, an "**Indemnified Person**") on demand from and against any and all costs, claims, losses, expenses (including legal fees) and liabilities, and any VAT thereon, which the Collateral Agent, each Receiver or such Indemnified Person may incur:

- (a) as a result of:
 - (i) the occurrence of any Default;
 - (ii) the enforcement of the Security;
 - (iii) the exercise or enforcement by the Collateral Agent or a Receiver or any Indemnified Person of any of the rights conferred on it or them by this Debenture or by law; or
- (b) otherwise in connection with this Debenture, including, without limitation to the foregoing as a result of, any actual or alleged breach by any person of any law or regulation whether relating to the environment or otherwise.

Each Receiver and Indemnified Person may rely on and enforce this indemnity.

15. Notices

Any demand, notice or other communication or document to be made on or delivered to the Chargor under this Debenture or in respect of the Secured Obligations shall be made or delivered in accordance with, and shall be deemed made after the applicable time period specified in, section 10.01 (*Notices*) of the Credit Agreement.

16. Assignments and Transfers

16.1 No assignment by the Chargor

The Chargor shall not be entitled to assign or transfer all or any of its rights or obligations under this Debenture.

16.2 Assignment by Collateral Agent

The Collateral Agent may at any time assign all or any of its rights under this Debenture in accordance with the Loan Documents and the Chargor authorises the Collateral Agent to execute on its behalf any document required to effect the necessary assignment of rights.

17. Amendments

This Debenture may not be amended, modified or waived except in accordance with section 10.08 (*Amendments, etc.*) of the Credit Agreement.

18. Miscellaneous

18.1 Tacking

Each Secured Party shall comply with its obligations under the Loan Documents (including the obligation to make further advances).

18.2 Covenants

Any covenant of the Chargor under this Debenture remains in force during the Security Period and is given for the benefit of each Secured Party.

18.3 Determination

Any certificate or determination as to any amount payable under this Debenture by the Collateral Agent is, in the absence of manifest error, conclusive evidence of such amount.

19. Counterparts

This Debenture may be executed in any number of counterparts and all of those counterparts taken together shall be deemed to constitute one and the same instrument.

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Debenture (including a dispute regarding the existence, validity or termination of this Debenture or any non-contractual obligations arising out of or in connection with this Debenture) (a “**Dispute**”) (whether arising in contract, tort or otherwise).
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- (c) This Clause 21.1 is for the benefit of the Secured Parties only. As a result, no Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Secured Parties may take concurrent proceedings in any number of jurisdictions.

21.2 Service of Process

- (a) Without prejudice to any other mode of service allowed under any relevant law, the Chargor:
 - (i) irrevocably appoints [American Airlines, Inc., Orient House (HAA3), PO Box 365, Waterside, Harmondsworth, UB7 0GB, United Kingdom]³, as its agent for service of process in relation to any proceedings before the English courts in connection with any Loan Document; and
 - (ii) agrees that failure by an agent for service of process to notify the Chargor of the process will not invalidate the proceedings concerned.
- (b) If any person appointed as an agent for service of process is unable for any reason to act as agent for service of process, the Chargor must immediately (and in any event within 10 Business Days of such event taking place) appoint another agent on terms acceptable to the Collateral Agent. Failing this, the Collateral Agent may appoint another agent for this purpose.

(e) The Original First Lien Agent, for and on behalf of itself and the Original First Lien Secured Parties, acknowledges and agrees that (x) concurrently herewith, the []ⁱ [First/Second]ⁱⁱ Lien Agent, for the benefit of itself and []ⁱ [First/Second]ⁱⁱ Lien Secured Parties, has been granted [Senior/Junior]^{viii} Priority Liens upon all of the Collateral in which the Original First Lien Agent has been granted Senior Priority Liens, and the Original First Lien Agent hereby consents thereto, and (y) one or more Additional Agents, each on behalf of itself and any Additional Credit Facility Secured Parties represented thereby, may be granted Senior Priority Liens or Junior Priority Liens upon all of the Collateral in which the Original First Lien Agent has been granted Senior Priority Liens, and the Original First Lien Agent hereby consents thereto.

(f) The []ⁱ [First/Second]ⁱⁱ Lien Agent, for and on behalf of itself and the []ⁱ [First/Second]ⁱⁱ Lien Secured Parties, acknowledges and agrees that (x) the Original First Lien Agent, for the benefit of itself and the First Lien Secured Parties, has been granted Senior Priority Liens upon all of the Collateral in which the []ⁱ [First/Second]ⁱⁱ Lien Agent has been granted [Senior/Junior]^{vii} Priority Liens, and the []ⁱ [First/Second]ⁱⁱ Lien Agent hereby consents thereto, and (y) one or more Additional Agents, each on behalf of itself and any Additional Credit Facility Secured Parties represented thereby, may be granted Senior Priority Liens or Junior Priority Liens upon all of the Collateral in which the []ⁱ [First/Second]ⁱⁱ Lien Agent has been granted [Senior/Junior]^{vii} Priority Liens, and the []ⁱ [First/Second]ⁱⁱ Lien Agent hereby consents thereto.

(h) Lien priority as among the Additional Obligations, the Original First Lien Obligations and the []i [First/Second]ii Lien Obligations with respect to any Collateral will be governed solely by this Agreement, except as may be separately otherwise agreed in writing by or among any applicable Parties to the extent permitted pursuant to this Agreement.

(i) Each Senior Priority Agent, for and on behalf of itself and the relevant Senior Priority Secured Parties represented thereby, hereby acknowledges and agrees that it is the intention of the Senior Priority Secured Parties of each Series of Senior Priority Debt that the holders of Senior Priority Obligations of such Series of Senior Priority Debt (and not the Senior Priority Secured Parties of any other Series of Senior Priority Debt) bear the risk of (i) any determination by a court of competent jurisdiction that (x) any of the Senior Priority Obligations of such Series of Senior Priority Debt are unenforceable under applicable law or are subordinated to any other obligations (other than another Series of Senior Priority Debt), (y) any of the Senior Priority Obligations of such Series of Senior Priority Debt do not have an enforceable security interest in any of the Collateral securing any other Series of Senior Priority Debt and/or (z) any intervening security interest exists securing any other obligations (other than another Series of Senior Priority Debt) on a basis ranking prior to the security interest of such Series of Senior Priority Debt but junior to the security interest of any other Series of Senior Priority Debt or (ii) the existence of any Collateral for any other Series of Senior Priority Debt that is not also Collateral for the other Series of Senior Priority Debt (any such condition referred to in the foregoing clauses (i) or (ii) with respect to any Series of Senior Priority Debt, an “Impairment” of such Series of Senior Priority Debt). In the event of any Impairment with respect to any Series of Senior Priority Debt, the results of such Impairment shall be borne solely by the holders of such Series of Senior Priority Debt, and the rights of the holders of such Series of Senior Priority Debt (including the right to receive distributions in respect of such Series of Senior Priority Debt pursuant to Section 4.01) set forth herein shall be modified to the extent necessary so that the effects of such Impairment are borne solely by the holders of the Series of Senior Priority Debt subject to such Impairment.

(j) Each Junior Priority Agent, for and on behalf of itself and the relevant Junior Priority Secured Parties represented thereby, hereby acknowledges and agrees that it is the intention of the Junior Priority Secured Parties of each Series of Junior Priority Debt that the holders of Junior Priority Obligations of such Series of Junior Priority Debt (and not the Junior Priority Secured Parties of any other Series of Junior Priority Debt) bear the risk of (i) any determination by a court of competent jurisdiction that (x) any of the Junior Priority Obligations of such Series of Junior Priority Debt are unenforceable under applicable law or are subordinated to any other obligations (other than another Series of Junior Priority Debt), (y) any of the Junior Priority Obligations of such Series of Junior Priority Debt do not have an enforceable security interest in any of the Collateral securing any other Series of Junior Priority Debt and/or (z) any intervening security interest exists securing any other obligations (other than another Series of Junior Priority Debt) on a basis ranking prior to the security interest of such Series of Junior Priority Debt but junior to the security interest of any other Series of Junior Priority Debt or (ii) the existence of any Collateral for any other Series of Junior Priority Debt that is not also Collateral for the other Series of Junior Priority Debt (any such condition referred to in the foregoing clauses (i) or (ii) with respect to any Series of Junior Priority Debt, an “Impairment” of

such Series of Junior Priority Debt). In the event of any Impairment with respect to any Series of Junior Priority Debt, the results of such Impairment shall be borne solely by the holders of such Series of Junior Priority Debt, and the rights of the holders of such Series of Junior Priority Debt (including the right to receive distributions in respect of such Series of Junior Priority Debt pursuant to Section 4.01) set forth herein shall be modified to the extent necessary so that the effects of such Impairment are borne solely by the holders of the Series of Junior Priority Debt subject to such Impairment.

(k) The subordination of Liens by each Junior Priority Agent in favor of the Senior Priority Agents shall not be deemed to subordinate the Liens of any Junior Priority Agent to the Liens of any other Person. The provision of pari passu and equal priority as between Liens of any Senior Priority Agent and Liens of any other Senior Priority Agent, in each case as set forth herein, shall not be deemed to provide that the Liens of the Senior Priority Agent will be pari passu or of equal priority with the Liens of any other Person, or to subordinate any Liens of any Senior Priority Agent to the Liens of any Person. The provision of pari passu and equal priority as between Liens of any Junior Priority Agent and Liens of any other Junior Priority Agent, in each case as set forth herein, shall not be deemed to provide that the Liens of the Junior Priority Agent will be pari passu or of equal priority with the Liens of any other Person.

(l) So long as the Discharge of Senior Priority Obligations has not occurred, the parties hereto agree that in the event that Holdings or any Borrower shall, or shall permit any other Grantor to, grant or permit any additional Liens, or take any action to perfect any additional Liens, on any asset or property to secure any Junior Priority Obligation and have not also granted a Lien on such asset or property to secure the Senior Priority Obligations and taken all actions to perfect such Liens, then, without limiting any other rights and remedies available to any Senior Priority Agent and/or the other Senior Priority Secured Parties, each Junior Priority Agent, on behalf of itself and the Junior Lien Secured Parties for which it is a Junior Priority Agent, and each other Junior Priority Secured Party (by its acceptance of the benefits of the Junior Priority Documents), agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens granted in contravention of this Section 2.01(l) shall be subject to Section 4.01(d).

Section 2.02 Waiver of Right to Contest Liens.

(a) Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that it and they shall not (and hereby waives any right to) take any action to contest or challenge (or assist or support any other Person in contesting or challenging), directly or indirectly, whether or not in any proceeding (including in any Insolvency Proceeding), the validity, priority, enforceability, or perfection of the Liens of any Senior Priority Agent or any Senior Priority Creditor in respect of the Collateral, or the provisions of this Agreement. Except to the extent expressly set forth in this Agreement, each Junior Priority Agent, for itself and on behalf of the Junior Priority Creditors represented thereby, agrees that no Junior Priority Agent or Junior Priority Creditor will take any action that would interfere with any Exercise of Secured Creditor Remedies undertaken by any Senior Priority Agent or any Senior Priority Creditor under the Senior Priority Documents with respect to the Collateral. Except to the extent expressly set forth in this Agreement, each Junior Priority

Agent, for itself and on behalf of the Junior Priority Creditors represented thereby, hereby waives any and all rights it or such Junior Priority Creditors may have as a junior lien creditor or otherwise to contest, protest, object to or interfere with the manner in which any Senior Priority Agent or any Senior Priority Creditor seeks to enforce its Liens in any Collateral.

(b) Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that it and they shall not (and hereby waives any right to) take any action to contest or challenge (or assist or support any other Person in contesting or challenging), directly or indirectly, whether or not in any proceeding (including in any Insolvency Proceeding), the validity, priority, enforceability, or perfection of the Liens of any other Junior Priority Agent or any other Junior Priority Creditor in respect of the Collateral, or the provisions of this Agreement (except as may be separately otherwise agreed in writing by and between such Junior Priority Agent, on behalf of itself and the Junior Priority Creditors represented thereby, and the other relevant Junior Priority Agent, on behalf of itself and the Junior Priority Creditors represented thereby). Except to the extent expressly set forth in this Agreement, each Junior Priority Agent, for itself and on behalf of the Junior Priority Creditors represented thereby, agrees that no Junior Priority Agent or Junior Priority Creditor will take any action that would interfere with any Exercise of Secured Creditor Remedies undertaken by any other Junior Priority Agent or any other Junior Priority Creditor under the Junior Priority Documents with respect to the Collateral (except as may be separately otherwise agreed in writing by and between such Junior Priority Agent, on behalf of itself and the Junior Priority Creditors represented thereby, and the other relevant Junior Priority Agent, on behalf of itself and the Junior Priority Creditors represented thereby). Except to the extent expressly set forth in this Agreement, each Junior Priority Agent, for itself and on behalf of the Junior Priority Creditors represented thereby, hereby waives any and all rights it or such Junior Priority Creditors may have as a junior lien creditor or otherwise to contest, protest, object to or interfere with the manner in which any other Junior Priority Agent or any other Junior Priority Creditor seeks to enforce its Liens in any Collateral (except as may be separately otherwise agreed in writing by and between such Junior Priority Agent, on behalf of itself and the Junior Priority Creditors represented thereby, and the other relevant Junior Priority Agent, on behalf of itself and the Junior Priority Creditors represented thereby).

(c) Each Senior Priority Agent, for and on behalf of itself and the Senior Priority Creditors represented thereby, agrees that it and they shall not (and hereby waives any right to) take any action to contest or challenge (or assist or support any other Person in contesting or challenging), directly or indirectly, whether or not in any proceeding (including in any Insolvency Proceeding), the validity, priority, enforceability, or perfection of the Liens of any other Senior Priority Agent or any other Senior Priority Creditor in respect of the Collateral, or the provisions of this Agreement (except as may be separately otherwise agreed in writing by and between such Senior Priority Agent, on behalf of itself and the Senior Priority Creditors represented thereby, and the other relevant Senior Priority Agent, on behalf of itself and the Senior Priority Creditors represented thereby). Except to the extent expressly set forth in this Agreement, each Senior Priority Agent, for itself and on behalf of the Senior Priority Creditors represented thereby, agrees that no Senior Priority Agent or Senior Priority Creditor will take any action that would interfere with any Exercise of Secured Creditor Remedies undertaken by

any other Senior Priority Agent or any other Senior Priority Creditor under the Senior Priority Documents with respect to the Collateral (except as may be separately otherwise agreed in writing by and between such Senior Priority Agent, on behalf of itself and the Senior Priority Creditors represented thereby, and the other relevant Senior Priority Agent, on behalf of itself and the Senior Priority Creditors represented thereby). Except to the extent expressly set forth in this Agreement, each Senior Priority Agent, for itself and on behalf of the Senior Priority Creditors represented thereby, hereby waives any and all rights it or such Senior Priority Creditors may have as a senior lien creditor or otherwise to contest, protest, object to or interfere with the manner in which any other Senior Priority Agent or any other Senior Priority Creditor seeks to enforce its Liens in any Collateral (except as may be separately otherwise agreed in writing by and between such Senior Priority Agent, on behalf of itself and the Senior Priority Creditors represented thereby, and the other relevant Senior Priority Agent, on behalf of itself and the Senior Priority Creditors represented thereby).

(d) The assertion of priority rights established under the terms of this Agreement shall not be considered a challenge to Lien priority of any Party prohibited by this Section 2.02.

Section 2.03 Remedies Standstill.

(a) Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that, until the Discharge of Senior Priority Obligations, such Junior Priority Agent and such Junior Priority Creditors:

(i) will not, and will not seek to, Exercise Any Secured Creditor Remedies (or institute or join in any action or proceeding with respect to the Exercise of Secured Creditor Remedies) with respect to the Collateral without the written consent of the Senior Priority Representative; provided that any Junior Priority Agent may Exercise Any Secured Creditor Remedies after a period of 180 consecutive days has elapsed from the date of delivery of written notice by such Junior Priority Agent to each Senior Priority Agent stating that an Event of Default (as defined under the applicable Junior Priority Credit Facility) has occurred and is continuing thereunder and stating its intention to Exercise Any Secured Creditor Remedies (the "Standstill Period"), and then such Junior Priority Agent may Exercise Any Secured Creditor Remedies only so long as no Senior Priority Secured Party shall have commenced (or attempted to commence or given notice of its intent to commence) the Exercise of Secured Creditor Remedies with respect to the Collateral (including seeking relief from the automatic stay or any other stay in any Insolvency Proceeding); provided further that notwithstanding anything herein to the contrary, in no event shall the Junior Priority Agent Exercise Any Secured Creditor Remedies with respect to the Collateral if, notwithstanding the expiration of the Standstill Period, Senior Priority Secured Party shall have commenced and be diligently pursuing the Exercise of Secured Creditor Remedies (or shall have sought or requested relief or modification of the automatic stay or any other stay in an Insolvency Proceeding to enable the commencement and pursuit thereof); and

(ii) will not contest, protest or object to any foreclosure proceeding or action brought by the Senior Priority Representative or any other Senior Priority Agent of any

rights and remedies relating to the Collateral under the Senior Priority Credit Facilities or otherwise, in each case so long as any Proceeds are distributed in accordance with Section 4.01;

(iii) will not knowingly take, receive or accept any Proceeds of the Collateral in connection with any Exercise of Secured Creditor Remedies except to the extent such Proceeds were paid pursuant to Section 4.01; and

(iv) subject to their rights under clause (a)(i) above, will not object to the forbearance by the Senior Priority Representative or any other Senior Priority Agent or the Senior Priority Creditors from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Collateral, in each case so long as any Proceeds are distributed in accordance with Section 4.01.

