Item 1.01 Entry into a Material Definitive Agreement.

On August 14, 2017, American Airlines, Inc. (the “Company” or “American”), Wilmington Trust Company, as trustee under certain pass through trusts newly formed by the Company (the “Trustee”) and as subordination agent, Wilmington Trust, National Association, as escrow agent (the “Escrow Agent”) under the Escrow Agreements (as defined below), and Wilmington Trust Company, as paying agent (the “Paying Agent”) under the Escrow Agreements, entered into a Note Purchase Agreement (the “Note Purchase Agreement”). The Note Purchase Agreement, subject to certain terms and conditions, provides for the future issuance by American of equipment notes (the “Equipment Notes”) in the aggregate principal amount of \$796,898,000 to be secured by (a) three Boeing 737-800 aircraft newly manufactured and scheduled for delivery to American from October 2017 to December 2017, (b) nine Boeing 737 MAX 8 aircraft newly manufactured and scheduled for delivery to American from September 2017 to April 2018, (c) three Boeing 787-9 aircraft newly manufactured and scheduled for delivery to American from November 2017 to February 2018 and (d) fifteen Embraer ERJ 175 LR aircraft delivered new to American from October 2015 to August 2016 (each, an “Aircraft” and, collectively, the “Aircraft”). Pursuant to the Note Purchase Agreement, the Trustee will enter into a Participation Agreement substantially in the form of the form of Participation Agreement (“Form of Participation Agreement”) attached as an exhibit to the Note Purchase Agreement and will purchase the Equipment Notes to be issued under an Indenture and Security Agreement substantially in the form of the form of Indenture and Security Agreement (“Form of Indenture”) attached as an exhibit to the Note Purchase Agreement (each, an “Indenture” and collectively, the “Indentures”) to be entered into by American and Wilmington Trust Company, as loan trustee (the “Loan Trustee”), with respect to each Aircraft.

Each Indenture contemplates the issuance of Equipment Notes in two series: Series AA, bearing interest at the rate of 3.35% per annum, and Series A, bearing interest at the rate of 3.60% per annum in the aggregate principal amount (once all the Equipment Notes have been issued) equal to \$544,644,000, in the case of Series AA Equipment Notes, and \$252,254,000, in the case of Series A Equipment Notes. The Equipment Notes will be purchased by the Trustee, using the proceeds from the sale of American Airlines Pass Through Certificates, Series 2017-2AA (the “Class AA Certificates”) and American Airlines Pass Through Certificates, Series 2017-2A (the “Class A Certificates,” and together with the Class AA Certificates, the “Certificates” and each series of the Certificates, a “Class”).

Pending the purchase of the Equipment Notes, the proceeds from the sale of the Certificates of each Class were placed in escrow by the Trustee pursuant to separate Escrow and Paying Agent Agreements, each dated as of August 14, 2017, among the Escrow Agent, the Paying Agent, Goldman Sachs & Co. LLC (“Goldman Sachs”), Credit Suisse Securities (USA) LLC (“Credit Suisse”) and Deutsche Bank Securities Inc. (“Deutsche Bank”), as representatives of the Underwriters (as defined below), and the Trustee (each, an “Escrow Agreement” and, collectively, the “Escrow Agreements”). The escrowed funds were deposited with Natixis S.A., a French *société anonyme*, acting through its New York Branch, as depository (the “Depository”) under a separate deposit agreement for each Class of Certificates, each dated as of August 14, 2017, between the Escrow Agent and the Depository.

The interest on the Equipment Notes and the escrowed funds will be payable semiannually on April 15 and October 15 of each year, commencing on April 15, 2018. The principal payments on the Equipment Notes are scheduled for payment on April 15 and October 15 of each year, commencing on October 15, 2018. Final payments with respect to the Series AA Equipment Notes and the Series A Equipment Notes will be due on October 15, 2029. Maturity of the Equipment Notes may be accelerated upon the occurrence of certain events of default, including failure by American (in some cases after notice or the expiration of a grace period, or both) to make payments under the applicable Indenture when due or to comply with certain covenants, as well as certain bankruptcy events involving American. The Equipment Notes issued with respect to each Aircraft will be secured by a lien on such Aircraft and cross-collateralized by the other Aircraft financed pursuant to the Note Purchase Agreement.

The Certificates were registered for offer and sale pursuant to the Securities Act of 1933, as amended (the “Securities Act”), under American’s shelf registration statement on Form S-3 (File No. 333-216167-01), (the “Registration Statement”). Section 7.01 Delivery of Documents; Delivery Dates. (a) The Trustee is hereby directed (i) to execute and deliver the Intercreditor Agreement, the Escrow Agreement and the NPA on or prior to the date of the initial issuance of the Class AA Certificates (the "Issuance Date"), each in the form delivered to the Trustee by the Company, and (ii) subject to the respective terms thereof, to perform its obligations thereunder. Upon request of the Company and the satisfaction or waiver of the closing conditions specified in the Underwriting Agreement, the Trustee shall execute, deliver, authenticate, issue and sell Class AA Certificates in authorized denominations equaling in the aggregate the amount set forth, with respect to the Class AA Trust, in Schedule I to the Underwriting Agreement evidencing the entire ownership interest in the Class AA Trust, which amount equals the maximum aggregate principal amount of Series AA Equipment Notes which may be purchased from time to time by the Trustee pursuant to the NPA. Except as provided in Sections 3.03, 3.05 and 3.06 of the Basic Agreement or Section 4.03 of this Trust Supplement, the Trustee shall not execute, authenticate or deliver Class AA Certificates in excess of the aggregate amount specified in this paragraph. The provisions of this Section 7.01(a) supersede and replace the first three sentences of Section 2.02(a) of the Basic Agreement and the first sentence of Section 3.02(a) of the Basic Agreement, with respect to the Class AA Trust.

(b) On or after the Issuance Date, the Company may deliver from time to time, and in accordance with Section 1(b) of the NPA, to the Trustee a Funding Notice relating to one or more Series AA Equipment Notes. After receipt of such a Funding Notice and in any case no later than one Business Day prior to a Funding Date as to which such Funding Notice relates (the "Applicable Funding Date"), the Trustee shall (as and when specified in the Funding Notice) deliver to the Escrow Agent the Withdrawal Certificates and related Applicable Notices of Purchase Withdrawal, as contemplated by Section 1.02(c) of the Escrow Agreement and by such Funding Notice. The Trustee shall (as and when specified in such Funding Notice), subject to the conditions set forth in Section 2 of the NPA, enter into and perform its obligations under the Participation Agreement specified in such Funding Notice (the "Applicable Participation Agreement") and cause such certificates, documents and legal opinions relating to the Trustee to be duly delivered as required by the Applicable Participation Agreement. If at any time prior to the Applicable Funding Date, the Trustee receives from the Company a notice pursuant to the first sentence of Section 1(f) of the NPA, then the Trustee shall give notice to the Depository (with a copy to the Escrow Agent) of the cancellation of such Notice of Purchase Withdrawal relating to such Deposit or Deposits on such Applicable Funding Date as contemplated by Section 2.3 of the Deposit Agreement. Upon satisfaction of the conditions specified in the NPA and the Applicable Participation Agreement, the Trustee shall purchase the applicable Series AA Equipment Notes with the proceeds of the withdrawals of one or more Deposits made on the Applicable Funding Date in accordance with the terms of the Deposit Agreement and the Escrow

Agreement. The purchase price of such Series AA Equipment Notes shall equal the principal amount of such Series AA Equipment Notes. Amounts withdrawn from such Deposit or Deposits in excess of the purchase price of the Series AA Equipment Notes or to the extent not applied on the Applicable Funding Date to the purchase price of the Series AA Equipment Notes shall be re-deposited by the Trustee with the Depository on the Applicable Funding Date in accordance with the terms of the Deposit Agreement. The provisions of this Section 7.01(b) supersede and replace the provisions of Section 2.02(b) of the Basic Agreement with respect to the Class AA Trust, and no provisions of the Basic Agreement relating to Postponed Notes and Section 2.02 of the Basic Agreement shall apply to the Class AA Trust.

(c) With respect to the Class AA Trust, Section 4.01(b) of the Basic Agreement is superseded and replaced in its entirety with the following: “The Trustee shall establish and maintain on behalf of the Class AA Certificateholders a Special Payments Account as one or more accounts, which shall be non-interest bearing except as provided in Section 4.04 of the Basic Agreement. The Trustee shall hold the Special Payments Account in trust for the benefit of the Class AA Certificateholders and shall make or permit withdrawals therefrom only as provided in the Agreement or the Intercreditor Agreement. On each day when one or more Special Payments are made to the Trustee under the Intercreditor Agreement, the Trustee, upon receipt thereof, shall immediately deposit the aggregate amount of such Special Payments in the Special Payments Account.”

(d) With respect to the Class AA Trust, the second sentence of Section 4.02(c) of the Basic Agreement shall be superseded and replaced in its entirety with the following sentence: “Subject to the provisions of the Intercreditor Agreement: (i) in the event of redemption or purchase of Series AA Equipment Notes held in the Class AA Trust, such notice shall be mailed not less than 15 days prior to the Special Distribution Date for the Special Payment resulting from such redemption or purchase, which Special Distribution Date shall be the date of such redemption or purchase; and (ii) in the case of any other Special Payments, such notice of Special Payment shall be mailed as soon as practicable after the Trustee has confirmed that it has received funds for such Special Payment and shall state the Special Distribution Date for such Special Payment, which shall occur 15 days after the date of such notice of Special Payment or (if such 15th day is not practicable) as soon as practicable thereafter.”

(e) With respect to the Class AA Trust, clause (ii) of the third sentence of Section 4.02(c) of the Basic Agreement shall be amended by deleting in its entirety the parenthetical phrase “(taking into account any payment to be made by the Responsible Party pursuant to Section 2.02(b)).”

Section 7.02 Withdrawal of Deposits. If any Deposits remain outstanding on the Business Day next succeeding the Cut-off Date, the Trustee shall promptly give the Escrow Agent notice, as contemplated by clause (ii) of Section 1.02(f) of the Escrow Agreement, that the Trustee’s obligation to purchase Series AA Equipment Notes under the NPA has terminated and the Cut-off Date has occurred.

Section 7.03 The Trustee. (a) Subject to Section 7.04 of this Trust Supplement and Section 7.15 of the Basic Agreement, the Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Trust Supplement, the

Intercreditor Agreement, the Deposit Agreement, the NPA or the Escrow Agreement or the due execution hereof or thereof by the Company or the other parties thereto (other than the Trustee), or for or in respect of the recitals and statements contained herein or therein, all of which recitals and statements are made solely by the Company or the other parties thereto (other than the Trustee), except that the Trustee hereby represents and warrants that each of this Trust Supplement, the Basic Agreement, each Class AA Certificate, the Intercreditor Agreement, the NPA and the Escrow Agreement has been executed and delivered by one of its officers who is duly authorized to execute and deliver such document on its behalf.

(b) The Trustee shall at all times be a bank or trust company, organized and doing business under the laws of the United States or any state thereof, a substantial part of the business of which consists of (i) receiving deposits and making loans or (ii) exercising fiduciary powers similar to those permitted to national banks by the Comptroller of the Currency, and which is subject to supervision and examination by state or federal authority having supervision over banking institutions.

Section 7.04 Representations and Warranties of the Trustee. The Trustee hereby represents and warrants that:

(a) the Trustee has full power, authority and legal right to execute, deliver and perform this Trust Supplement, the Intercreditor Agreement, the Escrow Agreement, the NPA and the Note Documents to which it is or is to become a party and has taken all necessary action to authorize the execution, delivery and performance by it of this Trust Supplement, the Intercreditor Agreement, the Escrow Agreement, the NPA and the Note Documents to which it is or is to become a party;

(b) the execution, delivery and performance by the Trustee of this Trust Supplement, the Intercreditor Agreement, the Escrow Agreement, the NPA and the Note Documents to which it is or is to become a party (i) will not violate any provision of any United States federal law governing its trust powers or the law of the state of the United States where it is located governing the banking and trust powers of the Trustee or any order, writ, judgment, or decree of any court, arbitrator or governmental authority applicable to the Trustee or any of its assets, (ii) will not violate any provision of the charter of the Trustee, and (iii) will not violate any provision of, or constitute, with or without notice or lapse of time, a default under, or result in the creation or imposition of, any lien on any properties included in the Trust Property pursuant to the provisions of any mortgage, indenture, contract, agreement or other undertaking to which it is a party, which violation, default or lien could reasonably be expected to have an adverse effect on the Trustee's performance or ability to perform its duties hereunder or thereunder or on the transactions contemplated herein or therein;

(c) the execution, delivery and performance by the Trustee of this Trust Supplement, the Intercreditor Agreement, the Escrow Agreement, the NPA and the Note Documents to which it is or is to become a party will not require the authorization, consent, or approval of, the giving of notice to, the filing or registration with, or the taking of any other action in respect of, any governmental authority or agency of the United States or the state of the United States where it is located regulating the corporate trust activities of the Trustee; and

(d) this Trust Supplement, the Intercreditor Agreement, the Escrow Agreement, the NPA and the Note Documents to which it is or is to become a party have been, or will be, as applicable, duly executed and delivered by the Trustee and constitute, or will constitute, as applicable, the legal, valid and binding agreements of the Trustee, enforceable against it in accordance with their respective terms; provided, however, that enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and (ii) general principles of equity.

Section 7.05 Trustee Liens. The Trustee in its individual capacity agrees, in addition to the agreements contained in Section 7.17 of the Basic Agreement, that it will at its own cost and expense promptly take any action as may be necessary to duly discharge and satisfy in full any Trustee's Liens on or with respect to the Trust Property which are attributable to the Trustee in its individual capacity and which are unrelated to the transactions contemplated by the Intercreditor Agreement or the NPA.

Section 9.01 Final Termination Date. The respective obligations and responsibilities of the Company and the Trustee created hereby and the Class AA Trust created hereby shall terminate upon the distribution to all Class AA Certificateholders and the Trustee of all amounts required to be distributed to them pursuant to this Agreement and the disposition of all property held as part of the Trust Property; *provided, however*, that in no event shall the Trust created hereby continue beyond one hundred ten (110) years following the date of execution of this Trust Supplement.

Section 9.02 Basic Agreement Ratified. Except and so far as herein expressly provided, all of the provisions, terms and conditions of the Basic Agreement are in all respects ratified and confirmed; and the Basic Agreement and this Trust Supplement shall be taken, read and construed as one and the same instrument. To the extent that any provisions of the Basic Agreement are superseded by any provisions of this Trust Supplement, any reference to such provisions of the Basic Agreement herein or in the Basic Agreement shall be deemed to be such provisions of this Trust Supplement.

Section 9.03 Governing Law. THIS AGREEMENT HAS BEEN DELIVERED IN THE STATE OF NEW YORK AND THIS AGREEMENT AND THE CLASS AA CERTIFICATES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE.

Each Certificateholder of, and each Person acquiring a beneficial interest in, a Class AA Certificate, by its acceptance of its Class AA Certificate or a beneficial interest therein, agrees to treat the Class AA Trust as a grantor trust for all United States federal, state and local income tax purposes. The Trustee shall not be authorized or empowered to do anything that would cause the Class AA Trust to fail to qualify as a grantor trust for such tax purposes (including as subject to this restriction, acquiring any

Aircraft by bidding the Equipment Notes relating thereto or otherwise, or taking any action with respect to any such Aircraft once acquired).

The Certificates represent Fractional Undivided Interests in the Trust and the Trust Property, and will have no rights, benefits or interest in respect of any other separate trust established pursuant to the terms of the Basic Agreement for any other series of certificates issued pursuant thereto.

Subject to and in accordance with the terms of the Agreement and the Intercreditor Agreement, from funds then available to the Trustee, there will be distributed on each April 15 and each October 15 (each, a "Regular Distribution Date"), commencing on April 15, 2018, to the Person in whose name this Certificate is registered at the close of business on the 15th day preceding the applicable Regular Distribution Date, an amount in respect of the Scheduled Payments on the Series AA Equipment Notes due on such Regular Distribution Date, the receipt of which has been confirmed by the Trustee, equal to the product of the percentage interest in the Trust evidenced by this Certificate and an amount equal to the sum of such Scheduled Payments. Subject to and in accordance with the terms of the Agreement and the Intercreditor Agreement, in the event that Special Payments on the Series AA Equipment Notes are received by the Trustee, from funds then available to the Trustee, there shall be distributed on the applicable Special Distribution Date, to the Person in whose name this Certificate is registered at the close of business on the 15th day preceding the applicable Special Distribution Date, an amount in respect of such Special Payments on the Series AA Equipment Notes, the receipt of which has been confirmed by the Trustee, equal to the product of the percentage interest in the Trust evidenced by this Certificate and an amount equal to the sum of such Special Payments so received. The Trustee shall mail notice of each Special Payment and the Special Distribution Date therefor to the Certificateholder of this Certificate.

Distributions on this Certificate will be made by the Trustee by check mailed to the Person entitled thereto, without the presentation or surrender of this Certificate or the making of any notation hereon, except that with respect to Certificates registered on the Record Date in the name of a Clearing Agency (or its nominee), such distributions shall be made by wire transfer. Except as otherwise provided in the Agreement and notwithstanding the above, the final distribution on this Certificate will be made after notice mailed by the Trustee of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency of the Trustee specified in such notice.

The Certificates are limited in right of payment, all as more specifically set forth on the face hereof and in the Agreement. All payments or distributions made to Certificateholders under the Agreement shall be made only from the Trust Property and only to the extent that the Trustee shall have sufficient income or proceeds from the Trust Property to make such payments in accordance with the terms of the Agreement. Each Certificateholder of this Certificate, by its acceptance hereof, agrees that it will look solely to the income and proceeds from the Trust Property to the extent available for any payment or distribution to such Certificateholder pursuant to the terms of the Agreement and that it will not have any recourse to the Company, the Trustee, the Loan Trustees or any Affiliate of any thereof except as otherwise expressly provided in the Agreement, in any Note Document or in the

A copy of the Agreement may be examined during normal business hours at the principal office of the Trustee, and at such other places, if any, designated by the Trustee, by any Certificateholder upon request.

The Agreement permits, with certain exceptions therein provided, the amendment thereof, and the modification of the rights and obligations of the Company and the rights of the Certificateholders under the Agreement, at any time by the Company and the Trustee with the consent of the Certificateholders holding Certificates evidencing Fractional Undivided Interests aggregating not less than a majority in interest in the Trust. Any such consent by the Certificateholder of this Certificate shall be conclusive and binding on such Certificateholder and upon all future Certificateholders of this Certificate and of any Certificate issued upon the transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent is made upon this Certificate. The Agreement also permits the amendment thereof, in certain limited circumstances, without the consent of the Certificateholders of any of the Certificates.

As provided in the Agreement and subject to certain limitations set forth therein, the transfer of this Certificate is registrable in the Register upon surrender of this Certificate for registration of transfer at the offices or agencies maintained by the Trustee in its capacity as Registrar, or by any successor Registrar, duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee and the Registrar, duly executed by the Certificateholder hereof or such Certificateholder's attorney duly authorized in writing, and thereupon one or more new Certificates of authorized denominations evidencing the same aggregate Fractional Undivided Interest in the Trust will be issued to the designated transferee or transferees.

No service charge will be made for any such registration of transfer or exchange, but the Trustee shall require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

The Company, the Trustee, the Registrar and any Paying Agent shall deem and treat the Person in whose name this Certificate is registered as the owner hereof for all purposes, and none of the Company, the Trustee, the Registrar or any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Agreement and the Trust created thereby shall terminate upon the distribution to Certificateholders of all amounts required to be distributed to them pursuant to the Agreement and the disposition of all property held as part of the Trust Property.

Any Person acquiring or accepting this Certificate or an interest herein will, by such acquisition or acceptance, be deemed to (a) represent and warrant to the Company, the Loan Trustees and the Trustee that either: (i) no assets of a Plan or any trust established with respect to a Plan have been used to purchase or hold this Certificate or an interest herein or (ii) the purchase and holding of this Certificate or interest herein by such Person are exempt from the prohibited transaction restrictions of ERISA and the Code or provisions of Similar Law pursuant to one or more prohibited transaction statutory or administrative exemptions or similar exemptions under Similar Law; and (b) direct the Trustee to invest the assets held in the Trust pursuant to, and take all other actions contemplated by, the terms and conditions of the Basic Agreement, this Trust Supplement, the Intercreditor Agreement, the Deposit Agreement, the Escrow Agreement, the NPA and each Participation Agreement.

SAMPLE OFFERING DOCUMENT LANGUAGE
DESCRIBING BOOK-ENTRY-ONLY ISSUANCE

(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the securities (the “Securities”). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC’s records. The ownership interest of each actual purchaser of each Security (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in

Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. [Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.]

6. [Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.]

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility

of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. [A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Securities to [Tender/Remarketing] Agent's DTC account.]

10. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

11. Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

If at any time prior to the Applicable Funding Date, the Trustee receives from the Company a notice pursuant to the first sentence of Section 1(f) of the NPA, then the Trustee shall give notice to the Depository (with a copy to the Escrow Agent) of the cancellation of such Notice of Purchase Withdrawal relating to such Deposit or Deposits on such Applicable Funding Date as contemplated by Section 2.3 of the Deposit Agreement. Upon satisfaction of the conditions specified in the NPA and the Applicable Participation Agreement, the Trustee shall purchase the applicable Series A Equipment Notes with the proceeds of the withdrawals of one or more Deposits made on the Applicable Funding Date in accordance with the terms of the Deposit Agreement and the Escrow Agreement. The purchase price of such Series A Equipment Notes shall equal the principal amount of such Series A Equipment Notes. Amounts withdrawn from such Deposit or Deposits in excess of the purchase price of the Series A Equipment Notes or to the extent not applied on the Applicable Funding Date to the purchase price of the Series A Equipment Notes shall be re-deposited by the Trustee with the Depository on the Applicable Funding Date in accordance with the terms of the Deposit Agreement. The provisions of this Section 7.01(b) supersede and replace the provisions of Section 2.02(b) of the Basic Agreement with respect to the Class A Trust, and no provisions of the Basic Agreement relating to Postponed Notes and Section 2.02 of the Basic Agreement shall apply to the Class A Trust.

(c) With respect to the Class A Trust, Section 4.01(b) of the Basic Agreement is superseded and replaced in its entirety with the following: “The Trustee shall establish and maintain on behalf of the Class A Certificateholders a Special Payments Account as one or more accounts, which shall be non-interest bearing except as provided in Section 4.04 of the Basic Agreement. The Trustee shall hold the Special Payments Account in trust for the benefit of the Class A Certificateholders and shall make or permit withdrawals therefrom only as provided in the Agreement or the Intercreditor Agreement. On each day when one or more Special Payments are made to the Trustee under the Intercreditor Agreement, the Trustee, upon receipt thereof, shall immediately deposit the aggregate amount of such Special Payments in the Special Payments Account.”

(d) With respect to the Class A Trust, the second sentence of Section 4.02(c) of the Basic Agreement shall be superseded and replaced in its entirety with the following sentence: “Subject to the provisions of the Intercreditor Agreement: (i) in the event of redemption or purchase of Series A Equipment Notes held in the Class A Trust, such notice shall be mailed not less than 15 days prior to the Special Distribution Date for the Special Payment resulting from such redemption or purchase, which Special Distribution Date shall be the date of such redemption or purchase; and (ii) in the case of any other Special Payments, such notice of Special Payment shall be mailed as soon as practicable after the Trustee has confirmed that it has received funds for such Special Payment and shall state the Special Distribution Date for such Special Payment, which shall occur 15 days after the date of such notice of Special Payment or (if such 15th day is not practicable) as soon as practicable thereafter.”

(e) With respect to the Class A Trust, clause (ii) of the third sentence of Section 4.02(c) of the Basic Agreement shall be amended by deleting in its entirety the parenthetical phrase “(taking into account any payment to be made by the Responsible Party pursuant to Section 2.02(b)).”

Section 7.02 Withdrawal of Deposits. If any Deposits remain outstanding on the Business Day next succeeding the Cut-off Date, the Trustee shall promptly give the Escrow Agent notice, as contemplated by clause (ii) of Section 1.02(f) of the Escrow Agreement, that the Trustee's obligation to purchase Series A Equipment Notes under the NPA has terminated and the Cut-off Date has occurred.

Section 7.03 The Trustee. (a) Subject to Section 7.04 of this Trust Supplement and Section 7.15 of the Basic Agreement, the Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Trust Supplement, the Intercreditor Agreement, the Deposit Agreement, the NPA or the Escrow Agreement or the due execution hereof or thereof by the Company or the other parties thereto (other than the Trustee), or for or in respect of the recitals and statements contained herein or therein, all of which recitals and statements are made solely by the Company or the other parties thereto (other than the Trustee), except that the Trustee hereby represents and warrants that each of this Trust Supplement, the Basic Agreement, each Class A Certificate, the Intercreditor Agreement, the NPA and the Escrow Agreement has been executed and delivered by one of its officers who is duly authorized to execute and deliver such document on its behalf.

(b) The Trustee shall at all times be a bank or trust company, organized and doing business under the laws of the United States or any state thereof, a substantial part of the business of which consists of (i) receiving deposits and making loans or (ii) exercising fiduciary powers similar to those permitted to national banks by the Comptroller of the Currency, and which is subject to supervision and examination by state or federal authority having supervision over banking institutions.

Section 7.04 Representations and Warranties of the Trustee. The Trustee hereby represents and warrants that:

(a) the Trustee has full power, authority and legal right to execute, deliver and perform this Trust Supplement, the Intercreditor Agreement, the Escrow Agreement, the NPA and the Note Documents to which it is or is to become a party and has taken all necessary action to authorize the execution, delivery and performance by it of this Trust Supplement, the Intercreditor Agreement, the Escrow Agreement, the NPA and the Note Documents to which it is or is to become a party;

(b) the execution, delivery and performance by the Trustee of this Trust Supplement, the Intercreditor Agreement, the Escrow Agreement, the NPA and the Note Documents to which it is or is to become a party (i) will not violate any provision of any United States federal law governing its trust powers or the law of the state of the United States where it is located governing the banking and trust powers of the Trustee or any order, writ, judgment, or decree of any court, arbitrator or governmental authority applicable to the Trustee or any of its assets, (ii) will not violate any provision of the charter of the Trustee, and (iii) will not violate any provision of, or constitute, with or without notice or lapse of time, a default under, or result in the creation or imposition of, any lien on any properties included in the Trust Property pursuant to the provisions of any mortgage, indenture, contract, agreement or other undertaking to which it is a party, which violation, default or lien could reasonably be expected to have an

adverse effect on the Trustee's performance or ability to perform its duties hereunder or thereunder or on the transactions contemplated herein or therein;

(c) the execution, delivery and performance by the Trustee of this Trust Supplement, the Intercreditor Agreement, the Escrow Agreement, the NPA and the Note Documents to which it is or is to become a party will not require the authorization, consent, or approval of, the giving of notice to, the filing or registration with, or the taking of any other action in respect of, any governmental authority or agency of the United States or the state of the United States where it is located regulating the corporate trust activities of the Trustee; and

(d) this Trust Supplement, the Intercreditor Agreement, the Escrow Agreement, the NPA and the Note Documents to which it is or is to become a party have been, or will be, as applicable, duly executed and delivered by the Trustee and constitute, or will constitute, as applicable, the legal, valid and binding agreements of the Trustee, enforceable against it in accordance with their respective terms; provided, however, that enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and (ii) general principles of equity.

Section 7.05 Trustee Liens. The Trustee in its individual capacity agrees, in addition to the agreements contained in Section 7.17 of the Basic Agreement, that it will at its own cost and expense promptly take any action as may be necessary to duly discharge and satisfy in full any Trustee's Liens on or with respect to the Trust Property which are attributable to the Trustee in its individual capacity and which are unrelated to the transactions contemplated by the Intercreditor Agreement or the NPA.

ARTICLE IX

MISCELLANEOUS PROVISIONS

Section 9.01 Final Termination Date. The respective obligations and responsibilities of the Company and the Trustee created hereby and the Class A Trust created hereby shall terminate upon the distribution to all Class A Certificateholders and the Trustee of all amounts required to be distributed to them pursuant to this Agreement and the disposition of all property held as part of the Trust Property; *provided, however*, that in no event shall the Trust created hereby continue beyond one hundred ten (110) years following the date of execution of this Trust Supplement.

Section 9.02 Basic Agreement Ratified. Except and so far as herein expressly provided, all of the provisions, terms and conditions of the Basic Agreement are in all respects ratified and confirmed; and the Basic Agreement and this Trust Supplement shall be taken, read and construed as one and the same instrument. To the extent that any provisions of the Basic Agreement are superseded by any provisions of this Trust Supplement, any reference to such provisions of the Basic Agreement herein or in the Basic Agreement shall be deemed to be such provisions of this Trust Supplement.

Section 9.03 Governing Law. THIS AGREEMENT HAS BEEN DELIVERED IN THE STATE OF NEW YORK AND THIS AGREEMENT AND THE CLASS A CERTIFICATES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE.

Section 9.04 Counterparts. This Trust Supplement may be executed in any number of counterparts (and no party shall be required to execute the same counterpart). Each counterpart of this Trust Supplement including a signature page or pages executed by each of the parties hereto shall be an original counterpart of this Trust Supplement, but all of such counterparts together constitute one instrument. The parties intend that faxed signatures and

electronically imaged signatures such as .pdf files shall constitute original signatures and are binding on all parties. The original documents shall be promptly delivered, if requested.

Section 9.05 Intention of Parties. The parties hereto intend that the Class A Trust be classified for United States federal income tax purposes as a grantor trust under Subpart E, Part I, Subchapter J, Chapter 1 of Subtitle A of the Code, and not as a trust or association taxable as a corporation or as a partnership. Each Certificateholder of, and each Person acquiring a beneficial interest in, a Class A Certificate, by its acceptance of its Class A Certificate or a beneficial interest therein, agrees to treat the Class A Trust as a grantor trust for all United States federal, state and local income tax purposes. The Trustee shall not be authorized or empowered to do anything that would cause the Class A Trust to fail to qualify as a grantor trust for such tax purposes (including as subject to this restriction, acquiring any Aircraft by bidding the Equipment Notes relating thereto or otherwise, or taking any action with respect to any such Aircraft once acquired).

Section 9.06 Submission to Jurisdiction. (a) Each of the parties hereto, to the extent it may do so under applicable law, for purposes hereof and of all other Operative Agreements hereby (i) irrevocably submits itself to the non-exclusive jurisdiction of the courts of the State of New York sitting in the City of New York and to the non-exclusive jurisdiction of the United States District Court for the Southern District of New York, for the purposes of any suit, action or other proceeding arising out of this Agreement, the subject matter hereof or any of the transactions contemplated hereby brought by any party or parties hereto or thereto, or their successors or permitted assigns, (ii) waives, and agrees not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that this Agreement or the subject matter hereof or any of the transactions contemplated hereby may not be enforced in or by such courts, (iii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to each party hereto at its address set forth in Section 12.04 of the Basic Agreement, or at such other address of which the other parties shall have been notified pursuant thereto; and (iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

THIS CERTIFIES THAT _____, for value received, is the registered owner of a \$_____ (_____ dollars) Fractional Undivided Interest (or such lesser amounts as shall be the aggregate outstanding face amount hereof as set forth in the records of the Trustee) in the American Airlines Pass Through Trust, Series 2017-2A (the "Trust") created by Wilmington Trust Company, as trustee (together with any successor in interest and any successor or other trustee appointed pursuant to the Trust Supplement referred to below, the "Trustee") under a Pass Through Trust Agreement, dated as of September 16, 2014 (the "Basic Agreement"), between Wilmington Trust Company, a Delaware trust company, and American Airlines, Inc., a Delaware corporation (together with any successor in interest pursuant to Section 5.02 of the Basic Agreement, the "Company"), as supplemented by Trust Supplement No. 2017-2A thereto, dated as of August 14, 2017 (collectively with the Basic Agreement, and as may be amended from time to time, the "Agreement"), between the Trustee and the Company, a summary of certain of the pertinent provisions of which is set forth below. To the extent not otherwise defined herein, the capitalized terms used herein have the meanings assigned to them in the Agreement. This Certificate is one of the duly authorized Certificates designated as "American Airlines Pass Through Certificates, Series 2017-2A" (herein called the "Certificates"). This Certificate is issued under and is subject to the terms, provisions and conditions of the Agreement. By virtue of its acceptance hereof, the Certificateholder of this Certificate assents to and agrees to be bound by all of the provisions of the Agreement and the Intercreditor Agreement, including the subordination provisions of Section 9.09 of the Intercreditor Agreement. The Trust Property is expected to include certain Equipment Notes and includes all rights of the Trust and the Trustee, on behalf of the Trust, to receive any payments under the Intercreditor Agreement and the Class A Liquidity Facility. Each issue of the Equipment Notes will be secured by, among other things, a security interest in the Aircraft owned by the Company.

¹ To be included on the face of each Global Certificate.

The Certificates represent Fractional Undivided Interests in the Trust and the Trust Property, and will have no rights, benefits or interest in respect of any other separate trust established pursuant to the terms of the Basic Agreement for any other series of certificates issued pursuant thereto.

Subject to and in accordance with the terms of the Agreement and the Intercreditor Agreement, from funds then available to the Trustee, there will be distributed on each April 15 and each October 15 (each, a "Regular Distribution Date"), commencing on April 15, 2018, to the Person in whose name this Certificate is registered at the close of business on the 15th day preceding the applicable Regular Distribution Date, an amount in respect of the Scheduled Payments on the Series A Equipment Notes due on such Regular Distribution Date, the receipt of which has been confirmed by the Trustee, equal to the product of the percentage interest in the Trust evidenced by this Certificate and an amount equal to the sum of such Scheduled Payments. Subject to and in accordance with the terms of the Agreement and the Intercreditor Agreement, in the event that Special Payments on the Series A Equipment Notes are received by the Trustee, from funds then available to the Trustee, there shall be distributed on the applicable Special Distribution Date, to the Person in whose name this Certificate is registered at the close of business on the 15th day preceding the applicable Special Distribution Date, an amount in respect of such Special Payments on the Series A Equipment Notes, the receipt of which has been confirmed by the Trustee, equal to the product of the percentage interest in the Trust evidenced by this Certificate and an amount equal to the sum of such Special Payments so received. If a Regular Distribution Date or Special Distribution Date is not a Business Day, distribution shall be made on the immediately following Business Day and no interest shall accrue during the intervening period. The Trustee shall mail notice of each Special Payment and the Special Distribution Date therefor to the Certificateholder of this Certificate.

Distributions on this Certificate will be made by the Trustee by check mailed to the Person entitled thereto, without the presentation or surrender of this Certificate or the making of any notation hereon, except that with respect to Certificates registered on the Record Date in the name of a Clearing Agency (or its nominee), such distributions shall be made by wire transfer. Except as otherwise provided in the Agreement and notwithstanding the above, the final distribution on this Certificate will be made after notice mailed by the Trustee of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency of the Trustee specified in such notice.

The Certificates do not represent a direct obligation of, or an obligation guaranteed by, or an interest in, the Company, the Trustee, the Subordination Agent, any Loan Trustee or any Affiliate of any thereof. The Certificates are limited in right of payment, all as more specifically set forth on the face hereof and in the Agreement. All payments or distributions made to Certificateholders under the Agreement shall be made only from the Trust Property and only to the extent that the Trustee shall have sufficient income or proceeds from the Trust Property to make such payments in accordance with the terms of the Agreement. Each Certificateholder of this Certificate, by its acceptance hereof, agrees that it will look solely to the income and proceeds from the Trust Property to the extent available for any payment or distribution to such Certificateholder pursuant to the terms of the Agreement and that it will not have any recourse to the Company, the Trustee, the Loan Trustees or any Affiliate of any thereof except as otherwise expressly provided in the Agreement, in any Note Document or in the

Intercreditor Agreement. This Certificate does not purport to summarize the Agreement and reference is made to the Agreement for information with respect to the interests, rights, benefits, obligations, proceeds and duties evidenced hereby. A copy of the Agreement may be examined during normal business hours at the principal office of the Trustee, and at such other places, if any, designated by the Trustee, by any Certificateholder upon request.

The Agreement permits, with certain exceptions therein provided, the amendment thereof, and the modification of the rights and obligations of the Company and the rights of the Certificateholders under the Agreement, at any time by the Company and the Trustee with the consent of the Certificateholders holding Certificates evidencing Fractional Undivided Interests aggregating not less than a majority in interest in the Trust. Any such consent by the Certificateholder of this Certificate shall be conclusive and binding on such Certificateholder and upon all future Certificateholders of this Certificate and of any Certificate issued upon the transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent is made upon this Certificate. The Agreement also permits the amendment thereof, in certain limited circumstances, without the consent of the Certificateholders of any of the Certificates.

As provided in the Agreement and subject to certain limitations set forth therein, the transfer of this Certificate is registrable in the Register upon surrender of this Certificate for registration of transfer at the offices or agencies maintained by the Trustee in its capacity as Registrar, or by any successor Registrar, duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee and the Registrar, duly executed by the Certificateholder hereof or such Certificateholder's attorney duly authorized in writing, and thereupon one or more new Certificates of authorized denominations evidencing the same aggregate Fractional Undivided Interest in the Trust will be issued to the designated transferee or transferees.

The Certificates are issuable only as registered Certificates without coupons in minimum denominations of \$2,000 (or such other denomination that is the lowest integral multiple of \$1,000 that is, at the time of issuance, equal to at least 1,000 euros) Fractional Undivided Interest and integral multiples of \$1,000 in excess thereof except that one Certificate may be issued in a different denomination. As provided in the Agreement and subject to certain limitations therein set forth, the Certificates are exchangeable for new Certificates of authorized denominations evidencing the same aggregate Fractional Undivided Interest in the Trust, as requested by the Certificateholder surrendering the same.

No service charge will be made for any such registration of transfer or exchange, but the Trustee shall require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

The Company, the Trustee, the Registrar and any Paying Agent shall deem and treat the Person in whose name this Certificate is registered as the owner hereof for all purposes, and none of the Company, the Trustee, the Registrar or any such agent shall be affected by any notice to the contrary.

Trust Supplement No. 2017-2A

Each Certificateholder and Person with a beneficial interest herein, by its acceptance of this Certificate or such interest, agrees to treat the Trust as a grantor trust for all U.S. federal, state and local income tax purposes.

The obligations and responsibilities created by the Agreement and the Trust created thereby shall terminate upon the distribution to Certificateholders of all amounts required to be distributed to them pursuant to the Agreement and the disposition of all property held as part of the Trust Property.

Any Person acquiring or accepting this Certificate or an interest herein will, by such acquisition or acceptance, be deemed to (a) represent and warrant to the Company, the Loan Trustees and the Trustee that either: (i) no assets of a Plan or any trust established with respect to a Plan have been used to purchase or hold this Certificate or an interest herein or (ii) the purchase and holding of this Certificate or interest herein by such Person are exempt from the prohibited transaction restrictions of ERISA and the Code or provisions of Similar Law pursuant to one or more prohibited transaction statutory or administrative exemptions or similar exemptions under Similar Law; and (b) direct the Trustee to invest the assets held in the Trust pursuant to, and take all other actions contemplated by, the terms and conditions of the Basic Agreement, this Trust Supplement, the Intercreditor Agreement, the Deposit Agreement, the Escrow Agreement, the NPA and each Participation Agreement.

DESCRIBING BOOK-ENTRY-ONLY ISSUANCE

(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the securities (the “Securities”). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC’s records. The ownership interest of each actual purchaser of each Security (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial

Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. [Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.]

6. [Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.]

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC,

and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. [A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Securities to [Tender/Remarketing] Agent's DTC account.]

10. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

11. Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

(a) Each Trustee hereby (i) acknowledges and agrees to the terms of subordination and distribution set forth in this Agreement in respect of each Class of Certificates and (ii) agrees to enforce such provisions and cause all payments in respect of the Equipment Notes held by the Subordination Agent and the Liquidity Facilities to be applied in accordance with the terms of this Agreement. In addition, each Trustee hereby agrees to cause the Equipment Notes purchased by the related Trust to be registered in the name of the Subordination Agent or its nominee, as agent and trustee for such Trustee, to be held in trust by the Subordination Agent solely for the purpose of facilitating the enforcement of the subordination and other provisions of this Agreement.

(b) Except as otherwise expressly provided in the next succeeding sentence of this Section 2.01(b), all payments to be made by the Subordination Agent hereunder shall be made only from amounts received by it that constitute Scheduled Payments, Special Payments and other payments under the Operative Agreements, including payments under Section 4.02 of the Participation Agreements and Section 2.14 of the Indentures, and only to the extent that the Subordination Agent shall have received sufficient income or proceeds therefrom to enable it to make such payments in accordance with the terms hereof. Each of the Trustees and the Subordination Agent hereby agrees, and each Certificateholder, by its acceptance of a Certificate, and each Liquidity Provider, by entering into the Liquidity Facility to which it is a party, has agreed to look solely to such amounts to the extent available for distribution to it as provided in this Agreement, the relevant Deposits or the applicable Trust Agreement, as the case may be, and that none of the Trustees, the Loan Trustees or the Subordination Agent is personally liable to any of them for any amounts payable or any liability arising under this Agreement, any Trust Agreement, any Liquidity Facility or such Certificate, except (in the case of the Subordination Agent) as expressly provided herein or (in the case of the Trustees) as expressly provided herein and in each Trust Agreement or (in the case of the Loan Trustees) as expressly provided in any Operative Agreement.

(c) Notwithstanding anything to the contrary in this Agreement and in the other Operative Agreements, the Certificates do not represent indebtedness of the related Trust, and references in this Agreement and the Operative Agreements to accrued interest or principal amounts payable on the Certificates of any Class are included only for computational purposes. For purposes of such computations, the Certificates of any Class shall be deemed to be comprised of interest and principal components, with the principal component deemed to be the Pool Balance, and the interest component deemed to equal interest accruing at the Stated Interest Rate for such Class of Certificates from the later of (i) the date of the issuance thereof and (ii) the most recent but preceding Distribution Date to which such interest was distributed to, but excluding, the applicable date of determination, such interest to be considered payable in arrears and to be calculated on the basis of a 360-day year comprised of twelve 30-day months.

Section 2.02. Trust Accounts. (a) Upon the execution of this Agreement, the Subordination Agent shall establish and maintain in its name (i) the Collection Account as an Eligible Deposit Account, bearing a designation clearly indicating that the funds deposited therein are held in trust for the benefit of the Trustees, the Certificateholders and the Liquidity Providers, and (ii) as a sub-account in the Collection Account, the Special Payments Account as an Eligible Deposit Account, bearing a designation clearly indicating that the funds deposited therein are held in trust for the benefit of the Trustees, the Certificateholders and the Liquidity Providers. The Subordination Agent shall establish and maintain the Cash Collateral Accounts pursuant to and under the circumstances set forth in Section 3.05(f). Upon such establishment and maintenance under Section 3.05(f), the Cash Collateral Accounts shall, together with the Collection Account, constitute the “Trust Accounts” hereunder. Without limiting the foregoing, all monies credited to the Trust Accounts shall be, and shall remain, the property of the relevant Trust(s).

(b) Funds on deposit in the Trust Accounts shall be invested and reinvested by the Subordination Agent in Eligible Investments selected by American or its designated representative if such investments are reasonably available and have maturities no later than the earlier of (i) 90 days following the date of such investment and (ii) the Business Day immediately preceding the Regular Distribution Date or the date of the related distribution pursuant to Section 2.04, as the case may be, next following the date of such investment; *provided, however*, that following the making of a Non-Extension Drawing under any Liquidity Facility, the Subordination Agent shall invest and reinvest the amounts in the applicable Cash Collateral Account in Eligible Investments pursuant to the written instructions of the Liquidity Provider funding such Drawing, and *provided, further, however*, that upon the occurrence and during the continuation of a Triggering Event, the Subordination Agent shall invest and reinvest the amounts on deposit in the Trust Accounts (other than amounts in the Cash Collateral Accounts as a result of a Non-Extension Drawing, which shall be governed by the foregoing proviso) in Eligible Investments in accordance with the written instructions of the Controlling Party. Unless otherwise expressly provided in this Agreement (including with respect to Investment Earnings on amounts on deposit in the Cash Collateral Accounts, pursuant to Section 3.05(f) hereof), any Investment Earnings shall be deposited in the Collection Account when received by the Subordination Agent and shall be applied by the Subordination Agent in the same manner as the other amounts on deposit in the Collection Account are to be applied. The Subordination Agent’s reasonable fees and expenses actually incurred in making such investments and any losses incurred in such investments shall be charged against the principal

amount invested. The Subordination Agent shall not be liable for any loss resulting from any investment, reinvestment or liquidation required to be made under this Agreement other than by reason of its willful misconduct or negligence. Eligible Investments and any other investment required to be made hereunder shall be held to their maturities except that any such investment may be sold (without regard to its maturity) by the Subordination Agent without instructions whenever such sale is necessary to make a distribution required under this Agreement. Uninvested funds held hereunder shall not earn or accrue interest.

(c) The Subordination Agent shall possess all right, title and interest in all funds on deposit from time to time in the Trust Accounts and in all proceeds thereof (including all income thereon, except as otherwise expressly provided herein with respect to Investment Earnings). The Trust Accounts shall be held in trust by the Subordination Agent under the sole dominion and control of the Subordination Agent for the benefit of the applicable Trustee, the applicable Certificateholders and the applicable Liquidity Provider, as the case may be. If, at any time, any of the Trust Accounts ceases to be an Eligible Deposit Account, the Subordination Agent shall within 10 Business Days (or such longer period, not to exceed 30 calendar days, to which a Rating Agency may consent) establish a new Collection Account, Special Payments Account or Cash Collateral Account, as the case may be, as an Eligible Deposit Account and shall transfer any cash and/or any investments to such new Collection Account, Special Payments Account or Cash Collateral Account, as the case may be. So long as the Subordination Agent is an Eligible Institution, the Trust Accounts shall be maintained with it as Eligible Deposit Accounts.

Section 2.03. Deposits to the Collection Account and Special Payments Account. (a) The Subordination Agent shall, upon receipt thereof, deposit in the Collection Account all Scheduled Payments received by it (other than any Scheduled Payment which by the express terms hereof is to be deposited to a Cash Collateral Account).

(b) The Subordination Agent shall, on each day when one or more Special Payments are made to the Subordination Agent as holder of the Equipment Notes, deposit in the Special Payments Account the aggregate amount of such Special Payments.

Section 2.04. Distributions of Special Payments. (a) Notice of Special Payment. Except as provided in Section 2.04(c) below, upon receipt by the Subordination Agent, as registered holder of the Equipment Notes, of any notice of a Special Payment (or, in the absence of any such notice, upon receipt by the Subordination Agent of a Special Payment), the Subordination Agent shall promptly give notice thereof to each Trustee and the Liquidity Providers. The Subordination Agent shall promptly calculate the amount of the proceeds of any redemption or purchase of any Equipment Note or the amount of any Overdue Scheduled Payment or the proceeds of Equipment Notes or Collateral, as the case may be, comprising such Special Payment under the applicable Indenture or Indentures and shall promptly send to each Trustee and the Liquidity Providers a Written Notice of such amount and the amount allocable to each Trust. Such Written Notice shall also set the distribution date for such Special Payment (a "Special Distribution Date"), which shall be the Business Day which immediately follows the later to occur of (x) the 15th day after the date of such Written Notice and (y) the date the Subordination Agent has received or expects to receive such Special Payment. Amounts on

deposit in the Special Payments Account shall be distributed in accordance with Sections 2.04(b) and 2.04(c) and Article III hereof, as applicable.

For the purposes of the application of any Special Payment in respect of any Equipment Note to be distributed on any Special Distribution Date in accordance with Section 3.02 hereof, so long as no Indenture Event of Default shall have occurred and be continuing under any Indenture:

(i) clause “second” thereof shall be deemed to read as follows: “second, accrued and unpaid Liquidity Expenses then overdue plus an amount equal to all accrued and unpaid Liquidity Expenses not yet overdue multiplied by the Section 2.04 Fraction shall be distributed to the Liquidity Providers pro rata on the basis of the amount of the Liquidity Expenses owed to each Liquidity Provider”;

(ii) clause “third” thereof shall be deemed to read as follows: “third, (i) such amount as shall be required to pay accrued and unpaid interest then overdue on all Liquidity Obligations (at the rate, or in the amount, provided in the applicable Liquidity Facility) plus an amount equal to the amount of accrued and unpaid interest on the Liquidity Obligations not yet overdue multiplied by the Section 2.04 Fraction and (ii) if one or more Special Termination Drawings have been made under the Liquidity Facilities that have not been converted into a Final Drawing, the outstanding amount of such Special Termination Drawings shall be distributed to the Liquidity Providers pro rata on the basis of the amounts owed to each Liquidity Provider”;

(iii) clause “seventh” thereof shall be deemed to read as follows: “seventh, such amount as shall be required to pay accrued, due and unpaid interest at the Stated Interest Rate on the outstanding Pool Balance of the Class AA Certificates, together with (without duplication) any other accrued and unpaid interest at the Stated Interest Rate on the outstanding principal amount of the Series AA Equipment Notes held in the Class AA Trust being redeemed, purchased or prepaid, in each case, excluding interest, if any, payable with respect to the Deposits relating to the Class AA Trust shall be paid to the Class AA Trustee”;

(iv) clause “eighth” thereof shall be deemed to read as follows: “eighth, such amount as shall be required to pay any accrued, due and unpaid Class A Adjusted Interest to the holders of the Class A Certificates (excluding interest, if any, payable with respect to the Deposits relating to the Class A Trust) shall be paid to the Class A Trustee”; and

(v) clause “tenth” thereof shall be deemed to read as follows: “tenth, such amount as shall be required to pay in full accrued, due and unpaid interest at the Stated Interest Rate on the outstanding Pool Balance of the Class A Certificates which was not previously paid pursuant to clause “eighth” above to the holders of the Class A Certificates, together with (without duplication) any other accrued and unpaid interest at the Stated Interest Rate on the outstanding principal amount of the Series A Equipment Notes held in the Class A Trust and being redeemed, purchased or prepaid, in each case, excluding interest, if any, payable with respect to the Deposits relating to the Class A Trust shall be paid to the Class A Trustee”.

(b) Investment of Amounts in Special Payments Account. Any amounts on deposit in the Special Payments Account prior to the distribution thereof pursuant to Section 2.04 or 3.02 shall be invested in accordance with Section 2.02(b). Investment Earnings on such investments shall be distributed in accordance with Article III hereof.

(c) Certain Payments. Except for amounts constituting Liquidity Obligations which shall be distributed as provided in Section 3.02, the Subordination Agent will distribute promptly upon receipt thereof (i) any indemnity payment or expense reimbursement received by it from American in respect of any Trustee, any Liquidity Provider, any Paying Agent, any Depository or any Escrow Agent (collectively, the “Payees”) and (ii) any compensation received by it from American under any Operative Agreement in respect of any Payee, directly to the Person entitled thereto, *provided* that if such Payee has previously received from the Collection Account such payment, compensation or reimbursement, then the Subordination Agent shall deposit such amount in the Collection Account.

Section 2.05. Designated Representatives. (a) With the delivery of this Agreement, the Subordination Agent shall furnish to each Liquidity Provider and each Trustee, and from time to time thereafter may furnish to each Liquidity Provider and each Trustee, at the Subordination Agent’s discretion, or upon any Liquidity Provider’s or any Trustee’s request (which request shall not be made more than one time in any 12-month period), a certificate (a “Subordination Agent Incumbency Certificate”) of a Responsible Officer of the Subordination Agent certifying as to the incumbency and specimen signatures of the officers of the Subordination Agent and the attorney-in-fact and agents of the Subordination Agent (the “Subordination Agent Representatives”) authorized to give Written Notices on behalf of the Subordination Agent hereunder. Until each Liquidity Provider and Trustee receives a subsequent Subordination Agent Incumbency Certificate, it shall be entitled to rely on the last Subordination Agent Incumbency Certificate delivered to it hereunder.

(b) With the delivery of this Agreement, each Trustee shall furnish to the Subordination Agent, and from time to time thereafter may furnish to the Subordination Agent, at such Trustee’s discretion, or upon the Subordination Agent’s request (which request shall not be made more than one time in any 12-month period), a certificate (with respect to each such Trustee, a “Trustee Incumbency Certificate”) of a Responsible Officer of such Trustee certifying as to the incumbency and specimen signatures of the officers of such Trustee and the attorney-in-fact and agents of such Trustee (with respect to each such Trustee, the “Trustee Representatives”) authorized to give Written Notices on behalf of such Trustee hereunder. Until the Subordination Agent receives a subsequent Trustee Incumbency Certificate from a Trustee, it shall be entitled to rely on the last Trustee Incumbency Certificate with respect to such Trustee delivered to it hereunder.

(c) With the delivery of this Agreement, each Liquidity Provider shall furnish to the Subordination Agent, and from time to time thereafter may furnish to the Subordination Agent, at such Liquidity Provider’s discretion, or upon the Subordination Agent’s request (which request shall not be made more than one time in any 12-month period), a certificate (with respect to each such Liquidity Provider, an “LP Incumbency Certificate”) of a Responsible Officer of such Liquidity Provider certifying as to the incumbency and specimen signatures of the officers of such Liquidity Provider and the attorney-in-fact and agents of such Liquidity Provider (with

respect to each such Liquidity Provider, the “LP Representatives” and, together with the Subordination Agent Representatives and the Trustee Representatives, the “Designated Representatives”) authorized to give Written Notices on behalf of such Liquidity Provider hereunder. Until the Subordination Agent receives a subsequent LP Incumbency Certificate from a Liquidity Provider, it shall be entitled to rely on the last LP Incumbency Certificate with respect to such Liquidity Provider delivered to it hereunder.

Section 2.06. Controlling Party. (a) Subject to Section 8.01(b), the Trustees and the Liquidity Providers hereby agree that, with respect to any Indenture at any given time, the Loan Trustee thereunder will be directed: (i) so long as no Indenture Event of Default has occurred and is continuing thereunder, in taking, or refraining from taking, any action under such Indenture or with respect to the Equipment Notes issued thereunder by a Majority in Interest of Noteholders of such Equipment Notes (*provided* that for so long as the Subordination Agent is the registered holder of such Equipment Notes, the Subordination Agent shall act with respect to this clause (i) in accordance with the directions of the Trustees (in the case of each such Trustee, with respect to the Equipment Notes issued under such Indenture and held as Trust Property of such Trust) constituting, in the aggregate, directions with respect to an outstanding principal amount of such Equipment Notes that, if held by such Trustees directly, would make such Trustees a Majority in Interest of Noteholders), and (ii) after the occurrence and during the continuance of an Indenture Event of Default thereunder, in taking, or refraining from taking, any action under such Indenture or with respect to such Equipment Notes issued thereunder, including exercising remedies thereunder (including Accelerating the Equipment Notes issued thereunder or foreclosing the Lien created thereunder on the Aircraft securing such Equipment Notes), by the Controlling Party.

(b) Subject to paragraph (c) below, the “Controlling Party” shall be (x) the Class AA Trustee, (y) upon payment of Final Distributions to the holders of the Class AA Certificates, but prior to payment of Final Distributions to the holders of Class A Certificates, the Class A Trustee and (z) upon payment of Final Distributions to the holders of the Class AA Certificates and the Class A Certificates, but, if any Additional Certificates are outstanding, prior to payment of Final Distributions to the holders of the most senior class of Additional Certificates, the Additional Trustee for the Additional Trust related to such most senior class of Additional Certificates. For purposes of giving effect to the provisions of Section 2.06(a) and this Section 2.06(b), the Trustees (other than the Controlling Party) irrevocably agree (and the Certificateholders (other than the Certificateholders represented by the Controlling Party) shall be deemed to agree by virtue of their purchase of Certificates) that the Subordination Agent, as record holder of the Equipment Notes, and subject always to the provisions of Section 2.06(a) and Article VIII, shall exercise its voting rights in respect of the Equipment Notes so held by the Subordination Agent as directed by the Controlling Party and any vote so exercised shall be binding upon the Trustees and all Certificateholders.

The Subordination Agent shall give Written Notice to all of the other parties to this Agreement promptly upon a change in the identity of the Controlling Party. Each of the parties hereto agrees that it shall not exercise any of the rights of the Controlling Party at such time as it is not the Controlling Party hereunder; *provided, however*, that nothing herein contained shall prevent or prohibit any Non-Controlling Party from exercising such rights as

shall be specifically granted to such Non-Controlling Party hereunder and under the other Operative Agreements.

(c) Notwithstanding the foregoing, at any time after 18 months from the earliest to occur of (i) the date on which the entire Available Amount as of such date under any Liquidity Facility shall have been drawn (for any reason other than a Downgrade Drawing or a Non-Extension Drawing but including a Final Drawing, a Special Termination Drawing or a Downgrade Drawing or Non-Extension Drawing that has been converted into a Final Drawing under such Liquidity Facility) and remains unreimbursed, (ii) the date on which the entire amount of any Downgrade Drawing or Non-Extension Drawing under any Liquidity Facility shall have become and remain “Applied Downgrade Advances” or “Applied Non-Extension Advances”, as the case may be, under and as defined in such Liquidity Facility and (iii) the date on which all Equipment Notes under all Indentures shall have been Accelerated (*provided*, that (x) with respect to the period prior to the Delivery Period Termination Date, such Equipment Notes have an aggregate outstanding principal balance in excess of \$550 million, and (y) in the event of a bankruptcy proceeding under the Bankruptcy Code in which American is a debtor, any amounts payable in respect of Equipment Notes which have become immediately due and payable by declaration or otherwise shall not be considered Accelerated for purposes of this sub-clause (iii) until the expiration of the 60-Day Period or such longer period as may apply under Section 1110(a)(2)(B) or Section 1110(b) of the Bankruptcy Code), the Liquidity Provider with the greatest amount of unreimbursed Liquidity Obligations owed to it (so long as such Liquidity Provider has not defaulted in its obligation to make any Drawing under its Liquidity Facility) shall have the right to elect, by Written Notice to the Subordination Agent and each of the Trustees, to become the Controlling Party hereunder with respect to any Indenture at any time from and including the last day of such 18-month period.

(f) The Controlling Party shall not be entitled to require or obligate any Non-Controlling Party to provide funds necessary to exercise any right or remedy hereunder.

(g) Notwithstanding anything contained herein, neither the Controlling Party nor the Subordination Agent shall be authorized or empowered to do anything that would cause any Trust to fail to qualify as a “grantor trust” for federal income tax purposes.

(e) In the event the Subordination Agent shall not receive from any Person any information set forth in paragraph (a) above which is required to enable the Subordination

Agent to make a distribution to such Person pursuant to Section 3.02 hereof, the Subordination Agent shall request such information and, failing to receive any such information, the Subordination Agent shall not make such distribution(s) to such Person. In such event, the Subordination Agent shall make distributions pursuant to clauses “first” through “eleventh” of Section 3.02 to the extent it shall have sufficient information to enable it to make such distributions, and shall continue to hold any funds remaining on the terms hereof, including Section 2.02(b), after making such distributions, until the Subordination Agent shall receive all necessary information to enable it to distribute any funds so withheld, and upon receipt of the information necessary to distribute any funds so withheld, the Subordination Agent shall distribute such funds.

The notices required under Section 3.01(a) may be in the form of a schedule or similar document provided to the Subordination Agent by the parties referenced therein or by any one of them, which schedule or similar document may state that, unless there has been a prepayment of the Equipment Notes, such schedule or similar document is to remain in effect until any substitute notice or amendment shall be given to the Subordination Agent by the party providing such notice.

With respect to clauses "first" and "sixth" above, no amounts shall be reimbursable to the Subordination Agent, any Trustee, any Liquidity Provider or any Certificateholder for any payments made by any such Person in connection with any Equipment Note that is no longer held by the Subordination Agent (to the extent that such payments relate to periods after such Equipment Note ceases to be held by the Subordination Agent).

Section 3.03. Other Payments. Any amounts distributed hereunder by the Subordination Agent to any Trustee that is not the same institution as the Subordination Agent shall be paid to such Trustee by wire transfer of funds at the account such Trustee shall provide to the Subordination Agent.

Section 3.05. Liquidity Facilities. (a) Interest Drawings. If on any Distribution Date, after giving effect to the subordination provisions of this Agreement, the Subordination Agent shall not have sufficient funds for the payment of any amounts due and owing in respect of accrued interest on the Class AA Certificates or the Class A Certificates (at the Stated Interest Rate for such Class of Certificates) (other than any amount of interest which was due and payable on the Class AA Certificates or the Class A Certificates on such Distribution Date but which remains unpaid due to the failure of the Depository to pay any amount of accrued interest on the Deposits on such Distribution Date), then, prior to 10:00 a.m. (New York City time) on such Distribution Date, (i) the Subordination Agent shall request a drawing (each such drawing, an “Interest Drawing”) under the Liquidity Facility with respect to such Class of Certificates in an amount equal to the lesser of (x) an amount sufficient to pay the amount of such accrued interest shortfall (at the applicable Stated Interest Rate for such Class of Certificates) and (y) the Available Amount under such Liquidity Facility, and (ii) the Subordination Agent shall upon receipt of such amount pay such amount to the Trustee with respect to each such Class of Certificates in payment of such accrued interest shortfall.

(b) Application of Interest Drawings. Notwithstanding anything to the contrary contained in this Agreement, (i) all payments received by the Subordination Agent in respect of an Interest Drawing under the Class AA Liquidity Facility and all amounts withdrawn by the Subordination Agent from the Class AA Cash Collateral Account, and payable, in each case, to the Class AA Certificateholders or the Class AA Trustee, shall be promptly distributed to the Class AA Trustee and (ii) all payments received by the Subordination Agent in respect of an Interest Drawing under the Class A Liquidity Facility and all amounts withdrawn by the Subordination Agent from the Class A Cash Collateral Account, and payable, in each case, to the

(c) Downgrade Drawings.

(i) Each Liquidity Provider will promptly, but in any event within ten (10) days of the occurrence of a Downgrade Event with respect to it (the date of such occurrence, the “Downgrade Date”), deliver notice to the Subordination Agent and American of the occurrence of such Downgrade Event and the Downgrade Date therefor. After the occurrence of a Downgrade Event with respect to any Liquidity Provider, each Liquidity Facility provided by such Liquidity Provider shall become a “Downgraded Facility” on the thirty-fifth (35th) day after the related Downgrade Date, unless, not later than such thirty-fifth (35th) day (or, if earlier, the expiration date of such Downgraded Facility), the Rating Agency whose downgrading of such Liquidity Provider resulted in such Downgrade Event shall have provided a written confirmation to the effect that the occurrence of such Downgrade Event will not result in the downgrading, withdrawal or suspension of the ratings then issued by such Rating Agency of the related Class of Certificates. Notwithstanding the foregoing, if at any time after the occurrence of such Downgrade Event, such Liquidity Provider notifies the Subordination Agent in writing that no such confirmation will be provided by such Rating Agency, each Liquidity Facility provided by such Liquidity Provider shall become a Downgraded Facility as of the date of such notice to the Subordination Agent.

(ii) If at any time any Liquidity Facility becomes a Downgraded Facility, not later than the thirty-fifth (35th) day after the related Downgrade Date (or, if earlier, the expiration date of such Downgraded Facility), the Liquidity Provider under such Downgraded Facility (at its own expense, except as provided in the applicable Fee Letter) or American (at its own expense, except as provided in the applicable Fee Letter) may arrange for a Replacement Liquidity Provider to issue and deliver a Replacement Liquidity Facility to the Subordination Agent.

(iii) If a Downgraded Facility has not been replaced by a Replacement Liquidity Facility in accordance with Section 3.05(c)(ii), the Subordination Agent shall, on the 35th day referred to in Section 3.05(c)(ii) (or if such 35th day is not a Business Day, on the next succeeding Business Day) (or, if earlier, the expiration date of such Downgraded Facility), request a drawing in accordance with and to the extent permitted by such Downgraded Facility (such drawing, a “Downgrade Drawing”) of the Available Amount thereunder. Amounts drawn pursuant to a Downgrade Drawing shall be maintained and invested as provided in Section 3.05(f) hereof. Subject to Section 3.05(e)(iii), the applicable Liquidity Provider may also arrange for a Replacement Liquidity Provider to issue and deliver a Replacement Liquidity Facility at any time after such Downgrade Drawing so long as such Downgrade Drawing has not been reimbursed in full to such Liquidity Provider.

(iv) For the avoidance of doubt, the provisions of this Section 3.05(c) shall apply to each occurrence of a Downgrade Event with respect to a Liquidity Provider, regardless of whether or not one or more Downgrade Events have occurred prior thereto and whether or not any confirmation by a Rating Agency specified in Section 3.05(c)(i) has been obtained with respect to any prior occurrence of a Downgrade Event.

(v) If at any time after making a Downgrade Drawing, the applicable Liquidity Provider satisfies the Threshold Rating and delivers written notice to such effect to the Subordination Agent and American, as of the second Business Day following receipt of such notice, (i) the Downgraded Facility shall cease to be a Downgraded Facility, (ii) the Subordination Agent shall withdraw the unapplied amount of such Downgrade Drawing on deposit in the Class AA Cash Collateral Account or the Class A Cash Collateral Account, as applicable, and reimburse such amount to the Liquidity Provider and (iii) any applied amount of such Downgrade Drawing shall be deemed to have been converted to an Interest Drawing as of such date in accordance with the applicable Liquidity Facility.

(d) Non-Extension Drawings. If any Liquidity Facility with respect to any Class of Certificates is scheduled to expire on a date (the “Stated Expiration Date”) prior to the date that is fifteen (15) days after the Final Legal Distribution Date for such Class of Certificates, then, if before the 25th day prior to any anniversary date of the Closing Date (such 25th day, the “Notice Date”) the Liquidity Provider shall have advised the Subordination Agent that such Liquidity Facility shall not be extended beyond the immediately following anniversary date of the Closing Date and on or before the Notice Date such Liquidity Facility shall not have been replaced in accordance with Section 3.05(e), the Subordination Agent shall, on the Notice Date (or as soon thereafter as possible but prior to the date of expiration of the expiring Liquidity Facility (a “Non-Extended Facility”), in accordance with the terms of such Non-Extended Facility, request a drawing under such Non-Extended Facility (such drawing, a “Non-Extension Drawing”) of all available and undrawn amounts thereunder.

(e) Issuance of Replacement Liquidity Facility. (i) Subject to Section 3.05(e)(iii) and the agreements, if any, in the applicable Fee Letter, at any time, American may, at its option and at its own expense (which option American may choose to exercise at its discretion upon the request of the Liquidity Provider), with cause or without cause, arrange for a Replacement Liquidity Facility to replace any Liquidity Facility for any Class of Certificates (including any Replacement Liquidity Facility provided pursuant to Section 3.05(e)(ii)); *provided, however*, that if the initial Liquidity Provider is replaced (including as a result of a refinancing of the Class A Certificates) it shall be replaced with respect to all Liquidity Facilities under which it is a Liquidity Provider. If such Replacement Liquidity Facility is provided at any time after a Downgrade Drawing, a Non-Extension Drawing or a Special Termination Drawing has been made, all funds on deposit in the relevant Cash Collateral Account resulting from such Downgrade Drawing, Non-Extension Drawing or Special Termination Drawing will be returned to the Liquidity Provider being replaced.

(ii) If any Liquidity Provider shall determine not to extend its Liquidity Facility in accordance with Section 3.05(d), then such Liquidity Provider may, at its option and its own expense, arrange for a Replacement Liquidity Facility to replace such Liquidity Facility during the period no earlier than forty (40) days and no later than twenty-five (25) days prior to the then effective Stated Expiration Date of such Liquidity Facility. At any time after a Non-Extension Drawing has been made under any Liquidity Facility, the Liquidity Provider thereunder may, at its option and its own expense, arrange for a Replacement Liquidity Facility to replace the Liquidity Facility under which such Non-Extension Drawing has been made.

(iii) No Replacement Liquidity Facility arranged by American or a Liquidity Provider in accordance with clause (i) or (ii) above or pursuant to Section 3.05(c), respectively, shall become effective and no such Replacement Liquidity Facility shall be deemed a “Liquidity Facility” under the Operative Agreements, unless and until (A) each of the conditions referred to in sub-clauses (iv)(x) and (z) below shall have been satisfied, (B) if such Replacement Liquidity Facility shall materially adversely affect the rights, remedies, interests or obligations of the Class AA Certificateholders or the Class A Certificateholders under any of the Operative Agreements, the applicable Trustee shall have consented, in writing, to the execution and issuance of such Replacement Liquidity Facility and (C) in the case of a Replacement Liquidity Facility arranged by a Liquidity Provider under Section 3.05(e)(ii) or pursuant to Section 3.05(c), such Replacement Liquidity Facility is reasonably acceptable to American.

(iv) In connection with the issuance of each Replacement Liquidity Facility, the Subordination Agent shall (x) prior to the issuance of such Replacement Liquidity Facility, obtain written confirmation from each Rating Agency that such Replacement Liquidity Facility will not cause a reduction, withdrawal or suspension of any rating then in effect for the related Class of Certificates by such Rating Agency (without regard to any downgrading of any rating of the Liquidity Provider being replaced pursuant to Section 3.05(c)), (y) pay all Liquidity Obligations then owing to the replaced Liquidity Provider (which payment shall be made first from available funds in the applicable Cash Collateral Account as described in Section 3.05(f), and thereafter from any other available source, including, without limitation, a drawing under the Replacement Liquidity Facility) and (z) cause the issuer of the Replacement Liquidity Facility to deliver the Replacement Liquidity Facility to the Subordination Agent, together with a legal opinion opining that such Replacement Liquidity Facility is an enforceable obligation of such Replacement Liquidity Provider.

(v) Upon satisfaction of the conditions set forth in clauses (iii) and (iv) of this Section 3.05(e) with respect to a Replacement Liquidity Facility, (1) the replaced Liquidity Facility shall terminate, (2) the Subordination Agent shall, if and to the extent so requested by American or the Liquidity Provider being replaced, execute and deliver any certificate or other instrument required in order to terminate the replaced Liquidity Facility, shall surrender the replaced Liquidity Facility to the Liquidity Provider being replaced and shall execute and deliver the Replacement Liquidity Facility and any associated Fee Letter, (3) each of the parties hereto shall enter into any amendments to this Agreement necessary to give effect to (a) the replacement of the applicable Liquidity Provider with the applicable Replacement Liquidity Provider and (b) the replacement of the applicable Liquidity Facility with the applicable Replacement Liquidity Facility, and (4) the applicable Replacement Liquidity Provider shall be deemed to be a Liquidity Provider with the rights and obligations of a Liquidity Provider hereunder and under the other Operative Agreements and such Replacement Liquidity Facility shall be deemed to be a Liquidity Facility hereunder and under the other Operative Agreements.

(f) Cash Collateral Accounts; Withdrawals; Investments. In the event the Subordination Agent shall draw all Available Amounts under the Class AA Liquidity Facility or the Class A Liquidity Facility pursuant to Section 3.05(c), 3.05(d), 3.05(i) or 3.05(k), or in the event amounts are to be deposited in the Class AA Cash Collateral Account or the Class A Cash Collateral Account pursuant to subclause (A) or (B) of clause “fourth” of Section 3.02, amounts so drawn or to be deposited, as the case may be, shall be deposited by the Subordination Agent in

the Class AA Cash Collateral Account or the Class A Cash Collateral Account, as applicable. All amounts on deposit in each Cash Collateral Account shall be invested and reinvested in Eligible Investments in accordance with Section 2.02(b).

On each Interest Payment Date (or, in the case of any Special Distribution Date with respect to the distribution of a Special Payment, on such Special Distribution Date), Investment Earnings on amounts on deposit in each Cash Collateral Account with respect to any Liquidity Facility (or in the case of any Special Distribution Date with respect to the distribution of a Special Payment, so long as no Indenture Event of Default shall have occurred and be continuing under any Indenture, a fraction of such Investment Earnings equal to the Section 2.04 Fraction) shall be deposited in the Collection Account (or, in the case of any Special Distribution Date with respect to the distribution of a Special Payment, the Special Payments Account) and applied on such Interest Payment Date (or Special Distribution Date, as the case may be) in accordance with Section 3.02 or 3.03 (as applicable). The Subordination Agent shall deliver a written statement to American and each Liquidity Provider one day prior to each Interest Payment Date and Special Distribution Date setting forth the aggregate amount of Investment Earnings held in the Cash Collateral Accounts as of such date. In addition, from and after the date funds are so deposited, the Subordination Agent shall make withdrawals from such accounts as follows:

(i) on each Distribution Date, the Subordination Agent shall, to the extent it shall not have received funds to pay accrued and unpaid interest due and owing on the Class AA Certificates (at the Stated Interest Rate for the Class AA Certificates) (other than any amount of interest which was due and payable in respect of the Class AA Certificates on such Distribution Date but which remains unpaid due to the failure of the Depository to pay any amount of accrued interest on the Deposits on such Distribution Date) after giving effect to the subordination provisions of this Agreement, withdraw from the Class AA Cash Collateral Account, and pay to the Class AA Trustee, an amount equal to the lesser of (x) an amount necessary to pay accrued and unpaid interest (at the Stated Interest Rate for the Class AA Certificates) on the Class AA Certificates (excluding interest, if any, payable with respect to the Deposits relating to the Class AA Trust) and (y) the amount on deposit in the Class AA Cash Collateral Account;

(ii) on each Distribution Date, the Subordination Agent shall, to the extent it shall not have received funds to pay accrued and unpaid interest due and owing on the Class A Certificates (at the Stated Interest Rate for the Class A Certificates) (other than any amount of interest which was due and payable in respect of the Class A Certificates on such Distribution Date but which remains unpaid due to the failure of the Depository to pay any amount of accrued interest on the Deposits on such Distribution Date) after giving effect to the subordination provisions of this Agreement, withdraw from the Class A Cash Collateral Account, and pay to the Class A Trustee, an amount equal to the lesser of (x) an amount necessary to pay accrued and unpaid interest (at the Stated Interest Rate for the Class A Certificates) on the Class A Certificates (excluding interest, if any, payable with respect to the Deposits relating to the Class A Trust) and (y) the amount on deposit in the Class A Cash Collateral Account;

(iii) on each date on which the Pool Balance of the Class AA Trust shall have been reduced by payments made to the Class AA Certificateholders pursuant to Section 3.02 hereof or pursuant to Section 2.03 of the Escrow and Paying Agent Agreement for such Class, the Subordination Agent shall withdraw from the Class AA Cash Collateral Account such amount as is necessary so that, after giving effect to the reduction of the Pool Balance on such date (and any reduction in the amounts on deposit in the Class AA Cash Collateral Account resulting from a prior withdrawal of amounts on deposit in the Class AA Cash Collateral Account on such date) and any transfer of Investment Earnings from such Cash Collateral Account to the Collection Account or the Special Payments Account on such date, an amount equal to the sum of the Required Amount (with respect to the Class AA Liquidity Facility) plus (if on a Distribution Date not coinciding with an Interest Payment Date) Investment Earnings on deposit in such Cash Collateral Account (after giving effect to any such transfer of Investment Earnings) will remain on deposit in the Class AA Cash Collateral Account and shall first, pay such withdrawn amount to the Class AA Liquidity Provider until the Class AA Liquidity Obligations owing to the Class AA Liquidity Provider shall have been paid in full, and second, deposit any remaining withdrawn amount in the Collection Account;

(iv) on each date on which the Pool Balance of the Class A Trust shall have been reduced by payments made to the Class A Certificateholders pursuant to Section 3.02 hereof or pursuant to Section 2.03 of the Escrow and Paying Agent Agreement for such Class, the Subordination Agent shall withdraw from the Class A Cash Collateral Account such amount as is necessary so that, after giving effect to the reduction of the Pool Balance on such date (and any reduction in the amounts on deposit in the Class A Cash Collateral Account resulting from a prior withdrawal of amounts on deposit in the Class A Cash Collateral Account on such date) and any transfer of Investment Earnings from such Cash Collateral Account to the Collection Account or the Special Payments Account on such date, an amount equal to the sum of the Required Amount (with respect to the Class A Liquidity Facility) plus (if on a Distribution Date not coinciding with an Interest Payment Date) Investment Earnings on deposit in such Cash Collateral Account (after giving effect to any such transfer of Investment Earnings) will remain on deposit in the Class A Cash Collateral Account and shall first, pay such withdrawn amount to the Class A Liquidity Provider until the Class A Liquidity Obligations owing to the Class A Liquidity Provider shall have been paid in full, and second, deposit any remaining withdrawn amount in the Collection Account;

(v) if a Replacement Liquidity Facility for any relevant Class of Certificates shall be delivered to the Subordination Agent following the date on which funds have been deposited into the Cash Collateral Account for such Class of Certificates, the Subordination Agent shall withdraw all amounts remaining on deposit in such Cash Collateral Account and shall pay such amounts to the replaced Liquidity Provider, if any, until all Liquidity Obligations owed to such Person shall have been paid in full, and deposit any remaining amount in the Collection Account;

(vi) if the Liquidity Provider with respect to a Downgraded Facility satisfies the Threshold Rating and delivers written notice to such effect to the Subordination Agent and American, on the second Business Day following receipt of such notice, the

Subordination Agent shall withdraw all amounts remaining on deposit in the applicable Cash Collateral Account constituting the unapplied amount of any Downgrade Drawing and shall pay such amounts to such Liquidity Provider and the obligations of the Liquidity Provider shall be reinstated in accordance with the applicable Liquidity Facility; and

(vii) following (x) the payment of Final Distributions or (y) the Final Legal Distribution Date with respect to any Class of Certificates covered by a Liquidity Facility, on the date on which the Subordination Agent shall have been notified by the Liquidity Provider for such Class of Certificates that the Liquidity Obligations owed to such Liquidity Provider have been paid in full, or, if earlier, the first Business Day after such Final Legal Distribution Date, the Subordination Agent shall withdraw all amounts on deposit in the Cash Collateral Account in respect of such Class of Certificates, if any, and shall deposit such amounts in the Collection Account.

