

CERTIFICATE OF DESIGNATIONS, POWERS, PREFERENCES AND RIGHTS  
OF THE  
SERIES A CONVERTIBLE PREFERRED STOCK  
OF  
AMERICAN AIRLINES GROUP INC.

-----  
Pursuant to Sections 151(g) and 303 of the  
General Corporation Law of the State of Delaware  
-----

American Airlines Group Inc., a Delaware corporation (the "Corporation"), hereby certifies that pursuant to the Joint Chapter 11 Plan of Reorganization of AMR Corporation, dated September 23, 2013 (the "Plan"), which Plan was confirmed by order of the United States Bankruptcy Court for the Southern District of New York pursuant to Chapter 11 of the United States Bankruptcy Code and provides for the authorization and issuance of the Series A Preferred Stock (as defined below), and pursuant to the provisions of Sections 151(g) and 303 of the General Corporation Law of the State of Delaware (the "DGCL"), a series of preferred stock, par value \$0.01 per share, of the Corporation, herein designated as "*Series A Convertible Preferred Stock*," is hereby issued, designated, created, authorized and provided for on the terms and with the voting powers, designations, preferences and relative, participating, optional, or other special rights and the qualifications, limitations or restrictions set forth herein and (to the extent applicable to preferred stock of the Corporation) in the Corporation's Restated Certificate of Incorporation as in effect on the date hereof (the "Certificate of Incorporation");

Capitalized terms that are used but are not otherwise defined in this Certificate of Designations, Preferences and Rights (this "Certificate") shall have the meanings ascribed to them in Section 8 below.

Section 1. Designation; Stated Value; Form.

1.1 Designation. There is hereby created out of the authorized and unissued shares of Preferred Stock a series of Preferred Stock designated as "Series A Convertible Preferred Stock" (the "Series A Preferred Stock"), and the number of shares of Series A Preferred Stock (each a "Share" and, collectively, the "Shares") constituting such series shall be 167,854,800. The voting powers, designations, preferences and relative, participating, optional or other special rights, and such qualifications, limitations or restrictions of the Series A Preferred Stock shall be as set forth herein.

1.2 Stated Value. The stated value of any Share, as of any date of determination, shall be equal to the sum of (i) \$25 (the "Initial Stated Value") and (ii) the amount of the Accrued Stated Value (as defined below) with respect to such Share, calculated as of such date (the "Stated Value").

1.3 Form. The Corporation shall issue the Shares of Series A Preferred Stock in the form of one or more global certificates (each, a "Global Certificate") to be deposited in the facilities of DTC, and the beneficial interests in the Series A Preferred Stock will be reflected as electronic book-entry interests through the facilities of DTC and will transfer only via electronic book-entry interests through the facilities of DTC, and the procedures to be followed with respect to any Mandatory Conversion or Optional Conversion and any required increases or decreases to the number of Shares represented by the Global Certificate(s) will be in accordance with the applicable procedures of DTC; provided, that no such procedures shall adversely affect any of the rights of any Holder of the Shares as set forth in this Certificate.

## Section 2. Dividends.

2.1 Accrual of Stated Value. From and after the Plan Effective Date, the Stated Value of each Share of Series A Preferred Stock will automatically increase, without any action to be taken by the Corporation or its Board of Directors (the "Board of Directors") and whether or not there are funds legally available for the payment of dividends, in arrears on a daily basis at the rate of 6.25% per annum, using the actual number of days elapsed and a 360-day year, without compounding, on the Initial Stated Value of such Share to and excluding the applicable Conversion Date of such Share (the cumulative amount of such increase, as of any date or time of determination, the "Accrued Stated Value"). A schedule of the Stated Value of each Share on each day (the first through the 120th) following the Plan Effective Date, after giving effect to the amount of the Accrued Stated Value as of such day, is set forth as Exhibit A hereto.

