Item 7.01 Regulation FD Disclosure

As previously reported, on November 29, 2011, AMR Corporation (“AMR”) and certain of AMR’s direct and indirect domestic subsidiaries, including American Airlines, Inc. (the “Company”) and AMR Eagle Holding Corporation (collectively, the “Debtors”), filed voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code, in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”).

On August 27, 2012, the Debtors filed their monthly operating report for the month ended July 31, 2012 (the “Monthly Operating Report”) with the Bankruptcy Court. The Monthly Operating Report is attached hereto as Exhibit 99.1 and is incorporated herein by reference. This current report (including the exhibit hereto or any information included therein) shall not be deemed an admission as to the materiality of any information required to be disclosed solely by reason of Regulation FD.

Limitation on Incorporation by Reference

In accordance with General Instruction B.2 of Form 8-K, the information with respect to the Debtors in this Item 7.01 shall not be deemed “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.

Cautionary Statement Regarding Financial and Operating Data

The Company cautions investors and potential investors not to place undue reliance upon the information contained in the Monthly Operating Report, which was not prepared for the purpose of providing the basis for an investment decision relating to any of the securities of the Company. No assurance can be given as to the value, if any, that may be ascribed to the Debtors’ various prepetition liabilities and other securities. The Company cannot predict what the ultimate value of any of its securities may be or whether holders of any such securities will receive any distribution in the Debtors’ reorganization. Accordingly, the Debtors urge that caution be exercised with respect to existing and future investments in any of these securities or other Debtor claims. The Monthly Operating Report is limited in scope, covers a limited time period and has been prepared solely for the purpose of complying with the monthly reporting requirements of the Office of the United States Trustee of the Southern District of New York and the Bankruptcy Court. The Monthly Operating Report was not audited or reviewed by independent accountants, is in a format prescribed by applicable bankruptcy laws and regulations and is subject to future adjustment and reconciliation. Therefore, the Monthly Operating Report does not necessarily contain all information required in filings pursuant to the Exchange Act, or may present such information differently from such requirements. There can be no assurance that, from the perspective of an investor or potential investor in the Debtors’ securities, the Monthly Operating Report is complete. The Monthly Operating Report also contains information for periods which are shorter or otherwise different from those required in the Company’s reports pursuant to the Exchange Act, and such information might not be indicative of the Company’s financial condition or operating results for the period that would be reflected in the Company’s financial statements or in its reports pursuant to the Exchange Act. Results set forth in the Monthly Operating Report should not be viewed as indicative of future results.

Cautionary Statement Regarding Forward-Looking Statements

This current report on Form 8-K and the exhibit hereto contain forward-looking statements. Actual results may differ materially from the results suggested by these forward-looking statements, for a number of reasons, including, but not limited to, the impact of the Debtors’ bankruptcy filings, the Company’s ability to refinance, extend or repay its near and intermediate term debt, the Company’s substantial level of indebtedness and interest rates, the potential impact of volatile and rising fuel prices and impairments. Readers are referred to the documents filed by the Company with the Securities and Exchange Commission, which further identify the important risk factors that could cause actual results to differ materially from the forward-looking statements in this current report on Form 8-K and the exhibit hereto. The Company disclaims any obligations to update any forward-looking statements.

1. **Summary of Accounting Policies**

Basis of Presentation

On November 29, 2011 (the "Petition Date"), AMR Corporation (the "Company") and certain of the Company's direct and indirect domestic subsidiaries (collectively, the "Debtors") filed voluntary petitions for relief (the "Chapter 11 Cases") under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code"), in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"). The Chapter 11 Cases are being jointly administered under the caption "In re AMR Corporation, et al, Case No. 11-15463-SHL."

The Company and the other Debtors are operating as "debtors in possession" under the jurisdiction of the Bankruptcy Court and the applicable provisions of the Bankruptcy Code. In general, as debtors in possession under the Bankruptcy Code, we are authorized to continue to operate as an ongoing business but may not engage in transactions outside the ordinary course of business without the prior approval of the Bankruptcy Court. The Bankruptcy Code enables the Company to continue to operate its business without interruption, and the Bankruptcy Court has granted additional relief covering, among other things, obligations to (i) employees, (ii) taxing authorities, (iii) insurance providers, (iv) independent contractors for improvement projects, (v) foreign vendors, (vi) other airlines pursuant to certain interline agreements, and (vii) certain vendors deemed critical to the Debtors' operations.