(g) Reinstatement. With respect to any Interest Drawing under the Liquidity Facility for any relevant Trust, upon the reimbursement of the applicable Liquidity Provider for all or any part of the amount of such Interest Drawing, together with any accrued interest thereon, the Available Amount of such Liquidity Facility shall be reinstated by an amount equal to the amount of such Interest Drawing so reimbursed to the applicable Liquidity Provider but not to exceed the Stated Amount for such Liquidity Facility; *provided, however*, the Available Amount of such Liquidity Facility shall not be so reinstated in part or in full at any time if (x) both a Performing Note Deficiency exists and a Liquidity Event of Default shall have occurred and be continuing with respect to the relevant Liquidity Facility or (y) a Final Drawing, Downgrade Drawing, Non-Extension Drawing or Special Termination Drawing shall have occurred with respect to such Liquidity Facility or an Interest Drawing shall have been converted into a Final Drawing. In the event that, with respect to any particular Liquidity Facility, (i) funds are withdrawn from the related Cash Collateral Account pursuant to clause (i) or (ii) of Section 3.05(f) or (ii) such Liquidity Facility shall become a Downgraded Facility or a Non-Extended Facility at a time when unreimbursed Interest Drawings under such Liquidity Facility have reduced the Available Amount thereunder to zero, then funds received by the Subordination Agent at any time, other than (x) any time when both a Performing Note Deficiency exists and a Liquidity Event of Default shall have occurred and be continuing with respect to such Liquidity Facility or (y) any time after a Final Drawing shall have occurred with respect to such Liquidity Facility or an Interest Drawing for such Liquidity Facility shall have been converted into a Final Drawing, shall be deposited in such Cash Collateral Account as and to the extent provided in clause "fourth" of Section 3.02 and applied in accordance with Section 3.05(f).

(h) Reimbursement. The amount of each drawing under the Liquidity Facilities shall be due and payable, together with interest thereon, on the dates and at the rates, respectively, provided in the Liquidity Facilities.

(i) Final Drawing. Upon receipt from a Liquidity Provider of a Termination Notice with respect to its applicable Liquidity Facility, the Subordination Agent shall, not later than the date specified in such Termination Notice, in accordance with the terms of such Liquidity Facility, request a drawing under such Liquidity Facility of all available and undrawn

amounts thereunder (a “Final Drawing”). Amounts drawn pursuant to a Final Drawing shall be maintained and invested in accordance with Section 3.05(f).

(j) Adjustments of Stated Amount. Promptly following each date on which the Required Amount of the Liquidity Facility for a relevant Class of Certificates is reduced as a result of a reduction in the Pool Balance with respect to such Certificates or otherwise, the Subordination Agent shall, if any such Liquidity Facility provides for reductions of the Stated Amount of such Liquidity Facility and if such reductions are not automatic, request such Liquidity Provider for such Class of Certificates to reduce such Stated Amount to an amount equal to the Required Amount with respect to such Liquidity Facility (as calculated by the Subordination Agent after giving effect to such payment). Each such request shall be made in accordance with the provisions of the applicable Liquidity Facility.

(k) Special Termination Drawing. Upon receipt from a Liquidity Provider of a Special Termination Notice with respect to any Liquidity Facility, the Subordination Agent shall, not later than the date specified in such Special Termination Notice, in accordance with the terms of such Liquidity Facility, request a drawing under such Liquidity Facility of all available and undrawn amounts thereunder (a “Special Termination Drawing”). Amounts drawn pursuant to a Special Termination Drawing shall be maintained and invested in accordance with Section 3.05(f) hereof.

(l) Relation to Subordination Provisions. Interest Drawings under the Liquidity Facilities and withdrawals from the Cash Collateral Accounts, in each case, in respect of interest on the Certificates of any Class, will be distributed to the Trustee for such Class of Certificates, notwithstanding Sections 2.01(b) and 3.02.

(m) Assignment of Liquidity Facility. The Subordination Agent agrees not to consent to the assignment by any Liquidity Provider of any of its rights or obligations under any Liquidity Facility or any interest therein unless (i) American shall have consented to such assignment and (ii) each Rating Agency shall have provided a Ratings Confirmation with respect to each Class of Certificates then rated by such Rating Agency in connection with such assignment; *provided* that the Subordination Agent shall consent to such assignment if the conditions in the foregoing clauses (i) and (ii) are satisfied, and the foregoing is not intended to and shall not be construed to limit the rights of any initial Liquidity Provider under Section 3.05(e)(ii).

ARTICLE IV

EXERCISE OF REMEDIES

Section 4.01. Directions from the Controlling Party. (a) (i) Following the occurrence and during the continuation of an Indenture Event of Default under any Indenture, the Controlling Party shall direct the Subordination Agent, as the holder of the Equipment Notes issued under such Indenture, which in turn shall direct the Loan Trustee under such Indenture, in the exercise of remedies available to the holders of such Equipment Notes, including, without limitation, the ability to vote all such Equipment Notes held by the Subordination Agent in favor of Accelerating such Equipment Notes in accordance with the provisions of such Indenture.

Subject to Section 4.01(a)(iii), if the Equipment Notes issued pursuant to any Indenture have been Accelerated following an Indenture Event of Default with respect thereto, the Controlling Party may direct the Subordination Agent to sell, assign, contract to sell or otherwise dispose of and deliver all (but not less than all) of such Equipment Notes to any Person at public or private sale, at any location at the option of the Controlling Party, all upon such terms and conditions as the Controlling Party may reasonably deem advisable and in accordance with applicable law.

(ii) Following the occurrence and during the continuation of an Indenture Event of Default under any Indenture, in the exercise of remedies pursuant to such Indenture, the Loan Trustee under such Indenture may be directed to lease the related Aircraft to any Person (including American) so long as the Loan Trustee in doing so acts in a “commercially reasonable” manner within the meaning of Article 9 of the Uniform Commercial Code as in effect in any applicable jurisdiction (including Sections 9-610 and 9-627 thereof).

(iii) Notwithstanding the foregoing, so long as any Certificates remain Outstanding, during the period ending on the date which is nine months after the earlier of (x) the Acceleration of the Equipment Notes issued pursuant to any Indenture or (y) the occurrence of an American Bankruptcy Event, without the consent of each Trustee (other than the Trustee of any Trust all of the Certificates of which are held or beneficially owned by American and/or its Affiliates), no Aircraft subject to the Lien of such Indenture or such Equipment Notes may be sold if the net proceeds from such sale would be less than the Minimum Sale Price for such Aircraft or such Equipment Notes.

(iv) Upon the occurrence and continuation of an Indenture Event of Default under any Indenture, the Subordination Agent will obtain three desktop appraisals from the Appraisers selected by the Controlling Party setting forth the current market value, current lease rate and distressed value (in each case, as defined by the International Society of Transport Aircraft Trading or any successor organization) of the Aircraft subject to such Indenture (each such appraisal, an “Appraisal” and the current market value appraisals being referred to herein as the “Post-Default Appraisals”). For so long as any Indenture Event of Default shall be continuing under any Indenture, and without limiting the right of the Controlling Party to request more frequent Appraisals, the Subordination Agent will obtain updated Appraisals on the date that is 364 days from the date of the most recent Appraisal (or if an American Bankruptcy Event shall have occurred and is continuing, on the date that is 180 days from the date of the most recent Appraisal) and shall (acting on behalf of each Trustee) post such Appraisals on DTC’s Internet bulletin board or make such other commercially reasonable efforts as the Subordination Agent may deem appropriate to make such Appraisals available to all Certificateholders.

(b) Following the occurrence and during the continuance of an Indenture Event of Default under any Indenture, the Controlling Party shall take such actions as it may reasonably deem most effectual to complete the sale or other disposition of the relevant Aircraft or Equipment Notes. In addition, in lieu of any sale, assignment, contract to sell or other disposition, the Controlling Party may maintain or cause the Subordination Agent to maintain possession of such Equipment Notes and continue to apply monies received in respect of such Equipment Notes in accordance with Article III hereof. In addition, in lieu of such sale, assignment, contract to sell or other disposition, or in lieu of such maintenance of possession, the

Controlling Party may direct the Subordination Agent to, subject to the terms and conditions of the related Indenture, instruct the Loan Trustee under such Indenture to foreclose on the Lien on the related Aircraft or to take any other remedial action permitted under such Indenture or under any applicable law.

(c) If following an American Bankruptcy Event and during the pendency thereof, the Controlling Party receives a proposal from or on behalf of American to restructure the financing of any one or more of the Aircraft, the Controlling Party shall promptly thereafter give the Subordination Agent, each Trustee and each Liquidity Provider that has not made a Final Drawing notice of the material economic terms and conditions of such restructuring proposal whereupon the Subordination Agent acting on behalf of each Trustee shall post such terms and conditions of such restructuring proposal on DTC's Internet bulletin board or make such other commercially reasonable efforts as the Subordination Agent may deem appropriate to make such terms and conditions available to all Certificateholders. Thereafter, neither the Subordination Agent nor any Trustee, whether acting on instructions of the Controlling Party or otherwise, may, without the consent of each Trustee and each Liquidity Provider that has not made a Final Drawing, enter into any term sheet, stipulation or other agreement (a "Restructuring Arrangement") (whether in the form of an adequate protection stipulation, an extension under Section 1110(b) of the Bankruptcy Code or otherwise) to effect any such restructuring proposal with or on behalf of American unless and until the material economic terms and conditions of such restructuring proposal shall have been made available to all Certificateholders and each Liquidity Provider that has not made a Final Drawing for a period of not less than fifteen (15) calendar days (except that such requirement shall not apply to any such term sheet, stipulation or other agreement that is to be effective on or as of any date occurring during the 60-Day Period and that is initially effective for a period not exceeding three months from the expiry of the 60-Day Period (an "Interim Restructuring Arrangement"). The foregoing provisions of this Section 4.01(c): (i) shall not apply to any extension of a Restructuring Arrangement with respect to which such provisions have been complied with in connection with the original entry thereof if the possibility of such extension has been disclosed in satisfaction of the notification requirements of such provisions and such extension shall not amend or modify any of the other terms and conditions of such Restructuring Arrangement and (ii) shall apply to the initial extension of an Interim Restructuring Arrangement beyond the three months following the expiry of the 60-Day Period but not to any subsequent extension of such Interim Restructuring Arrangement, if the possibility of such subsequent extension has been disclosed in satisfaction of the notification requirements of such provisions and such subsequent extension shall not amend or modify any of the other terms and conditions of such Interim Restructuring Arrangement. In the event that any Certificateholder gives irrevocable notice of the exercise of its right to purchase all (but not less than all) of the Class of Certificates represented by the then Controlling Party pursuant to the applicable Trust Agreement, prior to the expiry of the 15-day notice period specified above, such Controlling Party may not direct the Subordination Agent or any Trustee to enter into any such restructuring proposal with respect to any of the Aircraft, unless and until such Certificateholder shall fail to purchase such Class of Certificates on the date that it is required to make such purchase.

Section 4.02. Remedies Cumulative. To the extent permitted by applicable law, each and every right, power and remedy given to the Trustees, the Liquidity Providers, the Controlling Party or the Subordination Agent specifically or otherwise in this Agreement shall be

cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may, subject always to the terms and conditions hereof, be exercised from time to time and as often and in such order as may be deemed expedient by any Trustee, any Liquidity Provider, the Controlling Party or the Subordination Agent, as appropriate, and the exercise or the beginning of the exercise of any right, power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by any Trustee, any Liquidity Provider, the Controlling Party or the Subordination Agent in the exercise of any right, remedy or power or in the pursuit of any remedy shall, to the extent permitted by applicable law, impair any such right, power or remedy or be construed to be a waiver of any default or to be an acquiescence therein.

Section 4.03. Discontinuance of Proceedings. In case any party to this Agreement (including the Controlling Party in such capacity) shall have instituted any Proceeding to enforce any right, power or remedy under this Agreement by foreclosure, entry or otherwise, and such Proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Person instituting such Proceeding, then and in every such case each such party shall, subject to any determination in such Proceeding, be restored to its former position and rights hereunder, and all rights, remedies and powers of such party shall continue as if no such Proceeding had been instituted.

Section 4.04. Right of Certificateholders and the Liquidity Providers to Receive Payments Not to Be Impaired. Anything in this Agreement to the contrary notwithstanding but subject to each Trust Agreement, the right of any Certificateholder or any Liquidity Provider, respectively, to receive payments hereunder (including, without limitation, pursuant to Section 3.02) when due, or to institute suit for the enforcement of any such payment on or after the applicable Distribution Date, shall not be impaired or affected without the consent of such Certificateholder or such Liquidity Provider, respectively.

ARTICLE V

DUTIES OF THE SUBORDINATION AGENT; AGREEMENTS OF TRUSTEES, ETC.

Section 5.01. Notice of Indenture Event of Default or Triggering Event. (a) If the Subordination Agent shall have knowledge of an Indenture Event of Default or a Triggering Event, the Subordination Agent shall promptly give notice thereof to the Rating Agencies, American, the Liquidity Providers and the Trustees by telegram, cable, facsimile or telephone (to be promptly confirmed in writing), unless such Indenture Event of Default or Triggering Event shall have been cured or waived. For all purposes of this Agreement, in the absence of actual knowledge, the Subordination Agent shall not be deemed to have knowledge of any Indenture Event of Default or Triggering Event unless notified in writing by American, one or more Trustees, one or more Liquidity Providers or one or more Certificateholders; and “actual knowledge” (as used in the foregoing clause) of the Subordination Agent shall mean actual knowledge of an officer in the Corporate Trust Office of the Subordination Agent.

(b) Other Notices. The Subordination Agent will furnish to each Liquidity Provider and each Trustee, promptly upon receipt thereof, duplicates or copies of all reports, notices, requests, demands, certificates, financial statements and other instruments furnished to the Subordination Agent as registered holder of the Equipment Notes or otherwise in its capacity as Subordination Agent to the extent the same shall not have been otherwise directly distributed to such Liquidity Provider or such Trustee, as applicable, pursuant to any other Operative Agreement.

(c) Securities Position. Upon the occurrence of an Indenture Event of Default, the Subordination Agent shall instruct the Trustees to, and the Trustees shall, request that DTC post on its Internet bulletin board a securities position listing setting forth the names of all the parties reflected on DTC's books as holding interests in the Certificates.

(d) Reports. Promptly after the occurrence of a Triggering Event or an Indenture Event of Default resulting from the failure of American to make payments on any Equipment Note and on every Regular Distribution Date while the Triggering Event or such Indenture Event of Default shall be continuing, the Subordination Agent will provide to the Trustees, the Liquidity Providers, the Rating Agencies and American a statement setting forth the following information:

(i) after an American Bankruptcy Event, with respect to each Aircraft, whether such Aircraft is (A) subject to the 60-Day Period (B) subject to an election by American under Section 1110(a) of the Bankruptcy Code, (C) covered by an agreement contemplated by Section 1110(b) of the Bankruptcy Code or (D) not subject to any of (A), (B) or (C);

(ii) to the best of the Subordination Agent's knowledge, after requesting such information from American, (A) whether the Aircraft are currently in service or parked in storage, (B) the maintenance status of the Aircraft and (C) the location of the Engines (as defined in the Indentures);

(iii) the current Pool Balance of each Class of Certificates, the Eligible A Pool Balance and the outstanding principal amount of all Equipment Notes;

(iv) the expected amount of interest which will have accrued on the Equipment Notes and on the Certificates as of the next Regular Distribution Date;

(v) the amounts paid to each Person on such Distribution Date pursuant to this Agreement;

(vi) details of the amounts paid on such Distribution Date identified by reference to the relevant provision of this Agreement and the source of payment (by Aircraft and party);

(vii) if the Subordination Agent has made a Final Drawing or a Special Termination Drawing under any Liquidity Facility;

(viii) the amounts currently owed to each Liquidity Provider;

(ix) the amounts drawn under each Liquidity Facility; and

Section 5.02. Indemnification. The Subordination Agent shall not be required to take any action or refrain from taking any action under Article IV unless the Subordination Agent shall have received indemnification against any risks that may be incurred in connection therewith in form and substance reasonably satisfactory to it, including, without limitation, adequate advances against costs (including fees and expenses) that may be incurred by it in connection therewith. The Subordination Agent shall not be required to take any action under Article IV, nor shall any other provision of this Agreement or any other Operative Agreement be deemed to impose a duty on the Subordination Agent to take any action, if the Subordination Agent shall have been advised by outside counsel that such action is contrary to the terms hereof or is otherwise contrary to law. Under no circumstances shall the Subordination Agent be required to expend or risk its own funds or otherwise incur any financial liability in performing its duties or exercising its rights or powers hereunder if it shall have reasonable grounds for believing that repayment of such funds is not assured to it.

Section 5.03. No Duties Except as Specified in Intercreditor Agreement. The Subordination Agent shall not have any duty or obligation to take or refrain from taking any action under, or in connection with, this Agreement, except as expressly provided by the terms of this Agreement; and no implied duties or obligations shall be read into this Agreement against the Subordination Agent. The Subordination Agent agrees that it will, in its individual capacity and at its own cost and expense (but without any right of indemnity in respect of any such cost or expense) promptly take such action as may be necessary to duly discharge all Liens on any of the Trust Accounts or any monies deposited therein that are attributable to the Subordination Agent in its individual capacity and that are unrelated to the transaction contemplated hereby and by the other Operative Agreements.

Section 5.04. Notice from the Liquidity Providers and Trustees. If any Liquidity Provider or Trustee has notice of an Indenture Event of Default or a Triggering Event, such Person shall promptly give notice thereof to all other Liquidity Providers and Trustees and to the Subordination Agent; provided, however, that no such Person shall have any liability hereunder as a result of its failure to deliver any such notice.

ARTICLE VI

THE SUBORDINATION AGENT

Section 6.01. Authorization; Acceptance of Trusts and Duties. Each of the Class AA Trustee and the Class A Trustee hereby designates and appoints the Subordination Agent as the agent and trustee of such Trustee under the applicable Liquidity Facility (if any) and authorizes the Subordination Agent to enter into the applicable Liquidity Facility, as agent and trustee for such Trustee. Each of the Liquidity Providers and the Trustees hereby designates and appoints the Subordination Agent as the Subordination Agent under this Agreement. WTC

accepts the trusts and duties hereby created and applicable to it and agrees to perform such duties, but only upon the terms of this Agreement and agrees to receive, handle and disburse all monies received by it in accordance with the terms hereof. The Subordination Agent shall have no liability hereunder except (a) for its own willful misconduct or negligence, (b) as provided in Section 2.02 and the last sentence of Section 5.03, (c) for liabilities that may result from the inaccuracy of any representation or warranty of the Subordination Agent made in its individual capacity in any Operative Agreement and (d) as otherwise expressly provided herein or in the other Operative Agreements.

Section 6.02. Absence of Duties. The Subordination Agent shall have no duty to see to any recording or filing of this Agreement or any other document, or to see to the maintenance of any such recording or filing.

Section 6.03. No Representations or Warranties as to Documents. The Subordination Agent shall not be deemed to have made any representation or warranty as to the validity, legality or enforceability of this Agreement or any other Operative Agreement or as to the correctness of any statement contained herein or therein (other than the representations and warranties of the Subordination Agent made in its individual capacity under any Operative Agreement), except that the Subordination Agent hereby represents and warrants that each of said specified documents to which it is a party has been or will be duly executed and delivered by one of its officers who is and will be duly authorized to execute and deliver such document on its behalf. The Certificateholders, the Trustees and the Liquidity Providers make no representation or warranty hereunder whatsoever.

Section 6.04. No Segregation of Monies; No Interest. Any monies paid to or retained by the Subordination Agent pursuant to any provision hereof and not then required to be distributed to any Trustee or any Liquidity Provider as provided in Articles II and III or deposited into one or more Trust Accounts need not be segregated in any manner except to the extent required by such Articles II and III and by law, and the Subordination Agent shall not (except as otherwise provided in Section 2.02) be liable for any interest thereon; *provided, however*, that any payments received or applied hereunder by the Subordination Agent shall be accounted for by the Subordination Agent so that any portion thereof paid or applied pursuant hereto shall be identifiable as to the source thereof.

Section 6.05. Reliance; Agents; Advice of Counsel. The Subordination Agent shall not incur any liability to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it to be signed by the proper party or parties. As to the Pool Balance of any Trust as of any date, the Subordination Agent may for all purposes hereof rely on a certificate signed by any Responsible Officer of the applicable Trustee, and such certificate shall constitute full protection to the Subordination Agent for any action taken or omitted to be taken by it in good faith in reliance thereon. As to any fact or matter relating to the Liquidity Providers or the Trustees the manner of ascertainment of which is not specifically described herein, the Subordination Agent may for all purposes hereof rely on a certificate, signed by any Responsible Officer of the applicable Liquidity Provider or Trustee, as the case may be, as to such fact or matter, and such certificate shall constitute full protection to the Subordination Agent for any action taken or omitted to be taken by it in good faith in reliance thereon. In the

administration of the trusts hereunder, the Subordination Agent may (a) execute any of the trusts or powers hereof and perform its powers and duties hereunder directly or through agents or attorneys and (b) consult with counsel, accountants and other skilled Persons to be selected and retained by it. The Subordination Agent shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled Persons acting within such counsel's, accountants' or Person's area of competence (so long as the Subordination Agent shall have exercised reasonable care and judgment in selecting such Persons).

Section 6.06. Capacity in Which Acting. The Subordination Agent acts hereunder solely as agent or trustee herein and not in its individual capacity, except as otherwise expressly provided herein and in the Operative Agreements.

Section 6.07. Compensation. The Subordination Agent shall be entitled to such compensation, including reasonable expenses and disbursements, for all services rendered hereunder as American and the Subordination Agent may agree from time to time in writing and shall have a priority claim to the extent set forth in Article III on all monies collected hereunder for the payment of such compensation, to the extent that such compensation shall not be paid by others. The Subordination Agent agrees that it shall have no right against any Trustee or any Liquidity Provider for any fee as compensation for its services as agent under this Agreement. The provisions of this Section 6.07 shall survive the termination of this Agreement.

Section 6.08. May Become Certificateholder. The institution acting as Subordination Agent hereunder may become a Certificateholder and have all rights and benefits of a Certificateholder to the same extent as if it were not the institution acting as the Subordination Agent.

Section 6.09. Subordination Agent Required; Eligibility. There shall at all times be a Subordination Agent hereunder that is a Citizen of the United States, a bank, trust company or other financial institution organized and doing business under the laws of the United States or any state thereof and eligible to act as a trustee under Section 310(a) of the Trust Indenture Act of 1939, as amended, and that has a combined capital and surplus of at least \$75,000,000 (or a combined capital and surplus in excess of \$5,000,000 and the obligations of which, whether now in existence or hereafter incurred, are fully and unconditionally guaranteed by a corporation organized under the laws of the United States or any State or territory thereof or the District of Columbia and having a combined capital and surplus of at least \$75,000,000). If such bank, trust company or other financial institution or such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of federal, state, territorial or District of Columbia supervising or examining authority, then for the purposes of this Section 6.09 the combined capital and surplus of such bank, trust company or other financial institution or such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

In case at any time the Subordination Agent shall cease to be eligible in accordance with the provisions of this Section 6.09, the Subordination Agent shall resign immediately in the manner and with the effect specified in Section 7.01.

Section 6.10. Money to Be Held in Trust. All Equipment Notes, monies and other property deposited with or held by the Subordination Agent pursuant to this Agreement shall be held in trust for the benefit of the parties entitled to such Equipment Notes, monies and other property and the Subordination Agent, in its individual capacity, hereby waives all rights of set-off and counterclaim with respect to all such property.

Section 6.11. Notice of Substitution or Replacement of Airframe. If the Subordination Agent, in its capacity as a holder of Equipment Notes issued under an Indenture, receives a notice of substitution of a Substitute Airframe (as defined in such Indenture) pursuant to Section 7.04(e) of such Indenture or a notice of delivery of a Replacement Airframe (as defined in such Indenture) pursuant to Section 7.05(a) of such Indenture, the Subordination Agent shall promptly (i) provide a copy of such notice to each Trustee, each Liquidity Provider and each Rating Agency and (ii) on behalf of each Trustee post such notice on DTC's Internet bulletin board or make such other commercially reasonable efforts as the Subordination Agent may deem appropriate to make the contents of such notice available to all Certificateholders.

ARTICLE VII

SUCCESSOR SUBORDINATION AGENT

Section 7.01. Replacement of Subordination Agent; Appointment of Successor. (A) The Subordination Agent or any successor thereto must resign if at any time it fails to comply with Section 6.09 and may resign at any time without cause by giving 60 days' prior written notice to American, the Trustees and the Liquidity Providers. The Controlling Party or American (only so long as no Indenture Event of Default has occurred or is continuing) may remove the Subordination Agent for cause by so notifying the Subordination Agent and may appoint a successor Subordination Agent. The Controlling Party (or the party that would be the Controlling Party if an Indenture Event of Default had occurred) shall remove the Subordination Agent if:

- (1) the Subordination Agent fails to comply with Section 6.09;
- (2) the Subordination Agent is adjudged bankrupt or insolvent or files a bankruptcy petition;
- (3) a receiver of the Subordination Agent shall be appointed or any public officer shall take charge or control of the Subordination Agent or its property or affairs for the purpose of rehabilitation, conservation or liquidation; or
- (4) the Subordination Agent otherwise becomes incapable of acting.

If the Subordination Agent resigns or is removed or if a vacancy exists in the office of Subordination Agent for any reason (the Subordination Agent in such event being referred to herein as the retiring Subordination Agent), the Controlling Party (or the party that would be the Controlling Party if an Indenture Event of Default had occurred) shall promptly appoint a successor Subordination Agent. If a successor Subordination Agent shall not have been appointed within sixty (60) days after such notice of resignation or removal, the retiring

Subordination Agent, one or more of the Trustees or one or more of the Liquidity Providers may petition any court of competent jurisdiction for the appointment of a successor Subordination Agent to act until such time, if any, as a successor shall have been appointed as provided above.

A successor Subordination Agent shall deliver (x) a written acceptance of its appointment as Subordination Agent hereunder to the retiring Subordination Agent and (y) a written assumption of its obligations hereunder and under each Liquidity Facility to each party hereto, upon which the resignation or removal of the retiring Subordination Agent shall become effective, and the successor Subordination Agent shall have all the rights, powers and duties of the Subordination Agent under this Agreement. The successor Subordination Agent shall mail a notice of its succession to American, the Liquidity Providers and the Trustees. The retiring Subordination Agent shall promptly transfer its rights under each of the Liquidity Facilities and all of the property and all books and records, or true, complete and correct copies thereof, held by it as Subordination Agent to the successor Subordination Agent.

If the Subordination Agent fails to comply with Section 6.09 (to the extent applicable), one or more of the Trustees or one or more of the Liquidity Providers may petition a court of competent jurisdiction for the removal of the Subordination Agent and the appointment of a successor Subordination Agent.

Notwithstanding the foregoing, no resignation or removal of the Subordination Agent shall be effective unless and until a successor has been appointed. No appointment of a successor Subordination Agent shall be effective unless and until the Rating Agencies shall have delivered a Ratings Confirmation with respect to each Class of Certificates then rated by the Rating Agencies.

(b) Any corporation, bank, trust company or other financial institution into which the Subordination Agent may be merged or converted or with which it may be consolidated, or any corporation, bank, trust company or other financial institution resulting from any merger, conversion or consolidation to which the Subordination Agent shall be a party, or any corporation, bank, trust company or other financial institution succeeding to all or substantially all of the corporate trust business of the Subordination Agent, shall be the successor of the Subordination Agent hereunder, *provided* that such corporation, bank, trust company or other financial institution shall be otherwise qualified and eligible under Section 6.09, without the execution or filing of any paper or any further act on the part of any of the parties hereto, except that such corporation, bank, trust company or other financial institution shall give prompt notice of such transaction to the Liquidity Providers and American.

ARTICLE VIII

SUPPLEMENTS AND AMENDMENTS

Section 8.01. Amendments, Waivers, Etc. (a) This Agreement may not be supplemented, amended or modified without the consent of each Trustee (acting, except in the case of any amendment pursuant to Section 3.05(e)(v) or any amendment contemplated by the last sentence of this Section 8.01(a), with the consent of holders of Outstanding Certificates of the related Class evidencing Fractional Undivided Interests in the related Trust aggregating not

less than a majority in interest in such Trust or as otherwise authorized pursuant to the relevant Trust Agreement (including, without limitation, without the consent of the Certificateholders to the extent permitted thereby, Section 9.01 thereof)), the Subordination Agent and each Liquidity Provider; *provided, however*, that this Agreement may be supplemented, amended or modified without the consent of any Trustee or the Subordination Agent in order (i) to cure any ambiguity or omission or to correct any mistake, (ii) to correct or supplement any provision, or (iii) to make any other provision in regard to matters or questions arising hereunder that will not materially adversely affect the interests of any Trustee or the holders of the related Class of Certificates, and without the consent of any Trustee or any Liquidity Provider if such supplement, amendment or modification is in accordance with Section 8.01(c) or 8.01(d); *provided, further, however*, that, if such supplement, amendment or modification (x) would directly or indirectly amend, modify or supersede, or otherwise conflict with, Section 2.02(b), 3.05(c), 3.05(e), 3.05(f), 3.05(m), 4.01(a)(ii) or 4.01(c), this proviso of Section 8.01(a), the last sentence of Section 8.01(a), Section 8.01(c), 8.01(d) or 9.06 (collectively, the “American Provisions”), (y) would otherwise adversely affect the interests of any potential Replacement Liquidity Provider or Replacement Depository or of American with respect to American’s ability to replace any Liquidity Facility or the Depository or with respect to American’s payment obligations under any Operative Agreement or (z) is made pursuant to the last sentence of this Section 8.01(a) or pursuant to Section 8.01(c) or pursuant to Section 8.01(d), then such supplement, amendment or modification shall not be effective without the additional written consent of American. Notwithstanding the foregoing, without the consent of each Certificateholder affected thereby and each Liquidity Provider, no supplement, amendment or modification of this Agreement may (i) reduce the percentage of the interest in any Trust evidenced by the Certificates issued by such Trust necessary to consent to modify or amend any provision of this Agreement or to waive compliance therewith or (ii), except as provided in the last sentence of this Section 8.01(a), Section 8.01(c) or Section 8.01(d), modify Section 2.04, 3.02 or 3.03 hereof relating to the distribution of monies received by the Subordination Agent hereunder from the Equipment Notes or pursuant to the Liquidity Facilities. Nothing contained in this Section 8.01(a) shall require the consent of a Trustee at any time following the payment of Final Distributions with respect to the related Class of Certificates. If the Replacement Liquidity Facility for any Liquidity Facility is to be comprised of more than one instrument as contemplated by the definition of the term “Replacement Liquidity Facility”, then each party hereto agrees to amend this Agreement and the other Operative Agreements to incorporate appropriate provisions for multiple Liquidity Facilities for a single Trust.

(b) In the event that the Subordination Agent, as the registered holder of any Equipment Notes, receives a request for the giving of notice or its consent to any amendment, supplement, modification, approval, consent or waiver under such Equipment Notes, the Indenture pursuant to which such Equipment Notes were issued, the related Participation Agreement, or other related document, (i) if no Indenture Event of Default shall have occurred and be continuing with respect to such Indenture, the Subordination Agent shall request directions with respect to each series of such Equipment Notes from the Trustee of the Trust which holds such Equipment Notes and shall vote or consent in accordance with the directions of such Trustee and (ii) if any Indenture Event of Default shall have occurred and be continuing with respect to such Indenture, the Subordination Agent will exercise its voting rights as directed by the Controlling Party, subject to Sections 4.01 and 4.04. Notwithstanding the foregoing, without the consent of each Liquidity Provider and each affected Certificateholder holding

Certificates representing a Fractional Undivided Interest in the Equipment Notes under the applicable Indenture held by the Subordination Agent, no such amendment, supplement, modification, approval, consent or waiver shall (i) reduce the principal amount of, Premium, if any, or interest on, any Equipment Note under such Indenture; (ii) change the date on which any principal amount of, Premium, if any, or interest on any Equipment Note under such Indenture, is due or payable; (iii) create any Lien with respect to the Collateral subject to such Indenture prior to or *pari passu* with the Lien thereon under such Indenture except such as are permitted by such Indenture; *provided* that without the consent of each Certificateholder, no such amendment, supplement, modification, approval, consent or waiver shall modify Section 3.03 or Section 9.02(a)(3) of such Indenture or deprive any Certificateholder of the benefit of the Lien of such Indenture on such Collateral, except as provided in connection with the exercise of remedies under Article IV of such Indenture or as otherwise permitted by such Indenture; (iv) reduce the percentage of the outstanding principal amount of the Equipment Notes under such Indenture the consent of whose holders is required for any supplemental agreement, or the consent of whose holders is required for any waiver of compliance with certain provisions of such Indenture or of certain defaults thereunder or their consequences provided for in such Indenture; or (v) make any change in Section 4.05 or Section 9.02 of such Indenture, except to provide that certain other provisions of such Indenture cannot be modified or waived without the consent of each holder of an Equipment Note under such Indenture affected thereby.

(c) If (x) Series A Equipment Notes (or Additional Equipment Notes), with respect to all of the Aircraft for which Series A Equipment Notes (or, as the case may be, Additional Equipment Notes) are at the time outstanding, are redeemed and new Equipment Notes of corresponding series are to be issued with respect to all (but not less than all) of the Aircraft under the applicable Indentures or (y) at any time following the payment in full of the Series A Equipment Notes (or any series of Additional Equipment Notes) with respect to all of the Aircraft for which Series A Equipment Notes (or such series of Additional Equipment Notes) are at the time outstanding and new Equipment Notes of corresponding series are to be issued with respect to all (but not less than all) of the Aircraft under the applicable Indentures, in each case, in accordance with the terms of Section 2.02 of each such Indenture and Section 4(a)(v) of the Note Purchase Agreement, such series of new Equipment Notes (the "Refinancing Equipment Notes") shall be issued to a new pass through trust (a "Refinancing Trust") that issues a class of pass through certificates (the "Refinancing Certificates") to certificateholders (the "Refinancing Certificateholders") pursuant to a pass through trust agreement (a "Refinancing Trust Agreement") with a trustee (a "Refinancing Trustee"). A Refinancing Trust, a Refinancing Trustee and the Refinancing Certificates shall be subject to all of the provisions of this Agreement in the same manner as the Trust, the Trustee and the Certificates of the Class corresponding to the series of the refinanced Equipment Notes, including, the subordination of the Refinancing Certificates to the extent provided herein to the Administration Expenses, the Liquidity Obligations, the Class AA Certificates, and, if applicable, the Class A Certificates and, if applicable, any previously issued class of Additional Certificates. Such issuance of Refinancing Equipment Notes and Refinancing Certificates and the amendment of this Agreement as provided below shall require Ratings Confirmation with respect to each Class of Certificates then rated by the Rating Agencies and shall not materially adversely affect any of the Trustees in their individual capacities or any of the Liquidity Providers. This Agreement shall be amended by written agreement of American and the Subordination Agent to give effect to the issuance of any Refinancing Certificates subject to the following terms and conditions:

(i) the Refinancing Trustee shall be added as a party to this Agreement;

(ii) the definitions of “Certificate”, “Class”, “Class A Certificates”, “Final Legal Distribution Date”, “Trust”, “Trust Agreement” and “Controlling Party” (and such other applicable definitions) shall be revised, as appropriate, to reflect such issuance (and the subordination of the Refinancing Certificates and the Refinancing Equipment Notes);

(iii) the Refinancing Certificates may have the benefit of credit support similar to the Liquidity Facilities or different therefrom and claims for fees, interest, expenses, reimbursement of advances and other obligations arising from such credit support (A) in the case of any Refinancing Certificates issued in respect of the Class A Certificates, may rank *pari passu* with similar claims in respect of the Class A Liquidity Facility, (B) in the case of any Refinancing Certificates issued in respect of any class of Additional Certificates generally subordinated to the Class AA Certificates and Class A Certificates (but not to any other class of Additional Certificates), may rank *pari passu* with similar claims in respect of the Class AA Liquidity Facility and the Class A Liquidity Facility so long as the prior written consent of the Class AA Liquidity Provider and the Class A Liquidity Provider shall have been obtained, and (C) in the case of any Refinancing Certificates issued in respect of all Additional Certificates to which clause (B) is not applicable, shall be subordinated to the Administration Expenses and the Liquidity Obligations relating to each of the Class AA Certificates, the Class A Certificates and any more senior class of Additional Certificates; *provided* that, in each case, Ratings Confirmation with respect to each Class of Certificates then rated by the Rating Agencies and the prior written consent of the Liquidity Providers shall have been obtained;

(iv) the Refinancing Certificates cannot be issued to American but may be issued to any of American’s Affiliates so long as such Affiliate shall have bankruptcy remote and special purpose provisions in its certificate of incorporation or other organizational documents and any subsequent transfer of the Refinancing Certificates to any Affiliate of American shall be similarly restricted; and

(v) the scheduled payment dates on the Refinancing Equipment Notes shall be the Regular Distribution Dates.

The issuance of the Refinancing Certificates in compliance with all of the foregoing terms of this Section 8.01(c), shall not require the consent of any of the Trustees or the holders of any Class of Certificates. Each of the Liquidity Providers hereby agrees and confirms that it shall be deemed to consent to any issuance and amendment in accordance with this Section 8.01(c) (subject to the Liquidity Providers’ consent right in Section 8.01(c)(iii)) and that any such issuance and amendment shall not affect any of its respective obligations under the applicable Liquidity Facility.

(d) Pursuant to the terms of Section 2.02 of each Indenture and Section 4(a)(v) of the Note Purchase Agreement, one or more additional series of Equipment Notes (the “Additional Equipment Notes”), which shall be subordinated in right of payment to the Series AA Equipment Notes and the Series A Equipment Notes under such Indenture, may be issued at any time and from time to time. If any series of Additional Equipment Notes are issued under

any Indenture, each such series of Additional Equipment Notes shall be issued to a new pass through trust (an “Additional Trust”) that issues a class of pass through certificates (the “Additional Certificates”) to certificateholders (the “Additional Certificateholders”) pursuant to a pass through trust agreement (an “Additional Trust Agreement”) with a trustee (an “Additional Trustee”). In such case, this Agreement, including without limitation Sections 2.04, 3.01 and 3.02 hereof, shall be amended by written agreement of American and the Subordination Agent to provide for the subordination of such series of Additional Certificates to, and to provide for distributions on the Additional Certificates after payment of, the Administration Expenses, the Liquidity Obligations, the Class AA Certificates, the Class A Certificates and, if applicable, any other Additional Certificates that rank senior in right of payment to such Additional Certificates (subject to clause (iii) below). Such issuance, and the amendment of this Agreement as provided below shall require Ratings Confirmation with respect to each Class of Certificates then rated by the Rating Agencies and shall not materially adversely affect any of the Trustees in their individual capacities or any of the Liquidity Providers. This Agreement shall be amended by written agreement of American and the Subordination Agent to give effect to the issuance of any Additional Certificates subject to the following terms and conditions:

(i) the Additional Trustee shall be added as a party to this Agreement;

(ii) the definitions of “Certificate”, “Class”, “Equipment Notes”, “Final Legal Distribution Date”, “Trust”, “Trust Agreement”, and “Controlling Party” (and such other applicable definitions) shall be revised, as appropriate, to reflect the issuance of the Additional Certificates (and the subordination thereof);

(iii) Section 3.02 may be revised, with respect to any class of Additional Certificates, to provide for the distribution of “Adjusted Interest” for such class of Additional Certificates (calculated in a manner substantially similar to the calculation of Class A Adjusted Interest) after the Class A Adjusted Interest (and, if applicable, after any “Adjusted Interest” for any Additional Certificates that rank senior in right of payment to such Additional Certificates) but before Expected Distributions on the Class AA Certificates, *provided* that such revision shall not adversely affect any Liquidity Provider (as determined by such Liquidity Provider in its reasonable discretion);

(iv) the Additional Certificates may have the benefit of credit support similar to the Liquidity Facilities, *provided* that (A) claims for fees, interest, expenses, reimbursement of advances and other obligations arising from such credit support (1) may, in the case of any class of Additional Certificates generally subordinated to the Class AA Certificates and the Class A Certificates (but not any other class of Additional Certificates), rank *pari passu* with similar claims in respect of the Class AA Liquidity Facility and the Class A Liquidity Facility so long as the prior written consent of the Class AA Liquidity Provider and the Class A Liquidity Provider shall have been obtained, or (2) shall, in the case of all classes of Additional Certificates to which clause (1) is not applicable, be subordinated to the Administration Expenses and the Liquidity Obligations relating to each of the Class AA Certificates, Class A Certificates and any more senior class of Additional Certificates and (B) Ratings Confirmation with respect to each Class of Certificates then rated by the Rating Agencies and the prior written consent of the Liquidity Providers shall have been obtained;

(v) the Additional Certificates may be rated by the Rating Agencies;

(vi) Additional Certificates cannot be issued to American but may be issued to any of American's Affiliates so long as such Affiliate shall have bankruptcy remote and special purpose provisions in its certificate of incorporation or other organizational documents and any subsequent transfer of the Additional Certificates to any Affiliate of American shall be similarly restricted;

(vii) the scheduled payment dates on such series of Additional Equipment Notes shall be the Regular Distribution Dates; and

(viii) for the avoidance of doubt and without limitation of the foregoing, in the event that any Additional Certificates are issued prior to the Delivery Period Termination Date, the definitions of Deposit Agreement, Escrow and Paying Agent Agreement, Escrow Agent, Escrow Receipts, Paying Agent, Paying Agent Account, Expected Distributions, Final Distributions and Pool Balance (and any other applicable definition) and the related provisions hereof may be appropriately revised to reflect any applicable deposit and escrow arrangement in relation to such Additional Certificates.

The issuance of the Additional Certificates in compliance with all of the foregoing terms of this Section 8.01(d), shall not require the consent of any of the Trustees or the holders of any Class of Certificates. Each of the Liquidity Providers hereby agrees and confirms that it shall be deemed to consent to any issuance and amendment in accordance with this Section 8.01(d) (subject to the Liquidity Providers' consent right in Section 8.01(d)(iv)) and that any such issuance and amendment shall not affect any of its obligations under the applicable Liquidity Facility. The Subordination Agent shall deliver to each Trustee and each Liquidity Provider a copy of the amendments made to this Agreement and all opinions, certificates and other documents delivered in connection with the issuance of any Additional Certificates.

Section 8.02. Subordination Agent Protected. If, in the reasonable opinion of the institution acting as the Subordination Agent hereunder, any document required to be executed by it pursuant to the terms of Section 8.01 adversely affects any right, duty, immunity or indemnity with respect to such institution under this Agreement or any Liquidity Facility, the Subordination Agent may in its discretion decline to execute such document.

Section 8.03. Effect of Supplemental Agreements. Upon the execution of any amendment, consent or supplement hereto pursuant to the provisions hereof, this Agreement shall be and shall be deemed to be modified and amended in accordance therewith and the respective rights, limitations of rights, obligations, duties and immunities under this Agreement of the parties hereto and beneficiaries hereof shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental agreement shall be and be deemed to be part of the terms and conditions of this Agreement for any and all purposes. In executing or accepting any supplemental agreement permitted by this Article VIII, the Subordination Agent shall be entitled to receive, and shall be fully protected in relying upon, an opinion of counsel stating that the execution of such supplemental agreement is authorized or permitted by this Agreement.

Section 8.04. Notice to Rating Agencies. Promptly following its receipt of each amendment, consent, modification, supplement or waiver contemplated by this Article VIII, the Subordination Agent shall send a copy thereof to each Rating Agency.

Any party, by notice to the other parties hereto, may designate additional or different addresses for subsequent notices or communications. Whenever the words "notice" or "notify" or similar words are used herein, they mean the provision of formal notice as set forth in this [Section 9.03](#).

Section 9.04. [Severability](#). To the extent permitted by applicable law, any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 9.05. [No Oral Modifications or Continuing Waivers](#). No terms or provisions of this Agreement may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party or other Person against whom enforcement of the change, waiver, discharge or termination is sought and any other party or other Person whose consent is required pursuant to this Agreement and any waiver of the terms hereof shall be effective only in the specific instance and for the specific purpose given.

Section 9.06. Successors and Assigns. All covenants and agreements contained herein shall bind and inure to the benefit of, and be enforceable by, each of the parties hereto and the successors and permitted assigns of each, all as herein provided. In addition, the American Provisions shall inure to the benefit of American and its successors and permitted assigns, and (without limitation of the foregoing) American is hereby constituted, and agreed to be, an express third party beneficiary of the American Provisions.

Section 9.07. Headings. The headings of the various Articles and Sections herein and in the Table of Contents hereto are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

Section 9.08. Counterparts. This Agreement may be executed in any number of counterparts (and each party shall not be required to execute the same counterpart). Each counterpart of this Agreement including a signature page or pages executed by each of the parties hereto shall be an original counterpart of this Agreement, but all of such counterparts together constitute one instrument. The parties intend that faxed signatures and electronically imaged signatures such as .pdf files shall constitute original signatures and are binding on all parties. The original documents shall be promptly delivered, if requested.

Section 9.09. Subordination. (a) As between the Liquidity Providers (and any additional liquidity providers in respect of any class of Refinancing Certificates or any Additional Certificates), on the one hand, and the Trustees (and any Refinancing Trustees or an Additional Trustee) and the Certificateholders (and any Refinancing Certificateholders or Additional Certificateholders), on the other hand, and as among the Trustees (and any Refinancing Trustees or an Additional Trustee) and the related Certificateholders (and any Refinancing Certificateholders or Additional Certificateholders) this Agreement shall be a subordination agreement for purposes of Section 510 of the Bankruptcy Code.

(b) Notwithstanding the provisions of this Agreement, if prior to the payment in full to the Liquidity Providers of all Liquidity Obligations then due and payable any party hereto shall have received any payment or distribution in respect of Equipment Notes or any other amount under the Indentures or other Operative Agreements which, had the subordination provisions of this Agreement been properly applied to such payment, distribution or other amount, would not have been distributed to such Person, then such payment, distribution or other amount shall be received and held in trust by such Person and paid over or delivered to the Subordination Agent for application as provided herein.

(c) If any Trustee, any Liquidity Provider or the Subordination Agent receives any payment in respect of any obligations owing or amounts distributable hereunder (or, in the case of the Liquidity Providers, in respect of the Liquidity Obligations), which is subsequently invalidated, declared preferential, set aside and/or required to be repaid to a trustee, receiver or other party, then, to the extent of such payment, such obligations or amounts (or, in the case of the Liquidity Providers, such Liquidity Obligations) intended to be satisfied shall be revived and continue in full force and effect as if such payment had not been received.

(d) The Trustees (on behalf of themselves and the holders of Certificates), the Liquidity Providers and the Subordination Agent expressly confirm and agree that the payment

priorities and subordination specified in Articles II and III shall apply in all circumstances, notwithstanding (x) the fact that the obligations owed to the Trustees are secured by certain assets and the Liquidity Obligations may not be so secured or (y) the occurrence of an American Bankruptcy Event or any similar event or occurrence relating to any other Person (it being expressly agreed that the payment priorities and subordination specified in Articles II and III shall apply whether or not a claim for post-petition or post-filing interest is allowed in the proceedings resulting from such American Bankruptcy Event or other event or occurrence). The Trustees expressly agree (on behalf of themselves and the holders of Certificates) not to assert priority over the holders of Liquidity Obligations (except as specifically set forth in Section 3.02) due to their status as secured creditors in any bankruptcy, insolvency or other legal proceeding.

(e) Each of the Trustees (on behalf of themselves and the holders of Certificates), the Liquidity Providers and the Subordination Agent may take any of the following actions without impairing its rights under this Agreement:

- (i) obtain a Lien on any property to secure any amounts owing to it hereunder, including, in the case of the Liquidity Providers, the Liquidity Obligations;
- (ii) obtain the primary or secondary obligation of any other obligor with respect to any amounts owing to it hereunder, including, in the case of the Liquidity Providers, any of the Liquidity Obligations;
- (iii) renew, extend, increase, alter or exchange any amounts owing to it hereunder, including, in the case of the Liquidity Providers, any of the Liquidity Obligations, or release or compromise any obligation of any obligor with respect thereto;
- (iv) refrain from exercising any right or remedy, or delay in exercising any right or remedy, which it may have; or
- (v) take any other action which might discharge a subordinated party or a surety under applicable law;

provided, however, that the taking of any such actions by any of the Trustees, the Liquidity Providers or the Subordination Agent shall not prejudice the rights or adversely affect the obligations of any other party under this Agreement.

Section 9.10. Governing Law. THIS AGREEMENT HAS BEEN DELIVERED IN THE STATE OF NEW YORK AND SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE.

Section 9.11. Submission to Jurisdiction; Waiver of Jury Trial; Waiver of Immunity. (a) Each of the parties hereto, to the extent it may do so under applicable law, for purposes hereof and of all other Operative Agreements hereby (i) irrevocably submits itself to the non-exclusive jurisdiction of the courts of the State of New York sitting in the City of New York and to the non-exclusive jurisdiction of the United States District Court for the Southern District of New York, for the purposes of any suit, action or other proceeding arising out of this

Agreement, the subject matter hereof or any of the transactions contemplated hereby brought by any party or parties hereto or thereto, or their successors or permitted assigns, (ii) waives, and agrees not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that this Agreement or the subject matter hereof or any of the transactions contemplated hereby may not be enforced in or by such courts, (iii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to each party hereto at its address set forth in Section 9.03 hereof, or at such other address of which the other parties shall have been notified pursuant thereto; and (iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

(b) EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT AND THE RELATIONSHIP THAT IS BEING ESTABLISHED, including, without limitation, contract claims, tort claims, breach of duty claims and all other common law and statutory claims. Each of the parties warrants and represents that it has reviewed this waiver with its legal counsel, and that it knowingly and voluntarily waives its jury trial rights following consultation with such legal counsel. **TO THE EXTENT PERMITTED BY APPLICABLE LAW, THIS WAIVER IS IRREVOCABLE AND CANNOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT.**

(c) To the extent that any Liquidity Provider or any of its properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, and whether under the United States Foreign Sovereign Immunities Act of 1976 (or any successor legislation) or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon this Agreement, including, without limitation, immunity from suit or service of process, immunity from jurisdiction or judgment of any court or tribunal or execution of a judgment, or immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, each of the Class AA Liquidity Provider and the Class A Liquidity Provider, hereby irrevocably and expressly waives any such immunity, and agrees not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere.

Section 9.12. Non-Petition. Each Liquidity Provider covenants that until one year and one day after the Equipment Notes have been paid in full, it shall not acquiesce, petition or otherwise invoke or cause or join in invoking or causing any Trust or any other Person to invoke the process of any governmental authority for the purpose of commencing or sustaining a case (whether voluntary or not) against such Trust under any bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of such Trust or any substantial part of its property or ordering the winding up or liquidation of the affairs of such Trust.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective officers thereunto duly authorized, as of the date first above written, and acknowledge that this Agreement has been made and delivered in the City of New York, and this Agreement has become effective only upon such execution and delivery.

W I T N E S S E T H:

WHEREAS, the Underwriters and the Pass Through Trustee intend that the Net Proceeds be held in escrow by the Escrow Agent on behalf of the Investors pursuant to the Escrow and Paying Agent Agreement, subject to withdrawal upon request of and proper certification by the Pass Through Trustee for the purpose of purchasing Equipment Notes, and that pending such withdrawal the Net Proceeds held for the benefit of the Escrow Agent in the Accounts (as defined below) established for such purposes pursuant to this Agreement;

WHEREAS, this Agreement provides, inter alia, for (i) the establishment of the Accounts (as defined below) at the Depository; (ii) the deposit to the respective Accounts of the Deposits (as defined below) (iii) the Depository to pay interest for distribution to the Investors pursuant to the terms and conditions hereof; and (iv) the withdrawal of funds from the respective Accounts at the direction of the Escrow Agent pursuant to the terms and conditions of this Agreement; and

WHEREAS, the Escrow Agent wishes to appoint Natixis S.A., acting through its New York Branch as Depository pursuant to this Agreement and Natixis S.A., acting through its New York Branch is willing to accept such appointment upon the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the obligations contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

SECTION 1. Acceptance of Depository; Establishment of Accounts.

Section 1.1. Appointment of Depository; Location of Accounts. The Escrow Agent hereby appoints the Depository, effective as of the date hereof, to have all the rights, powers and duties set forth herein on the part of the Depository. The Accounts will be domiciled in the office of the Depository located at 1251 Avenue of the Americas, New York, New York 10020, or at such address within the United States as the Depository may designate from time to time by written notice to the Escrow Agent, the Pass Through Trustee and American.

Section 1.2. Acceptance of Depository. The Depository hereby agrees to act as depository bank as provided herein and in connection therewith to accept all amounts to be delivered to or held by the Depository pursuant to the terms of this Agreement. The Depository further agrees to hold, maintain and safeguard the Deposits and the Accounts (as defined below) during the term of this Agreement in accordance with the provisions of this Agreement. The Escrow Agent shall not have any right to withdraw, assign or otherwise transfer moneys held in the Accounts except as permitted by this Agreement.

Section 1.3. Establishment of Accounts. The Escrow Agent hereby instructs the Depository, and the Depository agrees, to establish the separate deposit accounts listed on Schedule I hereto and to establish such additional separate deposit accounts as may be required in connection with the deposits contemplated by Section 2.4 hereof (each, an “Account” and

collectively, the “Accounts”), each in the name of the Escrow Agent and all on the terms and conditions set forth in this Agreement. The Depository shall establish and maintain all Accounts at a branch of the Depository located in the United States.

SECTION 2. Deposit Mechanics.

Section 2.1. Deposits. (a) The Escrow Agent shall direct the Underwriters to deposit the sum of \$544,644,000 (the “Initial Deposit Amount”) on the date of this Agreement (the “Deposit Date”) with the Depository in trust for the benefit of the Escrow Agent in immediately available funds by wire transfer to: Federal Reserve Bank of New York, ABA No. ### for the account of Natixis New York, Account Number: ###, Attention: Natixis Treasury, Reference: American Airlines 2017-2 Initial Deposit A/C. The Depository shall accept from the Underwriters, for the benefit of the Escrow Agent such Initial Deposit Amount.

(b) Upon receipt of the Initial Deposit Amount, the Depository shall credit to the relevant Accounts, from the proceeds of the Initial Deposit Amount, deposits in the amounts specified on Schedule I hereto maturing in accordance with this Agreement on the Outside Termination Date. Each deposit described in the preceding sentence and each re-deposit described in Section 2.4 hereof, is individually, a “Deposit” and, collectively, the “Deposits”). No amount shall be deposited in any Account other than the related Deposit.

Section 2.2. Interest. Each Deposit shall bear interest from and including the date of deposit to but excluding the date of withdrawal (it being understood that the date of withdrawal in the case of any payment by the Depository of the amount of the Final Withdrawal (as defined below) on the Outside Termination Date (as defined below) shall be deemed to be the date of such payment) at the rate of 3.35% per annum (computed on the basis of a 360-day year of twelve 30-day months) payable by the Depository to the Paying Agent on behalf of the Escrow Agent in arrears on each Interest Payment Date (as defined below), on the date of any Final Withdrawal, on the date of any Replacement Withdrawal (as defined below) or on the date of any Event of Loss Withdrawal (as defined below), as applicable, all in accordance with the terms of this Agreement. As used in this Agreement, the term “Interest Payment Date”, with respect to each Deposit that, as of any date of determination, has not been withdrawn pursuant to a Final Withdrawal, a Replacement Withdrawal or an Event of Loss Withdrawal, shall mean each of April 15 and October 15, commencing on April 15, 2018 and ending on the earlier of April 15 and October 15 immediately following the date on which such Deposit is withdrawn pursuant to a Notice of Purchase Withdrawal (as defined below); *provided* that interest accrued on any Deposit that is withdrawn pursuant to a Notice of Purchase Withdrawal shall be paid on the next Interest Payment Date following the related Purchase Withdrawal, notwithstanding any intervening Final Withdrawal or Event of Loss Withdrawal with respect to any other Deposit and notwithstanding the fact that the relevant Account may have been closed before such Interest Payment Date, but, if any intervening Replacement Withdrawal occurs before such next Interest Payment Date, such accrued interest shall, instead, be paid on the date of such Replacement Withdrawal. All interest paid pursuant to this Agreement shall be non-compounding.

Section 2.3. Withdrawals.

(a) Purchase Withdrawal. The Escrow Agent may, by providing at least three Business Days' prior notice of withdrawal to the Depository (or such shorter period as agreed by the Depository) in the form of Exhibit A hereto (a "Notice of Purchase Withdrawal"), withdraw the entire balance of such Deposit (but not any accrued and unpaid interest thereon) (with respect to any Deposit, such withdrawal, the "Purchase Withdrawal"), except that at any time prior to the actual withdrawal of such Deposit, the Escrow Agent or the Pass Through Trustee may, by notice to the Depository, which notice has been actually received by the Depository prior to such actual withdrawal, cancel such withdrawal (including on the scheduled date therefor), and thereafter such Deposit shall continue to be maintained by the Depository in accordance with the original terms thereof. Following the Purchase Withdrawal of any Deposit, the balance in the related Account shall be reduced to zero and the Depository shall close such Account. As used in this Agreement, "Business Day" shall mean any day, other than a Saturday, Sunday or other day on which commercial banks are authorized or required by law to close in New York, New York, Fort Worth, Texas or Wilmington, Delaware.

(b) Final Withdrawal; Replacement Withdrawal; Event of Loss Withdrawal.

(i) The Escrow Agent may, by providing at least 15 days' prior notice of withdrawal to the Depository in the form of Exhibit B hereto (a "Notice of Final Withdrawal"), withdraw (x) the entire amount of all of the remaining Deposits together with (y) all accrued and unpaid interest on such Deposits to but excluding the specified date of such withdrawal (such withdrawal of the amounts set forth in the immediately preceding clauses (x) and (y), the "Final Withdrawal"), on such date as shall be specified in such Notice of Final Withdrawal. If a Notice of Final Withdrawal has not been given to the Depository on or before the Outside Termination Date (as defined below) and there are unwithdrawn Deposits on such date, the Depository shall pay the amount of the Final Withdrawal to the Paying Agent on the Outside Termination Date. Following the Final Withdrawal of any Deposit, the balance in the related Account shall be reduced to zero and the Depository shall close such Account. As used in this Agreement, the term "Outside Termination Date" shall mean June 15, 2018 (provided that, if a labor strike occurs or continues at The Boeing Company ("Boeing") after the Issuance Date and on or prior to June 15, 2018, such date shall be extended by adding thereto the number of days that such strike continued in effect after the Issuance Date, but not more than 60 days and excluding any period of a strike at Boeing after all aircraft of Boeing shall have been financed hereunder).

(ii) The Escrow Agent may, by providing at least five Business Days' prior notice of withdrawal to the Depository in the form of Exhibit C hereto (a "Notice of Replacement Withdrawal"), withdraw (x) with respect to all Deposits then held by the Depository, (1) the entire amount of such Deposits together with (2) all accrued and unpaid interest on such Deposits to but excluding the specified date of such Replacement Withdrawal (as defined below) and (y) with respect to all Deposits, if any, previously withdrawn pursuant to a Notice of Purchase Withdrawal, all accrued and unpaid interest on such Deposits to but excluding the date of the applicable Purchase Withdrawal (such withdrawal of the amounts set

forth in the immediately preceding clauses (x) and (y), the “Replacement Withdrawal”), on such date as shall be specified in such Notice of Replacement Withdrawal.

(iii) The Escrow Agent may, by providing at least 15 days’ prior notice of withdrawal to the Depository in the form of Exhibit D hereto (a “Notice of Event of Loss Withdrawal”), withdraw (x) the entire balance of such Deposit together with (y) all accrued and unpaid interest on such Deposit to but excluding the specified date of such withdrawal (with respect to any Deposit, such withdrawal of the amounts set forth in the immediately preceding clauses (x) and (y), the “Event of Loss Withdrawal”), on such date as shall be specified in such Notice of Event of Loss Withdrawal. Following such Event of Loss Withdrawal, the balance in the related Account shall be reduced to zero and the Depository shall close such Account.

(c) Compliance with Withdrawal Notices. If the Depository receives a duly completed Notice of Purchase Withdrawal, Notice of Final Withdrawal, Notice of Replacement Withdrawal or Notice of Event of Loss Withdrawal (each, a “Withdrawal Notice”) complying with the provisions of this Agreement, it shall make the payments specified therein in accordance with the provisions of this Agreement. Notwithstanding anything to the contrary contained in this Agreement, in no event shall the Depository be required, pursuant to any Withdrawal Notice or otherwise, to make payments hereunder on or in respect of any Deposit in excess of the amount of such Deposit together with accrued interest thereon as provided in this Agreement.

Section 2.4. Other Accounts. On the date of withdrawal of any Deposit (other than the date of any Final Withdrawal, Replacement Withdrawal or Event of Loss Withdrawal), the Escrow Agent, or the Pass Through Trustee on behalf of the Escrow Agent, shall re-deposit with the Depository any portion thereof not used to acquire Equipment Notes and the Depository shall accept the same for deposit hereunder. Any sums so received for deposit shall constitute a Deposit credited to the Account from which they were withdrawn, and thereafter the provisions of this Agreement shall apply thereto as fully and with the same force and effect as if such Deposit had been established on the Deposit Date. The Depository shall promptly give notice to the Escrow Agent of receipt of each such re-deposit.

SECTION 3. Termination. This Agreement shall terminate on the fifth Business Day after the later of the date on which (i) all of the Deposits shall have been withdrawn and paid as provided herein without any re-deposit and (ii) all accrued and unpaid interest on the Deposits shall have been paid as provided herein, but in no event prior to the date on which the Depository shall have performed in full its obligations hereunder.

SECTION 4. Payments. All payments made by the Depository hereunder shall be paid in United States Dollars and immediately available funds by wire transfer (i) in the cases of (w) accrued and unpaid interest on the Deposits payable under Section 2.2 hereof, (x) any Final Withdrawal, (y) any Event of Loss Withdrawal or (z) accrued and unpaid interest on all Deposits, if any, previously withdrawn pursuant to a Notice of Purchase Withdrawal, which interest is payable pursuant to a Notice of Replacement Withdrawal, directly to the Paying Agent at Wilmington Trust Company, Wilmington, Delaware, ABA# ###, Corporate Trust, Account No. ###, Reference: American Airlines 2017-2AA EETC, or to such other account as the Paying Agent may direct from time to time in writing to the Depository and the Escrow Agent, (ii) in the

case of any withdrawal of one or more Deposits pursuant to a Notice of Purchase Withdrawal, directly to or as directed by the Pass Through Trustee as specified and in the manner provided in such Notice of Purchase Withdrawal and (iii) the case of any withdrawal of one or more Deposits then held by the Depository together with accrued and unpaid interest on such Deposits pursuant to a Notice of Replacement Withdrawal, as directed by the Pass Through Trustee as specified and in the manner provided in such Notice of Replacement Withdrawal. The Depository hereby waives any and all rights of set-off, combination of accounts, right of retention or similar right (whether arising under applicable law, contract or otherwise) it may have against the Deposits howsoever arising. To the extent permitted by applicable law and except as expressly provided below, all payments on or in respect of each Deposit shall be made free and clear of and without reduction for or on account of any and all taxes, levies or other impositions or charges (collectively, "Taxes"). However, if the Depository shall be required by law (or if the Paying Agent shall have notified the Depository that, pursuant to Section 2.04 of the Escrow and Paying Agent Agreement, the Paying Agent is required by law) to deduct or withhold any Taxes from or in respect of any sum payable hereunder (provided that such written notice shall specify the required deductions and withholdings and direct the Depository to give effect to such notice), the Depository shall (i) make, or cause to be made, such deductions or withholding and (ii) timely pay, or cause to be paid, to the appropriate authority the full amount deducted or withheld and timely file all reports and returns relating to such deductions or withholdings and payment thereof in accordance with applicable law. If the date on which any payment due on any Deposit would otherwise fall on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day, and no additional interest shall accrue in respect of such extension.

SECTION 5. Representation and Warranties. The Depository hereby represents and warrants to American, the Escrow Agent, the Pass Through Trustee and the Paying Agent that:

(a) it is a national banking association duly organized and validly existing in good standing under the laws of the United States and is duly licensed to conduct banking and trust business in the State of New York;

(b) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement;

(c) the execution, delivery and performance of this Agreement by it have been duly authorized by all necessary corporate action on the part of it and do not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and this Agreement has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof;

(d) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body is required for the execution, delivery or performance by it of this Agreement;

(e) neither the execution, delivery or performance by it of this Agreement, nor compliance with the terms and provisions hereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or of any indenture, mortgage or contract or other material agreement or instrument to which it is a party or by which it or any of its properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and

(f) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (i) would adversely affect the ability of it to perform its obligations under this Agreement or (ii) would call into question or challenge the validity of this Agreement or the enforceability hereof in accordance with the terms hereof, nor is it in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement.

SECTION 6. Transfer. No party hereto shall be entitled to assign or otherwise transfer this Agreement (or any interest herein) other than (i) in the case of the Escrow Agent, to a successor escrow agent under, and in accordance with, the Escrow and Paying Agent Agreement, and (ii) in the case of the Depository, to a bank (as defined in the Securities Act of 1933, as amended from time to time, for purposes of Section 3(a)(2) thereof) into which the Depository shall merge or with which the Depository shall be consolidated. Any purported assignment in violation of the immediately preceding sentence shall be void; provided that the Depository may be replaced pursuant and subject to Section 5 of the Note Purchase Agreement. This Agreement shall be binding upon the parties hereto and their respective successors and (in the case of the Escrow Agent) permitted assigns. The Depository agrees to cause any bank into which the Depository shall merge or with which the Depository shall be consolidated to deliver to the Escrow Agent an agreement containing the express assumption by such successor bank as of the effective date of such merger or consolidation, as applicable, of the due and punctual performance and observance of each covenant and condition of this Agreement unless such assumption shall be effective as a matter of law even in the absence of such agreement.

SECTION 7. Amendment, Etc. This Agreement may not be amended, waived or otherwise modified except by an instrument in writing signed by each of the Depository and the Escrow Agent to which the Pass Through Trustee has provided its written consent.

SECTION 8. Notices. Unless otherwise expressly provided herein, any notice or other communication under this Agreement shall be in English and in writing, and given by United States registered or certified mail, return receipt requested, overnight courier service or facsimile or electronic mail, and any such notice shall be effective when received. In the event of any conflict or inconsistency between any provision of this Agreement and a provision in any other document, the provisions of this Agreement shall control.

SECTION 11. Governing Law. This Agreement, and the rights and obligations of the Depository and the Escrow Agent with respect to the Deposits, shall be governed by, and construed in accordance with, the law of the State of New York without regard to conflict of law principals that would result in the application of any law other than the law of the State of New York and subject to the provisions of Regulation D of the Board of Governors of the Federal Reserve System (or any successor), as the same may be modified and supplemented and in effect from time to time, without giving effect to the conflict of laws principles thereof.

Each of the parties hereto, to the extent it may do so under applicable law, hereby (a) irrevocably submits itself to the non-exclusive jurisdiction of the courts of the State of New York sitting in the City of New York and to the non-exclusive jurisdiction of the United States District Court for the Southern District of New York, for the purposes of any suit, action or other proceeding arising out of this Agreement, the subject matter hereof or any of the transactions contemplated hereby brought by any party or parties hereto, or their successors or permitted assigns, (b) waives, and agrees not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that this Agreement or the subject matter

SECTION 13. Waiver of Jury Trial Right. EACH OF THE DEPOSITARY AND THE ESCROW AGENT ACKNOWLEDGES AND ACCEPTS THAT, TO THE EXTENT PERMITTED BY APPLICABLE LAW, IN ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT SUCH PARTY IRREVOCABLY WAIVES ITS RIGHT TO A TRIAL BY JURY.

SECTION 14. Counterparts. This Agreement may be executed in any number of counterparts (and each party shall not be required to execute the same counterpart). Each counterpart of this Agreement including a signature page or pages executed by each of the parties hereto shall be an original counterpart of this Agreement, but all of such counterparts together constitute one instrument. The parties intend that faxed signatures and electronically imaged signatures such as .pdf files shall constitute original signatures and are binding on all parties. The original documents shall be promptly delivered, if requested.

SECTION 15. Tax Matters.

(a) The Escrow Agent has provided the Depositary with its fully executed U.S. Internal Revenue Service (“IRS”) Form W-9, showing a complete exemption from U.S. federal withholding tax and backup withholding, together with any other documentation and information reasonably requested by the Depositary and required to satisfy its tax reporting obligations to the IRS. The Escrow Agent represents that its correct TIN assigned by the IRS, or any other taxing authority, is set forth in the delivered form. Any U.S. federal, state or local income or franchise tax returns required to be filed with respect to the Deposits or any income earned by the Deposits will, to the greatest extent permitted by applicable law, be prepared and filed by the Escrow Agent with the IRS and any other taxing authority as required by law.

(b) The Escrow Agent acknowledges and agrees that the Depositary shall have no responsibility for the preparation and/or filing of any U.S. federal, state or local income, franchise or other tax return with respect to the Deposits or any income earned by the Deposits other than any such responsibility that cannot be assigned to, or assumed by the Escrow Agent under applicable law.

(c) The rights and obligations of the Depositary and the Escrow Agent under this Section 15 shall survive the termination of this Agreement or the resignation or removal of the Depositary or the Escrow Agent, as the case may be.

SECTION 16. Rights of Receipholders. The Depositary acknowledges that, if the Depositary shall fail to pay when due hereunder any interest on the Deposits or to pay when due

hereunder any Final Withdrawal, any Replacement Withdrawal or any Event of Loss Withdrawal, each Receiptholder (as defined below) shall have the right (individually and without the need for any other action of any person, including the Escrow Agent or any other Receiptholder) to claim directly against the Depository, by making a demand to the Depository or by bringing suit to enforce any rights the Escrow Agent may have under this Agreement, in respect of amounts that would have been distributed to such Receiptholder pursuant to the Escrow and Paying Agent Agreement, and that any such claim shall not be subject to defenses that the Depository may have against the Escrow Agent. As used in this Agreement, the term "Receiptholder" shall have the meaning assigned to such term in the Escrow and Paying Agent Agreement.

SECTION 17. Limitation on Damages. In no event shall the Depository be responsible or liable for special, indirect, punitive, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit, whether or not foreseeable) suffered by the Escrow Agent or any of the Receiptholders in connection with this Agreement or the transactions contemplated or any relationships established by this Agreement irrespective of whether the Depository has been advised of the likelihood of such loss or damage and regardless of the form of action.

SECTION 18. Miscellaneous. (a) The Depository shall have only those duties as are specifically and expressly provided herein with respect to it and no other duties shall be implied. The Depository may rely upon and shall not be liable for acting or refraining from acting upon any written notice, document, instruction or request furnished to it hereunder and believed by it to be genuine and to have been signed or presented by the Escrow Agent or the Pass Through Trustee without inquiry and without requiring substantiating evidence of any kind. The Depository shall be under no duty to inquire into or investigate the validity, accuracy or content of any such document, notice, instruction or request. The Depository shall have no duty to solicit any payments, including, without limitation, the Deposits.

(b) The Depository shall be entitled to rely upon any instruction, notice, request or other instrument delivered to it without being required to determine the authenticity or validity thereof, or the truth or accuracy of any information stated therein. The Depository may act in reliance upon any signature believed by it to be genuine and may assume that any person purporting to make any statement or execute any document in connection with the provisions hereof has been duly authorized to do so.

(c) The Depository shall not be liable for any action taken, suffered or omitted to be taken by it in good faith except to the extent that a final adjudication of a court of competent jurisdiction determines that the Depository's gross negligence or willful misconduct was the primary cause of any loss. The Depository may execute any of its powers and perform any of its duties hereunder directly or through attorneys, and shall be liable only for its gross negligence or willful misconduct (as finally adjudicated in a court of competent jurisdiction) in the selection of any such attorney. The Depository may consult with counsel, accountants and other skilled persons to be selected and retained by it. The Depository shall not be liable for any action taken, suffered or omitted to be taken by it in accordance with, or in reliance upon, the advice or opinion of any such counsel, accountants or other skilled persons. In the event that the

Depository shall be uncertain or believe there is some ambiguity as to its duties or rights hereunder or shall receive instructions, claims or demands from any party hereto which, in its opinion, conflict with any of the provisions of this Agreement, it shall be entitled to refrain from taking any action and its sole obligation shall be to keep safely all property held hereunder until it shall be given a direction in writing by the Escrow Agent or the Pass Through Trustee which eliminates such ambiguity or uncertainty to the satisfaction of Depository or by a final and non-appealable order or judgment of a court of competent jurisdiction. Anything in this Agreement to the contrary notwithstanding, in no event shall the Depository be liable for special, incidental, punitive, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Depository has been advised of the likelihood of such loss or damage and regardless of the form of action. In the event of any conflict or inconsistency between any provision in this Agreement and a provision in any other document, the provisions of this Agreement shall control.

(d) If any portion of the Deposit is at any time attached, garnished or levied upon under any court order, or enjoined or stayed by any court order, or in case of any order, judgment or decree shall be made or entered by any court affecting the Deposits or any part thereof, then and in any such event, the Depository is authorized to rely upon and comply with any such order, writ, judgment or decree which it is advised in writing by external legal counsel of national reputation is binding upon it without the need for appeal or other action; and if the Depository complies with such order, writ, judgment or decree, it shall not be liable to the Escrow Agent or any Receiptholder commencing action pursuant to Section 16 even though such order, writ, judgment or decree may be subsequently reversed, modified, annulled, set aside or vacated so long as such order, writ, judgment or decree was not made, issued or entered for any reason that a final adjudication of a court of competent jurisdiction determines was based on the Depository's gross negligence or willful misconduct.

(e) Section 326 of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 ("USA PATRIOT Act") requires the Depository to implement reasonable procedures to verify the identity of any person that opens a new account with it. Accordingly, the Escrow Agent acknowledges that Section 326 of the USA PATRIOT Act and the Depository's identity verification procedures require the Depository to obtain information which may be used to confirm the Escrow Agent's identity including without limitation name, address and organizational documents ("identifying information"). The Escrow Agent agrees to provide the Depository with and consent to the Depository obtaining from third parties any such identifying information required as a condition of opening an account with or using any service provided by the Depository.

(f) No party to this Agreement is liable to any other party for losses due to, or if it is unable to perform its obligations under the terms of this Agreement because of, acts of God, fire, war, terrorism, floods, strikes, electrical outages, equipment or transmission failure, unavailability of wire services or other causes reasonably beyond its control. If any provision of this Agreement is determined to be prohibited or unenforceable by reason of any applicable law of a jurisdiction, then such provision shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions thereof, and

any such prohibition or unenforceability in such jurisdiction shall not invalidate or render unenforceable such provisions in any other jurisdiction.

SECTION 19. Security Procedures. With respect to all funds transfer instructions that are given pursuant to this Agreement (other than in writing at the time of execution of this Agreement), whether in writing, by electronic mail with a scanned attachment thereto or otherwise, the Depositary is authorized to seek confirmation of such instructions by telephone call-back to the person or persons designated on Schedule II hereto ("Schedule II"), and the Depositary may rely upon the confirmation of anyone purporting to be the person or persons so designated. Each funds transfer instruction shall be executed by an authorized signatory, a list of such authorized signatories is set forth on the Escrow Agent's Incumbency Certificate. The persons listed on such Incumbency Certificate have been duly appointed to act as authorized signatories of the Escrow Agent hereunder and individually have full power and authority to execute and deliver any notices or instructions, to amend, modify or waive any provisions of this Agreement, and to take any and all other actions permitted under this Agreement (the "Authorized Persons"). Any change in designation of Authorized Persons shall be provided by written notice, signed by an Authorized Person, and actually received and acknowledged by the Depositary. Any communication from the Depositary that the Depositary deems to contain confidential, proprietary, and/or sensitive information shall be encrypted in accordance with the Depositary's internal procedures. The Depositary and the beneficiary's bank in any funds transfer may rely solely upon any account numbers or similar identifying numbers provided by the Escrow Agent to identify (a) the beneficiary, (b) the beneficiary's bank, or (c) an intermediary bank. The Depositary may apply any of the funds for any payment order it executes using any such identifying number, even when its use may result in a person other than the beneficiary being paid, or the transfer of funds to a bank other than the beneficiary's bank or an intermediary bank designated. The Escrow Agent acknowledges that these security procedures are commercially reasonable.

