**Item 7.01.**                    **Regulation FD Disclosure**

As previously reported, on November 29, 2011, AMR Corporation (the “Company”) and certain of the Company’s direct and indirect domestic subsidiaries, including American Airlines, Inc. and AMR Eagle Holding Corporation (collectively, the “Debtors”), filed voluntary petitions for relief (the “Chapter 11 Cases”) under Chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code”), in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”).

On January 31, 2012, the Debtors filed their monthly operating report for the month ended December 31, 2011 (the “Monthly Operating Report”) with the Bankruptcy Court. The Monthly Operating Report is attached hereto as Exhibit 99.1 and is incorporated herein by reference. This current report (including the exhibit hereto or any information included therein) shall not be deemed an admission as to the materiality of any information required to be disclosed solely by reason of Regulation FD.

*Limitation on Incorporation by Reference*

In accordance with General Instruction B.2 of Form 8-K, the information with respect to the Debtors in this Item 7.01 shall not be deemed “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.

*Cautionary Statement Regarding Financial and Operating Data*

The Company cautions investors and potential investors not to place undue reliance upon the information contained in the Monthly Operating Report, which was not prepared for the purpose of providing the basis for an investment decision relating to any of the securities of the Company. The Company cannot predict what the ultimate value of any of its securities may be and it remains too early to determine whether holders of any such securities will receive any distribution in the Debtors’ reorganization. In particular, in most cases under Chapter 11 of the Bankruptcy Code, holders of equity securities receive little or no recovery of value from their investment. The Monthly Operating Report is limited in scope, covers a limited time period and has been prepared solely for the purpose of complying with the monthly reporting requirements of the Office of the United States Trustee of the Southern District of New York and the Bankruptcy Court. The Monthly Operating Report was not audited or reviewed by independent accountants, is in a format prescribed by applicable bankruptcy laws and regulations and is subject to future adjustment and reconciliation. Therefore, the Monthly Operating Report does not necessarily contain all information required in filings pursuant to the Exchange Act, or may present such information differently from such requirements. There can be no assurance that, from the perspective of an investor or potential investor in the Debtors’ securities, the Monthly Operating Report is complete. The Monthly Operating Report also contains information for periods which are shorter or otherwise different from those required in the Company’s reports pursuant to the Exchange Act, and such information might not be indicative of the Company’s financial condition or operating results for the period that would be reflected in the Company’s financial statements or in its reports pursuant to the Exchange Act. Results set forth in the Monthly Operating Report should not be viewed as indicative of future results.

*Cautionary Statement Regarding Forward-Looking Statements*

This current report on Form 8-K and the exhibit hereto contain forward-looking statements. Actual results may differ materially from the results suggested by these forward-looking statements, for a number of reasons, including, but not limited to, the impact of the Debtors’ bankruptcy filings, the Company’s ability to refinance, extend or repay its near and intermediate term debt, the Company’s substantial level of indebtedness and interest rates, the potential impact of volatile and rising fuel prices and impairments. Readers are referred to the documents filed by the Company with the Securities and Exchange Commission, which further identify the important risk factors that could cause actual results to differ materially from the forward-looking statements in this current report on Form 8-K and the exhibit hereto. The Company disclaims any obligations to update any forward-looking statements.

**1. Summary of Accounting Policies**

***Basis of Presentation***

On November 29, 2011 (the "Petition Date"), AMR Corporation (the "Company") and certain of the Company's direct and indirect domestic subsidiaries (collectively, the "Debtors") filed voluntary petitions for relief (the "Chapter 11 Cases") under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code"), in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"). The Chapter 11 Cases are being jointly administered under the caption "in re AMR Corporation, et al, Case No. 11-15463-SHL."

The Company and the other Debtors are currently operating as "debtors in possession" under the jurisdiction of the Bankruptcy Court and the applicable provisions of the Bankruptcy Code. In general, as debtors in possession under the Bankruptcy Code, we are authorized to continue to operate as an ongoing business but may not engage in transactions outside the ordinary course of business without the prior approval of the Bankruptcy Court. The Bankruptcy Court has granted a variety of motions that allow the Company to continue to operate its business in the ordinary course without interruption, covering, among other things, obligations to (i) employees, (ii) taxing authorities, (iii) insurance providers, (iv) independent contractors for improvement projects, (v) foreign vendors, (vi) other airlines pursuant to certain interline agreements, and (vii) certain vendors deemed critical to the Debtors' operations.