2.2 Participating Dividends. In the event that, on or after the Plan Effective Date, the Corporation declares or pays any dividends or distributions with respect to the Common Stock (excluding any dividends or distributions paid in the form of additional shares of Common Stock), each Holder shall be entitled to receive, in addition to the Accrued Stated Value accrued pursuant to Section 2.1, a dividend or distribution per Share of Series A Preferred Stock equal to the dividend or distribution that such Holder would have received with respect to the Common Stock Equivalent Number of shares of Common Stock as of immediately prior to the record date for determining the stockholders of the Corporation eligible to receive such dividend or distribution (or if no record date is fixed, the date as of which the record holders of Common Stock entitled to such dividends is determined).

## Section 3. Liquidation.

3.1 Liquidation Event. Upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary (a "Liquidation Event"), each Holder shall be entitled to receive, with respect to each Share of Series A Preferred Stock, on a *pro rata* basis with the Common Stock and without preference with respect to the Common Stock, the distribution(s) that such Holder would have been entitled to receive as a result of such

Liquidation Event with respect to the Common Stock Equivalent Number of shares of Common Stock as of immediately prior to such Liquidation Event. For the avoidance of doubt, the merger or consolidation of the Corporation with any other Person, including a merger or consolidation in which the Holders receive cash, securities or other property for their Shares of Series A Preferred Stock, or the sale, lease or exchange for cash, securities or other property of all or substantially all of the assets of the Corporation, in each case, shall not, in and of itself, constitute a Liquidation Event.

3.2 Notice Requirement. The Corporation shall, within five (5) Business Days following the date the Board of Directors approves any Liquidation Event or within five (5) Business Days following the commencement of any involuntary bankruptcy or similar proceeding, whichever is earlier, give each Holder written notice of the event. Such written notice shall describe, to the extent known to the Corporation, the material terms and conditions of such event relating to the treatment of the Series A Preferred Stock and the Common Stock, including, to the extent known to the Corporation, a description of the stock, cash and property to be received by the Holders with respect to their Shares of Series A Preferred Stock and the Common Stock as a result of the event and the date of delivery thereof. If any material change in the facts set forth in the initial notice shall occur, the Corporation shall promptly give written notice to each Holder of such material change.

#### Section 4. Voting Rights.

(i) Each Share of Series A Preferred Stock shall entitle the Holder thereof to vote with the holders of Common Stock, voting together as a single class, with respect to any and all matters presented to the holders of Common Stock for their action, consideration or consent, whether at any special or annual meeting of stockholders, by written action of stockholders in lieu of a meeting (to the extent permitted by the Certificate of Incorporation and the DGCL), or otherwise. With respect to any such vote, each Share of Series A Preferred Stock held on the record date for determining the stockholders of the Corporation eligible to participate in such vote shall entitle the Holder thereof to cast 2.2989 votes, subject to adjustment pursuant to Section 6.1 (such number of votes, the "Preferred Stock Voting Ratio").

(ii) For so long as any Shares of Series A Preferred Stock remain outstanding, the Corporation shall not, without the written consent or affirmative vote at a meeting called for such purpose, given in person or by proxy, by Holders holding, in the aggregate, at least a majority of the outstanding Shares of Series A Preferred Stock (excluding any Shares beneficially owned directly or indirectly by the Corporation or any of its Subsidiaries), voting as a separate class, amend, alter or repeal (including by means of a merger, consolidation or otherwise) any provision of the Certificate of Incorporation or this Certificate that would alter or change the rights, preferences or privileges of the Series A Preferred Stock in a manner adverse to the holders of Shares of Series A Preferred Stock. In any case in which the Holders of Series A Preferred Stock shall be entitled to vote as a separate class pursuant to this Certificate, the Certificate of Incorporation or Delaware law, each Holder shall be entitled to one vote for each Share of Series A Preferred Stock held on the record date for determining the stockholders of the Corporation eligible to vote thereon.

Section 5. Conversion.

5.1 Mandatory Conversion. All Shares of Series A Preferred Stock, except to the extent previously converted pursuant to an Optional Conversion, shall automatically be converted into shares of Common Stock on the following terms and conditions (each such conversion, a "Mandatory Conversion").