SECTION 1. Acceptance of Depository; Establishment of Accounts.

Section 1.1. Appointment of Depository; Location of Accounts. The Escrow Agent hereby appoints the Depository, effective as of the date hereof, to have all the rights, powers and duties set forth herein on the part of the Depository. The Accounts will be domiciled in the office of the Depository located at 1251 Avenue of the Americas, New York, New York 10020, or at such address within the United States as the Depository may designate from time to time by written notice to the Escrow Agent, the Pass Through Trustee and American.

Section 1.2. Acceptance of Depository. The Depository hereby agrees to act as depository bank as provided herein and in connection therewith to accept all amounts to be delivered to or held by the Depository pursuant to the terms of this Agreement. The Depository further agrees to hold, maintain and safeguard the Deposits and the Accounts (as defined below) during the term of this Agreement in accordance with the provisions of this Agreement. The Escrow Agent shall not have any right to withdraw, assign or otherwise transfer moneys held in the Accounts except as permitted by this Agreement.

Section 1.3. Establishment of Accounts. The Escrow Agent hereby instructs the Depository, and the Depository agrees, to establish the separate deposit accounts listed on Schedule I hereto and to establish such additional separate deposit accounts as may be required in connection with the deposits contemplated by Section 2.4 hereof (each, an “Account” and

collectively, the “Accounts”), each in the name of the Escrow Agent and all on the terms and conditions set forth in this Agreement. The Depository shall establish and maintain all Accounts at a branch of the Depository located in the United States.

SECTION 2. Deposit Mechanics.

Section 2.1. Deposits. (a) The Escrow Agent shall direct the Underwriters to deposit the sum of \$252,254,000 (the “Initial Deposit Amount”) on the date of this Agreement (the “Deposit Date”) with the Depository in trust for the benefit of the Escrow Agent in immediately available funds by wire transfer to: Federal Reserve Bank of New York, ABA No. ### for the account of Natixis New York, Account Number: ###, Attention: Natixis Treasury, Reference: American Airlines 2017-2 Initial Deposit A/C. The Depository shall accept from the Underwriters, for the benefit of the Escrow Agent such Initial Deposit Amount.

(b) Upon receipt of the Initial Deposit Amount, the Depository shall credit to the relevant Accounts, from the proceeds of the Initial Deposit Amount, deposits in the amounts specified on Schedule I hereto maturing in accordance with this Agreement on the Outside Termination Date. Each deposit described in the preceding sentence and each re-deposit described in Section 2.4 hereof, is individually, a “Deposit” and, collectively, the “Deposits”). No amount shall be deposited in any Account other than the related Deposit.

Section 2.2. Interest. Each Deposit shall bear interest from and including the date of deposit to but excluding the date of withdrawal (it being understood that the date of withdrawal in the case of any payment by the Depository of the amount of the Final Withdrawal (as defined below) on the Outside Termination Date (as defined below) shall be deemed to be the date of such payment) at the rate of 3.60% per annum (computed on the basis of a 360-day year of twelve 30-day months) payable by the Depository to the Paying Agent on behalf of the Escrow Agent in arrears on each Interest Payment Date (as defined below), on the date of any Final Withdrawal, on the date of any Replacement Withdrawal (as defined below) or on the date of any Event of Loss Withdrawal (as defined below), as applicable, all in accordance with the terms of this Agreement. As used in this Agreement, the term “Interest Payment Date”, with respect to each Deposit that, as of any date of determination, has not been withdrawn pursuant to a Final Withdrawal, a Replacement Withdrawal or an Event of Loss Withdrawal, shall mean each of April 15 and October 15, commencing on April 15, 2018 and ending on the earlier of April 15 and October 15 immediately following the date on which such Deposit is withdrawn pursuant to a Notice of Purchase Withdrawal (as defined below); *provided* that interest accrued on any Deposit that is withdrawn pursuant to a Notice of Purchase Withdrawal shall be paid on the next Interest Payment Date following the related Purchase Withdrawal, notwithstanding any intervening Final Withdrawal or Event of Loss Withdrawal with respect to any other Deposit and notwithstanding the fact that the relevant Account may have been closed before such Interest Payment Date, but, if any intervening Replacement Withdrawal occurs before such next Interest Payment Date, such accrued interest shall, instead, be paid on the date of such Replacement Withdrawal. All interest paid pursuant to this Agreement shall be non-compounding.

Section 2.3. Withdrawals.

(a) Purchase Withdrawal. The Escrow Agent may, by providing at least three Business Days' prior notice of withdrawal to the Depository (or such shorter period as agreed by the Depository) in the form of Exhibit A hereto (a "Notice of Purchase Withdrawal"), withdraw the entire balance of such Deposit (but not any accrued and unpaid interest thereon) (with respect to any Deposit, such withdrawal, the "Purchase Withdrawal"), except that at any time prior to the actual withdrawal of such Deposit, the Escrow Agent or the Pass Through Trustee may, by notice to the Depository, which notice has been actually received by the Depository prior to such actual withdrawal, cancel such withdrawal (including on the scheduled date therefor), and thereafter such Deposit shall continue to be maintained by the Depository in accordance with the original terms thereof. Following the Purchase Withdrawal of any Deposit, the balance in the related Account shall be reduced to zero and the Depository shall close such Account. As used in this Agreement, "Business Day" shall mean any day, other than a Saturday, Sunday or other day on which commercial banks are authorized or required by law to close in New York, New York, Fort Worth, Texas or Wilmington, Delaware.

(b) Final Withdrawal; Replacement Withdrawal; Event of Loss Withdrawal.

(i) The Escrow Agent may, by providing at least 15 days' prior notice of withdrawal to the Depository in the form of Exhibit B hereto (a "Notice of Final Withdrawal"), withdraw (x) the entire amount of all of the remaining Deposits together with (y) all accrued and unpaid interest on such Deposits to but excluding the specified date of such withdrawal (such withdrawal of the amounts set forth in the immediately preceding clauses (x) and (y), the "Final Withdrawal"), on such date as shall be specified in such Notice of Final Withdrawal. If a Notice of Final Withdrawal has not been given to the Depository on or before the Outside Termination Date (as defined below) and there are unwithdrawn Deposits on such date, the Depository shall pay the amount of the Final Withdrawal to the Paying Agent on the Outside Termination Date. Following the Final Withdrawal of any Deposit, the balance in the related Account shall be reduced to zero and the Depository shall close such Account. As used in this Agreement, the term "Outside Termination Date" shall mean June 15, 2018 (provided that, if a labor strike occurs or continues at The Boeing Company ("Boeing") after the Issuance Date and on or prior to June 15, 2018, such date shall be extended by adding thereto the number of days that such strike continued in effect after the Issuance Date, but not more than 60 days and excluding any period of a strike at Boeing after all aircraft of Boeing shall have been financed hereunder).

(ii) The Escrow Agent may, by providing at least five Business Days' prior notice of withdrawal to the Depository in the form of Exhibit C hereto (a "Notice of Replacement Withdrawal"), withdraw (x) with respect to all Deposits then held by the Depository, (1) the entire amount of such Deposits together with (2) all accrued and unpaid interest on such Deposits to but excluding the specified date of such Replacement Withdrawal (as defined below) and (y) with respect to all Deposits, if any, previously withdrawn pursuant to a Notice of Purchase Withdrawal, all accrued and unpaid interest on such Deposits to but excluding the date of the applicable Purchase Withdrawal (such withdrawal of the amounts set forth in the immediately preceding clauses (x) and (y), the "Replacement Withdrawal"), on such date as shall be specified in such Notice of Replacement Withdrawal.

(iii) The Escrow Agent may, by providing at least 15 days' prior notice of withdrawal to the Depository in the form of Exhibit D hereto (a "Notice of Event of Loss Withdrawal"), withdraw (x) the entire balance of such Deposit together with (y) all accrued and unpaid interest on such Deposit to but excluding the specified date of such withdrawal (with respect to any Deposit, such withdrawal of the amounts set forth in the immediately preceding clauses (x) and (y), the "Event of Loss Withdrawal"), on such date as shall be specified in such Notice of Event of Loss Withdrawal. Following such Event of Loss Withdrawal, the balance in the related Account shall be reduced to zero and the Depository shall close such Account.

(c) Compliance with Withdrawal Notices. If the Depository receives a duly completed Notice of Purchase Withdrawal, Notice of Final Withdrawal, Notice of Replacement Withdrawal or Notice of Event of Loss Withdrawal (each, a "Withdrawal Notice") complying with the provisions of this Agreement, it shall make the payments specified therein in accordance with the provisions of this Agreement. Notwithstanding anything to the contrary contained in this Agreement, in no event shall the Depository be required, pursuant to any Withdrawal Notice or otherwise, to make payments hereunder on or in respect of any Deposit in excess of the amount of such Deposit together with accrued interest thereon as provided in this Agreement.

Section 2.4. Other Accounts. On the date of withdrawal of any Deposit (other than the date of any Final Withdrawal, Replacement Withdrawal or Event of Loss Withdrawal), the Escrow Agent, or the Pass Through Trustee on behalf of the Escrow Agent, shall re-deposit with the Depository any portion thereof not used to acquire Equipment Notes and the Depository shall accept the same for deposit hereunder. Any sums so received for deposit shall constitute a Deposit credited to the Account from which they were withdrawn, and thereafter the provisions of this Agreement shall apply thereto as fully and with the same force and effect as if such Deposit had been established on the Deposit Date. The Depository shall promptly give notice to the Escrow Agent of receipt of each such re-deposit.

SECTION 3. Termination. This Agreement shall terminate on the fifth Business Day after the later of the date on which (i) all of the Deposits shall have been withdrawn and paid as provided herein without any re-deposit and (ii) all accrued and unpaid interest on the Deposits shall have been paid as provided herein, but in no event prior to the date on which the Depository shall have performed in full its obligations hereunder.

SECTION 4. Payments. All payments made by the Depository hereunder shall be paid in United States Dollars and immediately available funds by wire transfer (i) in the cases of (w) accrued and unpaid interest on the Deposits payable under Section 2.2 hereof, (x) any Final Withdrawal, (y) any Event of Loss Withdrawal or (z) accrued and unpaid interest on all Deposits, if any, previously withdrawn pursuant to a Notice of Purchase Withdrawal, which interest is payable pursuant to a Notice of Replacement Withdrawal, directly to the Paying Agent at Wilmington Trust Company, Wilmington, Delaware, ABA# ###, Corporate Trust, Account No. ###, Reference: American Airlines 2017-2A EETC, or to such other account as the Paying Agent may direct from time to time in writing to the Depository and the Escrow Agent, (ii) in the case of any withdrawal of one or more Deposits pursuant to a Notice of Purchase Withdrawal, directly to or as directed by the Pass Through Trustee as specified and in the manner provided in such Notice of Purchase Withdrawal and (iii) the case of any withdrawal of one or more Deposits

then held by the Depository together with accrued and unpaid interest on such Deposits pursuant to a Notice of Replacement Withdrawal, as directed by the Pass Through Trustee as specified and in the manner provided in such Notice of Replacement Withdrawal. The Depository hereby waives any and all rights of set-off, combination of accounts, right of retention or similar right (whether arising under applicable law, contract or otherwise) it may have against the Deposits howsoever arising. To the extent permitted by applicable law and except as expressly provided below, all payments on or in respect of each Deposit shall be made free and clear of and without reduction for or on account of any and all taxes, levies or other impositions or charges (collectively, "Taxes"). However, if the Depository shall be required by law (or if the Paying Agent shall have notified the Depository that, pursuant to Section 2.04 of the Escrow and Paying Agent Agreement, the Paying Agent is required by law) to deduct or withhold any Taxes from or in respect of any sum payable hereunder (provided that such written notice shall specify the required deductions and withholdings and direct the Depository to give effect to such notice), the Depository shall (i) make, or cause to be made, such deductions or withholding and (ii) timely pay, or cause to be paid, to the appropriate authority the full amount deducted or withheld and timely file all reports and returns relating to such deductions or withholdings and payment thereof in accordance with applicable law. If the date on which any payment due on any Deposit would otherwise fall on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day, and no additional interest shall accrue in respect of such extension.

SECTION 5. Representation and Warranties. The Depository hereby represents and warrants to American, the Escrow Agent, the Pass Through Trustee and the Paying Agent that:

- (a) it is a national banking association duly organized and validly existing in good standing under the laws of the United States and is duly licensed to conduct banking and trust business in the State of New York;
- (b) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement;
- (c) the execution, delivery and performance of this Agreement by it have been duly authorized by all necessary corporate action on the part of it and do not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and this Agreement has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof;
- (d) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body is required for the execution, delivery or performance by it of this Agreement;
- (e) neither the execution, delivery or performance by it of this Agreement, nor compliance with the terms and provisions hereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation or the charter documents, as

amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or of any indenture, mortgage or contract or other material agreement or instrument to which it is a party or by which it or any of its properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and

(f) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (i) would adversely affect the ability of it to perform its obligations under this Agreement or (ii) would call into question or challenge the validity of this Agreement or the enforceability hereof in accordance with the terms hereof, nor is it in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement.

SECTION 6. Transfer. No party hereto shall be entitled to assign or otherwise transfer this Agreement (or any interest herein) other than (i) in the case of the Escrow Agent, to a successor escrow agent under, and in accordance with, the Escrow and Paying Agent Agreement, and (ii) in the case of the Depository, to a bank (as defined in the Securities Act of 1933, as amended from time to time, for purposes of Section 3(a)(2) thereof) into which the Depository shall merge or with which the Depository shall be consolidated. Any purported assignment in violation of the immediately preceding sentence shall be void; provided that the Depository may be replaced pursuant and subject to Section 5 of the Note Purchase Agreement. This Agreement shall be binding upon the parties hereto and their respective successors and (in the case of the Escrow Agent) permitted assigns. The Depository agrees to cause any bank into which the Depository shall merge or with which the Depository shall be consolidated to deliver to the Escrow Agent an agreement containing the express assumption by such successor bank as of the effective date of such merger or consolidation, as applicable, of the due and punctual performance and observance of each covenant and condition of this Agreement unless such assumption shall be effective as a matter of law even in the absence of such agreement.

SECTION 7. Amendment, Etc. This Agreement may not be amended, waived or otherwise modified except by an instrument in writing signed by each of the Depository and the Escrow Agent to which the Pass Through Trustee has provided its written consent.

SECTION 8. Notices. Unless otherwise expressly provided herein, any notice or other communication under this Agreement shall be in English and in writing, and given by United States registered or certified mail, return receipt requested, overnight courier service or facsimile or electronic mail, and any such notice shall be effective when received. All notices shall be sent to (x) in the case of the Depository, Natixis S.A., acting through its New York Branch, as depository, 1251 Avenue of the Americas, New York, New York 10020, Attention: ###, Reference: American Airlines 2017-2 EETC, Facsimile: ###, or (y) in the case of the Escrow Agent, Wilmington Trust, National Association, 1100 North Market Street, Wilmington, Delaware 19890, Reference: American Airlines 2017-2A EETC, Attention: ### (Telephone: ###; Telecopier: ###), in each case, with a copy to the Pass Through Trustee, Wilmington Trust

On or prior to the execution of this Agreement, the Escrow Agent has delivered to the Depository a certificate containing specimen signatures of the representatives of the Escrow Agent who are authorized to give notices and instructions with respect to this Agreement. The Depository may conclusively rely on such certificate until the Depository receives written notice from the Escrow Agent to the contrary.

SECTION 9. Obligations Unconditional. The Depository hereby acknowledges and agrees that its obligation to repay each Deposit together with interest thereon as provided herein is absolute, irrevocable and unconditional and constitutes a full recourse obligation of the Depository enforceable against it to the full extent of all of its assets and properties.

SECTION 10. Entire Agreement; Conflicts. This Agreement (including all attachments hereto) sets forth all of the promises, covenants, agreements, conditions and understandings between the Depository and the Escrow Agent with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements and undertakings, inducements or conditions, express or implied, oral or written. In the event of any conflict or inconsistency between any provision of this Agreement and a provision in any other document, the provisions of this Agreement shall control.

SECTION 11. Governing Law. This Agreement, and the rights and obligations of the Depository and the Escrow Agent with respect to the Deposits, shall be governed by, and construed in accordance with, the law of the State of New York without regard to conflict of law principals that would result in the application of any law other than the law of the State of New York and subject to the provisions of Regulation D of the Board of Governors of the Federal Reserve System (or any successor), as the same may be modified and supplemented and in effect from time to time, without giving effect to the conflict of laws principles thereof.

SECTION 12. Submission to Non-Exclusive Jurisdiction in New York. Each of the parties hereto, to the extent it may do so under applicable law, hereby (a) irrevocably submits itself to the non-exclusive jurisdiction of the courts of the State of New York sitting in the City of New York and to the non-exclusive jurisdiction of the United States District Court for the Southern District of New York, for the purposes of any suit, action or other proceeding arising out of this Agreement, the subject matter hereof or any of the transactions contemplated hereby brought by any party or parties hereto, or their successors or permitted assigns, (b) waives, and agrees not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that this Agreement or the subject matter hereof or any of the transactions contemplated hereby may not be enforced in or by such courts, (c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to each party hereto at its address set forth in Section 8 hereof, or at such other address

of which the other parties shall have been notified pursuant thereto; and (d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

SECTION 13. Waiver of Jury Trial Right. EACH OF THE DEPOSITARY AND THE ESCROW AGENT ACKNOWLEDGES AND ACCEPTS THAT, TO THE EXTENT PERMITTED BY APPLICABLE LAW, IN ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT SUCH PARTY IRREVOCABLY WAIVES ITS RIGHT TO A TRIAL BY JURY.

SECTION 14. Counterparts. This Agreement may be executed in any number of counterparts (and each party shall not be required to execute the same counterpart). Each counterpart of this Agreement including a signature page or pages executed by each of the parties hereto shall be an original counterpart of this Agreement, but all of such counterparts together constitute one instrument. The parties intend that faxed signatures and electronically imaged signatures such as .pdf files shall constitute original signatures and are binding on all parties. The original documents shall be promptly delivered, if requested.

SECTION 15. Tax Matters.

(a) The Escrow Agent has provided the Depositary with its fully executed U.S. Internal Revenue Service (“IRS”) Form W-9, showing a complete exemption from U.S. federal withholding tax and backup withholding, together with any other documentation and information reasonably requested by the Depositary and required to satisfy its tax reporting obligations to the IRS. The Escrow Agent represents that its correct TIN assigned by the IRS, or any other taxing authority, is set forth in the delivered form. Any U.S. federal, state or local income or franchise tax returns required to be filed with respect to the Deposits or any income earned by the Deposits will, to the greatest extent permitted by applicable law, be prepared and filed by the Escrow Agent with the IRS and any other taxing authority as required by law.

(b) The Escrow Agent acknowledges and agrees that the Depositary shall have no responsibility for the preparation and/or filing of any U.S. federal, state or local income, franchise or other tax return with respect to the Deposits or any income earned by the Deposits other than any such responsibility that cannot be assigned to, or assumed by the Escrow Agent under applicable law.

(c) The rights and obligations of the Depositary and the Escrow Agent under this Section 15 shall survive the termination of this Agreement or the resignation or removal of the Depositary or the Escrow Agent, as the case may be.

SECTION 16. Rights of Receiptholders. The Depositary acknowledges that, if the Depositary shall fail to pay when due hereunder any interest on the Deposits or to pay when due hereunder any Final Withdrawal, any Replacement Withdrawal or any Event of Loss Withdrawal, each Receiptholder (as defined below) shall have the right (individually and without the need for any other action of any person, including the Escrow Agent or any other Receiptholder) to claim directly against the Depositary, by making a demand to the Depositary

or by bringing suit to enforce any rights the Escrow Agent may have under this Agreement, in respect of amounts that would have been distributed to such Receiptholder pursuant to the Escrow and Paying Agent Agreement, and that any such claim shall not be subject to defenses that the Depository may have against the Escrow Agent. As used in this Agreement, the term "Receiptholder" shall have the meaning assigned to such term in the Escrow and Paying Agent Agreement.

SECTION 17. Limitation on Damages. In no event shall the Depository be responsible or liable for special, indirect, punitive, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit, whether or not foreseeable) suffered by the Escrow Agent or any of the Receiptholders in connection with this Agreement or the transactions contemplated or any relationships established by this Agreement irrespective of whether the Depository has been advised of the likelihood of such loss or damage and regardless of the form of action.

SECTION 18. Miscellaneous. (a) The Depository shall have only those duties as are specifically and expressly provided herein with respect to it and no other duties shall be implied. The Depository may rely upon and shall not be liable for acting or refraining from acting upon any written notice, document, instruction or request furnished to it hereunder and believed by it to be genuine and to have been signed or presented by the Escrow Agent or the Pass Through Trustee without inquiry and without requiring substantiating evidence of any kind. The Depository shall be under no duty to inquire into or investigate the validity, accuracy or content of any such document, notice, instruction or request. The Depository shall have no duty to solicit any payments, including, without limitation, the Deposits.

(b) The Depository shall be entitled to rely upon any instruction, notice, request or other instrument delivered to it without being required to determine the authenticity or validity thereof, or the truth or accuracy of any information stated therein. The Depository may act in reliance upon any signature believed by it to be genuine and may assume that any person purporting to make any statement or execute any document in connection with the provisions hereof has been duly authorized to do so.

(c) The Depository shall not be liable for any action taken, suffered or omitted to be taken by it in good faith except to the extent that a final adjudication of a court of competent jurisdiction determines that the Depository's gross negligence or willful misconduct was the primary cause of any loss. The Depository may execute any of its powers and perform any of its duties hereunder directly or through attorneys, and shall be liable only for its gross negligence or willful misconduct (as finally adjudicated in a court of competent jurisdiction) in the selection of any such attorney. The Depository may consult with counsel, accountants and other skilled persons to be selected and retained by it. The Depository shall not be liable for any action taken, suffered or omitted to be taken by it in accordance with, or in reliance upon, the advice or opinion of any such counsel, accountants or other skilled persons. In the event that the Depository shall be uncertain or believe there is some ambiguity as to its duties or rights hereunder or shall receive instructions, claims or demands from any party hereto which, in its opinion, conflict with any of the provisions of this Agreement, it shall be entitled to refrain from taking any action and its sole obligation shall be to keep safely all property held hereunder until

it shall be given a direction in writing by the Escrow Agent or the Pass Through Trustee which eliminates such ambiguity or uncertainty to the satisfaction of Depository or by a final and non-appealable order or judgment of a court of competent jurisdiction. Anything in this Agreement to the contrary notwithstanding, in no event shall the Depository be liable for special, incidental, punitive, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Depository has been advised of the likelihood of such loss or damage and regardless of the form of action. In the event of any conflict or inconsistency between any provision in this Agreement and a provision in any other document, the provisions of this Agreement shall control.

(d) If any portion of the Deposit is at any time attached, garnished or levied upon under any court order, or enjoined or stayed by any court order, or in case of any order, judgment or decree shall be made or entered by any court affecting the Deposits or any part thereof, then and in any such event, the Depository is authorized to rely upon and comply with any such order, writ, judgment or decree which it is advised in writing by external legal counsel of national reputation is binding upon it without the need for appeal or other action; and if the Depository complies with such order, writ, judgment or decree, it shall not be liable to the Escrow Agent or any Receiptholder commencing action pursuant to Section 16 even though such order, writ, judgment or decree may be subsequently reversed, modified, annulled, set aside or vacated so long as such order, writ, judgment or decree was not made, issued or entered for any reason that a final adjudication of a court of competent jurisdiction determines was based on the Depository's gross negligence or willful misconduct.

(e) Section 326 of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 ("USA PATRIOT Act") requires the Depository to implement reasonable procedures to verify the identity of any person that opens a new account with it. Accordingly, the Escrow Agent acknowledges that Section 326 of the USA PATRIOT Act and the Depository's identity verification procedures require the Depository to obtain information which may be used to confirm the Escrow Agent's identity including without limitation name, address and organizational documents ("identifying information"). The Escrow Agent agrees to provide the Depository with and consent to the Depository obtaining from third parties any such identifying information required as a condition of opening an account with or using any service provided by the Depository.

(f) No party to this Agreement is liable to any other party for losses due to, or if it is unable to perform its obligations under the terms of this Agreement because of, acts of God, fire, war, terrorism, floods, strikes, electrical outages, equipment or transmission failure, unavailability of wire services or other causes reasonably beyond its control. If any provision of this Agreement is determined to be prohibited or unenforceable by reason of any applicable law of a jurisdiction, then such provision shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions thereof, and any such prohibition or unenforceability in such jurisdiction shall not invalidate or render unenforceable such provisions in any other jurisdiction.

SECTION 19. Security Procedures. With respect to all funds transfer instructions that are given pursuant to this Agreement (other than in writing at the time of execution of this

Agreement), whether in writing, by electronic mail with a scanned attachment thereto or otherwise, the Depositary is authorized to seek confirmation of such instructions by telephone call-back to the person or persons designated on Schedule II hereto ("Schedule II"), and the Depositary may rely upon the confirmation of anyone purporting to be the person or persons so designated. Each funds transfer instruction shall be executed by an authorized signatory, a list of such authorized signatories is set forth on the Escrow Agent's Incumbency Certificate. The persons listed on such Incumbency Certificate have been duly appointed to act as authorized signatories of the Escrow Agent hereunder and individually have full power and authority to execute and deliver any notices or instructions, to amend, modify or waive any provisions of this Agreement, and to take any and all other actions permitted under this Agreement (the "Authorized Persons"). Any change in designation of Authorized Persons shall be provided by written notice, signed by an Authorized Person, and actually received and acknowledged by the Depositary. Any communication from the Depositary that the Depositary deems to contain confidential, proprietary, and/or sensitive information shall be encrypted in accordance with the Depositary's internal procedures. The Depositary and the beneficiary's bank in any funds transfer may rely solely upon any account numbers or similar identifying numbers provided by the Escrow Agent to identify (a) the beneficiary, (b) the beneficiary's bank, or (c) an intermediary bank. The Depositary may apply any of the funds for any payment order it executes using any such identifying number, even when its use may result in a person other than the beneficiary being paid, or the transfer of funds to a bank other than the beneficiary's bank or an intermediary bank designated. The Escrow Agent acknowledges that these security procedures are commercially reasonable.

W I T N E S S E T H:

WHEREAS, American Airlines, Inc. ("American") and the Pass Through Trustee have entered into a Trust Supplement No. 2017-2AA, dated as of August 14, 2017 (the "Trust Supplement"), to the Pass Through Trust Agreement, dated as of September 16, 2014 (together, as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Pass Through Trust Agreement"), relating to American Airlines Pass Through Trust 2017-2AA (the "Pass Through Trust") pursuant to which the American Airlines Pass Through Trust, Series 2017-2AA Certificates referred to therein (the "Certificates") are being issued (the date of such issuance, the "Issuance Date");

WHEREAS, American and GS, CS and DBSI, acting individually and as representatives of the Underwriters, have entered into an Underwriting Agreement, dated as of July 31, 2017 (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Underwriting Agreement"), pursuant to which the Pass Through Trustee will issue and sell the Certificates to the Underwriters;

WHEREAS, American, the Pass Through Trustee and certain other persons concurrently herewith are entering into the Note Purchase Agreement, dated as of the date hereof (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Note Purchase Agreement"), pursuant to which the Pass Through Trustee has agreed to acquire from time to time on or prior to the Delivery Period Termination Date (as defined in the Note Purchase Agreement) equipment notes (the

Escrow and Paying Agent Agreement (Class AA)
(American Airlines 2017-2 Aircraft EETC)

“Equipment Notes”) issued either in respect of aircraft owned by American or to finance the acquisition of certain aircraft by American, as owner, utilizing a portion of the proceeds from the sale of the Certificates (the “Net Proceeds”);

WHEREAS, the Underwriters and the Pass Through Trustee intend that the Net Proceeds be held in escrow by the Escrow Agent on behalf of the Investors, subject to withdrawal upon request by the Pass Through Trustee and satisfaction of the conditions set forth in the Note Purchase Agreement for the purpose of purchasing Equipment Notes, and that pending such withdrawal the Net Proceeds be deposited on behalf of the Escrow Agent with Natixis S.A., acting through its New York Branch, as Depositary (the “Depositary”, which shall also be deemed to refer to any Replacement Depositary (as defined in the Note Purchase Agreement) from and after the date on which the Deposits are transferred to such Replacement Depositary) under the Deposit Agreement (Class AA), dated as of the date hereof, between the Depositary and the Escrow Agent relating to the Pass Through Trust (as amended, modified, supplemented or replaced from time to time in accordance with the terms thereof, the “Deposit Agreement”, which shall also be deemed to refer to any Replacement Deposit Agreement (as defined in the Note Purchase Agreement) to which the Escrow Agent becomes a party pursuant to Section 1.02(a) hereof from and after the transfer of the Deposits from the Depositary to the Replacement Depositary) pursuant to which, among other things, the Depositary will pay interest for distribution to the Investors and establish accounts from which the Escrow Agent shall make withdrawals upon request of and proper certification by the Pass Through Trustee;

WHEREAS, the Escrow Agent wishes to appoint the Paying Agent to pay amounts required to be distributed to the Investors in accordance with this Agreement; and

WHEREAS, capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Pass Through Trust Agreement.

NOW, THEREFORE, in consideration of the obligations contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

SECTION 1. Escrow Agent.

Section 1.01. Appointment of Escrow Agent. Each of the Underwriters, for and on behalf of each of the Investors, hereby irrevocably appoints, authorizes and directs the Escrow Agent to act as escrow agent hereunder and under the Deposit Agreement for such specific purposes and with such powers as are specifically delegated to the Escrow Agent by the terms of this Agreement, together with such other powers as are reasonably incidental thereto. Any and all money received and held by the Escrow Agent under this Agreement or the Deposit Agreement shall be held in escrow by the Escrow Agent in accordance with the terms of this Agreement. This Agreement is irrevocable and the

Investors' and the Pass Through Trustee's rights with respect to any monies received and held in escrow by the Escrow Agent under this Agreement or the Deposit Agreement shall only be as provided under the terms and conditions of this Agreement and the Deposit Agreement. The Escrow Agent (which term as used in this sentence shall include reference to its affiliates and its own and its affiliates' officers, directors, employees and agents): (a) shall have no duties or responsibilities except those expressly set forth in this Agreement; (b) shall not be responsible for any recitals, statements, representations or warranties of any person other than itself contained in this Agreement or the Deposit Agreement or for the failure by the Pass Through Trustee, the Investors or any other person or entity (other than the Escrow Agent) to perform any of its obligations hereunder (whether or not the Escrow Agent shall have any knowledge thereof); (c) may consult with legal counsel in connection with its duties hereunder and under the Deposit Agreement and shall be fully protected if any action taken, suffered or permitted by it in good faith in accordance with the advice of counsel selected by it with due care; (d) shall not be responsible for any action taken or omitted to be taken by it hereunder or provided for herein or in connection herewith, except for its own willful misconduct or gross negligence (or simple negligence in connection with the handling of funds); and (e) shall in no event be liable for punitive, incidental or consequential damages.

Section 1.02. Instruction; Etc. The Underwriters, for and on behalf of each of the Investors, hereby irrevocably instruct the Escrow Agent, and the Escrow Agent agrees:

(a) to enter into the Deposit Agreement, and, if applicable, in accordance with Section 5 of the Note Purchase Agreement, to enter into a Replacement Deposit Agreement with the Replacement Depository;

(b) to appoint the Paying Agent as provided in this Agreement;

(c) upon receipt at any time and from time to time prior to the Termination Date (as defined below) of a certificate substantially in the form of Exhibit B hereto (a "Withdrawal Certificate") executed by the Pass Through Trustee, together with an attached Notice of Purchase Withdrawal in substantially the form of Exhibit A to the Deposit Agreement duly completed by the Pass Through Trustee (the "Applicable Notice of Purchase Withdrawal" and the withdrawal to which it relates, a "Purchase Withdrawal"), immediately to execute the Applicable Notice of Purchase Withdrawal as Escrow Agent and transmit it to the Depository by facsimile transmission in accordance with the Deposit Agreement; *provided that*, upon the request of the Pass Through Trustee after such transmission, the Escrow Agent shall cancel such Applicable Notice of Purchase Withdrawal;

(d) upon receipt of a Withdrawal Certificate executed by the Pass Through Trustee, together with an attached Notice of Replacement Withdrawal (as such

term is defined in the Deposit Agreement) in substantially the form of Exhibit C to the Deposit Agreement duly completed by the Pass Through Trustee, to:

(X) immediately execute such Notice of Replacement Withdrawal as Escrow Agent and transmit it to the Depository by facsimile transmission in accordance with the Deposit Agreement requesting a withdrawal, on the date specified in such notice, which shall not be less than five Business Days after such notice is given (the "Replacement Withdrawal Date"), of (x) with respect to all Deposits then held by the Depository, (1) the entire amount of such Deposits together with (2) all accrued and unpaid interest on such Deposits to but excluding the Replacement Withdrawal Date and (y) with respect to all Deposits, if any, previously withdrawn pursuant to the Applicable Notices of Purchase Withdrawal, all accrued and unpaid interest on such Deposits to but excluding the date of the applicable Purchase Withdrawal (such withdrawal of the amounts in the immediately preceding clauses (x) and (y), a "Replacement Withdrawal"); and

(Y) direct the Depository to transfer (i) the amounts requested to be withdrawn pursuant to clause (x) of the immediately preceding paragraph, to the Replacement Depository in accordance with the Replacement Deposit Agreement and (ii) the amounts requested to be withdrawn pursuant to clause (y) of the immediately preceding paragraph, to the Paying Agent Account (as defined below);

(e) upon receipt of a Withdrawal Certificate executed by the Pass Through Trustee, together with an attached Notice of Event of Loss Withdrawal (as such term is defined in the Deposit Agreement) in substantially the form of Exhibit D to the Deposit Agreement duly completed by the Pass Through Trustee, to:

(X) immediately execute such Notice of Event of Loss Withdrawal as Escrow Agent and transmit it to the Depository by facsimile transmission in accordance with the Deposit Agreement requesting a withdrawal, on the date specified in such notice, which shall not be less than 15 days after such notice is given (the "Event of Loss Withdrawal Date"), of the Deposit specified in such Notice of Event of Loss Withdrawal together with all accrued and unpaid interest on such Deposit to but excluding the Event of Loss Withdrawal Date (an "Event of Loss Withdrawal"); and

(Y) direct the Depository to transfer the amounts requested to be withdrawn pursuant to the immediately preceding paragraph, to the Paying Agent Account (as defined below);

(f) if there are any undrawn Deposits (as defined in the Deposit Agreement) on the "Termination Date", which shall mean the earlier of (i) the Outside Termination Date (as defined below) and (ii) the day on which the Escrow Agent

receives notice from the Pass Through Trustee that the Pass Through Trustee's obligation to purchase Equipment Notes under the Note Purchase Agreement has terminated and the Cut-Off Date has occurred, to immediately give notice to the Depository (with a copy to the Paying Agent) substantially in the form of Exhibit B to the Deposit Agreement requesting a withdrawal of all of the remaining Deposits, together with accrued and unpaid interest on such Deposits to the date of withdrawal, on the 15th day after the date that such notice of withdrawal is given to the Depository (or, if not a Business Day, on the next succeeding Business Day) (the "Final Withdrawal"); *provided* that, if the day scheduled for the Final Withdrawal in accordance with the foregoing is within 10 days before or after a Regular Distribution Date, then the Escrow Agent shall request that such requested Final Withdrawal be made on such Regular Distribution Date (the date of such requested withdrawal, the "Final Withdrawal Date"). If for any reason the Escrow Agent shall have failed to give the Final Withdrawal Notice to the Depository on or before the Outside Termination Date and there are unwithdrawn Deposits on such date, the Final Withdrawal Date shall be deemed to be the Outside Termination Date. The term "Outside Termination Date" shall mean June 15, 2018 (provided that, if a labor strike occurs or continues at The Boeing Company ("Boeing") after the Issuance Date and on or prior to June 15, 2018, such date shall be extended by adding thereto the number of days that such strike continued in effect after the Issuance Date, but not more than 60 days and excluding any period of a strike at Boeing after all aircraft of Boeing shall have been financed hereunder).

Section 1.03. Initial Escrow Amount; Issuance of Escrow Receipts. The Escrow Agent hereby directs the Underwriters to, and the Underwriters hereby acknowledge that on the date hereof they shall, irrevocably deliver to the Depository on behalf of the Escrow Agent, an amount in U.S. dollars ("Dollars") and immediately available funds equal to \$544,644,000 for deposit on behalf of the Escrow Agent with the Depository in accordance with Section 2.1 of the Deposit Agreement. The Underwriters hereby instruct the Escrow Agent, upon receipt by the Depository of such sum from the Underwriters, to confirm such receipt by executing and delivering to the Pass Through Trustee an Escrow Receipt in the form of Exhibit A hereto (each, an "Escrow Receipt" and, collectively, the "Escrow Receipts") (a) to be affixed by the Pass Through Trustee to each Certificate and (b) to evidence the same percentage interest (the "Escrow Interest") in the Account Amounts (as defined below) as the Fractional Undivided Interest in the Pass Through Trust evidenced by the Certificate to which such Escrow Receipt is to be affixed. The Escrow Agent shall provide to the Pass Through Trustee for attachment to each Certificate newly issued under and in accordance with the Pass Through Trust Agreement an executed Escrow Receipt as the Pass Through Trustee may from time to time request of the Escrow Agent. Each Escrow Receipt shall be registered by the Escrow Agent in a register (the "Register") maintained by the Escrow Agent in the name of the same holder that is the holder of the Certificate to which such Escrow Receipt is attached and may not thereafter be detached from such Certificate to which it is to be affixed. No Escrow Receipt may be assigned or transferred except in connection with the assignment or

transfer of the Certificate to which such Escrow Receipt is affixed. After the termination of the Deposit Agreement (or, if applicable, any Replacement Deposit Agreement), no additional Escrow Receipts shall be issued and the Pass Through Trustee shall request the return to the Escrow Agent for cancellation of all outstanding Escrow Receipts.

Section 1.04. Payments to Receiptholders. All payments and distributions made to a holder (each, a “Receiptholder” and, collectively, the “Receiptholders”) of an Escrow Receipt in respect of such Escrow Receipt shall be made only from amounts deposited in the Paying Agent Account (as defined below) (the “Account Amounts”). Each Receiptholder, by its acceptance of an Escrow Receipt, agrees that (a) it will look solely to the Account Amounts for any payment or distribution due to such Receiptholder pursuant to the terms of such Escrow Receipt and this Agreement (subject to Section 16 hereof) and (b) it will have no recourse to American, the Pass Through Trustee, the Paying Agent or the Escrow Agent, except as expressly provided herein or in the Pass Through Trust Agreement. No Receiptholder shall have any right to vote or in any manner otherwise control the operation and management of the Paying Agent Account (as defined below) or the obligations of the parties hereto, nor shall anything set forth herein, or contained in the terms of any Escrow Receipt, be construed so as to constitute the Receiptholders from time to time as partners or members of an association.

Section 1.05. Mutilated, Destroyed, Lost or Stolen Escrow Receipt. If (a) any mutilated Escrow Receipt is surrendered to the Escrow Agent or the Escrow Agent receives evidence to its satisfaction of the destruction, loss or theft of any Escrow Receipt and (b) there is delivered to the Escrow Agent and the Pass Through Trustee such security, indemnity or bond, as may be required by them to hold each of them harmless, then, absent notice to the Escrow Agent or the Pass Through Trustee that such destroyed, lost or stolen Escrow Receipt has been acquired by a bona fide purchaser, and provided that the requirements of Section 8-405 of the Uniform Commercial Code in effect in any applicable jurisdiction are met, the Escrow Agent shall execute and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Escrow Receipt, a new Escrow Receipt or Escrow Receipts of like Escrow Interest in the Account Amounts and bearing a number not contemporaneously outstanding.

In connection with the issuance of any new Escrow Receipt under this Section 1.05, the Escrow Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Pass Through Trustee and the Escrow Agent) connected therewith.

Any duplicate Escrow Receipt issued pursuant to this Section 1.05 shall constitute conclusive evidence of the appropriate Escrow Interest in the Account Amounts, as if originally issued, whether or not the lost, stolen or destroyed Escrow Receipt shall be found at any time.

The provisions of this Section 1.05 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Escrow Receipts.

Section 1.06. Additional Escrow Amounts. On the date of any Purchase Withdrawal, the Pass Through Trustee may re-deposit with the Depository some or all of the amounts so withdrawn in accordance with Section 2.4 of the Deposit Agreement.

Section 1.07. Resignation or Removal of Escrow Agent. Subject to the appointment and acceptance of a successor Escrow Agent as provided below, the Escrow Agent may resign at any time by giving 30 days' prior written notice thereof to the Investors, but may not otherwise be removed except for cause by the written consent of the Investors with respect to Investors representing Escrow Interests aggregating not less than a majority in interest in the Account Amounts (an "Action of Investors"). Upon any such resignation or removal, the Investors, by an Action of Investors, shall have the right to appoint a successor Escrow Agent. If no successor Escrow Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Escrow Agent's giving of notice of resignation or the removal of the retiring Escrow Agent, then the retiring Escrow Agent may appoint a successor Escrow Agent. Any successor Escrow Agent shall be a bank or a trust company which has an office in the United States with a combined capital and surplus of at least \$100,000,000. Upon the acceptance of any appointment as Escrow Agent hereunder by a successor Escrow Agent, such successor Escrow Agent shall enter into such documents as the Pass Through Trustee shall require and shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Escrow Agent, and the retiring Escrow Agent shall be discharged from its duties and obligations hereunder. No resignation or removal of the Escrow Agent shall be effective unless a written confirmation shall have been obtained from each of Fitch Ratings, Inc. and Moody's Investors Service, Inc. to the effect that the replacement of the Escrow Agent with the successor Escrow Agent will not result in (a) a reduction of the rating for the Certificates below the then current rating for the Certificates or (b) a withdrawal or suspension of the rating of the Certificates.

Section 1.08. Persons Deemed Owners. Prior to due presentment of a Certificate for registration of transfer, the Escrow Agent and the Paying Agent may treat the Person in whose name any Escrow Receipt is registered (as of the day of determination) as the owner of such Escrow Receipt for the purpose of receiving distributions pursuant to this Agreement and for all other purposes whatsoever, and neither the Escrow Agent nor the Paying Agent shall be affected by any notice to the contrary.

Section 1.09. Further Assurances. Without limiting Sections 4 and 8 of this Agreement, the Escrow Agent agrees to take such actions, and execute such other documents, as may be reasonably requested by the Pass Through Trustee in order to effectuate the purposes of this Agreement, the Note Purchase Agreement or the Deposit

Agreement and the performance by the Escrow Agent of its obligations hereunder or thereunder.

SECTION 2. Paying Agent.

Section 2.01. Appointment of Paying Agent. The Escrow Agent hereby irrevocably appoints and authorizes the Paying Agent to act as its paying agent hereunder, for the benefit of the Investors, for such specific purposes and with such powers as are specifically delegated to the Paying Agent by the terms of this Agreement, together with such other powers as are reasonably incidental thereto. Any and all money received and held by the Paying Agent under this Agreement or the Deposit Agreement shall be held in the Paying Agent Account for the benefit of the Investors. The Paying Agent (which term as used in this sentence shall include reference to its affiliates and its own and its affiliates' officers, directors, employees and agents): (a) shall have no duties or responsibilities except those expressly set forth in this Agreement, and shall not by reason of this Agreement be a trustee for the Escrow Agent; (b) shall not be responsible for any recitals, statements, representations or warranties of any person other than itself contained in this Agreement or for the failure by the Escrow Agent or any other person or entity (other than the Paying Agent) to perform any of its obligations hereunder (whether or not the Paying Agent shall have any knowledge thereof); (c) may consult with legal counsel in connection with its duties hereunder and under the Deposit Agreement and shall be fully protected if any action taken, suffered or permitted by it in good faith in accordance with the advice of counsel selected by it with due care; (d) shall not be responsible for any action taken or omitted to be taken by it hereunder or provided for herein or in connection herewith, except for its own willful misconduct or gross negligence (or simple negligence in connection with the handling of funds); and (e) shall in no event be liable for punitive, incidental or consequential damages.

Section 2.02. Establishment of Paying Agent Account. Upon the execution of this Agreement, the Paying Agent shall establish and maintain a segregated trust account (the "Paying Agent Account") with the corporate trust department of Wilmington Trust Company in the name of the Escrow Agent, bearing a designation clearly indicating that the funds deposited therein are held in trust for the benefit of the Escrow Agent. It is expressly understood by the parties hereto that the Paying Agent is acting as the paying agent and trustee of the Escrow Agent hereunder and that no amounts on deposit in the Paying Agent Account constitute part of the Trust Property. The Paying Agent shall be under no obligation to invest any amounts held by it pursuant to the terms of this Agreement and the funds held in the Paying Agent Account shall not earn or accrue interest.

Section 2.03. Payments from Paying Agent Account. The Escrow Agent hereby irrevocably instructs the Paying Agent, and the Paying Agent agrees to act, as follows:

(a) On each Interest Payment Date (as defined in the Deposit Agreement) or as soon thereafter as the Paying Agent has confirmed receipt in the Paying Agent Account from the Depository of any amount in respect of accrued interest on the Deposits (other than as part of any Replacement Withdrawal, Event of Loss Withdrawal or Final Withdrawal), the Paying Agent shall distribute out of the Paying Agent Account the entire amount deposited therein by the Depository. There shall be so distributed to each Receipholder of record in the Register on the 15th day (whether or not a Business Day) preceding such Interest Payment Date by check mailed to such Receipholder, at the address appearing in the Register, such Receipholder's pro rata share (based on the Escrow Interest in the Account Amounts held by such Receipholder) of the total amount of interest deposited by the Depository in the Paying Agent Account on such date, except that, with respect to Escrow Receipts registered on the record date specified above in the name of a nominee of The Depository Trust Company ("DTC"), such distribution shall be made by wire transfer in immediately available funds to the account designated by DTC.

(b) Upon the confirmation by the Paying Agent of receipt in the Paying Agent Account from the Depository of any amount in respect of any Final Withdrawal or any Event of Loss Withdrawal, the Paying Agent shall forthwith distribute the entire amount of the Final Withdrawal or such Event of Loss Withdrawal deposited therein by the Depository. There shall be so distributed to each Receipholder of record on the 15th day (whether or not a Business Day) preceding the Final Withdrawal Date or the Event of Loss Withdrawal Date, as applicable, by check mailed to such Receipholder, at the address appearing in the Register, such Receipholder's pro rata share (based on the Escrow Interest in the Account Amounts held by such Receipholder) of the total amount in the Paying Agent Account on account of such Final Withdrawal or such Event of Loss Withdrawal, except that, with respect to Escrow Receipts registered on the record date specified above in the name of a nominee of DTC, such distribution shall be made by wire transfer in immediately available funds to the account designated by DTC.

(c) Upon the confirmation by the Paying Agent of receipt in the Paying Agent Account from the Depository of any amount referred to in clause (y) of Section 1.02(d)(X) in respect of the Replacement Withdrawal, on the immediately succeeding Interest Payment Date, the Paying Agent shall distribute out of the Paying Agent Account the entire such amount deposited therein by the Depository. There shall be so distributed to each Receipholder of record in the Register on the 15th day (whether or not a Business Day) preceding such Interest Payment Date by check mailed to such Receipholder, at the address appearing in the Register, such Receipholder's pro rata share (based on the Escrow Interest in the Account Amounts held by such Receipholder) of the total amount of interest deposited by the Depository in the Paying Agent Account on such date, except that, with respect to Escrow Receipts registered on the record date

specified above in the name of a nominee of DTC, such distribution shall be made by wire transfer in immediately available funds to the account designated by DTC.

(d) If any payment of interest referred to in Section 2.03(a) or of interest or principal in respect of any Final Withdrawal, any Replacement Withdrawal or any Event of Loss Withdrawal is not received by the Paying Agent within five days of the applicable date when due, then it shall be distributed to Receiptholders after actual receipt by the Paying Agent on the same basis as a Special Payment is distributed under the Pass Through Trust Agreement.

(e) The Paying Agent shall include with any check mailed pursuant to this Section 2.03 any notice required to be distributed under the Pass Through Trust Agreement that is furnished to the Paying Agent by the Pass Through Trustee.

Section 2.04. Withholding Taxes. The Paying Agent shall exclude and withhold from each distribution of accrued interest on the Deposits (as defined in the Deposit Agreement) and any amount in respect of any Final Withdrawal and any Event of Loss Withdrawal any and all withholding taxes applicable thereto as required by law. The Paying Agent agrees to act as such withholding agent and, in connection therewith, whenever any present or future taxes or similar charges are required to be withheld with respect to any amounts payable in respect of the Deposits (as defined in the Deposit Agreement) or the escrow amounts, to withhold such amounts and timely pay the same to the appropriate authority in the name of and on behalf of the Receiptholders, that it will file any necessary withholding tax returns or statements when due, and that, as promptly as possible after the payment thereof, it will deliver to each such Receiptholder appropriate documentation showing the payment thereof, together with such additional documentary evidence as such Receiptholder may reasonably request from time to time. The Paying Agent agrees to file any other information reports as it may be required to file under United States law.

Section 2.05. Resignation or Removal of Paying Agent. Subject to the appointment and acceptance of a successor Paying Agent as provided below, the Paying Agent may resign at any time by giving 30 days' prior written notice thereof to the Escrow Agent, but may not otherwise be removed except for cause by the Escrow Agent. Upon any such resignation or removal, the Escrow Agent shall have the right to appoint a successor Paying Agent. If no successor Paying Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Paying Agent's giving of notice of resignation or the removal of the retiring Paying Agent, then the retiring Paying Agent may appoint a successor Paying Agent. Any successor Paying Agent shall be a bank or a trust company which has an office in the United States with a combined capital and surplus of at least \$100,000,000. Upon the acceptance of any appointment as Paying Agent hereunder by a successor Paying Agent, such successor Paying Agent shall enter into such documents as the Escrow Agent shall require and shall

thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Paying Agent, and the retiring Paying Agent shall be discharged from its duties and obligations hereunder.

Section 2.06. Notice of Final Withdrawal. Promptly after receipt by the Paying Agent of notice that the Escrow Agent has requested a Final Withdrawal or that a Final Withdrawal will be made, the Paying Agent shall cause notice of the distribution of the Final Withdrawal to be mailed to each of the Receiptholders at its address as it appears in the Register. Subject to (i) the proviso at the end of the first sentence of Section 1.02(f) and (ii) the second sentence of Section 1.02(f), such notice shall be mailed not less than 15 days prior to the Final Withdrawal Date. Such notice shall set forth:

(i) the Final Withdrawal Date and the date for determining Receiptholders of record who shall be entitled to receive distributions in respect of the Final Withdrawal,

(ii) the amount of the payment in respect of the Final Withdrawal for each \$1,000 face amount Certificate (based on information provided by the Pass Through Trustee) and the amount thereof constituting unused Deposits (as defined in the Deposit Agreement) and interest thereon, and

(iii) if the Final Withdrawal Date is the same date as a Regular Distribution Date, the total amount to be received on such date for each \$1,000 face amount Certificate (based on information provided by the Pass Through Trustee).

Such mailing may include any notice required to be given to Certificateholders in connection with such distribution pursuant to the Pass Through Trust Agreement.

Section 2.07. Notice of Event of Loss Withdrawal. Promptly after receipt by the Paying Agent of notice that the Escrow Agent has requested an Event of Loss Withdrawal or that an Event of Loss Withdrawal will be made, the Paying Agent shall cause notice of the distribution of such Event of Loss Withdrawal to be mailed to each of the Receiptholders at its address as it appears in the Register. Such notice shall be mailed not less than 15 days prior to the applicable Event of Loss Withdrawal Date. Such notice shall set forth:

(i) the applicable Event of Loss Withdrawal Date and the date for determining Receiptholders of record who shall be entitled to receive distributions in respect of such Event of Loss Withdrawal,

(ii) the amount of the payment in respect of such Event of Loss Withdrawal for each \$1,000 face amount Certificate (based on information provided by the Pass Through Trustee) and the amount thereof

constituting the applicable unused Deposit (as defined in the Deposit Agreement) and interest thereon, and

(iii) if such Event of Loss Withdrawal Date is the same date as a Regular Distribution Date, the total amount to be received on such date for each \$1,000 face amount Certificate (based on information provided by the Pass Through Trustee).

Such mailing may include any notice required to be given to Certificateholders in connection with such distribution pursuant to the Pass Through Trust Agreement.

Section 2.08. Further Assurances. Without limiting Section 8 of this Agreement, the Paying Agent agrees to take such actions, and execute such other documents, as may be reasonably requested by the Pass Through Trustee in order to effectuate the purposes of this Agreement or the Note Purchase Agreement and the performance by the Escrow Agent of its obligations hereunder or thereunder.

SECTION 3. Payments. If, notwithstanding the instructions in Section 4 of the Deposit Agreement that all amounts payable to the Escrow Agent under the Deposit Agreement be paid by the Depository directly to the Paying Agent, the Pass Through Trustee or a Replacement Depository (depending on the circumstances), the Escrow Agent receives any payment thereunder, then the Escrow Agent shall forthwith pay such amount in Dollars and in immediately available funds by wire transfer to (a) in the cases of (i) a payment of accrued interest on the Deposits (as defined in the Deposit Agreement), (ii) any Final Withdrawal, (iii) any Event of Loss Withdrawal or (iv) any amount referred to in clause (y) of Section 1.02(d)(X) in respect of the Replacement Withdrawal, directly to the Paying Agent Account, (b) in the case of any Purchase Withdrawal, directly to the Pass Through Trustee or its designee as specified and in the manner provided in the Applicable Notice of Purchase Withdrawal, and (c) in the case of any amount referred to in clause (x) of Section 1.02(d)(X) in respect of the Replacement Withdrawal, to the Replacement Depository as provided in the Replacement Depository Agreement. The Escrow Agent hereby waives any and all rights of set-off, combination of accounts, right of retention or similar right (whether arising under applicable law, contract or otherwise) it may have against amounts payable to the Paying Agent howsoever arising.

SECTION 4. Other Actions. The Escrow Agent shall take such other actions under or in respect of the Deposit Agreement (including, without limitation, the enforcement of the obligations of the Depository thereunder) as the Investors, by an Action of Investors, may from time to time request, and agrees not to amend, supplement or otherwise modify the Deposit Agreement without an Action of Investors, except that, without limiting Sections 4(a)(v) and 5(e) of the Note Purchase Agreement, no such Action of Investors will be required for any amendment contemplated by such Sections of the Note Purchase Agreement.

SECTION 5. Representations and Warranties of the Escrow Agent. The Escrow Agent represents and warrants to American, the Investors, the Paying Agent and the Pass Through Trustee as follows:

(i) it is a national banking association duly organized and validly existing in good standing under the laws of the United States of America;

(ii) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement, the Deposit Agreement and any Replacement Deposit Agreement;

(iii) the execution, delivery and performance of each of this Agreement, the Deposit Agreement and any Replacement Deposit Agreement have been duly authorized by all necessary corporate action on the part of it and do not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and each such document (other than a Replacement Deposit Agreement) has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof or thereof except as such enforceability may be limited by bankruptcy, insolvency, moratorium, reorganization or other similar laws or equitable principles of general application to or affecting the enforcement of creditors' rights generally (regardless of whether such enforceability is considered in a proceeding in equity or at law);

(iv) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body governing its banking or trust powers is required for the execution, delivery or performance by it of this Agreement, the Deposit Agreement or any Replacement Deposit Agreement;

(v) neither the execution, delivery or performance by it of this Agreement, the Deposit Agreement or any Replacement Deposit Agreement, nor compliance with the terms and provisions hereof or thereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation applicable to the exercise of its banking or trust powers or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or any indenture, mortgage or contract or other agreement or instrument to which it is a party or by which it or any of its

properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and

(vi) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (A) would adversely affect the ability of it to perform its obligations under this Agreement, the Deposit Agreement or any Replacement Deposit Agreement or (B) would call into question or challenge the validity of this Agreement or the Deposit Agreement or the enforceability hereof or thereof in accordance with the terms hereof or thereof, nor is the Escrow Agent in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement or the Deposit Agreement.

SECTION 6. Representations and Warranties of the Paying Agent. The Paying Agent represents and warrants to American, the Investors, the Escrow Agent and the Pass Through Trustee as follows:

(i) it is a Delaware trust company duly organized and validly existing in good standing under the laws of the State of Delaware;

(ii) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement;

(iii) the execution, delivery and performance of this Agreement has been duly authorized by all necessary corporate action on the part of it and does not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and such document has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof except as such enforceability may be limited by bankruptcy, insolvency, moratorium, reorganization or other similar laws or equitable principles of general application to or affecting the enforcement of creditors' rights generally (regardless of whether such enforceability is considered in a proceeding in equity or at law);

(iv) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body governing its banking or trust powers is required for the execution, delivery or performance by it of this Agreement;

(v) neither the execution, delivery or performance by it of this Agreement, nor compliance with the terms and provisions hereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation applicable to its banking or trust powers or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or any indenture, mortgage or contract or other agreement or instrument to which it is a party or by which it or any of its properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and

(vi) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (A) would adversely affect the ability of it to perform its obligations under this Agreement or (B) would call into question or challenge the validity of this Agreement or the enforceability hereof in accordance with the terms hereof, nor is the Paying Agent in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement.

SECTION 7. Indemnification. Except for actions expressly required of the Escrow Agent or the Paying Agent hereunder, each of the Escrow Agent and the Paying Agent shall in all cases be fully justified in failing or refusing to act hereunder unless it shall have been indemnified by the party requesting such action in a manner reasonably satisfactory to it against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. In the event American requests any amendment to any Operative Agreement (as defined in the Note Purchase Agreement), the Pass Through Trustee agrees to pay all reasonable fees and expenses (including, without limitation, fees and disbursements of counsel) of the Escrow Agent and the Paying Agent in connection therewith.

SECTION 8. Amendment, Etc. Upon request of the Pass Through Trustee and approval by an Action of Investors, the Escrow Agent and Paying Agent shall enter into an amendment to this Agreement or the Note Purchase Agreement, so long as such amendment does not adversely affect the rights or obligations of the Escrow Agent or the Paying Agent; *provided* that (i) without limiting Sections 4(a)(v) and 5(e) of the Note Purchase Agreement, no such request or approval will be required for any amendment contemplated by such Sections of the Note Purchase Agreement and (ii) upon request of the Pass Through Trustee and without any consent of the Investors, the Escrow Agent

and Paying Agent shall enter into an amendment to this Agreement or the Note Purchase Agreement for any of the following purposes:

- (1) to correct or supplement any provision in this Agreement or the Note Purchase Agreement which may be defective or inconsistent with any other provision herein or therein or to cure any ambiguity or correct any mistake; or
- (2) to modify any other provision with respect to matters or questions arising under this Agreement or the Note Purchase Agreement, *provided* that any such action shall not materially adversely affect the interests of the Investors; or

SECTION 9. Notices. Unless otherwise expressly provided herein, any notice or other communication under this Agreement shall be in English and in writing and given by United States registered or certified mail, return receipt requested, overnight courier service or facsimile, and any such notice shall be effective when received (or, if delivered by facsimile, upon completion of transmission and confirmation by the sender (by a telephone call to a representative of the recipient or by machine confirmation) that such transmission was received). On or prior to the execution of this Agreement, the Pass Through Trustee has delivered to the Escrow Agent a certificate containing specimen signatures of the representatives of the Pass Through Trustee who are authorized to give notices and instructions with respect to this Agreement. The Escrow Agent may conclusively rely on such certificate until the Escrow Agent receives written notice from the Pass Through Trustee to the contrary.

The Escrow Agent shall notify the Receiptholders in the event of a default in the payment of interest on the Deposits when due in accordance with the Deposit Agreement or a default in the payment of any Final Withdrawal, any Replacement Withdrawal or any Event of Loss Withdrawal in accordance with the terms of the Deposit Agreement and this Agreement and shall promptly forward to Receiptholders upon receipt copies of all written communications relating to any payments due to the Receiptholders in respect of the Deposits.

SECTION 10. Transfer. No party hereto shall be entitled to assign or otherwise transfer this Agreement (or any interest herein) other than (in the case of the Escrow Agent) to a successor escrow agent under Section 1.07 hereof or (in the case of the Paying Agent) to a successor paying agent under Section 2.05 hereof, and any purported assignment in violation thereof shall be void. This Agreement shall be binding upon the parties hereto and their respective successors and (in the case of the Escrow Agent and the Paying Agent) their respective permitted assigns.

transactions contemplated hereby may not be enforced in or by such courts, (c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to each party hereto at its address set forth in Section 9 hereof, or at such other address of which the other parties shall have been notified pursuant thereto; and (d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

SECTION 14. Waiver of Jury Trial Right. EACH OF THE ESCROW AGENT, THE PAYING AGENT, THE INVESTORS AND THE PASS THROUGH TRUSTEE ACKNOWLEDGES AND ACCEPTS THAT, TO THE EXTENT PERMITTED BY APPLICABLE LAW, IN ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT SUCH PARTY IRREVOCABLY WAIVES ITS RIGHT TO A TRIAL BY JURY.

SECTION 15. Counterparts. This Agreement may be executed in any number of counterparts (and each party shall not be required to execute the same counterpart). Each counterpart of this Agreement including a signature page or pages executed by each of the parties hereto shall be an original counterpart of this Agreement, but all of such counterparts together constitute one instrument. The parties intend that faxed signatures and electronically imaged signatures such as .pdf files shall constitute original signatures and are binding on all parties. The original documents shall be promptly delivered, if requested.

SECTION 16. Rights of Holders. Each Receiptholder shall have the right (individually and without the need for any other action of any Person, including the Escrow Agent or any other Receiptholder), upon any default in the payment of interest on the Deposits when due by the Depository in accordance with the Deposit Agreement, or upon any default in the payment of any Final Withdrawal, any Replacement Withdrawal or any Event of Loss Withdrawal when due by the Depository in accordance with the terms of the Deposit Agreement and this Agreement, (i) to proceed directly against the Depository by making a demand to the Depository for the portion of such payment that would have been distributed to such Receiptholder pursuant to this Agreement or by bringing suit to enforce payment of such portion and (ii) to enforce any other rights that the Escrow Agent may have in respect of amounts due from the Depository under the Deposit Agreement and this Agreement that would have been distributed to such Receiptholder pursuant to this Agreement. Any recovery on such enforcement action shall belong solely to the Receiptholder who brought such action, and not to the Escrow Agent or any other Receiptholder individually or to Receiptholders as a group.

By virtue of its acceptance hereof the holder of this Escrow Receipt assents and agrees to be bound by the provisions of the Escrow and Paying Agent Agreement and this Escrow Receipt.

This Escrow Receipt represents a fractional undivided interest in amounts deposited from time to time in the Paying Agent Account, and grants or represents no rights, benefits or interests of any kind in respect of any assets or property other than such amounts. This Escrow Receipt evidences the same percentage interest in the Account Amounts as the Fractional Undivided Interest in the Pass Through Trust evidenced by the Certificate to which this Escrow Receipt is affixed.

All payments and distributions made to Receiptholders in respect of this Escrow Receipt shall be made only from Account Amounts deposited in the Paying Agent Account. The holder of this Escrow Receipt, by its acceptance of this Escrow Receipt, agrees that it will look solely to the Account Amounts for any payment or distribution due to it pursuant to this Escrow Receipt (or, in case the Depository shall default in its obligation to make a payment under the Deposit Agreement that would be an Account Amount, to the Depository) and that it will not have any recourse to American, the Pass Through Trustee, the Paying Agent or the Escrow Agent, except as expressly provided

No Receiptholder of this Escrow Receipt shall have any right to vote on or in any manner otherwise control the operation and management of the Paying Agent Account, nor shall anything set forth herein, or contained in the terms of this Escrow Receipt, be construed so as to constitute the Receiptholders from time to time as partners or members of an association.

This Escrow Receipt may not be assigned or transferred except in connection with the assignment or transfer of the Certificate to which this Escrow Receipt is affixed.

The Paying Agent may treat the person in whose name this Escrow Receipt is registered pursuant to Section 1.03 of the Escrow and Paying Agent Agreement as the owner hereof for all purposes, and the Paying Agent shall not be affected by any notice to the contrary.

THIS ESCROW RECEIPT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, WITHOUT REGARD TO CONFLICT OF LAW PRINCIPALS THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK.

W I T N E S S E T H:

WHEREAS, American Airlines, Inc. ("American") and the Pass Through Trustee have entered into a Trust Supplement No. 2017-2A, dated as of August 14, 2017 (the "Trust Supplement"), to the Pass Through Trust Agreement, dated as of September 16, 2014 (together, as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Pass Through Trust Agreement"), relating to American Airlines Pass Through Trust 2017-2A (the "Pass Through Trust") pursuant to which the American Airlines Pass Through Trust, Series 2017-2A Certificates referred to therein (the "Certificates") are being issued (the date of such issuance, the "Issuance Date");

WHEREAS, American and GS, CS and DBSI, acting individually and as representatives of the Underwriters, have entered into an Underwriting Agreement, dated as of July 31, 2017 (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Underwriting Agreement"), pursuant to which the Pass Through Trustee will issue and sell the Certificates to the Underwriters;

WHEREAS, American, the Pass Through Trustee and certain other persons concurrently herewith are entering into the Note Purchase Agreement, dated as of the date hereof (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Note Purchase Agreement"), pursuant to which the Pass Through Trustee has agreed to acquire from time to time on or prior to the Delivery Period Termination Date (as defined in the Note Purchase Agreement) equipment notes (the

Escrow and Paying Agent Agreement (Class A)
(American Airlines 2017-2 Aircraft EETC)

“Equipment Notes”) issued either in respect of aircraft owned by American or to finance the acquisition of certain aircraft by American, as owner, utilizing a portion of the proceeds from the sale of the Certificates (the “Net Proceeds”);

WHEREAS, the Underwriters and the Pass Through Trustee intend that the Net Proceeds be held in escrow by the Escrow Agent on behalf of the Investors, subject to withdrawal upon request by the Pass Through Trustee and satisfaction of the conditions set forth in the Note Purchase Agreement for the purpose of purchasing Equipment Notes, and that pending such withdrawal the Net Proceeds be deposited on behalf of the Escrow Agent with Natixis S.A., acting through its New York Branch, as Depositary (the “Depositary”, which shall also be deemed to refer to any Replacement Depositary (as defined in the Note Purchase Agreement) from and after the date on which the Deposits are transferred to such Replacement Depositary) under the Deposit Agreement (Class A), dated as of the date hereof, between the Depositary and the Escrow Agent relating to the Pass Through Trust (as amended, modified, supplemented or replaced from time to time in accordance with the terms thereof, the “Deposit Agreement”, which shall also be deemed to refer to any Replacement Deposit Agreement (as defined in the Note Purchase Agreement) to which the Escrow Agent becomes a party pursuant to Section 1.02(a) hereof from and after the transfer of the Deposits from the Depositary to the Replacement Depositary) pursuant to which, among other things, the Depositary will pay interest for distribution to the Investors and establish accounts from which the Escrow Agent shall make withdrawals upon request of and proper certification by the Pass Through Trustee;

WHEREAS, the Escrow Agent wishes to appoint the Paying Agent to pay amounts required to be distributed to the Investors in accordance with this Agreement; and

WHEREAS, capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Pass Through Trust Agreement.

NOW, THEREFORE, in consideration of the obligations contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

SECTION 1. Escrow Agent.

Section 1.01. Appointment of Escrow Agent. Each of the Underwriters, for and on behalf of each of the Investors, hereby irrevocably appoints, authorizes and directs the Escrow Agent to act as escrow agent hereunder and under the Deposit Agreement for such specific purposes and with such powers as are specifically delegated to the Escrow Agent by the terms of this Agreement, together with such other powers as are reasonably incidental thereto. Any and all money received and held by the Escrow Agent under this Agreement or the Deposit Agreement shall be held in escrow by the Escrow Agent in accordance with the terms of this Agreement. This Agreement is irrevocable and the

Investors' and the Pass Through Trustee's rights with respect to any monies received and held in escrow by the Escrow Agent under this Agreement or the Deposit Agreement shall only be as provided under the terms and conditions of this Agreement and the Deposit Agreement. The Escrow Agent (which term as used in this sentence shall include reference to its affiliates and its own and its affiliates' officers, directors, employees and agents): (a) shall have no duties or responsibilities except those expressly set forth in this Agreement; (b) shall not be responsible for any recitals, statements, representations or warranties of any person other than itself contained in this Agreement or the Deposit Agreement or for the failure by the Pass Through Trustee, the Investors or any other person or entity (other than the Escrow Agent) to perform any of its obligations hereunder (whether or not the Escrow Agent shall have any knowledge thereof); (c) may consult with legal counsel in connection with its duties hereunder and under the Deposit Agreement and shall be fully protected if any action taken, suffered or permitted by it in good faith in accordance with the advice of counsel selected by it with due care; (d) shall not be responsible for any action taken or omitted to be taken by it hereunder or provided for herein or in connection herewith, except for its own willful misconduct or gross negligence (or simple negligence in connection with the handling of funds); and (e) shall in no event be liable for punitive, incidental or consequential damages.

Section 1.02. Instruction; Etc. The Underwriters, for and on behalf of each of the Investors, hereby irrevocably instruct the Escrow Agent, and the Escrow Agent agrees:

(a) to enter into the Deposit Agreement, and, if applicable, in accordance with Section 5 of the Note Purchase Agreement, to enter into a Replacement Deposit Agreement with the Replacement Depository;

(b) to appoint the Paying Agent as provided in this Agreement;

(c) upon receipt at any time and from time to time prior to the Termination Date (as defined below) of a certificate substantially in the form of Exhibit B hereto (a "Withdrawal Certificate") executed by the Pass Through Trustee, together with an attached Notice of Purchase Withdrawal in substantially the form of Exhibit A to the Deposit Agreement duly completed by the Pass Through Trustee (the "Applicable Notice of Purchase Withdrawal" and the withdrawal to which it relates, a "Purchase Withdrawal"), immediately to execute the Applicable Notice of Purchase Withdrawal as Escrow Agent and transmit it to the Depository by facsimile transmission in accordance with the Deposit Agreement; *provided that*, upon the request of the Pass Through Trustee after such transmission, the Escrow Agent shall cancel such Applicable Notice of Purchase Withdrawal;

(d) upon receipt of a Withdrawal Certificate executed by the Pass Through Trustee, together with an attached Notice of Replacement Withdrawal (as such

term is defined in the Deposit Agreement) in substantially the form of Exhibit C to the Deposit Agreement duly completed by the Pass Through Trustee, to:

(X) immediately execute such Notice of Replacement Withdrawal as Escrow Agent and transmit it to the Depository by facsimile transmission in accordance with the Deposit Agreement requesting a withdrawal, on the date specified in such notice, which shall not be less than five Business Days after such notice is given (the "Replacement Withdrawal Date"), of (x) with respect to all Deposits then held by the Depository, (1) the entire amount of such Deposits together with (2) all accrued and unpaid interest on such Deposits to but excluding the Replacement Withdrawal Date and (y) with respect to all Deposits, if any, previously withdrawn pursuant to the Applicable Notices of Purchase Withdrawal, all accrued and unpaid interest on such Deposits to but excluding the date of the applicable Purchase Withdrawal (such withdrawal of the amounts in the immediately preceding clauses (x) and (y), a "Replacement Withdrawal"); and

(Y) direct the Depository to transfer (i) the amounts requested to be withdrawn pursuant to clause (x) of the immediately preceding paragraph, to the Replacement Depository in accordance with the Replacement Deposit Agreement and (ii) the amounts requested to be withdrawn pursuant to clause (y) of the immediately preceding paragraph, to the Paying Agent Account (as defined below);

(e) upon receipt of a Withdrawal Certificate executed by the Pass Through Trustee, together with an attached Notice of Event of Loss Withdrawal (as such term is defined in the Deposit Agreement) in substantially the form of Exhibit D to the Deposit Agreement duly completed by the Pass Through Trustee, to:

(X) immediately execute such Notice of Event of Loss Withdrawal as Escrow Agent and transmit it to the Depository by facsimile transmission in accordance with the Deposit Agreement requesting a withdrawal, on the date specified in such notice, which shall not be less than 15 days after such notice is given (the "Event of Loss Withdrawal Date"), of the Deposit specified in such Notice of Event of Loss Withdrawal together with all accrued and unpaid interest on such Deposit to but excluding the Event of Loss Withdrawal Date (an "Event of Loss Withdrawal"); and

(Y) direct the Depository to transfer the amounts requested to be withdrawn pursuant to the immediately preceding paragraph, to the Paying Agent Account (as defined below);

(f) if there are any undrawn Deposits (as defined in the Deposit Agreement) on the "Termination Date", which shall mean the earlier of (i) the Outside Termination Date (as defined below) and (ii) the day on which the Escrow Agent

receives notice from the Pass Through Trustee that the Pass Through Trustee's obligation to purchase Equipment Notes under the Note Purchase Agreement has terminated and the Cut-Off Date has occurred, to immediately give notice to the Depository (with a copy to the Paying Agent) substantially in the form of Exhibit B to the Deposit Agreement requesting a withdrawal of all of the remaining Deposits, together with accrued and unpaid interest on such Deposits to the date of withdrawal, on the 15th day after the date that such notice of withdrawal is given to the Depository (or, if not a Business Day, on the next succeeding Business Day) (the "Final Withdrawal"); *provided* that, if the day scheduled for the Final Withdrawal in accordance with the foregoing is within 10 days before or after a Regular Distribution Date, then the Escrow Agent shall request that such requested Final Withdrawal be made on such Regular Distribution Date (the date of such requested withdrawal, the "Final Withdrawal Date"). If for any reason the Escrow Agent shall have failed to give the Final Withdrawal Notice to the Depository on or before the Outside Termination Date and there are unwithdrawn Deposits on such date, the Final Withdrawal Date shall be deemed to be the Outside Termination Date. The term "Outside Termination Date" shall mean June 15, 2018 (provided that, if a labor strike occurs or continues at The Boeing Company ("Boeing") after the Issuance Date and on or prior to June 15, 2018, such date shall be extended by adding thereto the number of days that such strike continued in effect after the Issuance Date, but not more than 60 days and excluding any period of a strike at Boeing after all aircraft of Boeing shall have been financed hereunder).

Section 1.03. Initial Escrow Amount; Issuance of Escrow Receipts. The Escrow Agent hereby directs the Underwriters to, and the Underwriters hereby acknowledge that on the date hereof they shall, irrevocably deliver to the Depository on behalf of the Escrow Agent, an amount in U.S. dollars ("Dollars") and immediately available funds equal to \$252,254,000 for deposit on behalf of the Escrow Agent with the Depository in accordance with Section 2.1 of the Deposit Agreement. The Underwriters hereby instruct the Escrow Agent, upon receipt by the Depository of such sum from the Underwriters, to confirm such receipt by executing and delivering to the Pass Through Trustee an Escrow Receipt in the form of Exhibit A hereto (each, an "Escrow Receipt" and, collectively, the "Escrow Receipts") (a) to be affixed by the Pass Through Trustee to each Certificate and (b) to evidence the same percentage interest (the "Escrow Interest") in the Account Amounts (as defined below) as the Fractional Undivided Interest in the Pass Through Trust evidenced by the Certificate to which such Escrow Receipt is to be affixed. The Escrow Agent shall provide to the Pass Through Trustee for attachment to each Certificate newly issued under and in accordance with the Pass Through Trust Agreement an executed Escrow Receipt as the Pass Through Trustee may from time to time request of the Escrow Agent. Each Escrow Receipt shall be registered by the Escrow Agent in a register (the "Register") maintained by the Escrow Agent in the name of the same holder that is the holder of the Certificate to which such Escrow Receipt is attached and may not thereafter be detached from such Certificate to which it is to be affixed. No Escrow Receipt may be assigned or transferred except in connection with the assignment or

transfer of the Certificate to which such Escrow Receipt is affixed. After the termination of the Deposit Agreement (or, if applicable, any Replacement Deposit Agreement), no additional Escrow Receipts shall be issued and the Pass Through Trustee shall request the return to the Escrow Agent for cancellation of all outstanding Escrow Receipts.

Section 1.04. Payments to Receiptholders. All payments and distributions made to a holder (each, a “Receiptholder” and, collectively, the “Receiptholders”) of an Escrow Receipt in respect of such Escrow Receipt shall be made only from amounts deposited in the Paying Agent Account (as defined below) (the “Account Amounts”). Each Receiptholder, by its acceptance of an Escrow Receipt, agrees that (a) it will look solely to the Account Amounts for any payment or distribution due to such Receiptholder pursuant to the terms of such Escrow Receipt and this Agreement (subject to Section 16 hereof) and (b) it will have no recourse to American, the Pass Through Trustee, the Paying Agent or the Escrow Agent, except as expressly provided herein or in the Pass Through Trust Agreement. No Receiptholder shall have any right to vote or in any manner otherwise control the operation and management of the Paying Agent Account (as defined below) or the obligations of the parties hereto, nor shall anything set forth herein, or contained in the terms of any Escrow Receipt, be construed so as to constitute the Receiptholders from time to time as partners or members of an association.