(b) Until the Discharge of Senior Priority Obligations, whether or not any Insolvency Proceeding has been commenced by or against any Loan Party, subject to Section 2.03(a)(i), the Senior Priority Representative (or its agent or nominee) shall have the exclusive right to Exercise Any Secured Creditor Remedies without any consultation with or the consent of the Junior Priority Representative, any other Junior Priority Agent or any Junior Priority Creditor; provided that any Proceeds are distributed in accordance with Section 4.01.

(c) From and after the Discharge of Senior Priority Obligations, any Junior Priority Agent and any Junior Priority Creditor may Exercise Any Secured Creditor Remedies under the Junior Priority Documents or applicable law as to any Collateral; subject to the provisions of this Agreement, including Section 4.01. Notwithstanding anything to the contrary contained herein, any Junior Priority Agent or any Junior Priority Secured Party may:

(i) make such demands or file such claims in respect of the [Senior] [Junior] Priority Obligations owed to such [Senior] [Junior] Priority Agent and the [Senior] [Junior] Priority Creditors represented thereby as are necessary to prevent the waiver or bar of such claims under applicable statutes of limitations or other statutes, court orders, or rules of procedure at any time;

(ii) file a claim or statement of interest with respect to the Junior Priority Obligations;

(iii) take any action in order to create, prove, perfect, preserve or protect (but not enforce) its Lien on and rights in, and the perfection and priority of its Lien on, any of the Collateral;

(iv) file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims of the Junior Priority Secured Parties represented thereby or of the same Series of Senior Priority Debt, in accordance with the terms of this Agreement;

(v) file any pleadings, objections, motions or agreements which assert rights or interests available to unsecured creditors of the Loan Parties arising under either any Insolvency Proceeding or applicable non-bankruptcy law, in each case not inconsistent with the terms of this Agreement or applicable law (including the Bankruptcy Laws of any applicable jurisdiction); and

(vi) vote on any Plan of Reorganization, file any proof of claim, make other filings and make any arguments and motions (including in support of or opposition to, as applicable, the confirmation or approval of any Plan of Reorganization) that are, in each case, in accordance with the terms of this Agreement.

(d) Any Senior Priority Agent, on behalf of itself and any Senior Priority Creditors represented thereby, agrees that such Senior Priority Agent and such Senior Priority Creditors will not, and will not seek to, Exercise Any Secured Creditor Remedies (or institute or join in any action or proceeding with respect to the Exercise of Secured Creditor Remedies) with respect to any of the Collateral without the written consent of the Senior Priority Representative; provided that nothing in this sentence shall prohibit any Senior Priority Agent from taking such actions in its capacity as Senior Priority Representative, if applicable. The Senior Priority Representative may Exercise Any Secured Creditor Remedies under the Senior Priority Collateral Documents or applicable law as to any Collateral subject to the provisions of this Agreement, including Section 4.01 hereof. Notwithstanding anything to the contrary contained herein, any Senior Priority Agent or any Senior Priority Secured Party may:

(i) make such demands or file such claims in respect of the [Senior] [Junior] Priority Obligations owed to such [Senior] [Junior] Priority Agent and the [Senior] [Junior] Priority Creditors represented thereby as are necessary to prevent the waiver or bar of such claims under applicable statutes of limitations or other statutes, court orders, or rules of procedure at any time;

(ii) file a claim or statement of interest with respect to the Senior Priority Obligations;

(vi) vote on any Plan of Reorganization, file any proof of claim, make other filings and make any arguments and motions (including in support of or opposition to, as applicable, the confirmation or approval of any Plan of Reorganization) that are, in each case, in accordance with the terms of this Agreement.

Section 2.04 Exercise of Rights.

(a) No Other Restrictions. Except as expressly set forth in this Agreement, (i) each Agent and each Creditor shall have any and all rights and remedies it may have as a creditor under applicable law, including the right to the Exercise of Secured Creditor Remedies (except as may be separately otherwise agreed in writing by and between or among any applicable Parties, solely as among such Parties and the Creditors represented thereby), and (ii) nothing in this Agreement shall prohibit the receipt by any Agent or any Secured Party of the required payment of principal and interest so long as, in the case of any Junior Priority Agent or Junior Priority Secured Party, such receipt is not the direct or indirect result of the Exercise of Secured Creditor Remedies in contravention of this Agreement and such receipt is not Proceeds of Collateral; provided, however, that the Exercise of Secured Creditor Remedies with respect to the Collateral shall be subject to the Lien Priority and to the provisions of this Agreement, including Section 4.01. Each Senior Priority Agent may enforce the provisions of the applicable Senior Priority Documents, each Junior Priority Agent may enforce the provisions of the applicable Junior Priority Documents, and each Agent may Exercise Any Secured Creditor Remedies, all in such order and in such manner as each may determine in the exercise of its sole discretion, consistent with the terms of this Agreement and mandatory provisions of applicable law (except as may be separately otherwise agreed in writing by and between or among any applicable Parties, solely as among such Parties and the Creditors represented thereby); provided, however, that each Agent agrees to provide to each other such Party copies of any notices that it is required under applicable law to deliver to any Loan Party; and provided, further, however, that any Senior Priority Agent's failure to provide any such copies to any other such Party shall not impair any Senior Priority Agent's rights hereunder or under any of the applicable Senior Priority Documents, and any Junior Priority Agent's failure to provide any such copies to any other such Party shall not impair any Junior Priority Agent's rights hereunder or under any of the applicable Junior Priority Documents. Each Agent agrees for and on behalf of itself and each Creditor represented thereby that such Agent and each such Creditor will not institute or join in any suit, Insolvency Proceeding or other proceeding or assert in any suit, Insolvency Proceeding or other proceeding any claim, (x) in the case of any Junior Priority Agent and any Junior Priority Creditor represented thereby, against any Senior Priority Secured Party, and (y) in the case of any Senior Priority Agent and any Senior Priority Creditor represented thereby, against any Junior Priority Secured Party, seeking damages from or other relief by way of specific performance, instructions or otherwise, with respect to any action taken or omitted to be taken by such Person with respect to the Collateral that is consistent with the terms of this Agreement, and none of such Persons shall be liable for any such action taken or omitted to be taken. Except as may be separately otherwise agreed in writing by and between or among any applicable Senior Priority Agents, in each case on behalf of itself and the Senior Priority Creditors represented thereby, each Senior Priority Agent agrees for and on behalf of any Senior Priority Creditors represented thereby that such Agent and each such Creditor will not institute or join in any suit,

Insolvency Proceeding or other proceeding or assert in any suit, Insolvency Proceeding or other proceeding any claim against any other Senior Priority Agent or any Senior Priority Creditor represented thereby seeking damages from or other relief by way of specific performance, instructions or otherwise, with respect to any action taken or omitted to be taken by such Person with respect to the Collateral that is consistent with the terms of this Agreement, and none of such Persons shall be liable for any such action taken or omitted to be taken. Except as may be separately otherwise agreed in writing by and between or among any Junior Priority Agents, in each case on behalf of itself and the Junior Priority Creditors represented thereby, each Junior Priority Agent agrees for and on behalf of any Junior Priority Creditors represented thereby that such Agent and each such Creditor will not institute or join in any suit, Insolvency Proceeding or other proceeding or assert in any suit, Insolvency Proceeding or other proceeding any claim against any other Junior Priority Agent or any Junior Priority Creditor represented thereby seeking damages from or other relief by way of specific performance, instructions or otherwise, with respect to any action taken or omitted to be taken by such Person with respect to the Collateral that is consistent with the terms of this Agreement, and none of such Persons shall be liable for any such action taken or omitted to be taken.

(b) Release of Liens. In the event of (A) any private or public sale of all or any portion of the Collateral in connection with any Exercise of Secured Creditor Remedies by or with the consent of the Senior Priority Representative, (B) any sale, transfer or other disposition of all or any portion of the Collateral other than in connection with any Exercise of Secured Creditor Remedies, so long as such sale, transfer or other disposition is then permitted by the Senior Priority Documents, or (C) the release of the Senior Priority Secured Parties' Liens on all or any portion of the Collateral which release under clause (C) shall have been approved by all of the requisite Senior Priority Secured Parties (as determined pursuant to the applicable Senior Priority Documents), in the case of clauses (B) and (C) only to the extent occurring prior to the Discharge of Senior Priority Obligations and not in connection with a Discharge of Senior Priority Obligations (and irrespective of whether an Event of Default has occurred), each Junior Priority Agent agrees, for and on behalf of itself and the Junior Priority Creditors represented thereby, that (x) so long as (1) the net cash proceeds of any such sale, if any, described in clause (A) above are applied as provided in Section 4.01 hereof and (2) there is a corresponding release of the Liens securing the Senior Priority Obligations, such sale or release will be free and clear of the Liens on such Collateral securing the Junior Priority Obligations and (y) such Junior Priority Secured Parties' Liens with respect to the Collateral so sold, transferred, disposed or released shall terminate and be automatically released without further action. In furtherance of, and subject to, the foregoing, each Junior Priority Agent agrees that it will execute any and all Lien releases or other documents reasonably requested by any Senior Priority Agent in connection therewith, so long as the net cash proceeds, if any, from such sale described in clause (A) above of such Collateral are applied in accordance with the terms of this Agreement. Each Junior Priority Agent hereby appoints the Senior Priority Representative and any officer or duly authorized person of the Senior Priority Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power of attorney in the place and stead of such Junior Priority Agent and in the name of such Junior Priority Agent or in the Senior Priority Representative's own name, from time to time, in the Senior Priority Representative's sole discretion, for the purposes of carrying out the terms of this paragraph, to take any and all

appropriate action and to execute and deliver any and all documents and instruments as may be necessary or desirable to accomplish the purposes of this paragraph, including any financing statements, endorsements, assignments, releases or other documents or instruments of transfer (which appointment, being coupled with an interest, is irrevocable). Until the Discharge of Senior Priority Obligations, to the extent that the Senior Priority Secured Parties (i) have released any Lien on Collateral and any such Lien is later reinstated or (ii) obtain any new Senior Priority Liens, then the Junior Priority Secured Parties shall at the time of such reinstatement or new Senior Priority Liens be granted a Junior Priority Lien on any such Collateral.

Section 2.05 No New Liens.¹

(a) Until the Discharge of Senior Priority Obligations, each Junior Priority Agent, for and on behalf of itself and any Junior Priority Creditors represented thereby, hereby agrees that:

(i) no Junior Priority Secured Party shall acquire or hold (x) any guaranty of Junior Priority Obligations by any Person unless such Person also provides (or is prohibited by applicable law from providing) a guaranty of the Senior Priority Obligations, or (y) any Lien on (unless prohibited by any applicable law) any assets of any Loan Party securing any Junior Priority Obligation, which assets are not also subject to the Lien of each Senior Priority Agent under the Senior Priority Documents, subject to the Lien Priority set forth herein; and

(ii) if any such Junior Priority Secured Party shall (nonetheless and in breach hereof) acquire or hold any guaranty of Junior Priority Obligations by any Person who does not also provide a guaranty of Senior Priority Obligations or any Lien on any assets of any Loan Party securing any Junior Priority Obligation, which assets are not also subject to the Lien of each Senior Priority Agent under the Senior Priority Documents, subject to the Lien Priority set forth herein, then such Junior Priority Agent (or the relevant Junior Priority Creditor) shall, without the need for any further consent of any other Junior Priority Secured Party and notwithstanding anything to the contrary in any other Junior Priority Document, be deemed to also hold and have held such guaranty or Lien for the benefit of the Senior Priority Agents as security for the Senior Priority Obligations (subject to the Lien Priority and other terms hereof) and shall promptly notify each Senior Priority Agent in writing of the existence of such Lien.

¹ Form note: clauses (a), (b) and (c) may be omitted (or modified, as appropriate) at the Borrower's direction subject to consultation with the Administrative Agent in circumstances in which a Secured Party has, or may be entitled to have, Collateral or credit support that the other Secured Parties do not have.

(b) Until the Discharge of Senior Priority Obligations, except as may be separately otherwise agreed in writing by and between or among any applicable Senior Priority Agents, in each case, on behalf of itself and any Senior Priority Creditors represented thereby, each Senior Priority Agent, for and on behalf of itself and the Senior Priority Creditors represented thereby, hereby agrees that:

(i) no such Senior Priority Secured Party shall acquire or hold (x) any guaranty of any Senior Priority Obligations by any Person unless such Person also provides (or is prohibited by applicable law from providing) a guaranty of all the other Senior Priority Obligations, or (y) any Lien on (unless prohibited by any applicable law) any assets (other than any Excluded Cash Collateral) of any Loan Party securing any Senior Priority Obligation, which assets are not also subject to the Lien of each other Senior Priority Agent under the Senior Priority Documents, subject to the Lien Priority set forth herein; and

(ii) if any such Senior Priority Secured Party shall (nonetheless and in breach hereof) acquire or hold any guaranty of any Senior Priority Obligations by any Person who does not also provide a guaranty of all other Senior Priority Obligations or any Lien on any assets of any Loan Party securing any Senior Priority Obligation, which assets are not also subject to the Lien of each other Senior Priority Agent under the Senior Priority Documents, subject to the Lien Priority set forth herein, then such Senior Priority Agent (or the relevant Senior Priority Creditor) shall, without the need for any further consent of any other Senior Priority Secured Party and notwithstanding anything to the contrary in any other Senior Priority Document, be deemed to also hold and have held such guaranty or Lien for the benefit of each other Senior Priority Agent as security for the other Senior Priority Obligations (subject to the Lien Priority and other terms hereof) and shall promptly notify each Senior Priority Agent in writing of the existence of such Lien.

(c) Until the Discharge of Junior Priority Obligations, except as may be separately otherwise agreed in writing by and between or among any applicable Junior Priority Agents, in each case, on behalf of itself and any Junior Priority Creditors represented thereby, each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, hereby agrees that:

(i) no such Junior Priority Secured Party shall acquire or hold (x) any guaranty of any Junior Priority Obligations by any Person unless such Person also provides (or is prohibited by applicable law from providing) a guaranty of all the other Junior Priority Obligations, or (y) any Lien on (unless prohibited by any applicable law) any assets of any Loan Party securing any Junior Priority Obligation, which assets are not also subject to the Lien of each other Junior Priority Agent under the Junior Priority Documents, subject to the Lien Priority set forth herein; and

(ii) if any such Junior Priority Secured Party shall (nonetheless and in breach hereof) acquire or hold any guaranty of any Junior Priority Obligations by any Person who does not also provide a guaranty of all other Junior Priority Obligations or any Lien on any assets of any Loan Party securing any Junior Priority Obligation, which assets are not also subject to the Lien of each other Junior Priority Agent under the Junior Priority Documents, subject to the Lien Priority set forth herein, then such Junior Priority Agent (or the relevant Junior Priority Creditor) shall, without the need for any further consent of any other Junior Priority Secured Party and notwithstanding anything to the contrary in any other Junior Priority Document, be deemed to also hold and have held such guaranty or Lien for the benefit of each other Junior Priority Agent as security for the other Junior Priority Obligations (subject to the Lien Priority and other terms hereof) and shall promptly notify each Junior Priority Agent in writing of the existence of such Lien.

(d) No Secured Party shall be deemed to be in breach of this Section 2.05 as a result of any other Secured Party expressly declining, in writing (by virtue of the scope of the grant of Liens, including exceptions thereto and exclusions therefrom), to acquire, hold or continue to hold any Lien in any asset of any Loan Party.

Section 2.06 Waiver of Marshalling. Until the Discharge of Senior Priority Obligations, each Junior Priority Agent (including in its capacity as Junior Priority Representative, if applicable), on behalf of itself and the Junior Priority Secured Parties represented thereby, agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshalling, appraisal, valuation or other similar right that may otherwise be available under applicable law with respect to the Collateral or any other similar rights a junior secured creditor may have under applicable law.

**ARTICLE III.
ACTIONS OF THE PARTIES**

Section 3.01 Agent for Perfection.

(a) Each Loan Party shall deliver all Cash Collateral or Control Collateral when required to be delivered pursuant to the Credit Documents to (x) until the Discharge of Senior Priority Obligations, the Senior Priority Representative and (y) thereafter, the Junior Priority Representative.