While operating as debtors in possession under Chapter 11 of the Bankruptcy Code, the Debtors may sell or otherwise dispose of or liquidate assets or settle liabilities, subject to the approval of the Bankruptcy Court or otherwise as permitted in the ordinary course of business. The Debtors have not yet prepared or filed with the Bankruptcy Court a plan of reorganization. On July 19, 2012, the Bankruptcy Court entered an order pursuant to Section 1121(d) of the Bankruptcy Code further extending the exclusivity periods during which only the Debtors have the right to file a plan of reorganization and solicit and obtain acceptances of such plan. The date until which the Debtors have to file a plan of reorganization has been extended through and including December 28, 2012. If the Debtors file a plan of reorganization on or prior to such date, the Debtors have an exclusive period to solicit and obtain acceptances for such plan through and including February 28, 2013. These extensions are without prejudice to the Debtors' right to seek further extensions of such exclusivity periods. The ultimate plan of reorganization, which would be subject to acceptance by the requisite majorities of empowered creditors under the Bankruptcy Code and approved by the Bankruptcy Court, could materially change the amounts and classifications in the Condensed Consolidated Financial Statements.

This Monthly Operating Report ("MOR") was prepared on a consolidated basis for the Company and its direct and indirect subsidiaries, including the subsidiary Debtors and other subsidiaries that did not file voluntary petitions for relief under Chapter 11. This MOR is unaudited, is limited in scope, covers a limited time period, and has been prepared solely for the purpose of complying with the monthly reporting requirements for Chapter 11 debtors as required by the Office of the United States Trustee for the Southern District of New York (the "U.S. Trustee") and the Bankruptcy Court. This MOR does not include all the information and footnotes required by generally accepted accounting principles ("GAAP") for complete financial statements. Therefore, there can be no assurance that the consolidated financial information presented herein is complete and readers are strongly cautioned not to place undue reliance on this MOR. This MOR should be read in conjunction with the Debtors' previously filed MORs and the financial statements and accompanying notes in the Company's annual and quarterly reports that are filed with the United States Securities and Exchange Commission (the "SEC").

In accordance with GAAP, the Debtors have applied ASC 852 "Reorganizations" ("ASC 852") in preparing the Condensed Consolidated Financial Statements. ASC 852 requires that the financial statements, for periods subsequent to the Chapter 11 Cases, distinguish transactions and events that are directly associated with the reorganization from the ongoing operations of the business. Accordingly, certain revenues, expenses (including professional fees), realized gains and losses and provisions for losses that are realized or incurred in the Chapter 11 Cases are recorded in reorganization items, net on the accompanying Consolidated Statement of Operations. In addition, prepetition obligations that may be impacted by the Chapter 11 reorganization process have been classified on the Condensed Consolidated Balance Sheet in liabilities subject to compromise. These liabilities are reported at the amounts expected to be allowed by the Bankruptcy Court, even if they may be settled for lesser amounts (see Note 2).

The Debtors have also prepared these unaudited Condensed Consolidated Financial Statements on a going concern

basis, which contemplates continuity of operations, realization of assets and satisfaction of liabilities in the ordinary course of business. Accordingly, the Debtors' Condensed Consolidated Financial Statements do not include any adjustments relating to the recoverability of assets and classification of liabilities that might be necessary should the Debtors be unable to continue as a going concern.

The accompanying Condensed Consolidated Financial Statements do not purport to reflect or provide for the consequences of the Chapter 11 Cases, other than as set forth under "liabilities subject to compromise" on the accompanying Condensed Consolidated Balance Sheet and "income (loss) before reorganization items" and "reorganization items, net" on the accompanying Consolidated Statement of Operations (see Note 2). In particular, the financial statements do not purport to show (1) as to assets, their realizable value on a liquidation basis or their availability to satisfy liabilities; (2) as to prepetition liabilities, the amounts that may be allowed for claims or contingencies, or the status and priority thereof; (3) as to shareowners' equity accounts, the effect of any changes that may be made to the Debtors' capitalization; or (4) as to operations, the effect of any changes that may be made to the Debtors' business.