Section 1.05. Mutilated, Destroyed, Lost or Stolen Escrow Receipt. If (a) any mutilated Escrow Receipt is surrendered to the Escrow Agent or the Escrow Agent receives evidence to its satisfaction of the destruction, loss or theft of any Escrow Receipt and (b) there is delivered to the Escrow Agent and the Pass Through Trustee such security, indemnity or bond, as may be required by them to hold each of them harmless, then, absent notice to the Escrow Agent or the Pass Through Trustee that such destroyed, lost or stolen Escrow Receipt has been acquired by a bona fide purchaser, and provided that the requirements of Section 8-405 of the Uniform Commercial Code in effect in any applicable jurisdiction are met, the Escrow Agent shall execute and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Escrow Receipt, a new Escrow Receipt or Escrow Receipts of like Escrow Interest in the Account Amounts and bearing a number not contemporaneously outstanding.

In connection with the issuance of any new Escrow Receipt under this Section 1.05, the Escrow Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Pass Through Trustee and the Escrow Agent) connected therewith.

Any duplicate Escrow Receipt issued pursuant to this Section 1.05 shall constitute conclusive evidence of the appropriate Escrow Interest in the Account Amounts, as if originally issued, whether or not the lost, stolen or destroyed Escrow Receipt shall be found at any time.

The provisions of this Section 1.05 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Escrow Receipts.

Section 1.06. Additional Escrow Amounts. On the date of any Purchase Withdrawal, the Pass Through Trustee may re-deposit with the Depository some or all of the amounts so withdrawn in accordance with Section 2.4 of the Deposit Agreement.

Section 1.07. Resignation or Removal of Escrow Agent. Subject to the appointment and acceptance of a successor Escrow Agent as provided below, the Escrow Agent may resign at any time by giving 30 days' prior written notice thereof to the Investors, but may not otherwise be removed except for cause by the written consent of the Investors with respect to Investors representing Escrow Interests aggregating not less than a majority in interest in the Account Amounts (an "Action of Investors"). Upon any such resignation or removal, the Investors, by an Action of Investors, shall have the right to appoint a successor Escrow Agent. If no successor Escrow Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Escrow Agent's giving of notice of resignation or the removal of the retiring Escrow Agent, then the retiring Escrow Agent may appoint a successor Escrow Agent. Any successor Escrow Agent shall be a bank or a trust company which has an office in the United States with a combined capital and surplus of at least \$100,000,000. Upon the acceptance of any appointment as Escrow Agent hereunder by a successor Escrow Agent, such successor Escrow Agent shall enter into such documents as the Pass Through Trustee shall require and shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Escrow Agent, and the retiring Escrow Agent shall be discharged from its duties and obligations hereunder. No resignation or removal of the Escrow Agent shall be effective unless a written confirmation shall have been obtained from each of Fitch Ratings, Inc. and Moody's Investors Service, Inc. to the effect that the replacement of the Escrow Agent with the successor Escrow Agent will not result in (a) a reduction of the rating for the Certificates below the then current rating for the Certificates or (b) a withdrawal or suspension of the rating of the Certificates.

Section 1.08. Persons Deemed Owners. Prior to due presentment of a Certificate for registration of transfer, the Escrow Agent and the Paying Agent may treat the Person in whose name any Escrow Receipt is registered (as of the day of determination) as the owner of such Escrow Receipt for the purpose of receiving distributions pursuant to this Agreement and for all other purposes whatsoever, and neither the Escrow Agent nor the Paying Agent shall be affected by any notice to the contrary.

Section 1.09. Further Assurances. Without limiting Sections 4 and 8 of this Agreement, the Escrow Agent agrees to take such actions, and execute such other documents, as may be reasonably requested by the Pass Through Trustee in order to effectuate the purposes of this Agreement, the Note Purchase Agreement or the Deposit

Agreement and the performance by the Escrow Agent of its obligations hereunder or thereunder.

SECTION 2. Paying Agent.

Section 2.01. Appointment of Paying Agent. The Escrow Agent hereby irrevocably appoints and authorizes the Paying Agent to act as its paying agent hereunder, for the benefit of the Investors, for such specific purposes and with such powers as are specifically delegated to the Paying Agent by the terms of this Agreement, together with such other powers as are reasonably incidental thereto. Any and all money received and held by the Paying Agent under this Agreement or the Deposit Agreement shall be held in the Paying Agent Account for the benefit of the Investors. The Paying Agent (which term as used in this sentence shall include reference to its affiliates and its own and its affiliates' officers, directors, employees and agents): (a) shall have no duties or responsibilities except those expressly set forth in this Agreement, and shall not by reason of this Agreement be a trustee for the Escrow Agent; (b) shall not be responsible for any recitals, statements, representations or warranties of any person other than itself contained in this Agreement or for the failure by the Escrow Agent or any other person or entity (other than the Paying Agent) to perform any of its obligations hereunder (whether or not the Paying Agent shall have any knowledge thereof); (c) may consult with legal counsel in connection with its duties hereunder and under the Deposit Agreement and shall be fully protected if any action taken, suffered or permitted by it in good faith in accordance with the advice of counsel selected by it with due care; (d) shall not be responsible for any action taken or omitted to be taken by it hereunder or provided for herein or in connection herewith, except for its own willful misconduct or gross negligence (or simple negligence in connection with the handling of funds); and (e) shall in no event be liable for punitive, incidental or consequential damages.

Section 2.02. Establishment of Paying Agent Account. Upon the execution of this Agreement, the Paying Agent shall establish and maintain a segregated trust account (the "Paying Agent Account") with the corporate trust department of Wilmington Trust Company in the name of the Escrow Agent, bearing a designation clearly indicating that the funds deposited therein are held in trust for the benefit of the Escrow Agent. It is expressly understood by the parties hereto that the Paying Agent is acting as the paying agent and trustee of the Escrow Agent hereunder and that no amounts on deposit in the Paying Agent Account constitute part of the Trust Property. The Paying Agent shall be under no obligation to invest any amounts held by it pursuant to the terms of this Agreement and the funds held in the Paying Agent Account shall not earn or accrue interest.

Section 2.03. Payments from Paying Agent Account. The Escrow Agent hereby irrevocably instructs the Paying Agent, and the Paying Agent agrees to act, as follows:

(a) On each Interest Payment Date (as defined in the Deposit Agreement) or as soon thereafter as the Paying Agent has confirmed receipt in the Paying Agent Account from the Depository of any amount in respect of accrued interest on the Deposits (other than as part of any Replacement Withdrawal, Event of Loss Withdrawal or Final Withdrawal), the Paying Agent shall distribute out of the Paying Agent Account the entire amount deposited therein by the Depository. There shall be so distributed to each Receipholder of record in the Register on the 15th day (whether or not a Business Day) preceding such Interest Payment Date by check mailed to such Receipholder, at the address appearing in the Register, such Receipholder's pro rata share (based on the Escrow Interest in the Account Amounts held by such Receipholder) of the total amount of interest deposited by the Depository in the Paying Agent Account on such date, except that, with respect to Escrow Receipts registered on the record date specified above in the name of a nominee of The Depository Trust Company ("DTC"), such distribution shall be made by wire transfer in immediately available funds to the account designated by DTC.

(b) Upon the confirmation by the Paying Agent of receipt in the Paying Agent Account from the Depository of any amount in respect of any Final Withdrawal or any Event of Loss Withdrawal, the Paying Agent shall forthwith distribute the entire amount of the Final Withdrawal or such Event of Loss Withdrawal deposited therein by the Depository. There shall be so distributed to each Receipholder of record on the 15th day (whether or not a Business Day) preceding the Final Withdrawal Date or the Event of Loss Withdrawal Date, as applicable, by check mailed to such Receipholder, at the address appearing in the Register, such Receipholder's pro rata share (based on the Escrow Interest in the Account Amounts held by such Receipholder) of the total amount in the Paying Agent Account on account of such Final Withdrawal or such Event of Loss Withdrawal, except that, with respect to Escrow Receipts registered on the record date specified above in the name of a nominee of DTC, such distribution shall be made by wire transfer in immediately available funds to the account designated by DTC.

(c) Upon the confirmation by the Paying Agent of receipt in the Paying Agent Account from the Depository of any amount referred to in clause (y) of Section 1.02(d)(X) in respect of the Replacement Withdrawal, on the immediately succeeding Interest Payment Date, the Paying Agent shall distribute out of the Paying Agent Account the entire such amount deposited therein by the Depository. There shall be so distributed to each Receipholder of record in the Register on the 15th day (whether or not a Business Day) preceding such Interest Payment Date by check mailed to such Receipholder, at the address appearing in the Register, such Receipholder's pro rata share (based on the Escrow Interest in the Account Amounts held by such Receipholder) of the total amount of interest deposited by the Depository in the Paying Agent Account on such date, except that, with respect to Escrow Receipts registered on the record date

specified above in the name of a nominee of DTC, such distribution shall be made by wire transfer in immediately available funds to the account designated by DTC.

(d) If any payment of interest referred to in Section 2.03(a) or of interest or principal in respect of any Final Withdrawal, any Replacement Withdrawal or any Event of Loss Withdrawal is not received by the Paying Agent within five days of the applicable date when due, then it shall be distributed to Receiptholders after actual receipt by the Paying Agent on the same basis as a Special Payment is distributed under the Pass Through Trust Agreement.

(e) The Paying Agent shall include with any check mailed pursuant to this Section 2.03 any notice required to be distributed under the Pass Through Trust Agreement that is furnished to the Paying Agent by the Pass Through Trustee.

Section 2.04. Withholding Taxes. The Paying Agent shall exclude and withhold from each distribution of accrued interest on the Deposits (as defined in the Deposit Agreement) and any amount in respect of any Final Withdrawal and any Event of Loss Withdrawal any and all withholding taxes applicable thereto as required by law. The Paying Agent agrees to act as such withholding agent and, in connection therewith, whenever any present or future taxes or similar charges are required to be withheld with respect to any amounts payable in respect of the Deposits (as defined in the Deposit Agreement) or the escrow amounts, to withhold such amounts and timely pay the same to the appropriate authority in the name of and on behalf of the Receiptholders, that it will file any necessary withholding tax returns or statements when due, and that, as promptly as possible after the payment thereof, it will deliver to each such Receiptholder appropriate documentation showing the payment thereof, together with such additional documentary evidence as such Receiptholder may reasonably request from time to time. The Paying Agent agrees to file any other information reports as it may be required to file under United States law.

Section 2.05. Resignation or Removal of Paying Agent. Subject to the appointment and acceptance of a successor Paying Agent as provided below, the Paying Agent may resign at any time by giving 30 days' prior written notice thereof to the Escrow Agent, but may not otherwise be removed except for cause by the Escrow Agent. Upon any such resignation or removal, the Escrow Agent shall have the right to appoint a successor Paying Agent. If no successor Paying Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Paying Agent's giving of notice of resignation or the removal of the retiring Paying Agent, then the retiring Paying Agent may appoint a successor Paying Agent. Any successor Paying Agent shall be a bank or a trust company which has an office in the United States with a combined capital and surplus of at least \$100,000,000. Upon the acceptance of any appointment as Paying Agent hereunder by a successor Paying Agent, such successor Paying Agent shall enter into such documents as the Escrow Agent shall require and shall

thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Paying Agent, and the retiring Paying Agent shall be discharged from its duties and obligations hereunder.

Section 2.06. Notice of Final Withdrawal. Promptly after receipt by the Paying Agent of notice that the Escrow Agent has requested a Final Withdrawal or that a Final Withdrawal will be made, the Paying Agent shall cause notice of the distribution of the Final Withdrawal to be mailed to each of the Receiptholders at its address as it appears in the Register. Subject to (i) the proviso at the end of the first sentence of Section 1.02(f) and (ii) the second sentence of Section 1.02(f), such notice shall be mailed not less than 15 days prior to the Final Withdrawal Date. Such notice shall set forth:

- (i) the Final Withdrawal Date and the date for determining Receiptholders of record who shall be entitled to receive distributions in respect of the Final Withdrawal,
- (ii) the amount of the payment in respect of the Final Withdrawal for each \$1,000 face amount Certificate (based on information provided by the Pass Through Trustee) and the amount thereof constituting unused Deposits (as defined in the Deposit Agreement) and interest thereon, and
- (iii) if the Final Withdrawal Date is the same date as a Regular Distribution Date, the total amount to be received on such date for each \$1,000 face amount Certificate (based on information provided by the Pass Through Trustee).

Such mailing may include any notice required to be given to Certificateholders in connection with such distribution pursuant to the Pass Through Trust Agreement.

Section 2.07. Notice of Event of Loss Withdrawal. Promptly after receipt by the Paying Agent of notice that the Escrow Agent has requested an Event of Loss Withdrawal or that an Event of Loss Withdrawal will be made, the Paying Agent shall cause notice of the distribution of such Event of Loss Withdrawal to be mailed to each of the Receiptholders at its address as it appears in the Register. Such notice shall be mailed not less than 15 days prior to the applicable Event of Loss Withdrawal Date. Such notice shall set forth:

- (i) the applicable Event of Loss Withdrawal Date and the date for determining Receiptholders of record who shall be entitled to receive distributions in respect of such Event of Loss Withdrawal,
- (ii) the amount of the payment in respect of such Event of Loss Withdrawal for each \$1,000 face amount Certificate (based on information provided by the Pass Through Trustee) and the amount thereof

constituting the applicable unused Deposit (as defined in the Deposit Agreement) and interest thereon, and

Such mailing may include any notice required to be given to Certificateholders in connection with such distribution pursuant to the Pass Through Trust Agreement.

Section 2.08. Further Assurances. Without limiting Section 8 of this Agreement, the Paying Agent agrees to take such actions, and execute such other documents, as may be reasonably requested by the Pass Through Trustee in order to effectuate the purposes of this Agreement or the Note Purchase Agreement and the performance by the Escrow Agent of its obligations hereunder or thereunder.

SECTION 3. Payments. If, notwithstanding the instructions in Section 4 of the Deposit Agreement that all amounts payable to the Escrow Agent under the Deposit Agreement be paid by the Depository directly to the Paying Agent, the Pass Through Trustee or a Replacement Depository (depending on the circumstances), the Escrow Agent receives any payment thereunder, then the Escrow Agent shall forthwith pay such amount in Dollars and in immediately available funds by wire transfer to (a) in the cases of (i) a payment of accrued interest on the Deposits (as defined in the Deposit Agreement), (ii) any Final Withdrawal, (iii) any Event of Loss Withdrawal or (iv) any amount referred to in clause (y) of Section 1.02(d)(X) in respect of the Replacement Withdrawal, directly to the Paying Agent Account, (b) in the case of any Purchase Withdrawal, directly to the Pass Through Trustee or its designee as specified and in the manner provided in the Applicable Notice of Purchase Withdrawal, and (c) in the case of any amount referred to in clause (x) of Section 1.02(d)(X) in respect of the Replacement Withdrawal, to the Replacement Depository as provided in the Replacement Depository Agreement. The Escrow Agent hereby waives any and all rights of set-off, combination of accounts, right of retention or similar right (whether arising under applicable law, contract or otherwise) it may have against amounts payable to the Paying Agent howsoever arising.

SECTION 4. Other Actions. The Escrow Agent shall take such other actions under or in respect of the Deposit Agreement (including, without limitation, the enforcement of the obligations of the Depository thereunder) as the Investors, by an Action of Investors, may from time to time request, and agrees not to amend, supplement or otherwise modify the Deposit Agreement without an Action of Investors, except that, without limiting Sections 4(a)(v) and 5(e) of the Note Purchase Agreement, no such Action of Investors will be required for any amendment contemplated by such Sections of the Note Purchase Agreement.

SECTION 5. Representations and Warranties of the Escrow Agent. The Escrow Agent represents and warrants to American, the Investors, the Paying Agent and the Pass Through Trustee as follows:

(i) it is a national banking association duly organized and validly existing in good standing under the laws of the United States of America;

(ii) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement, the Deposit Agreement and any Replacement Deposit Agreement;

(iii) the execution, delivery and performance of each of this Agreement, the Deposit Agreement and any Replacement Deposit Agreement have been duly authorized by all necessary corporate action on the part of it and do not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and each such document (other than a Replacement Deposit Agreement) has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof or thereof except as such enforceability may be limited by bankruptcy, insolvency, moratorium, reorganization or other similar laws or equitable principles of general application to or affecting the enforcement of creditors' rights generally (regardless of whether such enforceability is considered in a proceeding in equity or at law);

(iv) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body governing its banking or trust powers is required for the execution, delivery or performance by it of this Agreement, the Deposit Agreement or any Replacement Deposit Agreement;

(v) neither the execution, delivery or performance by it of this Agreement, the Deposit Agreement or any Replacement Deposit Agreement, nor compliance with the terms and provisions hereof or thereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation applicable to the exercise of its banking or trust powers or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or any indenture, mortgage or contract or other agreement or instrument to which it is a party or by which it or any of its

properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and

(vi) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (A) would adversely affect the ability of it to perform its obligations under this Agreement, the Deposit Agreement or any Replacement Deposit Agreement or (B) would call into question or challenge the validity of this Agreement or the Deposit Agreement or the enforceability hereof or thereof in accordance with the terms hereof or thereof, nor is the Escrow Agent in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement or the Deposit Agreement.

SECTION 6. Representations and Warranties of the Paying Agent. The Paying Agent represents and warrants to American, the Investors, the Escrow Agent and the Pass Through Trustee as follows:

(i) it is a Delaware trust company duly organized and validly existing in good standing under the laws of the State of Delaware;

(ii) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement;

(iii) the execution, delivery and performance of this Agreement has been duly authorized by all necessary corporate action on the part of it and does not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and such document has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof except as such enforceability may be limited by bankruptcy, insolvency, moratorium, reorganization or other similar laws or equitable principles of general application to or affecting the enforcement of creditors' rights generally (regardless of whether such enforceability is considered in a proceeding in equity or at law);

(iv) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body governing its banking or trust powers is required for the execution, delivery or performance by it of this Agreement;

(v) neither the execution, delivery or performance by it of this Agreement, nor compliance with the terms and provisions hereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation applicable to its banking or trust powers or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or any indenture, mortgage or contract or other agreement or instrument to which it is a party or by which it or any of its properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and

(vi) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (A) would adversely affect the ability of it to perform its obligations under this Agreement or (B) would call into question or challenge the validity of this Agreement or the enforceability hereof in accordance with the terms hereof, nor is the Paying Agent in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement.

SECTION 7. Indemnification. Except for actions expressly required of the Escrow Agent or the Paying Agent hereunder, each of the Escrow Agent and the Paying Agent shall in all cases be fully justified in failing or refusing to act hereunder unless it shall have been indemnified by the party requesting such action in a manner reasonably satisfactory to it against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. In the event American requests any amendment to any Operative Agreement (as defined in the Note Purchase Agreement), the Pass Through Trustee agrees to pay all reasonable fees and expenses (including, without limitation, fees and disbursements of counsel) of the Escrow Agent and the Paying Agent in connection therewith.

SECTION 8. Amendment, Etc. Upon request of the Pass Through Trustee and approval by an Action of Investors, the Escrow Agent and Paying Agent shall enter into an amendment to this Agreement or the Note Purchase Agreement, so long as such amendment does not adversely affect the rights or obligations of the Escrow Agent or the Paying Agent; provided that (i) without limiting Sections 4(a)(v) and 5(e) of the Note Purchase Agreement, no such request or approval will be required for any amendment contemplated by such Sections of the Note Purchase Agreement and (ii) upon request of the Pass Through Trustee and without any consent of the Investors, the Escrow Agent

and Paying Agent shall enter into an amendment to this Agreement or the Note Purchase Agreement for any of the following purposes:

- (1) to correct or supplement any provision in this Agreement or the Note Purchase Agreement which may be defective or inconsistent with any other provision herein or therein or to cure any ambiguity or correct any mistake; or
- (2) to modify any other provision with respect to matters or questions arising under this Agreement or the Note Purchase Agreement, provided that any such action shall not materially adversely affect the interests of the Investors; or
- (3) to comply with any requirement of the SEC, applicable law, rules or regulations of any exchange or quotation system on which the Certificates are listed or any regulatory body; or
- (4) to evidence and provide for the acceptance of appointment under this Agreement or the Note Purchase Agreement of a successor Escrow Agent, successor Paying Agent or successor Pass Through Trustee; or

SECTION 9. Notices. Unless otherwise expressly provided herein, any notice or other communication under this Agreement shall be in English and in writing and given by United States registered or certified mail, return receipt requested, overnight courier service or facsimile, and any such notice shall be effective when received (or, if delivered by facsimile, upon completion of transmission and confirmation by the sender (by a telephone call to a representative of the recipient or by machine confirmation) that such transmission was received). The Escrow Agent may conclusively rely on such certificate until the Escrow Agent receives written notice from the Pass Through Trustee to the contrary.

The Escrow Agent shall notify the Receiptholders in the event of a default in the payment of interest on the Deposits when due in accordance with the Deposit Agreement or a default in the payment of any Final Withdrawal, any Replacement Withdrawal or any Event of Loss Withdrawal in accordance with the terms of the Deposit Agreement and this Agreement and shall promptly forward to Receiptholders upon receipt copies of all written communications relating to any payments due to the Receiptholders in respect of the Deposits.

SECTION 10. Transfer. transactions contemplated hereby may not be enforced in or by such courts, (c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to each party hereto at its address set forth in Section 9 hereof, or at such other address of which the other parties shall have been notified pursuant thereto; and (d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

Each counterpart of this Agreement including a signature page or pages executed by each of the parties hereto shall be an original counterpart of this Agreement, but all of such counterparts together constitute one instrument. The parties intend that faxed signatures and electronically imaged signatures such as .pdf files shall constitute original signatures and are binding on all parties. The original documents shall be promptly delivered, if requested.

SECTION 16. Rights of Holders. Each Receiptholder shall have the right (individually and without the need for any other action of any Person, including the Escrow Agent or any other Receiptholder), upon any default in the payment of interest on the Deposits when due by the Depository in accordance with the Deposit Agreement, or upon any default in the payment of any Final Withdrawal, any Replacement Withdrawal or any Event of Loss Withdrawal when due by the Depository in accordance with the terms of the Deposit Agreement and this Agreement, (i) to proceed directly against the Depository by making a demand to the Depository for the portion of such payment that would have been distributed to such Receiptholder pursuant to this Agreement or by bringing suit to enforce payment of such portion and (ii) to enforce any other rights that the Escrow Agent may have in respect of amounts due from the Depository under the Deposit Agreement and this Agreement that would have been distributed to such Receiptholder pursuant to this Agreement. Any recovery on such enforcement action shall belong solely to the Receiptholder who brought such action, and not to the Escrow Agent or any other Receiptholder individually or to Receiptholders as a group.

SECTION 1. Financing of Aircraft.

(a) Agreement to Finance. The Company confirms that it has entered into each Aircraft Purchase Agreement with the applicable Manufacturer pursuant to which the Company has agreed to purchase, and such Manufacturer has agreed to deliver, the New Delivery Aircraft in the months specified in Schedule I hereto, all on and subject to terms and conditions specified in such Aircraft Purchase Agreement. The Company agrees to finance all Aircraft in the manner provided herein, all on and subject to the terms and conditions hereof and of the applicable Financing Agreements, by the date referred to in clause (a) of the definition of Delivery Period Termination Date.

(b) Funding Notice. In furtherance of the foregoing, and in respect of each Aircraft, the Company agrees to give the parties hereto, the Depository and each of the Rating Agencies not less than three Business Days' prior notice (including in the case of a substitute Funding Notice under Section 1(f) or a Funding Notice in respect of a Substitute Aircraft under Section 1(h)), substantially in the form of **Exhibit A** hereto (each, a "Funding Notice"), of the date scheduled for the financing as contemplated hereby in respect of such Aircraft (the "Funding Date"), which notice shall:

(i) specify the Funding Date of such Aircraft (which shall be a Business Day on or prior to the Cut-Off Date);

(ii) instruct each Pass Through Trustee of each Pass Through Trust then in existence to enter into the Participation Agreement included in the Financing Agreements with respect to such Aircraft in such form and at such a time on or before the Funding Date as specified in such Funding Notice and to perform its obligations thereunder;

(iii) instruct each Pass Through Trustee to deliver to the applicable Escrow Agent the “Withdrawal Certificate” and the related “Applicable Notice of Purchase Withdrawal” contemplated by Section 1.02(c) of the applicable Escrow and Paying Agent Agreement with respect to the Equipment Notes to be issued to such Pass Through Trustee in connection with the financing of such Aircraft; and

(iv) specify the aggregate principal amount of each series of Equipment Notes to be issued, and purchased by each Pass Through Trustee, in connection with the financing of such Aircraft scheduled to be consummated on such Funding Date (which aggregate principal amount shall be as specified in, or as adjusted in accordance with, as the case may be, the Required Terms).

(c) [Reserved].

(d) Entering into Financing Agreements. Upon receipt of a Funding Notice, each Pass Through Trustee of each Pass Through Trust then in existence shall, and shall cause the Subordination Agent to, enter into and perform their obligations under each applicable Participation Agreement and follow the other instructions specified in such Funding Notice; provided that, with respect to each Aircraft to be financed:

(i) subject to clauses (ii)-(iv) immediately below, the applicable Participation Agreement and the applicable Indenture, as executed and delivered, shall be substantially in the respective forms thereof annexed hereto and (x) the amortization schedule for each Equipment Note shall be as set forth in the relevant table attached as part of **Schedule III** hereto and (y) the relevant Financing Agreements shall provide for the purchase by the applicable Pass Through Trustee of Equipment Notes of the related series in the principal amounts specified in **Schedule III** hereto;

(ii) subject to clauses (iii) and (iv) immediately below, if (x) the Company shall have obtained from each Rating Agency a Rating Agency Confirmation with respect to each Class of Certificates then rated by such Rating Agency in connection with any material modifications of the applicable Financing Agreements from the forms of Financing Agreements annexed hereto (including the form of Equipment Note included in the form Indenture annexed hereto) and delivered such Rating Agency Confirmation to each Pass Through Trustee of each Pass Through Trust then in existence on or before the applicable Funding Date or (y) such Rating Agency Confirmation shall have been obtained with respect to material modifications of the Financing Agreements relating to another or any Aircraft or with respect to material modifications of the forms of the Financing Agreements annexed hereto and the applicable Financing Agreements incorporate such material modifications without additional material modifications, the applicable Financing Agreements, as executed and delivered, may incorporate such material modifications, if any;

(iii) the applicable Financing Agreements, as executed and delivered, shall comply with the Required Terms; and

(iv) the Company is not required to obtain or deliver a Rating Agency Confirmation or a certification pursuant to Section 2(b)(ii) of this Note Purchase Agreement in connection with any modifications to the applicable Financing Agreements that are not material or that are expressly permitted by the Required Terms or by Section 5(e) of this Note Purchase Agreement.

Notwithstanding the foregoing, (x) the Financing Agreements with respect to any Aircraft and the forms of Financing Agreements annexed hereto may be modified to the extent required for the issuance, the successive repayment and issuance or the successive redemption and issuance, as applicable, of Equipment Notes or Additional Series Equipment Notes, as the case may be, pursuant to Section 4(a)(v) of this Note Purchase Agreement, subject to the terms of such Section and of Section 8.01(c) or 8.01(d) of the Intercreditor Agreement, whichever may be applicable, and the Company shall pay the reasonable costs and expenses of the Rating Agencies in connection with obtaining any Rating Agency Confirmation in connection therewith, and (y) the Company is not required to deliver a certification pursuant to Section 2(b)(ii) of this Note Purchase Agreement in connection with any modifications of the Financing Agreements contemplated by this sentence. With respect to each Aircraft, the Company shall cause WTC (or such other Person that meets the eligibility requirements to act as loan trustee under the applicable Indenture) to execute as the applicable Loan Trustee the Financing Agreements relating to such Aircraft to which such Loan Trustee is intended to be a party, and shall concurrently therewith execute such Financing Agreements to which the Company is intended to be a party and perform its respective obligations thereunder. Upon the request of one or more Rating Agencies, the Company shall deliver or cause to be delivered to such Rating Agency or Rating Agencies a true and complete copy of each Financing Agreement relating to the financing of each Aircraft, together with a true and complete set of the closing documentation (including legal opinions) delivered to the applicable Loan Trustee, the Subordination Agent and each Pass Through Trustee of each Pass Through Trust then in existence under the applicable Participation Agreement.

(e) Registration of Equipment Notes. The Company agrees that all Equipment Notes issued pursuant to any Indenture to which an Aircraft shall have been subjected shall initially be registered in the name of the Subordination Agent on behalf of the applicable Pass Through Trustee (or, in the case of any Additional Series Equipment Notes, on behalf of the Additional Series Pass Through Trustee with respect to the corresponding Additional Series Pass Through Certificates).

(f) Postponement of Delivery and Funding. If, on the Funding Date for any New Delivery Aircraft, the financing of such New Delivery Aircraft as contemplated hereunder shall not be consummated for whatever reason, the Company shall give the parties hereto and the Depositary prompt notice thereof. Promptly after the Company has identified a new Funding Date on which such New Delivery Aircraft may be subjected to the financing as provided herein (all on and subject to the terms and conditions hereof and of the applicable Financing Agreements), the Company shall give the parties hereto

and the Depository a substitute Funding Notice specifying such new Funding Date for such New Delivery Aircraft. Upon receipt of any such substitute Funding Notice, each Pass Through Trustee of each Pass Through Trust then in existence shall comply with its obligations under Section 7.01 of the applicable Trust Supplement and thereafter the financing of such New Delivery Aircraft, as specified in such substitute Funding Notice, shall take place on the re-scheduled Funding Date therefor (all on and subject to the terms and conditions hereof and of the applicable Financing Agreements) unless further postponed as provided herein.

(g) Delivery of New Delivery Aircraft from a Manufacturer. Anything in this Section 1 or elsewhere to the contrary notwithstanding, the Company shall have the right to accept delivery of any New Delivery Aircraft from the applicable Manufacturer under the applicable Aircraft Purchase Agreement prior to the Funding Date for such New Delivery Aircraft by utilization of bridge financing of such New Delivery Aircraft or using the Company's own funds or otherwise and to specify a Funding Date for such New Delivery Aircraft that, in the case of any New Delivery Aircraft that is not a Substitute Aircraft, shall be no later than 90 days after the delivery of such New Delivery Aircraft to the Company by the applicable Manufacturer under the applicable Aircraft Purchase Agreement and, in each case, shall be no later than the Cut-Off Date and otherwise complying with the provisions of Section 1(b) hereof.

(h) Substitute Aircraft. If the Funding Date for any New Delivery Aircraft is delayed more than 30 days beyond the last day of the month set forth opposite such New Delivery Aircraft under the heading "Scheduled Delivery Month" in Schedule I hereto, the Company may substitute therefor an aircraft not included in the New Delivery Aircraft, but meeting the following conditions (each, a "Substitute Aircraft" and, collectively, the "Substitute Aircraft"): (i) a Substitute Aircraft must be of the same model as the New Delivery Aircraft being replaced and (ii) the Company shall obtain a Rating Agency Confirmation with respect to each Class of Certificates then rated by the Rating Agencies in connection with the replacement of any New Delivery Aircraft by a Substitute Aircraft. Upon the satisfaction of the conditions set forth above with respect to a Substitute Aircraft, the New Delivery Aircraft it replaced shall cease to be subject to this Note Purchase Agreement and all rights and obligations of the parties hereto concerning such New Delivery Aircraft shall cease, and such Substitute Aircraft shall become, and thereafter be, subject to the terms and conditions of this Note Purchase Agreement to the same extent as such New Delivery Aircraft.

(i) No Liability for Failure to Purchase Equipment Notes. The Company shall have no liability for the failure of any Pass Through Trustee to purchase Equipment Notes with respect to any Aircraft or Substitute Aircraft.

(j) Withdrawals Limited to Available Deposits. Anything herein to the contrary notwithstanding, the Company shall not have the right, and shall not be entitled, at any time to request the issuance of Series AA Equipment Notes or Series A Equipment Notes in respect of the Aircraft to the Class AA Pass Through Trustee or Class A Pass Through Trustee, respectively, in an aggregate principal amount in excess of the amount

of the Deposits then available for withdrawal by the Escrow Agent under and in accordance with the provisions of the applicable Deposit Agreement.

(k) Notice of Event of Loss. In the case of any Aircraft, if, prior to the date on which such Aircraft is subjected to a financing in the manner provided herein, an event has occurred and is continuing that constitutes an Event of Loss (as defined in the form of the Indenture annexed hereto, as such form is modified from time to time in accordance with the terms hereof) with respect to such Aircraft or that would constitute such an Event of Loss but for the requirement that notice be given or time elapse or both, the Company will as promptly as practicable (and, in any event, within 15 days after the occurrence of the relevant Event of Loss) give notice of such event to each Pass Through Trustee and the Subordination Agent and instruct each Pass Through Trustee, and each Pass Through Trustee agrees, to execute and deliver to the applicable Escrow Agent a duly completed Withdrawal Certificate (as defined in the applicable Escrow and Paying Agent Agreement) together with a relevant Notice of Event of Loss Withdrawal (as defined in the applicable Escrow and Paying Agent Agreement).

SECTION 2. Conditions Precedent. (a) no Triggering Event shall have occurred;

(b) subject to Section 1(d)(iv) and the last paragraph of Section 1(d), the Company shall have delivered a certificate to each Pass Through Trustee of each Pass Through Trust then in existence and each Liquidity Provider stating that (i) such Participation Agreement and the other Financing Agreements to be entered into pursuant to such Participation Agreement comply with the Required Terms and (ii) if any substantive modifications of such Financing Agreements from the forms of Financing Agreements attached to this Note Purchase Agreement have been made, (x) such substantive modifications do not materially and adversely affect the Holders of the Class AA Certificates, the Holders of the Class A Certificates, the Holders of any Additional Series Pass Through Certificates (if any) or any Liquidity Provider and (y) if required pursuant to Section 1(d)(ii), the Company has obtained from each Rating Agency a Rating Agency Confirmation with respect to each Class of Certificates then rated by such Rating Agency with respect to such modifications, and such certification shall be true and correct;

(c) such Pass Through Trustee shall not have received any notice pursuant to Section 1(k) of a relevant event with respect to such Aircraft; and

(a) Depository Downgrade and Option to Replace. If (1) the Depository's Long-Term Rating issued by a Rating Agency is downgraded below the Depository Threshold Rating unless American shall have received a written confirmation from each Rating Agency to the effect that such downgrade of the Depository will not result in a downgrade, withdrawal, suspension or reduction of the rating of each Class of Certificates rated by such Rating Agency below the then current rating for such Certificates or (2) the Company, in its sole discretion, gives written notice to the Depository of the Company's election that the Depository be replaced, the Company shall, within 30 days after such event occurring, cause the Depository to be replaced with a depository bank meeting the terms and on the conditions set forth in Section 5(c) (a "Replacement Depository").

Upon satisfaction of the conditions set forth in Section 5(c), the Company shall instruct each Pass Through Trustee, and each Pass Through Trustee agrees, to execute and deliver to the Escrow Agent a duly completed Withdrawal Certificate (as defined in the Escrow and Paying Agent Agreements) together with a Notice of Replacement Withdrawal (as defined in the Escrow and Paying Agent Agreements).

(a) Organization; Authority; Qualification. The Company is a corporation duly incorporated and validly existing in good standing under the laws of the State of Delaware, is a Certificated Air Carrier, is a Citizen of the United States, has the corporate power and authority to own or hold under lease its properties and to enter into and perform its obligations under the Operative Documents to which it is a party and is duly qualified to do business as a foreign corporation in good standing in each other jurisdiction in which the failure to so qualify would have a material adverse effect on the consolidated financial condition of the Company and its subsidiaries, considered as a whole, and its jurisdiction of organization (as such term is used in Article 9 of the Uniform Commercial Code as in effect in the State of Delaware) is Delaware.

(b) Corporate Action and Authorization; No Violations. The execution, delivery and performance by the Company of this Agreement and the other Operative Documents to which the Company is a party have been duly authorized by all necessary corporate action on the part of the Company, do not require any stockholder approval or approval or consent of any trustee or holder of any indebtedness or obligations of the Company, except such as have been duly obtained and are in full force and effect, and do not contravene any law, governmental rule, regulation, judgment or order binding on the Company or the certificate of incorporation or by-laws of the Company or contravene or result in a breach of, or constitute a default under, or result in the creation of any Lien (other than as permitted under the Indenture) upon the property of the Company under, any material indenture, mortgage, contract or other agreement to which the Company is a party or by which it or any of its properties may be bound or affected.

(c) Governmental Approvals. Neither the execution and delivery by the Company of this Agreement and the other Operative Documents to which it is a party, nor the consummation by the Company of any of the transactions contemplated hereby or thereby, requires the authorization, consent or approval of, the giving of notice to, the filing or registration with or the taking of any other

action in respect of, the Department of Transportation, the FAA or any other federal or state governmental authority or agency, or the International Registry, except for (i) the registration of the issuance and sale of the Pass Through Certificates under the Securities Act and under the securities laws of any state or other jurisdiction in which the Pass Through Certificates may be offered for sale if the laws of such state or other jurisdiction require such action, (ii) the qualification of the Pass Through Trust Agreements under the Trust Indenture Act, (iii) the orders, permits, waivers, exemptions, authorizations and approvals of the regulatory authorities having jurisdiction over the Company's ownership or use of the Aircraft required to be obtained on or prior to the Closing Date, which orders, permits, waivers, exemptions, authorizations and approvals have been duly obtained and are, or on the Closing Date will be, in full force and effect, (iv) the filings and registrations referred to in Section 4.01(e), (v) authorizations, consents, approvals, notices and filings required to be obtained, taken, given or made under securities or Blue Sky or similar laws of the various states and foreign jurisdictions, and (vi) consents, approvals, notices, registrations and other actions required to be obtained, given, made or taken only after the date hereof.

(d) Valid and Binding Agreements. This Agreement and each other Operative Document to which the Company is a party have been duly executed and delivered by the Company and constitute the legal, valid and binding obligations of the Company enforceable against the Company in accordance with their terms, except as the same may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the rights of creditors generally and by general principles of equity and except, in the case of the Indenture, as limited by applicable laws that may affect the remedies provided in the Indenture, which laws, however, do not make the remedies provided in the Indenture inadequate for the practical realization of the rights and benefits intended to be provided thereby.

(e) Filings and Recordation. Except for (i) the filing for recordation pursuant to the Transportation Code of the Indenture (with the Indenture Supplement covering the Aircraft attached), (ii) with respect to the security interests created by such documents, the filing of financing statements (and continuation statements at periodic intervals) under the Uniform Commercial Code of Delaware, and (iii) the registration on the International Registry of the International Interests (or Prospective International Interests) created under the Indenture (as supplemented by the Indenture Supplement covering the Aircraft), no further filing or recording of any document is necessary or advisable under the laws of the United States or any state thereof as of the Closing Date in order to establish and perfect the security interest in the Aircraft created under the Indenture in favor of the Loan Trustee as against the Company and any third parties in any applicable jurisdiction in the United States.

(f) Investment Company Act. The Company is not required to be registered as an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

(g) Title. As of the Closing Date, (i) the Company has good title to the Aircraft, free and clear of Liens other than Permitted Liens, (ii) the Aircraft has been duly certified by the FAA (subject only to the Company’s receipt of the applicable certificate from the FAA) as to type and airworthiness in accordance with the terms of the Indenture, (iii) the Indenture (with the Indenture Supplement covering the Aircraft attached) has been duly filed for recordation (or shall be in the process of being so duly filed for recordation) with the FAA pursuant to the Transportation Code, (iv) the Aircraft is duly registered with the FAA in the name of the Company and (v) the registration of the International Interests (or Prospective International Interests) created under the Indenture (as supplemented by the Indenture Supplement with respect to the Aircraft) has been effected (or is in the process of being effected) on the International Registry in accordance with the Cape Town Treaty.

(h) Section 1110. The Loan Trustee shall be entitled to the benefits of Section 1110 with respect to the Aircraft being subjected to the Lien of the Indenture on the Closing Date.

(i) Security Interest. The Indenture creates in favor of the Loan Trustee, for the benefit of the Noteholders, the Indenture Indemnitees and the Related Indenture Indemnitees, a valid and perfected Lien on the Aircraft purported to be subjected to the Lien of the Indenture on the Closing Date, subject to no equal or prior Lien, except Permitted Liens. There are no Liens of record with the FAA on the Aircraft being subjected to the Lien of the Indenture on the Closing Date other than the Lien of the Indenture and any Permitted Liens arising pursuant to clause (a) of the definition thereof and other than any Liens that will be released on such date. Other than (x) the International Interests (or Prospective International Interests) created under the Indenture (as supplemented by the Indenture Supplement covering the Aircraft) and (y) any International Interests (or Prospective International Interests) that appear on the International Registry as having been discharged, no International Interests with respect to the Aircraft have been registered on the International Registry as of the Closing Date.

Section 4.02. General Indemnity.

(a) Claims Defined. For the purposes of this Section 4.02, “Claims” shall mean any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs or expenses of whatsoever kind and nature (whether or not on the basis of negligence, strict or absolute liability or liability in tort) that may be imposed on, incurred

by, suffered by or asserted against an Indemnitee, as defined herein, and, except as otherwise expressly provided in this Section 4.02, shall include all reasonable out-of-pocket costs, disbursements and expenses (including reasonable out-of-pocket legal fees and expenses) of an Indemnitee in connection therewith or related thereto.

(b) Indemnitee Defined. For the purposes of this Section 4.02, "Indemnitee" means (i) WTC and the Loan Trustee, (ii) each separate or additional trustee appointed pursuant to Section 8.02 of the Indenture, (iii) so long as it holds any Equipment Notes as agent and trustee of any Pass Through Trustee, the Subordination Agent, (iv) so long as it is the holder of any Equipment Notes, each Pass Through Trustee, (v) each Liquidity Provider, (vi) any Related Noteholder, (vii) the Escrow Agent, (viii) the Paying Agent and (ix) each of their respective successors and permitted assigns in such capacities, agents, servants, officers, employees and directors (the respective agents, servants, officers, employees and directors of each of the foregoing Indemnitees, as applicable, together with such Indemnitee, being referred to herein collectively as the "Related Indemnitee Group" of such Indemnitee); provided that such Persons shall, to the extent they are not signatories to this Agreement, have expressly agreed in writing to be bound by the terms of this Section 4.02 prior to, or concurrently with, the making of a Claim hereunder. If an Indemnitee fails to comply with any duty or obligation under this Section 4.02 with respect to any Claim, such Indemnitee shall not, to the extent such failure was prejudicial to the Company, be entitled to any indemnity with respect to such Claim under this Section 4.02. No holder of a Pass Through Certificate in its capacity as such holder shall be an Indemnitee for purposes hereof.

(c) Claims Indemnified. Subject to the exclusions stated in Subsection 4.02(d), the Company agrees to indemnify, protect, defend and hold harmless on an After-Tax Basis each Indemnitee against Claims resulting from or arising out of the sale, purchase, acceptance, non-acceptance or rejection of the Aircraft under the Purchase Agreement or the ownership, possession, use, non-use, substitution, airworthiness, control, maintenance, repair, operation, registration, re-registration, condition, sale, lease, sublease, storage, modification, alteration, return, transfer or other disposition of the Aircraft, the Airframe, any Engine or any Part (including, without limitation, latent or other defects, whether or not discoverable, and any claim for patent, trademark or copyright infringement) by the Company, any Permitted Lessee or any other Person. Without limiting the foregoing and subject to, and without duplication of, the provisions of Section 6.01(a), the Company agrees to pay the reasonable ongoing fees, and the reasonable out-of-pocket costs and expenses of the Loan Trustee and, so long as it is the holder of any Equipment Notes, each Pass Through Trustee (including, without limitation, reasonable attorney's fees and disbursements and, to the extent payable as provided in the Indenture, reasonable compensation and expenses of such Person's agents) in connection with the transactions contemplated hereby.

(d) Claims Excluded. The following are excluded from the Company's agreement to indemnify an Indemnitee under this Section 4.02:

(i) any Claim to the extent such Claim is attributable to acts or events occurring after (A) the Lien of the Indenture has been discharged or (B) the transfer of possession of the Aircraft pursuant to Article IV of the Indenture except to the extent that such Claim is attributable to acts occurring in connection with the exercise of remedies pursuant to Section 4.02 of the Indenture following the occurrence and continuance of an Event of Default; provided that nothing in this clause (i) shall be deemed to release the Company from any of its obligations under the Operative Documents that expressly provide for performance after the termination of the Indenture;

(ii) any Claim to the extent such Claim is, or is attributable to, a Tax (or loss of any Tax benefit), except with respect to paying any indemnity on an After-Tax Basis;

(iii) any Claim to the extent such Claim is attributable to the negligence or willful misconduct of such Indemnitee or such Indemnitee's Related Indemnitee Group;

(iv) any Claim to the extent such Claim is attributable to the noncompliance by such Indemnitee or such Indemnitee's Related Indemnitee Group with any of the terms of, or any misrepresentation by an Indemnitee or its Related Indemnitee Group contained in, this Agreement, any other Operative Document or any Pass Through Document to which such Indemnitee or any of such Related Indemnitee Group is a party or any agreement relating hereto or thereto;

(v) any Claim to the extent such Claim constitutes a Lien attributable to such Indemnitee;

(vi) any Claim to the extent such Claim is attributable to the offer, sale, assignment, transfer, participation or other disposition of any Equipment Note or Pass Through Certificate, all or any part of such Indemnitee's interest in the Operative Documents or the Pass Through Documents or any interest in the Collateral or any similar security (whether voluntary or involuntary) by or on behalf of such Indemnitee or its Related Indemnitee Group other than during the occurrence and continuance of an Event of Default (provided that any such offer, sale, assignment, transfer, participation or other disposition during the occurrence and continuation of an Event of Default shall not be subject to indemnification unless it is made in accordance with the Indenture and applicable law);

(vii) any Claim to the extent such Claim is attributable to (A) a failure on the part of the Loan Trustee to distribute in accordance with this Agreement or any other Operative Document any amounts received and distributable by it hereunder or thereunder, (B) a failure on the part of the Subordination Agent to distribute in accordance with the Intercreditor Agreement any amounts received and distributable by it thereunder, (C) a failure on the part of any Pass Through Trustee to distribute in accordance with the Pass Through Trust Agreement to which it is a party any amounts received and distributable by it thereunder, (D) a failure on the part of the Escrow Agent to distribute in accordance with any Escrow Agreement any amounts received and distributable by it thereunder, (E) a failure on the part of the Paying Agent to distribute in accordance with any Escrow Agreement any amounts received and distributable by it thereunder or (F) a failure on the part of the Depository to pay funds payable by it in accordance with any Deposit Agreement;

(viii) any Claim to the extent such Claim is attributable to the authorization or giving or withholding of any future amendments, supplements, waivers or consents with respect to any Operative Document or any Pass Through Document, other than such as have been requested by the Company or that occur as the result of an Event of Default, or such as are expressly required or contemplated by the provisions of the Operative Documents or the Pass Through Documents;

(ix) any Claim to the extent such Claim is (A) paid by the Company pursuant to any indemnification, compensation or reimbursement provision of any other Operative Document or any Pass Through Document (without duplication of any payment obligation of the Company) or (B) payable or borne by a Person other than the Company pursuant to any provision of any Operative Document or any Pass Through Document;

(x) any Claim to the extent such Claim is an ordinary and usual operating or overhead expense;

(xi) any Claim to the extent such Claim is incurred on account of or asserted as a result of (A) any “prohibited transaction” within the meaning of Section 406 of ERISA or Section 4975 of the Code or any foreign, federal, state, or local law which is substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code (“Similar Law”) or (B) any breach of fiduciary duty under ERISA;

(xii) any Claim to the extent such Claim is attributable to one or more of the other aircraft financed through the offering of Pass Through Certificates (in the event of doubt, any Claim shall be allocated between the Aircraft and such

other aircraft in the same proportion that the then outstanding Equipment Notes bear to the then outstanding equipment notes issued with respect to the other aircraft and held by the Pass Through Trustees);

(xiii) any Claim to the extent such Claim is attributable to the offer or sale by an Indemnitee (or any member of such Indemnitee's Related Indemnitee Group) of any interest in the Aircraft, the Equipment Notes, the Pass Through Certificates, or any similar interest, in violation of the Securities Act or other applicable federal, state or foreign securities laws (other than any thereof caused by acts or omissions of the Company or any of its affiliates); and

(xiv) any Claim to the extent attributable to any amount which any Indemnitee expressly agrees to pay or such Indemnitee expressly agrees shall not be paid by or be reimbursed by Company.

(e) Insured Claims. In the case of any Claim indemnified by the Company hereunder that is covered by a policy of insurance maintained by the Company, each Indemnitee agrees to cooperate, at the Company's expense, with the insurers in the exercise of their rights to investigate, defend or compromise such Claim.

(f) Claims Procedure. An Indemnitee shall promptly notify the Company of any Claim as to which indemnification is sought; provided that the failure to provide such prompt notice shall not release the Company from any of its obligations to indemnify hereunder, except to the extent that the Company is prejudiced by such failure or the Company's indemnification obligations are increased as a result of such failure. Such Indemnitee shall promptly submit to the Company all additional information in such Indemnitee's possession to substantiate such request for payment to the Company as the Company shall reasonably request. Subject to the rights of insurers under policies of insurance maintained by the Company, the Company shall have the right, at its sole cost and expense, to investigate, and the right in its sole discretion to defend or compromise, any Claim for which indemnification is sought under this Section 4.02, and, at the Company's expense, the Indemnitee shall cooperate with all reasonable requests of the Company in connection therewith. Such Indemnitee shall not enter into a settlement or other compromise with respect to any Claim without the prior written consent of the Company, which consent shall not be unreasonably withheld or delayed, unless such Indemnitee waives its right to be indemnified with respect to such Claim under this Section 4.02. Where the Company or the insurers under a policy of insurance maintained by the Company undertake the defense of an Indemnitee with respect to a Claim, no additional legal fees or expenses of such Indemnitee in connection with the defense of such Claim shall be indemnified hereunder unless such fees or expenses were incurred at the written request of the Company or such insurers. Subject to the requirements of any policy of insurance, an Indemnitee may participate at its own expense in any judicial proceeding controlled by the Company pursuant to the preceding provisions; provided

that such party's participation does not, in the opinion of the counsel appointed by the Company or its insurers to conduct such proceedings, interfere with such control; and such participation shall not constitute a waiver of the indemnification provided in this Section 4.02. Notwithstanding anything to the contrary contained herein, the Company shall not under any circumstances be liable for the fees and expenses of more than one counsel for all Indemnitees.

(g) Subrogation. To the extent that a Claim indemnified by the Company under this Section 4.02 is in fact paid in full by the Company or an insurer under a policy of insurance maintained by the Company, the Company or such insurer, as the case may be, shall, without any further action, be subrogated to the rights and remedies of the Indemnitee on whose behalf such Claim was paid with respect to the transaction or event giving rise to such Claim. Such Indemnitee shall give such further assurances or agreements and shall cooperate with the Company or such insurer, as the case may be, to permit the Company or such insurer to pursue such rights and remedies, if any, to the extent reasonably requested by the Company. So long as no Event of Default shall have occurred and be continuing, if an Indemnitee receives any payment from any party other than the Company or its insurers, in whole or in part, with respect to any Claim paid by the Company or its insurers hereunder, it shall promptly pay over to the Company the amount received (but not an amount in excess of the amount the Company or any of its insurers has paid in respect of such Claim). Any amount referred to in the preceding sentence that is payable to the Company shall not be paid to the Company, or, if it has been previously paid directly to the Company, shall not be retained by the Company, if at the time of such payment an Event of Default shall have occurred and be continuing, but shall be paid to and held by the Loan Trustee as security for the obligations of the Company under this Agreement, the Indenture and the other Operative Documents, and, if the Company agrees, shall be applied against the Company's obligations hereunder and thereunder when and as they become due and payable and, at such time as there shall not be continuing any such Event of Default, such amount, to the extent not previously so applied against the Company's obligations, shall be paid to the Company.

(h) No Guaranty. Nothing set forth in this Section 4.02 shall constitute a guarantee by the Company that the Aircraft shall at any time have any particular value, useful life or residual value.

(i) Payments; Interest. Any amount payable to any Indemnitee pursuant to this Section 4.02 shall be paid within 30 days after receipt by the Company of a written demand therefor from such Indemnitee accompanied by a written statement describing in reasonable detail the Claims that are the subject of and basis for such indemnity and the computation of the amount payable. Any payments made pursuant to this Section 4.02 directly to an Indemnitee or to the Company, as the case may be, shall be made in immediately available funds at such bank or to such account as is specified by the payee in written directions to the payor or, if no such directions shall have been given, by check

of the payor payable to the order of the payee and mailed to the payee by certified mail, return receipt requested, postage prepaid to its address referred to in Section 7.01. To the extent permitted by applicable law, interest at the Past Due Rate shall be paid, on demand, on any amount or indemnity not paid when due pursuant to this Section 4.02 until the same shall be paid. Such interest shall be paid in the same manner as the unpaid amount in respect of which such interest is due.

ARTICLE V

REPRESENTATIONS, WARRANTIES AND COVENANTS OF WTC

Section 5.01. Representations, Warranties and Covenants of WTC. WTC, generally, and each of the Loan Trustee, the Subordination Agent and the Pass Through Trustee of each Pass Through Trust in existence as of the Closing Date as it relates to it, represents, warrants and covenants that:

(b) Due Authorization; No Violations. The execution, delivery and performance by WTC, individually or in its capacity as Loan Trustee, Subordination Agent or such Pass Through Trustee, as the case may be, of this Agreement, each of the other Operative Documents and each of the Pass Through Documents to which WTC, the Loan Trustee, the Subordination Agent or such Pass Through Trustee is a party, the performance by WTC, individually or in its capacity as Loan Trustee, Subordination Agent or such Pass Through Trustee, as the case may be, of its obligations thereunder and the consummation on the Closing Date or the Issuance Date, as the case may be, of the transactions contemplated thereby, and the authentication of the Equipment Notes and the Pass

Through Certificates, respectively, to be delivered on the Closing Date or the Issuance Date, as the case may be: (i) have been duly authorized by all necessary action on the part of WTC, the Loan Trustee, the Subordination Agent and such Pass Through Trustee, as the case may be, (ii) and do not violate any law or regulation of the United States or of the state of the United States in which WTC is located and which governs the trust powers of WTC or any order, writ, judgment or decree of any court, arbitrator or governmental authority applicable to WTC, the Loan Trustee, the Subordination Agent or such Pass Through Trustee or any of their assets, (iii) will not violate any provision of the charter of WTC and (iv) will not violate any provision of, or constitute a default under, any mortgage, indenture, contract, agreement or undertaking to which any of WTC, the Loan Trustee, the Subordination Agent or such Pass Through Trustee is a party or by which any of them or their respective properties may be bound or affected.

(c) Approvals. Neither the execution and delivery by WTC, individually or in its capacity as Loan Trustee, Subordination Agent or Pass Through Trustee, as the case may be, of this Agreement, any other Operative Document or any Pass Through Document to which WTC, the Loan Trustee, the Subordination Agent or such Pass Through Trustee is a party, nor the consummation by WTC, the Loan Trustee, the Subordination Agent or such Pass Through Trustee of any of the transactions contemplated hereby or thereby, requires the authorization, consent or approval of, the giving of notice to, the filing or registration with, or the taking of any other action in respect of, (i) any governmental authority or agency of the United States or the state of the United States where WTC is located and regulating the trust powers of WTC, or (ii) any trustee or other holder of any debt of WTC.

(d) Valid and Binding Agreements. This Agreement, each other Operative Document and each Pass Through Document to which WTC, the Loan Trustee, the Subordination Agent or such Pass Through Trustee is a party have been duly executed and delivered by WTC, individually and in its capacity as Loan Trustee, Subordination Agent or such Pass Through Trustee, as the case may be, and constitute the legal, valid and binding obligations of WTC, the Loan Trustee, the Subordination Agent and such Pass Through Trustee, to the extent it is a party thereto, enforceable against it in accordance with its terms, except as the same may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the rights of creditors generally and by general principles of equity.

(e) No Loan Trustee Liens or Other Party Liens. It unconditionally agrees with and for the benefit of the parties to this Agreement that it will not directly or indirectly create, incur, assume or suffer to exist any Loan Trustee

Lien or Other Party Lien attributable to it, and it agrees that it will, at its own cost and expense, promptly take such action as may be necessary to discharge and satisfy in full any such Lien.

(f) Intercreditor Agreement. The Equipment Notes to be issued to the Subordination Agent pursuant hereto are being acquired by it to be held under the Intercreditor Agreement.

(g) Funds Transfer Fees. Each of WTC, the Loan Trustee, the Subordination Agent and each Pass Through Trustee agrees that it will not impose any lifting charge, cable charge, remittance charge or any other charge or fee on any transfer by the Company of funds to, through or by WTC, the Loan Trustee, the Subordination Agent or such Pass Through Trustee pursuant to this Agreement, any other Operative Document or any Pass Through Document, except as may be otherwise agreed to in writing by the Company.

(h) Confidentiality. Each of WTC, the Loan Trustee, the Subordination Agent and any Pass Through Trustee agrees to be bound by the terms of Section 10.16 of the Indenture.

(i) Certain Tax Matters. There are no Taxes payable by WTC, the Loan Trustee, the Subordination Agent or such Pass Through Trustee imposed by the State of Delaware or any political subdivision or taxing authority thereof, in connection with the execution, delivery or performance by WTC, the Loan Trustee, the Subordination Agent or such Pass Through Trustee of any Operative Document or any Pass Through Document (other than franchise or other taxes based on or measured by any fees or compensation received by any such Person for services rendered in connection with the transactions contemplated by the Operative Documents or the Pass Through Documents), and there are no Taxes payable by such Pass Through Trustee imposed by the State of Delaware or any political subdivision thereof in connection with the acquisition, possession or ownership by such Pass Through Trustee of any of the Equipment Notes (other than franchise or other taxes based on or measured by any fees or compensation received by such Pass Through Trustee for services rendered in connection with the transactions contemplated by the Operative Documents or the Pass Through Documents) and, assuming that the Pass Through Trusts in existence as of the Closing Date will not be taxable for Federal income tax purposes as corporations, but, rather, will be characterized for such purposes as grantor trusts or partnerships, such Pass Through Trusts will not be subject to any Taxes imposed by the State of Delaware or any political subdivision thereof.

(j) Limitation on Situs of Activities. Except with the consent of the Company, which shall not be unreasonably withheld, WTC will act as Pass

Through Trustee, Subordination Agent and Loan Trustee solely through its offices within the State of Delaware, except for such services as may be performed for it by independent agents in the ordinary course of business, but not directly by it, in other states.

(k) No Proceedings. There are no pending or, to its knowledge, threatened actions or proceedings against WTC, the Loan Trustee, the Subordination Agent or such Pass Through Trustee before any court or administrative agency which individually or in the aggregate, if determined adversely to it, would materially adversely affect the ability of WTC, the Loan Trustee, the Subordination Agent or such Pass Through Trustee to perform its obligations under any Operative Document or any Pass Through Document.

(l) Other Representations. The representations and warranties contained in Section 7.15 of the Basic Pass Through Trust Agreement and Section 7.04 of each Trust Supplement are true, complete and correct as of the Closing Date.

ARTICLE VI

OTHER COVENANTS AND AGREEMENTS

Section 6.01. Other Agreements.

(a) Fees and Expenses. The Company agrees promptly to pay (without duplication of any other obligation the Company may have to pay such amounts) (1) the initial and annual fees and (to the extent the Loan Trustee is entitled to be reimbursed for its reasonable expenses) the reasonable expenses of the Loan Trustee in connection with the transactions contemplated hereby and (2) the following expenses incurred by the Loan Trustee, the Subordination Agent and the Pass Through Trustees in connection with the negotiation, preparation, execution and delivery of this Agreement, the other Operative Documents and the other documents or instruments referred to herein or therein:

(i) the reasonable fees, expenses and disbursements of (A) Morris James LLP, special counsel for the Loan Trustee, the Subordination Agent and the Pass Through Trustees of the Pass Through Trusts in existence as of the Closing Date and (B) Daugherty, Fowler, Peregrin, Haught & Jenson, a Professional Corporation, special FAA counsel in Oklahoma City, Oklahoma, in each case to the extent actually incurred; and

(ii) all reasonable expenses actually incurred in connection with printing and document production or reproduction expenses, and in connection with the filing of Uniform Commercial Code financing statements.

(b) Continuing Registration and Re-Registration. The Loan Trustee, the Noteholders, the Subordination Agent and each Pass Through Trustee agree to execute and deliver, at the Company's expense, all such documents and consents as the Company may reasonably request for the purpose of continuing the registration of the Aircraft at the FAA in the Company's name or for the purpose of registering or maintaining any registration on the International Registry in respect of the Aircraft. In addition, each of the Loan Trustee, the Subordination Agent, each Pass Through Trustee and any other Noteholder agrees, for the benefit of the Company, to cooperate with the Company in effecting any foreign registration of the Aircraft pursuant to Section 7.02(e) of the Indenture; provided that prior to any such change in the country of registry of the Aircraft the conditions set forth in Section 7.02(e) of the Indenture are met to the reasonable satisfaction of, or waived by, the Loan Trustee.

(c) Quiet Enjoyment. Each of WTC, the Loan Trustee, the Subordination Agent, each Pass Through Trustee and any other Noteholder and the Class AA Liquidity Provider (by having entered into the Class AA Liquidity Facility) and the Class A Liquidity Provider (by having entered into the Class A Liquidity Facility) agrees that, unless an Event of Default shall have occurred and be continuing, it shall not (and shall not permit any Affiliate or other Person claiming by, through or under it to) take any action contrary to, or otherwise in any way interfere with or disturb (and then only in accordance with the Indenture), the quiet enjoyment of the use and possession of the Aircraft, the Airframe, any Engine or any Part by the Company or any transferee of any interest in any thereof permitted under the Indenture.

(d) No Noteholder Liens. Each Noteholder, including, without limitation, the Subordination Agent and each Pass Through Trustee, unconditionally agrees with and for the benefit of the parties to this Agreement that it will not directly or indirectly create, incur, assume or suffer to exist any Noteholder Liens, and such Noteholder agrees that it will, at its own cost and expense, promptly take such action as may be necessary to discharge and satisfy in full any such Noteholder Lien; and each Noteholder hereby agrees to indemnify, protect, defend and hold harmless each Indemnitee and the Company against Claims in any way resulting from or arising out of a breach by it of its obligations under this Section 6.01(d).

(e) Agreement to be Bound; Transfer. By its acceptance of its Equipment Notes, each Noteholder unconditionally agrees for the benefit of the Company and the Loan Trustee: (i) to be bound by and to perform and comply with all of the terms of such Equipment Notes, the Indenture and this Agreement applicable to such Noteholder; and (ii) that it will not transfer any Equipment Note (or any part thereof) to any entity unless

such transfer complies with and does not violate the Transportation Code, the Securities Act (or require registration under such Act) or any other law (including, without limitation, ERISA, the Code and Similar Law), and does not create a relationship that would be in violation thereof, or result in a “prohibited transaction” under Section 406 of ERISA, Section 4975 of the Code or Similar Law or require qualification of an indenture under the Trust Indenture Act.

(f) Tax Returns. Each Pass Through Trustee shall file any tax returns required to be filed by the related Pass Through Trust and the Company shall pay the Applicable Portion of any expenses relating thereto. The Company shall be responsible for the Applicable Portion of any interest or penalties related to any Pass Through Trustee’s failure to file any such tax returns required to be filed by the relevant Pass Through Trust, except to the extent that such failure is attributable to the gross negligence or willful misconduct of such Pass Through Trustee. For purposes of this Section 6.01(f), the “Applicable Portion” of any amount shall equal such amount multiplied by a fraction, the numerator of which shall be the sum of the then outstanding aggregate principal amount of the Equipment Notes held by the relevant Pass Through Trustee, and the denominator of which shall be the sum of the outstanding aggregate principal amount of all “Equipment Notes” issued under each of the “Indentures” (in each case as defined in the Intercreditor Agreement) held by such Pass Through Trustee.

Section 6.02. Certain Covenants of the Company. The Company covenants and agrees with the Loan Trustee as follows:

(a) Further Assurances. On and after the Closing, the Company will cause to be done, executed, acknowledged and delivered such further acts, conveyances and assurances as the Loan Trustee shall reasonably request for accomplishing the purposes of this Agreement and the other Operative Documents; provided that any instrument or other document so executed by the Company will not expand any obligations or limit any rights of the Company in respect of the transactions contemplated by the Operative Documents.

(b) Filing and Recordation of the Indenture; Registration of International Interests. The Company, at its own expense, will cause the Indenture (with the Indenture Supplement covering the Aircraft attached) to be promptly filed and recorded, or filed for recording, with the FAA to the extent permitted under the Transportation Code and the rules and regulations of the FAA thereunder. In addition, on or prior to the Closing Date, the Company will direct and, as promptly as reasonably practical, cause the registration of the International Interests (or Prospective International Interests) created under the Indenture (as supplemented by the Indenture Supplement with respect to the Aircraft) to be effected on the International Registry in accordance with the Cape Town Treaty,

and shall, as and to the extent applicable, consent to such registration upon the issuance of a request for such consent by the International Registry.

(c) Maintenance of Filings. The Company, at its expense, will take, or cause to be taken, such action with respect to the due and timely recording, filing, re-recording and refiling of the Indenture and any financing statements and any continuation statements or other instruments as are necessary to maintain, so long as the Indenture is in effect, the perfection of the security interests created by the Indenture or will furnish the Loan Trustee timely notice of the necessity of such action, together with such instruments, in execution form, and such other information as may be required to enable the Loan Trustee to take such action. In addition, the Company will pay any and all recording, stamp and other similar taxes payable in the United States, and in any other jurisdiction where the Aircraft is registered, in connection with the execution, delivery, recording, filing, re-recording and refiling of the Indenture or any such financing statements or other instruments. The Company will notify the Loan Trustee of any change in its jurisdiction of organization (as such term is used in Article 9 of the Uniform Commercial Code as in effect in the State of Delaware) promptly after making such change or in any event within the period of time necessary under applicable law to prevent the lapse of perfection (absent refiling) of financing statements filed under the Operative Documents.

(d) Maintenance of Corporate Existence. The Company shall at all times maintain its corporate existence except as permitted by Section 6.02(e).

(e) Merger; Consolidation; Transfer of Substantially All Assets. The Company shall not consolidate with or merge into any other Person or convey, transfer or lease substantially all of its assets as an entirety to any Person, unless:

(i) the Person formed by such consolidation or into which the Company is merged or the Person that acquires by conveyance, transfer or lease substantially all of the assets of the Company as an entirety shall, if and to the extent required under Section 1110 in order that the Loan Trustee shall continue to be entitled to any benefits of Section 1110 with respect to the Aircraft, be a Citizen of the United States and a Certificated Air Carrier and shall execute and deliver to the Loan Trustee an agreement containing the express assumption by such successor Person (if other than the Company) of the due and punctual performance and observance of each covenant and condition of the Operative Documents to which the Company is a party to be performed or observed by the Company;

(ii) immediately after giving effect to such transaction, no Event of Default shall have occurred and be continuing; and

(iii) except in a case where the Company is the surviving Person of any merger or consolidation, the Company shall have delivered to the Loan Trustee and each Liquidity Provider a certificate signed by a Responsible Officer of the Company stating that such consolidation, merger, conveyance, transfer or lease and the assumption agreement mentioned in clause (i) above comply with this Section 6.02(e) and that all conditions precedent herein provided relating to such transaction have been complied with.

Upon any consolidation or merger, or any conveyance, transfer or lease of substantially all of the assets of the Company as an entirety in accordance with this Section 6.02(e), the successor Person formed by such consolidation or into which the Company is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Agreement and the other Operative Documents with the same effect as if such successor Person had been named as the Company herein. If the Aircraft is at the time registered with the FAA, at the time of, or promptly following, any such consolidation or merger, such Person will make such filings and recordings with the FAA pursuant to the Transportation Code and registration under the Cape Town Treaty as shall be necessary to evidence such consolidation or merger. If the Aircraft is at the time not registered with the FAA, at the time of, or promptly following, any such consolidation or merger, such Person will make such filings and recordings with the applicable aviation authority as shall be necessary to evidence such consolidation or merger, and if the Person formed by such consolidation or into which the Company is merged is located in a "Contracting State" (as such term is used in the Cape Town Treaty), at the time of, or promptly following, any such consolidation or merger, such Person will also make such registration under the Cape Town Treaty as shall be necessary to evidence such consolidation or merger.

(f) Section 1110. The Company shall, for as long as and to the extent required under Section 1110 in order that the Loan Trustee shall be entitled to any of the benefits of Section 1110 with respect to the Aircraft, remain a Certificated Air Carrier.

Unless otherwise expressly specified or permitted by the terms hereof, all notices required or permitted under the terms and provisions of this Agreement shall be in English and in writing, and given by registered or certified United States mail, overnight courier service or facsimile, and any such notice shall be effective when received (or, if delivered by facsimile, upon completion of transmission and

confirmation by the sender (by a telephone call to a representative of the recipient or by machine confirmation) that such transmission was received), and addressed as follows: (a) if to the Company, WTC, the Loan Trustee, the Subordination Agent or any Pass Through Trustee, to its respective address (including facsimile number) set forth on **Schedule I**, or (b) if to any subsequent Noteholder, addressed to such Noteholder at its address set forth in the Equipment Note Register maintained pursuant to Section 2.07 of the Indenture.

Any party, by notice to the other parties hereto, may designate additional or different addresses for subsequent notices or communications. Whenever the words “notice” or “notify” or similar words are used herein, they mean the provision of formal notice set forth in this Section 7.01.

Section 7.02. Survival of Indemnities, Covenants and Agreements. The indemnities set forth in Section 4.02 of this Agreement and the confidentiality obligations set forth in Section 5.01(h) of this Agreement shall survive the making of the loans, the transfer of any interest by any Noteholder of its Equipment Note and the expiration or termination of any Operative Documents (in the case of the indemnities set forth in Section 4.02 of this Agreement, to the extent arising out of acts or events occurring prior to such expiration or termination).

Section 7.03. Governing Law. THIS AGREEMENT HAS BEEN DELIVERED IN THE STATE OF NEW YORK AND SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE.

Section 7.04. Severability. To the extent permitted by applicable law, any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 7.05. No Oral Modifications or Continuing Waivers; Consents. Subject to Section 9.03 of the Indenture, no terms or provisions of this Agreement may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against which the enforcement of the change, waiver, discharge or termination is sought; provided that no such change, waiver, discharge or termination shall be effective unless a signed copy thereof is delivered to the Loan Trustee.

Section 7.06. Effect of Headings and Table of Contents. The headings of the various Articles and Sections herein and in the Table of Contents are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

Section 7.07. Successors and Assigns. All covenants, agreements, representations and warranties in this Agreement by the Company, by WTC, individually or as Loan Trustee, Subordination Agent or Pass Through Trustee, or by any Noteholder, shall bind and inure to the benefit of and be enforceable by the Company, and subject to the terms of Section 6.02(e), its successors and permitted assigns, each Pass Through Trustee and any successor or other trustee under the Pass Through Trust Agreement to which it is a party, the Subordination Agent and its successor under the Intercreditor Agreement and the Loan Trustee and its successor under the Indenture, whether so expressed or not.

Section 7.08. Benefits of Agreement. Nothing in this Agreement, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder, any benefit or any legal or equitable right, remedy or claim under this Agreement, except as provided expressly herein. The Company agrees and acknowledges that the Indemnitees that are not parties to this Agreement are third party beneficiaries of the indemnities by the Company contained in Section 4.02 and that each Liquidity Provider is a third party beneficiary of the Company's representations and warranties in Section 4.01 and the covenant and agreement of the Company contained in Section 6.02(e), and that such Persons may rely on such indemnities, representations and warranties or covenants and agreements, as the case may be, to the same extent as if such indemnities, representations and warranties or covenants and agreements were made to such Indemnitees or such Liquidity Provider, as the case may be, directly. WTC, generally, and each of the Loan Trustee, the Subordination Agent and each Pass Through Trustee of each Pass Through Trust in existence as of the Closing Date, insofar as relating to each such Person, agrees and acknowledges that each Liquidity Provider is a third party beneficiary of the representations and warranties set forth in Section 5.01, and that such Liquidity Provider may rely on such representations and warranties to the same extent as if such representations and warranties were made to such Liquidity Provider directly.

Section 7.09. Counterparts. This Agreement may be executed in any number of counterparts (and each of the parties hereto shall not be required to execute the same counterpart). Each counterpart of this Agreement including a signature page or pages executed by each of the parties hereto shall be an original counterpart of this Agreement, but all of such counterparts shall together constitute one instrument.

Section 7.10. Submission to Jurisdiction. Each of the parties hereto, to the extent it may do so under applicable law, for purposes hereof and of all other Operative Documents hereby (a) irrevocably submits itself to the non-exclusive jurisdiction of the

courts of the State of New York sitting in the City of New York and to the non-exclusive jurisdiction of the United States District Court for the Southern District of New York, for the purposes of any suit, action or other proceeding arising out of this Agreement, the subject matter hereof or any of the transactions contemplated hereby brought by any party or parties hereto or thereto, or their successors or permitted assigns and (b) waives, and agrees not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that this Agreement or the subject matter hereof or any of the transactions contemplated hereby may not be enforced in or by such courts.

Section 7.11. No Petition. Each of the Company, the Loan Trustee, each Pass Through Trustee, the Subordination Agent and any other Noteholder covenants that, (i) until one year and one day after the Series AA Equipment Notes have been paid in full, it shall not acquiesce, petition or otherwise invoke or cause or join in invoking or causing the Class AA Pass Through Trust or any other Person to invoke the process of any governmental authority for the purpose of commencing or sustaining a case (whether voluntary or not) against the Class AA Pass Through Trust under any bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Class AA Pass Through Trust or any substantial part of its property or ordering the winding-up or liquidation of the affairs of the Class AA Pass Through Trust, (ii) until one year and one day after the Series A Equipment Notes have been paid in full, it shall not acquiesce, petition or otherwise invoke or cause or join in invoking or causing the Class A Pass Through Trust or any other Person to invoke the process of any governmental authority for the purpose of commencing or sustaining a case (whether voluntary or not) against the Class A Pass Through Trust under any bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Class A Pass Through Trust or any substantial part of its property or ordering the winding-up or liquidation of the affairs of the Class A Pass Through Trust and (iii) if any Additional Series Equipment Notes of any series shall have been issued, until one year and one day after such Additional Series Equipment Notes have been paid in full, it shall not acquiesce, petition or otherwise invoke or cause or join in invoking or causing the related Additional Series Pass Through Trust or any other Person to invoke the process of any governmental authority for the purpose of commencing or sustaining a case (whether voluntary or not) against such Additional Series Pass Through Trust under any bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of such Additional Series Pass Through Trust or any substantial part of its property or ordering the winding-up or liquidation of the affairs of such Additional Series Pass Through Trust.

Section 7.12. Section 1110. It is the intention of each of the Company, the Noteholders (such intention being evidenced by each of their acceptance of an Equipment

Note), the Loan Trustee and the other parties hereto that the security interest created by the Indenture, to the fullest extent available under applicable law, entitles the Loan Trustee, on behalf of the Noteholders, to all of the benefits of Section 1110 with respect to the Aircraft, Airframe, Engines and Parts.

Section 7.13. No Waiver. To the extent permitted by applicable law, no failure on the part of any party hereto to exercise, and no delay by any party hereto in exercising, any of its respective rights, powers, remedies or privileges under this Agreement or provided at law, in equity or otherwise shall impair, prejudice or constitute a waiver of any such right, power, remedy or privilege or be construed as a waiver of any breach hereof or default hereunder or as an acquiescence therein nor shall any single or partial exercise of any such right, power, remedy or privilege preclude any other or further exercise thereof by it or the exercise of any other right, power, remedy or privilege by it. To the extent permitted by applicable law, no notice to or demand on any party hereto in any case shall, unless otherwise required under this Agreement, entitle such party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of any party hereto to any other or further notice, in any circumstances without notice or demand.

Section 7.14. Further Assurances. Each party hereto shall execute, acknowledge and deliver or shall cause to be executed, acknowledged and delivered, all such further agreements, instruments, certificates or documents, and shall do and cause to be done such further acts and things, including, without limitation, making or consenting to registrations (or discharges thereof, as appropriate) with respect to the Indenture on the International Registry and appointing Daugherty, Fowler, Peregrin, Haught & Jenson, a Professional Corporation, as its “professional user entity” (as defined in the Cape Town Treaty) to make or consent to any registrations (or discharges thereof, as appropriate) on the International Registry with respect to the Airframe or any Engine, in any case, as any other party hereto shall reasonably request in connection with the administration of, or to carry out more effectively the purposes of, or to better assure and confirm to such other party the rights and benefits to be provided under this Agreement, the other Operative Documents and the Pass Through Documents.