(b) Each Agent, for and on behalf of itself and the Secured Parties represented thereby, agrees to hold all Cash Collateral and Control Collateral in its possession, custody, or control (or in the possession, custody, or control of agents or bailees therefor) for the benefit of, on behalf of and as agent for the other Secured Parties solely for the purpose of perfecting the security interest granted to each other Agent or Secured Party in such Cash Collateral and Control Collateral, subject to the terms and conditions of this Section 3.01. Such Agent shall not have any obligation whatsoever to the other Secured Parties to assure that such Cash Collateral and Control Collateral is genuine or owned by any Loan Party or any other Person or to preserve rights or benefits of any Person therein. The duties or responsibilities of such Agent under this Section 3.01 are and shall be limited solely to holding or maintaining control of such Cash Collateral and Control Collateral as agent for the Secured Parties for purposes of perfecting the Lien held by the Secured Parties. Such Agent is not and shall not be deemed to be a fiduciary of any kind for any Secured Party or any other Person.

(c) In the event that any Secured Party receives any Collateral or Proceeds of the Collateral in violation of the terms of this Agreement, then such Secured Party shall promptly pay over such Proceeds or Collateral to (x) until the Discharge of Senior Priority Obligations, the Senior Priority Representative, and (y) thereafter, the Junior Priority Representative, in the same form as received with any necessary endorsements, for application in accordance with the provisions of Section 4.01 hereof.

(d) It is understood and agreed that the interests of the Senior Priority Agents and the Senior Lien Creditors, on the one hand, and the Junior Priority Agent and the Junior Priority Creditors, on the other hand, may differ and the Senior Priority Agents and the Senior Priority Creditors shall be fully entitled to act in their own interest without taking into account the interests of the Junior Priority Agents or the Junior Priority Creditors.

Section 3.02 Sharing of Information and Access. In the event that any Junior Priority Agent shall, in the exercise of its rights under the applicable Junior Priority Collateral Documents or otherwise, receive possession or control of any books and records of any Loan Party that contain information identifying or pertaining to the Collateral, such Junior Priority Agent shall, upon request from any other Agent, and as promptly as practicable thereafter, either make available to such Agent such books and records for inspection and duplication or provide to such Agent copies thereof. In the event that any Senior Priority Agent shall, in the exercise of its rights under the applicable Senior Priority Collateral Documents or otherwise, receive possession or control of any books and records of any Loan Party that contain information identifying or pertaining to the Collateral, such Senior Priority Agent shall, upon request from any other Agent, and as promptly as practicable thereafter, either make available to such Agent such books and records for inspection and duplication or provide to such Agent copies thereof.

Section 3.03 Insurance. Proceeds of Collateral include insurance proceeds and, therefore, the Lien Priority shall govern the ultimate disposition of casualty insurance proceeds. The Senior Priority Representative and the Junior Priority Representative shall be named as additional insured or loss payee, as applicable, with respect to all insurance policies relating to Collateral. Until the Discharge of Senior Priority Obligations, (a) the Senior Priority Representative shall have the sole and exclusive right, as against any Secured Party, to adjust settlement of insurance claims in the event of any covered loss, theft or destruction of Collateral and (b) all proceeds of such insurance shall be remitted to the Senior Priority Representative, and each other Agent shall cooperate (if necessary) in a reasonable manner in effecting the payment of insurance proceeds in accordance with Section 4.01.

Section 3.04 No Additional Rights for the Loan Parties Hereunder. If any Secured Party shall enforce its rights or remedies in violation of the terms of this Agreement, the Loan Parties shall not be entitled to use such violation as a defense to any action by any Secured Party, nor to assert such violation as a counterclaim or basis for set off or recoupment against any Secured Party.

The Lien Priority shall not be altered or otherwise affected by any such amendment, modification, supplement, extension, repayment, reborrowing, increase, replacement, renewal, restatement or refinancing of the Original First Lien Obligations, the []ⁱ [First/Second]ⁱⁱ Lien Obligations, or any Additional Obligations, or any portion thereof.

The Lien Priority shall not be altered or otherwise affected by any such amendment, modification, supplement, extension, repayment, reborrowing, increase, replacement, renewal, restatement or refinancing of the Original First Lien Obligations, the []ⁱ [First/Second]ⁱⁱ Lien Obligations, or any Additional Obligations, or any portion thereof.

(d) Application of Proceeds of Collateral. Except as may be separately otherwise agreed in writing by and between or among any applicable Agents, each Agent for, and on behalf of itself and the Secured Parties represented thereby, hereby agrees that all Collateral, and all Proceeds thereof, in each case, received by any Agent in connection with any Exercise of Secured Creditor Remedies shall be applied as follows, subject to clause (e) of this Section 4.01:

first, to the payment, on a pro rata basis, of costs and expenses of each Agent, as applicable, in connection with such Exercise of Secured Creditor Remedies (other than any costs and expenses of any Junior Priority Agent in connection with any Exercise of Secured Creditor Remedies by it in willful violation of this Agreement (as determined in good faith by the Senior Priority Agent), which costs and expenses shall be payable in accordance with clause third of this paragraph (d) to the extent that such costs and expenses constitute Junior Priority Obligations);

second, to the payment of Senior Priority Obligations owing to the Senior Priority Secured Parties represented by each Senior Priority Agent in accordance with the applicable Senior Priority Credit Facility, which payment shall be made between and among the Senior Priority Obligations owing to Senior Priority Secured Parties represented by different Senior Priority Agents on a pro rata basis (except as may be separately otherwise agreed in writing by and between or among any applicable Senior Priority Agents, in each case on behalf of itself and the Senior Priority Secured Parties represented thereby);

third, to the payment of Junior Priority Obligations owing to the Junior Priority Secured Parties represented by each Junior Priority Agent in accordance with the applicable Junior Priority Credit Facility, which payment shall be made between and among the Junior Priority Obligations owing to Junior Priority Secured Parties represented by different Junior Priority Agents on a pro rata basis (except as may be separately otherwise agreed in writing by and between or among any applicable Junior Priority Agents, in each case on behalf of itself and the Junior Priority Secured Parties represented thereby); and

fourth, the balance, if any, to the Loan Parties or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

Each Senior Priority Agent shall provide the Senior Priority Representative with such information about the Senior Priority Obligations owing to the Senior Priority Secured Parties represented by it as they may reasonably request in order to carry out the purposes of this Section 4.01. Each Junior Priority Agent shall provide the Junior Priority Representative with such information about the Junior Priority Obligations owing to the Junior Priority Secured Parties represented by it as they may reasonably request in order to carry out the purposes of this Section 4.01.

(e) Limited Obligation or Liability. In exercising remedies, whether as a secured creditor or otherwise, no Senior Priority Agent shall have any obligation or liability to any Junior Priority Secured Party, or (except as may be separately agreed in writing by and between or among any applicable Senior Priority Agents, in each case on behalf of itself and the Senior Priority Creditors represented thereby) to any other Senior Priority Secured Party, in each case regarding the adequacy of any Proceeds or for any action or omission, save and except solely for an action or omission that breaches the express obligations undertaken by such Senior Priority Agent under the terms of this Agreement. In exercising remedies, whether as a secured creditor or otherwise, no Junior Priority Agent shall have any obligation or liability (except as may be separately agreed in writing by and between or among any applicable Junior Priority Agents, in each case on behalf of itself and the Junior Priority Creditors represented thereby) to any other Junior Priority Secured Party, in each case regarding the adequacy of any Proceeds or for any action or omission, save and except solely for an action or omission that breaches the express obligations undertaken by such Junior Priority Agent under the terms of this Agreement.

(f) Turnover of Cash Collateral After Discharge. Upon the Discharge of Senior Priority Obligations, each Senior Priority Agent shall deliver to the Junior Priority Representative or shall execute such documents as the Company or as the Junior Priority Representative may reasonably request to enable it to have control over any Cash Collateral or Control Collateral still in such Senior Priority Agent's possession, custody or control in the same form as received with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. As between any Junior Priority Agent and any other Junior Priority Agent, any such Cash Collateral or Control Collateral held by any such Party shall be held by it subject to the terms and conditions of Section 3.01.

(g) Senior Intervening Creditor. Notwithstanding anything in Section 4.01(d) to the contrary, solely as among the Senior Priority Secured Parties with respect to any Collateral for which a third party (other than a Senior Priority Secured Party) has a Lien or security interest that is junior in priority to the Lien or security interest of any Series of Senior Priority Debt but senior (as determined by appropriate legal proceedings in the case of any dispute) to the Lien or security interest of any other Series of Senior Priority Debt (such third party an "Senior Intervening Creditor"), the value of any Collateral or Proceeds that are allocated to such Senior

Intervening Creditor shall be deducted on a ratable basis solely from the Collateral or Proceeds thereof to be distributed in respect of the Series of Senior Priority Debt with respect to which such Impairment exists.

(h) Junior Intervening Creditor. Notwithstanding anything in Section 4.01(d) to the contrary, solely as among the Junior Priority Secured Parties with respect to any Collateral for which a third party (other than a Junior Priority Secured Party) has a Lien or security interest that is junior in priority to the Lien or security interest of any Series of Junior Priority Debt but senior (as determined by appropriate legal proceedings in the case of any dispute) to the Lien or security interest of any other Series of Junior Priority Debt (such third party an “Junior Intervening Creditor”), the value of any Collateral or Proceeds that are allocated to such Junior Intervening Creditor shall be deducted on a ratable basis solely from the Collateral or Proceeds thereof to be distributed in respect of the Series of Junior Priority Debt with respect to which such Impairment exists.

Section 4.02 Specific Performance and Other Relief. Each Agent is hereby authorized to demand specific performance of this Agreement or obtain relief by injunction or other appropriate equitable relief, whether or not any Loan Party shall have complied with any of the provisions of any of the Credit Documents, at any time when any other Party shall have failed to comply with any of the provisions of this Agreement applicable to it. Each Agent, for and on behalf of itself and the Secured Parties represented thereby, hereby irrevocably waives any defense based on the adequacy of a remedy at law that might be asserted as a bar to such remedy of specific performance, injunctive relief or other equitable relief.

ARTICLE V. INTERCREDITOR ACKNOWLEDGEMENTS AND WAIVERS

Section 5.01 Notice of Acceptance and Other Waivers.

(a) All Senior Priority Obligations at any time made or incurred by any Loan Party shall be deemed to have been made or incurred in reliance upon this Agreement, and each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, hereby waives notice of acceptance of, or proof of reliance by any Senior Priority Agent or any Senior Priority Creditors on, this Agreement, and notice of the existence, increase, renewal, extension, accrual, creation, or nonpayment of all or any part of the Senior Priority Obligations.

(b) None of the Senior Priority Agents (including any Senior Priority Agent in its capacity as Senior Priority Representative, if applicable), the Senior Priority Creditors, or any of their respective Affiliates, or any of the respective directors, officers, employees, or agents of any of the foregoing, shall be liable for failure to demand, collect, or realize upon any of the Collateral or any Proceeds, or for any delay in doing so, or shall be under any obligation to sell or otherwise dispose of any Collateral or Proceeds thereof or to take any other action whatsoever with regard to the Collateral or any part or Proceeds thereof, except as specifically provided in this Agreement. If any Senior Priority Agent or Senior Priority Creditor honors (or fails to honor) a request by any Borrower for an extension of credit pursuant to any Senior Priority Credit Facility or any other Senior Priority Document, whether or not such Senior Priority Agent or

Senior Priority Creditor has knowledge that the honoring of (or failure to honor) any such request would constitute a default under the terms of any Junior Priority Credit Facility or any other Junior Priority Document (but not a default under this Agreement) or would constitute an act, condition, or event that, with the giving of notice or the passage of time, or both, would constitute such a default, or if any Senior Priority Agent or Senior Priority Creditor otherwise should exercise any of its contractual rights or remedies under any Senior Priority Documents (subject to the express terms and conditions hereof), no Senior Priority Agent or Senior Priority Creditor shall have any liability whatsoever to any Junior Priority Agent or Junior Priority Creditor as a result of such action, omission, or exercise, in each case so long as any such exercise does not breach the express terms and provisions of this Agreement. Each Senior Priority Secured Party shall be entitled to manage and supervise its loans and extensions of credit under the relevant Senior Priority Credit Facility and other Senior Priority Documents as it may, in its sole discretion, deem appropriate, and may manage its loans and extensions of credit without regard to any rights or interests that the Junior Priority Agents or Junior Priority Creditors have in the Collateral, except as otherwise expressly set forth in this Agreement. Each Junior Priority Agent, on behalf of itself and the Junior Priority Creditors represented thereby, agrees that no Senior Priority Agent or Senior Priority Creditor shall incur any liability as a result of a sale, lease, license, application, or other disposition of all or any portion of the Collateral or Proceeds thereof pursuant to the Senior Priority Documents, in each case so long as such disposition is conducted in accordance with mandatory provisions of applicable law and does not breach the provisions of this Agreement.

Section 5.02 Modifications to Senior Priority Documents and Junior Priority Documents.

(a) Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, hereby agrees that, without affecting the obligations of such Junior Priority Secured Parties hereunder, each Senior Priority Agent and the Senior Priority Creditors represented thereby may, at any time and from time to time, in their sole discretion without the consent of or notice to any Junior Priority Secured Party (except to the extent such notice or consent is required pursuant to the express provisions of this Agreement), and without incurring any liability to any such Junior Priority Secured Party or impairing or releasing the subordination provided for herein, amend, restate, supplement, replace, refinance, extend, consolidate, restructure, or otherwise modify any of the Senior Priority Documents in any manner whatsoever, including, to:

(i) change the manner, place, time, or terms of payment or renew, alter or increase, all or any of the Senior Priority Obligations or otherwise amend, restate, supplement, or otherwise modify in any manner, or grant any waiver or release with respect to, all or any part of the Senior Priority Obligations or any of the Senior Priority Documents;

(ii) retain or obtain a Lien on any Property of any Person to secure any of the Senior Priority Obligations, and in connection therewith to enter into any additional Senior Priority Documents;

(iii) amend, or grant any waiver, compromise, or release with respect to, or consent to any departure from, any guaranty or other obligations of any Person obligated in any manner under or in respect of the Senior Priority Obligations;

(iv) release its Lien on any Collateral and/or any Excluded Cash Collateral or other Property;

(v) exercise or refrain from exercising any rights against any Loan Party or any other Person;

(vii) otherwise manage and supervise the Senior Priority Obligations as the applicable Senior Priority Agent shall deem appropriate.

(b) Each Senior Priority Agent, for and on behalf of itself and the Senior Priority Creditors represented thereby, hereby agrees that, without affecting the obligations of such Senior Priority Secured Parties hereunder, each Junior Priority Agent and the Junior Priority Creditors represented thereby may, at any time and from time to time, in their sole discretion without the consent of or notice to any such Senior Priority Secured Party (except to the extent such notice or consent is required pursuant to the express provisions of this Agreement), and without incurring any liability to any such Senior Priority Secured Party or impairing or releasing the priority provided for herein, amend, restate, supplement, replace, refinance, extend, consolidate, restructure, or otherwise modify any of the Junior Priority Documents in any manner whatsoever, including, to:

(i) change the manner, place, time, or terms of payment or renew, alter or increase, all or any of the Junior Priority Obligations or otherwise amend, restate, supplement, or otherwise modify in any manner, or grant any waiver or release with respect to, all or any part of the Junior Priority Obligations or any of the Junior Priority Documents;

(ii) retain or obtain a Lien on any Property of any Person to secure any of the Junior Priority Obligations, and in connection therewith to enter into any additional Junior Priority Documents;

(iii) amend, or grant any waiver, compromise, or release with respect to, or consent to any departure from, any guaranty or other obligations of any Person obligated in any manner under or in respect of the Junior Priority Obligations;

- (vi) retain or obtain the primary or secondary obligation of any other Person with respect to any of the Junior Priority Obligations; and
- (vii) otherwise manage and supervise the Junior Priority Obligations as the Junior Priority Agent shall deem appropriate.

(c) Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Secured Parties represented thereby, agrees that each Junior Priority Collateral Document shall include the following language (or language to similar effect):

“Notwithstanding anything herein to the contrary, the lien and security interest granted to [name of Junior Priority Agent] pursuant to this Agreement and the exercise of any right or remedy by [name of Junior Priority Agent] hereunder are subject to the provisions of the Intercreditor Agreement, dated as of [] (as amended, restated, supplemented or otherwise modified, replaced or refinanced from time to time, the “Intercreditor Agreement”), initially among [], as the Original First Lien Agent, and [] as []ⁱ Second Lien Agent, and certain other persons party or that may become party thereto from time to time. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control.”

In addition, each Junior Priority Agent, for and on behalf of itself and the Junior Priority Secured Parties represented thereby, agrees that each Junior Priority Collateral Document consisting of a mortgage covering any Collateral consisting of real estate shall contain language appropriate to reflect the subordination of such Junior Priority Collateral Documents to the corresponding Senior Priority Collateral Documents.