Results of operations for the periods presented herein are not necessarily indicative of results of operations for the entire year. The Condensed Consolidated Financial Statements include the accounts of the Company and its direct and indirect wholly owned subsidiaries (both Debtor and non-Debtor), including (i) its principal subsidiary American Airlines, Inc. ("American") and (ii) its regional airline subsidiary, AMR Eagle Holding Corporation and its primary subsidiaries, American Eagle Airlines, Inc. and Executive Airlines, Inc. (collectively, "AMR Eagle"). The Condensed Consolidated Financial Statements also include the accounts of variable interest entities for which the Company is the primary beneficiary. For further information, refer to the consolidated financial statements and footnotes included in the Company's Annual Report on Form 10-K filed with the SEC on February 15, 2012 ("2011 Form 10-K"), including the Summary of Significant Accounting Policies which appears as Note 2 in the 2011 Form 10-K.

No assurance can be given as to the value, if any, that may be ascribed to the Debtors' various prepetition liabilities and other securities. The Company cannot predict what the ultimate value of any of its securities may be or whether holders of any such securities will receive any distribution in the Debtors' reorganization. However, it is likely that the Company's common stock will have little or no value at the time of the Company's emergence from bankruptcy, and the common stock could be canceled entirely upon the approval of the Bankruptcy Court. In the event of such cancellation, amounts invested in the Company's common stock will not be recoverable. Accordingly, the Debtors urge that caution be exercised with respect to existing and future investments in any of these securities (including the Company's common stock) or other Debtor claims. Trading in the Company's common stock and certain debt securities on the New York Stock Exchange ("NYSE") was suspended on January 5, 2012, and the Company's common stock and such debt securities were delisted by the SEC from the NYSE on January 30, 2012. On January 5, 2012, the Company's common stock began trading under the symbol "AAMRQ" on the OTCQB marketplace, operated by OTC Markets Group (www.otcmarkets.com).

Additional information about the Chapter 11 Cases is available on the Internet at aa.com/restructuring. Court filings and claims information are available at amrcaseinfo.com.

2. Chapter 11 Proceedings and Reorganization Update for the Reporting Period

General Information

Notices to Creditors; Effect of Automatic Stay. The Debtors have notified all known current or potential creditors that the Chapter 11 Cases were filed. Subject to certain exceptions under the Bankruptcy Code, the filing of the Chapter 11 Cases automatically enjoined, or stayed, the continuation of most judicial or administrative proceedings or filing of other actions against the Debtors or their property to recover on, collect or secure a claim arising prior to the Petition Date. Thus, for example, most creditor actions to obtain possession of property from the Debtors, or to create, perfect or enforce any lien against the property of the Debtors, or to collect on monies owed or otherwise exercise rights or remedies with respect to a prepetition claim, are enjoined unless and until the Bankruptcy Court lifts the automatic stay as to any such claim. Vendors are being paid for goods furnished and services provided after the Petition Date in the ordinary course of business.

Appointment of Creditors' Committee. On December 5, 2011, the U.S. Trustee appointed a statutory official committee of unsecured creditors (the "Creditors' Committee") for the Chapter 11 Cases.

Appointment of Retiree Committee. On March 23, 2012, the Bankruptcy Court entered a Stipulation and Order providing for the appointment of a committee of retired independent and unionized AMR employees (the "Retiree Committee"). On April 20, 2012, the U.S. Trustee recommended the appointment of five persons to the Retiree Committee: two non-union retirees and one representative from each of the Association of Professional Flight Attendants ("APFA"), Transportation Workers Union ("TWU") and Allied Pilots Association ("APA"). On May 3, 2012, the Bankruptcy Court appointed the authorized individuals to the Retiree Committee from the respective employee groups.

Rejection of Executory Contracts. Under Section 365 and other relevant sections of the Bankruptcy Code, the Debtors may assume, assume and assign, or reject certain executory contracts and unexpired leases, including, without limitation, agreements relating to aircraft and aircraft engines (collectively, Aircraft Property) and leases of real property, subject to the approval of the Bankruptcy Court and certain other conditions. The Debtors' rights to assume, assume and assign, or reject unexpired leases of non-residential real estate had been extended by order of the Bankruptcy Court through June 26, 2012. On June 20, 2012, the Bankruptcy Court entered orders granting the Debtors' motions to assume 463 unexpired leases of non-residential real property. On June 21, 2012 the Bankruptcy Court entered an order extending, by the Debtors' agreement with certain landlords, the date by which the Debtors must assume or reject an additional 88 unexpired leases of non-residential real property. On July 19, 2012, the Bankruptcy Court entered orders granting the Debtors' motion to assume nine unexpired leases of non-residential real property. On July 24, 2012 the Bankruptcy Court entered an order further extending, by the Debtors' agreement with certain landlords, the date by which the Debtors must assume or reject 19 unexpired leases of non-residential real property. On August 8, 2012, the Bankruptcy Court entered orders granting the Debtors' motion to assume one unexpired lease of non-residential real property and extending the date by which the Debtors must assume or reject 15 unexpired leases of non-residential real property.