While operating as debtors-in-possession under Chapter 11 of the Bankruptcy Code, the Debtors may sell or otherwise dispose of or liquidate assets or settle liabilities, subject to the approval of the Bankruptcy Court or otherwise as permitted in the ordinary course of business, in amounts other than those reflected in the Condensed Consolidated Financial Statements. Moreover, the Debtors have not yet prepared or filed with the Bankruptcy Court a plan of reorganization. The ultimate plan of reorganization, which must be approved by the Bankruptcy Court, could materially change the amounts and classifications in the historical Condensed Consolidated Financial Statements.

This Monthly Operating Report ("MOR") was prepared on a consolidated basis for the Company and its direct and indirect subsidiaries, including the subsidiary Debtors and other subsidiaries that did not file voluntary petitions for relief under Chapter 11. This MOR is unaudited, is limited in scope, covers a limited time period, and has been prepared solely for the purpose of complying with the monthly reporting requirements for Chapter 11 debtors as required by the Office of the United States Trustee for the Southern District of New York (the "U.S. Trustee") and the Bankruptcy Court. This MOR does not include all the information and footnotes required by generally accepted accounting principles ("GAAP") for complete financial statements. Therefore, there can be no assurance that the consolidated financial information presented herein is complete and readers are strongly cautioned not to place undue reliance on this MOR. This MOR should be read in conjunction with the financial statements and accompanying notes in the Company's annual and quarterly reports that are filed with the United States Securities and Exchange Commission (the "SEC").

In accordance with GAAP, the Debtors have applied ASC 852 "Reorganizations" (ASC 852), in preparing the Condensed Consolidated Financial Statements. ASC 852 requires that the financial statements, for periods subsequent to the Chapter 11 Cases, distinguish transactions and events that are directly associated with the reorganization from the ongoing operations of the business. Accordingly, certain revenues, expenses (including professional fees), realized gains and losses and provisions for losses that are realized or incurred in the Chapter 11 Cases are recorded in reorganization items, net on the accompanying Consolidated Statement of Operations. In addition, prepetition obligations that may be impacted by the bankruptcy reorganization process have been classified on the Condensed Consolidated Balance Sheet in liabilities subject to compromise. These liabilities are reported at the amounts expected to be allowed by the Bankruptcy Court, even if they may be settled for lesser amounts (see Note 2).

The Debtors have also prepared these unaudited Condensed Consolidated Financial Statements on a going concern basis, which contemplates continuity of operations, realization of assets and satisfaction of liabilities in the ordinary course of business. Accordingly, the Debtors' Condensed Consolidated Financial Statements do not include any adjustments relating to the recoverability of assets and classification of liabilities that might be necessary should the Debtors be unable to continue as a going concern.

**AMR CORPORATION, ET AL.**  
**DEBTORS AND DEBTORS-IN-POSSESSION**  
**NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**  
(Unaudited)

The accompanying Consolidated Financial Statements do not purport to reflect or provide for the consequences of the Chapter 11 Cases, other than as set forth under “liabilities subject to compromise” on the accompanying Condensed Consolidated Balance Sheet and “income (loss) before reorganization items” and “reorganization items, net” on the accompanying Consolidated Statement of Operations (see Note 2). In particular, the financial statements do not purport to show (1) as to assets, their realizable value on a liquidation basis or their availability to satisfy liabilities; (2) as to prepetition liabilities, and except as set forth in Note 2, the amounts that may be allowed for claims or contingencies, or the status and priority thereof; (3) as to shareholders’ equity accounts, the effect of any changes that may be made the Debtors’ capitalization; or (4) as to operations, the effect of any changes that may be made to the Debtors’ business.