(d) Except as may be separately otherwise agreed in writing by and between or among any applicable Senior Priority Agents, in each case on behalf of itself and the Senior Priority Creditors represented thereby, each Senior Priority Agent, for and on behalf of itself and the Senior Priority Creditors represented thereby, hereby agrees that, without affecting the obligations of such Senior Priority Secured Parties hereunder, any other Senior Priority Agent and any Senior Priority Creditors represented thereby may, at any time and from time to time, in their sole discretion without the consent of or notice to any such Senior Priority Secured Party (except to the extent such notice or consent is required pursuant to the express provisions of this Agreement) and without incurring any liability to any such Senior Priority Secured Party, amend, restate, supplement, replace, refinance, extend, consolidate, restructure, or otherwise modify any of the Senior Priority Documents to which such other Senior Priority Agent or any Senior Priority Creditor represented thereby is party or beneficiary in any manner whatsoever, including, to:

- (i) change the manner, place, time, or terms of payment or renew, alter or increase, all or any of the Senior Priority Obligations or otherwise amend, restate, supplement, or otherwise modify in any manner, or grant any waiver or release with respect to, all or any part of the Senior Priority Obligations or any of the Senior Priority Documents;

(ii) retain or obtain a Lien on any Property of any Person to secure any of the Senior Priority Obligations, and in connection therewith to enter into any Senior Priority Documents;

(iii) amend, or grant any waiver, compromise, or release with respect to, or consent to any departure from, any guaranty or other obligations of any Person obligated in any manner under or in respect of the Senior Priority Obligations;

(iv) release its Lien on any Collateral and/or any Excluded Cash Collateral or other Property;

(v) exercise or refrain from exercising any rights against any Loan Party or any other Person;

(vi) retain or obtain the primary or secondary obligation of any other Person with respect to any of the Senior Priority Obligations; and

(vii) otherwise manage and supervise the Senior Priority Obligations as such other Senior Priority Agent shall deem appropriate.

(e) Except, in each case, as may be separately otherwise agreed in writing by and between or among any applicable Junior Priority Agents, in each case on behalf of itself and the Junior Priority Creditors represented thereby, each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, hereby agrees that, without affecting the obligations of such Junior Priority Secured Parties hereunder, any other Junior Priority Agent and any Junior Priority Creditors represented thereby may, at any time and from time to time, in their sole discretion without the consent of or notice to any such Junior Priority Secured Party (except to the extent such notice or consent is required pursuant to the express provisions of this Agreement), and without incurring any liability to any such Junior Priority Secured Party, amend, restate, supplement, replace, refinance, extend, consolidate, restructure, or otherwise modify any of the Junior Priority Documents to which such other Junior Priority Agent or any Junior Priority Creditor represented thereby is party or beneficiary in any manner whatsoever, including, to:

(i) change the manner, place, time, or terms of payment or renew, alter or increase, all or any of the Junior Priority Obligations or otherwise amend, restate, supplement, or otherwise modify in any manner, or grant any waiver or release with respect to, all or any part of the Junior Priority Obligations or any of the Junior Priority Documents;

(ii) retain or obtain a Lien on any Property of any Person to secure any of the Junior Priority Obligations, and in connection therewith to enter into any Junior Priority Documents;

(iii) amend, or grant any waiver, compromise, or release with respect to, or consent to any departure from, any guaranty or other obligations of any Person obligated in any manner under or in respect of the Junior Priority Obligations;

(iv) release its Lien on any Collateral or other Property;

(vii) otherwise manage and supervise the Junior Priority Obligations as such other Junior Priority Agent shall deem appropriate.

(f) The Senior Priority Obligations and the Junior Priority Obligations may be refunded, replaced or refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is required to permit the refunding, replacement or refinancing transaction under any Senior Priority Document or any Junior Priority Document) of any Senior Priority Agent, Senior Priority Creditors, Junior Priority Agent or Junior Priority Creditors, as the case may be, all without affecting the Lien Priorities provided for herein or the other provisions hereof; provided, however, that, if the indebtedness refunding, replacing or refinancing any such Senior Priority Obligations or Junior Priority Obligations is to constitute Senior Priority Obligations or Junior Priority Obligations hereunder (as designated by the Company), as the case may be, the holders of such indebtedness (or an authorized agent or trustee on their behalf) bind themselves in writing to the terms of this Agreement pursuant to a joinder substantially in the form of Exhibit C hereto or otherwise in form and substance reasonably satisfactory to the Senior Priority Agents (other than any Designated Agent) and Junior Priority Agents (other than any Designated Agent) (or, if there is no continuing Agent other than Designated Agent, as designated by the Company), and any such refunding, replacement or refinancing transaction shall be in accordance with any applicable provisions of the Senior Priority Documents and the Junior Priority Documents. For the avoidance of doubt, the Senior Priority Obligations and Junior Priority Obligations may be refunded, replaced or refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is required to permit the refunding, replacement or refinancing transaction under any Senior Priority Document or any Junior Priority Document) of any Senior Priority Agent, Senior Priority Creditors, Junior Priority Agent or Junior Priority Creditors, as the case may be, through the incurrence of Additional Indebtedness, subject to Section 7.11 hereof.

Section 5.03 Reinstatement and Continuation of Agreement. If any Senior Priority Agent or Senior Priority Creditor is required in any Insolvency Proceeding or otherwise to turn over or otherwise pay to the estate of any Loan Party or any other Person any payment made in satisfaction of all or any portion of the Senior Priority Obligations (a "Senior Priority Recovery"), then the relevant Senior Priority Obligations shall be reinstated to the extent of such Senior Priority Recovery. In the event that (a) this Agreement shall have been terminated prior to such Senior Priority Recovery and (b) there exist any Junior Priority Obligations at the time of

such Senior Priority Recovery, then this Agreement shall be reinstated in full force and effect in the event of such Senior Priority Recovery, and such prior termination shall not diminish, release, discharge, impair, or otherwise affect the obligations of the Parties from such date of reinstatement. All rights, interests, agreements, and obligations of each Agent, each Senior Priority Creditor, and each Junior Priority Creditor under this Agreement shall remain in full force and effect and shall continue irrespective of the commencement of, or any discharge, confirmation, conversion, or dismissal of, any Insolvency Proceeding by or against any Loan Party or any other circumstance which otherwise might constitute a defense available to, or a discharge of, any Loan Party in respect of the Senior Priority Obligations or the Junior Priority Obligations. No priority or right of any Senior Priority Agent or any Senior Priority Creditor shall at any time be prejudiced or impaired in any way by any act or failure to act on the part of any Borrower or any Guarantor or by the noncompliance by any Person with the terms, provisions, or covenants of any of the Senior Priority Documents, regardless of any knowledge thereof which any Senior Priority Agent or any Senior Priority Creditor may have.

Section 5.04 Excluded Cash Collateral. Notwithstanding any other provision to the contrary contained in this Agreement, it is understood and agreed that this Agreement shall not restrict the rights of the Original First Lien Agent or the other Original First Lien Secured Parties to pursue enforcement proceedings, exercise remedies or make determinations with respect to the Excluded Cash Collateral or otherwise take actions with respect to the Excluded Cash Collateral in accordance with the Original First Lien Credit Agreement and such Excluded Cash Collateral shall be applied as specified in the Original First Lien Credit Agreement and will not constitute Collateral hereunder. Nothing in this Agreement shall be construed to impair the right of any Original First Lien Secured Party to recoup, set off, net or off-set amounts (including amounts delivered as margin or cash collateral) to satisfy such Original First Lien Obligations secured by Excluded Cash Collateral to the extent permitted under the Original First Lien Credit Agreement, or exercise its rights and remedies with respect to any Excluded Cash Collateral pledged for its sole benefit or as a beneficiary under and pursuant to any other credit support issued solely in its favor, each of which will be governed by the terms of the Original First Lien Credit Agreement.

Section 6.01 DIP Financing.

(a) If any Borrower or any Guarantor shall be subject to any Insolvency Proceeding in the United States at any time prior to the Discharge of Senior Priority Obligations, and the Senior Priority Representative shall agree on behalf of the Senior Priority Creditors to allow all one or more Senior Priority Creditors to provide any Borrower or any Guarantor with, or the Senior Priority Representative shall consent to a third party providing, any financing under Section 364 of the Bankruptcy Code or consent to any order for the use of cash collateral under Section 363 of the Bankruptcy Code ("DIP Financing"), with such DIP Financing to be secured by all or any portion of the Collateral (including assets that, but for the application of Section 552 of the Bankruptcy Code would be Collateral) and/or entitled to a superpriority claim under Section 364 or 507 of the Bankruptcy Code, then any Junior Priority Agent, each on behalf of itself and any Junior Priority Secured Parties represented thereby, agrees that it will raise no

objection and will not directly or indirectly support any objection to such DIP Financing or to Liens securing the same or the superpriority claim to which such DIP Financing is entitled on the grounds of a failure to provide “adequate protection” for the Liens of any Junior Priority Agent securing the Junior Priority Obligations or on any other grounds (and will not request any adequate protection solely as a result of such DIP Financing) so long as (i) such Junior Priority Agent retains its Lien on the Collateral to secure the relevant Junior Priority Obligations (in each case, including Proceeds thereof arising after the commencement of the case under the Bankruptcy Code) and such Lien has the same priority relative to the Senior Priority Liens as existed prior to the commencement of the case under the Bankruptcy Code and (ii) if the Senior Priority Agent receives an adequate protection Lien on assets of such Borrower or Guarantor to secure the Senior Priority Obligations, as the case may be, each Junior Priority Agent also receives an adequate protection Lien on such assets of such Borrower or Guarantor to secure the relevant Junior Priority Obligations, provided that (x) such Liens in favor of the Senior Priority Agent and the Junior Priority Agent shall be subject to the provisions of Section 6.01(b) hereof and (y) the foregoing provisions of this Section 6.01(a) shall not prevent any Junior Priority Agent and the Junior Priority Secured Parties from objecting to any provision in any DIP Financing relating to any provision or content of a Plan of Reorganization that is not a Conforming Plan Reorganization.

(b) All Liens granted to any Senior Priority Agent or Junior Priority Agent in any Insolvency Proceeding, whether as adequate protection or otherwise, are intended by the Parties to be and shall be deemed to be subject to the Lien Priority and the other terms and conditions of this Agreement; provided, however, that the foregoing shall not alter any super-priority of any Liens securing any DIP Financing in accordance with this Section 6.01.

Section 6.02 Relief from Stay. Until the Discharge of Senior Priority Obligations, each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees not to seek relief from the automatic stay or any other stay in any Insolvency Proceeding in respect of any portion of the Collateral without each Senior Priority Agent’s express written consent.

Section 6.03 No Contest. Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that, prior to the Discharge of Senior Priority Obligations, none of them shall contest (or directly or indirectly support any other Person contesting) (i) any request by any Senior Priority Agent or Senior Priority Creditor for adequate protection of its interest in the Collateral (unless in contravention of Section 6.01 hereof), or (ii) any objection by any Senior Priority Agent or Senior Priority Creditor to any motion, relief, action or proceeding based on a claim by such Senior Priority Agent or Senior Priority Creditor that its interests in the Collateral (unless in contravention of Section 6.01 hereof) are not adequately protected (or any other similar request under any law applicable to an Insolvency Proceeding), so long as any Liens granted to such Senior Priority Agent as adequate protection of its interests are subject to this Agreement. Except as may be separately otherwise agreed in writing by and between or among any applicable Senior Priority Agents, in each case on behalf of itself and any Senior Priority Creditors represented thereby, any Senior Priority Agent, for and on behalf of itself and any Senior Priority Creditors represented thereby, agrees that, prior to the applicable Discharge of Senior Priority Obligations, none of them shall directly

or indirectly contest (or support any other Person contesting) (a) any request by any other Senior Priority Agent or any Senior Priority Creditor represented by such other Senior Priority Agent for adequate protection of its interest in the Collateral (unless in contravention of Section 6.01 hereof), or (b) any objection by such other Senior Priority Agent or any Senior Priority Creditor to any motion, relief, action, or proceeding based on a claim by such other Senior Priority Agent or any Senior Priority Creditor represented by such other Senior Priority Agent that its interests in the Collateral (unless in contravention of Section 6.01 hereof) are not adequately protected (or any other similar request under any law applicable to an Insolvency Proceeding), so long as any Liens granted to such other Senior Priority Agent as adequate protection of its interests are subject to this Agreement. Except as may be separately otherwise agreed in writing by and between or among any applicable Junior Priority Agents, in each case on behalf of itself and any Junior Priority Creditors represented thereby, any Junior Priority Agent, for and on behalf of itself and any Junior Priority Creditors represented thereby, agrees that, prior to the applicable Discharge of Junior Priority Obligations, none of them shall directly or indirectly contest (or support any other Person contesting) (a) any request by any other Junior Priority Agent or any Junior Priority Creditor represented by such other Junior Priority Agent for adequate protection of its interest in the Collateral (unless in contravention of Section 6.01 hereof), or (b) any objection by such other Junior Priority Agent or any Junior Priority Creditor to any motion, relief, action, or proceeding based on a claim by such other Junior Priority Agent or any Junior Priority Creditor represented by such other Junior Priority Agent that its interests in the Collateral (unless in contravention of Section 6.01 hereof) are not adequately protected (or any other similar request under any law applicable to an Insolvency Proceeding), so long as any Liens granted to such other Junior Priority Agent as adequate protection of its interests are subject to this Agreement.

Section 6.04 Asset Sales. Each Junior Priority Agent agrees, for and on behalf of itself and the Junior Priority Creditors represented thereby, that it will not oppose any sale consented to by the Senior Priority Representative of any Collateral pursuant to Section 363(f) of the Bankruptcy Code (or any similar provision under the law applicable to any Insolvency Proceeding) so long as the Liens granted to the Junior Priority Agents attach to the proceeds of such sale with the same priority and validity as such Liens or such Collateral and the proceeds of such sale are applied in accordance with this Agreement. Nothing in this Section 6.04 shall prevent any Junior Priority Creditors or the Junior Priority Agent on their behalf from (x) presenting a cash bid for any assets of any Loan Party, or purchasing such assets for cash at any sale hearing under Section 363 of the Bankruptcy Code or at any public or judicial foreclosure sale or (y) making a credit bid for any assets of any Loan Party pursuant to Section 363(k) of the Bankruptcy Code (provided that such credit bid may only be made if either the Discharge of Senior Priority Obligations has occurred or will occur concurrently as a result of a cash bid for such assets in addition to such credit bid or the Senior Priority Agent approves such credit bid).

Section 6.05 Separate Grants of Security and Separate Classification. Each Secured Party acknowledges and agrees that (i) the grants of Liens pursuant to the Senior Priority Collateral Documents and the Junior Priority Collateral Documents constitute separate and distinct grants of Liens and (ii) the Senior Priority Obligations are fundamentally different from the Junior Priority Obligations and must be separately classified in any Plan of

Reorganization proposed or adopted in an Insolvency Proceeding because of, among other things, their differing rights in the Collateral. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the Senior Priority Secured Parties, on the one hand, and the Junior Priority Secured Parties, on the other hand, in respect of the Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims) or are classified in the same class of secured claims in any Plan of Reorganization, then the Secured Parties hereby acknowledge and agree that all distributions with respect to the Collateral shall be made as if there were separate classes of Senior Priority Obligation claims and Junior Priority Obligation claims against the Loan Parties, with the effect being that, to the extent that the aggregate value of the Collateral is sufficient (for this purpose ignoring all claims held by the Junior Priority Secured Parties), the Senior Priority Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, prepetition interest and other claims, all amounts owing in respect of postpetition interest that is available from the Collateral for each of the Senior Priority Secured Parties, before any distribution is made in respect of the claims held by the Junior Priority Secured Parties, with the Junior Priority Secured Parties hereby acknowledging and agreeing to turn over to the Senior Priority Secured Parties amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing their aggregate recoveries. The foregoing sentence is subject to any separate agreement by and between any Additional Agent, on behalf of itself and the Additional Credit Facility Secured Parties represented thereby, and any other Additional Agent, on behalf of itself and the Additional Credit Facility Secured Parties represented thereby, with respect to the Obligations owing to any such Additional Agent and Additional Credit Facility Secured Parties.

Section 6.06 Enforceability. The provisions of this Agreement are intended to be and shall be enforceable as a “subordination agreement” under Section 510(a) of the Bankruptcy Code.

Section 6.07 Senior Priority Obligations Unconditional. All rights of the Senior Priority Agents hereunder, and all agreements and obligations of the Junior Priority Agents and the Loan Parties (to the extent applicable) hereunder, shall remain in full force and effect irrespective of:

(i) any lack of validity or enforceability of any Senior Priority Document;

(ii) any change in the time, place or manner of payment of, or in any other term of, all or any portion of the Senior Priority Obligations, or any amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding or restatement of any Senior Priority Document;

(iii) any exchange, release, voiding, avoidance or non perfection of any security interest in any Collateral or any other collateral, or any release, amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding, restatement or increase of all or any portion of the Senior Priority Obligations or any guarantee or guaranty thereof;

(iv) the commencement of any Insolvency Proceeding in respect of any Borrower or any other Loan Party; or

(v) any other circumstances that otherwise might constitute a defense available to, or a discharge of, any Loan Party in respect of the Senior Priority Obligations, or of any of the Junior Priority Agent or any Loan Party, to the extent applicable, in respect of this Agreement.