In general, rejection of an executory contract or unexpired lease is treated as a prepetition breach of the executory contract or unexpired lease in question and, subject to certain exceptions, relieves the Debtors from performing their future obligations under such executory contract or unexpired lease but entitles the contract counterparty or lessor to a prepetition general unsecured claim for damages caused by such deemed breach. Counterparties to such rejected contracts or leases have the right to file claims against the Debtors' estate for such damages. Generally, the assumption of an executory contract or unexpired lease requires the Debtors to cure existing defaults under such executory contract or unexpired lease.

Any description of an executory contract or unexpired lease elsewhere in this report or reflected in these Notes, including where applicable the Debtors' express termination rights or a quantification of their obligations, must be read in conjunction with, and is qualified by, any rights the Debtors or counterparties have under Section 365 of the Bankruptcy Code.

The Debtors expect that liabilities subject to compromise and resolution in the Chapter 11 Cases will arise in the future as a result of damage claims created by the Debtors' rejection of various executory contracts and unexpired leases. Due to the uncertain nature of many of the potential rejection claims, the magnitude of such claims is not reasonably estimable at this time. Such claims may be material (see "Liabilities Subject to Compromise" below).

Special Protection Applicable to Leases and Secured Financing of Aircraft and Aircraft Equipment. Notwithstanding the general discussion above of the impact of the automatic stay, under Section 1110 of the Bankruptcy Code ("Section 1110"), beginning 60 days after filing a petition under Chapter 11, certain secured parties, lessors and conditional sales vendors may have a right to take possession of certain qualifying Aircraft Property that is leased or subject to a security interest or conditional sale contract, unless the Debtors, subject to approval by the Bankruptcy Court, agree to perform under the applicable agreement, and cure any defaults as provided in Section 1110 (other than defaults of a kind specified in Section 365(b)(2) of the Bankruptcy Code). Taking such action does not preclude the Debtors from later rejecting the applicable lease or abandoning the Aircraft Property subject to the related security agreement, or from later seeking to renegotiate the terms of the related financing.

The Debtors may extend the 60-day period by agreement of the relevant financing party, with Bankruptcy Court approval. In the absence of an agreement and cure as described above or such an extension, the financing party may take possession

of the Aircraft Property and enforce its contractual rights or remedies to sell, lease or otherwise retain or dispose of such equipment.

The 60-day period under Section 1110 in the Chapter 11 Cases expired on January 27, 2012. In accordance with the Bankruptcy Court's Order Authorizing the Debtors to (i) Enter into Agreements Under Section 1110 (a) of the Bankruptcy Code, (ii) Enter into Stipulations to Extend the Time to Comply with Section 1110 of the Bankruptcy Code and (iii) File Redacted Section 1110(b) Stipulations, dated December 23, 2011, the Debtors have entered into agreements to extend the automatic stay or agreed to perform and cure defaults under financing agreements with respect to certain aircraft in their fleet and other Aircraft Property. With respect to certain Aircraft Property, the Debtors have reached agreements on, or agreements on key aspects of, renegotiated terms of the related financings, and the Debtors are continuing to negotiate terms with respect to many of their other Aircraft Property financings. The ultimate outcome of these negotiations cannot be predicted with certainty. To the extent the Debtors are unable to reach definitive agreements with Aircraft Property financing parties, those parties may seek to repossess the subject Aircraft Property. The loss of a significant number of aircraft could result in a material adverse effect on the Debtors' financial and operating performance.