Results of operations for the periods presented herein are not necessarily indicative of results of operations for the entire year. The condensed consolidated financial statements include the accounts of the Company and its direct and indirect wholly owned subsidiaries (both Debtor and non-Debtor), including (i) its principal subsidiary American Airlines, Inc. (“American”) and (ii) its regional airline subsidiary, AMR Eagle Holding Corporation and its primary subsidiaries, American Eagle Airlines, Inc. (“Eagle”) and Executive Airlines, Inc. (Executive) (collectively, “AMR Eagle”). The condensed consolidated financial statements also include the accounts of variable interest entities for which the Company is the primary beneficiary. For further information, refer to the consolidated financial statements and footnotes included in the Company’s Annual Report on Form 10-K filed with the SEC on February 16, 2011 (“2010 Form 10-K”), including the Summary of Significant Accounting Policies which appears as Note 1 in the 2010 Form 10-K.

No assurance can be given as to the value, if any, that may be ascribed in the Chapter 11 proceedings to the Debtors’ various pre-petition liabilities and other securities. The Company cannot predict what the ultimate value of any of its securities may be and it remains too early to determine whether holders of any such securities will receive any distribution in the Debtors’ reorganization. In particular, in most cases under Chapter 11 of the Bankruptcy Code, holders of equity securities receive little or no recovery of value from their investment. Accordingly, the Debtors urge that caution be exercised with respect to existing and future investments in any of these securities or other Debtor claims. In addition, trading in the Company’s common stock and certain debt securities on the New York Stock Exchange (the “NYSE”) was suspended on January 5, 2012, and the Company’s common stock and such debt securities were delisted by SEC from the NYSE on January 30, 2012. On January 5, 2012, the Company’s common stock began trading under the symbol “AAMRQ” on the OTCQB marketplace, operated by OTC Markets Group ([www.otcmarkets.com](http://www.otcmarkets.com)).

Additional information about the Company’s Chapter 11 filing is available on the Internet at [aa.com/restructuring](http://aa.com/restructuring). Court filings and claims information are available at [amrcaseinfo.com](http://amrcaseinfo.com).

**2. Bankruptcy Proceedings and Reorganization Update for the Reporting Period**

***General Information***

*Notices to Creditors; Effect of Automatic Stay.* The Debtors have begun the process of seeking to notify all known current or potential creditors that the Chapter 11 Cases had been filed. Subject to certain exceptions under the Bankruptcy Code, the filing of the Debtors’ Chapter 11 Cases automatically enjoined, or stayed, the continuation of most judicial or administrative proceedings or filing of other actions against the Debtors or their property to recover on, collect or secure a claim arising prior to the Petition Date. Thus, for example, most creditor actions to obtain possession of property from the Debtors, or to create, perfect or enforce any lien against the property of the Debtors, or to collect on monies owed or otherwise exercise rights or remedies with respect to a prepetition claim, are enjoined unless and until the Bankruptcy Court lifts the automatic stay as to any such claim. Vendors are being paid for goods furnished and services provided after the Petition Date in the ordinary course of business.

---

**AMR CORPORATION, ET AL.**  
**DEBTORS AND DEBTORS-IN-POSSESSION**  
**NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**  
(Unaudited)

*Appointment of Creditors' Committee.* On December 5, 2011, the U.S. Trustee for the Southern District of New York appointed an official committee of unsecured creditors (the "Creditors' Committee") for the Chapter 11 Cases. The Bankruptcy Code provides for the U.S. Trustee to appoint a statutory committee of creditors holding unsecured claims as soon as practicable after the commencement of a Chapter 11 case. The statutory creditors' committee ordinarily consists of holders of the seven largest unsecured claims who are willing to serve. Generally, a statutory creditors' committee represents the interests of all unsecured creditors in a bankruptcy case.

*Rejection of Executory Contracts.* Under Section 365 and other relevant sections of the Bankruptcy Code, the Debtors may assume, assume and assign, or reject certain executory contracts and unexpired leases, including, without limitation, aircraft and aircraft engines (collectively, "Aircraft Property") and leases of real property, subject to the approval of the Bankruptcy Court and certain other conditions. Under the Bankruptcy Code, the Debtors' rights to assume, assume and assign, or reject unexpired leases of non-residential real estate expire on March 27, 2012 (subject to further extension by the Bankruptcy Court). In general, rejection of an executory contract or unexpired lease is treated as a prepetition breach of the executory contract or unexpired lease in question and, subject to certain exceptions, relieves the Debtors from performing their future obligations under such executory contract or unexpired lease but entitles the contract counterparty or lessor to a prepetition general unsecured claim for damages caused by such deemed breach. Counterparties to such rejected contracts or leases have the right to file claims against the Debtors' estate for such damages. Generally, the assumption of an executory contract or unexpired lease requires the Debtors to cure existing defaults under such executory contract or unexpired lease.