To the Persons Listed on Schedule A

Re: Mortgage of [Number of Planes] [Aircraft Manufacturer] Model [] Aircraft with Manufacturer's Serial Number [MSN] and U.S. Registration Number N[REG]

Ladies and Gentlemen:

We have acted as special New York counsel to American Airlines, Inc., a Delaware corporation (the "Company"), in connection with the transactions contemplated by each Participation Agreement listed on Schedule B hereto (each, a "Participation Agreement" and, collectively, the "Participation Agreements"), each among the Company, as owner, and Wilmington Trust Company, as loan trustee under each respective related Indenture (as defined below) (in such capacity, the "Loan Trustee"), as subordination agent under the Intercreditor Agreement (in such capacity, the "Subordination Agent"), and as pass through trustee under the Pass Through Trust Agreements (in such capacity, the "Pass Through Trustee").

This letter is furnished pursuant to Section 3.01(g) of each Participation Agreement. Capitalized terms used herein and not otherwise defined herein shall have the meanings given them in each Indenture and Security Agreement listed on Schedule B hereto (each, an "Indenture" and, collectively, the "Indentures"), each between the Company and the Loan Trustee.

As such counsel, we have examined such matters of fact and questions of law as we have considered appropriate for purposes of this letter, except where a specified fact confirmation procedure is stated to have been performed (in which case we have with your consent performed the stated procedure). We have examined, among other things, the following:

- a. each Participation Agreement;

LATHAM & WATKINS^{LLP}

- b. each Indenture;
- c. each Indenture and Security Agreement Supplement listed on Schedule B hereto (each, an “Indenture Supplement” and, collectively, the “Indenture Supplements”);
- d. the Equipment Notes (the “Equipment Notes”) in the form set forth in each Indenture;
- e. each Manufacturer’s Consent (as defined in the related Indenture);
- f. the agreements listed in Exhibit A attached hereto (the “Specified Agreements”);
- g. the Amended and Restated Certificate of Incorporation of the Company as certified by the Secretary of State of the State of Delaware as of August 4, 2017 and the Amended and Restated By-Laws of the Company as certified by the Assistant Corporate Secretary of the Company as in effect on the date hereof (collectively, the “Company Governing Documents”) and certain resolutions of the Board of Directors of the Company and a committee thereof; and
- h. a photocopy of each UCC-1 financing statement naming the Company as debtor and the Loan Trustee as secured party, together with all schedules and exhibits to such financing statement, to be filed in the Office of the Secretary of State of the State of Delaware (the “Delaware Filing Office”), a copy of which are attached hereto as Exhibit B (each, a “Delaware Financing Statement” and, collectively, the “Delaware Financing Statements”).

The documents described in subsections (a) – (d) above are referred to herein collectively as the “Operative Documents.” As used in this letter, the “NY UCC” shall mean the Uniform Commercial Code as now in effect in the State of New York. As used in this letter, “Applicable UCC” shall mean the NY UCC and/or the Delaware UCC (as defined below), as applicable.

Except as otherwise stated herein, as to factual matters, we have, with your consent, relied upon the foregoing, and upon oral and written statements and representations of officers and other representatives of the Company and others, including the representations and warranties of the Company in the Operative Documents, and the translations of documents not originally in the English language. We have not independently verified such factual matters.

In our examination, we have assumed the genuineness of all signatures, including any endorsements, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as facsimile, electronic, certified or photostatic copies and the authenticity of the originals of such copies.

We are opining as to the effect on the subject transaction only of the (a) federal laws of the United States, (b) the internal laws of the State of New York, in numbered paragraph 6 of this letter, the Delaware UCC (as defined below), and (c) in numbered paragraphs 1, 2(i), 2(iii), 3 and

LATHAM & WATKINS^{LLP}

4 of this letter, the General Corporation Law of the State of Delaware (the “DGCL”). We express no opinion with respect to the applicability to the opinions expressed herein, or the effect thereon, of the laws of any other jurisdiction or, in the case of Delaware, any other laws, or as to any matters of municipal law or the laws of any local agencies within any state. With your permission, we have based our opinions set forth in numbered paragraph 6 of this letter exclusively upon our review of Article 9 of the Uniform Commercial Code of the State of Delaware as set forth in the webpage <http://delcode.delaware.gov/> without regard to judicial interpretations thereof or any regulations promulgated thereunder or any other laws of the State of Delaware (the “Delaware UCC”).

Except as otherwise stated herein, our opinions herein are based upon our consideration of only those statutes, rules and regulations which, in our experience, are normally applicable to borrowers in secured financings. We express no opinion as to any state or federal laws or regulations applicable to the subject transactions because of the legal or regulatory status of any parties to the Operative Documents or the legal or regulatory status of any of their affiliates. Various issues pertaining to regulatory matters with respect to the Company are addressed in the opinion letters of Pillsbury Winthrop Shaw Pittman LLP, separately provided to you. We express no opinion with respect to those matters herein, and to the extent elements of those opinions are necessary to the conclusions expressed herein, we have, with your consent, assumed such matters. We express no opinion as to the Federal Aviation Act (the “Act”) or the rules and regulations promulgated thereunder or, except as provided in numbered paragraph 7 below, the Cape Town Convention (as defined in the Cape Town Convention on International Interests in Mobile Equipment and the related Protocol to the Convention on International Interests in Mobile Equipment on Matters Specific to Aircraft Equipment, as in effect in the United States; collectively, the “Convention”).

Subject to the foregoing and the other matters set forth herein, as of the date hereof:

1. The Company is a corporation under the DGCL with corporate power and authority to enter into the Operative Documents and perform its obligations thereunder. With your consent, based solely on certificates from public officials, we confirm that the Company is validly existing and in good standing under the laws of the State of Delaware.
2. The execution and delivery of each Participation Agreement, each Indenture, the related Indenture Supplement and each Manufacturer’s Consent, the issuance of the Equipment Notes pursuant to each related Indenture, as supplemented by the related Indenture Supplement, and the payment of the indebtedness of the Company thereunder do not on the date hereof:
 - (i) violate the provisions of the Company Governing Documents;
 - (ii) result in the breach of or a default under any of the Specified Agreements; or
 - (iii) require any consents, approvals, or authorizations to be obtained by the

Company from, or any registrations, declarations or filings to be made by the Company with, any governmental authority under any federal or New York statute, rule or regulation applicable to the Company or the DGCL except filings and recordings required in order to perfect or otherwise protect the security interests under each Indenture, as supplemented by the related Indenture Supplement.

3. Each of the Operative Documents other than the Equipment Notes has been duly authorized by all necessary corporate action of the Company, has been duly executed and delivered by the Company, and constitutes a legally valid and binding obligation of the Company, enforceable against the Company in accordance with its terms.
4. The Equipment Notes have been duly authorized by all necessary corporate action of the Company and, when executed, issued and authenticated in accordance with the terms of the related Indenture and delivered and paid for in accordance with the terms of the Note Purchase Agreement, will constitute legally valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.
5. Each Indenture, as supplemented by the related Indenture Supplement, creates a valid security interest in favor of the applicable Loan Trustee for the benefit of the related Equipment Note holders, Indenture Indemnitees and Related Indenture Indemnitees in that portion of the collateral described in the section entitled "Granting Clause" under such Indenture in which the Company has rights and a valid security interest may be created under Article 9 of the NY UCC (the "UCC Collateral").
6. Each Delaware Financing Statement is in appropriate form for filing in the Delaware Filing Office. Upon the proper filing of each Delaware Financing Statement in the Delaware Filing Office, the security interest in favor of the applicable Loan Trustee for the benefit of the applicable Equipment Note holders, Indenture Indemnitees and Related Indenture Indemnitees in the Company's rights in the UCC Collateral granted under the related Indenture and described in such Delaware Financing Statement will be perfected to the extent a security interest in such UCC Collateral can be perfected under the Delaware UCC by the filing of a financing statement in that office.
7. Each Indenture, together with the related Indenture Supplement, is effective to create an "international interest" in the related Airframe (as defined in such Indenture and described in such Indenture Supplement, an "Airframe") and the related Engines (as defined in such Indenture and described in such Indenture Supplement, the "Engines"; an Airframe and the related Engines, collectively, an "Aircraft") that are properly described in such Indenture Supplement.
8. The Loan Trustee will be entitled to the benefits of Section 1110 of the federal

Bankruptcy Code with respect to the UCC Collateral that consist of the Airframes and Engines that were first placed in service after October 22, 1994 and all records and logs maintained with respect to such Airframes and Engines that are required to be surrendered or returned by the Company in connection with the return or surrender of such Airframes and Engines, in each case, if the Company were to become a debtor in a case under Chapter 11 of the federal Bankruptcy Code.

Except as expressly set forth in numbered paragraphs 5 and 6, we do not express any opinion with respect to the creation, validity, attachment, perfection or priority of any security interest or lien or the effectiveness of any sale or other conveyance or transfer of real or personal property. The opinions above do not include any opinions with respect to compliance with laws relating to permissible rates of interest.

Our opinions are subject to:

- a. except with respect to numbered paragraph 8 above, the effects of bankruptcy, insolvency, reorganization, preference, fraudulent transfer, moratorium or other similar laws relating to or affecting the rights or remedies of creditors;
- b. the effects of general principles of equity, whether considered in a proceeding in equity or at law (including the possible unavailability of specific performance or injunctive relief), concepts of materiality, reasonableness, good faith, fair dealing and the discretion of the court before which a proceeding is brought;
- c. the invalidity under certain circumstances under law or court decisions of provisions for the indemnification or exculpation of or contribution to a party with respect to a liability where such indemnification, exculpation or contribution is contrary to public policy; and
- d. we express no opinion with respect to (i) consents to, or restrictions upon, governing law (except for the validity under the laws of the State of New York, but subject to mandatory choice of law rules and constitutional limitations, of provisions in the Operative Documents which expressly choose New York as the governing law for such Operative Documents), jurisdiction (except for the validity under the laws of the State of New York, but subject to mandatory jurisdiction rules and constitutional limitations, of provisions in the Operative Documents which expressly provide for submission to the non-exclusive jurisdiction of New York state courts), venue, service of process, arbitration, remedies or judicial relief; (ii) advance waivers of claims, defenses, rights granted by law, or notice, opportunity for hearing, evidentiary requirements, statutes of limitation, trial by jury or at law, or other procedural rights; (iii) waivers of broadly or vaguely stated rights; (iv) covenants not to compete; (v) provisions for exclusivity, election or cumulation of rights or remedies; (vi) provisions authorizing or validating conclusive or discretionary determinations; (vii) grants of setoff rights; (viii) provisions to the effect that a guarantor is liable as a primary

LATHAM & WATKINS^{LLP}

obligor, and not as a surety, and provisions purporting to waive modifications of any guaranteed obligation to the extent such modification constitutes a novation; (ix) provisions for the payment of attorneys' fees where such payment is contrary to law or public policy; (x) proxies and powers of attorney; (xi) except as expressly set forth in numbered paragraph 2(ii) of this letter, provisions prohibiting, restricting, or requiring consent to assignment or transfer of any agreement, right or property; (xii) provisions for liquidated damages, default interest, late charges, monetary penalties, prepayment or make-whole premiums or other economic remedies to the extent such provisions are deemed to constitute a penalty; (xiii) provisions permitting, upon acceleration of any indebtedness, collection of that portion of the stated principal amount thereof which might be determined to constitute unearned interest thereon; (xiv) any provision of the Operative Documents to the extent that such provision refers to, incorporates or is based upon the law of any jurisdiction other than the State of New York or the United States; and (xv) the severability, if invalid, of provisions to the foregoing effect.

We express no opinion or confirmation as to federal or state securities laws, tax laws, antitrust or trade regulation laws, insolvency or fraudulent transfer laws, antifraud laws, fiduciary duty requirements, federal aviation laws (including Title 49, United States Code, "Transportation," and any laws relating to the particular nature of any Aircraft other than, with respect to numbered paragraph 7 only, the Convention and, with respect to numbered paragraph 8 only, Section 1110 of the federal Bankruptcy Code) or regulations, pension or employee benefit laws, usury laws, environmental laws, margin regulations, laws and regulations relating to commodities trading, futures and swaps, Financial Industry Regulatory Authority rules, National Futures Association rules, or the rules of any stock exchange, clearing organization, designated contract market or other regulated entity for trading, processing, clearing or reporting transactions in securities, commodities, futures or swaps, export control, foreign assets control, sanctions, anti-money laundering and anti-terrorism laws and regulations (without limiting other laws, regulations or rules excluded by customary practice).

Without limiting the generality of the foregoing, the opinions expressed above are also subject to our assumption that any conditions to the effectiveness of the Operative Documents have been satisfied or waived.

Our opinions expressed herein with respect to the Operative Documents address only the express terms of such documents (excluding any provisions incorporating any document or agreement, or the provisions of any other document or agreement, that is not an Operative Document, by reference) and not any other document or agreement, or the provisions of such other document or agreement, incorporated therein or made a part thereof by reference.

The opinions set forth above are also subject to (i) the unenforceability of contractual provisions waiving or varying the rules listed in Section 9-602 of the Applicable UCC and (ii) the unenforceability under certain circumstances of contractual provisions respecting self-help or summary remedies without notice of or opportunity for hearing or correction.

LATHAM & WATKINS^{LLP}

Insofar as our opinions require interpretation of the Specified Agreements, with your consent, (i) we have assumed that all courts of competent jurisdiction would enforce such agreements in accordance with their plain meaning, (ii) we express no opinion with respect to a breach or default under any Specified Agreement that would occur only upon the happening of a contingency, and (iii) we express no opinion with respect to any matters which require the performance of a mathematical calculation or the making of a financial or accounting determination.

Our opinion in numbered paragraph 5 of this letter is limited to Article 9 of the NY UCC and our opinion in numbered paragraph 6 above is limited to Article 9 of the Delaware UCC, and therefore those opinion paragraphs, among other things, do not address collateral of a type not subject to, or excluded from the coverage of, Article 9 of the NY UCC or Article 9 of the Delaware UCC, as applicable.

Additionally,

- (1) We express no opinion with respect to the priority of any security interest or lien.
- (2) We express no opinion with respect to the perfection of the security interest in any property, including, without limitation, the Airframes and Engines, subject to a statute, regulation or treaty of the United States whose requirements for a security interest's obtaining priority over the rights of a lien creditor with respect to the property preempt Section 9-310(a) of the Applicable UCC.
- (3) We express no opinion with respect to any agricultural lien or any collateral that consists of letter-of-credit rights, commercial tort claims, goods covered by a certificate of title, claims against any government or governmental agency, consumer goods, crops growing or to be grown, timber to be cut, goods which are or are to become fixtures, as-extracted collateral or cooperative interests.
- (4) We assume the descriptions of collateral contained in, or attached as schedules to, each Indenture, as supplemented by the related Indenture Supplement, and the Delaware Financing Statements accurately and sufficiently describe the collateral intended to be covered by such documents or such Delaware Financing Statements; *provided*, that we make no such assumption as to the sufficiency of any collateral described solely by a type of collateral defined in Article 9 of the Applicable UCC.
- (5) We have assumed that each grantor of any security interest has, or with respect to after-acquired property will have, rights in the collateral granted by it or the power to transfer rights in such collateral, and that each such grantor has received value, and express no opinion as to the nature or extent of any grantor's rights in any of the collateral and we note that with respect to any after-acquired property, the security interest will not attach or be perfected until the applicable grantor acquires such rights or power.

LATHAM & WATKINS^{LLP}

- (6) We call to your attention the fact that a security interest in “proceeds” (as defined in the Applicable UCC) of collateral is governed and restricted by Section 9-315 of the Applicable UCC.
- (7) We have assumed that the exact legal name of the Company is as set forth in the copy of the organizational documents certified by the Delaware Secretary of State, and we have also assumed the accuracy of the other factual information set forth on the Delaware Financing Statements.
- (8) We call to your attention that Section 552 of the federal Bankruptcy Code limits the extent to which property acquired by a debtor after the commencement of a case under the federal Bankruptcy Code may be subject to a security interest arising from a security agreement entered into by the debtor before the commencement of such case.
- (9) We express no opinion with respect to any goods which are accessions to, or commingled or processed with, other goods to the extent that the security interest is limited by Section 9-335 or 9-336 of the Applicable UCC.
- (10) We express no opinion as to the security interest of the Loan Trustee in any UCC Collateral that is described by way of reference to any supplement to an Indenture other than the related Indenture Supplement.
- (11) We call to your attention that a security interest or lien may not attach or become enforceable or be perfected as to contracts, licenses, permits, equity interests or other property that are not assignable under applicable law, or are subject to consent requirements or contractual or other prohibitions or restrictions on assignment, except to the extent that any such prohibitions, restrictions or consent requirements may be rendered ineffective to prevent the attachment of the security interest pursuant to Sections 9-406, 9-407, 9-408 or 9-409 of the Applicable UCC; and we note that the extent of any security interest created in reliance on such provisions of the Applicable UCC may be limited.
- (12) We express no opinion as to the enforceability of any provision of any Operative Document purporting to agree to the classification or type of any property for purposes of the Applicable UCC.
- (13) We express no opinion with respect to the security interest of the Loan Trustee for the benefit of any secured party except to the extent that the Loan Trustee has been duly appointed as agent for such persons.
- (14) We express no opinion as to any Airframes or Engines not described in any Indenture Supplement.

Our opinion in numbered paragraph 7 above is limited to the Convention and is also subject to the following additional exceptions, qualifications and limitations:

LATHAM & WATKINS^{LLP}

- (1) The opinions given herein are based upon the English language version of the Convention as in effect on the date hereof in the United States. The Convention came into force on March 1, 2006. As at the date hereof, there is no applicable judicial precedent in the United States known to us concerning the Convention. In rendering any opinion on the Convention, we are basing our opinions on our reading of the Convention as in effect on the date hereof in the United States, without the benefit of judicial precedent or customary practices and procedures. We note that other jurisdictions signatory to the Convention may have made declarations as to the effectiveness of certain provisions that are different than the declarations as to such provisions made by the United States and this opinion is limited to the Convention as in effect in the United States.
- (2) We have further assumed that the Airframe and Engines constituting each Aircraft are correctly identified and described by manufacturer's serial number, name of manufacturer and model designation for purposes of the registrations under the Convention.
- (3) We have assumed that at the time each Indenture (together with the related Indenture Supplement with respect to the applicable Aircraft) was executed, for purposes of Article 3 of the Convention, the Company was "situated" in the United States.
- (4) We have assumed that for purposes of Article 7 of the Convention, the Company has the "power to dispose" of the Airframe and the Engines comprising each Aircraft.
- (5) Except as expressly stated in the opinions above, no opinion is rendered herein as to the registration, validity, perfection, priority or enforceability of the "international interest" created by each Indenture (together with the related Indenture Supplement with respect to the applicable Aircraft) with respect to the applicable Aircraft or as to recognition of the perfection of such interests as against third parties in any legal proceeding outside the United States.
- (6) We have assumed that each Airframe and the Engines constitute "Aircraft Objects" within the meaning of the Convention and are not used in military, customs or police services.
- (7) We have assumed that each Indenture (together with the related Indenture Supplement with respect to the applicable Aircraft) enables the obligations secured by the collateral described in such Indenture (together with such Indenture Supplement with respect to such Aircraft) to be identified within the meaning of the Convention.

With your consent, except to the extent that we have expressly opined as to such matters with respect to the Company herein, we have assumed that (a) the Operative Documents (other than the Equipment Notes) have been duly authorized, executed and delivered by the parties

LATHAM & WATKINS^{LLP}

thereto, (b) the Operative Documents constitute legally valid and binding obligations of the parties thereto, enforceable against each of them in accordance with their respective terms, (c) each Airframe is an “aircraft” as defined in Section 40102 of the Act and that the Engines are “aircraft engines” as defined in Section 40102 of the Act, (d) the Company is an “air carrier” within the meaning of Title 49 operating under a certificate issued pursuant to Chapter 447 of the Act for aircraft capable of carrying 10 or more individuals or 6,000 pounds or more of cargo, is a “citizen of the United States” as such term is defined in Section 40102 of the Act and holds all authority, necessary licenses and certificates under the Act and the rules and regulations promulgated thereunder necessary for the conduct of its business and to perform its obligations under the Operative Documents to which it is a party and (e) the status of the Operative Documents as legally valid and binding obligations of the parties is not affected by any (i) breaches of, or defaults under, agreements or instruments, (ii) violations of statutes, rules, regulations or court or governmental orders, or (iii) failures to obtain required consents, approvals or authorizations from, or make required registrations, declarations or filings with, governmental authorities.

This letter is furnished only to you and is solely for your benefit in connection with the transactions referenced in the first paragraph of this letter. This letter may not be relied upon by you for any other purpose, or furnished to, assigned to, quoted to or relied upon by any other person or entity for any purpose, without our prior written consent, which may be granted or withheld in our sole discretion. In addition, we hereby consent to your furnishing a copy of this letter: (i) to governmental regulatory agencies having jurisdiction over any person permitted to rely on this letter, (ii) to attorneys as needed in connection with any legal action arising out of the transactions contemplated by each Indenture to which a person permitted to rely on this letter is a party, and (iii) as required by any order of, or in connection with any proceeding of, any court or governmental authority; provided, however, that no such person shall be entitled to rely on this letter.

Very truly yours,

Re: American Airlines, Inc. - Financing of One [Boeing] [Embraer] Model [] Aircraft Bearing Manufacturer's Serial Number []

Ladies and Gentlemen:

We have acted as counsel to Wilmington Trust Company, a Delaware trust company ("WTC"), in connection with the Indenture and Security Agreement ([]), dated as of [], 201[] (the "Indenture"), among WTC as Loan Trustee (the "Loan Trustee"), and American Airlines, Inc. (the "Owner"). Pursuant to the Participation Agreement ([]), dated as of [], 201[] (the "Participation Agreement"), among the Owner and WTC, in its individual capacity as set forth therein, as Loan Trustee, as Subordination Agent under the Intercreditor Agreement (as defined in the Participation Agreement) and as Pass Through Trustee (as defined in the Participation Agreement), financing is being provided for one [Boeing] [Embraer] Model [] aircraft bearing manufacturer's serial number []. This opinion is furnished pursuant to Section 3.01(h) of the Participation Agreement. Capitalized terms used herein and not otherwise defined are used as defined in the Indenture, except that reference herein to any document shall mean such document as in effect on the date hereof.

We have examined originals or copies of the following documents:

- (a) The Indenture and the initial Indenture Supplement;
- (b) The Participation Agreement (the documents referred to in paragraphs (a) and (b) above being collectively referred to as the "Loan Trustee Documents"); and
- (c) The Equipment Notes being issued today and authenticated by the Loan Trustee (the "Equipment Notes").

We have also examined originals or copies of such other documents and such corporate records, certificates and other statements of governmental officials and corporate officers and other representatives of the corporations or entities referred to herein as we have deemed necessary or appropriate for the purposes of this opinion. Moreover, as to certain facts material to the opinions expressed herein, we have relied upon representations and warranties contained in the documents referred to in this paragraph.

Based upon the foregoing and upon an examination of such questions of law as we have considered necessary or appropriate, and subject to the assumptions, exceptions and qualifications set forth below, we advise you that, in our opinion:

1. WTC has been duly incorporated and is validly existing in good standing as a trust company under the laws of the State of Delaware, is a “citizen of the United States” within the meaning of Section 40102(a)(15) of Title 49 of the United States Code, as amended, and has full power, authority and legal right to execute, deliver and perform its obligations under the Loan Trustee Documents and to authenticate the Equipment Notes.

2. The Loan Trustee, the Subordination Agent, the Pass Through Trustee or WTC, as the case may be, has duly authorized, executed and delivered each Loan Trustee Document to which it is a party, and each such document constitutes a legal, valid and binding obligation of the Loan Trustee, the Subordination Agent, the Pass Through Trustee or WTC, as the case may be, enforceable against the Loan Trustee, the Subordination Agent, the Pass Through Trustee or WTC, as the case may be, in accordance with its terms.

3. The execution, delivery and performance by the Loan Trustee, Subordination Agent, Pass Through Trustee or WTC, as the case may be, of the Loan Trustee Documents to which it is a party, the authentication by the Loan Trustee of the Equipment Notes and the consummation by the Loan Trustee, the Subordination Agent, the Pass Through Trustee or WTC, as the case may be, of any of the transactions contemplated thereby are not in violation of the charter or by-laws of WTC, of any law, governmental rule or regulation of the State of Delaware or the United States governing the trust powers of WTC or, to our knowledge, any indenture, mortgage, bank credit agreement, note or bond purchase agreement, long-term lease, license or other agreement or instrument to which WTC is a party or by which it is bound or, to our knowledge, any judgment or order applicable to WTC.

4. None of the execution and delivery by the Loan Trustee, the Subordination Agent, the Pass Through Trustee or WTC, as the case may be, of the Loan Trustee Documents to which it is a party, the authentication of the Equipment Notes or the consummation of any of the transactions by the Loan Trustee, the Subordination Agent, the Pass Through Trustee or WTC, as the case may be, contemplated thereby, requires the consent or approval of, the giving of notice to, the registration with or the taking of any other action in respect of any governmental authority or agency of the State of Delaware or the United States governing the trust powers of WTC or under any Delaware law.

5. No taxes, fees or other charges (other than taxes payable by WTC on or measured by any compensation received by WTC for its services as Loan Trustee, Subordination Agent or Pass Through Trustee) are required to be paid by the Subordination Agent, the Pass Through Trustee or the Loan Trustee or the trust created by the Indenture under the laws of the State of Delaware, or any political subdivision thereof, in connection with the execution, delivery or performance of the Loan Trustee Documents to which the Loan Trustee, the Subordination Agent or the Pass Through Trustee is party and the Equipment Notes, which taxes, fees or other

charges would not be required to be paid if WTC were not a Delaware trust company and did not perform its obligations as Loan Trustee under the Indenture in the State of Delaware.

6. The Equipment Notes have been duly and validly authenticated by the Loan Trustee in accordance with the Indenture.

7. To our knowledge, there are no proceedings pending or threatened against or affecting the Loan Trustee, the Subordination Agent, the Pass Through Trustee or WTC in any court or before any governmental authority, agency, arbitration board or tribunal which, if adversely determined, individually or in the aggregate, would materially and adversely affect the property included in the Collateral or the right, power and authority of the Loan Trustee, the Subordination Agent, the Pass Through Trustee or WTC, as the case may be, to enter into or perform its obligations under the Loan Trustee Documents to which it is party.

The foregoing opinions are subject to the following assumptions, exceptions and qualifications:

A. We are admitted to practice law in the State of Delaware and we do not hold ourselves out as being experts on the law of any other jurisdiction. The foregoing opinions are limited to the laws of the State of Delaware (and its political subdivisions to the extent set forth in paragraph 5 above and the federal laws of the United States of America governing the trust powers of WTC, except that we express no opinion with respect to (i) federal securities laws, including the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, the Investment Company Act of 1940, as amended, and the Indenture Act of 1939, as amended, (ii) Part A of Subtitle VII of Title 49 of the United States Code, as amended (except with respect to the opinion set forth in paragraph 1 above concerning the citizenship of WTC), (iii) the Federal Communications Act of 1934, as amended, (iv) state securities or blue sky laws, or (v) laws, rules and regulations applicable to the particular nature of the equipment acquired by the Owner. Insofar as the foregoing opinions relate to the validity and enforceability of the Loan Trustee Documents expressed to be governed by the laws of the State of New York, we have assumed that each such document is legal, valid, binding and enforceable in accordance with its terms under such laws (as to which we express no opinion).

B. The foregoing opinions regarding enforceability are subject to (i) applicable bankruptcy, insolvency, moratorium, reorganization, receivership, fraudulent conveyance and similar laws relating to or affecting the enforcement of the rights and remedies of creditors generally, and (ii) principles of equity (regardless of whether considered and applied in a proceeding in equity or at law).

C. We have assumed that each of the parties to the Loan Trustee Documents and the Equipment Notes (except the Loan Trustee, the Subordination Agent, the Pass Through Trustee or WTC, as the case may be) has full power, authority and legal right to execute, deliver and perform each such document and that each such document has been duly authorized, executed and delivered by each such party.

D. We have assumed that all signatures (other than signatures of officers of WTC) on documents examined by us are genuine, that all documents submitted to us as originals are authentic and that all documents submitted to us as copies conform with the originals, which facts we have not independently verified.

E. We have assumed that the Participation Agreement and the transactions contemplated thereby are not within the prohibitions of Section 406 of the Employee Retirement Income Security Act of 1974, as amended.

F. No opinion is expressed as to the creation, attachment, perfection or priority of any mortgage or security interests or as to the nature or validity of title to any part of the property included in the Collateral.

G. The opinion set forth in paragraph 1 above concerning the citizenship of WTC is based upon an affidavit of WTC made by one of its Vice Presidents, the facts set forth in which we have not independently verified.

H. In basing the opinions set forth herein on "our knowledge," the words "our knowledge" signify that no information has come to the attention of the attorneys in the firm who are directly involved in the representation of WTC in this transaction that would give us actual knowledge that any such opinions are not accurate. Except as otherwise stated herein, we have undertaken no independent investigation or verification of such matters.

This opinion may be relied upon by you in connection with the matters set forth herein. This opinion may also be relied upon by any transferee of a Noteholder, subject to the understanding that the opinions expressed herein are rendered as of the date hereof and only with respect to the laws, rules and regulations in effect as of such date. Very truly yours,

FORM OF OPINION OF SPECIAL FAA COUNSEL

[Attached.]

Participation Agreement
(American Airlines 2017-2 Aircraft EETC)
[Reg. No.]

To the Parties Named on
Schedule 1 attached hereto

RE: One (1) model (shown on the IR as) aircraft bearing manufacturer's serial number and U.S. Registration No. N (the "Airframe") and two (2) model (shown on the IR as) aircraft engines bearing manufacturer's serial numbers and (the "Engines")

Ladies and Gentlemen:

Acting as special legal counsel in connection with the transactions contemplated by the instruments described below, this opinion is furnished to you with respect to (i) the registration of interests with the International Registry (the "IR") created pursuant to, and according to the provisions of, the Convention on International Interests in Mobile Equipment (the "Convention"), the Protocol to the Convention on International Interests in Mobile Equipment on Matters Specific to Aircraft Equipment (the "Protocol"), both signed in Cape Town, South Africa on November 16, 2001, together with the Regulations for the International Registry (the "Regulations"), the International Registry Procedures (the "Procedures"), and all other rules, amendments, supplements, and revisions thereto (collectively, the "CTT"), all as in effect on this date in the United States of America, as a Contracting State, and (ii) the recordation of instruments and the registration of airframes with the Federal Aviation Administration (the "FAA") under the requirements of Title 49 of the United States Code (the "Transportation Code").

Terms capitalized herein and not otherwise defined herein shall have the meanings given in the CTT.

On , 20__ at .M., C..T., we examined and filed with the FAA the Indenture and Security Agreement (N) dated as of between American Airlines, Inc. (the "Owner") and Wilmington Trust Company as loan trustee (the "Loan Trustee"), with Indenture Supplement (N) No. 1 dated between the Owner and the Loan Trustee attached thereto, covering the Airframe and the Engines (collectively, the "Indenture").

The interest created by the Indenture is referred to herein as the "CTT Security Interest".

Based upon our examination of the foregoing instruments and such records of the FAA and the IR as we deemed necessary to render this opinion, it is our opinion that:

1. the Airframe and the Engines constitute Aircraft Objects based upon the Cape Town Eligible Aircraft list and the applicable Type Certificate Data Sheets compiled by the FAA;
2. the Indenture is in due form for recordation by, and has been duly filed for recordation with, the FAA pursuant to and in accordance with the Transportation Code;
3. the Airframe is registered in the name of the Owner, pursuant to and in accordance with the Transportation Code;
4. the owner of the Airframe for registration purposes at the FAA is the Owner and the Airframe and the Engines are free and clear of liens and encumbrances of record at the FAA except as created by the Indenture;
5. the Indenture creates a duly perfected first priority security interest, in favor of the Loan Trustee, pursuant to the Transportation Code, in the Airframe and the Engines, it being understood that no opinion is rendered herein as to the validity, priority or enforceability of such security interest under applicable local or foreign law, or as to recognition of the perfection of the security interest as against third parties in any legal proceeding outside the United States;
6. based upon the Priority Search Certificates obtained from the IR, copies of which are attached hereto as Schedule 2 and incorporated herein by reference:
 - (a) the Airframe and the Engines are subject only to the CTT Security Interest; and
 - (b) the CTT Security Interest has been duly registered on the IR and constitutes a first priority International Interest in the Airframe and the Engines;
7. the CTT Security Interest is entitled to the priorities, protections and benefits of the CTT, subject to the statements on Exhibit A attached hereto;
8. no further registration on the IR of the CTT Security Interest is required under the CTT in order to maintain the effectiveness and priority thereof and no other registration of the Airframe or filings other than filings with the FAA (which have been duly effected) are necessary in order to:
 - (a) maintain the registration of the Airframe in the name of the Owner, subject to compliance with the provisions of Title 14, Section 47.40 of the Code of Federal Regulations relating to re-registration and renewal of the registration of the Airframe; and
 - (b) maintain the lien and priority of the Indenture, with respect to the Airframe and the Engines; and

9. no authorization, approval, consent, license or order of, or registration with, or the giving of notice to, the FAA is required for the valid authorization, delivery and performance of the Indenture, except for such filings as are referred to above.

In the event the CTT Security Interest is not subject to the CTT, then the interests created thereby are governed by the Transportation Code or applicable law.

This opinion is subject to certain comments, limitations and assumptions as listed in Exhibit A attached hereto and incorporated herein by reference.

Very truly yours,

ROBIN D. JENSON

SCHEDULE 2

[the Priority Search Certificates attached hereto]

EXHIBIT A

Assumptions and Limitations

In rendering the foregoing opinion we have assumed that:

- (i) the records maintained by the FAA are accurate in all respects;
- (ii) the Priority Search Certificates are accurate in all respects, contain all the registered information and data on the IR in connection with the Airframe and the Engines to which they relate, and have not been altered since the date of such Priority Search Certificates;
- (iii) there have been no registrations made on the IR against the Airframe and the Engines using descriptions which vary from the IR descriptions shown above for the Airframe and the Engines and, for the purposes of this opinion, only the models and serial numbers contained in the IR descriptions of the Airframe and the Engines shown above were utilized for the IR searches;
- (iv) the IR descriptions of the Airframe and the Engines are as noted above and are accurate and complete descriptions with respect to the registrations on the IR;
- (v) at the time the Indenture was concluded, the Debtor was situated, pursuant to the CTT, in the United States;
- (vi) the necessary parties under the Indenture have given the consents in writing to the registration with the IR of the interests in the Airframe and the Engines created thereby;
- (vii) the CTT Security Interest is effective under applicable local law to constitute an interest, a sale, an assignment or a discharge which is subject to the CTT and registration on the IR;
- (viii) all of the registrations indicated on the Priority Search Certificates are fully and properly constituted and validly created under the CTT;
- (ix) all documents identified in this opinion, all documents in the records maintained by the FAA for the Airframe and the Engines, as well as any registrations on the IR pertaining to the Airframe and the Engines, are valid, enforceable and sufficient under the relevant applicable law or the CTT to create, effect or terminate the rights and interests they purport to create, effect or terminate;
- (x) in rendering this opinion, we have assumed that:
 - (a) the Company qualifies as a "citizen of the United States" as defined in the Transportation Code;
 - (b) the instruments described above are valid and enforceable under applicable local law; and

- (c) there are no documents with respect to the Airframe or the Engines which have been filed for recordation with the FAA under the FAA's recording system but which have not yet been listed in the available records of such system as having been so filed;
- (xi) there has been no subordination or variation of any priority that would be acquired pursuant to the terms of the CTT, in connection with the registrations on the IR evidenced by the Priority Search Certificates other than pursuant to any subordination indicated on the Priority Search Certificates;
- (xii) the Airframe is not registered under the civil aircraft registry of any other country;
- (xiii) the Cape Town Eligible Aircraft list and the applicable Type Certificate Data Sheets compiled by the FAA, insofar as they relate to the Airframe and the Engines, are accurate in all respects;
- (xiv) the Airframe and the Engines have been accurately described by manufacturer's name, model and serial number by the parties in the instruments described above; and
- (xv) the United States Contracting State search certificate description of declarations, withdrawals of declarations and categories of non-consensual rights or interests, as communicated to the Registrar by UNIDROIT as the Depositary as having been declared by the United States, and the date on which each such declaration or withdrawal of declaration is recorded, are accurate in all respects.

In addition, our opinion is subject to the following limitations:

- (i) a search on the IR pursuant to the CTT requires that the searching party enter the exact manufacturer, model or serial number of an airframe or engine being searched using the appropriate drop down boxes, where available, and if a registration has been made on the IR against the Airframe or the Engines which describes the Airframe or the Engines differently (i.e. any space, comma, dash, added number or character, missing number or character, or any other discrepancy whatsoever in the description of the manufacturer, model or serial number) the Priority Search Certificates will produce an inaccurate search result; accordingly, there may be registrations on the IR against the Airframe and the Engines which are not reflected on the Priority Search Certificates and which may have priority over subsequent registrations on the IR or filings with the FAA;
- (ii) the opinion relating to the registration of the Airframe with the FAA is issued only as to its current eligibility for registration and not with respect to events which may occur in the future which may affect the continued eligibility for registration;
- (iii) as to matters of United States Citizenship as defined in the Transportation Code, the undersigned has relied upon representations made in the Aircraft Registration Application already on file with the FAA;

- (iv) because the FAA does not maintain registration records for engines for nationality purposes, we cannot independently verify the owner, make, model, or serial numbers of the Engines;
- (v) in rendering this opinion, we are subject to the accuracy of the FAA, its employees and agents in the filing, indexing, cross-referencing, imaging and recording of instruments filed with the FAA;
- (vi) no opinion is expressed herein as to laws other than the CTT and the Transportation Code;
- (vii) this opinion as to the status of the records of the FAA as to the Airframe covers only that period of time during which the Airframe has been subject to United States Registration;
- (viii) the Indenture was filed with the FAA with certain information intentionally omitted from the FAA filing counterpart as containing confidential or proprietary information and we have relied upon the opinion of John H. Cassidy, Deputy Chief Counsel of the FAA issued September 16, 1994 (Federal Register/Volume 59, Number 182/September 21, 1994) and the current practices of the FAA with respect to the eligibility of the Indenture for recordation with the confidential omissions; and
- (ix) since our examination was limited to records maintained by the FAA and the IR, our opinion:
 - (a) in respect of rights derived from FAA filings, does not cover liens, claims or encumbrances of which the parties have actual notice as contemplated by 49 U.S.C. '44108(a);
 - (b) in respect of rights derived from FAA filings or registrations with the IR, does not cover liens, claims or encumbrances which are perfected without the filing of notice thereof with the FAA or the IR, including without limitation, federal tax liens, liens arising under Section 1368(a) of Title 29 of the United States Code, liens arising under 49 U.S.C. '46304 and certain artisan's liens;
 - (c) does not cover liens perfected in foreign jurisdictions, except to the extent applicable law would regulate their priority based on registration with the IR; and
 - (d) does not cover any rights to arrest or detain an airframe or an engine under any applicable law.

Re: Mortgage of [Boeing],[Embraer] Model [●] Aircraft with Manufacturer's Serial Number [●] and U.S. Registration Number N[●]

Ladies and Gentlemen:

We have been requested by American Airlines, Inc., a company organized under the laws of the State of Delaware (the "**Company**"), to act as U.S. Department of Transportation ("**Department of Transportation**") and Federal Aviation Administration ("**FAA**") regulatory counsel with respect to, and to render this opinion letter in connection with, the transactions contemplated by the Participation Agreement ([●]) dated as of [●], 2017 (the "**Participation Agreement**"), among the Company and Wilmington Trust Company, a Delaware trust company ("WTC"), in its individual capacity as set forth therein and in its capacity as Loan Trustee, Subordination Agent under the Intercreditor Agreement and as Pass Through Trustee under the Pass Through Trust Agreements. Capitalized terms used herein and not otherwise defined herein shall have the respective meanings given those terms in the Participation Agreement. This letter is being furnished to you pursuant to Section 3.01(g)(ii) of the Participation Agreement.

We have examined such public records and certificates and have made such other investigations as we have deemed necessary in connection with the opinions set forth below. We have not examined or reviewed, and express no opinion as to, any of the documents and instruments to be executed and delivered by the Company or any other party to the transaction, or related documents.

In preparing this opinion letter, we have relied without any independent verification upon information contained in certificates obtained from governmental authorities and factual information we have obtained from such other sources as we have deemed reasonable. We have assumed without investigation that there has been no relevant change or development between the dates as of which the information cited in the preceding sentence was given and the date of this opinion letter and that the information upon which we have relied is accurate and does not omit disclosures necessary to prevent such information from being misleading.

In our examination, we have assumed, with your permission and without independent investigation: (i) that United States citizens, as defined by 49 U.S.C. 40102(a)(15), own or control at least seventy-five

percent of the voting interest of the Company, that the president and at least two-thirds of the board of directors and other managing officers of the Company are citizens of the United States, and that the Company is under the actual control of citizens of the United States; (ii) that the Company has in effect insurance coverage as required under 14 C.F.R. 205; and (iii) that the Company has not undergone any substantial changes in ownership, management or operations without complying with the notification requirements of the Department of Transportation and the FAA.

We have made such examination of federal laws of the United States as we deemed relevant for purposes of this opinion letter, but have made no review of, and express no opinion concerning, the laws of any other state or jurisdiction other than the United States. We have assumed that all relevant federal statutes, rules and regulations are valid and constitutional.

The terms “known to us” and “knowledge” and “aware”, whenever such terms are used in this opinion letter with respect to our firm, mean the actual knowledge on the date hereof by the Pillsbury Winthrop Shaw Pittman LLP lawyers who have had significant involvement with the representation of the Company.

Subject to the assumptions, qualifications, exclusions and other limitations identified in this opinion letter, we are of the opinion that:

1. The Company is a citizen of the United States, as that term is defined by 49 U.S.C. 40102(a)(15).
2. The Company possesses a valid air carrier operating certificate issued by the FAA pursuant to Chapter 447, Title 49 of the United States Code, permitting the Company to operate as an “air carrier”, as that term is defined by 49 U.S.C. 40102(a)(2), utilizing aircraft capable of carrying ten (10) or more persons or six thousand (6,000) pounds or more of cargo or mail and holds all authority, necessary licenses and certificates under Chapter 447, Title 49 of the United States Code and the rules and regulations promulgated thereunder necessary for the conduct of its business as an “air carrier”.

The opinion in paragraph two with respect to the validity of the air carrier operating certificate (the “*Certificate*”) of the Company is based solely on our review of the Certificate, which is available publicly from the FAA. We have no actual knowledge of any threatened or pending investigation or proceeding that might result in revocation of the Certificate.

This opinion letter speaks as of the time of its delivery on the date it bears. We do not assume any obligation to provide you with any subsequent opinion or advice by reason of any fact about which we did not have actual knowledge at that time, by reason of any change subsequent to that time in any law covered by any of our opinions, or for any other reason. This opinion letter is limited to the matters expressly stated herein and no opinion or other statement may be inferred or implied beyond the matters expressly stated herein. This opinion letter may be relied upon by you only in connection with the transaction identified in this opinion letter, and may not be relied upon, quoted or referred to or used by you or any other person for any other purpose whatsoever, except with our prior written consent in each instance, except that this opinion letter may be disclosed (i) to bank examiners and other governmental regulatory authorities should they so request in connection with their normal examinations, and to their independent auditors and attorneys, (ii) pursuant to orders or legal process of any court or governmental agency, and (iii) to attorneys as needed in connection with any legal action arising out of transactions contemplated by each Indenture to which a person permitted to rely on this letter is a party.

Very truly yours,

Re: American Airlines, Inc. - Financing of One [Boeing] [Embraer] Model [] Aircraft Bearing Manufacturer's Serial Number
[]

Ladies and Gentlemen:

We have acted as special Delaware counsel for American Airlines, Inc., a Delaware corporation (the "Company"), in connection with the matters set forth herein. At your request, this opinion is being furnished to you.

For purposes of giving the opinions hereinafter set forth, our examination of documents has been limited to the examination of originals or copies of the documents listed on Schedule B attached hereto.

For purposes of this opinion, we have not reviewed any documents other than the documents referenced above. In particular, we have not reviewed any document (other than the documents referenced above) that is referred to in or incorporated by reference in any document reviewed by us. We have assumed that there exists no provision in any document that we have not reviewed that is inconsistent with the opinions stated herein. We have conducted no independent factual investigation of our own but rather have relied solely upon the foregoing documents, the statements and information set forth therein and the additional matters recited or assumed herein, all of which we have assumed to be true, complete and accurate in all material respects.

With respect to all documents examined by us, we have assumed that (i) all signatures on documents examined by us are genuine, (ii) all documents submitted to us as originals are authentic, and (iii) all documents submitted to us as copies conform with the originals of those documents.

For purposes of this opinion, we have assumed (i) that each of the parties to the documents examined by us has been duly organized, formed or created, as the case may be, and is validly existing in good standing under the laws of the jurisdiction governing its organization, formation or creation, (ii) the legal capacity of natural persons who are signatories to the documents examined by us, (iii) that each of the parties to the documents examined by us has the power and authority to execute and deliver, and to perform its obligations under, such documents, (iv) that each of the parties to the documents examined by us has duly authorized, executed and delivered such documents, and (v) that each of the documents examined by us

constitutes a valid and binding agreement of the parties thereto, and is enforceable against the parties thereto, in accordance with its terms.

This opinion is limited to the laws of the State of Delaware (excluding the insurance, securities and blue sky laws of the State of Delaware), and we have not considered and express no opinion on the laws of any other jurisdiction, including federal laws (including federal bankruptcy law) and rules and regulations relating thereto. Our opinions are rendered only with respect to Delaware laws and rules, regulations and orders thereunder that are currently in effect.

Based upon the foregoing, and upon our examination of such questions of law and statutes of the State of Delaware as we have considered necessary or appropriate, and subject to the assumptions, qualifications, limitations and exceptions set forth herein, we are of the opinion that:

1. The Financing Statement is in an appropriate form for filing with the Secretary of State of the State of Delaware (Uniform Commercial Code Section) (the "Division").

2. To the extent that Article 9 of the Uniform Commercial Code as in effect in the State of Delaware on the date hereof (the "Delaware UCC") is applicable (without regard to conflict of laws principles), upon the filing of the Financing Statement with the Division, the Loan Trustee will have a perfected security interest in the Company's rights in that portion of the Collateral (as defined in the Indenture) described in the Financing Statement in which a security interest may be perfected by the filing of a UCC financing statement with the Division (the "Filing Collateral") and the proceeds thereof (as defined in Section 9-102(a)(64) of the Delaware UCC).

The opinions expressed above are subject to the following additional assumptions, qualifications, limitations and exceptions:

A. We have assumed that the Company has sufficient rights in the Collateral and has received sufficient value and consideration in connection with the security interest granted under such Indenture for the security interest of the Loan Trustee to attach, and we express no opinion as to the nature or extent of the Company's rights in, or title to, any portion of the Collateral.

B. We note that the Indenture is expressed to be governed by the laws of the State of New York. Accordingly, we have assumed that the security interests in the collateral identified in the Indenture and the proceeds (as defined in Section 9-102(a)(64) of the Delaware UCC) thereof have been duly created and have attached (as to which we express no opinion).

C. The opinions set forth above are limited to Article 9 of the Delaware UCC, and therefore such opinions do not address (i) laws of jurisdictions other than the State of Delaware, and of the State of Delaware except for Article 9 of the Delaware UCC, (ii) collateral

of a type not subject to Article 9 of the Delaware UCC, or (iii) Sections 9-301 through 9-307 of the Delaware UCC, which law governs perfection of the security interests granted in the collateral covered by this opinion.

D. We note that further filings under the Delaware UCC may be necessary to preserve and maintain (to the extent established and perfected by the filing of the Financing Statement as described herein) the security interests of the Loan Trustee in the Filing Collateral, including, without limitation, the following:

(i) appropriate continuation filings to be made within the period of six months prior to the expiration of five year anniversary dates from the date of the original filing of the Financing Statement;

(ii) filings required with respect to proceeds of collateral under Section 9-315(d) of the Delaware UCC;

(iii) filings required within four months of the change of name, identity or structure made by or with respect to the Company, to the extent set forth in Sections 9-507 and 9-508 of the Delaware UCC;

(iv) filings required within four months of a change by the Company of its location to another jurisdiction, to the extent set forth in Sections 9-301 and 9-316 of the Delaware UCC; and

(v) filings required within one year after the transfer of collateral to a Person that becomes a debtor and is located in another jurisdiction, to the extent set forth in Section 9-316 of the Delaware UCC.

E. Further, we note that the effectiveness of the Financing Statement may terminate and additional filings may be required if the secured party changes its name or the address of the secured party as shown on the Financing Statement ceases to be an address from which information concerning the secured party's security interest can be obtained, unless a new appropriate financing statement or amendment indicating the new name or address of the secured party from which information concerning the secured party's security interest can be obtained, is properly filed upon the effectiveness of such change in name or address.

F. We do not express any opinion as to the perfection or priority of any security interest in any portion of the Filing Collateral in which a security interest cannot be perfected by the filing of a financing statement with the Division. In addition, no opinion is expressed herein concerning (i) any collateral other than the Filing Collateral and the proceeds (as defined in Section 9-102(a)(64) of the Delaware UCC) thereof, (ii) any portion of the Filing Collateral that constitutes a "commercial tort claim" (as defined in Section 9-102(a)(13) of the Delaware UCC), (iii) any consumer transaction, or (iv) any security interest in goods covered by a certificate of title statute. Further, we do not express any opinion as to the perfection or priority of any security interest in proceeds (as defined in Section 9-102(a)(64) of the Delaware

UCC) of the Filing Collateral, except to the extent that such proceeds consist of cash proceeds (as defined in Section 9-102(a)(9) of the Delaware UCC) that are identifiable cash proceeds (as contemplated by Section 9-315(b) and (d) of the Delaware UCC), subject, however, to the limitations of Section 9-315 of the Delaware UCC.

G. We do not express any opinion as to the priority of any security interest.

H. We call to your attention that under the Delaware UCC, actions taken by a secured party (e.g., releasing or assigning the security interest, delivering possession of the collateral to the debtor or another person and voluntarily subordinating a security interest) may affect the validity, perfection or priority of a security interest.

I. The opinions expressed in paragraph 2 above are subject to the effect of (i) bankruptcy, insolvency, moratorium, receivership, reorganization, liquidation, fraudulent conveyance and transfer and other similar laws relating to or affecting the rights and remedies of creditors generally, and (ii) principles of equity (regardless of whether considered and applied in a proceeding in equity or at law).

We understand that you will rely as to matters of Delaware law upon this opinion in connection with the transactions contemplated by the Indenture. In addition, your successors and assigns (including, without limitation, any trustee in connection with a securitization) and any rating agency may rely as to matters of Delaware law upon this opinion in connection with the matters set forth herein, subject to the understanding that the opinions rendered herein are given on the date hereof and such opinions are rendered only with respect to facts existing on the date hereof and laws, rules and regulations currently in effect. In connection with the foregoing, we hereby consent to your and your successors' and assigns' (including, without limitation, any trustee in connection with a securitization) and any such rating agency's relying as to matters of Delaware law upon this opinion. Except as stated above, without our prior written consent, this opinion may not be furnished or quoted to, or relied upon by, any other person or entity for any purpose.

Very truly yours,

The Company agrees that, promptly upon receipt thereof, to the extent required by the Operative Documents, it will transfer to the Loan Trustee any and all monies from

time to time received by the Company constituting part of the Collateral, for distribution by the Loan Trustee pursuant to this Indenture.

The Company does hereby warrant and represent that it has not sold, assigned or pledged, and hereby covenants and agrees that it will not sell, assign or pledge, so long as this Indenture shall remain in effect and the Lien hereof shall not have been released pursuant to the provisions hereof, any of its estate, right, title or interest hereby assigned, to any Person other than the Loan Trustee, except as otherwise provided in or permitted by any Operative Document.

The Company agrees that at any time and from time to time, upon the written request of the Loan Trustee, the Company shall promptly and duly execute and deliver or cause to be duly executed and delivered any and all such further instruments and documents as the Loan Trustee may reasonably deem necessary to perfect, preserve or protect the mortgage, security interests and assignments created or intended to be created hereby or to obtain for the Loan Trustee the full benefit of the assignment hereunder and of the rights and powers herein granted; provided that any instrument or other document so executed by the Company will not expand any obligations or limit any rights of the Company in respect of the transactions contemplated by the Operative Documents.

[Notwithstanding the foregoing, the final payment made on this Equipment Note shall be in an amount sufficient to discharge in full the unpaid principal amount and all accrued and unpaid interest on, and any other amounts due under, this Equipment Note.]⁵ Notwithstanding anything to the contrary contained herein, if any date on which a payment under this Equipment Note becomes due and payable is not a Business Day, then such payment shall not be made on such scheduled date but shall be made on the next succeeding Business Day with the same force and effect as if made on such scheduled date, and if payment is made on such next succeeding Business Day, no interest shall accrue on the amount of such payment from and after such scheduled date.

For purposes hereof, the term “Indenture” means the Indenture and Security Agreement ([Reg. hereunder not paid when due for any period during which the same shall be overdue, in each case for the period the same is overdue. Amounts shall be overdue if not paid in the manner provided herein or in the Indenture when due (whether at stated maturity, by acceleration or otherwise).

There shall be maintained an Equipment Note Register for the purpose of registering transfers and exchanges of Equipment Notes at the Corporate Trust Office of the Loan Trustee, or at the office of any successor trustee, in the manner provided in Section 2.07 of the Indenture.

The principal amount and interest and other amounts due hereunder shall be payable in Dollars in immediately available funds at the Corporate Trust Office of the Loan Trustee, or as otherwise provided in the Indenture. The Company shall not have any responsibility for the distribution of any such payment to the Noteholder of this Equipment Note. Each such payment shall be made on the date such payment is due and without any presentment or surrender of this Equipment Note, except that in the case of any final payment with respect to this Equipment Note, this Equipment Note shall be surrendered to the Loan Trustee for cancellation.

The holder hereof, by its acceptance of this Equipment Note, agrees that, except as provided in the Indenture, including the subordination provisions referred to below, each payment of an installment of principal amount, interest and Make-Whole Amount, if any, received by it hereunder shall be applied: *first*, to the payment of accrued interest on this Equipment Note (as well as any interest on (i) any overdue principal amount, and (ii) to the extent permitted by law, any overdue Make-Whole Amount, if any, any overdue interest and any other overdue amounts hereunder) to the date of such payment; *second*, to the payment of Make-Whole Amount, if any, with respect to this Equipment Note; *third*, to the payment of the principal amount of this Equipment Note (or portion thereof) then due hereunder, if any; and *fourth*, the balance, if any, remaining thereafter to the payment of installments of the principal amount of this Equipment Note (or portion thereof) remaining unpaid in the inverse order of their maturity.

This Equipment Note is one of the Equipment Notes referred to in the Indenture which have been or are to be issued by the Company pursuant to the terms of the Indenture. The Collateral is held by the Loan Trustee as security, in part, for the Equipment Notes. The provisions of this Equipment Note are subject to the Indenture, the Related Indentures, the Participation Agreement, the other Operative Documents and the Pass Through Documents. Reference is hereby made to the Indenture, the Related Indentures, the Participation Agreement, the other Operative Documents and the Pass Through Documents for a complete statement of the rights and obligations of the holder of, and the nature and extent of the security for, this Equipment Note (including as a "Related Equipment Note" under each Related Indenture) and the rights and obligations

of the holders of, and the nature and extent of the security for, any other Equipment Notes executed and delivered under the Indenture, to all of which terms and conditions in the Indenture, the Related Indentures, the Participation Agreement, the other Operative Documents and the Pass Through Documents each holder hereof agrees by its acceptance of this Equipment Note.

As provided in the Indenture and subject to certain limitations therein set forth, this Equipment Note is exchangeable for an equal aggregate principal amount of Equipment Notes of the same Series of different authorized denominations, as requested by the holder surrendering the same. Prior to the due presentment for registration of transfer of this Equipment Note, the Company and the Loan Trustee shall deem and treat the Person in whose name this Equipment Note is registered on the Equipment Note Register as the absolute owner and holder hereof for the purpose of receiving all amounts payable with respect to this Equipment Note and for all purposes, and neither the Company nor the Loan Trustee shall be affected by notice to the contrary.

This Equipment Note is subject to redemption as provided in Section 2.10, Section 2.11 and Section 2.12 of the Indenture but not otherwise. In addition, this Equipment Note may be accelerated as provided in Section 4.02 of the Indenture.

This Equipment Note is subject to certain restrictions set forth in Section 4.01(a)(ii) and Section 4.01(a)(iii) of the Intercreditor Agreement, as further specified in Section 2.07 of the Indenture, to all of which terms and conditions in the Intercreditor Agreement each holder hereof agrees by its acceptance of this Equipment Note.

The holder hereof, by its acceptance of this Equipment Note, agrees that no payment or distribution shall be made on or in respect of the Secured Obligations (as defined in the Indenture) or the Secured Obligations (as defined in any Related Indenture) owed to such holder, including, without limitation, any payment or distribution of cash, property or securities after the occurrence of any of the events referred to in Section 4.01(f) of the Indenture or after the commencement of any proceedings of the type referred to in Section 4.01(g), Section 4.01(h) or Section 4.01(i) of the Indenture, except, in each case, as expressly provided in Article III of the Indenture or Article III of the applicable Related Indenture, as appropriate.

The indebtedness evidenced by this Equipment Note is[,]⁶ [(i) to the extent and in the manner provided in the Indenture, subordinate and subject in right of payment to the prior payment in full of the Secured Obligations in respect of [Series AA Equipment

The Noteholder of this Equipment Note, by accepting the same, (a) agrees to and shall be bound by such provisions, (b) authorizes and directs the Loan Trustee or the Related Loan Trustee under the applicable Related Indenture, as appropriate, on such Noteholder’s behalf to take any action necessary or appropriate to effectuate the subordination as provided in this Indenture or the applicable Related Indenture and (c) appoints the Loan Trustee or the Related Loan Trustee under the applicable Related Indenture, as appropriate, as such Noteholder’s attorney-in-fact for such purpose.

Without limiting the foregoing, the Noteholder of this Equipment Note, by accepting the same, agrees that if such Noteholder, in its capacity as a Noteholder, shall receive any payment or distribution on any Secured Obligation in respect of this Equipment Note that it is not entitled to receive under Section 2.13 or Article III of the Indenture, it shall hold any amount so received in trust for the Loan Trustee and forthwith turn over such amount to the Loan Trustee in the form received to be applied as provided in Article III of the Indenture.

Section 2.02. Issuance and Terms of Equipment Notes. The Equipment Notes shall be dated the date of issuance thereof, shall be issued in (a) separate Series consisting of Series AA Equipment Notes, Series A Equipment Notes and Additional Series Equipment Notes (if issued) (if more than one series of Additional Series Equipment Notes are so issued whether at the same or different times, each such series shall have a

different designation such as, for example, "Series B" and "Series C") and (b) the maturities and original principal amounts and shall bear interest at the applicable Debt Rates specified in Schedule I hereto (as, in the case of any Equipment Notes issued after the Closing Date, such **Schedule I** may be amended in connection with such issuance). On the date of original issuance thereof, each Series AA Equipment Note, Series A Equipment Note and Additional Series Equipment Note (if issued) shall be issued to the Subordination Agent on behalf of each of the Pass Through Trustees for the applicable Pass Through Trust created under the Pass Through Trust Agreements referred to in **Schedule II**. Subject to compliance with the conditions set forth in Section 4(a)(v) of the Note Purchase Agreement, Section 2.02 of the Participation Agreement and Section 8.01(d) of the Intercreditor Agreement, the Company shall have the option to issue Additional Series Equipment Notes at any time and from time to time. In addition, if all of the Series A Equipment Notes or any Series of Additional Equipment Notes (in each case, whether issued on or after the Closing Date) shall have been redeemed pursuant to Section 2.11(b) or repaid in full, the Company shall, subject to compliance with the conditions set forth in Section 4(a)(v) of the Note Purchase Agreement, Section 2.02 of the Participation Agreement and Section 8.01(c) of the Intercreditor Agreement, have the option to issue new Series A Equipment Notes or Additional Series Equipment Notes with the same Series designation as, but with terms that may be the same as or different from those of, the redeemed or repaid Series A Equipment Notes or Additional Series Equipment Notes. Without limitation of the foregoing, new Series A Equipment Notes and, if any Additional Series Equipment Notes shall have been issued hereunder, new Additional Series Equipment Notes may be issued pursuant to the provisions of Section 2.11(b). The Equipment Notes shall be issued in registered form only. The Equipment Notes shall be issued in denominations of \$1,000 and integral multiples thereof, except that one Equipment Note of each Series may be in an amount that is not an integral multiple of \$1,000.

Each Equipment Note shall bear interest at the Debt Rate specified for such Series calculated on the basis of a year of 360 days comprised of twelve 30-day months, payable in arrears on each Payment Date on the unpaid principal amount thereof from time to time outstanding from the most recent Payment Date to which interest has been paid or duly provided for (or, if no interest has been so paid or provided for, from the date of issuance of such Equipment Note) until such principal amount is paid in full, as further provided in the form of Equipment Note set forth in Section 2.01. The principal amount of each Series AA Equipment Note, each Series A Equipment Note and each Additional Series Equipment Note (if issued) shall be payable in installments or in a single payment on the Payment Dates set forth in Schedule I to such Equipment Note, each such installment, if any, to be in an amount computed by multiplying the original principal amount of such Equipment Note by the corresponding percentage set forth in Schedule I hereto (as, in the case of any Equipment Notes issued after the Closing Date, such

Schedule I may be amended in connection with such issuance) applicable to such Series, the applicable portion of which shall be attached as Schedule I to such Equipment Note, opposite the Payment Date on which such installment is due. Each Additional Series Equipment Note, if issued, shall be payable in installments or in a single payment as set forth in an amendment to this Indenture, and if payable in installments, such installments shall be calculated as set forth in the preceding sentence. Notwithstanding the foregoing, the final payment made under each Equipment Note shall be in an amount sufficient to discharge in full the unpaid principal amount and all accrued and unpaid interest on, and any other amounts due under, such Equipment Note. Each Equipment Note shall bear interest, payable on demand, at the Past Due Rate (and not at the Debt Rate) (calculated on the basis of a year of 360 days comprised of twelve 30-day months) on any principal amount and (to the extent permitted by applicable law) Make-Whole Amount, if any, interest and any other amounts payable thereunder not paid when due for any period during which the same shall be overdue, in each case for the period the same is overdue. Amounts shall be overdue under an Equipment Note if not paid in the manner provided therein or in this Indenture when due (whether at stated maturity, by acceleration or otherwise). Notwithstanding anything to the contrary contained herein, if any date on which a payment hereunder or under any Equipment Note becomes due and payable is not a Business Day, then such payment shall not be made on such scheduled date but shall be made on the next succeeding Business Day with the same force and effect as if made on such scheduled date, and if such payment is made on such next succeeding Business Day, no interest shall accrue on the amount of such payment from and after such scheduled date.

The Equipment Notes shall be executed on behalf of the Company by the manual or facsimile signature of one of its authorized officers. Equipment Notes bearing the signatures of individuals who were at the time of execution the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Equipment Notes or did not hold such offices at the respective dates of such Equipment Notes. No Equipment Note shall be secured by or entitled to any benefit under this Indenture or be valid or obligatory for any purposes unless there appears on such Equipment Note a certificate of authentication in the form provided herein executed by the Loan Trustee by the manual signature of one of its authorized officers, and such certificate upon any Equipment Notes shall be conclusive evidence, and the only evidence, that such Equipment Note has been duly authenticated and delivered hereunder.

Section 2.03. Method of Payment. The principal amount of, interest on, Make-Whole Amount, if any, and, except to the extent expressly provided herein, all other amounts due under each Equipment Note or otherwise payable hereunder shall be payable by the Company in Dollars by wire transfer of immediately available funds not later than 10:00 a.m. (New York City time) on the due date of payment to the Loan

Trustee at the Corporate Trust Office for distribution among the Noteholders in the manner provided herein, and payment of such amount by the Company to the Loan Trustee shall be deemed to satisfy the Company's obligation to make such payment. The Company shall not have any responsibility for the distribution of such payment to any Noteholder. Notwithstanding the foregoing or any provision in any Equipment Note to the contrary, the Loan Trustee will use reasonable efforts to pay or cause to be paid, if so directed in writing by any Noteholder (with a copy to the Company), all amounts paid by the Company hereunder and under such Noteholder's Equipment Note or Equipment Notes to such Noteholder or a nominee therefor (including all amounts distributed pursuant to Article III) by transferring, or causing to be transferred, by wire transfer of immediately available funds in Dollars, prior to 12:00 noon (New York City time) on the due date of payment, to an account maintained by such Noteholder with a bank located in the continental United States the amount to be distributed to such Noteholder, for credit to the account of such Noteholder maintained at such bank; provided that, in the event the Equipment Notes are not held by the Subordination Agent on behalf of the Pass Through Trustees, the Loan Trustee shall, unless instructed by the Company to use another method, pay such amounts by check mailed to the Noteholder's address as it appears on the Equipment Note Register. If, after its receipt of funds at the place and prior to the time specified above in the immediately preceding sentence, the Loan Trustee shall fail (other than as a result of a failure of the Noteholder to provide it with wire transfer instructions) to make any such payment required to be paid by wire transfer as provided in the immediately preceding sentence on the Business Day it receives such funds, the Loan Trustee, in its individual capacity and not as trustee, agrees to compensate such Noteholders for loss of use of funds at the Federal Funds Rate until such payment is made and the Loan Trustee shall be entitled to any interest earned on such funds until such payment is made. Any payment made hereunder shall be made without any presentment or surrender of any Equipment Note, except that, in the case of the final payment in respect of any Equipment Note, such Equipment Note shall be surrendered to the Loan Trustee for cancellation. Notwithstanding any other provision of this Indenture to the contrary, the Loan Trustee shall not be required to make, or cause to be made, wire transfers as aforesaid prior to the first Business Day on which it is practicable for the Loan Trustee to do so in view of the time of day when the funds to be so transferred were received by it if such funds were received after 1:00 p.m. (New York City time) at the place of payment, in which case the Loan Trustee shall make such required payment on the next succeeding Business Day. So long as any signatory to the Participation Agreement or nominee thereof shall be a registered Noteholder, all payments to it shall be made to the account of such Noteholder specified in Schedule I to the Participation Agreement, or otherwise in the manner provided in or pursuant to the Participation Agreement, unless it shall have specified some other account or manner of payment by notice to the Loan Trustee consistent with this Section 2.03.

Section 2.04. Withholding Taxes. The Loan Trustee shall exclude and withhold at the appropriate rate from each payment of principal amount of, interest on, Make-Whole Amount, if any, and other amounts due hereunder or under each Equipment Note (which exclusion and withholding shall constitute payment of such amounts payable hereunder or in respect of such Equipment Notes, as applicable) any and all withholding taxes applicable thereto as required by law. The Loan Trustee agrees to act as such withholding agent and, in connection therewith, whenever any present or future taxes or similar charges are required to be withheld with respect to any amounts payable hereunder or in respect of the Equipment Notes, to withhold such amounts (which withholding shall constitute payment of such amounts payable hereunder or in respect of such Equipment Notes, as applicable) and timely pay the same to the appropriate authority in the name of and on behalf of the Noteholders, that it will file any necessary withholding tax returns or statements when due, and that as promptly as possible after the payment thereof it will deliver to each Noteholder (with a copy to the Company) appropriate documentation showing the payment thereof, together with such additional documentary evidence as any such Noteholder may reasonably request from time to time. The Loan Trustee agrees to file any other information reports as it may be required to file under United States law.

Section 2.05. Application of Payments. Subject always to Section 2.13 and except as otherwise provided in Article III, in the case of each Equipment Note, each payment of an installment of principal amount, Make-Whole Amount, if any, and interest paid thereon shall be applied:

first, to the payment of accrued interest on such Equipment Note (as well as any interest on (i) any overdue principal amount, and (ii) to the extent permitted by applicable law, any overdue Make-Whole Amount, if any, any overdue interest and any other overdue amounts thereunder) to the date of such payment;

second, to the payment of Make-Whole Amount, if any, with respect to such Equipment Note;

third, to the payment of the principal amount of such Equipment Note (or portion thereof) then due thereunder, if any; and

fourth, the balance, if any, remaining thereafter to the payment of installments of the principal amount of such Equipment Note (or portion thereof) remaining unpaid in the inverse order of their maturity.

Section 2.06. Termination of Interest in Collateral. No Noteholder or Indenture Indemnitee shall, as such, have any further interest in, or other right with respect to, the

Collateral when and if the principal amount of, Make-Whole Amount, if any, and interest (including, to the extent permitted by applicable law, post-petition interest and interest on any overdue amounts) due on and all other amounts due under all Equipment Notes held by such Noteholder and all other sums then due and payable to such Noteholder or Indenture Indemnitee, as the case may be, hereunder (including, without limitation, under Section 2.14) and under the Participation Agreement by the Company (the “Secured Obligations”) have been paid in full.

Subject to Section 10.01 hereof, no Related Indenture Indemnitee shall, as such, have any further interest in, or other right with respect to, the Collateral when and if all Related Secured Obligations have been paid in full.

Section 2.07. Registration, Transfer and Exchange of Equipment Notes. The Loan Trustee shall keep a register or registers (the “Equipment Note Register”) in which the Loan Trustee shall provide for the registration of Equipment Notes and the registration of transfers of Equipment Notes. No such transfer shall be given effect unless and until registration hereunder shall have occurred. The Equipment Note Register shall be kept at the Corporate Trust Office of the Loan Trustee. The Loan Trustee is hereby appointed “Equipment Note Registrar” for the purpose of registering Equipment Notes and transfers of Equipment Notes as herein provided. A holder of any Equipment Note intending to exchange or transfer such Equipment Note shall surrender such Equipment Note to the Loan Trustee at the Corporate Trust Office, together with a written request from the registered holder thereof for the issuance of a new Equipment Note of the same Series, specifying, in the case of a surrender for transfer, the name and address of the new holder or holders. Upon surrender for registration of transfer of any Equipment Note and subject to satisfaction of Section 2.09, the Company shall execute, and the Loan Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Equipment Notes of an equal aggregate principal amount and of the same Series. At the option of the Noteholder, Equipment Notes may be exchanged for other Equipment Notes of the same Series of any authorized denominations of an equal aggregate principal amount, upon surrender of the Equipment Notes to be exchanged to the Loan Trustee at the Corporate Trust Office. Whenever any Equipment Notes are so surrendered for exchange, the Company shall execute, and the Loan Trustee shall authenticate and deliver, the Equipment Notes which the Noteholder making the exchange is entitled to receive. All Equipment Notes issued upon any registration of transfer or exchange of Equipment Notes (whether under this Section 2.07 or under Section 2.08 or otherwise under this Indenture) shall be the valid obligations of the Company evidencing the same respective obligations, and entitled to the same security and benefits under this Indenture, as the Equipment Notes surrendered upon such registration of transfer or exchange. Every Equipment Note presented or surrendered for registration of transfer shall (if so required by the Company or the Loan Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to

the Loan Trustee, duly executed by the Noteholder or such Noteholder's attorney duly authorized in writing, and the Company and the Loan Trustee shall require evidence satisfactory to it as to the compliance of any such transfer with the Securities Act and the securities laws of any applicable state or jurisdiction. The Loan Trustee shall make a notation on each new Equipment Note of the amount of all payments of principal amount previously made on the old Equipment Note or Equipment Notes with respect to which such new Equipment Note is issued and the date to which interest on such old Equipment Note or Equipment Notes has been paid. Principal, interest and all other amounts shall be deemed to have been paid on such new Equipment Note to the date on which such amounts shall have been paid on such old Equipment Note. The Company shall not be required to exchange any surrendered Equipment Notes as provided above (a) during the ten-day period preceding the due date of any payment on such Equipment Note or (b) that has been called for redemption. The Company and the Loan Trustee shall in all cases deem and treat the Person in whose name any Equipment Note shall have been issued and registered on the Equipment Note Register as the absolute owner and the Noteholder of such Equipment Note for the purpose of receiving payment of all amounts payable with respect to such Equipment Note and for all other purposes, and neither the Company nor the Loan Trustee shall be affected by any notice to the contrary. The Loan Trustee will promptly notify the Company of each registration of a transfer of an Equipment Note. Any such transferee of an Equipment Note, by its acceptance of an Equipment Note, agrees to the provisions of the Indenture, the Related Indentures, the Participation Agreement, the other Operative Documents and the Pass Through Documents applicable to the Noteholders or, in the case of each Related Indenture, Related Noteholders, and, without limiting the generality of the foregoing, any such transferee of an Equipment Note, by its acceptance of an Equipment Note: (i) agrees to the applicable provisions of Section 6.01, Section 7.10 and Section 7.11 of the Participation Agreement, and shall be deemed to have represented, warranted and covenanted to the parties to the Participation Agreement as to the matters represented, warranted and covenanted by the Noteholders, including the Pass Through Trustees, in the Participation Agreement and (ii) agrees to the restrictions set forth in Section 4.01(a)(ii) and Section 4.01(a)(iii) of the Intercreditor Agreement, and shall be deemed to have covenanted to the parties to the Intercreditor Agreement not to give any direction to, or otherwise authorize, the Loan Trustee to take any action that would violate Section 4.01(a)(ii) or Section 4.01(a)(iii) of the Intercreditor Agreement. Subject to compliance by the Noteholder and its transferee (if any) of the requirements set forth in this Section 2.07 and in Section 2.09, the Loan Trustee and the Company shall use all reasonable efforts to issue new Equipment Notes upon transfer or exchange within ten Business Days of the date an Equipment Note is surrendered for transfer or exchange.

Section 2.08. Mutilated, Destroyed, Lost or Stolen Equipment Notes. If any Equipment Note becomes mutilated, destroyed, lost or stolen, the Company shall, upon

the written request of the holder of such Equipment Note and subject to satisfaction of this Section 2.08 and of Section 2.09, execute and the Loan Trustee shall authenticate and deliver in replacement thereof a new Equipment Note of the same Series, payable in the same principal amount, dated the same date and captioned as issued in connection with the Aircraft. If the Equipment Note being replaced has become mutilated, such Equipment Note shall be surrendered to the Loan Trustee, and a photocopy thereof shall be furnished to the Company. If the Equipment Note being replaced has been destroyed, lost or stolen, the holder of such Equipment Note shall furnish to the Company and the Loan Trustee such security or indemnity as may be required by them to save the Company and the Loan Trustee harmless and evidence satisfactory to the Company and the Loan Trustee of the destruction, loss or theft of such Equipment Note and of the ownership thereof.

Section 2.09. Payment of Expenses on Transfer; Cancellation. (a) No service charge shall be made to a Noteholder for any registration of transfer or exchange of Equipment Notes, but the Loan Trustee, as Equipment Note Registrar, may require payment of a sum sufficient to cover any Tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Equipment Notes.

(b) The Loan Trustee shall cancel all Equipment Notes surrendered for replacement, redemption, transfer, exchange, payment or cancellation, shall keep a copy of such cancelled Equipment Notes, and shall send the original canceled Equipment Notes marked "cancelled" to the Company.

Section 2.10. Mandatory Redemption of Equipment Notes. The Company shall redeem the Equipment Notes in whole in connection with an Event of Loss in respect of the Airframe or the Airframe and the Engines installed thereon (unless the Company shall have performed the option set forth in Section 7.05(a)(i) with respect thereto) on or before the Loss Payment Date at a redemption price equal to 100% of the unpaid principal amount thereof, together with all accrued and unpaid interest thereon to (but excluding) the date of redemption, but without any Make-Whole Amount, and all other Secured Obligations owed or then due and payable to the Noteholders.

Section 2.11. Voluntary Redemption of Equipment Notes. Section 3.04. Certain Payments. (a) Any payments received by the Loan Trustee for which provision as to the application thereof is made in this Indenture other than in this Article III shall be applied as provided in those provisions. Without limiting the foregoing, any payments received by the Loan Trustee which are payable to the Company pursuant to any of the provisions of this Indenture other than those set forth in this Article III (including Section 5.06, Section 7.05 and Section 7.06 hereof) shall be so paid to the Company. Any payments received by the Loan Trustee for which no provision as to the application thereof is made in this Indenture and for which such provision is made in any other Operative Document shall be applied forthwith to the purpose for which such payment was made in accordance with the terms of such other Operative Document.

(b) Notwithstanding anything to the contrary contained in this Article III, the Loan Trustee will distribute promptly upon receipt any indemnity payment received by it from the Company pursuant to Section 4.02 of the Participation Agreement payable to

(i) WTC and the Loan Trustee, (ii) the Subordination Agent, (iii) any separate or additional trustee appointed pursuant to Section 8.02, (iv) the Pass Through Trustees and (v) each Liquidity Provider, in each case, directly to the Person entitled thereto. Any payment received by the Loan Trustee from the Company under Section 2.14 shall be distributed to the Subordination Agent to be distributed in accordance with Section 2.04(c) of the Intercreditor Agreement.