In accordance with Section 1110 of the Bankruptcy Code, as of July 31, 2012, the Company had (i) rejected 40 leases relating to 21 MD-80 aircraft, four Fokker 100 aircraft, seven Boeing 757-200 aircraft and eight spare engines; (ii) relinquished one Airbus A300-600R aircraft that was subject to a mortgage; (iii) made elections under Section 1110(a) of the Bankruptcy Code to retain 340 aircraft and 87 spare engines, including Boeing 737-800, Boeing 757-200, Boeing 767-300ER, Boeing 777-200ER, Bombardier CRJ-700, and McDonnell Douglas MD-80 aircraft, on the terms provided in the related financing documents; and (iv) reached agreement on revised economic terms of the financings of 152 aircraft, comprising 80 MD-80 aircraft, nine Boeing 737-800 aircraft, 36 Boeing 757-200 aircraft, 11 Boeing 767-200ER aircraft, 13 Boeing 767-300ER aircraft and 3 Boeing 777-200 aircraft (which agreements are subject to reaching agreement on definitive documentation). In addition, the Company reached an agreement with the lessor to modify the leases of 39 Super ATR aircraft. As of July 31, 2012, 24 of the Super ATR aircraft had been returned to the lessor as allowed under the modified agreement. The remaining 15 Super ATR aircraft are expected to be returned to the lessor during the remainder of 2012 and 2013. Lastly, the Company reached an agreement with the lender with respect to 18 Embraer RJ-135 aircraft pursuant to which the Company surrendered such aircraft to the lender on June 22, 2012, and the lender agreed that the Company would have no further obligations under the related mortgage documents.

Magnitude of Potential Claims. On February 27, 2012, the Debtors filed with the Bankruptcy Court schedules and statements of financial affairs setting forth, among other things, the assets and liabilities of the Debtors, subject to the assumptions filed in connection therewith. All of the schedules are subject to further amendment or modification.

Bankruptcy Rule 3003(c)(3) requires the Bankruptcy Court to fix the time within which proofs of claim must be filed in a Chapter 11 case pursuant to Section 501 of the Bankruptcy Code. This Bankruptcy Rule also provides that any creditor who asserts a claim against the Debtors that arose prior to the Petition Date and whose claim (i) is not listed on the Debtors' schedules or (ii) is listed on the schedules as disputed, contingent, or unliquidated, must file a proof of claim. On May 4, 2012, the Bankruptcy Court entered an order that established July 16, 2012 at 5:00 p.m. (Eastern Time) as the deadline to file proofs of claim against any Debtor. More information regarding the filing of proofs of claim can be obtained at www.amrcaseinfo.com.

We expect there may be additional and amended claims filed in the future, including claims arising from the rejection of executory contracts and/or unexpired leases and claims amended to assign values to claims originally filed with no designated value. The Company is currently reviewing the filed claims, through which we expect to identify many that we believe should be disallowed by the Bankruptcy Court because they are duplicative, are without merit, are overstated or for other reasons.

Differences between amounts scheduled by the Debtors and claims by creditors will be investigated and resolved in connection with the claims resolution process. In light of the expected number of creditors, the claims resolution process may take considerable time to complete. Accordingly, the ultimate number and amount of allowed claims is not presently known, nor can the ultimate recovery with respect to allowed claims be presently ascertained.

Collective Bargaining Agreements. The Bankruptcy Code provides a process for the modification and/or rejection of collective bargaining agreements (“CBAs”). In particular, Section 1113(c) of the Bankruptcy Code permits a debtor to reject its CBAs if the debtor satisfies a number of statutorily prescribed substantive and procedural prerequisites and obtains the Bankruptcy Court’s approval to reject the CBAs. The Section 1113(c) process requires that a debtor must make proposals to its unions to modify existing CBAs based on the most complete and reliable information available at the time the proposals are made. The proposed modifications must be necessary to permit the reorganization of the debtor and must assure that all the affected parties are treated fairly and equitably. The debtor must provide the unions with all information necessary to evaluate the proposals, and meet at reasonable times and confer in good faith with the unions in an effort to reach mutually agreeable modifications to the CBAs. American commenced the Section 1113(c) process with its unions (APA, APFA and TWU) on February 1, 2012, and has been negotiating in good faith with the unions for consensual agreements that achieve the necessary level of labor cost savings. Because consensual agreements had not been reached, and given American’s need to restructure its labor costs expeditiously, the Debtors filed a motion with the Bankruptcy Court on March 27, 2012 requesting approval to reject the CBAs. Rejection of the CBAs is appropriate if the Bankruptcy Court finds the Debtors’ proposals are necessary for their reorganization, are fair and equitable, and that the unions refused to agree to the proposals without good cause.