Section 6.08 Junior Priority Obligations Unconditional. All rights of the Junior Priority Agents hereunder, and all agreements and obligations of the Senior Priority Agents and the Loan Parties (to the extent applicable) hereunder, shall remain in full force and effect irrespective of:

(i) any lack of validity or enforceability of any Junior Priority Document;

(ii) any change in the time, place or manner of payment of, or in any other term of, all or any portion of the Junior Priority Obligations, or any amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding or restatement of any Junior Priority Document;

(iii) any exchange, release, voiding, avoidance or non perfection of any security interest in any Collateral, or any other collateral, or any release, amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding, restatement or increase of all or any portion of the Junior Priority Obligations or any guarantee or guaranty thereof;

(iv) the commencement of any Insolvency Proceeding in respect of any Borrower or any other Loan Party; or

(v) any other circumstances that otherwise might constitute a defense available to, or a discharge of, any Loan Party in respect of the Junior Priority Obligations, or of any of the Senior Priority Agent or any Loan Party, to the extent applicable, in respect of this Agreement.

Section 6.09 Adequate Protection.

(a) Except as expressly provided in this Agreement (including Section 6.01 and this Section 6.09), nothing in this Agreement shall limit the rights of any Agent and the Secured Parties represented thereby from seeking or requesting adequate protection with respect to their interests in the applicable Collateral in any Insolvency Proceeding, including adequate protection in the form of payments, periodic cash payments, cash payments of interest, additional collateral or otherwise; provided that (a) in the event that any Junior Priority Agent, on behalf of itself or any of the Junior Priority Creditors represented thereby, seeks or requests adequate protection in respect of the relevant Junior Priority Obligations and such adequate protection is granted in the form of a Lien on additional collateral, then each Junior Priority Agent, on behalf of itself and the Junior Priority Creditors represented thereby, agrees that (i) each Senior Priority Agent shall

also be granted a senior Lien on such collateral as security for the Senior Priority Obligations owing to such Senior Priority Agent and the Senior Priority Secured Parties represented thereby, and that any Lien on such collateral securing the Junior Priority Obligations shall be junior to any Lien on such collateral securing the Senior Priority Obligations and (ii) each other Junior Priority Agent shall also be granted a pari passu Lien on such collateral as security for the Junior Priority Obligations owing to such other Junior Priority Agent and the Junior Priority Secured Parties represented thereby, and that any such Lien on such collateral securing such Junior Priority Obligations shall be pari passu to each such other Lien on such collateral securing such other Junior Priority Obligations (except as may be separately otherwise agreed in writing by and between or among any applicable Junior Priority Agents, in each case on behalf of itself and the Junior Priority Secured Parties represented thereby), and (b) in the event that any Senior Priority Agent, for or on behalf of itself or any Senior Priority Creditor represented thereby, seeks or requests adequate protection in respect of the Senior Priority Obligations and such adequate protection is granted in the form of a Lien on additional collateral, then such Senior Priority Agent, for and on behalf of itself and the Senior Priority Creditors represented thereby, agrees that (i) each other Senior Priority Agent shall also be granted a pari passu Lien on such collateral as security for the Senior Priority Obligations owing to such other Senior Priority Agent and the Senior Priority Secured Parties represented thereby, and that any such Lien on such collateral securing such Senior Priority Obligations shall be pari passu to each such other Lien on such collateral securing such other Senior Priority Obligations (except as may be separately otherwise agreed in writing by and between or among any applicable Senior Priority Agents, in each case on behalf of itself and the Senior Priority Secured Parties represented thereby) and (ii) each Junior Priority Agent shall also be granted a junior Lien on such collateral as security for the Junior Priority Obligations owing to such other Junior Priority Agent and the Junior Priority Secured Parties represented thereby, and that any such Lien on such collateral securing such Junior Priority Obligations shall be junior to each Lien on such collateral securing Senior Priority Obligations.

(b) Any claim by any Junior Priority Secured Party under Section 507(b) of the Bankruptcy Code will be subordinate in right of payment to any claim of any Senior Priority Secured Party under Section 507(b) of the Bankruptcy Code and any payment thereof will be deemed to be Proceeds of Collateral, provided that, any such Junior Priority Secured Party will be deemed to have agreed pursuant to Section 1129(a)(9) of the Bankruptcy Code that such Section 507(b) claims may be paid under a Plan of Reorganization in any form having a value on the effective date of such Plan of Reorganization equal to the allowed amount of such claims.

Section 6.10 Certain Waivers.

(a) Each Junior Priority Agent, for itself and on behalf of the Junior Priority Creditors represented thereby, waives any claim any Junior Priority Creditor may hereafter have against any Senior Priority Creditor arising out of the election by any Senior Priority Creditor of the application of Section 1111(b)(2) of the Bankruptcy Code, or any comparable provision of any other Bankruptcy Law.

(b) Each Junior Priority Agent, on behalf of itself and the Junior Priority Creditors represented thereby, agrees that none of them shall (i) object, contest, or directly or indirectly

support any other Person objecting to or contesting, any request by any Senior Priority Agent or any of the other Senior Priority Creditors for the payment of interest, fees, expenses or other amounts to such Senior Priority Agent or any other Senior Priority Creditor under Section 506(b) of the Bankruptcy Code or otherwise, or (ii) assert or directly or indirectly support any claim against any Senior Priority Creditor for costs or expenses of preserving or disposing of any Collateral under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law.

(c) No Senior Priority Agent nor any other holder of Senior Priority Obligations shall object to, oppose, or challenge any claim by the Junior Priority Agent or any holder of Junior Priority Obligations for allowance in any Insolvency Proceeding of Junior Priority Obligations consisting of post-petition interest, default interest, premiums, fees, or expenses.

ARTICLE VII. MISCELLANEOUS

Section 7.01 Rights of Subrogation. Each Junior Priority Agent, for and on behalf of itself and the Junior Priority Creditors represented thereby, agrees that no payment by such Junior Priority Agent or any such Junior Priority Creditor to any Senior Priority Agent or Senior Priority Creditor pursuant to the provisions of this Agreement shall entitle such Junior Priority Agent or Junior Priority Creditor to exercise any rights of subrogation in respect thereof until the Discharge of Senior Priority Obligations. Following the Discharge of Senior Priority Obligations with respect to the Senior Priority Obligations, each Senior Priority Agent agrees to execute such documents, agreements, and instruments as any Junior Priority Agent or Junior Priority Creditor may reasonably request to evidence the transfer by subrogation to any such Person of an interest in the Senior Priority Obligations resulting from payments to such Senior Priority Agent by such Person, so long as all costs and expenses (including all reasonable legal fees and disbursements) incurred in connection therewith by such Senior Priority Agent are paid by such Person upon request for payment thereof.

Section 7.02 Further Assurances. The Parties will, at their own expense and at any time and from time to time, promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or desirable, or that any Party may reasonably request, in order to protect any right or interest granted or purported to be granted hereby or to enable such Party to exercise and enforce its rights and remedies hereunder; provided, however, that no Party shall be required to pay over any payment or distribution, execute any instruments or documents, or take any other action referred to in this Section 7.02, to the extent that such action would contravene any law, order or other legal requirement or any of the terms or provisions of this Agreement, and in the event of a controversy or dispute, such Party may interplead any payment or distribution in any court of competent jurisdiction, without further responsibility in respect of such payment or distribution under this Section 7.02.

Section 7.03 Agent Representations. The Original First Lien Agent represents and warrants to each other Agent that it has the requisite power and authority under the Original First Lien Documents to enter into, execute, deliver, and carry out the terms of this Agreement on behalf of itself and the Original First Lien Secured Parties. The []ⁱ [First/Second]ⁱⁱ Lien Agent

represents and warrants to each other Agent that it has the requisite power and authority under the []i [First/Second]ii Lien Documents to enter into, execute, deliver, and carry out the terms of this Agreement on behalf of itself and the []i [First/Second]ii Lien Creditors. Each Additional Agent represents and warrants to each other Agent that it has the requisite power and authority under the applicable Additional Documents to enter into, execute, deliver, and carry out the terms of this Agreement on behalf of itself and any Additional Credit Facility Secured Parties represented thereby.

Section 7.04 Amendments.

(a) No amendment, modification or waiver of any provision of this Agreement, and no consent to any departure by any Party hereto, shall be effective unless it is in a written agreement executed by each Senior Priority Agent and each Junior Priority Agent. Notwithstanding the foregoing, the Original First Lien Borrower may, without the consent of any Party hereto, amend this Agreement to add an Additional Agent by (x) executing an Additional Indebtedness Joinder as provided in Section 7.11 or (y) executing a joinder agreement substantially in the form of Exhibit C attached hereto. No amendment, modification or waiver of any provision of this Agreement, and no consent to any departure therefrom by any Party hereto, that changes, alters, modifies or otherwise affects any power, privilege, right, remedy, liability or obligation of, or otherwise affects in any manner, any Additional Agent that is not then a Party, or any Additional Credit Facility Secured Party not then represented by an Additional Agent that is then a Party (including but not limited to any change, alteration, modification or other effect upon any power, privilege, right, remedy, liability or obligation of or other effect upon any such Additional Agent or Additional Credit Facility Secured Party that may at any subsequent time become a Party or beneficiary hereof) shall be effective unless it is consented to in writing by the Original First Lien Borrower (regardless of whether any such Additional Agent or Additional Credit Facility Secured Party ever becomes a Party or beneficiary hereof). Any amendment, modification or waiver of any provision of this Agreement that would have the effect, directly or indirectly, through any reference in any Credit Document to this Agreement or otherwise, of waiving, amending, supplementing or otherwise modifying any Credit Document, or any term or provision thereof, or any right or obligation of the Original First Lien Borrower or any other Loan Party thereunder or in respect thereof, shall not be given such effect except pursuant to a written instrument executed by the Original First Lien Borrower and each other affected Loan Party. No amendment to Section 5.02(a) or (b) shall be effective unless it is consented to in writing by the Original First Lien Borrower.

(b) In the event that any Senior Priority Agent or the requisite Senior Priority Creditors enter into any amendment, waiver or consent in respect of or replace any Senior Priority Collateral Document for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any Senior Priority Collateral Document relating to the Collateral and/or any Excluded Cash Collateral or changing in any manner the rights of the Senior Priority Agent, the Senior Priority Creditors, or any Loan Party with respect to the Collateral and/or any Excluded Cash Collateral (including, subject to Section 2.04(b), the release of any Liens on Collateral), then such amendment, waiver or consent shall apply automatically to any comparable provision of each Junior Priority Collateral Document without the consent of or any actions by any Junior Priority Agent or any Junior Priority Creditors;

provided, that such amendment, waiver or consent does not materially adversely affect the rights or interests of the Junior Priority Creditors in the Collateral (including any license or right of use granted to them by any Loan Party pursuant to any Junior Priority Collateral Document with respect to intellectual property owned by such Loan Party as it pertains to the rights or interests of the Junior Priority Creditors in the Collateral). The applicable Senior Priority Agent shall give written notice of such amendment, waiver or consent to the Junior Priority Agents and, if requested by any Junior Priority Agent, promptly provide copies of any documents executed and delivered in connection with such amendment, waiver or consent; provided that the failure to give such notice or provide such documents shall not affect the effectiveness of such amendment, waiver or consent with respect to the provisions of any Junior Priority Collateral Document as set forth in this Section 7.04(b).

Section 7.05 Addresses for Notices. Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, faxed, or sent by overnight express courier service or United States mail and shall be deemed to have been given when delivered in person or by courier service, upon receipt of a facsimile or five days after deposit in the United States mail (certified, with postage prepaid and properly addressed). For the purposes hereof, the addresses of the parties hereto (until notice of a change thereof is delivered as provided in this Section) shall be as set forth below or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties.

Section 7.06 No Waiver, Cumulative Remedies. No failure on the part of any Party to exercise, and no delay in exercising, any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Section 7.07 Continuing Agreement, Transfer of Secured Obligations. This Agreement is a continuing agreement and shall (a) remain in full force and effect (x) with respect to all Senior Priority Secured Parties and Senior Priority Obligations, until the Discharge of Senior Priority Obligations, subject to Section 5.03 and (y) with respect to all Junior Priority Secured Parties and Junior Priority Obligations, until the later of the Discharge of Senior Priority Obligations and the Discharge of Junior Priority Obligations, (b) be binding upon the Parties and their successors and assigns, and (c) inure to the benefit of and be enforceable by the Parties and their respective successors, transferees and assigns. Nothing herein is intended, or shall be construed to give, any other Person any right, remedy or claim under, to or in respect of this Agreement or any Collateral, subject to Section 7.10. All references to any Loan Party shall include any Loan Party as debtor-in-possession and any receiver or trustee for such Loan Party in any Insolvency Proceeding. Without limiting the generality of the foregoing clause (c), any Senior Priority Agent, Senior Priority Creditor, Junior Priority Agent or Junior Priority Creditor may assign or otherwise transfer all or any portion of the Senior Priority Obligations or the Junior Priority Obligations, as applicable, to any other Person, and such other Person shall thereupon become vested with all the rights and obligations in respect thereof granted to such Senior Priority Agent, Junior Priority Agent, Senior Priority Creditor or Junior Priority Creditor, as the case may be, herein or otherwise. The Senior Priority Secured Parties and the Junior Priority Secured Parties may continue, at any time and without notice to the other Parties hereto, to extend credit and other financial accommodations, lend monies and provide Indebtedness to, or for the benefit of, any Loan Party on the faith hereof.

Section 7.08 GOVERNING LAW. THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 7.09 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile transmission shall be effective as delivery of a manually executed counterpart hereof.

Section 7.10 No Third-Party Beneficiaries. This Agreement and the rights and benefits hereof shall inure to the benefit of each of the Parties hereto and its respective

successors and assigns and shall inure to the benefit of each of the Senior Priority Agents, the Senior Priority Creditors, the Junior Priority Agents, the Junior Priority Creditors and the Original First Lien Borrower and the other Loan Parties. No other Person shall have or be entitled to assert rights or benefits hereunder.

Section 7.11 Designation of Additional Indebtedness; Joinder of Additional Agents.

(a) The Original First Lien Borrower may designate any Additional Indebtedness complying with the requirements of the definition of “Additional Indebtedness” as Additional Indebtedness for purposes of this Agreement, upon complying with the following conditions:

(i) one or more Additional Agents for one or more Additional Credit Facility Secured Parties in respect of such Additional Indebtedness shall have executed the Additional Indebtedness Joinder with respect to such Additional Indebtedness, and the Original First Lien Borrower or any such Additional Agent shall have delivered such executed Additional Indebtedness Joinder to the Original First Lien Agent, the []ⁱ [First/Second]ⁱⁱ Lien Agent and any other Additional Agent then party to this Agreement;

(ii) at least five Business Days (unless a shorter period is agreed in writing by the Parties and the Original First Lien Borrower) prior to delivery of the Additional Indebtedness Joinder, the Original First Lien Borrower shall have delivered to the Original First Lien Agent, the []ⁱ [First/Second]ⁱⁱ Lien Agent and any other Additional Agent then party to this Agreement complete and correct copies of any Additional Credit Facility, Additional Guarantees and Additional Collateral Documents that will govern such Additional Indebtedness upon giving effect to such designation (which may be unexecuted copies of Additional Documents to be executed and delivered concurrently with the effectiveness of such designation);

(iii) the Original First Lien Borrower shall have executed and delivered to the Original First Lien Agent, the []ⁱ [First/Second]ⁱⁱ Lien Agent and any other Additional Agent then party to this Agreement the Additional Indebtedness Designation (including whether such Additional Indebtedness is designated Senior Priority Debt or Junior Priority Debt) with respect to such Additional Indebtedness;

(iv) all state and local stamp, recording, filing, intangible and similar taxes or fees (if any) that are payable in connection with the inclusion of such Additional Indebtedness under this Agreement shall have been paid and reasonable evidence thereof shall have been given to the Original First Lien Agent, the []ⁱ [First/Second]ⁱⁱ Lien Agent and any other Additional Agent then party to this Agreement; and

(v) any applicable requirement that no Event of Default exists or arises from the issuance of such Additional Indebtedness, or any applicable comparable requirement, shall have been satisfied or waived.

No Additional Indebtedness may be designated both Senior Priority Debt and Junior Priority Debt.