Any description of an executory contract or unexpired lease elsewhere in these Notes, including where applicable the Debtors' express termination rights or a quantification of their obligations, must be read in conjunction with, and is qualified by, any rights the Debtors have under Section 365 of the Bankruptcy Code.

The Debtors expect that liabilities subject to compromise and resolution in the Chapter 11 Cases will arise in the future as a result of damage claims created by the Debtors' rejection of various executory contracts and unexpired leases.

*Special Protection Applicable to Leases and Secured Financing of Aircraft and Aircraft Equipment.* Notwithstanding the general discussion above of the impact of the automatic stay, under Section 1110 of the Bankruptcy Code ("Section 1110"), beginning 60 days after filing a petition under Chapter 11, certain secured parties, lessors and conditional sales vendors may have a right to take possession of certain qualifying Aircraft Property that is leased or subject to a security interest or conditional sale contract, unless the Debtors, subject to approval by the Bankruptcy Court, agree to perform under the applicable agreement, and cure any defaults as provided in Section 1110 (other than defaults of a kind specified in Section 365(b)(2) of the Bankruptcy Code). Taking such action does not preclude the Debtors from later rejecting the applicable lease or abandoning the Aircraft Property subject to the related security agreement.

The Debtors may extend the 60-day period by agreement of the relevant financing party, with Bankruptcy Court approval. In the absence of an agreement and cure as described above or such an extension, the financing party may take possession of the Aircraft Property and enforce any of its contractual rights or remedies to sell, lease or otherwise retain or dispose of such equipment.

The 60-day period under Section 1110 in the Chapter 11 Cases expired on January 27, 2012. In accordance with the Bankruptcy Court's Order Authorizing the Debtors to (i) Enter into Agreements Under Section 1110(a) of the Bankruptcy Code, (ii) Enter into Stipulations to Extend the Time to Comply with Section 1110 of the Bankruptcy Code and (iii) File Redacted Section 1110(b) Stipulations, dated December 23, 2011, the Debtors have entered into agreements to extend the automatic stay or agreed to perform and cure defaults under financing agreements with respect to certain aircraft in their fleet and other Aircraft Property. While the Debtors have reached agreements on, or agreements on key aspects of, renegotiated terms with respect to certain of their Aircraft Properties and are continuing to negotiate terms with respect to many of their other Aircraft Property financings, the ultimate outcome of these negotiations cannot be predicted with certainty. To the extent the Debtors are unable to reach definitive agreements with Aircraft Property financing parties, those parties may seek to repossess the subject Aircraft Property. The loss of a significant number of aircraft could result in a material adverse effect on the Debtors' financial and operating performance.

**AMR CORPORATION, ET AL.**  
**DEBTORS AND DEBTORS-IN-POSSESSION**  
**NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**  
(Unaudited)

*Magnitude of Potential Claims* The Debtors will file with the Bankruptcy Court schedules and statements of financial affairs setting forth, among other things, the assets and liabilities of the Debtors, subject to the assumptions filed in connection therewith. All of the schedules are subject to further amendment or modification.

Bankruptcy Rule 3003(c)(3) requires the Bankruptcy Court to fix the time within which proofs of claim must be filed in a Chapter 11 case pursuant to section 501 of the Bankruptcy Code. This Bankruptcy Rule also provides that any creditor who asserts a claim against the Debtors that arose prior to the Petition Date and whose claim (i) is not listed on the Debtors' schedules or (ii) is listed on the schedules as disputed, contingent, or unliquidated, must file a proof of claim. The Bankruptcy Court has not yet established a date and time by which such proofs of claim must be filed.

Differences between amounts scheduled by the Debtors and claims by creditors will be investigated and resolved in connection with the claims resolution process. In light of the expected number of creditors, the claims resolution process may take considerable time to complete. Accordingly, the ultimate number and amount of allowed claims is not presently known, nor can the ultimate recovery with respect to allowed claims be presently ascertained.