The Court hearing on the Debtors’ request to reject the CBAs began on April 23, 2012 with the presentation of the Debtors’ case and concluded the week of May 21, 2012 with the presentation of the unions’ cases and rebuttal evidence from the Debtors. Since the filing of its request to reject its CBAs, American and the unions have continued to negotiate in good faith toward consensual agreements. These negotiations have resulted in ratified agreements with all seven TWU-represented groups (Fleet Service Clerks, Dispatchers, Ground School Instructors, Maintenance Control Technicians, Simulator Technicians, Mechanics and Related (M&R), and Stores). Five of the agreements have been approved by the Bankruptcy Court, and the Debtors expect the other two remaining agreements (M&R and Stores) to be approved by the Bankruptcy Court in early September. On July 20, 2012, APFA decided to send American’s proposed Last Best and Final Offer (LBFO) to its membership for a ratification vote, and on August 19, APFA announced the LBFO was ratified by the membership. The Debtors expect this new agreement to be approved by the Bankruptcy Court in early September. On June 27, 2012, the APA Board of Directors voted in favor of sending a tentative agreement with American to its membership for a ratification vote; however, APA announced on August 8, 2012 that its membership did not ratify that agreement. As a result, on August 15, 2012, the Bankruptcy Court issued its decision on the Debtors’ request to reject its pilot CBA. The Bankruptcy Court denied the Debtors’ request, but found that all but two of the Debtors’ numerous 1113 term sheet proposals met all of the standards for contract rejection. The Bankruptcy Court invited the Debtors to modify the two proposals and renew its motion. The Debtors filed a renewed 1113 motion on August 17, 2012, and a hearing on the renewed motion will be held on September 4, 2012. The ultimate resolution of the pilot agreement cannot be determined at this time.

AMR Eagle commenced the Section 1113(c) process with its unions on March 21, 2012. On July 20, AMR Eagle and the TWU reached a tentative agreement with the Mechanics and Related and Fleet Service Clerks groups. On August 24, 2012, the TWU announced that the Fleet Service Clerks group ratified its tentative agreement and that the Mechanics and Related group did not ratify its tentative agreement. On July 27, 2012, AMR Eagle reached a tentative agreement with the Association of Flight Attendants, and the ratification vote result will be known on September 5, 2012. On August 8, 2012, AMR Eagle reached an agreement-in-principle with the Air Line Pilots Association. The ratification vote schedule for that agreement has not yet been determined. AMR Eagle continues to negotiate toward consensual agreements with its two other TWU work groups. The ultimate resolution of AMR Eagle’s union agreements cannot be determined at this time.

Availability and Utilization of Net Operating Losses. The availability and utilization of net operating losses (and utilization of alternative minimum tax credits) after the Debtors’ emergence from Chapter 11 is uncertain at this time and will be highly influenced by the composition of the plan of reorganization that is ultimately pursued. On January 27, 2012, the Bankruptcy Court entered a Final Order Establishing Notification Procedures for Substantial Claimholders and Equityholders and Approving Restrictions on Certain Transfers of Interests in the Debtors’ Estates, which restricts trading in the Company’s common stock and claims. The order is intended to prevent certain transfers of the Company’s common stock and certain transfers of claims against the Debtors that could impair the ability of one or more of the Debtors’ estates to use their net operating loss carryovers and certain other tax attributes currently or on a reorganized basis. Any acquisition, disposition, or other transfer of equity or claims on or after November 29, 2011 in violation of the restrictions set forth in the order will be null and void *ab initio* and/or subject to sanctions as an act in violation of

the automatic stay under Sections 105(a) and 362 of the Bankruptcy Code. The order applies to (i) "Substantial Equityholders," *i.e.*, persons who are, or as a result of a transaction would become, the beneficial owner of approximately 4.5 percent of the outstanding shares of the Company's common stock and (ii) "Substantial Claimholders," *i.e.*, persons who are, or as a result of a transaction become, the beneficial owner of unsecured claims in excess of a threshold amount of unsecured claims (initially \$190 million of unsecured claims, but which may be subsequently increased or decreased under certain circumstances in connection with the Debtors' filing of a Chapter 11 plan). In the case of Substantial Equityholders, the order imposes current restrictions with respect to the acquisition or disposition of the Company's stock, and certain notifications may be required. In the case of Substantial Claimholders, the order imposes a procedure pursuant to which, under certain circumstances, the claims acquired during the Chapter 11 cases may have to be resold, and certain notifications may be required.