(b) Upon satisfaction of the conditions specified in the preceding Section 7.11(a), the designated Additional Indebtedness shall constitute “Additional Indebtedness”, any Additional Credit Facility under which such Additional Indebtedness is or may be incurred shall constitute an “Additional Credit Facility”, any holder of such Additional Indebtedness or other applicable Additional Credit Facility Secured Party shall constitute an “Additional Credit Facility Secured Party”, and any Additional Agent for any such Additional Credit Facility Secured Party shall constitute an “Additional Agent” for all purposes under this Agreement. The date on which such conditions specified in clause (a) shall have been satisfied with respect to any Additional Indebtedness is herein called the “Additional Effective Date” with respect to such Additional Indebtedness. Prior to the Additional Effective Date with respect to any Additional Indebtedness, all references herein to Additional Indebtedness shall be deemed not to take into account such Additional Indebtedness, and the rights and obligations of the Original First Lien Agent, the []i [First/Second]ii Lien Agent and each other Additional Agent then party to this Agreement shall be determined on the basis that such Additional Indebtedness is not then designated. On and after the Additional Effective Date with respect to such Additional Indebtedness, all references herein to Additional Indebtedness shall be deemed to take into account such Additional Indebtedness, and the rights and obligations of the Original First Lien Agent, the []i [First/Second]ii Lien Agent and each other Additional Agent then party to this Agreement shall be determined on the basis that such Additional Indebtedness is then designated.

(c) In connection with any designation of Additional Indebtedness pursuant to this Section 7.11, each of the Original First Lien Agent, the []i [First/Second]ii Lien Agent and each Additional Agent then party hereto agrees at the Original First Lien Borrower’s expense (x) to execute and deliver any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, any Original First Lien Collateral Documents, []i [First/Second]ii Lien Priority Collateral Documents or Additional Collateral Documents, as applicable, and any agreements relating to any security interest in Control Collateral and Cash Collateral, and to make or consent to any filings or take any other actions (including executing and recording any mortgage subordination or similar agreement), as may be reasonably deemed by the Original First Lien Borrower to be necessary or reasonably desirable for any Lien on any Collateral to secure such Additional Indebtedness to become a valid and perfected Lien (with the priority contemplated by the applicable Additional Indebtedness Designation delivered pursuant to this Section 7.11 and by this Agreement), and (y) otherwise to reasonably cooperate to effectuate a designation of Additional Indebtedness pursuant to this Section 7.11 (including if requested, by executing an acknowledgment of any Additional Indebtedness Joinder or of the occurrence of any Additional Effective Date).

Section 7.12 Senior Priority Representative; Notice of Senior Priority Representative Change. The Senior Priority Representative shall act for the Senior Priority Secured Parties as provided in this Agreement, and shall be entitled to so act at the direction of the Requisite Senior Priority Holders from time to time. Until a Party (other than the existing Senior Priority Representative) receives written notice from the existing Senior Priority Representative, in accordance with Section 7.05 of this Agreement, of a change in the identity of

the Senior Priority Representative, such Party shall be entitled to act as if the existing Senior Priority Representative is in fact the Senior Priority Representative. Each Party (other than the existing Senior Priority Representative) shall be entitled to rely upon any written notice of a change in the identity of the Senior Priority Representative which facially appears to be from the then existing Senior Priority Representative and is delivered in accordance with Section 7.05 and such Agent shall not be required to inquire into the veracity or genuineness of such notice. Each existing Senior Priority Representative from time to time agrees to give prompt written notice to each Party of any change in the identity of the Senior Priority Representative.

Section 7.13 [Reserved].

Section 7.14 Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the Senior Priority Secured Parties and the Junior Priority Secured Parties, respectively. Nothing in this Agreement is intended to or shall impair the rights of the Original First Lien Borrower or any other Loan Party, or the obligations of the Original First Lien Borrower or any other Loan Party to pay the Original First Lien Obligations, the []i [First/Second]ii Lien Obligations and any Additional Obligations as and when the same shall become due and payable in accordance with their terms.

Section 7.15 Headings. The headings of the articles and sections of this Agreement are inserted for purposes of convenience only and shall not be construed to affect the meaning or construction of any of the provisions hereof.

Section 7.16 Severability. If any of the provisions in this Agreement shall, for any reason, be held invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision of this Agreement and shall not invalidate the Lien Priority or the application of Proceeds and other priorities set forth in this Agreement.

Section 7.17 Attorneys' Fees. The Parties agree that if any dispute, arbitration, litigation, or other proceeding is brought with respect to the enforcement of this Agreement or any provision hereof, the prevailing party in such dispute, arbitration, litigation, or other proceeding shall be entitled to recover its reasonable attorneys' fees and all other costs and expenses incurred in the enforcement of this Agreement, irrespective of whether suit is brought.

Section 7.18 VENUE; JURY TRIAL WAIVER.

(a) EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE SUPREME COURT OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT RELATED THERETO, AND EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN

RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

(b) EACH PARTY HERETO HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREIN, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW OR STATUTORY CLAIMS. EACH PARTY HERETO REPRESENTS THAT IT HAS REVIEWED THIS WAIVER AND IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. IN THE EVENT OF LITIGATION, A COPY OF THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

(c) EACH PARTY TO THIS AGREEMENT IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 7.05. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

Section 7.19 Intercreditor Agreement. This Agreement is the “Intercreditor Agreement” referred to in the Original First Lien Credit Agreement, the []ⁱ [First/Second]ⁱⁱ Lien Priority Credit Facility and each Additional Credit Facility. Nothing in this Agreement shall be deemed to subordinate the right of any Junior Priority Secured Party to receive payment to the right of any Senior Priority Secured Party (whether before or after the occurrence of an Insolvency Proceeding), it being the intent of the Parties that this Agreement shall effectuate a subordination of Liens as between the Senior Priority Secured Parties, on the one hand, and the Junior Priority Secured Parties, on the other hand, but not a subordination of Indebtedness.

Section 7.20 No Warranties or Liability. Each Party acknowledges and agrees that none of the other Parties has made any representation or warranty with respect to the execution, validity, legality, completeness, collectability or enforceability of any other Original First Lien Document, any []ⁱ [First/Second]ⁱⁱ Lien Document or any other Additional Document. Except as otherwise provided in this Agreement, each Party will be entitled to manage and supervise its respective extensions of credit to any Loan Party in accordance with law and their usual practices, modified from time to time as they deem appropriate.

Section 7.21 Conflicts. In the event of any conflict between the provisions of this Agreement and the provisions of any Original First Lien Document, any []ⁱ [First/Second]ⁱⁱ Lien Document or any Additional Document, the provisions of this Agreement shall govern. The parties hereto acknowledge that the terms of this Agreement are not intended to negate any specific rights granted to, or obligations of, the Original First Lien Borrower or any other Loan Party in the Original First Lien Documents, the []ⁱ [First/Second]ⁱⁱ Lien Documents or any Additional Documents.

Section 7.22 Information Concerning Financial Condition of the Loan Parties. No Party has any responsibility for keeping any other Party informed of the financial condition of the Loan Parties or of other circumstances bearing upon the risk of nonpayment of the Original First Lien Obligations, the []ⁱ [First/Second]ⁱⁱ Lien Obligations or any Additional Obligations, as applicable. Each Party hereby agrees that no Party shall have any duty to advise any other Party of information known to it regarding such condition or any such circumstances. In the event any Party, in its sole discretion, undertakes at any time or from time to time to provide any information to any other Party to this Agreement, it shall be under no obligation (a) to provide any such information to such other Party or any other Party on any subsequent occasion, (b) to undertake any investigation not a part of its regular business routine, (c) to disclose any other information or (d) make any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided.

Section 7.23 Excluded Assets. For the avoidance of doubt, nothing in this Agreement (including Sections 2.01, 4.01, 6.01 and 6.09 hereof) shall be deemed to provide or require that any Agent or any Secured Party represented thereby receive any Proceeds of, or any Lien on, any Property of any Loan Party that constitutes “Excluded Assets” under (and as defined in) the applicable Credit Facility or any related Credit Document to which such Agent is a party.

WITNESSETH:

WHEREAS, the Grantors and the Collateral Agent are parties to that certain Amended and Restated Credit and Guaranty Agreement dated as of June 27, 2013 (as amended August 5, 2013, as further amended December 27, 2013, as further amended October 10, 2014 and as amended and restated on May 21, 2015, the “Credit Agreement”), by and among the Borrower, American Airlines Group Inc. WHEREAS, the Grantors may establish one or more accounts for cash and to hold securities and other financial assets (including the Borrower’s account with the account number of S86747.1, each, an “Account”) that will be subject to one or more Account Control Agreements, including for the avoidance of doubt, the Collateral Account Control Agreement, dated as of June 27, 2013, among the Borrower, the Collateral Agent and the Securities Intermediary;

NOW, THEREFORE, in consideration of the premises, the mutual agreements set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties to this SGR Security Agreement hereby agree as follows:

Section 1. Grant of Security Interest. To secure all of the Obligations, each Grantor hereby pledges, grants and creates a security interest and mortgage in favor of the Collateral Agent for its benefit and the benefit of the other Secured Parties in all of the following assets, rights and properties, whether real or personal and whether tangible or intangible (the "Collateral"):

(a) all of the right, title and interest of such Grantor in, to and under the Route Authorities, the Slots and the Foreign Gate Leaseholds, whether now owned or held or hereafter acquired and whether such assets, rights or properties constitute General Intangibles or another type or category of collateral under the NY UCC or any other type of asset, right or property;

(b) all of the right, title and interest of such Grantor in, to and under each Account and all cash, checks, money orders and other items of value of such Grantor now or hereafter paid, deposited, credited or held (whether for collection, provisionally or otherwise) in each Account (the "Account Collateral"); and

(c) all of the right, title and interest of such Grantor in, to and under all Proceeds of any and all of the foregoing (including, without limitation, all Proceeds (of any kind) received or to be received by such Grantor upon the transfer or other disposition of any of the assets, rights and properties described in clause (a), notwithstanding whether the mortgage, pledge and grant of the security interest in any such asset, right or property is legally effective under applicable law);

provided, however, that notwithstanding the foregoing or any other provision of this SGR Security Agreement, (1) (x) if a Transfer Restriction would be applicable to the pledge, grant or creation of a security interest in or mortgage on any asset, right or property described above (other than in the Route Authorities or Proceeds thereof), then so long as such Transfer Restriction is in effect, or (y) if, pursuant to the operative provisions of transaction documents existing prior to the Closing Date under any transaction entered into by the Grantors prior to the Closing Date, any asset, right or property is at any time subject to a security interest or mortgage in favor of another Person in connection with such transaction, (and not pursuant to an election made by the Borrower after the Closing Date to add any such asset, right or property as collateral to such transaction) then, this SGR Security Agreement shall not pledge, grant or create any security interest in or mortgage on, and the term "Collateral" shall not include, any such asset, right or property, and (2) if any Transfer Restriction applies to the transfer or assignment (other than the pledge, grant or creation of a security interest or mortgage) of any Collateral, any provision

of this SGR Security Agreement permitting the Collateral Agent to cause a Grantor to transfer or assign to it or any other Person any of such Collateral (and any right the Collateral Agent may have under applicable law to do so by virtue of the security interest and mortgage pledged or granted to it under this SGR Security Agreement) shall be subject to such Transfer Restriction; provided, however, that following an Event of Default, at the direction of the Collateral Agent, such Grantor shall use commercially reasonable efforts to obtain all approvals and consents that would be required to transfer or assign Collateral subject to such a Transfer Restriction referred to in clause (2) of the preceding proviso. As used herein, "Transfer Restriction" means any prohibition, restriction or consent requirement, whether arising under contract, applicable law, rule or regulation, or otherwise, relating to the transfer or assignment by a Grantor of, or the pledge, grant, or creation by a Grantor of a security interest or mortgage in, any right, title or interest in any asset, right or property, or any claim, right or benefit arising thereunder or resulting therefrom, if any such transfer or assignment thereof (or any pledge, grant or creation of a security interest or mortgage therein) or any attempt to so transfer, assign, pledge, grant or create, in contravention or violation of any such prohibition or restriction or without any required consent of any Person would (i) constitute a violation of the terms under which such Grantor was granted such right, title or interest or give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy with respect thereto, (ii) entitle any Governmental Authority or other Person to terminate or suspend any such right, title or interest (or such Grantor's interest in any agreement or license related thereto), or (iii) be prohibited by or violate any applicable law, rule or regulation, except, in any case, to the extent such "Transfer Restriction" shall be rendered ineffective (both to the extent that it (x) prohibits, restricts or requires consent and (y) gives rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy) by virtue of any applicable law, including, but not limited to Sections 9-406, 9-407, 9-408 or 9-409 of the NY UCC, to the extent applicable (or any corresponding sections of the UCC in a jurisdiction other than the State of New York to the extent applicable).

Section 2. Security for Obligations; Intercreditor Relations.

(a) This SGR Security Agreement secures, and the Collateral is collateral security for, the Obligations.

(b) Notwithstanding anything herein to the contrary, it is the understanding of the parties hereto that the Liens granted pursuant to Section 1 shall, prior to the Discharge of Additional Obligations that are Senior Priority Obligations, be pari passu and equal in priority to the Liens granted to any Additional Agent for the benefit of the holders of the applicable Additional Obligations that are Senior Priority Obligations to secure such Additional Obligations that are Senior Priority Obligations pursuant to the applicable Additional Collateral Documents (except as may be separately otherwise agreed between

the Collateral Agent, on behalf of itself and the Secured Parties, and any Additional Agent, on behalf of itself and the Additional Credit Facility Secured Parties represented thereby). The Collateral Agent acknowledges and agrees that, in the event that it enters into an Intercreditor Agreement or an Other Intercreditor Agreement, the relative priority of the Liens granted to the Collateral Agent, the Administrative Agent and any Additional Agent shall be determined solely (as between the parties to such Intercreditor Agreement or Other Intercreditor Agreement and except as otherwise provided therein) pursuant to the applicable Intercreditor Agreements and Other Intercreditor Agreements, and not by priority as a matter of law or otherwise. Notwithstanding anything herein to the contrary, the Liens granted to the Collateral Agent pursuant to this SGR Security Agreement and the exercise of any right or remedy by the Collateral Agent hereunder are subject to the provisions of the applicable Intercreditor Agreements and Other Intercreditor Agreements. In the event of any conflict between the terms of any Intercreditor Agreement or any Other Intercreditor Agreement and this SGR Security Agreement, the terms of such Intercreditor Agreement or Other Intercreditor Agreement, as applicable, shall govern and control as among (i) the Collateral Agent and any Additional Agent, in the case of the Intercreditor Agreement, and (ii) the Collateral Agent and any other secured creditor (or agent therefor) party thereto, in the case of any Other Intercreditor Agreement. In the event of any such conflict, the Grantors may act (or omit to act) in accordance with such Intercreditor Agreement or such Other Intercreditor Agreement, as applicable, and shall not be in breach, violation or default of its obligations hereunder by reason of doing so. Notwithstanding any other provision hereof, for so long as any Additional Obligations that are Senior Priority Obligations remain outstanding, any obligation hereunder to deliver, transfer or assign to the Collateral Agent any Collateral shall be satisfied by causing such Collateral to be delivered, transferred or assigned to the applicable Senior Priority Representative to be held in accordance with the Intercreditor Agreement.

Section 3. No Release.

(a) Other than as provided in clause (2) of the proviso to Section 1, nothing set forth in this SGR Security Agreement shall relieve any Grantor from the performance of any term, covenant, condition or agreement on such Grantor's part to be performed or observed under or in respect of any of the Collateral or from any liability to any Person under or in respect of any of the Collateral.

(b) Nothing set forth in this SGR Security Agreement shall impose any obligation on the Collateral Agent or any Secured Party to perform or observe any such term, covenant, condition or agreement on any Grantor's part to be so performed or observed or impose any liability on the Collateral Agent or any Secured Party for any act or omission on the part of such Grantor relating thereto or for any breach of any representation or warranty on the part of such Grantor contained in this SGR Security Agreement, or in respect of the Collateral or made in connection herewith or therewith. This Section 3(b) shall survive the termination of this SGR Security Agreement and the discharge of the Grantors' obligations hereunder and under the Loan Documents.

Section 4. Representations and Warranties. Each Grantor represents and warrants as follows as of the date hereof:

(a) All UCC filings necessary or reasonably requested by the Collateral Agent to create, preserve, protect and perfect the security interests granted by such Grantor to the Collateral Agent for the benefit of the Secured Parties in respect of the Collateral (other than the Account Collateral) have been accomplished by such Grantor to the extent that such security interests can be perfected by filings under the UCC and all actions necessary to obtain control of the Account Collateral as provided in Sections 9-104 and 9-106 of the UCC have been taken by such Grantor to the extent that such security interests can be perfected on or before the date hereof by execution and delivery of the Account Control Agreement. Subject to any Intercreditor Agreement and any Other Intercreditor Agreement, the security interests granted to the Collateral Agent for the benefit of the Secured Parties pursuant to this SGR Security Agreement in and to the Collateral constitute and hereafter at all times shall constitute a perfected security interest therein superior and prior to the rights of all other Persons therein (subject, in the case of priority only, only to Permitted Liens) to the extent such perfection and priority can be obtained by filings under the UCC and by the execution and delivery of the Account Control Agreement, and the Collateral Agent is entitled with respect to such perfected security interest to all the rights, priorities and benefits afforded by the UCC to perfected security interests.