(i) On each Mandatory Conversion Date, a number of Shares of Series A Preferred Stock equal to the lesser of (a) 41,963,700 and (b) the number of Shares outstanding on such Mandatory Conversion Date shall automatically be converted into that number of shares of Common Stock for each Share of Series A Preferred Stock equal to the quotient of (A) the Stated Value of such Share on such Mandatory Conversion Date, divided by (B) the Conversion Price in effect on such Mandatory Conversion Date, with fractional shares of Common Stock rounded up or down as provided herein. Each such Mandatory Conversion of Shares shall occur automatically without any further action by the relevant Holder or the Corporation. Prior to 9:00 a.m. New York City time on the first Business Day after each Mandatory Conversion Date, the Corporation shall publish the Conversion Price in effect with respect to such Mandatory Conversion Date and the number of shares of Common Stock issuable per \$1,000 in Stated Value of Shares that are converted pursuant to Mandatory Conversion on such Mandatory Conversion Date, by posting such information on the Corporation's website and issuing a press release that contains such information.

(ii) Within three (3) Business Days following a Mandatory Conversion Date, the Corporation or Transfer Agent shall deliver by book-entry delivery via DTC to the accounts specified by DTC, a number of shares of Common Stock equal to the aggregate number of shares to be issued pursuant to the Mandatory Conversion of all Shares of Series A Preferred Stock converted by Mandatory Conversion with respect to such Mandatory Conversion Date.

(iii) With respect to each Mandatory Conversion Date, the conversion of Shares of Series A Preferred Stock pursuant to Mandatory Conversion shall be effectuated by the Corporation *pro rata* among all Holders, based on the number of Shares outstanding as of 5:00 p.m., New York City time, on such Mandatory Conversion Date, after giving effect to any Optional Conversion for which the Optional Conversion Date occurs before such Mandatory Conversion Date.

(iv) For the avoidance of doubt, following the 120th day following the Plan Effective Date, Holders shall have no rights under the Series A Preferred Stock other than the right to receive the shares of Common Stock into which their Shares of Series A Preferred Stock were converted pursuant to any Mandatory Conversion or Optional Conversion hereunder and the rights that a holder of shares of Common Stock would have corresponding thereto.

5.2 Optional Conversion. At any time following the fifth (5th) trading day after the Plan Effective Date, and from time to time prior to the final Mandatory Conversion Date, each Holder shall have the right, but not the obligation, to elect to convert all or any portion of such Holder's Shares into shares of Common Stock, on the following terms and conditions (any such conversion, an "Optional Conversion"); provided that no Optional

Conversion may be exercised during the three (3) Business Days prior to a Mandatory Conversion Date or the three (3) Business Dates following a Mandatory Conversion Date.

(i) Any Holder may elect to convert all or any portion of its Shares of Series A Preferred Stock into that number of shares of Common Stock for each Share of Series A Preferred Stock equal to the quotient of (a) the Stated Value of such Share on the Optional Conversion Date (as defined below), divided by (b) the Conversion Price in effect on such Optional Conversion Date, with fractional shares of Common Stock rounded up or down as provided herein; provided, however, that the aggregate number of Shares actually converted by all Holders pursuant to Optional Conversion during any Conversion Period shall not exceed 10,000,000 Shares (the "Optional Conversion Cap").