Liabilities Subject to Compromise

The following table summarizes the components of liabilities subject to compromise included on the Consolidated Balance Sheet as of July 31, 2012:

(in millions)	
Debt and accrued interest	\$ 2,289
Aircraft lease and facility bond related obligations	2,940
Pension and postretirement benefits	9,453
Accounts payable and other accrued liabilities	456
Total liabilities subject to compromise	<u>\$ 15,138</u>

Liabilities subject to compromise refers to prepetition obligations which may be impacted by the Chapter 11 reorganization process. These amounts represent the Debtors' current estimate of known or potential prepetition obligations to be resolved in connection with the Chapter 11 Cases.

In accordance with ASC 852, substantially all of the Company's unsecured debt has been classified as liabilities subject to compromise. Additionally, certain of the Company's undersecured debt instruments have also been classified as liabilities subject to compromise.

Differences between liabilities the Debtors have estimated and the claims filed, or to be filed, will be investigated and resolved in connection with the claims resolution process. The Company will continue to evaluate these liabilities throughout the Chapter 11 Cases and adjust amounts as necessary. Such adjustments may be material. In light of the expected number of creditors, the claims resolution process may take considerable time to complete. Accordingly, the ultimate number and amount of allowed claims is not presently known.

Reorganization Items, net

Reorganization items refer to revenues, expenses (including professional fees), realized gains and losses and provisions for losses that are realized or incurred in the Chapter 11 Cases. The following table summarizes the components included in reorganization items, net on the Consolidated Statement of Operations for the month ended July 31, 2012:

(in millions)	
Aircraft and facility financing renegotiations and rejections ^{(1) (2)}	\$ 36
Professional fees	18
Total reorganization items, net	<u>\$ 54</u>

- (1) The Debtors record an estimated claim associated with the rejection of an executory contract or unexpired lease when it files a motion with the Bankruptcy Court to reject such contract or lease and believes that it is probable the motion will be approved and there is sufficient information to estimate the claim. The Debtors record an estimated claim associated with the renegotiation of an executory contract or unexpired lease when the renegotiated terms of such contract or lease are not opposed or are otherwise approved by the Bankruptcy Court and there is sufficient

information to estimate the claim.

- (2) Final claim approved by the Bankruptcy Court associated with six aircraft purchased from lessor. See above, "Special Protection Applicable to Leases and Secured Financing of Aircraft and Aircraft Equipment," for further information.

Claims related to reorganization items are reflected in liabilities subject to compromise on the Condensed Consolidated Balance Sheet as of July 31, 2012.

Interest Expense

In accordance with ASC 852, the Debtors record interest expense only to the extent (1) interest will be paid during the Chapter 11 Cases or (2) it is probable that the Bankruptcy Court will allow a claim in respect of such interest. Interest expense recorded on the Consolidated Statements of Operations totaled \$55 million for the month ended July 31, 2012. Contractual interest expense (including interest expense that is associated with obligations in liabilities subject to compromise) during this period totaled \$62 million.

Insurance

Premiums to date for all insurance policies, including workers' compensation and disability insurance, have been paid in accordance with each respective policy's payment terms. No payments are past due.

Restricted Cash and Short-term Investments

The Company has restricted cash and short-term investments related primarily to collateral held to support projected workers' compensation obligations and funds held for certain tax obligations.

Retirement Benefit Plans

On March 7, 2012, the Company announced that, in working with Creditors' Committee and the Pension Benefit Guarantee Corporation ("PBGC"), it developed a solution that would allow the Company to pursue a freeze of its defined benefit pension plans for non-pilot employees instead of seeking termination. The Company and the PBGC have since reached an agreement on freezing three of the airline's four defined benefit plans. The agreement was filed with the Bankruptcy Court on May 4, 2012.

In addition, the Company is continuing to work with the PBGC, the Creditors' Committee and the APA on a solution that could allow the Company to freeze the defined benefit pension plan for pilots instead of seeking termination. On June 20, 2012, the U.S. Department of Treasury published a proposed regulation which, if finalized, would create a process by which American would seek to remove certain impediments to freezing the defined benefit plan for pilots. The proposed regulation has a 60 day comment period, at which time the U.S. Department of Treasury could issue a final ruling. As of the date of this filing, the final ruling had not yet been issued.