(b) There are no filings, registrations or recordings under Title 49 necessary to create, preserve, protect or perfect the security interests granted by such Grantor to the Collateral Agent for the benefit of the Secured Parties in respect of the Collateral.

(c) Such Grantor is, and as to Collateral acquired by it from time to time after the date hereof such Grantor will be, the holder of all such Collateral free from any Lien except for (1) the Lien and security interest created by this SGR Security Agreement and (2) Permitted Liens.

(d) There is no UCC financing statement (or, to the knowledge of such Grantor, any similar statement or instrument of registration of a security interest under the law of any jurisdiction) in effect on the date hereof, covering or purporting to cover any security interest in the Collateral (other than those relating to Permitted Liens).

(e) The chief executive office of such Grantor is located at the address listed opposite such Grantor's name in Schedule I hereto.

(f) With respect to its Pledged Route Authorities relating to the Scheduled Services, such Grantor holds the requisite authority to operate over such Pledged Route Authorities pursuant to Title 49 and all rules and regulations promulgated thereunder, subject only to the regulations of the DOT, the FAA and the applicable Foreign Aviation Authorities and applicable treaties and bilateral and multilateral air transportation agreements, and there exists no material violation by such Grantor of any certificate or order issued by the DOT authorizing such Grantor to operate over such Pledged Route Authorities, the rules and regulations of any applicable Foreign Aviation Authority with respect to such Pledged Route Authorities or the provisions of Title 49 and rules and regulations promulgated thereunder applicable to such Pledged Route Authorities that gives the FAA, DOT or any applicable Foreign Aviation Authority the right to modify in any material respect, terminate, cancel or withdraw the rights of such Grantor in any such Pledged Route Authorities.

(g) Set forth in Schedule II is a true, correct and complete list of the Slots at IATA Level 3 airports as of the last calendar week prior to the Restatement Effective Date. Set forth in Schedule III is a true, correct and complete list of the Scheduled Services as of the last calendar week prior to the Restatement Effective Date.

(h) Such Grantor holds each of its Pledged Slots pursuant to authority granted by the applicable Governmental Authorities and Foreign Aviation Authorities, and there exists no material violation by such Grantor of the terms, conditions or limitations of any rule, regulation or order of the applicable Governmental Authorities or Foreign Aviation Authorities regarding such Pledged Slots or any provisions of law applicable to such Pledged Slots that gives any applicable Governmental Authority or Foreign Aviation Authority the right to modify in any material respect, terminate, cancel or withdraw the rights of such Grantor in any such Pledged Slots.

(i) Such Grantor holds each of its Pledged Foreign Gate Leaseholds pursuant to authority granted by the applicable Airport Authority or Foreign Aviation Authority, and there exists no material violation by such Grantor of the regulations, terms, conditions or limitations of the relevant Airport Authority or Foreign Aviation Authority applicable to any such Pledged Foreign Gate Leasehold or any provision of law applicable to any such Pledged Foreign Gate Leasehold that gives any applicable Airport Authority or Foreign Aviation Authority the right to modify in any material respect, terminate, cancel or withdraw the rights of such Grantor in any such Pledged Foreign Gate Leasehold.

(j) Such Grantor is an “air carrier” within the meaning of Section 40102 of Title 49 and holds or co-holds a certificate under Section 41102 of Title 49. Such Grantor holds or co-holds an air carrier operating certificate issued pursuant to Chapter 447 of Title 49. Such Grantor is a United States Citizen. Such Grantor possesses all necessary certificates, franchises, licenses, permits, rights, designations, authorizations, exemptions, concessions, frequencies and consents of any Governmental Authority which relate to the operation of the Scheduled Services and the conduct of its business and operations as currently conducted, except where failure to so possess would not, individually or in the aggregate, have a Material Adverse Effect.

(k) Such Grantor has full corporate power and authority and legal right to pledge all of the Collateral pursuant to, and as provided in, this SGR Security Agreement.

(l) Except for any Transfer Restriction, the execution, delivery and performance by such Grantor of this SGR Security Agreement do not require the consent, authorization by or approval of or notice to or filing or registration with any Governmental Authority or any other Person, other than (i) the filing of financing statements under the UCC or any continuation statement required or contemplated to be filed hereby, (ii) such as may be required in order to perfect and register the security interests and liens purported to be created by this SGR Security Agreement, (iii) approvals, consents and exemptions that have been obtained on or prior to the Restatement Effective Date and remain in full force and effect, (iv) consents, approvals and exemptions that the failure to obtain in the aggregate would not be reasonably expected to result in a Material Adverse Effect and (v) routine reporting obligations.

(m) This SGR Security Agreement is made with full recourse to such Grantor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Grantor contained herein.

Section 5. Covenants. Each Grantor covenants and agrees with the Collateral Agent that so long as this SGR Security Agreement is in effect:

(a) Such Grantor shall use commercially reasonable efforts to defend the Collateral against any and all claims and demands of all Persons at any time claiming any interest therein adverse to the Collateral Agent or any Secured Party (other than Permitted Liens); provided that, for the avoidance of doubt, such Grantor’s only obligations with respect to any Transfer Restriction described in clause (2) of the first proviso to Section 1 shall be as stated in the second proviso to Section 1.

(b) Such Grantor shall not execute or authorize to be filed in any public office any UCC financing statement (or similar statement or instrument of registration of a security interest under the law of any jurisdiction) relating to the Collateral, except UCC financing statements (or similar statements or instruments of registration of a security interest under the law of any jurisdiction) filed or to be filed in respect of and covering the security interests granted hereby by such Grantor and except with respect to Permitted Liens.

(c) Such Grantor shall give to the Collateral Agent timely written notice (but in any event not later than 30 days prior to the expiration of the period of time specified under applicable law to prevent lapse of perfection) of any (i) change in its jurisdiction of incorporation, or (ii) change in its name, identity or corporate or other organizational structure to such an extent that any UCC financing statement filed by the Collateral Agent in connection with this SGR Security Agreement would become seriously misleading; and such Grantor shall, in each case, provide such other information in connection therewith as the Collateral Agent may reasonably request and shall make all filings under the UCC reasonably requested by the Collateral Agent to maintain the perfection and priority of the security interests of the Collateral Agent on behalf of the Secured Parties in the Collateral intended to be granted hereby.

Section 6. Supplements, Further Assurances.

(a) Any Grantor may, at any time and from time to time, execute and deliver to the Collateral Agent, and upon receipt the Collateral Agent shall execute and deliver, a supplement to this SGR Security Agreement in substantially the form of Exhibit A hereto (each such supplement, an “SGR Security Agreement Supplement”) designating any non-stop scheduled air carrier service being operated by such Grantor at such time (each, a “Designated Service”) as an additional Scheduled Service, identifying one or more airports (or if applicable, designating airports within a particular region) outside the United States that is an origin and/or destination point for such Designated Service and, if applicable, identifying one or more route authorities to operate such Designated Service as an additional Route Authority. Upon the execution and delivery of such SGR Security Agreement Supplement, (i) each such Designated Service shall be included in the definition of “Scheduled Services”, (ii) each such route authority shall be included in the definition of “Route Authorities” and (iii) the Additional Collateral (as defined in such SGR Security Agreement Supplement) shall be Collateral hereunder.

(b) Each Grantor agrees that at any time and from time to time, upon the reasonable request of the Collateral Agent and at the reasonable expense of such Grantor, such Grantor will (i) take, or cause to be taken, such action with respect to the due and timely recording, filing, re-recording and re-filing of any financing statements and any continuation statements under the UCC as are necessary to maintain the perfection of any

security interest granted or purported to be granted or intended to be granted hereby, subject, in each case, to Permitted Liens, or (ii) furnish the Collateral Agent with such financing statements and continuation statements, as may be required to enable the Collateral Agent to take such action.

Section 7. Provisions Concerning Collateral.

(a) UCC Financing Statements. Each Grantor hereby authorizes the Collateral Agent, at any time and from time to time, to file or record such UCC financing statements which reasonably describe the Collateral and amendments thereto, in the form provided to it by such Grantor, as may from time to time be required or necessary to grant, continue and maintain a valid, enforceable, first priority security interest in the Collateral as provided herein, subject to Permitted Liens (to the extent such perfection and priority can be obtained by filing a UCC financing statement), all in accordance with the UCC. Each Grantor shall pay any applicable filing fees and other reasonable out-of-pocket expenses related to the filing of such UCC financing statements and amendments thereto. The Collateral Agent hereby authorizes each Grantor to file (i) UCC financing statements and amendments to UCC financing statements filed on or prior to the date hereof in each case adding Collateral pursuant to an SGR Security Agreement Supplement and (ii) continuation statements of any UCC financing statement naming the Collateral Agent, as secured party, and such Grantor, as debtor, in each case filed pursuant to the terms of this SGR Security Agreement, any SGR Security Agreement Supplement and the other Loan Documents. Notwithstanding the foregoing and for the avoidance of doubt, no Grantor shall be responsible for the filing of any continuation statements of any UCC financing statements referred to herein unless such filing is requested by, and expressly authorized by, the Collateral Agent.

(b) Compliance with Laws and Regulations. Except for matters that would not reasonably be expected to result in a Material Adverse Effect, each Grantor shall comply with all laws, ordinances, orders, rules, regulations, and requirements of all federal, state, municipal or other governmental or quasi-governmental authorities or bodies including, without limitation, Foreign Aviation Authorities, then applicable to the Collateral (or any part thereof) and/or the use thereof by such Grantor, of every nature and kind (the "Requirements"), whether or not such Requirements shall now exist or shall hereafter be enacted or promulgated and whether or not the same may be said to be within the present contemplation of the parties hereto. Notwithstanding the foregoing, if any Grantor in good faith contests a Requirement, it shall not be obligated to comply with such Requirement to the extent such non-compliance or deferral is consistent with law and does not have a Material Adverse Effect.

(c) Notice of Violations. Each Grantor agrees to give the Collateral Agent notice of any violations of any Requirement with respect to the Collateral or such Grantor's use thereof that may reasonably be expected to have a Material Adverse Effect within fifteen (15) Business Days after a Responsible Officer of such Grantor obtains knowledge of such violation.

(d) Disposition of Collateral. Any or all of the Collateral may be sold, leased, conveyed, transferred or otherwise disposed of by any Grantor, subject to the terms of the Credit Agreement and each applicable Intercreditor Agreement and Other Intercreditor Agreement.

Section 8. Collateral Agent Appointed Attorney-in-Fact. The Grantors hereby appoint the Collateral Agent as each Grantor's attorney-in-fact, with full authority in the place and stead of each Grantor and in the name of each Grantor or otherwise, from time to time in the Collateral Agent's discretion, upon the occurrence and during the continuation of an Event of Default, and in accordance with and subject to any Intercreditor Agreement and any Other Intercreditor Agreement, to take any action and to execute any instrument which the Collateral Agent may reasonably deem necessary or advisable to accomplish the purposes of this SGR Security Agreement, which appointment as attorney-in-fact is coupled with an interest.

Section 9. Collateral Agent May Perform. If any Grantor fails to perform any agreement contained herein within a reasonable time after receipt of a written request to do so from the Collateral Agent, upon two (2) Business Days prior written notice the Collateral Agent may itself perform, or cause performance of, such agreement, and the reasonable expenses of the Collateral Agent, including, without limitation, the reasonable fees and out-of-pocket expenses of its counsel, incurred in connection therewith, shall be payable by the Borrower in accordance with Section 10.04 of the Credit Agreement and shall constitute Obligations.

Section 10. The Collateral Agent. Each Grantor acknowledges that the rights and responsibilities of the Collateral Agent under this SGR Security Agreement with respect to any action taken by the Collateral Agent or the exercise or non-exercise by the Collateral Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this SGR Security Agreement or any amendment, supplement or other modification of this SGR Security Agreement shall, as between the Collateral Agent and the Secured Parties, be governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Collateral Agent and each Grantor, the Collateral Agent shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

Section 11. Events of Default, Remedies.

(a) Remedies: Obtaining the Collateral Upon Event of Default. In each case, subject to the requirements of applicable law (including without limitation the UCC and Title 49) and subject to the approval of all necessary Governmental Authorities, Foreign Aviation Authorities and Airport Authorities, if any Event of Default shall have occurred and be continuing, then and in every such case, the Collateral Agent may, subject to any Intercreditor Agreement and any Other Intercreditor Agreement, at any time or from time to time during the continuance of such Event of Default:

(i) Declare the entire right, title and interest of any Grantor in and to the Collateral (other than the Account Collateral) vested, in which event such right, title and interest shall immediately vest in the Collateral Agent, in which case such Grantor agrees to execute and deliver such deeds of conveyance, assignments and other documents or instruments (including any notices or applications to the DOT, the FAA, applicable Foreign Aviation Authorities, Governmental Authorities or Airport Authorities having jurisdiction over any such Collateral or the use thereof) as shall be requested by the Collateral Agent in order to effectuate the transfer of such Collateral, together with copies of the certificates or orders issued by the DOT and the Foreign Aviation Authorities representing same and any other rights of such Grantor with respect thereto, to any designee or designees selected by the Collateral Agent and approved by all necessary Governmental Authorities, Foreign Aviation Authorities and Airport Authorities (provided that if any of the foregoing is not permitted under applicable law or by the DOT or applicable Governmental Authority, Foreign Aviation Authority and/or Airport Authority, the Collateral Agent for the benefit of the Secured Parties shall nevertheless continue to have all of such Grantor's right, title and interest in and to all of the Proceeds (of any kind) received or to be received by such Grantor upon the transfer or other disposition of such Collateral); it being understood that each Grantor's obligation to deliver such Collateral and such documents and instruments with respect thereto, subject to the aforesaid limitations, is of the essence of this SGR Security Agreement;

(ii) Sell or otherwise liquidate, or direct any Grantor to sell or otherwise liquidate, any or all of the Collateral or any part thereof and take possession of the Proceeds of any such sale or liquidation; and

(iii) Without notice to any Grantor except as required by law and at any time or from time to time, deliver a Notice of Exclusive Control (as defined in the Account Control Agreement), and charge, set off and otherwise apply all or any part of the Obligations against any funds held with respect to the Account Collateral.

(b) Remedies; Disposition of the Collateral. In each case, subject to the requirements of applicable law (including without limitation the UCC and Title 49), subject to the Credit Agreement, and subject to any Intercreditor Agreement and any Other Intercreditor Agreement, and subject to the approval of all necessary Governmental Authorities, Foreign Aviation Authorities and Airport Authorities, if any Event of Default shall have occurred and be continuing:

(i) (A) the Collateral Agent may from time to time exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, and all the rights and remedies of a secured party on default under the UCC at the time of such Event of Default, and the Collateral Agent may also in its sole discretion, without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any exchange, broker's board or at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and at such price or prices and upon such other terms as the Collateral Agent may deem commercially reasonable, (B) the Collateral Agent or any other Secured Party may be the purchasers of any or all of the Collateral at any such sale and shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at such sale, to use and apply any of the Obligations owed to such Person as a credit on account of the purchase price of any Collateral payable by such Person at such sale, (C) each purchaser at any such sale shall acquire the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives, to the fullest extent permitted by law, all rights of redemption, stay or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted, (D) each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days' notice to the Borrower of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification, (E) the Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given, (F) the Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned and (G) each Grantor hereby waives, to the full extent permitted by law, any claims against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale;

(ii) (A) except as otherwise provided herein, each Grantor hereby waives, to the fullest extent permitted by applicable law: (w) notice or judicial hearing in connection with the Collateral Agent's taking possession or the Collateral Agent's disposition of any of the Collateral, including, without

limitation, any and all prior notice and hearing for any prejudgment remedy or remedies and any such right which such Grantor would otherwise have under law; (x) all damages occasioned by such taking of possession; (y) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Collateral Agent's rights hereunder; and (z) all rights of redemption, appraisal, valuation, stay, extension or moratorium now or hereafter in force under any applicable law and (B) any sale of, or the grant of options to purchase, or any other realization upon, any Collateral shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of any Grantor therein and thereto, and shall be a perpetual bar both at law and in equity against any Grantor and against any and all Persons claiming or attempting to claim the Collateral so sold, optioned or realized upon, or any part thereof, from, through and under each Grantor; and

(iii) With respect to any Collateral other than Account Collateral, in connection with any foreclosure, collection, sale or other enforcement of Liens granted to the Collateral Agent in this SGR Security Agreement, each Grantor will reasonably cooperate in good faith with the Collateral Agent in transferring the right to use such Collateral to any designee of the Collateral Agent that is an air carrier or any other Person otherwise permitted to hold and use properties or rights as such Collateral and will, at the reasonable request of the Collateral Agent and in good faith, continue to operate and manage such Collateral and maintain such Grantor's applicable regulatory licenses with respect to such Collateral until such time as such designee obtains such licenses and governmental approvals as may be necessary or (in the reasonable opinion of the Collateral Agent or its designee specified above) advisable to conduct aviation operations with respect to such Collateral.