(c) Any payments received by the Loan Trustee not constituting part of the Collateral or otherwise for which no provision as to the application thereof is made in any Operative Document shall be distributed by the Loan Trustee to the Company. Further, and except as otherwise provided in Section 3.02 and Section 3.03, all payments received and amounts realized by the Loan Trustee with respect to the Aircraft, to the extent received or realized at any time after payment in full of all Secured Obligations, as well as any amounts remaining as part of the Collateral after the occurrence of such payment in full, shall be distributed by the Loan Trustee to the Company.

Section 3.05. Payments to the Company. Any amounts distributed hereunder by the Loan Trustee to the Company shall be paid to the Company (within the time limits contemplated by Section 2.03) by wire transfer of funds of the type received by the Loan Trustee at such office and to such account or accounts of such entity or entities as shall be designated by notice from the Company to the Loan Trustee from time to time.

Section 3.06. Cooperation. Prior to making any distribution under this Article III, the Loan Trustee shall consult with the Related Loan Trustees to determine amounts payable with respect to the Related Secured Obligations. The Loan Trustee shall cooperate with the Related Loan Trustees and shall provide such information as shall be reasonably requested by each Related Loan Trustee to enable such Related Loan Trustee to determine amounts distributable under Article III of its Related Indenture.

Section 3.07. Securities Account. In furtherance of the provisions of Section 3.03, WTC agrees to act as an Eligible Institution under this Indenture in accordance with the provisions of this Indenture (in such capacity, the "Securities Intermediary"). Except in its capacity as Loan Trustee, WTC waives any claim or lien against any Eligible Account it may have, by operation of law or otherwise, for any amount owed to it by the Company. The Securities Intermediary hereby agrees that, notwithstanding anything to the contrary in this Indenture, (i) any amounts to be held by the Loan Trustee pursuant to subclause (ix) of clause "third" of Section 3.03 and any investment earnings thereon or other Permitted Investments in which such amounts are invested will be credited to an Eligible Account (the "Securities Account") for which it is a "securities intermediary" (as defined in Section 8-102(a)(14) of the NY UCC) and the Loan Trustee is the "entitlement holder" (as defined in Section 8-102(a)(7) of the NY UCC) of the "security entitlement" (as defined in Section 8-102(a)(17) of the NY UCC) with respect to each "financial asset"

(as defined in Section 8-102(a)(9) of the NY UCC) credited to such Eligible Account, (ii) all such amounts, Permitted Investments and all other property acquired with cash credited to the Securities Account will be credited to the Securities Account, (iii) all items of property (whether cash, investment property, Permitted Investments, other investments, securities, instruments or other property) credited to the Securities Account will be treated as a “financial asset” under Article 8 of the NY UCC, (iv) its “securities intermediary’s jurisdiction” (as defined in Section 8-110(e) of the NY UCC) with respect to the Securities Account is the State of New York, and (v) all securities, instruments and other property in order or registered form and credited to the Securities Account shall be payable to or to the order of, or registered in the name of, the Securities Intermediary or shall be indorsed to the Securities Intermediary or in blank, and in no case whatsoever shall any financial asset credited to the Securities Account be registered in the name of the Company, payable to or to the order of the Company or specially indorsed to the Company except to the extent the foregoing have been specially indorsed by the Company to the Securities Intermediary or in blank. The Loan Trustee agrees that it will hold (and will indicate clearly in its books and records that it holds) its “security entitlements” to the “financial assets” credited to the Securities Account in trust for the benefit of the Noteholders, each Indenture Indemnitee and each Related Indenture Indemnitee as set forth in this Indenture. The Company acknowledges that, by reason of the Loan Trustee being the “entitlement holder” in respect of the Securities Account as provided above, the Loan Trustee shall have the sole right and discretion, subject only to the terms of this Indenture, to give all “entitlement orders” (as defined in Section 8-102(a)(8) of the NY UCC) with respect to the Securities Account and any and all financial assets and other property credited thereto to the exclusion of the Company. If any Person asserts any Lien (including, without limitation, any writ, garnishment, judgment, warrant of attachment, execution or similar process) against the Securities Account or any financial asset carried therein, WTC will promptly notify the Loan Trustee and the Company thereof.

ARTICLE IV

EVENTS OF DEFAULT; REMEDIES OF LOAN TRUSTEE

Section 4.01. Events of Default. Subject to the proviso at the end of this Section 4.01, each of the following events shall constitute an “Event of Default” whether such event shall be voluntary or involuntary or shall come about or be effected by operation of law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body and each such Event of Default shall be deemed to exist and continue so long as, but only as long as, it shall not have been remedied or explicitly waived:

(a) the Company shall fail to make any payment within 15 days after the same shall have become due of principal amount of, interest on, or Make-Whole Amount, if any, with respect to, any Equipment Note;

(b) the Company shall fail to make payment when the same shall become due of any amount (other than amounts referred to in Section 4.01(a)) due hereunder, under any Equipment Note or under any other Operative Document, and such failure shall continue unremedied for 30 days after the receipt by the Company of written notice thereof from the Loan Trustee or any Noteholder;

(c) the Company shall fail to carry and maintain (or cause to be maintained) insurance or indemnity on or with respect to the Aircraft in accordance with the provisions of Section 7.06; provided that no such failure to carry and maintain insurance shall constitute an Event of Default until the earlier of (i) the date such failure shall have continued unremedied for a period of 30 days after receipt by the Loan Trustee of the notice of cancellation or lapse referred to in Section 7.06 or (ii) the date such insurance is not in effect as to the Loan Trustee;

(d) the Company shall fail to perform or observe any other covenant, condition or agreement to be performed or observed by it under any Operative Document, and such failure shall continue unremedied for a period of 60 days after receipt by the Company of written notice thereof from the Loan Trustee or any Noteholder; provided that, if such failure is capable of being remedied, no such failure shall constitute an Event of Default for a period of one year after such notice is received by the Company so long as the Company is diligently proceeding to remedy such failure;

(e) any representation or warranty made by the Company in any Operative Document shall prove to have been incorrect in any material respect at the time made, and such incorrectness shall continue to be material to the transactions contemplated hereby and shall continue unremedied for a period of 60 days after receipt by the Company of written notice thereof from the Loan Trustee or any Noteholder; provided that, if such incorrectness is capable of being remedied, no such incorrectness shall constitute an Event of Default for a period of one year after such notice is received by the Company so long as the Company is diligently proceeding to remedy such incorrectness;

(f) the Company shall consent to the appointment of or the taking of possession by a receiver, trustee or liquidator of itself or of a substantial part of its property, shall admit in writing its inability to pay its debts generally as they come due or shall make a general assignment for the benefit of creditors;

(h) an order, judgment or decree shall be entered by any court of competent jurisdiction appointing, without the consent of the Company, a receiver, trustee or liquidator of the Company or sequestering any substantial part of its property, or granting any other relief in respect of the Company as a debtor under any bankruptcy laws or insolvency laws (as in effect at such time), and any such order, judgment or decree of appointment or sequestration shall remain in force undismitted, unstayed or unvacated for a period of 90 days after the date of entry thereof;

(i) a petition against the Company as a debtor in a case under the federal bankruptcy laws or other insolvency laws (as in effect at such time) is filed and not withdrawn or dismissed within 90 days thereafter, or if, under the provisions of any law providing for reorganization or winding-up of corporations that may apply to the Company, any court of competent jurisdiction assumes jurisdiction, custody or control of the Company or of any substantial part of its property and such jurisdiction, custody or control shall remain in force unrelinquished, unstayed or unterminated for a period of 90 days; or

(j) an “Event of Default” (as defined in any Related Indenture) shall have occurred and be continuing;

provided that notwithstanding anything to the contrary contained in this Section 4.01, any failure of the Company to perform or observe any covenant, condition or agreement shall not constitute an Event of Default if such failure arises by reason of an event referred to in the definition of “Event of Loss” so long as the Company is continuing to comply with all of the terms of Section 7.05.

Section 4.02. Remedies. (a) If an Event of Default shall have occurred and be continuing and so long as the same shall continue unremedied, then and in every such case the Loan Trustee may, and upon the written instructions of a Majority in Interest of Noteholders, the Loan Trustee shall, do one or more of the following to the extent

permitted by, and subject to compliance with the requirements of, applicable law then in effect (provided that during any period the Airframe or any Engine is subject to the CRAF Program and is in possession of or being operated under the direction of the United States government or an agency or instrumentality of the United States, the Loan Trustee shall not, on account of any Event of Default, be entitled to exercise or pursue any of the powers, rights or remedies described in this Section 4.02 in such manner as to limit the Company's control under this Indenture (or any Permitted Lessee's control under any Lease) of the Airframe, any Engines installed thereon or any such Engine, unless at least 60 days' (or such lesser period as may then be applicable under the CRAF Program of the United States government) prior written notice of default hereunder shall have been given by the Loan Trustee by registered or certified mail to the Company (and any such Permitted Lessee) with a copy addressed to the Contracting Office Representative or other appropriate person for the Air Mobility Command of the United States Air Force under any contract with the Company or such Permitted Lessee relating to the Aircraft):

(i) declare by written notice to the Company all the Equipment Notes to be due and payable, whereupon the aggregate unpaid principal amount of all Equipment Notes then outstanding, together with accrued but unpaid interest thereon and all other amounts due thereunder (but for the avoidance of doubt, without Make-Whole Amount), shall immediately become due and payable without presentment, demand, protest or other notice, all of which are hereby waived; provided that if an Event of Default referred to in Section 4.01(f), Section 4.01(g), Section 4.01(h) or Section 4.01(i) shall have occurred and be continuing, then and in every such case the unpaid principal amount of the Equipment Notes then outstanding, together with accrued but unpaid interest thereon and all other amounts due thereunder (but for the avoidance of doubt, without Make-Whole Amount), shall immediately and without further act become due and payable without presentment, demand, protest or notice, all of which are hereby waived; and, following such declaration or deemed declaration:

(ii) (A) cause the Company, upon the written demand of the Loan Trustee, at the Company's expense, to deliver promptly, and the Company shall deliver promptly, all or such part of the Airframe or any Engine as the Loan Trustee may so demand to the Loan Trustee or its order, or, if the Company shall have failed to so deliver the Airframe or any Engine after such demand, the Loan Trustee, at its option, may enter upon the premises where all or any part of the Airframe or any Engine are located and take immediate possession of and remove the same together with any engine which is not an Engine but which is installed on the Airframe, subject to all of the rights of the owner, lessor, lienor or secured party of such engine; provided that the Airframe with an engine (which is not an Engine) installed thereon may be flown or returned only to a location within the

continental United States, and such engine shall be held at the expense of the Company for the account of any such owner, lessor, lienor, secured party or, if such engine is owned by the Company, may at the option of the Company with the consent of the Loan Trustee (which will not be unreasonably withheld) or at the option of the Loan Trustee with the consent of the Company (which will not be unreasonably withheld), be exchanged with the Company for an Engine in accordance with the provisions of Section 7.05(b); (B) sell all or any part of the Airframe and any Engine at public or private sale, whether or not the Loan Trustee shall at the time have possession thereof, as the Loan Trustee may determine, or otherwise dispose of, hold, use, operate, lease to others or keep idle all or any part of the Airframe or such Engine as the Loan Trustee, in its sole discretion, determines, all free and clear of any rights or claims of the Company, and the proceeds of such sale or disposition shall be applied as set forth in Section 3.03; or (C) exercise any other remedy of a secured party under the Uniform Commercial Code of the State of New York (whether or not in effect in the jurisdiction in which enforcement is sought); provided that, notwithstanding anything to the contrary set forth herein or in any other Operative Document, (i) as permitted by Article 15 of the Cape Town Convention, the provisions of Chapter III of the Cape Town Convention are hereby excluded and made inapplicable to this Indenture and the other Operative Documents, except for those provisions of such Chapter III that cannot be derogated from; and (ii) as permitted by Article IV(3) of the Aircraft Protocol, the provisions of Chapter II of the Aircraft Protocol are hereby excluded and made inapplicable to this Indenture and the other Operative Documents, except for (x) Article XVI of the Aircraft Protocol and (y) those provisions of such Chapter II that cannot be derogated from. In furtherance of the foregoing, the parties hereto agree that the exercise of remedies hereunder and the other Operative Documents is subject to other applicable law, including without limitation, the NY UCC and the Bankruptcy Code, and that nothing herein derogates from the rights of the Company or the Loan Trustee under or pursuant to such other applicable law, including without limitation, the NY UCC or the Bankruptcy Code.

Upon every such taking of possession of Collateral under this Section 4.02, the Loan Trustee may, from time to time, at the expense of the Collateral, make all such expenditures for maintenance, insurance, repairs, alterations, additions and improvements to and of the Collateral as it deems necessary to cause the Collateral to be in such condition as required by the provisions of this Indenture. In each such case, the Loan Trustee may maintain, use, operate, store, insure, lease, control, manage or dispose of the Collateral and may exercise all rights and powers of the Company relating to the Collateral as the Loan Trustee reasonably deems best, including the right to enter into any and all such agreements with respect to the maintenance, use, operation, storage,

insurance, leasing, control, management or disposition of the Collateral or any part thereof as the Loan Trustee may reasonably determine; and the Loan Trustee shall be entitled to collect and receive directly all tolls, rents, revenues, issues, income, products and profits of the Collateral and every part thereof, without prejudice, however, to the rights of the Loan Trustee under any provision of this Indenture to collect and receive all cash held by, or required to be deposited with, the Loan Trustee hereunder. Such tolls, rents, revenues, issues, income, products and profits shall be applied to pay the expenses of the use, operation, storage, insurance, leasing, control, management or disposition of the Collateral, and of all maintenance, repairs, replacements, alterations, additions and improvements, and to make all payments that the Loan Trustee is required or elects to make, if any, for Taxes, insurance or other proper charges assessed against or otherwise imposed upon the Collateral or any part thereof, and all other payments which the Loan Trustee is required or expressly authorized to make under any provision of this Indenture, as well as just and reasonable compensation for the services of the Loan Trustee, and shall otherwise be applied in accordance with Article III.

If an Event of Default shall have occurred and be continuing and the Equipment Notes shall either have been accelerated pursuant to this Section 4.02 or have become due at maturity and the Loan Trustee shall be entitled to exercise rights hereunder, at the request of the Loan Trustee, the Company shall promptly execute and deliver to the Loan Trustee such instruments of title and other documents as the Loan Trustee reasonably deems necessary or advisable to enable the Loan Trustee or an agent or representative designated by the Loan Trustee, at such time or times and place or places as the Loan Trustee may specify, to obtain possession of all or any part of the Collateral to which the Loan Trustee shall at the time be entitled hereunder. If the Company shall for any reason fail to execute and deliver such instruments and documents after such request by the Loan Trustee, the Loan Trustee may seek a judgment conferring on the Loan Trustee the right to immediate possession and requiring the Company to execute and deliver such instruments and documents to the Loan Trustee, to the entry of which judgment the Company hereby specifically consents to the fullest extent it may lawfully do so. All actual and reasonable expenses of obtaining such judgment or of pursuing, searching for and taking such property shall, until paid, be secured by the Lien of this Indenture.

(b) The Loan Trustee shall give the Company at least 30 days' prior written notice of any public sale or of the date on or after which any private sale will be held, which notice the Company hereby agrees to the extent permitted by applicable law is reasonable notice. Any Noteholder or Noteholders shall be entitled to bid for and become the purchaser of any Collateral offered for sale pursuant to this Section 4.02 and to credit against the purchase price bid at such sale by such Noteholders all or any part of the unpaid amounts owing to such Noteholders under the Operative Documents and secured by the Lien of this Indenture (but only to the extent that such purchase price would have been paid to such Noteholders pursuant to Article III if such purchase price

were paid in cash and the foregoing provision of this Section 4.02(b) were not given effect). The Loan Trustee may exercise such right without possession or production of the Equipment Notes or proof of ownership thereof, and as a representative of the Noteholders may exercise such right without notice to the Noteholders as party to any suit or proceeding relating to the foreclosure of any Collateral. The Company shall also be entitled to bid for and become the purchaser of any Collateral offered for sale pursuant to this Section 4.02.

(c) To the extent permitted by applicable law, the Company irrevocably appoints, while an Event of Default has occurred and is continuing, the Loan Trustee the true and lawful attorney-in-fact of the Company (which appointment is coupled with an interest) in its name and stead and on its behalf, for the purpose of effectuating any sale, assignment, transfer or delivery for the enforcement of the Lien of this Indenture, whether pursuant to foreclosure or power of sale, or otherwise, to execute and deliver all such bills of sale, assignments and other instruments as may be necessary or appropriate, with full power of substitution, the Company hereby ratifying and confirming all that such attorney or any substitute shall do by virtue hereof in accordance with applicable law; provided that if so requested by the Loan Trustee or any purchaser, the Company shall ratify and confirm any such sale, assignment, transfer or delivery, by executing and delivering to the Loan Trustee or such purchaser all bills of sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may reasonably be designated in any such request.

(d) At any time after the Loan Trustee has declared the unpaid principal amount of all Equipment Notes then outstanding to be due and payable, or all Equipment Notes shall have become due and payable as provided in the proviso to Section 4.02(a)(i), and, in either case, prior to the sale of any part of the Collateral pursuant to this Article IV, a Majority in Interest of Noteholders, by written notice to the Company and the Loan Trustee, may rescind and annul such declaration, whether made by the Loan Trustee on its own accord or as directed or deemed declaration, and its consequences if: (i) there has been paid to or deposited with the Loan Trustee an amount sufficient to pay all overdue installments of principal amount of, and interest on, the Equipment Notes, and all other amounts owing under the Operative Documents, that have become due otherwise than by such declaration of acceleration and (ii) all other Events of Default, other than nonpayment of principal amount or interest on the Equipment Notes that have become due solely because of such acceleration, have been either cured or waived; provided that no such rescission or annulment shall extend to or affect any subsequent default or Event of Default or impair any right consequent thereon.

(e) Notwithstanding anything contained herein, (i) so long as the Pass Through Trustee under any Pass Through Trust Agreement or the Subordination Agent on its behalf is a Noteholder, the Loan Trustee will not be authorized or empowered to

acquire title to any Collateral or take any action with respect to any Collateral so acquired by it if such acquisition or action would cause any Pass Through Trust to fail to qualify as a “grantor trust” for federal income tax purposes, and (ii) the Loan Trustee will not take any action that would violate Section 4.01(a)(ii) or Section 4.01(a)(iii) of the Intercreditor Agreement.

Section 4.03. Remedies Cumulative. To the extent permitted under applicable law, each and every right, power and remedy specifically given to the Loan Trustee herein or otherwise in this Indenture shall be cumulative and shall be in addition to every other right, power and remedy specifically given herein or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically given herein or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Loan Trustee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Loan Trustee in the exercise of any right, remedy or power or in the pursuance of any remedy shall, to the extent permitted by applicable law, impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Company or to be an acquiescence therein.

Section 4.04. Discontinuance of Proceedings. In case the Loan Trustee shall have instituted any proceedings to enforce any right, power or remedy under this Indenture by foreclosure, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Loan Trustee, then and in every such case the Company and the Loan Trustee shall, subject to any determination in such proceedings, be restored to their former positions and rights hereunder with respect to the Collateral, and all rights, remedies and powers of the Loan Trustee shall continue as if no such proceedings had been undertaken (but otherwise without prejudice).

Section 4.05. Waiver of Past Defaults. Upon written instruction from a Majority in Interest of Noteholders, the Loan Trustee shall waive any past default hereunder and its consequences, and upon any such waiver such default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture and the other Operative Documents, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon; provided that in the absence of written instructions from each of the affected Noteholders, the Loan Trustee shall not waive any default (i) in the payment of the principal amount, Make-Whole Amount, if any, or interest due under any Equipment Note then outstanding (other than with the consent of the holder thereof), or (ii) in respect of a covenant or provision hereof which, under Article IX, cannot be modified or amended without the consent of each such affected Noteholder.

Section 4.06. Noteholders May Not Bring Suit Except Under Certain Conditions. A Noteholder of any Series shall not have the right to institute any suit, action or proceeding at law or in equity or otherwise with respect to this Indenture for the appointment of a receiver or for the enforcement of any other remedy under this Indenture, unless:

- (1) such Noteholder previously shall have given written notice to the Loan Trustee of a continuing Event of Default;
- (2) a Majority in Interest of Noteholders shall have requested the Loan Trustee in writing to institute such action, suit or proceeding and shall have offered to the Loan Trustee indemnity as provided in Section 5.03;
- (3) the Loan Trustee shall have refused or neglected to institute any such action, suit or proceeding for 60 days after receipt of such notice, request and offer of indemnity; and
- (4) no direction inconsistent with such written request shall have been given to the Loan Trustee during such 60-day period by a Majority in Interest of Noteholders.

Except to the extent provided in the Intercreditor Agreement or in any Indenture Supplement, it is understood and intended that no one or more of the Noteholders of any Series shall have any right in any manner whatsoever hereunder or under the Indenture Supplement or under the Equipment Notes of such Series to (i) surrender, impair, waive, affect, disturb or prejudice any Collateral, or the Lien of the Indenture on any Collateral, or the rights of the Noteholders of such Series, (ii) obtain or seek to obtain priority over or preference with respect to any other such Noteholder of such Series or (iii) enforce any right under this Indenture, except in the manner provided in this Indenture and for the equal, ratable and common benefit of all the Noteholders of such Series subject to the provisions of this Indenture.

Section 4.07. Appointment of a Receiver. To the extent permitted by applicable law, if an Event of Default shall have occurred and be continuing, and the Equipment Notes either shall have been accelerated pursuant to Section 4.02 or have become due at maturity, the Loan Trustee shall, as a matter of right, be entitled to the appointment of a receiver (who may be the Loan Trustee or any successor or nominee thereof) for all or any part of the Collateral, whether such receivership be incidental to a proposed sale of the Collateral or the taking of possession thereof or otherwise, and, to the extent permitted by applicable law, the Company hereby consents to the appointment of such a receiver and will not oppose any such appointment. Any receiver appointed for all or any

part of the Collateral shall be entitled to exercise all the rights and powers of the Loan Trustee with respect to the Collateral.

ARTICLE V

DUTIES OF THE LOAN TRUSTEE

Section 5.01. Notice of Event of Default. If the Loan Trustee shall have knowledge of an Event of Default or of a default arising from a failure by the Company to pay when due any payment of principal amount, interest, or Make-Whole Amount, if any, due and payable under any Equipment Note, the Loan Trustee shall promptly give notice thereof to the Company, each Liquidity Provider and each Noteholder by telegram, cable, facsimile or telephone (to be promptly confirmed in writing). Subject to the terms of Section 4.02, Section 4.05, Section 5.02 and Section 5.03, the Loan Trustee shall take such action, or refrain from taking such action, with respect to such default or Event of Default (including with respect to the exercise of any rights or remedies hereunder) as the Loan Trustee shall be instructed in writing by a Majority in Interest of Noteholders. Subject to the provisions of Section 5.03, if the Loan Trustee shall not have received instructions as above provided within 20 Business Days after giving notice of such default or Event of Default to the Noteholders, the Loan Trustee may, subject to instructions thereafter received pursuant to the preceding provisions of this Section 5.01, take such action, or refrain from taking such action with respect to such default or Event of Default as it shall reasonably determine to be advisable and in the best interests of the Noteholders, but shall be under no duty to take or refrain from taking any action. The Loan Trustee shall use the same degree of care and skill in connection therewith as a prudent person would use under the circumstances in the conduct of his or her own affairs. The Loan Trustee may not sell the Airframe or any Engine without the consent of a Majority in Interest of Noteholders.

For all purposes of this Indenture, in the absence of actual knowledge, the Loan Trustee shall not be deemed to have knowledge of a default or an Event of Default unless notified in writing by the Company or one or more Noteholders; and “actual knowledge” (as used in the foregoing clause) of the Loan Trustee shall mean actual knowledge of an officer in the Corporate Trust Office of the Loan Trustee; provided that the Loan Trustee shall be deemed to have actual knowledge of (i) the failure of the Company to pay any principal amount of, or interest on, the Equipment Notes directly to the Loan Trustee when the same shall become due or (ii) the failure of the Company to maintain insurance as required under Section 7.06 if the Loan Trustee receives written notice thereof from an insurer or insurance broker.

Section 5.02. Action upon Instructions; Certain Rights and Limitations. Subject to the terms of Article IV and this Article V, upon the written instructions at any time of a

Majority in Interest of Noteholders, the Loan Trustee shall promptly (i) give such notice, direction, consent, waiver or approval or exercise such right, remedy or power hereunder in respect of all or any part of the Collateral or (ii) take such other action permitted hereunder, in each case, as is specified in such instructions.

The Loan Trustee will cooperate with the Company in connection with the recording, filing, re-recording and re-filing of the Indenture and any supplements to it and any financing statements or other documents as are necessary to maintain the perfection hereof or otherwise protect the security interests created hereby. The Loan Trustee shall furnish to the Company upon request such information and copies of such documents as the Loan Trustee may have and as are necessary for the Company to perform its duties under Article II hereof.

Section 5.03. Indemnification. The Loan Trustee shall not be required to take any action or refrain from taking any action under Section 5.01 (other than the first sentence thereof) or Section 5.02 or Article IV unless it shall have received indemnification against any risks incurred in connection therewith in form and substance reasonably satisfactory to it, including, without limitation, adequate advances against costs that may be actually incurred by it in connection therewith. The Loan Trustee shall not be required to take any action under Section 5.01 (other than the first sentence thereof) or Section 5.02 or Article IV, nor shall any other provision of any Operative Document be deemed to impose a duty on the Loan Trustee to take any action, if the Loan Trustee shall have been advised by outside counsel that such action is contrary to the terms hereof or is otherwise contrary to law.

Section 5.04. No Duties Except as Specified in Indenture or Instructions. The Loan Trustee shall not have any duty or obligation to manage, control, lease, use, sell, operate, store, dispose of or otherwise deal with the Aircraft or any other part of the Collateral, or to otherwise take or refrain from taking any action under, or in connection with, this Indenture, except as expressly provided by the terms of this Indenture or the Participation Agreement or as expressly provided in written instructions received pursuant to the terms of Section 5.01 or Section 5.02; and no implied duties or obligations shall be read into this Indenture against the Loan Trustee.

Section 5.05. No Action Except under Indenture or Instructions. The Loan Trustee agrees that it will not manage, control, use, sell, lease, operate, store, dispose of or otherwise deal with the Aircraft or any other part of the Collateral except in accordance with the powers granted to, or the authority conferred upon, the Loan Trustee pursuant to this Indenture and in accordance with the express terms hereof.

Section 5.06. Investment of Amounts Held by the Loan Trustee. Any monies (including for the purpose of this Section 5.06 any amounts held by the Loan Trustee

Subject to Section 3.03, at such time as there shall not be continuing any such Event of Default or Payment Default, such income, profit, interest, dividend or gain shall be paid to the Company. In addition, subject to Section 3.03, if any moneys or investments are held by the Loan Trustee solely because an Event of Default or Payment Default has occurred and is continuing, at such time as there shall not be continuing any such Event of Default or Payment Default, such moneys and investments shall be paid to the Company. The Loan Trustee shall not be responsible for any losses on any investments or sales of Permitted Investments made pursuant to the

procedure specified in this Section 5.06 other than by reason of its willful misconduct or negligence.

Section 6.03. No Representations or Warranties as to the Documents. Except as provided in Article V of the Participation Agreement, the Loan Trustee shall not be deemed to have made any representation or warranty as to the validity, legality, enforceability or sufficiency of any Operative Document or any other document or instrument, or as to the correctness of any statement (other than a statement by the Loan Trustee) contained herein or therein, except that the Loan Trustee hereby represents and warrants that each of said specified documents to which it is a party has been or will be duly executed and delivered by one of its officers who is and will be duly authorized to execute and deliver such document on its behalf.

Subject to Section 5.06 and except as provided in Section 3.07, all moneys received by the Loan Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by mandatory provisions of law, and neither the Loan Trustee nor any agent of the Loan Trustee shall be under any liability for interest on any moneys received by it hereunder; provided that any payments received, or applied hereunder, by the Loan Trustee shall be accounted for by the Loan Trustee so that any portion thereof paid or applied pursuant hereto shall be identifiable as to the source thereof.

Section 6.05. Reliance; Agents; Advice of Counsel. The Loan Trustee shall not incur any liability to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper reasonably believed by it to be genuine and reasonably believed by it to be signed by the proper party or parties. The Loan Trustee may accept a copy of a resolution of the Board of Directors of any party to the Participation Agreement, certified by the Secretary or an Assistant Secretary of such party as duly adopted and in full force and effect, as conclusive evidence that such resolution has been duly adopted and that the same is in full force and effect. As to any fact or matter the manner of ascertainment of which is not specifically described herein, the Loan Trustee may for all purposes hereof rely on a certificate, signed by a duly authorized officer of the Company, as to such fact or matter, and such certificate shall constitute full protection to the Loan Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon. In the administration of the trusts hereunder, the Loan Trustee may (a) execute any of the trusts or powers hereof and perform its powers and duties hereunder directly or through agents (including paying agents or registrars) or attorneys, and (b) at the expense of the Collateral, consult with counsel, accountants and other skilled Persons to be selected and retained by it; provided that, prior to retaining agents (including paying agents or registrars), counsel, accountants or other skilled Persons, so long as no Event of Default exists, the Loan Trustee shall obtain the Company's consent (such consent not to be unreasonably withheld). Section 6.06. Instructions from Noteholders. In the administration of the trusts created hereunder, the Loan Trustee shall have the right to seek instructions from a Majority in Interest of Noteholders should any provision of this Indenture appear to conflict with any other provision herein or any other Operative Document or Pass Through Document or should the Loan Trustee's duties or obligations hereunder be unclear, and the Loan Trustee shall incur no liability in refraining from acting until it

receives such instructions. The Loan Trustee shall be fully protected for acting in accordance with any instructions received under this Section 6.06.

(c) Loan Trustee Liens, Noteholder Liens and Other Party Liens;

(d) Liens for Taxes either not yet overdue or being contested in good faith by appropriate proceedings so long as such proceedings do not involve any material risk of the sale, forfeiture or loss of the Airframe or any Engine or the Loan Trustee's interest therein or impair the Lien of this Indenture;

(e) materialmen's, mechanics', workers', landlords', repairmen's, employees' or other like Liens arising in the ordinary course of business (including those arising under maintenance agreements entered into in the ordinary course of business) securing obligations that either are not yet overdue for a period of more than 60 days or are being contested in good faith by appropriate proceedings so long as such proceedings do not involve any material risk of the sale, forfeiture or loss of the Airframe or any Engine or the Loan Trustee's interest therein or impair the Lien of this Indenture;

Section 7.02. Possession, Operation and Use, Maintenance and Registration.

(a) Possession. The Company shall not, without the prior written consent of the Loan Trustee, lease or otherwise in any manner deliver, transfer or relinquish possession of the Aircraft, the Airframe or any Engine or install any Engine, or permit any Engine to be installed, on any airframe other than the Airframe; provided that, so long as the Company shall comply with the provisions of Section 7.06, the Company may without the prior written consent of the Loan Trustee:

(i) subject, or permit any Permitted Lessee to subject, the Airframe to interchange agreements or subject such Engine to interchange, pooling, borrowing or other agreements or arrangements, in each case customary in the airline industry and entered into by the Company or such Permitted Lessee in the ordinary course of its business; provided that if the Company's title to any such Engine shall be divested under any such agreement or arrangement, such divestiture shall be deemed to be an Event of Loss with respect to such Engine, and the Company shall comply with Section 7.05(b) in respect thereof;

(ii) deliver, or permit any Permitted Lessee to deliver, possession of the Airframe or such Engine or any Part (x) to any Person for testing, service, repair, reconditioning, restoration, storage, maintenance, overhaul work or other similar purposes or for alterations, modifications or additions to the Airframe or such Engine to the extent required or permitted by the terms hereof or (y) to any

(iv) subject, or permit any Permitted Lessee to subject, the Airframe or such Engine to the CRAF Program or transfer possession of the Airframe or such Engine to the United States government in accordance with applicable laws, rulings, regulations or orders (including, without limitation, any transfer of possession pursuant to the CRAF Program); provided that the Company (A) shall promptly notify the Loan Trustee upon transferring possession of the Airframe or such Engine pursuant to this clause (iv) and (B) in the case of a transfer of possession pursuant to the CRAF Program, shall notify the Loan Trustee of the name and address of the responsible Contracting Office Representative for the Air Mobility Command of the United States Air Force or other appropriate Person to whom notices must be given and to whom requests or claims must be made to the extent applicable under the CRAF Program;

(v) install, or permit any Permitted Lessee to install, an Engine on an airframe owned by the Company (or any Permitted Lessee) free and clear of all Liens, except (A) Permitted Liens and Liens that apply only to the engines (other than Engines), appliances, parts, instruments, appurtenances, accessories, furnishings and other equipment (other than Parts) installed on such airframe (but not to the airframe as an entirety) and (B) the rights of third parties under interchange agreements or pooling or similar arrangements that would be permitted under clause (i) above;

(vi) install, or permit any Permitted Lessee to install, an Engine on an airframe leased, purchased or owned by the Company (or any Permitted Lessee) subject to a lease, conditional sale and/or other security agreement; provided that (A) such airframe is free and clear of all Liens except (1) the rights of the parties to the lease or any conditional sale or security agreement covering such airframe, or their successors and assigns, and (2) Liens of the type permitted by clause (v) of this Section 7.02(a) and (B) either (1) the Company shall have obtained from the lessor, conditional vendor or secured party of such airframe a written agreement (which may be a copy of the lease, conditional sale or other security agreement covering such airframe), in form and substance satisfactory to the Loan Trustee (it being understood that an agreement from such lessor, conditional vendor or secured party substantially in the form of the penultimate paragraph of this Section 7.02(a) shall be deemed to be satisfactory to the Loan Trustee), whereby such lessor, conditional vendor or secured party expressly agrees that

neither it nor its successors or assigns will acquire or claim any right, title or interest in such Engine by reason of such Engine being installed on such airframe at any time while such Engine is subject to the Lien of this Indenture or (2) such lease, conditional sale or other security agreement provides that such Engine shall not become subject to the Lien of such lease, conditional sale or other security agreement at any time while such Engine is subject to the Lien of this Indenture, notwithstanding the installation thereof on such airframe;

(vii) install, or permit any Permitted Lessee to install, an Engine on an airframe owned by the Company (or any Permitted Lessee), leased to the Company (or any Permitted Lessee) or purchased by the Company (or any Permitted Lessee) subject to a conditional sale or other security agreement under circumstances where neither clause (v) nor clause (vi) of this Section 7.02(a) is applicable; provided that such installation shall be deemed an Event of Loss with respect to such Engine, and the Company shall comply with Section 7.05(b) in respect thereof, if such installation shall adversely affect the Loan Trustee's security interest in such Engine, the Loan Trustee not intending hereby to waive any right or interest it may have to or in such Engine under applicable law until compliance by the Company with Section 7.05(b);

(viii) lease such Engine or the Airframe and Engines to any United States air carrier as to which there is in force a certificate issued pursuant to the Transportation Code (49 U.S.C. §§41101-41112) or successor provision that gives like authority, or to any manufacturer of airframes or engines (or an Affiliate thereof acting under an unconditional guarantee of such manufacturer), so long as such manufacturer and, if applicable, such Affiliate is domiciled in the United States); provided that no Event of Default shall exist at the time any such lease is entered into; and

(ix) lease such Engine or the Airframe and Engines to (A) any foreign air carrier that is at the inception of the lease based in and a domiciliary of a country listed in **Exhibit B** hereto, (B) any foreign manufacturer of airframes or engines (or a foreign Affiliate of a United States or foreign manufacturer of airframes or engines acting under an unconditional guarantee of such manufacturer), so long as such foreign manufacturer or (if applicable) foreign Affiliate is domiciled in a country indicated with an asterisk on **Exhibit B** hereto, or (C) any foreign air carrier consented to in writing by the Loan Trustee with the consent of a Majority in Interest of Noteholders; provided that (x) in the case of a lease to, or guarantee by, any entity pursuant to this Section 7.02(a)(ix), (1) other than a foreign carrier principally based in Taiwan, the United States maintains diplomatic relations with the country in which such entity is based and domiciled at the time such lease is entered into, (2) no Event of Default exists at the time

such lease is entered into and (3) such entity is not then subject to any bankruptcy, insolvency, liquidation, reorganization, dissolution or similar proceeding and shall not have substantially all of its property in the possession of any liquidator, trustee, receiver or similar person, and (y) in the case of a lease to any foreign manufacturer or foreign Affiliate under clause (B) above, the re-registration conditions set forth in Section 7.02(e) shall be satisfied notwithstanding anything to the contrary in such clause (B);

provided that the rights of any lessee or other transferee who receives possession of the Aircraft, the Airframe or any Engine by reason of a transfer permitted by this Section 7.02(a) (other than the transfer of an Engine which is deemed an Event of Loss) shall be subject and subordinate to, and any permitted lease shall be made expressly subject and subordinate to, all the terms of this Indenture, including the Loan Trustee's rights to repossess pursuant to Section 4.02 and to avoid such lease upon such repossession, and the Company shall remain primarily liable hereunder for the performance and observance of all of the terms and conditions of this Indenture to the same extent as if such lease or transfer had not occurred, any such lease shall include appropriate provisions for the maintenance and insurance of the Aircraft, the Airframe or such Engine, and no lease or transfer of possession otherwise in compliance with this Section shall (x) result in any registration or re-registration of the Aircraft except to the extent permitted in Section 7.02(e) or the maintenance, operation or use thereof that does not comply with Section 7.02(b) and Section 7.02(c) or (y) permit any action not permitted to be taken by the Company with respect to the Aircraft hereunder. The Company shall promptly notify the Loan Trustee and the Rating Agencies of the existence of any such lease with a term in excess of one year.

The Loan Trustee, and each Noteholder by acceptance of an Equipment Note, and each Related Noteholder by acceptance of a Related Equipment Note, agrees, for the benefit of the Company (and any Permitted Lessee) and for the benefit of the lessor, conditional vendor or secured party of any airframe or engine leased to the Company (or any Permitted Lessee) or leased to or purchased or owned by the Company (or any Permitted Lessee) subject to a conditional sale or other security agreement, that the Loan Trustee and the Noteholders will not acquire or claim, as against the Company (or any Permitted Lessee) or such lessor, conditional vendor or secured party, any right, title or interest in (A) any engine or engines owned by the Company (or any Permitted Lessee) or the lessor under such lease or subject to a security interest in favor of the secured party under any conditional sale or other security agreement as the result of such engine or engines being installed on the Airframe at any time while such engine or engines are subject to such lease or conditional sale or other security agreement or (B) any airframe owned by the Company (or any Permitted Lessee) or the lessor under such lease or subject to a security interest in favor of the secured party under any conditional sale or other security agreement as the result of any Engine being installed on such airframe at

any time while such airframe is subject to such lease or conditional sale or other security agreement.

The Loan Trustee acknowledges that any “wet lease” or other similar arrangement under which the Company maintains operational control of the Aircraft shall not constitute a delivery, transfer or relinquishment of possession for purposes of this Section 7.02(a).

(b) Operation and Use. The Company agrees that the Aircraft will not be maintained, used, serviced, repaired, overhauled or operated in violation of any law, rule or regulation of any government of any country having jurisdiction over the Aircraft or in violation of any airworthiness certificate, license or registration relating to the Aircraft issued by any such government, except (i) immaterial or non-recurring violations with respect to which corrective measures are taken promptly by the Company or the Permitted Lessee, as the case may be, or (ii) to the extent the Company or the Permitted Lessee is contesting in good faith the validity or application of any such law, rule or regulation or airworthiness certificate, license or registration in any manner that does not involve any material risk of sale, forfeiture or loss of the Aircraft or impair the Lien of this Indenture; provided that the Company shall not be in default under, or required to take any action set forth in, this sentence if it is not possible for it to comply with the laws of a jurisdiction other than the United States (or other than any jurisdiction in which the Aircraft is then registered) because of a conflict with the applicable laws of the United States (or such jurisdiction in which the Aircraft is then registered). The Company shall also have the right to operate the Aircraft without having on board the original registration certificate or airworthiness certificate in the event that either or both such certificates disappear from the Aircraft, but only to the extent permitted by Exemption No. 5318 of the regulations of the FAA or other similar exemption. The Company will not operate the Aircraft, or permit the Aircraft to be operated or located, (i) in any area excluded from coverage by any insurance required by the terms of Section 7.06 or (ii) in any war zone or recognized or, in the Company’s judgment, threatened areas of hostilities unless covered by war risk insurance in accordance with Section 7.06, unless in the case of either clause (i) or (ii), (x) governmental indemnification complying with Section 7.06(a) and Section 7.06(b) has been provided or (y) the Aircraft is only temporarily located in such area as a result of an isolated occurrence or isolated series of occurrences attributable to a hijacking, medical emergency, equipment malfunction, weather conditions, navigational error or other similar unforeseen circumstances or any other circumstances beyond the reasonable control of the Company and the Company (or any Permitted Lessee) is using its good faith efforts to remove the Aircraft from such area as promptly as practicable.

(c) Maintenance. The Company shall maintain, service, repair and overhaul the Aircraft (or cause the same to be done) in accordance with a maintenance program for

[Boeing 737-800]¹¹ [Boeing 737 MAX 8]¹² [Boeing 787-9]¹³ [Embraer ERJ 175 LR]¹⁴ aircraft approved by the FAA or, if the Aircraft is not registered in the United States, (1) the EASA or the JAA, (2) the central aviation authority of Australia, Austria, Belgium, Canada, Denmark, Finland, France, Germany, Ireland, Italy, Japan, the Netherlands, New Zealand, Norway, Spain, Switzerland or the United Kingdom, or (3) the central aviation authority of any country with aircraft maintenance standards that are substantially similar to those of the United States or any of the foregoing authorities or countries, (i) so as to keep the Aircraft in as good operating condition as on the Closing Date, ordinary wear and tear excepted, and in such condition as may be necessary to enable the airworthiness certification of the Aircraft to be maintained in good standing at all times (other than (v) during temporary periods of storage, during maintenance, testing or modification permitted hereunder, (w) during periods of grounding by applicable governmental authorities, (x) during periods when the FAA or such other aviation authority has revoked or suspended the airworthiness certificates for aircraft of the same manufacturer and model as the Aircraft, (y) with respect to minor or nonrecurring violations with respect to which corrective measures are taken upon discovery thereof and (z) to the extent the Company or Permitted Lessee is promptly contesting in good faith the validity or application of any law or requirement relating to any such certification in any reasonable manner which does not create a material risk of sale, loss or forfeiture of the Aircraft, the Airframe or any Engine or the interest of the Loan Trustee therein or any material risk of criminal liability or material civil penalty against the Loan Trustee) under the Transportation Code, during such periods in which the Aircraft is registered under the laws of the United States, or, if the Aircraft is registered under the laws of any other jurisdiction, the applicable laws of such jurisdiction and (ii) using the same standards as the Company or, in the case of a lease permitted pursuant to Section 7.02(a), the applicable Permitted Lessee uses with respect to similar aircraft operated by the Company or such Permitted Lessee, as the case may be, in similar circumstances (in any case, without limitation of the Company's obligations under the preceding clause (i)). The Company shall maintain or cause to be maintained all records, logs and other documents required to be maintained in respect of the Aircraft by appropriate authorities in the jurisdiction in which the Aircraft is registered.

(d) Identification of Loan Trustee's Interest. If not prevented by applicable law or regulations or by any government, the Company agrees to affix as promptly as practicable after the Closing Date and thereafter to maintain in the cockpit of the Aircraft, in a clearly visible location, and on each Engine, a nameplate bearing the inscription "MORTGAGED TO WILMINGTON TRUST COMPANY, AS LOAN TRUSTEE" (such nameplate to be replaced, if necessary, with a nameplate reflecting the name of any successor Loan Trustee). Such placards may be removed temporarily, if necessary, in the course of maintenance of the Airframe or Engines. If any such nameplate is damaged beyond repair or becomes illegible, the Company shall promptly replace it with a nameplate complying with the requirements of this Section.

(e) Registration. The Company shall cause the Aircraft to remain duly registered, under the laws of the United States, in the name of the Company except as otherwise required by the Transportation Code; provided that the Loan Trustee shall, at the Company's expense, execute and deliver all such documents as the Company may reasonably request for the purpose of continuing such registration. Notwithstanding the preceding sentence, the Company, at its own expense, may cause or allow the Aircraft to be duly registered under the laws of any foreign jurisdiction in which a Permitted Lessee could be principally based, in the name of the Company or of any nominee of the Company, or, if required by applicable law, in the name of any other Person (and, following any such foreign registration, may cause the Aircraft to be re-registered under the laws of the United States); provided that in the case of jurisdictions other than those approved by the Loan Trustee with the consent of a Majority in Interest of Noteholders (i) if such jurisdiction is at the time of registration listed on **Exhibit B**, the Loan Trustee shall have received at the time of such registration an opinion of counsel to the Company to the effect that (A) this Indenture and the Loan Trustee's right to repossession thereunder is valid and enforceable under the laws of such country, (B) after giving effect to such change in registration, the Lien of this Indenture shall continue as a valid Lien and shall be duly perfected in the new jurisdiction of registration and that all filing, recording or other action necessary to perfect and protect the Lien of this Indenture has been accomplished (or if such opinion cannot be given at such time, (x) the opinion shall detail what filing, recording or other action is necessary and (y) the Loan Trustee shall have received a certificate from a Responsible Officer of the Company that all possible preparations to accomplish such filing, recording and other action shall have been done, and such filing, recording and other action shall be accomplished and a supplemental opinion to that effect shall be promptly delivered to the Loan Trustee subsequent to the effective date of such change in registration), (C) the obligations of the Company under this Indenture shall remain valid, binding and (subject to customary bankruptcy and equitable remedies exceptions and to other exceptions customary in foreign opinions generally) enforceable under the laws of such jurisdiction (or the laws of the jurisdiction to which the laws of such jurisdiction would refer as the applicable governing law) and

(D) all approvals or consents of any government in such jurisdiction having jurisdiction required for such change in registration shall have been duly obtained and shall be in full force and effect, and (ii) if such jurisdiction is at the time of registration not listed on **Exhibit B**, the Loan Trustee shall have received (in addition to the opinions set forth in clause (i) above) at the time of such registration an opinion of counsel to the Company to the effect that (A) the terms of this Indenture are legal, valid, binding and enforceable in such jurisdiction (subject to exceptions customary in such jurisdiction, provided that, subject to bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally, and to general principles of equity, any applicable laws limiting the remedies provided in Section 4.02 do not in the opinion of such counsel make the remedies provided in Section 4.02 inadequate for the practical realization of the rights and benefits provided thereby), (B) that it is not necessary for the Loan Trustee to register or qualify to do business in such jurisdiction, (C) that there is no tort liability of the lender of an aircraft not in possession thereof under the laws of such jurisdiction other than tort liability that might have been imposed on such lender under the laws of the United States or any state thereof (it being understood that such opinion shall be waived if insurance reasonably satisfactory to the Loan Trustee is provided, at the Company's expense, to cover such risk) and (D) (unless the Company shall have agreed to provide insurance covering the risk of requisition of use or title of the Aircraft by the government of such jurisdiction so long as the Aircraft is registered under the laws of such jurisdiction) that the laws of such jurisdiction require fair compensation by the government of such jurisdiction payable in currency freely convertible into Dollars for the loss of use or title of the Aircraft in the event of requisition by such government of such use or title. The Loan Trustee will cooperate with the Company in effecting such foreign registration. Notwithstanding the foregoing, prior to any such change in the country of registry of the Aircraft, the following conditions shall be met (or waived as provided in Section 6.01(b) of the Participation Agreement):

(i) no Event of Default shall have occurred and be continuing at the effective date of the change in registration; provided that it shall not be necessary to comply with this condition if the change in registration results in the registration of the Aircraft under the laws of the United States or if a Majority in Interest of Noteholders consents to such change in registration;

(ii) the Loan Trustee shall have received evidence of compliance with the insurance provisions contained herein after giving effect to such change in registration; and

(iii) the Company shall have paid or made provision reasonably satisfactory to the Loan Trustee for the payment of all reasonable expenses (including reasonable attorneys' fees) of the Loan Trustee and the Noteholders in connection with such change in registration.

The Company shall (i) take such actions as may be required to be taken by the Company so that any International Interest arising in relation to this Indenture, the Aircraft, any Replacement Aircraft, any Engine or Replacement Engine may be duly registered (and any such registration may be assigned, amended, extended or discharged) at the International Registry, and (ii) obtain from the International Registry all approvals as may be required duly and timely to perform the Company's obligations under this Indenture with respect to the registration of any such International Interest. The Loan Trustee shall take all actions necessary with respect to the International Registry to consent to the Company's initiation of any registrations required under this Indenture to enable the Company to complete such registrations, including, without limitation, appointing Daugherty, Fowler, Peregrin, Haught & Jenson, a Professional Corporation or another firm of qualified FAA counsel, as its "professional user entity" (as defined in the Cape Town Treaty) to consent to any registrations on the International Registry with respect to the Airframe or any Engine.

Section 7.03. Inspection. At all reasonable times, but upon at least 15 Business Days' prior written notice to the Company, the Loan Trustee or its authorized representative may, subject to the other conditions of this Section 7.03(a), inspect the Aircraft and may inspect the books and records of the Company required to be maintained by the FAA or the government of another jurisdiction in which the Aircraft is then registered relating to the maintenance of the Aircraft; provided that (i) the Loan Trustee or its representative shall be fully insured at no cost to the Company in a manner satisfactory to the Company with respect to any risks incurred in connection with any such inspection or shall provide to the Company a written release satisfactory to the Company with respect to such risks, (ii) any such inspection shall be subject to the safety, security and workplace rules applicable at the location where such inspection is conducted and any applicable governmental rules or regulations, (iii) any such inspection of the Aircraft shall be a visual, walk-around inspection of the interior and exterior of the Aircraft and shall not include opening any panels, bays or the like without the Company's express consent, which consent the Company may in its sole discretion withhold, and (iv) no exercise of such inspection right shall interfere with the use, operation or maintenance of the Aircraft by, or the business of, the Company and the Company shall not be required to undertake or incur any additional liabilities in connection therewith. All information obtained in connection with any such inspection of the Aircraft and of such books and records shall be Confidential Information and shall be treated by the Loan Trustee and its representatives in accordance with the provisions of Section 10.16. Any inspection pursuant to this Section 7.03(a) shall be at the sole risk (including, without limitation, any risk of personal injury or death) and expense of the Loan Trustee (or its representative), as the case may be, making such inspection. Except during the continuance of an Event of Default, all inspections by the Loan Trustee and its

representatives provided for under this Section 7.03(a) shall be limited to one inspection of any kind contemplated by this Section 7.03(a) during any calendar year.

Section 7.04. Replacement and Pooling of Parts; Alterations, Modifications and Additions; Airframe and Engine Substitutions. (a) Replacement of Parts. The Company, at its own expense, shall, or shall cause a Permitted Lessee to, at its own expense, promptly replace all Parts that may from time to time be incorporated or installed in or attached to the Airframe or any Engine and that may from time to time become worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or rendered permanently unfit for use for any reason whatsoever, except as otherwise provided in Section 7.04(c) or if the Airframe or an Engine to which a Part relates has suffered an Event of Loss. In addition, the Company, at its own expense, may, or may permit a Permitted Lessee at its own expense to, remove (or cause to be removed) in the ordinary course of maintenance, service, repair, overhaul or testing, any Parts, whether or not worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or rendered permanently unfit for use; provided that the Company, except as otherwise provided in Section 7.04(c), at its own expense, will, or will cause a Permitted Lessee at its own expense to, replace such Parts as promptly as practicable. All replacement Parts shall be free and clear of all Liens (except for Permitted Liens and except in the case of replacement property temporarily installed on an emergency basis) and shall have a value and utility at least equal to the Parts replaced, assuming such replaced Parts were in the condition and repair required to be maintained by the terms hereof. Except as otherwise provided in Section 7.04(c), all Parts at any time removed from the Airframe or any Engine shall remain subject to the Lien of this Indenture no matter where located until such time as such Parts shall be replaced by parts that have been incorporated or installed in or attached to the Airframe or such Engine and that meet the requirements for replacement Parts specified above. Immediately upon any replacement Part becoming incorporated or installed in or attached to the Airframe or any Engine as above provided (except in the case of replacement property temporarily installed on an emergency basis), without further act, (i) the replaced Part shall thereupon be free and clear of all rights of the Loan Trustee and of the Lien of this Indenture and shall no longer be deemed a Part hereunder and (ii) such replacement Part shall become subject to the Lien of this Indenture and be deemed a Part of the Airframe or such Engine for all purposes to the same extent as the Parts originally incorporated or installed in or attached to the Airframe or such Engine. Upon request of the Company from time to time, the Loan Trustee shall execute and deliver to the Company an appropriate instrument confirming the release of any such replaced Part from the Lien of this Indenture.

(b) Pooling of Parts. Any Part removed from the Airframe or any Engine as provided in Section 7.04(a) may be subjected by the Company or a Person permitted to be in possession of the Aircraft to a pooling arrangement customary in the airline industry entered into in the ordinary course of the Company's or such Person's business; provided

that the part replacing such removed Part shall be incorporated or installed in or attached to the Airframe or such Engine in accordance with Section 7.04(a) as promptly as practicable after the removal of such removed Part. In addition, any replacement Part when incorporated or installed in or attached to the Airframe or any Engine may be owned by any third party subject to such a pooling arrangement; provided that the Company, at its expense, as promptly thereafter as practicable, either (i) causes title to such replacement Part to vest in the Company free and clear of all Liens (except Permitted Liens), or (ii) replaces such replacement Part by incorporating or installing in or attaching to the Airframe or such Engine a further replacement Part in the manner contemplated by Section 7.04(a).

(c) Alterations, Modifications and Additions. The Company will, or will cause a Permitted Lessee to, make (or cause to be made) such alterations and modifications in and additions to the Airframe and the Engines as may be required from time to time to meet the applicable requirements of the FAA or any applicable government of any other jurisdiction in which the Aircraft may then be registered, except for (i) immaterial and non-recurring violations with respect to which corrective measures are being taken promptly by Company or a Permitted Lessee and (ii) any law, rule, regulation or order the validity or application of which is being contested in good faith by the Company or any Permitted Lessee in any reasonable manner which does not materially adversely affect the Loan Trustee's interest in the Aircraft, does not impair the Loan Trustee's security interest or International Interest in the Aircraft and does not involve any material risk of sale, forfeiture or loss of the Aircraft. In addition, the Company, at its own expense, may, or may permit a Permitted Lessee at its own expense to, from time to time add further parts or accessories and make or cause to be made such alterations and modifications in and additions to the Airframe or any Engine as the Company or such Permitted Lessee may deem desirable in the proper conduct of its business, including, without limitation, removal (without replacement) of Parts, provided that no such alteration, modification or addition shall materially diminish the value or utility of the Airframe or such Engine below its value or utility, immediately prior to such alteration, modification or addition, assuming that the Airframe or such Engine was then in the condition required to be maintained by the terms of this Indenture, except that the value (but not the utility) of the Airframe or any Engine may be reduced by the value of any such Parts that shall have been removed that the Company or such Permitted Lessee deems obsolete or no longer suitable or appropriate for use on the Airframe or any Engine. For the avoidance of doubt, Company may make alterations in the passenger configuration of the Aircraft and such alterations shall not be subject to the immediately preceding sentence. All Parts incorporated or installed in or attached or added to the Airframe or any Engine as the result of such alteration, modification or addition shall be free and clear of any Liens, other than Permitted Liens, and shall, without further act, be subject to the Lien of this Indenture. Notwithstanding the foregoing, the Company or any

Permitted Lessee may, at any time, remove any Part from the Airframe or any Engine if such Part: (i) is in addition to, and not in replacement of or substitution for, any Part originally incorporated or installed in or attached to the Airframe or such Engine at the time of delivery thereof to the Company or such Permitted Lessee or any Part in replacement of, or substitution for, any such Part, (ii) is not required to be incorporated or installed in or attached or added to the Airframe or such Engine pursuant to the first sentence of this Section 7.04(c) or Section 7.02(d) and (iii) can be removed from the Airframe or such Engine without materially diminishing the value or utility required to be maintained by the terms of this Indenture that the Airframe or such Engine would have had had such Part never been installed on the Airframe or such Engine. Upon the removal by the Company of any Part as permitted by this Section 7.04(c), such removed Part shall, without further act, be free and clear of all rights and interests of the Loan Trustee and the Lien of this Indenture and shall no longer be deemed a Part hereunder. Upon request of the Company from time to time, the Loan Trustee shall execute and deliver to the Company an appropriate instrument confirming the release of any such removed Part from the Lien of this Indenture. Parts of the type permitted to be removed by this Section 7.04(c) may be leased from or financed by third parties other than the Loan Trustee. Notwithstanding any other provision of this Indenture, Company may, at any time, install or permit to be installed in the Aircraft Passenger Convenience Equipment owned by Company or any Permitted Lessee or by third parties and leased or otherwise furnished to Company in the ordinary course of business (including pursuant to a conditional sale contract, a license or otherwise), and Company may remove (and not replace) or permit to be removed (and not replaced) the same, and Loan Trustee shall not acquire a Lien thereon by virtue of such installation or otherwise, and the rights of the owners therein shall not constitute a default under this Indenture, it being acknowledged and agreed, however, that in no event shall the installation of any such Passenger Convenience Equipment impair or otherwise affect the rights and remedies of the Loan Trustee hereunder and under applicable law.

(d) Substitution of Engines. The Company shall have the right at its option at any time, on at least 30 days' prior written notice to the Loan Trustee, to substitute a Replacement Engine for any Engine. In such event, and prior to the date of such substitution, the Company shall replace such Engine hereunder by complying with the terms of Section 7.05(b) to the same extent as if an Event of Loss had occurred with respect to such Engine.

(e) Substitution of Airframe. The Company shall have the right at its option at any time, on at least 10 Business Days' prior written notice to the Loan Trustee, to substitute a Substitute Airframe, free and clear of all Liens (other than Permitted Liens), for the Airframe so long as (i) no Event of Default shall have occurred and be continuing at the time of substitution, (ii) the Substitute Airframe has a date of manufacture no earlier than one year prior to the date of manufacture of the Airframe subject to the Lien

of this Indenture on the Closing Date (each such date of manufacture, in each case, to be deemed to be the date of original delivery of the applicable airframe to a customer by the Manufacturer) and (iii) the Substitute Airframe has a MCMV (as defined below) at least equal to the MCMV of the Airframe being replaced by the Substitute Airframe (assuming that the Airframe had been maintained in accordance with the Indenture), in each case as determined by a desktop appraisal dated as of a date within the 60-day period prior to the substitution performed by an Appraiser selected by the Company. "MCMV" is the "current market value" (as defined by the International Society of Transport Aircraft Trading or any successor organization) adjusted for the maintenance status of the Substitute Airframe and the Airframe being replaced by the Substitute Airframe, as applicable, such maintenance status to be based upon maintenance data provided by the Company to the applicable Appraiser with respect to the Substitute Airframe and such Airframe as of the same date within the 60-day period prior to the substitution for both the Substitute Airframe and such Airframe.

Prior to or at the time of any substitution under this Section 7.04(e), the Company will (A) cause an Indenture Supplement covering such Substitute Airframe to be delivered to the Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Transportation Code or the applicable laws of any other jurisdiction in which the Aircraft may then be registered, (B) cause the sale of such Substitute Airframe to the Company (if occurring after February 28, 2006 and if the seller of such Substitute Airframe is "situated in" a country that has ratified the Cape Town Convention) and the International Interest created pursuant to the Indenture Supplement in favor of the Loan Trustee with respect to such Substitute Airframe to be registered on the International Registry as a sale or an International Interest, respectively; provided that if the seller of such Substitute Airframe is not situated in a country that has ratified the Cape Town Convention, the Company will use its reasonable efforts to cause the seller to register the contract of sale on the International Registry, (C) cause a financing statement or statements with respect to such Substitute Airframe or other requisite documents or instruments to be filed in such place or places as necessary in order to perfect the Loan Trustee's interest therein in the United States, or in any other jurisdiction in which the Aircraft may then be registered, (D) furnish the Loan Trustee with an opinion of counsel to the Company (which may be external counsel or the Company's General Counsel, Deputy General Counsel or Associate General Counsel or such other internal counsel of the Company as shall be reasonably satisfactory to the Loan Trustee) addressed to the Loan Trustee to the effect that upon such substitution, such Substitute Airframe will be subject to the Lien of this Indenture and addressing the matters set forth in clauses (A), (B) and (C), (E) furnish the Loan Trustee with evidence of compliance with the insurance provisions of Section 7.06 with respect to such Substitute Airframe, (F) furnish the Loan Trustee with a copy of the original bill of sale respecting such Substitute Airframe and (G) furnish the Loan Trustee with an opinion of counsel to the Company (which may be

external counsel or the Company's General Counsel, Deputy General Counsel or Associate General Counsel or such other internal counsel of the Company as shall be reasonably satisfactory to the Loan Trustee) to the effect that the Loan Trustee will be entitled to the benefits of Section 1110 with respect to the Substitute Airframe; provided that (i) such opinion need not be delivered to the extent that the benefits of Section 1110 were not, by reason of a change in law or governmental or judicial interpretation thereof, available to the Loan Trustee with respect to the Aircraft immediately prior to such substitution and (ii) such opinion may contain qualifications and assumptions of the tenor contained in the opinion of counsel to the Company delivered pursuant to Section 3.01 of the Participation Agreement on the Closing Date and such other qualifications and assumptions as shall at the time be customary in opinions rendered in comparable circumstances.

In the case of the Substitute Airframe subjected to the Lien of this Indenture under this Section 7.04(e), promptly upon the recordation of the Indenture Supplement covering such Substitute Airframe pursuant to the Transportation Code (or pursuant to the applicable law of such other jurisdiction in which such Substitute Airframe is registered), the Company will cause to be delivered to the Loan Trustee a favorable opinion of aviation law counsel to the Company (which may be external aviation law counsel or the Company's General Counsel, Deputy General Counsel or Associate General Counsel or such other internal counsel of the Company as shall be reasonably satisfactory to the Loan Trustee) addressed to the Loan Trustee as to the due registration of such Replacement Aircraft and the due recordation of such Indenture Supplement or such other requisite documents or instruments, the registration with the International Registry of the sale of such Substitute Airframe to the Company (if occurring after February 28, 2006 and if the seller of such Substitute Airframe is "situated in" a country that has ratified the Cape Town Convention) and of the International Interests created pursuant to the Indenture Supplement with respect to such Substitute Airframe and the validity and perfection of the security interest in the Substitute Aircraft granted to the Loan Trustee under this Indenture.

(f) For all purposes hereof, upon the attachment of the Lien of this Indenture thereto, the Substitute Airframe shall become part of the Collateral and shall be deemed an "Airframe" as defined herein. Upon compliance with clauses (A) through (G) of the second preceding paragraph, the Loan Trustee shall (x) execute and deliver to the Company an appropriate instrument releasing the replaced Airframe, all proceeds (including, without limitation, insurance proceeds, if any), the Warranty Rights in respect of such replaced Airframe and all rights relating to the foregoing, from the Lien of this Indenture, and will take such actions as may be required to be taken by the Loan Trustee to cancel or release any International Interest of the Loan Trustee registered with the International Registry in relation to such replaced Airframe and (y) provide a notice to the Noteholders setting forth (1) the date of the substitution which shall be the date of

filing of the Indenture Supplement described in clause (A) of the second preceding paragraph, (2) the model of the Substitute Airframe, (3) the manufacturer serial numbers of the Substitute Airframe and Airframe replaced by the Substitute Airframe, and (4) the registration numbers of the Replacement Aircraft of which the Substitute Airframe is a part and the Aircraft of which the Airframe replaced by the Substitute Airframe is part.

Section 7.05. Loss, Destruction or Requisition. (a) Event of Loss with Respect to the Airframe. Upon the occurrence of an Event of Loss with respect to the Airframe or the Airframe and the Engines then installed thereon, the Company shall as promptly as practicable (and, in any event, within 15 days after such occurrence) give the Loan Trustee written notice of such Event of Loss, and, within 90 days after such Event of Loss, the Company shall give the Loan Trustee written notice of its election to perform one of the following options (it being agreed that if the Company shall not have given such notice of election within such 90-day period, the Company shall be deemed to have elected to perform the option set forth in the following clause (ii)). The Company may elect either to:

(i) on or before the Loss Payment Date (as defined below), substitute, as replacement for the Airframe or Airframe and Engines with respect to which an Event of Loss has occurred, a Replacement Airframe (together with a number of Replacement Engines equal to the number of Engines, if any, with respect to which the Event of Loss occurred), such Replacement Airframe and Replacement Engines to be owned by the Company free and clear of all Liens (other than Permitted Liens); provided that if the Company shall not perform its obligation to effect such substitution under this clause (i) on or prior to the Loss Payment Date, then the Company shall on the Loss Payment Date redeem the Equipment Notes in full in accordance with Section 2.10; or

(ii) on or before the Loss Payment Date, redeem the Equipment Notes in full in accordance with Section 2.10. The Company shall give the Loan Trustee 20 days prior written notice if it elects to redeem the Equipment Notes on any day prior to the Loss Payment Date.

The "Loss Payment Date" with respect to an Event of Loss means the Business Day next succeeding the 120th day following the date of occurrence of such Event of Loss.

If the Company elects to substitute a Replacement Airframe (or a Replacement Airframe and one or more Replacement Engines, as the case may be) the Company shall, at its sole expense, not later than the Loss Payment Date, (A) cause an Indenture Supplement for such Replacement Airframe and Replacement Engines, if any, to be delivered to the Loan Trustee for execution and, upon such execution, to be filed for

recordation pursuant to the Transportation Code or the applicable laws of such other jurisdiction in which the Aircraft may then be registered, (B) cause the sale of such Replacement Airframe and Replacement Engines, if any, to the Company (if occurring after February 28, 2006 and if the seller of such Replacement Airframe and Replacement Engines, if any, is “situated in” a country that has ratified the Cape Town Convention) and the International Interest created pursuant to the Indenture Supplement in favor of the Loan Trustee with respect to such Replacement Airframe and Replacement Engines, if any, each to be registered on the International Registry as a sale or an International Interest, respectively; provided that if the seller of such Replacement Airframe and Replacement Engines, if any, is not situated in a country that has ratified the Cape Town Convention, the Company will use its reasonable efforts to cause the seller to register the contract of sale on the International Registry, (C) cause a financing statement or statements with respect to the Replacement Airframe and Replacement Engines, if any, or other requisite documents or instruments to be filed in such place or places as necessary in order to perfect the Loan Trustee’s interest therein in the United States, or in any other jurisdiction in which the Aircraft may then be registered, (D) furnish the Loan Trustee with an opinion of counsel to the Company (which may be external counsel or the Company’s General Counsel, Deputy General Counsel or Associate General Counsel or such other internal counsel of the Company as shall be reasonably satisfactory to the Loan Trustee) addressed to the Loan Trustee to the effect that upon such replacement, such Replacement Airframe and Replacement Engines, if any, will be subject to the Lien of this Indenture and addressing the matters set forth in clauses (A), (B) and (C), (E) furnish the Loan Trustee with a certificate of an independent aircraft engineer or appraiser, certifying that the Replacement Airframe and Replacement Engines, if any, have a value and utility (without regard to hours or cycles) at least equal to the Airframe and Engines, if any, so replaced, assuming the Airframe and such Engines were in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss, (E) furnish the Loan Trustee with evidence of compliance with the insurance provisions of Section 7.06 with respect to such Replacement Airframe and Replacement Engines, if any, (G) furnish the Loan Trustee with a copy of the original bill of sale respecting such Replacement Airframe and a copy of the original bill of sale or, if the bill of sale is unavailable, other evidence of ownership reasonably satisfactory to the Loan Trustee (which may be a copy of an invoice or purchase order) respecting such Replacement Engines, if any, and (H) furnish the Loan Trustee with an opinion of counsel to the Company (which may be external counsel or the Company’s General Counsel, Deputy General Counsel or Associate General Counsel or such other internal counsel of the Company as shall be reasonably satisfactory to the Loan Trustee) to the effect that the Loan Trustee will be entitled to the benefits of Section 1110 with respect to the Replacement Airframe; provided that (i) such opinion need not be delivered to the extent that the benefits of Section 1110 were not, by reason of a change in law or governmental or judicial interpretation thereof, available to the Loan Trustee with respect

to the Aircraft immediately prior to such substitution and (ii) such opinion may contain qualifications and assumptions of the tenor contained in the opinion of counsel to the Company delivered pursuant to Section 3.01 of the Participation Agreement on the Closing Date and such other qualifications and assumptions as shall at the time be customary in opinions rendered in comparable circumstances.

In the case of each Replacement Airframe or Replacement Airframe and one or more Replacement Engines subjected to the Lien of this Indenture under this Section 7.05(a), promptly upon the recordation of the Indenture Supplement covering such Replacement Airframe and Replacement Engines, if any, pursuant to the Transportation Code (or pursuant to the applicable law of such other jurisdiction in which such Replacement Airframe and Replacement Engines, if any, are registered), the Company will cause to be delivered to the Loan Trustee a favorable opinion of counsel to the Company (which may be external counsel or the Company's General Counsel, Deputy General Counsel or Associate General Counsel or such other internal counsel of the Company as shall be reasonably satisfactory to the Loan Trustee) addressed to the Loan Trustee as to the due registration of such Replacement Aircraft and the due recordation of such Indenture Supplement or such other requisite documents or instruments, the registration with the International Registry of the sale of such Replacement Airframe and Replacement Engines, if any, to the Company (if occurring after February 28, 2006 and if the seller of such Replacement Airframe and Replacement Engines, if any, is "situated in" a country that has ratified the Cape Town Convention) and of the International Interests created pursuant to the Indenture Supplement with respect to such Replacement Airframe and Replacement Engines, if any, and the validity and perfection of the security interest in the Replacement Aircraft granted to the Loan Trustee under this Indenture.

For all purposes hereof, upon the attachment of the Lien of this Indenture thereto, the Replacement Aircraft and Replacement Engines, if any, shall become part of the Collateral, the Replacement Airframe shall be deemed an "Airframe" as defined herein, and each such Replacement Engine shall be deemed an "Engine" as defined herein. Upon compliance with clauses (A) through (H) of the second preceding paragraph, the Loan Trustee shall (x) execute and deliver to the Company an appropriate instrument releasing such replaced Airframe and Engines (if any) installed thereon at the time such Event of Loss occurred, all proceeds (including, without limitation, insurance proceeds), the Warranty Rights in respect of such replaced Airframe and Engines (if any) and all rights relating to the foregoing, from the Lien of this Indenture and assigning to the Company all claims against third Persons for damage to or loss of the Airframe and Engines arising from the Event of Loss, and will take such actions as may be required to be taken by the Loan Trustee to cancel or release any International Interest of the Loan Trustee registered with the International Registry in relation to the Airframe and Engines, if any, with respect to which such Event of Loss occurred, and (y) provide a notice to the

Noteholders setting forth (1) the date of the replacement which shall be the date of filing of the Indenture Supplement described in clause (A) of the second preceding paragraph, (2) the model of the Replacement Airframe, (3) the manufacturer serial numbers of the Replacement Airframe and Airframe replaced by the Replacement Airframe, and (4) the registration numbers of the Replacement Aircraft of which the Replacement Airframe is part and the Aircraft of which the Airframe replaced by the Replacement Airframe is part.

In the event that, after an Event of Loss, the Company performs the option set forth in clause (ii) of the first paragraph of this Section 7.05(a), the Loan Trustee shall execute and deliver to the Company an appropriate instrument releasing the Aircraft, all proceeds (including, without limitation, insurance proceeds), the Warranty Rights in respect of the Aircraft and all rights relating to the foregoing from the Lien of this Indenture and assigning to the Company all claims against third Persons for damage to or loss of the Aircraft arising from the Event of Loss, and will take such actions as may be required to be taken by the Loan Trustee to cancel or release any International Interest of the Loan Trustee registered with the International Registry in relation to the Airframe and Engines, if any, with respect to which such Event of Loss occurred.

(b) Event of Loss with Respect to an Engine. Upon the occurrence of an Event of Loss with respect to an Engine under circumstances in which there has not occurred an Event of Loss with respect to the Airframe, the Company shall give the Loan Trustee prompt written notice thereof within 15 days after the Company has determined that an Event of Loss has occurred with respect to such Engine and shall, within 120 days after the occurrence of such Event of Loss, cause to be subjected to the Lien of this Indenture, as replacement for the Engine with respect to which such Event of Loss occurred, a Replacement Engine free and clear of all Liens (other than Permitted Liens).

Prior to or at the time of any replacement under this Section 7.05(b), the Company will (i) cause an Indenture Supplement covering such Replacement Engine to be delivered to the Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Transportation Code or the applicable laws of any other jurisdiction in which the Aircraft may be registered, (ii) furnish the Loan Trustee with a copy of the original bill of sale or, if the bill of sale is unavailable, other evidence of ownership reasonably satisfactory to the Loan Trustee (which may be a copy of an invoice or purchase order) respecting such Replacement Engine, (iii) cause the sale of such Replacement Engine to the Company (if occurring after February 28, 2006 and if the seller of such Replacement Engine is "situated in" a country that has ratified the Cape Town Convention) and the International Interest created pursuant to the Indenture Supplement in favor of the Loan Trustee with respect to such Replacement Engine, to be registered on the International Registry as a sale or an International Interest; provided that if the seller of such Replacement Engine is not situated in a country that has ratified the

Cape Town Convention, the Company will use its reasonable efforts to cause the seller to register the contract of sale on the International Registry, (iv) cause a financing statement or statements with respect to such Replacement Engine or other requisite documents or instruments to be filed in such place or places as necessary in order to perfect the Loan Trustee's interest therein in the United States, or in such other jurisdiction in which the Engine may then be registered, (v) furnish the Loan Trustee with an opinion of counsel to the Company (which may be external counsel or the Company's General Counsel, Deputy General Counsel or Associate General Counsel or such other internal counsel of the Company as shall be reasonably satisfactory to the Loan Trustee) addressed to the Loan Trustee to the effect that, upon such replacement, the Replacement Engine will be subject to the Lien of this Indenture, (vi) furnish the Loan Trustee with a certificate of an aircraft engineer or appraiser (who may be an employee of the Company) certifying that such Replacement Engine has a value and utility (without regard to hours or cycles) at least equal to the Engine so replaced assuming such Engine was in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss and (vii) furnish the Loan Trustee with evidence of compliance with the insurance provisions of Section 7.06 with respect to such Replacement Engine. In the case of each Replacement Engine subjected to the Lien of this Indenture under this Section 7.05(b), promptly upon the recordation of the Indenture Supplement covering such Replacement Engine pursuant to the Transportation Code (or pursuant to the applicable law of such other jurisdiction in which the Aircraft is registered), the Company will cause to be delivered to the Loan Trustee an opinion of counsel to the Company (which may be external counsel or the Company's General Counsel, Deputy General Counsel or Associate General Counsel or such other internal counsel of the Company as shall be reasonably satisfactory to the Loan Trustee) addressed to the Loan Trustee as to the due recordation of such Indenture Supplement or such other requisite documents or instruments, the registration with the International Registry of the sale of such Replacement Engine to Company (if occurring after February 28, 2006 and if the seller of such Replacement Engine is "situated in" a country that has ratified the Cape Town Convention) and of the International Interest created pursuant to the Indenture Supplement with respect to such Replacement Engine, and the validity and perfection of the security interest in the Replacement Engine granted to the Loan Trustee under this Indenture. For all purposes hereof, upon the attachment of the Lien of this Indenture thereto, the Replacement Engine shall become part of the Collateral and shall be deemed an "Engine" as defined herein. Upon compliance with clauses (i) through (vii) of this paragraph, the Loan Trustee shall execute and deliver to the Company an appropriate instrument releasing such replaced Engine, any proceeds (including, without limitation, insurance proceeds), the Warranty Rights in respect of such replaced Engine and all rights relating to any of the foregoing from the Lien of this Indenture and assigning to the Company all claims against third Persons for damage to or loss of such Engine arising from the Event of Loss, and will take such actions as may be required to be taken by the

Loan Trustee to cancel or release any International Interest of the Loan Trustee registered with the International Registry in relation to the Engines with respect to which such Event of Loss occurred.