(ii) In order to effectuate an Optional Conversion of Shares of Series A Preferred Stock, the Holder of such Shares shall submit a written notice to the Transfer Agent, duly executed by such Holder and in the form attached hereto as Exhibit B, in the manner as may be required by the applicable procedures of DTC, stating that such Holder irrevocably elects to convert the number of Shares specified in such notice to the Corporation of the Shares of Series A Preferred Stock being converted (a "Conversion Notice"). An election to convert Shares of Series A Preferred Stock pursuant to an Optional Conversion shall be deemed to have been made as of the following dates (the "Conversion Election Effective Date"): (a) on the date of receipt, with respect to any Conversion Notice received by the Transfer Agent at or prior to 5:00 p.m., New York City time, on any Business Day and (b) on the next Business Day following such receipt, with respect to any Conversion Notice received by the Transfer Agent on a non-Business Day or after 5:00 p.m., New York City time, on any Business Day. The conversion of all Shares of Series A Preferred Stock with respect to which an Optional Conversion election is made, and the issuance of all shares of Common Stock to be issued pursuant to such conversion, shall become effective as of the Conversion Election Effective Date for such election, subject to the Optional Conversion Cap and the provisions of Section 5.2(iv). As used herein, "Optional Conversion Date" means, with respect to any Share of Series A Preferred Stock for which a valid Optional Conversion election is made, the date on which the conversion of such Share becomes effective pursuant to the immediately preceding sentence. As promptly as practicable (and in no event more than three (3) Business Days) following each Optional Conversion Date, the Corporation or the Transfer Agent shall deliver to the applicable Holder (or, if applicable, the name of such Holder's designee as stated in the Conversion Notice), by book-entry delivery via DTC to the account(s) specified by DTC, a number of shares of Common Stock equal to the number of shares to which such Holder is entitled pursuant to the Optional Conversion of the Shares of such Holder's Series A Preferred Stock that were converted as of such Optional Conversion Date.

(iii) The Transfer Agent, if applicable, or the Corporation shall maintain a written record that lists each Optional Conversion election that is made from and after the Plan Effective Date and, with respect to each such election, (a) the electing Holder, (b) the number of Shares with respect which such election was made, (c) the Conversion Election Effective Date and (d) the extent applicable, the Optional Conversion Date(s) for the Shares of Series A Preferred Stock converted pursuant to such election and the number of shares of Common Stock issued pursuant to such Optional Conversion on each such Optional Conversion Date.

(iv) During each Conversion Period, the Shares of Series A Preferred Stock that Holders elect to convert pursuant to Optional Conversion and for which the Conversion Election Effective Date occurs during such Conversion Period shall be converted on a “first come first serve” basis based on their respective Conversion Election Effective Dates, in each case subject to the Optional Conversion Cap and the terms and conditions of this Section 5.2(iv). Promptly (and in no event more than three (3) Business Days thereafter) after the Optional Conversion Cutoff Date with respect to a Conversion Period, the Corporation shall publish the fact that an Optional Conversion Cutoff Date has occurred and the date thereof by posting such information on the Corporation’s website and issuing a press release that contains such information. If, at any time during any Conversion Period, the aggregate number of Shares with respect to which Optional Conversion elections are made and for which the Conversion Election Effective Date occurs during such Conversion Period exceeds the Optional Conversion Cap, then:

(a) any Optional Conversion election with a Conversion Election Effective Date that is after the Optional Conversion Cutoff Date or that is on a day on which a Holder is not otherwise entitled to elect an Optional Conversion shall not be given any effect;

(b) (A) all such Shares for which the Conversion Election Effective Date occurs prior to the Optional Conversion Cutoff Date shall be converted pursuant to Optional Conversion as of the Optional Conversion Date and (B) with respect to all such Optional Conversion elections for which the Optional Election Effective Date is the Optional Conversion Cutoff Date, the number of Shares converted pursuant to such Optional Conversions shall be cut back *pro rata* among all such elections, to the extent necessary to result in the aggregate number of Shares converted pursuant to Optional Conversion during such Conversion Period being not greater than the Optional Conversion Cap and such Shares which are not converted shall no longer be deemed to have submitted a Conversion Notice; and