Section 12. Non-Lender Secured Parties.

(a) Rights to Collateral.

(i) The Non-Lender Secured Parties shall not have any right whatsoever to do any of the following: (A) exercise any rights or remedies with respect to the Collateral or to direct the Collateral Agent to do the same, including, without limitation, the right to (1) enforce any Liens or sell or otherwise foreclose on any portion of the Collateral, (2) request any action, institute any proceedings, exercise any voting rights, give any instructions, make any election or make collections with respect to all or any portion of the Collateral or (3) release any Grantor under this SGR Security Agreement or release any Collateral from the Liens of any Collateral Document or consent to or otherwise approve any such release; (B) demand, accept or obtain any Lien on any Collateral (except for Liens arising under, and subject to the terms of, this SGR

Security Agreement); (C) vote in any Bankruptcy Case or similar proceeding in respect of Parent or any of its Subsidiaries (any such proceeding, for purposes of this clause (i), a “Bankruptcy”) with respect to, or take any other actions concerning the Collateral; (D) receive any proceeds from any sale, transfer or other disposition of any of the Collateral (except in accordance with this SGR Security Agreement); (E) oppose any sale, transfer or other disposition of the Collateral; (E) object to any debtor-in-possession financing in any Bankruptcy which is provided by one or more Lenders among others (including on a priming basis under Section 364(d) of the Bankruptcy Code); (G) object to the use of cash collateral in respect of the Collateral in any Bankruptcy; or (H) seek, or object to the Lenders, the Administrative Agent or the Collateral Agent seeking on an equal and ratable basis, any adequate protection or relief from the automatic stay with respect to the Collateral in any Bankruptcy.

(ii) Each Non-Lender Secured Party, by its acceptance of the benefits of this SGR Security Agreement and the other Collateral Documents, agrees that in exercising rights and remedies with respect to the Collateral, the Collateral Agent and the Lenders, with the consent of the Collateral Agent, may enforce the provisions of the Collateral Documents and exercise remedies thereunder and under any other Loan Documents (or refrain from enforcing rights and exercising remedies), all in such order and in such manner as they may determine in the exercise of their sole business judgment and subject to the terms of any Intercreditor Agreement and any Other Intercreditor Agreement. Such exercise and enforcement shall include, without limitation, the rights to collect, sell, dispose of or otherwise realize upon all or any part of the Collateral, to incur expenses in connection with such collection, sale, disposition or other realization and to exercise all the rights and remedies of a secured lender under the UCC. The Non-Lender Secured Parties by their acceptance of the benefits of this SGR Security Agreement and the other Collateral Documents hereby agree not to contest or otherwise challenge any such collection, sale, disposition or other realization of or upon all or any of the Collateral. Whether or not a Bankruptcy Case has been commenced, the Non-Lender Secured Parties shall be deemed to have consented to any sale or other disposition of any property, business or assets of Parent or any of its Subsidiaries and the release of any or all of the Collateral from the Liens of any Collateral Document in connection therewith.

(iii) Notwithstanding any provision of this Section 12(a), the Non-Lender Secured Parties shall be entitled, subject to any Intercreditor Agreement and any Other Intercreditor Agreement, to file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleadings (A) in order to prevent any Person from seeking to foreclose on the Collateral or supersede the Non-Lender Secured Parties’ claim thereto or (B) in opposition to any motion, claim, adversary proceeding or other pleading made

by any Person objecting to or otherwise seeking the disallowance of the claims of the Non-Lender Secured Parties. Each Non-Lender Secured Party, by its acceptance of the benefits of this SGR Security Agreement, agrees to be bound by and to comply with any Intercreditor Agreement and any Other Intercreditor Agreement and authorizes the Collateral Agent to enter into the Intercreditor Agreements and Other Intercreditor Agreements on its behalf.

(iv) Each Non-Lender Secured Party, by its acceptance of the benefits of this SGR Security Agreement, agrees that the Collateral Agent and the Lenders may deal with the Collateral, including any exchange, taking or release of Collateral, may change or increase the amount of the Obligations, and may release any Grantor from its Obligations hereunder, all without any liability or obligation (except as may be otherwise expressly provided herein) to the Non-Lender Secured Parties.

(b) Appointment of Agent. Each Non-Lender Secured Party, by its acceptance of the benefits of this SGR Security Agreement and the other Collateral Documents, shall be deemed irrevocably to make, constitute and appoint the Collateral Agent, as agent under the Credit Agreement (and all officers, employees or agents designated by the Collateral Agent) as such Person's true and lawful agent and attorney-in-fact, and in such capacity, the Collateral Agent shall have the right, with power of substitution for the Non-Lender Secured Parties and in each such Person's name or otherwise, to effectuate any sale, transfer or other disposition of the Collateral. It is understood and agreed that the appointment of the Collateral Agent as the agent and attorney-in-fact of the Non-Lender Secured Parties for the purposes set forth herein is coupled with an interest and is irrevocable. It is understood and agreed that the Collateral Agent has appointed the Administrative Agent as its agent for purposes of perfecting certain of the security interests created hereunder and for otherwise carrying out certain of its obligations hereunder.

(c) Waiver of Claims. To the maximum extent permitted by law, each Non-Lender Secured Party waives any claim it might have against the Collateral Agent or the Lenders with respect to, or arising out of, any action or failure to act or any error of judgment, negligence, or mistake or oversight whatsoever on the part of the Collateral Agent or the Lenders or their respective directors, officers, employees or agents with respect to any exercise of rights or remedies under the Loan Documents or any transaction relating to the Collateral (including, without limitation, any such exercise described in Section 12(a)(ii)), except for any such action or failure to act that constitutes willful misconduct or gross negligence of such Person. To the maximum extent permitted by applicable law, none of the Collateral Agent or any Lender or any of their respective directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of Parent,

any Subsidiary of Parent, any Non-Lender Secured Party or any other Person or to take any other action or forbear from doing so whatsoever with regard to the Collateral or any part thereof, except for any such action or failure to act that constitutes willful misconduct or gross negligence of such Person.

Section 13. Application of Proceeds.

(a) Any cash held by the Collateral Agent as Collateral and all cash Proceeds received (including a distribution of Collateral in connection with any Bankruptcy Case or similar proceeding) by the Collateral Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral pursuant to the exercise by the Collateral Agent of its remedies as a secured creditor as provided in Section 11 of this SGR Security Agreement shall, subject to the terms of any Intercreditor Agreement and any Other Intercreditor Agreement, be applied from time to time by the Collateral Agent in accordance with the terms of the Credit Agreement.

(b) It is understood that, to the extent permitted by applicable law, each Grantor shall remain liable to the extent of any deficiency between the amount of the Proceeds of the Collateral and the aggregate amount of the outstanding Obligations.

Section 14. No Waiver; Discontinuance of Proceeding.

(a) Each and every right, power and remedy hereby specifically given to the Collateral Agent or otherwise in this SGR Security Agreement shall be cumulative and shall be in addition to every other right, power and remedy specifically given under this SGR Security Agreement or the other Loan Documents now or hereafter existing at law, in equity or by statute and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time or simultaneously and as often and in such order as may be deemed expedient by the Collateral Agent. All such rights, powers and remedies shall be cumulative and the exercise or the beginning of the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Collateral Agent in the exercise of any such right, power or remedy and no renewal or extension of any of the Obligations shall impair any such right, power or remedy or shall be construed to be a waiver of any default or Event of Default or an acquiescence therein. No notice to or demand on any Grantor in any case shall entitle it to any other or further notice or demand in similar or other circumstances or constitute a waiver of any of the rights of the Collateral Agent to any other or further action in any circumstances without notice or demand. In the event that the Collateral Agent shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Collateral Agent may recover reasonable out-of-pocket expenses, including reasonable attorneys' fees, and the amounts thereof shall be included in such judgment.

(b) In the event the Collateral Agent shall have instituted any proceeding to enforce any right, power or remedy under this SGR Security Agreement by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Collateral Agent, then and in every such case each Grantor, the Collateral Agent and each Secured Party shall, to the extent permitted by applicable law, be restored to their respective former positions and rights hereunder with respect to the Collateral, and all rights, remedies and powers of the Collateral Agent and the Secured Parties shall continue as if no such proceeding had been instituted.

Section 15. Amendments, etc. This SGR Security Agreement may not be amended, modified or waived except with the written consent of each Grantor and the Collateral Agent (who shall act pursuant to and in accordance with the terms of Section 10.08 of the Credit Agreement); provided that unless separately agreed in writing between each Grantor and any Non-Lender Secured Party, no such waiver and no such amendment or modification shall amend, modify or waive Section 12 (or the definition of “Non-Lender Secured Party” or “Secured Party” to the extent relating thereto) if such waiver, amendment, or modification would disproportionately directly and adversely affect a Non-Lender Secured Party as compared to the Lenders without the written consent of such affected Non-Lender Secured Party. Any amendment, modification or supplement of or to any provision of this SGR Security Agreement, any termination or waiver of any provision of this SGR Security Agreement and any consent to any departure by any Grantor from the terms of any provision of this SGR Security Agreement shall be effective only in the specific instance and for the specific purpose for which made or given. No notice to or demand upon any Grantor in any instance hereunder shall entitle such Grantor to any other or further notice or demand in similar or other circumstances. For the avoidance of doubt, it is understood and agreed that any amendment, amendment and restatement, waiver, supplement or other modification of or to any Intercreditor Agreement or any Other Intercreditor Agreement that would have the effect, directly or indirectly, through any reference herein to any Intercreditor Agreement or any Other Intercreditor Agreement or otherwise, of waiving, amending, supplementing or otherwise modifying this SGR Security Agreement, or any term or provision hereof, or any right or obligation of any Grantor hereunder or in respect hereof, shall not be given such effect except pursuant to a written instrument executed by such Grantor and the Collateral Agent in accordance with this Section 15. Notwithstanding the foregoing, the Grantors may cause the Schedules hereto to be amended, supplemented or otherwise modified without the consent of any Person in order to (i) evidence the addition of Collateral pursuant to Section 6(a) or the release of Collateral pursuant to Section 16, or (ii) otherwise evidence the release or addition of Collateral in accordance with this SGR Security Agreement and the Credit Agreement; provided that, in the case of the addition or release of any Collateral consisting of Route Authorities, the Borrower shall, at the written request of the Collateral Agent, promptly amend, supplement or otherwise modify Schedule III to reflect such addition or release.

Section 16. Termination; Release.

(a) At such time as the Obligations (other than any Obligations owing to a Non-Lender Secured Party) then due and owing shall have been paid in full, the Commitments under the Credit Agreement have been terminated and no Letters of Credit shall be outstanding (except for Letters of Credit that have been cash collateralized or otherwise provided for in a manner reasonably satisfactory to the Administrative Agent), all Collateral shall be automatically released from the Liens created hereby, and this SGR Security Agreement and all obligations (other than those expressly stated to survive such termination) of the Collateral Agent and each Grantor shall automatically terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the applicable Grantor. At the request and sole expense of any Grantor following any such termination, the Collateral Agent shall promptly execute, acknowledge and deliver to such Grantor such releases, instruments or other documents (including without limitation UCC termination statements), and do or cause to be done all other acts, as such Grantor shall reasonably request to evidence such termination.

(b) Upon any Permitted Disposition of Collateral (whether by way of the sale of assets or the sale of Capital Stock of a Grantor of Collateral) of the type described in items (1), (2) (provided the requirements set forth in the first proviso to such section are satisfied), (4) and (5) of the definition of "Permitted Disposition" or any other type of Permitted Disposition involving divestiture of any Grantor's title to the related Collateral under the Credit Agreement, the Lien pursuant to this SGR Security Agreement on such sold or disposed of Collateral shall be automatically released. In connection with any other Disposition of Collateral not covered by the preceding sentence (whether by way of the sale of assets or the sale of Capital Stock of a Grantor of such Collateral) permitted under the Credit Agreement, the Collateral Agent shall, upon receipt from such Grantor of a written request for the release of the Collateral subject to such sale or other disposition (or in the case of a sale of Capital Stock of such Grantor, the release of such Grantor's Collateral), at such Grantor's sole cost and expense, promptly execute, acknowledge and deliver to such Grantor such releases, instruments or other documents (including without limitation UCC termination statements), and do or cause to be done all other acts, as such Grantor shall reasonably request to evidence or effect the release of the Liens created hereby (if any) on such Collateral.

(c) For the avoidance of doubt, (i) if any Slot ceases to be included in the Collateral because it ceases to be actually utilized in connection with the Scheduled Services or any Foreign Gate Leasehold ceases to be included in the Collateral because it ceases to be used for servicing the Scheduled Services relating to the airport at which such Foreign Gate Leasehold is located, such Slot or Foreign Gate Leasehold shall be automatically released from the Lien of this SGR Security Agreement and (ii) subject to clause (1) of the first proviso to Section 1 hereof, if any FAA Slot or Foreign Slot now held or hereafter acquired by any Grantor becomes an FAA Route Slot or Foreign Route

Slot, respectively, or any right, title, privilege, interest and authority now held or hereafter acquired by such Grantor in connection with the right to use or occupy space in an airport terminal becomes a Foreign Gate Leasehold, such FAA Slot, Foreign Slot or right, title, privilege, interest and authority shall be automatically subject to the Lien of this SGR Security Agreement.

(d) The Liens on any Account Collateral that is withdrawn from any Account (in each case, in compliance with the Credit Agreement) prior to receipt of a Notice of Exclusive Control (as defined in the applicable Account Control Agreement) by the Securities Intermediary or after receipt of a Rescission Notice (as defined in the Account Control Agreement) by the Securities Intermediary shall be automatically released upon such withdrawal.

(e) Upon the release of any Grantor from its guarantee of the Obligations pursuant to Section 9.05 of the Credit Agreement, such Grantor shall cease to be a Grantor hereunder and the items of Collateral owned by such Grantor shall be released from the Lien and security interest granted hereby, and in connection therewith, the Collateral Agent will, at the applicable Grantor's expense, execute and deliver to such Grantor such documents as it shall reasonably request (without recourse and without any representation or warranty), including, without limitation, any UCC termination statements and any amendment or modification of this SGR Security Agreement pursuant to a SGR Security Agreement Supplement or otherwise, to evidence the release of such Grantor and such Grantor's Collateral from the Lien and security interest granted hereby and reassignment of all right, title and interest of the Collateral Agent in all of such Grantor's Collateral to such Grantor. For the avoidance of doubt, upon any merger or consolidation pursuant to Section 6.10(d) of the Credit Agreement, the Collateral shall not be released pursuant to this Section 16(e), so long as following such merger or consolidation, the surviving entity is another Grantor party to this SGR Security Agreement.

(f) Upon the direction of the Borrower pursuant to and in accordance with Section 6.09(c) of the Credit Agreement, such items of Collateral as may be specified by the Borrower shall be released from the Lien and security interest granted hereby, and in connection therewith, the Collateral Agent will, at the applicable Grantor's expense, execute and deliver to such Grantor such documents as it shall reasonably request (without recourse and without any representation or warranty), including, without limitation, any UCC termination statements and any amendment or modification of this SGR Security Agreement pursuant to a SGR Security Agreement Supplement or otherwise, to evidence the release of such items of Collateral from the Lien and security interest granted hereby and reassignment of all right, title and interest of the Collateral Agent in all of such Grantor's specified Collateral to such Grantor.

(g) If the Borrower or any other Grantor requests release documentation with respect to any Collateral released as provided in this Section 16, including UCC termination statements or other release-related documentation, the Borrower or other Grantor requesting such documentation shall deliver to the Collateral Agent an Officer's Certificate stating that the release of such Grantor's respective Collateral that is to be evidenced by such UCC termination statements or other instruments is permitted pursuant to this Section 16 and the relevant provisions of the Credit Agreement (provided that an Officer's Certificate delivered to the Administrative Agent pursuant to Section 6.09(c) of the Credit Agreement shall be deemed to satisfy the requirements of this clause (g)). The Collateral Agent shall have no liability whatsoever to any Secured Party as the result of any release of Collateral by it as permitted by this Section 16.

Section 29. Limited Obligations. It is the desire and intent of each Grantor, the Collateral Agent and the Secured Parties that this SGR Security Agreement shall be enforced against each Grantor to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. If and to the extent that the obligations of any Grantor under this SGR Security Agreement shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers, which laws would determine the solvency of such Grantor by reference to the full amount of the Obligations at the time of the execution and delivery of this SGR Security Agreement), then the amount of the Obligations of such Grantor shall be deemed to be reduced and such Grantor shall pay the maximum amount of the Obligations which would be permissible under the applicable law.