(c) Application of Payments for Event of Loss from Requisition of Title or Use. Any payments (other than insurance proceeds the application of which is provided for in Section 7.06) received at any time by the Company or by the Loan Trustee from any government or other Person with respect to an Event of Loss to the Airframe or any Engine, will be applied as follows:

(i) if such payments are received with respect to the Airframe or the Airframe and the Engines installed on the Airframe that has been or is being replaced by the Company pursuant to Section 7.05(a), such payments shall be paid over to, or retained by, the Loan Trustee and upon completion of such replacement shall be paid over to, or retained by, the Company;

(ii) if such payments are received with respect to the Airframe or the Airframe and the Engines installed on the Airframe that has not been and will not be replaced pursuant to Section 7.05(a), so much of such payments remaining after reimbursement of the Loan Trustee for costs and expenses that shall not exceed the amounts required to be paid by the Company to the Noteholders pursuant to Section 2.10 hereof shall be applied in reduction of the Company's obligation to pay such amounts, if not already paid by the Company, or, if already paid by the Company, shall be applied to reimburse the Company for its payment of such amount and the balance, if any, of such payment remaining thereafter will be paid over to, or retained by, the Company; and

(iii) if such payments are received with respect to an Engine with regard to which an Event of Loss has occurred as contemplated by Section 7.05(b), so much of such payments remaining after reimbursement of the Loan Trustee for costs and expenses shall be paid over to, or retained by, the Company; provided that the Company shall have fully performed the terms of Section 7.05(b) with respect to the Event of Loss for which such payments are made.

(d) Requisition for Use by the Government of the Airframe and the Engines Installed Thereon. In the event of the requisition for use by any government, including, without limitation, pursuant to the CRAF Program, of the Airframe and the Engines or engines installed on the Airframe that does not constitute an Event of Loss, the Company shall promptly notify the Loan Trustee and all of the Company's rights and obligations under this Indenture with respect to the Airframe and such Engines shall continue to the same extent as if such requisition had not occurred; provided that, notwithstanding the

foregoing, the Company's obligations other than payment obligations shall only continue to the extent feasible. All payments received by the Company or the Loan Trustee from such government for such use of the Airframe and Engines or engines shall be paid over to, or retained by, the Company.

(e) Requisition for Use by the Government of an Engine Not Installed on the Airframe. In the event of the requisition for use by any government of any Engine not then installed on the Airframe, the Company will replace such Engine by complying with the terms of Section 7.05(b) to the same extent as if an Event of Loss had occurred with respect to such Engine. Upon such replacement, any payments received by the Company or the Loan Trustee from such government with respect to such requisition shall be paid over to, or retained by, the Company.

(f) Application of Payments During Existence of Event of Default. Any amount referred to in Section 7.05 that is payable to or retainable by the Company shall not be paid to or retained by the Company if at the time of such payment or retention an Event of Default or Payment Default shall have occurred and be continuing, but shall be held by or paid over to the Loan Trustee as security for the obligations of the Company under this Indenture and the Participation Agreement. Subject to Section 3.03, at such time as there shall not be continuing any such Event of Default or Payment Default, such amount shall be paid to the Company.

Section 7.06. Insurance.

(a) Aircraft Liability Insurance.

(i) Except as provided in clause (ii) of this subsection (a), and subject to the rights of the Company to establish and maintain self-insurance in the manner and to the extent specified in Section 7.06(c), the Company will carry, or cause to be carried, at no expense to the Loan Trustee, aircraft liability insurance (including, but not limited to, bodily injury, personal injury and property damage liability, exclusive of manufacturer's product liability insurance) and contractual liability insurance with respect to the Aircraft (A) in amounts that are not less than the aircraft liability insurance applicable to similar aircraft and engines in the Company's fleet on which the Company carries insurance (or, in the case of a lease to a Permitted Lessee, in such Permitted Lessee's fleet on which such Permitted Lessee carries insurance); provided that such liability insurance (including self-insurance specified in Section 7.06(c)) shall not be less than the amount certified in the insurance report delivered to the Loan Trustee and each Liquidity Provider on the Closing Date, (B) of the type usually carried by corporations engaged in the same or similar business, similarly situated with the Company or such Permitted Lessee, as the case may be, and owning or operating

similar aircraft and engines and covering risks of the kind customarily insured against by the Company or such Permitted Lessee, as the case may be, and (C) that is maintained in effect with insurers of recognized responsibility; provided that the Company will carry, or cause to be carried, at no expense to the Loan Trustee, aircraft liability war risk and allied perils insurance if and to the extent the same is maintained by the Company or such Permitted Lessee, as the case may be, with respect to other aircraft operated by the Company or such Permitted Lessee, as the case may be, on the same or similar routes. Any policies of insurance carried in accordance with this Section 7.06(a) and any policies taken out in substitution or replacement for any of such policies shall (A) name the Loan Trustee, the Subordination Agent, each Pass Through Trustee and each Liquidity Provider as their Interests (as defined below in this Section 7.06) may appear, as additional insureds (the “Specified Persons”), (B) subject to the conditions of clause (C) below, provide that, in respect of the interests of the Specified Persons in such policies, the insurance shall not be invalidated by any action or inaction of the Company (or any Permitted Lessee) and shall insure the Specified Persons’ Interests as they appear, regardless of any breach or violation of any warranty, declaration or condition contained in such policies by the Company (or any Permitted Lessee), (C) provide that, except to the extent not provided for by the war risk and allied perils insurance provider, if such insurance is canceled for any reason whatever, or if any change is made in the policy that materially reduces the amount of insurance or the coverage certified in the insurance report delivered on the Closing Date to the Loan Trustee and each Liquidity Provider, or if such insurance is allowed to lapse for nonpayment of premium, such cancellation, change or lapse shall not be effective as to any Specified Person for 30 days (seven days, or such other period as is customarily available in the industry, in the case of any war risk or allied perils coverage) after receipt by such Specified Person of written notice from such insurers of such cancellation, change or lapse, (D) provide that the Specified Persons shall have no obligation or liability for premiums, commissions, assessments or calls in connection with such insurance, (E) provide that the insurers shall waive any rights of (1) set-off, counterclaim or any other deduction, whether by attachment or otherwise, in respect of any liability of the Specified Persons to the extent of any moneys due to the Specified Persons and (2) subrogation against the Specified Persons to the extent that the Company has waived its rights by its agreements to indemnify the Specified Persons pursuant to the Operative Documents, (E) be primary without right of contribution from any other insurance that may be carried by each Specified Person with respect to its Interests as such in the Aircraft and (G) expressly provide that all of the provisions thereof, except the limits of liability, shall operate in the same manner as if there were a separate policy covering each insured. “Interests” as used in this Section 7.06(a) and in

Section 7.06(b) with respect to any Person means the interests of such Person in the transactions contemplated by the Operative Documents. In the case of a lease or contract with any government in respect of the Aircraft or any Engine, or in the case of any requisition for use of the Aircraft or any Engine by any government, a valid agreement by such government to indemnify the Company, or an insurance policy issued by such government, against any of the risks that the Company is required hereunder to insure against shall be considered adequate insurance for purposes of this Section 7.06(a) to the extent of the risks (and in the amounts) that are the subject of such indemnification or insurance. To the extent that the war risk and allied perils insurance provider does not provide for provision of direct notice to each Specified Person of cancellation, change or lapse in the insurance required hereunder, the Company hereby agrees that upon receipt of notice of any thereof from such insurance provider it shall give each Specified Person immediate notice of each cancellation or lapse of, or material change to, such insurance.

(ii) During any period that the Airframe or an Engine, as the case may be, is on the ground and not in operation, the Company may carry or cause to be carried as to such non-operating Airframe or Engine, in lieu of the insurance required by clause (i) above, and subject to self-insurance to the extent permitted by Section 7.06(c), insurance otherwise conforming with the provisions of said clause (i) except that: (A) the amounts of coverage shall not be required to exceed the amounts of airline liability insurance from time to time applicable to airframes or engines owned or leased by the Company (or, in the case of a lease to a Permitted Lessee, such Permitted Lessee) of the same type as such non-operating Airframe or Engine and that are on the ground and not in operation and (B) the scope of the risks covered and the type of insurance shall be the same as from time to time shall be applicable to airframes or engines owned or leased by the Company (or such Permitted Lessee) of the same type as such non-operating Airframe or Engine and that are on the ground and not in operation.

(b) Insurance Against Loss or Damage to Aircraft.

(i) Except as provided in clause (ii) of this subsection (b), and subject to the rights of the Company to establish and maintain self-insurance in the manner and to the extent specified in Section 7.06(c), the Company shall maintain, or cause to be maintained, in effect with insurers of recognized responsibility, at no expense to the Loan Trustee, all-risk aircraft hull insurance covering the Aircraft and all-risk coverage with respect to any Engines or Parts while removed from the Aircraft (including, without limitation, war risk and allied perils insurance if and to the extent the same is maintained by the Company (or, in the case of a lease to a Permitted Lessee, such Permitted Lessee) with

respect to other aircraft operated by the Company or such Permitted Lessee, as the case may be, on the same or similar routes) that is of the type usually carried by corporations engaged in the same or similar business and similarly situated with the Company or such Permitted Lessee, as the case may be; provided that (A) such insurance (including the permitted self-insurance) shall at all times while the Aircraft is subject to this Indenture be for an amount not less than 110% of the aggregate outstanding principal amount of the Equipment Notes from time to time and (B) such insurance need not cover an Engine while attached to an airframe not owned, leased or operated by the Company, provided that such Engine is covered by a separate policy of insurance. Any policies carried in accordance with this Section 7.06(b) and any policies taken out in substitution or replacement for any such policies shall (A) provide that (I) any insurance proceeds up to an amount equal to the outstanding principal amount of the Equipment Notes, together with accrued but unpaid interest thereon, plus an amount equal to the interest that would accrue on the outstanding principal amount of the Equipment Notes at the Debt Rate in effect on the date of payment of such insurance proceeds to the Loan Trustee (as provided for in this sentence) during the period commencing on the day following the date of such payment to the Loan Trustee and ending on the Loss Payment Date (the sum of such three amounts being the "Loan Amount"), payable for any loss or damage constituting an Event of Loss with respect to the Aircraft, and (II) any insurance proceeds in excess of the amount set forth on **Exhibit C** up to the amount of the Loan Amount for any loss or damage to the Aircraft (or Engines) not constituting an Event of Loss with respect to the Aircraft, shall be paid to the Loan Trustee as long as this Indenture shall not have been discharged, and that all other amounts shall be payable to the Company, unless the insurer shall have received notice that an Event of Default exists, in which case all insurance proceeds for any loss or damage to the Aircraft (or Engines) up to the amount of the Loan Amount shall be payable to the Loan Trustee, (B) subject to the conditions of clause (C) below, provide that, in respect of the interests of the Specified Persons in such policies, the insurance shall not be invalidated by any action or inaction of the Company (or any Permitted Lessee) and shall insure the Specified Persons' Interests as they appear, regardless of any breach or violation of any warranty, declaration or condition contained in such policies by the Company (or any Permitted Lessee), (C) provide that, except to the extent not provided by the war risk and allied perils insurance provider, if such insurance is canceled for any reason whatsoever, or if any change is made in the policy that materially reduces the amount of insurance or the coverage certified in the insurance report delivered on the Closing Date to the Loan Trustee and each Liquidity Provider, or if such insurance is allowed to lapse for nonpayment of premium, such cancellation, change or lapse shall not be effective as to the Specified Persons for 30 days (seven days, or such other period as is

customarily available in the industry, in the case of war risk or allied perils coverage) after receipt by the Specified Persons of written notice from such insurers of such cancellation, change or lapse, (D) provide that the Specified Persons shall have no obligation or liability for premiums, commissions, assessments or calls in connection with such insurance, (E) provide that the insurers shall waive rights of (1) set-off, counterclaim or any other deduction, whether by attachment or otherwise, in respect of any liability of the Specified Persons to the extent of any moneys due to the Specified Persons and (2) subrogation against the Specified Persons to the extent the Company has waived its rights by its agreement to indemnify the Specified Persons pursuant to the Operative Documents, and (F) be primary without right of contribution from any other insurance that may be carried by any Specified Person with respect to its Interests as such in the Aircraft. In the case of a lease or contract with any government in respect of the Aircraft or any Engine, or in the case of any requisition for use of the Aircraft or any Engine by any government, a valid agreement by such government to indemnify the Company, or an insurance policy issued by such government, against any risks which the Company is required hereunder to insure against shall be considered adequate insurance for purposes of this Section 7.06(b) to the extent of the risks (and in the amounts) that are the subject of such indemnification or insurance. To the extent that the war risk and allied perils insurance provider does not provide for provision of direct notice to each Specified Person of cancellation, change or lapse in the insurance required hereunder, the Company hereby agrees that upon receipt of notice of any thereof from such insurance provider it shall give each Specified Person immediate notice of each cancellation or lapse of, or material change to, such insurance.

(ii) During any period that the Airframe or an Engine is on the ground and not in operation, the Company may carry or cause to be carried as to such non-operating Airframe or Engine, in lieu of the insurance required by clause (i) above, and subject to self-insurance to the extent permitted by Section 7.06(c), insurance otherwise conforming with the provisions of said clause (i) except that the scope of the risks covered and the type of insurance shall be the same as from time to time applicable to airframes or engines owned or leased by the Company (or, if a lease is then in effect, by the Permitted Lessee) of the same type as such non-operating Airframe or Engine and that are on the ground and not in operation; provided that, subject to self-insurance to the extent permitted by Section 7.06(c), the Company (or such Permitted Lessee) shall maintain insurance against risk of loss or damage to such non-operating Airframe in an amount at least equal to 110% of the aggregate outstanding principal amount of the Equipment Notes during such period that such Airframe is on the ground and not in operation.

(c) Self-Insurance. The Company may from time-to-time self-insure, by way of deductible, self-insured retention, premium adjustment or franchise or otherwise (including, with respect to insurance maintained pursuant to Section 7.06(a) or Section 7.06(b), insuring for a maximum amount that is less than the amounts set forth in Section 7.06(a) and Section 7.06(b)), the risks required to be insured against pursuant to Section 7.06(a) and Section 7.06(b), but in no case shall the self-insurance with respect to all of the aircraft and engines in the Company's fleet (including, without limitation, the Aircraft) exceed for any 12-month policy year 1% of the average aggregate insurable value (for the preceding policy year) of all aircraft (including, without limitation, the Aircraft) on which the Company carries insurance, unless an insurance broker of national standing shall certify that the standard among all other major United States airlines is a higher level of self-insurance, in which case the Company may self-insure the Aircraft to such higher level. In addition to the foregoing right to self-insure, the Company may self-insure to the extent of (1) any deductible per occurrence that, in the case of the Aircraft, is not in excess of the amount customarily allowed as a deductible in the industry or is required to facilitate claims handling or (2) any applicable mandatory minimum per aircraft (or if applicable per annum or other period) hull or liability insurance deductibles imposed by the aircraft or hull liability insurers.

(d) Application of Insurance Payments. All losses will be adjusted by the Company with the insurers. As between the Loan Trustee and the Company it is agreed that all insurance payments received under policies required to be maintained by the Company hereunder, exclusive of any payments received in excess of the Loan Amount, as the result of the occurrence of an Event of Loss with respect to the Airframe or an Engine will be applied as follows:

(i) if such payments are received with respect to the Airframe or the Airframe and any Engines installed on the Airframe that has been or is being replaced by the Company pursuant to Section 7.05(a), such payments shall be paid over to, or retained by, the Loan Trustee and upon completion of such replacement shall be paid over to, or retained by, the Company;

(ii) if such payments are received with respect to the Airframe or the Airframe and any Engines installed on the Airframe that has not been and will not be replaced as contemplated by Section 7.05(a), so much of such payments remaining after reimbursement of the Loan Trustee for its costs and expenses as shall not exceed the amounts required to be paid by the Company pursuant to Section 2.10 hereof shall be applied (A) in reduction of the Company's obligation to pay such amounts, if not already paid by the Company, or, if already paid by the Company, shall be applied to reimburse the Company for its payment of such amounts and (B) the balance, if any, of such payment remaining thereafter will be paid over to, or retained by, the Company or its designee; and

(iii) if such payments are received with respect to an Engine with regard to which an Event of Loss contemplated by Section 7.05(b) has occurred, so much of such payments remaining after reimbursement of the Loan Trustee for its costs and expenses shall be paid over to, or retained by, the Company or its designee; provided that the Company shall have fully performed its obligations under Section 7.05(b) with respect to the Event of Loss for which such payments are made.

In all events, (x) the insurance payment of any property damage or loss with respect to property other than the Airframe or any Engine received under policies maintained by the Company, and (y) the insurance payment for any loss or damage to the Aircraft in excess of the Loan Amount, shall be paid to the Company or its designee.

The insurance payments for any loss or damage to the Airframe or an Engine not constituting an Event of Loss with respect to the Airframe or such Engine will be applied in payment (or to reimburse the Company) for repairs or for replacement property in accordance with the terms of Section 7.02 and Section 7.04, and any balance remaining after compliance with such Sections with respect to such loss or damage shall be paid to the Company or its designee. Any amount referred to in the preceding sentence or in clause (i) or (iii) of the second preceding paragraph that is payable to the Company or its designee shall not be paid to the Company (or, if it has been previously paid directly to the Company, shall not be retained by the Company) if at the time of such payment an Event of Default or Payment Default shall have occurred and be continuing, but shall be paid to and, subject to Section 5.06, held by the Loan Trustee as security for the obligations of the Company under this Indenture and the Participation Agreement, and at such time as there shall not be continuing any such Event of Default or Payment Default, such amount shall be paid to the Company or its designee.

(e) Reports, Etc. On or before the Closing Date and annually upon renewal of the Company's insurance coverage, the Company will furnish to the Loan Trustee and each Liquidity Provider a report signed by a firm of independent aircraft insurance brokers appointed by the Company (which firm may be in the regular employ of the Company), stating the opinion of such firm that the commercial hull and liability insurance then carried and maintained on the Aircraft complies with the terms hereof; provided that all information contained in such report shall be Confidential Information and shall be treated by the Loan Trustee, each Liquidity Provider and each of their affiliates and officers, directors, agents and employees in accordance with the provisions of Section 10.16. The Company will use commercially reasonable efforts to cause such firm to agree to advise the Loan Trustee and each Liquidity Provider in writing of any act or omission on the part of the Company of which such firm has knowledge that might invalidate or render unenforceable, in whole or in part, any insurance on the Aircraft. The Company will also use commercially reasonable efforts to cause such firm to advise

the Loan Trustee and each Liquidity Provider in writing as promptly as practicable after such firm acquires knowledge that an interruption of any insurance carried and maintained on the Aircraft pursuant to this Section 7.06 will occur. Such information may only be provided to other Persons in accordance with Section 10.16.

(f) Salvage Rights. All salvage rights to the Airframe and each Engine shall remain with the Company's insurers at all times, and any insurance policies of the Loan Trustee insuring the Airframe or any Engine shall provide for a release to the Company of any and all salvage rights in and to the Airframe or any Engine.

(g) Right to Pay Premium. In the event of cancellation of any insurance required to be maintained hereunder due to the nonpayment of premiums, the Loan Trustee shall have the option, in its sole discretion, to pay any such premium in respect to the Aircraft that is due in respect of the coverage pursuant to this Indenture and to maintain such coverage, as the Loan Trustee may require, until the scheduled expiry date of such insurance and, in such event, the Company shall, upon demand, reimburse the Loan Trustee for amounts so paid by it.

(h) Insurance for Own Account. Nothing in this Section 7.06 shall limit or prohibit (i) the Company from maintaining the policies of insurance required pursuant to this Section 7.06 with higher limits than those specified herein or (ii) the Loan Trustee or the Company from obtaining insurance for its own account, and at its sole expense, with respect to the Airframe or any Engine (and any proceeds payable under such insurance shall be payable as provided in the insurance policy relating thereto); provided that no such insurance may be obtained which would limit or otherwise adversely affect the coverage or amounts payable under, or increase the premiums for, any insurance required to be maintained pursuant to this Section 7.06 or any other insurance maintained by the Company (or any Permitted Lessee) with respect to the Aircraft or any other aircraft in the Company's (or such Permitted Lessee's) fleet.

ARTICLE VIII

SUCCESSOR AND ADDITIONAL TRUSTEES

Section 8.01. Resignation or Removal; Appointment of Successor. (a) The resignation or removal of the Loan Trustee and the appointment of a successor Loan Trustee shall become effective only upon the successor Loan Trustee's acceptance of appointment as provided in this Section 8.01. The Loan Trustee or any successor thereto must resign if at any time it ceases to be eligible in accordance with the provisions of Section 8.01(c) and may resign at any time without cause by giving at least 60 days' prior written notice to the Company and each Noteholder. In addition, either the Company (so long as no Event of Default or Payment Default shall have occurred and be continuing) or

a Majority in Interest of Noteholders (but only with the consent of the Company so long as no Event of Default or Payment Default shall have occurred and be continuing), may at any time remove the Loan Trustee without cause by an instrument in writing delivered to the Loan Trustee and each Noteholder, and, in case of a removal by a Majority in Interest of Noteholders, to the Company. In the case of the resignation or removal of the Loan Trustee, the Company shall promptly appoint a successor Loan Trustee. If a successor Loan Trustee shall not have been appointed within 60 days after such notice of resignation or removal, the Loan Trustee, the Company or any Noteholder may apply to any court of competent jurisdiction to appoint a successor Loan Trustee to act until such time, if any, as a successor shall have been appointed as above provided. The successor Loan Trustee so appointed by such court shall immediately and without further act be superseded by any successor Loan Trustee appointed as above provided.

(b) Any successor Loan Trustee, however appointed, shall execute and deliver to the predecessor Loan Trustee and the Company an instrument accepting such appointment and assuming the obligations of the Loan Trustee arising from and after the time of such appointment, and thereupon such successor Loan Trustee, without further act, shall become vested with all the estates, properties, rights, powers and duties of the predecessor Loan Trustee hereunder in the trust hereunder applicable to it with like effect as if originally named the Loan Trustee herein; but nevertheless upon the written request of such successor Loan Trustee, such predecessor Loan Trustee shall execute and deliver an instrument transferring to such successor Loan Trustee all the estates, properties, rights and powers of such predecessor Loan Trustee, and such predecessor Loan Trustee shall duly assign, transfer, deliver and pay over to such successor Loan Trustee all monies or other property and all other books and records, or true, correct and complete copies thereof, then held by such predecessor Loan Trustee hereunder.

(c) This Indenture shall at all times have a Loan Trustee, however appointed, that is a Citizen of the United States (without the use of a voting trust) and a bank or trust company having a combined capital and surplus of at least \$100,000,000 (or a combined capital and surplus in excess of \$5,000,000 and the obligations of which, whether now in existence or hereafter incurred, are fully and unconditionally guaranteed by a corporation organized and doing business under the laws of the United States or any state or territory thereof or the District of Columbia and having a combined capital and surplus of at least \$100,000,000) or a corporation with a net worth of at least \$100,000,000, if there be such an institution willing, able and legally qualified to perform the duties of the Loan Trustee hereunder upon reasonable or customary terms. If such bank, trust company or corporation publishes reports of conditions at least annually, pursuant to law or to the requirements of federal, state, territorial or District of Columbia supervising or examining authority, then for the purposes of this Section 8.01(c) the combined capital and surplus of such bank, trust company or corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published. In case at any

time the Loan Trustee shall cease to be eligible in accordance with the provisions of this Section 8.01(c), the Loan Trustee shall resign immediately in the manner and with the effect specified in Section 8.01(a).

(d) Any corporation, bank, trust company or other financial institution into which the Loan Trustee may be merged or converted or with which it may be consolidated, or any corporation, bank, trust company or other financial institution resulting from any merger, conversion or consolidation to which the Loan Trustee shall be a party, or any corporation, bank, trust company or other financial institution to which substantially all the corporate trust business of the Loan Trustee may be transferred, shall, subject to the terms of Section 8.01(c), be a successor Loan Trustee under this Indenture without further act.

Section 8.02. Appointment of Additional and Separate Trustees. (a) Whenever (i) the Loan Trustee shall deem it necessary or desirable in order to conform to any law of any jurisdiction in which all or any part of the Collateral shall be situated or to make any claim or bring any suit with respect to or in connection with the Collateral, any Operative Document or any of the transactions contemplated by the Operative Documents, (ii) the Loan Trustee shall be advised by counsel satisfactory to it that it is necessary or prudent in the interests of the Noteholders (and the Loan Trustee shall so advise the Company) or (iii) the Loan Trustee shall have been requested to do so by a Majority in Interest of Noteholders, then in any such case, the Loan Trustee and, upon the written request of the Loan Trustee, the Company, shall execute and deliver an indenture supplemental hereto and such other instruments as may from time to time be necessary or advisable either (1) to constitute one or more banks or trust companies or corporations meeting the requirements of Section 8.01(c) and approved by the Loan Trustee, either to act jointly with the Loan Trustee as additional trustee or trustees of all or any part of the Collateral or to act as separate trustee or trustees of all or any part of the Collateral, in each case with such rights, powers, duties and obligations consistent with this Indenture as may be provided in such supplemental indenture or other instruments as the Loan Trustee or a Majority in Interest of Noteholders may deem necessary or advisable, or (2) to clarify, add to or subtract from the rights, powers, duties and obligations theretofore granted any such additional or separate trustee, subject in each case to the remaining provisions of this Section 8.02. If no Event of Default has occurred and is continuing, no additional or supplemental trustee shall be appointed without the Company's consent. If the Company shall not have taken any action requested of it under this Section 8.02(a) that is required by its terms within 15 days of a written request from the Loan Trustee to do so, or if an Event of Default shall have occurred and be continuing, the Loan Trustee may act under the foregoing provisions of this Section 8.02(a) without the concurrence of the Company, and, to the extent permitted by applicable law, the Company hereby irrevocably appoints (which appointment is coupled with an interest) the Loan Trustee as its agent and attorney-in-fact to act for it under the foregoing provisions of this Section 8.02(a). The

Loan Trustee may, in such capacity, execute, deliver and perform any such supplemental indenture, or any such instrument, as may be required for the appointment of any such additional or separate trustee or for the clarification of, addition to or subtraction from the rights, powers, duties or obligations theretofore granted to any such additional or separate trustee, subject in each case to the remaining provisions of this Section 8.02. In case any additional or separate trustee appointed under this Section 8.02(a) shall become incapable of acting, resign or be removed, all the assets, property, rights, powers, trusts, duties and obligations of such additional or separate trustee shall revert to the Loan Trustee until a successor additional or separate trustee is appointed as provided in this Section 8.02(a).

(b) No additional or separate trustee shall be entitled to exercise any of the rights, powers, duties and obligations conferred upon the Loan Trustee in respect of the custody, investment and payment of monies and all monies received by any such additional or separate trustee from or constituting part of the Collateral or otherwise payable under any Operative Documents to the Loan Trustee shall be promptly paid over by it to the Loan Trustee. All other rights, powers, duties and obligations conferred or imposed upon any additional or separate trustee shall be exercised or performed by the Loan Trustee and such additional or separate trustee jointly except to the extent that applicable law of any jurisdiction in which any particular act is to be performed renders the Loan Trustee incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations (including the holding of title to all or part of the Collateral in any such jurisdiction) shall be exercised and performed by such additional or separate trustee. No additional or separate trustee shall take any discretionary action except on the instructions of the Loan Trustee or a Majority in Interest of Noteholders. No trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder, except that the Loan Trustee shall be liable for the consequences of its lack of reasonable care in selecting, and the Loan Trustee's own actions in acting with, any additional or separate trustee. Each additional or separate trustee appointed pursuant to this Section 8.02 shall be subject to, and shall have the benefit of Article IV, Article V, Article VI, Article VIII, Article IX and Article X hereof insofar as they apply to the Loan Trustee. The powers of any additional or separate trustee appointed pursuant to this Section 8.02 shall not in any case exceed those of the Loan Trustee hereunder.

(c) If at any time the Loan Trustee shall deem it no longer necessary or desirable for an additional or separate trustee to be appointed hereunder or in the event that the Loan Trustee shall have been requested to do so in writing by a Majority in Interest of Noteholders, the Loan Trustee and, upon the written request of the Loan Trustee, the Company, shall execute and deliver an indenture supplemental hereto and all other instruments and agreements necessary or advisable to remove any additional or separate trustee. The Loan Trustee may act on behalf of the Company under this Section 8.02(c) when and to the extent it could so act under Section 8.02(a) hereof. In

any case, the Company may remove an additional or separate trustee in the manner set forth in Section 8.01.

ARTICLE IX

AMENDMENTS AND WAIVERS

Section 9.01. Amendments to this Indenture without Consent of Holders. At any time after the date hereof, the Company may and the Loan Trustee shall, at the Company's request, enter into one or more agreements supplemental hereto and to amend the Equipment Notes, without notice to or consent of any Noteholder, Indenture Indemnitee or Related Indenture Indemnitee for any of the following purposes: (i) to evidence the succession of another Person to the Company and the assumption by any such successor of the covenants of the Company contained in any Operative Documents pursuant to Section 6.02(e) of the Participation Agreement; (ii) to cure any defect or inconsistency herein or in the Equipment Notes, or to make any change not inconsistent with the provisions hereof (provided that such change does not adversely affect the interests of any Noteholder, any Indenture Indemnitee or any Related Indenture Indemnitee in its capacity solely as Noteholder, Indenture Indemnitee or Related Indenture Indemnitee, as the case may be); (iii) to cure any ambiguity or correct any mistake; (iv) to evidence the succession of a new trustee hereunder pursuant hereto or the removal of the trustee hereunder or to provide for or facilitate the appointment of an additional or separate trustee pursuant to Section 8.02 hereof; (v) to convey, transfer, assign, mortgage or pledge any property to or with the Loan Trustee; (vi) to make any other provisions or amendments with respect to matters or questions arising hereunder or under the Equipment Notes, or to amend, modify or supplement any provision hereof or thereof, so long as such action shall not adversely affect the interests of any Noteholder, any Indenture Indemnitee or any Related Indenture Indemnitee in its capacity solely as Noteholder, Indenture Indemnitee or Related Indenture Indemnitee, as the case may be; (vii) to correct, supplement or amplify the description of any property at any time subject to the Lien of this Indenture, or better to assure, convey and confirm unto the Loan Trustee any property subject or required to be subject to the Lien of this Indenture or to subject to the Lien of this Indenture the Airframe or Engines or any Substitute Airframe, Replacement Airframe or Replacement Engine; (viii) to add to the covenants of the Company for the benefit of the Noteholders, the Indenture Indemnitees or the Related Indenture Indemnitees or to surrender any rights or power herein conferred upon the Company; (ix) to add to the rights of the Noteholders, the Indenture Indemnitees or the Related Indenture Indemnitees; (x) to include on the Equipment Notes any legend as may be required by law or as may otherwise be necessary or advisable; (xi) to comply with any applicable requirements of the Trust Indenture Act or any other requirements of applicable law or of any regulatory body; (xii) to give effect to the replacement of a

Section 9.02. Amendments to this Indenture with Consent of Holders. (a) With the written consent of a Majority in Interest of Noteholders, the Company may, and the Loan Trustee shall, subject to Section 9.06, at any time and from time to time, enter into such supplemental agreements to add any provisions to or to change or eliminate any provisions of this Indenture or of any such supplemental agreements or to modify in any

manner the rights and obligations of the Company, the Loan Trustee and of the Noteholders under this Indenture; provided that without the consent of each Noteholder affected thereby, an amendment under this Section 9.02 may not:

- (1) reduce the principal amount of, interest on, or Make-Whole Amount, if any, with respect to, any Equipment Note;
- (2) change the date on which any principal amount of, interest on, or Make-Whole Amount, if any, with respect to, any Equipment Note, is due or payable;
- (3) create any Lien with respect to the Collateral prior to or *pari passu* with the Lien thereon under this Indenture except such as are permitted by this Indenture, or deprive any Noteholder of the benefit of the Lien on the Collateral created by this Indenture, except as provided in connection with the exercise of remedies under Article IV; provided that, without the consent of each holder of an affected Related Equipment Note then outstanding, no such amendment, waiver or modification of terms of, or consent under, any thereof shall modify Section 3.03 or this clause (3) or deprive any Related Noteholder of the benefit of the Lien of this Indenture on the Collateral, except as provided in connection with the exercise of remedies under Article IV;
- (4) reduce the percentage of the outstanding principal amount of the Equipment Notes the consent of whose holders is required for any such supplemental agreement, or the consent of whose holders is required for any waiver of compliance with certain provisions of this Indenture or of certain defaults hereunder or their consequences provided for in this Indenture; or
- (5) make any change in Section 4.05 or this Section 9.02, except to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of each Noteholder affected thereby.

Notwithstanding the foregoing, neither the Company nor the Loan Trustee shall enter into any amendment, waiver or modification of, or supplement or consent to, this Indenture or any other Operative Document other than the Participation Agreement (which is addressed in Section 9.03) which shall reduce, modify or amend any indemnities in favor of any Liquidity Provider without the consent of such Liquidity Provider that is subject to such reduction, modification or amendment.

(b) It is not necessary under this Section 9.02 for the Noteholders to consent to the particular form of any proposed supplemental agreement, but it is sufficient if they consent to the substance thereof.

(c) Promptly after the execution by the Company and the Loan Trustee of any supplemental agreement pursuant to the provisions of this Section 9.02, the Loan Trustee shall transmit by first-class mail a notice, setting forth in general terms the substance of such supplemental agreement, to all Noteholders, as the names and addresses of such Noteholders appear on the Equipment Note Register. Any failure of the Loan Trustee to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental agreement.

Section 9.03. Amendments, Waivers, Etc. of the Participation Agreement. Without the consent of a Majority in Interest of Noteholders, the respective parties to the Participation Agreement may not modify, amend or supplement such agreement, or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder; provided that, without the consent of the Loan Trustee, any Noteholder, any other Indenture Indemnitee or any Related Indenture Indemnitee, and/or the Participation Agreement may be modified, amended or supplemented in order (i) to cure any defect or inconsistency therein or to cure any ambiguity or correct any mistake, (ii) to amend, modify or supplement any provision thereof or make any other provision with respect to matters or questions arising thereunder or under this Indenture, provided that the making of any such other provision shall not materially adversely affect the interests of the Noteholders or (iii) to make any other change, or reflect any other matter, of the kind referred to in clauses (i) through (xv) of Section 9.01. Notwithstanding the foregoing, without the consent of any Liquidity Provider, the Company shall not enter into any amendment, waiver or modification of or supplement or consent to the Participation Agreement which shall reduce, modify or amend any indemnities in favor of such Liquidity Provider contained therein.

Section 9.04. Revocation and Effect of Consents. Until an amendment or waiver becomes effective, a consent to it by a Noteholder is a continuing consent by the Noteholder and every subsequent Noteholder, even if notation of the consent is not made on any Equipment Note.

Section 9.05. Notation on or Exchange of Equipment Notes. The Loan Trustee may place an appropriate notation about an amendment or waiver on any Equipment Note thereafter executed. The Loan Trustee in exchange for such Equipment Notes may execute new Equipment Notes that reflect the amendment or waiver.

Section 9.06. Trustee Protected. If, in the reasonable opinion of the institution acting as the Loan Trustee hereunder, any document required to be executed by it pursuant to the terms of Section 9.01 or Section 9.02 adversely affects any right, duty,

immunity or indemnity with respect to such institution under this Indenture, such institution may in its discretion decline to execute such document.

Section 9.07. No Consent of Individual Indenture Indemnitees Required. Notwithstanding anything in this Indenture or any other Operative Document to the contrary, when any provision hereof or thereof would otherwise require a consent of an Indenture Indemnitee, such provision shall always be construed to require only the consent of an Indenture Indemnitee other than any Indenture Indemnitee covered by clause (ix) of the definition of “Indenture Indemnites”.

The Liquidity Provider hereby irrevocably agrees, on the terms and conditions hereinafter set forth, to make Advances to the Borrower from time to time on any Business Day during the period from the Effective Date until 10:00 a.m. (New York City time) on the Expiry Date (unless the obligations of the Liquidity Provider shall be earlier terminated in accordance with the terms of Section 2.04(b)) in an aggregate amount at any time outstanding not to exceed the Maximum Commitment.

Section 2.02 Making of Advances. (a) Subject to Section 2.06(d), each Interest Advance shall be made by the Liquidity Provider upon delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of **Annex I**, signed by a Responsible Officer of the Borrower, such Interest Advance to be in an amount not exceeding the Maximum Available Commitment at such time and used solely for the payment when due of interest with respect to the Class AA Certificates at the Stated Interest Rate therefor in accordance with Section 3.05(a) and 3.05(b) of the Intercreditor Agreement. Each Interest Advance made hereunder shall automatically reduce the Maximum Available Commitment and the amount available to be borrowed hereunder by subsequent Advances by the amount of such

Interest Advance (subject to reinstatement as provided in the next sentence). Upon repayment to the Liquidity Provider in full or in part of the amount of any Interest Advance made pursuant to this Section 2.02(a), together with accrued interest thereon (as provided herein), the Maximum Available Commitment shall be reinstated by an amount equal to the amount of such Interest Advance so repaid, but not to exceed the Maximum Commitment; provided, however, that, subject to Section 2.06(d), the Maximum Available Commitment shall not be so reinstated at any time if (x) both a Performing Note Deficiency exists and a Liquidity Event of Default shall have occurred and be continuing or (y) a Final Advance, a Downgrade Advance, a Non-Extension Advance or a Special Termination Advance shall have occurred.

(b) (i) A Non-Extension Advance shall be made by the Liquidity Provider if this Agreement is not extended in accordance with Section 3.05(d) of the Intercreditor Agreement unless a Replacement Liquidity Facility to replace this Agreement shall have been delivered to the Borrower in accordance with said Section 3.05(d), upon delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of **Annex II**, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be used to fund the Class AA Cash Collateral Account in accordance with Sections 3.05(d) and 3.05(f) of the Intercreditor Agreement.

(ii) A Downgrade Advance shall be made by the Liquidity Provider if this Liquidity Facility becomes a Downgraded Facility following the occurrence of a Downgrade Event (as provided for in Section 3.05(c) of the Intercreditor Agreement), unless (i) a Replacement Liquidity Facility to replace this Agreement shall have been previously delivered to the Borrower within thirty-five (35) days after the Downgrade Event (or, if earlier, the Expiry Date) or (ii) the relevant Rating Agency shall have provided confirmation within thirty (35) days (or, if earlier, the expiration date of such Downgraded Facility) after the Downgrade Event that such Downgrade Event will not result in a downgrading, withdrawal or suspension by such Rating Agency of the rating then in effect for the related Class of Certificates, in each case of clause (i) and (ii), in accordance with said Section 3.05(c), by delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of **Annex III**, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be used to fund the Class AA Cash Collateral Account in accordance with Sections 3.05(c) and 3.05(f) of the Intercreditor Agreement.

(c) A Final Advance shall be made by the Liquidity Provider following the receipt by the Borrower of a Termination Notice from the Liquidity Provider pursuant to Section 6.01(a) upon delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of **Annex IV**, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be used to fund the Class AA Cash Collateral Account (in accordance with Sections 3.05(f) and 3.05(i) of the Intercreditor Agreement).

(d) A Special Termination Advance shall be made in a single Borrowing upon the receipt by the Borrower of a Special Termination Notice from the Liquidity Provider pursuant to Section 6.01(b), by delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of **Annex V**, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be

used to fund the Class AA Cash Collateral Account (in accordance with Section 3.05(f) and Section 3.05(k) of the Intercreditor Agreement).

(e) Each Borrowing shall be made by notice in writing (a “**Notice of Borrowing**”) in substantially the form required by Section 2.02(a), 2.02(b), 2.02(c) or 2.02(d), as the case may be, given by the Borrower to the Liquidity Provider. If a Notice of Borrowing is delivered by the Borrower in respect of any Borrowing no later than 10:00 a.m. (New York City time) on a Business Day, upon satisfaction of the conditions precedent set forth in Section 4.02 with respect to such requested Borrowing, the Liquidity Provider shall make available to the Borrower, in accordance with its payment instructions, the amount of such Borrowing in Dollars and immediately available funds, before 4:00 p.m. (New York City time) on such Business Day or before 10:00 a.m. (New York City time) on such later Business Day specified in such Notice of Borrowing. If a Notice of Borrowing is delivered by the Borrower in respect of any Borrowing after 10:00 a.m. (New York City time) on a Business Day, upon satisfaction of the conditions precedent set forth in Section 4.02 with respect to such requested Borrowing, the Liquidity Provider shall make available to the Borrower, in accordance with its payment instructions, the amount of such Borrowing in Dollars and immediately available funds, before 1:00 p.m. (New York City time) on the first Business Day next following the day of receipt of such Notice of Borrowing or on such later Business Day specified by the Borrower in such Notice of Borrowing. Payments of proceeds of a Borrowing shall be made by wire transfer of immediately available funds to the Borrower in accordance with such wire transfer instructions as the Borrower shall furnish from time to time to the Liquidity Provider for such purpose. Each Notice of Borrowing shall be irrevocable and binding on the Borrower. Each Notice of Borrowing shall be effective upon delivery of a copy thereof to the Liquidity Provider at the address and in the manner specified in Section 7.02 hereof.

(f) Upon the making of any Advance requested pursuant to a Notice of Borrowing in accordance with the Borrower’s payment instructions, the Liquidity Provider shall be fully discharged of its obligation hereunder with respect to such Notice of Borrowing, and the Liquidity Provider shall not thereafter be obligated to make any further Advances hereunder in respect of such Notice of Borrowing to the Borrower or to any other Person (including the Class AA Trustee or any Class AA Certificateholder). If the Liquidity Provider makes an Advance requested pursuant to a Notice of Borrowing before 10:00 a.m. (New York City time) on the second Business Day after the date of payment specified in Section 2.02(e), the Liquidity Provider shall have fully discharged its obligations hereunder with respect to such Advance and an event of default shall not have occurred hereunder. Following the making of any Advance pursuant to Section 2.02(b), 2.02(c) or 2.02(d) to fund the Class AA Cash Collateral Account, the Liquidity Provider shall have no interest in or rights to the Class AA Cash Collateral Account, such Advance or any other amounts from time to time on deposit in the Class AA Cash Collateral Account; provided that the foregoing shall not affect or impair the obligations of the Subordination Agent to make the distributions contemplated by Section 3.05(e) or 3.05(f) of the Intercreditor Agreement, and provided, further, that the foregoing shall not affect or impair the rights of the Liquidity Provider to provide written instructions with respect to the investment and reinvestment of amounts in the Class AA Cash Collateral Account to the extent provided in Section 2.02(b) of the Intercreditor Agreement. By paying to the Borrower proceeds of Advances requested by the Borrower in accordance with the provisions of this Agreement, the

Liquidity Provider makes no representation as to, and assumes no responsibility for, the correctness or sufficiency for any purpose of the amount of the Advances so made and requested.

Section 2.03 Fees. The Borrower agrees to pay to the Liquidity Provider the fees set forth in the Fee Letter.

Section 2.04 Reduction or Termination of the Maximum Commitment. (a) Automatic Reduction. Promptly following each date on which the Required Amount is reduced as a result of a reduction in the Pool Balance of the Class AA Certificates or otherwise, the Maximum Commitment shall automatically be reduced to an amount equal to such reduced Required Amount (as calculated by the Borrower). The Borrower shall give notice of any such automatic reduction of the Maximum Commitment to the Liquidity Provider and American within two Business Days thereof. The failure by the Borrower to furnish any such notice shall not affect any such automatic reduction of the Maximum Commitment.

(b) Termination. Upon the making of any Provider Advance, Special Termination Advance or Final Advance hereunder or the occurrence of the Termination Date, the obligation of the Liquidity Provider to make further Advances hereunder shall automatically and irrevocably terminate, and the Borrower shall not be entitled to request any further Borrowing hereunder, except in the case of a Downgrade Advance, as provided in Section 2.06(d).

Section 2.05 Repayments of Interest Advances, the Special Termination Advance or the Final Advance. Subject to Sections 2.06, 2.07 and 2.09 hereof, the Borrower hereby agrees, without notice of an Advance or demand for repayment from the Liquidity Provider (which notice and demand are hereby waived by the Borrower), to pay, or to cause to be paid, to the Liquidity Provider (a) on each date on which the Liquidity Provider shall make an Interest Advance, the Special Termination Advance or the Final Advance, an amount equal to the amount of such Advance (any such Advance, until repaid, is referred to herein as an “**Unpaid Advance**”) (if multiple Interest Advances are outstanding any such repayment to be applied in the order in which such Interest Advances have been made, starting with the earliest), plus (b) interest on the amount of each such Unpaid Advance in the amounts and on the dates determined as provided in Section 3.07; provided that if (i) the Liquidity Provider shall make a Provider Advance at any time after making one or more Interest Advances which shall not have been repaid in accordance with this Section 2.05 or (ii) this Liquidity Facility shall become a Downgraded Facility or Non-Extended Facility at any time when unreimbursed Interest Advances have reduced the Maximum Available Commitment to zero, then such Interest Advances shall cease to constitute Unpaid Advances and shall be deemed to have been changed into an Applied Downgrade Advance or an Applied Non-Extension Advance, as the case may be, for all purposes of this Agreement (including, without limitation, for the purpose of determining when such Interest Advance is required to be repaid to the Liquidity Provider in accordance with Section 2.06 and for the purposes of Section 2.06(b)); provided, further, that amounts in respect of a Special Termination Advance withdrawn from the Class AA Cash Collateral Account for the purpose of paying interest on the Class AA Certificates in accordance with Section 3.05(f) of the Intercreditor Agreement (the portion of the outstanding Special Termination Advance equal to the amount of any such withdrawal, but not in excess of the outstanding Special Termination Advance, being an “**Applied Special Termination Advance**”) shall thereafter (subject to Section 2.06(b)) be treated as an Interest Advance under this Agreement for purposes of determining the Applicable

Liquidity Rate for interest payable thereon; provided, further, that if, following the making of a Special Termination Advance, the Liquidity Provider delivers a Termination Notice to the Borrower pursuant to Section 6.01(a), such Special Termination Advance (including any portion thereof that is an Applied Special Termination Advance) shall thereafter be treated as a Final Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon; and, provided, further, that if, after making a Provider Advance, the Liquidity Provider delivers a Special Termination Notice to the Borrower pursuant to Section 6.01(b), any Unapplied Provider Advance shall be converted to and treated as a Special Termination Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon and the obligation for repayment thereof under the Intercreditor Agreement. The Borrower and the Liquidity Provider agree that the repayment in full of each Interest Advance, Special Termination Advance and Final Advance on the date such Advance is made is intended to be a contemporaneous exchange for new value given to the Borrower by the Liquidity Provider. For the avoidance of doubt, interest payable on an Interest Advance, Special Termination Advance or the Final Advance shall not be regarded as overdue unless such interest is not paid when due under Section 3.07.

Section 2.06 Repayments of Provider Advances. (a) Amounts advanced hereunder in respect of a Provider Advance shall be deposited in the Class AA Cash Collateral Account and invested and withdrawn from the Class AA Cash Collateral Account as set forth in Sections 3.05(c), 3.05(d), 3.05(e) and 3.05(f) of the Intercreditor Agreement. Subject to Sections 2.07 and 2.09, the Borrower agrees to pay to the Liquidity Provider, on each Regular Distribution Date, commencing on the first Regular Distribution Date after the making of a Provider Advance, interest on the principal amount of any such Provider Advance, in the amounts determined as provided in Section 3.07; provided, however, that amounts in respect of a Provider Advance withdrawn from the Class AA Cash Collateral Account for the purpose of paying interest on the Class AA Certificates in accordance with Section 3.05(f) of the Intercreditor Agreement (the amount of any such withdrawal being (y), in the case of a Downgrade Advance, an “**Applied Downgrade Advance**” and (z) in the case of a Non-Extension Advance, an “**Applied Non-Extension Advance**” and together with an Applied Downgrade Advance, an “**Applied Provider Advance**”) shall thereafter (subject to Section 2.06(b)) be treated as an Interest Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon; provided, further, however, that if, following the making of a Provider Advance, the Liquidity Provider delivers a Termination Notice to the Borrower pursuant to Section 6.01(a), such Provider Advance shall thereafter be treated as a Final Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon. Subject to Sections 2.07 and 2.09, immediately upon the withdrawal of any amounts from the Class AA Cash Collateral Account on account of a reduction in the Required Amount, the Borrower shall repay to the Liquidity Provider a portion of the Provider Advances in a principal amount equal to such reduction, plus interest on the principal amount so repaid as provided in Section 3.07.

(b) At any time when an Applied Provider Advance or Applied Special Termination Advance (or any portion thereof) is outstanding, upon the deposit in the Class AA Cash Collateral Account of any amount pursuant to clause “fourth” of Section 3.02 of the Intercreditor Agreement (any such amount being a “**Replenishment Amount**”) for the purpose of replenishing or increasing the balance thereof up to the Required Amount at such time, (i) the aggregate outstanding principal amount of all Applied Provider Advances and Applied Special

Termination Advances (and of Provider Advances and Special Termination Advances treated as Interest Advances for purposes of determining the Applicable Liquidity Rate for interest payable thereon) shall be automatically reduced by the amount of such Replenishment Amount, and (ii) the aggregate outstanding principal amount of all Unapplied Provider Advances shall be automatically increased by the amount of such Replenishment Amount.

(c) Upon the provision of a Replacement Liquidity Facility in replacement of this Agreement in accordance with Section 3.05(e) of the Intercreditor Agreement, as provided in Section 3.05(f) of the Intercreditor Agreement, amounts remaining on deposit in the Class AA Cash Collateral Account after giving effect to any Applied Provider Advance on the date of such replacement shall be reimbursed to the Liquidity Provider, but only to the extent such amounts are necessary to repay in full to the Liquidity Provider all amounts owing to it hereunder.

(d) If at any time after making a Downgrade Advance, the Liquidity Provider satisfies the Threshold Rating and delivers a written notice to that effect to the Borrower and American, as of the second Business Day following receipt of such notice, (i) any Unapplied Downgrade Advance shall be withdrawn from the Class AA Cash Collateral Account and reimbursed to the Liquidity Provider and (ii) any Applied Downgrade Advance shall be converted to an Interest Advance, the Maximum Commitment shall be reinstated by an amount equal to the amount of such Unapplied Downgrade Advance so reimbursed, but not to exceed the Maximum Commitment and the obligation of the Liquidity Provider to make Advances shall be reinstated in an equal amount, and the proviso in the definition of Maximum Available Commitment shall no longer apply to such Downgrade Advance.

Section 2.07 Payments to the Liquidity Provider Under the Intercreditor Agreement. In order to provide for payment or repayment to the Liquidity Provider of any amounts hereunder, the Intercreditor Agreement provides that amounts available and referred to in Articles II and III of the Intercreditor Agreement, to the extent payable to the Liquidity Provider pursuant to the terms of the Intercreditor Agreement (including, without limitation, Section 3.05(f) of the Intercreditor Agreement), shall be paid to the Liquidity Provider in accordance with the terms thereof (but, for the avoidance of doubt, without duplication of or increase in any amounts payable hereunder). Amounts so paid to the Liquidity Provider shall be applied by the Liquidity Provider in the order of priority required by the applicable provisions of Articles II and III of the Intercreditor Agreement (or, if not provided for in the Intercreditor Agreement, then in such manner as the Liquidity Provider shall deem appropriate) and shall discharge in full the corresponding obligations of the Borrower hereunder.

Section 2.08 Book Entries. The Liquidity Provider shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower resulting from Advances made from time to time and the amounts of principal and interest payable hereunder and paid from time to time in respect thereof; provided, however, that the failure by the Liquidity Provider to maintain such account or accounts shall not affect the obligations of the Borrower in respect of Advances.

Section 2.09 Payments from Available Funds Only. All payments to be made by the Borrower under this Agreement shall be made only from the amounts that constitute Scheduled Payments, Special Payments and other payments under the Operative Agreements, including

payment under Section 4.02 of the Participation Agreements and payments under Section 2.14 of the Indentures, and only to the extent that the Borrower shall have sufficient income or proceeds therefrom to enable the Borrower to make payments in accordance with the terms hereof after giving effect to the priority of payments provisions set forth in the Intercreditor Agreement. The Liquidity Provider agrees that it will look solely to such amounts to the extent available for distribution to it as provided in the Intercreditor Agreement and this Agreement and that the Borrower, in its individual capacity, is not personally liable to it for any amounts payable or liability under this Agreement except as expressly provided in this Agreement, the Intercreditor Agreement or any Participation Agreement. Amounts on deposit in the Class AA Cash Collateral Account shall be available to the Borrower to make payments under this Agreement only to the extent and for the purposes expressly contemplated in Section 3.05(f) of the Intercreditor Agreement.

Section 2.10 Extension of the Expiry Date; Non-Extension Advance. If the Liquidity Provider notifies the Borrower in writing before the 25th day prior to an anniversary date of the Closing Date that is prior to the 15th day after the Final Legal Distribution Date for the Class AA Certificates (such notification, a “**Non-Extension Notice**”; the date of such notification, the “**Notice Date**”) that its obligation to make Advances hereunder shall not be extended beyond the immediately following anniversary date of the Closing Date (and if the Liquidity Provider shall not have been replaced in accordance with Section 3.05(e) of the Intercreditor Agreement), the Borrower shall be entitled on and after the Notice Date (but prior to such anniversary date) to request a Non-Extension Advance in accordance with Section 2.02(b)(i) hereof and Section 3.05(d) of the Intercreditor Agreement.

ARTICLE III

OBLIGATIONS OF THE BORROWER

Section 3.01 Increased Costs. Without duplication of any rights created by Section 3.03, if as a result of any Regulatory Change there shall be any increase by an amount reasonably deemed by the Liquidity Provider to be material in the actual cost to the Liquidity Provider of making, funding or maintaining any Advances or its obligation to make any such Advances or there shall be any reduction by an amount reasonably deemed by the Liquidity Provider to be material in the amount receivable by the Liquidity Provider under this Agreement or the Intercreditor Agreement in respect thereof, and in case of either such an increase or reduction, such event does not arise from the gross negligence or willful misconduct of the Liquidity Provider, from its breach of any of its representations, warranties, covenants or agreements contained herein or in the Intercreditor Agreement or from its failure to comply with any such Regulatory Change (any such increase or reduction being referred to herein as an “**Increased Cost**”), then, subject to Sections 2.07 and 2.09, the Borrower shall from time to time pay to the Liquidity Provider an amount equal to such Increased Cost within 10 Business Days after delivery to the Borrower and American of a certificate of an officer of the Liquidity Provider describing in reasonable detail the event by reason of which it claims such Increased Cost and the basis for the determination of the amount of such Increased Cost; provided that the Borrower shall be obligated to pay amounts only with respect to any Increased Costs accruing from the date 120 days prior to the date of delivery of such certificate. Such certificate, in the absence of manifest error, shall be considered prima facie evidence of the amount of the Increased Costs for

purposes of this Agreement; provided that any determinations and allocations by the Liquidity Provider of the effect of any Regulatory Change on the costs of maintaining the Advances or the obligation to make Advances are made on a reasonable basis. For the avoidance of doubt, the Liquidity Provider shall not be entitled to assert any claim under this Section 3.01 in respect of or attributable to Excluded Taxes. The Liquidity Provider will notify the Borrower and American as promptly as practicable of any event occurring after the date of this Agreement that will entitle the Liquidity Provider to compensation under this Section 3.01. The Liquidity Provider agrees to investigate all commercially reasonable alternatives for reducing any Increased Costs and to use all commercially reasonable efforts to avoid or minimize, to the greatest extent possible, any claim in respect of Increased Costs, including, without limitation, by designating a different Lending Office, if such designation or other action would avoid the need for, or reduce the amount of, any such claim; provided that the foregoing shall not obligate the Liquidity Provider to take any action that would, in its reasonable judgment, cause the Liquidity Provider to take any action that is not materially consistent with its internal policies or is otherwise materially disadvantageous to the Liquidity Provider or that would cause the Liquidity Provider to incur any material loss or cost, unless the Borrower or American agrees to reimburse or indemnify the Liquidity Provider therefor. If no such designation or other action is effected, or, if effected, such notice fails to avoid the need for any claim in respect of Increased Costs, American may arrange for a Replacement Liquidity Facility in accordance with Section 3.05(e) of the Intercreditor Agreement.

Notwithstanding the foregoing provisions, in no event shall the Borrower be required to make payments under this Section 3.01: (a) in respect of any Regulatory Change proposed by any applicable governmental authority (including any branch of a legislature), central bank or comparable agency of the United States or the Liquidity Provider's jurisdiction of organization or in which its Lending Office is located and pending as of the date of this Agreement (it being agreed that the Regulatory Changes contemplated by (i) all requests, rules, guidelines or directives promulgated or issued by the Basel Committee on Banking Supervision (or any successor or similar authority) including, but not limited to the Consultative Documents entitled "Strengthening the resilience of the banking sector" and "International framework for liquidity risk measurement, standards and monitoring," each dated December 2009 or the United States regulatory authorities, in each case pursuant to Basel III and (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith, shall not be considered to have been proposed or pending as of the date of this Agreement); (b) if a claim hereunder in respect of an Increased Cost arises through circumstances peculiar to the Liquidity Provider and that do not affect similarly organized commercial banking institutions in the same jurisdiction generally that are in compliance with the law, rule, regulation or interpretation giving rise to the Regulatory Change relating to such Increased Cost; (c) if the Liquidity Provider shall fail to comply with its obligations under this Section 3.01 or (d) if the Liquidity Provider is not also seeking payment for similar increased costs in other similarly situated transactions related to the airline industry.

Section 3.02 Intentionally omitted.

Section 3.03 Withholding Taxes. (a) All payments made by the Borrower under this Agreement shall be made without deduction or withholding for or on account of any Taxes, unless such deduction or withholding is required by law. If any Taxes are so required to be

withheld or deducted from any amounts payable to the Liquidity Provider under this Agreement, then, subject to Sections 2.07 and 2.09, the Borrower shall (i) deduct or withhold and shall pay to the relevant authorities the full amount so required to be deducted or withheld, (ii) without duplication of any rights created by Section 3.01, if such Taxes are Covered Taxes, pay to the Liquidity Provider such additional amounts as shall be necessary to ensure that the net amount actually received by the Liquidity Provider (after deduction or withholding of all Covered Taxes) shall be equal to the full amount that would have been received by the Liquidity Provider had no withholding or deduction of Covered Taxes been required and (iii) within 30 days after the date of a payment to the relevant authorities furnish to the Liquidity Provider the original or a certified copy of (or other reasonable evidence of) the payment of the Taxes applicable to such payment. The Borrower agrees to indemnify the Liquidity Provider, within 10 Business Days of demand therefor the full amount of Covered Taxes paid or payable by the Liquidity Provider in respect of payments by the Borrower under this Agreement and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto. If the Borrower provides a written request (which shall be considered prior written consent under subsection (vi) of the definition of Covered Taxes), the Liquidity Provider agrees to use commercially reasonable efforts (consistent with applicable legal and regulatory restrictions) to change the jurisdiction of its Lending Office if making such change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the reasonable judgment of the Liquidity Provider, be otherwise materially disadvantageous to the Liquidity Provider. If the Liquidity Provider receives a refund of, or realizes a net Tax benefit not otherwise available to it as a result of, any Taxes for which additional amounts were paid by the Borrower pursuant to this Section 3.03, the Liquidity Provider shall pay to the Borrower (for deposit into the Collection Account) the amount of such refund (and any interest thereon), net of any related out-of-pocket expenses, or net benefit. The Borrower, upon the request of the Liquidity Provider, shall repay to the Liquidity Provider the amount paid over pursuant to this paragraph (a) (plus any penalties, interest or other charges imposed by the relevant governmental or taxing authority) in the event that the Liquidity Provider is required to repay such refund to such governmental or taxing authority. Notwithstanding anything to the contrary in this paragraph (a), in no event will the Liquidity Provider be required to pay any amount to the Borrower pursuant to this paragraph (a) the payment of which would place the Liquidity Provider in a less favorable net after-Tax position than the Liquidity Provider would have been in if the Tax subject to indemnification and giving rise to such refund or net Tax benefit had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph (a) shall not be construed to require the Liquidity Provider to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Borrower or any other Person.

The Liquidity Provider will (i) provide (on its behalf and on behalf of any participant holding a Participation pursuant to Section 7.08) to the Borrower (x) on or prior to the Effective Date two valid completed and executed originals of Internal Revenue Service Form W-9, W-8BEN-E or W-8ECI (whichever is applicable), including thereon a valid U.S. taxpayer identification number (or, with respect to any such participant, such other form or documentation as may be applicable) covering all amounts receivable by it in connection with the transactions contemplated by the Operative Agreements and (y) thereafter from time to time such additional forms or documentation as may be necessary to establish an available exemption from withholding of United States Tax on payments hereunder so that such forms or documentation

are effective for all periods during which it is the Liquidity Provider and (ii) provide timely notice to the Borrower if any such form or documentation is or becomes inaccurate. The Liquidity Provider shall deliver to the Borrower such other forms or documents as may be reasonably requested by the Borrower or required by applicable law to establish that payments hereunder are exempt from or entitled to a reduced rate of Covered Taxes.

If a payment made to the Liquidity Provider or Borrower hereunder would be subject to U.S. federal withholding Tax imposed by FATCA if the Borrower or Liquidity Provider, as applicable, were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the U.S. Internal Revenue Code, as applicable), it shall deliver to the Borrower or the Liquidity Provider, as applicable, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or Liquidity Provider, as applicable, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the U.S. Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or Liquidity Provider, as applicable, as may be necessary for the Borrower or Liquidity Provider, as applicable, to comply with its obligations under FATCA and to determine that the Liquidity Provider or Borrower has complied with the Liquidity Provider's or Borrower's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(b) All payments (including, without limitation, Advances) made by the Liquidity Provider under this Agreement shall be made free and clear of, and without reduction for or on account of, any Taxes. If any Taxes are required to be withheld or deducted from any amounts payable to the Borrower under this Agreement, the Liquidity Provider shall (i) within the time prescribed therefor by applicable law pay to the appropriate governmental or taxing authority the full amount of any such Taxes (and any additional Taxes in respect of the additional amounts payable under clause (ii) hereof) and make such reports or returns in connection therewith at the time or times and in the manner prescribed by applicable law, and (ii) pay to the Borrower an additional amount which (after deduction of all such Taxes) will be sufficient to yield to the Borrower the full amount which would have been received by it had no such withholding or deduction been made. Within 30 days after the date of each payment hereunder, the Liquidity Provider shall furnish to the Borrower the original or a certified copy of (or other documentary evidence of) the payment of the Taxes applicable to such payment.

On or before the Closing Date, the Borrower shall provide the Liquidity Provider with its fully executed Internal Revenue Service Form W-9, showing a complete exemption from U.S. federal withholding tax and backup withholding. If any other exemption from, or reduction in the rate of, any Taxes required to be borne by the Liquidity Provider under this Section 3.03(b) is reasonably available to the Borrower without providing any information regarding the holders or beneficial owners of the Certificates, the Borrower shall deliver the Liquidity Provider such form or forms and such other evidence of the eligibility of the Borrower for such exemption or reductions (but without any requirement to provide any information regarding the holders or beneficial owners of the Certificates) as the Liquidity Provider may reasonably identify to the Borrower as being required as a condition to exemption from, or reduction in the rate of, such Taxes.

Section 3.04 Payments. Subject to Sections 2.07 and 2.09, the Borrower shall make or cause to be made each payment to the Liquidity Provider under this Agreement so as to cause the same to be received by the Liquidity Provider not later than 12:00 p.m. (New York City time) on the day when due. The Borrower shall make all such payments in Dollars, to the Liquidity Provider in immediately available funds, by wire transfer to the account set forth below or such other U.S. bank account as the Liquidity Provider may from time to time direct the Subordination Agent:

Section 3.05 Computations. All computations of interest based on the Base Rate shall be made on the basis of a year of 365 or 366 days, as the case may be, and all computations of interest based on the LIBOR Rate shall be made on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable.

Section 3.06 Payment on Non-Business Days. Whenever any payment to be made hereunder shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and no additional interest shall be due as a result (and if so made, shall be deemed to have been made when due). If any payment in respect of interest on an Advance is so deferred to the next succeeding Business Day, such deferral shall not delay the commencement of the next Interest Period for such Advance (if such Advance is a LIBOR Advance) or reduce the number of days for which interest will be payable on such Advance on the next Interest Payment Date for such Advance.

Section 3.07 Interest. (a) Subject to Sections 2.07 and 2.09, the Borrower shall pay, or shall cause to be paid, without duplication, interest on (i) the unpaid principal amount of each Advance from and including the date of such Advance (or, in the case of an Applied Provider Advance or Applied Special Termination Advance, from and including the date on which the amount thereof was withdrawn from the Class AA Cash Collateral Account to pay interest on the Class AA Certificates) to but excluding the date such principal amount shall be paid in full (or, in the case of an Applied Provider Advance or Applied Special Termination Advance, the date on which the Class AA Cash Collateral Account is fully replenished in respect of such Advance) and (ii), to the extent permitted by law, any other amount due hereunder (whether fees, commissions, expenses or other amounts or installments of interest on Advances or any such other amount) that is not paid when due (whether at stated maturity, by acceleration or otherwise) from and including the due date thereof to but excluding the date such amount is paid in full, in each such case, at the interest rate per annum for each day that such amount remains overdue and unpaid equal to the Applicable Liquidity Rate for such Advance or such other amount, as the case may be, as in effect for such day, but in no event in any case referred to in clause (i) or (ii) above at a rate per annum greater than the maximum rate permitted by applicable law; provided, however, that, if at any time the otherwise applicable interest rate as set

forth in this Section 3.07 shall exceed the maximum rate permitted by applicable law, then to the maximum extent permitted by applicable law any subsequent reduction in such interest rate will not reduce the rate of interest payable pursuant to this Section 3.07 below the maximum rate permitted by applicable law until the total amount of interest accrued equals the absolute amount of interest that would have accrued (without additional interest thereon) if such otherwise applicable interest rate as set forth in this Section 3.07 had at all relevant times been in effect.

(b) Each Advance will be either a Base Rate Advance or a LIBOR Advance as provided in this Section 3.07. Each such Advance will be a Base Rate Advance for the period from the date of its borrowing to (but excluding) the third Business Day following the Liquidity Provider's receipt of the Notice of Borrowing for such Advance. Thereafter, such Advance shall be a LIBOR Advance; provided that a Provider Advance shall always be a LIBOR Advance.

(c) Each LIBOR Advance shall bear interest during each Interest Period at a rate per annum equal to the LIBOR Rate for such Interest Period plus the Applicable Margin for such LIBOR Advance, payable in arrears on the last day of such Interest Period and, in the event of the payment of principal of such LIBOR Advance on a day other than such last day, on the date of such payment (to the extent of interest accrued on the amount of principal repaid).

(d) Each Base Rate Advance shall bear interest at a rate per annum equal to the Base Rate plus the Applicable Margin for such Base Rate Advance, payable in arrears on each Regular Distribution Date and, in the event of the payment of principal of such Base Rate Advance on a day other than a Regular Distribution Date, on the date of such payment (to the extent of interest accrued on the amount of principal repaid).

(e) Intentionally omitted.

(f) Each amount not paid when due hereunder (whether fees, commissions, expenses or other amounts or installments of interest on Advances but excluding Advances) shall bear interest, to the extent permitted by applicable law, at a rate per annum equal to the Base Rate plus 2.0% per annum until paid.

(g) If at any time, the Liquidity Provider shall have determined (which determination shall be conclusive and binding upon the Borrower, absent manifest error) that, by reason of circumstances affecting the relevant interbank lending market generally, the LIBOR Rate determined or to be determined for such Interest Period will not adequately and fairly reflect the cost to the Liquidity Provider (as conclusively certified by the Liquidity Provider, absent manifest error) of making or maintaining Advances, the Liquidity Provider shall give facsimile or telephonic notice thereof (a "**Rate Determination Notice**") to the Borrower. If such notice is given, then the outstanding principal amount of the LIBOR Advances shall be converted to Base Rate Advances effective from the date of the Rate Determination Notice; provided that the Applicable Liquidity Rate in respect of such Base Rate Advances shall be increased by one percent (1.00%). The Liquidity Provider shall withdraw a Rate Determination Notice given hereunder when the Liquidity Provider determines that the circumstances giving rise to such Rate Determination Notice no longer apply to the Liquidity Provider, and the Base Rate Advances shall be converted to LIBOR Advances effective as of the first day of the next succeeding Interest Period after the date of such withdrawal. Each change in the Base Rate shall

become effective immediately. The rates of interest specified in this Section 3.07 with respect to any Advance or other amount shall be referred to as the “**Applicable Liquidity Rate**”.

Section 3.08 **Replacement of Borrower**. Subject to Section 5.02, from time to time and subject to the successor Borrower’s meeting the eligibility requirements set forth in Section 6.09 of the Intercreditor Agreement applicable to the Subordination Agent, upon the effective date and time specified in a written and completed Notice of Replacement Subordination Agent in substantially the form of **Annex VIII** (a “**Notice of Replacement Subordination Agent**”) delivered to the Liquidity Provider by the then Borrower, the successor Borrower designated therein shall become the Borrower for all purposes hereunder.

Section 3.09 **Funding Loss Indemnification**. The Borrower shall pay to the Liquidity Provider, upon the request of the Liquidity Provider, such amount or amounts as shall be sufficient (in the reasonable opinion of the Liquidity Provider) to compensate it for any loss, cost or expense incurred by reason of the liquidation or redeployment of deposits or other funds acquired by the Liquidity Provider to fund or maintain any LIBOR Advance (but excluding loss of the Applicable Margin or anticipated profits) incurred as a result of:

- (1) Any repayment of a LIBOR Advance on a date other than the last day of the Interest Period for such Advance; or
- (2) Any failure by the Borrower to borrow a LIBOR Advance on the date for borrowing specified in the relevant notice under Section 2.02.

Section 3.10 **Illegality**. Notwithstanding any other provision in this Agreement, if any change in any law, rule or regulation applicable to or binding on the Liquidity Provider, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by the Liquidity Provider with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for the Liquidity Provider to maintain or fund its LIBOR Advances, then upon notice to the Borrower and American by the Liquidity Provider, the outstanding principal amount of the LIBOR Advances shall be converted to Base Rate Advances (a) immediately upon demand of the Liquidity Provider, if such change or compliance with such request, in the reasonable judgment of the Liquidity Provider, requires immediate conversion; or (b) at the expiration of the last Interest Period to expire before the effective date of any such change or request. The Liquidity Provider will notify the Borrower and American as promptly as practicable of any event that will or to its knowledge is reasonably likely to lead to the conversion of LIBOR Advances to Base Rate Advances under this Section 3.10; provided that a failure by the Liquidity Provider to notify the Borrower or American of an event that is reasonably likely to lead to such a conversion prior to the time that it is determined that such event will lead to such a conversion shall not prejudice the rights of the Liquidity Provider under this Section 3.10. The Liquidity Provider agrees to investigate all commercially reasonable alternatives for avoiding the need for such conversion including, without limitation, designating a different Lending Office, if such designation or other action would avoid the need to convert such LIBOR Advances to Base Rate Advances; provided that the foregoing shall not obligate the Liquidity Provider to take any action that would, in its reasonable judgment, cause the Liquidity Provider to incur any material loss or

cost, unless the Borrower or American agrees to reimburse or indemnify the Liquidity Provider therefor. If no such designation or other action is effected, or, if effected, fails to avoid the need for conversion of the LIBOR Advances to Base Rate Advances, American may arrange for a Replacement Liquidity Facility in accordance with Section 3.05(e) of the Intercreditor Agreement.

ARTICLE IV

CONDITIONS PRECEDENT

Section 4.01 Conditions Precedent to Effectiveness of Section 2.01. Section 2.01 of this Agreement shall become effective on and as of the first date (the “*Effective Date*”) on which the following conditions precedent have been satisfied (or waived by the appropriate party or parties):

(a) The Liquidity Provider shall have received on or before the Closing Date each of the following, and in the case of each document delivered pursuant to paragraphs (i), (ii) and (iii), each in form and substance satisfactory to the Liquidity Provider:

(ii) The Intercreditor Agreement duly executed on behalf of each of the parties thereto (other than the Liquidity Provider);

(v) An executed copy of each opinion (other than the negative assurance letter of Latham & Watkins LLP, special counsel to American, and the opinion and the negative assurance letter of Milbank, Tweed, Hadley & McCloy LLP, special counsel to the Underwriters) delivered on the Closing Date pursuant to the Underwriting Agreement (in the case of each such opinion, either addressed to the Liquidity Provider or accompanied by a letter from the counsel rendering such opinion to the effect that the Liquidity Provider is entitled to rely on such opinion as of its date as if it were addressed to the Liquidity Provider);

(vi) An executed copy of each document, instrument, certificate and opinion delivered on or before the Closing Date pursuant to the Class AA Trust Agreement, the Intercreditor Agreement and the other Operative Agreements (in the case of each such opinion, either addressed to the Liquidity Provider or accompanied by a letter from the counsel rendering such opinion to the effect that the Liquidity Provider is entitled to rely on such opinion as of its date as if it were addressed to the Liquidity Provider);

(vii) An agreement from American, pursuant to which (x) American agrees to provide copies of quarterly financial statements and audited annual financial statements to the Liquidity Provider (which American may provide in an electronic format by electronic mail or making such available over the internet) and (y) American agrees to allow the Liquidity Provider to discuss the transactions contemplated by the Operative Agreements with officers and employees of American; and

(viii) Such documentation as the Liquidity Provider may reasonably request five (5) or more Business Days prior to the Closing Date in order to satisfy its “know your customer” policies.

(b) On and as of the Effective Date no event shall have occurred and be continuing, or would result from the entering into of this Agreement or the making of any Advance, which constitutes a Liquidity Event of Default.

(c) The Liquidity Provider shall have received payment in full of the fees and other sums required to be paid to or for the account of the Liquidity Provider on or prior to the Effective Date pursuant to the Fee Letter.

(d) All conditions precedent to the issuance of the Certificates under the Trust Agreements shall have been satisfied or waived, all conditions precedent to the effectiveness of the other Liquidity Facilities, if any, shall have been satisfied or waived, and all conditions precedent to the purchase of the Class AA Certificates by the Underwriters under the Underwriting Agreement shall have been satisfied (unless any of such conditions precedent under the Underwriting Agreement shall have been waived by the Underwriters).

(e) The Borrower and American shall have received a certificate, dated the Effective Date signed by a duly authorized representative of the Liquidity Provider, certifying that all conditions precedent specified in this Section 4.01 have been satisfied or waived by the Liquidity Provider.

Section 4.02 Conditions Precedent to Borrowing. The obligation of the Liquidity Provider to make an Advance on the occasion of each Borrowing shall be subject to the conditions precedent that the Effective Date shall have occurred and, prior to the time of such Borrowing, the Borrower shall have delivered a Notice of Borrowing which conforms to the terms and conditions of this Agreement.

Section 4.03 Representations and Warranties. The representations and warranties of the Borrower as Subordination Agent in Sections 5.01(a), (b), (c), (d) and (i) of the Participation Agreements shall be deemed to be incorporated into this Agreement as if set out in full herein and as if such representations and warranties were made by the Borrower to the Liquidity Provider.

ARTICLE V

COVENANTS

Section 5.01 Affirmative Covenants of the Borrower. So long as any Advance shall remain unpaid or the Liquidity Provider shall have any Maximum Available Commitment hereunder or the Borrower shall have any obligation to pay any amount to the Liquidity Provider hereunder, the Borrower will, unless the Liquidity Provider shall otherwise consent in writing:

(a) Performance of Agreements. Subject to Sections 2.07 and 2.09, punctually pay or cause to be paid all amounts payable by it under this Agreement and the Intercreditor Agreement and observe and perform in all material respects the conditions, covenants and requirements applicable to it contained in this Agreement and the Intercreditor Agreement;

(b) Reporting Requirements. Furnish to the Liquidity Provider with reasonable promptness, such other information and data with respect to the transactions contemplated by the Operative Agreements as from time to time may be reasonably requested by the Liquidity Provider; and permit the Liquidity Provider, upon reasonable notice, to inspect the Borrower's books and records with respect to such transactions and to meet with officers and employees of the Borrower to discuss such transactions. The Borrower shall also provide to the Liquidity Provider, without the need for any request thereof, copies of all documents and reports provided to the Certificateholders under the Operative Agreements; and

(c) Certain Operative Agreements. Furnish to the Liquidity Provider, with reasonable promptness, copies of such Operative Agreements entered into after the date hereof as from time to time may be reasonably requested by the Liquidity Provider.

Section 5.02 Negative Covenants of the Borrower. Subject to the first and fourth paragraphs of Section 7.01(a) of the Intercreditor Agreement and Section 7.01(b) of the Intercreditor Agreement, so long as any Advance shall remain unpaid or the Liquidity Provider shall have any Maximum Available Commitment hereunder or the Borrower shall have any obligation to pay any amount to the Liquidity Provider hereunder, the Borrower will not appoint or permit or suffer to be appointed any successor Borrower without the prior written consent of the Liquidity Provider, which consent shall not be unreasonably withheld or delayed.