***Liabilities Subject to Compromise***

The following table summarizes the components of liabilities subject to compromise included on the Consolidated Balance Sheet as of December 31, 2011:

(in billions)

Debt and accrued interest	\$	2.5
Aircraft Property lease and facility bond related obligations		1.9
Accounts payable and other accrued liabilities		0.4
Total liabilities subject to compromise	\$	<u>4.8</u>

Liabilities subject to compromise refers to prepetition obligations which may be impacted by the Chapter 11 reorganization process. These amounts represent the Debtors' current estimate of known or potential prepetition obligations to be resolved in connection with the Chapter 11 Cases.

Differences between liabilities the Debtors have estimated and the claims filed, or to be filed, will be investigated and resolved in connection with the claims resolution process. The Company will continue to evaluate these liabilities throughout the Chapter 11 proceedings and adjust amounts as necessary. Such adjustments may be material. In light of the expected number of creditors, the claims resolution process may take considerable time to complete. Accordingly, the ultimate number and amount of allowed claims is not presently known.

**Reorganization Items, net**

Reorganization items refer to revenues, expenses (including professional fees), realized gains and losses and provisions for losses that are realized or incurred in the Chapter 11 proceedings. The following table summarizes the components included in reorganization items, net on the Consolidated Statements of Operations for the month ended December 31, 2011:

(in millions)

Aircraft financing renegotiations and rejections <sup>(1)</sup> <sup>(2)</sup>	\$ 102
Professional fees	14
Other	2
Total reorganization items, net	<u>\$ 118</u>

<sup>(1)</sup> The Debtors record an estimated claim associated with the rejection of an executory contract or unexpired lease when a motion is filed with the Bankruptcy Court to reject such contract or lease and the Debtors believe that it is probable the motion will be approved and there is sufficient information to estimate the claim. The Debtors record an estimated claim associated with the renegotiation of an executory contract or unexpired lease when the renegotiated terms of such contract or lease are not opposed or are otherwise approved by the Bankruptcy Court and there is sufficient information to estimate the claim.

<sup>(2)</sup> Estimated allowed claims from rejecting the financing arrangements relating to 24 aircraft. Such rejections have been approved by the Bankruptcy Court.

Claims related to reorganization items are reflected in liabilities subject to compromise on the Consolidated Balance Sheet as of December 31, 2011.

**Interest Expense**

In accordance with ASC 852, the Debtors record interest expense only to the extent (1) interest will be paid during the Chapter 11 Cases or (2) it is probable that the Bankruptcy Court will allow a claim in respect of such interest. Interest expense recorded on the Consolidated Statements of Operations totaled \$62 million for the month ended December 31, 2011. Contractual interest expense (including interest expense that is associated with obligations in liabilities subject to compromise) during this period totaled \$69 million.

**Insurance**

Premiums to date for all insurance policies, including workers' compensation and disability insurance, have been paid in accordance with each respective policy's payment terms. No payments are past due.

**Restricted Cash and Short-term Investments**

The Company has restricted cash and short-term investments related primarily to collateral held to support projected workers' compensation obligations and funds held for certain tax obligations.

**3. Special Charges**

The Company recorded special charges of \$725 million in December 2011, which is primarily attributable to the impairment of certain aircraft.

As previously announced, American entered into agreements with Airbus and Boeing in the second quarter of 2011 under which it plans to acquire 460 narrowbody aircraft from the Boeing 737 and Airbus A320 families during the period 2013-2022. The Bankruptcy Court has not yet approved American's assumption of those contracts under the Bankruptcy Code, but has approved American's continuing to accept delivery of Boeing 737 aircraft for the remainder of 2012, subject to certain limitations. In connection with these Boeing and Airbus aircraft agreements and the Company's anticipated acceleration of its fleet renewal and replacement plan, the Company evaluated the useful lives of certain fleets including McDonnell Douglas MD-80, Boeing 757 and Boeing 767 aircraft. Upon finalization of the fleet plan in the fourth quarter of 2011 (prior to the filing of the Chapter 11 Cases), the Company concluded that a triggering event had occurred, requiring that certain assets be tested for impairment. As a result of this test, the Company concluded the carrying value of Boeing 757 aircraft used in its domestic markets was no longer recoverable. Consequently, the 2011 results will include an impairment charge of \$713 million to write these and certain related long-lived assets down to their estimated fair values. The impairment charge is non-cash.