(c) promptly (and in no event later than the third (3rd) Business Day thereafter) after the Optional Conversion Cutoff Date with respect to such Conversion Period, the Corporation or Transfer Agent shall provide written notice to each Holder of Shares of Series A Preferred Stock that are the subject of an Optional Conversion election for which the Conversion Election Effective Date occurred during such Conversion Period and were not converted pursuant to Optional Conversion during such Conversion Period, as follows (each, an “Optional Conversion Cutoff Notice”): (x) if none of such Holder’s Shares are converted pursuant to Optional Conversion during such Conversion Period, the Optional Conversion Cutoff Notice shall include a statement to such effect and (y) if any of such Holder’s Shares are cut back pursuant to clause (b) of this Section 5.2(iv), the Optional Conversion Cutoff Notice shall include a statement describing how such cutbacks were calculated and that to the extent such Holder’s Shares that were not converted, such Holder must submit a new Conversion Notice with respect to such shares in a subsequent Conversion Period, if any, in order to effectuate an Optional Conversion with respect to such Shares.

### 5.3 General Conversion Provisions.

(i) Effect of Conversion on Series A Preferred Stock. All Shares of Series A Preferred Stock that are converted pursuant to Mandatory Conversion or Optional Conversion

shall automatically, upon such conversion, be cancelled and retired and cease to exist, and shall not thereafter be reissued or sold and shall return to the status of authorized but unissued shares of Preferred Stock undesignated as to series. Upon the conversion of Shares of Series A Preferred Stock pursuant to Mandatory Conversion or Optional Conversion, all such Shares shall thereupon cease to confer upon the Holder thereof any rights (other than the right to receive the shares of Common Stock that such Holder is entitled to receive pursuant to such Mandatory Conversion or Optional Conversion) of a holder of Shares of Series A Preferred Stock, and the Person(s) in whose name the shares of Common Stock are to be issued upon such Mandatory Conversion or Optional Conversion shall be deemed to have become the holder(s) of record of such shares of Common Stock.

(ii) Status of Common Stock. All shares of Common Stock delivered upon any Mandatory Conversion or Optional Conversion of Shares will, upon such conversion, be duly and validly authorized and issued, fully paid and nonassessable, free from all preemptive rights, free from all taxes, liens, security interests, charges and encumbrances (other than liens, security interests, charges or encumbrances created by or imposed upon the Holder or taxes in respect of any transfer occurring contemporaneously therewith) and shall not be subject to any legend restricting trading thereof other than as provided for in the Certificate of Incorporation or Section 7 hereof.

(iii) No Charge or Payment. The issuance of shares of Common Stock upon conversion of Shares of Series A Preferred Stock pursuant to any Mandatory Conversion or Optional Conversion shall be made without payment of additional consideration by, or other charge, cost or tax to, the Holder in respect thereof; provided, however, that the Corporation shall not be required to pay any tax or other governmental charge that may be payable with respect to the issuance or delivery of any shares of Common Stock in the name of any Person other than the Holder of the converted Shares, and no such delivery shall be made unless and until the Person requesting such issuance has paid to the Corporation the amount of any such tax or charge, or has established to the satisfaction of the Corporation that such tax or charge has been paid or that no such tax or charge is due.

(iv) Reservation of Common Stock. The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of issuance upon conversion of the Shares of Series A Preferred Stock, such number of shares of Common Stock issuable upon the conversion of all outstanding Shares of Series A Preferred Stock pursuant to Mandatory Conversion and/or Optional Conversion at a Conversion Price equal to the Conversion Price Floor. The Corporation shall take all such actions as may be necessary to assure that all such shares of Common Stock may be so issued without violation of any applicable law or governmental regulation applicable to the Corporation or any requirements of any securities exchange upon which shares of Common Stock may be listed (except for official notice of issuance which shall be immediately delivered by the Corporation upon each such issuance). The Corporation shall not take any action which would cause the number of authorized but unissued shares of Common Stock to be less than the number of such shares required to be reserved hereunder for issuance upon conversion of the Shares of Series A Preferred Stock.