ARTICLE VI

LIQUIDITY EVENTS OF DEFAULT AND SPECIAL TERMINATION

Section 6.01 Liquidity Events of Default. (a) If any Liquidity Event of Default has occurred and is continuing and there is a Performing Note Deficiency, the Liquidity Provider may, in its discretion, deliver to the Borrower a Termination Notice, the effect of which shall be to cause (i) this Agreement to expire at the close of business on the fifth Business Day after the date on which such Termination Notice is received by the Borrower, (ii) the Borrower to promptly request, and the Liquidity Provider to promptly make, a Final Advance in accordance with Section 2.02(c) hereof and Section 3.05(i) of the Intercreditor Agreement, (iii) all other outstanding Advances to be automatically converted into Final Advances for purposes of

determining the Applicable Liquidity Rate for interest payable thereon and (iv) subject to Sections 2.07 and 2.09, all Advances, any accrued interest thereon and any other amounts outstanding hereunder to become immediately due and payable to the Liquidity Provider.

(b) If the aggregate Pool Balance of the Class AA Certificates is greater than the aggregate outstanding principal amount of the Series AA Equipment Notes (other than any Series AA Equipment Notes previously sold by the Borrower or with respect to which the Aircraft related to such Series AA Equipment Notes has been disposed of by the Loan Trustee) at any time during the 18-month period ending on October 15, 2029, the Liquidity Provider may, in its discretion, deliver to the Borrower a Special Termination Notice, the effect of which shall be to cause (i) the obligation of the Liquidity Provider to make Advances hereunder to terminate on the fifth Business Day after the date on which such Special Termination Notice is received by the Borrower and American, (ii) the Borrower to promptly request, and the Liquidity Provider to promptly make, a Special Termination Advance in accordance with Section 2.02(d) hereof and Section 3.05(k) of the Intercreditor Agreement, and (iii) subject to Sections 2.07 and 2.09, all Advances (including, without limitation, any Provider Advance and Applied Provider Advance), to be automatically treated as Special Termination Drawings (as defined in the Intercreditor Agreement).

ARTICLE VII

MISCELLANEOUS

Section 7.01 No Oral Modifications or Continuing Waivers. No terms or provisions of this Agreement may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the Borrower and the Liquidity Provider and any other Person whose consent is required pursuant to this Agreement; provided that no such change or other action shall affect the payment obligations of American or the rights of American without American's prior written consent; and any waiver of the terms hereof shall be effective only in the specific instance and for the specific purpose given.

Section 7.02 Notices. Unless otherwise expressly specified or permitted by the terms hereof, all notices, requests, demands, authorizations, directions, consents, waivers or documents required or permitted under the terms and provisions of this Agreement shall be in English and in writing, and given by United States registered or certified mail, courier service or facsimile, and any such notice shall be effective when delivered (or, if delivered by facsimile, upon completion of transmission and confirmation by the sender (by a telephone call to a representative of the recipient or by machine confirmation) that such transmission was received) addressed as follows:

Any party, by notice to the other party hereto, may designate additional or different addresses for subsequent notices or communications. Whenever the words "notice" or "notify" or similar words are used herein, they mean the provision of formal notice as set forth in this Section 7.02.

Section 7.03 No Waiver; Remedies. No failure on the part of the Liquidity Provider to exercise, and no delay in exercising, any right under this Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right under this Agreement preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 7.04 Further Assurances. The Borrower agrees to do such further acts and things and to execute and deliver to the Liquidity Provider such additional assignments, agreements, powers and instruments as the Liquidity Provider may reasonably require or deem advisable to carry into effect the purposes of this Agreement and the other Operative Agreements or to better assure and confirm unto the Liquidity Provider its rights, powers and remedies hereunder and under the other Operative Agreements.

Section 7.05 Indemnification; Survival of Certain Provisions. The Liquidity Provider shall be indemnified hereunder to the extent and in the manner described in Section 4.02 of the Participation Agreements. In addition, the Borrower agrees to indemnify, protect, defend and hold harmless each Liquidity Indemnitee from and against all Expenses of any kind or nature whatsoever (other than any Expenses of the nature described in Sections 3.01, 3.03, 3.09 or 7.07

or in the Fee Letter (regardless of whether indemnified against pursuant to said Sections or in such Fee Letter)), that may be imposed on or incurred by such Liquidity Indemnitee, in any way relating to, resulting from, or arising out of or in connection with, any action, suit or proceeding by any third party against such Liquidity Indemnitee and relating to this Agreement, the Fee Letter, the Intercreditor Agreement or any Participation Agreement; provided, however, that the Borrower shall not be required to indemnify, protect, defend and hold harmless any Liquidity Indemnitee in respect of any Expense of such Liquidity Indemnitee to the extent such Expense is (i) attributable to the gross negligence or willful misconduct of such Liquidity Indemnitee or any other Liquidity Indemnitee, (ii) an ordinary and usual operating overhead expense, (iii) attributable to the failure by such Liquidity Indemnitee or any other Liquidity Indemnitee to perform or observe any agreement, covenant or condition on its part to be performed or observed in this Agreement, the Intercreditor Agreement, the Fee Letter or any other Operative Agreement to which it is a party or (iv) otherwise excluded from the indemnification provisions contained in Section 4.02 of the Participation Agreements. The provisions of Sections 3.01, 3.03, 3.09, 7.05 and 7.07 and the indemnities contained in Section 4.02 of the Participation Agreements shall survive the termination of this Agreement.

Section 7.06 Liability of the Liquidity Provider. (a) Neither the Liquidity Provider nor any of its officers, employees or directors shall be liable or responsible for: (i) the use which may be made of the Advances or any acts or omissions of the Borrower or any beneficiary or transferee in connection therewith; (ii) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; or (iii) the making of Advances by the Liquidity Provider against delivery of a Notice of Borrowing and other documents which do not comply with the terms hereof; provided, however, that the Borrower shall have a claim against the Liquidity Provider, and the Liquidity Provider shall be liable to the Borrower, to the extent of any damages suffered by the Borrower that were the result of (A) the Liquidity Provider's willful misconduct or gross negligence in determining whether documents presented hereunder comply with the terms hereof or (B) any breach by the Liquidity Provider of any of the terms of this Agreement or the Intercreditor Agreement, including, but not limited to, the Liquidity Provider's failure to make lawful payment hereunder after the delivery to it by the Borrower of a Notice of Borrowing complying with the terms and conditions hereof. In no event, however, shall the Liquidity Provider be liable on any theory of liability for any special, indirect, consequential or punitive damages (including, without limitation, loss of profits, business or anticipated savings).

(b) Neither the Liquidity Provider nor any of its officers, employees or directors or affiliates shall be liable or responsible in any respect for (i) any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with this Agreement or any Notice of Borrowing delivered hereunder or (ii) any action, inaction or omission which may be taken by it in good faith, absent willful misconduct or gross negligence (in which event the extent of the Liquidity Provider's potential liability to the Borrower shall be limited as set forth in the immediately preceding paragraph), in connection with this Agreement or any Notice of Borrowing.

Section 7.07 Certain Costs and Expenses. The Borrower agrees promptly to pay, or cause to be paid, (a) the reasonable fees, expenses and disbursements of Pillsbury Winthrop Shaw Pittman LLP, special counsel for the Liquidity Provider, in connection with the preparation,

negotiation, execution, delivery, filing and recording of the Operative Agreements, any waiver or consent thereunder or any amendment thereof, (b) if a Liquidity Event of Default occurs, all out-of-pocket expenses incurred by the Liquidity Provider, including reasonable fees and disbursements of counsel, in connection with such Liquidity Event of Default and any collection, bankruptcy, insolvency and other enforcement proceedings in connection therewith and (c) on demand, all reasonable costs and expenses (including reasonable counsel fees and expenses) of the Liquidity Provider in connection with the modification or amendment of, or supplement to, this Agreement or any other Operative Agreement or such other documents which may be delivered in connection herewith or therewith (whether or not the same shall become effective) or any waiver or consent thereunder (whether or not the same shall be effective), unless such costs or expenses arise as a result of the negligence of the Liquidity Provider or any breach by the Liquidity Provider of its obligations under any Operative Agreement. In addition, the Borrower shall pay any and all recording, stamp and other similar taxes and fees payable or determined to be payable in the United States in connection with the execution, delivery, filing and recording of this Agreement, any other Operative Agreement and such other documents, and agrees to save the Liquidity Provider harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such taxes or fees.

Section 7.08 Binding Effect; Participations. (a) This Agreement shall be binding upon and inure to the benefit of the Borrower and the Liquidity Provider and their respective successors and permitted assigns, except that neither the Liquidity Provider (except as otherwise provided in this Section 7.08) nor (except as contemplated by Section 3.08) the Borrower shall have the right to assign, pledge or otherwise transfer its rights or obligations hereunder or any interest herein, subject to the Liquidity Provider's right to grant Participations pursuant to Section 7.08(b) and the Liquidity Provider shall have the right to assign its rights and transfer its obligations hereunder provided any such assignment and transfer is consented to by American in connection with the arranging of a Replacement Liquidity Facility pursuant to Section 3.05(e) of the Intercreditor Agreement.

(b) The Liquidity Provider agrees that it will not grant any participation (including, without limitation, a "risk participation") (any such participation, a "**Participation**") in or to all or a portion of its rights and obligations hereunder or under the other Operative Agreements, unless all of the following conditions are satisfied (and, if all such conditions are satisfied with respect to any Participation, the Liquidity Provider may grant such Participation): (i) such Participation is made in accordance with all applicable laws, including, without limitation, the Securities Act of 1933, as amended, the Trust Indenture Act of 1939, as amended, and any other applicable laws relating to the transfer of similar interests, (ii) such Participation shall not be made under circumstances that require registration under the Securities Act of 1933, as amended, or qualification of any indenture under the Trust Indenture Act of 1939, as amended and (iii) such Participation shall not be made to any Person that is a commercial air carrier, American or any affiliate of American. Notwithstanding any such Participation, the Liquidity Provider agrees that (1) the Liquidity Provider's obligations under the Operative Agreements shall remain unchanged, and such participant shall have no rights or benefits as against American or the Borrower or under any Operative Agreement, (2) the Liquidity Provider shall remain solely responsible to the other parties to the Operative Agreements for the performance of such obligations, (3) the Liquidity Provider shall remain the maker of any Advances, and the other parties to the Operative Agreements shall continue to deal solely and directly with the Liquidity

Provider in connection with the Advances and the Liquidity Provider's rights and obligations under the Operative Agreements, (4) the Liquidity Provider shall be solely responsible for any withholding Taxes or any filing or reporting requirements relating to such Participation and shall hold the Borrower and American and their respective successors, permitted assigns, affiliates, agents and servants harmless against the same and (5) neither American nor the Borrower shall be required to pay to the Liquidity Provider any amount under Section 3.01 or Section 3.03 greater than it would have been required to pay had there not been any grant of a Participation by the Liquidity Provider. The Liquidity Provider may, in connection with any Participation or proposed Participation pursuant to this Section 7.08(b), disclose to the participant or proposed participant any information relating to the Operative Agreements or to the parties thereto furnished to the Liquidity Provider thereunder or in connection therewith and permitted to be disclosed by the Liquidity Provider; provided, however, that prior to any such disclosure, the participant or proposed participant shall agree in writing for the express benefit of the Borrower and American to preserve the confidentiality of any confidential information included therein (subject to customary exceptions). The Borrower acknowledges and agrees that the Liquidity Provider's source of funds may derive in part from its participants. Accordingly, in determining amounts due by the Borrower to the Liquidity Provider pursuant to Section 3.01 and Section 3.03 of this Agreement, references in this Agreement to determinations, reserve, liquidity and capital adequacy requirements, increased costs, reduced receipts, additional amounts due pursuant to Section 3.03 and the like as they pertain to the Liquidity Provider shall be deemed also to include those of each of its participants that are commercial banking institutions and of whose participation the Borrower has been notified, in each case up to the maximum amount that would have been incurred by or attributable to the Liquidity Provider directly had there not been any grant of a Participation by the Liquidity Provider, and references to the Liquidity Provider therein and in related definitions shall be treated as references to such participants where applicable; provided that in any event, neither American nor the Borrower shall be required to pay any amount under Section 3.01 or Section 3.03 greater than it would have been required to pay had there not been any grant of a Participation by the Liquidity Provider. If the Liquidity Provider sells a Participation, it shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in this Agreement.

(c) The Liquidity Provider agrees that, as a condition of any Participation, the participant shall (i) represent to the Liquidity Provider (for the benefit of the Liquidity Provider and the Borrower) that under applicable law and treaties, no taxes will be required to be withheld with respect to any income derived by such participant from the transactions contemplated by the Operative Agreements, (ii) furnish to the Liquidity Provider and the Borrower two properly completed executed originals of United States Internal Revenue Service Form W-8ECI, Form W-8BEN-E or Form W-9, as appropriate, or other applicable form, certificate or document prescribed by the Internal Revenue Service certifying, in each case, such participant's entitlement to a complete exemption from United States federal withholding tax and backup withholding for all income derived by it from the transactions contemplated by the Operative Agreements, (iii) agree (for the benefit of the Liquidity Provider and the Borrower) to provide each of the Liquidity Provider and the Borrower a new Form W-8ECI, Form W-8BEN-E or Form W-9, as appropriate, or other applicable form, certificate or document (A) on or before the date that any such form, certificate or document expires or becomes obsolete or (B) after the occurrence of any event requiring a change in the most recent form, certificate or document

previously delivered by it and prior to the immediately following due date of any payment to be made to the participant pursuant to the Operative Agreements, certifying that such participant is entitled to a complete exemption from or reduction in United States federal withholding tax and backup withholding for all income derived by it from the transactions contemplated by the Operative Agreements or that it is no longer so entitled and (iv) agree (for the benefit of the Liquidity Provider and the Borrower) to provide such other forms or documents as may be reasonably requested by the Borrower or required by applicable law to establish that all income derived by it from the transactions contemplated by the Operative Agreements is exempt from or entitled to a reduced rate of Covered Taxes. The Liquidity Provider shall provide to the Borrower such information as the Borrower may reasonably request about the Liquidity Provider or a participant to satisfy any reporting or other Tax obligations of the Borrower with respect to this Agreement; provided that the Liquidity Provider shall not be required to provide any such information (other than the names of participants, percentage of participation and copies of such participants' withholding tax forms) which is not within its possession or which is confidential.

(d) Notwithstanding the other provisions of this Section 7.08, the Liquidity Provider may assign and pledge all or any portion of the Advances owing to it to any Federal Reserve Bank or the United States Treasury as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any Operating Circular issued by such Federal Reserve Bank; provided that any payment in respect of such assigned Advances made by the Borrower to the Liquidity Provider in accordance with the terms of this Agreement shall satisfy the Borrower's obligations hereunder in respect of such assigned Advance to the extent of such payment. No such assignment shall release the Liquidity Provider from its obligations hereunder.

Section 7.09 Severability. To the extent permitted by applicable law, any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 7.10 Governing Law. THIS AGREEMENT HAS BEEN DELIVERED IN THE STATE OF NEW YORK AND THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE.

Section 7.11 Submission to Jurisdiction; Waiver of Jury Trial; Waiver of Immunity. (a) Each of the parties hereto, to the extent it may do so under applicable law, for purposes hereof hereby (i) irrevocably submits itself to the non-exclusive jurisdiction of the courts of the State of New York sitting in the City of New York and to the non-exclusive jurisdiction of the United States District Court for the Southern District of New York for the purposes of any suit, action or other proceeding arising out of this Agreement, the subject matter hereof or any of the transactions contemplated hereby brought by any party or parties hereto or thereto, or their successors or permitted assigns, (ii) waives, and agrees not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that this Agreement or the subject matter hereof or any of the transactions contemplated hereby

may not be enforced in or by such courts, (iii) agrees that service of process in any such suit, action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to each party hereto at its address set forth in Section 7.02 hereof, or at such other address of which the Liquidity Provider shall have been notified pursuant thereto and (iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law.

(b) THE BORROWER AND THE LIQUIDITY PROVIDER EACH HEREBY AGREE TO WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT AND THE RELATIONSHIP THAT IS BEING ESTABLISHED, including, without limitation, contract claims, tort claims, breach of duty claims and all other common law and statutory claims. The Borrower and the Liquidity Provider each warrant and represent that it has reviewed this waiver with its legal counsel, and that it knowingly and voluntarily waives its jury trial rights following consultation with such legal counsel. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THIS WAIVER IS IRREVOCABLE, AND CANNOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT.

(c) To the extent that the Liquidity Provider or any of its properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, and whether under the United States Foreign Sovereign Immunities Act of 1976 (or any successor legislation) or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon this Agreement, including, without limitation, immunity from suit or service of process, immunity from jurisdiction or judgment of any court or tribunal or execution of a judgment, or immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, the Liquidity Provider hereby irrevocably and expressly waives any such immunity, and agrees not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere.

Section 7.12 Counterparts. This Agreement may be executed in any number of counterparts (and each party shall not be required to execute the same counterpart). Each counterpart of this Agreement including a signature page or pages executed by each of the parties hereto shall be an original counterpart of this Agreement, but all of such counterparts together shall constitute one instrument.

Section 7.13 Entirety. This Agreement and the Intercreditor Agreement constitute the entire agreement of the parties hereto with respect to the subject matter hereof and supersede all prior understandings and agreements of such parties.

Section 7.14 Headings. The headings of the various Articles and Sections herein and in the Table of Contents hereto are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

Section 7.15 Liquidity Provider's Obligation to Make Advances. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, THE OBLIGATIONS OF THE LIQUIDITY PROVIDER TO MAKE ADVANCES HEREUNDER, AND THE BORROWER'S RIGHTS TO DELIVER NOTICES OF BORROWING REQUESTING THE MAKING OF ADVANCES HEREUNDER, SHALL BE ABSOLUTE, UNCONDITIONAL AND IRREVOCABLE, AND SHALL BE PAID OR PERFORMED, IN EACH CASE STRICTLY IN ACCORDANCE WITH THE TERMS OF THIS AGREEMENT.

Section 7.16 Patriot Act. The Liquidity Provider hereby notifies the Borrower that pursuant to the requirements of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 ("USA PATRIOT Act") it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow the Liquidity Provider to identify the Borrower in accordance with such Act.

Section 7.17 No Fiduciary Relationship. The Borrower agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, the Borrower and the persons for which it acts as agent, on the one hand, and the Liquidity Provider, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Liquidity Provider, and no such duty will be deemed to have arisen in connection with any such transactions or communications.

Section 7.18 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in this Agreement or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under this Agreement, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any write-down or conversion powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction, in full or in part, of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first set forth above.

Advance (subject to reinstatement as provided in the next sentence). Upon repayment to the Liquidity Provider in full or in part of the amount of any Interest Advance made pursuant to this Section 2.02(a), together with accrued interest thereon (as provided herein), the Maximum Available Commitment shall be reinstated by an amount equal to the amount of such Interest Advance so repaid, but not to exceed the Maximum Commitment; provided, however, that, subject to Section 2.06(d), the Maximum Available Commitment shall not be so reinstated at any time if (x) both a Performing Note Deficiency exists and a Liquidity Event of Default shall have occurred and be continuing or (y) a Final Advance, a Downgrade Advance, a Non-Extension Advance or a Special Termination Advance shall have occurred.

(b) (i) A Non-Extension Advance shall be made by the Liquidity Provider if this Agreement is not extended in accordance with Section 3.05(d) of the Intercreditor Agreement unless a Replacement Liquidity Facility to replace this Agreement shall have been delivered to the Borrower in accordance with said Section 3.05(d), upon delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of **Annex II**, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be used to fund the Class A Cash Collateral Account in accordance with Sections 3.05(d) and 3.05(f) of the Intercreditor Agreement.

(ii) A Downgrade Advance shall be made by the Liquidity Provider if this Liquidity Facility becomes a Downgraded Facility following the occurrence of a Downgrade Event (as provided for in Section 3.05(c) of the Intercreditor Agreement), unless (i) a Replacement Liquidity Facility to replace this Agreement shall have been previously delivered to the Borrower within thirty-five (35) days after the Downgrade Event (or, if earlier, the Expiry Date) or (ii) the relevant Rating Agency shall have provided confirmation within thirty (35) days (or, if earlier, the expiration date of such Downgraded Facility) after the Downgrade Event that such Downgrade Event will not result in a downgrading, withdrawal or suspension by such Rating Agency of the rating then in effect for the related Class of Certificates, in each case of clause (i) and (ii), in accordance with said Section 3.05(c), by delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of **Annex III**, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be used to fund the Class A Cash Collateral Account in accordance with Sections 3.05(c) and 3.05(f) of the Intercreditor Agreement.

(c) A Final Advance shall be made by the Liquidity Provider following the receipt by the Borrower of a Termination Notice from the Liquidity Provider pursuant to Section 6.01(a) upon delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of **Annex IV**, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be used to fund the Class A Cash Collateral Account (in accordance with Sections 3.05(f) and 3.05(i) of the Intercreditor Agreement).

(d) A Special Termination Advance shall be made in a single Borrowing upon the receipt by the Borrower of a Special Termination Notice from the Liquidity Provider pursuant to Section 6.01(b), by delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of **Annex V**, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be

used to fund the Class A Cash Collateral Account (in accordance with Section 3.05(f) and Section 3.05(k) of the Intercreditor Agreement).

(e) Each Borrowing shall be made by notice in writing (a “**Notice of Borrowing**”) in substantially the form required by Section 2.02(a), 2.02(b), 2.02(c) or 2.02(d), as the case may be, given by the Borrower to the Liquidity Provider. If a Notice of Borrowing is delivered by the Borrower in respect of any Borrowing no later than 10:00 a.m. (New York City time) on a Business Day, upon satisfaction of the conditions precedent set forth in Section 4.02 with respect to such requested Borrowing, the Liquidity Provider shall make available to the Borrower, in accordance with its payment instructions, the amount of such Borrowing in Dollars and immediately available funds, before 4:00 p.m. (New York City time) on such Business Day or before 10:00 a.m. (New York City time) on such later Business Day specified in such Notice of Borrowing. If a Notice of Borrowing is delivered by the Borrower in respect of any Borrowing after 10:00 a.m. (New York City time) on a Business Day, upon satisfaction of the conditions precedent set forth in Section 4.02 with respect to such requested Borrowing, the Liquidity Provider shall make available to the Borrower, in accordance with its payment instructions, the amount of such Borrowing in Dollars and immediately available funds, before 1:00 p.m. (New York City time) on the first Business Day next following the day of receipt of such Notice of Borrowing or on such later Business Day specified by the Borrower in such Notice of Borrowing. Payments of proceeds of a Borrowing shall be made by wire transfer of immediately available funds to the Borrower in accordance with such wire transfer instructions as the Borrower shall furnish from time to time to the Liquidity Provider for such purpose. Each Notice of Borrowing shall be irrevocable and binding on the Borrower. Each Notice of Borrowing shall be effective upon delivery of a copy thereof to the Liquidity Provider at the address and in the manner specified in Section 7.02 hereof.

(f) Upon the making of any Advance requested pursuant to a Notice of Borrowing in accordance with the Borrower’s payment instructions, the Liquidity Provider shall be fully discharged of its obligation hereunder with respect to such Notice of Borrowing, and the Liquidity Provider shall not thereafter be obligated to make any further Advances hereunder in respect of such Notice of Borrowing to the Borrower or to any other Person (including the Class A Trustee or any Class A Certificateholder). If the Liquidity Provider makes an Advance requested pursuant to a Notice of Borrowing before 10:00 a.m. (New York City time) on the second Business Day after the date of payment specified in Section 2.02(e), the Liquidity Provider shall have fully discharged its obligations hereunder with respect to such Advance and an event of default shall not have occurred hereunder. Following the making of any Advance pursuant to Section 2.02(b), 2.02(c) or 2.02(d) to fund the Class A Cash Collateral Account, the Liquidity Provider shall have no interest in or rights to the Class A Cash Collateral Account, such Advance or any other amounts from time to time on deposit in the Class A Cash Collateral Account; provided that the foregoing shall not affect or impair the obligations of the Subordination Agent to make the distributions contemplated by Section 3.05(e) or 3.05(f) of the Intercreditor Agreement, and provided, further, that the foregoing shall not affect or impair the rights of the Liquidity Provider to provide written instructions with respect to the investment and reinvestment of amounts in the Class A Cash Collateral Account to the extent provided in Section 2.02(b) of the Intercreditor Agreement. By paying to the Borrower proceeds of Advances requested by the Borrower in accordance with the provisions of this Agreement, the

Liquidity Provider makes no representation as to, and assumes no responsibility for, the correctness or sufficiency for any purpose of the amount of the Advances so made and requested.

Section 2.03 Fees. The Borrower agrees to pay to the Liquidity Provider the fees set forth in the Fee Letter.

Section 2.04 Reduction or Termination of the Maximum Commitment. (a) Automatic Reduction. Promptly following each date on which the Required Amount is reduced as a result of a reduction in the Pool Balance of the Class A Certificates or otherwise, the Maximum Commitment shall automatically be reduced to an amount equal to such reduced Required Amount (as calculated by the Borrower). The Borrower shall give notice of any such automatic reduction of the Maximum Commitment to the Liquidity Provider and American within two Business Days thereof. The failure by the Borrower to furnish any such notice shall not affect any such automatic reduction of the Maximum Commitment.

(b) Termination. Upon the making of any Provider Advance, Special Termination Advance or Final Advance hereunder or the occurrence of the Termination Date, the obligation of the Liquidity Provider to make further Advances hereunder shall automatically and irrevocably terminate, and the Borrower shall not be entitled to request any further Borrowing hereunder, except in the case of a Downgrade Advance, as provided in Section 2.06(d).

Section 2.05 Repayments of Interest Advances, the Special Termination Advance or the Final Advance. Subject to Sections 2.06, 2.07 and 2.09 hereof, the Borrower hereby agrees, without notice of an Advance or demand for repayment from the Liquidity Provider (which notice and demand are hereby waived by the Borrower), to pay, or to cause to be paid, to the Liquidity Provider (a) on each date on which the Liquidity Provider shall make an Interest Advance, the Special Termination Advance or the Final Advance, an amount equal to the amount of such Advance (any such Advance, until repaid, is referred to herein as an "**Unpaid Advance**") (if multiple Interest Advances are outstanding any such repayment to be applied in the order in which such Interest Advances have been made, starting with the earliest), plus (b) interest on the amount of each such Unpaid Advance in the amounts and on the dates determined as provided in Section 3.07; provided that if (i) the Liquidity Provider shall make a Provider Advance at any time after making one or more Interest Advances which shall not have been repaid in accordance with this Section 2.05 or (ii) this Liquidity Facility shall become a Downgraded Facility or Non-Extended Facility at any time when unreimbursed Interest Advances have reduced the Maximum Available Commitment to zero, then such Interest Advances shall cease to constitute Unpaid Advances and shall be deemed to have been changed into an Applied Downgrade Advance or an Applied Non-Extension Advance, as the case may be, for all purposes of this Agreement (including, without limitation, for the purpose of determining when such Interest Advance is required to be repaid to the Liquidity Provider in accordance with Section 2.06 and for the purposes of Section 2.06(b)); provided, further, that amounts in respect of a Special Termination Advance withdrawn from the Class A Cash Collateral Account for the purpose of paying interest on the Class A Certificates in accordance with Section 3.05(f) of the Intercreditor Agreement (the portion of the outstanding Special Termination Advance equal to the amount of any such withdrawal, but not in excess of the outstanding Special Termination Advance, being an "**Applied Special Termination Advance**") shall thereafter (subject to Section 2.06(b)) be treated as an Interest Advance under this Agreement for purposes of determining the Applicable

Liquidity Rate for interest payable thereon; provided, further, that if, following the making of a Special Termination Advance, the Liquidity Provider delivers a Termination Notice to the Borrower pursuant to Section 6.01(a), such Special Termination Advance (including any portion thereof that is an Applied Special Termination Advance) shall thereafter be treated as a Final Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon; and, provided, further, that if, after making a Provider Advance, the Liquidity Provider delivers a Special Termination Notice to the Borrower pursuant to Section 6.01(b), any Unapplied Provider Advance shall be converted to and treated as a Special Termination Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon and the obligation for repayment thereof under the Intercreditor Agreement. The Borrower and the Liquidity Provider agree that the repayment in full of each Interest Advance, Special Termination Advance and Final Advance on the date such Advance is made is intended to be a contemporaneous exchange for new value given to the Borrower by the Liquidity Provider. For the avoidance of doubt, interest payable on an Interest Advance, Special Termination Advance or the Final Advance shall not be regarded as overdue unless such interest is not paid when due under Section 3.07.

Section 2.06 Repayments of Provider Advances. (a) Amounts advanced hereunder in respect of a Provider Advance shall be deposited in the Class A Cash Collateral Account and invested and withdrawn from the Class A Cash Collateral Account as set forth in Sections 3.05(c), 3.05(d), 3.05(e) and 3.05(f) of the Intercreditor Agreement. Subject to Sections 2.07 and 2.09, the Borrower agrees to pay to the Liquidity Provider, on each Regular Distribution Date, commencing on the first Regular Distribution Date after the making of a Provider Advance, interest on the principal amount of any such Provider Advance, in the amounts determined as provided in Section 3.07; provided, however, that amounts in respect of a Provider Advance withdrawn from the Class A Cash Collateral Account for the purpose of paying interest on the Class A Certificates in accordance with Section 3.05(f) of the Intercreditor Agreement (the amount of any such withdrawal being (y), in the case of a Downgrade Advance, an “**Applied Downgrade Advance**” and (z) in the case of a Non-Extension Advance, an “**Applied Non-Extension Advance**” and together with an Applied Downgrade Advance, an “**Applied Provider Advance**”) shall thereafter (subject to Section 2.06(b)) be treated as an Interest Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon; provided, further, however, that if, following the making of a Provider Advance, the Liquidity Provider delivers a Termination Notice to the Borrower pursuant to Section 6.01(a), such Provider Advance shall thereafter be treated as a Final Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon. Subject to Sections 2.07 and 2.09, immediately upon the withdrawal of any amounts from the Class A Cash Collateral Account on account of a reduction in the Required Amount, the Borrower shall repay to the Liquidity Provider a portion of the Provider Advances in a principal amount equal to such reduction, plus interest on the principal amount so repaid as provided in Section 3.07.

(b) At any time when an Applied Provider Advance or Applied Special Termination Advance (or any portion thereof) is outstanding, upon the deposit in the Class A Cash Collateral Account of any amount pursuant to clause “fourth” of Section 3.02 of the Intercreditor Agreement (any such amount being a “**Replenishment Amount**”) for the purpose of replenishing or increasing the balance thereof up to the Required Amount at such time, (i) the aggregate outstanding principal amount of all Applied Provider Advances and Applied Special

Termination Advances (and of Provider Advances and Special Termination Advances treated as Interest Advances for purposes of determining the Applicable Liquidity Rate for interest payable thereon) shall be automatically reduced by the amount of such Replenishment Amount, and (ii) the aggregate outstanding principal amount of all Unapplied Provider Advances shall be automatically increased by the amount of such Replenishment Amount.

(c) Upon the provision of a Replacement Liquidity Facility in replacement of this Agreement in accordance with Section 3.05(e) of the Intercreditor Agreement, as provided in Section 3.05(f) of the Intercreditor Agreement, amounts remaining on deposit in the Class A Cash Collateral Account after giving effect to any Applied Provider Advance on the date of such replacement shall be reimbursed to the Liquidity Provider, but only to the extent such amounts are necessary to repay in full to the Liquidity Provider all amounts owing to it hereunder.

(d) If at any time after making a Downgrade Advance, the Liquidity Provider satisfies the Threshold Rating and delivers a written notice to that effect to the Borrower and American, as of the second Business Day following receipt of such notice, (i) any Unapplied Downgrade Advance shall be withdrawn from the Class A Cash Collateral Account and reimbursed to the Liquidity Provider and (ii) any Applied Downgrade Advance shall be converted to an Interest Advance, the Maximum Commitment shall be reinstated by an amount equal to the amount of such Unapplied Downgrade Advance so reimbursed, but not to exceed the Maximum Commitment and the obligation of the Liquidity Provider to make Advances shall be reinstated in an equal amount, and the proviso in the definition of Maximum Available Commitment shall no longer apply to such Downgrade Advance.

Section 2.07 Payments to the Liquidity Provider Under the Intercreditor Agreement. In order to provide for payment or repayment to the Liquidity Provider of any amounts hereunder, the Intercreditor Agreement provides that amounts available and referred to in Articles II and III of the Intercreditor Agreement, to the extent payable to the Liquidity Provider pursuant to the terms of the Intercreditor Agreement (including, without limitation, Section 3.05(f) of the Intercreditor Agreement), shall be paid to the Liquidity Provider in accordance with the terms thereof (but, for the avoidance of doubt, without duplication of or increase in any amounts payable hereunder). Amounts so paid to the Liquidity Provider shall be applied by the Liquidity Provider in the order of priority required by the applicable provisions of Articles II and III of the Intercreditor Agreement (or, if not provided for in the Intercreditor Agreement, then in such manner as the Liquidity Provider shall deem appropriate) and shall discharge in full the corresponding obligations of the Borrower hereunder.

Section 2.08 Book Entries. The Liquidity Provider shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower resulting from Advances made from time to time and the amounts of principal and interest payable hereunder and paid from time to time in respect thereof; provided, however, that the failure by the Liquidity Provider to maintain such account or accounts shall not affect the obligations of the Borrower in respect of Advances.

Section 2.09 Payments from Available Funds Only. All payments to be made by the Borrower under this Agreement shall be made only from the amounts that constitute Scheduled Payments, Special Payments and other payments under the Operative Agreements, including

payment under Section 4.02 of the Participation Agreements and payments under Section 2.14 of the Indentures, and only to the extent that the Borrower shall have sufficient income or proceeds therefrom to enable the Borrower to make payments in accordance with the terms hereof after giving effect to the priority of payments provisions set forth in the Intercreditor Agreement. The Liquidity Provider agrees that it will look solely to such amounts to the extent available for distribution to it as provided in the Intercreditor Agreement and this Agreement and that the Borrower, in its individual capacity, is not personally liable to it for any amounts payable or liability under this Agreement except as expressly provided in this Agreement, the Intercreditor Agreement or any Participation Agreement. Amounts on deposit in the Class A Cash Collateral Account shall be available to the Borrower to make payments under this Agreement only to the extent and for the purposes expressly contemplated in Section 3.05(f) of the Intercreditor Agreement.

Section 2.10 Extension of the Expiry Date; Non-Extension Advance. If the Liquidity Provider notifies the Borrower in writing before the 25th day prior to an anniversary date of the Closing Date that is prior to the 15th day after the Final Legal Distribution Date for the Class A Certificates (such notification, a “**Non-Extension Notice**”; the date of such notification, the “**Notice Date**”) that its obligation to make Advances hereunder shall not be extended beyond the immediately following anniversary date of the Closing Date (and if the Liquidity Provider shall not have been replaced in accordance with Section 3.05(e) of the Intercreditor Agreement), the Borrower shall be entitled on and after the Notice Date (but prior to such anniversary date) to request a Non-Extension Advance in accordance with Section 2.02(b)(i) hereof and Section 3.05(d) of the Intercreditor Agreement.

ARTICLE III

OBLIGATIONS OF THE BORROWER

Section 3.01 Increased Costs. Without duplication of any rights created by Section 3.03, if as a result of any Regulatory Change there shall be any increase by an amount reasonably deemed by the Liquidity Provider to be material in the actual cost to the Liquidity Provider of making, funding or maintaining any Advances or its obligation to make any such Advances or there shall be any reduction by an amount reasonably deemed by the Liquidity Provider to be material in the amount receivable by the Liquidity Provider under this Agreement or the Intercreditor Agreement in respect thereof, and in case of either such an increase or reduction, such event does not arise from the gross negligence or willful misconduct of the Liquidity Provider, from its breach of any of its representations, warranties, covenants or agreements contained herein or in the Intercreditor Agreement or from its failure to comply with any such Regulatory Change (any such increase or reduction being referred to herein as an “**Increased Cost**”), then, subject to Sections 2.07 and 2.09, the Borrower shall from time to time pay to the Liquidity Provider an amount equal to such Increased Cost within 10 Business Days after delivery to the Borrower and American of a certificate of an officer of the Liquidity Provider describing in reasonable detail the event by reason of which it claims such Increased Cost and the basis for the determination of the amount of such Increased Cost; provided that the Borrower shall be obligated to pay amounts only with respect to any Increased Costs accruing from the date 120 days prior to the date of delivery of such certificate. Such certificate, in the absence of manifest error, shall be considered prima facie evidence of the amount of the Increased Costs for

purposes of this Agreement; provided that any determinations and allocations by the Liquidity Provider of the effect of any Regulatory Change on the costs of maintaining the Advances or the obligation to make Advances are made on a reasonable basis. For the avoidance of doubt, the Liquidity Provider shall not be entitled to assert any claim under this Section 3.01 in respect of or attributable to Excluded Taxes. The Liquidity Provider will notify the Borrower and American as promptly as practicable of any event occurring after the date of this Agreement that will entitle the Liquidity Provider to compensation under this Section 3.01. The Liquidity Provider agrees to investigate all commercially reasonable alternatives for reducing any Increased Costs and to use all commercially reasonable efforts to avoid or minimize, to the greatest extent possible, any claim in respect of Increased Costs, including, without limitation, by designating a different Lending Office, if such designation or other action would avoid the need for, or reduce the amount of, any such claim; provided that the foregoing shall not obligate the Liquidity Provider to take any action that would, in its reasonable judgment, cause the Liquidity Provider to take any action that is not materially consistent with its internal policies or is otherwise materially disadvantageous to the Liquidity Provider or that would cause the Liquidity Provider to incur any material loss or cost, unless the Borrower or American agrees to reimburse or indemnify the Liquidity Provider therefor. If no such designation or other action is effected, or, if effected, such notice fails to avoid the need for any claim in respect of Increased Costs, American may arrange for a Replacement Liquidity Facility in accordance with Section 3.05(e) of the Intercreditor Agreement.

Notwithstanding the foregoing provisions, in no event shall the Borrower be required to make payments under this Section 3.01: (a) in respect of any Regulatory Change proposed by any applicable governmental authority (including any branch of a legislature), central bank or comparable agency of the United States or the Liquidity Provider's jurisdiction of organization or in which its Lending Office is located and pending as of the date of this Agreement (it being agreed that the Regulatory Changes contemplated by (i) all requests, rules, guidelines or directives promulgated or issued by the Basel Committee on Banking Supervision (or any successor or similar authority) including, but not limited to the Consultative Documents entitled "Strengthening the resilience of the banking sector" and "International framework for liquidity risk measurement, standards and monitoring," each dated December 2009 or the United States regulatory authorities, in each case pursuant to Basel III and (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith, shall not be considered to have been proposed or pending as of the date of this Agreement); (b) if a claim hereunder in respect of an Increased Cost arises through circumstances peculiar to the Liquidity Provider and that do not affect similarly organized commercial banking institutions in the same jurisdiction generally that are in compliance with the law, rule, regulation or interpretation giving rise to the Regulatory Change relating to such Increased Cost; (c) if the Liquidity Provider shall fail to comply with its obligations under this Section 3.01 or (d) if the Liquidity Provider is not also seeking payment for similar increased costs in other similarly situated transactions related to the airline industry.

Section 3.02 Intentionally omitted.

Section 3.03 Withholding Taxes. (a) All payments made by the Borrower under this Agreement shall be made without deduction or withholding for or on account of any Taxes, unless such deduction or withholding is required by law. If any Taxes are so required to be

withheld or deducted from any amounts payable to the Liquidity Provider under this Agreement, then, subject to Sections 2.07 and 2.09, the Borrower shall (i) deduct or withhold and shall pay to the relevant authorities the full amount so required to be deducted or withheld, (ii) without duplication of any rights created by Section 3.01, if such Taxes are Covered Taxes, pay to the Liquidity Provider such additional amounts as shall be necessary to ensure that the net amount actually received by the Liquidity Provider (after deduction or withholding of all Covered Taxes) shall be equal to the full amount that would have been received by the Liquidity Provider had no withholding or deduction of Covered Taxes been required and (iii) within 30 days after the date of a payment to the relevant authorities furnish to the Liquidity Provider the original or a certified copy of (or other reasonable evidence of) the payment of the Taxes applicable to such payment. The Borrower agrees to indemnify the Liquidity Provider, within 10 Business Days of demand therefor the full amount of Covered Taxes paid or payable by the Liquidity Provider in respect of payments by the Borrower under this Agreement and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto. If the Borrower provides a written request (which shall be considered prior written consent under subsection (vi) of the definition of Covered Taxes), the Liquidity Provider agrees to use commercially reasonable efforts (consistent with applicable legal and regulatory restrictions) to change the jurisdiction of its Lending Office if making such change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the reasonable judgment of the Liquidity Provider, be otherwise materially disadvantageous to the Liquidity Provider. If the Liquidity Provider receives a refund of, or realizes a net Tax benefit not otherwise available to it as a result of, any Taxes for which additional amounts were paid by the Borrower pursuant to this Section 3.03, the Liquidity Provider shall pay to the Borrower (for deposit into the Collection Account) the amount of such refund (and any interest thereon), net of any related out-of-pocket expenses, or net benefit. The Borrower, upon the request of the Liquidity Provider, shall repay to the Liquidity Provider the amount paid over pursuant to this paragraph (a) (plus any penalties, interest or other charges imposed by the relevant governmental or taxing authority) in the event that the Liquidity Provider is required to repay such refund to such governmental or taxing authority. Notwithstanding anything to the contrary in this paragraph (a), in no event will the Liquidity Provider be required to pay any amount to the Borrower pursuant to this paragraph (a) the payment of which would place the Liquidity Provider in a less favorable net after-Tax position than the Liquidity Provider would have been in if the Tax subject to indemnification and giving rise to such refund or net Tax benefit had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph (a) shall not be construed to require the Liquidity Provider to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Borrower or any other Person.

The Liquidity Provider will (i) provide (on its behalf and on behalf of any participant holding a Participation pursuant to Section 7.08) to the Borrower (x) on or prior to the Effective Date two valid completed and executed originals of Internal Revenue Service Form W-9, W-8BEN-E or W-8ECI (whichever is applicable), including thereon a valid U.S. taxpayer identification number (or, with respect to any such participant, such other form or documentation as may be applicable) covering all amounts receivable by it in connection with the transactions contemplated by the Operative Agreements and (y) thereafter from time to time such additional forms or documentation as may be necessary to establish an available exemption from withholding of United States Tax on payments hereunder so that such forms or documentation

are effective for all periods during which it is the Liquidity Provider and (ii) provide timely notice to the Borrower if any such form or documentation is or becomes inaccurate. The Liquidity Provider shall deliver to the Borrower such other forms or documents as may be reasonably requested by the Borrower or required by applicable law to establish that payments hereunder are exempt from or entitled to a reduced rate of Covered Taxes.

If a payment made to the Liquidity Provider or Borrower hereunder would be subject to U.S. federal withholding Tax imposed by FATCA if the Borrower or Liquidity Provider, as applicable, were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the U.S. Internal Revenue Code, as applicable), it shall deliver to the Borrower or the Liquidity Provider, as applicable, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or Liquidity Provider, as applicable, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the U.S. Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or Liquidity Provider, as applicable, as may be necessary for the Borrower or Liquidity Provider, as applicable, to comply with its obligations under FATCA and to determine that the Liquidity Provider or Borrower has complied with the Liquidity Provider's or Borrower's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(b) All payments (including, without limitation, Advances) made by the Liquidity Provider under this Agreement shall be made free and clear of, and without reduction for or on account of, any Taxes. If any Taxes are required to be withheld or deducted from any amounts payable to the Borrower under this Agreement, the Liquidity Provider shall (i) within the time prescribed therefor by applicable law pay to the appropriate governmental or taxing authority the full amount of any such Taxes (and any additional Taxes in respect of the additional amounts payable under clause (ii) hereof) and make such reports or returns in connection therewith at the time or times and in the manner prescribed by applicable law, and (ii) pay to the Borrower an additional amount which (after deduction of all such Taxes) will be sufficient to yield to the Borrower the full amount which would have been received by it had no such withholding or deduction been made. Within 30 days after the date of each payment hereunder, the Liquidity Provider shall furnish to the Borrower the original or a certified copy of (or other documentary evidence of) the payment of the Taxes applicable to such payment.

On or before the Closing Date, the Borrower shall provide the Liquidity Provider with its fully executed Internal Revenue Service Form W-9, showing a complete exemption from U.S. federal withholding tax and backup withholding. If any other exemption from, or reduction in the rate of, any Taxes required to be borne by the Liquidity Provider under this Section 3.03(b) is reasonably available to the Borrower without providing any information regarding the holders or beneficial owners of the Certificates, the Borrower shall deliver the Liquidity Provider such form or forms and such other evidence of the eligibility of the Borrower for such exemption or reductions (but without any requirement to provide any information regarding the holders or beneficial owners of the Certificates) as the Liquidity Provider may reasonably identify to the Borrower as being required as a condition to exemption from, or reduction in the rate of, such Taxes.

Section 3.04 Payments. Subject to Sections 2.07 and 2.09, the Borrower shall make or cause to be made each payment to the Liquidity Provider under this Agreement so as to cause the same to be received by the Liquidity Provider not later than 12:00 p.m. (New York City time) on the day when due. The Borrower shall make all such payments in Dollars, to the Liquidity Provider in immediately available funds, by wire transfer to the account set forth below or such other U.S. bank account as the Liquidity Provider may from time to time direct the Subordination Agent:

Section 3.05 Computations. All computations of interest based on the Base Rate shall be made on the basis of a year of 365 or 366 days, as the case may be, and all computations of interest based on the LIBOR Rate shall be made on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable.

Section 3.06 Payment on Non-Business Days. Whenever any payment to be made hereunder shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and no additional interest shall be due as a result (and if so made, shall be deemed to have been made when due). If any payment in respect of interest on an Advance is so deferred to the next succeeding Business Day, such deferral shall not delay the commencement of the next Interest Period for such Advance (if such Advance is a LIBOR Advance) or reduce the number of days for which interest will be payable on such Advance on the next Interest Payment Date for such Advance.

Section 3.07 Interest. (a) Subject to Sections 2.07 and 2.09, the Borrower shall pay, or shall cause to be paid, without duplication, interest on (i) the unpaid principal amount of each Advance from and including the date of such Advance (or, in the case of an Applied Provider Advance or Applied Special Termination Advance, from and including the date on which the amount thereof was withdrawn from the Class A Cash Collateral Account to pay interest on the Class A Certificates) to but excluding the date such principal amount shall be paid in full (or, in the case of an Applied Provider Advance or Applied Special Termination Advance, the date on which the Class A Cash Collateral Account is fully replenished in respect of such Advance) and (ii), to the extent permitted by law, any other amount due hereunder (whether fees, commissions, expenses or other amounts or installments of interest on Advances or any such other amount) that is not paid when due (whether at stated maturity, by acceleration or otherwise) from and including the due date thereof to but excluding the date such amount is paid in full, in each such case, at the interest rate per annum for each day that such amount remains overdue and unpaid equal to the Applicable Liquidity Rate for such Advance or such other amount, as the case may be, as in effect for such day, but in no event in any case referred to in clause (i) or (ii) above at a rate per annum greater than the maximum rate permitted by applicable law; provided, however, that, if at any time the otherwise applicable interest rate as set forth in this Section 3.07 shall

exceed the maximum rate permitted by applicable law, then to the maximum extent permitted by applicable law any subsequent reduction in such interest rate will not reduce the rate of interest payable pursuant to this Section 3.07 below the maximum rate permitted by applicable law until the total amount of interest accrued equals the absolute amount of interest that would have accrued (without additional interest thereon) if such otherwise applicable interest rate as set forth in this Section 3.07 had at all relevant times been in effect.

(b) Each Advance will be either a Base Rate Advance or a LIBOR Advance as provided in this Section 3.07. Each such Advance will be a Base Rate Advance for the period from the date of its borrowing to (but excluding) the third Business Day following the Liquidity Provider's receipt of the Notice of Borrowing for such Advance. Thereafter, such Advance shall be a LIBOR Advance; provided that a Provider Advance shall always be a LIBOR Advance.

(c) Each LIBOR Advance shall bear interest during each Interest Period at a rate per annum equal to the LIBOR Rate for such Interest Period plus the Applicable Margin for such LIBOR Advance, payable in arrears on the last day of such Interest Period and, in the event of the payment of principal of such LIBOR Advance on a day other than such last day, on the date of such payment (to the extent of interest accrued on the amount of principal repaid).

(d) Each Base Rate Advance shall bear interest at a rate per annum equal to the Base Rate plus the Applicable Margin for such Base Rate Advance, payable in arrears on each Regular Distribution Date and, in the event of the payment of principal of such Base Rate Advance on a day other than a Regular Distribution Date, on the date of such payment (to the extent of interest accrued on the amount of principal repaid).

(e) Intentionally omitted.

(f) Each amount not paid when due hereunder (whether fees, commissions, expenses or other amounts or installments of interest on Advances but excluding Advances) shall bear interest, to the extent permitted by applicable law, at a rate per annum equal to the Base Rate plus 2.0% per annum until paid.

(g) If at any time, the Liquidity Provider shall have determined (which determination shall be conclusive and binding upon the Borrower, absent manifest error) that, by reason of circumstances affecting the relevant interbank lending market generally, the LIBOR Rate determined or to be determined for such Interest Period will not adequately and fairly reflect the cost to the Liquidity Provider (as conclusively certified by the Liquidity Provider, absent manifest error) of making or maintaining Advances, the Liquidity Provider shall give facsimile or telephonic notice thereof (a "**Rate Determination Notice**") to the Borrower. If such notice is given, then the outstanding principal amount of the LIBOR Advances shall be converted to Base Rate Advances effective from the date of the Rate Determination Notice; provided that the Applicable Liquidity Rate in respect of such Base Rate Advances shall be increased by one percent (1.00%). The Liquidity Provider shall withdraw a Rate Determination Notice given hereunder when the Liquidity Provider determines that the circumstances giving rise to such Rate Determination Notice no longer apply to the Liquidity Provider, and the Base Rate Advances shall be converted to LIBOR Advances effective as of the first day of the next succeeding Interest Period after the date of such withdrawal. Each change in the Base Rate shall

become effective immediately. The rates of interest specified in this Section 3.07 with respect to any Advance or other amount shall be referred to as the “**Applicable Liquidity Rate**”.

Section 3.08 **Replacement of Borrower**. Subject to Section 5.02, from time to time and subject to the successor Borrower’s meeting the eligibility requirements set forth in Section 6.09 of the Intercreditor Agreement applicable to the Subordination Agent, upon the effective date and time specified in a written and completed Notice of Replacement Subordination Agent in substantially the form of **Annex VIII** (a “**Notice of Replacement Subordination Agent**”) delivered to the Liquidity Provider by the then Borrower, the successor Borrower designated therein shall become the Borrower for all purposes hereunder.

Section 3.09 **Funding Loss Indemnification**. The Borrower shall pay to the Liquidity Provider, upon the request of the Liquidity Provider, such amount or amounts as shall be sufficient (in the reasonable opinion of the Liquidity Provider) to compensate it for any loss, cost or expense incurred by reason of the liquidation or redeployment of deposits or other funds acquired by the Liquidity Provider to fund or maintain any LIBOR Advance (but excluding loss of the Applicable Margin or anticipated profits) incurred as a result of:

- (1) Any repayment of a LIBOR Advance on a date other than the last day of the Interest Period for such Advance; or
- (2) Any failure by the Borrower to borrow a LIBOR Advance on the date for borrowing specified in the relevant notice under Section 2.02.

Section 3.10 **Illegality**. Notwithstanding any other provision in this Agreement, if any change in any law, rule or regulation applicable to or binding on the Liquidity Provider, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by the Liquidity Provider with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for the Liquidity Provider to maintain or fund its LIBOR Advances, then upon notice to the Borrower and American by the Liquidity Provider, the outstanding principal amount of the LIBOR Advances shall be converted to Base Rate Advances (a) immediately upon demand of the Liquidity Provider, if such change or compliance with such request, in the reasonable judgment of the Liquidity Provider, requires immediate conversion; or (b) at the expiration of the last Interest Period to expire before the effective date of any such change or request. The Liquidity Provider will notify the Borrower and American as promptly as practicable of any event that will or to its knowledge is reasonably likely to lead to the conversion of LIBOR Advances to Base Rate Advances under this Section 3.10; provided that a failure by the Liquidity Provider to notify the Borrower or American of an event that is reasonably likely to lead to such a conversion prior to the time that it is determined that such event will lead to such a conversion shall not prejudice the rights of the Liquidity Provider under this Section 3.10. The Liquidity Provider agrees to investigate all commercially reasonable alternatives for avoiding the need for such conversion including, without limitation, designating a different Lending Office, if such designation or other action would avoid the need to convert such LIBOR Advances to Base Rate Advances; provided that the foregoing shall not obligate the Liquidity Provider to take any action that would, in its reasonable judgment, cause the Liquidity Provider to incur any material loss or

cost, unless the Borrower or American agrees to reimburse or indemnify the Liquidity Provider therefor. If no such designation or other action is effected, or, if effected, fails to avoid the need for conversion of the LIBOR Advances to Base Rate Advances, American may arrange for a Replacement Liquidity Facility in accordance with Section 3.05(e) of the Intercreditor Agreement.

ARTICLE IV

CONDITIONS PRECEDENT

Section 4.01 Conditions Precedent to Effectiveness of Section 2.01. Section 2.01 of this Agreement shall become effective on and as of the first date (the “*Effective Date*”) on which the following conditions precedent have been satisfied (or waived by the appropriate party or parties):

(vi) An executed copy of each document, instrument, certificate and opinion delivered on or before the Closing Date pursuant to the Class A Trust Agreement, the Intercreditor Agreement and the other Operative Agreements (in the case of each such opinion, either addressed to the Liquidity Provider or accompanied by a letter from the counsel rendering such opinion to the effect that the Liquidity Provider is entitled to rely on such opinion as of its date as if it were addressed to the Liquidity Provider);

(vii) An agreement from American, pursuant to which (x) American agrees to provide copies of quarterly financial statements and audited annual financial statements to the Liquidity Provider (which American may provide in an electronic format by electronic mail or making such available over the internet) and (y) American agrees to allow the Liquidity Provider to discuss the transactions contemplated by the Operative Agreements with officers and employees of American; and

(b) On and as of the Effective Date no event shall have occurred and be continuing, or would result from the entering into of this Agreement or the making of any Advance, which constitutes a Liquidity Event of Default.

(c) The Liquidity Provider shall have received payment in full of the fees and other sums required to be paid to or for the account of the Liquidity Provider on or prior to the Effective Date pursuant to the Fee Letter.

(d) All conditions precedent to the issuance of the Certificates under the Trust Agreements shall have been satisfied or waived, all conditions precedent to the effectiveness of the other Liquidity Facilities, if any, shall have been satisfied or waived, and all conditions precedent to the purchase of the Class A Certificates by the Underwriters under the Underwriting Agreement shall have been satisfied (unless any of such conditions precedent under the Underwriting Agreement shall have been waived by the Underwriters).

(e) The Borrower and American shall have received a certificate, dated the Effective Date signed by a duly authorized representative of the Liquidity Provider, certifying that all conditions precedent specified in this Section 4.01 have been satisfied or waived by the Liquidity Provider.

Section 4.02 Conditions Precedent to Borrowing. The obligation of the Liquidity Provider to make an Advance on the occasion of each Borrowing shall be subject to the conditions precedent that the Effective Date shall have occurred and, prior to the time of such Borrowing, the Borrower shall have delivered a Notice of Borrowing which conforms to the terms and conditions of this Agreement.

Section 4.03 Representations and Warranties. The representations and warranties of the Borrower as Subordination Agent in Sections 5.01(a), (b), (c), (d) and (i) of the Participation Agreements shall be deemed to be incorporated into this Agreement as if set out in full herein and as if such representations and warranties were made by the Borrower to the Liquidity Provider.

ARTICLE V

COVENANTS

Section 5.01 Affirmative Covenants of the Borrower. So long as any Advance shall remain unpaid or the Liquidity Provider shall have any Maximum Available Commitment hereunder or the Borrower shall have any obligation to pay any amount to the Liquidity Provider hereunder, the Borrower will, unless the Liquidity Provider shall otherwise consent in writing:

(a) Performance of Agreements. Subject to Sections 2.07 and 2.09, punctually pay or cause to be paid all amounts payable by it under this Agreement and the Intercreditor Agreement and observe and perform in all material respects the conditions, covenants and requirements applicable to it contained in this Agreement and the Intercreditor Agreement;

(b) Reporting Requirements. Furnish to the Liquidity Provider with reasonable promptness, such other information and data with respect to the transactions contemplated by the Operative Agreements as from time to time may be reasonably requested by the Liquidity Provider; and permit the Liquidity Provider, upon reasonable notice, to inspect the Borrower's books and records with respect to such transactions and to meet with officers and employees of the Borrower to discuss such transactions. The Borrower shall also provide to the Liquidity Provider, without the need for any request thereof, copies of all documents and reports provided to the Certificateholders under the Operative Agreements; and

(c) Certain Operative Agreements. Furnish to the Liquidity Provider, with reasonable promptness, copies of such Operative Agreements entered into after the date hereof as from time to time may be reasonably requested by the Liquidity Provider.

Section 5.02 Negative Covenants of the Borrower. Subject to the first and fourth paragraphs of Section 7.01(a) of the Intercreditor Agreement and Section 7.01(b) of the Intercreditor Agreement, so long as any Advance shall remain unpaid or the Liquidity Provider shall have any Maximum Available Commitment hereunder or the Borrower shall have any obligation to pay any amount to the Liquidity Provider hereunder, the Borrower will not appoint or permit or suffer to be appointed any successor Borrower without the prior written consent of the Liquidity Provider, which consent shall not be unreasonably withheld or delayed.

ARTICLE VI

LIQUIDITY EVENTS OF DEFAULT AND SPECIAL TERMINATION

Section 6.01 Liquidity Events of Default. (a) If any Liquidity Event of Default has occurred and is continuing and there is a Performing Note Deficiency, the Liquidity Provider may, in its discretion, deliver to the Borrower a Termination Notice, the effect of which shall be to cause (i) this Agreement to expire at the close of business on the fifth Business Day after the date on which such Termination Notice is received by the Borrower, (ii) the Borrower to promptly request, and the Liquidity Provider to promptly make, a Final Advance in accordance with Section 2.02(c) hereof and Section 3.05(i) of the Intercreditor Agreement, (iii) all other outstanding Advances to be automatically converted into Final Advances for purposes of

determining the Applicable Liquidity Rate for interest payable thereon and (iv) subject to Sections 2.07 and 2.09, all Advances, any accrued interest thereon and any other amounts outstanding hereunder to become immediately due and payable to the Liquidity Provider.

(b) If the aggregate Pool Balance of the Class A Certificates is greater than the aggregate outstanding principal amount of the Series A Equipment Notes (other than any Series A Equipment Notes previously sold by the Borrower or with respect to which the Aircraft related to such Series A Equipment Notes has been disposed of by the Loan Trustee) at any time during the 18-month period ending on October 15, 2029, the Liquidity Provider may, in its discretion, deliver to the Borrower a Special Termination Notice, the effect of which shall be to cause (i) the obligation of the Liquidity Provider to make Advances hereunder to terminate on the fifth Business Day after the date on which such Special Termination Notice is received by the Borrower and American, (ii) the Borrower to promptly request, and the Liquidity Provider to promptly make, a Special Termination Advance in accordance with Section 2.02(d) hereof and Section 3.05(k) of the Intercreditor Agreement, and (iii) subject to Sections 2.07 and 2.09, all Advances (including, without limitation, any Provider Advance and Applied Provider Advance), to be automatically treated as Special Termination Drawings (as defined in the Intercreditor Agreement).

ARTICLE VII

Section 7.01 No Oral Modifications or Continuing Waivers. No terms or provisions of this Agreement may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the Borrower and the Liquidity Provider and any other Person whose consent is required pursuant to this Agreement; provided that no such change or other action shall affect the payment obligations of American or the rights of American without American's prior written consent; and any waiver of the terms hereof shall be effective only in the specific instance and for the specific purpose given.

Section 7.02 Notices. Unless otherwise expressly specified or permitted by the terms hereof, all notices, requests, demands, authorizations, directions, consents, waivers or documents required or permitted under the terms and provisions of this Agreement shall be in English and in writing, and given by United States registered or certified mail, courier service or facsimile, and any such notice shall be effective when delivered (or, if delivered by facsimile, upon completion of transmission and confirmation by the sender (by a telephone call to a representative of the recipient or by machine confirmation) that such transmission was received) addressed as follows:

Any party, by notice to the other party hereto, may designate additional or different addresses for subsequent notices or communications. Whenever the words "notice" or "notify" or similar words are used herein, they mean the provision of formal notice as set forth in this Section 7.02.

Section 7.03 No Waiver; Remedies. No failure on the part of the Liquidity Provider to exercise, and no delay in exercising, any right under this Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right under this Agreement preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 7.04 Further Assurances. The Borrower agrees to do such further acts and things and to execute and deliver to the Liquidity Provider such additional assignments, agreements, powers and instruments as the Liquidity Provider may reasonably require or deem advisable to carry into effect the purposes of this Agreement and the other Operative Agreements or to better assure and confirm unto the Liquidity Provider its rights, powers and remedies hereunder and under the other Operative Agreements.

Section 7.05 Indemnification; Survival of Certain Provisions. The Liquidity Provider shall be indemnified hereunder to the extent and in the manner described in Section 4.02 of the Participation Agreements. In addition, the Borrower agrees to indemnify, protect, defend and hold harmless each Liquidity Indemnitee from and against all Expenses of any kind or nature

whatsoever (other than any Expenses of the nature described in Sections 3.01, 3.03, 3.09 or 7.07 or in the Fee Letter (regardless of whether indemnified against pursuant to said Sections or in such Fee Letter)), that may be imposed on or incurred by such Liquidity Indemnitee, in any way relating to, resulting from, or arising out of or in connection with, any action, suit or proceeding by any third party against such Liquidity Indemnitee and relating to this Agreement, the Fee Letter, the Intercreditor Agreement or any Participation Agreement; provided, however, that the Borrower shall not be required to indemnify, protect, defend and hold harmless any Liquidity Indemnitee in respect of any Expense of such Liquidity Indemnitee to the extent such Expense is (i) attributable to the gross negligence or willful misconduct of such Liquidity Indemnitee or any other Liquidity Indemnitee, (ii) an ordinary and usual operating overhead expense, (iii) attributable to the failure by such Liquidity Indemnitee or any other Liquidity Indemnitee to perform or observe any agreement, covenant or condition on its part to be performed or observed in this Agreement, the Intercreditor Agreement, the Fee Letter or any other Operative Agreement to which it is a party or (iv) otherwise excluded from the indemnification provisions contained in Section 4.02 of the Participation Agreements. The provisions of Sections 3.01, 3.03, 3.09, 7.05 and 7.07 and the indemnities contained in Section 4.02 of the Participation Agreements shall survive the termination of this Agreement.

Section 7.06 Liability of the Liquidity Provider. (a) Neither the Liquidity Provider nor any of its officers, employees or directors shall be liable or responsible for: (i) the use which may be made of the Advances or any acts or omissions of the Borrower or any beneficiary or transferee in connection therewith; (ii) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; or (iii) the making of Advances by the Liquidity Provider against delivery of a Notice of Borrowing and other documents which do not comply with the terms hereof; provided, however, that the Borrower shall have a claim against the Liquidity Provider, and the Liquidity Provider shall be liable to the Borrower, to the extent of any damages suffered by the Borrower that were the result of (A) the Liquidity Provider's willful misconduct or gross negligence in determining whether documents presented hereunder comply with the terms hereof or (B) any breach by the Liquidity Provider of any of the terms of this Agreement or the Intercreditor Agreement, including, but not limited to, the Liquidity Provider's failure to make lawful payment hereunder after the delivery to it by the Borrower of a Notice of Borrowing complying with the terms and conditions hereof. In no event, however, shall the Liquidity Provider be liable on any theory of liability for any special, indirect, consequential or punitive damages (including, without limitation, loss of profits, business or anticipated savings).

(b) Neither the Liquidity Provider nor any of its officers, employees or directors or affiliates shall be liable or responsible in any respect for (i) any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with this Agreement or any Notice of Borrowing delivered hereunder or (ii) any action, inaction or omission which may be taken by it in good faith, absent willful misconduct or gross negligence (in which event the extent of the Liquidity Provider's potential liability to the Borrower shall be limited as set forth in the immediately preceding paragraph), in connection with this Agreement or any Notice of Borrowing.

Section 7.07 Certain Costs and Expenses. The Borrower agrees promptly to pay, or cause to be paid, (a) the reasonable fees, expenses and disbursements of Pillsbury Winthrop

Shaw Pittman LLP, special counsel for the Liquidity Provider, in connection with the preparation, negotiation, execution, delivery, filing and recording of the Operative Agreements, any waiver or consent thereunder or any amendment thereof, (b) if a Liquidity Event of Default occurs, all out-of-pocket expenses incurred by the Liquidity Provider, including reasonable fees and disbursements of counsel, in connection with such Liquidity Event of Default and any collection, bankruptcy, insolvency and other enforcement proceedings in connection therewith and (c) on demand, all reasonable costs and expenses (including reasonable counsel fees and expenses) of the Liquidity Provider in connection with the modification or amendment of, or supplement to, this Agreement or any other Operative Agreement or such other documents which may be delivered in connection herewith or therewith (whether or not the same shall become effective) or any waiver or consent thereunder (whether or not the same shall be effective), unless such costs or expenses arise as a result of the negligence of the Liquidity Provider or any breach by the Liquidity Provider of its obligations under any Operative Agreement. In addition, the Borrower shall pay any and all recording, stamp and other similar taxes and fees payable or determined to be payable in the United States in connection with the execution, delivery, filing and recording of this Agreement, any other Operative Agreement and such other documents, and agrees to save the Liquidity Provider harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such taxes or fees.

Section 7.08 Binding Effect; Participations. (a) This Agreement shall be binding upon and inure to the benefit of the Borrower and the Liquidity Provider and their respective successors and permitted assigns, except that neither the Liquidity Provider (except as otherwise provided in this Section 7.08) nor (except as contemplated by Section 3.08) the Borrower shall have the right to assign, pledge or otherwise transfer its rights or obligations hereunder or any interest herein, subject to the Liquidity Provider's right to grant Participations pursuant to Section 7.08(b) and the Liquidity Provider shall have the right to assign its rights and transfer its obligations hereunder provided any such assignment and transfer is consented to by American in connection with the arranging of a Replacement Liquidity Facility pursuant to Section 3.05(e) of the Intercreditor Agreement.

(b) The Liquidity Provider agrees that it will not grant any participation (including, without limitation, a "risk participation") (any such participation, a "**Participation**") in or to all or a portion of its rights and obligations hereunder or under the other Operative Agreements, unless all of the following conditions are satisfied (and, if all such conditions are satisfied with respect to any Participation, the Liquidity Provider may grant such Participation): (i) such Participation is made in accordance with all applicable laws, including, without limitation, the Securities Act of 1933, as amended, the Trust Indenture Act of 1939, as amended, and any other applicable laws relating to the transfer of similar interests, (ii) such Participation shall not be made under circumstances that require registration under the Securities Act of 1933, as amended, or qualification of any indenture under the Trust Indenture Act of 1939, as amended and (iii) such Participation shall not be made to any Person that is a commercial air carrier, American or any affiliate of American. Notwithstanding any such Participation, the Liquidity Provider agrees that (1) the Liquidity Provider's obligations under the Operative Agreements shall remain unchanged, and such participant shall have no rights or benefits as against American or the Borrower or under any Operative Agreement, (2) the Liquidity Provider shall remain solely responsible to the other parties to the Operative Agreements for the performance of such obligations, (3) the Liquidity Provider shall remain the maker of any Advances, and the other

parties to the Operative Agreements shall continue to deal solely and directly with the Liquidity Provider in connection with the Advances and the Liquidity Provider's rights and obligations under the Operative Agreements, (4) the Liquidity Provider shall be solely responsible for any withholding Taxes or any filing or reporting requirements relating to such Participation and shall hold the Borrower and American and their respective successors, permitted assigns, affiliates, agents and servants harmless against the same and (5) neither American nor the Borrower shall be required to pay to the Liquidity Provider any amount under Section 3.01 or Section 3.03 greater than it would have been required to pay had there not been any grant of a Participation by the Liquidity Provider. The Liquidity Provider may, in connection with any Participation or proposed Participation pursuant to this Section 7.08(b), disclose to the participant or proposed participant any information relating to the Operative Agreements or to the parties thereto furnished to the Liquidity Provider thereunder or in connection therewith and permitted to be disclosed by the Liquidity Provider; provided, however, that prior to any such disclosure, the participant or proposed participant shall agree in writing for the express benefit of the Borrower and American to preserve the confidentiality of any confidential information included therein (subject to customary exceptions). The Borrower acknowledges and agrees that the Liquidity Provider's source of funds may derive in part from its participants. Accordingly, in determining amounts due by the Borrower to the Liquidity Provider pursuant to Section 3.01 and Section 3.03 of this Agreement, references in this Agreement to determinations, reserve, liquidity and capital adequacy requirements, increased costs, reduced receipts, additional amounts due pursuant to Section 3.03 and the like as they pertain to the Liquidity Provider shall be deemed also to include those of each of its participants that are commercial banking institutions and of whose participation the Borrower has been notified, in each case up to the maximum amount that would have been incurred by or attributable to the Liquidity Provider directly had there not been any grant of a Participation by the Liquidity Provider, and references to the Liquidity Provider therein and in related definitions shall be treated as references to such participants where applicable; provided that in any event, neither American nor the Borrower shall be required to pay any amount under Section 3.01 or Section 3.03 greater than it would have been required to pay had there not been any grant of a Participation by the Liquidity Provider. If the Liquidity Provider sells a Participation, it shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in this Agreement.

(c) The Liquidity Provider agrees that, as a condition of any Participation, the participant shall (i) represent to the Liquidity Provider (for the benefit of the Liquidity Provider and the Borrower) that under applicable law and treaties, no taxes will be required to be withheld with respect to any income derived by such participant from the transactions contemplated by the Operative Agreements, (ii) furnish to the Liquidity Provider and the Borrower two properly completed executed originals of United States Internal Revenue Service Form W-8ECI, Form W-8BEN-E or Form W-9, as appropriate, or other applicable form, certificate or document prescribed by the Internal Revenue Service certifying, in each case, such participant's entitlement to a complete exemption from United States federal withholding tax and backup withholding for all income derived by it from the transactions contemplated by the Operative Agreements, (iii) agree (for the benefit of the Liquidity Provider and the Borrower) to provide each of the Liquidity Provider and the Borrower a new Form W-8ECI, Form W-8BEN-E or Form W-9, as appropriate, or other applicable form, certificate or document (A) on or before the date that any such form, certificate or document expires or becomes obsolete or (B) after the

occurrence of any event requiring a change in the most recent form, certificate or document previously delivered by it and prior to the immediately following due date of any payment to be made to the participant pursuant to the Operative Agreements, certifying that such participant is entitled to a complete exemption from or reduction in United States federal withholding tax and backup withholding for all income derived by it from the transactions contemplated by the Operative Agreements or that it is no longer so entitled and (iv) agree (for the benefit of the Liquidity Provider and the Borrower) to provide such other forms or documents as may be reasonably requested by the Borrower or required by applicable law to establish that all income derived by it from the transactions contemplated by the Operative Agreements is exempt from or entitled to a reduced rate of Covered Taxes. The Liquidity Provider shall provide to the Borrower such information as the Borrower may reasonably request about the Liquidity Provider or a participant to satisfy any reporting or other Tax obligations of the Borrower with respect to this Agreement; provided that the Liquidity Provider shall not be required to provide any such information (other than the names of participants, percentage of participation and copies of such participants' withholding tax forms) which is not within its possession or which is confidential.

(d) Notwithstanding the other provisions of this Section 7.08, the Liquidity Provider may assign and pledge all or any portion of the Advances owing to it to any Federal Reserve Bank or the United States Treasury as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any Operating Circular issued by such Federal Reserve Bank; provided that any payment in respect of such assigned Advances made by the Borrower to the Liquidity Provider in accordance with the terms of this Agreement shall satisfy the Borrower's obligations hereunder in respect of such assigned Advance to the extent of such payment. No such assignment shall release the Liquidity Provider from its obligations hereunder.

Section 7.09 Severability. To the extent permitted by applicable law, any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 7.10 Governing Law. THIS AGREEMENT HAS BEEN DELIVERED IN THE STATE OF NEW YORK AND THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE.

Section 7.11 Submission to Jurisdiction; Waiver of Jury Trial; Waiver of Immunity. (a) Each of the parties hereto, to the extent it may do so under applicable law, for purposes hereof hereby (i) irrevocably submits itself to the non-exclusive jurisdiction of the courts of the State of New York sitting in the City of New York and to the non-exclusive jurisdiction of the United States District Court for the Southern District of New York for the purposes of any suit, action or other proceeding arising out of this Agreement, the subject matter hereof or any of the transactions contemplated hereby brought by any party or parties hereto or thereto, or their successors or permitted assigns, (ii) waives, and agrees not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or

that this Agreement or the subject matter hereof or any of the transactions contemplated hereby may not be enforced in or by such courts, (iii) agrees that service of process in any such suit, action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to each party hereto at its address set forth in Section 7.02 hereof, or at such other address of which the Liquidity Provider shall have been notified pursuant thereto and (iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law.

(b) THE BORROWER AND THE LIQUIDITY PROVIDER EACH HEREBY AGREE TO WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT AND THE RELATIONSHIP THAT IS BEING ESTABLISHED, including, without limitation, contract claims, tort claims, breach of duty claims and all other common law and statutory claims. The Borrower and the Liquidity Provider each warrant and represent that it has reviewed this waiver with its legal counsel, and that it knowingly and voluntarily waives its jury trial rights following consultation with such legal counsel. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THIS WAIVER IS IRREVOCABLE, AND CANNOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT.

Notwithstanding anything to the contrary in this Agreement or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under this Agreement, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

We are opining herein as to the internal laws of the State of New York and the general corporation law of the State of Delaware, and we express no opinion with respect to the applicability thereto, or the effect thereon, of the laws of any other jurisdiction or, in the case of Delaware, any other laws, or as to any matters of municipal law or the laws of any local agencies within any state.

Subject to the foregoing and the other matters set forth herein, it is our opinion that, as of the date hereof, each of the Pass Through Trust Agreements constitutes a legally valid and binding obligation of the Company and the Pass Through Trustee, enforceable against the Company and the Pass Through Trustee in accordance with its terms, and each of the Pass Through Certificates has been validly issued and is entitled to the benefits provided by the related Pass Through Trust Agreement.

Our opinions are subject to: (i) the effect of bankruptcy, insolvency, reorganization, preference, fraudulent transfer, moratorium or other similar laws relating to or affecting the rights and remedies of creditors; (ii) the effect of general principles of equity, whether considered in a proceeding in equity or at law (including the possible unavailability of specific performance or injunctive relief), concepts of materiality, reasonableness, good faith and fair dealing, and the discretion of the court before which a proceeding is brought; (iii) the invalidity under certain circumstances under law or court decisions of provisions providing for the indemnification of or contribution to a party with respect to a liability where such indemnification or contribution is contrary to public policy; and (iv) we express no opinion as to: (a) any provision for liquidated damages, default interest, late charges, monetary penalties, make-whole premiums or other economic remedies to the extent such provisions are deemed to constitute a penalty; (b) consents to, or restrictions upon, governing law, jurisdiction, venue, service of process, arbitration, remedies or judicial relief; (c) advance waivers of claims, defenses, rights granted by law, or notice, opportunity for hearing, evidentiary requirements, statutes of limitation, trial by jury or at law, or other procedural rights; (d) waivers of broadly or vaguely stated rights; (e) grants of setoff rights; (f) any provision requiring the payment of attorneys’ fees, where such payment is contrary to law or public policy; (g) proxies and powers of attorney; (h) provisions prohibiting, restricting or requiring consent to assignment or transfer of any right or property; (i) the creation, validity, attachment, perfection, or priority of any lien or security interest; (j) provisions for exclusivity, election or cumulation of rights or remedies; (k) provisions authorizing or validating conclusive or discretionary determinations; and (l) the severability, if invalid, of provisions to the foregoing effect.

With your consent, we have assumed: (a) that the Pass Through Trust Agreements and the Pass Through Certificates (collectively, the “**Documents**”) have been duly authorized, executed and delivered by the parties thereto other than the Company; (b) that the Documents constitute legally valid and binding obligations of the parties thereto other than the Company and the Pass Through Trustee, enforceable against each of them in accordance with their respective terms; and (c) that the status of the Documents as legally valid and binding obligations of the parties is not affected by any (i) breaches of, or defaults under, agreements or instruments, (ii) violations of statutes, rules, regulations or court or governmental orders, or (iii) failures to obtain required consents, approvals or authorizations from, or make required registrations, declarations or filings with, governmental authorities.

This opinion is for your benefit in connection with the Registration Statement and may be relied upon by you and by persons entitled to rely upon it pursuant to the applicable provisions of the Act. We consent to your filing this opinion as an exhibit to the Company’s Form 8-K dated as of the date hereof and to the reference to our firm contained in the Prospectuses under the heading “Legal Matters.” In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission thereunder.

Very truly yours,