(v) No Fractional Shares of Common Stock. No fractional shares of Common Stock shall be issued upon any Mandatory Conversion or Optional Conversion of Shares of Series A Preferred Stock. In lieu of delivering a fractional share of Common Stock to any Holder in connection with any such conversion, the number of full shares of Common Stock that shall be issued upon conversion of Shares held by the same Holder (including any Holder of a Global Certificate) shall be computed on the basis of the aggregate Stated Value of all Shares (or specified portion thereof) held by such Holder that is being converted and any fractional share of Common Stock shall be rounded up or down to the next whole number or zero, as applicable (with one-half being closer to the next lower whole number for this purpose).

Section 6. Adjustments for Stock Splits, Business Combinations, etc.

6.1 Stock Splits, Subdivisions, Reclassifications or Combinations. In the event that the Corporation, at any time from and after the Plan Effective Date, (i) pays any dividends or distributions with respect to the Common Stock, in the form of additional shares of Common Stock or (ii) subdivides (by stock split, recapitalization or otherwise) the outstanding shares of Common Stock into a greater number of shares, the Conversion Price Cap, the Conversion Price Floor and the Preferred Stock Voting Ratio in effect immediately prior to any such event, shall be proportionally increased. In the event that the Corporation, at any time from and after the Plan Effective Date, combines (by reverse stock split, recapitalization or otherwise) the outstanding Common Stock into a smaller number of shares, the Conversion Price Cap, the Conversion Price Floor and the Preferred Stock Voting Ratio in effect immediately prior to any such event shall be proportionally decreased. Any adjustment under this Section 6.1 shall become effective at the close of business on the date the dividend, subdivision or combination becomes effective, and successive adjustments shall be made, without duplication, whenever any such dividend, subdivision or combination shall occur.

6.2 Business Combinations. In case of any Business Combination, at any time from and after the Plan Effective Date, lawful provision shall be made as part of the terms of such Business Combination whereby each Holder shall have the right thereafter to convert each Share held by it only into the kind and amount of securities, cash and other property receivable upon the Business Combination by a holder of a Common Stock Equivalent Number of shares of Common Stock as of immediately prior to such Business Combination. The Corporation or the Person formed by the consolidation or resulting from the merger or which acquires such assets or which acquires the Corporation's shares, as the case may be, shall make provisions in its certificate or articles of incorporation or other constituent documents (each, a "Constituent Document") to establish such rights and to ensure that the dividend, voting, conversion and other rights of the Holders established herein are unchanged. Such Constituent Documents or any amendment thereof in accordance with this paragraph shall contain terms as nearly equivalent as may be practicable to the terms provided for in this Certificate, including adjustments, which, for events subsequent to the effective date of such Constituent Documents, shall be as nearly equivalent as may be practicable to the adjustments provided for in this Section 6.

6.3 Other Adjustments. In the event that any transaction or event of the type contemplated by Sections 6.1 or 6.2 but not explicitly provided for in this Section 6 occurs with respect to the Common Stock, the Board of Directors shall take appropriate action as may be necessary or appropriate as determined in its reasonable good faith judgment to protect the rights

of the Holders of Shares of Series A Preferred Stock in a manner consistent with the provisions of this Section 6.

6.4 Statement Regarding Adjustments. Promptly following any adjustment to the Conversion Price Cap, the Conversion Price Floor and/or the Preferred Stock Voting Ratio as provided in Section 6.1, or any other adjustment as provided in Section 6.2 or Section 6.3, the Corporation shall (i) file, at the principal office of the Corporation, a statement showing in reasonable detail the facts requiring such adjustment, and, as applicable, the Conversion Price Cap, the Conversion Price Floor and the Preferred Stock Voting Ratio that shall be in effect after such adjustment and (ii) deliver a copy of such statement to each Holder.

Section 7. Registration of Transfer.

The Shares of Series A Preferred Stock shall be freely tradable and any Holder may, at any time, transfer, sell or otherwise dispose of all or any portion of its Shares, subject to applicable securities laws and the restrictions set forth in Article IV of the Certificate of Incorporation with respect to "Equity Securities" and "Corporation Securities." The Corporation shall maintain and keep at its principal office a register or appoint a Transfer Agent to maintain a register for the registration and transfer of Shares of Series A Preferred Stock.
